MFC BANCORP LTD. FILES ANNUAL REPORT FOR 2018 AND ANNOUNCES SHAREHOLDERS' MEETING

HONG KONG (April 30, 2019) . . . MFC Bancorp Ltd. (the "Company" or "MFC") (NYSE: MFCB) announces it has filed its financial results for the year ended December 31, 2018. The Company also announced that it has scheduled a shareholder meeting to seek approval for: (i) the change of its name to "Scully Limited"; and (ii) the completion of a consolidation and subsequent forward split of its shares to further reduce administrative expenses.

2018 Annual Report

In late 2018, the operator of the mine underlying our iron ore interest in Canada announced that it had completed financing to re-start mining operations and that it plans to re-start the Scully mine in the summer of 2019. This development triggered a review of the carrying value of this asset, which resulted in the recognition of an after-tax non-cash gain of \$137.4 million.

As a result, we returned to profitability for the first time since 2013 and reported net income of \$112.3 million, or \$8.96 per share, which increased our shareholders' equity to \$386.4 million, or \$30.82 per share.

The Company's financial results for 2018 are set forth in its Annual Report on Form 20-F for the year ended December 31, 2018, a copy of which is available on its website at www.mfcbanCorp.com and under the Company's profile at www.sec.gov.

All amounts are in Canadian dollars and the Company's financial statements are prepared in accordance with International Financial Reporting Standards.

Name Change / Consolidation and Split

Going forward, to reduce our costs and to better reflect our balance sheet and business we have called a meeting of our shareholders that is scheduled to be held on May 31, 2019. At the meeting, shareholders will be asked to approve the change of our name to "Scully Limited", which we believe better reflects our business strategy and profile going forward.

In addition, At the meeting, shareholders will also consider the approval of a consolidation of our common shares on a 25 for 1 basis, referred to as the "Consolidation", and subsequent forward split of such shares on a 1 for 25 basis, referred to collectively as the "Consolidation / Split". No fractional shares will be issued as a result of the Consolidation to registered shareholders (i.e. shareholders who hold their shares in registered form and not beneficially through a broker or other intermediary), with such fractional shares to be combined and sold by our transfer agent and the proceeds thereof to be paid to registered holders of fractional shares on a pro rata basis.

Subject to receipt of requisite shareholder approval, we currently expect the name change and Consolidation/Split to be completed on or about June 3, 2019. Additional information regarding the name change and Consolidation / Split will be included in the proxy materials relating to the meeting.

President's Comments

Michael Smith, President and CEO of the Company, commented: " It is our goal and initiative to structure the group in a way that assists in substantially eliminating the discount between the market price of our common shares and our stated net book value per share as of December 31, 2018. We are in the process of defining and finalizing our plans and expect to announce details of such strategy in the near future."
