Explanation of Responses:

- (1) The original Form 4 filed on March 12, 2019, is being amended by the Form 4 amendment solely to correct an administrative error, which misreported the withholding of shares to satisfy the tax liability of shares vested in accordance with Rule 16b-3. The number of shares withheld was originally reported as 46. In fact, 42 shares were withheld. As a result of this administrative error, the number of shares beneficially owned by the reporting person following the corrected transaction reflects an increase in the number of shares beneficially owned by the reporting person by 4 shares.
