Filings Bring Merger of Equals One Step Closer to Successful Close During Fourth Quarter 2018

*Combined Company Will Be a Leading, Pure-Play Water Company with the Scale, Management,
Financial Strength and Geographic Diversity to Excel Operationally and Financially*

San Jose, CA & Clinton, CT – May 7, 2018 – SJW Group (NYSE: SJW) and Connecticut Water Service, Inc. (NASDAQ: CTWS) (“Connecticut Water”) today announced that applications for the approval of their merger of equals were filed on Friday, May 4, 2018, with the Connecticut Public Utilities Regulatory Authority (“PURA”) and the Maine Public Utilities Commission (“MPUC”). This brings the transaction one step closer toward a successful close, which is expected to take place during the fourth quarter of 2018.

“This is an important milestone in the regulatory approval process,” stated David C. Benoit, president and CEO of CTWS. “We are eager to demonstrate to our regulators the clear benefits of the merger for our customers, employees and communities that can be realized through the sharing of best practices, operational expertise and resources of the combined company. Through the merger, we will have the unique benefit of being able to maintain our presence and locally-based teams of water professionals in Connecticut and Maine to deliver safe, reliable water service in our communities while being part of a larger, stronger national organization.”

In their applications, both companies detail the specific benefits of the transaction and how it will serve the public interest. Among the commitments made in the applications, both companies indicate that there will be no changes to customer rates nor any job cuts or employee layoffs as a result of the merger of equals.

Both companies’ boards of directors believe that the merger of equals is a unique opportunity that will provide benefits for customers, employees and the communities they serve. The combined company will be a leading, pure-play water company with the scale, management, financial strength and geographic diversity to excel operationally and financially.

The transaction remains subject to customary closing conditions and approvals, including the approval of the issuance of shares by SJW Group stockholders, the approval of Connecticut Water shareholders, the approvals of the PURA and the MPUC and the approval of the Federal Communications Commission. On April 30, 2018, SJW Group and Connecticut Water announced that the Federal Trade Commission has granted early termination of the Hart Scott Rodino waiting period for the companies’ merger of equals.
