**Item 4.01**      **Changes in Registrant’s Certifying Accountant.**

On March 8, 2018, following a competitive request for proposal process, the Audit Committee (the “Audit Committee”) of McDermott International, Inc. (“McDermott”) engaged Ernst & Young LLP (“EY”) as its independent registered public accounting firm for the year ending December 31, 2018, and the Board of Directors of McDermott approved and ratified such appointment. Concurrently with the appointment of EY, the Audit Committee dismissed its previously engaged independent registered accounting firm, Deloitte & Touche LLP (“D&T”), as its principal outside auditor and provided D&T with notice of such dismissal.

During McDermott’s two most recent fiscal years ended December 31, 2017 and 2016 and during the subsequent interim period ended March 8, 2018, there were (i) no disagreements between McDermott and D&T on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreement, if not resolved to the satisfaction of D&T, would have caused D&T to make reference thereto in its reports on the financial statements for such years, and (ii) no “reportable events” as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

The audit reports of D&T on McDermott’s financial statements as of and for the years ended December 31, 2017 and 2016 did not contain any adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

McDermott provided D&T with a copy of the disclosures in this Current Report on Form 8-K prior to filing and requested that D&T furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not D&T agrees with the above statements made by McDermott regarding D&T and, if not, stating the respects in which it does not agree. A copy of such letter, dated March 8, 2018, is attached as Exhibit 16.1.

During years ended December 31, 2017 and 2016, and in the subsequent interim period through March 8, 2018, neither the Company, nor anyone on its behalf, has consulted with EY regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on McDermott’s financial statements, and neither a written report nor oral advice was provided to McDermott that EY concluded was an important factor considered by McDermott in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in instruction 4 to Item 304 of Regulation S-K ) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).
