Forward Looking Statements

This communication contains “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995 regarding the financial condition, results of operations, business plans and the future performance of BB&T and SunTrust. Words such as “anticipates,” “believes,” “estimates,” “expects,” “forecasts,” “intends,” “plans,” “projects,” “could,” “may,” “should,” “will” or other similar words and expressions are intended to identify these forward-looking statements. These forward-looking statements are based on BB&T’s and SunTrust’s current expectations and assumptions regarding BB&T’s and SunTrust’s businesses, the economy, and other future conditions. Because forward-looking statements relate to future results and occurrences, they are subject to inherent uncertainties, risks, and changes in circumstances that are difficult to predict. Many possible events or factors could affect BB&T’s or SunTrust’s future financial results and performance and could cause actual results or performance to differ materially from anticipated results or performance. Such risks and uncertainties include, among others: the occurrence of any event, change or other circumstances that could give rise to the right of one or both of the parties to terminate the definitive merger agreement between BB&T and SunTrust, the outcome of any legal proceedings that may be instituted against BB&T or SunTrust, delays in completing the transaction, the failure to obtain necessary regulatory approvals (and the risk that such approvals may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the transaction) and shareholder approvals or to satisfy

any of the other conditions to the transaction on a timely basis or at all, the possibility that the anticipated benefits of the transaction are not realized when expected or at all, including as a result of the impact of, or problems arising from, the integration of the two companies or as a result of the strength of the economy and competitive factors in the areas where BB&T and SunTrust do business, the possibility that the transaction may be more expensive to complete than anticipated, including as a result of unexpected factors or events, diversion of management's attention from ongoing business operations and opportunities, potential adverse reactions or changes to business or employee relationships, including those resulting from the announcement or completion of the transaction, the ability to complete the transaction and integration of BB&T and SunTrust successfully, and the dilution caused by BB&T's issuance of additional shares of its capital stock in connection with the transaction. Except to the extent required by applicable law or regulation, each of BB&T and SunTrust disclaims any obligation to update such factors or to publicly announce the results of any revisions to any of the forward-looking statements included herein to reflect future events or developments. Further information regarding BB&T, SunTrust and factors which could affect the forward-looking statements contained herein can be found in BB&T's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, its Quarterly Reports on Form 10-Q for the three-month periods ended March 31, 2018, June 30, 2018 and September 30, 2018, and its other filings with the Securities and Exchange Commission ("SEC"), and in SunTrust's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, its Quarterly Reports on Form 10-Q for the three-month periods ended March 31, 2018, June 30, 2018 and September 30, 2018, and its other filings with the SEC.
