(a). During the term of this Agreement, Cliffs shall sell to AK Steel and AK Steel shall purchase from Cliffs *** AK Steel's annual iron ore pellet tonnage *** at AK Dearborn such *** being *** to AK Dearborn's *** iron ore pellet tonnage ***, based on AK Dearborn's operating configuration as of the Effective Date of this Agreement, for consumption in AK Dearborn's iron and steelmaking facilities in any year ("AK Steel's Annual Pellet Tonnage Requirements").

(b). For the years 2015 through and including 2022, Cliffs shall supply to AK Steel and AK Steel shall purchase from Cliffs AK Steel's Annual Pellet Tonnage Requirements at AK Dearborn, with a minimum annual supply and purchase obligation of *** million tons.

(a). With respect to the tonnage of Cliffs Pellets to be purchased by AK Steel for the year 2015 through and including 2022 (and during any years after 2022 in the event the Agreement is extended pursuant to Section 16), on or before October 1 of the prior year thereto, AK Steel shall notify Cliffs in writing of the preliminary total number of tons which AK Steel shall purchase from Cliffs for AK Steel Dearborn.

If no adjustment is made on or before June 1, then the preliminary tonnage nomination, as provided above, shall be deemed to be AK Steel's final tonnage nominations for such year, and AK Steel shall be obligated to purchase such tonnages with Cliffs in accordance with such preliminary tonnage nominations.

Section 5. - Price and Adjustments.

(a). Base Price. The 2014 price for Cliffs Pellets was \$*** per iron unit F.O.B. Upper Lake Docks (as defined below).

(b). Adjustment to Price. The price for the Cliffs Pellets shall be adjusted upward or downward as the case may be by the annual percentage change in four adjustment factors ("Price Adjustment"). In order to determine the Price Adjustment to be paid for the Cliffs Pellets for each contract year, the price per iron unit for the relevant contract year shall be increased or decreased by an amount equal to the sum of the adjustment factors (i), (ii), (iii) and (iv) below:

(i). Twenty-five percent (25%) of the amount obtained by multiplying the as then adjusted price per iron unit for Cliffs Pellets for the year in determination by a fraction (as converted to a decimal) determined by, using the year to year percentage change in the *** (“****”) for such year (“Year X”) calculated as follows:

$$\frac{***}{\text{Year X}} = \frac{***}{\text{Year (X-1)}} * \left(\frac{*** \text{ Price}}{\text{Year X}} / \frac{*** \text{ Price}}{\text{Year (X-1)}} \right)$$

Where

***** Price**_{Year (X-1)} = Average Quarterly Price for the year prior to the year of shipping

***** Price**_{Year X} = Average Quarterly Price for the year of shipping

Quarterly Price = ***** Fe** - Freight Credit + Pellet Premium

***** Fe** is the daily average price for a three month period that ends one (1) month before the beginning of the new quarter (i.e. September, October, and November 2014 for the quarter beginning January 1, 2015, etc.).

The Pellet Premium shall be a fixed price of \$*** per dry metric ton (\$*** per dry gross ton).

Freight Credit shall be based on the *** daily average freight price for the three month period that ends one (1) month before the beginning of the new quarter (i.e. September, October, and November 2014 for the quarter beginning January 1, 2015).

(A) If for any reason the *** Fe is not published, then the *** shall be substituted with the following formula. Such formula shall be adjusted on a quarterly basis:

(1) Average *** Substitute (“****”_{Year X}), as defined below (collectively “Y”).

$$\frac{***}{\text{Year X}} = \frac{***}{\text{Year (X-1)}} * \left(\frac{*** \text{ Pellet Price}}{\text{Year X}} / \frac{*** \text{ Pellet Price}}{\text{Year (X-1)}} \right)$$

***** Pellet Price** is the average annual pellet price per metric ton published by *** in its press release reporting on such year’s financial performance, in US dollars.

(2) The sum of X and Y shall equal the current year’s ****, or put arithmetically:

X + Y = Current Year's ***.

In the event there is no *** for the previous year, than the previous year's *** shall be substituted in the mechanism herein:

$$\text{***}_{\text{Year X}} = \text{***}_{(X-1)} * \left(\frac{\text{*** Pellet Price}_{\text{Year X}}}{\text{*** Pellet Price}_{\text{Year (X-1)}}} \right)$$

(B) For the year 2015, and for each year thereafter through and including the year 2022, if either Cliffs or AK Steel determines that the *** Fe is not recognized as a common industry recognized international market price index for iron ore used to determine supply contract prices then either party may request a negotiation to define another method to determine an international market price for iron ore and a substitute for the *** Fe. The Parties have seventy-five (75) days upon written notice sent by initiating party to the other party to mutually define and agree on a new recognized international market price for iron ore. The parties may extend the negotiation period upon mutual written consent. If agreement is not reached during the negotiation period with applicable extensions then the arbitration language in the Current Agreement shall govern.

Plus;

(ii) twenty-five percent (25%) of the amount obtained by multiplying the as then adjusted price per iron unit for Cliffs Pellets for the year in determination by the fraction (as converted to a decimal) determined by,

(y) dividing the numerator, which is the amount by which the Producer Price Index ("PPI") - ***, published by the United States Department of Labor (the "PPI ***) for the calendar year in determination changes (up or down) from the immediately preceding calendar years PPI ***;

(z) by the denominator, which is the immediately preceding calendar year's PPI ***;

Plus;

(iii) twenty-five percent (25%) of the amount obtained by multiplying the as then adjusted price per iron unit for Cliffs Pellets for the year in determination by the fraction (as converted to decimal) determined by

(y) dividing the numerator, which is the amount by which the PPI - ***, published by the United States Department of Labor (the "PPI ****") for the calendar year in determination changes (up or down) from the immediately preceding calendar years PPI ***;

(z) by the denominator, which is the immediately preceding calendar year's PPI ***;

Plus;

(iv) twenty-five percent (25%) of the amount obtained by multiplying the as then adjusted price per iron unit for Cliffs Pellets for the year in determination by the fraction (as converted to decimal) determined by

(y) dividing the numerator, which is the amount by which the PPI - ***, published by the United States Department of Labor (the "PPI ****") for the calendar year in determination changes (up or down) from the immediately preceding calendar years PPI ***;

(z) by the denominator, which is the immediately preceding calendar year's PPI ***.

An example of the calculation of the adjustment under this Section 5(b) is included as Exhibit I to this Agreement.

(c). Timing of Price Adjustments And True-Ups. Price Adjustments may require true-up payments ("True-Ups") based upon estimated and actual changes in the published pricing factors and indices specified in Section 5(b), at intervals set forth below.

(i) Price Adjustments. Price Adjustments shall be made as follows, and each Price Adjustment shall have prospective effect until the next Price Adjustment:

(A) Initial Adjustment. On or before December 15, Cliffs shall calculate and communicate to AK Steel in writing the Adjusted Price effective January 1 of the succeeding year ("Initial Adjustment"). The Initial Adjustment shall be calculated utilizing (1) the *** ("****") for September, October and November as compared to the *** for the immediately preceding *** Year; and (2) the PPIs for the succeeding year as compared to the PPIs for the current year.

(B) March 15 Adjustment. On or before March 15, Cliffs shall calculate and communicate to AK Steel in writing the Adjusted Price effective April 1 (the "March 15 Adjustment"). The March 15 Adjustment shall

be calculated utilizing (1) the *** for the immediately preceding months of September through February, as compared to the *** for the immediately preceding *** Year; and (2) the PPIs for the current year as compared to the PPIs for the immediately preceding year.

(C) June 15 Adjustment. On or before June 15, Cliffs shall calculate and communicate to AK Steel in writing the Adjusted Price effective July 1 (the "June 15 Adjustment"). The June 15 Adjustment shall be calculated utilizing (1) the *** for the immediately preceding months of September through May, as compared to the *** for the immediately preceding *** Year; and (2) the PPIs for the current year as compared to the PPIs for the immediately preceding year .

(D) September 10 Adjustment. On or before September 15, Cliffs shall calculate and communicate to AK Steel in writing the Adjusted Price effective from August 1 through the remainder of the calendar year (the "September 15 Adjustment"). The September 15 Adjustment shall be calculated utilizing (1) the *** for the immediately preceding *** Year, as compared to the *** for the prior *** Year; and (2) the PPIs for the current year as compared to the PPIs for the immediately preceding year.

(ii). True Ups. There shall be two true ups resulting from the publishing of final data for any calendar year: (A) the *** True Up; and (B) the PPI True Up.

(A) *** True Up. The *** True Up shall be based on retroactive application of the Adjusted Price determined by the September 10 Adjustment to all calendar year-to-date shipments of Cliffs Pellets. Cliffs shall calculate and deliver to AK Steel an invoice stating whether such calculation results in a debit or credit to AK Steel ("*** True Up Invoice"). The *** True Up Invoice shall be delivered on or before September 15 each year. Any amounts due to or from AK Steel as a result of the *** True Up Invoice shall be due and payable on or before September 30 of the then current year.

(B) PPI True Up. Typically in May of each year, the United States Department of Labor publishes the final PPIs for the immediately preceding calendar year. Within 15 days of publication of such final PPIs (regardless of when such publication actually occurs), Cliffs shall calculate the final Adjusted Price for the immediately preceding year and reconcile the final Adjusted Price with the price paid by AK Steel for all Cliffs Pellets purchased during the immediately preceding calendar year, and deliver to AK Steel an invoice stating whether such calculation

results in a debit or credit to AK Steel ("PPI True Up Invoice"). Any amounts due to or from AK Steel as a result of the PPI True Up Invoice shall be due and payable fifteen (15) days after receipt by AK Steel of such PPI True Up Invoice.

(iii) Basis of PPIs. Prior to the publication of final PPIs, the most recent estimated annual PPIs published by Global Insights (or such other reputable publisher of PPI forecasts as is mutually agreed upon by the parties in writing) shall be used to calculate the Price Adjustments and *** True Up.

(iv) No Interest on True Up Amounts. *** True Up Invoice payments and PPI True Up Invoice payments are not due and payable before the dates prescribed above. As a result, interest shall not accrue on any *** True Up Invoice or PPI True Up Invoice.

Section 6. - Delivery, Credit and Payment.

(a). For all cargoes of Cliffs Pellets shipped to AK Steel beginning as of the date hereof, Cliffs shall retain title to the cargoes of Cliffs Pellets so shipped until AK Steel makes payment for the Cliffs Pellets. AK Steel shall pay Cliffs for each cargo of Cliffs Pellets shipped during the month by wire transfer to Cliffs on the first business day after the 14th day of the month following loading of Cliffs Pellets at the Port of Marquette, located in Marquette, Michigan, or other appropriate ore dock in the case of ("Upper Lake Docks"). Title to the Cliffs Pellets for each such cargo of Cliffs Pellets shipped shall pass to AK Steel simultaneously with receipt of payment by Cliffs for each such cargo.

(b). In the event AK Steel shall fail to make prompt payment, Cliffs, in addition to all other remedies available to it in law or in equity, shall have the right, but not the obligation, to withhold further performance by it under this Agreement until all claims it may have against AK Steel under this Agreement are fully satisfied.

Section 7. - Grant of Security Interest.

(a). AK Steel acknowledges and agrees that it is the intent of the parties that title to the Cliffs Pellets shall pass to AK Steel solely upon *** in accordance with the terms of this Agreement. However, to secure the payment and performance of all obligations of AK Steel due to Cliffs pursuant to this Agreement, AK Steel hereby grants, pledges and assigns to Cliffs a purchase money security interest ("PMSI") in all of AK Steel's right, title and interest in and to the Cliffs Pellets to the extent that AK Steel takes possession of any Cliffs Pellets in any fashion prior to making payment as required under this Agreement as well as the proceeds of any of the Cliffs Pellets, including the proceeds of any insurance related thereto (collectively, the "Collateral").

(b). Upon delivery of any of the Collateral to AK Steel by Cliffs, the Collateral shall be located at the addresses set forth on Attachment A hereto. AK Steel will deliver written notice to Cliffs at least thirty (30) days prior to any change in the locations of any of the Collateral.

(c). The PMSI granted to Cliffs that attaches to a specific shipment of inventory shall automatically terminate upon the date of Cliffs' receipt from AK Steel of payment in full for said shipment (the "PMSI Termination Date"). Prior to the applicable PMSI Termination Date, the Collateral will at all times be free and clear of any lien, security interest, mortgage, charge or encumbrance created by or through AK Steel or any of its affiliates that is senior to the security interest granted to Cliffs pursuant to this Agreement.

(d). AK Steel hereby authorizes Cliffs to file UCC financing statements and any amendments, modifications or continuation statements thereto, as Cliffs, in its sole discretion, deems necessary or advisable to perfect its security interest in the Cliffs Pellets granted hereunder, that describes the Collateral and to include any information required for the sufficiency or filing office acceptance of any such financing statements, amendments, modifications or continuation statements. AK Steel covenants and agrees to (i) provide promptly any information requested by Cliffs for inclusion on such financing statements, amendments, modifications or continuation statements and to provide prompt notice of any change in such information and (ii) to take such further actions and duly execute and deliver such further documentation as Cliffs may request in order to fully protect its security interest in the Cliffs Pellets granted hereunder.

(e). Prior to the applicable PMSI Termination Date, AK Steel will keep and preserve the Collateral in a commercially reasonable manner and will not use, sell or offer to sell, pledge or encumber, process, destroy or consume the Collateral.

(f). AK Steel and Cliffs acknowledge that in the event of a default hereunder by AK Steel, Cliffs will have all the rights and remedies afforded a secured party under the Uniform Commercial Code as adopted in the State of Ohio with respect to the Collateral.

Section 8. - Analyses.

The Cliffs Pellets delivered hereunder will be sampled and analyzed by mine technicians or such independent chemists as may be mutually agreed upon, and said analyses shall be final and the weighted average of all such

analyses of each grade of Cliffs Pellets delivered hereunder shall constitute the basis of settlement hereunder for such grade of Cliffs Pellets. The cost of sampling and analyzing by independent chemists, if requested by any party, shall be borne by the party requesting such sampling and analyzing.

Section 9. - Quality.

Cliffs Pellets, when loaded for shipment, will be consistent with the typical specifications and analysis limits set forth on Exhibit II. Both parties acknowledge the need for defining measurement of product characteristic capabilities and quality system requirements. The basis for agreement will be the use of statistical calculation of capabilities and a quality system based on ISO 9001:2000 requirements.

Section 10. - Shipments.

Within thirty (30) days prior to the first shipment of Cliffs Pellets of each year, Cliffs and AK Steel will establish a schedule of shipments for the Cliffs Pellets for such year, which schedule may be changed during such year by mutual agreement. In the event Cliffs and AK Steel are unable to agree upon a shipping schedule, the Cliffs Pellets will be available for shipment in approximately equal amounts over the nine month period of April through December of each year during the term of this Agreement and shipment and delivery shall be made in accordance with such availability.

Section 11. - Weights.

Vessel bill of lading weight determined by certified railroad scale weights, certified belt scale weights or certified bin scale weights in accordance with the procedures in effect from time to time at each of the loading ports shall be accepted by the parties as finally determining the amounts of the Cliffs Pellets delivered to AK Steel pursuant to this Agreement.

Section 12. - Employment of Vessels or Railroad Cars.

AK Steel shall assume the obligation for arranging, providing and paying for the appropriate vessels for the transportation of all of the Cliffs Pellets delivered by Cliffs to AK Steel.

Section 13. - Warranties.

THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, WHICH EXTEND BEYOND THE PROVISIONS OF THIS AGREEMENT, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR INTENDED PURPOSE. All claims for substantial variance in quality of the Cliffs Pellets, as described herein, shall be deemed waived unless made in writing delivered to Cliffs within the thirty (30) calendar days after completion of discharge at port of discharge. No claim will be entertained after the Cliffs Pellets have been consumed. Each party shall afford the other party prompt and reasonable opportunity to inspect the Cliffs Pellets as to which any claim is made as above stated. The Cliffs Pellets shall not be returned without prior written consent of Cliffs. In no event shall Cliffs be liable for AK Steel's cost of processing, lost profits, injury to good will or any other special or consequential damages.

Section 14. - Force Majeure.

Neither party hereto shall be liable for damages resulting from failure to produce, deliver or accept and pay for all or any of the Cliffs Pellets, as described herein, if and to the extent that such production, delivery or acceptance would be contrary to or would constitute a violation of any regulation, order or requirement of a recognized governmental body or agency, or if such failure is caused by or results directly or indirectly from acts of God, war, insurrections, interference by foreign powers, strikes, hindrances, labor disputes, labor shortages, fires, floods, embargoes, accidents, acts of terrorism, or uncontrollable delays at the mines, steel plant, on the railroads or docks or in transit, shortage of transportation facilities, disasters of navigation, or other causes, similar or dissimilar, if such other causes are beyond the control of the party charged with a failure to deliver or to accept and pay for the Cliffs Pellets. A party claiming a force majeure shall give the other party prompt notice of the force majeure, including the particulars thereof and, insofar as known, the probable extent and duration of the force majeure. To the extent a force majeure is claimed hereunder by a party hereto, such shall relieve the other party from fulfilling its corresponding agreement hereunder to the party claiming such force majeure, but only for the period and to the extent of the claimed force majeure, unless otherwise mutually agreed, to by the parties. The party that is subject to a force majeure shall use commercially reasonable efforts to cure or remove the force majeure event as promptly as possible to resume performance of its obligations under this Agreement.
