Item 1.01. Entry into a Material Definitive Agreement.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On August 31, 2016, Pinnacle West Capital Corporation (“Pinnacle West”) entered into a 364-day unsecured revolving credit facility with The Bank of Tokyo-Mitsubishi UFJ, Ltd., as Agent and Issuing Bank, and JPMorgan Chase Bank, N.A., as Syndication Agent, allowing Pinnacle West to borrow, repay and reborrow, from time to time, up to \$75 million through August 30, 2017. Pinnacle West will use the new facility to directly or indirectly fund or otherwise support obligations related to 4C Acquisition, LLC, a subsidiary of Pinnacle West. The facility can also be used for letters of credit. Borrowings under the facility will bear interest at LIBOR plus 0.80% per annum.

Borrowings under the facility are conditioned on Pinnacle West’s ability to make certain representations at the time each borrowing is made, except for representations concerning no material adverse effect and certain litigation matters, which were made only at the time the facility was entered into. The facility includes customary covenants, including requirements that Pinnacle West maintain ownership of a specified percentage of the outstanding capital stock of Arizona Public Service Company, maintain a consolidated debt-to-capitalization ratio no greater than a prescribed level and comply with certain lien restrictions. The facility also includes customary events of default, including a cross default provision and a change of control provision. If an event of default occurs, lenders holding a specified percentage of the commitments, or the agent with such lenders’ consent, may terminate the obligations of the lenders to make loans under the facility and the obligations of the issuing banks to issue letters of credit and may declare the obligations outstanding under the facility to be due and payable.

Pinnacle West and its affiliates maintain normal banking and other relationships with the agents/lenders in the new facility and/or their affiliates.
