Explanation of Responses:

(1) The original Form 4, filed on November 06, 2019, is being amended to correct an administrative error that misreported the Amount of Securities Beneficially Owned by 8,000 shares. This amendment reverses the order of transactions presented in Table I to correctly reflect an acquisition followed by a disposition and subtracts the 8,000 shares that were reported in error. The number of shares beneficially owned by the reporting person has been corrected to list 6,052 shares instead of 14,052 shares following the reported transactions. All intervening Form 4s reflecting this same error are also deemed amended.
