ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

On August 24, 2016, the Issuer entered into the Investment Agreement, agreeing to issue and sell 625,000 shares of Series A Preference Shares to GEI VI and GEI Side VI for an aggregate purchase price of \$625,000,000. On October 5, 2016, GEI VI bought 387,522 shares of Series A Preference Shares for \$387,522,353.17, GEI Side VI bought 230,963 shares of Series A Preference Shares for \$230,962,746.07, Associates VI-A bought 470 shares of Series A Preference Shares for \$469,943.49, and Associates VI-B bought 6,045 shares of Series A Preference Shares for \$6,044,957.27.

The Series A Preference Shares have (i) a 5% dividend based on the stated value of each Series A Preference Share, payable quarterly in cash or by increasing the stated value of the Series A Preference Shares, at the option of the Issuer (the “**Regular Dividends**”), and (ii) a participating dividend or other distribution on the issued Common Shares on a per-share basis based on the number of Common Shares into which such share of Series A Preference Shares could be converted on the applicable record date for such dividends or other distributions, other than the Issuer’s regularly declared quarterly cash dividends not in excess of the Participating Threshold (as defined in the Certificate of Designation), assuming such Common Shares were issued on such record date (the “**Participating Dividends**,” and together with the Regular Dividends, the “**Dividends**”).

Beginning with the second anniversary of issuance of the Series A Preference Shares, the Issuer may, at any time, upon 30 days’ notice, elect to convert any or all of the issued Series A Preferences Shares into Common Shares (and cash in lieu of fractional shares) if the volume weighted average price per share of the Common Shares was greater than 175% of the then-effective conversion price for at least 20 consecutive trading days ending on the date of the Issuer’s notice of conversion. In addition, at any time, the holders of Series A Preference Shares may convert any or all of the Series A Preference Shares into Common Shares (and cash in lieu of fractional shares). The conversion rate formula is set forth in the Certificate of Designation and is subject to various anti-dilution adjustments described in the Certificate of Designation. The Series A Preference Shares would represent an ownership interest, assuming conversion of the Series A Preference Shares to the Issuer’s Common Shares pursuant to the conversion right of the holders of Series A Preference Shares, of approximately 8.8% at this time.

Beginning on November 15, 2024, the Issuer may, at any time, upon 30 days’ notice, redeem the Series A Preference Shares for a cash redemption price per share of Series A Preference Shares equal to \$1,000 (plus any accrued but unpaid Dividends on such share of Series A Preference Shares). In addition, the holders of Series A Preference Shares may at any time on or after November 15, 2024, upon 30 days’ notice, require the Issuer to repurchase any or all of the Series A Preference Shares at a repurchase price per share, payable in cash, equal to \$1,000 (plus any accrued but unpaid Dividends).

Upon the occurrence of certain fundamental changes of the Issuer, including a change of control, the holders of the Series A Preference Shares may require the Issuer to redeem their Series A Preference Shares, in whole or in part, at such holder’s election, either (i) for cash in the amount of 101% of the stated value of such Series A Preference Shares plus accrued but unpaid Dividends (other than any such Regular Dividends included in such stated value), or (ii) the amount of cash or other assets such holder would have received had such holder, immediately prior to the fundamental change, converted such Series A Preference Shares and, if applicable, been entitled to participate in such fundamental change as a holder of Common Shares.

Holders of the Series A Preference Shares that are party to the Registration Rights Agreement have certain rights to require the Issuer to register the Series A Preference Shares (or Common Shares issued on conversion of Series A Preference Shares), including three demand notices in connection with marketed offerings and an additional three demand notices in connection with underwritten offerings (but in no event may such parties make more than two demand registration requests in any 365-day period), as set forth in the Registration Rights Agreement. The Registration Rights Agreement also provides the holders of the Series A Preference Shares that are parties to such agreement with unlimited piggyback registration rights and shelf takedown rights; provided, however, that each shelf offering that is an underwritten offering initiated by such parties will be deemed to be a demand and will decrease by one the number of demand notices to which such parties are otherwise entitled in the foregoing sentence.

Pursuant to the Shareholders' Agreement, the Investors have the right to designate one individual to be nominated to the Board and one non-voting observer to the Board (or two Board observers if the Investors decline to designate a director nominee), for so long as the Investors and any permitted transferees own at least (i) 35% of the total number of Series A Preference Shares (or the total number of Common Shares on an "as-converted basis") (or a combination thereof, without duplication) beneficially owned by the Investors as of the closing of the transactions contemplated by the Investment Agreement, or (ii) 5% of the total number of issued Common Shares on an "as-converted basis" (the "**Minimum Threshold**"). The Issuer must include the Issuer's director designee in the slate of nominees to be elected or appointed to the Board at the applicable shareholder meetings, subject to applicable law and certain rules and qualifications for service as a director of the Issuer. In addition, effective as of the closing of the transactions contemplated by the Investment Agreement, the Issuer agreed to increase the size of the Board to 11 members and to appoint Jonathan Sokoloff to the Board.

Pursuant to the Certificate of Designation, the Investors, voting as a separate class, are entitled to elect one member to the Board and a replacement of such appointed director in certain circumstances, in each case for so long as (i) the Investors' ownership of the Issuer's securities meets or exceeds the Minimum Threshold and (ii) the Investors hold a majority of the issued Series A Preference Shares. If the Investors' ownership of the Issuer's securities falls below the Minimum Threshold and at the request of the Board, the Investors must cause the current director designee to offer his or her resignation. In addition, any director designee or Board observer must be an employee or partner of LGP and be reasonably acceptable to the Issuer, or otherwise acceptable to the Issuer in its sole discretion. For further information, see the Shareholders' Agreement filed herewith as Exhibit 7.2, and the Certificate of Designation filed herewith as Exhibit 7.3.

The parties to the Shareholders' Agreement have agreed to vote all shares of the Issuer's capital stock that the Investors are entitled to vote at any meeting of the shareholders of the Issuer: (i) in favor of directors nominated and recommended by the Issuer's nomination and corporate governance committee, (ii) against removal of directors designated by the Issuer's nomination and corporate governance committee, (iii) against any shareholder nominations for directors that are not approved and recommended by the Board, (iv) in favor of the Issuer's "say-on-pay" proposal and any proposal by the Issuer relating to equity compensation that has been approved by the Issuer's compensation committee, (v) in favor of the Issuer's proposal for ratification of the appointment of the Issuer's independent registered public accounting firm, and (vi) in accordance with the recommendation of the Board with respect to any proposed business combination between the Issuer and any other person. The Investors are otherwise entitled to vote their shares of the Issuer as they see fit, in their sole discretion. The Issuer has also granted parties to the Shareholders' Agreement certain preemptive rights and information rights, as delineated in the Shareholders' Agreement. For further information, see the Shareholders' Agreement filed herewith as Exhibit 7.2.

The parties to the Shareholders' Agreement have agreed, until the later of (x) three years after the closing of the transactions contemplated by the Investment Agreement and (y) the date on which no nominee designated by the Investors serves on the Board and the Investors are no longer entitled to designate any director for nomination (or the Investors have irrevocably waived such right), not to acquire or agree, offer, or propose to acquire beneficial ownership of two percent or more of the Issuer's voting securities, excluding any Common Shares or other securities acquired pursuant to a conversion of the Series A Preference Shares, bonus issue, dividend or distribution by the Issuer or otherwise acquired pursuant to the Investment Agreement, Shareholders' Agreement, Certificate of Designation, or the Registration Rights Agreement. In addition, the parties to the Shareholders' Agreement have agreed not to participate in any way in any financing for the purchase of two percent or more of any voting securities of the Issuer or any securities convertible into voting securities or assets of the Issuer, except for such assets as are then being offered for sale by the Issuer or any of its affiliates. For further information, see the Shareholders' Agreement filed herewith as Exhibit 7.2.

The parties to the Shareholders' Agreement have agreed, until the earliest of (x) two years after the closing of the transactions contemplated by the Investment Agreement, (y) the date on which no nominee designated by the Investors serves on the Board and the Investors are no longer entitled to designate any director for nomination (or the Investors have irrevocably waived such right), and (z) the occurrence of certain fundamental changes of the Issuer, not to transfer any Series A Preference Shares or any Common Shares issued upon conversion of the Series A Preference Shares or pursuant to the Shareholders' Agreement, subject to certain exceptions. In addition, for so long as any Series A Preference Shares issued pursuant to the Investment Agreement are issued, without the Issuer's consent in its sole discretion, no party to the Shareholders' Agreement may transfer any Series A Preference Shares or Common Shares issued or issuable upon conversion of the Series A Preference Shares to: (i) a competitor of the Issuer, (ii) a person that has a current obligation to file a Schedule 13D or Schedule 13G and the last such Schedule 13D or Schedule 13G or amendment filed thereto by such person states that such person beneficially owns more than five percent of the issued and outstanding Common Shares, (iii) a person that such party reasonably should know is or has been an activist investor in the three years prior to such transfer, or (iv) a person that such party knows (after reasonable inquiry of such person) would be required to file a Schedule 13D or Schedule 13G with respect to its ownership of shares of the Issuer as a result of such transfer, subject to certain exceptions. For further information, see the Shareholders' Agreement filed herewith as Exhibit 7.2.

In connection with joining the Issuer's Board, Mr. Sokoloff entered into an indemnification agreement in substantially the form filed herewith as Exhibit 7.5.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Investment Agreement, the Shareholders' Agreement, the Certificate of Designation, the Registration Rights Agreement, and the Director Indemnification Agreement filed herewith as Exhibits 7.1, 7.2, 7.3, 7.4 and 7.5 respectively and incorporated herein by reference.

Other than the matters disclosed above in response to Items 4 and 5 and this Item 6, none of the Reporting Persons is party to any contracts, arrangements, understandings or relationships with respect to any securities of the Issuer, including but not limited to the transfer or voting of any of the securities, finder's fees, joint ventures, loan or option agreements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
