Item 4. Description of Securities.

Item 5. Interests of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

Under Sections 561-571 of the Michigan Business Corporation Act (as it may be amended from time to time, the “MBCA”), directors and officers of a Michigan corporation may be entitled to indemnification by the corporation against judgments, expenses, fines and amounts paid by the director or officer in settlement of claims brought against them by third persons or by or in the right of the corporation if the statutory standard (defined below) is met. In particular, Section 561 of the MBCA provides that a Michigan corporation has the power to indemnify a person who was or is a party or is threatened to be made a party to a threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, other than an action by or in the right of the corporation, by reason of the fact that he or she is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not, against expenses, including attorneys’ fees, judgments, penalties, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit, or proceeding

(provided that generally the director did not (i) receive a financial benefit to which he was not entitled, (ii) intentionally inflict harm on the corporation or its shareholders, (iii) violate Section 551 of the MBCA relating to loans, dividends and distributions, or (iv) intentionally commit a criminal act, collectively, the “statutory standard”), and with respect to a criminal action or proceeding, if the person had no reasonable cause to believe his or her conduct was unlawful. In addition, Section 562 of the MBCA provides that a Michigan corporation has the power to indemnify a person who was or is a party or is threatened to be made a party to a threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not, against expenses, including attorneys’ fees, and amounts paid in settlement actually and reasonably incurred by the person in connection with the action or suit if the statutory standard is met. The MBCA does not permit indemnification for a claim, issue or matter in which the person has been found liable to the corporation unless application for indemnification is made to, and ordered by, the court conducting the proceeding or another court of competent jurisdiction.

Section 563 of the MBCA provides that a director or officer who has been successful on the merits or otherwise in defense of an action, suit or proceeding referred to in Sections 561 and 562 of the MBCA, or in defense of a claim, issue, or matter in any such action, suit, or proceeding, shall be indemnified by the corporation against actual and reasonable expenses, including attorneys’ fees, incurred by him or her in connection with the action, suit or proceeding, and any action, suit, or proceeding brought to enforce this mandatory indemnification.

The Registrant’s Amended and Restated Articles of Incorporation (the “Articles”) provide that no director of the Registrant shall be liable to the Registrant or the shareholders for monetary damages for breach of the director’s fiduciary duty. Such provision does not limit a director’s liability to the Registrant or its shareholders resulting from:

- (i) a breach of the director’s duty of loyalty to the Registrant or its shareholders;
- (ii) acts or omissions of the director not in good faith or that involve intentional misconduct or knowing violation of the law;
- (iii) a violation of Section 551(1) of the MBCA (relating to unlawful payments of dividends); or
- (iv) a transaction from which the director derived an improper personal benefit.

The Articles provide for mandatory indemnification by the Registrant of the directors (or in a similar capacity for subsidiaries or certain other entities) to the fullest extent permitted or not prohibited by existing law or to such greater extent as may be permitted or not prohibited under succeeding provisions of law. The Articles provide that the Registrant shall pay the expenses incurred by a director of the Registrant (or in a similar capacity for subsidiaries or certain other entities) in defending a civil, criminal, administrative or investigative action, suit, or proceeding involving such person’s acts or omissions as a director of the Registrant (or in a similar capacity for subsidiaries or certain other entities) in advance of the final disposition of the action, suit or proceeding.

The Articles provide the Registrant with the authority to indemnify any officer of the Registrant (or of a subsidiary), if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Registrant or its shareholders and, with respect to a criminal action or proceeding, if the person had no reasonable cause to believe his or her conduct was unlawful. Unless ordered by a court, indemnification of an officer shall be made by the Registrant only as authorized in a specific case upon the determination that indemnification of the officer is proper in the circumstances because he or she has met the applicable standard of conduct. The Articles authorize the Registrant to pay the expenses incurred by an officer in defending a civil, criminal, administrative or investigative action, suit, or proceeding. The Registrant shall pay such expenses in advance of the final disposition thereof, upon receipt of an undertaking by or on behalf of such officer to repay the expenses if it is ultimately determined that the person is not entitled to be indemnified by the Registrant. Such undertaking shall be by unlimited general obligation of the person on whose behalf advances are made but need not be secured.

The Registrant has the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the Registrant or is liable as a director of the Registrant, or is or was serving, at the request of the Registrant, as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against him or her and incurred by him or her in any such capacity or arising out of his or her status as such, regardless of whether the Registrant would have power to indemnify him or her against such liability.

The Registrant has purchased a policy of directors’ and officers’ insurance that insures both the Registrant and its officers and directors against expenses and liabilities of the type normally insured against under such policies, including the expenses of the indemnification described above.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Bloomfield Hills, State of Michigan, on June 27, 2018.

Re: Registration Statement on Form S-8

Ladies and Gentlemen:

We have represented Taubman Centers, Inc., a Michigan corporation (the "Company"), in connection with the preparation and filing with the Securities and Exchange Commission (the "Commission") of a Registration Statement on Form S-8 (the "Registration Statement") for the registration under the Securities Act of 1933, as amended (the "Securities Act"), of a maximum of 2,800,000 shares of the Company's Common Stock, par value \$0.01 per share (the "Common Stock"), to be issued under The Taubman Company LLC 2018 Omnibus Long-Term Incentive Plan (the "Plan").

Based on our examination of such documents and other matters as we deem relevant, it is our opinion that the shares of Common Stock to be offered by the Company under the Plan pursuant to the Registration Statement are duly authorized and, when issued by the Company in accordance with the Plan and the awards thereunder, will be legally issued, fully paid and non-assessable.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement. In giving such consent, we do not hereby admit that we come within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations promulgated thereunder by the Commission.

Very truly yours,
