PROXY STATEMENT

**FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 18, 2005**

This Proxy Statement is furnished to the stockholders of ADTRAN, Inc. in connection with the solicitation of proxies by our Board of Directors to be voted at the 2005 Annual Meeting of Stockholders and at any adjournments thereof. The Annual Meeting will be held at ADTRAN's headquarters, 901 Explorer Boulevard, Huntsville, Alabama, on Wednesday, May 18, 2005, at 10:30 a.m., local time. The meeting will be held in the East Tower on the second floor. When used in this Proxy Statement, the terms "we," "us," "our" and "ADTRAN" refer to ADTRAN, Inc.

The approximate date on which this Proxy Statement and form of proxy card are first being sent or given to stockholders is April 5, 2005.

VOTING

General

The securities that can be voted at the Annual Meeting consist of our common stock, \$.01 par value per share, with each share entitling its owner to one vote on each matter submitted to the stockholders. The record date for determining the holders of common stock who are entitled to receive notice of and to vote at the Annual Meeting is March 21, 2005. On the record date, 75,281,762 shares of common stock were outstanding and eligible to be voted at the Annual Meeting.

Quorum and Vote Required

The presence, in person or by proxy, of a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the Annual Meeting. In counting the votes to determine whether a quorum exists at the Annual Meeting, we will use the proposal receiving the greatest number of all votes "for" or "against" and abstentions (including instructions to withhold authority to vote).

In voting with regard to the proposal to elect directors (Proposal 1), stockholders may vote in favor of all nominees, withhold their votes as to all nominees or withhold their votes as to specific nominees. The vote required to approve Proposal 1 is governed by Delaware law and is a plurality of the votes cast by the holders of shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, in accordance with Delaware law, votes that are withheld will be counted in determining whether a quorum is present but will have no other effect on the election of directors.

In voting with regard to each of Proposal 2 to ratify the directors' appointment of the independent registered public accounting firm and Proposal 3 to approve the ADTRAN, Inc. 2005 Directors Stock Option Plan, stockholders may vote in favor of the proposal or against the proposal or may abstain from voting. The vote required to approve each of Proposal 2 and Proposal 3 is governed by Delaware law and is the affirmative vote of the holders of a majority of the shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present and the number of votes required to obtain the necessary majority vote for each proposal and therefore, will have the same legal effect as voting against the proposal.

Under the rules of the New York and American Stock Exchanges (the "Exchanges") that govern most domestic stock brokerage firms, member firms that hold shares in street name for beneficial owners may, to the extent that such beneficial owners do not furnish voting instructions with respect to any or all proposals submitted for stockholder action, vote in their discretion upon proposals which are considered "discretionary" proposals under the rules of the Exchanges. These votes by brokers are considered as votes cast in determining the outcome of any

discretionary proposal. We believe that Proposal 1 and Proposal 2 are discretionary. Member brokerage firms that have received no instructions from their clients as to “non-discretionary” proposals do not have discretion to vote on these proposals. If the brokerage firm returns a proxy card without voting on a non-discretionary proposal because it received no instructions, this is referred to as a “broker non-vote” on the proposal. “Broker non-votes” are considered in determining whether a quorum exists at the Annual Meeting, but “broker non-votes” are not considered as votes cast in determining the outcome of any proposal. Proposal 3 is non-discretionary.

As of March 21, 2005 (the record date for the Annual Meeting), our directors and executive officers beneficially owned or controlled approximately 9,927,936 shares of our common stock, constituting approximately 12.9% of the outstanding common stock. We believe that these holders will vote all of their shares of common stock in favor of each of the proposals.

Proxies

You should specify your choices with regard to each of the proposals on the enclosed proxy card. All properly executed proxy cards delivered by stockholders to ADTRAN in time to be voted at the Annual Meeting and not revoked will be voted at the Annual Meeting in accordance with the directions noted on the proxy card. **In the absence of such instructions, the shares represented by a signed and dated proxy card will be voted “FOR” the election of all director nominees, “FOR” the ratification of the appointment of the independent registered public accounting firm, and “FOR” the approval of the ADTRAN, Inc. 2005 Directors Stock Option Plan.** If any other matters properly come before the Annual Meeting, the persons named as proxies will vote upon such matters according to their judgment.

Any stockholder delivering a proxy has the power to revoke it at any time before it is voted (i) by giving written notice to Charlene Little, Assistant Secretary of ADTRAN, at 901 Explorer Boulevard, Huntsville, Alabama 35806 (for overnight delivery) or at P.O. Box 140000, Huntsville, Alabama 35814-4000 (for mail delivery), (ii) by executing and delivering to Ms. Little a proxy card bearing a later date or (iii) by voting in person at the Annual Meeting. Please note, however, that under the rules of the Exchanges and the NASDAQ National Market, any beneficial owner of our common stock whose shares are held in street name by a member brokerage firm may revoke his proxy and vote his shares in person at the Annual Meeting only in accordance with applicable rules and procedures of the Exchanges or the NASDAQ National Market, as employed by the beneficial owner’s brokerage firm.

In addition to soliciting proxies through the mail, we may solicit proxies through our directors, officers and employees in person and by telephone or facsimile. Brokerage firms, nominees, custodians and fiduciaries also may be requested to forward proxy materials to the beneficial owners of shares held of record by them. We will pay all expenses incurred in connection with the solicitation of proxies.

Meetings and Committees of the Board of Directors

The Board of Directors conducts its business through meetings of the full Board and through committees of the Board, consisting of an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. During the fiscal year ended December 31, 2004, the Board of Directors held ten meetings and the Audit Committee held nine meetings. The Compensation Committee held two meetings in 2004 and the Nominating and Corporate Governance Committee held three meetings. No director attended less than 75% of the aggregate of meetings of the Board of Directors and meetings of the committees of which he is a member, except for Mr. Anderson, who attended 70%. Mr. Anderson attended all of the regularly scheduled Board meetings, but was unable to attend three special Board meetings convened on limited notice. All of the directors, as well as director emeritus James North and former director emeritus Lonnie McMillian, attended the 2004 Annual Meeting of Stockholders on April 15, 2004.

The Audit Committee is responsible for assisting the Board of Directors in fulfilling its oversight responsibilities with respect to: (i) the financial reports and other financial information provided by us to the public or any governmental body; (ii) our compliance with legal and regulatory requirements; (iii) our systems of internal controls regarding finance, accounting and legal compliance that have been established by management and the Board; (iv) the qualifications and independence of our independent registered public accounting firm; (v) the performance of our internal audit function and the independent registered public accounting firm; and (vi) our auditing, accounting, and financial reporting processes generally. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In connection with its responsibilities, the Board has delegated to the Audit Committee the authority to select and hire our independent registered public accounting firm and determine their fees and retention terms. The Audit Committee operates under a charter approved by the Board. The charter is posted on our website at www.adtran.com. The Audit Committee is composed of W. Frank Blount, H. Fenwick Huss, William L. Marks and Roy J. Nichols, each of whom is independent under NASDAQ listing standards. The Board has determined that Dr. Huss is an audit committee financial expert.

The Compensation Committee is responsible for setting the compensation of the Chairman of the Board and Chief Executive Officer and assisting the Board in discharging its responsibilities regarding the compensation of our other executive officers. In addition, the Compensation Committee is responsible for administering our Amended and Restated 1996 Employees Incentive Stock Option Plan and our Amended and Restated 1995 Directors Stock Option Plan. The Compensation Committee operates under a charter approved by the Board. The charter is posted on our website at www.adtran.com. The Compensation Committee is composed of W. Frank Blount, H. Fenwick Huss, William L. Marks and Roy J. Nichols, each of whom is independent under NASDAQ listing standards.

The Nominating and Corporate Governance Committee is responsible for assisting the Board in identifying and attracting highly qualified individuals to serve as directors of ADTRAN, selecting director nominees and recommending them to the Board for election at annual meetings of stockholders. The Nominating and Corporate Governance Committee operates under a charter approved by the Board. The charter is posted on our website at www.adtran.com. The Nominating and Corporate Governance Committee is composed of W. Frank Blount, H. Fenwick Huss, William L. Marks and Roy J. Nichols, each of whom is independent under NASDAQ listing standards.

Independent Directors

The Nominating and Corporate Governance Committee and the Board of Directors have determined that Messrs. Blount, Huss, Marks and Nichols do not have any relationship that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors and are independent in accordance with the NASDAQ listing standards. These independent directors also constitute all of the members of the Audit Committee. Prior to each regularly scheduled Audit Committee meeting, these directors convene and hold a separate executive session as the independent directors of the Board.

Nomination of Directors

The Nominating and Corporate Governance Committee seeks to create a Board that is as a whole strong in its collective knowledge of, and diversity of skills and experience with respect to, accounting and finance, management and leadership, vision and strategy, business operations, business judgment, crisis management, risk assessment, industry knowledge, corporate governance and global markets. When the Committee reviews a potential new candidate, the Committee looks specifically at the candidate’s qualifications in light of the needs of the Board and our company at that time given the then current mix of director attributes.

In accordance with NASDAQ listing standards, we ensure that at least a majority of our Board is independent under the NASDAQ definition of independence, and that the members of the Board as a group maintain the requisite qualifications under NASDAQ listing standards for populating the Audit, Compensation and Nominating and Corporate Governance Committees.

As provided in its charter, the Nominating and Corporate Governance Committee will consider nominations submitted by stockholders. To recommend a nominee, a stockholder should write to the Nominating

and Corporate Governance Committee, care of Charlene Little, Assistant Secretary of ADTRAN, at 901 Explorer Boulevard, Huntsville, Alabama 35806 (for overnight delivery) or at P.O. Box 140000, Huntsville, Alabama 35814-4000 (for mail delivery). Any such recommendation must include:

- the name and address of the candidate;
- a brief biographical description, including his or her occupation for at least the last five years, and a statement of the qualifications of the candidate, taking into account the qualification requirements set forth above; and
- the candidate's signed consent to serve as a director if elected and to be named in the proxy statement.

To be considered by the Nominating and Corporate Governance Committee for nomination and inclusion in our proxy statement for the 2006 Annual Meeting, stockholder recommendations for director must be received by us no later than December 5, 2005. Once we receive the recommendation, we will deliver a questionnaire to the candidate which requests additional information about the candidate's independence, qualifications and other information that would assist the Nominating and Corporate Governance Committee in evaluating the candidate, as well as certain information that must be disclosed about the candidate in the proxy statement, if nominated. Candidates must complete and return the questionnaire within the time frame provided to be considered for nomination by the Committee.

All of the current nominees for director recommended for election by the stockholders at the 2005 Annual Meeting are current members of the Board. In evaluating candidates for director, the Committee uses the qualifications described above, and evaluates stockholder candidates in the same manner as candidates from all other sources. Based on the Committee's evaluation of each nominee's satisfaction of the qualifications described above and their performance as directors in 2004, the Committee determined to recommend each director for re-election. The Committee has not received any nominations from stockholders for the 2005 Annual Meeting.

DIRECTOR COMPENSATION

Non-employee directors of ADTRAN, including Mr. North, our director emeritus, are paid an annual fee of \$10,000, plus \$1,000 for each Board or committee meeting attended in person and \$500 for each Board or committee meeting attended by telephone. Mr. McMillian, our former director emeritus, did not receive any directors' fees for 2004. Directors who are employees of ADTRAN receive no directors' fees. All directors are reimbursed for their reasonable expenses in connection with the performance of their duties.

Our non-employee directors, including our current and former directors emeritus, were entitled to participate in our Amended and Restated 1995 Directors Stock Option Plan (the "1995 Directors Plan"). A total of 400,000 shares were initially authorized for issuance under the 1995 Directors Plan. As of December 31, 2004, there were a total of 286,000 shares reserved for issuance under the 1995 Directors Plan, of which 238,500 shares were subject to outstanding options and 47,500 shares were available for future option grants. The 1995 Directors Plan provides for automatic grants of nonqualified stock options to directors who are not otherwise employees of ADTRAN. As of December 31, 2004, there were five directors and two directors emeritus eligible to participate in the 1995 Directors Plan. The 1995 Directors Plan is administered by the Compensation Committee. Subject to the terms of the 1995 Directors Plan, the Compensation Committee has the authority to determine the terms and

provisions of the option agreements, to interpret the provisions of the 1995 Directors Plan, to prescribe, amend and rescind any rules and regulations relating to the 1995 Directors Plan, and to make all determinations necessary or advisable for the administration of the 1995 Directors Plan.

Under the terms of the 1995 Directors Plan, an eligible director is granted a nonqualified stock option to purchase 10,000 shares of common stock upon such director's initial election to the Board, and receives an additional nonqualified stock option to purchase 5,000 shares of common stock as of December 31 of each subsequent calendar year in which the director is still serving as an eligible director. The 1995 Directors Plan was amended by the Board of Directors on November 25, 2003, to provide that these grant amounts would not be adjusted as a result of the stock split effected December 15, 2003. The options granted under the 1995 Directors Plan have a term of ten years, and the exercise price of the options is the fair market value of our common stock on the date of grant. The exercise price may be paid in cash, shares of common stock held for at least six months, or both. The options generally vest as of the first anniversary of the grant date; however, all non-vested options previously granted to an eligible director immediately vest upon such director becoming "disabled" (as defined in the 1995 Directors Plan), upon his death or upon a "change in control" of ADTRAN (as defined in the 1995 Directors Plan). Generally, unexercised options terminate three months after an optionee ceases serving as a director. However, the post-service exercise period is extended to a year after termination due to disability, and unexercised options terminate immediately if the director is terminated for "cause" (as defined in the Directors Plan) prior to a change in control. In addition, if a director dies during service, or during a period following termination of service when his options have not yet terminated as provided above, the director's beneficiary can exercise the options for up to one year after the date of the director's death. The options will not be exercisable past their expiration date, however, regardless of the reason for termination of the director's service.

No options may be granted under the 1995 Directors Plan after October 31, 2005, ten years after its date of adoption. The 1995 Directors Plan will terminate on the later of (a) the complete exercise or lapse of the last outstanding option granted under the 1995 Directors Plan or (b) the last date upon which options may be granted under the 1995 Directors Plan, subject to its earlier termination by the Board at any time.

On December 31, 2004, in accordance with the terms of the 1995 Directors Plan, options exercisable for 5,000 shares of common stock were granted to each of Messrs. Anderson, Blount, Huss, Marks, Nichols and North. Mr. McMillian waived all option grants for which he was eligible under the 1995 Directors Plan.

On January 24, 2005, the Board approved the 2005 Directors Stock Option Plan and is recommending it for approval by the stockholders at this Annual Meeting. A description of the 2005 Directors Stock Option Plan can be found below under "Proposal 3 – Approval of ADTRAN, Inc. 2005 Directors Stock Option Plan."

Included in such information, in accordance with the rules and regulations of the SEC, is the potential realizable value of each option granted, calculated using the 5% and 10% option pricing model.

- (1) The exercise price of an option may be paid in cash, by delivery of already owned shares of our common stock held for at least six months or by a combination of the above, subject to certain conditions.
- (2) The options were granted for a term of ten years, subject to earlier termination upon the occurrence of certain events related to termination of employment or change of control of ADTRAN.
- (3) Amounts represent hypothetical gains assuming exercise at the end of the option term and assuming rates of stock price appreciation of 5% and 10% compounded annually from the date the respective options were granted to their expiration date. The 5% and 10% assumed rates of appreciation are mandated by the rules of the SEC. These assumptions are not intended to forecast future appreciation of our stock price. The potential realizable value computation does not take into account federal or state income tax consequences of option exercises or sales of appreciated stock. The actual gains, if any, on the stock option exercises will depend on the future performance of our common stock, the optionee's continued employment through applicable vesting periods and the date on which the options are exercised and the underlying shares are sold. The closing price of our common stock on March 21, 2005, the record date, was \$17.24 per share.
- (4) The indicated number of options were granted to the executive on October 18, 2004 pursuant to the Amended and Restated 1996 Employees Incentive Stock Option Plan. The options vest 25% per year beginning on the first anniversary of the date of grant, until fully vested.

Option Exercises

The following table sets forth option exercises by the named executive officers during the fiscal year ended December 31, 2004, including the aggregate value of gains on the date of exercise. The table also sets forth (i) the number of shares covered by options (both exercisable and unexercisable) as of December 31, 2004 and (ii) the respective value for "in-the-money" options, which represents the positive spread between the exercise price of existing options and the fair market value of our common stock at December 31, 2004.

Change of Control Arrangements

The Board of Directors adopted Management Incentive Bonus Programs for fiscal year 2005 for (i) the Chief Executive Officer, Chief Operating Officer and Senior Vice Presidents and (ii) the Corporate Vice Presidents (collectively, the “2005 Bonus Programs”), which provide for the payment of bonuses calculated pursuant to a formula based on the achievement of targeted levels of earnings per share for the 2005 fiscal year. The 2005 Bonus Programs provide that in the event of a change in control, or certain events indicating an imminent change in control, of ADTRAN, as determined under the 1996 Employees Incentive Stock Option Plan, each participant in the program will receive immediate payment of a bonus in an amount not less than that which would otherwise be earned by the participant if the minimum level of earnings per share were achieved under the program, or such greater amount as the Board of Directors determines.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This Report of the Compensation Committee of the Board of Directors on Executive Compensation discusses the methods that were used to determine executive compensation for the fiscal year ended December 31, 2004. The report specifically reviews the methods employed in setting the compensation of our Chairman of the Board and Chief Executive Officer (the “Chief Executive Officer”) and generally with respect to all executive officers.

For 2004, the compensation of our Chief Executive Officer was determined by the Compensation Committee and the Board of Directors without any reference to quantitative measures of individual or company performance but based instead solely on a subjective evaluation of the performance of the Chief Executive Officer and ADTRAN.

The compensation paid to our other executive officers for 2004 was determined by the Chief Executive Officer in his discretion and was recommended by him to the Compensation Committee and the full Board for approval. Similar to the determination of the Chief Executive Officer’s compensation, the Chief Executive Officer based the compensation levels of the other executive officers not on any quantitative measures of individual or company performance but upon his subjective evaluation of the performance of the individual executive officers and

of ADTRAN. The Compensation Committee and the full Board approved the recommendations of the Chief Executive Officer with regard to the 2004 compensation of each of our other executive officers.

In 2004, the Board of Directors adopted management incentive bonus programs for fiscal year 2004 (the "Bonus Programs") for (i) the Chief Executive Officer, Chief Operating Officer and Senior Vice Presidents and (ii) the Corporate Vice Presidents. Candidates for bonuses in fiscal 2004 were selected by our Chief Executive Officer or Chief Operating Officer and were recommended to the Board for approval. Bonuses granted under the Bonus Programs were determined by a formula based on targeted increases in our per share after tax earnings for the fiscal year. The bonuses disclosed in the Summary Compensation Table above for 2004 represent the bonuses earned by the named executive officers pursuant to the Bonus Programs as a result of the achievement of specified earnings per share targets.

Limitations on the Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code limits ADTRAN's tax deduction for compensation over \$1,000,000 paid to each of the Chief Executive Officer and to the four other most highly compensated executive officers. Compensation that meets the requirements for qualified performance-based compensation or certain other exceptions under the Internal Revenue Code is not included in this limit. Our executive compensation for 2004 did not exceed the deductible limit. Generally, the Compensation Committee desires to maintain the tax deductibility of compensation for executive officers to the extent it is feasible and consistent with the objectives of our compensation programs. However, the Compensation Committee retains the discretion to determine whether the interests of ADTRAN and its shareholders may be served by providing compensation that is not deductible in order to compensate executive officers in a manner commensurate with performance and the competitive environment for executive talent.

The price information reflected for our common stock in the following performance graph and accompanying table represents the closing sales prices of the common stock for the period from December 31, 1999 through December 31, 2004 on an annual basis. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, and regulations of the SEC thereunder require our directors, officers and persons who own more than 10% of our common stock, as well as certain affiliates of such persons, to file initial reports of their ownership of our common stock and subsequent reports of changes in such ownership with the SEC. Directors, officers and persons owning more than 10% of our common stock are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such reports received by us and on information provided by the reporting persons, we believe that during the fiscal year ended December 31, 2004, our directors, officers and owners of more than 10% of our common stock complied with all applicable filing requirements.

AUDIT COMMITTEE REPORT

The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to the accuracy and integrity of ADTRAN's financial reporting. In February 2004, our Board of Directors adopted an updated Audit Committee Charter, which sets forth the responsibilities of the Audit Committee. A copy of the Audit Committee Charter is available on our website at www.adtran.com and was filed as an appendix to our proxy statement for our 2004 Annual Meeting of Stockholders.

The Audit Committee held nine meetings during the fiscal year ended December 31, 2004. Representatives of PricewaterhouseCoopers LLP, our independent registered public accounting firm, attended each meeting. The Audit Committee reviewed and discussed with management and PricewaterhouseCoopers LLP our audited financial statements for the fiscal year ended December 31, 2004 and our unaudited quarterly financial statements for the quarters ended March 31, June 30 and September 30, 2004. The Audit Committee also discussed with PricewaterhouseCoopers LLP the matters required under Statement on Auditing Standards No. 61 and No. 90 (Codification of Statements on Auditing Standards, AU § 380).

In addition to the review of annual and interim financial statements, the Audit Committee continued its focus on functions and risks which could adversely impact ADTRAN's financial position. This oversight was accomplished through ADTRAN's Internal Controls Project, which was created to facilitate completion of the necessary steps for compliance with Section 404 of the Sarbanes-Oxley Act of 2002. Audit Committee meetings included overviews of the status of documentation and testing of key internal controls over financial reporting, as well as detailed reviews of key internal controls in higher-risk financial reporting cycles. The Audit Committee has actively reviewed management's assessment of the effectiveness of ADTRAN's internal control over financial reporting (including management's evaluation of identified control deficiencies and management's program for remediation of those deficiencies) and PricewaterhouseCoopers LLP's report thereon, both of which are included in the Annual Report on Form 10-K for the year ended December 31, 2004.

The Audit Committee also received the written disclosures and the letter from PricewaterhouseCoopers LLP that are required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with PricewaterhouseCoopers LLP its independence. The Audit Committee reviewed the audit and non-audit services provided by PricewaterhouseCoopers LLP for the fiscal year ended December 31, 2004 and determined to engage PricewaterhouseCoopers LLP as the independent registered public accounting firm of ADTRAN for the fiscal year ending December 31, 2005.

Based upon the Audit Committee's review of the audited financial statements and the discussions noted above, the Audit Committee recommended that the Board of Directors include the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the SEC.

**PROPOSAL 2 – RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Audit Committee of our Board of Directors, in accordance with its charter and authority delegated to it by the Board, has appointed the firm of PricewaterhouseCoopers LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2005, and the Board of Directors has directed that such appointment be submitted to our stockholders for ratification at the Annual Meeting. PricewaterhouseCoopers LLP has served as our independent registered public accounting firm since 1986 and is considered by our Audit Committee to be well qualified. If the stockholders do not ratify the appointment of PricewaterhouseCoopers LLP, the Audit Committee will reconsider the appointment.

Representatives of PricewaterhouseCoopers LLP will be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so. They also will be available to respond to appropriate questions from stockholders.

The Audit Committee of the Board of Directors and the Board unanimously recommend that the stockholders vote “FOR” the proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of the Independent Registered Public Accounting Firm

Commencing in May 2003, with the effectiveness of new rules adopted under the Sarbanes-Oxley Act of 2002, the Audit Committee established a practice of pre-approving all services provided by PricewaterhouseCoopers LLP. In October 2003, the Audit Committee adopted a pre-approval policy that provides guidelines for the audit, audit-related, tax and other non-audit services that may be provided to us by PricewaterhouseCoopers LLP. The policy identifies the guiding principles that must be considered by the Audit Committee in approving services to ensure that PricewaterhouseCoopers LLP's independence is not impaired; describes the audit, audit-related, tax and other services that may be provided and the non-audit services that may not be performed; and sets forth pre-approval requirements for all permitted services.

Under the policy, a schedule is presented annually to the Audit Committee outlining the types of services that are likely to be performed during the year. The Audit Committee, based upon the guidelines in the policy, selects the services from that schedule that will be generally pre-approved and attaches the list of services as an appendix to the policy. The Audit Committee then sets an annual aggregate fee limitation for all of the generally pre-approved services. For fiscal year 2004, that limit was set at \$30,000. The Audit Committee increased the limit to \$50,000 for fiscal year 2005. Any fees for the generally pre-approved services that exceed this aggregate fee limit must be specifically pre-approved. In addition, any services not on the list of general pre-approved services must be specifically pre-approved.

Each member of the Audit Committee has been delegated the authority to provide any necessary specific pre-approval, in the event that the full Audit Committee is not available. Any member of the Audit Committee who provides specific pre-approval must report such approval to the Audit Committee at its next meeting. To ensure compliance with the policy, a detailed report outlining all fees incurred year-to-date for services provided by PricewaterhouseCoopers LLP is presented to the Audit Committee on a quarterly basis.

PROPOSAL 3 – APPROVAL OF ADTRAN, INC. 2005 DIRECTORS STOCK OPTION PLAN

Introduction

Our stockholders are being asked to consider and vote on this proposal to approve our 2005 Directors Stock Option Plan (the "2005 Directors Plan"). Our Board of Directors adopted the 2005 Directors Plan on January 24, 2005, subject to the approval of our stockholders, to replace our expiring Amended and Restated 1995 Directors Stock Option Plan. The purpose of the 2005 Directors Plan is to: (a) provide incentive to our non-employee directors to stimulate their efforts toward our continued success and to operate and manage our business in a manner that will provide for our long term growth and profitability; (b) encourage stock ownership by non-employee directors by providing them with a means to acquire a proprietary interest in ADTRAN by acquiring shares of our common stock; and (c) provide a means of attracting, retaining and rewarding highly qualified non-employee directors. To accomplish these objectives, the 2005 Directors Plan would provide automatic grants of stock options to newly elected non-employee directors and automatic annual grants of stock options to each ongoing non-employee director, for an aggregate of 400,000 shares of our common stock (subject to adjustment as described below).

The following description of the 2005 Directors Plan is qualified in its entirety by reference to the applicable provisions of the 2005 Directors Plan, which is attached hereto as Appendix A, and agreements related to the 2005 Directors Plan.

Proposed Plan

Our Board of Directors has approved, and recommends that the stockholders of ADTRAN approve, the 2005 Directors Plan. The effective date of the 2005 Directors Plan, if approved by the stockholders at the annual meeting, will be May 18, 2005.

Stock Subject to Options

The capital stock subject to the options and other provisions of the 2005 Directors Plan is our common stock, \$0.01 par value per share. On March 21, 2005, the closing price of our common stock on the NASDAQ National Market was \$17.24 per share. Subject to adjustment in accordance with the terms of the 2005 Directors Plan, up to 400,000 shares of common stock, in the aggregate, may be purchased upon the exercise of options granted under the 2005 Directors Plan. The shares of common stock allocable to options granted under the plan that have been forfeited, canceled, expired or terminated without becoming exercised may again become subject to options under the plan.

Types of Options

Non-qualified stock options (“NQSOs”) may be granted under the 2005 Directors Plan.

Administration

The 2005 Directors Plan will be administered by an administrator, consisting of our Board of Directors or its designee. The Board of Directors has designated the Compensation Committee to serve as the administrator of the 2005 Directors Plan.

Among other powers and duties, the Compensation Committee will have the authority to interpret the 2005 Directors Plan and to make all other determinations necessary or advisable for the proper administration of the 2005 Directors Plan.

Eligibility and Grants of Options

Under the terms of the 2005 Directors Plan, newly elected non-employee directors of ADTRAN will receive grants of nonqualified stock options to purchase 10,000 shares of our common stock. Each December 31, continuing non-employee directors, including non-employee directors emeritus, will receive grants of nonqualified stock options to purchase 5,000 shares of our common stock. Directors would not receive the continuing director grant for the calendar year in which they are initially elected and receive the initial grant described above.

As of March 21, 2005, there were five non-employee directors and one non-employee director emeritus of ADTRAN, all of whom would be eligible to participate in the 2005 Directors Plan. As of the date of this proxy statement, we have not granted any options under the 2005 Directors Plan. At this time, we anticipate that options exercisable for 30,000 shares of our common stock will be granted in 2005 under the 2005 Directors Plan.

Terms of Options

Option Agreement. Each option will be evidenced by an Option Agreement between ADTRAN and the optionee in the form attached to the 2005 Directors Plan.

Vesting and Exercisability. Options granted under the 2005 Directors Plan will become exercisable (*i.e.* , vested) in full on the first anniversary of the grant date, or earlier if there is a Change of Control of ADTRAN or if the director terminates service due to death or disability.

Term of Options. The term of any option will be ten years from the date of grant.

Option Exercise Price. The purchase price of the common stock underlying each option granted under the 2005 Directors Plan will be 100% of the fair market value of the common stock on the date the option is granted.

Termination of Service. In the event of termination of an optionee’s service with ADTRAN for cause, all options will terminate immediately. Upon termination of an optionee’s service due to disability, the options may be exercised for one year. Upon termination of an optionee’s service other than due to death, disability or cause, the options may be exercised for three months. In addition, if an optionee dies while his or her options remain exercisable, the beneficiary may exercise the options for up to one year after the date of death. However, in no case will any option remain exercisable beyond its term.

Exercise of Options. Upon exercise of an option, an optionee will have to pay for the common stock subject to the exercise. Payment may be made in cash, by surrender of shares of ADTRAN common stock that the optionee has held for at least six months, or by a combination of cash and surrender of shares.

Transfers. Optionees may not transfer or assign their options except by will or by the laws of descent and distribution. Options will be exercisable during the optionee's life only by the optionee (unless the optionee is incapacitated and unable to exercise options). Upon the death of the optionee, options will be exercisable by the optionee's "beneficiary." Certificates for common stock issued with respect to options under the plan will include such legends referring to any applicable restrictions on resale as ADTRAN, in its discretion, deems appropriate.

Amendment and Termination

Our Board of Directors may amend or terminate the 2005 Directors Plan at any time. In addition, amendments must be approved by stockholders if such approval is necessary under applicable laws or applicable NASDAQ rules and regulations. Currently, applicable laws and regulations would require stockholder approval for any amendment that (i) increased the number of shares available for issuance under the 2005 Directors Plan, (ii) materially modified the provisions regarding who is eligible for options under the 2005 Directors Plan, or (iii) otherwise materially amended the 2005 Directors Plan.

Adjustments

In the event of any increase or decrease in the number of shares of common stock outstanding effected without receipt of consideration by ADTRAN, the Compensation Committee will make a proportionate adjustment to the number of shares subject to options granted under the 2005 Directors Plan, to the exercise price of any options granted under the 2005 Directors Plan, to the number of options granted under the plan's formula grants, and to the number of shares remaining available for the granting of options.

Additionally, in the event of a merger, consolidation, or other reorganization of ADTRAN, options may be converted or option vesting may be accelerated and options may be terminated.

Federal Income Tax Consequences

The following is a brief general description of the consequences that will apply under the Internal Revenue Code of 1986, as amended, to the receipt of options under the 2005 Directors Plan:

Non-qualified Stock Options. Neither ADTRAN nor the option holder has income tax consequences from the issuance of NQSOs. Generally, in the tax year when an option holder exercises NQSOs, the option holder recognizes ordinary income in the amount by which the fair market value of the shares at the time of exercise exceeds the option price for such shares. We generally will have a deduction in the same amount as the ordinary income recognized by the option holder in our tax year in which or with which the option holder's tax year (of exercise) ends.

If an option holder exercises an NQSO by paying the option price with previously acquired common stock, the option holder will recognize income (relative to the new shares such option holder is receiving) in two steps. In the first step, a number of new shares equivalent to the number of older shares tendered (in payment of the NQSO exercised) is considered to have been exchanged in accordance with Internal Revenue Code §1036 and the rulings thereunder, and no gain or loss is recognized. In the second step, with respect to the number of new shares acquired in excess of the number of old shares tendered, the option holder will recognize income on those new shares equal to their fair market value less any nonstock consideration tendered. The new shares equal to the number of the older shares tendered will receive the same basis the option holder had in the older shares and the option holder's holding period with respect to the tendered older shares will apply to those new shares. The excess new shares received will have a basis equal to the amount of income recognized by the option holder by exercise, increased by any nonstock consideration tendered. Their holding period will commence upon the exercise of the option.

The Board of Directors unanimously recommends that the stockholders vote "FOR" the proposal to approve the ADTRAN, Inc. 2005 Directors Stock Option Plan.

In addition to such other rights of indemnification as they have as directors or as members of the Committee, the members of the Committee, to the extent permitted by applicable law, shall be indemnified by the Company against reasonable expenses (including, without limitation, attorneys' fees) actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan or any Options granted hereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved to the extent required by and in the manner provided by the articles or certificate of incorporation or the bylaws of the Company relating to indemnification of directors) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Committee member or members did not act in good faith and in a manner he or they reasonably believed to be in or not opposed to the best interest of the Company.

ARTICLE V Eligibility to Receive and Grant of Options

5.1 *Individuals Eligible for Grants of Options*. The individuals eligible to receive Options hereunder shall be solely those individuals who are Directors and who are not employees of the Company or any parent or subsidiary corporation of the Company. Such Directors shall receive Options hereunder in accordance with the provisions of Section 5.2 below.

5.2 *Grant of Options* . Options shall be granted to those Directors who are eligible under Section 5.1 above in accordance with the following formulas:

(a) *Option Upon Initially Becoming a Director*. Upon initially becoming a Director, an individual shall be granted an Option to purchase 10,000 shares of Common Stock, with such Option subject to the provisions of Article VI below. Options granted under this subsection (a) shall be evidenced by the Option Agreement shown in Appendix A. The Options granted under this subsection (a) shall not be granted to a Director who has previously served as a Director and who is again becoming a Director, but shall only be granted upon an individual's *initially* becoming a Director.

(b) *Option Upon Commencement of Term*. As of December 31 of each calendar year following the calendar year in which a Director receives a grant of Options under subsection (a) above, if such individual is a Director as of such date and subject to subsection (d) below, such individual shall be granted an Option to purchase 5,000 shares of Common Stock, with such Option subject to the provisions of Article VI below. Options granted under this subsection (b) shall be evidenced by the Option Agreement shown in Appendix B.

(d) *Rules Against Double Granting of Options for Simultaneous Service.* Notwithstanding any provision of this Section to the contrary, an individual shall not be granted an Option to purchase more than 5,000 shares as of any December 31 under the provisions of subsection (b) above.

ARTICLE VI

Terms and Conditions of Options

Options granted hereunder and Option Agreements shall comply with and be subject to the following terms and conditions:

6.1 *Requirement of Option Agreement.* Upon the grant of an Option hereunder, the Committee shall prepare (or cause to be prepared) an Option Agreement. The Committee shall present such Option Agreement to the Optionee. Upon execution of such Option Agreement by the Optionee, such Option shall be deemed to have been granted effective as of the date of grant. The failure of the Optionee to execute the Option Agreement within 30 days after the date of the receipt of same shall render the Option Agreement and the underlying Option null and void *ab initio*.

6.2 *Optionee and Number of Shares.* Each Option Agreement shall state the name of the Optionee and the total number of shares of the Common Stock to which it pertains, the Option Price, the Beneficiary of the Optionee and the date as of which the Option was granted under this Plan.

6.3 *Vesting.* Each Option shall first become exercisable (*i.e.*, vested) with respect to 100% of the shares subject to such Option as of the first anniversary of the date the Option is granted. Prior to said date, the Option shall be unexercisable in its entirety. Notwithstanding the foregoing, all Options granted to an Optionee shall become immediately vested and exercisable for 100% of the number of shares subject to the Options upon the Optionee's becoming Disabled or upon his death or upon a Change of Control. Other than as provided in the preceding sentences, if an Optionee ceases to be a Director, his rights with regard to all non-vested Options shall cease immediately.

6.4 *Option Price.* The Option Price of the shares of Common Stock underlying each Option shall be the Fair Market Value of the Common Stock on the date the Option is granted. Upon execution of an Option Agreement by both the Company and Optionee, the date as of which the Option was granted under this Plan as noted in the Option Agreement shall be considered the date on which such Option is granted.

6.5 *Terms of Options.* Terms of Options granted under the Plan shall commence on the date of grant and shall expire ten years from the date the Option is granted.

6.6 *Terms of Exercise.* The exercise of an Option may be for less than the full number of shares of Common Stock subject to such Option, but such exercise shall not be made for less than (i) 100 shares or (ii) the total remaining shares subject to the Option, if such total is less than 100 shares. Subject to the other restrictions on exercise set forth herein, the unexercised portion of an Option may be exercised at a later date.

6.7 *Method of Exercise.* All Options granted hereunder shall be exercised by written notice directed to the Secretary of the Company at its principal place of business or to such other person as the Committee may direct. Each notice of exercise shall identify the Option that the Optionee is exercising (in whole or in part) and shall be accompanied by payment of the Option Price for the number of shares specified in such notice and by any documents required by Section 8.1. The Company shall make delivery of such shares within a reasonable period of time; provided, if any law or regulation requires the Company to take any action (including, but not limited to, the filing of a registration statement under the 1933 Act and causing such registration statement to become effective) with respect to the shares specified in such notice before the issuance thereof, then the date of delivery of such shares shall be extended for the period necessary to take such action.

6.8 *Medium and Time of Payment.*

(a) The Option Price shall be payable upon the exercise of the Option in an amount equal to the number of shares then being purchased times the per share Option Price. Payment, at the election of the

Optionee (or his Beneficiary as provided in subsection (c) of Section 6.9), shall be (A) in cash; (B) by delivery to the Company of shares of the Common Stock that have been owned by the Optionee for at least six months, guaranteed or notarized, with such documentation as the Committee may require, or in such other manner as the Committee may require; or (C) by a combination of (A) and (B).

(b) If the Optionee delivers Common Stock with a value that is less than the total Option Price, then such Optionee shall pay the balance of the total Option Price in cash, as provided in subsection (a) above.

6.9 *Effect of Termination of Service, Disability or Death* . Except as provided in subsections (a), (b) and (c) below, no Option shall be exercisable unless the Optionee thereof shall have been a Director from the date of the granting of the Option until the date of exercise.

(a) *Termination of Service*. In the event an Optionee ceases to be a Director for any reason other than death or Disability, any Option or unexercised portion thereof granted to him shall terminate on and shall not be exercisable after the earliest to occur of (i) the expiration date of the Option, (ii) three months after the date the Optionee ceases to be a Director (except as provided in subsection (c)) or (iii) the date on which the Company gives notice to such Optionee of termination of his service as a Director if service is terminated by the Company or by its shareholders for Cause (an Optionee's resignation in anticipation of termination of service by the Company or by its shareholders for Cause shall constitute a notice of termination by the Company). Notwithstanding the foregoing, in the event that an Optionee's service as a Director terminates for a reason other than death or Disability at any time after a Change of Control, the term of all Options of that Optionee shall be extended through the end of the three-month period immediately following the date of such termination of service. Prior to the earlier of the dates specified in the preceding sentences of this subsection (a), the Option shall be exercisable only in accordance with its terms and only for the number of shares exercisable on the date of termination of service as a Director.

(b) *Disability*. Upon the termination of an Optionee's service as a Director due to Disability, any Option or unexercised portion thereof granted to him which is otherwise exercisable shall terminate on and shall not be exercisable after the earlier to occur of (i) the expiration date of such Option, or (ii) one year after the date on which such Optionee ceases to be a Director due to Disability (except as provided in subsection (c)). Prior to the earlier of such dates, such Option shall be exercisable only in accordance with its terms and only for the number of shares exercisable on the date such Optionee's service as a Director ceases due to Disability.

(c) *Death*. In the event of the death of the Optionee (i) while he is a Director, (ii) within three months after the date on which such Optionee's service as a Director is terminated (for a reason other than Cause) as provided in subsection (a) above, or (iii) within one year after the date on which such Optionee's service as a Director terminated due to his Disability, any Option or unexercised portion thereof granted to him which is otherwise exercisable may be exercised by the Optionee's Beneficiary at any time prior to the expiration of one year from the date of death of such Optionee, but in no event later than the date of expiration of the Option. Such exercise shall be effected pursuant to the terms of this Section as if such Beneficiary is the named Optionee.

6.10 *Restrictions on Transfer and Exercise of Options* . No Option shall be assignable or transferable by the Optionee except by transfer to a Beneficiary upon the death of the Optionee, and any purported transfer (other than as excepted above) shall be null and void. After the death of an Optionee and upon the death of the Optionee's Beneficiary, an Option shall be transferred only by will or by the laws of descent and distribution. During the lifetime of an Optionee, the Option shall be exercisable only by him; provided, however, that in the event the Optionee is incapacitated and unable to exercise Options, such Options may be exercised by such Optionee's legal guardian, legal representative, fiduciary or other representative whom the Committee deems appropriate based on applicable facts and circumstances.

6.11 *Rights as a Shareholder* . An Optionee shall have no rights as a shareholder with respect to shares covered by his Option until date of the issuance of the shares to him and only after the Option Price of such shares is

fully paid. Unless specified in Article VII, no adjustment will be made for dividends or other rights for which the record date is prior to the date of such issuance.

6.12 *No Obligation to Exercise Option* . The granting of an Option shall impose no obligation upon the Optionee to exercise such Option.

ARTICLE VII

Adjustments Upon Changes in Capitalization

7.1 *Recapitalization* . In the event that the outstanding shares of the Common Stock of the Company are hereafter increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of the Company by reason of a recapitalization, reclassification, stock split, combination of shares or dividend payable in shares of the Common Stock, the following rules shall apply:

(a) The Committee shall make an appropriate adjustment in the number and kind of shares available for the granting of Options under the Plan, and in the number and kind of shares granted under Section 5.2.

(b) The Committee also shall make an appropriate adjustment in the number and kind of shares as to which outstanding Options, or portions thereof then unexercised, shall be exercisable; any such adjustment in any outstanding Options shall be made without change in the total price applicable to the unexercised portion of such Option and with a corresponding adjustment in the Option Price per share. No fractional shares shall be issued or optioned in making the foregoing adjustments, and the number of shares available under the Plan or the number of shares subject to any outstanding Options shall be the next lower number of shares, rounding all fractions downward.

(c) If any rights or warrants to subscribe for additional shares are given *pro rata* to holders of outstanding shares of the class or classes of stock then set aside for the Plan, each Optionee shall be entitled to the same rights or warrants on the same basis as holders of the outstanding shares with respect to such portion of his Option as is exercised on or prior to the record date for determining shareholders entitled to receive or exercise such rights or warrants.

7.2 *Reorganization* . Subject to any required action by the shareholders, if the Company shall be a party to any reorganization involving merger, consolidation, acquisition of the stock or acquisition of the assets of the Company which does not constitute a Change of Control, and if the agreement memorializing such reorganization so provides, any Option granted but not yet exercised shall pertain to and apply, with appropriate adjustment as determined by the Committee, to the securities of the resulting corporation to which a holder of the number of shares of the Common Stock subject to such Option would have been entitled. If such agreement does not so provide, any or all Options granted hereunder shall become immediately nonforfeitable and fully exercisable or vested (to the extent permitted under federal or state securities laws) and are to be terminated after giving at least 30 days' notice to the Optionees to whom such Options have been granted.

7.3 *Dissolution and Liquidation* . If the Board adopts a plan of dissolution and liquidation that is approved by the shareholders of the Company, the Committee shall give each Optionee written notice of such event at least ten days prior to its effective date, and the rights of all Optionees shall become immediately nonforfeitable and fully exercisable or vested (to the extent permitted under federal or state securities laws).

7.4 *Limits on Adjustments* . Any issuance by the Company of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of the Common Stock subject to any Option, except as specifically provided otherwise in this Article. The grant of Options pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge, consolidate or dissolve, or to liquidate, sell or transfer all or any part of its business or assets. All adjustments the Committee makes under this Article shall be conclusive.

ARTICLE VIII
Agreement by Optionee and Securities Registration

8.1 *Agreement* . If, in the opinion of counsel to the Company, such action is necessary or desirable, no Options shall be granted to any Optionee and no Option shall be exercisable unless, at the time of grant or exercise, as applicable, such Optionee (i) represents and warrants that he will acquire the Common Stock for investment only and not for purposes of resale or distribution, and (ii) makes such further representations and warranties as are deemed necessary or desirable by counsel to the Company with regard to holding and resale of the Common Stock. The Optionee shall, upon the request of the Committee, execute and deliver to the Company an agreement or affidavit to such effect. Should the Committee have reasonable cause to believe that such Optionee did not execute such agreement or affidavit in good faith, the Company shall not be bound by the grant of the Option or by the exercise of the Option. All certificates representing shares of Common Stock issued pursuant to the Plan shall be marked with the following restrictive legend or similar legend, if such marking, in the opinion of counsel to the Company, is necessary or desirable:

The shares represented by this certificate [have not been registered under the Securities Act of 1933, as amended, or the securities laws of any state and] are held by an “affiliate” (as such term is defined in Rule 144 promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended) of the Corporation. Accordingly, these shares may not be sold, hypothecated, pledged or otherwise transferred except (i) pursuant to an effective registration statement under the Securities Act of 1933, as amended, and any applicable securities laws or regulations of any state with respect to such shares, (ii) in accordance with Securities and Exchange Commission Rule 144, or (iii) upon the issuance to the Corporation of a favorable opinion of counsel or the submission to the Corporation of such other evidence as may be satisfactory to the Corporation that such proposed sale, assignment, encumbrance or other transfer will not be in violation of the Securities Act of 1933, as amended, or any applicable securities laws of any state or any rules or regulations thereunder. Any attempted transfer of this certificate or the shares represented hereby which is in violation of the preceding restrictions will not be recognized by the Corporation, nor will any transferee be recognized as the owner thereof by the Corporation.

If the Common Stock is (A) held by an Optionee who ceases to be an “affiliate,” as that term is defined in Rule 144 of the 1933 Act, or (B) registered under the 1933 Act and all applicable state securities laws and regulations as provided in Section 8.2, the Committee, in its discretion and with the advice of counsel, may dispense with or authorize the removal of the restrictive legend set forth above or the portion thereof which is inapplicable.

8.2 *Registration* . In the event that the Company in its sole discretion shall deem it necessary or advisable to register, under the 1933 Act or any state securities laws or regulations, any shares with respect to which Options have been granted hereunder, then the Company shall take such action at its own expense before delivery of the certificates representing such shares to an Optionee. In such event, and if the shares of Common Stock of the Company shall be listed on any national securities exchange or on Nasdaq at the time of the exercise of any Option, the Company shall make prompt application at its own expense for the listing on such stock exchange or Nasdaq of the shares of Common Stock to be issued.

ARTICLE IX
Effective Date

The Plan shall be effective as of the Effective Date, and no Options shall be granted hereunder prior to said date. Adoption of the Plan shall be approved by the shareholders of the Company at the earlier of (i) the annual meeting of the shareholders of the Company which immediately follows the date of the first grant or award of Options hereunder, or (ii) 12 months after the adoption of the Plan by the Board. Shareholder approval shall be made by a majority of the votes cast at a duly held meeting at which a quorum representing a majority of all outstanding voting stock is, either in person or by proxy, present and voting on the Plan, or by the written consent in lieu of a meeting of the holders of a majority of the outstanding voting stock or such greater number of shares of voting stock as may be required by the Company’s articles or certificate of incorporation and bylaws and by applicable law; provided, however, such shareholder approval, whether by vote or by written consent in lieu of a meeting, must be solicited substantially in accordance with the rules and regulations in effect under Section 14(a) of the 1934 Act. Failure to obtain such approval shall render the Plan and any Options granted hereunder null and void *ab initio* .

ARTICLE X
Amendment and Termination

10.1 *Amendment and Termination By the Board* . Subject to Section 10.2 below, the Board shall have the power at any time to add to, amend, modify or repeal any of the provisions of the Plan, to suspend the operation of the entire Plan or any of its provisions for any period or periods or to terminate the Plan in whole or in part. In the event of any such action, the Committee shall prepare written procedures which, when approved by the Board, shall govern the administration of the Plan resulting from such addition, amendment, modification, repeal, suspension or termination.

10.2 *Restrictions on Amendment and Termination* . Notwithstanding the provisions of Section 10.1 above, the following restrictions shall apply to the Board's authority under Section 10.1 above:

(a) *Prohibition Against Adverse Affects on Outstanding Options*. No addition, amendment, modification, repeal, suspension or termination shall adversely affect, in any way, the rights of the Optionees who have outstanding Options without the consent of such Optionees;

(b) *Shareholder Approval Required for Certain Modifications*. No modification or amendment of the Plan may be made without the prior approval of the shareholders of the Company if such approval is necessary with respect to tax, securities or other applicable laws or the applicable rules or regulations of any stock exchange or Nasdaq.

10.3 *Expiration of Plan* . No Option shall be granted hereunder after ten years from the earlier of (a) the date the Plan is approved by the shareholders, or (b) the date the Plan is adopted by the Board.

ARTICLE XI
Miscellaneous Provisions

11.1 *Application of Funds* . The proceeds received by the Company from the sale of the Common Stock subject to the Options granted hereunder will be used for general corporate purposes.

11.2 *Notices* . All notices or other communications by an Optionee to the Committee pursuant to or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Committee at the location, or by the person, designated by the Committee for the receipt thereof.

11.3 *Term of Plan* . Subject to the terms of Article X, the Plan shall terminate upon the later of (i) the complete exercise or lapse of the last outstanding Option, or (ii) the last date upon which Options may be granted hereunder.

11.4 *Compliance with Rule 16b-3* . This Plan is intended to be in compliance with the requirements of Rule 16b-3 as promulgated under Section 16 of the 1934 Act.

11.5 *Governing Law* . The Plan shall be governed by and construed in accordance with the laws of the State of Alabama.

11.6 *Additional Provisions By Committee* . The Option Agreements authorized under the Plan may contain such other provisions, including, without limitation, restrictions upon the exercise of an Option, as the Committee shall deem advisable.

11.7 *Plan Document Controls* . In the event of any conflict between the provisions of an Option Agreement and the Plan, the Plan shall control.

11.8 *Gender and Number* . Wherever applicable, the masculine pronoun shall include the feminine pronoun, and the singular shall include the plural.

11.9 *Headings* . The titles in this Plan are inserted for convenience of reference; they constitute no part of the Plan and are not to be considered in the construction hereof.

11.10 *Legal References* . Any references in this Plan to a provision of law which is, subsequent to the Effective Date of this Plan, revised, modified, finalized or redesignated, shall automatically be deemed a reference to such revised, modified, finalized or redesignated provision of law.

11.11 *No Rights to Perform Services* . Nothing contained in the Plan, or any modification thereof, shall be construed to give any individual any rights to perform services for the Company or any parent or subsidiary corporation of the Company.

11.12 *Unfunded Arrangement* . The Plan shall not be funded, and except for reserving a sufficient number of authorized shares to the extent required by law to meet the requirements of the Plan, the Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure the payment of any grant under the Plan.
