## **Forward-Looking Statements**

This communication contains forward-looking statements, including statements relating to the proposed acquisition of the Company by SFC and the expected benefits of the acquisition and other matters that are not historical facts. Statements in this communication that relate to future results and events are forward-looking statements based on the Company’s current plans and expectations and are subject to a number of risks and uncertainties that could cause such plans and expectations, including actual results, to differ materially from those described in these forward-looking statements. You should not place undue reliance on these statements. All statements other than statements of historical fact, including statements containing the words “estimates,” “believes,” “anticipates,” “plans,” “expects,” “will,” and similar expressions, are statements that could be deemed forward-looking statements. Risks, uncertainties and other factors include, but are not limited to: (a) the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement; (b) the inability of SFC to complete the proposed tender offer and merger due to the failure to obtain the minimum percentage of the Company’s stockholders tendering their shares in the tender offer or the failure to satisfy other conditions to completion of the proposed tender offer and merger; (c) the failure of SFC to obtain the necessary financing arrangements as set forth in the debt commitment letter delivered pursuant to the merger agreement, or the failure of the proposed tender offer or merger to close for any other reason; (d) risks related to disruption of management’s attention from the Company’s ongoing business operations due to these transactions; (e) the outcome of any legal proceedings, regulatory proceedings or enforcement matters that may be instituted against the Company and others relating to the merger agreement; (f) the risk that the pendency of the proposed tender offer and merger disrupts current plans and operations and the potential difficulties in employee retention as a result of the pendency of the proposed tender offer and merger; (g) the effect of the announcement of the proposed tender offer and merger on the Company’s relationships with its customers, operating results and business generally; and (h) the amount of the costs, fees, expenses and charges related to the proposed transactions under the merger agreement. You should consider these factors carefully in evaluating the forward-looking statements. Many of these risks and uncertainties are beyond the Company’s control. No assurance can be given that actual results or events will not differ materially from those projected, estimated, assumed or anticipated in any such forward-looking statements. Important factors that could result in such differences, in addition to other factors noted with such forward-looking statements, are discussed in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2018, which was filed with the SEC on March 15, 2019, under the heading “Item 1A.
