Item 8.01. Other Events.

On May 4, 2018, an alleged stockholder of Fairmount Santrol Holdings Inc. (“Fairmount Santrol”) filed a putative class action against Fairmount Santrol and its directors, captioned Scarantino v. Fairmount Santrol Holdings Inc., et al., No. 1:18-cv-01047, in the United States District Court for the Northern District of Ohio. The lawsuit generally alleges that Fairmount Santrol and its directors violated the federal securities laws by issuing allegedly misleading disclosures in connection with the previously announced proposed transaction (the “merger”) with Unimin Corporation (“Unimin”), pursuant to the terms of that Agreement and Plan of Merger, dated December 11, 2017, among Fairmount Santrol, Unimin and the other parties thereto (the “Merger Agreement”), and seeks, among other things, to enjoin the special meeting of Fairmount Santrol stockholders scheduled to be held on May 25, 2018 (the “special meeting”) at which Fairmount Santrol stockholders will vote on, among other items, a proposal to adopt the Merger Agreement. Fairmount Santrol and its directors believe that the allegations against them lack merit.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This Current Report on Form 8-K contains statements which, to the extent they are not statements of historical or present fact, constitute “forward-looking” statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995. All forward-looking statements involve risks and uncertainties that may cause actual results to differ materially from those expressed or implied in the forward-looking statements. Important factors that could cause actual results to differ materially from those anticipated or implied in forward looking statements are described in Fairmount Santrol’s Form 10-K under the heading “Cautionary Statement Regarding Forward-Looking Information”, as well as the information included in Fairmount Santrol’s Current Reports on Form 8-K and other factors that are set forth in management’s discussion and analysis of Fairmount Santrol’s most recently filed reports with the Securities and Exchange Commission (the “SEC”). Additional important factors that could cause actual results to differ materially from those indicated by forward-looking statements include risks and uncertainties relating to: the merger not being timely completed, if completed at all; if the merger is completed, the impact of any undertakings required by the parties in order to obtain regulatory approvals; prior to the completion of the merger, Fairmount Santrol’s and/or Unimin’s respective businesses experiencing disruptions due to transaction-related uncertainty or other factors making it more difficult to maintain relationships with employees, business partners or governmental entities; the industry may be subject to future regulatory or legislative actions that could adversely affect Fairmount Santrol’s and/or Unimin’s respective businesses; and the parties being unable to successfully implement integration strategies. While Fairmount Santrol and/or Unimin may elect to update forward-looking statements at some point in the future, Fairmount Santrol and Unimin specifically disclaim any obligation to do so, even if estimates change and, therefore, you should not rely on these forward-looking statements as representing our views as of any date subsequent to today.
