Fairmount Santrol Holdings Inc. (“Fairmount Santrol”) intends to provide supplemental information regarding its proposed transaction (the “merger”) with Unimin Corporation (“Unimin”) during an investor presentation on March 26, 2018. A copy of the investor presentation is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This Current Report on Form 8-K contains statements which, to the extent they are not statements of historical or present fact, constitute “forward-looking” statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995. All forward-looking statements involve risks and uncertainties that may cause actual results to differ materially from those expressed or implied in the forward-looking statements. Important factors that could cause actual results to differ materially from those anticipated or implied in forward looking statements are described in Fairmount Santrol’s Form 10-K under the heading “Cautionary Statement Regarding Forward-Looking Information”, as well as the information included in Fairmount Santrol’s Current Reports on Form 8-K and other factors that are set forth in management’s discussion and analysis of Fairmount Santrol’s most recently filed reports with the SEC. Additional important factors that could cause actual results to differ materially from those indicated by forward-looking statements include risks and uncertainties relating to: the merger not being timely completed, if completed at all; if the merger is completed, the impact of any undertakings required by the parties in order to obtain regulatory approvals; prior to the completion of the merger, Fairmount Santrol’s and/or Unimin’s respective businesses experiencing disruptions due to transaction-related uncertainty or other factors making it more difficult to maintain relationships with employees, business partners or governmental entities; the industry may be subject to future regulatory or legislative actions that could adversely affect Fairmount Santrol’s and/or Unimin’s respective businesses; and the parties being unable to successfully implement integration strategies. While Fairmount Santrol and/or Unimin may elect to update forward-looking statements at some point in the future, Fairmount Santrol and Unimin specifically disclaim any obligation to do so, even if estimates change and, therefore, you should not rely on these forward-looking statements as representing our views as of any date subsequent to today.

Additional Information

In connection with the merger, a registration statement on Form S-4 will be publicly filed with the SEC. FAIRMOUNT SANTROL STOCKHOLDERS ARE ENCOURAGED TO READ THE REGISTRATION STATEMENT AND ANY OTHER RELEVANT DOCUMENTS FILED WITH THE SEC, INCLUDING THE PROXY STATEMENT/PROSPECTUS THAT WILL BE PART OF THE REGISTRATION STATEMENT, WHEN THEY BECOME AVAILABLE, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE MERGER. The final proxy statement/prospectus will be mailed to stockholders of Fairmount Santrol. Investors and security holders will be able to obtain the documents free of charge at the SEC’s website, www.sec.gov, or from Fairmount Santrol at its website, www.FairmountSantrol.com, or by contacting Indrani Egleston at 440-214-3219 or Matthew Schlarb at 440-214-3284.

Participants in Solicitation

Fairmount Santrol and its respective directors and executive officers may be deemed to be participants in the solicitation of proxies in respect of the merger. Information concerning Fairmount Santrol's participants is set forth in the proxy statement, dated April 6, 2017, for Fairmount Santrol's 2017 Annual Meeting of stockholders as filed with the SEC on Schedule 14A. Additional information regarding the interests of such participants in the solicitation of proxies in respect of the merger will be included in the registration statement and proxy statement/prospectus and other relevant materials to be filed with the SEC when they become available.

Disclaimer and Forward Looking Statements

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This communication contains statements which, to the extent they are not statements of historical or present fact, constitute "forward-looking" statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995. All forward-looking statements involve risks and uncertainties that may cause actual results to differ materially from those expressed or implied in the forward-looking statements. Important factors that could cause actual results to differ materially from those anticipated or implied in forward looking statements are described in Fairmount Santrol's Form 10-K under the heading "Cautionary Statement Regarding Forward-Looking Information", as well as the information included in Fairmount Santrol's Current Reports on Form 8-K and other factors that are set forth in management's discussion and analysis of Fairmount Santrol's most recently filed reports with the SEC. Other factors will be set forth in a registration statement which Unimin intends to file with the SEC. Additional important factors that could cause actual results to differ materially from those indicated by forward-looking statements include risks and uncertainties relating to: the merger not being timely completed, if completed at all; if the merger is completed, the impact of any undertakings required by the parties in order to obtain regulatory approvals; prior to the completion of the merger, Fairmount Santrol's and/or Unimin's respective businesses experiencing disruptions due to transaction-related uncertainty or other factors making it more difficult to maintain relationships with employees, business partners or governmental entities; the industry may be subject to future regulatory or legislative actions that could adversely affect Fairmount Santrol's and/or Unimin's respective businesses; and the parties being unable to successfully implement integration strategies. While Fairmount Santrol and/or Unimin may elect to update forward-looking statements at some point in the future, Fairmount Santrol and Unimin specifically disclaim any obligation to do so, even if estimates change and, therefore, you should not rely on these forward-looking statements as representing our views as of any date subsequent to today.

Additional Information

In connection with the proposed transaction, a registration statement on Form S-4 will be filed publically with the SEC. Fairmount Santrol STOCKHOLDERS ARE ENCOURAGED TO READ THE REGISTRATION STATEMENT AND ANY OTHER RELEVANT DOCUMENTS FILED WITH THE SEC, INCLUDING THE PROXY STATEMENT/PROSPECTUS THAT WILL BE PART OF THE REGISTRATION STATEMENT, WHEN THEY BECOME AVAILABLE, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED MERGER. The final proxy statement/prospectus will be mailed to stockholders of Fairmount Santrol. Investors and security holders will be able to obtain the documents free of charge at the SEC's website, www.sec.gov, or from Fairmount Santrol at its website, www.FairmountSantrol.com.

Participants in Solicitation

Fairmount Santrol, Unimin and their respective directors and executive officers may be deemed to be participants in the solicitation of proxies in respect of the proposed merger. Information concerning Fairmount Santrol's participants is set forth in the proxy statement, dated April 6, 2017, for Fairmount Santrol's 2017 Annual Meeting of stockholders as filed with the SEC on Schedule 14A. Additional information regarding the interests of the participants in the solicitation of proxies in respect of the proposed merger will be included in the registration statement and proxy statement/prospectus and other relevant materials to be filed with the SEC when they become available.

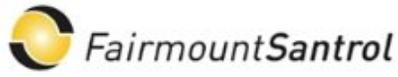

Disclaimer and Forward Looking Statements

Note on GAAP and IFRS Reporting Standards

Fairmount Santrol prepares its financial statements in accordance with U.S. generally accepted accounting principles, or GAAP, while Unimin currently prepares its financial statements in accordance with International Financial Reporting Standards, or IFRS, as issued by the International Accounting Standards Board. As a result, the financial information of Fairmount Santrol and Unimin may not be directly comparable. In addition, the combined company information has been prepared based on a simple arithmetic sum of the results of Fairmount Santrol and Unimin, and was not prepared in accordance with Regulation S-X of the SEC's rules for pro forma financial information, and you should therefore not place undue reliance on this information. Information regarding Unimin's results will be presented in the registration statement or Form S-4 in accordance with US GAAP and therefore may differ from the equivalent information presented herein.

Financial Forecasts

The information contained herein includes certain non-public financial forecasts, statements, estimates and projections (collectively, the "financial forecasts") with respect to, among other matters, anticipated future performance of Fairmount Santrol and Unimin and anticipated industry trends. These financial forecasts are inherently based on various estimates and assumptions that are subject to the judgment of those preparing them. These financial forecasts are also subject to significant economic, competitive, industry and other uncertainties and contingencies, all of which are difficult or impossible to predict and many of which are beyond the control of Fairmount Santrol and Unimin. There can be no assurance that these financial forecasts will be realized or that actual results will not be significantly higher or lower than forecasted. The financial forecasts cover multiple years and become subject to greater uncertainty with each successive year. In addition, the financial forecasts also reflect assumptions that are subject to change and do not reflect revised prospects for Fairmount Santrol's and Unimin's businesses, changes in general business or economic conditions or any other transaction or event that has occurred or that may occur and that was not anticipated at the time the financial forecasts were prepared. The financial forecasts were not prepared with a view toward public disclosure or toward complying with U.S. GAAP, the published guidelines of the SEC regarding projections and the use of non-GAAP measures or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. As a result, the inclusion of the financial forecasts in this document should not be relied on as necessarily predictive of actual future events or results. None of Unimin, Fairmount Santrol or their respective affiliates, advisors, officers, directors or other representatives can provide any assurance that actual results will not differ from the financial forecasts presented herein. None of Unimin, Fairmount Santrol or their respective affiliates, advisors, officers, directors or representatives has made or makes any representation regarding the combined company's ultimate performance compared to the information contained in the financial forecasts or that forecast results will be achieved.

FMSA Financial Update and Outlook

Fourth-quarter 2017 results

- Sequential proppant volumes -2%, driven by seasonal impacts on production and demand and process engineering changes
- I&R volumes -1% year-over-year but had strong profitability growth helped by shift to higher-margin products

First-quarter 2018 Outlook

- 5% decrease in sequential proppant volumes driven by weather and continued process engineering changes primarily impacting volumes at the beginning of quarter. Rail issues also impacting volumes by ~50k tons
- Raw sand proppant pricing up \$3-\$4 per ton on like-for-like basis. Total proppant cost per ton to be up by similar amount, driven mainly by seasonal factors
- I&R year-over-year volumes to be fairly flat, but with continued improvement in profitability

Full-Year 2018 Outlook

- Total capex estimated to be \$105-\$110 million, of which \$55 million is related to Kermit
- Interest expense of approximately \$15 million per quarter
- Effective tax rate estimated between 3-5%

Expected Increase in Proppant Demand for 2018

Increasing Number of Well Completions ⁽¹⁾

U.S. HORIZONTAL LAND RIG COUNT

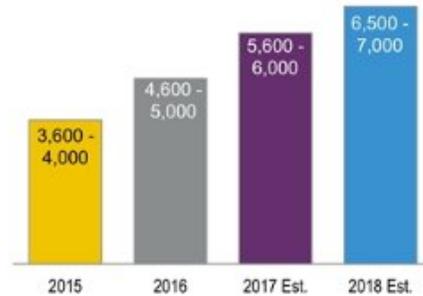

- Higher average rig count vs. 2017
- Increasing proportion of horizontal vs. vertical wells
- Higher proportion of wells drilled actually completed
- Ratio of completed wells vs. drilled wells expected to be over 1.00 vs. 0.86 in 2017

Higher Proppant Intensity Per Well ⁽²⁾

AVERAGE PROPPANT TONS PER U.S. HORIZONTAL WELL

- Modestly longer laterals
- More stages per well
- Higher proppant loading per lateral foot

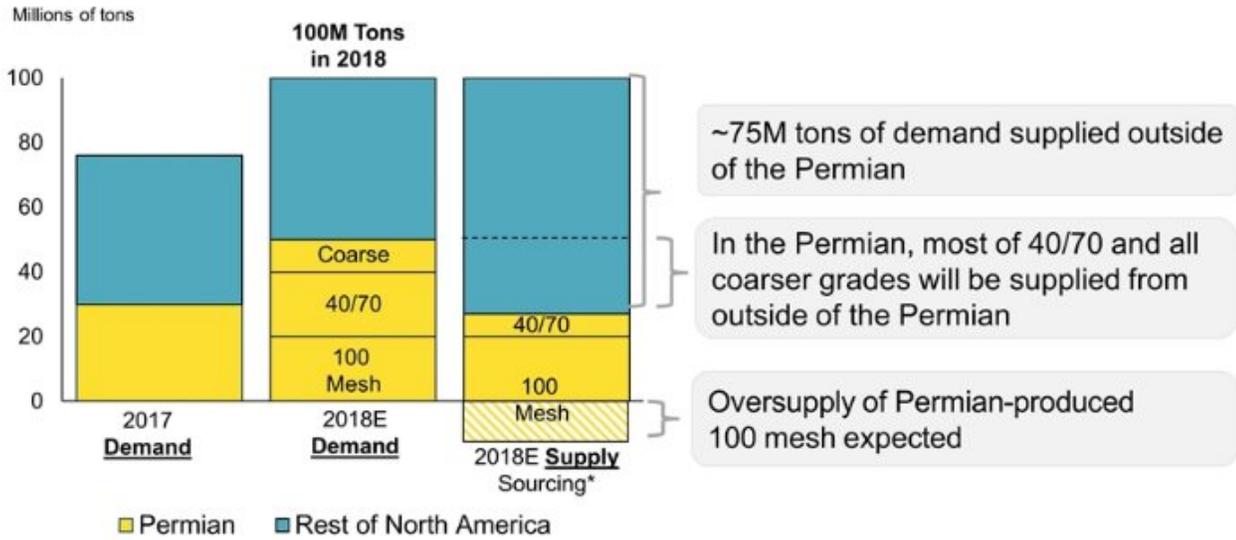

2018 Proppant demand forecasted to reach 100 million tons (vs. ~ 75 million tons in 2017)

1. Baker Hughes US horizontal land rig count
 2. FMSA estimates based on public E&P presentations and internal estimates + PacWest Consulting Partners

Proppant – Growing Demand Across All Basins

Expected 2018 demand to be supplied by both Northern White and Local/Regional sands

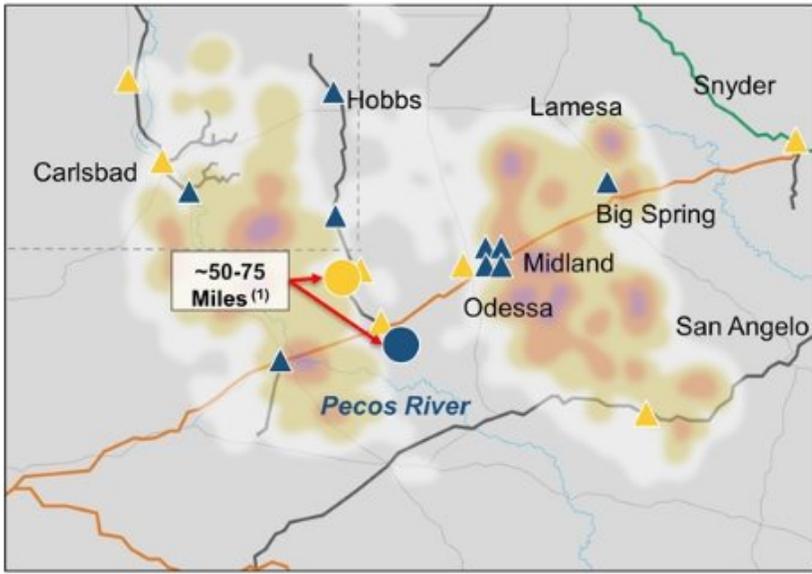

Key assumptions :

- 50M tons Permian demand
- 35M tons average Permian capacity in 2018 (~45M tons by end of 2018)
- 2018 Permian production = 80% 100 mesh, 20% 40/70
- 100% adoption of local Permian sands (conservative assumption)
