PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 23, 2003

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited on behalf of the Board of Directors of Netflix, Inc. for use at the annual meeting of stockholders to be held on May 23, 2003, at 10:00 a.m. local time, or at any adjournment of this meeting, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at the Los Gatos Cinemas, 41 No. Santa Cruz Avenue, Los Gatos, California 95030.

This Proxy Statement and accompanying proxy card were first mailed to stockholders on or about April 14, 2003.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Secretary of Netflix, at the address of Netflix's offices noted above, written notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to attend and vote in person at the meeting, you must obtain from the record holder a proxy issued in your name.

Voting and Solicitation

Only stockholders of record at the close of business on April 4, 2003, or the record date, will be entitled to notice of and to vote at the Annual Meeting. At the close of business on April 4, 2003, there were 22,977,621 shares of common stock outstanding and entitled to vote. Each holder of record of shares of common stock on that date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

Proxies properly executed, duly returned to Netflix and not revoked will be voted in accordance with the specifications made. Where no specifications are given, such proxies will be voted "FOR" all nominees and "FOR" all other proposals described in this Proxy Statement. It is not expected that any matters other than those referred to in this Proxy Statement will be brought before the Annual Meeting. If, however, any matter not described in this Proxy Statement is properly presented for action at the meeting, the persons named as proxies in the enclosed form of proxy will have discretionary authority to vote according to their own discretion.

The required quorum for the transaction of business at the Annual Meeting is a majority of the votes eligible to be cast by holders of shares of common stock issued and outstanding on the Record Date. Shares that are voted "FOR," "AGAINST," "WITHHELD" OR "ABSTAIN," or the Votes Cast, are treated as being present at the meeting for purposes of establishing a quorum. An abstention will have the same effect as a vote against a proposal. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but, such non-votes will not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which a broker has expressly not voted, except with respect

to Proposal Three, for which such broker non-votes will be treated as a vote "AGAINST" Proposal Three. Thus, a broker non-vote will not affect the outcome of the voting on a particular proposal other than Proposal Three.

The cost of soliciting proxies will be borne by Netflix. In addition to soliciting stockholders by mail and through its regular employees, Netflix will request that banks and brokers and other persons representing beneficial owners of the shares forward the proxy solicitation material to such beneficial owners and Netflix may reimburse these parties for their reasonable out-of-pocket costs. Netflix may use the services of its officers, directors and others to solicit proxies, personally or by telephone, facsimile or electronic mail, without additional compensation.

Stockholder Proposals

Proposals of stockholders that are intended to be presented at our 2004 Annual Meeting of Stockholders in the proxy materials for such meeting must comply with the requirements of SEC Rule 14a-8 and must be received by our Secretary no later than December 11, 2003, in order to be included in the Proxy Statement and proxy materials relating to our 2004 Annual Meeting. A stockholder proposal or a nomination for director that will not be included in our Proxy Statement and proxy, but that a stockholder intends to present in person at the meeting, must generally be submitted to our Secretary no earlier than January 25, 2004, and no later than February 24, 2004. We advise you to review our Bylaws, which contain this and other requirements with respect to advance notice of stockholder proposals and director nominations.

PROPOSAL ONE ELECTION OF DIRECTORS

Nominees

Two Class I directors are to be elected at the Annual Meeting of stockholders. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the two nominees named below, both of whom are presently directors of Netflix. If any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for the substitute nominee designated by the present Board to fill the vacancy. It is not expected that either nominee will be unable or will decline to serve as a director. The term of office of each person elected as a director at this meeting will continue until the Annual Meeting of stockholders held in 2006 or until the director's successor has been duly elected or appointed and qualified, or until his earlier resignation or removal.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board has selected KPMG LLP as our independent public accountants for the fiscal year ending December 31, 2003. We are submitting our selection of independent auditors for ratification by the stockholders at the Annual Meeting. KPMG has audited our financial statements since 1998. We expect that representatives of KPMG will be present at the Annual Meeting, will have an opportunity to make a statement if they wish and will be available to respond to appropriate questions.

Our Bylaws do not require that the stockholders ratify the selection of KPMG as our independent auditors. However, we are submitting the selection of KPMG to stockholders for ratification as a matter of good corporate practice. If stockholders do not ratify the selection, the Board of Directors and the Audit Committee will reconsider whether to retain KPMG. Even if the selection is ratified, the Board of Directors and the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such a change would be in the best interests of Netflix and our stockholders.

Audit and Other Professional Fees

During the fiscal year ended December 31, 2002, fees for services provided by KPMG LLP were as follows (and rounded to the nearest \$1,000):

Audit Fees

The aggregate fees billed to Netflix by KPMG for the audit of our annual financial statements for the year ended December 31, 2002 and for the review of the financial statements included in our quarterly reports on Form 10-Q for the same year totaled \$190,000.

Financial Information Systems Design and Implementation Fees

The aggregate fees billed by KPMG to provide advice to Netflix regarding financial information systems design and implementation during the year ended December 31, 2002 totaled \$0.00.

All Other Fees

The aggregate fees billed by KPMG for services rendered to Netflix during the last fiscal year, other than the services described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees," totaled \$877,000, which amount consisted of \$689,000 associated with the filing of our registration statement on Form S-1 and \$188,000 associated with tax compliance.

The Audit Committee has specifically approved non-audit services performed by KPMG and has determined that the rendering of such non-audit services were compatible with maintaining their independence.

Vote Required; Recommendation of the Board

The affirmative vote of the majority of the Votes Cast is required for approval of this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS VOTING “FOR” THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS NETFLIX’S INDEPENDENT AUDITORS FOR THE 2003 FISCAL YEAR.

**PROPOSAL THREE
AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO
REDUCE AUTHORIZED SHARES**

The Board has adopted an amendment to our certificate of incorporation to reduce the number of shares of capital stock we are authorized to issue from 160,000,000 (150,000,000 shares of common stock and 10,000,000 shares of preferred stock), par value \$0.001 to 90,000,000 (80,000,000 shares of common stock and 10,000,000 shares of preferred stock), par value \$0.001.

We are a Delaware corporation and are required to pay annual franchise tax to the State of Delaware. The state of Delaware permits companies to calculate the amount of franchise tax owing based on one of two formulas, whichever results in the least amount of tax. The first formula is based solely on the authorized shares outstanding. The second formula is based on a combination of authorized shares, shares outstanding and total assets of the company. The current maximum amount of franchise tax payable in Delaware is \$150,000.

Under our current certificate of incorporation, our tax due, under either calculation is \$150,000. If our certificate of incorporation had been amended on January 1, 2002 to reflect the authorized shares proposed under this proposal, we would have saved approximately \$60,000 in Delaware franchise taxes for the year ended December 31, 2002. We cannot assure you that this type of savings will be realized in the future, as the State of Delaware may change the methods for calculating franchise tax. Similarly, our assets or shares outstanding may change in such a manner as to reduce or eliminate this anticipated savings.

Vote Required; Recommendation of the Board

The affirmative vote of a majority of our outstanding shares of common stock is required for approval of this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS VOTING “FOR” THE AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO REDUCE THE AUTHORIZED SHARES.

The following table sets forth certain information known to us with respect to beneficial ownership of the common stock as of March 12, 2002 by (i) each stockholder that we know is the beneficial owner of more than 5% of the common stock, (ii) each director and nominee for director, (iii) each of the executive officers named in the Summary Compensation Table set forth under “Executive Compensation— Compensation of Executive Officers—Summary of Compensation” and (iv) all executive officers and directors as a group. Shares of our stock subject to options or warrants that are exercisable within 60 days of the March 12, 2003 are also deemed outstanding for purposes of calculating the percentage ownership of that person, and if applicable, the percentage ownership of executive officers and directors as a group, but are not treated as outstanding for the purpose of calculating the percentage ownership of any other person. Unless otherwise indicated, the address for each stockholder listed in the table below is c/o Netflix, Inc., 970 University Avenue, Los Gatos, CA 95032.

Grants of Stock Options

The following table sets forth information concerning grants of options to purchase the Company's common stock made during 2002 to the executive officers. The potential realizable value is calculated based on the term of the option, which is ten years, the initial public offering price of \$15.00 per share and assumed rates of stock appreciation of 5% and 10% compounded annually. These assumed rates of stock appreciation comply with the rules of the Securities and Exchange Commission and do not represent our estimate of future stock price. Actual gains, if any, on stock option exercises will be dependent on the future performance of our common stock.

Aggregate Option Exercises in 2002 and Values at December 31, 2002

The following table sets forth information concerning option exercises during 2002 and the exercisable and unexercisable options held as of December 31, 2002 by the executive officers. The "Value Realized" column is based on the closing sales price of a share of our common stock on December 31, 2002, or \$11.01, and "Value of Unexercised In-the-Money options at December 31, 2002" column is based on \$11.01, less the per share exercise price of the option multiplied by the number of shares issuable upon exercise of the option. All options are immediately exercisable upon grant but following any such exercise are subject to repurchase by us at cost in the event of the optionee's termination of employment for any reason (including death or disability), to the extent our right of repurchase has not lapsed. The number of shares exercisable that would remain subject to repurchase following an exercise (the unvested portion), are set forth in the footnotes to the following table:

Name	Shares Acquired on Exercise	Value Realized	Number of Securities Underlying Unexercised Options at December 31, 2002		Value of Unexercised In-the-Money Options at December 31, 2002

Securities authorized for issuance under equity compensation plans.

The following table summarizes our equity compensation plans as of December 31, 2002:

Equity Compensation Plan Information

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans or arrangements approved by security holders	9,717,562	\$ 3.22	1,446,560(1)(2)
Equity compensation plans or arrangements not approved by security holders	661,032	\$ 4.55	—
Total	10,378,594	\$ 3.30	1,446,560

- (1) This number of shares includes 535,587 shares of our common stock reserved under our 2002 Employee Stock Purchase Plan, as amended, for future issuance.
- (2) Our 2002 Stock Plan also provides for annual increases in the number of shares available for issuance under the 2002 Stock Plan on the first day of each fiscal year equal to the lesser of (i) 1,000,000 shares, (ii) 5% of the outstanding shares of our common stock on such date, or (iii) a lesser amount determined by our Board of Directors. In addition, our 2002 Employee Stock Purchase Plan provides for annual increases in the number of shares available for issuance under the plan on the first day of each fiscal year equal to the lesser of (i) 333,333 shares, (ii) 2% of the outstanding shares of our common stock on such date, or (iii) such other amount as determined by our board of directors.

Employment, Severance and Change-of-Control Arrangements

In a change in control transaction, if the options under our amended and restated 1997 Stock Plan are not assumed or substituted for, each outstanding option will fully vest and become immediately exercisable. In addition, if, within 12 months of a change in control, a holder of an option under our amended and restated 1997 Stock Plan is terminated involuntarily other than for cause, the vesting schedule for such holder's option will accelerate with respect to an amount of shares equal to the number of shares that would otherwise vest over the following 12 months.

In April 1999, our board of directors awarded W. Barry McCarthy, Jr. an option to purchase 110,000 shares of our common stock under a stock option agreement. One-quarter of the shares underlying Mr. McCarthy's option vested in April 2000 and 1/48th of the total shares vest each month thereafter. Pursuant to an offer letter from us to Mr. McCarthy, upon a change of control of Netflix, the vesting schedule will accelerate with respect to an amount of shares equal to the number of shares that would otherwise vest over the following 12 months or 50% of the unvested options, whichever is greater. All of the shares underlying this option will be fully vested on April 14, 2003, subject to Mr. McCarthy continuing to be our employee through that date.

In April 1999, our board of directors awarded Thomas R. Dillon an option to purchase 75,000 shares of our common stock under a stock option agreement. One-quarter of the shares underlying Mr. Dillon's option vested in March 2000 and 1/48th of the total shares vest each month thereafter. Pursuant to an offer letter from us to Mr. Dillon, if, upon a change of control of Netflix, Mr. Dillon is terminated, the vesting schedule will accelerate with respect to an amount of shares equal to the number of shares that would otherwise vest over the following 12 months. In the event that Mr. Dillon's employment is terminated by us other than for cause, Mr. Dillon will be entitled to severance of three months continued salary and benefits.

In March 2000, our board of directors awarded Leslie Kilgore an option to purchase 100,000 shares of our common stock under a stock option agreement. One-quarter of the shares underlying Ms. Kilgore's option were to vest in March 2001 and 1/48th of the total shares each month thereafter. In January 2001, Ms. Kilgore's options were repriced and the terms adjusted such that one-quarter of the shares underlying Ms. Kilgore's option vested in December 2000 and 1/48th of the total shares vest each month thereafter. Pursuant to an offer letter from us to Ms. Kilgore, if, upon a change of control of Netflix, Ms. Kilgore is involuntarily terminated or her role within the subsequent company is substantially and materially altered without her consent, the vesting schedule will accelerate with respect to an amount of shares equal to the number of shares that would otherwise vest over the following 12 months. All of the shares underlying Ms. Kilgore's option will be fully vested on December 20, 2004, subject to Ms. Kilgore continuing to be our employee through that date. In the event that Ms. Kilgore's employment is terminated by us other than for cause, Ms. Kilgore will be entitled to severance of three months continued salary and benefits.

Section 16(a) Beneficial Ownership Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities of the company. Officers, directors and greater than 10% stockholders are required by Securities and Exchange Commission regulation to furnish us with copies of all Forms 3, 4 and 5 they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2002, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with, except a late Form 4 filing by Richard Barton which was filed three days late.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board includes two non-employee directors. The Compensation Committee reviews and makes recommendations to the Board on salaries, bonuses and other benefits payable to our executive officers.

Compensation Philosophy. Our executive pay programs are designed to attract and retain executives who will contribute to our long-term success, to reward executives for achieving long-term strategic goals, to link executive and stockholder interests through equity-based compensation, and to provide a compensation package that recognizes individual contributions and our performance. A meaningful portion of each executive's total compensation is intended to be long-term and to relate to and be contingent upon our performance. Our compensation philosophy is to make cash compensation competitive with other companies of comparable size and stature in order to help motivate and retain executive officers and provide a strong incentive to achieve our specific goals. We believe that the use of stock options as a long-term incentive links the interests of the executive to that of the stockholders and motivates our executives to remain with us to a degree that is critical to our long-term success, while rewarding individuals for our performance, to the extent it is reflected in our stock price.

Components of Executive Compensation. The two key components of our executive compensation program in fiscal 2002 were base salary and long-term incentives, represented by our stock option program. Stock options are generally granted when an executive joins us and additional options may be granted from time-to-time thereafter. The options granted to each executive generally vest over a four-year period, although exceptions may be made when deemed necessary or appropriate. We intend to grant additional options to executive officers and other senior managers from time-to-time based on performance and potential. In addition to the stock option program, executives are eligible to participate in our 2002 Employee Stock Purchase Plan.

We did not award any performance bonuses to executive officers in 2002.

Other elements of executive compensation include participation in company-wide medical and dental benefits and the ability to defer compensation pursuant to a 401(k) plan.

Chief Executive Officer Compensation. The Compensation Committee used the philosophy described above in setting the annual compensation for the CEO, Reed Hastings. In considering Mr. Hastings' salary, we not only considered this philosophy, but also took into consideration his existing ownership of our common stock, his accomplishments in developing the business strategy for us, and his ability to attract and retain senior management. Taking all this into account, Mr. Hastings received an increase in annual base salary, effective July 1, 2002, to \$280,000. Prior to such increase, Mr. Hastings received an annual base salary of \$200,000.

Section 162(m) of the Internal Revenue Code. The Compensation Committee has considered the potential impact of Section 162(m) (the "Section") of the Internal Revenue Code adopted under the Federal Revenue Reconciliation Act of 1993. The Section disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for any of the executive officers, other than compensation that is "performance-based." The Compensation Committee concluded that the Section should not reduce the tax deductions available to Netflix and that no changes to our compensation program were needed in this regard. However, the Compensation Committee may from time to time approve compensation that is not deductible under this Section.

Ongoing Review. The Compensation Committee will be evaluating our compensation policies on an ongoing basis to determine whether they are appropriate to attract, retain and motivate key personnel. The Compensation Committee may determine accordingly that it is appropriate to increase salaries, award additional stock options or grants of restricted stock, or provide other short-term or long-term compensation to executives.
