All stockholders are cordially invited to attend the meeting in person. **PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 11, 2005**

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The attached proxy is solicited on behalf of the Board of Directors of Netflix, Inc., a Delaware corporation (the "Company") for use at the Annual Meeting of Stockholders to be held on May 11, 2005, at 10:00 a.m. local time (the "Annual Meeting"), or at any adjournment or postponement of this meeting, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the Fairmont Hotel, 170 South Market Street, San Jose, California 95113.

We intend to mail this Proxy Statement and accompanying proxy card to stockholders on or about April 5, 2005.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company's Secretary, at the address of the Company's executive offices noted above, written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, by itself, revoke a proxy. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to attend and vote in person at the Annual Meeting, you must obtain from the record holder a proxy issued in your name.

Voting and Solicitation

Only stockholders of record at the close of business on March 15, 2005, referred to as the Record Date, will be entitled to notice of and to vote at the Annual Meeting. At the close of business on March 15, 2005, there were 52,867,215 shares of common stock outstanding and entitled to vote. Each holder of record of shares of common stock on that date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

Proxies properly executed, duly returned to the Company and not revoked will be voted at the Annual Meeting in accordance with the specifications made. Where no specifications are given, such proxies will be voted "FOR" all nominees and "FOR" all other proposals described in this Proxy Statement. It is not expected that any matters other than those referred to in this Proxy Statement will be brought before the Annual Meeting. If, however, any matter not described in this Proxy Statement is properly presented for action at the Annual Meeting, the persons named as proxies in the enclosed form of proxy will have authority to vote according to their own discretion.

The required quorum for the transaction of business at the Annual Meeting is a majority of the votes eligible to be cast by holders of shares of common stock issued and outstanding on the Record Date. Shares that are voted "FOR," "AGAINST," "WITHHELD" or "ABSTAIN," referred to as the Votes Cast, are treated as being present at the Annual Meeting for purposes of establishing a quorum. An abstention will have the same effect as a vote

against a proposal. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but such non-votes will not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which a broker has expressly not voted. Thus, a broker non-vote will not affect the outcome of the voting on a particular proposal.

The cost of soliciting proxies will be borne by the Company. In addition to soliciting stockholders by mail and dissemination to its employees, the Company will request that banks and brokers and other persons representing beneficial owners of the shares forward the proxy solicitation material to such beneficial owners, and the Company may reimburse these parties for their reasonable out-of-pocket costs. The Company may use the services of its officers, directors and others to solicit proxies, personally or by telephone, facsimile or electronic mail, without additional compensation.

Stockholder Proposals

Proposals of stockholders that are intended to be presented at our 2006 Annual Meeting of Stockholders in the proxy materials for such meeting must comply with the requirements of SEC Rule 14a-8 and must be received by our Secretary no later than December 6, 2005 in order to be included in the Proxy Statement and proxy materials relating to our 2006 Annual Meeting of Stockholders. A stockholder proposal or a nomination for director that will not be included in our Proxy Statement and proxy, but that a stockholder intends to present in person at the meeting, must generally be submitted to our Secretary no earlier than January 11, 2006, and no later than February 10, 2006.

PROPOSAL ONE
ELECTION OF DIRECTORS

Nominees

It is not expected that nominees will be unable to serve as a director, and each has agreed to serve as a director of the Company if elected. The term of office of each person elected as a director at this meeting will continue until the Annual Meeting of stockholders held in 2008 or until the director's successor has been duly elected or appointed and qualified, or until his earlier resignation or removal.

Consideration of Director Nominees

Stockholder Nominees

Identifying and Evaluating Nominees for Directors

The Nominating and Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. Candidates may come to the attention of the Nominating and Governance Committee through current Board members, professional search firms, stockholders or other persons. Candidates may be considered at any point during the year. As described above, the Nominating and Governance Committee considers properly submitted stockholder nominations for candidates for the Board. Following verification of the stockholder status of persons proposing candidates, recommendations are aggregated and considered by the Nominating and Governance Committee. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to the Nominating and Governance Committee. The Nominating and Governance Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder. At the direction of the Nominating and Governance Committee, the Company has retained a professional search firm to assist in identifying and evaluating nominees for director on an ongoing basis.

PROPOSAL TWO
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM

The Board has selected KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2005. The Company is submitting its selection of KPMG LLP for ratification by the stockholders at the Annual Meeting. KPMG LLP has audited the Company's financial statements since 1998. The Company expects that representatives of KPMG LLP will be present at the Annual Meeting, will have an opportunity to make a statement if they wish and will be available to respond to appropriate questions.

The Company's Bylaws do not require that the stockholders ratify the selection of KPMG LLP as the Company's independent registered public accounting firm. However, the Company is submitting the selection of KPMG LLP to stockholders for ratification as a matter of good corporate practice. If stockholders do not ratify the selection, the Audit Committee will reconsider whether to retain KPMG LLP. Even if the selection is ratified, the Board and the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

Principal Accountant Fees and Services

During 2003 and 2004, fees for services provided by KPMG LLP were as follows (rounded to the nearest \$1,000):

Audit Fees

The aggregate fees billed to the Company by KPMG LLP for the audit of the Company's annual financial statements and for the review of the financial statements included in the Company's quarterly reports on Form 10-Q totaled \$377,000 and \$1,224,000 in 2003 and 2004, respectively.

Audit-Related Fees

The Company was not billed any fees for audit-related services in 2003 or 2004.

Tax Fees

The aggregate fees billed to the Company by KPMG LLP for tax compliance, tax advice and tax planning services totaled \$183,000 and \$221,000 in 2003 and 2004, respectively.

All Other Fees

There were no other fees billed by KPMG LLP for services rendered to the Company, other than the services described above, in 2003 and 2004.

The Audit Committee has determined that the rendering of non-audit services by KPMG LLP was compatible with maintaining their independence.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee pre-approves all audit and permissible non-audit services provided by the Company's independent registered public accounting firm. These services may include audit services, audit-related services, tax and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent

registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. During 2003 and 2004, all services provided by KPMG LLP were pre-approved by the Audit Committee in accordance with this policy.

Vote Required; Recommendation of the Board

The affirmative vote of the majority of the Votes Cast is required for approval of this proposal.

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2005.

Beginning in the third quarter of 2003, the Company began granting employees, including the executive officers, fully vested stock options on a monthly basis. The following table sets forth information concerning stock option grants to the executive officers during 2004. The potential realizable value is calculated based on the term of the options, which is ten years, and assumed rates of stock appreciation of 5% and 10% compounded annually. These assumed rates of stock appreciation comply with the rules of the Securities and Exchange Commission and do not represent the Company's estimate of future stock price. Actual gains, if any, on stock option exercises will be dependent on the future performance of the Company's common stock.

Aggregate Option Exercises in 2004 and Values at December 31, 2004

The following table sets forth information concerning option exercises during 2004 and the exercisable and unexercisable options held by the executive officers as of December 31, 2004. The “Value of Unexercised In-the-Money Options at December 31, 2004” column is based on \$12.33, the closing sales price of the Company’s common stock on December 31, 2004, less the per share exercise price of the options multiplied by the number of shares issuable upon exercise of the options. All options granted under the 1997 Stock Plan are immediately exercisable upon grant but following any such exercise are subject to repurchase by the Company at cost in the event of the optionee’s termination of employment for any reason (including death or disability), to the extent the Company’s right of repurchase has not lapsed. The number of shares exercisable that would remain subject to repurchase following an exercise (the unvested portion) is set forth in the footnotes to the following table.

Employment, Severance and Change-of-Control Arrangements

In addition, if within 12 months of a change of control a holder of an option under the Company's amended and restated 1997 Stock Plan is terminated involuntarily other than for cause, the vesting schedule for such holder's option will accelerate with respect to an amount of shares equal to the number of shares that would otherwise vest over the following 12 months.

In the event that Mr. Dillon's employment is terminated by the Company other than for cause, Mr. Dillon will be entitled to severance of three months continued salary and benefits.

Code of Ethics

The Company has adopted a Code of Ethics for its directors, officers and other employees. A copy of the Code of Ethics is available on the Company's Web site at <http://ir.netflix.com>.

Section 16(a) Beneficial Ownership Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of the Company's common stock and other equity securities of the Company. Officers, directors and greater than 10% stockholders are required by the Securities and Exchange Commission regulation to furnish the Company with copies of all Forms 3, 4 and 5 they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during 2004, all of the Section 16(a) filing requirements applicable to the Company's officers, directors and greater than 10% stockholders were followed in 2004 except:

- reports on Form 4 relating to stock option grants received in February 2004 by the following officers were filed late: Thomas R. Dillon, Reed Hastings, Leslie J. Kilgore, and Barry McCarthy; and
- a report on Form 4 relating to the sale by Mr. Dillon of shares under a 10b5-1 trading plan in October 2004 was filed late.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board includes two non-employee directors. The Compensation Committee reviews and recommends to the Board compensation for the Company's executive officers.

Compensation Philosophy. The Company's executive pay programs are designed to attract and retain key executive talent that maximize stockholder value over time. The Company strongly believes that executive officers should have sufficient equity or equity-linked compensation so as to align the interests of executive officers with those of the Company's stockholders.

Components of Executive Compensation. The two key components of the Company's executive compensation program in 2004 were base salary and stock options. The Company considers the value of both base salary and stock options in determining total compensation for executive officers. In determining executive compensation, the Company considers a number of factors, including overall company performance, individual performance and comparative compensation data.

The Company utilizes a monthly option grant program as part of the compensation package for all executive officers. Under the option grant program, executive officers receive, on a monthly basis, fully vested options granted at fair market value. The Company's executive officers receive a significant portion of overall compensation in the form of these stock options. The Company believes that such monthly option granting aligns executive compensation with the Company's long-term business strategies and links such compensation with stockholder return.

In addition to the stock option program, executives are eligible to participate in the Company's 2002 Employee Stock Purchase Plan. Other elements of executive compensation include participation in company-wide medical and dental benefits and the ability to defer compensation pursuant to a 401(k) plan. The Company did not award any performance bonuses to executive officers in 2004.

Chief Executive Officer Compensation. The Compensation Committee used the philosophy and components described above in setting the annual compensation for the CEO, Reed Hastings. In considering Mr. Hastings' salary, the Compensation Committee not only considered these items, but also took into consideration his existing ownership of the Company's common stock, his accomplishments in developing the business strategy for the Company, and his ability to attract and retain senior management.

Section 162(m) of the Internal Revenue Code. The Compensation Committee has considered the potential impact of Section 162(m) (the "Section") of the Internal Revenue Code adopted under the Federal Revenue Reconciliation Act of 1993. The Section disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for any of the executive officers, other than compensation that is "performance-based." The Compensation Committee concluded that the Section should not reduce the tax deductions available to the Company and that no changes to the Company's compensation program were needed in this regard. However, the Compensation Committee may from time to time approve compensation that is not deductible under this Section.

Ongoing Review. The Compensation Committee will be evaluating the Company's compensation policies on an ongoing basis to determine whether they are appropriate to attract, retain and motivate key personnel. The Compensation Committee may determine accordingly that it is appropriate to increase salaries, award additional stock options or grants of restricted stock, adjust the methods of granting long-term incentives or provide other short-term or long-term compensation to the executive officers.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee engages and supervises the Company's independent registered public accounting firm and oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the preparation of financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Company's annual report on Form 10-K for the year ended December 31, 2004 with management, including a discussion of the quality of the accounting principles, the reasonableness of significant judgments made by management and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with KPMG LLP, the Company's independent registered public accounting firm, who are responsible for expressing an opinion on the conformity of the Company's audited financial statement with accounting principles generally accepted in the United States of America, their judgments as to the quality of the Company's accounting principles and the other matters required to be discussed with the Audit Committee under the auditing standards generally accepted in the United States of America, including the matters required by the Codification of Statements on Auditing Standards No. 61. In addition, the Audit Committee has discussed with KPMG LLP their independence from management and the Company, including the written disclosure and the letter regarding its independence as required by Independence Standards Board Standard No. 1, *Independence Discussions with the Audit Committees*.

The Audit Committee also reviewed the fees paid to KPMG LLP during the year ended December 31, 2004 for audit and non-audit services, which fees are described under the heading "Proposal Two: Ratification of Independent Registered Public Accounting Firm" above. The Audit Committee has determined that the rendering of any non-audit services by KPMG LLP was compatible with maintaining their independence.

The Audit Committee discussed with KPMG LLP the overall scope and plans for their audit. The Audit Committee meets with KPMG LLP, with and without management present, to discuss the results of their examinations, their evaluations or the Company's internal controls, and the overall quality of the Company's financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission. The Audit Committee and the Board have also recommended, subject to stockholder ratification, the selection of KPMG LLP to audit the Company's financial statements for the year ending December 31, 2005.
