**PROXY STATEMENT**

**2018 ANNUAL MEETING OF SHAREHOLDERS**

**May 8, 2018**

**Introduction**

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of IntelGenx Technologies Corp. (the “**Company**”) for use at the Company’s Annual Meeting of Shareholders to be held on Tuesday, May 8, 2018, and at any adjournment thereof (the “**Meeting**”). Further, solicitation of proxies may be made personally, by post or by telephone by regularly employed officers and other employees of the Company, who will receive no additional compensation for such.

Only shareholders of record (each a “**Shareholder**” and collectively, the “**Shareholders**”) at the close of business on March 12, 2018 (the “**Record Date**”) are entitled to vote at the Meeting. As of the Record Date, there were issued and outstanding • shares of the Company’s common stock (the “**Common Stock**”). Each outstanding share of Common Stock is entitled to one vote on all matters properly coming before the Meeting. All properly executed, unrevoked proxies on the enclosed form of proxy that are received in time will be voted in accordance with the Shareholder’s directions and, unless contrary directions are given, will be voted for the proposals (each a “**Proposal**” and collectively the “**Proposals**”) described herein. Anyone giving a proxy may revoke it at any time before it is exercised by giving the board of directors of the Company written notice of the revocation, by submitting a proxy bearing a later date or by attending the Meeting and voting in person.

The presence in person or by properly executed proxy of holders representing a majority of the issued and outstanding shares of the Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Meeting. Assuming a quorum is present at the Meeting, approval of proposal 1, 2 and 3 presented herein require the vote of a majority of the shares of Common Stock present or represented by proxy and voting at the Meeting. Approval of proposal 4 requires the affirmative vote by a majority of votes cast by all Stockholders at the Meeting, excluding votes attached to Common Stock beneficially owned by insiders of the Company to whom awards may be granted pursuant to the Plan and their associates in accordance with the policies of the TSX Venture Exchange. Approval of proposal 5 requires the affirmative vote of a majority of the outstanding voting power entitled to vote at the meeting. Votes cast by proxy or in person at the Meeting will be tabulated by our transfer agent, Philadelphia Stock Transfer, Inc., who will act as inspector of elections and who will determine whether or not a quorum is present. Shares of Common Stock represented by proxies that are marked “abstain” will be included in the determination of the number of shares present and voting for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are not counted as voted either for or against Proposals 1 and 2, but are considered a vote against Proposals 3, 4 and 5.

**The Board of Directors of the Company (the “Board”) has adopted and approved each of the Proposals set forth herein and recommends that the Company’s Shareholders vote “FOR” each of the Proposals.**

Copies of the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (the “**2017 Fiscal Year**”) including the audited financial statements set forth therein, which are incorporated by reference into this Proxy Statement and made a part hereof, are being mailed or sent electronically concurrently herewith to all Shareholders of record at the close of business on March 12, 2018.

This Proxy Statement, the accompanying Notice of Meeting and the form of proxy have been first mailed to the Shareholders on or about •.

**The date of this Proxy Statement is •**

## QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

### 1. WHAT IS A PROXY?

It is your legal designation of another person to vote the stock that you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. Dr. Horst G. Zerbe, our President and Chief Executive Officer, has been designated as a proxy for the 2018 Annual Meeting of Shareholders.

### 2. WHAT IS THE RECORD DATE AND WHAT DOES IT MEAN?

The record date for the 2018 Annual Meeting of Shareholders is March 12, 2018. The record date is established by the Company as required by Delaware law and our By-laws. Shareholders of record (registered shareholders and street name holders) at the close of business on the record date are entitled to:

- (a) receive notice of the meeting; and
- (b) vote at the meeting and any adjournments or postponements of the meeting.

### 3. WHAT IS THE DIFFERENCE BETWEEN A REGISTERED SHAREHOLDER AND A SHAREHOLDER WHO HOLDS STOCK IN STREET NAME?

If your shares of stock are registered in your name on the books and records of our transfer agent, you are a registered shareholder.

If your shares of stock are held for you in the name of your broker or bank, your shares are held in street name. The answer to Question 12 describes brokers' discretionary voting authority and when your bank or broker is permitted to vote your shares of stock without instructions from you.

### 4. WHAT ARE THE DIFFERENT METHODS THAT I CAN USE TO VOTE MY SHARES OF COMMON STOCK?

- (a) Vote By Internet

All shareholders of record can vote by Internet as instructed on the proxy card.

- (b) In Writing:

All shareholders of record can vote by mailing in their completed proxy card (in the case of registered shareholders) or their completed vote instruction form (in the case of street name holders).

- (c) In Person:

All shareholders may vote in person at the meeting (unless they are street name holders without a legal proxy).

### 5. HOW CAN I REVOKE A PROXY?

You can revoke a proxy prior to the completion of voting at the meeting by:

- (a) giving written notice to our Corporate Secretary;
- (b) delivering a later-dated proxy; or
- (c) voting in person at the meeting.

### 6. WHAT ARE THE VOTING CHOICES WHEN VOTING ON DIRECTOR NOMINEES, AND WHAT VOTE IS NEEDED TO ELECT DIRECTORS?

When voting on the election of director nominees to serve until the 2019 Annual Meeting of Shareholders, shareholders may:

- (a) vote in favor of a specific nominee; or
- (b) withhold vote as to a specific nominee.

Directors will be elected by a plurality of the votes cast. Our Board recommends a vote “FOR” all of the nominees.

7. WHAT ARE THE VOTING CHOICES WHEN VOTING ON THE RATIFICATION OF THE SELECTION OF RICHTER LLP, AND WHAT VOTE IS NEEDED TO RATIFY ITS SELECTION?

When voting on the ratification of the selection of Richter LLP as our independent registered public accounting firm, shareholders may:

- (a) vote in favor of the ratification;
- (b) vote against the ratification; or
- (c) abstain from voting on the ratification.

The selection of the independent registered public accounting firm will be ratified if the votes cast “FOR” are a majority of the votes present at the meeting. The Board recommends a vote “FOR” this proposal.

8. WHAT ARE THE VOTING CHOICES WHEN VOTING ON ADVISORY, NON-BINDING COMPENSATION FOR OUR EXECUTIVE OFFICERS, AND WHAT VOTE IS NEEDED TO APPROVE THE COMPENSATION SCHEME?

- (a) vote in favor;
- (b) vote against; or
- (c) abstain from voting.

The compensation for our named executive officers will be approved, on an advisory, non-binding basis, if a majority of the voting power of the voting shares present at the meeting votes “ **FOR** ” the proposal. A properly executed proxy card marked “ **ABSTAIN** ” with respect to this proposal will have the same effect as voting “ **AGAINST** ” this proposal. The Board recommends a vote “FOR” this proposal.

9. WHAT ARE THE VOTING CHOICES WHEN VOTING ON THE PERFORMANCE AND RESTRICTED SHARE UNIT PLAN (THE “PLAN”), AND WHAT VOTE IS NEEDED TO APPROVE THE PLAN?

- (a) vote in favor;
- (b) vote against; or
- (c) abstain from voting.

The Plan will be approved if a majority of the votes cast by disinterested shareholders present at the meeting votes “ **FOR** ” the proposal. The “ **Approval by the Disinterested Shareholders** ” means approval by a majority of votes cast by all Stockholders at the Meeting, excluding votes attached to Common Stock beneficially owned by insiders of the Company to whom awards may be granted pursuant to the Plan and their associates in accordance with the policies of the TSX Venture Exchange. A properly executed proxy card marked “ **ABSTAIN** ” with respect to this proposal will have the same effect as voting “ **AGAINST** ” this proposal. The Board recommends a vote “FOR” this proposal.

10. WHAT ARE THE VOTING CHOICES WHEN VOTING ON THE CONSOLIDATION OF OUR COMMON STOCK (THE “CONSOLIDATION”), AND WHAT VOTE IS NEEDED TO APPROVE THE CONSOLIDATION?

- (a) vote in favor;
- (b) vote against; or
- (c) abstain from voting.

The Consolidation will be approved if a majority of the outstanding voting power entitled to vote at the Meeting votes “FOR” the proposal. A properly executed proxy card marked “ABSTAIN” with respect to this proposal will have the same effect as voting “AGAINST” this proposal. The Board strongly recommends a vote “FOR” this proposal.

11. WHAT IF A SHAREHOLDER DOES NOT SPECIFY A CHOICE FOR A MATTER WHEN RETURNING A PROXY?

Shareholders should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, proxies which are signed and returned or submitted by e-mail will be voted FOR the election of all director nominees, FOR the proposal to ratify the selection of Richter LLP, FOR the compensation of executive officers and FOR the Plan.

12. WHO IS ENTITLED TO VOTE?

You may vote if you owned stock as of the close of business on March 12, 2018. Each share of our Common Stock is entitled to one (1) vote.

13. WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

It means that your shares are registered differently or that you have multiple accounts with brokers or our transfer agent. Please vote all of these shares. We recommend that you contact your broker or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent for the Proxy Service is Philadelphia Stock Transfer, Inc. 2320 Haverford Rd., Suite 230, Ardmore, PA 19003, Tel. 484-416-3124.

14. WILL MY SHARES BE VOTED IF I DO NOT PROVIDE MY PROXY?

If your shares are registered in your name, they will not be voted unless you submit your proxy card, or vote in person at the meeting. If your shares are held in street name, your bank, brokerage firm or other nominee, under some circumstances, may vote your shares.

Brokerage firms, banks and other nominees may vote customers' un-voted shares on “routine” matters. Generally, a broker may not vote a customer's un-voted shares on non-routine matters without instructions from the customer and must instead submit a “broker non-vote.” A broker non-vote is counted toward the shares needed for a quorum, but it is not counted in determining whether a matter has been approved. At the meeting, the election of directors, the advisory vote on executive compensation and the amendment to the Company’s Certificate of Incorporation are non-routine matters and the verification of the auditors is a routine matter.

15. ARE ABSTENTIONS AND BROKER NON-VOTES COUNTED?

Broker non-votes will not be included in vote totals and will not affect the outcome of the vote for directors. In matters other than the elections of directors, abstentions and broker non-votes have the effect of votes against a proposal in tabulations of the votes cast on proposals presented to shareholders.

16. HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

To hold the meeting and conduct business, one-third of our outstanding voting shares as of March 12, 2018 must be present or represented by proxy at the meeting. On this date, a total of • shares of our Common Stock were outstanding and entitled to vote. Shares representing one-third must be present. This is called a quorum.

Votes are counted as present at the meeting if the shareholder either:

- (a) Is present and votes in person at the meeting; or
- (b) Has properly voted by Internet or submitted a proxy card.

17. WHERE CAN I FIND THE VOTING RESULTS OF THE ANNUAL MEETING?

We will announce preliminary voting results at the annual meeting and publish final results on a current report filed on Form 8-K within four business days of the end of the meeting.

18. UNDER WHAT CIRCUMSTANCES WOULD THE ANNUAL MEETING BE ADJOURNED?

The annual meeting may be adjourned in the absence of a quorum for the purpose of obtaining a quorum.

Any adjournment may be made without notice, other than by an announcement made at the annual meeting, by the affirmative vote of a majority of the voting shares present in person or by properly executed proxy at the annual meeting.

19. WHO CAN HELP ANSWER YOUR QUESTIONS

### **CORPORATE GOVERNANCE**

#### **Board Leadership Structure**

The Company's Board is responsible for overseeing the business and affairs of the Company. Members of the Board are kept informed of our business through discussions with the Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in regular quarterly and special meetings of the Board and its committees.

The Charter of the Board is posted on our website at <http://www.intelgenx.com>.

The Board is currently comprised of Dr. Horst G. Zerbe, who serves as our Chairman and five directors, three of which are independent. Dr. Zerbe is also our President and Chief Executive Officer. We believe, because of the size of our Company, that the Company, like many U.S. companies, is currently best served by having one person serve as both Chief Executive Officer and Chairman of the Board. The Board believes that through this leadership structure, Dr. Zerbe is able to draw on his intimate knowledge of the daily operations of the Company and its relationships with partners, customers and employees to provide the Board with leadership in setting its agenda and properly focusing its discussions. As the individual with primary responsibility for managing our day-to-day operations, Dr. Zerbe is also best-positioned to chair regular Board meetings and ensure that key business issues are brought to the Board's attention. The combined role as Chairman and Chief Executive Officer also ensures that the Company presents its message and strategy to shareholders, partners, customers, employees and other stakeholders with a unified, single voice.

In 2014 the Board created the position of Vice Chairman, who serves as the independent Lead Director. The role of Lead Director is to facilitate the functioning of the Board, to help ensure that appropriate processes are followed, to assist in fostering and seeking input of independent directors, and to ensure independent director participation in all Board decisions.

The Lead Director ensures that the Board's relationship with management functions effectively and furthers the best interest of the Company, including working with the committees appointed by the Board to ensure they have the proper structure and appropriate assignments. The Lead Director also regularly communicates with the Chairman and Chief Executive Officer so that he is aware of any concern of the independent directors and any concerns communicated by our shareholders. The role and responsibilities of the Lead Director are in addition to and distinct from the role of the chair of each of the committees of the Board.

The mandate of the Vice Chair (Lead Director) is posted on our website at <http://www.intelgenx.com>.

### **Independence of Members of the Board of Directors**

The Board has determined that three of our directors, J. Bernard Boudreau, Bernd Melchers, and John Marinucci are independent within the meaning of the director independence standards of both The Nasdaq Stock Market, LLC ("NASDAQ") and the Securities and Exchange Commission ("SEC"), including Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended.

### **Meetings of the Board of Directors**

The Company's Board held four regular meetings and various Special Meetings during our 2017 Fiscal Year. All our directors attended at least 75% of the board meetings and of the committee meetings on which they served, except for Mr. Troup who was unable to attend 50% of the regular scheduled meetings for medical reasons, but attended the Q1 and Q3 scheduled meetings as well as special board meetings.

The Company encourages the members of the board to attend the Annual General Meeting to be available to answer shareholder's questions. All but one of our directors attended the last Annual Meeting in May 2017.

### **Compensation of the Board of Directors**

Directors are reimbursed for their out-of-pocket expenses incurred in attending meetings of the Board of Directors. As described below in "Director Compensation", during our 2017 Fiscal Year, our Directors of the Board (except for the CEO) received an annual stipend of \$36,000, the Vice-Chairman of the Board received an additional annual stipend of \$14,500, and each chairman of a Board Committee received \$7,500. Director fees are paid in quarterly installments at the beginning of each quarter.

In November 2016, the Board resolved to compensate non-employee directors for their efforts on special or ad hoc committees or for board approved initiatives that fall outside the scope of customary director's duties. A daily (per 8 hours) per diem rate of \$754 (CA\$ 1,000) was established. The Audit Committee Chair needs to approve per diem charges submitted by directors. During fiscal year 2017, a total amount of \$1,156 (CA\$1,500) was submitted and paid under the new policy.

Deferred Share Unit Plan. Effective February 7, 2018, the Board approved a Deferred Share Unit Plan ("DSU Plan") to compensate non-employee directors as part of their annual remuneration. Under the DSU Plan, the Board may grant Deferred Share Units ("DSUs") to the participating directors at its discretion and, in addition, each participating director may elect to receive all or a portion of his or her annual cash stipend in the form of DSUs. To the extent DSUs are granted, the amount of compensation that is deferred is converted into a number of DSUs, as determined by the market price of our common shares on the effective date of the election. These DSUs are converted back into a cash amount at the expiration of the deferral period based on the market price of our Common Stock on the expiration date and paid to the director in cash in accordance with the payout terms of the DSU Plan. As the DSUs are on a cash-only basis and no shares of Common Stock will be reserved or issued in connection with the DSUs, no approval was required from the security authorities or shareholders. No DSUs have been granted under the DSU Plan as of the date of this filing.

Prior to the adoption of the DSU Plan, the non-employee directors received an annual grant of 50,000 stock options. In connection with the adoption of the DSU Plan, the annual grants were terminated effective January 1, 2018.

We have adopted, along with our Audit Committee, a written charter of the Audit Committee setting out the mandate and responsibilities of the Audit Committee which provides that the Audit Committee convene no less than four times per year.

The Audit Committee Charter is posted on our website at <http://www.intelgenx.com>.

Accordingly, the Audit Committee discusses with Richter LLP, our auditors, our audited financial statements, including, among other things, the quality of our accounting principles, the methodologies and accounting principles applied to significant transactions, the underlying processes and estimates used by our management in our financial statements and the basis for the auditor's conclusions regarding the reasonableness of those estimates, in addition to the auditor's independence.

**Corporate Governance and Nomination Committee (CG&N)** . Our Corporate Governance and Nomination Committee is comprised of members of our Board and currently consists of the Chairman of the CG&N Committee, J. Bernard Boudreau, Horst G. Zerbe, Clemens Mayr and Mark Nawacki. The CG&N Committee was implemented in August 2015 and held two meeting in 2017.

The CG&N Committee is responsible for performing the duties set out in his Charter to enable the Board to discharge its responsibilities and obligations with respect to identifying and recommending candidates for election to the Board and all committees of the Board. Furthermore, the CG&N Committee is responsible for developing an effective corporate governance system for IntelGenx Technologies Corp., and for reviewing and assessing on an ongoing basis our corporate governance and public disclosure.

In considering a potential candidate, the CG&N Committee considers both the qualities and skills that the Board, considered in its entirety, currently possesses and that the Board should possess. Based on the skills and experiences already represented on the Board, the CG&N Committee will consider the experience, personal attributes and qualities that a candidate should possess in light of the anticipated growth and development of the Company. The CG&N Committee recognizes the benefits of promoting diversity at the Board level. Diverse perspectives linked in common purpose contribute to innovation and growth of the Company. In considering candidates and selecting nominees for the Board, diversity, including gender diversity, is an important factor considered by the CG&N Committee. In assessing a candidate's suitability, the CG&N Committee also takes into consideration the existing commitments of the individual to ensure that each member has sufficient time to discharge such member's duties.

Notwithstanding the fact that the CG&N Committee is charged with the responsibility of identifying potential new Board members, all members of the Board are eligible to put forth candidates for the CGNC Committee to consider. Additionally, the Board may engage recruiting firms to assist with identifying qualified candidates. Once candidates have been approved by the CG&N Committee and their interest level gauged, the entire Board discusses, both formally and informally, the suitability of a particular candidate.

Stockholders may recommend individuals to our Board for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials to our principal office, 6420 Abrams, Ville St. Laurent, Quebec H4S 1Y2, Attn: Corporate Secretary. Assuming that appropriate biographical and background material has been provided on a timely basis, our Board will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. If our Board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy card for the next annual meeting.

We have adopted, along with our GC&N Committee, a written charter of the GC&N Committee setting out the mandate and responsibilities of the GC&N Committee which provides that the Committee convene as frequently as it determines necessary but not less frequently than twice each year.

The committee had met on several occasions to create an Interim CEO Replacement Plan. The Board adopted the plan in November of 2016, which provides directions for the temporary succession of the CEO in the event of his planned or potentially unplanned departure or leave of absence. The decision on a CEO successor will be made at some appropriate future date by the full Board

### **Board's Role in Risk Oversight**

Our management has responsibility for managing day-to-day risk and for bringing the most material risks facing the Company to the Board's attention. The Board takes an active role in risk oversight related to the Company both as a full Board and through its committees. To facilitate the Board's risk oversight responsibility, management provides the Board with information about its identification, assessment and management of critical risks and its risk mitigation strategies. This information is communicated to the Board and its committees at regular and special meetings, through reports, presentations and discussions with key management personnel and representatives of outside advisors, such as our independent auditors, as appropriate. During regular Audit Committee meetings, committee members discuss the financial results for the most recent fiscal quarter with the independent auditors, Chief Financial Officer and Chief Executive Officer. The Audit Committee also meets with and provides instruction to the independent auditors outside the presence of management. These discussions allow the members of the Audit Committee to analyze any significant risks that could materially impact the financial health of our business.

The Compensation Committee oversees the company's executive compensation arrangements, including the identification and management of risks that may arise from the Company's compensation policies and practices.

### **Executive Compensation**

The key objectives of the Company's executive compensation policies are to attract and retain key executives who are important to the long-term success of the Company and to provide incentives for these executives to achieve high levels of job performance and enhancement of shareholder value. The Company seeks to achieve these objectives by paying its executives a competitive level of base compensation for companies of similar size and industry and by providing its executives an opportunity for further reward for outstanding performance in both the short term and the long term.

Executive Officer Compensation. The Company's executive officer compensation program is comprised of three elements: base salary, annual cash bonus and long-term incentive compensation in the form of stock option grants.

Salary. The Compensation Committee and the Board will review base salaries for the Company's executive officers, taking into account individual experience, job responsibility and individual performance during the prior year. These factors are not assigned a specific weight in establishing individual base salaries. The Compensation Committee will also consider the Company's executive officers' salaries relative to salary information for executives in similar industries and similarly sized companies.

Cash Bonuses. The purpose of the cash bonus component of the compensation program is to provide a direct financial incentive in the form of cash bonuses to executives. The cash bonus is paid on the base of individual and corporate performance.

**Stock Options.** Stock options are the primary vehicle for rewarding long-term achievement of Company goals. The objectives of the program are to align employee and shareholder long-term interests by creating a strong and direct link between compensation and increases in share value. Under the Company's Stock Option Plan, the Board or the Compensation Committee may authorize the grant of options to purchase common stock of the Company to key employees of the Company. The options generally vest in increments over a period of two years established at the time of grant.

**Share Ownership Policy.** In August 2017 the Board adopted a Share Ownership Policy (the "Ownership Policy") to align the interests of senior executives and non-executive directors of the Company with the interests of the Company's shareholders and to mitigate excessive risk taking by requiring participants in the Ownership Policy to attain and maintain a stated level of share ownership in the Company. Each participant is required to acquire and maintain ownership of shares of Common Stock equal to a specified multiple of his or her base salary or annual cash stipend, which ranges from 0.5 to 3 times base salary or annual cash stipend. Each participant must retain 25% of all net shares (post-tax) that vest until achieving his or her minimum share ownership requirement. Participants are expected to fulfill their full ownership requirements under the Ownership Policy within five years of becoming subject to it. If a participant receives an increase in his or her base salary or annual retainer, leading to an increase in the ownership requirement, the Participant will have five years from the date of such increase to achieve the incremental share ownership requirement. As the Ownership Policy was recently adopted, the only participant to have achieved the ownership requirement is Dr. Zerbe.

Effective April 1, 2015, our Directors of the Board (except for the CEO) received an annual stipend of CA\$36,000, the Vice-Chairman of the Board received an additional stipend of CA\$14,500 and each Chairman of a Board committee received additional CA\$7,500. Director fees are paid in quarterly installments at the beginning of each quarter. Effective January 2017, the previous currency of Canadian Dollar for Director's compensation changed to U.S. Dollar. The amounts remained the same.

In November 2016, the Board resolved to compensate non-employee directors for their efforts on special or ad hoc committees or for board approved initiatives that fall outside the scope of customary director's duties. A daily (per 8 hours) per diem rate of \$770 (CA\$ 1,000) was established. The Audit Committee Chair needs to approve per diem charges submitted by directors. During fiscal year 2017, \$1,156 were submitted and paid under the new policy.

Furthermore, effective January 2015, the non-employee Directors of the Board received 50,000 options to purchase Common Stock to be granted annually to each non-employee director at the beginning of the fiscal year. Effective January 1, 2018, the annual grant of options to non-employee directors was eliminated.

Effective February 7, 2018, the Board approved a Deferred Share Unit Plan (DSU Plan) to compensate non-employee directors as part of their annual remuneration. Under the DSU Plan, the Board may grant Deferred Share Units ("DSUs") to the participating directors at its discretion and, in addition, each participating director may elect to receive all or a portion of his or her annual cash stipend in the form of DSUs. To the extent DSUs are granted, the amount of compensation that is deferred is converted into a number of DSUs, as determined by the market price of our Common Stock on the effective date of the election. These DSUs are converted back into a cash amount at the expiration of the deferral period based on the market price of our Common Stock on the expiration date and paid to the director in cash in accordance with the payout terms of the DSU Plan. As the DSUs are on a cash-only basis and no shares of Common Stock will be reserved or issued in connection with the DSUs, no approval was required from the security authorities or shareholders. No DSUs have been granted under the DSU Plan as of the date of this filing.

At December 31, 2017 Mr. Boudreau, Mr. Melchers, Mr. Marinucci, Mr. Mayr and Mr. Nawacki held 210,000, 175,000, 150,000, 175,000 and 106,250 vested options to purchase Common Stock respectively.

#### 2016 Stock Option Plan

The 2016 Stock Option Plan was adopted by the Board in order to make the terms of the Company's stock option plan more consistent with the requirements of the TSX Venture Exchange and to remove certain provisions which would have enabled the Company to grant incentive stock options in compliance with Section 422 of the Internal Revenue Code. The 2016 Stock Option Plan permits the granting of options to officers, employees, directors and eligible consultants of the Company. A total of 6,361,525 shares of Common Stock were reserved for issuance under this plan, which includes stock options granted under the previous 2006 Stock Option Plan. Options may be granted under the 2016 Stock Option Plan on terms and at prices as determined by the Board except that the options cannot be granted at less than the market closing price of the Common Stock on the TSX Venture Exchange on the date prior to the grant. Each option will be exercisable after the period or periods specified in the option agreement, but no option may be exercised after the expiration of 10 years from the date of grant. The 2016 Stock Option Plan provides the Board with more flexibility when setting the vesting schedule for options which was otherwise fixed in the 2006 Stock Option Plan.

#### ADVISORY VOTE ON EXECUTIVE COMPENSATION

#### General

Section 14A of the United States Securities Exchange Act of 1934, as amended, requires that the Company include in this Proxy Statement for the Meeting a non-binding, advisory stockholder vote to approve the compensation of the Company's executive officer's as described in the above under “ *Directors and Executive Officer's* ” and “ *Executive Compensation* ” set forth in the Proxy Statement.

This proposal, commonly known as a “say-on-pay” proposal, is a non-binding vote, but gives stockholders the opportunity to express their views on the compensation of the Company's named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers. The next advisory vote shall occur next year.

Accordingly, the following resolution is submitted for stockholder vote at the Meeting: RESOLVED, that the stockholders of IntelGenx Technologies Corp. approve, on an advisory basis, the compensation of its named executive officers as disclosed in the Proxy Statement for the Annual Meeting held May 8, 2018, pursuant to Item 402 of Regulation S-K for smaller reporting companies is hereby approved.

As an advisory vote, this proposal is not binding on the Board. However, the Compensation Committee, which is responsible for designing and administering the Company's executive compensation program, values the opinions expressed by stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

### PROPOSAL 4

#### VOTE ON THE PERFORMANCE AND RESTRICTED SHARE UNIT PLAN

##### General

At the Annual Meeting, shareholders will be asked to consider and vote upon a proposal to approve the IntelGenx Technologies Corp. Performance and Restricted Share Unit Plan (the “RSU Plan”). The Board of Directors approved the RSU Plan on [•], 2018.

The purpose of this RSU Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified Directors, Employees and Consultants of the Company and its Subsidiaries, to reward such of those Directors, Employees and Consultants (each a “Participant”) as may be granted Awards under this RSU Plan by the Board from time to time for their contributions toward the long term goals and success of the Company and to enable and encourage such Directors, Employees and Consultants to acquire shares of Common Stock as long term investments and proprietary interests in the Company.

##### Summary of the RSU Plan

The following is a summary of important provisions of the RSU Plan. It is not a comprehensive discussion of all of the terms and conditions of the RSU Plan. Readers are advised to review the full text of the RSU Plan to fully understand all terms and conditions of the RSU Plan. A copy of the RSU Plan is attached hereto as Appendix \_\_\_\_.

*Eligibility* . All Employees, Consultants and Directors are eligible to participate in the RSU Plan, subject to restrictions in connection with the termination of employment, engagement or term in office . Eligibility to participate does not confer upon any Employee, Consultant or Director any right to receive any grant of an Award pursuant to the RSU Plan. The extent to which any Employee, Consultant or Director is entitled to receive a grant of an Award pursuant to the RSU Plan will be determined in the sole and absolute discretion of the Board.

##### *Types of Award* .

Restricted Share Units . If, and for so long as (i) the Company is a Tier 1 issuer on the TSX Venture Exchange, (ii) shares of the Company’s capital stock are listed on the Toronto Stock Exchange, or (iii) the prior approval of the of the stock exchange on which the Common Stock is listed for trading is obtained, the board of directors is authorized to grant Restricted Share Units (“RSUs”) to participants subject to the terms and conditions of the RSU Plan and the requirements of the stock exchange which the Common Stock is listed for trading. The number of RSUs to be credited to each participant’s account shall be computed by dividing (a) the Award value, by (b) the Market Price of a Share on the day immediately preceding the grant date, with fractions rounded down to the nearest whole number. A Restricted Share Unit Award will be subject to a Restricted Share Unit Award agreement containing such terms and conditions, not inconsistent with the provisions of the RSU Plan, as the board of directors determines and which the stock exchange which the shares of Common Stock are listed for trading allows.

The Board shall have the authority to condition the grant of RSUs upon the attainment of specified performance goals, or such other factors (which may vary as between awards of RSUs) as the Board may determine in its sole discretion. The Board shall have the authority to determine at the time of grant, in its sole discretion, the duration of the vesting period and other vesting terms applicable to the grant of RSUs, provided that no RSU granted shall vest and be payable after December 31 of the third calendar year following the year of service for which the RSU was granted.

*Administration* . The RSU Plan is administered by the board of directors. Under the RSU Plan, the board of directors can, at any time, appoint a committee to, among other things, interpret, administer and implement the RSU Plan on behalf of the board of directors in accordance with such terms and conditions as the board of directors may prescribe, consistent with the RSU Plan (provided that if at any such time such a committee has not been appointed by the board of directors, the RSU Plan will be administered by the board of directors). The day-to-day administration of the RSU Plan may be delegated to such officers and employees of the Company or of a Subsidiary as the Board determines.

*Common Stock Issuable Under the RSU Plan* . The number of shares of Common Stock reserved for issuance and which will be available for issuance pursuant to Awards granted under the RSU Plan will be equal to a number that: (a) shall not exceed 1,000,000 (one million) shares if, and for so long as the Company is listed on the TSX Venture Exchange, (b) if, and for so long as the Company is listed on the TSX Venture Exchange or (b) 2.5% of the issued and outstanding Common Stock of the Company, if the Company is listed on the Toronto Stock Exchange.

The Board may only grant awards to bona fide employees or consultants or directors of the Company or a subsidiary of the Company. The Board may, in its sole discretion, grant the majority of the Awards to insiders of the Company. The number of shares of Common Stock that may be purchased under any Award or the amount of any Award that shall be granted in any form that may result in the issuance of Common Stock will be determined and fixed by the Board at the date of grant, provided that:

- (a) if the Common Stock is listed on the TSX Venture Exchange: (i) no more than 5% of the issued and outstanding Common Stock may be granted to any one individual in any 12 month period (unless the Company has obtained disinterested approval for such grant); (ii) no more than 2% of the issued and outstanding Common Stock may be granted to any one consultant in any 12 month period; and (iii) no more than an aggregate of 2% of the issued and outstanding Common Stock may be granted to all participants conducting Investor Relations Activities (as defined in the RSU Plan) in any 12 month period; or
- (b) if the Common Stock is listed on the Toronto Stock Exchange: (i) the number of shares reserved for issuance to any one participant pursuant to the RSU Plan shall not, in aggregate, exceed 5% of the total number of issued and outstanding shares of Common Stock; and (ii) the number of shares, issuable, at any time, to Participants that are Insiders; and issued to Participants that are Insiders within any one year period;
- (c) pursuant to this RSU Plan, or when combined with all of Company's other security based share compensation arrangements shall not, in aggregate, exceed 10% of the total number of issued and outstanding shares of Common Stock.

*Assignability* . Awards granted under the RSU Plan are non-transferable and non-assignable to anyone, except that, if, and for so long as the Common Stock is listed on the Toronto Stock Exchange, a Participant may transfer Awards to Permitted Assigns in a manner consistent with applicable tax and securities laws. Awards granted under the RSU Plan may only be exercised by the Participant, or in the event of the death of the Participant, the Participant's legal representative.

*Termination of Employment or Services* . In the event the Participant's employment, term of office or engagement ends for any reason, other than the death of the Participant or the termination of the Participant for cause, then unless otherwise determined by the board of directors and set forth in an Award agreement, any Awards held by the Participant that are not yet vested at the date of termination of the Participant's employment, service or engagement are immediately forfeited to the Company on such date.

In the event of the termination of the Participant as a director, officer, employee or consultant for cause, all Awards held by such Participant will be immediately forfeited to the Company.

In the event of the death or disability of a Participant (A) a portion of the next instalment of any Awards due to vest (or for which the restricted period is due to lapse) shall immediately vest (or cease to be restricted) such portion to equal to the number of Awards next due to vest (or cease to be restricted) multiplied by a fraction the numerator of which is the number of days elapsed since the date of vesting (or lapse of restricted period) of the last instalment of the Awards (or if none have vested or have ceased to be restricted, the date of grant) to the date of disability or death and the denominator of which is the number of days between the date of vesting (or lapse of restricted period) of the last instalment of the Awards (or if none have vested or have ceased to be restricted, the date of grant) and the date of vesting (or lapse of restricted period) of the next instalment of the Awards; (B) unless otherwise determined by the board of directors and set forth in an Award agreement and subject to subsection (C), any Awards held by the Participant that are not yet vested (or for which the restricted period has not lapsed) at the date of disability or death are immediately forfeited to the Company on the date of disability or death; and (C) such Participant's eligibility to receive further grants of Awards under the RSU Plan ceases as of the date of disability or death.

Where a director's term of office terminates for any reason other than death or disability of the director or a breach by the director of his or her fiduciary duty to the Company (as determined by the Board in its sole discretion), the Board may, in its sole discretion, at any time prior to or following the termination date, provide for the vesting (or lapse of restrictions) of any or all Awards held by a director on the termination date.

*Change in Control*. The Board shall have the right to determine that any unvested or unearned awards outstanding immediately prior to the occurrence of a Change in Control (as defined in the RSU Plan) shall become fully vested or earned or free of restriction upon the occurrence of such Change in Control. The Board may also determine that any vested or earned awards shall be cashed out at the Market Price as of the date such Change in Control or provide for the conversion or exchange of any award into or for rights or other securities in any entity participating in or resulting from the Change in Control.

*Amending the RSU Plan*. Subject to terms of the RSU Plan and any applicable requirements of the stock exchange which the Common Stock is listed for trading, the Board may, without notice or shareholder approval, at any time or from time to time, amend the RSU Plan for the purposes of:

1. making any amendments to the general vesting provisions or restricted period of each Award;
2. making any amendments to the provisions governing the termination of employment or services;
3. making any amendments to add covenants of the Company for the protection of Participants, as the case may be, provided that the Board shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
4. making any amendments not inconsistent with the RSU Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, having in mind the best interests of the Participants and directors, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Board shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants; or
5. making such changes or corrections which, on the advice of counsel to the Company, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Board shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

Notwithstanding the foregoing, both the approval of the stock exchange which the Common Stock is listed for trading and the approval of shareholders is required for amendments (A) which would increase the number of shares issuable under the RSU Plan, except as otherwise provided pursuant to the provisions in the RSU Plan, and (B) which would increase the number of shares issuable to insiders of the Company, except as otherwise provided pursuant to the provisions in the RSU Plan.

Subject to the terms of the RSU Plan with respect to a change in control of the Company, the board of directors shall not materially adversely alter or impair any rights or increase any obligations with respect to an Award previously granted under the RSU Plan without the consent of the Participant, as the case may be.

*Other Material Information* . Should the Company effect a subdivision or consolidation of the Common Stock or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Company that does not constitute a change in control and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the board of directors will, subject to the prior approval of the of the stock exchange on which the Common Stock is listed for trading, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Company and occurring by exchange of shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust: (a) the number of shares that may be acquired on the vesting of outstanding Awards and/or (b) the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Board will, subject to the prior approval of the of the stock exchange on which the Common Stock is listed for trading, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

Where the Board determines that the steps provided in the two immediately preceding paragraphs would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Board may permit the immediate vesting of any unvested Awards and immediate lapse of any restricted period.

The Board may, in its discretion, at any time prior to or following the termination of employment or services of a Participant, permit the acceleration of vesting (or restricted period) of any or all Awards, all in the manner and on the terms as may be authorized by the Board.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" PROPOSAL #4.**

### **PROPOSAL 5**

#### **VOTE ON THE CONSOLIDATION OF THE COMPANY'S COMMON STOCK FOR THE PRIMARY PURPOSE OF AN UPLISTING**

##### **General**

The Board has determined that it is in the best interest of the shareholders to amend our Certificate of Incorporation substantially in the form set forth in Appendix A to this Proxy Statement (the "Certificate of Amendment") to authorize the Board to effect a consolidation of our issued and outstanding shares of Common Stock (the "Consolidation") at a ratio of between one-for-three and one-for-eight, inclusive, which ratio will be selected at the sole discretion of our Board at any number in the above range, with any fractional shares that would otherwise be issuable as a result of the Consolidation being rounded up to the nearest whole share.

A vote " **FOR** " the Consolidation will constitute approval of the Certificate of Amendment providing for the combination of between three and eight shares of common stock, inclusive, as determined in the sole discretion of our Board, into one (1) share of Common Stock. If our shareholders approve this proposal, our Board will have the authority, but not the obligation, in its sole discretion and without further action on the part of our shareholders, to select the Consolidation ratio in the above range and implement the Consolidation by filing the Certificate of Amendment with the Secretary of State of the State of Delaware at any time after the stockholder approval of the Certificate of Amendment and before the first anniversary of the date of the stockholder approval. The Board reserves the right to abandon the Consolidation at any time prior to filing the Certificate of Amendment if it determines, in its sole discretion, that this proposal is no longer in the best interests of the Company and its shareholders. Except for any changes as a result of the treatment of fractional shares, each shareholder will hold the same percentage of Common Stock outstanding immediately following the Consolidation as such shareholder held immediately prior to the Consolidation.

## **Purpose of the Consolidation**

The Board believes that the Consolidation may be desirable for a number of reasons. First, the Board believes that the Consolidation may better enable us to list our Common Stock on a national exchange. Second, the Board believes that the Consolidation could improve the marketability and liquidity of our Common Stock while we continue to progress towards achieving our business objectives.

The Board's primary objective in seeking authority to effect the Consolidation is to increase the per-share trading price of our Common Stock. The Board believes that the low market price of our Common Stock impairs our marketability and acceptance by institutional investors and other members of the investing public and creates a negative impression of the Company. The Board believes that decreasing the number of shares of Common Stock outstanding should not, by itself, affect the marketability of the shares, the type of investor who would be interested in acquiring them or our reputation in the financial community. Many investors and market makers consider low-priced stocks as unduly speculative in nature and, as a matter of policy, avoid investment and trading in such stocks. The presence of these negative perceptions may adversely affect not only the pricing of the Common Stock but also the trading liquidity. In addition, these perceptions may affect our commercial business and our ability to raise additional capital through equity and debt financings. The Board will determine whether to effect the Consolidation and, if so, pursuant to which ratio, based upon a number of market and business factors deemed relevant by the Board at that time, including, but not limited to:

- Historical trading price and volumes of our Common Stock
- Existing marketability and liquidity of our Common Stock and the expected impact of a share consolidation on the trading market, including the anticipated post-split market price, for our Common Stock;
- Potential business and strategic alternatives, if any, that are available to us at that time; and
- Stock market and economic conditions.

## **Board Discretion to Implement Consolidation**

The Consolidation will be effected, if at all, only upon a determination by the Board that the Consolidation (with an exchange ratio determined by the Board as described above) is in the best interests of the Company and its shareholders. Notwithstanding approval of the Consolidation by the shareholders, the Board may, in its sole discretion, abandon the proposed amendment and determine not to effect the Consolidation prior to the first anniversary of the date such action is approved by the shareholders. If the Board fails to implement the Consolidation prior to the first anniversary of the date such action is approved by the shareholders, shareholder approval again would be required prior to implementing the Consolidation thereafter.

## **Certain Risk Factors Associated with the Consolidation**

*There can be no assurance that the total market capitalization of our Common Stock (the aggregate value of all our Common Stock outstanding at the then trading price) after the proposed Consolidation will be equal to or greater than the total market capitalization before the proposed Consolidation or that the per share trading price of our Common Stock following the Consolidation will either equal or exceed the per share trading price prior to the Consolidation multiplied by the Consolidation ratio.*

There can be no assurance that the trading price per post-Consolidation share of the Company's Common Stock will remain unchanged or increase in proportion to the reduction in the number of pre-Consolidation shares of the Company's Common Stock outstanding before the Consolidation. For example, based on the trading price of the Company's common stock on [March 2], 2018 of \$[.80] per share, if the Board of Directors decided to implement the Consolidation and selects a Consolidation ratio of one-for-three there can be no assurance that the post-Consolidation trading price of our common stock would be \$[2.40] per share or greater.

Accordingly, the total market capitalization of our Common Stock after the proposed Consolidation may be lower than the total market capitalization before the proposed Consolidation and, in the future, the trading price of our Common Stock following the Consolidation may not exceed or remain higher than the trading price multiplied by the Consolidation ratio.

*If the Consolidation is effected, the resulting per-share stock price of our Common Stock may not attract institutional investors or investment funds and may not satisfy the investing guidelines of such investors and, consequently, the trading liquidity of our Common Stock may not improve.*

While the Board of Directors believes that a higher stock price may help generate investor interest, there can be no assurance that the Consolidation will result in a per-share price that will attract institutional investors or investment funds or that such share price will satisfy the investing guidelines of institutional investors or investment funds. As a result, the trading liquidity in our Common Stock may not necessarily improve.

A decline in the trading price of our common stock after the Consolidation may result in a greater percentage decline than would occur in the absence of a Consolidation, and the liquidity of our Common Stock could be adversely affected following such a Consolidation.

If the Consolidation is effected and the trading price of our Common Stock declines, the percentage decline may be greater than would occur in the absence of a Consolidation. The trading price of our Common Stock will, however, also be based on our performance and other factors, which are unrelated to the number of shares outstanding. Furthermore, the liquidity of our Common Stock could be adversely affected by the reduced number of shares that would be outstanding after the Consolidation.

## **Principal Effects of a Consolidation**

### *Common Stock*

Our Common Stock is currently registered under Section 12(g) of the Securities Exchange Act of 1934 (the “Exchange Act”), as amended, and we are subject to the periodic reporting and other requirements of the Exchange Act. We do not expect the Consolidation to affect the registration of our Common Stock under the Exchange Act.

After the effective date of the Consolidation, each shareholder will own fewer shares of our Common Stock. However, the Consolidation will generally affect all of our shareholders uniformly and will not affect any shareholder’s percentage ownership interests in us, except to the extent that the Consolidation results in any of our shareholders receiving a whole share in lieu of a fractional share as described below. Proportionate voting rights and other rights and preferences of the holders of our Common Stock will not be effected by a Consolidation other than as a result of the rounding up to issue a whole share in lieu of issuing fractional shares. Further, the number of shareholders of record will not be effected by a Consolidation.

The Consolidation may decrease the number of shareholders who hold less than a “round lot,” or 100 shares. The transaction costs to shareholders selling “odd lots” are typically higher on a per share basis. Consequently, the Consolidation could increase the transaction costs to existing shareholders in the event they wish to sell all or a portion of their position.

The Consolidation would not change the number of authorized shares of our common stock as designated by our Certificate of Incorporation, as amended. Therefore, because the number of issued and outstanding shares of Common Stock would decrease, the number of shares remaining available for issuance under our authorized pool of Common Stock would increase from [•] to [•] (as of [•], 2018, assuming a 1:3 consolidation ratio) or [•] (as of [•], 2018, assuming a 1:8 consolidation ratio), proportionately to the ratio of the Consolidation.

These additional shares of Common Stock would be available for issuance from time to time for corporate purposes such as raising additional capital, acquisitions of companies or assets and sales of stock or securities convertible into or exercisable for Common Stock. We believe that the availability of the additional shares will provide us with the flexibility to raise the necessary capital to meet business needs as they arise and to take advantage of favorable opportunities. If we issue additional shares for any of these purposes, the ownership interest of our current shareholders would be diluted.

These proposals have been prompted solely by the business considerations discussed in the preceding paragraphs. Nevertheless, the additional shares of our Common Stock that would become available for issuance following the Consolidation could also be used by our management to oppose a hostile takeover attempt or delay or prevent changes in control or changes in or removal of management, including transactions that are favored by a majority of our shareholders or in which our shareholders might otherwise receive a premium for their shares over then-current trading prices or benefit in some other manner. For example, without further shareholder approval, our Board could sell shares of Common Stock in a private transaction to purchasers who would oppose a takeover or favor the current Board of Directors. Our Board of Directors is not aware of any pending takeover or other transactions that would result in a change in control, and the proposal was not adopted to thwart any such efforts.

The following table depicts the prospective effects of the Consolidation, as of the record date, on the number of shares of our Common Stock outstanding, the number of shares of our Common Stock reserved for future issuance and the number of authorized but unissued and unreserved shares of our Common Stock that would be available for issuance after the Consolidation. As discussed above, the number of shares of our Common Stock authorized for issuance under our Certificate of Incorporation, as amended, would remain unaffected by the Consolidation.

Prior to the Consolidation	[ ]	[ ]	[ ]
Pro-forma at 1:3 Consolidation ratio	[ ]	[ ]	[ ]
Pro-forma at 1:8 Consolidation ratio	[ ]	[ ]	[ ]

(1) Represents the total number of shares of Common Stock that are outstanding, but without giving effect to any rounding to whole shares in lieu of fractional shares.

(2) Represents the total number of shares of our Common Stock reserved for issuance pursuant to equity incentive plans assuming passage of Proposal 1 and options issued outside plans. Does not include securities issuable upon conversion of convertible securities described below.

(3) Represents the total number of shares of authorized Common Stock that will be neither outstanding nor reserved for issuance, but without giving effect to any rounding to whole shares in lieu of fractional shares.

#### *Convertible Debt*

As of December 31, 2017, we have \$[•] outstanding under our 8% convertible unsecured subordinated debentures due June 30, 2020. Immediately following the Consolidation, the convertible debentures will be subject to adjustment pursuant to which the shares of Common Stock to be issued upon full conversion will be combined and reduced into a smaller number of shares (within the shareholder-approved range referred to above) and the conversion price under each note will be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the company) outstanding immediately before the Consolidation and of which the denominator shall be the number of shares of Common Stock outstanding immediately after the Consolidation.

#### *Warrants*

As of December 31, 2017, we have outstanding warrants for the purchase of an aggregate of up to 4,070,902 shares of our Common Stock. Immediately following the Consolidation, such warrants will be exercisable to purchase approximately an aggregate between [x/3] and [x/8] shares of our Common Stock. Any new warrants that are issued prior to the Consolidation will be subject to customary adjustments regarding the number of shares and the exercise price for any exercise.

#### *Options*

As of December 31, 2017 we currently have outstanding options to purchase an aggregate of 2,989,818 shares of our Common Stock. Immediately following the Consolidation, such options will be exercisable to purchase approximately an aggregate of between [ ] and [ ] shares of our Common Stock. The number of shares reserved for issuance under our existing equity incentive plans would be reduced proportionally based on the ratio of the Consolidation. Any new options that are issued prior to the Consolidation will be subject to customary adjustments regarding the number of shares and the exercise price for any exercise.

## **Treatment of Fractional Shares**

Our shareholders will not receive fractional post-Consolidation shares in connection with the Consolidation. Instead, any fractional shares that would otherwise be issuable as a result of the Consolidation will be rounded up to the nearest whole share.

## **Procedure for Effecting Consolidation; Effective Date**

If the shareholders approve the proposal to authorize the Consolidation and the Board decides to implement the Consolidation at any time before the first anniversary date of this Meeting, we will promptly file a certificate of amendment with the Secretary of State of the State of Delaware to amend the existing Certificate of Incorporation. The Consolidation will become effective on the date of filing the Certificate of Amendment, which is referred to as the “effective date.” Beginning on the effective date, each certificate representing pre-Consolidation shares will be deemed for all corporate purposes to evidence ownership of post-Consolidation shares. The text of the Certificate of Amendment is set forth in Appendix A to this proxy statement. The text of the Certificate of Amendment is subject to modification to include such changes as may be required by the office of the Secretary of State of the State of Delaware and as the Board deems necessary and advisable to effect the Consolidation, including the applicable ratio for the Consolidation

## **No Going-Private Transaction**

Notwithstanding the decrease in the number of outstanding shares of Common Stock following the proposed Consolidation, our Board does not intend for the Consolidation to be the first step in a “going-private transaction” within the meaning of Rule 13e-3 of the Securities Exchange Act of 1934, as amended. In fact, since all fractional shares of Common Stock resulting from the Consolidation will be rounded up to the nearest whole share, there will be no reduction in the number of shareholders of record that could provide the basis for a going-private transaction.

## **Exchange of Stock Certificates**

As of the effective date of the Consolidation, each certificate representing shares of Common Stock before the Consolidation would be deemed, for all corporate purposes, to evidence ownership of the reduced number of shares of Common Stock resulting from the Consolidation, except that holders of unexchanged shares would not be entitled to receive any dividends or other distributions payable by the Company after the effective date until they surrender their old stock certificates for exchange. All shares, underlying options and warrants and other securities would also be automatically adjusted on the effective date.

The Company’s transfer agent, [Philadelphia Stock Transfer, Inc.], would act as the exchange agent for purposes of implementing the exchange of stock certificates. As soon as practicable after the effective date, shareholders and holders of securities convertible into Common Stock would be notified of the effectiveness of the Consolidation. Shareholders of record would receive a letter of transmittal requesting them to surrender their stock certificates for stock certificates reflecting the adjusted number of shares as a result of the Consolidation. Persons who hold their shares in brokerage accounts or “street name” would not be required to take any further actions to effect the exchange of their certificates. No new certificates would be issued to a shareholder until such shareholder has surrendered the outstanding certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent. Until surrender, each certificate representing shares before the Consolidation would continue to be valid and would represent the adjusted number of shares based on the exchange ratio of the Consolidation, rounded up to the nearest whole share. **Shareholders should not destroy any stock certificate and should not submit any certificates until they receive a letter of transmittal.**

## **Accounting Matters**

The Consolidation will not affect the par value of a share of our Common Stock. As a result, as of the effective time of the Consolidation, the stated capital attributable to Common Stock on our balance sheet will be reduced proportionately based on the Consolidation ratio (including a retroactive adjustment for prior periods), and the additional paid-in capital account will be credited with the amount by which the stated capital is reduced. Reported per share net income or loss will be higher because there will be fewer shares of Common Stock outstanding.

### **No Appraisal Rights**

Under the Delaware General Corporation Law, shareholders are not entitled to dissenters' or appraisal rights with respect to the Consolidation, and we will not independently provide shareholders with any such rights.

### **Material United States Federal Income Tax Considerations**

**Any discussion of tax matters set forth in this proxy statement was not intended or written to be used, and cannot be used by you, for the purpose of avoiding tax-related penalties under federal, state or local tax law. Shareholders should seek advice based on their particular circumstances from an independent tax advisor.**

The following is a summary of material United States federal income tax consequences of the Consolidation to shareholders. Except where noted, this summary deals only with our Common Stock that is held as a capital asset for United States federal income tax purposes.

This summary is based upon provisions of the Internal Revenue Code of 1986, as amended (the "Code"), and Treasury regulations, rulings and judicial decisions as of the date hereof. Those authorities may be changed, perhaps retroactively, so as to result in United States federal income tax consequences different from those summarized below.

This summary does not address non-United States, state, local or other tax considerations that may be relevant to shareholders in light of their particular circumstances. In addition, it does not represent a detailed description of the United States federal income tax consequences applicable to you if you are subject to special treatment under the United States federal income tax laws (including if you are a dealer in securities or currencies; a financial institution; a regulated investment company; a real estate investment trust; an insurance company; a tax-exempt organization; a person holding shares as part of a hedging, integrated or conversion transaction, a constructive sale or a straddle; a trader in securities that has elected the mark-to-market method of accounting for your securities; a person liable for alternative minimum tax; a person who owns or is deemed to own 10% or more of our voting stock; a person who acquired our Common Stock pursuant to the exercise of compensatory stock options or the vesting of restricted shares of Common Stock; a partnership or other pass-through entity for United States federal income tax purposes; a person whose "functional currency" is not the United States dollar; a United States expatriate; a "controlled foreign corporation"; or a "passive foreign investment company").

We cannot assure you that a change in law will not significantly alter the tax considerations that we describe in this summary. No ruling from the Internal Revenue Service or opinion of counsel will be obtained regarding the federal income tax consequences to shareholders as a result of the Consolidation.

If a partnership (or other entity treated as a partnership for United States federal income tax purposes) holds our Common Stock, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. If you are a partner of a partnership holding our Common Stock, you should consult your tax advisors.

We believe that the Consolidation, if implemented, would be a tax-free recapitalization under the Code. If the Consolidation qualifies as a recapitalization under the Code, then, generally, for United States federal income tax purposes, no gain or loss will be recognized by the Company in connection with the Consolidation, and no gain or loss will be recognized by shareholders upon the exchange of stock in the Consolidation. The post-split Common Stock in the hands of a shareholder following the Consolidation will have an aggregate basis equal to the aggregate basis of the pre-split Common Stock, as applicable, held by that shareholder immediately prior to the Consolidation. Similarly, a shareholder's holding period for the post-split Common Stock will be the same as the holding period for the pre-split Common Stock exchanged therefor.

Alternative characterizations of the Consolidation are possible. For example, while the Consolidation, if implemented, would generally be treated as a tax-free recapitalization under the Code, shareholders whose fractional shares resulting from the Consolidation are rounded up to the nearest whole share may recognize gain for United States federal income tax purposes equal to the value of the additional fractional share. Shareholders should consult their own tax advisors regarding alternative characterizations and tax consequences of the Consolidation for United States federal income tax purposes.

### **Required Vote of Shareholders**

Approval of the Consolidation requires an affirmative vote by the holders of a majority of our Common Stock outstanding and entitled to vote at the Annual Meeting. Abstentions will have the same effect as votes against the proposal. Your broker or nominee has discretionary authority to vote your shares with respect to "routine" proposals but not with respect to "non-routine" proposals. We believe that the Consolidation is a non-routine matter and so a broker non-vote will have the same effect as votes against the proposal.

If the required votes for this proposal are obtained, then our Board will have the authority to select the Consolidation ratio in the stated range and authorize the filing of the Certificate of Amendment in substantially the form attached to this Proxy Statement as Appendix A at any time after the shareholder approval of the Consolidation and before the first anniversary of the date of the shareholder approval. Our Board reserves the right to abandon the proposed Consolidation at any time prior to the effectiveness of the filing of the Certificate of Amendment with the Delaware Secretary of State, notwithstanding approval of the proposed Consolidation by our shareholders.

### **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" PROPOSAL #5.**

### **GENERAL AND OTHER MATTERS**

Management knows of no matters other than the matters described above that will be presented to the Meeting. However, if any other matters properly come before the Meeting, or any of its postponements or adjournments, the person or persons voting the proxies will vote them in accordance with his or their best judgment on such matters.

### **SOLICITATION OF PROXIES**

The Company is making the solicitation of proxies and will bear the costs associated therewith. Solicitations will be made by mail or electronically.
