Principal recommends shareholders reject fifth round of mini-tender offer by Baker Mills LLC

(Des Moines, Iowa) - Principal Financial Group[®] (Nasdaq: PFG) announced today that it has received notice of an unsolicited mini-tender offer by Baker Mills LLC (“Baker Mills”) to purchase up to 90,000 shares of Principal Financial Group, Inc. common stock (“PFG”) from Principal[®] shareholders. The offer represents approximately 0.03 percent of Principal’s shares of common stock outstanding as of the October 8, 2018 offer date. Baker Mills’ offer price of \$47.00 per share is approximately 23 percent lower than the \$60.65 closing price of PFG common stock on Nasdaq on October 8, 2018. This offer follows four similar offers by Baker Mills this year to purchase from certain PFG holders up to 50,000; 60,000; 125,000; and 110,000, respectively, PFG shares. These previous offers resulted in the purchase by Baker Mills a total of 222,566 PFG shares.

As with the prior offers by Baker Mills, Principal does not endorse Baker Mills’ unsolicited mini-tender offer and recommends that shareholders do not tender their shares in response to Baker Mills’ offer because the offer is, as was the case with the previous offers, at a price that is significantly below the current market value of PFG. Here, the October 8, 2018 closing common stock price of PFG was \$60.65 per share.

Principal is not associated in any way with Baker Mills, its mini-tender offer, or its mini-tender offer documents. Baker Mills is organized in Delaware, and has a principal business address in Australia. As noted in the offer documents for this mini-tender, Baker Mills is not generally subject to the information filing requirements of the Securities Exchange Act and is not generally required to file reports, proxy statements and other information with the U.S. Securities and Exchange Commission (“SEC”) relating to its business, financial condition and otherwise.

Baker Mills has made similar mini-tender offers for shares of other companies and, as noted above, recently completed separate offers to certain PFG holders. In addition, the offer documents for the current mini-tender acknowledge that Baker Mills presently intends to engage in additional similar offers for PFG.

Mini-tender offers, such as this one, seek to acquire less than five percent of a company's shares outstanding, thereby avoiding many disclosure and procedural requirements of the SEC. As a result, mini-tender offers do not provide investors with the same level of protections as provided by larger tender offers under U.S. securities laws.

The SEC has cautioned investors that some bidders making mini-tender offers at below-market prices are "hoping that they will catch investors off guard if the investors do not compare the offer price to the current market price." The SEC's cautionary advice to investors on mini-tender offers is available at <https://www.sec.gov/investor/pubs/miniend.htm>

As with the prior offers by Baker Mills for PFG, Principal urges investors to obtain current market quotations for their shares, consult with their broker or financial advisor, and exercise caution with respect to Baker Mills' offer.

Principal urges shareholders who have not responded to Baker Mills' offer to take no action. Shareholders who have already tendered their shares may withdraw them at any time by providing written notice as described in the Baker Mills mini-tender offer documents prior to the expiration of the offer, currently scheduled for 8:00 p.m., Eastern time, on November 13, 2018. Principal encourages shareholders to review carefully the "Withdrawal Rights" section of the offer documents.

Principal encourages brokers and dealers, as well as other market participants, to review the SEC's letter regarding broker-dealer mini-tender offer dissemination and disclosure at www.sec.gov/divisions/marketreg/minienders/sia072401.htm and NASD's Notice to Members 9-53, issued July 1999, regarding guidance to members forwarding mini-tender offers to their customers, which can be found at <http://www.finra.org/sites/default/files/NoticeDocument/p004221.pdf>.
