#### **Explanation of Responses:**

- Shares withheld to satisfy tax withholding obligation applicable to the vesting of 5,840 stock-settled restricted stock units.
- ( The reported shareholding is based on the Company's estimation of the share value correlated with the number of units in the fund. As of January 31, 2017,
- 2) the reporting person held 256 shares or 941 units of Newmont Mining common stock in their 401(k) Plan. Fluctuation in share estimate since the filing of the last Form 4 reflects changes in the stock price rather than investments or dispositions of units within the stock fund.

### **Reporting Owners**

Reporting Owner Name / Address	Relationships
