On August 21, 2020, Genworth Mortgage Holdings, Inc. (“GMHI”), an indirect subsidiary of Genworth Financial, Inc. (“Genworth”), issued to certain initial purchasers (the “Initial Purchasers”) \$750 million of its 6.500% senior notes due 2025 (the “Notes”) as part of an offering to qualified institutional buyers pursuant to Rule 144A under the U.S. Securities Act of 1933, as amended (the “Securities Act”), and to non-U.S. persons outside the United States in compliance with Regulation S under the Securities Act.

The Notes were issued pursuant to an indenture (the “Base Indenture”), dated as of August 21, 2020, between GMHI and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”), and a first supplemental indenture (the “First Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), dated as of August 21, 2020, between GMHI and the Trustee.

A copy of the Base Indenture (including the form-of note attached thereto) and the First Supplemental Indenture are included as exhibits to this Current Report on Form 8-K and are incorporated herein by reference. The Indenture and the Notes contain customary event of default provisions which, subject to certain notice and cure period conditions, can result in the acceleration of the principal amount of, and accrued interest on, all outstanding Notes if GMHI breaches the terms of the Indenture and Notes.

Each party agrees as follows for the benefit of the other parties and for the benefit of the Holders (as defined herein) of the Notes (as defined herein):

ARTICLE I

Definitions and Incorporation by Reference

SECTION 1.1. Definitions.

“144A Global Note” means one or more Global Notes substantially in the form of Exhibit A hereto (as such form may be modified in accordance with Section 2.2) bearing the Global Note Legend and the Private Placement Legend and deposited with or on behalf of, and registered in the name of, the Depository or its nominee that will be issued in respect of Notes sold in reliance on Rule 144A.

“Acquired Indebtedness” means, with respect to any Person, Indebtedness (1) of a Person or any of its Subsidiaries existing at the time such Person is merged or consolidated with the Issuer or a Restricted Subsidiary or becomes a Restricted Subsidiary or (2) assumed in connection with the acquisition of assets from such Person, in each case whether or not Incurred by such Person in connection with, or in anticipation or contemplation of, such Person becoming a Restricted Subsidiary or such acquisition, and Indebtedness secured by a Lien encumbering any asset acquired by such specified Person. Acquired Indebtedness shall be deemed to have been Incurred, with respect to clause (1) of the preceding sentence, on the date such Person is merged or consolidated with the Issuer or a Restricted Subsidiary or becomes a Restricted Subsidiary and, with respect to clause (2) of the preceding sentence, on the date of consummation of such acquisition of assets.

“Affiliate” of any specified Person means any other Person, directly or indirectly, controlling or controlled by or under direct or indirect common control with such specified Person. For the purposes of this definition, “control” when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative to the foregoing.

“Agent” means any Registrar, Paying Agent, Notes Custodian or co-registrar.

“Aggregate RTC Ratio” means, with respect to the Insurance Subsidiaries taken as a whole, on any date of determination, the ratio of their statutory risk in force to the sum of their statutory contingency reserves and their surplus as regards policyholders for the expressed calculation of statutory risk to capital.

If any of the following events (“*Capital Events*”) occur subsequent to the most recently ended fiscal quarter for which an Insurance Subsidiary’s internal financial statements are available but prior to or simultaneously with the event for which the Aggregate RTC Ratio calculation is made, the Aggregate RTC Ratio shall be calculated by giving pro forma effect to such Capital Events (including the application of proceeds therefrom, as applicable) using the Insurance Subsidiary’s internal financial statements for the most recently ended fiscal quarter. Capital Events, in each case solely in respect of an Insurance Subsidiary, are:

- the Incurrence, repayment, repurchase, or redemption of any Indebtedness;
- the issuance, repurchase or redemption of Capital Stock, Disqualified Stock or Preferred Stock;
- contributions from parents or affiliates;
- receipt of proceeds from the issuance of Surplus Notes;
- Asset Dispositions;

For the avoidance of doubt, for the purposes of the calculation of Aggregate RTC Ratio the statutory risk in force to be used is that as of the date of the calculation. For purposes of this definition, whenever calculations are made on a *pro forma* basis, such calculations shall be made in Good Faith by the Issuer.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the exchange rate for such currency as of the RTC Calculation Date.

SECTION 1.4. Financial Calculations for Limited Condition Transactions.

When calculating the availability under any basket or ratio under this Indenture or determining the absence of a Default or Event of Default as a condition to the making of any acquisition or other Permitted Investment the consummation of which is not conditioned on the availability of, or on obtaining, third party financing (each, a “Limited Condition Transaction”) or the incurrence of Indebtedness in connection therewith, the determination of whether the relevant condition is satisfied may be made, at the irrevocable election of the Issuer (such election, a “Limited Condition Transaction Election”), at the time of (and on the basis of the financial statements to be delivered pursuant to Section 3.2 for the most recently ended fiscal period for which financial statements are available at the time of) either (x) the execution of the definitive agreement with respect to such Limited Condition Transaction or (y) the consummation of the Limited Condition Transaction, in each case, after giving effect to the relevant Limited Condition Transaction and any related transactions (including any incurrence of Indebtedness and the use of proceeds thereof), on a pro forma basis (such date, the “Limited Condition Transaction Test Date”). If the Issuer makes such a Limited Condition Transaction Election, any subsequent calculation of any such basket or ratio as a condition to consummating such transaction or the incurrence of Indebtedness in connection therewith shall be calculated on an equivalent pro forma basis, unless the definitive agreement for such Limited Condition Transaction expires or is terminated without its consummation. Any Limited Condition Transaction Election shall be made pursuant to a written notice from the Issuer delivered to the Trustee at the time of the execution of the definitive agreements with respect to the Limited Condition Transaction; *provided*, however, that, to the extent the Issuer has not delivered such written notice to the Trustee by the time of execution of the definitive agreements with respect to such transaction, the relevant conditions required to be satisfied as a condition to consummating such transaction and/or incurring such Indebtedness will be tested at the time of consummation of such transaction and the related incurrence of Indebtedness.

For the avoidance of doubt, if the Issuer has made a Limited Condition Transaction Election and any of the ratios or baskets for which compliance was determined or tested as of the Limited Condition Transaction Test Date (including with respect to the incurrence of any Indebtedness) are exceeded as a result of fluctuations in any such ratio or basket (including due to fluctuations of the target of any Limited Condition Transaction) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations.

(1) the title of the Notes of the series (which title shall distinguish the Notes of the series from all other series of Notes);

(2) any limit (if any) upon the aggregate principal amount of the Notes of the series that may be authenticated and delivered under this Indenture (which limit shall not pertain to Notes authenticated and delivered upon registration of, transfer of, or in exchange for, or in lieu of, other Notes of the series pursuant to Section 2.7, 2.8, 2.11, 3.7, 3.9 or 5.8);

The Issuer initially appoints the Trustee as Registrar and Paying Agent and to act as Notes Custodian with respect to the Notes.

SECTION 2.5. Paying Agent to Hold Money in Trust. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of the Holders of the Notes or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, and interest on the Notes, and shall notify the Trustee in writing of any Default by the Issuer in making any such payment. While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by such Paying Agent to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or any of its domestically incorporated Wholly-Owned Subsidiaries) shall have no further liability for the money delivered to the Trustee. If the Issuer or any of its domestically incorporated Wholly-Owned Subsidiaries acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders of the Notes all money held by it as Paying Agent.

SECTION 2.6. Lists of Holders of the Notes. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders of the Notes. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders of the Notes, including the aggregate principal amount of the Notes held by each thereof.

SECTION 2.7. Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. A Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. Notwithstanding anything herein to the contrary, Global Notes will be exchanged by the Issuer for Definitive Notes, subject to any applicable laws, only (i) if the Issuer delivers to the Trustee notice from the Depository that (A) the Depository is unwilling or unable to continue to act as Depository for the Global Notes or (B) the Depository is no longer a clearing agency registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor Depository within 90 days after the date of such notice from the Depository, (ii) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of Definitive Notes or (iii) if there shall have occurred and be continuing an Event of Default with respect to the Notes and the Depository so requests. In any such case, the Issuer will notify the Trustee in writing that, upon surrender by the Participants and Indirect Participants of their interests in such Global Note, certificated Notes will be issued to each Person that such Participants, Indirect Participants and DTC jointly identify as being the beneficial owner of the related Notes; *provided* that in no event shall the Regulation S Temporary Global Note be exchanged by the Issuer for Definitive Notes prior to (A) the expiration of the Restricted Period with respect thereto and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.8 and 2.11. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.7 or Sections 2.8 or 2.11 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.7. However, beneficial interests in a Global Note may be transferred and exchanged as provided in paragraph (b) or (c) below.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions hereof and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth in this Indenture to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with the applicable subparagraphs below.

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period with respect thereto, transfers of beneficial interests in a Regulation S Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this subparagraph (i) unless specifically stated above.

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.7(b)(i) above, the transferor of such beneficial interest must deliver to the Registrar either:

(a) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(b) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above; *provided* that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in a Regulation S Temporary Global Note prior to (A) the expiration of the Restricted Period with respect thereto and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.7(k) hereof.

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of subparagraph (ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; or

(B) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Temporary Global Note or a Regulation S Permanent Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(iv) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any Holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.7(b)(ii) above and:

(A) such transfer is effected pursuant to an effective registration statement under the Securities Act; or

(B) the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (B), if the Issuer so requests or if the Applicable Procedures so require, an opinion of counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (A) or (B) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.3 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests exchanged or transferred pursuant to subparagraph (A) or (B) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer and Exchange of Beneficial Interests for Definitive Notes.

(i) Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Restricted Definitive Notes. Subject to Section 2.7(a), if any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then upon receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(D) [reserved]; or

(E) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof,

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to paragraph (k) below, and the Issuer shall execute and, upon receipt of an Authentication Order the Trustee shall authenticate and deliver to the Person designated in the certificate a Restricted Definitive Note in the appropriate principal amount. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this paragraph (c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Restricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this subparagraph (i) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

Notwithstanding Section 2.7(c)(i)(A) and (C) above, a beneficial interest in a Regulation S Temporary Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period with respect thereto and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(ii) Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Unrestricted Definitive Notes. Subject to Section 2.7(a), a holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if:

(A) such transfer is effected pursuant to an effective registration statement under the Securities Act; or

(B) the Registrar receives the following:

(i) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(b) thereof; or

(ii) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (B), if the Issuer so requests or if the Applicable Procedures so require, an opinion of counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Transfer and Exchange of Beneficial Interests in Unrestricted Global Notes for Unrestricted Definitive Notes. Subject to Section 2.7(a), if any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in subparagraph (b)(ii) above, the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to paragraph (k) below, and the Issuer shall execute and, upon receipt of an Authentication Order the Trustee shall authenticate and deliver to the Person designated in the certificate a Definitive Note

in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this subparagraph (c)(iii) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this subparagraph (c)(iii) shall not bear the Private Placement Legend.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests.

(i) Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Restricted Global Notes. If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (2)(b) thereof;

(B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such Restricted Definitive Note is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(D) [reserved]; or

(E) if such Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof, the Trustee shall cancel the Restricted Definitive Note, increase or cause to be increased the aggregate principal amount of, in the case of clause (A) above, the appropriate Restricted Global Note, in the case of clause (B) above, the 144A Global Note and in the case of clause (C) above, the Regulation S Global Note.

(ii) Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes. A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(a) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(c) thereof; or

(b) if the Holder of such Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in this Section 2.7(d)(ii), if the Issuer so requests or if the Applicable Procedures so require, an opinion of counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this subparagraph (d)(ii), the Trustee shall cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(e) Transfer and Exchange of Unrestricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from an Unrestricted Definitive Note or a Restricted Definitive Note, as the case may be, to a beneficial interest is effected pursuant to subparagraph (ii)(B), (ii)(D) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.3, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Definitive Notes or Restricted Definitive Notes, as the case may be, so transferred.

(f) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this paragraph (f), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this paragraph (f).

(g) Transfer of Restricted Definitive Notes to Restricted Definitive Notes. (i) Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof;

(C) [reserved]; or

(D) if the transfer will be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including, if the Issuer so requests, a certification or opinion of counsel in form reasonably acceptable to the Issuer to the effect that such transfer is in compliance with the Securities Act.

(ii) Transfer and Exchange of Restricted Definitive Notes for Unrestricted Definitive Notes. Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note if:

(A) any such transfer is effected pursuant to an effective registration statement under the Securities Act; or

(B) the Registrar receives the following:

(A) if the Holder of such Restricted Definitive Notes proposes to exchange such Notes for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof;

or

(B) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (B), if the Issuer so requests, an opinion of counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(h) Transfer of Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(i) Private Placement Legend.

(A) Except as permitted by subparagraph (B) below, each Global Note (other than an Unrestricted Global Note) and each Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear the Private Placement Legend.

(B) Notwithstanding the foregoing, any Global Note or Definitive Note issued pursuant to subparagraph (b)(iv), (c) (ii), (c)(iii), (d)(ii), (e) or (g)(ii) of this Section 2.7 (and all Notes issued in exchange therefor or substitution thereof) shall not bear the Private Placement Legend.

(j) Global Note Legend. Each Global Note shall bear the Global Note Legend.

(k) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.12 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(l) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.3, 2.11, 3.7, 3.9 and 5.8).

(iii) Neither the Registrar nor the Trustee shall be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except for the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits hereof, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) Neither the Trustee, the Registrar nor the Issuer shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business on a Business Day 15 days before the mailing of a notice of redemption of Notes and ending at the close of business on the day of such mailing or (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.3.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.7 to effect a registration of transfer or exchange may be submitted by facsimile or electronically.

(ix) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or Indirect Participants) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(x) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depository.

(xi) The Trustee shall have no responsibility or obligation to any Participant or Indirect Participant or any other Person with respect to the accuracy of the books or records, or the acts or omissions, of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any Participant or Indirect Participant or other Person (other than the Depository) of any notice

(including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to or upon the order of the registered Holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depository subject to the customary procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its Participants or Indirect Participants.

(xii) The transferor of any Note shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(xiii) In connection with any proposed transfer of Definitive Notes, there shall be provided to the Trustee all information reasonably requested by the Trustee to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

SECTION 2.8. Replacement Notes.

If any mutilated Note is surrendered to the Trustee, or the Issuer and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements for replacements of Notes are met. The Holder must supply indemnity or security sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent or any authenticating agent from any loss which any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge for their fees and expenses in replacing a Note including amounts to cover any tax, assessment, fee or other governmental charge that may be imposed in relation thereto.

Every replacement Note is an obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued here under.

SECTION 2.9. Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.9 as not outstanding.

If a Note is replaced pursuant to Section 2.8, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 3.1 hereof, it shall cease to be outstanding and interest on it shall cease to accrue.

Subject to Section 2.10, a Note does not cease to be outstanding because the Issuer, a Subsidiary of the Issuer or an Affiliate of the Issuer holds the Note.

SECTION 2.10. Treasury Notes. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, any Subsidiary of the Issuer or any Affiliate of the Issuer shall be considered as though not outstanding, except that for purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Trust Officer actually knows to be so owned shall be so considered. Notwithstanding the foregoing, Notes that are to be acquired by the Issuer, any Subsidiary of the Issuer or an Affiliate of the Issuer pursuant to an exchange offer, tender offer or other agreement shall not be deemed to be owned by the Issuer, a Subsidiary of the Issuer or an Affiliate of the Issuer until legal title to such Notes passes to the Issuer, such Subsidiary or such Affiliate, as the case may be. Upon request of the Trustee, the Issuer shall furnish to the Trustee promptly an Officer's Certificate listing and identifying all Notes, if any known by the Issuer to be owned or held by or for the account of any of the Issuer or any Affiliate of the Issuer, and the Trustee shall be entitled to accept and rely upon such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any determination.

SECTION 2.11. Temporary Notes. Until Definitive Notes are ready for delivery, the Issuer may prepare and, upon receipt of an Authentication Order the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer and the Trustee consider appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as Definitive Notes.

SECTION 2.12. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of all canceled Notes in its customary manner (subject to the record retention requirements of the Exchange Act). The Issuer may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation.

SECTION 2.13. Payment of Interest; Defaulted Interest. Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.2, interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more predecessor Notes) is registered at the close of business on the regular Record Date for such interest at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.4.

Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the regular Record Date by virtue of having been such Holder, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by such Notes (such defaulted interest and interest thereon herein collectively called “Defaulted Interest”) shall be paid by the Issuer, at its election in each case, as provided in clause (a) or (b) below:

(a) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names such Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice unless a shorter period shall be acceptable to the Trustee) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Issuer shall fix a record date (the “Special Record Date”) for the payment of such Defaulted Interest, which shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Issuer shall promptly notify the Trustee, in writing, of such Special Record Date and shall, or at the written request and in the name and at the expense of the Issuer, the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 11.1, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names such Notes (or their respective Predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (b).

(b) The Issuer may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause (b), such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.14. CUSIP and ISIN Numbers. The Issuer in issuing the Notes may use “CUSIP” and “ISIN” numbers (if then generally in use). The Trustee shall not be responsible for the use of CUSIP and ISIN numbers, and the Trustee makes no representation as to their correctness as printed on any Note or notice to Holders. The Issuer shall promptly notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

ARTICLE III

Covenants

SECTION 3.1. Payment of Notes. The Issuer shall promptly pay, or cause to be paid, the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if by 11:00 a.m. (New York City time) on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes.

Notwithstanding anything to the contrary contained in this Indenture, the Issuer, the Trustee and any Paying Agent may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal or interest payments hereunder.

SECTION 3.2. Reports.

(a) So long as any notes are outstanding, the Issuer will furnish to the Holders and the Trustee:

(1) (A) within 120 days after the end of each fiscal year of the Issuer, annual audited financial statements for such fiscal year, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” with respect to the periods presented prepared in accordance with GAAP and a report on the annual financial statements by the Issuer’s independent registered accounting firm;

(2) within 60 days after the end of each of the first three fiscal quarters of each fiscal year of the Issuer (or 75 days with respect to the fiscal quarters ending September 30, 2020 and March 31, 2021), unaudited financial statements for the interim period as of, and for the period ending on, the end of such quarter, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” with respect to the periods presented prepared in accordance with GAAP; and

(3) within five days of the time period specified for filing current reports on Form 8-K by the SEC, current reports containing information substantially similar to the information that would be required to be filed in a Current Report on Form 8-K under the Exchange Act on the Issue Date pursuant to Section 4, under Items 1.03, 2.01, 5.01, 5.02(b) (with respect to officers and independent directors only) and 5.02(c)(1) and (3) of Form 8-K (but excluding, for the avoidance of doubt, financial statements and exhibits that would be required pursuant to Item 9.01 of Form 8-K, other than financial statements and pro forma financial information required pursuant to clauses (a) and (b) of Item 9.01 of Form 8-K (in each case relating to transactions required to be reported pursuant to Item 2.01 of Form 8-K) to the extent available (as determined in Good Faith by the Issuer)) if the Issuer had been a reporting company under the Exchange Act; *provided, however*, that no such current report will be required to be furnished if the Issuer determines in its good faith judgment that such event is not material to Holders or the business, assets, operations, financial position or prospects of the Issuer and its Restricted Subsidiaries, taken as a whole, or if the Issuer determines in its good faith judgment that such disclosure would otherwise cause material competitive harm to the business, assets, operations, financial position or prospects of the Issuer and its Restricted Subsidiaries, taken as a whole; *provided*, that such nondisclosure shall be limited only to those specific provisions that would cause material competitive harm and not the occurrence of the event itself.

Notwithstanding the foregoing, (a) the Issuer will not be required to furnish any information, certificates or reports required by (i) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 or 308 of Regulation S-K, (ii) Regulation G or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-generally accepted accounting principles financial measures contained therein, (iii) Rule 3-09 of Regulation S-X or (iv) Rule 3-05 of Regulation S-X, (b) such reports will not be required to contain the separate financial information for Subsidiaries whose securities are pledged to secure the Notes contemplated by Rule 3-10 or Rule 3-16 of Regulation S-X, and (c) such reports shall not be required to present compensation or beneficial ownership information. Nor will the Issuer be required to provide any current report on Form 8-K so long as Parent is subject to the Exchange Act and required to file Current Reports on Form 8-K thereunder.

If the Issuer has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries, either individually or collectively, would otherwise have been a Significant Subsidiary, then the quarterly and annual financial information required by the preceding paragraph shall include a summary presentation, in the footnotes to the financial statements, of the financial condition and results of operations of the Issuer and its Restricted Subsidiaries.

In addition, the Issuer has agreed that it will make available to the Holders and to prospective investors, upon the request of such Holders, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act to the extent such Notes constitute “restricted securities” within the meaning of the Securities Act.

The Issuer, or any direct or indirect parent on behalf of the Issuer, shall maintain a website to which all of the reports and press releases required by this Section 3.2 are posted and made available to Holders, prospective investors that certify that they are qualified institutional buyers (or Non-U.S. Persons that are eligible to purchase the Notes), the Trustee, securities analysts and market makers (unless such reports are otherwise filed with the SEC).

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

The Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been posted on the Issuer's website.

(b) So long as any Notes are outstanding, the Issuer will also use its reasonable best efforts to:

(1) within 15 Business Days after providing the annual and quarterly information required pursuant to Section 3.2(a) (or such earlier time as the Issuer determines), hold a conference call (the "Issuer Conference Call") to discuss the results of operations for the relevant reporting period; *provided* that the requirement for an Issuer Conference Call can be satisfied to the extent any direct or indirect parent provides regular quarterly earnings calls that include a discussion of the results of operations of the Issuer and its Subsidiaries for the relevant reporting period; and

(2) issue a press release to an internationally recognized wire service no fewer than three Business Days prior to the proposed date of the Issuer Conference Call, announcing the time and date of the Issuer Conference Call and either including all information necessary to access the call or directing Holders, prospective investors that certify that they are qualified institutional buyers (or Non-U.S. Persons that are eligible to purchase the Notes), securities analysts and market makers to contact the appropriate person at the Issuer to obtain such information. The Issuer Conference Call may be part of or separate from any earnings or similar conference call of the Issuer or any direct or indirect parent company of the Issuer as long as such call otherwise meets the requirements of the foregoing clause (1) and this clause (2).

Notwithstanding the time periods set forth above, the Issuer Conference Call may be held following any similar financial reporting call of any direct or indirect parent of the Issuer discussing the Issuer's results of operations; *provided* that the failure of such parent to hold such a call shall not relieve the Issuer of its obligation to use reasonable best efforts to hold an Issuer Conference Call during the relevant reporting period (it being understood such a call and provision of a related press release may occur after the time periods set forth above).

(c) In addition, if at any time any direct or indirect parent company of the Issuer has filed reports containing the information described above with the SEC (including, to the extent applicable, a reconciliation or narrative description of any material differences between the financial information of such direct or indirect Issuer and the financial information of the Issuer), the reports, information and other documents required to be furnished to Holders pursuant to this Section 3.2 may, at the option of the Issuer, be furnished by and be those of such parent rather than the Issuer and this covenant shall be deemed satisfied by the filing of such reports with the SEC.

(d) Any and all Defaults or Events of Default arising from a failure to furnish or file in a timely manner a report required by this Section 3.2 shall be deemed cured (and the Issuer shall be deemed to be in compliance with this Section 3.2) upon furnishing or filing such report or certification as contemplated by this Section 3.2 (but without regard to the date on which such report or certification is so furnished or filed); *provided* that such cure shall not otherwise affect the rights of the holders described pursuant to Section 6.1 hereof hereunder if the principal, premium, if any, and accrued interest have been accelerated in accordance with the terms of this Indenture and such acceleration has not been rescinded or cancelled prior to such cure.

SECTION 3.3. Limitation on Indebtedness.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness); *provided*, however, that the Issuer may Incur Indebtedness (including Acquired Indebtedness) if the Debt to Total Capitalization Ratio as of the last day of the Issuer's most recently ended fiscal quarter for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred is equal to or less than 30% determined on a pro forma basis (including the application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred and the application of proceeds therefrom had occurred as of the last day of such fiscal quarter

(b) The provisions of Section 3.3(a) shall not apply to the Incurrence of the following Indebtedness:

(i) [Reserved];

(ii) Indebtedness of the Issuer evidenced by the Notes (other than Additional Notes);

(iii) Guarantees by (x) the Issuer of Indebtedness permitted to be Incurred by a Restricted Subsidiary in accordance with the provisions of this Indenture and (y) Restricted Subsidiaries of Indebtedness Incurred by any other Restricted Subsidiary in accordance with the provisions of this Indenture;

(iv) Indebtedness of the Issuer owing to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owing to and held by the Issuer or any other Restricted Subsidiary; *provided*, however,

(A) if the Issuer is the obligor on Indebtedness owing to a Restricted Subsidiary, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations with respect to the Notes; and

(B) (1) any subsequent issuance or transfer of Capital Stock or any other event that results in any such Indebtedness being beneficially held by a Person other than the Issuer or a Restricted Subsidiary of the Issuer; and (2) any subsequent sale or other transfer of any such Indebtedness to a Person other than the Issuer or a Restricted Subsidiary of the Issuer; shall be deemed, in each case, to constitute an Incurrence of such Indebtedness by the Issuer or such Subsidiary, as the case may be, not permitted by this clause (iv);

(v) any Indebtedness (other than the Indebtedness described in clause (ii)) outstanding on the Issue Date, and any Refinancing Indebtedness Incurred at any time in respect of any Indebtedness described under clause (ii), this clause (v) or clauses (vi) or (xviii) or Incurred pursuant to Section 3.3(a);

(vi) Indebtedness (i) of the Issuer Incurred to finance an acquisition of any assets (including Capital Stock), business or Person, and any Refinancing Indebtedness in respect thereof, not to exceed the greater of \$25.0 million and 0.50% of Total Assets at any one time outstanding, plus unlimited additional Indebtedness if the Debt to Total Capitalization Ratio as of the last day of the Issuer's most recently ended fiscal quarter for which internal financial statements are available that immediately precedes the date of such acquisition, merger or consolidation calculated immediately after giving effect to such acquisition, merger or consolidation on a *pro forma* basis, is not greater than such ratio immediately prior to such acquisition, merger or consolidation; and (ii) of Persons Incurred and outstanding on the date on which such Person became a Restricted Subsidiary or was acquired by, or merged or consolidated with or into, the Issuer or any Restricted Subsidiary (other than Indebtedness Incurred in connection with, or in contemplation of, such acquisition, merger or consolidation), *provided* that, either (a) the only obligors with respect to such Indebtedness shall be those Persons who were obligors of such Indebtedness prior to such acquisition, merger or consolidation or (b) the Debt to Total Capitalization Ratio as of the last day of the Issuer's most recently ended fiscal quarter for which internal financial statements are available that immediately precedes the date of such acquisition, merger or consolidation, calculated immediately after giving effect to such acquisition, merger or consolidation, on a *pro forma* basis, is not greater than such ratio immediately prior to such acquisition, merger or consolidation;

(vii) Indebtedness under Hedging Obligations; *provided, however*, that such Hedging Obligations are entered into to fix, manage or hedge interest rate, or currency exposure of the Issuer or any Restricted Subsidiary and not for speculative purposes;

(viii) the incurrence by the Issuer or any Restricted Subsidiary of Indebtedness (including Capitalized Lease Obligations, mortgage financings or purchase money obligations), incurred for the purpose of financing or reimbursing all or any part of the purchase price or cost of the acquisition, development, construction, purchase, lease, repair, addition or improvement of property (real or personal), plant, equipment or other fixed or capital assets that are used or useful in a Related Business, whether through the direct purchase of assets or the purchase of Equity Interests of any Person owning such assets (in each case, incurred within 450 days of such acquisition, development, construction, purchase, lease, repair, addition or improvement) and all Indebtedness incurred to refund, refinance or replace any such Indebtedness, in an aggregate principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause (viii), will not exceed the greater of \$20.0 million and 0.5% of Total Assets at any one time outstanding;

(ix) Indebtedness Incurred by the Issuer or its Restricted Subsidiaries in respect of workers' compensation claims, health, disability or other employee benefits or property, casualty or liability insurance, self-insurance obligations, performance, bid, surety, appeal and similar bonds and completion Guarantees (not for borrowed money) or security deposits, letters of credit, banker's guarantees or banker's acceptances, in each case in the ordinary course of business (including letters of credit issued in connection with reinsurance transactions entered into in the ordinary course of business);

(x) Indebtedness arising from agreements of the Issuer or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, earn-outs or similar obligations, in each case, Incurred or assumed in connection with the acquisition or disposition of any business or assets of the Issuer or any business, assets or Capital Stock of a Subsidiary, other than Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or Capital Stock for the purpose of financing such acquisition;

(xi) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument, including, but not limited to, electronic transfers, wire transfers and commercial card payments drawn against insufficient funds in the ordinary course of business (except in the form of committed or uncommitted lines of credit); *provided, however*, that such Indebtedness is extinguished within ten Business Days of Incurrence;

(xii) Indebtedness Incurred by the Issuer or any Restricted Subsidiary in connection with third party insurance premium financing arrangements;

(xiii) Indebtedness owed to banks and other financial institutions Incurred in the ordinary course of business of the Issuer and its Restricted Subsidiaries with such banks or financial institutions that arise in connection with ordinary banking arrangements to provide treasury services or to manage cash balances of the Issuer and its Restricted Subsidiaries;

(xiv) guarantees to suppliers or licensors (other than guarantees of Indebtedness) in the ordinary course of business;

(xv) Indebtedness of the Issuer or any Restricted Subsidiary to the extent that the Net Proceeds thereof are promptly deposited to defease the Notes in accordance with Article VIII;

(xvi) Indebtedness incurred in the ordinary course of business in connection with Permitted Transactions entered into by Insurance Subsidiaries or by the Issuer in connection with Investments permitted by clause (18) of the definition of "Permitted Investment";

(xvii) Non-Recourse Debt of Insurance Subsidiaries incurred in the ordinary course of business resulting from the sale or securitization of non-admitted assets, policy loans, CBOs and CMOs and consistent with the investment policy approved by the Board of Directors of such Insurance Subsidiary, as amended from time to time, or permitted by the applicable Insurance Regulatory Authority;

(xviii) any Contribution Debt;

(xix) Indebtedness of the Issuer or any Restricted Subsidiary pursuant to Credit Facilities (including the issuance and creation of letters of credit and bankers' acceptances thereunder) up to an aggregate principal amount outstanding at the time of Incurrence that does not exceed the greater of \$100.0 million and 2.0% of Total Assets;

(xx) [Reserved]; and

(xxi) in addition to the items referred to in clauses (i) through (xx) above, Indebtedness of the Issuer in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause (xxi) and then outstanding, will not exceed the greater of \$100.0 million and 2.00% of Total Assets at any one time outstanding.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 3.3:

(i) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 3.3(b) or could be Incurred pursuant to Section 3.3(a), the Issuer, in its sole discretion, may divide and classify such item of Indebtedness (or any portion thereof) on the date of Incurrence and may later reclassify such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 3.3 and only be required to include the amount and type of such Indebtedness once;

(ii) the outstanding amount of any particular Indebtedness shall only be counted once and Guarantees of, or obligations in respect of letters of credit or banker's acceptances related thereto relating to, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(iii) the principal amount of any Disqualified Stock of the Issuer or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary that is not the Issuer, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(iv) Indebtedness permitted by this Section 3.3 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 3.3 permitting such Indebtedness; and

(v) the amount of Indebtedness issued at a price that is less than the principal amount thereof shall be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

Accrual of interest, accrual of dividends, the accretion of accreted value or the amortization of debt discount, the payment of interest in the form of additional Indebtedness and the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock shall not be deemed to be an Incurrence of Indebtedness for purposes of this Section 3.3. The amount of any Indebtedness outstanding as of any date shall be (i) the accreted value thereof in the case of any Indebtedness issued with original issue discount or the aggregate principal amount outstanding in the case of Indebtedness issued with interest payable-in-kind, (ii) the principal amount or liquidation preference thereof, together with any interest thereon that is more than 30 days past due, in the case of any other Indebtedness, (iii) in the case of the guarantee by a specified Person of Indebtedness of another Person, the maximum liability to which the specified Person may be subject upon the occurrence of the contingency giving rise to the obligation and (iv) in the case of Indebtedness of others guaranteed solely by means of a Lien on any asset or property of the Issuer or any Restricted Subsidiary (and not to their other assets or properties generally), the lesser of (x) the Fair Market Value of such asset or property on the date on which such Indebtedness is Incurred and (y) the amount of the Indebtedness so secured.

(d) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness; provided that if such Indebtedness is Incurred to Refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being Refinanced plus the amount of any reasonable premium (including reasonable tender premiums), defeasance costs and any reasonable fees and expenses incurred in connection with the issuance of such new Indebtedness. Notwithstanding any other provision of this Section 3.3, the maximum amount of Indebtedness that may be Incurred pursuant to this Section 3.3 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to Refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being Refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such Refinancing.

SECTION 3.4. Limitation on Restricted Payments.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(i) declare or pay any dividend or make any distribution (whether made in cash, securities or other property) on or in respect of its Capital Stock (including any payment in connection with any merger or consolidation involving the Issuer or any of its Restricted Subsidiaries) other than:

(A) dividends or distributions payable solely in Capital Stock of the Issuer (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Issuer; and

(B) dividends or distributions by a Restricted Subsidiary payable to the Issuer or another Restricted Subsidiary (and if such Restricted Subsidiary is not a Wholly Owned Subsidiary, to its other holders of any series or class of Capital Stock on a pro rata basis in respect of such series or class or on a basis that results in the receipt by the Issuer or a Restricted Subsidiary of dividends or distributions of a greater value than it would receive on a pro rata basis);

(ii) purchase, redeem, retire or otherwise acquire for value any Capital Stock of the Issuer held by Persons other than the Issuer or a Restricted Subsidiary (other than in exchange for Capital Stock of the Issuer (other than Disqualified Stock));

(iii) make any principal payment on, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to any scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Obligations other than the purchase, repurchase, redemption, defeasance or other acquisition of such Subordinated Obligations in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of purchase, repurchase, redemption, defeasance or acquisition; or

(iv) make any Restricted Investment

(all such payments and other actions referred to in clauses (i) through (iv) above (other than any exception thereto) shall be referred to as a “Restricted Payment”), unless, at the time of and after giving effect to such Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing (or would result therefrom);

(2) immediately after giving effect to such transaction on a *pro forma* basis, (1) the Debt to Total Capitalization Ratio as of the last day of the Issuer’s most recently ended fiscal quarter for which internal financial statements are available that immediately precedes the date of any Restricted Payment is equal to or less than 30%; and (2) the Aggregate RTC Ratio does not exceed 18:1 as of the last day of the Issuer’s most recently ended fiscal quarter for which internal financial statements are available that immediately precedes the date of any Restricted Payment;

(3) the aggregate amount of such Restricted Payment and all other Restricted Payments declared or made subsequent to the Issue Date (excluding Restricted Payments made pursuant to clauses (i), (ii), (iii), (v), (vi), (vii), (viii), (ix), (x), (xi), (xiii), (xiv), (xv), (xvi), (xvii), (xx) and (xxi) of Section 3.4(b)) would not exceed the sum of, without duplication:

(A) 50% of the Consolidated Net Income of the Issuer during the period (taken as one accounting period) beginning with the first day of the fiscal quarter in which the Issue Date occurs to the end of the Issuer's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit); plus

(B) 100% of the aggregate Net Cash Proceeds and the Fair Market Value of marketable securities or other property received by the Issuer or a Restricted Subsidiary from the issue or sale of its Capital Stock (other than Disqualified Stock) or other capital contributions subsequent to the Issue Date, other than Net Cash Proceeds received from an issuance or sale of such Capital Stock to a Subsidiary of the Issuer or to an employee stock ownership plan, option plan or similar trust to the extent such sale to an employee stock ownership plan, option plan or similar trust is financed by loans from or Guaranteed by the Issuer or any Restricted Subsidiary unless such loans have been repaid with cash on or prior to the date of determination; plus

(C) the amount by which Indebtedness of the Issuer and its Restricted Subsidiaries is reduced on the Issuer's consolidated balance sheet upon the conversion or exchange subsequent to the Issue Date of any Indebtedness of the Issuer or its Restricted Subsidiaries for Capital Stock (other than Disqualified Stock) of the Issuer (less the amount of any cash, or the Fair Market Value of any other property, distributed by the Issuer upon such conversion or exchange); plus

(D) 100% of the Net Cash Proceeds and the Fair Market Value of property other than cash and marketable securities from the sale or other disposition (other than to the Issuer or a Restricted Subsidiary) of Restricted Investments made after the Issue Date and redemptions and repurchases of such Restricted Investments from the Issuer or its Restricted Subsidiaries and repayment of Restricted Investments in the form of loans or advances from the Issuer and its Restricted Subsidiaries and releases of Guarantees that constitute Restricted Investments by the Issuer and its Restricted Subsidiaries (other than in each case to the extent the Restricted Investment was made pursuant to Section 3.4(b)(xi)); plus

(E) 100% of the Net Cash Proceeds and the Fair Market Value of property other than cash and marketable securities received by the Issuer or its Restricted Subsidiaries after the Issue Date from the sale (other than to the Issuer or a Restricted Subsidiary) of the stock of an Unrestricted Subsidiary (other than in each case to the extent the Investment in such Unrestricted Subsidiary was made by the Issuer or a Restricted Subsidiary pursuant to Section 3.4(b)(xi) or (xvi) or to the extent such Investment constituted a Permitted Investment); plus

(F) to the extent that any Unrestricted Subsidiary of the Issuer designated as such after the Issue Date is redesignated as a Restricted Subsidiary or any Unrestricted Subsidiary of the Issuer merges into or consolidates with the Issuer or any of its Restricted Subsidiaries or any Unrestricted Subsidiary transfers, dividends or distributes assets to the Issuer or a Restricted Subsidiary, in each case after the Issue Date, the Fair Market Value of such Subsidiary as of the date of such redesignation or such merger or consolidation, or in the case of the transfer, dividend or distribution of assets of an Unrestricted Subsidiary to the Issuer or a Restricted Subsidiary, the Fair Market Value of such assets of the Unrestricted Subsidiary, as determined at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary or at the time of such merger, consolidation or transfer, dividend or distribution of assets (other than an Unrestricted Subsidiary to the extent the Investment in such Unrestricted Subsidiary was made by a Restricted Subsidiary pursuant to Section 3.4(b)(xi) or to the extent such Investment constituted a Permitted Investment).

(b) The provisions of Section 3.4(a) hereof shall not prohibit

(i) any dividend, distribution or transfer, or any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Capital Stock, Disqualified Stock or Subordinated Obligations or any Restricted Investment made in exchange for, or in an amount not to exceed the amount of proceeds of a contribution to the common equity capital of the Issuer or the sale of Capital Stock of the Issuer (in an IPO or otherwise) (other than (x) Disqualified Stock and (y) Capital Stock issued or sold to a Subsidiary of the Issuer or an employee stock ownership plan, option plan or similar trust to the extent such sale to an employee stock ownership plan, option plan or similar trust is financed by loans from or Guaranteed by the Issuer or any Restricted Subsidiary unless such loans have been repaid with cash on or prior to the date of determination); *provided, however*, that the Net Cash Proceeds from such contribution or sale of Capital Stock shall be excluded from Section 3.4(a)(3)(B);

(ii) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Obligations made in exchange for, or out of the proceeds of the substantially concurrent Incurrence of Refinancing Indebtedness;

(iii) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Disqualified Stock of the Issuer or a Restricted Subsidiary made in exchange for or out of the proceeds of the substantially concurrent sale of Disqualified Stock of the Issuer or such Restricted Subsidiary, as the case may be, so long as such Disqualified Stock is permitted to be Incurred pursuant to Section 3.3 hereof;

(iv) dividends paid or redemptions made within 90 days after the date of declaration or the giving of the redemption notice if at such date of declaration or notice such dividend or redemption would have complied with this provision;

(xviii) undertaking or consummating any IPO Reorganization Transaction, including distributions or dividends of IPO proceeds made to any direct or indirect parent as a result of such IPO Reorganization Transaction;

(xix) the payment by the Issuer of, or loans, advances, dividends or distributions by the Issuer to any direct or indirect parent of the Issuer to pay, dividends on the common stock or equity of the Issuer or any such direct or indirect parent following a public offering of such common stock or equity after the Issue Date in an amount not to exceed in any fiscal year 6.00% of the net cash proceeds received by the Issuer (whether directly, or indirectly through a contribution to common equity capital by any direct or indirect parent of the Issuer) in or from such public offering;

(xx) the declaration and payment of dividends (i) substantially contemporaneously with the Issue Date, as described in the “Use of Proceeds” section included elsewhere in the Offering Memorandum and (ii) thereafter, up to \$300 million of net proceeds of this offering retained by the Issuer, less an amount equal to the first four interest payments on the principal amount of the Notes issued on the Issue Date; and

(xxi) any other Restricted Payment, *provided* that the Debt to Total Capitalization Ratio as of the last day of the Issuer’s most recently ended fiscal quarter for which internal financial statements are available that immediately precedes the date of such Restricted Payment, calculated immediately after giving effect to such Restricted Payment, on a *pro forma* basis, is equal to or less than 25%;

provided, however, that at the time of and after giving effect to any Restricted Payment permitted under clauses (v), (viii), (xix), and (xxi) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof.

(c) The amount of all Restricted Payments (other than cash) shall be the Fair Market Value on the date of such Restricted Payment of the assets or securities proposed to be paid, transferred or issued by the Issuer or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The Fair Market Value of any cash Restricted Payment shall be its face amount and any non-cash Restricted Payment shall be determined conclusively in Good Faith by the Issuer.

For purposes of determining compliance with this Section 3.4, in the event that a proposed Restricted Payment (or portion thereof) meets the criteria of more than one of the categories of Restricted Payments described in clauses (i) through (xxi) of Section 3.4(b), or is entitled to be made pursuant to Section 3.4(a) or the definition of “Permitted Investment,” the Issuer shall be entitled to divide and classify such Restricted Payment (or portion thereof) in any manner that complies with this Section 3.4 or the definition of “Permitted Investment.”

If the Issuer or any Restricted Subsidiary makes a Restricted Investment or a Permitted Investment and the Person in which such Investment was made subsequently becomes a Restricted Subsidiary, to the extent such Investment resulted in a reduction of the amounts calculated under Section 3.4(a) or any other provision of this Section 3.4 or the definition of Permitted Investment (which was not subsequently reversed), then such amount shall be increased by the amount of such reduction to the extent of the lesser of (x) the amount of such Investment and (y) the Fair Market Value of such Investment at the time such Person becomes a Restricted Subsidiary.

(d) The Issuer shall not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the last sentence of the definition of “Unrestricted Subsidiary.” For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated shall be deemed to be Restricted Payments in an amount determined as

set forth in the definition of “Investment.” Such designation shall be permitted only if a Restricted Payment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries shall not be subject to any of the restrictive covenants set forth in this Indenture.

SECTION 3.5. Limitation on Liens. The Issuer will not, and will not permit any of its Restricted Subsidiaries to create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind (other than Permitted Liens) upon any property or assets of the Issuer or any Capital Stock of Restricted Subsidiaries, now owned or hereafter acquired, that secures Indebtedness of the Issuer or any of its Restricted Subsidiaries without effectively providing that the Notes are secured equally and ratably with (or, if the Indebtedness to be secured by the Lien is subordinated in right of payment to the Notes or any Guarantee, prior to) the Indebtedness so secured for so long as such Indebtedness is so secured.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time such Indebtedness was Incurred, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “*Increased Amount*” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, the payment of dividends on preferred stock in the form of additional shares of preferred stock of the same class, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness described in clause (7) of the definition of “Indebtedness.”

SECTION 3.6. Limitation on Restrictions on Distributions from Restricted Subsidiaries.

(a) The Issuer shall not, and shall not permit any Restricted Subsidiary to create or otherwise cause or permit to exist any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(i) pay dividends or make any other distributions on its Capital Stock to the Issuer or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits (it being understood that the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock);

(ii) make any loans or advances to the Issuer or any Restricted Subsidiary (it being understood that the subordination of loans or advances made to the Issuer or any Restricted Subsidiary to other Indebtedness Incurred by the Issuer or any Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances); or

(iii) sell, lease or transfer any of its property or assets to the Issuer or any Restricted Subsidiary (it being understood that such transfers shall not include any type of transfer described in clause (i) or (ii) of this Section 3.6(a)).

(b) The restrictions in Section 3.6(a) shall not prohibit encumbrances or restrictions existing under or by reason of:

(i) any encumbrance or restriction in effect or entered into on or prior to the Issue Date, including, without limitation, this Indenture and the Notes in effect on such date;

(ii) any encumbrance or restriction with respect to a Person or assets pursuant to an agreement in effect on or before the date on which such Person became a Restricted Subsidiary or was acquired by, merged into or consolidated with the Issuer or a Restricted Subsidiary (other than Capital Stock or Indebtedness Incurred as consideration in, or to provide all or any portion of the funds or credit support utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was acquired by, merged into or consolidated with the Issuer or in contemplation of the transaction) or such assets were acquired by the Issuer or any Restricted Subsidiary; *provided*, that any such encumbrance or restriction shall not extend to any Person or the assets or property of the Issuer or any other Restricted Subsidiary other than the Person and its Subsidiaries or the assets and property so acquired and that, in the case of Indebtedness, was permitted to be Incurred pursuant to this Indenture;

(iii) any encumbrance or restriction pursuant to an agreement effecting a Refinancing of Indebtedness Incurred pursuant to an agreement referred to in clause (i) or (ii) of this Section 3.6(b) or this clause (iii) or contained in any amendment, restatement, modification, renewal, supplement, refunding, replacement or Refinancing of an agreement referred to in clause (i) or (ii) of this Section 3.6(b) or this clause (iii); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement are no less favorable (as determined in Good Faith by the Issuer) in any material respect, taken as a whole, to the Holders of the Notes than the encumbrances and restrictions contained in such agreements referred to in clause (i) or (ii) of this Section 3.6(b) on the Issue Date or the date such Restricted Subsidiary became a Restricted Subsidiary or was merged into or consolidated with a Restricted Subsidiary, whichever is applicable;

(iv) encumbrances or restrictions otherwise arising in connection with Liens permitted to be Incurred under the provisions of Section 3.5 (including Permitted Liens) hereof that apply only to the assets subject to such Liens;

(v) purchase money obligations for property acquired and Capitalized Lease Obligations, in each case, that impose restrictions of the nature described in Section 3.6(a)(iii) on the property so acquired;

(vi) contracts for the sale of assets, including customary restrictions with respect to a Subsidiary of the Issuer pursuant to an agreement that has been entered into for the sale or disposition of all or a portion of the Capital Stock or assets of such Subsidiary;

(vii) restrictions on cash or other deposits or net worth imposed by customers or lessors or required by insurance, surety or bonding companies under contracts entered into in the ordinary course of business;

(viii) any customary provisions in leases, subleases or licenses and other agreements entered into by the Issuer or any Restricted Subsidiary in the ordinary course of business;

(ix) encumbrances or restrictions arising or existing by reason of (i) applicable law or any applicable rule, regulation, order, standard, requirement, permit, grant, approval or agreement (including, for the avoidance of doubt, any encumbrance or restriction on any Insurance Subsidiary in whatever form (including letter, email, bulletin, memo or guidance)) by or with any governmental authority or Government-Sponsored Enterprise; or (ii) the collateralization of risk in force;

(x) [Reserved];

(xi) encumbrances or restrictions contained in or arising under indentures or other debt instruments or other debt arrangements Incurred or Preferred Stock issued by the Issuer or any Subsidiary subsequent to the Issue Date pursuant to Section 3.3 hereof or contained or arising in connection with any Reinsurance Agreement or Statutory Capital Financing or agreement entered into by an Insurance Subsidiary or Special Purpose Subsidiary or Permitted Transactions; provided that such encumbrances and restrictions contained in any agreement or instrument either (i) are not more restrictive, taken as a whole, than those applicable to the Issuer in this Indenture on the Issue Date, or (ii) will not materially adversely affect the Issuer's ability to make anticipated principal or interest payments on the Notes or are otherwise customary for financings or arrangements of that type (in each case, as determined in Good Faith by the Issuer);

(xii) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase or other agreement to which the Issuer or any of its Restricted Subsidiaries is a party and entered into in the ordinary course of business; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Issuer or such Restricted Subsidiary that are the subject of such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Issuer or such Restricted Subsidiary or the assets or property of any other Restricted Subsidiary.

(xiii) customary provisions in joint venture agreements and other similar agreements;

(xiv) customary provisions contained in leases, licenses and other similar agreements entered into in the ordinary course of business; and

(xv) any instrument governing any Indebtedness or Capital Stock of a Person that is an Unrestricted Subsidiary as in effect on the date that such Person becomes a Restricted Subsidiary, which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person who became a Restricted

Subsidiary or the property or assets of the Person who became a Restricted Subsidiary, and was not entered into in contemplation of the designation of such Subsidiary as a Restricted Subsidiary; *provided* that in the case of Indebtedness, the incurrence of such Indebtedness as a result of such Person becoming a Restricted Subsidiary was permitted by the terms of this Indenture.

SECTION 3.7. Limitation on Sales of Assets and Subsidiary Stock.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, make any Asset Disposition following the Issue Date *unless*:

(i) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at least equal to the Fair Market Value (such Fair Market Value to be determined as of the date of contractually agreeing to such Asset Disposition) of the assets subject to such Asset Disposition; and

(ii) at least 75% of the consideration from such Asset Disposition received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents.

The Issuer shall determine the Fair Market Value of any consideration from such Asset Disposition that is not cash or Cash Equivalents.

(b) Any Net Available Cash received by the Issuer or any Restricted Subsidiary from any Asset Disposition shall be applied at the Issuer's election:

- (x) to prepay, repay or repurchase secured Indebtedness of the Issuer or any Restricted Subsidiary or to prepay, repay or repurchase any Indebtedness of the Issuer or any of its Restricted Subsidiaries which is not expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;
- (y) to repay, prepay or otherwise satisfy any Indebtedness or other liability of a Restricted Subsidiary, or
- (z) to reinvest in or acquire assets (including Capital Stock or other securities purchased in connection with the acquisition of Capital Stock or property of another Person that is or becomes a Restricted Subsidiary of the Issuer or that would constitute a Permitted Investment under clause (2) of the definition thereof) used or useful in a Related Business.

(c) All Net Available Cash that is not applied or invested (or committed pursuant to a written agreement to be applied or invested) as provided in subclauses (x), (y) or (z) of the preceding paragraph within 450 days after receipt (or in the case of any amount committed to be so applied or reinvested, which are not actually so applied or reinvested within 180 days following such 450 day period) will be deemed to constitute "Excess Proceeds." Within 30 days after the aggregate amount of Excess Proceeds exceeds \$50.0 million, the Issuer will make an

offer ("Asset Disposition Offer") to all Holders of Notes and all holders of other Indebtedness that is pari passu with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase with the proceeds of sales of assets, to purchase the maximum principal amount of the Notes and such other pari passu Indebtedness that may be purchased out of the Excess Proceeds. The Issuer may make an Asset Disposition Offer under this section using Net Available Cash prior to the time any such Net Available Cash becomes Excess Proceeds, in which case such Net Available Cash shall be deemed to have been applied within the time frame required by this Section 3.7. The offer price in any Asset Disposition Offer will be equal to 100% of the principal amount of the Notes and such other pari passu Indebtedness plus accrued and unpaid interest thereon to, but excluding, the date of purchase (subject to the rights of Holders of record on any record date to receive payments of interest on the related Interest Payment Date falling on or prior to the relevant Redemption Date), and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Disposition Offer ("Unutilized Excess Proceeds"), the Issuer may use such Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of the Notes and such other pari passu Indebtedness tendered into such Asset Disposition Offer exceeds the amount of Excess Proceeds, the Notes and such other pari passu Indebtedness shall be purchased on a pro rata basis based on the principal amount of the Notes and such other pari passu Indebtedness tendered. Upon completion of each Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(d) The Asset Disposition Offer shall remain open for a period of 20 Business Days following its commencement, except to the extent that a longer period is required by applicable law (the "Asset Disposition Offer Period"). No later than five Business Days after the termination of the Asset Disposition Offer Period (the "Asset Disposition Purchase Date"), the Issuer shall purchase the principal amount of Notes required to be purchased pursuant to this Section 3.7 (the "Asset Disposition Offer Amount") or, if less than the Asset Disposition Offer Amount has been so validly tendered and not properly withdrawn, all Notes validly tendered in response to the Asset Disposition Offer.

(i) On or before the Asset Disposition Purchase Date, the Issuer shall, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Asset Disposition Offer Amount of Notes or portions of Notes validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes validly tendered and not properly withdrawn, in each case in minimum denominations of \$1,000 (except that no Note shall be purchased in part if the remaining principal amount would be less than \$2,000). The Issuer or the Paying Agent, as the case may be, shall promptly (but in any case not later than five Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes validly tendered and not properly withdrawn by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee, upon receipt of an Officer's Certificate, shall authenticate and mail or deliver such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note shall be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof.

(e) For the purposes of this Section 3.7, the following are deemed to be Cash Equivalents: (x) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the Notes thereto) of the Issuer or any Restricted Subsidiary of the Issuer (other than liabilities that are by their terms subordinated to the Notes) that are assumed by the transferee of any such assets (including, without limitation, liabilities relating to insurance products); (y) any Notes or other obligations or other securities or assets received by the Issuer or such Restricted Subsidiary of the Issuer from such transferee that are converted within 180 days by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received); and (z) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Dispositions having an aggregate Fair Market Value (determined in Good Faith by the Issuer), taken together with all other Designated Non-cash Consideration received pursuant to this clause (z) that is at that time outstanding, not to exceed \$50.0 million at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(f) The Issuer shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 3.7. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 3.7, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 3.7.

(g) Pending the final application of any such Net Available Cash, the Issuer or its Restricted Subsidiaries may temporarily reduce revolving indebtedness under any debt facility or otherwise invest such Net Available Cash in Cash Equivalents.

SECTION 3.8. Limitation on Affiliate Transactions.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Issuer (an "Affiliate Transaction") involving payments of consideration in excess of \$15.0 million unless:

(i) the terms of such Affiliate Transaction, when viewed together with any related Affiliate Transactions, are not materially less favorable to the Issuer or such Restricted Subsidiary, as the case may be, than those that could have been obtained in a comparable transaction at the time of such transaction in arm's-length dealings with a Person who is not an Affiliate; and

(ii) in the event such Affiliate Transaction involves an aggregate consideration in excess of \$25.0 million, the terms of such transaction have been approved by a majority of the members of the Board of Directors of the Issuer (and such majority determines that such Affiliate Transaction satisfies the criteria in clause (i) above).

(b) The provisions of Section 3.8(a) shall not apply to:

(i) any Restricted Payment or Permitted Investments permitted to be made pursuant to Section 3.4 hereof;

(ii) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment agreements and other compensation arrangements, options to purchase Capital Stock of the Issuer pursuant to restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits plans, pension plans or similar plans or agreements or arrangements approved by the Board of Directors of the Issuer or the compensation committee thereof;

(iii) loans or advances to employees, officers or directors of the Issuer or any Subsidiary of the Issuer or any direct or indirect parent of the Issuer in the ordinary course of business, in an aggregate amount outstanding at any time not in excess of \$5.0 million (without giving effect to the forgiveness of any such loan);

(iv) any transaction (including portfolio asset swaps) between or among the Issuer and any Restricted Subsidiary or between or among Restricted Subsidiaries, and any Guarantees issued by the Issuer or a Restricted Subsidiary for the benefit of the Issuer or a Restricted Subsidiary;

(v) the payment of reasonable and customary compensation (including fees, benefits, severance, change of control payments and incentive arrangements) to, and employee benefit arrangements, including, without limitation, split-dollar insurance policies, and indemnity or similar arrangements provided on behalf of, directors, officers, employees and agents of the Issuer or any of its Subsidiaries or any direct or indirect parent of the Issuer, whether by charter, bylaw, statutory or contractual provisions;

(vi) the existence of, and the performance of obligations of the Issuer or any of its Restricted Subsidiaries under the terms of any agreement to which the Issuer or any of its Restricted Subsidiaries is a party as of or on the Issue Date, as these agreements may be amended, modified, supplemented, extended or renewed from time to time; *provided, however*, that any future amendment, modification, supplement, extension or renewal entered into after the Issue Date shall be permitted to the extent that its terms, taken as a whole, are not more disadvantageous to the Holders of the Notes in any material respect, as determined in Good Faith by the Issuer, than the terms of the agreements in effect on the Issue Date;

(vii) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged with or into or consolidated with the Issuer or a Restricted Subsidiary; *provided* that such agreement was not entered into in contemplation of such acquisition, merger or consolidation, or any amendment thereto (so long as any such amendment is not disadvantageous in any material respect to the Holders, as determined in Good Faith by the Issuer, when taken as a whole as compared to the applicable agreement as in effect on the date of such acquisition or merger);

(viii) insurance transactions, intercompany pooling and other reinsurance transactions entered into in the ordinary course of business;

(ix) any purchases by the Issuer's Affiliates of Indebtedness of the Issuer or any of its Restricted Subsidiaries the majority of which Indebtedness is placed with Persons who are not Affiliates and payments of principal and interest on such Indebtedness;

(x) arrangements for indemnification payments for directors and officers of the Issuer and its Subsidiaries or any direct or indirect parent of the Issuer;

(xi) any issuance or sale of Capital Stock (other than Disqualified Stock) to Affiliates of the Issuer and the granting of registration and other customary rights in connection therewith or any contribution to the Capital Stock of the Issuer or any Restricted Subsidiary;

(xii) payments by the Issuer or any of its Subsidiaries to any Affiliate for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments are on arms'-length terms and are approved by a majority of the members of the Board of Directors of the Issuer in good faith;

(xiii) any transaction pursuant to which any Permitted Holder provides the Issuer and/or its Subsidiaries, at cost, with services, including services to be purchased from third-party providers, such as legal and accounting, tax, consulting, financial advisory, corporate governance, insurance coverage and other services which transaction is approved by a majority of the members of the Board of Directors or a committee thereof in good faith;

(xiv) transactions in which the Issuer or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable taken as a whole than those that might reasonably have been obtained by the Issuer or such Restricted Subsidiary in a comparable transaction at such time on an arms' length basis from a Person that is not an Affiliate;

(xv) transactions with customers, clients, suppliers, joint ventures, joint venture partners, Unrestricted Subsidiaries or purchasers or sellers of goods and services and Investments by any Insurance Subsidiary in accordance with clause (18) of the definition of "Permitted Investments", in each case in the ordinary course of business (as determined in Good Faith by the Issuer) and on terms no less favorable than that available from non-affiliates (as determined in Good Faith by the Issuer) and otherwise not prohibited by this Indenture;

(xvii) the payment of all fees and expenses in connection with the offering of the Notes;

(xviii) any merger, consolidation or reorganization of the Issuer or any Restricted Subsidiary (otherwise permitted by this Indenture) with an Affiliate of the Issuer solely for the purpose of (a) forming or collapsing a holding company structure or (b) reincorporating the Issuer or any Restricted Subsidiary in a new jurisdiction;

(xix) transactions between the Issuer or any of its Restricted Subsidiaries and any Person that is an Affiliate solely because one or more of its directors is also a director of the Issuer or any direct or indirect parent of the Issuer; *provided* that such director abstains from voting as a director of the Issuer or such direct or indirect parent, as the case may be, on any matter involving such other Person;

(xxiv) Any IPO Reorganization Transaction and the payment of all fees and expenses related to any IPO Reorganization Transaction and any Transaction Expense.

SECTION 3.9. Change of Control.

(a) If a Change of Control occurs, unless the Issuer has exercised its right to redeem all of the Notes as described under paragraph 6 of the applicable Notes Supplemental Indenture and all conditions precedent applicable to such redemption have been satisfied, each Holder shall have the right to require the Issuer to repurchase all or any part (in integral multiples of \$1,000 except that no Note may be tendered in part if the remaining principal amount would be less than \$2,000) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date).

(b) Prior to or within 30 days following any Change of Control, except to the extent the Issuer has exercised its right to redeem all of the Notes under paragraph 6 of the applicable Notes Supplemental Indenture, the Issuer shall mail a notice (the "Change of Control Offer") to each Holder or otherwise give notice in accordance with the applicable procedures of DTC, with a copy to the Trustee, stating:

(i) that a Change of Control Offer is being made and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for purchase by the Issuer at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on a Record Date to receive interest on the relevant Interest Payment Date falling on or prior to the Redemption Date) (the "Change of Control Payment");

(ii) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed or otherwise delivered in accordance with the applicable procedures of DTC) (the "Change of Control Payment Date");

(iii) the procedures determined by the Issuer, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased;

(iv) that any Notes not tendered will continue to accrue interest in accordance with the terms of this Indenture;

(v) that, unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(vi) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes delivered for purchase and a statement that such Holder is unconditionally withdrawing its election to have such Notes purchased;

(vii) If such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control is conditional on the occurrence of such Change of Control; and

(viii) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

(c) On the Change of Control Payment Date, the Issuer shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes (in principal amounts of \$2,000 or larger integral multiples of \$1,000 in excess thereof) properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes validly tendered; and

(iii) deliver or cause to be delivered to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

(d) The Paying Agent shall promptly submit electronically or mail to each Holder of Notes so tendered the Change of Control Payment for such Notes, and upon receipt of an Authentication Order the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officer's Certificate will be required for the Trustee to authenticate or deliver such new Note) equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a minimum principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof.

(e) The Issuer shall not be required to make a Change of Control Offer following a Change of Control if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (ii) a notice of redemption for all of the outstanding Notes has been given pursuant to this Indenture unless and until there is a default in payment of the applicable redemption price or the accrued and unpaid interest to, but excluding, the proposed Redemption Date. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control.

(f) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the pursuant to Section 3.9, purchases all of the Notes validly tendered and not withdrawn by such Holders in such Change of Control Offer, all of the Holders of Notes will be deemed to have consented to tender their Notes on the same terms specified in such Change of Control Offer, and, accordingly, the Issuer or such third party may elect, upon not less than 10 nor more than 60 days' prior notice, to redeem all Notes that remain outstanding following the consummation of the Change of Control Offer at a redemption price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to but excluding, the applicable Redemption Date; *provided* that the Issuer or the applicable third party must provide any such notice of redemption within 30 days following the Change of Control Payment Date.

(g) The Issuer shall comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws or regulations thereunder in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue of such compliance.

SECTION 3.10. [Reserved].

SECTION 3.11. Effectiveness of Covenants.

(a) After the Issue Date, following the first day: (i) the Notes have an Investment Grade Rating from two Rating Agencies; and (ii) no Default or Event of Default has occurred and is continuing under this Indenture; the Issuer and its Restricted Subsidiaries shall not be subject to Sections 3.3, 3.4, 3.6, 3.7, 3.8, and 4.1(a)(iv) (collectively, the "Suspended Covenants"). Additionally, upon the commencement of a Suspension Period (as defined below), the amount of Excess Proceeds will be reset to zero.

(b) If at any time following the commencement of a Suspension Period the Notes no longer have an Investment Grade Rating from at least two Rating Agencies, then the Suspended Covenants shall thereafter be reinstated as if such covenants had never been suspended (the "Reinstatement Date") and be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of this Indenture), unless and until the Notes subsequently attain an Investment Grade Rating from at least two Rating Agencies and no Default or Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Rating); *provided, however*, that no Default, Event of Default or breach of any kind shall be deemed to exist or have occurred under this Indenture or the Notes with respect to the Suspended Covenants based on, and none of the Issuer or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period (as defined below), or any actions taken at any time pursuant to any contractual obligation arising prior to the Reinstatement Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. The period of time between the date of suspension of the covenants and the Reinstatement Date is referred to as the "Suspension Period."

(c) On the Reinstatement Date, all Indebtedness Incurred during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 3.3(b)(v). In addition, for purposes of Section 3.8 hereof, all agreements and arrangements entered into by the Issuer and any Restricted Subsidiary with an Affiliate of the Issuer during the Suspension Period prior to such Reinstatement Date will be deemed to have been entered into on or prior to the Issue Date and for purposes of Section 3.6 hereof all contracts entered into during the Suspension Period prior to such Reinstatement Date that contain any of the restrictions contemplated by such covenant will be deemed to have been existing on the Issue Date. Calculations made after the Reinstatement Date of the amount available to be made as Restricted Payments under Section 3.4 hereof will be made as though such Section 3.4 had been in effect since the Issue Date and prior and subsequent to, but not during, the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will reduce the amount available to be made as Restricted Payments under such Section 3.4 and Consolidated Net Income earned during the Suspension Period will not increase the amount under clause (3)(A) of Section 3.4(a).

(d) During Suspension Period, the Board of Directors of the Issuer may not designate any of the Issuer's Subsidiaries as Unrestricted Subsidiaries pursuant to this Indenture, unless such designation would have complied with Section 3.4 hereof as if such Section 3.4 would have been in effect during such period.

(e) The Issuer shall deliver to the Trustee an Officer's Certificate notifying the Trustee of any Reinstatement Date or the commencement of any Suspension Period and certifying that such suspension or reinstatement complied with the foregoing provisions, and in no event shall the Trustee be charged with the knowledge of such Suspension Period or Reinstatement Date, except to the extent that a Trust Officer has received such Officer's Certificate. In the case of a Suspension Period such notice shall list the Suspended Covenants.

(f) On and after each Reinstatement Date, the Issuer and its Subsidiaries may consummate any transactions contemplated by any contract or arrangement entered into in good faith during the Suspension Period, so long as such contract and such consummation would have been permitted during such Suspension Period.

SECTION 3.12. Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year (commencing with the fiscal year ending December 31, 2020) of the Issuer an Officer's Certificate signed by the principal executive officer, the principal financial officer or the principal accounting officer stating whether or not the signers know of any Default or Event of Default that occurred during such period. If they do, the certificate shall describe the Default or Event of Default and its status.

SECTION 3.13. Statement by Officers as to Default. The Issuer shall deliver to the Trustee, within 30 days after the knowledge thereof if such event is still continuing, written notice in the form of an Officer's Certificate of any Event of Default or any event which, with notice or the lapse of time or both, would constitute an Event of Default under Section 6.1(a)(i), (ii), (iii), (iv), (v), (viii) or (ix), which shall include their status.

ARTICLE IV

Successor Company

SECTION 4.1. When Company May Merge or Otherwise Dispose of Assets.

(a) The Issuer shall not consolidate with or merge with or into (whether or not the Issuer is the surviving entity), or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of the properties and assets of the Issuer and its Restricted Subsidiaries, taken as a whole, in one or more related transactions, to, any Person *unless*:

(i) if other than the Issuer, the resulting, surviving or transferee Person (the “Successor Company”) shall be a corporation, partnership or limited liability company organized and existing under the laws of the United States of America, any State of the United States, the District of Columbia or any territory thereof;

(ii) the Successor Company (if other than the Issuer) and, in the case of a Successor Company that is not a corporation, a corporate co-issuer, assumes all of the obligations of the Issuer under the Notes and this Indenture, as applicable, pursuant to a supplemental indenture or other documentation executed and delivered to the Trustee;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Issuer, the Successor Company or any Restricted Subsidiary as a result of such transaction as having been Incurred by the Issuer, the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing; and

(iv) immediately after giving effect to such transaction and any related financing transactions, as if such transactions had occurred as of the last day of the applicable fiscal quarter on a *pro forma* basis;

(A) the Issuer or the Successor Company of the Issuer, as applicable, would be able to Incur at least \$1.00 of additional Indebtedness pursuant to Section 3.3(a) hereof; or

(B) the Debt to Total Capitalization Ratio for the Issuer and its Restricted Subsidiaries or the Successor Company and its Restricted Subsidiaries, as applicable, would not be greater than the Debt to Total Capitalization Ratio immediately prior to such transaction.

(b) Without compliance with Sections 4.1(a)(iii) and (iv):

(i) any Restricted Subsidiary may consolidate with, merge with or into or transfer all or part of its properties and assets to the Issuer or a Restricted Subsidiary so long as no Capital Stock of the Restricted Subsidiary is distributed to any Person other than the Issuer or a Restricted Subsidiary, and

(ii) the Issuer may merge with an Affiliate of the Issuer solely for the purpose of reincorporating the Issuer in another jurisdiction in the United States of America, any State of the United States, the District of Columbia or any territory thereof to realize tax or other benefits, so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

(c) Upon satisfaction of the conditions set forth in Section 4.1(a) or 4.1(b), as applicable, the Issuer shall be released from its obligations under this Indenture and the Successor Company shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture, but, in the case of a lease of all or substantially all its assets, the predecessor Company will not be released from the obligation to pay the principal of and interest on the Notes.

(d) Solely for the purpose of computing amounts under Sections 3.4(a)(3)(A), (a)(3)(B), (a)(3)(C) and (a)(3)(D), the Successor Company shall only be deemed to have succeeded and be substituted for the Issuer with respect to periods subsequent to the effective time of such merger, consolidation, combination or transfer of assets.

ARTICLE V

Redemption of Notes

SECTION 5.1. Applicability of Article. Notes of or within any series that are redeemable in whole or in part before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.2) in accordance with this Article V.

SECTION 5.2. Right of Redemption.

(a) Notes of any series may be redeemed, in whole at any time, or in whole or in part at any time, subject to the conditions and in accordance with the provisions set forth in paragraph 6 of the applicable Notes Supplemental Indenture, which are hereby incorporated by reference and made a part of this Indenture.

(b) In connection with any redemption of Notes (including with the Net Cash Proceeds of an Equity Offering), any such redemption may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, consummation of any Equity Offering, incurrence of Indebtedness, or acquisition, merger or consolidation. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be rescinded (by the Issuer in its sole discretion) in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed.

SECTION 5.3. Election to Redeem; Notice to Trustee of Optional Redemptions. If the Issuer elects to redeem Notes pursuant to paragraph 6 of the applicable Notes Supplemental Indenture, the Issuer shall furnish to the Trustee, at least five Business Days (or such shorter period as the Trustee may agree) before notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to Section 5.5, an Officer's Certificate setting forth (a) the paragraph or subparagraph of such Note and/or Section of this Indenture and or Notes Supplemental Indenture pursuant to which the redemption shall occur, (b) the Redemption Date, (c) the principal amount of the Notes to be redeemed and (d) the redemption price. The Issuer shall deliver to the Trustee such documentation and records as shall enable the Trustee to select the Notes to be redeemed pursuant to Section 5.4.

SECTION 5.4. Selection by Trustee of Notes to Be Redeemed. Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.2, in the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not listed, then on as nearly a *pro rata* basis as possible or by lot or such other method in accordance with the Applicable Procedures (subject to such rounding as may be necessary so that Notes are redeemed in whole increments of \$1,000 and no Note of \$2,000 in principal amount or less shall be redeemed in part), and in accordance with the Applicable Procedures. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note in accordance with Section 5.8.

The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Notes shall relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal amount of such Note which has been or is to be redeemed.

SECTION 5.5. Notice of Redemption. Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.2, the Issuer shall mail or cause to be mailed by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address or in accordance with the applicable procedures of DTC not less than 10 nor more than 60 days prior to a date fixed for redemption (a "Redemption Date"), to each Holder of Notes to be redeemed; *provided, however*, that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with Article VIII. At the Issuer's written request, the Trustee shall give notice of redemption in the Issuer's name and at the Issuer's expense; *provided* that the Issuer shall have delivered to the Trustee, at least five Business Days (or such shorter period as the Trustee may agree) before notice of redemption is required to be mailed or caused to be mailed to Holder pursuant to this Section 5.5, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the following paragraph.

All notices of redemption shall be prepared by the Issuer and shall state:

- (a) the Redemption Date,
- (b) the redemption price, if then determinable, and if not, then a method for determination, and the amount of accrued interest, if any, to, but excluding, the Redemption Date payable as provided in Section 5.7, if any,
- (c) if less than all outstanding Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption,
- (d) in case any Note is to be redeemed in part only, the notice which relates to such Note shall state that on and after the Redemption Date, upon surrender of such Note, the Holder shall receive, without charge, a new Note or Notes of authorized denominations for the principal amount thereof remaining unredeemed,
- (e) that on the Redemption Date the redemption price (and accrued interest, if any, to, but excluding, the Redemption Date payable as provided in Section 5.7) shall become due and payable upon each such Note, or the portion thereof, to be redeemed, and, unless the Issuer defaults in making the redemption payment, that interest on Notes called for redemption (or the portion thereof) shall cease to accrue on and after said date,
- (f) the place or places where such Notes are to be surrendered for payment of the redemption price and accrued interest, if any,
- (g) the name and address of the Paying Agent,
- (h) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price,
- (i) the CUSIP and ISIN number, if any, and that no representation is made as to the accuracy or correctness of the CUSIP and ISIN number, if any, listed in such notice or printed on the Notes, and
- (j) the Section of this Indenture pursuant to which the Notes are to be redeemed.

SECTION 5.6. Deposit of Redemption Price. By no later than 11:00 a.m. (New York City time) on the Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 2.5) an amount of money sufficient to pay the redemption price of, and accrued interest on, all the Notes which are to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price.

SECTION 5.7. Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified (together with accrued interest, if any, to, but excluding, the Redemption Date) (except as provided for in Section 5.2(b)) and from and after such date (unless the Issuer shall default in the payment of the redemption price and accrued interest) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Issuer at the redemption price, together with accrued interest, if any, to, but excluding, the Redemption Date (subject to the rights of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Notes.

If a Redemption Date is on or after a Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, shall be paid to the Person in whose name the Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders whose Notes shall be subject to redemption by the Issuer.

SECTION 5.8. Notes Redeemed in Part. Any Note which is to be redeemed only in part (pursuant to the provisions of this Article) shall be surrendered at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.4 (with, if the Issuer so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Issuer shall execute, and, upon receipt of an Authentication Order, the Trustee shall authenticate and make available for delivery to the Holder of such Note at the expense of the Issuer, a new Note or Notes, of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered, *provided* that each such new Note shall be in a minimum principal amount of \$2,000 and integral multiples of \$1,000 in excess thereof.

ARTICLE VI

Defaults and Remedies

SECTION 6.1. Events of Default.

(a) Each of the following is an event of default (an "Event of Default"):

(i) default in any payment of interest on any Note when the same becomes due, and the such default continues for a period of 30 days;

(ii) default in the payment of principal of or premium, if any, on any Note when the same becomes due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration of acceleration or otherwise;

(iii) failure by the Issuer to comply with its obligations under Section 3.9 hereof or Article IV hereof;

(iv) failure by the Issuer to comply for 60 days after written notice as provided below with any of its obligations under the Notes or this Indenture (except as contained in clauses (a)(i) through (a)(iii) of this Section 6.1); provided that, such 60-day period shall instead be 180 days with respect to defaults under Section 3.1.

(v) the Issuer or any of its Significant Subsidiaries defaults under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any of its Significant Subsidiaries (or the payment of which is guaranteed by the Issuer or any of its Significant Subsidiaries), other than Indebtedness owed to the Issuer or a Significant Subsidiary, whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, which default:

(A) is caused by a failure to pay principal on such Indebtedness at its final stated maturity within the grace period provided in the agreements or instruments governing such Indebtedness (“payment default”); or

(B) results in the acceleration of such Indebtedness prior to its stated final maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates \$100.0 million or more (or its foreign currency equivalent);

(vi) the Issuer or a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law (as defined below):

(A) commences a voluntary case or proceeding with respect to itself;

(C) orders the winding up or liquidation of the Issuer or any Significant Subsidiary and the order or decree remains unstayed and in effect for any period of 60 consecutive days; and

(viii) failure by the Issuer or any Significant Subsidiary to pay final and non-appealable judgments aggregating in excess of \$100.0 million (or its foreign currency equivalent) (net of any amounts that are covered by insurance), which judgments remain unsatisfied or undischarged for any period of 60 consecutive days during which a stay of enforcement of such judgments shall not be in effect.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

Notwithstanding the foregoing, a default under clause (iv) of this Section 6.1(a) shall not constitute an Event of Default until the Trustee or the Holders of at least 30% in principal amount of the then outstanding Notes notify the Issuer of the default and the Issuer does not cure such default within the time specified in clause (iv) of this Section 6.1(a) after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a “Notice of Default.”

The term “Bankruptcy Law” means Title 11, United States Code, or any similar Federal, state or foreign law for the relief of debtors. The term “Custodian” means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

SECTION 6.2. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.1(a)(vi) or (vii) with respect to the Issuer) occurs and is continuing, unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.2, the Trustee by notice in writing specifying the Event of Default and that it is a “notice” to the Issuer, or the Holders of at least 30% in principal amount of the then outstanding Notes by notice to the Issuer and the Trustee, may, and the Trustee at the request of such Holders shall, subject to its rights and protections herein, declare the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium, if any, and accrued and unpaid interest, if any, shall, subject to Section 6.4, be immediately due and payable. In the event of a declaration of acceleration of the Notes because an Event of Default set forth in Section 6.1(a)(v) above has occurred and is continuing, unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.2, such declaration of acceleration of the Notes shall be automatically rescinded and annulled if the default triggering such Event of Default pursuant to Section 6.1(a)(v) shall be remedied or cured

by the Issuer or a Restricted Subsidiary, as applicable, or waived by the holders of the relevant Indebtedness within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest, if any, on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived. If an Event of Default specified in Section 6.1(a)(vi) or (vii) with respect to the Issuer occurs and is continuing, unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.2, the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.3. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes and this Indenture (including sums owed to the Trustee and its agents and counsel).

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

SECTION 6.4. Waiver of Past Defaults. Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.2, the Holders of a majority in principal amount outstanding (including without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, notes) Notes by notice to the Trustee may waive an existing Default or Event of Default and its consequences (except a Default or Event of Default in the payment of the principal of, premium or interest on a Note) and rescind any such acceleration with respect to the Notes and its consequences if (1) rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived.

SECTION 6.5. Control by Majority. Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture as contemplated by Section 2.2, the Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction (i) if such direction conflicts with law or this Indenture, the Notes, or (ii) subject to Sections 7.1 and 7.2, the Trustee determines in good faith that such direction is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders). The Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction by the Holders pursuant to this Section 6.5. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnity or security satisfactory to it in its sole discretion against all losses, liabilities and expenses caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (i) the Holder has previously given to the Trustee written notice stating that an Event of Default is continuing;
- (ii) the Holders of at least 30% in principal amount of the Notes then outstanding have made a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders have offered to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (iv) the Trustee has not complied with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in principal amount of the then outstanding Notes do not give the Trustee a direction that is inconsistent with the request during such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, premium (if any) or interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in Section 6.1(a)(i) or (ii) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.6.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer, its Subsidiaries or their respective creditors or properties and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions,

and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.6. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, and any other amounts due to the Trustee under Section 7.6 hereof out of the estate in any proceeding shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in such proceeding.

SECTION 6.10. Priorities. The Trustee shall pay out any money or property received by it in the following order:

First: to the Trustee for amounts due to the Trustee and the Agents under this Indenture;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Third: to the Issuer or, as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Issuer shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by the Issuer, a suit by Holder pursuant to Section 6.7 or a suit by Holders of more than 10% in outstanding principal amount of the Notes.

ARTICLE VII

Trustee

SECTION 7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs; *provided* that if an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under this Indenture or the Notes at the request or direction of any of the Holders unless such Holders have offered the Trustee indemnity, or security satisfactory to the Trustee in its sole discretion, as applicable, against loss, liability or expense.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee under this Indenture and the Notes, as applicable. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture and the Notes, as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer or Trust Officers unless it is proved in a final and non-appealable decision of a court of competent jurisdiction that the Trustee was grossly negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5; and

(d) The Trustee shall not be liable for interest on or investing any money received by it except as the Trustee may agree in writing with the Issuer.

(e) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(f) No provision of this Indenture or the Notes shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. The Trustee shall not be required to give any bond or surety in respect of the performance of its powers or duties hereunder.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee, security, prefunding or indemnity satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction.

SECTION 7.2. Rights of Trustee.

(a) The Trustee may conclusively rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or any other paper or document believed by it to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; *provided, however*, that the Trustee's conduct, respectively, does not constitute willful misconduct or gross negligence as determined in a final and non-appealable decision of a court of competent jurisdiction.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture or the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder or under the Notes in good faith and in reliance on the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into any statement, warranty or representation, or the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or other paper or document made or in connection with this Indenture; moreover, the Trustee shall not be bound to make any investigation into (i) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture or any other agreement, instrument or document or (iii) the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note or other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which a Trust Officer shall have (x) received written notification from the Issuer or Holders at the Corporate Trust Office of the Trustee and such notice references the Notes and this Indenture or (y) exclusively in the case of a payment default, obtained “actual knowledge.” “Actual knowledge” shall mean the actual fact or statement of knowing by a Trust Officer without independent investigation with respect thereto.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be compensated, reimbursed and indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder.

(j) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(k) The permissive rights of the Trustee enumerated herein shall not be construed as duties. The Trustee shall have no obligation to pursue any action that is not in accordance with applicable law.

(l) The Issuer shall provide prompt written notice to the Trustee of any change to its fiscal year.

SECTION 7.3. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Section 7.9. In addition, the Trustee shall be permitted to engage in transactions with the Issuer; *provided, however*, that if the Trustee acquires any conflicting interest (as such term is used in the TIA) the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the SEC for permission to continue acting as Trustee or (iii) resign.

SECTION 7.4. Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the Notes or the proceeds from the Notes, and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes, other than the Trustee's certificate of authentication or for the use or application of any funds received by any Paying Agent other than the Trustee.

SECTION 7.5. Notice of Defaults. If a Default occurs and is continuing and is known to the Trustee in accordance with Section 7.2(g), the Trustee shall mail to each Holder notice of the Default within 90 days after the Trustee obtains such knowledge. Except in the case of a Default in payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if the Trustee determines in good faith that withholding the notice is in the interests of Holders.

SECTION 7.6. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its services as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable and documented out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing and reviewing reports, certificates and other documents, costs of preparation and mailing of notices to Holders and reasonable costs of counsel, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer shall indemnify the Trustee or any predecessor Trustee in each of its capacities hereunder (including Paying Agent, and Registrar), and each of their officers, directors, employees, counsel and agents, against any and all loss, liability or expense (including, but not limited to, reasonable attorneys' fees and expenses) incurred by it in connection with the administration of this trust and the performance of its duties hereunder and under the Notes, including the costs and expenses of enforcing this Indenture (including this Section 7.6) and the Notes and of defending itself against any claims (whether asserted by any Holder, the Issuer or otherwise). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through its own willful misconduct or gross negligence as determined in a final and non-appealable decision of a court of competent jurisdiction.

To secure the Issuer's payment obligations in this Section, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. The right of the Trustee to receive payment of any amounts due under this Section 7.6 shall not be subordinate to any other liability or indebtedness of the Issuer.

The Issuer's payment obligations pursuant to this Section and any lien arising hereunder shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.1(a)(vi) or (vii) with respect to the Issuer, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

The obligation of the Issuer under this Section 7.6 shall survive satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

SECTION 7.7. Replacement of Trustee. The Trustee may resign at any time by so notifying the Issuer. The Holders of a majority in principal amount of the Notes may remove the Trustee by so notifying the Issuer and the Trustee in writing and may appoint a successor Trustee. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.9;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Issuer or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. Upon payment of amounts then due it, The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.6.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10% in principal amount of the Notes may petition, at the Issuer's expense, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.9, unless the Trustee's duty to resign is stayed, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the Issuer's obligations under Section 7.6 shall continue for the benefit of the retiring Trustee.

SECTION 7.8. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act, shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.9. Eligibility; Disqualification. The Trustee shall have a combined capital and surplus of at least \$50.0 million as set forth in its most recent filed annual report of condition.

ARTICLE VIII

Discharge of Indenture; Defeasance

SECTION 8.1. Discharge of Liability on Notes; Defeasance.

(a) When (i) (x) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, have been delivered to the Trustee for cancellation or (y) all outstanding Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of making a notice of redemption pursuant to Section 5.5 hereof or otherwise, or will become due and payable within one year or may be called for redemption within one year under arrangements pursuant to Article V and the Issuer irrevocably deposits or causes to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders in U.S. dollars, U.S. Government Obligations, or a combination thereof, in such amounts as shall be sufficient without consideration of any reinvestment of interest to pay and discharge the entire Indebtedness on such Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to, but excluding, the date of maturity or redemption, as the case may be; *provided* that, with respect to any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit on the date of redemption (any such amount, the "Applicable Premium Deficit") only required to be deposited with the Trustee at or before 11:00 a.m. (New York City time) on the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption; (ii) no Default or Event of

Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit (other than a default resulting from borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowing); (iii) the Issuer has paid or caused to be paid all sums payable by the Issuer on the date of deposit to the Trustee under this Indenture; and (iv) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of such Notes at maturity or the Redemption Date, as the case may be, then this Indenture shall, subject to Section 8.1(c), cease to be of further effect.

(b) Subject to Sections 8.1(c) and 8.2, the Issuer at any time may at its option terminate (i) all of the Issuer's obligations under the Notes and this Indenture ("legal defeasance option") or (i) the obligations of the Issuer under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9 and 3.11 and the operation of Sections 4.1(a)(iii) and (a)(iv) and Sections 6.1(a)(iii) (other than with respect to any Default under Section 3.12 or 3.13), 6.1(a)(iv), 6.1(a)(v), 6.1(a)(vi) (only with respect to Significant Subsidiaries, 6.1(a)(vii) (only with respect to Significant Subsidiaries and 6.1(a)(viii)) ("covenant defeasance option"). The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Issuer exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default. If the Issuer exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Section 6.1(a)(iii) (only with respect to the covenants subject to such covenant defeasance), 6.1(a)(iv), 6.1(a)(v), 6.1(a)(vi) (only with respect to Significant Subsidiaries), 6.1(a)(vii) (only with respect to Significant Subsidiaries), 6.1(a)(viii) or 6.1(a)(ix) or because of the failure of the Issuer to comply with Section 4.1(a)(iii) or (iv).

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

(c) Notwithstanding the provisions of Sections 8.1(a) and (b), the Issuer's obligations in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.10, 2.11, 2.13, 3.1, 6.7, 6.8, 7.1, 7.2, 7.6, 7.7, 8.1(b) (with respect to legal defeasance), 8.3, 8.4, 8.5 and 8.6 shall survive until the Notes have been paid in full. Thereafter, the Issuer's obligations in Sections 6.7, 7.6, 8.4 and 8.5 shall survive.

SECTION 8.2. Conditions to Defeasance. The Issuer may exercise its legal defeasance option or its covenant defeasance option only if:

(i) the Issuer shall irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, U.S. dollars or U.S. Government Obligations, or a combination of U.S. dollars and U.S. Government Obligations, in such amounts as shall be sufficient, in the event a deposit of U.S. Government Obligations is made, to pay the principal of, or interest and premium, if any, on the outstanding Notes issued hereunder on the Stated Maturity or on the applicable Redemption Date, as the case may be, and the Issuer must specify whether the Notes are being defeased to maturity or to a particular Redemption Date; *provided that*, with respect to any redemption that requires the payment of the

Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee at or before 11:00 a.m. New York City time on the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(ii) in the case of legal defeasance, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee stating that, subject to customary assumptions and exclusions, (a) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such legal defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred;

(iii) in the case of covenant defeasance, the Issuer has delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee stating that, subject to customary assumptions and exclusions, the Holders of the respective outstanding Notes shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(iv) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowings);

(v) the Issuer shall deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding creditors of the Issuer or others; and

(vi) the Issuer shall deliver to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the legal defeasance or the covenant defeasance, as the case may be, have been complied with.

SECTION 8.3. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article VIII. It shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

SECTION 8.4. Repayment to Company. Anything herein to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon receipt of an Officer's Certificate any money or U.S. Government Obligations held by it as provided in this Article VIII which are in excess of the amount thereof which would then be required to be deposited to effect legal defeasance or covenant defeasance, as applicable.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal of or interest on the Notes that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors.

SECTION 8.5. Indemnity for U.S. Government Obligations. The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations. This Section shall survive the satisfaction and discharge of the Indenture or the resignation or removal of the Trustee.

SECTION 8.6. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Issuer under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; *provided, however*, that, if the Issuer has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE IX

Amendments

SECTION 9.1. Without Consent of Holders. This Indenture and the Notes may be amended or supplemented without notice to or consent of any Holder:

- (i) to cure any ambiguity, omission, defect, mistake or inconsistency;
- (ii) to provide for the assumption by a successor corporation of the obligations of the Issuer under this Indenture and the Notes;
- (iii) to provide for or facilitate the issuance of uncertificated Notes in addition to or in place of Certificated Notes; *provided* that such uncertificated Notes are properly treated as in registered form for U.S. federal income tax purposes;
- (iv) to comply with the rules of any applicable depository;
- (v) to add Guarantees with respect to the Notes;

(vi) to secure the Notes;

(vii) to add to the covenants of the Issuer and its Restricted Subsidiaries or Events of Default for the benefit of the Holders or to make changes that would provide additional rights to the Holders, or to surrender any right or power herein conferred upon the Issuer;

(viii) to make any change that does not adversely affect the rights of any Holder in any material respect;

(ix) to comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA, as amended, if applicable;

(x) to provide for the appointment of a successor trustee; *provided* that the successor trustee is otherwise qualified and eligible to act as such under the terms of this Indenture;

(xi) to conform the text of this Indenture and the Notes to any provision of the "Description of the Notes" section of the Offering Memorandum or, with respect to any Additional Notes and any supplemental indenture or other instrument pursuant to which such Additional Notes are issued, to such "Description of the Notes" relating to the issuance of such Additional Notes solely to the extent that such "Description of the Notes" provides for terms of such Additional Notes that differ from the terms of the Initial Notes, in each case as evidenced in an Officer's Certificate delivered to the Trustee;

(xii) to provide for or confirm the issuance of Additional Notes in accordance with the terms of this Indenture;

(xiii) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes, including to facilitate the issuance, transfer, delegending or administration of Notes; *provided*, however, that compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any other applicable securities law.

After an amendment or supplement under this Section becomes effective, the Issuer shall mail to Holders, or deliver in accordance with the applicable procedures of DTC, a notice briefly describing such amendment or supplement. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment or supplement under this Section. A consent to any amendment, supplement or waiver under this Indenture by any Holder given in connection with a tender of such Holder's Note shall not be rendered invalid by such tender.

Upon the request of the Issuer accompanied by a Board Resolution authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Sections 7.2 and 11.2 hereof, and subject to Section 9.5 hereof, the Trustee shall join with the Issuer in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.2. With Consent of Holders. This Indenture and the Notes may be amended or supplemented with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Any past default or compliance with the provisions of this Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes); *provided* that (x) if any such amendment or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under this Indenture, then only the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) shall be required and (y) if any such amendment or waiver by its terms will affect a series of Notes in a manner different and materially adverse relative to the manner such amendment or waiver affects other series of Notes, then the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) shall be required. However, without the consent of each Holder of an outstanding Note affected, no amendment, supplement or waiver may:

(i) reduce the principal amount of Notes whose Holders must consent to an amendment;

(ii) reduce the rate of or change the stated time for payment of interest on any Note;

(iii) reduce the principal of or extend the Stated Maturity of any Note;

(iv) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on the Notes issued hereunder (except a rescission of acceleration of the Notes issued hereunder by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes with respect to a nonpayment default and a waiver of the payment default that resulted from such acceleration);

(v) reduce the premium payable upon the redemption or repurchase of any Note or change the time at which any Note may be redeemed or repurchased in accordance with Article V hereof;

(vi) make any Note payable in a currency other than that stated in the Note;

(vii) impair the right of any Holder to receive payment of principal, premium, if any, and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes; or

(viii) make any change in the amendment provisions in this Section 9.2 as described in clauses (i) through (vii) above.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment or supplement, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or waiver under this Indenture by any Holder given in connection with a tender of such Holder's Note shall not be rendered invalid by such tender.

Upon the request of the Issuer accompanied by a Board Resolution authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Sections 7.2 and 11.2 hereof, and subject to Section 9.5 hereof, the Trustee shall join with the Issuer in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

After an amendment or supplement under this Indenture becomes effective, the Issuer is required to mail to the Holders, or deliver in accordance with the Applicable Procedures, a notice briefly describing such amendment or supplement. The failure to give such notice to all the Holders, or any defect in the notice will not impair or affect the validity of the amendment or supplement.

SECTION 9.3. Effect of Consents and Waivers. A consent to an amendment, supplement or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. After an amendment or waiver becomes effective, it shall bind every Holder. A waiver made pursuant to Section 9.2 shall become effective upon receipt by the Trustee of the requisite number of written consents.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or revoke such consent or to take any such action, whether or not such Persons continue to be Holders after such record date.

SECTION 9.4. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue, and upon receipt of an Authentication Order the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.5. Trustee To Sign Amendments. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment, supplement or waiver does not, in the sole determination of the Trustee, adversely affect the rights, duties, liabilities or immunities of the Trustee. In signing any amendment, supplement or waiver pursuant to this Article IX, the Trustee shall receive, and (subject to Sections 7.1 and 7.2) shall be fully protected in conclusively relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by or complies with this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, subject to customary exceptions. For the avoidance of doubt, no Officer's Certificate or Opinion of Counsel pursuant to Section 11.2 shall be required on the Issue Date for the execution of any Note Supplemental Indenture.

(iv) a statement as to whether or not, in the opinion of such individual or such firm, such covenant or condition has been complied with.

In giving such Opinion of Counsel, counsel may rely as to factual matters on an Officer's Certificate or on certificates of public officials.

If a regular Record Date is not a Business Day, the Record Date shall not be affected.

SECTION 11.6. Governing Law. This Indenture and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 11.7. No Recourse Against Others. No past, present or future director, officer, employee, incorporator, member, partner or direct or indirect stockholder of the Issuer shall have any liability for any obligations of the Issuer or its Restricted Subsidiaries under the Notes, this Indenture, or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release shall be part of the consideration for the issuance of the Notes.

SECTION 11.8. Successors. All agreements of the Issuer in this Indenture and the Notes shall bind its successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 11.9. Multiple Originals. The parties may sign any number of copies (including PDF copies) of this Indenture. Each manually or electronically signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture.

Upon exchange of this Regulation S Temporary Global Note for one or more Global Notes, the Trustee shall cancel this Regulation S Temporary Global Note.]⁷

9. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes. Only registered Holders shall have rights hereunder.

10. Unclaimed Money

If money for the payment of the principal of or premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuer at its request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment.

11. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations under the Notes and the Indenture if the Issuer deposits with the Trustee money or U.S. Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

⁷ Include in Regulation S Temporary Global Note only.

12. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture and the Notes may be amended with the written consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for Notes) and (ii) any default (other than (x) with respect to nonpayment or (y) in respect of a provision that cannot be amended without the written consent of each Holder affected) or noncompliance with any provision may be waived with the written consent of the Holders of a majority in principal amount of the Notes then outstanding (including without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes); *provided that* (x) if any such amendment or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under the Indenture, then only the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) shall be required and (y) if any such amendment or waiver by its terms will affect a series of Notes in a manner different and materially adverse relative to the manner such amendment or waiver affects other series of Notes, then the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) shall be required. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Issuer and the Trustee may amend the Indenture and the Notes in certain circumstances as set forth in the Indenture.

13. Defaults and Remedies⁸

Under the Indenture, and subject to the terms and provisions of the Indenture, Events of Default include, without limitation: (i) default in any payment of interest on any Note when the same becomes due and the default continues for 30 days; (ii) default in payment of the principal of or premium, if any, on any Note when the same becomes due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration of acceleration or otherwise; (iii) failure by the Issuer to comply with its obligations under Section 3.9 or Article IV of the Indenture, (iv) failure by the Issuer to comply with certain other provisions or agreements in the Indenture and the Notes, in certain cases subject to notice and lapse of time; (v) certain accelerations (including failure to pay within any grace period after final maturity) of other Indebtedness for money borrowed of the Issuer or any Significant Subsidiary if the amount accelerated (or so unpaid) exceeds \$100.0 million (or its foreign currency equivalent); (vi) certain events of bankruptcy or insolvency with respect to the Issuer or any Significant Subsidiary; and (vii) certain final and non-appealable judgments for the payment of money aggregating in excess of \$100.0 million (or its foreign currency equivalent) (net of amounts that are covered by insurance) against the Issuer or a Significant Subsidiary.

If an Event of Default occurs and is continuing, the Trustee or Holders of at least 30% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Certain events of bankruptcy or insolvency with respect to the Issuer are Events of Default which shall result in the Notes being due and payable immediately upon the occurrence of such Events of Default.

⁸ Revise in accordance with Section 2.2(8) of the Indenture, if applicable.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives indemnity or security satisfactory to the Trustee. Subject to certain limitations, Holders of a majority in principal amount of the Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default in payment of principal or interest) if it determines in good faith that withholding the notice is in the interests of Holders.

14. Trustee Dealings with the Issuer

Subject to certain limitations set forth in the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee.

15. No Recourse Against Others

3. Maturity Date. The final Stated Maturity of the 2025 Notes shall be August 15, 2025.

4. Interest and Interest Rates. Interest on the outstanding principal amount of 2025 Notes will accrue at the rate of 6.500% per annum and will be payable semi-annually in arrears on February 15 and August 15 in each year, commencing on February 15, 2021, to holders of record on the immediately preceding February 1 and August 1, respectively (each such February 1 and August 1, a "Record Date"). Interest on the 2025 Notes will accrue from the most recent date to which interest has been paid or provided for or, if no interest has been paid, from August 21, 2020, except that interest on any Additional 2025 Notes (as defined below) issued on or after the first Interest Payment Date will accrue (or will be deemed to have accrued) from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid on such Additional 2025 Notes, from the Interest Payment Date immediately preceding the date of issuance of such Additional 2025 Notes (or if the date of issuance of such Additional 2025 Notes is an Interest Payment Date, from such date of issuance); *provided* that if any 2025 Note is surrendered for exchange on or after a record date for an Interest Payment Date that will occur on or after the date of such exchange, interest on such Note received in exchange thereof will accrue from such Interest Payment Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

5. No Limitation on Aggregate Principal Amount. The aggregate principal amount of 2025 Notes that may be authenticated, delivered and outstanding under the Indenture is not limited. The aggregate principal amount of the 2025 Notes issued pursuant to this Supplemental Indenture shall be \$750 million. The Issuer may from time to time, without the consent of the Holders, create and issue Additional Notes having the same terms and conditions as the Notes in all respects except for issue date and, if applicable, issue price and the first date on which interest accrues and the first payment of interest thereon. Additional Notes issued in this manner will be consolidated with, and will form a single series with, the 2025 Notes (any such Additional Notes, “Additional 2025 Notes”), unless otherwise specified for Additional Notes in an applicable Notes Supplemental Indenture, or otherwise designated by the Issuer, as contemplated by Section 2.2 of the Indenture.

6. Redemption. Except as set forth in clauses (b), (c) and (d) of this Paragraph 6, the 2025 Notes are not redeemable until February 15, 2025. On and after February 15, 2025 (the “Par Call Date”), the Issuer may redeem the 2025 Notes, in whole or in part, at 100.0% of principal amount of the 2025 Notes to be redeemed plus accrued and unpaid interest on the 2025 Notes, if any, to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date that is prior to the relevant Redemption Date). In addition, at any time prior to February 15, 2025, the Issuer may redeem the 2025 Notes, in whole or in part, at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date). In addition, at any time prior to August 15, 2022, the Issuer may, on one or more occasions, redeem up to 40% of the aggregate principal amount of the 2025 Notes (including Additional 2025 Notes), in whole or in part, at a redemption price equal to 106.5% of the principal amount of the 2025 Notes redeemed, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date (subject to the rights of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date) with an amount not greater than the net cash proceeds of one or more Equity Offerings, if: (i) at least 50% of the aggregate principal amount of the Notes issued under the Indenture on the Issue Date remain outstanding immediately after the occurrence of such redemption (excluding Notes held by the Issuer or any of its Subsidiaries); and (ii) the redemption occurs within 90 days of such Equity Offering. If Holders of not less than 90% in aggregate principal amount of the outstanding 2025 Notes (including Additional 2025 Notes) validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described under Section 3.9 of the Indenture, purchases all of the 2025 Notes validly tendered and not withdrawn by such Holders in such Change of Control Offer, all of the Holders of 2025 Notes will be deemed to have consented to such tender their Notes on the same terms specified in such Change of Control Offer, and, accordingly, the Issuer or such third party may elect, upon not less than 10 nor more than 60 days’ prior notice, to redeem all 2025 Notes that remain outstanding following the consummation of the Change of Control Offer at a redemption price equal to 101% of the principal amount thereof *plus* accrued and unpaid interest, if any, to but excluding, the applicable Redemption Date; *provided* that the Issuer or the applicable third party must provide any such notice of redemption within 30 days following the Change of Control Payment Date. Any redemption pursuant to this paragraph 6 shall be made pursuant to the provisions of Section 5.1, and Sections 5.2 through 5.8 of the Indenture. In

connection with any redemption of Notes (including with the Net Cash Proceeds of an Equity Offering), any such redemption may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, consummation of any Equity Offering, incurrence of Indebtedness, or acquisition, merger or consolidation. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be rescinded (by the Issuer in its sole discretion) in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed.

For purposes of this paragraph 6, the following terms shall have the following meanings:

“Applicable Premium” means, as determined by the Issuer with respect to a Note on any Redemption Date, the greater of:

(1) 1.0% of the principal amount of such Note; and

(2) the excess, if any, of (a) the present value as of such Redemption Date of (i) the par value of such note on the Par Call Date, *plus* (ii) the remaining scheduled interest payments due on such Note through the Par Call Date (excluding accrued but unpaid interest to the Redemption Date), computed using a discount rate equal to the Treasury Rate as of such Redemption Date *plus* 50 basis points, over (b) the then outstanding principal amount of such Note.

“Treasury Rate” means, as obtained by the Issuer, the yield to maturity at the time of computation of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two Business Days prior to the Redemption Date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the Redemption Date to the Par Call Date; *provided, however*, that if the period from the Redemption Date to the Par Call Date is not equal to the constant maturity of a United States Treasury security for which a weekly average yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury securities for which such yields are given.

7. Form. The 2025 Notes shall be issued substantially in the form set forth, or referenced, in Article II of the Indenture, and Exhibit A attached to the Indenture, in each case as provided for in Section 2.1 of the Indenture (as such form may be modified in accordance with Section 2.2 of the Indenture).

8. Governing Law. THIS SUPPLEMENTAL INDENTURE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

9. Waiver of Jury Trial. EACH PARTY HERETO WAIVES (AND BY ITS HOLDING OF A NOTE, EACH HOLDER SHALL BE DEEMED TO HAVE WAIVED), TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10. Ratification of Indenture; Supplemental Indentures Part of Indenture. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect. This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder of Notes heretofore or hereafter authenticated and delivered shall be bound hereby. The Trustee makes no representation or warranty as to the validity or sufficiency of this Supplemental Indenture or as to the accuracy of the recitals to this Supplemental Indenture.

12. Headings. The section headings herein are for convenience of reference only and shall not be deemed to alter or affect the meaning or interpretation of any provisions hereof.
