**Explanation of Responses:**

- The price reported in Column 4 is a weighted average price. The actual sales prices for these transactions ranged from \$117.01 to \$120.00. The reporting person will provide the issuer, any security holder of the issuer, or the SEC staff, upon request, full information regarding the number of shares sold at each separate price within the range.
- The options, representing an initial right to purchase a total of 54,946 shares, vested and became exercisable commencing March 31, 2013 in equal increments over a period of twelve months on the last day of the month during which Mr. Eck served as Interim Chief Executive Officer of the Company, and for one additional month thereafter as long as he continued to serve as a director. The options have ceased to vest and the unvested portion has been forfeited, cancelled and has ceased to be exercisable.
