Resignation of Director

On April 3, 2018, Jesse A. Cohn notified the board of directors (the “Board”) of LogMeIn, Inc. (the “Company”) of his intention not to stand for re-election at the Company’s 2018 Annual Meeting of Stockholders. Mr. Cohn will remain a member of the Board until the expiration of his term at the 2018 Annual Meeting of Stockholders in May 2018. Mr. Cohn’s decision not to stand for re-election was not the result of any disagreement with the Board or the Company relating to its operations, policies or practices.

Election of Director

On April 4, 2018, the Company’s Board increased the size of the Board to ten (10) and elected Sara C. Andrews as a director. Ms. Andrews has been designated a class III director and will serve until the Company’s 2018 Annual Meeting of Stockholders, or until her successor has been duly elected and qualified. Immediately following the conclusion of the Company’s 2018 Annual Meeting of Stockholders, the size of the Board will be reduced back to nine, to reflect the number of directors then serving on the Board.

Ms. Andrews has served as the Chief Information Security Officer at PepsiCo, Inc., a multinational food, snack and beverage corporation, since July 2014, where she is responsible for safeguarding networks and data across all PepsiCo business units and brands globally. Prior to joining PepsiCo, Ms. Andrews served as the Chief Network Security Officer and Chief Information Security Officer of Verizon Communications, Inc., a multinational telecommunications company, from June 1997 to July 2014, during which time she lead several organizations responsible for data security and the security and integrity of Verizon’s wireline networks and information systems. Ms. Andrews also serves on the Board of the Collin County Children’s Advocacy Center, a non-profit child advocacy center based in Plano, Texas and is a member of the CISO (Chief Information Security Officer) Coalition National Leadership Board. Ms. Andrews was recommended to the Board by the Company’s Nominating and Corporate Governance Committee, in accordance with the provisions of its charter. The Company believes Ms. Andrews’ qualifications to serve on the Board include her experience in information and network security at large public companies as well as her experience in the telecommunications industry as an operating executive.

There are currently no arrangements or understandings between Ms. Andrews and any other person pursuant to which Ms. Andrews was selected as a director. There are currently no transactions in which Ms. Andrews has an interest requiring disclosure under Item 404(a) of Regulation S-K.

In accordance with the Company’s director compensation policy, Ms. Andrews will receive an annual retainer of \$50,000 for her service as a director and reimbursement for any out-of-pocket expenses incurred in connection with attending the Company’s board meetings. It is expected that Ms. Andrews will be granted a restricted stock unit award at the next regularly scheduled meeting of the Company’s Board.

LogMeIn Names Sara Andrews to Board of Directors

BOSTON, April 9, 2018 – LogMeIn, Inc. (Nasdaq:LOGM) has named Sara Andrews, SVP and Global CISO of PepsiCo to the company’s board of directors.

A renowned security executive and member of the CISO (Chief Information Security Officer) Coalition national Leadership Board, Andrews is SVP, Global CISO at PepsiCo – the company’s top information security executive. Prior to her role at PepsiCo, she held multiple senior security roles at Verizon including CISO of Verizon Business and Chief Network Security Officer (CNSO) for Verizon, as a whole. She has been recognized in the Chief Information Security Officer 100 List in 2017, was the recipient of the 2016 Breakaway Leader Award honoring CISOs who demonstrate exceptional leadership, and was selected as a finalist for the Executive Women’s Forum for Information Security, Risk management and Privacy’s “Women of Influence” Awards.

“Sara Andrews has a well-earned reputation as both a world-class security leader and a highly accomplished executive,” said Bill Wagner, President and CEO of LogMeIn. “We believe it is critical that our board includes an increasingly significant breadth of experience, knowledge, and abilities across industries and across critical functions. Sara’s leadership at PepsiCo and within the security community introduces invaluable experience that we see as highly complementary to our Board of Directors.”

“In the rapidly evolving SaaS environment, LogMeIn is differentiating itself and improving the way people across the world work and interact together,” said Andrews. “I am honored to join the LogMeIn Board of Directors and welcome the opportunity to lend my passion and advocacy for cybersecurity to help advance the organization’s mission.”

Andrews will replace Jesse Cohn of Elliott Management, who had joined LogMeIn’s Board in January of 2017 as part of its merger with Citrix Systems, Inc.’s (Nasdaq:CTXS) GoTo family of products and whose term will expire at LogMeIn’s Annual Stockholder Meeting in May. Andrews joins LogMeIn Chairman Michael Simon, LogMeIn President and CEO Bill Wagner, and independent directors Steven Benson, Michael Christenson, Edwin Gillis, Robert Calderoni, David Henshall and Peter Sacripanti on LogMeIn’s Board.

“Sara is a great addition – and her experience a great complement – to LogMeIn’s strong board and proven leadership team,” said Cohn. “Under Bill’s leadership, LogMeIn has generated significant value for its shareholders and is now poised for its next chapter of growth into one of the preeminent SaaS leaders.”

Wagner added, “We also want to thank Jesse Cohn for his leadership, guidance and integral role as Director in helping to advance LogMeIn from a small cap disrupter to leader in our core markets and one of the world’s largest SaaS companies.”
