Cautionary Language Concerning Forward-Looking Statements

Information set forth in this filing constitutes “forward-looking statements” concerning the Company, Citrix Systems, Inc. (“Citrix”), GetGo, Inc. (“GetGo”), the proposed transactions and other matters, including statements with respect to the anticipated timing of the completion of the merger, the expected tax treatment of the transactions, pro forma financial results and the expected number of customers of the combined business. These forward-looking statements are based on the current expectations, beliefs and assumptions of the management of the Company, Citrix and GetGo, and there can be no assurance that future developments affecting the parties will be those that the parties anticipate.

Among the risks and uncertainties that could cause actual results to differ from those described in the forward-looking statements are the following: (1) the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement, (2) the risk that the Company’s stockholders may not approve the issuance of the Company common stock in connection with the proposed merger, (3) the risk that the necessary regulatory approvals may not be obtained or may be obtained subject to conditions that are not anticipated, (4) risks that any of the closing conditions to the proposed merger, including Citrix’s distribution of the shares of GetGo, may not be satisfied in a timely manner, (5) risks related to disruption of management time from ongoing business operations due to the proposed transactions, (6) failure to realize the estimated synergies or growth from the proposed transactions or that such benefits may take longer to realize than expected, (7) risks related to unanticipated costs of integration of GetGo by the Company, (8) the effect of the announcement of the proposed transactions or the consummation of the proposed transactions on the ability of the Company and Citrix to retain and hire key personnel and maintain relationships with their key business partners and customers, and on their operating results and businesses generally, (9) the length of time necessary to consummate the proposed transactions, (10) adverse trends in economic conditions generally or in the industries in which the Company and Citrix operate, (11) adverse changes to, or interruptions in, relationships with third parties unrelated to the announcement, (12) the Company’s ability to compete effectively and successfully and to add new products and services, (13) the Company’s ability to successfully manage and integrate acquisitions, (14) the ability to attract new customers and retain existing customers in the manner anticipated, (15) unanticipated changes relating to competitive factors in the parties’ industries, and (16) the business interruptions in connection with the Company’s technology systems. Discussions of additional risks and uncertainties are contained in the Company’s, Citrix’s and GetGo’s filings with the U.S. Securities and Exchange Commission (the “SEC”). None of the Company Citrix or GetGo is under any obligation, and each expressly disclaim any obligation, to update, alter, or otherwise revise any forward-looking statements, whether written or oral, that may be made from time to time, whether as a result of new information, future events, or otherwise. Persons reading this announcement are cautioned not to place undue reliance on these forward-looking statements which speak only as of the date hereof.

No Offer or Solicitation

This filing is not intended to and does not constitute an offer to sell or the solicitation of an offer to subscribe for or buy or an invitation to purchase or subscribe for any securities or the solicitation of any vote in any jurisdiction pursuant to the proposed transactions or otherwise, nor shall there be any sale, issuance or transfer of securities in any jurisdiction in contravention of applicable law. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended. Subject to certain exceptions to be approved by the relevant regulators or certain facts to be ascertained, the public offer will not be made directly or indirectly, in or into any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction, or by use of the mails or by any means or instrumentality (including without limitation, facsimile transmission, telephone and the internet) of interstate or foreign commerce, or any facility of a national securities exchange, of any such jurisdiction.
