Item 8.01 Other Events.

In conjunction with the sale of Avendra LLC (“Avendra”) to Aramark Corporation (“Aramark”) announced earlier today, Hyatt Hotels Corporation (“Hyatt”) expects to receive net cash proceeds of approximately \$210 million to be used for the benefit of Hyatt’s branded hotels. The transaction is expected to close in Q4 2017. Because the transaction will be characterized as a special item, any accounting impacts, including potential gain recognition, will be recorded outside of Hyatt’s Adjusted EBITDA, Adjusted Net Income and Adjusted EPS for the quarter.

FORWARD-LOOKING STATEMENTS

Forward-Looking Statements in this Current Report on Form 8-K, which are not historical facts, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements include statements about financial estimates, the anticipated transaction closing date or future events and involve known and unknown risks that are difficult to predict. As a result, our actual results, performance or achievements may differ materially from those expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by the use of words such as “may,” “could,” “expect,” “intend,” “plan,” “seek,” “anticipate,” “believe,” “estimate,” “predict,” “potential,” “continue,” “likely,” “will,” “would” and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Such forward-looking statements are necessarily based upon estimates and assumptions that, while considered reasonable by us and our management, are inherently uncertain. Factors that may cause actual results to differ materially from current expectations include, among others, the risks discussed in the Company’s filings with the SEC, including our annual report on Form 10-K, which filings are available from the SEC. We caution you not to place undue reliance on any forward-looking statements, which are made only as of the date of this Current Report on Form 8-K. We do not undertake or assume any obligation to update publicly any of these forward-looking statements to reflect actual results, new information or future events, changes in assumptions or changes in other factors affecting forward-looking statements, except to the extent required by applicable law. If we update one or more forward-looking statements, no inference should be drawn that we will make additional updates with respect to those or other forward-looking statements.
