A: The Board of Directors of SemGroup (the “Board of Directors” or the “Board”).

Q: Where and when is the Annual Meeting?

A: 9:00 a.m., local time, May 17, 2017, at Two Warren Place, 5th Floor, 6120 South Yale Avenue, Tulsa, Oklahoma 74136.

Q: What am I voting on at the Annual Meeting?

- A:
- The election of the seven nominees named in this proxy statement to our Board of Directors.
 - An advisory vote on executive compensation.
 - An advisory vote on the frequency of an advisory vote on executive compensation.
 - The ratification of Grant Thornton LLP as our independent registered public accounting firm for 2017.
 - Approval of an amendment to our Amended and Restated Certificate of Incorporation to authorize 4,000,000 shares of preferred stock, as described in Proposal 5 in this proxy statement.

Q: How does the Board of Directors recommend I vote?

A: Please see the information included in this proxy statement relating to each of the matters to be voted on. Our Board of Directors recommends that you vote:

- **“FOR”** the election of all of the nominees for director named in this proxy statement;
- **“FOR”** the approval, on an advisory basis, of the compensation of our executive officers named in this proxy statement;
- **“FOR”** the option, on an advisory basis, of every one year as the preferred frequency for conducting an advisory vote on the compensation of our named executive officers;
- **“FOR”** ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for 2017; and
- **“FOR”** the approval of an amendment to our Amended and Restated Certificate of Incorporation to authorize 4,000,000 shares of preferred stock.

Q: How do I vote?

A: *Stockholders of Record* . If you are a stockholder of record, you may vote by using any of the following methods:

- **VOTE BY INTERNET:** You may use the Internet to vote by following the simple instructions on the enclosed proxy card. When voting by Internet, you will need to have your proxy card in hand, so that you can reference the required Control Number.
- **VOTE BY TELEPHONE:** You may use any touch-tone telephone to vote by following the simple instructions on the enclosed proxy card. You will need to have your proxy card in hand when you call so that you can reference the required Control Number.
- **VOTE BY MAIL:** You may vote by marking, signing and dating your proxy card and promptly returning it in the enclosed postage-paid envelope.

The persons named as your proxy holders on the proxy card will vote the shares represented by your proxy in accordance with the specifications you make. If no specification is made, such shares will be voted:

- **“FOR”** the election of all of the nominees for director named in Proposal 1; and
- **“FOR”** Proposals 2, 4, and 5 and the option of every “one year” in Proposal 3.

Please carefully consider the information contained in this proxy statement. Whether or not you expect to attend the Annual Meeting in person, we urge you to vote by Internet or telephone, or by signing, dating and returning the enclosed proxy card as promptly as possible in the postage-paid envelope provided, to ensure your representation and the presence of a quorum at the Annual Meeting. Stockholders of record desiring to vote in person at the Annual Meeting may vote on the ballot provided at the meeting.

Beneficial Owners . If your shares are held in a brokerage account, by a bank, by a trustee, or by another nominee, please follow the voting instructions provided by your broker or other nominee. Most brokers or other nominees permit their customers to vote by telephone or by Internet, in addition to voting by signing, dating and returning the voting instruction form in the postage-paid envelope provided.

Beneficial owners desiring to vote at the Annual Meeting will need to contact the broker, bank, trustee, or other nominee that is the holder of record of their shares to obtain a "legal proxy" to bring to the Annual Meeting.

Q: Who will count the vote?

A: Representatives of Computershare will count the votes and serve as the inspector of the election.

Q: What constitutes a quorum?

A: Stockholders representing at least a majority of our outstanding Class A Common Stock as of the record date must be present at the Annual Meeting, either in person or by proxy, for there to be a quorum. Abstentions and broker non-votes are counted as present for establishing a quorum. A broker non-vote occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Q: What vote is needed for these proposals to be adopted?

A: *Proposal 1—Election of Directors* . The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. This means that the nominees with the largest number of votes "for" will be elected as directors, up to the maximum number of directors to be chosen at the election. With respect to the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees, or vote in favor of all nominees except any specific nominee(s) listed as to which you withhold your votes. Votes withheld are deemed present at the meeting and thus will be counted for purposes of determining whether there is a quorum.

Pursuant to our Corporate Governance Guidelines and Principles, each nominee for director is required to tender his or her irrevocable resignation as a director conditioned upon (i) the director receiving more "withhold" votes than "for" votes in an uncontested election and (ii) the Board accepting such resignation. In the event a nominee for director receives more "withhold" votes than for "for" votes in the election, the Nominating and Corporate Governance Committee of our Board of Directors shall promptly consider the tendered resignation and recommend to the Board the action to be taken with respect to such tendered resignation, and the Board will then act on such recommendation.

Proposal 2—Advisory Vote on Executive Officer Compensation . The approval, on an advisory basis, of the compensation paid to our executive officers named in this proxy statement requires the affirmative vote of a majority of shares of Class A Common Stock present or represented by proxy and entitled to vote thereon at the Annual Meeting. Abstentions, which are included in the calculation of the number of shares present or represented by proxy and entitled to vote at the Annual Meeting, will have the effect of a vote against the proposal. The results of the advisory vote on executive officer compensation will not be binding on SemGroup or the Board of Directors.

Proposal 3—Frequency of Stockholder Advisory Vote on Executive Officer Compensation . The advisory vote regarding the frequency of the stockholder advisory vote to approve the compensation paid to our named executive officers will not be binding on SemGroup or the Board of Directors. However, our Board of Directors will consider the frequency receiving the greatest number of votes (every one, two or three years) as the frequency preferred by our by stockholders. Abstentions will not be counted as a vote for any of the frequency options and, accordingly, will have no effect on the frequency preferred by our stockholders.

Proposal 4—Ratification of Independent Registered Public Accounting Firm . The appointment of Grant Thornton LLP as our independent registered public accounting firm for the year 2017 will be ratified if a majority of the shares of Class A Common Stock present or represented by proxy and entitled to vote, vote in favor. Abstentions with respect to the ratification of the appointment of Grant Thornton, LLP as our independent registered public accounting firm will have the effect of a vote against the proposal.

Proposal 5—Approval of Amendment to SemGroup Amended and Restated Certificate of Incorporation . The approval of the amendment to our Amended and Restated Certificate of Incorporation requires the affirmative vote of a majority of the outstanding shares of Class A Common Stock entitled to vote. Abstentions will have the effect of a vote against the proposal.

A broker non-vote will have no effect on the outcome of the election of directors or Proposals 2, 3 and 4. A broker non-vote will have the same effect as a vote against Proposal 5.

Q: How will my shares be voted if they are held in a broker's name?

A: If you hold your shares through an account with a bank or broker, the bank or broker may vote your shares on some matters even if you do not provide voting instructions. Brokerage firms have the authority under the New York Stock Exchange ("NYSE") rules to vote shares on certain matters (such as the ratification of independent registered public accounting firm) when their customers do not provide voting instructions. However, on other "non-routine" matters, when the brokerage firm has not received voting instructions from its customers, the brokerage firm cannot vote the shares on that matter and a "broker non-vote" occurs. The election of directors, the proposal seeking approval, on an advisory basis, of the compensation paid to our named executive officers, the advisory vote proposal regarding the frequency of an advisory vote on the compensation of our named executive officers, and the proposal to approve the amendment to our Amended and Restated Certificate of Incorporation are considered "non-routine" matters. Accordingly, if you hold your shares through an account with a bank or broker, such organization may not vote your shares on these important proposals unless you have provided specific instructions as how to vote on these proposals. Please be sure to give specific voting instructions to your bank or broker so that your vote may be counted.

Q: What should I do now?

A: You should vote your shares by the Internet, by telephone or by returning your signed and dated proxy card in the enclosed postage-paid envelope as soon as possible so that your shares will be represented at the Annual Meeting.

Q: Who conducts the proxy solicitation and how much will it cost?

A: We are asking for your proxy for the Annual Meeting and will pay all the costs of asking for stockholder proxies. We can ask for proxies through the mail or by telephone, fax, or in person. We can use our directors, officers and employees to ask for proxies. These people do not receive additional compensation for these services. In addition, we have retained D.F. King & Co., Inc. to aid in the solicitation of proxies at a base fee of \$12,500, plus reasonable out-of-pocket expenses and disbursements. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of our Class A Common Stock.

Q: Can I revoke my proxy?

A: Yes. You can change your vote in one of four ways at any time before your proxy is used. First, you can enter a new vote by telephone or Internet. Second, you can revoke your proxy by giving written notice to the Secretary of SemGroup at any time before it is voted. Third, you can send a later dated proxy changing your vote. Fourth, you can attend the Annual Meeting and vote in person.

Q: Who should I call with questions?

A: If you have questions about the Annual Meeting, you should call William H. Gault, Secretary, at (918) 524-8100.

Q: When are the stockholder proposals for the Annual Meeting held in 2018 due?

A: In order to be considered for inclusion in our proxy materials, you must submit proposals for next year's annual meeting in writing to our Secretary at our executive offices at Two Warren Place, 6120 S. Yale Avenue, Suite 1500, Tulsa, Oklahoma 74136, on or prior to December 14, 2017. Such proposals also must comply with Rule 14a-8 under the Securities Exchange Act of 1934.

In accordance with our Amended and Restated Bylaws, a stockholder who intends to submit a proposal for consideration, but not for inclusion in our proxy materials, or who intends to nominate a candidate for election as a director, must provide written notice of the matter to our Secretary at Two Warren Place, 6120 S. Yale Avenue, Suite 1500, Tulsa, Oklahoma 74136, not less than 90 days nor more than 120 days prior to the first anniversary date of the immediately preceding annual meeting of stockholders. As a result, any notice given by or on behalf of a stockholder pursuant to these provisions of our Amended and Restated Bylaws (and not pursuant to Rule 14a-8 under the Securities Exchange Act of 1934) must be received no earlier than January 17, 2018, and no later than February 16, 2018.

PROPOSAL 1 ELECTION OF DIRECTORS

Our Amended and Restated Bylaws provide that our Board of Directors shall consist of not less than three nor more than eleven directors, as determined from time to time by resolution of the Board of Directors. The number of directors is currently fixed at seven. Directors are elected by the stockholders to serve for a one-year term expiring at the next annual meeting of stockholders and until their successors are duly elected and qualified, or until their earlier death, resignation or removal. The term of the current directors will expire at the Annual Meeting.

In accordance with the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated Ronald A. Ballschmiede, Sarah M. Barpoulis, Carlin G. Conner, Karl F. Kurz, James H. Lytal, William J. McAdam and Thomas R. McDaniel to the Board of Directors. All of the nominees are presently directors of SemGroup. At the time of Mr. McAdam's election to the Board of Directors in March 2017, he was recommended to the Nominating and Corporate Governance Committee by a third-party search firm.

The persons named as proxies in the accompanying proxy, who have been designated by the Board of Directors, intend to vote, unless otherwise instructed in such proxy, for the election of each of the nominees for director. Should any nominee named herein become unable for any reason to stand for election as a director, it is intended that the persons named in such proxy will vote for the election of such other person or persons as the Nominating and Corporate Governance Committee may recommend and the Board of Directors may propose to replace such nominee. We know of no reason why any of the nominees will be unavailable or unable to serve.

As noted earlier in the Questions and Answers section of this proxy statement, pursuant to our Corporate Governance Guidelines and Principles of the Board of Directors, as a requirement for nomination as a director, each nominee for director must tender his or her irrevocable resignation as a director conditioned upon (i) the director receiving more "withhold" votes than "for" votes (a "Majority Withhold Vote") in an uncontested election and (ii) the Board accepting such resignation. In the event a nominee for director receives a Majority Withhold Vote in an uncontested election, the Nominating and Corporate Governance Committee of our Board of Directors shall promptly consider the tendered resignation and recommend to the Board the action to be taken with respect to such tendered resignation. The Nominating and Corporate Governance Committee is authorized to consider all factors it deems relevant to the best interests of the Company and its stockholders in reaching its recommendation. The Board will then act on such recommendation no later than 90 days following the certification of the election results. Following the Board's decision, the Company will publicly disclose the Board's decision and, if applicable, the reasons for rejecting the tendered resignation. Accordingly, the seven nominees with the largest number of "for" votes will be elected as directors, and in the event any nominee receives a Majority Withhold Vote, the resignation policy as summarized here will apply. The director resignation policy is set forth in our Corporate Governance Guidelines and Principles and is available on our website at <http://www.semgroupcorp.com> under the "Corporate Information—Governance Documents" caption on the "Investor Relations" page.

Our Board of Directors recommends a vote "FOR" all nominees for directors.

Mr. Kurz provides the Board extensive knowledge of the midstream energy services industry and executive-level leadership experience gained through his services provided to Anadarko Petroleum Corporation, Vastar Resources, Inc. and Arco Oil & Gas Company as described above. In addition, he brings public company board experience to our Board. His industry knowledge, executive-level leadership experience in relatively complex organizations and public company board experience allow Mr. Kurz to be a qualified and valuable contributor to the Board.

James H. Lytal, age 59, has served as a director of SemGroup since 2011. He currently serves as Chair of the Compensation Committee and as a member of the Audit Committee of the Board of Directors. From 1994 to 2004, Mr. Lytal was President of Leviathan Gas Pipeline Partners, which later became El Paso Energy Partners, and then Gulfterra Energy Partners, where he served on the board of directors. In 2004, Gulfterra Energy Partners merged with Enterprise Products Partners, one of the largest publicly-traded energy partnerships in the United States, where Mr. Lytal served as Executive Vice President until 2009. From 1998 to 2008, he was directly involved in the development of over \$3 billion in offshore platform and oil and gas pipeline projects. Having entered the energy industry in 1980, Mr. Lytal's business experience includes midstream mergers, acquisitions and master limited partnership drop-downs, as well as onshore midstream and deepwater asset development and management. (a U.S. natural gas contract compression services company). He graduated from the University of Texas at Austin with a Bachelor of Science degree in petroleum engineering.

Mr. Lytal has over 35 years of experience in the midstream/MLP industry and provides the Board a broad range of knowledge and understanding in the management of midstream assets. He earned the ICD.D designation from the Institute of Corporate Directors in 2015.

Mr. McAdam has over 42 years of experience in the energy industry and provides the Board a robust knowledge and understanding of the Canadian and U.S. energy sector. His executive leadership gained through his service to Aux Sable combined with his industry and public company board experience qualify him to make valuable contributions to the Board.

Mr. McDaniel graduated from the University of California with a Bachelor of Science degree.

Mr. McDaniel has extensive operational and financial management experience gained from his roles of increasing responsibility with Edison International. In addition, he provides the Board with his experience as a director and audit committee member of a public company. Mr. McDaniel's operational and financial management experience and his understanding of the role of board of directors allow him to be a valued contributor to the Board and as Chairman.

Corporate Governance

Our Board of Directors is committed to sound and effective governance practices. Our Board of Directors has adopted corporate governance guidelines titled “Corporate Governance Guidelines and Principles of the Board of Directors” which provide a framework of governance principles and procedures to assist in the operation of the Board of Directors. The guidelines address, among other things, director qualifications, director independence, composition of the Board, director responsibilities, Board committees, Board self-evaluation and management review and succession. The Nominating and Corporate Governance Committee reviews the guidelines periodically, and the guidelines may be amended at any time upon recommendation by Nominating and Corporate Governance Committee and approval of the Board of Directors.

SemGroup has a Code of Business Conduct and Ethics for directors, officers (including the chief executive officer, principal financial officer and principal accounting officer) and employees. SemGroup also has a separate Code of Ethics for the Chief Executive Officer and Senior Financial Officers, which contain provisions specifically applicable to our chief executive officer and senior financial officers, including our chief financial officer and chief accounting officer.

The Corporate Governance Guidelines and Principles, the Code of Business Conduct and Ethics and the Code of Ethics for the Chief Executive Officer and Senior Financial Officers are available on our website at <http://www.semgroupcorp.com> under the “Corporate Governance—Governance Documents” caption on the “Investor Relations” page and copies of these documents may also be obtained in print by any stockholder who requests them from our corporate secretary. If we amend the Code of Business Conduct and Ethics or Code of Ethics for the Chief Executive Officer and Senior Financial Officers or waive the Code of Business Conduct and Ethics or Code of Ethics for the Chief Executive Officer and Senior Financial Officers with respect to the chief executive officer, principal financial officer or principal accounting officer, we will post the amendment or waiver, as the case may be, at the same location on our website.

Director Independence . Our Board of Directors has adopted a formal set of categorical independence standards with respect to the determination of director independence based on the NYSE listing standards. These standards are set forth in our Director Nomination Policy which is available on our website at <http://www.semgroupcorp.com> under the “Corporate Governance—Governance Documents” caption on the “Investor Relations” page. The provisions of the Director Nomination Policy regarding director independence meet and in some areas exceed the listing standards of the NYSE. In order to be considered independent a director must be determined to have no material relationship with the Company other than as a director.

Under the Director Nomination Policy, an “independent director” is one who:

- has no material relationship with the Company, either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company;
- is not an employee of the Company and no member of his or her immediate family is an executive officer of the Company;
- has not been employed by the Company and no member of his or her immediate family has been an executive officer of the Company during the past three years;
- has not received, and no member of his or her immediate family has received, more than \$100,000 per year in direct compensation from the Company in any capacity other than as a director or as a pension for prior service during the past three years;
- (i) is not and no member of his or her immediate family is a current partner of a firm that is the Company’s internal or external auditor; (ii) is not a current employee of the Company’s internal or external auditor; (iii) does not have an immediate family member who is a current employee of the Company’s internal or external auditor and who participates in that firm’s audit, assurance or tax compliance (but not tax planning) practice; and (iv) within the last three years was not, and no member of his or her immediate family was (and no longer is), a partner or employee of the Company’s internal or external auditor and personally worked on the Company’s audit within that time;
- is not and no member of his or her immediate family is currently, and for the past three years has not been, and no member of his or her immediate family has been, part of an interlocking directorate in which an executive officer of the Company serves on the compensation committee of another company that employs the director or an immediate family member of the director;
- is not an executive officer or an employee, and no member of his or her immediate family is an executive officer, of another company that makes payments to, or receives payments from, the Company for property or services in an amount which, in any single year, exceeds the greater of \$1 million or two percent of such other company’s consolidated revenues during any of the past three years;

[Table of Contents](#)

- is free of any relationships with the Company that may impair, or appear to impair, his or her ability to make independent judgments; and
- is not and no member of his or her immediate family is employed as an executive officer of a charitable organization that receives contributions from the Company or a Company charitable trust in an amount which exceeds the greater of \$1 million or two percent of such charitable organization's total annual receipts.

For purposes of determining a "material relationship," the following standards are utilized:

- any payments by the Company to a director's primary business affiliation or the primary business affiliation of an immediate family member of a director for goods or services, or other contractual arrangements, must be made in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons; and
- the aggregate amount of such payments must not exceed two percent of the Company's consolidated gross revenues; provided, however, there may be excluded from this two percent standard payments arising from (i) competitive bids which determined the rates or charges for the services and (ii) transactions involving services at rates or charges fixed by law or governmental authority.

For purposes of these independence standards, (i) immediate family members of a director include the director's spouse, parents, stepparents, children, stepchildren, siblings, mother- and father-in-law, sons- and daughters-in-law, and brothers- and sisters-in-law and anyone (other than domestic employees) who shares the director's home and (ii) the term "primary business affiliation" means an entity of which the director is a principal/executive officer or in which the director holds at least a 5% equity interest.

In accordance with the Director Nomination Policy and the current director independence standards of the NYSE, the Board undertook its annual review of director and director nominee independence. During this review, the Board considered transactions and relationships between each director and director nominee or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The Board also considered whether there were any transactions or relationships between directors, nominees or any member of their immediate family (or any entity of which a director, director nominee or an immediate family member is an executive officer, general partner or significant equity holder). As provided in the Director Nomination Policy and the NYSE independence standards, the purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that the director or nominee is independent.

The Board of Directors has affirmatively determined that each of Mr. Ballschmiede, Ms. Barpoulis, Mr. Kurz, Mr. Lytal, Mr. McAdam and Mr. McDaniel, current directors of the Company, are independent under the standards set forth in the Director Nomination Policy and the current director independence standards of the NYSE. Mr. Conner is not considered to be independent because of his current employment as our President and Chief Executive Officer.

Board Meetings and Attendance . The Board held 22 meetings during the year ended December 31, 2016. During that year, each of our directors attended at least 75 percent of the aggregate number of Board meetings and meetings held by all committees on which he or she then served. In addition, the Board of Directors took action four times during 2016 by unanimous written consent.

Director Attendance at Annual Meeting of Stockholders . Each director is encouraged to participate in our annual meetings of stockholders. Each of our directors then serving attended our 2016 annual meeting of stockholders.

Board Leadership Structure and Role in Risk Oversight . While we currently separate the offices of Chairman of the Board and Chief Executive Officer, our Corporate Governance Guidelines and Principles specify that the Board of Directors has no policy mandating the separation of the offices of Chairman of the Board and Chief Executive Officer, as our Board believes it is in our best interest to have flexibility in selecting our Chairman and board leadership structure as future circumstances may warrant. Our Board's oversight of risk management (discussed below) has had no effect on our leadership structure.

Our Board of Directors has six independent members and only one non-independent member. A number of our independent board members are currently serving or have served as members of senior management or as directors of other public companies. Our Audit, Compensation and Nominating and Corporate Governance Committees are comprised solely of independent directors, each with a different independent director serving as chair of the committee. We believe that the number of independent, experienced directors that make up our Board of Directors, along with the independent oversight of the Board by the non-executive Chairman, benefits our Company and our stockholders.

Our Board of Directors is responsible for oversight of our enterprise-wide risk and has approved our Comprehensive Risk Management Policy that reflects an enterprise-wide approach to risk management and considers both financial and non-financial risks. Our Comprehensive Risk Management Policy and its associated framework is designed to ensure we:

- identify and communicate our risk appetite and risk tolerances;

[Table of Contents](#)

- establish an organizational structure that prudently separates responsibilities for executing, valuing and reporting our business activities;
- value (where appropriate), report and manage all material business risks in a timely and accurate manner;
- effectively delegate authority for committing our resources;
- foster the efficient use of capital and collateral; and
- minimize the risk of a material adverse event.

The Audit Committee of our Board of Directors has oversight responsibilities for the implementation of, and compliance with, our Comprehensive Risk Management Policy on behalf of the Board of Directors.

While the Board of Directors oversees our risk management, our management is responsible for day-to-day risk management processes. We have established an executive management committee, comprised of corporate officers, which oversees the financial and non-financial risks associated with all activities governed by our Comprehensive Risk Management Policy and its associated framework, including: asset operations; marketing; investments, divestitures, and other capital expenditures and dispositions; credit risk management; and other strategic activities. We also have a separate risk management group that is assigned responsibility for independently monitoring compliance with, reporting on, and enforcing the provisions of our Comprehensive Risk Management Policy.

Board Committees . The Board of Directors has a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. Each of the current members of each of the committees qualifies as an “independent” director under the current listing standards of the NYSE.

The table shows the current membership of the Committees and identifies our independent directors:

Audit Committee . The Board of Directors has determined that Ronald A. Ballschmiede and Sarah M. Barpoulis qualify as “audit committee financial experts” within the meaning of the regulations of the SEC. The Audit Committee has a written charter, which is available on our website at <http://www.semgroupcorp.com> . We have in place and circulated a “whistleblower policy” entitled “Audit Committee Accounting Concern Resolution Policy.” The Audit Committee assists the Board of Directors in fulfilling its responsibilities by providing oversight relating to:

- the integrity of our financial statements;
- our systems of internal control over financial reporting and disclosure controls and procedures;
- the engagement, compensation, independence and performance of our independent registered public accounting firm and their conduct of the annual audit of our financial statements and any other audit, review or attestation engagement;
- our risk profile, including financial and non-financial risks;
- compliance with our financial and risk management policies;
- our legal and regulatory compliance;
- the application of our related person transaction policy; and
- the application of our codes of business conduct and ethics.

A more detailed description of the Audit Committee’s responsibilities can be found in its charter.

The Audit Committee held eight meetings during 2016.

Compensation Committee. The Compensation Committee has a written charter, which is available on our website at <http://www.semgroupcorp.com> . The Compensation Committee reviews and takes action for and on behalf of the Board of Directors with respect to management compensation policies and practices, including (i) reviewing and recommending the

[Table of Contents](#)

compensation for our Chief Executive Officer to the independent members of the Board of Directors for approval, (ii) determining and approving the compensation for our other executive officers, (iii) reviewing and approving management incentive compensation policies and programs and (iv) administering our equity incentive plan. In addition, the Compensation Committee recommends the form and amount of non-employee director compensation to the Board of Directors, and the Board of Directors makes the final determination. The Compensation Committee has authority under its charter to obtain advice and seek assistance from compensation consultants and from internal and outside legal, accounting and other advisors.

In considering and recommending the compensation of non-employee directors, the Compensation Committee may consider such factors as it deems appropriate, including historical compensation, level of compensation necessary to attract and retain non-employee directors meeting our desired qualifications and market data. In connection with the review of our non-employee director compensation by the Compensation Committee in 2016, the Compensation Committee retained Pearl Meyer & Partners ("Pearl Meyer") to provide market information on non-employee director compensation, including annual board and committee retainers, board and committee meeting fees, committee chairperson fees and stock-based compensation. The Compensation Committee has discretion under its charter to form and delegate some or all of its authority to subcommittees composed entirely of independent directors. During 2016, the Compensation Committee did not form or utilize a subcommittee. More information describing the Compensation Committee's processes and procedures for considering and determining executive compensation, including the role of our Chief Executive Officer and consultants in determining or recommending the amount or form of executive compensation, is included in the Compensation Discussion and Analysis under "Executive Compensation" below.

The Compensation Committee held eight meetings during 2016. In addition, the Compensation Committee took action three times during 2016 by unanimous written consent.

Nominating and Corporate Governance Committee . The Nominating and Corporate Governance Committee has a written charter, which is available on our website at <http://www.semgroupcorp.com> . The Nominating and Corporate Governance Committee is responsible for identifying and recommending nominees for election or re-election as directors by stockholders at each annual meeting of stockholders, as well as candidates to fill vacancies on the Board of Directors should vacancies occur. The Nominating and Corporate Governance Committee has the authority under its charter to retain a professional search firm to identify candidates. The Nominating and Corporate Governance Committee is also responsible for developing and recommending to the Board of Directors our Corporate Governance Guidelines and Principles.

The Nominating and Corporate Governance Committee held three meetings during 2016.

Consideration of Director Nominees . The Nominating and Corporate Governance Committee has adopted a Director Nomination Policy, which is available on our website at <http://www.semgroupcorp.com> . The Committee will consider director candidates submitted to it by other directors, employees and stockholders. The Committee may engage professional search firms to assist it in identifying and evaluating potential candidates. Any stockholder recommendations of candidates proposed for consideration by the Nominating and Corporate Governance Committee should include the candidate's name and qualifications for director and should be addressed to: Secretary, Two Warren Place, 6120 S. Yale Avenue, Suite 1500, Tulsa, Oklahoma 74136. In addition, as described below, our Amended and Restated Bylaws permit stockholders to nominate directors for consideration at a meeting of stockholders.

In considering prospective nominees for the Board, the Nominating and Corporate Governance Committee will endeavor to find individuals of high integrity who have a solid record of accomplishment in their chosen fields and who possess the qualifications, qualities and skills to effectively represent the best interests of all stockholders. Candidates are selected for their ability to exercise good judgment and provide practical insights and diverse perspectives. The Nominating and Corporate Governance Committee considers the following qualifications at a minimum to be required in recommending to the Board potential new Board members or the continued service of existing members:

- the highest professional and personal ethics;
- broad experience in business, government, education or technology;
- ability to provide insights and practical wisdom based on their experience and wisdom relevant to our lines of business;
- commitment to enhancing stockholder value;
- sufficient time to effectively carry out their duties; their service on other boards of public companies should be limited to no more than three directorships;
- compliance with legal and regulatory requirements;
- ability to develop a good working relationship with other Board members and contribute to the Board's working relationship with senior management of SemGroup; and
- independence; a majority of the Board shall consist of independent directors, as defined in the Director Nomination Policy.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating and Corporate Governance Committee may also consider such other factors as it may deem are in the best interests of the Company and its

[Table of Contents](#)

stockholders. The Nominating and Corporate Governance Committee does, however, believe it appropriate for at least one member of the Board to meet the criteria for an “audit committee financial expert” as defined by the rules of the SEC. When considering potential nominees for the Board, the Committee will consider the criteria above and each potential nominee’s individual skills and qualifications in context of the current composition of the Board and needs of the Board at such time. In connection therewith, the Committee will consider diversity in professional background, experience, expertise, perspective, age, gender and ethnicity with respect to Board composition as a whole, although the Committee does not have a specific diversity policy. With respect to diversity, in accordance with our Corporate Governance Guidelines and Principles, particular emphasis is placed on identifying candidates whose experiences, qualities and skills complement and augment those of other Board members with respect to the Board of Directors as a group.

The Company’s Corporate Governance Guidelines and Principles provide that a director who changes substantially the principal occupation, position or responsibility he or she had when elected to the Board should volunteer to resign from the Board. The Nominating and Corporate Governance Committee will have the opportunity to evaluate the continued appropriateness of Board membership under the facts and circumstances and make a recommendation to the Board whether to accept the resignation or request the director to continue to serve on the Board.

Our Amended and Restated Bylaws permit stockholders to nominate directors for consideration at an annual meeting of stockholders. To nominate a director, stockholders must follow the procedures specified in our Amended and Restated Bylaws that require advance notice and certain other information. Stockholders must submit the candidate’s name and qualifications in writing to our Secretary at the following address: Secretary, SemGroup Corporation, Two Warren Place, 6120 S. Yale Avenue, Suite 1500, Tulsa, Oklahoma 74136. The written notice must be received by our Secretary not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year’s annual meeting. The notice must contain certain information required under our Amended and Restated Bylaws, including, among other things, (i) the nominee’s name, age, business and residential addresses, written consent to being named in the proxy statement and to serving as director if elected, and any other information relating to such person as would be required to be disclosed in solicitations of proxies for election of directors pursuant to Section 14(a) under the Securities Exchange Act of 1934 and (ii) with respect to the stockholder submitting the nomination and anyone acting in concert with that stockholder, the name and business addresses of the stockholder and the person acting in concert with the stockholder, a representation that the stockholder is a record holder of Class A Common Stock entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, a description of all agreements, arrangements or understandings between or among the stockholder and any other person or persons with respect to the nomination and the class and number of shares of Class A Common Stock beneficially owned by the stockholder and any person acting in concert with that stockholder. For further information, stockholders may contact our Secretary at our principal executive offices for a copy of the relevant provisions of our Amended and Restated Bylaws.

Any single stockholder, or group of stockholders, that has beneficially owned more than 5% of our outstanding common stock for at least one year as of the date of recommendation may recommend nominees for director to the Nominating and Governance Committee by delivering a written notice to our Secretary that satisfies the notice, information, and consent requirements of the Director Nomination Policy. The Committee will evaluate such recommended nominees against the same criteria that it uses to evaluate other nominees. The notice must be received by the Nominating and Governance Committee no later than the date that is 120 calendar days prior to the anniversary of the date that our proxy statement was released to stockholders in connection with the previous year’s annual meeting. The notice must include, among other things, proof of the required stock ownership, proof of identification of the stockholder(s) submitting the proposal, information regarding the proposed candidate to the Board of Directors and a signed statement by the candidate with respect to certain matters. The notice should be addressed to: Secretary, Two Warren Place, 6120 S. Yale Avenue, Suite 1500, Tulsa, Oklahoma 74136.

Executive Sessions . Each regularly scheduled meeting of the Board of Directors includes an executive session of the non-management directors. These sessions are chaired by the independent, non-executive Chairman of the Board. If our non-management directors include any directors who have been determined not to be independent by the Board, the Board will schedule an executive session of just the independent directors at least once each year.

Communications with the Board of Directors . Stockholders who wish to communicate with our Board of Directors or any of its committees may send written communications to: Board of Directors, SemGroup Corporation, Two Warren Place, 6120 S. Yale Avenue, Suite 1500, Tulsa, Oklahoma 74136. In addition, stockholders and other interested parties may communicate with the Chairman of the Board or with the non-management directors as a group by writing to: Chairman of the Board, Two Warren Place, 6120 S. Yale Avenue, Suite 1500, Tulsa, Oklahoma 74136.

PROPOSAL 2 ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Securities Exchange Act of 1934, we are providing our stockholders the opportunity to approve, on an advisory and non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement.

This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and our compensation objectives, philosophy and practices described in this proxy statement. As discussed in greater detail in the “Compensation Discussion and Analysis” in this proxy statement, our compensation program is designed to, among other things:

- attract, motivate and retain highly-talented executives;
- link executive compensation to the achievement of our business objectives as well as reinforce appropriate leadership behaviors; and
- encourage executives to consider the impact of decisions to drive our short-term and long-term success.

We believe that our compensation program, with its balance of base salary, short-term and long-term incentives and benefits, fairly accomplishes our objectives. We believe our executive compensation program has allowed us to attract and build a leadership team which is focused on our business objectives and helped us achieve many of our 2016 objectives as noted in “2016 Business Highlights” under “Executive Compensation—Compensation Discussion and Analysis—Executive Summary” in this proxy statement.

Accordingly, our Board of Directors recommends our stockholders vote in favor of the say-on-pay proposal as set forth in the following resolution:

“RESOLVED, that the compensation of the Company’s named executive officers as disclosed in its Proxy Statement for the 2017 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the executive compensation tables and the corresponding narrative discussion, is approved.”

This vote is advisory, and therefore nonbinding. Stockholders are strongly encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure. The Board of Directors and the Compensation Committee expect to take into account the outcome of the vote in connection with their evaluation of our compensation program to the extent they can determine the stockholders’ concerns associated with any significant negative voting results. At our 2016 annual meeting, the compensation of our named executive officers as disclosed in last year’s proxy statement was approved by over 98.58% (more than 98.59% if abstentions are excluded from the calculation) of the votes cast on the proposal, which demonstrated strong stockholder support for our executive compensation approach.

As determined by the Board of Directors, we have provided our stockholders with the opportunity to vote on the compensation to our named executive officers at every annual meeting of stockholders since 2011. An advisory vote on the frequency of stockholder advisory votes on the compensation of our named executive officers is being conducted again in connection with the Annual Meeting as set forth in Proposal 3.

Our Board of Directors recommends that you vote “FOR” the approval, on an advisory basis, of the compensation of our named executive officers.

PROPOSAL 3 ADVISORY VOTE ON THE FREQUENCY OF A FUTURE ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Securities Exchange Act of 1934, we are also including in this proxy statement a separate resolution to enable our stockholders to vote, on an advisory and non-binding basis, for their preference as to how frequently we should seek future say-on-pay advisory votes on the compensation of our named executive officers. Stockholders may indicate whether future advisory votes on executive compensation should occur every one, two or three years. Stockholders also may, if they wish, abstain from casting a vote on this proposal.

This advisory vote on the frequency of future say-on-pay votes must be provided to stockholders at least once every six years. At the May 2011 annual meeting of our stockholders, our Board of Directors recommended, and the stockholders voted on an advisory basis in favor of, holding the say-on-pay vote every year. The Board accepted our stockholders' recommendation, and stockholders have been provided with the opportunity to vote to approve, on an advisory and non-binding basis, the compensation of our named executive officers every year.

Our Board of Directors continues to believe that a frequency of "every year" for the advisory vote on executive compensation is the most optimal interval for conducting and responding to a say-on-pay vote. The Board believes that an annual advisory vote on executive compensation will allow our stockholders to provide direct input on the philosophy, policies and practices of our executive compensation program as disclosed in the proxy statement every year. An annual advisory vote on our executive compensation will provide a better opportunity for stockholders to constructively communicate with us regarding their views on our executive compensation program on a timely basis.

The proxy card and the Internet and the telephone proxy submission procedures each will provide stockholders with the opportunity to choose among four options: holding the vote every one, two or three years, or abstaining. Stockholders will not be voting to approve or disapprove our Board of Directors' recommendation.

Although this advisory vote on the frequency of the say-on-pay vote is nonbinding, our Board of Directors will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation. The Board may decide that it is in the best interests of our stockholders and us to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by our stockholders.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years or abstain from voting when you vote in response to the resolution set forth below.

"RESOLVED, that the option of every one year, two years or three years that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency with which the Company is to hold a stockholder vote to approve, on an advisory basis, the compensation of the named executive officers."

Our Board of Directors recommends that you vote "FOR" the option of every one year as the preferred frequency for the holding of future advisory votes on compensation of our named executive officers.

PROPOSAL 4 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On February 26, 2017, the Audit Committee appointed Grant Thornton LLP as our independent registered public accounting firm (“independent auditor”) for the fiscal year ending December 31, 2017. A proposal will be presented at the Annual Meeting asking the stockholders to ratify the appointment of Grant Thornton LLP as our independent auditor for 2017. If the stockholders do not ratify the appointment of Grant Thornton LLP, the Audit Committee will reconsider the appointment. Even if the appointment is ratified, the Audit Committee, in its sole discretion, may change the appointment at any time during the year if the Audit Committee determines that a change is in the best interests of SemGroup.

A representative of Grant Thornton LLP will be present at the Annual Meeting and will have the opportunity to make a statement, if he or she desires to do so, and respond to appropriate questions.

Our Board of Directors recommends a vote “ FOR ” the ratification of Grant Thornton LLP as our independent auditor for the fiscal year ending December 31, 2017.

Change in Independent Registered Public Accounting Firm

SemGroup recently solicited bids for audit services for 2017 from several independent auditors, including BDO USA, LLP (“BDO USA”), which had been our independent auditor since 2008. As a result of this process and following careful consideration and deliberation, on February 26, 2017, the Audit Committee approved the engagement of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017 and to perform interim review procedures related to the financial statements included in our quarterly reports on Form 10-Q, beginning with the quarter ending March 31, 2017. Also on February 26, 2017, the Audit Committee dismissed BDO USA as the Company’s independent registered public accounting firm. BDO USA was notified of the Committee’s decision on February 27, 2017.

BDO USA’s audit reports on the Company’s consolidated financial statements for the two most recent fiscal years ended December 31, 2016 and 2015, did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles generally accepted in the United States (“US GAAP”).

During the Company’s two most recent fiscal years and through the subsequent interim period through February 26, 2017, (i) there were no disagreements between the Company and BDO USA on any matters of US GAAP or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of BDO USA, would have caused BDO USA to make reference to the subject matter of the disagreement in its reports on the Company’s consolidated financial statements for such years, and (ii) there were no “reportable events” as defined in Item 304(a)(1)(v) of Regulation S-K.

During the Company’s two most recent fiscal years ended December 31, 2016 and 2015, and during the subsequent interim period through February 26, 2017, we did not consult with Grant Thornton LLP with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s consolidated financial statements, and neither a written report was provided to the Company nor oral advice was provided to the Company that Grant Thornton LLP concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions or a “reportable event” as described in Item 304(a)(1)(v) of Regulation S-K.

Fees of Independent Registered Public Accounting Firm

The following table sets forth the fees for professional services provided to us by BDO USA, LLP for fiscal 2016 and 2015:

Service	2016	2015
Audit fees	\$ 2,248,077	\$ 2,255,925
Audit-related fees	40,000	36,154
Tax fees	24,129	22,064
All other fees	—	—
Total	\$ 2,312,206	\$ 2,314,143

Audit fees include those related to the audit of our consolidated financial statements, reviews of our quarterly financial statements, audits of the financial statements of our subsidiaries (as required by statute, by our credit agreements, by partnership agreements and by regulations of the SEC), and the audit of internal control over financial reporting as required by Section 404 of the Sarbanes-Oxley Act of 2002. Audit fees also include services performed in connection with other filings with the SEC. Audit-related fees are related to the audits of benefit plans. Tax fees are related to certain international tax consultation services.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and permissible non-audit services by its independent registered public accountant prior to the receipt of such services. All services for the fiscal years ended December 31, 2016 and 2015 set forth in the table above were pre-approved by the Audit Committee.

PROPOSAL 5 APPROVAL OF AN AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO AUTHORIZE 4,000,000 SHARES OF PREFERRED STOCK

Introduction

Our Board of Directors has approved an amendment to our Amended and Restated Certificate of Incorporation, which we refer to as the “Preferred Stock Amendment,” to provide authority to issue up to 4,000,000 shares of preferred stock, par value \$0.01 per share, and has directed that the Preferred Stock Amendment be submitted to our stockholders for approval at the Annual Meeting. The proposed Preferred Stock Amendment is set forth in Annex A attached to this proxy statement, which amendment has been marked to indicate additions to our Amended and Restated Certificate of Incorporation as underlined text and deletions to our Amended and Restated Certificate of Incorporation as strike-outs.

Authorization of Preferred Stock

We are not currently authorized under our Amended and Restated Certificate of Incorporation to issue any shares of preferred stock. The Preferred Stock Amendment authorizes our Board of Directors to issue, from time to time, up to 4,000,000 shares of preferred stock in one or more series with such designations, powers, preferences and rights as may be determined by our Board of Directors. The specific terms of a particular series of preferred stock would be described in a certificate of designation relating to that series. Our Amended and Restated Certificate of Incorporation currently authorizes (i) 90,000,000 shares of Class A Common Stock, par value \$0.01 per share, and (ii) 10,000,000 shares of Class B Common Stock, par value \$0.01 per share. As of the record date, March 30, 2017, there were 66,237,006 shares of Class A Common Stock outstanding and no shares of Class B Common Stock outstanding.

If the Preferred Stock Amendment is approved, no further stockholder approval would be required prior to the issuance of the authorized shares of preferred stock, except as may be required by applicable law or NYSE rules. The authorization of the preferred stock will not have any immediate effect on the rights of our existing stockholders. However, in connection with the issuance of preferred stock, our Board of Directors would have the authority to designate and issue series of our preferred stock with dividend, liquidation, conversion, voting or other rights that may be superior to those of our common stock. The effects of the issuance of preferred stock upon holders of our common stock may include, among other things: (i) a preference in the payment of dividends to holders of preferred stock, which may restrict our ability to declare dividends on our common stock; (ii) dilution of voting power if holders of preferred stock are given voting rights; (iii) dilution of equity interests and voting power if the preferred stock is convertible, and converted into, common stock; or (iv) a preference in payments upon liquidation to holders of preferred stock, which may limit liquidation payments on our common stock.

Reasons for the Preferred Stock Amendment

Our Board of Directors has determined that the authorization of preferred stock is advisable and in the best interests of SemGroup and its stockholders because it will provide SemGroup with the flexibility to consider and respond to future business needs and opportunities as they arise from time to time, including in connection with capital raising, financing and acquisition needs or opportunities. The availability of shares of preferred stock would provide us flexibility in responding to future capital raising, financing and acquisition needs and opportunities without the delay and expense associated with holding a special meeting of stockholders to obtain further stockholder approval. As part of our business and growth strategy, we monitor and screen for potential strategic acquisitions and investments, and shares of preferred stock could be issued on a timely basis as consideration for an acquisition or in connection with the financing of an acquisition or investment. If determined to be in the best interest of SemGroup and its stockholders, the Board of Directors will be able to authorize the issuance of shares of preferred stock without the delay and expense associated with obtaining further stockholder approvals and to customize the terms of the preferred stock to meet the particular needs of any transaction or market conditions.

The Preferred Stock Amendment has been prompted by business and financial considerations. Future purposes for utilizing shares of preferred stock could include, but would not be limited to, issuances in public or private offerings of shares for cash, effecting acquisitions or other strategic transactions, and pursuing additional financing opportunities. We have no current plan, commitment, arrangement, understanding or agreement regarding the issuance of shares of preferred stock resulting from the approval of the Preferred Stock Amendment.

Potential Anti-Takeover Effect of the Proposed Preferred Stock Amendment

The Preferred Stock Amendment is not intended to have any anti-takeover effect and is not part of any series of anti-takeover measures contained in our Amended and Restated Certificate of Incorporation or Amended and Restated Bylaws in effect on the date of this proxy statement. Our Board of Directors represents that, if the Preferred Stock Amendment is approved, it will not, without prior stockholder approval, approve the issuance or use of any of the preferred stock for any defensive or anti-takeover purpose or for the purpose of implementing any stockholder rights plan. Within these limits, as well as others imposed by

[Table of Contents](#)

applicable law and NYSE rules, our Board of Directors may approve the issuance or use of preferred stock for capital raising, financing and acquisition needs or opportunities that has the effect of making an acquisition of SemGroup more difficult or costly, as could also be the case if our Board of Directors were to issue additional shares of common stock for such purposes.

Effectiveness of the Preferred Stock Amendment

The Preferred Stock Amendment will become effective once it is approved at the Annual Meeting and filed with the Secretary of State of the State of Delaware.

Appraisal Rights

Under Delaware General Corporation Law, stockholders are not entitled to appraisal rights with respect to the proposed Preferred Stock Amendment.

Our Board of Directors recommends a vote “FOR” the approval of the amendment to our Amended and Restated Certificate of Incorporation to authorize 4,000,000 shares of preferred stock.

2016 Compensation Decisions & Actions.

- **NEO base salaries:** NEO salaries remained flat as the Committee believed the recent downturn in the oil and gas market would continue to provide a challenging year in 2016 and an environment where cash management, capital efficiency, and cost control remain important.
- **Short-term incentive awards:** In February 2016, the Committee adjusted the weighting of the performance metrics to include both Consolidated EBITDA and Crude Adjusted EBITDA. Annual bonuses for 2016 performance paid out slightly above target reflecting our actual performance in relation to targeted performance, as well as key strategic accomplishments completed during the year.
- **Long-term incentive awards:** In February 2016, the Committee approved long-term incentive award grants for our NEOs, with the exception of the CEO's award, which was approved by the Board of Directors. These awards were composed of a mix of performance units and time-vested restricted shares or units. In recognition of challenging industry conditions and concerns regarding dilution of stockholder value, the Committee approved annual grants to NEOs, with the exception of the CEO's award, that were 10% below targeted grant values. The Committee approved an annual grant to the CEO that was 115% of his targeted grant value.
- **2014 long-term performance unit awards:** In February 2014, the Committee granted awards for the three-year performance period ended December 31, 2016. These awards vested at 25% of target. We achieved below 25th percentile Total Stockholder Return (“TSR”) versus our peer group companies, resulting in a payout at 0% of target for half of the performance-based awards. Our average annual Adjusted EBITDA Growth for the performance period (60%) was at the threshold level performance goal for the period, resulting in a payout at 50% of target for the remaining half of the performance-based awards.

2016 CEO Pay At-A-Glance

The majority of our CEO's pay is variable and linked to drivers of financial performance or growth in stockholder value. The chart below shows the elements of our CEO's total direct compensation (base salary, annual bonus, and grant date or target value of annual equity grants) for the past three years. In 2014, Mr. Conner received a one-time equity award of \$5 million in shares of restricted stock and RRMS restricted common units intended in part to make Mr. Conner whole for equity value that he forfeited at his previous employer when he agreed to join SemGroup. This one-time award was also intended to provide immediate and significant direct alignment between Mr. Conner's compensation and stockholder interests.

Effect of Stockholder Say-on-Pay Vote on Executive Compensation Decisions. The Committee has reviewed the voting results from the annual advisory vote on executive compensation (commonly known as a say-on-pay proposal) conducted at our 2016 annual meeting of stockholders. At this meeting, approximately 98.6% of the votes cast on the say-on-pay proposal were in favor of our NEOs' compensation as disclosed in the proxy statement for that meeting and, as a result, our NEOs' compensation was approved.

In addition, over the past year we have engaged in a dialogue with many of our stockholders to solicit their input on a range of topics, including executive compensation and governance matters. The Committee determined that, based on such discussions and given the very high level of support, no substantive changes to our executive compensation policies and decisions were necessary. We intend to continue such dialogue with our stockholders, and the Committee intends to continue to make its executive compensation decisions as it has in the past year by focusing on performance-based compensation, gauging competitive practices and authorizing compensation that is within the range of what is deemed to be competitive and appropriate in our industry.

The Committee continues to value the opinions of our stockholders. In the event there is any significant vote against the compensation of our NEOs as disclosed in the proxy statement, the Committee will consider the concerns of the stockholders and evaluate any actions necessary to address such concerns.

The Committee continues to believe that a substantial majority of NEO compensation should be variable, at risk and subject to performance conditions. Given that 80% of CEO compensation and over 65% of compensation for our other NEOs is variable/at risk, we believe our compensation program is designed to drive and reward outstanding performance in the face of these challenging market conditions.

Compensation Philosophy . Our Committee oversees an executive compensation program designed to motivate high performance, ethics and alignment with the interests of our stockholders. Our compensation program rewards our executive officers for achieving performance objectives and fostering a culture of collaboration and teamwork. This forms the basis of our pay-for-performance philosophy.

To support our compensation philosophy, we established the following objectives:

- attract, motivate and retain exceptional talent with market competitive compensation;
- link pay to performance;
- drive achievement of both long-term and annual business objectives;
- align executive compensation with stockholder interests; and
- reinforce corporate values and commitments.

[Table of Contents](#)

We design, implement and administer our compensation program to support our philosophy.

Compensation Overview . Consistent with our philosophy, our compensation program consists of a market-competitive pay mix designed to motivate and reward our NEOs for successfully implementing our strategy to grow our business and create long-term stockholder value. We believe dividing the total compensation awarded to executive officers among the following four direct components helps us achieve a balanced set of incentives to accomplish our goals:

- base salary;
- short-term incentive program;
- long-term incentive program; and
- benefits.

Elements of Compensation. Our mix of compensation includes: base pay, short-term cash incentives, long-term equity incentives and benefits. The chart below summarizes how our compensation design supports our compensation objectives:

Compensation Element	Compensation Objective	Key Features
Base Salary	<ul style="list-style-type: none"> • Attract and retain executives by providing a stable income at a level that appropriately compensates NEOs for the day to day execution of their primary duties and is consistent with the market. • Link pay to performance and reinforce corporate values by basing annual merit increases on an executive's direct contributions. 	<ul style="list-style-type: none"> • Annual review to ensure our compensation is in line with the market. • Annual adjustments based on performance rating and the market. • During the first quarter of each year, the Board of Directors approves base pay of CEO and the Committee approves other NEOs.
Short-term incentives	<ul style="list-style-type: none"> • Link pay to performance by directly tying goals to the Company's business objectives, as well as individual goals. • Align executives with stockholders by setting performance metrics that will yield strong financial results. • Reinforce corporate values through shared performance objectives with an emphasis on our defined employee and leadership competencies. 	<ul style="list-style-type: none"> • Discretionary program. • Target performance measure levels set to achieve annual objectives. • Reviewed annually in relation to current market data and approved by the Committee. • Funding approved by the Committee. • CEO award approved by the Board of Directors and other NEO awards approved by the Committee.
Long-term incentives	<ul style="list-style-type: none"> • Grant equity awards that provide opportunity to share in long-term wealth creation. • Link pay to performance by tying payouts to achievement of long-term performance measures and sustained performance by the Company. • Align with best interests of stockholders by reinforcing the critical objective of building stockholder value over the long-term. 	<ul style="list-style-type: none"> • Awards are 50% performance-based and 50% time-based. • Performance-based awards are earned and vest based on the achievement of Adjusted EBITDA Growth and relative TSR goals. • Individual targets set in relation to current market data and executive's role at the Company. • CEO award approved by the Board of Directors and other NEO awards approved by the Committee.
Benefits	<ul style="list-style-type: none"> • Attract and retain individuals by offering market competitive benefits. 	<ul style="list-style-type: none"> • Reviewed annually to ensure competitive with the market.

The majority of an executive's compensation should be based on his or her contribution to the success of the Company and the creation of value for our stockholders. Our executive compensation is heavily weighted toward variable, at risk, pay elements based on performance. To further strengthen our alignment with stockholders, the majority of our executives' variable, at risk compensation is based on our long-term success.

Compensation Methodology. Setting executive pay is an annual process that involves our management, the Committee, our Audit Committee, our Board of Directors and an independent compensation consultant. We review our pay programs to ensure consistency with our compensation philosophy and business objectives. The Committee strives to target total direct compensation levels to be competitive with the market in which we compete for executive talent.

We review each NEO's total compensation in light of our Company's strategic objectives, market conditions and individual responsibilities and accomplishments. Part of this review includes considering the appropriate compensation level and mix. Although we focus on total direct compensation, each individual element of compensation is reviewed against the market, which includes the 25th, 50th and 75th percentile of compensation paid to similarly situated executives represented in the market data, to ensure our compensation is in line with the market. Variations from the median may occur due to experience, skills, criticality of function to the Company and the sustained performance of the executive.

Role of the Board of Directors. The Board of Directors acts on any recommendations regarding executive compensation matters made by the Committee and its independent directors approve CEO compensation.

Role of the Compensation Committee. Under its charter, the Committee is charged with establishing our compensation program and compensation policies, approving and recommending compensation program designs to the full Board for approval. Also, the Committee has the responsibility for recommending the compensation of our CEO to the Board of Directors for approval. For all other NEOs, the Committee reviews the CEO's recommendations, supporting market data and individual performance assessments in establishing targets under the compensation program, and administering and approving payouts pursuant to such program. The charter authorizes the Committee to engage consultants and other professionals without management approval to the extent necessary. Details of the Committee's authority and responsibilities are specified in the Committee's charter, which is available on our website at <http://www.semgroupcorp.com>.

Role of Management. Our CEO and other executive officers develop recommendations regarding the appropriate level and mix of compensation for their direct reports. Recommendations are based on our compensation philosophy, the range of compensation programs authorized by the Committee, market data from nationally recognized executive and industry related salary surveys, and the individual responsibilities and performance of each direct report.

Our CEO and Vice President of Human Resources provide support to the Committee and attend all Committee meetings, but are not present for discussion of their individual compensation.

Role of Audit Committee. With respect to our Chief Financial Officer ("CFO"), the Audit Committee of the Board of Directors consults with management and the Committee about his performance evaluation and compensation.

Additionally, the Audit Committee validates the calculation of our achievement percentage for each performance measure prior to the determination of our incentive pool. Our internal audit function confirms the short-term incentive pool before payments are processed. Also, the internal audit function validates the calculation of our achievement percentage for our performance metrics related to our performance-based equity awards. Our internal audit function confirms the calculation prior to the Committee certifying the achievement of our performance-based equity awards and distribution of equity awards.

Role of the Independent Compensation Consultant. The Committee engaged Pearl Meyer & Partners ("Pearl Meyer") to serve as its independent compensation consultant on matters related to executive compensation during 2016, including the review of executive compensation recommendations provided by management. Pearl Meyer also provided guidance on director compensation. Pearl Meyer reported directly to the Committee and performed no other services for the Company. The Committee has assessed the independence of Pearl Meyer pursuant to SEC rules and concluded that Pearl Meyer's work for the Committee did not raise any conflict of interest.

The Committee regularly reviews consultant independence and the services provided by its outside consultant. In making its determination regarding the independence of outside advisors for 2016, the Committee noted that:

- Pearl Meyer did not provide any services to the Company or our management other than services requested by or with the approval of the Committee, which were limited to executive and director compensation consulting;
- Fees we paid to Pearl Meyer in 2016 were less than 1% of each organization's total revenues;
- None of the Pearl Meyer consultants working on our matters had any business or personal relationship with any of the Committee members;
- None of the Pearl Meyer consultants working on our matters had any business or personal relationship with any of our executive officers outside of the engagement;
- None of the Pearl Meyer consultants working on our matters owns our stock; and
- Pearl Meyer maintains a conflicts policy, which was provided to the Committee, with specific policies and procedures designed to ensure independence.

The Committee monitors the independence of its compensation consultant on an annual basis.

Role of the Peer Group. The Committee compares our executive compensation program to a group of companies that are comparable in terms of size and industry ("the peer group"). The peer group serves two purposes:

- **Market Reference**: Provides a market frame of reference for evaluating our compensation arrangements (current or proposed), understanding compensation trends among comparable companies and reviewing other compensation and governance-related topics that may arise during the course of the year. To this end, we regularly evaluate industry-specific and general market compensation practices and trends to ensure that our program features and NEO pay opportunities remain appropriately competitive. When determining salaries, target bonus opportunities and annual long-term incentive grants for NEOs, the Committee considers the performance of the Company and the individual, the nature of an individual's role within the Company, experience in the officer's current role, as well as input from its independent compensation consultant, among other variables.

[Table of Contents](#)

- *TSR Performance*: Measures our relative TSR performance for purposes of determining a portion of the value of the performance- based awards under our long-term incentive plan. We must achieve an attractive TSR relative to our peer group to deliver a target-level award. Please see “Long-Term Incentives” for more information about performance-based awards.

Pearl Meyer provided the market data used when designing our NEOs’ compensation program for 2016. Pearl Meyer’s market compensation analysis used compensation information from SemGroup’s current peer group as the primary data source. Where there was insufficient data from the peers (e.g., small sample sizes, etc.), the market data was supplemented with data from other similarly- sized companies that operate in the Oil and Gas Storage & Transportation industry and/or Energy sector.

For 2016, the peer group includes the following 19 companies, which comprise a mix of both direct competitors and companies whose primary business matched at least one of our business groups:

- Boardwalk Pipeline Partners, LP
- Buckeye Partners, L.P.
- Crestwood Equity Partners LP
- DCP Midstream, LP
- Enable Midstream Partners, LP
- Enbridge Energy Partners, L.P.
- EnLink Midstream Partners, LP
- Genesis Energy, L.P.
- Holly Energy Partners, L.P.
- Magellan Midstream Partners, L.P.
- MarkWest Energy Partners, L.P.
- NuStar Energy L.P.
- ONEOK, Inc.
- Plains All American Pipeline, L.P.
- Spectra Energy Corp
- Summit Midstream Partners, LP
- Targa Resources Corp.
- Tesoro Logistics LP
- Williams Partners L.P.

While some of the companies in our peer group have revenues, assets and market capitalization larger than SemGroup, we believe the peer group continues to be aligned with our current organization as well as the strategic vision of our company. The Committee reviews our peer group annually and makes adjustments as necessary. In its review for 2016, the Committee approved several changes to the peer group to account for acquisitions, changes in size, and the availability of public compensation data.

2016 Total Direct Compensation.

The chart below illustrates the pay-mix and total target direct compensation for our NEOs for 2016. Each individual component is discussed below.

Base Salary. During the first quarter of the year, recommendations for NEOs, excluding the CEO, are made by the CEO to the Committee on base pay for that year. Merit increases for base salary take into account the individual executive's performance and achievement of goals, as well as the executive's current salary level relative to the market. The Committee considers the recommendations and approves the base pay of our NEOs, excluding the CEO. The Committee recommends base pay for the CEO to the independent directors serving on the Board of Directors for approval. Base pay affects other elements of our total compensation, including our short-term and long-term incentives. In reviewing and approving base salaries for the NEOs, the Committee considers the impact on the NEOs' total compensation. Base salaries become effective as of the first payroll in March of each year.

NEO	2015 Salary	2016 Salary	2016 Percent Change
Carlin G. Conner	\$ 575,000	\$ 575,000	0%
Robert N. Fitzgerald	\$ 402,100	\$ 402,100	0%
Candice L. Cheeseman	\$ 342,000	\$ 342,000	0%
Timothy R. O'Sullivan	\$ 320,000	\$ 320,000	0%
Peter L. Schwiering	\$ 340,000	\$ 340,000	0%

NEO salaries remained flat as the Committee believed the recent downturn in the oil and gas market would continue to provide a challenging year in 2016 and an environment where cash management, capital efficiency, and cost control remain important.

Short-Term Incentives. Our NEOs participate in our short-term incentive program, which rewards employees for making decisions that improve our performance in accordance with our annual objectives. Similar to base pay, competitive market information is used to determine short-term incentive targets (expressed as a percentage of base pay) for each NEO. Our short-term incentives are based on achievement of certain performance measures established prior to the beginning of the performance period. Attainment of these performance measures can result in award payouts ranging from 0% to 200% of the NEO's short-term incentive target.

The annual short-term incentive targets as a percentage of eligible earnings (base salary for a performance year) for our NEOs in 2015 and 2016 were as follows:

NEO	2015 Target	2016 Target
Carlin G. Conner	100%	100%
Robert N. Fitzgerald	70%	70%
Candice L. Cheeseman	70%	70%
Timothy R. O'Sullivan	60%	60%
Peter L. Schwiering	60%	60%

[Table of Contents](#)

For 2016, we completed an analysis of the design and compensation levels utilized in our short-term incentive program. The review consisted of:

- a market update on annual incentive plans;
- an overview of performance metrics commonly used in annual incentive plans;
- a review of proxy data for peer companies; and
- the Committee's and CEO's assessment of the annual incentive plan's alignment with the Company's strategic objectives.

As a result of this review, we concluded that our overall short-term incentive program design was consistent with our objectives and aligned with market practice. Consistent with previous years, the program's metrics are designed to promote consolidated, business unit and individual performance. The 2016 program included additional emphasis on financial metrics and corporate strategic initiatives to drive both behavior and results necessary to achieve our 2016 operating budget and long-term strategic plan.

Financial Performance. We continued to use Adjusted EBITDA for consolidated and business unit performance. Adjusted EBITDA is a measure of our financial performance and provides information regarding our ability to meet future debt service, capital expenditures and working capital requirements. We define Adjusted EBITDA as earnings before interest, taxes, depreciation and amortization, adjusted for select items that we believe impact the comparability of financial results between reporting periods.

Individual Performance. Our NEOs' individual performance measure is evaluated by the CEO and his assessment of their contributions and achievement of individual performance goals, as well as our corporate strategic objectives, which are customized and defined in each NEO's 2016 performance goals and are aligned with "DRIVE SUCCESS" initiatives as follows:

Individual Performance Measures Values	Definition
Dedicated to Excellence	Trust, accountability, and empowerment frees us to execute our business. We strive to do our work right the first time with the right people in the right role. We act with a sense of urgency and we expect every employee to continuously improve their processes and work environment.
Respect Everyone	We have a humility that serves all of our stakeholders. We earn trust, communicate and behave in a truthful, respectful, consistent manner with each other, customers, vendors, and communities. We commit to the protection of the environment and the safety of all.
Integrity in All We Do	Deep integrity permeates all we do. We act ethically, we are intellectually honest and absolutely compliant with all legal and regulatory requirements. We take responsibility for what we do and we deliver on our promises and commitments.
Value Teamwork	We foster an environment of open communication and approachability to identify opportunities and solve problems. We seek differing perspectives in our decision making process. We value diverse opinions, experiences, and cultures of our team members in support of our business goals. We recognize and celebrate success.
Entrepreneurial Spirit	Entrepreneurship energizes us and we encourage innovation and adaptability. Sustainability is a core mission and requires thoughtful, long-term decisions. We foster an environment that embraces change, an appetite for calculated risk and a reasonable acceptance of failure.

Corporate Strategic Initiatives. Our corporate strategic initiatives are customized and were defined in each NEO's 2016 performance goals and are aligned with SemGroup's "DRIVE SUCCESS" initiatives, which include:

Commitments	Definition
Safety	Overall improvement of safety performance including process and communication.
Unmatched Excellence	Focus on opportunities to create efficiencies in current processes and procedures.
Committed to Growth	Continue to review and evaluate all growth opportunities, utilize our commercial resources to leverage commercial opportunities and execute on all sensible opportunities.
Community Involvement	Continue to support host communities, through sponsorship and employee participation of various charities.
Employee Well Being	Build and enhance employee programs for the betterment of the organization.
Social Responsibility	Continue to evaluate industry regulations, current and potential, that affect SemGroup's compliance both internal and external.
Shareholder Value	Deliver on Adjusted EBITDA, SemGroup dividends, and debt/EBITDA ratio set forth in 2016 operating budget.

2016 Weighting of Performance Measures. The weighting of these measures for the NEOs are as follows:

NEO	Group	Financial Performance Measures		Strategic and Individual Performance Measures		
		Consolidated Adjusted EBITDA	Crude Adjusted EBITDA	Corporate Strategic Initiatives	Individual Performance	Total
Carlin G. Conner	Corporate	30%	30%	25%	15%	100%
Robert N. Fitzgerald	Corporate	30%	30%	25%	15%	100%
Candice L. Cheeseman	Corporate	30%	30%	25%	15%	100%
Timothy R. O'Sullivan	Corporate	30%	30%	25%	15%	100%
Peter L. Schwiering(1)	Crude	30%	30%	25%	15%	100%

(1) Mr. Schwiering retired August 5, 2016 and a pro-rata short-term incentive award was paid. See "Compensation of Former Named Executive" for further discussion regarding Mr. Schwiering's retirement.

Actual payouts are discretionary and are disbursed from a Company-wide pool approved by the Committee. In approving the incentive pool, the Committee considers our actual performance in relation to the targeted performance for each performance measure, as well as key strategic accomplishments completed during the year. Recommendations for each NEO were based on the NEO's short-term incentive target adjusted for the achievement of the pre-established performance measures and for personal contributions. We used the following as a guide in calculating each NEO's recommended short-term incentive payout prior to discretionary adjustments:

$$\text{Eligible Earnings for 2016} \times \text{Short-term Incentive Target \%} \times (\text{sum of the (Weighting of Performance Measure} \times \text{Achievement Factor for the Performance Measure)}) \text{ for each Performance Measure}$$

Our incentive program allows the Committee to make adjustments in the calculation of our performance relative to the performance measures to reflect certain business events. The use of Adjusted EBITDA for our performance metric aligns with our non-GAAP financial measures reported publicly and helps ensure that incentive programs do not result in unearned windfalls or impose undue penalties. We believe the use of Adjusted EBITDA improves the alignment of incentives with stockholder value creation and effectively encourages our NEOs to take actions to create value for stockholders.

The Audit Committee validates our calculation of the achievement of each performance measure to support the determination of the company-wide pool, as adjusted for these items, and ensure consistency with our financial statements.

The chart below shows the achievement of our 2016 performance measures and the resulting recommended funding level.

Financial Performance Metrics (millions)	Threshold	Target	Maximum	Actual Performance	Achievement Factor (% of Target to be Paid)(1)
Consolidated Adjusted EBITDA	\$ 278.8	\$309.8	\$ 372.8	\$ 282.8	88.0%
Crude Adjusted EBITDA	\$ 149.7	\$166.3	\$ 199.6	\$ 172.3	117.5%

Table of Contents

The Committee reviewed and confirmed these results and approved the short-term incentive pool. The Committee evaluated Adjusted EBITDA performance, as well as multiple operational, safety, strategic, and individual performance factors before approving the final payout factor. Our NEOs received, excluding Mr. Schwiering's pro rata award, on average 113% of their short-term incentive target payout based on actual performance in relation to targeted performance for each performance measure, key strategic accomplishments and individual performance.

Long-Term Incentives. We provide long-term incentives in the form of equity awards under our Equity Incentive Plan and historically under the RRMS Equity Incentive Plan. The Committee oversees the administration of the equity awards granted under both of these plans. Awards issued under the RRMS Equity Incentive Plan were also approved by the Board of Directors of the general partner of RRMS. To determine the value of equity awards to be granted to NEOs, we consider the following factors:

- the proportion of long-term incentives relative to base pay;
- our long-term business objectives;
- awards made to executives in similar positions with other comparably sized energy companies in our peer group;
- the NEO's impact on our performance and ability to create value; and
- the NEO's performance.

The Committee has allocated long-term equity awards as follows:

- **Performance-based awards (weighted 50%):** The 2016 performance-based awards are measured based on one metric, relative TSR, as it mirrors the market return of our stockholders and compares our performance to that of our peer group. We must achieve an attractive TSR relative to our peer group to deliver a target level award. See "The Role of the Peer Group" under "Compensation Overview" above for more information concerning our peer group. A partial award can be earned on achievement of the metric.
- **Time-based restricted stock awards (weighted 50%):** Time-vested awards include awards under both our Equity Incentive Plan and historically under the RRMS Equity Incentive Plan and are allocated based on time dedicated by the NEOs to each of the Company and RRMS. Time-based awards vest three-years after the grant date.

The Committee supports this design as it is equity-based and delivers a significant portion of the equity in performance-based awards to our NEOs, further strengthening alignment with stockholders.

In general, we plan to make our annual equity grants around the same time each year. It is possible that newly hired or promoted executives may receive equity grants on the date on which they are hired or promoted or on the date of a Committee meeting on or around the hire or promotion date. The Committee approves all equity grants to the NEOs and the grant date for such awards is on or after the date of such approval.

The Committee does not intend to make equity grants in anticipation of the release of material non-public information and does not intend to time the release of such information based on equity award grant dates.

2016 Long-Term Incentive Awards. The long-term incentive targets as a percentage of eligible earnings (base salary for a performance year) for our NEOs in 2016 are listed in the table below. In 2016, the Committee awarded NEOs, with the exception of the CEO, long-term incentive grants 10% below target in recognition of the increased pressure on available share balances in our equity incentive plans. The CEO was awarded a long-term incentive grant of 115% of target.

NEO	2016 Target Annual Grant Value (% of salary)
Carlin G. Conner	260%
Robert N. Fitzgerald	200%
Candice L. Cheeseman	130%
Timothy R. O'Sullivan	130%
Peter L. Schwiering	(1)

(1) Mr. Schwiering announced his retirement in February 2016 and no long-term incentive award was issued for 2016. See "Compensation of Former Named Executive" for further discussion regarding Mr. Schwiering's retirement.

2014 Performance Share Unit Awards Vesting. Consistent with our design, the 2014 performance-based awards were weighted 50% tied to the Adjusted EBITDA Growth performance metric and 50% tied to relative TSR and had a three-year performance period ended December 31, 2016. The following Adjusted EBITDA Growth and relative TSR performance calculations were verified by our internal audit department. The achievement of these metrics was reviewed and certified by the Committee on February 22, 2017.

Metric	Threshold	Target	Stretch	Actual Performance	Calculated Payout Percentage (% of Target)
Adjusted EBITDA Growth	60% growth	100% growth	120% growth	60% growth	50%
Relative TSR	25th%ile	50th%ile	75th%ile	0 percentile	0%

Benefits. Our NEOs currently receive the same level of health and welfare benefits provided to all employees including participating in our 401(k) Plan which provides for a matching contribution of a portion of an employee's annual tax-deferred contribution. Our NEOs currently receive no perquisites (perks) or supplemental benefits, except for the following:

- **Tax and Financial Planning Allowance:** We provide up to \$15,000 annually to our CEO for annual income tax return preparation and financial planning to provide expertise on current tax laws, to assist with personal financial planning and to prepare for contingencies such as death and disability. We provide this benefit in order to help our CEO keep his focus on his responsibilities at SemGroup.

Compensation of Former Named Executive

Peter L. Schwiering. Peter L. Schwiering, age 72, retired from the Company effective August 5, 2016. In connection with his retirement, the Company and Mr. Schwiering entered into a consulting agreement (the "Consulting Agreement"). Pursuant to the Consulting Agreement, Mr. Schwiering will provide consulting services to the Company through July 31, 2017 to ensure an orderly transition of his responsibilities and be paid \$22,000 per month. Pursuant to the terms of the Consulting Agreement, Mr. Schwiering participated on a pro-rata basis in the Company's short-term incentive plan with respect to the year ended December 31, 2016. Upon his retirement, Mr. Schwiering's (i) 3,375 shares of Company restricted stock, together with associated unvested dividends, fully vested and (ii) 5,718 RRMS unit awards, together with associated distribution rights, fully vested. Mr. Schwiering's 6,749 outstanding performance-based equity awards granted by the Company will vest on a pro rata basis if performance criteria associated with such awards are achieved at the end of the applicable performance periods.

Other Executive Compensation Matters

Stock Ownership Policy. We have a Stock Ownership Policy for our executive officers, including NEOs, which further strengthens our NEOs' alignment with stockholders. All NEOs must maintain an equity interest in the Company and its affiliates equal to a specified multiple of their base pay. Executives are required to retain 100% of annual equity awards, net of taxes, until ownership requirements are met. Fifty percent of the unvested time-based equity awards will count towards the ownership requirements. Unvested performance-based awards do not count toward the ownership requirements. We intend to periodically review the policy and adjust it as internal objectives or market conditions warrant. The chart below shows the NEO stock ownership guidelines currently in effect.

Position	Holding Requirement as a Percent of Base Pay
CEO	3x
NEO	2x
Other Executive Officers	1x

Clawback Policy. We have a Clawback Policy that if an accounting restatement occurs due to material noncompliance with the financial reporting requirements under U.S. federal securities laws, the Committee has the right to use reasonable efforts to recover from any of our current or former executive officers who received incentive-based compensation during the three-year period preceding the date on which the Company is required to prepare an accounting restatement any excess incentive-based compensation awarded as a result of the misstatement. This policy is intended to be interpreted in a manner consistent with any rules or regulations adopted by the SEC or listing guidelines adopted by the NYSE as contemplated by the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Our short-term incentive program and form of award agreements for long-term incentives require participants and grantees to return any incentive-based compensation which we determine we are required to recover from the participants and grantees under this policy. Our executive severance agreements discussed below also contain certain forfeiture and clawback provisions in the event that the executive breaches any non-competition, non-solicitation, non-disparagement, confidential information or intellectual property covenants in the agreements.

Policy on Hedging and Pledging Our Securities . Our Insider Trading Policy specifically prohibits our directors, named executive officers and other employees from (a) engaging in any hedging activities with respect to our securities or (b) holding our securities in a margin account or otherwise pledging our securities.

Compensation Program as it Relates to Risk . We have reviewed our compensation policies and practices for both executives and non-executives as they relate to risk and have determined that at this time they are not reasonably likely to have a material adverse effect on the Company.

In reaching this conclusion, we considered the various elements of our compensation program that are designed to help mitigate excessive risk taking, including:

- *Components of Compensation:* We use a mix of compensation elements including base salary, short-term incentives and long-term incentives to avoid placing too much emphasis on any one component of compensation.
- *Level of Compensation:* Our total direct compensation is designed to be competitive with the marketplace and aligned with the interest of our stockholders.
- *Short-term Incentive:* Our short-term incentive plan does not allow for unlimited payouts. Short-term incentive payments cannot exceed 200% of target levels. Our short-term incentive plan is discretionary and is subject to the Committee's approval.
- *Equity Awards:* Our restricted stock and RRMS common unit awards drive a long-term perspective and have a three-year cliff vesting period.
- *Board/Committee Oversight:* The Board of Directors and the Committee maintain full discretion of reviewing and administering all awards under short- and long-term incentive plans.
- *Performance Measures:* Our performance goal setting process is aligned with our business strategy and our values and commitments.
- *Comprehensive Risk Management Policy:* Our policy provides that employees will not be compensated for exposing us to undue risk as determined by our senior management and/or Board of Directors.
- *Clawback Policy:* We have the ability to recover any excess incentive-based compensation awarded to any of our executive officers as a result of any accounting restatement due to material non-compliance with the reporting requirements under U.S. federal securities laws.

Our compensation program is intended to motivate NEOs and employees to achieve business objectives that generate stockholder returns while demonstrating behaviors that are consistent with our values.

Executive Severance Agreements . We entered into severance agreements with each of our NEOs, other than our CEO, to encourage and motivate such executive officers to devote their full attention to their duties without the distraction of concerns regarding their involuntary or constructive termination of employment under certain circumstances. Each severance agreement expires on June 1, 2018 unless extended. Termination-related benefits are described in greater detail under "Potential Payments Upon Termination or Change in Control" below.

Employment Agreement . We entered into an employment agreement with Carlin G. Conner on March 6, 2014, in conjunction with the commencement of his service as our President and Chief Executive Officer on April 1, 2014. Mr. Conner's employment agreement provides for certain basic compensation provisions, including a base salary and eligibility to participate in incentive compensation programs and benefit programs available to our other executives, and provided for a sign-on bonus payment and one-time equity award. Mr. Conner's agreement also includes certain termination-related benefits in the event of his involuntary or constructive termination of employment, including following a change of control, which are described under "Potential Payments Upon Termination or Change in Control" below. The benefits offered by the employment agreement were the result of negotiations between us and Mr. Carlin in connection with our hiring him away from his previous employer. We believe the termination-related benefits are appropriate and competitive and that they should allow Mr. Carlin to devote his full attention to his various duties without the distraction of concerns regarding his involuntary or constructive termination of employment under the circumstances set forth in the agreement.

Accounting and Tax Treatment . We consider the impact of accounting and tax treatment when designing all aspects of compensation, but the primary driver of program design is the support of business objectives. In that regard, we review and consider the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which limits the tax deductibility by a corporation of compensation in excess of \$1 million paid to its CEO and any of its three other most highly compensated executive officers, other than the CFO. Compensation which qualifies as "performance-based" is excluded from the \$1 million limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by the corporation's stockholders. The Committee, however, has not adopted a policy

[Table of Contents](#)

that all compensation must be deductible. If future compliance with Section 162(m) is inconsistent with our compensation philosophy or what is believed to be in the best interests of our stockholders, then future compensation arrangements may not be fully deductible under Section 162(m). For example, our time-vested awards of restricted stock do not qualify as performance-based and may not be fully deductible.

Compensation Committee Report

The Committee has reviewed and discussed the Compensation Discussion and Analysis included in this proxy statement with management of SemGroup and, based on such review and discussions, the Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

(1) The amount represents a sign-on bonus paid to Mr. Conner under the terms of his employment agreement as an inducement to accept our employment offer.

(2) Represents the grant date fair value computed in accordance with ASC Topic 718, "Compensation – Stock Compensation," which excludes the effect of estimated forfeitures, of the shares of restricted stock and performance share units granted under our Equity Incentive Plan and the restricted RRMS common units granted under the RRMS Equity Incentive Plan. Awards with performance conditions are valued on the grant date closing price on the NYSE based on the number of awards expected to vest. Awards with market conditions are valued using Monte Carlo simulations. The assumptions used to value the SemGroup stock awards are included in Note 19 to our consolidated financial statements contained in our Annual Report on Form 10-K for the year ended December 31, 2016. As a result of SemGroup's acquisition of RRMS on September 30, 2016, all outstanding and unvested restricted RRMS common unit awards were converted into equivalent shares of SemGroup restricted stock, with the number of shares issuable upon vesting determined by the merger exchange ratio of 0.8136 shares of SemGroup Class A Common Stock for each RRMS common unit. The amount shown does not represent amounts paid to the executives.

The value included for the performance share units is based on 100 percent of the performance share units vesting at the end of the three-year performance period. Using the maximum number of shares of stock issuable upon vesting of the performance share units (200 percent of the units granted in 2016, 2015 and 2014), the aggregate grant date fair value of the performance share units would be as follows:

Name	2016	2015	2014
Carlin G. Conner	\$ 1,745,030	\$ 1,699,926	—
Robert N. Fitzgerald	\$ 740,442	\$ 891,948	\$ 759,774
Candice L. Cheeseman	\$ 409,342	\$ 444,575	\$ 426,405
Timothy R. O'Sullivan	\$ 383,014	\$ 459,969	\$ 348,314
Peter L. Schwiering	—	\$ 492,935	\$ 481,877

(3) For 2016, represents awards under our short-term incentive program based on our achievement of certain performance metrics specified therein. Amounts were based on partial achievement of the performance metrics for 2016.

The table below shows the components of this column for 2016:

(a) Represents consulting fees paid to Mr. Schwiering pursuant to a consulting agreement and release entered into between the Company and Mr. Schwiering upon Mr. Schwiering's retirement from the Company on August 5, 2016.

(b) Represents the payout of accrued and unused vacation upon Mr. Schwiering's retirement.

(5) Mr. Conner commenced his service as our President and Chief Executive Officer as of April 1, 2014.

(6) Represents a one-time, new-hire award to Mr. Conner under the terms of his employment agreement intended in part to make Mr. Conner whole for equity value forfeited at his previous employer and to also provide alignment between Mr. Conner's compensation and stockholder interests.

The following table provides information about stock, option and RRMS common unit awards and non-equity and equity incentive plan awards granted to our named executive officers during the year ended December 31, 2016. No stock options were granted to our named executive officers in 2016. There can be no assurance that the Grant Date Fair Value of Stock and Option Awards will ever be realized.

(1) Represents estimated possible payouts under our short-term incentive plan. The estimated possible payout amounts are based on the applicable bonus target percentage and base salary for each named executive officer in effect for 2016. Actual incentive payments for 2016 are reflected in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table above.

(2) Represents the range of payouts in shares of stock for the performance period beginning January 1, 2016 and ending December 31, 2018, for performance-based share awards granted under our Equity Incentive Plan. If the performance criteria are met, payouts can range from 50 percent of target at the threshold level to 200 percent of target at the maximum level. If a participant retires (after continuously serving not less than 12 months during the performance period), dies or suffers a disability during the performance period, the participant or participant's estate is entitled to that portion of the number of performance shares as such participant would have been entitled to had he or she remained employed, prorated for the number of days served. However, in the event of a subsequent change of control during the performance period, such participant or participant's estate will be entitled to the number of shares at the target level. Performance shares are forfeited if employment is terminated for any other reason. If a participant continuously serves not less than 12 months during the performance period and a change of control occurs during the performance period, such participant will be entitled to the number of shares at the target level.

(3) Represents restricted shares of Class A Common Stock underlying restricted stock awards granted under our Equity Incentive Plan. In general, restricted stock awards vest on the third anniversary of the date of grant, subject to the executive's continued service with the Company through the vesting date. While an executive officer holds restricted shares, he or she is entitled to vote such shares with holders of our Class A Common Stock. Dividends, if any, paid with respect to the restricted shares are held by the Company and are subject to forfeiture until such time that the restricted shares on which the dividends were paid vest. The vesting of the restricted shares will accelerate in full in the event (i) an executive officer is terminated by the Company without cause or by the executive officer for good reason after or in connection with a change in control, (ii) an executive officer is terminated due to death or disability, or (iii) an executive officer is

involuntarily terminated by the Company, as the direct result of a divestiture or otherwise, without cause. If an executive officer's employment is terminated for any reason other than those in (i), (ii) and (iii) above, all unvested restricted shares, and any dividends distributed thereon, will be forfeited.

- (4) Represents restricted shares of Class A Common Stock, after adjusting for the merger exchange ratio, underlying restricted RRMS common unit awards granted under the RRMS Equity Incentive Plan. As a result of SemGroup's acquisition of RRMS on September 30, 2016, the restricted RRMS common unit awards were converted into equivalent restricted stock awards of SemGroup. The number of restricted RRMS common units underlying the RRMS awards originally granted are as follows: Mr. Conner, 21,910; Mr. Fitzgerald, 9,743; Ms. Cheeseman, 5,386; and Mr. O'Sullivan, 5,040.
- (5) Represents the grant date fair value computed in accordance with ASC Topic 718, "Compensation—Stock Compensation," which excludes the effect of estimated forfeitures, of the shares of restricted stock and performance share units granted under our Equity Incentive Plan and the restricted RRMS common units granted under the RRMS Equity Incentive Plan. Awards with performance conditions are valued on the grant date closing price on the NYSE based on the number of awards expected to vest. Awards with market conditions are valued using Monte Carlo simulations. The assumptions used to value the SemGroup stock awards are included in Note 19 to our consolidated financial statements contained in our Annual Report on Form 10-K for the year ended December 31, 2016. The value included for the performance share units is based on 100 percent of the performance share units vesting at the end of the three-year performance period. The amount shown does not represent amounts paid to the executives.

Potential Payments Upon Termination or Change in Control

We have entered into certain agreements and maintain certain plans that will require us to provide compensation to our named executive officers, or NEOs, in the event of a termination of employment or a change in control of SemGroup. In addition, we entered into an employment agreement with Carlin G. Conner effective as of March 6, 2014, in conjunction with Mr. Conner's service as President and Chief Executive Officer of our Company commencing April 1, 2014.

Conner Employment Agreement. The initial term of Mr. Conner's employment agreement is three years; provided, however, that commencing on the one-year anniversary date of the employment agreement and each subsequent annual anniversary date, the term shall be automatically extended so as to terminate three years from such anniversary date. Notwithstanding the term, the employment agreement will automatically terminate upon Mr. Conner's separation from service (as defined in the employment agreement).

Mr. Conner's initial base salary under the employment agreement is \$550,000 per year. Mr. Conner is eligible to receive a target annual bonus determined in a manner consistent with that established under our short-term incentive program for each calendar year and participate in our long-term incentive program adopted by the Board of Directors. The employment agreement provides that Mr. Conner will be reimbursed for (i) reasonable out-of-pocket relocation expenses and traveling expenses until relocation, (ii) reasonable business expenses, and (iii) annual income tax return preparation and financial planning expenses up to \$15,000 per year.

Pursuant to the employment agreement, Mr. Conner received a sign-on bonus of \$600,000. In addition, he received additional signing compensation in the form of a one-time award of (i) restricted shares of our Class A Common Stock (the "Restricted Stock") under our Equity Incentive Plan in such amount having a fair market value as of the grant date of the award equal to the aggregate sum of \$4,250,000, with such shares vesting in five equal annual installments; and (ii) restricted RRMS common units under the RRMS Equity Incentive Plan in such amount having a fair market value as of the grant date of the award equal to the aggregate sum of \$750,000, with such common units vesting in five equal annual installments.

If Mr. Conner's employment with us terminates for any reason, including "disability" or death, Mr. Conner will be entitled, among other things, to payment of any (i) accrued but unpaid base salary; (ii) any accrued earned but unpaid annual bonus for the prior calendar year; (iii) accrued but unpaid vacation; and (iv) unreimbursed business expenses. In each case any unvested equity awards held by Mr. Conner will vest and payout only in accordance with the applicable award agreements for such equity awards. The amounts payable described in this paragraph are collectively referred to as the "Termination Amounts Payable."

If Mr. Conner's employment is terminated without "cause" or Mr. Conner resigns for "good reason" prior to a change in control, then, in addition to the Termination Amounts Payable, Mr. Conner will be entitled to the following:

- an amount equal to two times the base salary in effect as of the date of his separation from service, payable on the first business day following six months after his separation from service;
- any unvested shares of the Restricted Stock will vest on his separation from service;
- reimbursement of reasonable fees and costs for outplacement services incurred by him within six months after his separation from service not exceeding \$10,000; and
- certain continuing healthcare coverage for up to 18 months following his separation from service.

If Mr. Conner's employment is terminated other than for "cause" by us or Mr. Conner resigns for "good reason" in connection with a change in control, then, in addition to the Termination Amounts Payable, Mr. Conner will be entitled to the compensation for termination not in connection with a change in control described above, except that the payment of an amount equal to two

[Table of Contents](#)

times the base salary shall be an amount equal to three times the sum of the base salary plus the Target Annual Bonus, each determined as of his separation from service; provided, however, that any reduction in either the base salary or Target Annual Bonus that would qualify as good reason shall be disregarded for this purpose. "Target Annual Bonus" means, as of any date, the amount equal to the product of the base salary determined as of such date multiplied by the percentage of such base salary to which Mr. Conner would have been entitled immediately prior to such date under any annual bonus arrangement for the calendar year for which the annual bonus is awarded if the performance goals established pursuant to such annual bonus were achieved at the 100% level as of the end of the calendar year; provided, however, that if Mr. Conner's annual bonus is discretionary and no 100% target level is formally established either under the annual bonus arrangement or otherwise, Mr. Conner's "Target Annual Bonus" shall mean the amount equal to 100% of his base salary.

Payment of any amounts described in the preceding paragraphs regarding Mr. Conner's termination not in connection with a change in control and termination in connection with a change in control will be conditioned on Mr. Conner's execution and delivery to us of an agreement, waiver and release. Payment of any such amounts will be further conditioned on his compliance with the covenants regarding confidentiality, non-competition, non-solicitation, intellectual property and non-disparagement set forth in the employment agreement.

Notwithstanding the foregoing, if any amount or benefit to be paid above regarding Mr. Conner's termination would be an excess parachute payment (within the meaning of Section 280G of the Internal Revenue Code of 1986, as amended), then the payment to be paid or provided under the employment agreement will be reduced to the minimum extent necessary so that no portion of any such payment, as so reduced, constitutes an excess parachute payment.

"Cause" is defined in Mr. Conner's employment agreement as:

- his conviction of or a plea of nolo contendere to a felony or a crime involving fraud, dishonesty or moral turpitude;
- his commission of a willful wrongful act intending to enrich himself at the expense of, or that causes serious injury, monetary or otherwise, to, the Company or any of its subsidiaries or affiliates;
- his willful or reckless neglect or misconduct in the performance of his duties which results in a material adverse effect on the Company;
- his willful or reckless violation or disregard of the Company's code of business conduct and ethics or, if applicable, the written code of ethics for our CEO and senior financial officers previously provided to him;
- his material willful or reckless violation or disregard of a written Company policy previously provided to him; or
- his habitual or gross neglect of duties.

An act or failure to act (except as related to a conviction or plea or nolo contendere described above), shall not because if it can reasonably be cured by Mr. Conner within 10 business days after he has received written notice from the Chairman of our Board of Directors.

"Change in control" is defined in Mr. Conner's employment agreement as:

- any person or group (other than an affiliate of ours or an employee benefit plan sponsored by us or our affiliates) becomes a beneficial owner, as such term is defined under the Securities Exchange Act of 1934, of 30% or more of the Company's common stock or 30% or more of the combined voting power of all securities entitled to vote generally in the election of directors ("Voting Securities"), unless such person then owned both more than 70% of common stock and Voting Securities, directly or indirectly, in substantially the same proportion as immediately before such acquisition;
- our directors as of the date of the agreement ("Existing Directors") and directors whose election, or nomination for election by stockholders, are approved after that date by at least two-thirds of the Existing Directors cease to constitute a majority of our directors;
- consummation of any merger, reorganization, recapitalization, consolidation or similar transaction ("Reorganization Transaction"), other than a Reorganization Transaction that results in the persons who were the direct or indirect owners of outstanding common stock and Voting Securities of the Company prior to the transaction becoming, immediately after the transaction, the owners of at least 60% of the then outstanding common stock and Voting Securities representing at least 60% of the combined voting power of the then outstanding Voting Securities of the surviving corporation in substantially the same respective proportions as such persons' ownership immediately before such Reorganization Transaction; or
- approval by our stockholders of the sale or other disposition of all, or substantially all, of the Company's consolidated assets or the Company's complete liquidation other than a transaction that would result in (i) a related party owning more than 50% of the assets that were owned by the Company immediately prior to the transaction or (ii) the persons who were the direct or indirect owners of our outstanding common stock and Voting Securities prior to the transaction continuing to own directly or indirectly, 50% or more of the assets owned by the Company immediately prior to the transaction.

[Table of Contents](#)

A change in control will not occur if (i) Mr. Conner agrees in writing prior to an event that such an event will not be a change in control; or (ii) the Board determines that a liquidation, sale or other disposition approved by the stockholders, as described in the fourth bullet above, will not occur, except to the extent termination occurred prior to such determination.

“Disability” is defined in Mr. Conner’s employment agreement as a medically determined physical or mental impairment as a result of which he becomes unable to continue to fully perform his essential functions with or without reasonable accommodation for 90 consecutive calendar days, or for shorter periods aggregating 120 or more days in any twelve month period, or upon the determination of a mutually selected physician that, on account of such an impairment, he will be unable to return to work and perform his essential functions with or without reasonable accommodation within 90 calendar days following such determination.

“Good reason” is defined in Mr. Conner’s employment agreement as the occurrence of any of the following without his prior written consent:

- a material adverse reduction in the nature or scope of his duties, functions, responsibilities or authority;
- a reduction in his base salary or target annual bonus;
- a material reduction in the kind or level of his aggregate benefits not applicable to all other executives;
- a relocation of generally more than 50 miles; or
- the failure of the Company to materially comply with its obligations under the employment agreement.

Severance Agreements . We have entered into severance agreements with each of the NEOs, other than Carlin G. Conner, our President and Chief Executive Officer, to encourage and motivate such executive officers to devote their full attention to their duties without the distraction of concerns regarding their involuntary or constructive termination of employment. Each severance agreement expires on June 1, 2018, unless extended. The definitions of certain words in quotations are provided below.

Each severance agreement generally provides that if within two years after a “change in control” of the Company (i) an NEO resigns for “good reason” or (ii) the employment of an NEO is terminated other than for “cause,” “disability,” death or a “disqualification disaggregation,” such NEO is entitled to the following:

- within 10 business days after the termination date, a lump sum payment of all accrued but unpaid base salary, any accrued earned but unpaid annual bonus, accrued but unpaid vacation and any other amounts or benefits due but not paid;
- on the first business day following six months after the termination date, a lump sum payment equal to (i) any unpaid earned annual bonus for the fiscal year prior to the fiscal year of termination; and (ii) a severance amount equal to two times his base salary as of the termination date plus an annual bonus amount equal to his target percentage multiplied by his base salary in effect at the termination date as if performance goals were achieved at 100%;
- continued participation in our medical benefit plans for so long as the NEO elects coverage or 18 months from the termination whichever is less, in the same manner and at the same cost as similarly situated active employees;
- all unvested stock options, shares of restricted stock, restricted stock units and performance shares held by the NEO will only vest and be paid out in accordance with the terms of the respective award agreements;
- continued participation in the Company’s directors’ and officers’ liability insurance for six years or any longer known applicable statute of limitations period; and
- outplacement benefits for six months at a cost not exceeding \$10,000.

Notwithstanding the foregoing, if any amount or benefit to be paid above would be an excess parachute payment (within the meaning of Section 280G of the Internal Revenue Code of 1986, as amended), then the payment to be paid or provided under a severance agreement will be reduced to the minimum extent necessary so that no portion of any such payment, as so reduced, constitutes an excess parachute payment.

If an NEO’s employment is terminated for “cause,” the NEO is entitled to a lump sum payment of all accrued but unpaid base salary, any accrued earned but unpaid annual bonus, accrued but unpaid vacation and any other amounts or benefits due but not paid.

If an NEO’s employment is terminated by us without cause prior to a change in control, such NEO is entitled to the following:

- within 30 business days after the termination date, a lump sum payment of all accrued but unpaid base salary, any accrued earned but unpaid annual bonus, accrued but unpaid vacation and any other amounts or benefits due but not paid;
- on the first business day following six months after the termination date, a lump sum payment equal to (i) any unpaid earned annual bonus for the fiscal year prior to the fiscal year of termination; and (ii) a severance amount equal to his base salary as of the termination date plus an annual bonus amount equal to his target percentage multiplied by his base salary in effect at the termination date as if performance goals were achieved at 100%;

[Table of Contents](#)

- all unvested stock options, shares of restricted stock, restricted stock units and performance shares held by the NEO will only vest and be paid out in accordance with the terms of the respective award agreements;
- continued participation in the Company's directors' and officers' liability insurance for six years or any known longer applicable statute of limitations period; and
- outplacement benefits for six months at a cost not exceeding \$10,000.

Pursuant to the severance agreements, during the term of the severance agreement and for a period of twelve months following the date of termination of employment, an NEO may not, directly or indirectly, compete with us or encourage any of our employees to quit or leave our employ or solicit any third party who is an established customer of ours to cease being our customer or take away from us the business of such customer. The severance agreements also require an NEO to keep all our trade secrets and proprietary information confidential, restrict an NEO from disparaging or criticizing us and restrict us from disparaging or criticizing the NEO.

The severance agreements with our NEOs use the following definitions:

"Cause" means an NEO's

- conviction of or a plea of nolo contendere to a felony or a crime involving fraud, dishonesty or moral turpitude;
- willful or reckless material misconduct in the performance of his duties that has an adverse effect on the Company or any of its subsidiaries or affiliates;
- willful or reckless violation or disregard of the Company's code of business conduct and ethics, any applicable code of ethics for our CEO and senior financial officers or any policy of the Company or its subsidiaries; or
- habitual or gross neglect of his or her duties.

Cause generally does not include bad judgment or negligence (other than habitual neglect or gross negligence); acts or omissions made in good faith after reasonable investigation by the NEO or acts or omissions with respect to which the Board could determine that the NEO had satisfied the standards of conduct for indemnification or reimbursement under our Certificate of Incorporation, bylaws, any applicable indemnification agreement, or applicable law; or failure (despite good faith efforts) to meet performance goals, objectives, or measures for a period beginning upon a change of control and continuing for two years or until the termination of the agreement, whichever happens first. An NEO's act or failure to act (except as related to a conviction or plea or nolo contendere described above), when done in good faith and with a reasonable belief after reasonable investigation that such action or non-action was in the best interest of the Company or its subsidiaries or affiliates or required by law shall not be cause if the NEO cures the action or non-action within 10 days of notice. Furthermore, no act or failure to act will be cause if the NEO acted under the advice of counsel representing the Company or required by the legal process.

"Change in control" means:

- any person or group (other than an affiliate of ours or an employee benefit plan sponsored by us or our affiliates) becomes a beneficial owner, as such term is defined under the Securities Exchange Act of 1934, of 30% or more of the Company's common stock or 30% or more of the combined voting power of all securities entitled to one vote generally in the election of directors ("Voting Securities"), unless such person then owned both more than 70% of common stock and Voting Securities, directly or indirectly, in substantially the same proportion as immediately before such acquisition;
- our directors as of the date of the agreement ("Existing Directors") and directors whose election, or nomination for election by stockholders, are approved after that date by at least two-thirds of the Existing Directors cease to constitute a majority of our directors;
- consummation of any merger, reorganization, recapitalization, consolidation or similar transaction ("Reorganization Transaction"), other than a Reorganization Transaction that results in the persons who were the direct or indirect owners of outstanding common stock and Voting Securities of the Company prior to the transaction becoming, immediately after the transaction, the owners of at least 60% of the then outstanding common stock and Voting Securities representing at least 60% of the combined voting power of the then outstanding Voting Securities of the surviving corporation in substantially the same respective proportions as such persons' ownership immediately before such Reorganization Transaction; or
- approval by our stockholders of the sale or other disposition of all, or substantially all, of the Company's consolidated assets or the Company's complete liquidation other than a transaction that would result in (i) a related party owning more than 50% of the assets that were owned by the Company immediately prior to the transaction or (ii) the persons who were the direct or indirect owners of our outstanding common stock and Voting Securities prior to the transaction continuing to own directly or indirectly, 50% or more of the assets owned by the Company immediately prior to the transaction.

A change in control will not occur with respect to an NEO if (i) the NEO agrees in writing prior to an event that such an event will not be a change in control; or (ii) the Board determines that a liquidation, sale or other disposition approved by the stockholders, as described in the fourth bullet above, will not occur, except to the extent termination occurred prior to such determination.

“Disability” means a physical or mental infirmity that impairs the NEO’s ability to substantially perform his duties for twelve months or more and for which he is receiving income replacement benefits from a Company plan for not less than three months.

“Disqualification disaggregation” means the cessation of an NEO’s employment by us or affiliates (during the period beginning upon a change in control and continuing for two years or until the termination of the agreement, whichever happens first), if the NEO is employed by the successor in substantially the same position and the successor has assumed our obligations under the severance agreement.

“Good reason” means, generally, a material adverse reduction in the nature and scope of the NEO’s office, position, duties, functions, responsibilities or authority, a reduction in the NEO’s base salary, a reduction in the NEO’s annual bonus, required relocation, a material reduction in the level of aggregate compensation or benefits not applicable to peer executives, a relocation of generally more than 50 miles, a successor company’s failure to honor the agreement or the failure of the Board to provide written notice of the act or omission constituting “cause.”

Potential Payments Upon Termination or Change in Control as of December 31, 2016 . The following tables show potential payments of severance and/or benefits to the NEOs under existing contracts, agreements, plans or arrangements, whether written or unwritten, for various scenarios involving a change in control or termination of each of such NEOs, assuming a change in control date or termination date of December 31, 2016, and, where applicable, using the closing price of \$41.75 for our Class A Common Stock as reported on the NYSE on the last trading day of 2016. These amounts are estimates only. The actual amounts to be paid out can only be determined at the time of such officer’s separation from us.

(1) Represents the value of continued participation in our medical benefit plans for a period of 18 months following termination in the same manner and at same costs as similarly situated active employees.

(2) The amounts include accumulated unvested dividends/distributions with respect to the restricted stock.

(3) Amounts reflect the actual equivalent shares earned for the performance period ended December 31, 2016, and assumes the performance-based awards for the performance periods ending December 31, 2017 and December 31, 2018 are at the target payout level; provided, however, in the case of disability, death or retirement, the assumed performance-based awards for each of the periods ending December 31, 2017 and December 31, 2018 have been prorated based on the number of days employed, assuming the December 31, 2016 termination date, during the applicable three-year performance period.

Ms. Cheeseman and Mr. O’Sullivan would have been eligible to receive a pro-rata share of the performance shares under the unvested performance-based awards upon retirement as of December 31, 2016, pursuant to the terms of such awards.

(4) The amounts reflected for termination without cause or resignation for good reason after a change in control include the benefits a NEO would receive in the event of a change in control as a sole event without the involuntary or good reason termination.

(5) Pursuant to the terms of each respective severance agreement, the cash severance payment is to be made on the first business day following six months after the termination date.

Schwiering Retirement

In conjunction with Mr. Schwiering’s retirement as Vice President of SemGroup effective August 5, 2016, the Company and Mr. Schwiering entered into a consulting agreement (the “Consulting Agreement”). Pursuant to the Consulting Agreement, Mr. Schwiering will provide consulting services to the Company through July 31, 2017 to assist in the transition of his responsibilities and be paid \$22,000 per month. The Consulting Agreement provided that Mr. Schwiering was eligible to participate, subject to certain conditions, in the Company’s short-term incentive plan program on a pro-rated basis for the period

prior to his retirement with respect to his outstanding award granted under the program for the year ended December 31, 2016. See “Summary Compensation Table” for the amount of the short-term incentive award earned by Mr. Schwiering for 2016.

Mr. Schwiering and the Company previously entered into a severance agreement dated June 2, 2010 (the “Severance Agreement”). Pursuant to the Severance Agreement, upon Mr. Schwiering’s retirement, his (i) 3,375 shares of Company restricted stock fully vested together with associated unvested dividends and (ii) 5,718 restricted RRMS unit awards fully vested together with associated distribution rights. In addition, Mr. Schwiering’s 6,749 outstanding performance-based equity awards previously granted by the Company will vest on a pro rata basis if the performance criteria associated with such awards are achieved at the end of the applicable performance periods. The Severance Agreement also contains, among other things, covenants regarding confidential information, non-competition, non-solicitation, intellectual property, and non-disparagement that survive Mr. Schwiering’s retirement. See “Potential Payments Upon Termination or Change in Control—Severance Agreements” above for additional information concerning the Severance Agreement.

The Consulting Agreement and Severance Agreement do not affect any rights to indemnification to which Mr. Schwiering may be entitled in his capacity as a former officer of SemGroup and other related entities, including subsidiaries.

Compensation Committee Interlocks and Insider Participation

During 2016, the Compensation Committee was composed of Karl F. Kurz, James H. Lytal and Thomas R. McDaniel, all of whom are independent directors. During 2016, none of our executive officers served on the board of directors or on the compensation committee of any other entity who had an executive officer that served either on our Board of Directors or on the Compensation Committee.

DIRECTOR COMPENSATION

Our non-employee directors receive annual compensation for serving on our Board of Directors. We do not pay our employees who serve on Board of Directors any additional compensation for Board membership. Our Compensation Committee reviews from time to time the compensation we pay to our non-employee directors and, if appropriate, recommends changes or adjustments to such compensation. The compensation we pay to our non-employee directors consists of a cash retainer and equity awards as shown in the following table. We also reimburse directors for out-of-pocket expenses in connection with attending board and committee meetings. The annual cash retainer and equity award are paid to the non-employee directors on a June 1 through May 31 basis.

	Total Compensation(1)	Annual Cash Retainer	Committee Meeting Fees(2)	Annual Equity Grant(3)
Non-Executive Chairman of the Board	\$ 309,000	\$ 137,000	—	\$ 172,000
Chairman – Audit Committee	\$ 219,000	\$ 99,500	\$ 2,000	\$ 119,500
Members – Audit Committee	\$ 194,000	\$ 87,000	\$ 2,000	\$ 107,000
Chairman – Nominating/Governance Committee	\$ 209,000	\$ 94,500	\$ 2,000	\$ 114,500
Chairman – Compensation Committee	\$ 214,000	\$ 97,000	\$ 2,000	\$ 117,000
Members – Nominating/Governance Committee	\$ 194,000	\$ 87,000	\$ 2,000	\$ 107,000
Members – Compensation Committee	\$ 194,000	\$ 87,000	\$ 2,000	\$ 107,000
Members – Board Only	\$ 194,000	\$ 87,000	—	\$ 107,000

- (1) Total compensation is the sum of the cash and equity retainers paid on an annual basis and does not include committee meeting fees. Each non-employee director receives the highest total compensation he or she is entitled to pursuant to the table. No non-employee director is entitled to compensation from more than one row of the table.
- (2) Committee meeting fees are paid only to members of the committee for their attendance at each meeting of their respective committees and not to other non-employee directors who attend a committee meeting voluntarily. If the Chairman of the Board attends a committee meeting for the purpose of establishing a quorum and if a non-member of a committee attends at the specific request or requirement of the Chairman of that committee, that director will be entitled to be paid a committee meeting fee.
- (3) All equity grants are made as shares of restricted stock under our Equity Incentive Plan. The number of shares of restricted stock is determined by dividing the dollar amount of the grant by the value of a share of common stock on the date the grant is made.

The shares of restricted stock are subject to forfeiture provisions, which generally lapse on the first anniversary of the date of the grant. Shares held by a non-employee director that have not yet vested will become fully vested upon the occurrence of the director's death. Non-employee directors are required to retain all stock received as compensation while they are serving as members of the Board until a minimum ownership level of vested shares equal in value to four times the Annual Cash Retainer for Members—Board Only as set forth above has been achieved, except they may sell shares to cover tax liability associated with the vesting of restricted stock and, transfer shares to a spouse to be held in common ownership with the director and to certain trusts for the sole benefit of a director and, provided the director serves as trustee, for the benefit of the director's spouse or minor children.

The non-employee directors can elect to defer all or a portion of their annual cash retainer in five percent increments. Any deferred compensation amounts are maintained in a deferred money account, which does not bear interest. Deferred compensation amounts are credited as a dollar amount to the director's deferred money account on the date such cash compensation otherwise would be payable in cash to the director. The director at all times is 100% vested in his or her deferred money account. The non-employee directors may elect, on or before December 31 of the calendar year preceding the plan year, to receive their annual cash retainer in either cash, stock, or a combination thereof. If a director does not make such an election, the entire amount of the retainer will be paid in cash.

- (2) The fees paid in cash include (a) the annual cash retainer for services for 2016 and (b) committee meeting fees. Mr. Lytal elected to receive his annual cash retainer of \$87,000 in stock and was issued 2,676 shares of Class A Common Stock in lieu of cash.
- (3) These amounts represent the grant date fair value computed in accordance with the ASC Topic 718, " *Compensation—Stock Compensation* ," which excludes the effect of estimated forfeitures, of shares of restricted stock granted under our Equity Incentive Plan. The assumptions used to value these stock awards are included in Note 19 to our consolidated financial statements contained in our Annual Report on Form 10-K for the year ended December 31, 2016. The amounts shown do not represent amounts paid to the directors. The following table provides information on the restricted stock awards in 2016 for the directors. These awards are for services from June 2016 through May 2017. The fair value of the restricted stock awarded was based on the estimated value of our Class A Common Stock on the grant date.

Thomas R. McDaniel	6/1/2016	3,599	32.51	117,000

- As of December 31, 2016, each director had an aggregate number of shares of restricted Class A Common Stock outstanding equal to the number of shares awarded to such director set forth in the above table, except for Mr. Ballschmiede, who held an aggregate of 7,459 shares of restricted Class A Common Stock. See note (4) below.
- (4) Mr. Ballschmiede was appointed as a director of Rose Rock Midstream GP, LLC, the general partner of RRMS, on April 1, 2016. Mr. Ballschmiede received a pro-rated annual cash retainer in the amount of \$59,671 and a pro-rated award of restricted RRMS common units having a grant date fair value of \$53,041. As a result of SemGroup's acquisition of RRMS on September 30, 2016, the restricted RRMS common unit award was converted into an award of 3,937 shares of restricted SemGroup Class A Common Stock.
- (5) Mr. McAdam became a director in March 2017 and did not receive any compensation for the year ended December 31, 2016.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee assists the Board of Directors in its responsibilities for the general oversight of the integrity of our financial statements and our financial reporting process, including our system of internal control over financial reporting. Management has the primary responsibility for the financial statements and the financial reporting process, including our system of internal controls. Our independent registered public accounting firm, BDO USA, LLP (“BDO USA”), was responsible for performing an independent audit of our financial statements in accordance with the Public Company Accounting Oversight Board standards and to issue a report thereon. BDO USA also reported on its assessment of internal control over financial reported based on criteria established in *Internal Control – Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Audit Committee monitors these processes.

In the performance of its oversight function, the Audit Committee has reviewed and discussed our audited consolidated financial statements as of and for the fiscal year ended December 31, 2016 with management and with BDO USA. The Audit Committee has also reviewed and discussed BDO USA’s report on its assessment of internal accounting control over financial reporting. In this context, the Audit Committee has discussed with BDO USA the matters required to be discussed by Auditing Standard 1301, “Communications with Audit Committees”, issued by the Public Company Accounting Oversight Board.

The Audit Committee has received from BDO USA the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm’s communications with the Audit Committee concerning independence and has discussed with BDO USA its independence.

Based on its review of the audited consolidated financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements as of and for the fiscal year ended December 31, 2016 be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016, for filing with the Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review, Approval or Ratification of Transactions with Related Persons

Our Board of Directors has adopted a written policy and procedures for the identification, review and approval of related person transactions which is set forth in our Related Person Transaction Policy. Pursuant to the policy, our General Counsel is charged with primary responsibility for determining whether, based on the facts and circumstances, a proposed transaction is a related person transaction. For the purposes of the policy, a "related person transaction" is any transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) (i) in which we or any of our affiliates participate or will participate, (ii) the amount involved exceeds \$120,000, and (iii) in which in any executive officer, director or director nominee of ours, any person who is the beneficial owner of more than 5% of any class of our voting securities, or any immediate family member of any of the foregoing individuals (a "related person") has or will have a direct or indirect material interest.

To assist our General Counsel in making this determination, the policy sets forth certain categories of transactions that are deemed not to involve a direct or indirect material interest on behalf of the related person. If, after applying these categorical standards and weighing all of the facts and circumstances, our General Counsel determines that a proposed transaction is a related person transaction, our General Counsel must present the proposed transaction to the Audit Committee for review or, if impracticable under the circumstances, to the Chairman of the Audit Committee. The Audit Committee must then either approve or reject the transaction in accordance with the terms of the policy. In the course of making this determination, the Audit Committee will consider all relevant information available to it and, as appropriate, take into consideration the following:

- whether the transaction was undertaken in our ordinary course of business;
- whether the transaction was initiated by us or the related person;
- whether the transaction with the related person is proposed to be entered into on terms no less favorable to us than terms that could have been reached with an unrelated third party;
- the purpose, and the potential benefits to us, of the transaction;
- the approximate dollar value of the amount involved in the transaction and whether such amount is material to us;
- the related person's interest in the transaction (including the approximate dollar value of the amount of the such related person's interest in the transaction); and
- any other information regarding the transaction or related person that would be material to investors in light of the circumstances of the particular transaction.

The Audit Committee may approve or ratify a related person transaction only if it determines that the transaction is consistent with our best interests as a whole. Further, in approving any such transaction, the Audit Committee has the authority to impose any terms or conditions it deems appropriate on us or the related person. Absent this approval, no such related person transaction may be entered into by us.

Transactions with Related Persons

The law firm of Conner & Winters, LLP, of which Mark D. Berman is a partner, performs legal services for us. Mr. Berman is the spouse of Candice L. Cheeseman, our Vice President and General Counsel. The engagement of Conner & Winters, LLP was approved by our Audit Committee in compliance with the procedures set forth for the approval of related person transactions in our Related Person Transaction Policy in connection with our hiring of Ms. Cheeseman in 2010. Conner & Winters, LLP had been providing legal services to us prior to our hiring of Ms. Cheeseman. Mr. Berman does not perform any legal services for us. We paid \$960,300 in legal fees and related expenses to this law firm for services rendered during 2016.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who own more than 10 percent of our Class A Common Stock, to report their initial ownership of the common stock and any subsequent changes in that ownership to the SEC and the NYSE, and to furnish us with a copy of each such report. SEC regulations impose specific due dates for such reports, and we are required to disclose in this proxy statement any failure to file by these dates during and with respect to fiscal 2016.

To our knowledge, based solely on review of the copies of such reports furnished to us and written representations that no other reports were required, during and with respect to fiscal 2016, all Section 16(a) filing requirements applicable to our officers, directors and more than 10 percent stockholders were complied with.

OTHER MATTERS

Matters Which May Come Before the Annual Meeting
