Item 1.01 Entry into a Material Definitive Agreement.**ArcherDX Acquisition**

On June 21, 2020, Invitae Corporation (“Invitae” or the “Company”), Apollo Merger Sub A Inc., a Delaware corporation and a wholly-owned subsidiary of the Company (“Merger Sub A”), Apollo Merger Sub B LLC, a Delaware limited liability company and a wholly-owned subsidiary of the Company (“Merger Sub B”), ArcherDX, Inc., a Delaware corporation (“ArcherDX”), and Kyle Lefkoff, solely in his capacity as holders’ representative, entered into an Agreement and Plan of Merger and Plan of Reorganization (the “Merger Agreement”), pursuant to which, among other things, subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement, the Company will acquire 100% of the fully diluted equity of ArcherDX. Pursuant to the Merger Agreement, Merger Sub A will merge with and into ArcherDX, with ArcherDX becoming a wholly-owned subsidiary of the Company and the surviving corporation in the merger (the “Reverse Merger”) and, promptly following the Reverse Merger, ArcherDX will merge with and into Merger Sub B, with Merger Sub B surviving and continuing as a wholly-owned subsidiary of the Company (the “Forward Merger” and, together with the Reverse Merger, the “Merger”). The Merger is intended to qualify for federal income tax purposes as a tax-free reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986, as amended.

The aggregate consideration for the Merger will consist of \$325.0 million in cash and 30 million shares of the Company’s common stock, \$0.0001 par value per share (“Invitae Common Stock”), plus up to an additional 27 million shares of Invitae Common Stock payable in connection with the achievement of certain milestones (the “Earnout Shares”). The consideration to be paid on the closing date is subject to closing-related adjustments, based on ArcherDX’s cash, debt, net working capital and other considerations at the closing of the Merger. Subject to the terms and conditions of the Merger Agreement, at the closing of the Merger, (i) each outstanding share of ArcherDX capital stock will be converted into the right to receive the number of shares of Invitae Common Stock and a cash payment as specified in the Merger Agreement, and, if a milestone is achieved, the applicable portion of Earnout Shares tied to such milestone, (ii) each outstanding and unexercised ArcherDX stock option will be converted into the right to receive a cash payment and an option to purchase shares of Invitae Common Stock as specified in the Merger Agreement, and, if a milestone is achieved, the applicable portion of Earnout Shares tied to such milestone, subject to continued service at the time of achievement of such milestone in the instance of such Earnout Shares, and (iii) each unexpired, unexercised and outstanding ArcherDX warrant will be converted into the right to receive the number of shares of Invitae Common Stock and cash payment as specified in the Merger Agreement, and, if a milestone is achieved, the applicable portion of Earnout Shares tied to such milestone. No fractional shares will be issued in connection with the Merger and any shares issuable to a single holder on a particular date will be aggregated and rounded up to the nearest whole number.

For a period of 90 days following the closing of the Merger, all Invitae Common Stock issued to ArcherDX’s security holders in connection with the Merger will be subject to a lock-up restriction, pursuant to which such holders of Invitae Common Stock will not be able to sell, transfer, or otherwise dispose of such Invitae Common Stock.

Consummation of the Merger is subject to certain closing conditions, including, among other things, approval by the stockholders of the Company at a special meeting of stockholders to be called by the Company. The Merger Agreement contains specified termination rights for both the Company and ArcherDX, and further provides that, upon termination of the Merger Agreement under specified circumstances, the Company may be obligated to pay a fee of \$30.0 million, although such fee may be applied toward payments otherwise required from the Company pursuant to a collaboration, partnership, research and development, commercial or similar agreement that the parties may negotiate following a termination of the Merger Agreement, if applicable.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference.

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company or ArcherDX. The Merger Agreement contains representations and warranties by the Company and ArcherDX, which are made solely for the benefit of the respective parties thereto. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules delivered by the parties to each other in connection with the signing of the Merger Agreement. Certain representations and warranties in the Merger Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to investors, or may have been used for the purpose of allocating risk between the parties thereto. Accordingly, the representations and warranties in the Merger Agreement should not be relied on by any persons as characterizations of the actual state of facts at the time they were made or otherwise. In addition, information concerning the subject matter of the representations and warranties may change after the date of the respective agreements, which subsequent information may or may not be fully reflected in the Company's public disclosures.

Additional Information

In connection with the proposed transaction, Invitae will file with the Securities and Exchange Commission (the "SEC") a registration statement on Form S-4, which will include a document that serves as a proxy statement/prospectus of Invitae (the "proxy statement/prospectus"), and will file other documents regarding the proposed transaction with the SEC. INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE REGISTRATION STATEMENT, PROXY STATEMENT/PROSPECTUS AND OTHER RELEVANT DOCUMENTS FILED WITH THE SEC WHEN THEY BECOME AVAILABLE, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. A definitive proxy statement/prospectus will be sent to Invitae's stockholders when it becomes available. Investors and security holders will be able to obtain the registration statement and the proxy statement/prospectus free of charge from the SEC's website or from Invitae when it becomes available. The documents filed by Invitae with the SEC may be obtained free of charge at Invitae's website at www.invitae.com or at the SEC's website at www.sec.gov. These documents may also be obtained free of charge from Invitae by requesting them by mail at Invitae Corporation, 1400 16th Street, San Francisco, California 94103, or by telephone at (415) 374-7782.

Information about Invitae's directors and executive officers is available in Invitae's proxy statement dated April 29, 2020 for its 2020 Annual Meeting of Stockholders. Other information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the registration statement, the proxy statement/prospectus and other relevant materials to be filed with the SEC regarding the proposed transaction when they become available. Stockholders, potential investors and other readers should read the proxy statement/prospectus carefully when it becomes available before making any voting or investment decisions. You may obtain free copies of these documents from Invitae as indicated above.

No Offer or Solicitation

This communication shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the U.S. Securities Act of 1933, as amended.

Private Placement

On June 21, 2020, the Company entered into a Securities Purchase Agreement (the "Purchase Agreement") with certain accredited investors (the "Investors"), pursuant to which the Company, in a private placement, agreed to issue and sell to the Investors an aggregate of 16,320,476 shares of Invitae Common Stock at a price of \$16.85 per share, for gross proceeds to the Company of approximately \$275.0 million (the "Private Placement"). The Private Placement is expected to close concurrently with the closing of the Merger, subject to the satisfaction of customary closing conditions.

In connection with the Private Placement, the Company is expected to enter into a Registration Rights Agreement with the Investors (the “Registration Rights Agreement”), pursuant to which the Company will agree to file a registration statement with the SEC covering the resale of the shares of Invitae Common Stock sold in the Private Placement. The Company has agreed to file the registration statement within 60 days of the closing of the Private Placement. The Registration Rights Agreement includes customary indemnification rights in connection with the registration statement.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the Purchase Agreement and the Form of Registration Rights Agreement, which are attached as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K, respectively, and incorporated herein by reference.

The representations, warranties and covenants contained in the Purchase Agreement and the Registration Rights Agreement are made solely for the benefit of the parties to the Purchase Agreement and the Registration Rights Agreement and may be subject to limitations agreed upon by the contracting parties. Accordingly, the Purchase Agreement and the Registration Rights Agreement are incorporated herein by reference only to provide investors with information regarding the terms of the Purchase Agreement and the Registration Rights Agreement and not to provide investors with any other factual information regarding the Company or its business, and should be read in conjunction with the disclosures in the Company’s periodic reports and other filings with the SEC.

Debt Commitment Letter

In connection with the Merger Agreement, on June 21, 2020, the Company entered into a debt commitment letter (the “Commitment Letter”) with Perceptive Credit Holdings III, LP (“Perceptive”), pursuant to which Perceptive committed to provide a senior secured team loan facility (the “Term Loan Facility”) in an aggregate principal amount of up to \$200.0 million, subject to the satisfaction of certain customary closing conditions (the “Debt Financing”). The Term Loan Facility is available (i) to finance, in whole or in part, the Merger, (ii) to pay fees, costs and expenses related to the Merger, the Debt Financing and the other transactions related to the Merger and (iii) for other general working capital purposes.

The Term Loan Facility is available in a single borrowing of at least \$135.0 million and up to \$200.0 million on the closing date of the Merger. The Company will pay up to \$5.0 million in customary commitment and closing fees in connection with obtaining the Debt Financing. Amounts drawn under the Term Loan Facility will bear interest at an annual rate equal to LIBOR, subject to a 2.00% LIBOR floor, plus a margin of 8.75%, payable quarterly in arrears. The Term Loan Facility will not amortize and all amounts outstanding under the Term Loan Facility will mature on (i) June 1, 2024 if at such time the Company’s 2.00% convertible senior notes due 2024 (the “2024 Notes”) are outstanding and are due to mature on or prior to September 1, 2024 (provided that if the maturity of at least 80% of the 2024 Notes has been extended to a date after September 1, 2024 and prior to September 1, 2025, the Term Loan Facility will mature on the date that is 90 days prior to the extended maturity date of the 2024 Notes), or (ii) otherwise, on June 1, 2025. If the Term Loan Facility is prepaid, the Company must pay a prepayment fee of 6% if the prepayment occurs prior to the third anniversary of the closing date or 4% if the prepayment occurs after the third anniversary of the closing date and the Company must also pay a make-whole fee if the prepayment occurs prior to the second anniversary of the closing date. Cowen and Company, LLC (“Cowen”) served as the Company’s exclusive financial advisor with respect to the Debt Financing and the Company will pay Cowen a fee of up to \$3.0 million for such services on the closing date.

The Term Loan Facility will be secured by a first priority lien on all assets of the Company and its subsidiaries, and will be guaranteed by the Company’s subsidiaries, in each case, excluding certain agreed upon subsidiaries. The Debt Financing documentation will contain customary representations and warranties and covenants, including financial covenants that require the Company to maintain a minimum cash balance and minimum quarterly revenue levels to be agreed. In addition, the Company has agreed to issue to Perceptive on the closing date warrants to purchase 1 million shares of Invitae Common Stock at an exercise price of \$16.85 per share. The Debt Financing (including the issuance of the warrants) is expected to close concurrently with the Merger.

The foregoing description of the Commitment Letter does not purport to be complete and is qualified in their entirety by reference to the Commitment Letter, which is attached as Exhibit 10.3 to this Current Report on Form 8-K, and incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

Pursuant to the Private Placement described in Item 1.01 above, which description under the caption “Private Placement” is hereby incorporated by reference into this Item 3.02, the Company has agreed to sell shares of Invitae Common Stock to be issued in the Private Placement to accredited investors in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act and Regulation D promulgated thereunder. The Company will rely on this exemption from registration based in part on representations made by the Investors. Cowen and Company, LLC served as lead-placement agent and Perella Weinberg Partners L.P. served as co-placement agent for the Company in connection with the Private Placement and will receive fees in the aggregate of approximately \$11.25 million. The net proceeds to the Company from the Private Placement, after deducting the placement agent fees, are expected to be approximately \$263.75 million. The securities to be sold in the Private Placement have not been registered under the Securities Act or applicable state securities laws and may not be offered or sold in the United States absent registration under the Securities Act or an exemption from such registration requirements. Neither this Current Report on Form 8-K nor any exhibit attached hereto shall constitute an offer to sell or the solicitation of an offer to buy shares of Invitae Common Stock or any other securities of the Company.

Pursuant to the Debt Financing described in Item 1.01 above, which description under the caption “Debt Commitment Letter” is hereby incorporated by reference into this Item 3.02, the Company has agreed to issue to Perceptive warrants to purchase 1 million shares of Invitae Common Stock at an exercise price of \$16.85 per share pursuant to the Debt Financing in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act and Regulation D promulgated thereunder. The Company will rely on this exemption from registration based in part on representations from Perceptive. Such warrants as well as the underlying shares of Invitae Common Stock have not been registered under the Securities Act or applicable state securities laws and may not be offered or sold in the United States absent registration under the Securities Act or an exemption from such registration requirements. Neither this Current Report on Form 8-K nor any exhibit attached hereto shall constitute an offer to sell or the solicitation of an offer to buy such warrants, the underlying shares of Invitae Common Stock or any other securities of the Company.

(ii) Converted Options. Each Company Option other than a Company Option referred to in clause (i) (*i.e.*, the remainder after applying the Estimated Cash to Shares Consideration Ratio to each Company Option as contemplated in clause (i)) shall be assumed by Parent and converted into an option to purchase shares of Parent Common Stock (each, a "Converted Option"). Each Converted Option shall continue to have and be subject to substantially the same terms and conditions as were applicable to such Company Option immediately before the Effective Time, except that (A) for the avoidance of doubt, each Converted Option shall be fully vested and exercisable at any time, (B) each Converted Option shall be exercisable for that number of shares of Parent Common Stock equal to the product (rounded down to the nearest whole number) of (1) the number of shares of Company Stock subject to the Company Option immediately before the Effective Time and (2) the Closing Exchange Ratio; and (C) the per share exercise price for each share of Parent Common Stock issuable upon exercise

of the Converted Option shall be equal to the quotient (rounded up to the nearest whole cent) obtained by dividing (1) the exercise price per share of Company Stock of such Company Option immediately before the Effective Time by (2) the Closing Exchange Ratio; *provided, however*, that the exercise price and the number of shares of Parent Common Stock purchasable under each Converted Option shall be determined in a manner consistent with the requirements of Section 409A of the Code and the applicable regulations promulgated thereunder; and *provided further, however*, that the assumption of any such Company Options that are incentive stock options under Section 422 of the Code will be effected in a manner that is intended to be consistent with the applicable requirements of Section 424 of the Code and the applicable regulations promulgated thereunder. In the event that the shares of Parent Common Stock underlying the Converted Options are not registered on the Form S-4 Registration Statement, then as soon as practicable after the Closing Date, Parent shall prepare and file with the SEC a registration statement on Form S-8 with respect to the Converted Options.

(iii) Future Payments. Each Company Option, whether subject to clause (i) or clause (ii) above, shall be entitled to receive, (A) following each Milestone Date, a number of shares of Parent Common Stock equal to the applicable Per Share Milestone Consideration (such shares to be issued to the Company Optionholder by a certificate or book entry), with the shares of Parent Common Stock represented thereby subject to the Lock-Up Restriction if applicable and (B) an amount of cash equal to up to the quotient of (x) the Expense Fund Amount, when and to the extent released to the Holders as provided herein, divided by (y) the Fully Diluted Shares of Company Stock; *provided, however*, that, as to any Terminated Service Provider as of a Milestone Date, such Terminated Service Provider shall not receive any payment in respect of such Milestone.

(iv) Payment of the Share Portion Per Company Option shall be subject to such Company Optionholder making arrangements reasonably acceptable to Parent to satisfy any applicable withholding requirements.

(b) Reference is made to the following definitions used in this Section 2.7:

(i) "Cash Portion Per Company Option" means an amount of cash equal to the *difference* of (i) the Per Share Upfront Total Consideration minus (ii) the applicable exercise price of such Company Option.

(ii) "Closing Exchange Ratio" as the quotient obtained by dividing (i) the Per Share Upfront Total Consideration by (ii) the Parent Trading Price.

(iii) "Estimated Cash to Shares Consideration Ratio" means the quotient of (i) (A) the Upfront Cash Consideration minus (B) the Expense Fund Amount divided by (ii) the sum of (A) (1) the Upfront Cash Consideration minus (2) the Expense Fund Amount plus (B) the Upfront Stock Consideration Dollar Value.

(iv) "Share Portion Per Company Option" means (A) an amount of shares of Parent Common Stock equal to the Per Share Upfront Stock Consideration (such shares to be issued to the Company Optionholder by a certificate or book entry), with the shares of Parent Common Stock represented thereby subject to the Lock-Up Restriction if applicable, plus, (B) following each Milestone Date, an amount of shares of Parent Common Stock equal to the applicable Per Share Milestone Consideration (such shares to be issued to the Company Optionholder by a certificate or book entry), with the shares of Parent Common Stock represented thereby subject to the Lock-Up Restriction if applicable.

(v) "Upfront Stock Consideration Dollar Value" is an estimate of the total shares consideration of Parent Common Stock to be paid under this Agreement without assuming all Milestones are achieved as of the Closing Date, and is equal to the product of (i) 30,000,000 multiplied by (ii) the Parent Trading Price.

(vi) “Per Share Upfront Total Consideration” means the *quotient* of (i) the *sum* of (A) the Upfront Stock Consideration Dollar Value *plus* (B) the Upfront Cash Consideration *minus* (C) the Expense Fund Amount, *divided by* (ii) the Fully Diluted Shares of Company Stock.

(e) Except as otherwise determined by Parent in connection with a change in the current interpretation or application of Law applicable to Section 409A of the Code, any distributions to Company Optionholders based on Per Share Milestone Consideration will be treated and reported for all tax purposes as being subject to a substantial risk of forfeiture within the meaning of Treasury Regulation Section 1.409A-1(d) until such amounts become due and payable hereunder or compliant with a deferred payment date within the meaning of Treasury Regulation Section 1.409A-3(i)(5)(iv). In the event of a change in current interpretation of Law applicable to or application of Section 409A of the Code, Parent shall use commercially reasonable efforts to treat any distributions to Company Optionholders based on Per Share Milestone Consideration as paid in compliance with, or pursuant to an exemption with respect to, Section 409A of the Code and the Treasury Regulations promulgated thereunder but shall not be bound to compensate any Company Optionholder for taxes or penalties paid or payable pursuant to Section 409A of the Code.

(d) Notwithstanding anything to the contrary herein, Parent may impose such as additional restrictions on the Share Portion Per Company Option as Parent may in its reasonable discretion believe to be necessary to preserve the treatment of such options as incentive stock options pursuant to Section 422 and 424 of the Code and guidance of the Department of Treasury issued thereunder.

(e) The Company shall, promptly after the Agreement Date and prior to the Closing, take or cause to be taken all actions (including adopting corporate resolutions, providing any notices and procuring any consents, in all cases reasonably satisfactory to the Parent) that are required under any Company Option or the Company Option Plan, or are otherwise necessary or appropriate, to cause the Company Options to be treated in accordance with this Section 2.7

(f) Notwithstanding any provision herein to the contrary, in no event shall any Company Optionholder be entitled to (i) receive a bundle of consideration in respect of any Company Option which is greater (in amount of cash plus shares of Parent Common Stock) than such Company Optionholder would have been entitled to receive had such Company Option been exercised immediately prior to the Effective Time or (ii) pay an exercise price in respect of any Company Option in aggregate which is less than the exercise price such Company Optionholder would have been required to pay had such Company Option been exercised immediately prior to the Effective Time.

2.8 Effects of Reverse Merger on Company Warrants. At the Effective Time, by virtue of the Reverse Merger and without any action to be taken on the part of any Company Warrantholder, each Company Warrant that is unexpired, unexercised and outstanding immediately prior to the Effective Time shall be cancelled in exchange for the right to receive (without interest) the following consideration for each share of Company Capital Stock issuable upon the exercise of such Company Warrant as of immediately prior to the Closing, payable as set forth herein:

(a) a certificate or book entry reflecting an amount of shares of Parent Common Stock equal to the Per Share Upfront Stock Consideration, with the shares of Parent Common Stock represented thereby subject to the Lock-Up Restriction;

(b) an amount of cash equal to the sum of (i) the Per Share Upfront Cash Consideration minus (ii) the exercise price per share of the Company Warrant at issue;

(c) following any Milestone Date, a certificate or book entry reflecting an amount of shares of Parent Common Stock equal to the applicable Per Share Milestone Consideration, with the shares of Parent Common Stock represented thereby subject to the Lock-Up Restriction if applicable; and

(d) an amount of cash equal to the quotient of (x) the Expense Fund Amount, when and to the extent released to the Holders as provided herein, divided by (y) the Fully Diluted Shares of Company Stock.

2.9 Rights Cease to Exist. As of the Effective Time, all shares of Company Capital Stock, and all options, warrants and other securities convertible, exercisable or exchangeable for, or otherwise granting the right to acquire, Company Capital Stock (including each Company Option and Company Warrant), shall no longer be outstanding, shall automatically be canceled and shall cease to exist and each holder of any shares of Company Capital Stock shall cease to have any rights with respect thereto, except the rights set forth in this ARTICLE II.

2.10 No Fractional Shares; Offset Right; No Transfer of Rights. Notwithstanding any provision herein to the contrary:

(a) no fractional shares of Parent Common Stock shall be issued pursuant to this ARTICLE II (with the intended effect that any shares of Parent Common Stock issuable to a single Holder on a particular date shall be aggregated and then rounded up to the nearest whole number);

(b) if, when Milestone Shares would otherwise be distributed or payable (including pursuant to Section 2.6(c)(iii), Section 2.7 and Section 2.8(c), as applicable), there shall exist a good faith claim by Parent to exercise the Offset Right, all or a portion of such Milestone Shares (with such shares valued in accordance with Section 8.3(a)) as determined by Parent in its reasonable discretion (but subject to the limitations set forth in ARTICLE VIII) to represent the Losses at issue shall be withheld from payment until such time as the claim has been perfected, in which case the Offset Right shall apply (subject to the limitations set forth in ARTICLE VIII) against such portion of the Milestone Shares at issue and the balance of any withheld portion (if applicable) shall be distributed to the Holders as contemplated by this Agreement; *provided, that*, for the avoidance of doubt, no Milestone Shares may be withheld from payment in respect of the Natera Litigation unless at the time the Milestone Shares would otherwise be distributed or paid, either (x) the Natera Litigation has been fully and finally resolved or (y) Parent and Holders' Representative otherwise mutually agree; and

(c) no Holder may assign or transfer any right to receive shares of Parent Common Stock or cash pursuant to this Agreement without the prior written consent of Parent (which may be withheld in Parent's sole discretion), other than (i) on death by will or intestacy, (ii) pursuant to a court order, (iii) by operation of Law (including a consolidation or merger), (iv) to or for the benefit of any spouse, children, parents, uncles, aunts, siblings, grandchildren (collectively, "Approved Relatives") or to a trust established solely for the benefit of such Holder and/or his, her or its Approved Relatives or (v) without consideration, in connection with the dissolution, liquidation or termination of any corporation, limited liability company or other entity.

2.11 Delivery of Calculations. Not less than two (2) Business Days prior to the Closing Date, the Company shall prepare and deliver to Parent the following for Parent's review and approval:

- (a) the Company's calculation of the Upfront Cash Consideration, setting forth, in reasonable detail, an estimation of each component thereof;
- (b) the Company's calculations (setting forth the individual components, if applicable) of (i) the Per Share Upfront Cash Consideration, (ii) the Per Share Upfront Stock Consideration, and (iii) the Fully Diluted Shares of Company Stock;
- (c) a schedule of all Company Options, with exercise price information;
- (d) a schedule of all Company Warrants, with exercise price information for each Company Warrant;
- (e) the Company's estimated balance sheet as of immediately prior to the Closing (the "Estimated Balance Sheet"), with separate schedules reflecting (i) the estimated Closing Cash, (ii) the estimated Company Debt, (iii) the estimated Company Transaction Expenses and (iv) the estimated Closing Net Working Capital, as well as the difference between the estimated Closing Net Working Capital and the Net Working Capital Threshold;
- (f) the name and address (or email address) of each Holder and:
 - (i) in the instance of Company Stockholders, the amount of Parent Common Stock to be issued to each Holder pursuant to Section 2.6(c)(i), the amount of cash to be paid to each Holder pursuant to Section 2.6(c)(ii), as well as the potential cash payable and potential Parent Common Stock issuable, if any, to each such Holder pursuant to Section 2.6(c)(iii) and Section 2.6(c)(iv) as applicable;
 - (ii) in the instance of Company Optionholders, the amount of options to purchase Parent Common Stock to be issued to each Holder pursuant to Section 2.7, the amount of cash to be paid to each Holder pursuant to Section 2.7, as well as the potential cash payable and potential Parent Common Stock issuable, if any, to each such Holder pursuant to Section 2.7 (assuming for this purpose that each Company Option is fully vested immediately prior to the Closing); and
 - (iii) in the instance of Company Warrantholders, the amount of Parent Common Stock to be issued to each Holder pursuant to Section 2.8(a), the amount of cash to be paid to each Holder pursuant to Section 2.8(b), as well as the potential cash payable and potential Parent Common Stock issuable, if any, to each such Holder pursuant to Section 2.8(c) and Section 2.8(d) as applicable; and
- (g) a certificate of a duly authorized officer of the Company certifying the foregoing on behalf of the Company.

The calculations listed in the foregoing Section 2.11(a) through 2.11(g) shall be set forth on a spreadsheet referred to herein as the "Allocation Schedule". The Parties agree that Parent, Merger Sub A, Merger Sub B and the Surviving Company will have the right to rely on the Allocation Schedule as setting forth an accurate listing of all amounts due to be paid by Parent, Merger Sub A, Merger Sub B and the Company to the Holders in exchange for Company Capital Stock, Company Options and Company Warrants. Parent, Merger Sub A, Merger Sub B and the Surviving Company will not have any liability with respect to the allocation of any shares of Parent Common Stock or cash made to the Holders in accordance with the Allocation Schedule. Notwithstanding anything in this Agreement to the contrary, the Estimated Balance Sheet and the Company's estimation of the Net Working Capital shall be consistent with the Accounting Methodology.

2.12 Payments At Closing. At the Closing, Parent shall make, or cause to be made, the following payments, by wire transfer of immediately available funds:

(a) to each holder of Company Debt, including pursuant to the Perceptive Credit Agreement, the aggregate amount of Company Debt owed to such holder as of the Closing pursuant to a payoff letter from such holder (i) indicating the amount required to discharge such Company Debt in full inclusive of all Breakage Costs (the "Payoff Amount") and (ii) agreeing to release applicable Liens upon receipt of the applicable Payoff Amount;

(b) to the payees thereof, the Company Transaction Expenses, in each case as directed in writing by the Company prior to the Closing pursuant to invoices or other evidence reasonably satisfactory to Parent, except that Parent shall cause any compensatory Company Transaction Expenses payable to Employees to be paid through the Surviving Company's payroll system;

(c) to the Exchange Agent, the aggregate cash for distribution to the Company Stockholders and Company Warrant holders, as applicable, as of immediately following the Closing pursuant to Section 2.6(c)(ii) and Section 2.8(b) and in accordance with the Allocation Schedule;

(d) to the Surviving Company, the aggregate cash for distribution to the Company Optionholders as of immediately following the Closing pursuant to Section 2.7 and in accordance with the Allocation Schedule; and

(e) to the Holders' Representative, the Expense Fund Amount.

2.13 Issuances of Shares Following Closing. Within five (5) Business Days after the Closing Date, Parent shall deliver book entries reflecting the shares of Parent Common Stock to be allocated among the Holders pursuant to Section 2.6(c)(i) and Section 2.8(a) and in accordance with the Allocation Schedule; provided, however, that, with respect to any shares of Company Capital Stock for which a properly completed Letter of Transmittal has not been received by the Exchange Agent, Parent shall be entitled to withhold the book entries reflecting the shares of Parent Common Stock issuable with respect to such shares of Company Capital Stock and to issue such shares of Parent Common Stock promptly following such receipt by the Exchange Agent.

2.14 Non-Conversion.

(a) Dissenting Shares. Notwithstanding anything in this Agreement to the contrary, any Dissenting Shares shall not be converted into or represent a right to receive the applicable consideration for Company Capital Stock set forth in Section 2.6, but instead the applicable Company Stockholder shall only be entitled to such rights as are provided by the DGCL. In the event that a Company Stockholder properly perfects such Company Stockholder's appraisal, dissenters' or similar rights by demanding and not effectively withdrawing or losing such Company Stockholder's appraisal, dissenters' or similar rights for any shares of Company Capital Stock, the Exchange Agent shall deliver to Parent such Company Stockholder's portion of any cash otherwise allocable to such Dissenting Shares at the time such rights are perfected.

(b) Withdrawal or Loss of Rights. Notwithstanding the provisions of Section 2.14(a), if any Company Stockholder effectively withdraws or loses (through failure to perfect or otherwise) such Company Stockholder's appraisal or dissenters' rights with respect to any Dissenting Shares under the DGCL, then, within ten (10) Business Days of the later of the Effective Time and the occurrence of such event, (i) such Company Stockholder's shares shall automatically convert into and represent only the right to receive the consideration for Company Capital Stock, as applicable, set forth in

and subject to the provisions of this Agreement, upon delivery of a duly completed and validly executed Letter of Transmittal and (ii) Parent (to the extent the following amount has been previously delivered by the Exchange Agent to Parent pursuant to Section 2.14(a) and not returned to the Exchange Agent) or the Exchange Agent shall deliver to such Company Stockholder such Company Stockholder's portion of the cash attributable to such shares.

(c) Demands for Appraisal. The Company shall give Parent (i) prompt notice of any written demand for appraisal received by the Company pursuant to the applicable provisions of the DGCL and (ii) the opportunity to participate in all negotiations and proceedings with respect to such demands. The Company shall not, except with the prior written consent of Parent (not to be unreasonably withheld, conditioned or delayed), make any payment with respect to any such demands or offer to settle or settle any such demands.

2.15 Exchange Agent; Submission of Letters of Transmittal.

(a) Exchange Agent. Wilmington Trust, National Association, will act as exchange agent hereunder (in such capacity, the "Exchange Agent") for the delivery of the aggregate cash for distribution to the Company Stockholders and Company Warranholders as of immediately following the Closing pursuant to Section 2.6(c)(ii) and Section 2.8(b) and in accordance with the Allocation Schedule, as well as the cash that may become distributable to such Holders as and when any portion of the Expense Fund Amount is released, in each case pursuant to the terms of this Agreement. At or prior to the Effective Time, Parent will deposit (or cause to be deposited) with the Exchange Agent, for the benefit of the Company Stockholders and Company Warranholders, the aggregate cash for distribution to the Holders as of immediately following the Closing pursuant to Section 2.6(c)(ii) and Section 2.8(b). Parent also will deposit (or cause to be deposited) with the Exchange Agent, for the benefit of the Holders, cash that becomes distributable to the Holders as and when any portion of the Expense Fund Amount is released pursuant to the terms of this Agreement. The Exchange Agent will hold and distribute the cash payable to such Holders pursuant to the provisions of an exchange agreement between Parent and the Exchange Agent (the "Exchange Agreement").

(b) Letter of Transmittal. No later than two (2) Business Days following the Effective Time, Parent shall cause the Exchange Agent to send to each Company Stockholder and Company Warranholder of record a letter of transmittal in a form mutually agreed upon by Parent and the Company (each, a "Letter of Transmittal"). Upon return of the Letter of Transmittal, duly completed and validly executed in accordance with the instructions (and such other customary documents as may reasonably be required by the Exchange Agent), the record owner of such Company Capital Stock e-certificate or Company Warrant, as applicable, shall be entitled to receive in exchange therefor the consideration provided for herein and the Company Capital Stock e-certificate or Company Warrant, as applicable, shall thereafter be canceled. Parent shall cause the Exchange Agent to make payment to each such Company Stockholder and Company Warranholder promptly following receipt by the Exchange Agent of such duly completed Letter of Transmittal. If payment of any portion of the consideration provided for herein is to be made to any Person other than the Person in whose name the Company Capital Stock e-certificate or Company Warrant, as applicable, is registered, it shall be a condition of payment that the Person requesting such payment shall have paid any transfer and other Taxes required by reason of the payment of the applicable portion of the consideration provided for herein to a Person other than the registered holder of such Company Capital Stock e-certificate or Company Warrant, as applicable, or shall have established to the reasonable satisfaction of Parent that such Tax either has been paid or is not applicable. After the Effective Time, each Company Capital Stock e-certificate or Company Warrant, as applicable, shall represent only the right to receive the applicable portion of the consideration provided for herein as contemplated by this ARTICLE II.

(c) Transfer Books; No Further Ownership Rights in Company Capital Stock. The right to receive the applicable portion of the consideration provided for herein, in accordance with the terms of this ARTICLE II shall be deemed to have been paid in full satisfaction of all rights pertaining to the shares of Company Capital Stock previously represented by such Company Capital Stock e-certificates or such Company Warrants, as applicable, and at the close of business on the day on which the Effective Time occurs, the stock transfer books of the Company shall be closed and thereafter there shall be no further registration of transfers on the stock transfer books or warrant transfer books, as applicable, of the Surviving Company of the shares of Company Capital Stock or Company Warrants, as applicable, that were outstanding immediately prior to the Effective Time. If, at any time after the Effective Time, Company Capital Stock e-certificates or Company Warrants, as applicable, are presented to Parent or the Surviving Company for any reason, they shall be canceled and exchanged as provided in this ARTICLE II.

(d) Termination of Exchange Fund. At any time after six months following the Effective Time, Parent shall be entitled to require the Exchange Agent to deliver to it any amount distributed to the Exchange Agent in respect of such payments that has not been disbursed to the holders of the Company Capital Stock certificates or Company Warrants, as applicable, and thereafter such holders may look only to Parent (subject to abandoned property, escheat or other similar Laws) as general creditors thereof with respect to the payment of any portion thereof that may be payable upon surrender of any Company Capital Stock certificates or Company Warrants held by such holders.

2.16 No Liability. Notwithstanding anything in this Agreement to the contrary, none of the Parties or the Exchange Agent shall be liable to any Person for any portion of the payments contemplated by this ARTICLE II delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

2.17 Withholding Taxes. Notwithstanding anything in this Agreement to the contrary, Parent, the Company, the Surviving Company and the Exchange Agent, (each a "Withholding Agent"), shall be entitled to deduct and withhold from that portion of any payments contemplated by this ARTICLE II or any other amount payable to a Holder pursuant to this Agreement, and shall pay to the appropriate Taxing Authority, such amounts that are required to be deducted and withheld with respect to the making of such payments under any Tax Law. To the extent amounts are so deducted and withheld and paid to the appropriate Taxing Authority in accordance with applicable Law, such amounts shall be treated for purposes of this Agreement as having been paid to the Holder in respect of which such deduction and withholding were made. Without limiting the foregoing, and in lieu of deducting from any payment, the applicable Withholding Agent may require that any Holder make arrangements satisfactory to such applicable Withholding Agent to satisfy any withholding requirements as a condition to making any payment (including, for example, in an instance where payment is to be made in shares of Parent Common Stock); provided, that any Holder may request that such applicable Withholding Agent accept commercially reasonable arrangements (including sell to cover arrangements) with respect to satisfying such withholding requirements.

2.18 Adjustments. Notwithstanding any provision of this ARTICLE II to the contrary (but without in any way limiting the covenants in Section 5.1 (Conduct of Business)), if between the Agreement Date and the Effective Time the outstanding shares of any class or series of Company Capital Stock are changed into a different number of shares or a different class or series by reason of the occurrence or record date of any Stock Event, the per share consideration payable hereunder (including pursuant to Section 2.6, Section 2.7 or Section 2.8) shall be appropriately adjusted to reflect such Stock Event.

2.19 Post-Closing Adjustment Amount.

(a) Preparation of Closing Statement. Within one hundred twenty (120) days following the Closing Date, Parent shall prepare and deliver to Holders' Representative a statement as of the Closing (the "Final Calculation") setting forth its calculation of each of the following:

- (i) the Closing Cash;
- (ii) the Closing Net Working Capital;
- (iii) the Company Transaction Expenses;
- (iv) the Company Debt; and
- (v) the resulting Final Upfront Cash Consideration.

The Final Calculation shall be accompanied by such supporting documentation reasonably necessary to derive the numbers set forth therein. The Final Calculation shall be final, conclusive and binding upon the Parties unless Holders' Representative delivers a written notice to Parent of any objection to the Final Calculation (the "Objection Notice") within thirty (30) days (the "Objection Period") after delivery of the Final Calculation. Any Objection Notice must set forth in reasonable detail (x) any item on the Final Calculation that Holders' Representative believes has not been prepared in accordance with this Agreement and the correct amount of such item and (y) Holders' Representative's alternative calculation of the Closing Cash, the Closing Net Working Capital, the Company Transaction Expenses or Company Debt, as the case may be. If Holders' Representative gives any such Objection Notice within the Objection Period, then Holders' Representative and Parent shall attempt in good faith to resolve any dispute concerning the item(s) subject to such Objection Notice. If Holders' Representative and Parent do not resolve the issues raised in the Objection Notice within thirty (30) days of the date of delivery of such notice (the "Initial Resolution Period"), such dispute shall be resolved in accordance with the procedures set forth in Section 2.19(b). Any item or amount which has not been disputed in the Objection Notice shall be final, conclusive and binding on the Parties on the expiration of the Initial Resolution Period (for clarity, excluding any item or amount which is dependent on another item or amount that has been disputed in the Objection Notice).

(b) Resolution of Disputes. If Parent and Holders' Representative have not been able to resolve a dispute within the Initial Resolution Period, either Party may submit such dispute to and such dispute shall be resolved fully, finally and exclusively through the use of an independent international accounting firm selected to serve as such by mutual agreement of Parent and Holders' Representative (such accounting firm, the "Reviewing Party"). The fees and expenses of the Reviewing Party incurred in the resolution of such dispute shall be borne by the parties (in the case of the Holders' Representative, on behalf of the Holders) in such proportion as is appropriate to reflect the relative benefits received by the Holders and Parent from the resolution of the dispute. For example, if Holders' Representative challenges the calculation in the Final Calculation by an amount of \$100,000, but the Reviewing Party determines that Holders' Representative has a valid claim for only \$40,000, Parent shall bear 40% of the fees and expenses of the Reviewing Party and Holders' Representative on behalf of the Holders shall bear the other 60% of such fees and expenses. The Reviewing Party shall determine (with written notice thereof to Holders' Representative and Parent) as promptly as practicable, but in any event within thirty (30) days following the date on which Final Calculation and written submissions detailing the disputed items are delivered to the Reviewing Party (i) whether the Final Calculation was prepared in accordance with the terms of this Agreement or, alternatively, (ii) only with respect to the disputed items submitted to the Reviewing Party, whether and to what extent (if any) the Final Calculation requires

adjustment and a written explanation in reasonable detail of each such required adjustment, including the basis therefor (it being understood that any determination of a disputed item shall be not greater or less than the amount of such disputed item as proposed by Parent in the Final Calculation or as proposed by Holders' Representative in the Objection Notice). Parent and Holders' Representative shall require the Reviewing Party to enter into a confidentiality agreement on terms agreeable to Parent, Holders' Representative and the Reviewing Party. The procedures of this Section 2.19(b) are exclusive and the determination of the Reviewing Party shall be final and binding on the Parties. The decision rendered pursuant to this Section 2.19(b) may be filed as a judgment in any court of competent jurisdiction.

(c) Post-Closing Purchase Price Adjustment.

(i) The "Post-Closing Adjustment" shall be an amount equal to the Final Upfront Cash Consideration less the Upfront Cash Consideration and, for the avoidance of doubt, may be a positive or a negative number or zero.

(ii) If the Post-Closing Adjustment is a negative number greater than One Million Dollars (\$1,000,000) (an "Eligible Post-Closing Adjustment"), then the Post-Closing Adjustment shall represent a Loss that is subject to the Offset Right.

(iii) If the Post-Closing Adjustment is a positive number, no adjustments or payments shall occur.

2.20 Effect of the Forward Merger on Capital Stock. At the effective time of the Forward Merger, by virtue of the Forward Merger and without any action to be taken on the part of the holder of any shares of Company Capital Stock or any units of membership interest in Merger Sub B, or on the part of the Company, Parent, Merger Sub B or any other Person:

(a) each share of capital stock of the Company outstanding immediately prior to the effective time of the Forward Merger shall be canceled and shall cease to exist and no consideration shall be delivered in exchange therefor; and

(b) each unit of membership interest in Merger Sub B outstanding immediately prior to the effective time of the Forward Merger shall remain unchanged and continue to remain outstanding as a unit of membership interest in the Surviving Company. At the effective time of the Forward Merger, Parent shall continue as the sole, direct holder of membership interests in the Surviving Company.

2.21 Milestones.

(a) Milestone Determination. Within five (5) Business Days following the achievement of any Milestone, Parent shall deliver a notice (each, a "Milestone Notice") to the Holders' Representative regarding the achievement of the applicable Milestone. Within ten (10) Business Days following Parent's delivery of a Milestone Notice (or, if applicable, within ten (10) Business Days following determination of the achievement of a Milestone by the Expert pursuant to Section 2.21(d) below), the Holders' Representative shall deliver to Parent a spreadsheet (each, a "Milestone Spreadsheet") setting forth (i) a list of each Holder and the amount of Milestone Shares payable to such Holder, after factoring in any deduction for any amount subject to (A) the Offset Right (it being understood, for the avoidance of doubt, no Milestone Shares may be withheld from payment in respect of the Natera Litigation unless at the time the Milestone Shares would otherwise be distributed or paid, either (x) the Natera Litigation has been fully and finally resolved or (y) Parent and Holders' Representative otherwise mutually agree) and (B) the Banker Milestone Fee Share Equivalent, (ii) whether such Holder's right is contingent upon (and thus delayed until) the exercise of the right of

such Holder pursuant to Section 2.7, (iii) the Banker Milestone Fee Cash Equivalent and (iv) any additional information as Parent may reasonably request concurrent with the delivery of the applicable Milestone Notice. Within three (3) Business Days after receipt of a Milestone Spreadsheet, Parent shall deliver book entries reflecting the Milestone Shares to be allocated among the Holders pursuant to Section 2.6(c)(i), Section 2.7 and Section 2.8(c) and in accordance with the Milestone Spreadsheet and the other applicable terms and provisions of this Agreement; provided, however, that with respect to any shares of Company Capital Stock or Company Warrants for which a properly completed Letter of Transmittal has not been received by the Exchange Agent, Parent shall be entitled to withhold the book entries reflecting the Milestone Shares issuable with respect to such shares of Company Capital Stock or Company Warrants and to issue such shares Milestone Shares promptly following such receipt by the Exchange Agent. Within three (3) Business Days after receipt of a Milestone Spreadsheet, Parent shall also pay or caused to be paid the Banker Milestone Fee Cash Equivalent to Evercore Group L.L.C. pursuant to the wire instructions as set forth on the Allocation Schedule.

(b) Efforts to Achieve Milestones. Parent will exercise commercially reasonable efforts to achieve the Milestones, with “commercially reasonable efforts” meaning such good faith efforts and the expenditure of resources consistent with the conduct of a company in Parent’s industry, similarly situated to Parent as of the date hereof, with respect to such company’s products, services or technology of similar commercial potential (without taking into account any action or omission by or on behalf of Parent in bad faith that adversely affects the commercial potential of such product, service or technology), development stage and lifecycle, probability of development success, regulatory profile, and patent protection and proprietary position (without taking into account the obligation to issue any Milestone Shares hereunder or other competitive internal programs of such company); provided, that, in no event shall such efforts and expenditures be less than the efforts Parent applies to its other comparable products, services or technology.

(c) Deemed Achievement of Milestones. In the event of (i) the consummation of a merger of Parent or a subsidiary of Parent with or into another entity if Persons who were not stockholders of Parent immediately prior to such merger own immediately after such merger 50% or more of the voting power of the outstanding securities of each of Parent (or its successor) and any direct or indirect parent corporation of Parent (or its successor) or the consummation of any transaction or series of related transactions to which Parent (or its successor) is a party in which a majority of the voting power of the outstanding securities of Parent (or its successor) is transferred, (ii) the sale, transfer or other disposition of all or substantially all of Parent’s assets, (iii) Parent directly or indirectly ceasing the development or commercialization of products or services (including, if applicable, ceasing to seek regulatory approval or clearance) from the Company Platform or any product or service material to the achievement of any Milestone, or (iv) Parent directly or indirectly selling or otherwise transferring (including by way of exclusive license) the Company Platform or any rights therein or thereto (including any Intellectual Property Rights) if material to the achievement of any Milestone to any Person that is not an Affiliate, in each case on or before the back-end date identified for achievement of such Milestone (per the Milestone Schedule) which has not yet been achieved, then each such Milestone shall be deemed to be achieved on the date immediately preceding the date of the consummation of the merger, sale, transfer, other disposition or cessation of development or commercialization at issue.

(d) Dispute Resolution. If Holders’ Representative believes that Parent has breached any of its obligations under this Section 2.21, then Holders’ Representative may invoke the following dispute resolution process by providing written notice thereof to Parent. Within fifteen (15) Business Days of such notice, Parent and Holders’ Representative shall jointly select one unaffiliated, independent expert who has appropriate technical, regulatory or commercial expertise to resolve any such dispute to act as expert (the “Expert”); provided, however, that any Expert shall be required to execute a non-disclosure and non-use agreement in form and substance reasonably satisfactory to Parent and Holders’

Representative and any Expert shall not be or have been at any time within the previous three (3) years an Affiliate, employee, consultant, officer or director of the Company, Holders' Representative, any Holder or Parent or any of their respective Affiliates. If Parent and the Holders' Representative cannot agree on a mutually acceptable Expert within (10) Business Days of such notice, then within five Business Days after the expiration of such ten (10)-day period, each of Parent and the Holders' Representative shall appoint one Expert who shall jointly select a third Expert within five (5) Business Days after the last to occur of their respective appointments to resolve the referred matter. The Expert mutually agreed by Parent and Holders' Representative, or if such parties cannot agree, the third Expert selected by such party-appointed Experts is referred to as the "Selected Expert". Parent shall provide the Selected Expert with all necessary background information within twenty (20) Business Days after the Selected Expert is selected, and the parties shall cooperate with all reasonable requests of the Selected Expert for such documents or information as the Selected Expert may require in support of the Selected Expert's determination, and provide responses to all reasonable questions or interrogatories in connection therewith. The Selected Expert shall resolve any dispute described in the first sentence of this Section 2.21(d) by evaluating such information and, as applicable, engaging in discussions with Parent's employees with substantive knowledge of the underlying matters. The fees of the Selected Expert shall be paid at Parent's and Holders' Representative's (on behalf of the Holders) joint expense (50:50), except that Parent shall reimburse Holders' Representative for his share of such fees if the Selected Expert's determination reverses Parent's position and Holders' Representative (on behalf of the Holders) shall reimburse Parent for its share of such fees if the Selected Expert's determination upholds Parent's position. The hearing shall be held within forty-five (45) Business Days of the Selected Expert being selected, and the Selected Expert shall be requested to reach a final determination within ten (10) Business Days after the hearing. All proceedings conducted by the Selected Expert shall take place in Denver, Colorado, and the language of the arbitration shall be English. The Selected Expert's determination shall be final and binding upon the parties and for purposes of this Agreement. If the Selected Expert determines, or if Parent agrees in writing, that Parent materially breached its obligation to use commercially reasonable efforts to achieve any Milestone pursuant to Section 2.21(b) or to determine the PCM Revenue as set forth in the Milestone Schedule, then the applicable Milestone shall be deemed to be achieved by the Selected Expert, and Parent shall, pursuant Section 2.21(a), deliver book entries reflecting the Milestone Shares corresponding to such Milestone to be allocated among the Holders to the extent not already issued.

(e) Update Reports. Commencing on January 1 of the first year following the Closing Date, Parent shall, on January 1 and June 30 of each year during the period commencing upon the Closing Date and expiring upon June 30 during the year after the last back-end date for the Milestones, send to Holders' Representative a report regarding the status of its (and its Affiliates) efforts to achieve the Milestones and a statement setting forth, in reasonable detail, a calculation of the PCM Revenue recognized during the prior six months) (each such report, an "Update Report"). If Holders' Representative requests a meeting with Parent to discuss any Update Report within thirty (30) days after receipt thereof, Parent shall make available for such a meeting such of its and its Affiliates respective employees with appropriate expertise and knowledge of the activities undertaken to achieve the Milestones, including an officer with operating responsibility for such activities. In addition, for thirty (30) days after delivery of each Update Report, Parent shall make available a qualified, designated employee of Parent or its Affiliate with appropriate expertise to respond telephonically or electronically to questions posed by Holders' Representative.

(f) Information and Audit Rights. Parent shall keep, and shall cause its Affiliates to keep, reasonable documentation relating to the attainment of each Milestone and complete, fair and true books of accounts and records for the purposing of determining the PCM Revenue (the "Milestone Information"). Such Milestone Information shall be maintained for a period of five (5) years following the end of the calendar year to which it pertains. So long as it is conducted in a manner which does not

unduly interfere with Parent's business, Holders' Representative, or any representative of Holders' Representative reasonably acceptable to Parent, shall have the right, no more frequently than once in any six (6) month period, to review and audit the Milestone Information and to engage in discussions with Parent's employees with substantive knowledge of the underlying matters regarding the status of each unachieved Milestone; provided, however, that such right shall terminate as to each milestone upon the fifth (5th) anniversary of the back-end date identified for achievement of such Milestone per the Milestone Schedule. The cost of such any audit shall be borne by Holders' Representative, unless the audit concludes that a Milestone was timely achieved and the applicable Milestone Shares were not issued when due or that Parent otherwise breached any of its obligations under this Section 2.21, in which case, Parent shall bear the cost of such audit. All information contained in any Update Report, or conveyed to the Holders' Representative in any meeting or other communication regarding an Update Report, or made available to Holders' Representative pursuant to any audit conducted during this Section 2.21(f), shall be subject to a reasonable and customary confidentiality agreement between Parent and the Holders' Representative. Such confidentiality agreement shall expressly permit Holders' Representative to disclose the confidential information referred to in the foregoing sentence of Parent and its Affiliates to Holders' Representative's advisors, employees and consultants providing direction to Holders' Representative in his performance hereunder or who otherwise have a need to know and, in any event, to Perceptive, so long as such Persons are subject to the confidentiality agreement between Parent and the Holders' Representative or otherwise bound by comparable obligations of confidentiality and nonuse as well as acknowledgement of applicable federal securities laws pertaining to material nonpublic information of Parent.

(g) Cessation of Efforts. If Parent (directly or indirectly) ceases performance of activities required to achieve any Milestone, then Parent shall send prompt written notice thereof to the Holders' Representative together with a reasonably detailed explanation for such cessation of activities. Parent's satisfaction of its obligations pursuant to the foregoing sentence shall not relieve Parent of any of its obligations under this Section 2.21.

(h) Achievement of Milestone Prior to Closing. In the event that any Milestone is achieved after the date of this Agreement but prior to the Closing, then the Company shall promptly, but no more than five (5) Business Days after achievement of such Milestone, notify Parent that such Milestone has been achieved and the applicable Milestone Shares shall be included in the consideration payable by Parent at Closing in accordance with Section 2.12.

2.22 Tax Consequences.

(a) Parent, the Merger Subs and the Company each intend that the Mergers, taken together, constitute a "reorganization" within the meaning of Section 368(a) of the Code and the Treasury Regulations promulgated thereunder, in accordance with IRS Revenue Ruling 2001-46, 2001-2 CB 321 (the "Intended Tax-Free Treatment"). Each of Parent, the Merger Subs and the Company and their respective Affiliates and Representatives (including Holders' Representative) shall (A) file all Tax Returns consistent with the Intended Tax-Free Treatment (including attaching the statement described in Treasury Regulations Section 1.368-3(a) on or with the U.S. federal income Tax Returns of the Company and Parent for the taxable year that includes the Mergers), and (B) except to the extent otherwise required by a "determination" as such term is used in Section 1313 of the Code, take no Tax position inconsistent with the Intended Tax-Free Treatment (whether in audits, Tax Returns or otherwise).

(b) This Agreement is intended to constitute, and the Parties hereby adopt this Agreement as, a "plan of reorganization" within the meaning Treasury Regulation Sections 1.368-2(g) and 1.368-3(a).

(c) Each of Parent, the Merger Subs and the Company and their respective Affiliates and Representatives shall cooperate and use its respective commercially reasonable efforts to cause the Mergers to qualify for the Intended Tax-Free Treatment, and, except for the performance of this Agreement in accordance with its terms, agree not to take any action or fail to take any action, in either case, that could reasonably be expected to prevent or impede the Mergers from qualifying for the Intended Tax-Free Treatment. Such cooperation and commercially reasonable efforts shall include (but not be limited to): (i) taking actions (and not failing to take actions) to cause the Mergers to qualify for the Intended Tax-Free Treatment, and not taking actions (or failing to take actions) that could reasonably be expected to prevent or impede the Mergers from qualifying for the Intended Tax-Free Treatment; (ii) a Party promptly notifying the other Party that such Party knows or has reason to believe that the Mergers may not qualify for the Intended Tax-Free Treatment (and whether the terms of this Agreement could be reasonably amended in order to facilitate the Mergers qualifying for the Intended Tax-Free Treatment); and (iii) in the event either Parent or the Company seeks a tax opinion from its respective tax advisor regarding the Intended Tax-Free Treatment, or the SEC requests or requires tax opinions in connection with the Transactions, each Party shall execute and deliver customary tax representation letters to the applicable tax advisor in form and substance reasonably satisfactory to such advisor.

(d) Notwithstanding any provision herein to the contrary, (i) no Party or their respective Affiliates shall have any liability to the other Party, or any Holder, with respect to the tax treatment or the tax consequences of the Mergers or the other Transactions (other than, for the avoidance of doubt, any liability resulting from (A) any breach of, or misrepresentation or inaccuracy in, any of the representations or warranties made by such Party in this Agreement or any tax representation letters provided by such Party pursuant to Section 2.22(c) (if applicable) and (B) any breach of or failure to perform any covenant or agreement of such Party provided for in this Agreement including pursuant to Section 2.22(c) (if applicable)) and (ii) each Holder shall be solely responsible with respect to the tax treatment of the Mergers or the other Transactions as to such Holder as well as the tax consequences thereof.

(e) If, at least ten (10) Business Days in advance of the Closing, the Company reasonably believes that the Intended Tax-Free Treatment will not be achieved as of the Closing, then, at the discretion of the Company, the Parties shall promptly meet to agree upon a modification of the relative aggregate mixture of cash consideration and Parent Common Stock consideration that would otherwise be payable or issuable in connection with the Closing (for clarity, such calculation shall not take into account any Milestone Shares), and thereupon adjust such consideration as the Parties shall agree by decreasing the amount of such cash consideration and making a corresponding increase in the number of shares of Parent Common Stock representing such consideration (*i.e.*, such increase in shares shall be a number of shares, rounded up to the nearest whole share, equal to the quotient of (i) the required decrease in cash consideration divided by (ii) the Parent Trading Price), but only to the extent the Company determines in good faith that such adjustment is required to achieve the Intended Tax-Free Treatment. The Parties agree to take all reasonable and necessary actions in furtherance of the objective stated in this Section 2.22(e), including, if applicable, by making any necessary amendments to this Agreement and, as applicable, seeking the requisite stockholder approvals.

The Company has delivered or made available to Parent and its Representatives accurate copies of the stock ledger of each member of the Company Group and of the minutes of all meetings of the stockholders, the board of directors (or equivalent governing body) and each committee of the board of directors (or equivalent governing body) of each member of the Company Group held since the Reference Date.

(c) ERISA. No Company Plan is subject to Title IV of ERISA or is otherwise a Defined Benefit Plan as defined in Section 3(35) of ERISA (a “Title IV Plan”) and no member of the Company Group or any other trade or business (whether or not incorporated) that, together with any member of the Company Group, would be treated as a single employer under Section 414(b) or (c) of the Code or, solely for purposes of Section 302 of ERISA and Section 412 of the Code, is treated as a single employer under Section 414(m) or (o) of the Code (each an “ERISA Affiliate”) has incurred any liability pursuant to Title IV of ERISA that remains unsatisfied. (d) Status of Plans. Each Company Plan intended to qualify under Section 401 of the Code or other tax-favored treatment under Subchapter B of Chapter 1 of Subtitle A of the Code has received a favorable determination letter from the IRS or is the subject of a favorable prototype opinion letter from the IRS as to its qualification under the Code and any trusts intended to be exempt from federal income taxation under the Code are so exempt. To the Knowledge of the Company, nothing has occurred with respect to the operation of any Company Plans that could reasonably be expected to cause the loss of such qualification or exemption. No event has occurred and no condition exists with respect to any Company Plan subject to the requirements of Code Section 401(a) that would subject any member of the Company Group to any Tax, fine, Lien, penalty or other liability imposed by ERISA, the Code or other applicable Laws. For each Company Plan with respect to which a Form 5500 has been filed, no

adverse change has occurred with respect to the matters covered by the most recent Form 5500 since the date thereof. There are no pending Actions arising from or relating to the Company Plans (other than routine benefit claims), nor does the Company have any Knowledge of facts that could form or could reasonably be expected to form the basis for any such Action. There are no filings or applications pending with respect to the Company Plans with the IRS, the DOL or any other Governmental Authority. Each member of the Company Group has satisfied obligations applicable to such member under Section 4980B of the Code, Part 6 of Subtitle B of Title I of ERISA and each applicable state law relating to continuation of health or other coverage to any Employee (or any dependent or former dependent of such Employee) with respect to any qualifying event that has occurred on or before the Closing Date.

(iii) Since the Reference Date, no member of the Company Group has received (A) a notice, citation, complaint or charge asserting any violation or liability under the federal Occupational Safety and Health Act of 1970 or any similar applicable Law regulating employee health and safety or (B) a notice of any charge or complaint pending before the Equal Employment Opportunity Commission or similar Governmental Authority alleging unlawful discrimination in employment practices, or before the National Labor Relations Board or similar Governmental Authority alleging any unfair labor practice by such member, nor, to the Knowledge of the Company, has any such charge been threatened.

(j) Compliance with Section 409A of the Code. To the extent that any Company Plan is a Nonqualified Deferred Compensation Plan, such Company Plan is in documentary and operational compliance with, in all respects, Section 409A of the Code and all applicable guidance issued by the IRS thereunder (or could be made compliant without applicable penalties in accordance with such guidance). No payment pursuant to any Company Plan or other arrangement to any “service provider” (as such term is defined in Section 409A of the Code and the United States Treasury Regulations and IRS guidance thereunder) to a member of the Company Group would subject any person to tax pursuant to Section 409A(1) of the Code, whether pursuant to the Transactions or otherwise. There is no Contract or arrangement to which any member of the Company Group, or to the Knowledge of the Company, any Company Affiliate is a party or by which it is bound to compensate any of its current or former employees, independent contractors or directors for additional income or excise taxes paid pursuant to Sections 409A or 4999 of the Code.

No member of the Company Group has stored, treated, disposed of, arranged for or permitted the disposal of, transported, handled or released any substance (including any Hazardous Materials) or owned, occupied or operated any Premises or property in a manner that has given or could give rise to any Liabilities (including any Liabilities for response costs, corrective action costs, personal injury, natural resource damages, property damage, or any investigative, corrective or remedial obligations) pursuant to CERCLA or any other Environmental Laws. Nothing contained in this Agreement shall require the Parent Group to do or not do something that it reasonably believes will violate applicable Law.

5.3 Form S-4 Registration Statement; Proxy Statement/Prospectus.

(a) As promptly as practicable after the Agreement Date, Parent and the Company shall jointly prepare, and each of Parent and the Company shall promptly furnish all information concerning itself and its Affiliates as may be reasonably requested by the other Party and shall otherwise reasonably assist and cooperate with the other in connection with the preparation, filing and distribution of the Form S-4 Registration Statement and the proxy statement/prospectus to be filed with the SEC as part of the Form S-4 Registration Statement and sent to (i) the Parent stockholders relating to the Parent Stockholder Meeting and (ii) the Company Stockholders for purposes of obtaining the Requisite Stockholder Approval (such proxy statement/prospectus, together with any amendments or supplements thereto, the "Proxy Statement/Prospectus"). Parent shall file with the SEC, as promptly as practicable after the Agreement Date, the Form S-4 Registration Statement, which shall include the Proxy Statement/Prospectus, in connection with the registration under the Securities Act of the shares of Parent Common Stock to be issued in connection with the Reverse Merger and the other matters to be considered by the Parent stockholders and the Company Stockholders. Each of Parent and the Company will use their respective reasonable best efforts to (i) cause the Form S-4 Registration Statement, when filed, to comply with all legal requirements applicable thereto, (ii) respond as promptly as reasonably practicable

to and resolve all comments received from the SEC or its staff concerning the Form S-4 Registration Statement, (iii) have the Form S-4 Registration Statement declared effective under the Securities Act as promptly as practicable after such filing and (iv) keep the Form S-4 Registration Statement effective for so long as necessary to complete the Transactions. On or after the Agreement Date but prior to the initial mailing of the Proxy Statement/Prospectus to the Parent stockholders, Parent shall set a record date (the "Parent Record Date") for determining the Parent stockholders entitled to attend the Parent Stockholder Meeting. Parent will cause the Proxy Statement/Prospectus to be mailed to each Parent stockholder as of the Parent Record Date as promptly as practicable after the Form S-4 Registration Statement is declared effective under the Securities Act.

(b) No filing of, or amendment or supplement to, the Form S-4 Registration Statement, or response to SEC comments with respect thereto, will be made by Parent without the prior written consent of the Company (which shall not be unreasonably withheld, conditioned or delayed).

(c) Parent will promptly notify the Company upon the receipt of any comments from the SEC or any request from the SEC for amendments or supplements to the Form S-4 Registration Statement, and will, as promptly as practicable after receipt thereof, provide the Company with copies of all correspondence between it and its Representatives, on the one hand, and the SEC, on the other hand, and all written comments with respect to the Form S-4 Registration Statement or the Proxy Statement/Prospectus received from the SEC and advise the other on any oral comments with respect to the Form S-4 Registration Statement received from the SEC. Parent will advise the Company, promptly after Parent receives notice thereof, of the time of effectiveness of the Form S-4 Registration Statement (the date on which such effectiveness shall occur, the "Effectiveness Date") and the issuance of any stop order relating thereto or the suspension of the qualification of the shares of Parent Common Stock issuable in connection with the Transactions, and Parent and the Company will use their respective reasonable best efforts to have any such stop order or suspension lifted, reversed or otherwise terminated.

(d) Parent and the Company will also use their respective reasonable best efforts to take any other action required to be taken under the Securities Act, the Exchange Act, any applicable foreign or state securities or "blue sky" Laws and the rules and regulations thereunder in connection with the Transactions. Each of Parent and the Company shall ensure that none of the information supplied by or on its behalf for inclusion or incorporation by reference in (i) the Form S-4 Registration Statement will, at the time the Form S-4 Registration Statement is filed with the SEC, at each time at which it is amended and at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they are made, not misleading and (ii) the Proxy Statement/Prospectus will, at the date it is first mailed or sent to Parent's stockholders and the Company Stockholders and at the time of the Parent Stockholder Meeting contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. If at any time prior to the Closing any information relating to Parent, the Company or any of their respective Affiliates, officers or directors, is discovered by Parent or the Company which should be set forth in an amendment or supplement to the Form S-4 Registration Statement, so that any of such documents would not include a misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Party that discovers such information shall promptly notify the other Parties and each of Parent and the Company shall use its reasonable best efforts to cause an appropriate amendment or supplement describing such information to be promptly filed with the SEC and, to the extent required by law, disseminated to Parent's stockholders.

5.4 Parent Stockholder Approvals; Company Stockholder Approvals.

(a) Parent shall, as promptly as practicable after the Form S-4 Registration Statement is declared effective under the Securities Act, give notice of and convene and hold a special meeting of Parent's stockholders (the "Parent Stockholder Meeting") in accordance with Parent's Charter Documents for the purposes of obtaining the following (the "Parent Stockholder Approvals") which Parent shall, through its board of directors and subject to Section 5.4(d) below, recommend to Parent's stockholders: (i) approval of the Mergers and the other Transactions; (ii) adoption and approval of this Agreement and the other Transaction Agreements to which Parent or any of its Subsidiaries is a party; (iii) adoption and approval of any other proposals as the SEC (or staff members thereof) may indicate are necessary in its comments to the Form S-4 Registration Statement or in correspondence related thereto, and of any other proposals reasonably agreed by Parent and the Company as necessary or appropriate in connection with the Transactions; (iv) approval of the issuance of Parent Common Stock as contemplated by this Agreement in connection with the Reverse Merger, including the Milestone Shares; (v) approval for any financing activities relating to the Transaction (including the Mergers); and (vi) the adjournment of the Parent Stockholder Meeting, if necessary, in the circumstances set forth in Section 5.4(b) below (the "Parent Board Recommendation"). Parent shall use its reasonable best efforts to obtain from its stockholders the Parent Stockholder Approvals, including by actively soliciting proxies.

(b) The Parent Stockholder Meeting will initially be scheduled to be convened within forty (40) days of the Effectiveness Date. Notwithstanding the foregoing, the Company acknowledges that Parent may postpone or adjourn the Parent Stockholder Meeting (i) to solicit additional proxies for the purpose of obtaining the Parent Stockholder Approvals because at the scheduled time of the Parent Stockholder Meeting there are not sufficient votes to approve and adopt any of the Parent Stockholder Approvals, (ii) for the absence of a quorum and (iii) to allow reasonable additional time for the filing or mailing of any supplemental or amended disclosure that Parent has determined after consultation with outside legal counsel is reasonably likely to be required under applicable Law and for such supplemental or amended disclosure to be disseminated and reviewed by Parent's stockholders prior to the Parent Stockholder Meeting; *provided, that*, except as required by applicable Law, the Parent Stockholder Meeting shall not be postponed, recessed or adjourned to a date that is (A) more than thirty (30) days after the date on which the Parent Stockholder Meeting was originally scheduled or (B) less than five (5) Business Days prior to the Outside Date, in each case without the prior written consent of the Company.

(c) Except as permitted by Section 5.4(d) below, neither the Parent Board nor any committee thereof shall (i) withhold or withdraw (or qualify or modify in any manner adverse to the Company), or publicly propose to withhold or withdraw (or qualify or modify in any manner adverse to the Company) the Parent Board Recommendation, (ii) fail to include the Company Board Recommendation in the Proxy Statement/Prospectus, or (iii) fail to publicly reaffirm the Parent Board Recommendation within 10 days after receiving a written request to do so from the Company (or, if sooner, prior to the then-scheduled Parent Stockholders Meeting) (any action described in Section 5.4(c) being referred to as a "Parent Adverse Recommendation Change").

(d) Notwithstanding the foregoing, prior to obtaining the Parent Stockholder Approval, the Parent Board (or any duly authorized committee thereof) may effect a Parent Adverse Recommendation Change, but only in response to a Parent Intervening Event and only if (i) the Parent Board (or any duly authorized committee thereof) determines in good faith (after consultation with its outside counsel and financial advisor) that the failure to take such action would be inconsistent with the Parent's directors' fiduciary duties under applicable Law; (ii) Parent has notified the Company in writing that it intends to effect a Parent Adverse Recommendation Change due to the occurrence of a Parent Intervening Event (which notice shall specify and describe the Parent Intervening Event in reasonable

detail and which notice shall not constitute a Parent Adverse Recommendation Change); (iii) for a period of three (3) Business Days following the notice delivered pursuant to clause (ii) of this Section 5.4(d), Parent shall have made Parent Representatives available to discuss and negotiate in good faith (in each case to the extent Company desires to negotiate), with Company Representatives any proposed modifications to the terms and conditions of this Agreement so that the failure to take such action would no longer be inconsistent with Parent's directors' fiduciary duties under applicable Law (it being understood and agreed that any material change to the facts and circumstances relating to the Parent Intervening Event shall require a new notice and a new negotiation period (except that such new negotiation period shall be for two (2) Business Days)); and (iv) no earlier than the end of the negotiation period, the Parent Board (or any duly authorized committee thereof) shall have determined in good faith (after consultation with its outside counsel and financial advisor), after considering the terms of any proposed amendment or modification to this Agreement, that the failure to take such action would still be inconsistent with the Parent's directors' fiduciary duties under applicable Law. In no event shall the making of a Parent Adverse Recommendation Change affect in any manner the obligation of Parent to convene the Parent Stockholder Meeting and obtain a vote of the Parent stockholders on the matters to be considered at such meeting.

(e) The Company shall, as promptly as practicable after the Form S-4 Registration Statement is declared effective under the Securities Act, distribute to each Company Stockholder the Proxy Statement/Prospectus and a written consent (in form and substance reasonably acceptable to Parent) in accordance with applicable provisions of the DGCL and the Company's Charter Documents for the purposes of obtaining the following (the "Company Stockholder Approvals") which Company shall, through its board of directors, recommend to the Company Stockholders: (i) approval of the Mergers and the other Transactions; and (ii) adoption and approval of this Agreement and the other Transaction Agreements to which the Company is a party (including specific approval of the Holders' Representative and the provisions of this Agreement with respect thereto); provided, however, that such effort shall in no way limit or adversely affect the receipt of the Requisite Stockholder Approval represented by the Written Consent. In addition, the Company shall take all actions that may be required or appropriate to implement the provisions of Section 3 of that certain Amended and Restated Voting Agreement dated December 11, 2019 among the Company and the "Stockholders" identified therein (Drag-Along Right). With respect to any payments and/or benefits that may constitute "parachute payments" under Section 280G of the Code with respect to any Employees, the Company shall submit such parachute payments to the Company Stockholders for approval, with the understanding that the solicitation materials for such approval will not be included as part of the Proxy Statement/Prospectus but instead be distributed as a separate solicitation package to the Company Stockholders.

5.5 Appropriate Action; Consents; Filings.

(a) Subject to the terms and conditions of this Agreement, the Parties will reasonably cooperate with each other and use (and will cause their respective Subsidiaries to use) their respective reasonable best efforts to consummate the transactions contemplated by this Agreement prior to the Outside Date and to cause the conditions to the Mergers set forth in ARTICLE VI to be satisfied as promptly as reasonably practicable prior to the Outside Date, including using reasonable best efforts to accomplish the following as promptly as reasonably practicable prior to the Outside Date: (i) the obtaining of all actions or non-actions, consents, approvals, registrations, waivers, permits, authorizations, orders, expirations or terminations of waiting periods and other confirmations from any Governmental Authority or other Person that are or may become necessary, proper or advisable in connection with the consummation of the Transactions contemplated by this Agreement, including the Mergers (the "Regulatory Approvals"); (ii) the preparation and making of all registrations, filings, forms, notices, petitions, statements, submissions of information, applications and other documents (including filings with Governmental Authorities) that are or may become necessary, proper or advisable in connection with

the consummation of the Transactions, including the Mergers; (iii) the taking of all steps as may be necessary, proper or advisable to obtain an approval from, or to avoid an Action by, any Governmental Authority or other Person in connection with the consummation of the Transactions, including the Mergers; and (iv) the defending of any Actions, whether judicial or administrative, challenging this Agreement or that would otherwise prevent or delay the consummation of the Transactions, including the Mergers, performed or consummated by each party in accordance with the terms of this Agreement, including seeking to have any stay, temporary restraining order or injunction entered by any Governmental Authority vacated or reversed. The Company shall use commercially reasonable efforts to obtain the consent, approval or waiver with respect to Material Contracts in connection with the consummation of the Transactions from third Persons to the extent reasonably requested by Parent after consulting with the Company in good faith regarding the request. Each of the Parties shall, in consultation and cooperation with the other Parties and as promptly as reasonably practicable, but in any event within ten (10) Business Days after the Agreement Date, make its respective filings under the HSR Act, and make any other applications and filings as reasonably determined by the Company and Parent under other applicable Antitrust Laws with respect to the Transactions, as promptly as practicable, but in no event later than as required by Law. Parent shall pay all filing fees and other charges for the filings required under any Antitrust Law by the Company or Parent with respect to the Transactions (the “Regulatory Filing Fees”). Notwithstanding anything to the contrary contained in this Agreement, without the prior written consent of Parent (which consent shall not be unreasonably withheld, conditioned or delayed), none of the Company or any of its Subsidiaries or Affiliates will grant or offer to grant any accommodation or concession (financial or otherwise), or make any payment, to any Person (other than filing fees to any Governmental Authority) in connection with seeking or obtaining its consent to any of the Transactions.

(b) In connection with and without limiting the efforts referenced in Section 5.5(a), each of the Parties will (i) furnish to the other such necessary information and reasonable assistance as the other may request in connection with the preparation of any governmental filings, submissions or other documents; (ii) give the other reasonable prior notice of any such filing, submission or other document and, to the extent reasonably practicable, of any communication with or from any Governmental Authority regarding the Transactions, and permit the other to review and discuss in advance, and consider in good faith the views, and secure the participation, of the other in connection with any such filing, submission, document or communication; and (iii) cooperate in responding as promptly as reasonably practicable to any investigation or other inquiry from a Governmental Authority or in connection with any Action initiated by a Governmental Authority or private party, including informing the other Parties as soon as practicable of any such investigation, inquiry or Action, and consulting in advance, to the extent practicable, before making any presentations or submissions to a Governmental Authority, or, in connection with any Action initiated by a private party, to any other Person. In addition, each of the Parties will give reasonable prior notice to and consult with the other in advance of any meeting, conference or substantive communication with any Governmental Authority, or, in connection with any Action by a private party, with any other Person, and to the extent not prohibited by applicable Law or by the applicable Governmental Authority or other Person, and to the extent reasonably practicable, not participate or attend any meeting or conference, or engage in any substantive communication, with any Governmental Authority or such other Person in respect of the Transactions without the other Party (as between Parent and the Company), and in the event either Parent or the Company is prohibited from, or unable to participate, attend or engage in, any such meeting, conference or communication, keep such Party apprised with respect thereto. Each Party shall furnish to the other Parties copies of all filings, submissions, correspondence and communications between it and its Affiliates and their respective Representatives, on the one hand, and any Governmental Authority or members of any Governmental Authority’s staff (or any other Person in connection with any Action initiated by a private party), on the other hand, with respect to the Transactions. Each Party may, as it deems advisable and necessary, reasonably designate material provided to the other party as “Outside Counsel Only Material,” and also

may reasonably redact the material as necessary to (A) remove personally sensitive information, (B) remove references concerning the valuation of the Company and its Subsidiaries or Parent and its Subsidiaries conducted in connection with the approval and adoption of this Agreement and the negotiations and investigations leading thereto, (C) comply with contractual arrangements, (D) prevent the loss of a legal privilege or (E) comply with applicable Law.

(c) The Parties shall consult with each other with respect to obtaining all permits and consents necessary to consummate the Transactions, including the Mergers.

(d) Each of the Parties agrees that, during the Pre-Closing Period, it shall not, and shall ensure that none of its Subsidiaries shall, consummate, enter into any agreement providing for, or announce, any investment, acquisition, divestiture, business combination or other transaction or take or omit to take any action that would reasonably be expected to materially delay or prevent the effectiveness of the Form S-4 or the consummation of the Transactions.

(e) Notwithstanding anything in this Agreement to the contrary and for the avoidance of doubt, the Holders' Representative shall not have any obligations under this Section 5.5.

5.6 Public Announcements. The initial press release with respect to the execution of this Agreement shall be a joint press release to be agreed upon by Parent and the Company. Following such initial press release, unless otherwise required by (a) applicable Law, (b) stock exchange requirements, or (c) any disclosure made in connection with the enforcement of any right or remedy relating to this Agreement or the Transactions, no Party to this Agreement shall at any time make any public announcement or disclosure in respect of this Agreement or the Transactions or otherwise communicate with any news media with respect to this Agreement or the Transactions without the prior written consent of the other Parties (which consent shall not be unreasonably withheld, conditioned or delayed); *provided, that*, Parent shall be permitted to (i) respond to questions or provide a summary or update relating to, or discuss the benefits of, the Transactions in calls or meetings with Parent's analysts, investors or attendees of any industry conference and, (ii) with advance notice to the Company, make any public announcement or statement and issue any press release that provides a summary or update relating to the Transactions.

5.7 Access to Information. Subject to the requirements of applicable Law (including any COVID-19 Measures), from time to time during the Pre-Closing Period, each of the Company and Parent shall, and shall cause other members of the Company Group and Parent Group to, afford to the other and its Representatives reasonable access during normal business hours upon reasonable advance notice to (a) such Party's premises, books, reports, Contracts, assets, filings with and applications to Governmental Authorities, records and correspondence (in each case, whether in physical or electronic form) and (b) to the Representatives of such Party as the other Party may reasonably request and such Party shall furnish promptly to the other Party all information and documents concerning such Party's business, financial condition and operations, properties and personnel related to the consummation of the Transactions or the ownership or operation of Parent's business as the other Party may reasonably request and the other Party shall be allowed to make copies of such information and documents, *provided, that*, the Company, Parent and their respective Representatives shall conduct any such activities in such a manner as not to interfere unreasonably with the business or operations of the other Party; *provided, further*, that (i) the Company and Parent (or their respective Subsidiaries) shall not be obligated to provide such access or information if the Company or Parent, as applicable, determines, in its reasonable judgment, that doing so would violate applicable Law or a Contract with a third party or obligation of confidentiality owing to a third party, jeopardize the protection of the attorney-client privilege or expose such party to risk of liability for disclosure of sensitive or personal information (*provided, that*, the withholding party shall use its reasonable best efforts to allow for providing such access or information (or as much of it as possible) in a manner that does not violate applicable Law or a Contract or obligation of confidentiality, jeopardize the

protection of the attorney-client privilege or expose such party to risk of liability for disclosure of sensitive or personal information, including by (A) using its reasonable best efforts to obtain the required consent of any third party to provide such access or information or (B) entering into a customary joint defense or common interest agreement) and (ii) in each case, such access may be limited to the extent the Company or Parent reasonably determines, in light of COVID-19 or COVID-19 Measures, that such access would jeopardize the health and safety of any employee of the Company or Parent, as applicable, or its Subsidiaries. The Parties acknowledge that the information exchanged pursuant to this Section 5.7 will be subject to the terms of the Mutual Nondisclosure Agreement, dated as of March 1, 2020, between Parent and the Company (as it may be amended from time to time) (the “Existing NDA”).

5.8 Notification of Certain Matters. Each of Parent and the Company shall provide prompt written notice to the other upon becoming aware (a) that any representation or warranty made by it in this Agreement was inaccurate when made or subsequently has become inaccurate and that would make the timely satisfaction of the conditions in Section 6.1(a) or Section 6.2(a), as applicable, impossible or unlikely, (b) of any failure by it to comply with or satisfy any of its covenants or agreements hereunder and that would make the timely satisfaction of the condition in Section 6.1(b) or Section 6.2(b) impossible or unlikely, (c) of the occurrence or nonoccurrence of any event that would reasonably be expected to cause any condition precedent to any obligation of the other to consummate the Transactions (including the Mergers) not to be satisfied at or prior to the Closing Date, (d) of any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the Transactions (including the Mergers), to the extent such consent is not already contemplated by this Agreement or the Disclosure Schedule, (e) of any notice or other communication from any Governmental Authority in connection with the Transactions (including the Mergers), or (f) of the commencement or written threat of commencement of any Action regarding the Transactions (including the Mergers) or otherwise relating to the Company Group or the Business; provided, however, that neither the delivery of any notice pursuant to this Section 5.8 nor obtaining any information or knowledge in any investigation pursuant to Section 5.7 or otherwise shall (i) cure any breach of, or non-compliance with, any representation or warranty requiring disclosure of such matter, or any breach of any other provision of this Agreement, (ii) amend or supplement the Disclosure Schedule or (iii) limit the remedies available to the Party receiving, or entitled to receive, such notice.

5.9 Tax Matters.

(a) Parent shall timely file or cause to be timely filed (taking into account all extensions properly obtained) all Tax Returns of the Company Group that are first due (taking into account all extensions properly obtained) after the Closing Date and that relate in whole or in part to a Pre-Closing Tax Period (each, a “Parent Prepared Return”), and Parent shall timely remit or cause to be timely remitted any Taxes due in respect of such Parent Prepared Returns. To the extent any Parent Prepared Return relates in whole or part to a Pre-Closing Tax Period, each such Parent Prepared Return shall (i) be prepared in a manner consistent with the past practice of the Company Group (ii) include all Transaction Deductions on the income Tax Return of the Company for the taxable period that includes the Closing Date to the extent permitted by applicable Law, and (iii) be prepared in a manner consistent with the Intended Tax-Free Treatment, unless otherwise required by applicable Law. In the event that any item reflected on any Parent Prepared Return could increase the amount of Taxes included in Closing Net Working Capital or Company Transaction Expenses or result in an Offset Right for such Taxes by the Parent Indemnified Persons under Section 8.2, Parent will submit such Parent Prepared Return to the Holders’ Representative for review and comment at least thirty 30 days prior to the due date for filing such Parent Prepared Return (or, if such due date is within 60 days following the Closing Date, as promptly as practicable following the Closing Date), and will not file any such Parent Prepared Return without the consent of the Holders’ Representative, which consent will not be unreasonably withheld, conditioned or delayed.

(b) For all purposes of this Agreement, in the case of any Straddle Period, the amount of Taxes of the Company Group that are allocable to the portion of a Straddle Period ending on and including the Closing Date shall be determined by assuming that the Straddle Period consisted of two taxable years or periods, one of which ended at the close of the Closing Date and the other of which began at the beginning of the day following the Closing Date, and (i) Taxes based on, or computed with respect to, net income or earnings, gross income or earnings, payroll, capital or net worth, or any other Taxes resulting from or imposed on, sales, receipts, uses, transfers or assignments of property or other assets, payments or accruals to other Persons (including wages) or any other similar transaction or transactions of any member of the Company Group for the Straddle Period shall be allocated between such two taxable years or periods on a “closing of the books basis” by assuming that the books of the Company or such Subsidiary were closed at the close of the Closing Date and (ii) in the case of all other Taxes, such Taxes shall be equal to the product of the amount of such Taxes for the entire Straddle Period multiplied by a fraction, the numerator of which is the number of calendar days in the Straddle Period before and including the Closing Date and the denominator of which is the total number of calendar days in the entire Straddle Period.

(c) Without the prior written consent of the Holders’ Representative (such consent not to be unreasonably withheld, conditioned or delayed), Parent will not: (i) except for Tax Returns that are filed in accordance with Section 5.9(a), file or amend, or permit the Company, the Surviving Company or any of their Affiliates to file or amend any Tax Return of the Company Group relating to a taxable period (or portion thereof) ending on or prior to the Closing Date; (ii) with respect to Tax Returns filed pursuant to Section 5.9(a), after the date such Tax Returns are filed pursuant to Section 5.9(a), amend or permit the Company, the Surviving Company or any of their Affiliates to amend any such Tax Return; (iii) extend or waive, or cause to be extended or waived, or permit the Company, the Surviving Company or any of their Affiliates to extend or waive, any statute of limitations or other period for the assessment of any Tax or deficiency related to a taxable period (or portion thereof) of any member of the Company Group ending on or prior to the Closing Date; (iv) make or change any election or change any method of accounting with respect to Taxes with retroactive effect to a taxable period (or portion thereof) ending on or prior to the Closing Date for any member of the Company Group; (v) initiate discussions or examinations with any Taxing Authority (including any voluntary disclosures) regarding Pre-Closing Taxes or (vi) except as explicitly contemplated by this Agreement, engage in any transaction on the Closing Date after the Closing outside the Ordinary Course of Business and consistent with the Company’s past practice; *provided* that the restrictions in clauses (i) through (vi) of this sentence will apply only to the extent that such action would have the effect of increasing the amount of Taxes included in Closing Net Working Capital or Company Transaction Expenses or resulting in an Offset Right for such Taxes by the Parent Indemnified Persons under Section 8.2.

(d) Parent will give prompt written notice to the Holders’ Representative of the assertion of any claim, or the commencement of any Action, with respect to: (x) any Tax Return of any member of the Company Group that relates solely to one or more taxable periods ending on or prior to the Closing Date; or (y) any Tax liability of any member of the Company Group for which the Holders are partially or wholly responsible under this Agreement (each, a “Tax Claim”).

(i) With respect to any Tax Claim that relates solely to taxable periods that end on or before the Closing Date, the Holders’ Representative may, at the Holders’ expense, upon written notice to Parent, assume the defense of any such Tax Claim; *provided* that in order to assume such defense, the Holders’ Representative: (A) must provide such written notice within 10 Business Days after Parent gives notice of the assertion of the Tax Claim; (B) will keep Parent reasonably informed concerning the progress of such Tax Claim, including providing copies of all correspondence and other documents relevant to such Tax Claim; (C) will consult with Parent upon Parent’s reasonable request for such consultation from time to time with respect to such Tax Claim; and (D) will not, without Parent’s

prior written consent (which consent will not be unreasonably withheld, conditioned or delayed), agree to any settlement with respect to any Tax if such settlement could adversely affect any Tax liability of Parent or any Affiliate of Parent in any Tax period ending after the Closing Date. If the Holders' Representative assumes such defense, Parent will have the right (but not the duty) to participate in the defense thereof and to employ counsel (which will include participation in meetings with Taxing Authorities and review and comment on written submissions to Taxing Authorities), at its own expense, separate from the counsel employed by the Holders' Representative (on behalf of the Holders). The right of the Holders' Representative to assume any such defense pursuant to this Section 5.9(d)(i) shall terminate at the time that there are not any remaining Milestone Shares subject to the Offset Right.

(ii) With respect to any Tax Claim that the Holders' Representative does not or cannot elect to control pursuant to Section 5.9(d)(i), Parent will control such Tax Claim; *provided* that Parent: (A) will keep the Holders' Representative reasonably informed concerning the progress of such Tax Claim, including providing copies of all correspondence and other documents relevant to such Tax Claim; (B) will consult with the Holders' Representative upon the Holders' Representative's reasonable request for such consultation from time to time with respect to such Tax Claim; and (C) with respect to any Tax that could increase the amount of Taxes included in Closing Net Working Capital or result in an Offset Right for such Taxes by the Parent Indemnified Persons under Section 8.2(a)(vii) will not, without the Holders' Representative's prior written consent (which consent will not be unreasonably withheld, conditioned or delayed), agree to any settlement and (2) will provide the Holders' Representative with the right (but not the duty) to participate in the defense of any such Tax Claim (which will include participation in meetings with Taxing Authorities and review and comment on written submissions to Taxing Authorities) and to employ counsel, at the Holders' expense, separate from the counsel employed by Parent.

(iii) In the event of any conflict between the provisions of this Section 5.9(d), and the provisions of Section 8.3(i), the provisions of this Section 5.9, shall control.

(e) Any transfer, stamp, documentary, sales, use, registration, value-added and other similar Taxes (including all applicable real estate transfer Taxes and real property transfer Taxes and including any filing and recording fees, but not, for the avoidance of doubt, any capital gain Taxes) incurred in connection with this Agreement and the Transactions ("Transfer Taxes") will be borne by Parent. Parent and the Holders' Representative shall cooperate with each other in the provision of any information or preparation of any documentation that may be necessary or useful for obtaining any available mitigation, reduction or exemption from any Transfer Taxes.

(f) For all applicable Tax purposes, the Parties agree to, and no party shall take any action or filing position inconsistent with, the following Tax treatment of the items specified below:

(i) The Expense Fund Amount shall be treated as having been received and voluntarily set aside by the Holders on the Closing Date, and no Tax withholding or reporting shall be required in connection with the distribution of any portion of the Expense Fund to the Holders.

(ii) Any payments made in respect of Company Options pursuant to this Agreement (A) shall be treated as compensation paid by the Company as and when received by the holder thereof to whom such payment is due (which, for the avoidance of doubt, shall be the Closing Date with respect to the Expense Fund Amount), (B) shall be net of any Taxes withheld pursuant to Section 2.17, and (C) shall, in respect of payments attributable to Employee Options only, be made through the Surviving Company's (or any Affiliate thereof or successor thereto) standard payroll procedures in accordance with Section 2.7 (*provided, however*, that payments of the release of the Expense Fund Amount in respect of Company Options shall be made directly by the Surviving Company (or any Affiliate thereof or successor thereto) and not through its payroll). Any applicable withholding Taxes in respect of the portion of the Expense Fund Amount borne by the Holders in respect of Company Options shall be withheld from their Cash Portion Per Company Option.

5.10 Employee Matters and Company Plans.

(a) Continuing Employees. Notwithstanding anything to the contrary set forth in this Agreement, nothing in this Agreement shall be deemed to give rise to any obligation by Parent to retain any Current Employee, any group of Current Employees of the Company Group or any Company Plan following the Closing Date. Current Employees of the Company Group who continue in employment immediately following the Effective Time (the “Continuing Employees”) who become eligible to participate in any welfare benefit plan or pension plan (intended to qualify under Section 401(a) of the Code) of Parent (each a “Parent Plan”) shall receive credit for purposes of eligibility and vesting for years of service with the Company Group prior to the Closing to the extent that such service was recognized under the corresponding Company Plan prior to the Closing; provided that such service shall not be recognized if and to the extent that it would result in the duplication of benefits or is not possible or practical under a Parent Plan. For clarity, service credit shall not be given for benefit accrual, early retirement subsidies or entitlement purposes under any Parent Plan and shall not be given for any purpose under any Parent plans or programs other than welfare benefit plans or pension plans, including any equity plans, but excluding any personal time off plans, severance plans and vacation programs.

(b) To the extent permitted by the applicable Parent Plans, Parent shall cause (i) to be waived all pre-existing condition exclusions and actively-at-work requirements and similar limitations, eligibility waiting periods and evidence of insurability requirements under any Parent Plans to the extent waived or satisfied by a Continuing Employee (or covered dependent thereof) under any Company Plan as of the Closing and (ii) any deductible, co-insurance and covered out-of-pocket expenses paid on or before the Closing by any Continuing Employee (or covered dependent thereof) to be taken into account for purposes of satisfying the corresponding deductible, coinsurance and maximum out-of-pocket provisions after the Closing under any applicable Parent Plan in the same plan year in which the Closing occurs.

(c) Company Plans. The Company Group shall cease contributions to and terminate all of the Company Plans effective immediately prior to Closing (one day prior to Closing in the case of any Company Plan intended to qualify under Section 401(a) of the Code). Any such cessation or termination shall be undertaken (i) in accordance with the governing documents and Contracts for the Company Plans (including through plan amendment) and (ii) in conformance with applicable Laws.

(d) No Limitation. This Section 5.10 is not intended to amend any benefit plans or arrangements of Parent or any of its Subsidiaries, to limit the ability of Parent or any of its Subsidiaries to amend, modify or terminate any of such benefit plans or arrangements or to confer third-party beneficiary rights on any Person (including any Current Employee or any beneficiary or dependent thereof).

5.11 No Negotiations, Etc.

(a) Except as provided in Section 5.11(a), during the Pre-Closing Period, the Company shall not, shall cause each other member of the Company Group and its Representatives not to, and shall advise the Holders and their respective Representatives (other than the Holders' Representative) not to, directly or indirectly solicit, initiate or enter into any discussions, negotiations or commitments or continue in any way any discussions or negotiations with any Person or group of Persons regarding any Competing Transaction. The Company shall promptly but not later than forty-eight (48) hours following the occurrence of the relevant event notify Parent orally and in writing if any inquiries, proposals or requests for information concerning a Competing Transaction are received by any member of the Company Group, the Holders or any of their respective Representatives (other than the Holders' Representative). The written notice shall include a summary of the material terms and conditions of such inquiry proposal or request. For the avoidance of doubt, the provisions of this Section 5.11(a) shall not prohibit the Company from securing financing in accordance with Schedule 5.1.

(b) Notwithstanding the foregoing, at any time prior to obtaining the Requisite Stockholder Approval in respect of this Agreement and the Mergers (including pursuant to the Written Consent), if the Company receives a written Company Competing Transaction Proposal from a third party and the receipt of such Company Competing Transaction Proposal was not initiated, sought, solicited, knowingly encouraged or knowingly induced or knowingly facilitated in violation of Section 5.11, then the Company may (i) contact the Person who has made such Company Competing Transaction Proposal and its Representatives in order to clarify the terms of such Company Competing Transaction Proposal so that the Company's Board of Directors (or any duly authorized committee thereof) may inform itself about such Company Competing Transaction Proposal, (ii) furnish information concerning its business, properties or assets to the Person who has made such Company Competing Transaction Proposal and its Representatives pursuant to an Acceptable Confidentiality Agreement (*provided, that*, all such information has previously been furnished to Parent or is furnished to Parent prior to or substantially concurrently with the time it is furnished to such Person) and (iii) negotiate and participate in discussions and negotiations with the Person who has made such Company Competing Transaction Proposal and its Representatives concerning such Company Competing Transaction Proposal, if, in the case of each of clauses (ii) and (iii), the Company Board (or any duly authorized committee thereof) determines in good faith (after consultation with its outside counsel and financial advisor) that such Company Competing Transaction Proposal constitutes or would reasonably be expected to lead to a Company Superior Proposal.

(c) For purposes of this Agreement,

(i) "Competing Transaction" means a transaction or a series of related transactions (other than the Transactions) providing for any (A) merger, consolidation, share exchange, business combination, recapitalization or similar transaction involving the Company or any of its Subsidiaries, pursuant to which any such Person (or the stockholders of such Person) or group would own or control, directly or indirectly, fifty percent (50%) or more of the voting power of the Company, (B) sale, lease, license, dissolution or other disposition, directly or indirectly, of assets of the Company (including the equity interests of any of its Subsidiaries) or any Subsidiary of the Company representing fifty percent (50%) or more of the consolidated assets or revenues of the Company Group, taken as a whole, as of or for the fiscal year ending, as appropriate, December 31, 2019, or to which fifty percent (50%) or more of the Company's revenues or assets on a consolidated basis are attributable, taken as a whole, as of or for the fiscal year ending, as appropriate, December 31, 2019, (C) issuance or sale or other disposition of Company capital stock representing fifty percent (50%) or more of the voting power of the Company, (D) tender offer, exchange offer or any other transaction or series of transactions in which any Person (or the stockholders of such Person) or group will acquire, directly or indirectly, beneficial ownership or the right to acquire beneficial ownership of Company capital stock representing fifty percent (50%) or more of the voting power of the Company or (E) any combination of the foregoing.

(ii) “Company Competing Transaction Proposal” means any *bona fide* written proposal or offer from any Person (other than Parent) providing for or contemplating a Competing Transaction which the Company’s Board of Directors believes in good faith (after consultation with its outside counsel and financial advisor) could represent a Company Superior Proposal.

(iii) “Company Superior Proposal” shall mean any *bona fide* written Company Competing Transaction Proposal which the Company Board determines in good faith (after consultation with its outside counsel and financial advisor) to be (i) more favorable to the Company’s stockholders from a financial point of view than the Transactions and (ii) reasonably likely to be completed on the terms proposed, in the case of each of clauses (i) and (ii), taking into account at the time of determination all relevant circumstances, including the various legal, financial and regulatory aspects of the proposal, all the terms and conditions of such proposal and this Agreement and any changes to the terms of this Agreement offered by Parent in response to such Company Competing Transaction Proposal.

5.12 Officers and Directors Insurance and Indemnification. Prior to the Closing Date, the Company shall obtain a prepaid extended reporting period or tail policy insuring the current and former officers or directors of the Company (the “D&O Indemnified Persons”) under the current program of directors’ and officers’ liability insurance maintained by the Company which shall be effective commencing with the Closing Date and ending six (6) years thereafter and which shall afford coverage for actual or alleged acts or omissions occurring at, during or prior to the Closing Date including with respect to the Transactions (including the Mergers) (the “D&O Tail Insurance”). The Company and Parent shall each bear fifty percent (50%) of the cost of such insurance coverage and the Company’s share of such cost, to the extent not paid prior to the Closing, shall be included in the determination of the Company Transaction Expenses. Parent will cause the Surviving Company to use commercially reasonable efforts to enforce the D&O Tail Insurance upon request of the D&O Indemnified Persons and will not allow the Surviving Company to cancel the D&O Tail Insurance during its term. In addition, for a period of six (6) years following the Closing Date, Parent and the Surviving Company agree to indemnify and hold harmless, reimburse, exculpate from liability, and advance expenses to all D&O Indemnified Persons to the same extent and on the same terms as such persons are entitled to indemnification, reimbursement, exculpation or expense advancement by the Company as of the Agreement Date, whether pursuant to applicable documents (including Charter Documents), individual indemnification agreements, by Law or otherwise, for acts or omissions or matters which occurred or arose at or prior to the Closing (regardless of whether any proceeding relating to any D&O Indemnified Person’s rights to indemnification, exculpation, or expense advancement with respect to any such matters, acts, or omissions is commenced before or after the Closing). Any claims for indemnification made under this Section 5.12 on or prior to the sixth (6th) anniversary of the Closing Date shall survive until the final resolution thereof. The provisions of this Section 5.12 shall be enforceable by each D&O Indemnified Person and the Surviving Company shall, and Parent shall cause the Surviving Company or its successors to, pay all costs and expenses (including reasonable attorneys’ fees) incurred by any D&O Indemnified Person (or his or her heirs, personal representatives, successors or assigns) in any legal action brought by such Person that is successful to enforce the obligations of Parent or the Surviving Company or its successors under this Section 5.12. The obligations of Parent and the Surviving Company and its successors under this Section 5.12 shall not be terminated, amended or otherwise modified in such a manner as to adversely affect any D&O Indemnified Person (or his or her heirs, personal representatives, successors or assigns) without the prior written consent of such D&O Indemnified Person (or his or her heirs, personal representatives, successors or assigns, as applicable).

5.13 Natera Litigation. Following the Closing, the Surviving Company directly and Parent indirectly shall control the Natera Litigation; provided, however, that subject to Holders' Representative executing a non-disclosure and non-use agreement in form and substance reasonably satisfactory to Parent, which non-disclosure and non-use agreement shall not prohibit the Holders' Representative from communicating any such information with the Holders who have a need to know such information, provided, that, any such recipients are subject to confidentiality obligations with respect thereto, (a) Parent shall keep Holders' Representative advised of material developments with respect to the Natera Litigation, (b) Holders' Representative may provide Parent with comments and suggestions regarding the Natera Litigation, which Parent will consider (and Parent will cause the Surviving Company to consider) in good faith, and (c) the Natera Litigation will not be settled without the consent of Holders' Representative, which consent shall not be unreasonably withheld, conditioned or delayed; and provided, further, that if at any time the Offset Right is no longer available with respect to any Losses that may arise or result from the Natera Litigation, then the foregoing proviso of this Section 5.13 (*i.e.*, including clauses (a), (b) and (c)) shall no longer apply.

5.14 Section 16 Matters. Prior to the Effective Time, Parent shall take, and shall cause Parent's Board of Directors or an appropriate committee thereof composed solely of two or more "non-employee directors" (as defined in Rule 16b-3 under the Exchange Act) to take, all such steps as may be required or as may be requested by the Company to cause acquisitions of Parent Common Stock (including derivative securities with respect to Parent Common Stock) resulting from the Reverse Merger by each director or officer of the Company as well as each other Holder who will become subject to the reporting requirements of Section 16(a) of the Exchange Act (including those Persons who may be deemed to be "directors by deputization") with respect to Parent as a result of the Reverse Merger, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

5.15 Listing. Parent shall promptly prepare and submit to the New York Stock Exchange (the "NYSE") a supplemental listing application covering the shares of Parent Common Stock issuable in the Merger, and shall use reasonable best efforts to obtain, prior to the Effective Time, approval for the listing of such Parent Common Stock, subject to official notice of issuance, and the Company shall cooperate with Parent with respect to such listing.

5.16 Parent Action. Parent shall take all actions necessary to (a) cause Merger Sub A, Merger Sub B and the Surviving Company to perform promptly their respective obligations under this Agreement and, (b) as and when applicable, cause Merger Sub A and Merger Sub B to consummate the Mergers and the other Transactions on the terms and conditions set forth in this Agreement. Promptly following the execution and delivery of this Agreement, Parent shall adopt this Agreement as the sole stockholder, as applicable, of Merger Sub A and Merger Sub B and shall promptly provide evidence of such adoption to the Company upon request.

5.17 Additions to Parent Board. In addition to the appointment of Jason Myers, the Chief Executive Officer of the Company, to Parent's Board of Directors with effect upon the Closing as contemplated by Section 6.2(h), Parent's Board of Directors will engage in confidential interviews and discussions with a second member of the Company's Board of Directors as reasonably determined by Parent's Board of Directors. Assuming the satisfaction of Parent's Board of Directors with such interviews and discussions, but subject to the discretion of Parent's Board of Directors to act in the best interests of Parent's stockholders, Parent's Board of Directors shall consider the appointment of such second individual to Parent's Board of Directors, although the effect of any such appointment would be no earlier than the Closing. Any such appointment (including as to class of Director for purposes of Parent's classified Board of Directors) would occur in compliance with Parent's Charter Documents as implemented by the determinations of Parent's Board of Directors.

5.18 Registration Statement. If requested in writing by any Consenting Stockholder(s) with respect to Parent Common Stock that is not registered pursuant to the Form S-4 Registration Statement and may not be resold under Rule 144 without regard to any volume or manner of sale restrictions, as soon as practicable following, but in any event in accordance with the timeline required by applicable Legal Requirements: (a) with respect to Parent Common Stock issued in connection with the Closing of the Transactions, the Closing Date (*provided, that*, if on such date Parent is then in a Deferral Period or Parent's insider trading policy would prohibit executive officers of the Company from trading in Parent Common Stock, such reference date will be extended until Parent is no longer in such Deferral Period or Parent's insider trading policy no longer prohibits executive officers of the Company from trading in Parent Common Stock) and (b) with respect to Parent Common Stock issued in connection with the achievement of a Milestone, the related Milestone Date (*provided, that*, if on such date Parent is then in a Deferral Period or Parent's insider trading policy would prohibit executive officers of the Company from trading in Parent Common Stock, such reference date will be extended until Parent is no longer in such Deferral Period or Parent's insider trading policy no longer prohibits executive officers of the Company from trading in Parent Common Stock), Parent will file with the SEC a registration statement on Form S-3 ASR (or if Form S-3 ASR is not available for such purpose, then on Form S-3, or if Form S-3 is not available, another appropriate form) registering the resale of the Parent Common Stock issued to the requesting Consenting Stockholders on the Closing Date or the applicable Milestone Date, as the case may be (each, a "Resale Registration Statement"), and Parent will use its commercially reasonable efforts to have the Resale Registration Statement declared effective as soon as practicable after the filing thereof. Parent's obligations to include any shares of Parent Common Stock held by any Stockholder in the Resale Registration Statement are contingent on such Consenting Stockholder furnishing in writing to Parent such information regarding such Consenting Stockholder, the securities of Parent held by such Consenting Stockholder and the intended method of disposition of such Parent Common Stock, as will be reasonably requested by Parent to effect the registration of such Parent Common Stock, and such Consenting Stockholder will execute such documents, including any questionnaires, certificates, and instruments, in connection with such registration as Parent may reasonably request that are customary of a selling stockholder in similar situations (the "Seller Documents"). Parent shall take all necessary steps to cause the Seller Documents to be delivered to the Consenting Stockholder as soon as practicable after the Form S-4 Registration Statement is declared effective under the Securities Act in order to permit their completion by the Consenting Stockholders and return to Parent prior to the anticipated filing date for the related Resale Registration Statement. At all times from and after the date on which any Resale Registration Statement is first filed with the SEC (except for any period during which Parent restricts offers and sales or other dispositions of shares of Parent Common Stock issued hereunder under the Resale Registration Statement pursuant to the immediately succeeding sentence), such Resale Registration Statement will comply as to form in all material respects with the requirements of applicable Legal Requirements and will not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein not misleading in the light of the circumstances under which they were made; *provided, that*, Parent shall not be responsible for any statements or omissions made in reliance on and in conformity with information relating to any Consenting Stockholder furnished in writing to Parent by any Consenting Stockholder specifically for inclusion in the Resale Registration Statement, any prospectus or any amendment or supplement thereto. Notwithstanding the foregoing, Parent may suspend the use of any such Resale Registration Statement if it determines in its reasonable good faith judgment that a Deferral Period shall exist following the Resale Registration Statement being declared effective by the SEC. Parent shall maintain the effectiveness of each Resale Registration Statement filed hereunder until the earlier of (i) such time as all shares of Parent Common Stock registered under such Resale Registration Statement may be resold under Rule 144 without regard to any volume or manner of sale restrictions or (ii) all such shares of Parent Common Stock shall have been previously sold. For purposes hereof, a "Deferral Period" shall refer to a period during which Parent determines in its reasonable good faith judgment (after consultation with its legal advisors) that the offer and sale or other disposition of Parent Common Stock pursuant to a Resale

Registration Statement would require public disclosure by Parent of material nonpublic information that Parent is not otherwise obligated to disclose and that the immediate disclosure of such information would be materially detrimental to Parent; *provided, that*, if Parent delays the filing of any Resale Registration Statement or suspends its use pursuant to this sentence, (A) Parent shall not register any securities for sale by Parent or for resale by any other securityholders during such delay or suspension period other than pursuant to a registration solely for the sale of securities to or by employees of Parent or a Subsidiary of Parent pursuant to equity incentive plans, (B) Parent may not suspend offers and sales or other dispositions of Parent Common Stock pursuant to this sentence for more than 30 consecutive days in any one instance or 60 days in the aggregate during any 12 month period and (B) Parent shall work in good faith and take reasonable steps to limit to the extent practicable the duration of any such delay or suspension period. In all cases, Parent shall file or permit resales under, as the case may be, such Resale Registration Statement as soon as reasonably practicable following the lapsing or expiration of the circumstances that led Parent to delay such filing or suspend its use. Parent shall provide reasonable written notice of the existence of any Deferral Period to each Consenting Stockholder whose Parent Common Stock is being registered under any Resale Registration Statement.

(b) Performance of Obligations of Company. The Company shall have performed in all material respects all covenants, agreements and obligations required to be performed by the Company under this Agreement at or prior to the Closing.

(l) 280G Stockholder Approval or Disapproval. With respect to any payments and/or benefits that may constitute “parachute payments” under Section 280G of the Code with respect to any Employees, the Company shall have submitted such parachute payments to the Company Stockholders for approval and the Company Stockholders shall have (i) approved, pursuant to the method provided for in the regulations promulgated under Section 280G of the Code, any such “parachute payments” or (ii) shall have voted upon and disapproved (or failed to approve) such “parachute payments,” and, as a consequence, such “parachute payments” shall not be paid or provided for in accordance with applicable Law.

(m) Form S-4 Registration Statement. The Form S-4 Registration Statement shall have been declared effective under the Securities Act. (n) Stockholder Approval. The Company Stockholder Approvals shall have been duly approved by (i) the Requisite Stockholder Approval and (ii) the Holders of at least 75% of the outstanding shares of Company Capital Stock. In addition, the Parent Stockholder Approvals shall have been obtained.

(a) Representations and Warranties. Each of the representations and warranties of Parent contained in ARTICLE IV (without giving effect to any “materiality”, “Parent Material Adverse Effect” or similar qualifiers) shall be accurate at and as of the Agreement Date and the Closing Date, except (i) for representations and warranties made as of a specified date, the accuracy of which will be determined only as of the specified date, and (ii) where the failure of the representations and warranties of Parent contained in ARTICLE IV to be so accurate, individually or in the aggregate, has not had a Parent Material Adverse Effect.

(c) No Material Adverse Effect. Since the Agreement Date, no Parent Material Adverse Effect shall have occurred.

(i) NYSE Listing. The shares of Parent Common Stock issuable in the Merger shall have been approved for the listing by the NYSE, subject to official notice of issuance.

ARTICLE VII TERMINATION

7.1 Termination. This Agreement may be terminated and the Transactions abandoned at any time prior to the Closing:

(a) By the mutual written consent of the Company and Parent;

(b) By either the Company or Parent, upon written notice to the other Party, if the Transactions shall not have been consummated on or before March 20, 2021, which date may be extended from time to time by mutual written consent of Parent and the Company (such date, as it may be so extended from time to time, the "Outside Date"); provided, however, that the right to terminate this Agreement under this Section 7.1(b) shall not be available to a Party whose failure to perform any of its obligations under this Agreement has been a principal cause of or directly resulted in the failure of the Transactions to occur on or before the Outside Date;

(c) By the Company or Parent, if any final and non-appealable Order or any Law has the effect of enjoining, restraining, preventing, prohibiting or making illegal the consummation of the Transactions; provided, that the right to terminate this Agreement under this Section 7.1(c) shall not be available to a party if a material breach by such party of its obligations under this Agreement has been the principal cause of or principally resulted in the issuance of such Order;

(d) By Parent, if any of the representations or warranties of the Company set forth in ARTICLE III shall not be accurate or if the Company has failed to perform any covenant or agreement on the part of the Company set forth in this Agreement (including an obligation to consummate the Closing) such that the conditions to Closing set forth in either Section 6.1(a) or Section 6.1(b) would not be satisfied and the breach or breaches causing such representations or warranties not to be accurate, or the failures to perform any covenant or agreement, as applicable, are not cured on or prior to the earlier of (i) thirty (30) days after written notice thereof is delivered to the Company and (ii) the Outside Date; provided that this provision shall not be available to Parent if Parent is then in material breach of this Agreement;

(e) By the Company, if any of the representations or warranties of Parent set forth in ARTICLE IV shall not be true and correct or if Parent, Merger Sub A or Merger Sub B has failed to perform any covenant or agreement on the part of Parent, Merger Sub A or Merger Sub B, as applicable, set forth in this Agreement (including an obligation to consummate the Closing) such that the conditions to Closing set forth in either Section 6.2(a) or Section 6.2(b) would not be satisfied and the breach or breaches causing such representations or warranties not to be accurate, or the failures to perform any covenant or agreement, as applicable, are not cured on or prior to the earlier of (i) thirty (30) days after written notice thereof is delivered to Parent and (ii) the Outside Date; provided that this provision shall not be available to the Company if the Company is then in material breach of this Agreement;

(f) By either the Company or Parent, upon written notice to the other Party, if the Parent Stockholder Meeting has concluded and the Parent Stockholder Approvals were not obtained;

(g) By Parent, upon written notice to the Company at any time, if the Written Consent executed by Company Stockholders representing the Requisite Stockholder Approval is not delivered to Parent within one (1) hour after the execution and delivery of this Agreement; or

(h) By the Company, upon written notice to the Parent, if the Parent board of directors shall have made a Parent Adverse Recommendation Change.

7.2 Effect of Termination.

(a) In the event this Agreement is terminated pursuant to Section 7.1, this Agreement shall become null and void (other than the provisions of this ARTICLE VII, Section 8.4(e) (Indemnification; Holders' Representative Losses), Section 9.13 (Governing Law) and Section 9.14 (Dispute Resolution) and any provision hereof that forms the basis for a claim of willful breach of this Agreement prior to the termination of this Agreement, and if applicable Section 7.2(c), all of which shall survive termination of this Agreement and remain in full force and effect), without further liability on the part of the Parties or any of their respective directors, officers or Affiliates other than with respect to any circumstances giving rise to the termination of this Agreement as result of a Party's willful breach of any provision of this Agreement prior to the termination of this Agreement.

(b) If (i) either Parent or the Company terminates this Agreement pursuant to Section 7.1(f) or (ii) the Company terminates this Agreement pursuant to Section 7.1(h), then Parent will pay or cause to be paid to the Company an amount in cash equal to \$30,000,000 (the "Creditable Amount"). The Creditable Amount shall be paid by wire transfer of immediately available funds to a U.S. bank account designated to Parent by the Company, which payments shall be made, in cases of qualifying terminations by Parent, concurrently with and as a condition to the effectiveness of such termination, and in cases of qualifying terminations by the Company, within three (3) Business Days following such termination.

(c) Each Party acknowledges that the agreements contained in this Section 7.2 are an integral part of the Transactions and that the Creditable Amount is not a penalty, but rather is a reasonable upfront payment toward a mutually beneficial agreement between Parent and the Company the receipt of which, to the extent representing a payment in advance (which such payment will be amortized over a time period mutually acceptable to Parent and the Company) of when amounts would otherwise be payable, is intended to compensate the Company in the circumstances in which the Creditable Amount is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision. Accordingly, if Parent fails to pay the Creditable Amount and, in order to obtain such payment, the Company commences a suit that results in a judgment against Parent for the Creditable Amount, Parent shall pay interest on the Creditable Amount from the date payment of the Creditable Amount was due to the date of actual payment at the rate equal to the prime rate published in the *Wall Street Journal* for the relevant period, together with the costs and expenses of the Company (including reasonable legal fees and expenses) in connection with such suit. In the event that the Creditable Amount is paid by Parent, then Parent may request that Parent and the Company promptly commence negotiations in good faith for a period not to exceed three months with the goal of establishing a collaboration, partnership, research and development, commercial or similar agreement of mutual benefit, with the terms thereof to be acceptable to each of Parent and the Company in its respective reasonable discretion, in which event the Creditable Amount shall be applied toward payments otherwise required from Parent under such agreement. Subject to the obligations in the preceding sentence, Parent and the Company confirm that there shall be no obligation on the part of either Parent or the Company to enter any such agreement .

ARTICLE VIII

SURVIVAL, OFFSET RIGHT AND HOLDERS' REPRESENTATIVE

8.1 Survival. All representations and warranties of the Company and Parent contained in this Agreement or in any certificate or schedule delivered hereunder shall terminate immediately upon the Closing. Notwithstanding the foregoing, claims for Intentional Fraud shall survive until the expiration of the applicable statute of limitations.

8.2 Offset Right.

(a) Subject to the limitations set forth in this ARTICLE VIII, from and after the Effective Time, the Parent Indemnified Persons shall be entitled to recover, by offset against any unissued or unearned Milestone Shares (the "Offset Right"), (x) the amount of any Losses resulting from or arising out of the following (whether or not involving a Third Party Claim) and, (y) solely with respect to clause (vii) below (*i.e.*, regarding the Natera Litigation), 50% of the Losses:

(i) any claim for Intentional Fraud;

(ii) any inaccuracy in the Allocation Schedule (other than with respect to the calculation of the items set forth in Section 2.19(a), which matters are covered in the Post-Closing Adjustment);

(iii) any appraisal rights exercised by a Holder to the extent not covered by amounts returned to Parent with respect to such Holder's Dissenting Shares pursuant to Section 2.14, and any other Action brought by a Holder or any other Person claiming rights by, through or associated with such Holder that seeks to challenge any of the Transactions (including the Mergers) based on adequacy of the consideration received by such Holder (or all Holders) or claims that any director or officer of the Company breached any fiduciary duty owed to the Company or any of the Holders in connection with the negotiation, approval, execution or performance of this Agreement or any of the Transactions (including the Mergers);

(iv) any breach of or failure to perform any covenant or agreement of (A) the Company provided for in this Agreement with respect to covenants required to be performed prior to the Closing or (B) Holders' Representative;

(v) any Eligible Post-Closing Adjustment;

(vi) any Pre-Closing Taxes, but only to the extent such Taxes were not included in the computation of the Closing Net Working Capital or Company Transaction Expenses, in each case, as finally determined pursuant to Section 2.19; and

(vii) the Natera Litigation.

(b) Limitations. For the avoidance of doubt, the Parent Indemnified Persons shall be entitled to recover 50% of the Losses in respect of the matter set forth in Section 8.2(a)(vii) (i.e., the Natera Litigation).

(c) Exclusive Remedy. Except for the equitable remedies set forth in Section 9.8 or for any claims involving Intentional Fraud against any Person who has committed Intentional Fraud, from and after the Effective Time, the rights set forth in this ARTICLE VIII shall be the sole and exclusive remedy of the Parent Indemnified Parties with respect to the subject matter of this Agreement.

8.3 Mechanics of Offset Right.

(a) Reduction of Milestone Shares. At the time the Stated Damages are finally determined pursuant to the provisions of this Section 8.3, the aggregate number of then remaining (i.e., unissued or unearned) Milestone Shares shall be reduced in an amount equal to the quotient (rounded down to the nearest whole share) of the final determined amount of Stated Damages divided by the average closing price for shares of Parent Common Stock on the New York Stock Exchange (or any other exchange which is then the primary exchange upon which shares of Parent Common Stock are traded) for the twenty (20) trading day period immediately preceding the date of the applicable Offset Certificate (the "Reduction Shares"). Any Reduction Shares shall be taken (or the distribution stayed as contemplated by Section 8.3(b), as applicable) from the first available Milestone to be achieved after delivery of the applicable Offset Certificate (and, if needed, from each next successive Milestone to thereafter be achieved until the Reduction Shares have been fully applied).

(b) Exercise of Offset Right. To exercise the Offset Right, Parent shall (on behalf of Parent or any other Parent Indemnified Persons at issue) deliver to Holders' Representative at the notice address set forth in Section 9.2 (as the same may be amended from time to time as provided therein and including all Persons to be copied on any notice to Holders' Representative), a certificate signed by Parent (an "Offset Certificate"): (a) stating in good faith that one or more of the Parent Indemnified Persons has suffered or incurred Losses which are entitled to be recovered pursuant to the Offset Right (the "Stated Damages"); and (b) specifying to the extent practicable in reasonable detail the individual items of Stated Damages and the nature of the breach or other circumstance to which each such item is related. Upon the timely delivery of an Offset Certificate stating a bona fide claim for Stated Damages, and notwithstanding any provision herein to the contrary, any distribution of Milestone Shares shall be stayed to the extent of Milestone Shares reflecting such Stated Damages (as calculated pursuant to Section 8.3(a)) as provided in Section 2.10.

(c) Perfection of Offset Right. After the expiration of a period of ten (10) Business Days following the time of delivery of an Offset Certificate to Holders' Representative, the Offset Right shall be deemed perfected as to the applicable Stated Damages and the Milestone Shares shall be reduced pursuant to Section 8.3(a) unless, prior to the expiration of such period of ten (10) Business Days, Holders' Representative objects in a written statement delivered to Parent to the claims made in the Offset Certificate, setting forth in reasonable detail the objections to the claim for Stated Damages.

(d) Objection to Offset Right. If Holders' Representative shall timely object in writing to an exercise of the Offset Right by Parent, Holders' Representative and Parent shall attempt in good faith to agree upon the rights of the respective parties with respect to each of such claims within twenty (20) Business Days after such objection. If Holders' Representative and Parent should so agree on a claim, a memorandum setting forth such agreement shall be prepared and signed by such parties, which shall include, if applicable, a statement of the reduction in Milestone Shares pursuant to Section 8.3(a).

(e) Resolution of Offset Right. If no agreement can be reached after good faith negotiation between Holders' Representative and Parent pursuant to Section 8.3(d), then either Parent or Holders' Representative may pursue dispute resolution with respect thereto pursuant to Section 9.15.

(f) Unaffected by Investigation. The Offset Right shall not be affected by any investigation conducted with respect to, or any knowledge acquired or capable of being acquired, at any time, whether before or after the execution and delivery of this Agreement or the Closing, with respect to the accuracy of or compliance with any of the representations, warranties, covenants or agreements set forth in this Agreement. The waiver of any condition based on the accuracy of any representation or warranty, or on the performance of or compliance with any covenant or agreement, shall not affect the Offset Right (including with respect to any such representation, warranty, covenant or agreement).

(g) Surviving Company. The Parties acknowledge and agree that if the Surviving Company suffers, sustains or becomes subject to or incurs any Loss, then (without limiting any of the rights of the Surviving Company as an Indemnified Person), Parent shall also be deemed, by virtue of its ownership of the equity of the Surviving Company, to suffer, sustain or become subject to or incur such Loss.

(h) Specific Element of Consideration. The Offset Right is, without limitation, (i) a specific element of the consideration that induced Parent to enter into this Agreement and to perform its obligations as contemplated hereby and (ii) intended to be fully enforceable on the terms provided in this ARTICLE VIII.

(i) Defense of Third Party Claims. In the event of a Third Party Claim for which Parent is entitled to indemnification hereunder, such Third Party Claim will not be settled without the consent of Holders' Representative, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, that this Section 8.3(i) shall not apply to any Natera Litigation (which is subject to Section 5.13).

8.4 Holders' Representative.

(a) Appointment. By virtue of approving the Merger, each Holder shall be deemed to have irrevocably nominated, constituted and appointed Holders' Representative as his, her or its attorney in fact and exclusive representative and agent with full power of substitution, to act in the name, place and stead of the Holders for all purposes in connection with this Agreement and the any agreement ancillary hereto including for purposes of executing any documents and taking any actions that Holders' Representative may, in his sole discretion, determine to be necessary, desirable or appropriate in connection with any exercise of the Offset Right. Kyle Lefkoff hereby accepts his appointment as Holders' Representative.

(b) Authority. The Holders grant to Holders' Representative full authority to: (i) execute, deliver, acknowledge, certify and file on behalf of each such Holder (in the name of any or all of the Holders or otherwise) any and all documents that Holders' Representative may, in his sole discretion, determine to be necessary, desirable or appropriate, in such forms and containing such provisions as Holders' Representative may, in his sole discretion, determine to be appropriate, in performing its duties as contemplated by this Section 8.4 and (ii) do or refrain from doing any further act or deed on behalf of the Holders which the Holders' Representative deems necessary or appropriate in his sole discretion relating to the subject matter of this Agreement. Notwithstanding the foregoing, the Holders' Representative shall have no obligation to act on behalf of the Holders, except as expressly provided herein, and for purposes of clarity, there are no obligations of the Holders' Representative in any ancillary agreement, schedule, exhibit or the Disclosure Schedule. Notwithstanding anything in any Transaction Agreement to the contrary: (a) each Parent Indemnified Person shall be entitled to deal exclusively with Holders' Representative on all matters relating to any exercise of the Offset Right; and (b) Parent, each Parent Indemnified Person, the Exchange Agent, and each Holder shall be entitled to rely conclusively (without further evidence of any kind whatsoever) on any document executed or purported to be executed on behalf of any Holder by Holders' Representative and on any other action taken or purported to be taken on behalf of any Holder by Holders' Representative as fully binding upon such Holder. A decision, act, consent or instruction of Holders' Representative, including an amendment, extension or waiver of this Agreement (or any provision hereof) pursuant to Section 9.4 or Section 9.5 shall constitute a decision of the Holders and shall be final, binding and conclusive upon the Holders and such Holders' successors as if expressly confirmed and ratified in writing by such Holder, and all defenses which may be available to any Holder to contest, negate or disaffirm the action of the Holders' Representative taken in good faith under this Agreement are waived. The Exchange Agent, Parent, Merger Sub and the Surviving Company may rely upon any such decision, act, consent or instruction of Holders' Representative as being the decision, act, consent or instruction of the Holders. The Exchange Agent, Parent, Merger Sub and the Surviving Company are hereby relieved from any liability to any Person for any acts done by them in accordance with such decision, act, consent or instruction of Holders' Representative.

(c) Power of Attorney. The powers, immunities and rights to indemnification granted to the Holders' Representative hereunder: (a) are coupled with an interest and are irrevocable; (b) may be delegated by Holders' Representative; (c) shall survive the death, incompetence, bankruptcy, dissolution or incapacity, as applicable, of each of the Holders and shall be binding on any successor thereto; and (d) shall survive the delivery of an assignment by any Holder of the whole or any fraction of his, her or its interest in any Milestone Shares or the Expense Fund Amount.

(d) Replacement. If Holders' Representative resigns or is otherwise unable to fulfill its responsibilities hereunder, the Holders shall (by consent of those Persons entitled, or who were entitled, to at least a majority of the Milestone Shares), within ten (10) days after such resignation or inability, appoint a successor to Holders' Representative reasonably satisfactory to Parent. Any such successor shall succeed Holders' Representative as Holders' Representative hereunder. If for any reason there is no Holders' Representative at any time, all references herein to Holders' Representative shall be deemed to refer to those Persons entitled, or who were entitled, to at least a majority of the Milestone Shares. The immunities and rights to indemnification shall survive the resignation or removal of the Holders' Representative and the Closing and/or any termination of this Agreement.

(e) Indemnification; Holders' Representative Losses. The Holders' Representative shall not be liable to the Holders for any action taken or omitted to be taken by such person in connection with such person's services pursuant to this Agreement or any agreements ancillary hereto, except in the case of liability directly caused by such person's willful misconduct or gross negligence. The Holders will, severally in accordance with their respective pro rata portion (calculated based on ownership of Fully Diluted Shares of Company Stock), indemnify, defend and hold harmless the Holders' Representative from and against any and all losses, liabilities, damages, claims, penalties, fines, forfeitures, actions, fees, costs and expenses (including the fees and expenses of counsel and experts and their staffs and all expense of document location, duplication and shipment) (collectively, "Holders' Representative Losses") arising out of or in connection with the Holders' Representative's execution and performance of this Agreement and any agreements ancillary hereto, in each case as such Holders' Representative Loss is suffered or incurred; provided, that in the event that any such Holders' Representative Loss is finally adjudicated to have been directly caused by the gross negligence or willful misconduct of the Holders' Representative, the Holders' Representative will reimburse the Holders the amount of such indemnified Holders' Representative Loss to the extent attributable to such gross negligence or willful misconduct. If not paid directly to the Holders' Representative by the Holders, any such Holders' Representative Losses may be recovered by the Holders' Representative from (i) the Expense Fund and (ii) any other funds that become payable to the Holders under this Agreement at such time as such amounts would otherwise be distributable to the Holders; provided, that while this section allows the Holders' Representative to be paid from the aforementioned sources of funds, this does not relieve the Holders from their obligation to promptly pay such Holders' Representative Losses as they are suffered or incurred, nor does it prevent the Holders' Representative from seeking any remedies available to it at law or otherwise. Notwithstanding anything in this Agreement to the contrary, any restrictions or limitations on liability or indemnification obligations of, or provisions limiting the recourse against non-parties otherwise applicable to, the Holders set forth elsewhere in this Agreement are not intended to be applicable to the indemnities provided to the Holders' Representative under this section.

(f) No Expenditures; Reliance on Allocation Schedule. The Holders acknowledge that the Holders' Representative shall not be required to expend or risk his own funds or otherwise incur any financial liability in the exercise or performance of any of his powers, rights, duties or privileges or pursuant to this Agreement or the transactions contemplated hereby. Furthermore, the Holders' Representative shall not be required to take any action unless the Holders' Representative has been provided with funds, security or indemnities which, in its determination, are sufficient to protect the Holders' Representative against the costs, expenses and liabilities which may be incurred by the Holders' Representative in performing such actions. The Holders' Representative shall be entitled to: (i) rely upon the Allocation Schedule, (ii) rely upon any signature believed by it to be genuine, and (iii) reasonably assume that a signatory has proper authorization to sign on behalf of the applicable Holder or other party.

(g) Expense Fund. Upon the Closing, Parent shall wire to the Holders' Representative the Expense Fund Amount. The Expense Fund Amount shall be held by the Holders' Representative in a segregated client account and shall be used (i) for the purposes of paying directly or reimbursing the Holders' Representative for any Holders' Representative Losses incurred pursuant to this Agreement, or (ii) as otherwise determined by the Holders' Representative (the "Expense Fund"). The Holders' Representative is not providing any investment supervision, recommendations or advice and shall have no responsibility or liability for any loss of principal of the Expense Fund other than as a result of his gross negligence or willful misconduct. The Holders' Representative will hold these funds separate from his corporate funds, will not use these funds for any corporate purposes and will not voluntarily make these funds available to his creditors in the event of bankruptcy. The Holders' Representative is not acting as a withholding agent or in any similar capacity in connection with the Expense Fund, and has no tax reporting or income distribution obligations. The Holders will not receive any interest or earnings on the Expense Fund and irrevocably transfer and assign to the Holders' Representative any such interest or earnings. The Holders' Representative may contribute funds to the Expense Fund from any consideration otherwise distributable to the Holders. As soon as reasonably determined by the Holders' Representative that the Expense Fund is no longer required to be withheld, the Holders' Representative shall distribute the remaining Expense Fund (if any) to the Exchange Agent and/or Parent, as applicable, for further distribution to the Holders.

ARTICLE IX
GENERAL PROVISIONS

9.1 Interpretation. The following rules shall apply to the interpretation and construction of the terms and provisions of this Agreement:

(a) Provisions.

(x) When calculating the period of time before which, within which or following which, any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded. If the last day of such period is a non-Business Day, the period in question shall end on the next succeeding Business Day.

(b) No Presumption. The Parties have participated jointly in the negotiation and drafting of this Agreement and, in the event any ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the Parties and no presumption or burden of proof shall be used to favor or disfavor any Party by virtue of the authorship of any provision of this Agreement.

9.3 Assignment and Succession. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by any Party without the written consent of the other Parties, except that Parent, Merger Sub A or Merger Sub B may, without the prior consent of any other Party, collaterally assign this Agreement to any lender; provided that no such assignment shall relieve the assigning Party of any of its obligations hereunder. Any assignment of this Agreement or any of the rights, interests or obligations hereunder not permitted under this Section 9.3 shall be null and void *ab initio*. Subject to the foregoing terms of this Section 9.3, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assigns.

9.4 Amendment or Supplement. Subject to the requirements of applicable Law, this Agreement may be amended at any time by execution of an instrument in writing identifying itself as an amendment signed, when amended prior to the Closing, by Parent, Merger Sub A, Merger Sub B and the Company and, when amended on or after the Closing, by Parent and Holders' Representative.

9.5 Waivers. No waiver of any provision of this Agreement shall be valid and binding unless it is in writing and signed by the Party against whom the waiver is to be effective. No failure on the part of any Party in exercising any right, privilege or remedy hereunder and no delay on the part of any Party in executing any right, privilege or remedy under this Agreement, shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right hereunder. No notice to or demand on a Party made hereunder shall operate as a waiver of any right of the Party giving such notice or making such demand to take further action without notice or demand as permitted hereunder.

9.6 Entire Agreement. This Agreement, including the Schedules and Exhibits hereto and the other documents referred to herein which form a part hereof, and the Transaction Agreements contain the entire understanding of the Parties with respect to the subject matter contained herein and therein. This Agreement supersedes all prior and contemporaneous, agreements, arrangements, contracts, discussions, negotiations, undertakings and understandings (whether written or oral) among the Parties with respect to such subject matter (other than the Transaction Agreements).

9.7 No Third-Party Beneficiaries. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the Parties) any right, benefit or remedy of any nature whatsoever under this Agreement, except that after the Closing, (a) Parent Indemnified Persons shall be third party beneficiaries for purposes of enforcing the rights granted herein to such Parent Indemnified Persons and (b) D&O Indemnified Persons shall be third party beneficiaries for purposes of enforcing the rights granted to such D&O Indemnified Persons in Section 5.14.

9.8 Specific Performance. The Parties agree that each Party would be irreparably harmed if any of the provisions of this Agreement are not performed in accordance with their specific terms and that any breach of this Agreement by the other Parties could not be compensated adequately by monetary damages alone. Accordingly, the Parties agree that, in addition to any other remedy to which such Party may be entitled to at Law or in equity, each Party shall be entitled to temporary, preliminary and/or permanent injunctive relief or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement (including the right to compel the other Parties to cause the Transactions to be consummated on the terms and subject to conditions set forth in this Agreement) without having to prove irreparable harm or that monetary damages would be inadequate. The Parties expressly waive any requirement under any Law that the other Parties obtain any bond or give any other undertaking in connection with any action seeking injunctive relief or specific performance of any of the provisions of this Agreement. Each Party further agrees that in the event of any action for specific performance relating to this Agreement or the Transactions, such Party shall not assert and hereby waives the defense that a remedy at Law would be adequate or that specific performance is not an appropriate remedy for any reason in Law or equity.

9.9 Severability. If a court of competent jurisdiction finds that any term or provision of the Agreement is invalid, illegal or unenforceable under any Law or public policy, the remaining provisions of the Agreement shall remain in full force and effect if the economic and legal substance of this Agreement and the Transactions shall not be affected in any manner materially adverse to any Party. Any such term or provision found to be illegal, invalid or unenforceable only in part or in degree shall remain in full force and effect to the extent not invalid, illegal or unenforceable. Upon the determination that any term or provision is invalid, illegal or unenforceable, the Parties intend that such provision shall be construed by modifying or limiting it so as to be valid and enforceable to the maximum extent possible under applicable Law and compatible with the consummation of the Transactions as originally intended.

9.10 Costs and Expenses. Except as otherwise specified herein, whether or not the Transactions are consummated, each Party shall pay all costs and expenses it has incurred in connection with this Agreement and the Transactions.

9.11 Time of Essence. The Parties acknowledge that the Outside Date specified in Section 7.1(b) is essential and therefore agree that no Party wishing to terminate this Agreement in accordance with Section 7.1(b) shall be required to extend the Outside Date to allow any other Party to satisfy any condition or perform any obligation under this Agreement.

9.12 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original copy of this Agreement and all of which, when taken together, shall constitute one instrument. The exchange of copies of this Agreement and manually executed signature pages by transmission by email of a .pdf of a handwritten original signature or signatures to the other Parties shall constitute effective execution and delivery of this Agreement and may be used in lieu of the original Agreement for all purposes. The signature of a Party transmitted by electronic means shall be deemed to be an original signature for any purpose.

9.13 Governing Law. This Agreement and all claims or causes of action (whether sounding in contract or tort) arising under or related to this Agreement shall be governed by and construed in accordance with the Laws of the State of Delaware, without regard to any rule or principle that might refer the governance or construction of this Agreement to the Laws of another jurisdiction.

9.14 Dispute Resolution.

(a) Any Action relating to this Agreement or the enforcement of any provision of this Agreement shall be brought or otherwise commenced exclusively in the Delaware Court of Chancery, and to the extent the Delaware Court of Chancery rejects jurisdiction, in any state or federal court located in the County of New Castle, State of Delaware. Each Party: (i) expressly and irrevocably consents and submits to the exclusive jurisdiction in the Delaware Court of Chancery, and to the extent the Delaware Court of Chancery rejects jurisdiction, each state and federal court located in the County of New Castle, State of Delaware (and each appellate court located in the County of New Castle, State of Delaware) in connection with any such Action; (ii) agrees that the Delaware Court of Chancery and each state and federal court located in the County of New Castle, State of Delaware shall be deemed to be a convenient forum; and (iii) agrees not to assert (by way of motion, as a defense or otherwise), in any such Action commenced in the Delaware Court of Chancery or any state or federal court located in the County of New Castle, State of Delaware, any claim that such party is not subject personally to the jurisdiction of such court, that such Action has been brought in an inconvenient forum, that the venue of such Action is improper or that this Agreement or the subject matter of this Agreement may not be enforced in or by such court.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS SECTION 9.14 IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO TRIAL BY JURY IN ANY SUCH LEGAL PROCEEDING. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF A LEGAL PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (IV) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THE AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.14.

9.15 Non-Recourse. All claims, obligations, liabilities, or causes of action (whether at Law, in equity, in contract, in tort or otherwise) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution or performance of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and such representations and warranties are those solely of) the Persons that are expressly identified as Parties (the "Contracting Parties"). No Person who is not a Contracting Party, including any current, former or future equityholder, incorporator, controlling person, Affiliate, assignee or Representative of, and any financial advisor, financing source or lender to, any Contracting Party, or any current, former or future equityholder, incorporator, controlling person, Affiliate, assignee or Representative of, and any financial advisor, financing source or lender to, any of the foregoing or any of their respective successors, predecessors or assigns (or any successors, predecessors or assigns of the foregoing) (collectively, the "Non-Party Affiliates"), shall have any liability (whether in Law or in equity, whether in contract or in tort or otherwise) for any claims, causes of action, or Liabilities arising under, out of, in connection with, or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or its negotiation, execution, performance or breach, and, to the maximum extent permitted by Law, each Contracting Party hereby waives and releases all claims, causes of action or Liabilities arising under, out of, in connection with or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or its negotiation, execution, performance or breach against any such Non-Party Affiliates. Without limiting the foregoing, to the maximum extent permitted by Law, (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available, whether at Law, in equity, in contract, in tort or otherwise, to avoid or disregard the entity form of a Contracting Party or otherwise impose liability of a Contracting Party on any Non-Party Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization or otherwise, in each case arising under, out of, in connection with or related in any manner to this Agreement or based on, in respect of or by reason of this Agreement or its negotiation, execution, performance or breach; and (b) each Contracting Party disclaims any reliance upon any Non-Party Affiliates with respect to the performance of this Agreement or any representation or warranty made in, in connection with or as an inducement to this Agreement. Notwithstanding anything in the Agreement to the contrary, this Section 9.15 shall not apply to Section 8.4, which shall be enforceable by the Holders' Representative in its entirety against the Holders.

9.16 Waiver of Conflict of Interest: Privileged Communications.

(a) Each Party acknowledges and agrees that Cooley LLP (the “Firm”) has acted as counsel to the Company Group in various matters involving a range of issues and as counsel to the Company in connection with the negotiation of this Agreement and consummation of the Transactions.

(b) In connection with any matter or dispute under this Agreement, Parent hereby irrevocably waives and agrees not to assert, and agrees to cause the Company Group following the Closing to irrevocably waive and not to assert, any conflict of interest arising from or in connection with (i) the Firm’s prior representation of the Company Group and (ii) the Firm’s representation of the Holders’ Representative and/or any of the Holders (collectively, the “Seller Parties”) prior to and after the Closing.

(c) Parent further agrees, on behalf of itself, and, after the Closing, on behalf of the Company Group, that all communications in any form or format whatsoever between or among any of the Firm, any of the Company Group, any of the Seller Parties, or any of their respective Representatives that relate in any way to the negotiation, documentation and consummation of the Transactions or, beginning on the date of this Agreement, any dispute arising under this Agreement (collectively, the “Deal Communications”) shall be deemed to be retained and owned collectively by the Seller Parties, shall be controlled by the Holders’ Representative on behalf of the Holders and shall not pass to or be claimed by Parent, or, following the Closing, the Company Group. All Deal Communications that are attorney-client privileged (the “Privileged Deal Communications”) shall remain privileged after the Closing and the privilege and the expectation of client confidence relating thereto shall belong solely to the Holders’ Representative and the Holders, shall be controlled by the Holders’ Representative on behalf of the Holders and shall not pass to or be claimed by any of Parent, or, following the Closing, the Company Group; *provided, that*, nothing contained herein shall be deemed to be a waiver by any of Parent or any of its Affiliates (including, after the Closing, the Company Group and their respective Affiliates) of any applicable privileges or protections that can or may be asserted to prevent disclosure of any such communications to any third party.

(d) Notwithstanding the foregoing, in the event that a dispute arises between Parent or, after the Closing, the Company Group, on the one hand, and a third party other than a Seller Party, on the other hand, Parent or, following the Closing, the Company Group may assert the attorney-client privilege to prevent the disclosure of the Privileged Deal Communications to such third party; *provided, however*, that neither Parent nor, following the Closing, the Company Group may waive such privilege without the prior written consent of the Holders’ Representative. In the event that Parent or, following the Closing, any member of the Company Group is legally required by Order or otherwise to access or obtain a copy of all or a portion of the Privileged Deal Communications, Parent shall immediately (and, in any event, within two Business Days) notify the Holders’ Representative in writing (including by making specific reference to this Section 9.16(d)) so that the Holders’ Representative may seek a protective order and Parent agrees to use all commercially reasonable efforts to assist therewith.

(e) To the extent that files or other materials maintained by the Firm constitute property of its clients, only the Holders’ Representative and the Holders shall hold such property rights, and the Firm shall have no duty to reveal or disclose any such files or other materials or any Privileged Deal Communications by reason of any attorney-client relationship between the Firm, on the one hand, and the Company Group, on the other hand so long as such files or other materials would be subject to a privilege or protection if they were being requested in an Action by an unrelated third party.

4.1 Organization, Good Standing and Qualification. The Company is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation and has all requisite corporate power and authority to carry on its business as now conducted and to own or lease its properties. The Company is duly qualified to do business as a foreign corporation and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property makes such qualification or leasing necessary unless the failure to so qualify has not had and would not reasonably be expected to have a Material Adverse Effect. The subsidiaries listed in Exhibit 21 to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2019 or otherwise described in the SEC Filings are the only subsidiaries of the Company and each is wholly-owned by the Company. Each of the Company's subsidiaries is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation and has all requisite power and authority to carry on its business as now conducted and to own or lease its properties. Each of the Company's subsidiaries is duly qualified to do business as a foreign corporation and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property makes such qualification or leasing necessary unless the failure to so qualify has not had and would not reasonably be expected to have a Material Adverse Effect. All of the issued and outstanding capital stock of the Company's subsidiaries has been duly authorized and validly issued, is fully paid and nonassessable and is owned by the Company free and clear of any security interest, mortgage, pledge, lien, encumbrance or adverse claim.

4.2 Authorization. The Company has the requisite corporate power and authority and has taken all requisite corporate action necessary for, and no further action on the part of the Company, its officers, directors and stockholders is necessary for, (i) the authorization, execution and delivery of the Transaction Documents, the Commitment Letter and the Merger Agreement, (ii) the authorization of the performance of all obligations of the Company hereunder or thereunder, including the consummation of the transactions contemplated hereby and thereby (other than the stockholder approvals contemplated by the Merger Agreement), and (iii) the authorization, issuance and delivery of the Shares. The Transaction Documents, the Commitment Letter and the Merger Agreement constitute the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability, relating to or affecting creditors' rights generally and to general equitable principles.

4.3 Capitalization. The Company is authorized under its Certificate of Incorporation to issue 400,000,000 shares of Common Stock and 20,000,000 shares of preferred stock. All of the issued and outstanding shares of the Company's capital stock have been duly authorized and validly issued and are fully paid and nonassessable; none of such shares were issued in violation of any pre-emptive rights; and such shares were issued in compliance in all material respects with applicable state and federal securities law and any rights of third parties. No Person is entitled to pre-emptive or similar statutory or contractual rights with respect to the issuance by the Company of any securities of the Company, including, without limitation, the Shares. There are no outstanding warrants, options, convertible securities or other rights, agreements or arrangements of any character under which the Company is or may be obligated to issue any equity securities of any kind, except as contemplated by (a) this Agreement, (b) the Merger Agreement and (c) the Commitment Letter. Except for the Registration Rights Agreement and the registration rights agreements disclosed in the SEC Filings, there are no voting agreements, buy-sell agreements, option or right of first purchase agreements or other agreements of any kind among the Company and any of the securityholders of the Company relating to the securities of the Company held by them. Except as provided in the Registration Rights Agreement and the registration rights agreements disclosed in the SEC Filings, no Person has the right to require the Company to register any securities of the Company under the 1933 Act, whether on a demand basis or in connection with the registration of securities of the Company for its own account or for the account of any other Person.

The issuance and sale of the Shares will not obligate the Company to issue shares of Common Stock or other securities to any other Person (other than the Investors) and will not result in the adjustment of the exercise, conversion, exchange or reset price of any outstanding security.

The Company does not have outstanding stockholder purchase rights or “poison pill” or any similar arrangement in effect giving any Person the right to purchase any equity interest in the Company upon the occurrence of certain events.

4.4 Valid Issuance. The Shares have been duly and validly authorized and, when issued and paid for pursuant to this Agreement, will be validly issued, fully paid and nonassessable, and shall be free and clear of all encumbrances and restrictions (other than those created by the Investors), except for restrictions on transfer set forth in the Transaction Documents or imposed by applicable securities laws.

4.5 Consents. The execution, delivery and performance by the Company of the Transaction Documents and the offer, issuance and sale of the Shares require no consent of, action by or in respect of, or filing with, any Person, governmental body, agency, or official other than (a) filings that have been made pursuant to applicable state securities laws, (b) post-sale filings pursuant to applicable state and federal securities laws, (c) filings pursuant to the rules and regulations of NYSE, (d) filing of the registration statement required to be filed by the Registration Rights Agreement, (e) stockholder approvals to be obtained as contemplated by the Merger Agreement, and (f) the filing of a Current Report on Form 8-K as contemplated hereby, each of which the Company has filed or undertakes to file or obtain within the applicable time. Subject to the accuracy of the representations and warranties of each Investor set forth in Section 5 hereof, the Company has taken all action necessary to exempt (i) the issuance and sale of the Shares and (ii) the other transactions contemplated by the Transaction Documents from the provisions of any stockholder rights plan or other “poison pill” arrangement, any anti-takeover, business combination or control share law or statute binding on the Company or to which the Company or any of its assets and properties is subject that is or could reasonably be expected to become applicable to the Investors as a result of the transactions contemplated hereby, including without limitation, the issuance of the Shares and the ownership, disposition or voting of the Shares by the Investors or the exercise of any right granted to the Investors pursuant to this Agreement or the other Transaction Documents.

4.6 No Material Adverse Change. Since March 31, 2020, except as described in the SEC Filings, there has not been:

- (i) any change in the consolidated assets, liabilities, financial condition or operating results of the Company from that reflected in the financial statements included in the Company’s Quarterly Report on Form 10-Q for the quarter ended March 31, 2020, except for changes in the ordinary course of business which have not had and would not reasonably be expected to have a Material Adverse Effect, individually or in the aggregate;

The Company has filed all reports, schedules, forms, statements and other documents required to be filed by the Company under the 1934 Act, including pursuant to Section 13(a) or 15(d) thereof, for the one year preceding the date hereof (or such shorter period as the Company was required by law or regulation to file such material). At the time of filing thereof, such filings complied in all material respects with the requirements of the 1934 Act and the rules and regulations of the SEC thereunder and did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

4.15 Legal Proceedings. There are no legal, governmental or regulatory investigations, actions, suits or proceedings pending to which the Company or its subsidiaries is or may reasonably be expected to become a party or to which any property of the Company or its subsidiaries is or may reasonably be expected to become the subject that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

4.16 Financial Statements. The financial statements included in each SEC Filing comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing (or to the extent corrected by a subsequent restatement) and present fairly, in all material respects, the consolidated financial position of the Company as of the dates presented and its consolidated results of operations and cash flows for the periods presented, subject in the case of unaudited financial statements to normal, year-end audit adjustments, and such consolidated financial statements have been prepared in conformity with United States generally accepted accounting principles applied on a consistent basis during the periods involved ("GAAP") (except as may be disclosed therein or in the notes thereto, and except that the

unaudited financial statements may not contain all footnotes required by GAAP, and, in the case of quarterly financial statements, except as permitted by Form 10-Q under the 1934 Act). Except as set forth in the financial statements of the Company included in the SEC Filings filed prior to the date hereof, the Company has not incurred any liabilities, contingent or otherwise, except those incurred in the ordinary course of business, consistent (as to amount and nature) with past practices since the date of such financial statements, none of which, individually or in the aggregate, have had or would reasonably be expected to have a Material Adverse Effect.

4.17 Insurance Coverage. The Company maintains in full force and effect insurance coverage that is customary for comparably situated companies for the business being conducted and properties owned or leased by the Company, and the Company reasonably believes such insurance coverage to be adequate against all liabilities, claims and risks against which it is customary for comparably situated companies to insure.

4.18 Compliance with NYSE Continued Listing Requirements. The Company is in compliance with applicable NYSE continued listing requirements. There are no proceedings pending or, to the Company's Knowledge, threatened against the Company relating to the continued listing of the Common Stock on NYSE and the Company has not received any notice of, nor to the Company's Knowledge is there any reasonable basis for, the delisting of the Common Stock from NYSE.

4.19 Brokers and Finders. Other than the Placement Agents, no Person will have, as a result of the transactions contemplated by the Transaction Documents, any valid right, interest or claim against or upon the Company or an Investor for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of the Company. No Investor shall have any obligation with respect to any fees, or with respect to any claims made by or on behalf of other Persons for fees, in each case of the type contemplated by this Section 4.19 that may be due in connection with the transactions contemplated by this Agreement or the Transaction Documents.

4.20 No Directed Selling Efforts or General Solicitation. Neither the Company nor any Person acting on its behalf has conducted any general solicitation or general advertising (as those terms are used in Regulation D) in connection with the offer or sale of any of the Shares.

4.21 No Integrated Offering. Neither the Company nor its subsidiaries nor any Person acting on their behalf has, directly or indirectly, made any offers or sales of any Company security or solicited any offers to buy any Company security, under circumstances that would adversely affect reliance by the Company on Section 4(a)(2) for the exemption from registration for the transactions contemplated hereby or would require registration of the Shares under the 1933 Act.

4.22 Private Placement. Assuming the accuracy of the representations and warranties of the Investors set forth in Section 5, the offer and sale of the Shares to the Investors as contemplated hereby is exempt from the registration requirements of the 1933 Act. At the time of issuance, the issuance and sale of the Shares will not contravene the rules and regulations of NYSE.

4.23 Questionable Payments. Neither the Company nor its subsidiaries nor, to the Company's Knowledge, any of their current or former directors, officers, employees, agents or other Persons acting on behalf of the Company or its subsidiaries, has on behalf of the Company or its subsidiaries in connection with its business: (a) used any corporate funds for unlawful contributions, gifts, entertainment or other unlawful expenses relating to political activity; (b) made any direct or indirect unlawful payments to any governmental officials or employees from corporate funds; (c) established or maintained any unlawful or unrecorded fund of corporate monies or other assets which is in violation of law; (d) made any false or fictitious entries on the books and records of the Company; or (e) made any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment of any nature.

4.24 Transactions with Affiliates. None of the executive officers or directors of the Company and, to the Company's Knowledge, none of the employees of the Company is presently a party to any transaction with the Company (other than as holders of equity awards, and for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the Company's Knowledge, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner.

4.25 Internal Controls. The Company has established and maintains disclosure controls and procedures (as defined in Rules 13a-15 and 15d-15 under the 1934 Act), which are designed to ensure that material information relating to the Company, including its subsidiaries, is made known to the Company's principal executive officer and its principal financial officer by others within those entities. Since the end of the Company's most recent audited fiscal year, there have been no significant deficiencies or material weaknesses in the Company's internal control over financial reporting (whether or not remediated) and no change in the Company's internal control over financial reporting that has materially affected, or would reasonably be expected to materially affect, the Company's internal control over financial reporting. The Company is not aware of any change in its internal controls over financial reporting that has occurred during its most recent fiscal quarter that has materially affected, or would reasonably be expected to materially affect, the Company's internal control over financial reporting.

4.26 Disclosures. Neither the Company nor any Person acting on its behalf has provided the Investors or their agents or counsel with any information with respect to the transactions contemplated hereby that constitutes or would reasonably be expected to constitute material, non-public information concerning the Company or its subsidiaries, other than with respect to the transactions contemplated hereby and as described on the Disclosure Schedule, which will be disclosed in the Press Release (as defined below). The SEC Filings and the slide presentation presented to the Investors by the Company in connection with the offer and sale of the Shares, when considered together, do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading. The Company understands and confirms that the Investors will rely on the foregoing representations in effecting transactions in securities of the Company.

4.27 Required Filings. Except for the transactions contemplated by this Agreement, including the acquisition of the Shares contemplated hereby, no event or circumstance has occurred or information exists with respect to the Company or its business, properties, operations or financial condition, which, under applicable law, rule or regulation, requires public disclosure or announcement by the Company but which has not been so publicly announced or disclosed (assuming for this purpose that the SEC Filings are being incorporated by reference into an effective registration statement filed by the Company under the 1933 Act).

4.28 Investment Company. The Company is not required to be registered as, and is not an Affiliate of, and immediately following the Closing will not be required to register as, an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

4.29 Manipulation of Price. The Company has not, and, to the Company's Knowledge, no Person acting on its behalf has taken, directly or indirectly, any action designed to cause or to result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any of the Shares.

4.30 Anti-Bribery and Anti-Money Laundering Laws. Each of the Company, its subsidiaries and any of their respective officers, directors, supervisors, managers, agents, or employees, are and have at all times been in compliance with and its participation in the offering will not violate: (A) anti-bribery laws, including but not limited to, any applicable law, rule, or regulation of any locality, including but not limited to any law, rule, or regulation promulgated to implement the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions, signed December 17, 1997, including the U.S. Foreign Corrupt Practices Act of 1977, as amended, the U.K. Bribery Act 2010, or any other law, rule or regulation of similar purposes and scope or (B) anti-money laundering laws, including but not limited to, applicable federal, state, international, foreign or other laws, regulations or government guidance regarding anti-money laundering, including, without limitation, Title 18 U.S. Code section 1956 and 1957, the Patriot Act, the Bank Secrecy Act, and international anti-money laundering principles or procedures by an intergovernmental group or organization, such as the Financial Action Task Force on Money Laundering, of which the United States is a member and with which designation the United States representative to the group or organization continues to concur, all as amended, and any executive order, directive, or regulation pursuant to the authority of any of the foregoing, or any orders or licenses issued thereunder.

4.31 Compliance. The Company is not (i) in default under or in violation of (and no event has occurred that has not been waived that, with notice or lapse of time or both, would result in a default by the Company under), nor has the Company received written notice of a claim that it is in default under or that it is in violation of, any indenture, loan or credit agreement or any other agreement or instrument to which it is a party or by which it or any of its properties is bound (whether or not such default or violation has been waived), (ii) in violation of any judgment, decree or order of any court, arbitrator or governmental body specifically naming the Company or (iii) in violation of any statute, rule, ordinance or regulation of any governmental authority, including without limitation all foreign, federal, state and local laws relating to taxes, environmental protection, occupational health and safety, product quality and safety and employment and labor matters, except in each case as would not have or reasonably be expected to result in a Material Adverse Effect.

4.32 No Bad Actors. No “bad actor” disqualifying event described in Rule 506(d)(1)(i)-(viii) of the 1933 Act (a “Disqualification Event”) is applicable to the Company or, to the Company’s knowledge, any Company Covered Person, except (i) for a Disqualification Event as to which Rule 506(d)(2)(ii—iv) or (d)(3) is applicable and (ii) no such representation is made with respect to the Placement Agents, or any of their respective general partners, managing members, directors, executive officers or other officers.

4.33 Sufficient Proceeds. The cash proceeds to be received by the Company upon the closing of the transactions contemplated by the Commitment Letter, when taken together with (i) the net cash proceeds to be received by the Company pursuant to the terms hereof and (ii) the cash currently reflected on the Company’s most recent balance sheet, are sufficient to satisfy the cash component of the total consideration required to be paid by the Company to the stockholders of Archer pursuant to the terms of the Merger Agreement.

4.34 Merger Agreement. The Company has no reason to believe that the representations and warranties of Archer contained in the Merger Agreement are untrue in any material respect.

5. Representations and Warranties of the Investors

Each of the Investors hereby severally, and not jointly, represents and warrants to the Company that:

5.1 Organization and Existence. Such Investor is a validly existing corporation, limited partnership or limited liability company and has all requisite corporate, partnership or limited liability company power and authority to enter into and consummate the transactions contemplated by the Transaction Documents and to carry out its obligations hereunder and thereunder, and to invest in the Shares pursuant to this Agreement.

5.2 Authorization. The execution, delivery and performance by such Investor of the Transaction Documents to which such Investor is a party have been duly authorized and each has been duly executed and when delivered will constitute the valid and legally binding and irrevocable obligation of such Investor, enforceable against such Investor in accordance with their respective terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability, relating to or affecting creditors’ rights generally and to general equitable principles.

5.3 Purchase Entirely for Own Account. The Shares to be received by such Investor hereunder will be acquired for such Investor’s own account, not as nominee or agent, and not with a view to the resale or distribution of any part thereof in violation of the 1933 Act, and such Investor has no present intention of selling, granting any participation in, or otherwise distributing the same in violation of the 1933 Act, without prejudice, however, to such Investor’s right at all times to sell or otherwise dispose of all or any part of such Shares in compliance with applicable federal and state securities laws. Nothing contained herein shall be deemed a representation or warranty by such Investor to hold the Shares for any period of time. Such Investor is not a broker-dealer registered with the SEC under the 1934 Act or an entity engaged in a business that would require it to be so registered.

5.4 Investment Experience. Such Investor acknowledges that it can bear the economic risk and complete loss of its investment in the Shares and has such knowledge and experience in financial or business matters that it is capable of evaluating the merits and risks of the investment contemplated hereby.

5.5 Disclosure of Information. Such Investor has had an opportunity to receive, review and understand all information related to the Company requested by it and to ask questions of and receive answers from the Company regarding the Company, its business and the terms and conditions of the offering of the Shares, and has conducted and completed its own independent due diligence. Such Investor acknowledges that copies of the SEC Filings are available on the EDGAR system. Based on the information such Investor has deemed appropriate, and without reliance upon any Placement Agents, it has independently made its own analysis and decision to enter into the Transaction Documents. Such Investor is relying exclusively on its own sources of information, investment analysis and due diligence (including professional advice it deems appropriate) with respect to the execution, delivery and performance of the Transaction Documents, the Shares and the business, condition (financial and otherwise), management, operations, properties and prospects of the Company, including but not limited to all business, legal, regulatory, accounting, credit and tax matters. Neither such inquiries nor any other due diligence investigation conducted by such Investor shall modify, limit or otherwise affect such Investor's right to rely on the Company's representations and warranties contained in this Agreement.

5.6 Restricted Securities. Such Investor understands that the Shares are characterized as "restricted securities" under the U.S. federal securities laws inasmuch as they are being acquired from the Company in a transaction not involving a public offering and that under such laws and applicable regulations such securities may be resold without registration under the 1933 Act only pursuant to exemptions from the registration requirements thereof.

5.7 Legends. It is understood that, except as provided below, certificates or book-entry positions evidencing the Shares may bear the following or any similar legend:

(a) "The securities represented hereby have not been registered with the Securities and Exchange Commission or the securities commission of any state in reliance upon an exemption from registration under the Securities Act of 1933, as amended, and, accordingly, may not be transferred unless (i) such securities have been registered for sale pursuant to the Securities Act of 1933, as amended, (ii) such securities may be sold pursuant to Rule 144, or (iii) the Company has received an opinion of counsel reasonably satisfactory to it that such transfer may lawfully be made without registration under the Securities Act of 1933, as amended."

(b) If required by the authorities of any state in connection with the issuance of sale of the Shares, the legend required by such state authority.

5.8 Accredited Investor. Such Investor is an (a) "accredited investor" within the meaning of Rule 501(a) (1), (2), (3) or (7) under the 1933 Act and (b) an "Institutional Account" as defined in FINRA Rule 4512(c). Such Investor has executed and delivered to the Company a questionnaire in substantially the form attached hereto as Exhibit C (the "Investor Questionnaire"), which such Investor represents and warrants is true, correct and complete. Such Investor is a sophisticated institutional investor with sufficient knowledge and experience in investing in private equity transactions to properly evaluate the risks and merits of its purchase of the Shares.

5.9 Placement Agents. Such Investor hereby acknowledges and agrees that (a) each of the Placement Agents is acting solely as placement agent in connection with the execution, delivery and performance of the Transaction Documents and is not acting as an underwriter or in any other capacity in connection therewith and is not and shall not be construed as a fiduciary for such Investor, the Company or any other person or entity in connection with the execution, delivery and performance of the Transaction Documents, (b) no Placement Agent has made or will make any representation or warranty, whether express or implied, of any kind or character, to such Investor or has provided any advice or recommendation to such Investor in connection with the execution, delivery and performance of the Transaction Documents, (c) no Placement Agent will have any responsibility with respect to (i) any representations, warranties or agreements made by any person or entity under or in connection with the execution, delivery and performance of the Transaction Documents, or the execution, legality, validity or

enforceability (with respect to any person) thereof, or (ii) the business, affairs, financial condition, operations, properties or prospects of, or any other matter concerning the Company, and (d) no Placement Agent will have any liability or obligation (including without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by such Investor, the Company or any other person or entity), whether in contract, tort or otherwise, to such Investor, or to any person claiming through it, in respect of the execution, delivery and performance of the Transaction Documents.

5.10 No General Solicitation. Such Investor did not learn of the investment in the Shares as a result of any general solicitation or general advertising.

5.11 Brokers and Finders. No Person will have, as a result of the transactions contemplated by the Transaction Documents, any valid right, interest or claim against or upon the Company or an Investor for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of such Investor.

5.12 Short Sales and Confidentiality. Other than consummating the transactions contemplated hereunder, such Investor has not, nor has any Person acting on behalf of or pursuant to any understanding with such Investor, directly or indirectly executed any purchases or sales, including Short Sales, of the securities of the Company or of any other entity on the basis of confidential information provided by the Company or a Placement Agent to such Investor transaction (including the existence and terms of this transaction and other non-public information), (the "Confidential Information") during the period commencing as of the time that such Investor was first contacted by the Company, a Placement Agent or any other Person regarding the transactions contemplated hereby and ending immediately prior to the date hereof. Notwithstanding the foregoing, in the case of an Investor that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Investor's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Investor's assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Shares covered by this Agreement. Subject to Section 9.7, other than to other Persons party to this Agreement and to such Investor's legal counsel, such Investor has maintained and will continue to maintain the confidentiality of the Confidential Information, and such Investor agrees that it will not use any Confidential Information in violation of applicable securities laws.

5.13 No Government Recommendation or Approval. Such Investor understands that no United States federal or state agency, or similar agency of any other country, has reviewed, approved, passed upon, or made any recommendation or endorsement of the Company or the purchase of the Shares.

5.14 No Intent to Effect a Change of Control. Such Investor has no present intent to effect a "change of control" of the Company as such term is understood under the rules promulgated pursuant to Section 13(d) of the 1934 Act.

5.15 No Rule 506 Disqualifying Activities. Such Investor has not taken any of the actions set forth in, and is not subject to, the disqualification provisions of Rule 506 (d)(1) of the 1933 Act.

5.16 Residency. Such Investor's office in which its investment decision with respect to the Shares was made is located at the address immediately below such Investor's name on its signature page hereto.

5.17 No Conflicts. The execution, delivery and performance by such Investor of the Transaction Documents and the consummation by such Investor of the transactions contemplated hereby and thereby will not (i) result in a violation of the organizational documents of such Investor or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Investor is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws) applicable to such Investor, except in the case of clauses (ii) and (iii) above, for such conflicts, defaults, rights or violations which would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of such Investor to perform its obligations hereunder.

6. Conditions to Closing.

6.1 Mutual Conditions. The obligation of each Investor to purchase Shares at the Closing and the obligation of the Company to sell and issue the Shares at the Closing is subject to the fulfillment, on or prior to the Closing Date, of the following conditions (any of which may be waived by a party (as to itself only) to the extent permitted by applicable law):

(a) No judgment, writ, order, injunction, award or decree of or by any court, or judge, justice or magistrate, including any bankruptcy court or judge, or any order of or by any governmental authority, shall have been issued, and no action or proceeding shall have been instituted by any governmental authority, enjoining or preventing the consummation of the transactions contemplated hereby or in the other Transaction Documents.

(b) No stop order or suspension of trading shall have been imposed by NYSE, the SEC or any other governmental or regulatory body with respect to public trading in the Common Stock.

(c) The closing of the Merger shall be or has been consummated substantially concurrently with the Closing.

6.2 Conditions to the Investors' Obligations. The obligation of each Investor to purchase Shares at the Closing is subject to the fulfillment to such Investor's satisfaction, on or prior to the Closing Date, of the following conditions, any of which may be waived by such Investor (as to itself only):

(a) The representations and warranties made by the Company in Section 4 hereof shall be true and correct in all material respects as of the date hereof and as of the Closing Date, except where the failure of the representations and warranties to be so true and correct, individually or in the aggregate, would not be reasonably expected to have a Material Adverse Effect.

(b) The Company shall have performed in all material respects all obligations and covenants herein required to be performed by it on or prior to the Closing Date.

(c) The Company shall have filed with NYSE a Supplemental Listing Application for the listing of the Shares, and NYSE shall have raised no objection to the consummation of the transactions contemplated by the Transaction Documents.

6.3 Conditions to Obligations of the Company. The Company's obligation to sell and issue the Shares at the Closing is subject to the fulfillment to the satisfaction of the Company on or prior to the Closing Date of the following conditions, any of which may be waived by the Company:

(a) The representations and warranties made by the Investors in Section 5 hereof shall be true and correct as of the date hereof and on the Closing Date with the same force and effect as if they had been made on and as of said date.

(b) The Investors shall have performed in all material respects all obligations and covenants herein required to be performed by them on or prior to the Closing Date.

(c) Any Investor purchasing Shares at the Closing shall have paid in full its purchase price to the Company.

6.4 Termination of Obligations to Effect Closing: Effects.

(a) The obligations of the Company, on the one hand, and the Investors, on the other hand, to effect the Closing shall terminate as follows:

(i) Upon the mutual written consent of the Company and Investors that agreed to purchase a majority of the Shares to be issued and sold pursuant to this Agreement;

(ii) By the Company if any of the conditions set forth in Section 6.3 shall have become incapable of fulfillment, and shall not have been waived by the Company;

(iii) By an Investor (with respect to itself only) if any of the conditions set forth in Section 6.2 shall have become incapable of fulfillment, and shall not have been waived by the Investor;

(iv) Upon the termination of the Merger Agreement in accordance with its terms;

(v) By either the Company or any Investor (with respect to itself only) if the Closing has not occurred on or prior to the Outside Date (as defined in the Merger Agreement and as may be extended as described therein); or

(vi) By either the Company or any Investor (with respect to itself only) if the condition set forth in Section 6.1(a) or Section 6.1(b) shall have become incapable of fulfillment, and shall not have been waived by the Company and the Investor;

provided, however, that, except in the case of clauses (ii) or (iii) above, the party seeking to terminate its obligation to effect the Closing shall not then be in breach of any of its representations, warranties, covenants or agreements contained in this Agreement or the other Transaction Documents if such breach has resulted in the circumstances giving rise to such party's seeking to terminate its obligation to effect the Closing.

(b) In the event of termination by the Company or any Investor of its obligations to effect the Closing pursuant to this Section 6.4, written notice thereof shall be given to the other Investors by the Company and the other Investors shall have the right to terminate their obligations to effect the Closing upon written notice to the Company and the other Investors. Nothing in this Section 6.4 shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement or the other Transaction Documents or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement or the other Transaction Documents.

7. Covenants and Agreements of the Company

7.1 No Conflicting Agreements. The Company will not take any action, enter into any agreement or make any commitment that would conflict or interfere in any material respect with the Company's obligations to the Investors under the Transaction Documents.

7.2 NYSE Listing. The Company will use commercially reasonable efforts to continue the listing and trading of its Common Stock on NYSE and, in accordance therewith, will use commercially reasonable efforts to comply in all material respects with the Company's reporting, filing and other obligations under the bylaws or rules of such market or exchange, as applicable.

7.3 Termination of Covenants. The provisions of Sections 7.1 and 7.2 shall terminate and be of no further force and effect on the date on which the Company's obligations under the Registration Rights Agreement to register or maintain the effectiveness of any registration covering the Registrable Securities (as such term is defined in the Registration Rights Agreement) shall terminate.

7.4 Removal of Legends.

(a) In connection with any sale, assignment, transfer or other disposition of the Shares by an Investor pursuant to Rule 144 or pursuant to any other exemption under the 1933 Act such that the purchaser acquires freely tradable shares and upon compliance by the Investor with the requirements of this Agreement, if requested by the Investor, the Company shall cause the transfer agent for the Common Stock (the “Transfer Agent”) to remove any restrictive legends related to the book entry account holding such Shares and make a new, unlegended entry for such book entry Shares sold or disposed of without restrictive legends, provided that the Company has received from the Investor customary representations and other documentation reasonably acceptable to the Company in connection therewith. Subject to receipt from the Investor by the Company and the Transfer Agent of customary representations and other documentation reasonably acceptable to the Company and the Transfer Agent in connection therewith, upon the earliest of such time as the Shares (i) have been sold or transferred pursuant to an effective registration statement, (ii) have been sold pursuant to Rule 144, or (iii) are eligible for resale under Rule 144(b)(1) or any successor provision (such earliest date, the “Effective Date”), the Company shall (A) deliver to the Transfer Agent irrevocable instructions that the Transfer Agent shall make a new, unlegended entry for such book entry Shares, and (B) cause its counsel to deliver to the Transfer Agent one or more opinions to the effect that the removal of such legends in such circumstances may be effected under the 1933 Act if required by the Transfer Agent to effect the removal of the legend in accordance with the provisions of this Agreement. The Company agrees that following the Effective Date or at such time as such legend is no longer required under this Section 7.4, it will, within three Trading Days of the delivery by an Investor to the Company or the Transfer Agent of a certificate representing shares issued with a restrictive legend and receipt from the Investor by the Company and the Transfer Agent of customary representations and other documentation reasonably acceptable to the Company and the Transfer Agent in connection therewith, deliver or cause to be delivered to such Investor a certificate representing such Shares that is free from all restrictive and other legends. Shares subject to legend removal hereunder may be transmitted by the Transfer Agent to the Investor by crediting the account of the Investor’s prime broker with The Depository Trust Company (“DTC”) as directed by such Investor. The Company shall be responsible for the fees of its Transfer Agent and all DTC fees associated with such issuance.

(b) Each Investor, severally and not jointly with the other Investors, agrees with the Company (i) that such Investor will sell any Shares pursuant to either the registration requirements of the 1933 Act, including any applicable prospectus delivery requirements, or an exemption therefrom, (ii) that if Shares are sold pursuant to a registration statement, they will be sold in compliance with the plan of distribution set forth therein and (iii) that if, after the effective date of the registration statement covering the resale of the Shares, such registration statement is not then effective and the Company has provided notice to such Investor to that effect, such Investor will sell Shares only in compliance with an exemption from the registration requirements of the 1933 Act.

7.5 Subsequent Equity Sales.

(a) From the date hereof until sixty (60) days after the Closing Date, without the consent of the Required Investors, the Company shall not (A) issue shares of Common Stock or Common Stock Equivalents or (B) file with the SEC a registration statement under the 1933 Act relating to any shares of Common Stock or Common Stock Equivalents, except pursuant to the terms of agreements to which the Company is currently a party or as described in the Disclosure Schedule. Notwithstanding the foregoing, the provisions of this Section 7.5(a) shall not apply to (i) the issuance of the Shares hereunder, (ii) the issuance of Common Stock or Common Stock Equivalents upon the conversion or exercise of any securities of the Company outstanding or issuable on the date hereof or outstanding or issuable pursuant to clause (iii) or (vii) below, (iii) the issuance of any Common Stock or Common Stock Equivalents pursuant to any Company stock-based compensation plans, (iv) the filing of a registration statement on Form S-8 under the 1933 Act to register the offer and sale of securities under any employee benefit or equity incentive plans of the Company, (v) the issuance of Common Stock pursuant to the Sales Agreement, dated August 9, 2018, between the Company and Cowen and Company, LLC, as amended, at a price per share at or above \$30.00 (the “Threshold Price Restriction”), subject to any adjustment for any Stock Event; *provided, however*, that the Threshold Price Restriction shall no longer apply to this clause (v) after the Shares have been registered for resale pursuant to the Registration Rights Agreement, (vi) the filing of a registration statement on Form S-3 under the 1933 Act to register the offer and sale of securities pursuant to the registration rights agreements disclosed in the SEC Filings or (vii) the issuance of any Common Stock or Common Stock Equivalents in connection with a transaction described or as otherwise disclosed in the Disclosure Schedule.

(b) The Company shall not, and shall use its commercially reasonable efforts to ensure that no Affiliate of the Company shall, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the 1933 Act) that will be integrated with the offer or sale of the Shares in a manner that would require the registration under the 1933 Act of the sale of the Shares to the Investors, or that will be integrated with the offer or sale of the Shares for purposes of the rules and regulations of any trading market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

7.6 Short Sales and Confidentiality After the Date Hereof. Each Investor covenants that neither it nor any Affiliates acting on its behalf or pursuant to any understanding with it will execute any Short Sales during the period from the date hereof until the earlier of such time as (i) the transactions contemplated by this Agreement are first publicly announced or (ii) this Agreement is terminated in full. Each Investor covenants that until such time as the transactions contemplated by this Agreement are initially publicly disclosed by the Company as provided in Section 9.7, such Investor will maintain the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction). Each Investor understands and acknowledges that the staff of the SEC currently takes the position that coverage of Short Sales of shares of the Common Stock “against the box” prior to effectiveness of a resale registration statement with securities included in such registration statement would be a violation of Section 5 of the 1933 Act, as set forth in Item 239.10 of the Securities Act Rules Compliance and Disclosure Interpretations compiled by the Office of Chief Counsel, Division of Corporation Finance.

8. Survival and Indemnification.

8.1 Survival. The representations, warranties, covenants and agreements contained in this Agreement shall survive the Closing of the transactions contemplated by this Agreement for the applicable statute of limitations.

8.2 Indemnification. The Company agrees to indemnify and hold harmless each Investor and its Affiliates, and their respective directors, officers, trustees, members, managers, employees, investment advisers and agents, from and against any and all losses, claims, damages, liabilities and expenses (including without limitation reasonable and documented attorney fees and disbursements and other documented out-of-pocket expenses reasonably incurred in connection with investigating, preparing or defending any action, claim or proceeding, pending or threatened and the costs of enforcement thereof) (collectively, “Losses”) to which such Person may become subject as a result of any breach of representation, warranty, covenant or agreement made by or to be performed on the part of the Company under the Transaction Documents, and will reimburse any such Person for all such amounts as they are incurred by such Person solely to the extent such amounts have been finally judicially determined not to have resulted from such Person’s fraud or willful misconduct.

8.3 Conduct of Indemnification Proceedings. Any person entitled to indemnification hereunder shall (i) give prompt notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided that any person entitled to indemnification hereunder shall have the right to employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such person unless (a) the indemnifying party has agreed in writing to pay such fees or expenses, (b) the indemnifying party shall have failed to assume the defense of such claim and employ counsel reasonably satisfactory to such person or (c) in the reasonable judgment of any such person, based upon written advice of its counsel, a conflict of interest exists between such person and the indemnifying party with respect to such claims (in which case, if the person notifies the indemnifying party in writing that such person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such person); and provided, further, that the failure of any indemnified party to give notice as provided herein shall not relieve the indemnifying party of its obligations hereunder, except to the extent that such failure to give notice shall materially adversely affect the indemnifying party in the defense of any such claim or litigation. It is understood that the indemnifying party shall not, in connection with any proceeding in the same jurisdiction, be liable for fees or expenses of more than one separate firm of attorneys at any time for all such indemnified parties. No indemnifying party will, except with the consent of the indemnified party, consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect of such claim or litigation or that includes any admission as to fault, culpability or failure to act on the part of such indemnified party. No indemnified party will, except with the consent of the indemnifying party, consent to entry of any judgment or enter into any settlement.

9. Miscellaneous.

9.1 Successors and Assigns. This Agreement may not be assigned by a party hereto without the prior written consent of the Company or each of the Investors, as applicable, provided, however, that an Investor may assign its rights and delegate its duties hereunder in whole or in part to an Affiliate or to a third party acquiring some or all of its Shares in a transaction complying with applicable securities laws without the prior written consent of the Company or the other Investors, provided such assignee agrees in writing to be bound by the provisions hereof that apply to Investors. The provisions of this Agreement shall inure to the benefit of and be binding upon the respective permitted successors and assigns of the parties. Without limiting the generality of the foregoing, in the event that the Company is a party to a merger, consolidation, share exchange or similar business combination transaction in which the Common Stock is converted into the equity securities of another Person, from and after the effective time of such transaction, such Person shall, by virtue of such transaction, be deemed to have assumed the obligations of the Company hereunder, the term "Company" shall be deemed to refer to such Person and the term "Shares" shall be deemed to refer to the securities received by the Investors in connection with such transaction. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective permitted successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

9.2 Counterparts; Faxes; E-mail. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement may also be executed via facsimile or e-mail, which shall be deemed an original.

9.3 Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

9.4 Notices. Unless otherwise provided, any notice required or permitted under this Agreement shall be given in writing and shall be deemed effectively given as hereinafter described (i) if given by personal delivery, then such notice shall be deemed given upon such delivery, (ii) if given by facsimile or e-mail, then such notice shall be deemed given upon receipt of confirmation of complete facsimile transmittal or confirmation of receipt of an e-mail transmission, (iii) if given by mail, then such notice shall be deemed given upon the earlier of (A) receipt of such notice by the recipient or (B) three days after such notice is deposited in first class mail, postage prepaid, and (iv) if given by an internationally recognized overnight air courier, then such notice shall be deemed given one Business Day after delivery to such carrier. All notices shall be addressed to the party to be notified at the address as follows, or at such other address as such party may designate by ten days' advance written notice to the other party:

9.5 Expenses. Except as set forth elsewhere in the Transaction Documents, the parties hereto shall pay their own costs and expenses in connection herewith regardless of whether the transactions contemplated hereby are consummated; it being understood that each of the Company and each Investor has relied on the advice of its own respective counsel.

9.6 Amendments and Waivers. Prior to Closing, no amendment or waiver of any provision of this Agreement will be effective with respect to any party unless made in writing and signed by a duly authorized representative of such party and consented to in writing by the Company and the Required Investors. Following the Closing, any term of this Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively), only with the written consent of the Company and the Required Investors. Notwithstanding the foregoing, this Agreement may not be amended and the observance of any term of this Agreement may not be waived with respect to any Investor without the written consent of such Investor unless such amendment or waiver applies to all Investors in the same fashion. Any amendment or waiver effected in accordance with this paragraph shall be binding upon (i) prior to Closing, each Investor that signed such amendment or waiver and (ii) following the Closing, each holder of any Shares purchased under this Agreement at the time outstanding, and in each case, each future holder of all such Shares and the Company.

9.7 Publicity. Except as set forth below, no public release or announcement concerning the transactions contemplated hereby shall be issued by the Investors without the prior consent of the Company (which consent shall not be unreasonably withheld), except as such release or announcement may be required by law or the applicable rules or regulations of any securities exchange or securities market, in which case the Investors shall allow the Company reasonable time to comment on such release or announcement in advance of such issuance. Notwithstanding the foregoing, each Investor may identify the Company and the value of such Investor's security holdings in the Company in accordance with applicable investment reporting and disclosure regulations without prior notice to or consent from the Company. The Company shall not include the name of any Investor in any press release or public announcement (which, for the avoidance of doubt, shall not include any SEC Filing) without the prior written consent of such Investor. By 8:30 a.m. (New York City time) on the Business Day immediately following the date this Agreement is executed, the Company shall issue one or more press releases (each, a "Press Release") disclosing all material terms of transactions contemplated by this Agreement and described in paragraphs 1 and 2 of the Disclosure Schedule. No later than 5:30 p.m. (New York City time) on the fourth Business Day following the date this Agreement is executed, the Company will file a Current Report on Form 8-K (the "8-K Filing") attaching the press releases described in the foregoing sentence as well as copies of the Transaction Documents. In addition, the Company will make such other filings and notices in the manner and time required by the SEC or NYSE. The Company shall not, and shall cause each of its officers, directors, employees and agents, not to, provide any Investor with any such material, nonpublic information regarding the Company from and after the filing of the Press Release without the express prior written consent of such Investor.

9.8 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof but shall be interpreted as if it were written so as to be enforceable to the maximum extent permitted by applicable law, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, the parties hereby waive any provision of law which renders any provision hereof prohibited or unenforceable in any respect.

9.9 Benefit of the Agreement. Each of the Placement Agents is an intended third party beneficiary of the representations and warranties of each Investor set forth in Section 5 of this Agreement.

9.10 Entire Agreement. This Agreement, including the signature pages, Exhibits, and the other Transaction Documents constitute the entire agreement among the parties hereof with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter hereof and thereof.

9.11 Further Assurances. The parties shall execute and deliver all such further instruments and documents and take all such other actions as may reasonably be required to carry out the transactions contemplated hereby and to evidence the fulfillment of the agreements herein contained.

9.12 Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of New York without regard to the choice of law principles thereof. Each of the parties hereto irrevocably submits to the exclusive jurisdiction of the courts of the State of New York located in New York County and the United States District Court for the Southern District of New York for the purpose of any suit, action, proceeding or judgment relating to or arising out of this Agreement and the transactions contemplated hereby. Service of process in connection with any such suit, action or proceeding may be served on each party hereto anywhere in the world by the same methods as are specified for the giving of notices under this Agreement. Each of the parties hereto irrevocably consents to the jurisdiction of any such court in any such suit, action or proceeding and to the laying of venue in such court. Each party hereto irrevocably waives any objection to the laying of venue of any such suit, action or proceeding brought in such courts and irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. **EACH OF THE PARTIES HERETO WAIVES ANY RIGHT TO REQUEST A TRIAL BY JURY IN ANY LITIGATION WITH RESPECT TO THIS AGREEMENT AND REPRESENTS THAT COUNSEL HAS BEEN CONSULTED SPECIFICALLY AS TO THIS WAIVER.**

9.13 Independent Nature of Investors' Obligations and Rights. The obligations of each Investor under any Transaction Document are several and not joint with the obligations of any other Investor, and no Investor shall be responsible in any way for the performance of the obligations of any other Investor under any Transaction Document. The decision of each Investor to purchase Shares pursuant to the Transaction Documents has been made by such Investor independently of any other Investor. Nothing contained herein or in any Transaction Document, and no action taken by any Investor pursuant thereto, shall be deemed to constitute the Investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Investor acknowledges that no other Investor has acted as agent for such Investor in connection with making its investment hereunder and that no Investor will be acting as agent of such Investor in connection with monitoring its investment in the Shares or enforcing its rights under the Transaction Documents. Each Investor shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Investor to be joined as an additional party in any proceeding for such purpose. The Company acknowledges that each of the Investors has been provided with the same Transaction Documents for the purpose of closing a transaction with multiple Investors and not because it was required or requested to do so by any Investor.

REGISTRATION RIGHTS AGREEMENT

This REGISTRATION RIGHTS AGREEMENT (this “Agreement”) is made and entered into as of _____, 2020 by and among Invitae Corporation, a Delaware corporation (the “Company”), and the “Investors” named in that certain Securities Purchase Agreement by and among the Company and the Investors, dated as of June 21, 2020 (the “Purchase Agreement”). Capitalized terms used herein have the respective meanings ascribed thereto in the Purchase Agreement unless otherwise defined herein.

The parties hereby agree as follows:

1. Certain Definitions.

As used in this Agreement, the following terms shall have the following meanings:

“Investors” means the Investors identified in the Purchase Agreement and any Affiliate or permitted transferee of any Investor who is a subsequent holder of Registrable Securities.

“Prospectus” means (i) the prospectus included in any Registration Statement, as amended or supplemented by any prospectus supplement, with respect to the terms of the offering of any portion of the Registrable Securities covered by such Registration Statement and by all other amendments and supplements to the prospectus, including post-effective amendments and all material incorporated by reference in such prospectus, and (ii) any “free writing prospectus” as defined in Rule 405 under the 1933 Act.

“Register,” “registered” and “registration” refer to a registration made by preparing and filing a Registration Statement or similar document in compliance with the 1933 Act, and the declaration or ordering of effectiveness of such Registration Statement or document.

“Registrable Securities” means (i) the Shares and (ii) any other securities issued or issuable with respect to or in exchange for the Shares, now owned or hereafter acquired by any of the Investors; whether by merger, charter amendment or otherwise; provided, that a security shall cease to be a Registrable Security upon (A) sale pursuant to a Registration Statement or Rule 144 under the 1933 Act, or (B) such security becoming eligible for sale without restriction by the Investors pursuant to Rule 144 and without the requirement to be in compliance with Rule 144(c)(1) (or any successor thereto) promulgated under the 1933 Act.

“Registration Statement” means any registration statement of the Company under the 1933 Act that covers the resale of any of the Registrable Securities pursuant to the provisions of this Agreement, amendments and supplements to such registration statement, including post-effective amendments, all exhibits and all material incorporated by reference in such registration statement other than a registration statement on Form S-4 or S-8 or any successor forms thereto.

“Required Investors” means the Investors holding a majority of the Registrable Securities outstanding from time to time.

“SEC” means the U.S. Securities and Exchange Commission.

2. Registration.

(a) Registration Statements. Promptly following the Closing Date but no later than sixty (60) days after the Closing Date (the “Filing Deadline”), the Company shall prepare and file with the SEC one or more Registration Statements covering the resale of all of the Registrable Securities for an offering to be made on a continuous basis pursuant to Rule 415. Any Registration Statement shall be on Form S-3 (except if the Company is not then eligible to register for resale the Registrable Securities on Form S-3, in which case such registration shall be on another appropriate form in accordance with the 1933 Act and the 1934 Act). Subject to any SEC comments, any Registration Statement shall include the plan of distribution attached hereto as Exhibit A; provided, however, that no Investor shall be named as an “underwriter” in such a Registration Statement without the Investor’s prior written consent. Such a Registration Statement also shall cover, to the extent allowable under the 1933 Act and the rules promulgated thereunder (including Rule 416), such indeterminate number of additional shares of common stock resulting from stock splits, stock dividends or similar transactions with respect to the Registrable Securities. Each such Registration Statement (and each amendment or supplement thereto, and each request for acceleration of effectiveness thereof) shall be provided in accordance with Section 3(c) to the applicable Investors prior to its filing or other submission.

(b) Expenses. The Company will pay all expenses associated with each Registration Statement, including filing and printing fees, the Company's counsel and accounting fees and expenses, costs associated with clearing the Registrable Securities for sale under applicable state securities laws and listing fees, but excluding discounts, commissions, fees of underwriters, selling brokers, dealer managers or similar securities industry professionals with respect to the Registrable Securities being sold.

(c) Effectiveness.

(i) The Company shall use commercially reasonable efforts to have each Registration Statement declared effective as soon as practicable. By 5:30 p.m. (Eastern time) on the second Business Day following the date on which the Registration Statement is declared effective by the SEC, the Company shall file with the SEC, in accordance with Rule 424 under the 1933 Act, the final prospectus to be used in connection with sales pursuant to such Registration Statement. The Company shall notify the applicable Investors by facsimile or e-mail as promptly as practicable, and in any event, within twenty-four (24) hours, after any Registration Statement is declared effective and shall simultaneously provide the applicable Investors with copies of any related Prospectus to be used in connection with the sale or other disposition of the securities covered thereby.

(ii) For a total of not more than ninety (90) days (which need not be consecutive) in any twelve (12) month period, the Company may suspend the use of any Prospectus included in any Registration Statement contemplated by this Section 2 in the event that the Company determines in good faith that such suspension is necessary to (A) delay the disclosure of material non-public information concerning the Company, the disclosure of which at the time is not, in the good faith opinion of the Company, in the best interests of the Company or (B) amend or supplement the affected Registration Statement or the related Prospectus so that such Registration Statement or Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the case of the Prospectus in light of the circumstances under which they were made, not misleading (an "Allowed Delay"); provided, that the Company shall promptly (1) notify each Investor in writing of the commencement of an Allowed Delay, but shall not (without the prior written consent of an Investor) disclose to such Investor any material non-public information giving rise to an Allowed Delay, it being understood by each Investor that such notification by the Company may in and of itself constitute material non-public information, (2) advise the Investors in writing to cease sales under such Registration Statement until the end of the Allowed Delay and (3) use commercially reasonable efforts to terminate an Allowed Delay as promptly as practicable.

(d) Effect of Failure to File and Obtain and Maintain Effectiveness of Registration Statement.

(i) If a Registration Statement covering the Registrable Securities is not filed with the SEC on or prior to the Filing Deadline, the Company will make pro rata payments to each Investor then holding Registrable Securities, as liquidated damages and not as a penalty (the "Registration Liquidated Damages"), in an amount equal to 1% of the aggregate amount invested by such Investor for the initial day of failure to file such Registration Statement by the Filing Deadline and for each subsequent 30-day period (pro rata for any portion thereof) thereafter for which no such Registration Statement is filed with respect to the Registrable Securities. Such payments shall constitute the Investors' exclusive monetary remedy for such events, but shall not affect the right of the Investor to seek injunctive relief. Such payments shall be made to each Investor then holding Registrable Securities in cash no later than ten (10) Business Days after the end of the date of the initial failure to file such Registration Statement by the Filing Deadline and each subsequent 30-day period, as applicable. Interest shall accrue at the rate of one percent (1%) per month on any such liquidated damages payments that shall not be paid by the applicable payment date until such amount is paid in full.

(ii) If (A) a Registration Statement covering the Registrable Securities is not declared effective by the SEC prior to the earlier of (1) five (5) Business Days after the SEC informs the Company that no review of such Registration Statement will be made or that the SEC has no further comments on such Registration Statement or (2) the 120th day after the Closing Date (or the 150th day if the SEC reviews such Registration Statement), or (B) after a Registration Statement has been declared effective by the SEC, sales cannot be made pursuant to such Registration Statement for any reason (including, without limitation, by reason of a stop order or the Company's failure to update such Registration Statement), but excluding any Allowed Delay or the

inability of any Investor to sell the Registrable Securities covered thereby due to market conditions or (C) after the date six months following the Closing Date, and only in the event a Registration Statement is not effective or available to sell all Registrable Securities, the Company fails to file with the SEC any required reports under Section 13 or 15(d) of the 1934 Act such that it is not in compliance with Rule 144(c)(1), as a result of which the Investors who are not Affiliates of the Company are unable to sell Registrable Securities without restriction under Rule 144 (or any successor thereto) promulgated under the 1933 Act (each of (A), (B) and (C), a "Maintenance Failure"), then the Company will make pro rata payments to each Investor then holding Registrable Securities, as liquidated damages and not as a penalty (the "Effectiveness Liquidated Damages" and together with the Registration Liquidated Damages, the "Liquidated Damages"), in an amount equal to 1% of the aggregate amount invested by such Investor for the Registrable Securities then held by such Investor for the initial day of a Maintenance Failure and for each 30-day period (pro rata for any portion thereof) thereafter until the Maintenance Failure is cured (each, a "Blackout Period"). The Effectiveness Liquidated Damages shall be paid monthly within ten (10) Business Days of the end of the date of such Maintenance Failure and each subsequent 30-day period, as applicable. Such payments shall be made to each Investor then holding Registrable Securities in cash. Interest shall accrue at the rate of one percent (1%) per month on any such liquidated damages payments that shall not be paid by the applicable payment date until such amount is paid in full.

(iii) The parties agree that (A) notwithstanding anything to the contrary herein or in the Purchase Agreement, no Liquidated Damages shall be payable with respect to any period after the expiration of the Effectiveness Period (as defined below) (it being understood that this sentence shall not relieve the Company of any Liquidated Damages accruing prior to the expiration of the Effectiveness Period), and in no event shall the aggregate amount of Liquidated Damages payable to an Investor exceed, in the aggregate, three percent (3%) of the aggregate purchase price paid by such Investor pursuant to the Purchase Agreement and (B) except with respect to (1) the initial day of failure to file a Registration Statement by the Filing Deadline and (2) the initial day of any Maintenance Failure, in no event shall the Company be liable in any thirty (30) day period for Liquidated Damages under this Agreement in excess of one percent (1%) of the aggregate purchase price paid by the Investors pursuant to the Purchase Agreement.

(e) Rule 415: Cutback. If at any time the SEC takes the position that the offering of some or all of the Registrable Securities in a Registration Statement is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the 1933 Act or requires any Investor to be named as an "underwriter," the Company shall use commercially reasonable efforts to advocate before the SEC its reasonable position that the offering contemplated by such Registration Statement is a valid secondary offering and not an offering "by or on behalf of the issuer" as defined in Rule 415 and that none of the Investors is an "underwriter." The Investors shall have the right to select one legal counsel to review and oversee any registration or matters pursuant to this Section 2(e), including participation in any meetings or discussions with the SEC regarding the SEC's position and to comment on any written submission made to the SEC with respect thereto, which counsel shall be designated by the holders of a majority of the Registrable Securities. In the event that, despite the Company's commercially reasonable efforts and compliance with the terms of this Section 2(e), the SEC does not alter its position, the Company shall (i) remove from such Registration Statement such portion of the Registrable Securities (the "Cut Back Shares") and/or (ii) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the SEC may require to assure the Company's compliance with the requirements of Rule 415 (collectively, the "SEC Restrictions"); provided, however, that the Company shall not agree to name any Investor as an "underwriter" in such Registration Statement without the prior written consent of such Investor. Any cut-back imposed on the Investors pursuant to this Section 2(e) shall be allocated among the Investors on a pro rata basis and shall be applied first to any of the Registrable Securities of such Investor as such Investor shall designate, unless the SEC Restrictions otherwise require or provide or the Investors otherwise agree. No liquidated damages shall accrue as to any Cut Back Shares until such date as the Company is able to effect the registration of such Cut Back Shares in accordance with any SEC Restrictions applicable to such Cut Back Shares (such date, the "Restriction Termination Date"). From and after the Restriction Termination Date applicable to any Cut Back Shares, all of the provisions of this Section 2 (including the Company's obligations with respect to the filing of a Registration Statement and its obligations to use commercially reasonable efforts to have such Registration Statement declared effective within the time periods set forth herein and the liquidated damages provisions relating thereto) shall again be applicable to such Cut Back Shares; provided, however, that (i) the Filing Deadline for such Registration Statement including such Cut Back Shares shall be no earlier than twenty (20) Business Days after such Restriction Termination Date, and (ii) the date by which the Company is required to obtain effectiveness with respect to such Cut Back Shares under Section 2(c) shall be no earlier than the 100th day immediately after the Restriction Termination Date (or no earlier than the 130th day if the SEC reviews such Registration Statement).

3. Company Obligations. The Company will use commercially reasonable efforts to effect the registration of the Registrable Securities in accordance with the terms hereof, and pursuant thereto the Company will, as expeditiously as possible:

(a) use commercially reasonable efforts to cause such Registration Statement to become effective and to remain continuously effective for a period that will terminate upon the earlier of (i) the date on which all Registrable Securities held by non-affiliates of the Company covered by such Registration Statement as amended from time to time, have been sold, and (ii) the date on which all Registrable Securities covered by such Registration Statement may be sold by non-affiliates without restriction pursuant to Rule 144 and without the requirement to be in compliance with Rule 144(c)(1) (or any successor thereto) promulgated under the 1933 Act (the “Effectiveness Period”) and advise the Investors promptly in writing when the Effectiveness Period has expired;

(b) prepare and file with the SEC such amendments and post-effective amendments to such Registration Statement and the related Prospectus as may be necessary to keep such Registration Statement effective for the Effectiveness Period and to comply with the provisions of the 1933 Act and the 1934 Act with respect to the distribution of all of the Registrable Securities covered thereby;

(c) provide copies to and permit each Investor to review each applicable Registration Statement and all amendments and supplements thereto no fewer than three (3) days prior to their filing with the SEC and to furnish reasonable comments thereon;

(d) furnish to each Investor whose Registrable Securities are included in any Registration Statement (i) promptly after the same is prepared and filed with the SEC, if requested by the Investor, one (1) copy of any Registration Statement and any amendment thereto, each preliminary prospectus and Prospectus and each amendment or supplement thereto, and (ii) such number of copies of a Prospectus, including a preliminary prospectus, and all amendments and supplements thereto and such other documents as each Investor may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Investor that are covered by such Registration Statement;

(e) use commercially reasonable efforts to (i) prevent the issuance of any stop order or other suspension of effectiveness and, (ii) if such order is issued, obtain the withdrawal of any such order at the earliest practical moment;

(f) prior to any public offering of Registrable Securities, use commercially reasonable efforts to register or qualify or cooperate with the Investors and their counsel in connection with the registration or qualification of such Registrable Securities for the offer and sale under the securities or blue sky laws of such jurisdictions requested by the Investors and do any and all other commercially reasonable acts or things necessary or advisable to enable the distribution in such jurisdictions of the Registrable Securities covered by the Registration Statement; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (i) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(f), (ii) subject itself to general taxation in any jurisdiction where it would not otherwise be so subject but for this Section 3(f), or (iii) file a general consent to service of process in any such jurisdiction;

(g) use commercially reasonable efforts to cause all Registrable Securities covered by a Registration Statement to be listed on each securities exchange, interdealer quotation system or other market on which similar securities issued by the Company are then listed;

(h) promptly notify the Investors, at any time prior to the end of the Effectiveness Period, upon discovery that, or upon the happening of any event as a result of which, the Prospectus includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing (provided that such notice shall not, without the prior written consent of an Investor, disclose to such Investor any material non-public information

regarding the Company, it being understood by each Investor that such notice may in and of itself constitute material non-public information), and promptly prepare, file with the SEC and furnish to such holder a supplement to or an amendment of such Prospectus as may be necessary so that such Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(i) otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the SEC under the 1933 Act and the 1934 Act, including, without limitation, Rule 172 under the 1933 Act, file any final Prospectus, including any supplement or amendment thereof, with the SEC pursuant to Rule 424 under the 1933 Act, promptly inform the Investors in writing if, at any time during the Effectiveness Period, the Company does not satisfy the conditions specified in Rule 172 and, as a result thereof, the Investors are required to deliver a Prospectus in connection with any disposition of Registrable Securities and take such other actions as may be reasonably necessary to facilitate the registration of the Registrable Securities hereunder; and make available to its security holders, as soon as reasonably practicable, but not later than the Availability Date (as defined below), an earnings statement covering a period of at least twelve (12) months, beginning after the effective date of each Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the 1933 Act, including Rule 158 promulgated thereunder (for the purpose of this Section 3(i), "Availability Date" means the 45th day following the end of the fourth fiscal quarter that includes the effective date of such Registration Statement, except that, if such fourth fiscal quarter is the last quarter of the Company's fiscal year, "Availability Date" means the 90th day after the end of such fourth fiscal quarter);

(j) if requested by an Investor, the Company shall (i) as soon as practicable, incorporate in a prospectus supplement or post-effective amendment such information as an Investor reasonably requests to be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being offered or sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities to be sold in such offering; (ii) as soon as practicable, make all required filings of such prospectus supplement or post-effective amendment after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) as soon as practicable, supplement or make amendments to any Registration Statement if reasonably requested by an Investor holding any Registrable Securities;

(k) within two (2) Business Days after a Registration Statement which covers Registrable Securities is declared effective by the SEC, the Company shall deliver, and shall cause legal counsel for the Company to deliver, to the transfer agent for such Registrable Securities (with copies to the Investors whose Registrable Securities are included in such Registration Statement) confirmation that such Registration Statement has been declared effective by the SEC; and

(l) with a view to making available to the Investors the benefits of Rule 144 (or its successor rule) and any other rule or regulation of the SEC that may at any time permit the Investors to sell shares of common stock to the public without registration, the Company covenants and agrees to: (i) make and keep current public information available, as those terms are understood and defined in Rule 144, until the earlier of (A) six months after such date as all of the Registrable Securities may be sold without restriction by the holders thereof who are not affiliates pursuant to Rule 144 or any other rule of similar effect or (B) such date as all of the Registrable Securities held by non-affiliates shall have been resold; (ii) file with the SEC in a timely manner all reports and other documents required of the Company under the 1934 Act; and (iii) furnish to each Investor upon request, as long as such Investor owns any Registrable Securities, (A) a written statement by the Company that it has complied with the reporting requirements of the 1934 Act, (B) a copy of the Company's most recent Annual Report on Form 10-K or Quarterly Report on Form 10-Q, and (C) such other information as may be reasonably requested in order to avail such Investor of any rule or regulation of the SEC that permits the sale of any such Registrable Securities without registration.

4. Obligations of the Investors.

(a) Each Investor shall furnish in writing to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it, as shall be reasonably required to effect the registration of such Registrable Securities, and shall execute such documents in connection with such registration as the Company may reasonably request. At least five (5) Business Days prior to the first anticipated filing date of any Registration Statement, the Company shall notify each Investor of the information the Company requires from such Investor if such Investor elects to have any of the Registrable Securities included in such Registration Statement. An Investor shall provide such information to the Company at least two (2) Business Days prior to the first anticipated filing date of such Registration Statement if such Investor elects to have any of the Registrable Securities included in such Registration Statement. It shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registrable Securities of any particular Investor or to make any Liquidated Damages payments set forth in this Agreement to such Investor that such Investor furnish to the Company the information regarding itself, the Registrable Securities and other shares of common stock of the Company held by it and the intended method of disposition of the Registrable Securities held by it (if different from the Plan of Distribution set forth on Exhibit A hereto) as shall be reasonably required to effect and maintain the registration of such Registrable Securities.

(b) Each Investor, by its acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of a Registration Statement hereunder, unless such Investor has notified the Company in writing of its election to exclude all of its Registrable Securities from such Registration Statement.

(c) Each Investor agrees that, upon receipt of any notice from the Company of either (i) the commencement of an Allowed Delay pursuant to Section 2(c)(ii) or (ii) the happening of an event pursuant to Section 3(h) hereof, such Investor will immediately discontinue disposition of Registrable Securities pursuant to any Registration Statement covering such Registrable Securities, until the Investor is advised by the Company that such dispositions may again be made.

(d) Each Investor covenants and agrees that it will comply with the prospectus delivery requirements of the 1933 Act as applicable to it or an exemption therefrom in connection with sales of Registrable Securities pursuant to any Registration Statement.

5. Indemnification.

(a) Indemnification by the Company. The Company will indemnify and hold harmless each Investor and its officers, directors, partners, members, employees and agents, and each other person, if any, who controls such Investor within the meaning of the 1933 Act, against any losses, claims, damages or liabilities, joint or several, to which they may become subject under the 1933 Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement or omission or alleged omission of any material fact contained in any Registration Statement, any preliminary Prospectus or final Prospectus, or any amendment or supplement thereof; (ii) any blue sky application or other document executed by the Company specifically for that purpose or based upon written information furnished by the Company filed in any state or other jurisdiction in order to qualify any or all of the Registrable Securities under the securities laws thereof (any such application, document or information herein called a "Blue Sky Application"); (iii) the omission or alleged omission to state in a Blue Sky Application a material fact required to be stated therein or necessary to make the statements therein not misleading, or (iv) any violation by the Company or its agents of any rule or regulation promulgated under the 1933 Act applicable to the Company or its agents and relating to action or inaction required of the Company in connection with such registration, and will reimburse such Investor, and each such officer, director, partner, member, employee, agent and each such controlling person for any legal or other documented, out-of-pocket expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case if and to the extent that any such loss, claim, damage or liability arises out of or is based upon (i) an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by such Investor or any such controlling person in writing specifically for use in such Registration Statement, Prospectus or Blue Sky Application, (ii) the use by an Investor of an outdated or defective Prospectus after the Company has notified such Investor in writing that such Prospectus is outdated or defective or (iii) an Investor's failure to send or give a copy of the Prospectus or supplement (as then amended or supplemented), if required (and not exempted) to the Persons asserting an untrue statement or omission or alleged untrue statement or omission at or prior to the written confirmation of the sale of Registrable Securities.

(b) Indemnification by the Investors. Each Investor agrees, severally but not jointly, to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors, officers, employees, stockholders, agents and each person who controls the Company (within the meaning of the 1933 Act) against any losses, claims, damages, liabilities or expenses (including reasonable attorney fees) resulting from any untrue or alleged untrue statement of a material fact or any omission or alleged omission of a material fact required to be stated in any Registration Statement or Prospectus or preliminary Prospectus or amendment or supplement thereto or necessary to make the statements therein not misleading, to the extent, but only to the extent that such untrue statement or omission, or alleged untrue statement or omission, is contained in any information furnished in writing by such Investor to the Company specifically for inclusion in such Registration Statement or Prospectus or amendment or supplement thereto. Except to the extent that any such losses, claims, damages, liabilities or expenses are finally judicially determined to have resulted from an Investor's fraud or willful misconduct, in no event shall the liability of an Investor be greater in amount than the dollar amount of the proceeds (net of all expense paid by such Investor in connection with any claim relating to this Section 5 and the amount of any damages such Investor has otherwise been required to pay by reason of such untrue statement or omission) received by such Investor upon the sale of the Registrable Securities included in such Registration Statement giving rise to such indemnification obligation.

(c) Conduct of Indemnification Proceedings. Any person entitled to indemnification hereunder shall (i) give prompt notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided that any person entitled to indemnification hereunder shall have the right to employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such person unless (A) the indemnifying party has agreed in writing to pay such fees or expenses, (B) the indemnifying party shall have failed to assume the defense of such claim and employ counsel reasonably satisfactory to such person or (C) in the reasonable judgment of any such person, based upon written advice of its counsel, a conflict of interest exists between such person and the indemnifying party with respect to such claims (in which case, if the person notifies the indemnifying party in writing that such person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such person); and provided, further, that the failure of any indemnified party to give notice as provided herein shall not relieve the indemnifying party of its obligations hereunder, except to the extent that such failure to give notice shall materially adversely affect the indemnifying party in the defense of any such claim or litigation. It is understood that the indemnifying party shall not, in connection with any proceeding in the same jurisdiction, be liable for fees or expenses of more than one separate firm of attorneys at any time for all such indemnified parties. No indemnifying party will, except with the consent of the indemnified party, consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect of such claim or litigation.

(d) Contribution. If for any reason the indemnification provided for in the preceding paragraphs (a) and (b) is unavailable to an indemnified party or insufficient to hold it harmless, other than as expressly specified therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative fault of the indemnified party and the indemnifying party, as well as any other relevant equitable considerations. No person guilty of fraudulent misrepresentation within the meaning of Section 11(f) of the 1933 Act shall be entitled to contribution from any person not guilty of such fraudulent misrepresentation. Except to the extent that any such losses, claims, damages or liabilities are finally judicially determined to have resulted from a holder of Registrable Securities' fraud or willful misconduct, in no event shall the contribution obligation of such holder be greater in amount than the dollar amount of the proceeds (net of all expenses paid by such holder in connection with any claim relating to this Section 5 and the amount of any damages such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission) received by it upon the sale of the Registrable Securities giving rise to such contribution obligation.

6. Miscellaneous.

(a) Amendments and Waivers. This Agreement may be amended only by a writing signed by the Company and the Required Investors. The Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company shall have obtained the written consent to such amendment, action or omission to act of the Required Investors.

(b) Notices. All notices and other communications provided for or permitted hereunder shall be made as set forth in Section 9.4 of the Purchase Agreement.

(c) Assignments and Transfers by Investors. The provisions of this Agreement shall be binding upon and inure to the benefit of the Investors and their respective successors and assigns. An Investor may transfer or assign, in whole or from time to time in part, to one or more persons its rights hereunder in connection with the transfer of Registrable Securities by such Investor to such person, provided that such Investor complies with all laws applicable thereto, and the provisions of the Purchase Agreement, and provides written notice of assignment to the Company promptly after such assignment is effected, and such person agrees in writing to be bound by all of the provisions contained herein.

(d) Assignments and Transfers by the Company. This Agreement may not be assigned by the Company (whether by operation of law or otherwise) without the prior written consent of the Required Investors, provided, however, that in the event that the Company is a party to a merger, consolidation, share exchange or similar business combination transaction in which the common stock is converted into the equity securities of another Person, from and after the effective time of such transaction, such Person shall, by virtue of such transaction, be deemed to have assumed the obligations of the Company hereunder, the term "Company" shall be deemed to refer to such Person and the term "Registrable Securities" shall be deemed to include the securities received by the Investors in connection with such transaction unless such securities are otherwise freely tradable by the Investors after giving effect to such transaction.

(e) Benefits of the Agreement. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective permitted successors and assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

(f) Counterparts; Faxes. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement may also be executed via facsimile or e-mail, which shall be deemed an original.

(g) Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

(h) Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof but shall be interpreted as if it were written so as to be enforceable to the maximum extent permitted by applicable law, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, the parties hereby waive any provision of law which renders any provisions hereof prohibited or unenforceable in any respect.

(i) Further Assurances. The parties shall execute and deliver all such further instruments and documents and take all such other actions as may reasonably be required to carry out the transactions contemplated hereby and to evidence the fulfillment of the agreements herein contained.

(j) Entire Agreement. This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein. This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

(k) Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of New York without regard to the choice of law principles thereof. Each of the parties hereto irrevocably submits to the exclusive jurisdiction of the courts of the State of New York located in New York County and the United States District Court for the Southern District of New York for the purpose of any suit, action, proceeding or judgment relating to or arising out of this Agreement and the transactions contemplated hereby. Service of process in connection with any such suit, action or proceeding may be served on each party hereto anywhere in the world by the same methods as are specified for the giving of notices under this Agreement. Commitment Letter

June 21, 2020

Invitae Corporation
1400 16th Street
San Francisco, CA 94103
Attn: Ms. Shelly Guyer, Chief Financial Officer

Ladies and Gentlemen:

Invitae Corporation (the “**Borrower**” or “**you**”) has advised Perceptive Credit Holdings III, LP (“**Perceptive**” or “**we**”) that the Borrower is seeking, among other things, to (i) acquire, directly or indirectly, all issued and outstanding equity interests (the “**Acquisition**”) of the company you have identified to us as “Apollo” (the “**Target**”) and (ii) obtain a commitment for financing to enable the Borrower to consummate the Acquisition (the Acquisition, the financing and the other transactions related thereto, including the payment of the Acquisition consideration and all fees, costs and the expenses related to the Acquisition, such financing and such other transactions related thereto being, collectively, the “**Transactions**”). Capitalized terms used but not otherwise defined in this letter have the meanings ascribed thereto in the Outline of Proposed Terms and Conditions attached hereto as Exhibit A (the “**Term Sheet**”); this letter, the Term Sheet and all annexes and exhibits attached hereto and thereto, collectively, this “**Commitment Letter**”).

In connection with the Transactions, you have requested that Perceptive and/or one or more of its managed funds agree to structure and commit to provide a senior secured term loan facility in an aggregate principal amount of up to \$200,000,000 (the “**Facility**”). Subject to the provisions below, the Facility may be used to finance all or a portion of the Acquisition and to pay fees, costs and expenses related to the Transactions and for other general corporate and working capital purposes of the Borrower and its subsidiaries.

1. Commitments; Roles

In connection with the Transactions, Perceptive is pleased to advise you of its commitment to provide 100% of the principal amount of the Facility upon the terms and at the times set forth in this Commitment Letter (each of Perceptive, in its capacity as a lender, and any other lender that becomes a party hereto pursuant to the proviso at the end of the next succeeding paragraph is referred to herein as a “**Lender**”).

It is agreed that Perceptive will act as administrative agent and collateral agent for the facility (in such capacity, the “**Administrative Agent**”). You agree that no other agents will be appointed and no other compensation will be paid by you or any of your Affiliates to any Lender in order to obtain its commitment to participate in the Facility unless you and Perceptive shall so agree; provided that, at any time on or prior to the date that is sixty (60) days after the date hereof, you and Perceptive may jointly appoint up to two additional committed lenders (such additional lenders, the “**Additional Lenders**”), it being understood that (i) the economics assumed by such Additional Lenders for the Facility will be in proportion to the economics allocated to such Additional Lender, (ii) the commitment of Perceptive, in its capacity as a Lender, hereunder shall be reduced by the amount of the commitments of each such Additional Lender (or its relevant affiliate) under the Facility, upon the execution of customary joinder documentation and (iii) no Additional Lender (nor any affiliate thereof) shall receive greater economics in respect of the Facility than that received by Perceptive.

2. Information

In connection with our commitment and agreements hereunder in respect of the Facility and the other Transactions, you will provide us with customary information concerning you and your subsidiaries, and will use commercially reasonable efforts to provide us with customary information concerning the Target and its subsidiaries and each of your and their respective assets, liabilities, businesses, operations and conditions (financial or otherwise) as we may reasonably request, subject to the limitations on your rights to request information concerning the Target and its subsidiaries, and their assets, liabilities, businesses, operations and conditions (financial or otherwise) set forth in the Acquisition Agreement (as defined in Annex 1 of the Term Sheet). Notwithstanding the foregoing, you will not be required to provide any information to the extent that the provision thereof would violate or waive any attorney-client or other privilege, constitute attorney work product, or violate or contravene any law, rule or regulation, or any obligation of confidentiality (not created in contemplation hereof) binding on you, the Target or your or its respective affiliates; provided that in the event you do not provide information in reliance on this sentence, you shall provide notice to us that such information is being withheld (but solely to the extent both feasible and permitted under applicable law, rule, regulation or confidentiality obligation, or without waiving such privilege) and you shall use commercially reasonable efforts to describe such information in a manner that is both feasible and permitted under applicable law, rule, regulation or confidentiality obligation, or without waiving such privilege.

You hereby represent and warrant (such representation and warranty with respect to Information (as defined below) regarding the Target and its subsidiaries being made to your actual knowledge) that (i) all written information concerning the Borrower and its subsidiaries, the Target and its subsidiaries and their respective assets, liabilities and businesses that has been or will be made available to Perceptive by the Borrower or any of its representatives on the Borrower’s behalf in connection with the Transactions (other than Projections (as defined below, if any are provided) and/or information of a general economic or industry-specific nature, collectively, the “**Information**”), when taken as a whole, does not and will not, as and when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained

therein not materially misleading in light of the circumstances under which such statements are made (after giving effect to all supplements and updates thereto) and (ii) the financial projections, estimates and other forward-looking information (collectively, the “**Projections**”), if any, that have been or are hereafter made available to us by you or any of your representatives on your behalf in connection with the Facility or any of the other Transactions, as and when furnished, have been or will be prepared in good faith based upon assumptions believed by you to be reasonable (it being recognized by Perceptive that such Projections are not to be viewed as facts and are subject to significant uncertainties and contingencies many of which are beyond your control, that no assurance can be given that any particular financial projections will be realized, that actual results may differ from projected results and that such differences may be material). Notwithstanding the foregoing, the Borrower makes no representations with respect to any Information or Projections that have been prepared by or on behalf of the Target; provided that, in the course of your review of such Information and Projections, nothing has come to your attention that would lead you to believe that such Information or Projections, when taken as a whole, contain any untrue statement of material fact or omit to state a material fact necessary to make the statements contained therein not materially misleading in light of the circumstances under which such statements were made. You further agree that if, at any time prior to the earlier of the Closing Date or the Commitment Termination Date, you become aware that any of the representations and warranties in the preceding sentence would be incorrect in any material respect if the Information or the Projections, if any, were being furnished and such representations and warranties were being made at such time, you will (or, prior to the Closing Date with respect to Information and Projections concerning the Target and its subsidiaries, you will, subject to any applicable limitations on your rights set forth in the Acquisition Agreement, use commercially reasonable efforts to) promptly supplement the Information or the Projections, as applicable, so that (to your knowledge, as it relates to the Target and its subsidiaries prior to the Closing Date) the representations and warranties in the preceding sentence remain true in all material respects. You understand we are and will be using and relying on the Information and Projections delivered on or prior to the date of your acceptance of this letter in issuing our commitment hereunder, and will be using and relying on all Information and Projections in providing the Facility, in each case, without independent verification thereof.

3. Fees

In consideration for the commitment and agreements of Perceptive hereunder, and in addition to any other fees described in the Term Sheet or the Definitive Documentation (as defined below), as applicable, you agree to pay or cause to be paid to us (or our designee) the fees set forth in the confidential fee letter dated the date hereof between you and Perceptive (the “**Fee Letter**”).

4. Conditions

The commitments of the Lenders hereunder are subject to the conditions set forth in this Section 4 and in the Term Sheet under the section titled “Conditions Precedent to Funding”.

Notwithstanding anything in this Commitment Letter, the definitive loan, guaranty, security or other agreements and documentation relating to the Facility (the “**Definitive Documentation**”), (i) the only representations relating to the Borrower, the Target and their respective subsidiaries and businesses, the accuracy of which shall be a condition to the availability of the Facility on the Closing Date shall be (x) such of the representations made by or on behalf of the Target, its subsidiaries or their respective businesses in the Acquisition Agreement as are material to the interests of the Lenders in their capacity as such, but only to the extent that you or your applicable affiliate have the right to terminate, at your sole option your (or its) obligations under the Acquisition Agreement (the “**Acquisition Agreement Representations**”) and (y) the Specified Representations (as defined below), (ii) the terms of the Definitive Documentation shall not impair the availability of the Facility on the Closing Date if the conditions set forth in this Section 4 and in Annex 1 of the Term Sheet are satisfied or waived by Perceptive (it being understood that to the extent any Collateral under the Definitive Documentation (including the creation or perfection of any security interest therein) is not, or cannot be, provided and/or perfected on the Closing Date (other than, to the extent required under the Definitive Documentation, the creation and perfection of a lien on Collateral that is of the type where a lien on such Collateral may be perfected (w) by means of filing a Uniform Commercial Code financing statement, (x) by means of filing an intellectual property security agreement with the United States Patent and Trademark Office or the United States Copyright Office, or (y) by delivery of certificated securities of the Borrower and domestic subsidiaries of the Borrower that is part of the Collateral (together with a stock power or similar instrument endorsed in blank for the relevant certificate)), in each case, after your use of commercially reasonable efforts to do so, then the provision and/or perfection of such Collateral shall not constitute a condition precedent to the availability of the Facility on the Closing Date but may instead be provided within sixty (60) days thereafter (or such longer period as the Administrative Agent may agree) pursuant to arrangements to be mutually agreed upon by you and us), and (iii) the only conditions (express or implied) to the availability of the Facility on the Closing Date are those expressly set forth in Annex 1 of the Term Sheet.

For purposes hereof, “**Specified Representations**” means the representations and warranties of the Borrower and its subsidiaries set forth in the Definitive Documentation relating to: organizational existence of the Obligor (as defined in the Term Sheet); organizational power and authority (as they relate to due authorization, execution, delivery and performance of the Definitive Documentation) of the Obligor to enter into the Definitive Documentation; due authorization, execution and delivery of such Definitive Documentation, and enforceability of the relevant Definitive Documentation against the Obligor; Federal Reserve margin regulations; no conflicts of the Definitive Documentation with organizational documents, material applicable law, material agreements to the extent any violation thereof would result in a material adverse effect, applicable to the Obligor; the Investment Company Act of 1940; use of proceeds not in

violation of Office of Foreign Asset Control (OFAC), the Foreign Corrupt Practices Act (FCPA), the USA PATRIOT Act and other applicable anti-money laundering laws; solvency of the Borrower and its subsidiaries on a consolidated basis after giving effect to the Acquisition and related transactions (including all related Borrowings under the Facility); the creation, validity and perfection of security interests in the Collateral securing the Facility (subject to the limitations set forth in clause (ii) above); and status of the Facility as senior debt.

This Section 4 and the provisions contained herein are referred to as the “**Certain Funds Provision**”.

5. Indemnification; Expenses

(a) Subject to the limitations set forth in Section 5(b) below, you agree to:

(i) indemnify and hold harmless Perceptive, each of its affiliates and each of Perceptive’s and each such affiliate’s respective partners, members, directors, agents, employees, officers, advisors, trustees, other representatives or controlling persons (collectively, “**Indemnified Persons**”) from and against, any and all losses, claims, damages, liabilities and other reasonable costs and expenses of any kind (including reasonable and duly documented legal fees, charges, disbursements, costs and expenses of one firm of counsel for all Indemnified Parties, taken as a whole, and if necessary, of a single local counsel in each appropriate jurisdiction, which may include a single special counsel acting in multiple jurisdictions, and, in the case of an actual or reasonably perceived conflict of interest where the Indemnified Party affected by such conflict notifies you of the existence of such conflict and thereafter retains its own counsel, of another firm of counsel for each group of similarly affected Indemnified Parties in each relevant jurisdiction) to which such Indemnified Person may become subject or that may be incurred or asserted or awarded against such Indemnified Person, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation, claim or proceeding) the Transactions (including in respect of the Facility or the Acquisition), the Definitive Documentation and the use of proceeds of the Facility (whether or not such investigation, litigation, claim or proceeding is brought by you, the Target or any of your or the Target’s equity holders, subsidiaries, affiliates or creditors or any Indemnified Person, and whether or not any Indemnified Person is otherwise a party thereto and whether or not any of the Transactions are consummated); and

(ii) reimburse each Indemnified Person for all reasonable and documented out-of-pocket expenses (including all reasonable and duly documented fees, time charges, disbursement, costs and expenses of one firm of counsel for all Indemnified Parties, taken as a whole, and if necessary, of a single local counsel in each appropriate jurisdiction, which may include a single special counsel acting in multiple jurisdictions, and, in the case of an actual or reasonably perceived conflict of interest where the Indemnified Party affected by such conflict notifies you of the existence of such conflict and thereafter retains its own counsel, of another firm of counsel for each group of similarly affected Indemnified Parties in each relevant jurisdiction), in each case, promptly following

written demand of such Indemnified Person; provided that, so long as the Closing Date or Commitment Termination Date, as applicable, occurs on or prior to December 31, 2020, the Borrower shall not be liable for more than \$350,000 incurred in respect of all such legal expenses incurred by the Indemnified Parties prior to the Closing Date or Commitment Termination Date, as applicable, unless expressly approved by the Borrower in writing.

(b) Notwithstanding anything to the contrary in this letter, you will not have to indemnify or reimburse any Indemnified Person to the extent that any such loss, claim, damage, liability or related cost or expense arise from (x) the gross negligence, bad faith or willful misconduct of such Indemnified Person or any person acting on its behalf, in each case, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) such Indemnified Person's or any person's acting on its behalf material breach of this Commitment Letter and/or the Definitive Documentation, in each case, as determined by a final non-appealable judgment of a court of competent jurisdiction, or (z) any dispute arising out of or in connection with any claim, litigation, loss, investigation or proceeding that is brought by an Indemnified Person against another Indemnified Person not arising from any action or omission by you, the Target or any of your or their respective subsidiaries or affiliates. You shall not be liable for any settlement of any investigation, litigation, claim or proceeding effected by any Indemnified Person without your consent (which consent shall not be unreasonably withheld, conditioned or delayed) or any other loss, claim, damage, liability, cost and/or expense incurred in connection with such settlement, but if any such investigation, litigation, claim or proceeding is settled with your written consent, or if there is a final non-appealable judgment of a court of competent jurisdiction in any such investigation, litigation, claim or proceeding, you agree to indemnify and hold harmless such Indemnified Person in the manner set forth in this Section 5.

(c) You also agree that no Indemnified Person will have any liability to you (whether direct or indirect, in contract, equity, tort or otherwise) or any other person or entity asserting claims on behalf of or in right of you in connection with or as a result of the Commitment Letter or any of the Transactions except, in the case of any such liability to you, to the extent that (and only for so long as) any losses, claims, damages, liabilities or expenses incurred by you have been found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the bad faith actions, gross negligence or willful misconduct of such Indemnified Person or any person acting on its behalf (or any of its controlling persons or subsidiaries of controlling persons) in performing its obligations hereunder or a material breach of its material agreements set forth in this Commitment Letter; provided that in no event will any Indemnified Person, you or any of your or their respective subsidiaries or affiliates or the respective directors, officers, employees, agents, advisors or other representatives of any of the foregoing have any liability for any indirect, special, consequential or punitive damages (as opposed to direct or actual damages), including, without limitation, any loss of profits, business or anticipated savings in connection with or as a result of this Commitment Letter or any of the Transactions.

6. Sharing of Information, Absence of Fiduciary Relationship, Affiliate Activities

You acknowledge that Perceptive and its affiliates are engaged in securities trading and investment activities and may from time to time hold positions in loans or securities, options on loans or securities, or other financial instruments of you, the Target, your or the Target's respective subsidiaries and affiliates, and of other persons or entities with which you or the Target or their respective subsidiaries or affiliates may have commercial or other relationships. With respect to any such loans, securities, options and/or financial instruments so held by Perceptive (or an affiliate), all rights in respect thereof, including any voting rights, will be exercised by the holder of the rights in its sole discretion. However, neither Perceptive nor any of its affiliates will use any confidential information obtained from you or your affiliates or from the Target and its affiliates or on your or their behalf by virtue of the Transactions in connection with any commercial activities of Perceptive (or any such affiliate) with respect to other persons or entities and neither Perceptive nor any of its affiliates will furnish any such information to any other person or entity with which it is engaged in commercial activities. You also acknowledge that neither Perceptive nor any of its affiliates have any obligation to use in connection with the Transactions, or to furnish to you, confidential information obtained from other persons or entities.

You further acknowledge and agree that (i) no fiduciary, advisory or agency relationship between you and Perceptive is intended to be or has been created in respect of any of the Transactions (or any other transactions contemplated in connection herewith or therewith), irrespective of whether Perceptive has advised or is advising you on other matters, (ii) Perceptive, on the one hand, and you, on the other hand, have an arm's length business relationship that does not directly or indirectly give rise to, nor do you rely on, any fiduciary duty to you or any of your affiliates on the part of Perceptive, (iii) you are capable of evaluating and understanding, and you understand and accept, the terms, risks and conditions associated with this Commitment Letter and the Transactions, (iv) you have been advised that Perceptive is engaged in a broad range of commercial activities that may involve interests that differ from your interests and that Perceptive has no obligation to disclose such interests or commercial activities to you, (v) you have consulted your own legal, accounting, regulatory and tax advisors to the extent you have deemed appropriate, (vi) Perceptive has been, is, and will be acting solely as a principal and, except as otherwise expressly agreed in writing by it and the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for you or any of your affiliates, (vii) Perceptive has no obligation to you or any of your affiliates with respect to the Transactions (or any other transactions contemplated in connection herewith or therewith), except those obligations expressly set forth herein or in any other express writing executed and delivered by Perceptive to you or any such affiliate and (viii) you waive, to the fullest extent permitted by law, any claims you may have against Perceptive and its affiliates for breach of fiduciary or alleged breach of fiduciary duty arising solely by virtue of its obligations under this Commitment Letter with respect to the Transactions and agree that neither Perceptive nor any of its affiliates, in such capacity, have any liability (whether direct or indirect) to you in respect of such a fiduciary duty claim or to any person or entity asserting any such fiduciary duty claim on your behalf, including any

of your equity holders, officers, directors, employees or creditors. Additionally, you acknowledge that Perceptive may employ the services of its affiliates in providing certain services hereunder and may exchange with such affiliates the Information and Projections (provided that such persons agree to hold the same in confidence, to the extent we are required to hold the same in confidence hereunder) and such affiliates will be entitled to the benefits afforded to, and subject to the obligations, of Perceptive hereunder.

7. Confidentiality

This Commitment Letter is delivered to you on the understanding that neither it nor the Fee Letter, nor any of their respective terms, content or substance, or any written communications provided by, or oral discussions in connection with the Transactions, shall be disclosed by you, directly or indirectly, or circulated or referred to publicly to any other person or entity except: (i) to your subsidiaries, and to your and their officers, directors, employees, affiliates, members, partners, equity holders, attorneys, accountants, agents and advisors and, on a confidential basis, those of the Target and its subsidiaries; provided that you may not make any disclosure regarding or with respect to the Fee Letter, other than (x) to your subsidiaries, and to your and their officers, directors, employees, affiliates, members, partners, equity holders, attorneys, accountants, agents and advisors on a need to know basis and who have been advised by you of the confidential nature of such information and either are subject to customary confidentiality obligations of employment or professional practice or have agreed to treat such information confidentially in accordance with provisions substantially similar to this paragraph, (y) inclusion of the aggregate fee amounts in the Projections, pro forma information or a generic disclosure of aggregate sources and uses related to the Transactions (including, without limitation, in connection with the PIPE transaction) or (z) to the extent required in any public or regulatory filing relating to the Transactions, and, except as provided above, all information with respect to any such fees shall be redacted in a manner reasonably satisfactory to Perceptive unless Perceptive otherwise consents in writing (which consent shall not be unreasonably withheld, conditioned or delayed), (ii) in any legal, judicial or administrative proceeding or other compulsory process or as otherwise required by law, rule or regulation or as requested by a government authority (in which case you agree, to the extent permitted by law, to inform us promptly in advance thereof), (iii) in connection with the exercise of remedies relating to this Commitment Letter, the Fee Letter or the enforcement of rights hereunder, (iv) the existence of the commitments under this Commitment Letter, the existence of the Fee Letter and the existence and contents of the Term Sheet (but not the fees therein or in the Fee Letter, other than the existence thereof and the aggregate amount of the fees payable thereunder in the Projections, pro forma information and a generic disclosure of aggregate sources and uses in disclosures) may be disclosed pursuant to any public filing requirement, (v) to the extent this Commitment Letter, the Fee Letter or the contents hereof or thereof become publicly available other than by reason of disclosure by you in breach of this Commitment Letter, (vi) the Term Sheet may be disclosed to potential transferees or assignees, from time to time, to the extent permitted pursuant to the Definitive Documentation, and (vii) if Perceptive consents to such proposed disclosure (which consent shall not be unreasonably withheld, conditioned or delayed). The confidentiality provisions set forth in this paragraph (other than as they relate to the fees set forth in the Fee Letter or in the Term Sheet, subject to the terms of this Commitment Letter with respect to disclosure of such fees) shall cease to apply on the second anniversary of the date hereof.

Perceptive shall use all confidential information received by it in connection with the Transactions and any related transactions (including any information obtained by Perceptive based on a review of any books and records relating to the Borrower, the Target or any of their respective subsidiaries or affiliates) solely for purposes of fulfilling its commitment and agreements contemplated pursuant to this Commitment Letter and shall treat as confidential all such information and the terms and contents of this Commitment Letter and the Definitive Documentation and shall not publish, disclose or otherwise divulge such information; provided that nothing herein shall prevent Perceptive from disclosing any such information (i) to any prospective transferees or assigns as may be permitted pursuant to the Definitive Documentation, (ii) in connection with any legal, judicial, administrative proceeding or other compulsory process or as required by applicable law or regulations (in which case we shall promptly notify you, in advance, to the extent permitted by law), (iii) upon the request or demand of any regulatory authority having jurisdiction over us or any of our affiliates (in which case we shall promptly notify you, in advance, to the extent permitted by law), (iv) to our employees, legal counsel, auditors, professionals and other experts, advisors or agents (collectively “**Representatives**”) who are informed of the confidential nature of such information and are bound by a duty of confidentiality or have agreed to keep information of this kind confidential on substantially the terms set forth in this paragraph or as otherwise reasonably acceptable to you, (v) to any of our affiliates (provided that any such affiliate is advised of its obligation to retain such information as confidential) solely in connection with the Transactions, (vi) to the extent any such information becomes publicly available other than by reason of disclosure by us or any of our affiliates or Representatives in breach of this Commitment Letter, (vii) in connection with the exercise of remedies relating to this Commitment Letter or the enforcement of rights hereunder, (viii) to any other party hereto, (ix) with your consent, and (x) to the extent that such information is or was received by us from a third party that is not, to our knowledge, subject to confidentiality obligations from you and did not acquire such information as a result of a breach of this paragraph.

8. Exclusivity.

or discuss any Alternate Financing for the duration of the Exclusivity Period) or negotiations regarding, furnish any information with respect to, encourage, assist or participate in, or facilitate in any other manner, any effort or attempt by any person or entity to provide or arrange, or seek to provide or arrange, any Alternate Financing. You will notify us immediately if any person or entity, directly or indirectly makes any proposal or offer with respect to any Alternate Financing (whether solicited or unsolicited) and in such notice you will provide us with the identity of such person or entity and any substantive details disclosed to you, directly or indirectly, with respect to such Alternate Financing.

9. Miscellaneous.

This Commitment Letter may be executed in any number of counterparts, each of which shall be an original, and all of which, when taken together, shall constitute one agreement. Any signature (including, without limitation (x) any electronic symbol or process attached to, or associated with, a contract or other record and adopted by a person with the intent to sign, authenticate or accept such contract or record and (y) any facsimile or electronic transmission (e.g., “pdf” or “tif”) hereto or any other certificate, document or instrument related to this Commitment Letter or the transactions contemplated hereby, and any contract formation or record-keeping, in each case, through electronic means, shall have the same legal validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any similar state law based upon the Uniform Electronic Transactions Act, and the parties hereto hereby waive any objection to the contrary.

This Commitment Letter (including the Term Sheet and any other attachments hereto or thereto) and the Fee Letter embody the entire agreement and understanding among us and you and your controlled affiliates with respect to the Facility and supersede all prior agreements and understandings relating to the specific matters contemplated herein. and (ii) the determination of the accuracy of any Acquisition Agreement Representation and whether as a result of any inaccuracy thereof either the Borrower or its applicable affiliate has the right to terminate its or its applicable affiliate's obligations under the Acquisition Agreement or to decline to consummate the transactions contemplated thereby and, in any case, claims or disputes arising out of any such interpretation or determination of any aspect thereof shall, in each case, be governed by and construed in accordance with the laws governing the Acquisition Agreement as applied to the Acquisition Agreement, without giving effect to any choice of law or conflict of law provision or rule of any jurisdiction that would cause the application of the law of any other jurisdiction.

You and we hereby irrevocably and unconditionally (a) submit to the exclusive jurisdiction of any state or federal court sitting in the Borough of Manhattan in the City of New York (or any appellate court therefrom) over any suit, action or proceeding arising out of or relating to this Commitment Letter, (b) agree that all claims in respect of any action or proceeding shall be heard and determined in New York state or, to the extent permitted by law, federal court, and (c) agree that a final, non-appealable judgment in any such action may be enforced in other jurisdictions in any manner provided by law. You and we agree that services of any process, summons, notice or document by registered mail addressed to you or us shall be effective service of process for any suit, action or proceeding brought in any such court. You and we hereby irrevocably and unconditionally waive any objection to the laying of venue of any such suit, action or proceeding brought in any such court and any claim that such suit, action or proceeding has been brought in any inconvenient forum or otherwise based on lack of personal jurisdiction or improper venue. **YOU AND WE HEREBY IRREVOCABLY AGREE TO WAIVE TRIAL BY JURY IN ANY SUIT, ACTION, PROCEEDING, CLAIM OR COUNTERCLAIM BROUGHT BY OR ON BEHALF OF ANY PARTY RELATED TO OR ARISING OUT OF THE TRANSACTIONS, THIS COMMITMENT LETTER (INCLUDING THE TERM SHEET OR ANY OTHER ATTACHMENTS HERETO OR THERETO) OR THE FEE LETTER OR THE PERFORMANCE OUR OBLIGATIONS HEREUNDER OR THEREUNDER.**

L. 107-56 (signed into law on October 26, 2001) (the "**USA PATRIOT Act**"), it is required to obtain, verify and record information that identifies each Obligor, which information includes names, addresses, tax identification numbers and other information that will allow Perceptive to identify each Obligor in accordance with the USA PATRIOT Act and other applicable "know your customer" and anti-money laundering rules and regulations. This notice is given in accordance with the requirements of the USA PATRIOT Act.

The compensation, reimbursement, indemnification, jurisdiction, governing law, waiver of jury trial, sharing of information, no fiduciary duties, affiliate activities, confidentiality and exclusivity provisions contained herein shall remain in full force and effect regardless of whether Definitive Documentation shall be executed and delivered and notwithstanding termination of this Commitment Letter or our commitment hereunder;

provided that in the event we terminate this Commitment Letter and our commitment hereunder pursuant to Section 2 above, the exclusivity provisions contained herein shall also terminate. Subject to the preceding sentence, you may terminate this Commitment Letter upon written notice to Perceptive at any time.

Capitalized terms used herein and not otherwise defined have the meanings set forth in the Commitment Letter.*

Guarantors:	All of the Borrower’s subsidiaries (including after giving effect to the Acquisition) (the “ Guarantors ” and, together with the Borrower, the “ Obligors ”), other than certain foreign and immaterial subsidiaries that may be mutually agreed upon in the Definitive Documentation (collectively, the “ Excluded Subsidiaries ”).
Administrative Agent	Perceptive Credit Holdings III, LP or any other investment funds managed and controlled by Perceptive Advisors LLC (collectively, the “ Administrative Agent ”).

Purpose:	The Facility shall be used (i) to finance, in whole or in part, the Acquisition, (ii) to pay fees, costs and expenses (including legal fees, costs and expenses) related to the foregoing, the Facility and the other Transactions and (iii) for other general working capital purposes.
Closing Date:	The “ Closing Date ” shall be the date of the satisfaction or waiver of the conditions set forth in Annex 1 and the initial funding of the Facility.

Financing Availability:

Loans under the Facility will be made available in a single Borrowing on the Closing Date. The Facility will be made available in U.S. Dollars. Any portion of the commitment that is unused on the Closing Date shall be cancelled.

Once repaid in whole or in part, amounts drawn under the Facility may not be re-borrowed.

Maturity Date:

Amounts outstanding under the Facility will mature on (such date, the “**Maturity Date**”) (i) June 1, 2024 if, at such time, the Borrower’s 2.00% convertible senior notes due 2024 (the “**2024 Notes**”) are outstanding and are due to mature on or prior to September 1, 2024; provided that if, prior to such date, the maturity of at least eighty percent (80%) of the 2024 Notes is extended to a date that is prior to September 1, 2025, the Maturity Date shall automatically be deemed extended to the date that is 90 days prior to the 2024 Notes’ maturity date; and (ii) otherwise, on June 1, 2025.

Interest:

With respect to any Borrowing, outstanding principal amounts borrowed will accrue interest at an annual rate equal to eight and three quarters of a percent (8.75%) (the “**Applicable Margin**”) plus the greater of (i) three-month LIBOR and (ii) two percent (2.00%) per annum. The Definitive Documentation shall include customary LIBOR replacement provisions that provide that the Administrative Agent and the Borrower shall select the successor reference rate and mutually agree to any corresponding adjustment to the Applicable Margin. Interest will be payable quarterly in arrears in cash and will be calculated on the basis of the actual number of days elapsed based on a 360-day year.

Upon the occurrence and during the continuance of a payment or bankruptcy Event of Default (to be defined in the Definitive Documentation), the Applicable Margin will automatically increase by three percent (3.00%) per annum.

Upon the occurrence and during the continuance of any other Event of Default, the Applicable Margin will, at the Lenders’ election and after written notice thereof by the Lenders to the Borrower, increase by three percent (3.00%) per annum.

The Facility will be interest only until the Maturity Date. On the Maturity Date, the entire remaining unpaid and outstanding balance of the Facility will be payable in full and in cash.

On the Closing Date, the Borrower will issue to the Lenders warrants (the “**Warrants**”) exercisable into 1,000,000 shares of the Borrower’s common stock. The per share exercise price of such Warrants shall be equal to the per share price of the shares of common stock sold pursuant to the Borrower’s proposed PIPE transaction contemplated to occur prior to the Closing Date.

The Warrants will be exercisable until the seventh (7th) anniversary of the Closing Date and will be subject to customary warrant holder rights and protections, including customary adjustments for stock dividends, splits, reclassifications and the like (for purposes of clarity, no such adjustments will be made for additional equity issuances below the exercise price); provided that the terms set forth above are subject to compliance with New York Stock Exchange listing rules.

Prepayment Fee:

The Borrower will be permitted to prepay, at any time and in whole or in part, any Borrowings under the Facility, subject to the payment of a prepayment fee (an “**Early Prepayment Fee**”) on the amount of such principal prepayment as follows:

If prepaid during months 1-36:	106%
Thereafter (but prior to the Maturity Date):	104%

In addition to the Early Prepayment Fee, if the Borrower prepays any principal amount outstanding under the Facility prior to the second (2nd) anniversary of the Closing Date, the Borrower shall be required to pay a make-whole fee equal to the interest, fees (other than any Early Prepayment Fee) and any other amounts the Lenders would have earned in respect of such prepaid principal amount for the period beginning on the date of such prepayment through and including the second (2nd) anniversary of the Closing Date had such prepayment not been made.
