Item 1.01 Entry into a Material Definitive Agreement.

On September 25, 2017, Invitae Corporation (“Invitae”) and its wholly-owned subsidiary Good Start Genetics, Inc. (together with Invitae, the “Company”) entered into a Marketing and Laboratory Services Agreement (the “Marketing Agreement”) with CombiMatrix Molecular Diagnostics, Inc. (“CMDX”), a wholly-owned subsidiary of CombiMatrix Corporation (NASDAQ: CBMX) (“CombiMatrix”). Pursuant to the terms of the Marketing Agreement, the Company will promote and market certain CMDX diagnostic tests, including miscarriage analysis tests (the “Tests”), to physicians and other healthcare providers in the same channels in which the Company markets its own diagnostic tests. The Company will also coordinate logistics, customer service and support for the Tests.

In consideration for the services provided by the Company under the Marketing Agreement, CMDX will pay the Company a \$200 fee for each Test the Company markets and which CMDX processes, reports and bills to a patient, ordering physician or other healthcare provider and/or third party payer program, subject to all applicable federal, state and local laws, rules, and regulations, including, without limitation, the federal Anti-Kickback Statute and similar state anti-kickback laws and regulations. CMDX has also agreed to assist the Company in promoting and marketing the Tests by providing training and support and sharing educational materials and scientific publications. In addition, CMDX will remain responsible for Test performance, reporting and billing.

Under the terms of the Marketing Agreement, the parties will jointly own all data and results from Tests performed as a result of the Company’s promotional activities, and CMDX will retain ownership of the Tests and related intellectual property.

The term of the Marketing Agreement commenced on September 25, 2017 and continues until December 31, 2019, with automatic renewals for successive 12-month periods. The Marketing Agreement may be terminated by either party upon (a) 60 days’ notice prior to the end of the then-current term, (b) a material breach by the other party (subject to a 60-day cure period, or 10 days with respect to a breach of such party’s payment obligations) and (c) 60 days’ notice after the filing of bankruptcy, reorganization, liquidation or receivership proceedings by or against the other party. CMDX may also terminate the Marketing Agreement upon 30 days’ notice if the Company enters into an agreement with a third party for, or decides to internally develop, invasive prenatal diagnostic tests, pediatric array tests or miscarriage analysis tests.

The foregoing summary description of the Marketing Agreement does not purport to be complete and is qualified in its entirety by reference to the Marketing Agreement which is attached as Exhibit 10.1 hereto and incorporated herein by reference.

Pursuant to the Merger Agreement, Merger Sub will merge with and into CombiMatrix, with CombiMatrix becoming a wholly-owned subsidiary of Invitae and the surviving corporation in the merger (the “Merger”). (a) Ownership. Each Party shall own and retain all rights in any patents, patent applications, inventions, copyrights, trademarks, know-how, marketing materials and other information, trade secrets or other proprietary or intellectual property owned or licensed by such Party (collectively, such Party's "**Intellectual Property**"). Without limiting the foregoing, (a) CombiMatrix owns, and Invitae acknowledges CombiMatrix's ownership of, the CombiMatrix Diagnostic Tests, including all Intellectual Property therein, and (b) all data and results from performance of the CombiMatrix Diagnostic Tests on specimens received by CombiMatrix as a result of Invitae's activities under this Agreement shall be jointly owned by CombiMatrix and Invitae, and each Party shall be entitled to use such data and results for any purpose without the consent of, or any payment or duty of accounting to, the other Party. Each Party shall comply with all applicable laws, rules and regulations in its use of such data and results. Notwithstanding the foregoing, in the event Invitae desires to publish such data and results, prior to Invitae making such publication, Invitae shall provide a draft of the publication to CombiMatrix for approval, which shall not be unreasonably withheld, conditioned or delayed, and Invitae shall include appropriate credit to CombiMatrix in the publication.

(b) Claims relating to CombiMatrix Diagnostic Tests. If any Third Party claims or brings an action alleging that any activities of CombiMatrix or Invitae or their Affiliates with respect to the marketing, use or performance of CombiMatrix Diagnostic Tests under this Agreement infringe any of such Third Party's patent rights, CombiMatrix and Invitae shall meet and confer and use commercially reasonable efforts to address such claims. If CombiMatrix or Invitae determines to seek a license or otherwise obtain the right to use such Third Party patent rights on behalf of CombiMatrix and Invitae, then the Party determining to seek such a license or otherwise obtain the right to use such Third Party patent rights (the "**Licensing Party**") shall be solely responsible for the payment of any reasonable royalties or other payments that may be due to such Third Party if the alleged infringement is solely caused by the Licensing Party. CombiMatrix shall immediately inform Invitae and Invitae shall immediately inform CombiMatrix of any such claim by a Third Party, and either Party shall have the right to cease performance of activities pursuant to Article 2 pending satisfactory resolution of such claim. The Party who owns the allegedly infringing work shall be solely responsible for any and all damages, liabilities, expenses and/or losses incurred by the other Party or its Affiliates as a result of such claims, subject to Section 8.3 below.

7. TERM AND TERMINATION

7.1 Term . The term of this Agreement shall commence on the Effective Date and, unless terminated earlier pursuant to the terms hereof, shall continue until December 31, 2019 (“**Initial Term**”). This Agreement shall automatically renew for successive twelve (12)-month periods, unless terminated earlier pursuant to the terms hereof (each, a “**Renewal Term**”) at the end of the Initial Term and each Renewal Term thereafter, unless either Party provides notice to the other Party of its intention not to renew at least sixty (60) days before the end of the Initial Term or then-current Renewal Term, as applicable (the Initial Term, together with any Renewal Term(s), the “**Term**”).

7.2 Termination .

(a) Material Breach. Each Party shall have the right to terminate this Agreement upon written notice to the other Party if such other Party is in material breach of this Agreement and has not cured such breach within sixty (60) days (or ten (10) days with respect to any payment breach) after the date of the breaching Party’s notice from the terminating Party requesting cure of the breach. Any such termination shall become effective at the end of such sixty (60) day (or ten (10) day with respect to any payment breach) period unless the breaching Party has cured such breach prior to the end of such period to the reasonable satisfaction of the terminating Party.

(b) Bankruptcy. Each Party shall have the right to terminate this Agreement upon sixty (60) days’ prior written notice to the other Party upon or after the filing or institution of bankruptcy, reorganization, liquidation or receivership proceedings by or against the other Party, or upon an assignment of a substantial portion of the other Party’s assets for the benefit of creditors; *provided, however,* that in the case of any involuntary bankruptcy proceeding such right to terminate shall only become effective if the other Party consents to the involuntary bankruptcy or such proceeding is not dismissed within ninety (90) days after the filing thereof.

(c) Invitae Entry Into Similar Agreement; Internally Developed Products. CombiMatrix shall have the right to terminate this Agreement with thirty (30) days’ prior written notice to Invitae if, during the Term of this Agreement, Invitae enters into an agreement with any Third Party provider of invasive prenatal diagnostic tests (other than CombiMatrix or an Affiliate of CombiMatrix), pediatric array testing or miscarriage analysis testing or Invitae decides to develop internally any technologies in respect of invasive prenatal diagnostic tests, pediatric array testing, or miscarriage analysis testing that competes, or will compete, with any CombiMatrix products or services, including CombiMatrix Diagnostic Tests.

7.3 Effect of Termination .

(a) Generally . Upon any expiration or termination of this Agreement, all rights and obligations under this Agreement shall automatically terminate, except as provided in this Section 7.3.

(b) Return of Confidential Information . Within thirty (30) days following any expiration or termination of this Agreement, each Party shall return to the other Party, at its

own expense, all Confidential Information of the other Party. Notwithstanding the foregoing, the receiving party may retain the Confidential Information for archival purposes only subject to the obligations set forth in Section 6 of this Agreement.

8. REPRESENTATIONS AND WARRANTIES ; LIMITATION OF LIABILITY

8.1 Representations and Warranties. Each Party represents and warrants to the other that: (a) it is duly organized and validly existing under the laws of its jurisdiction of incorporation or formation, and has full corporate or other power and authority to enter into this Agreement and to carry out the provisions hereof; (b) it is duly authorized to execute and deliver this Agreement and to perform its obligations hereunder, and the person or persons executing this Agreement on its behalf has been duly authorized to do so by all requisite corporate or partnership action; (c) this Agreement is legally binding upon it, enforceable in accordance with its terms, and does not conflict with any agreement, instrument or understanding, oral or written, to which it is a party or by which it may be bound, nor violate any material law or regulation of any court, governmental body or administrative or other agency having jurisdiction over it; and (d) it is not debarred under any U.S. or foreign government health care programs or the United States Federal Food, Drug and Cosmetic Act or comparable applicable law or regulation in any other country or jurisdiction and it does not, and will not during the Term of this Agreement, employ or use the services of any person or entity who is debarred, in connection with the development, manufacture or commercialization of CombiMatrix Diagnostic Tests or Invitae Diagnostic Tests, as applicable. In the event that either Party becomes aware of the debarment or threatened debarment of any person or entity providing services to such Party, including the Party itself and its Affiliates, which directly or indirectly relate to activities under this Agreement, the other Party shall be immediately notified in writing. Additionally, CombiMatrix represents and warrants that neither CombiMatrix nor any Affiliate of CombiMatrix (i) has received written notice from any Third Party claiming that the manufacture, use, sale, offer for sale or import of the CombiMatrix Diagnostic Tests, or use of any CombiMatrix trademark, infringes or would infringe the Intellectual Property of any Third Party; (ii) is a party to any legal action, suit or proceeding relating to the CombiMatrix Diagnostic Tests or CombiMatrix trademarks; or (iii) has received any written communication from any Third Party threatening any action, suit or proceeding relating to the CombiMatrix Diagnostic Tests or CombiMatrix trademarks. Invitae represents and warrants that neither Invitae nor any Affiliate of Invitae (i) is a party to any legal action, suit or proceeding relating to the Invitae Diagnostic Tests or Invitae trademarks; or (ii) has received any written communication from any Third Party threatening any action, suit or proceeding relating to the Invitae Diagnostic Tests or Invitae trademarks.

8.2 Disclaimer. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, EACH PARTY EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE WARRANTIES OF DESIGN, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT OF THE INTELLECTUAL PROPERTY RIGHTS OF THIRD PARTIES, OR ARISING FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICES.

8.3 Limitation of Liability. EXCEPT FOR OBLIGATIONS UNDER SECTION 8.4, BREACHES UNDER ARTICLE 5 OR ARTICLE 6, NEITHER PARTY SHALL BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY, CONSEQUENTIAL OR PUNITIVE DAMAGES IN CONNECTION WITH THIS AGREEMENT OR ANY LICENSE GRANTED HEREUNDER. Except for CombiMatrix's obligations under Section 8.4 (a), in the event of a material error by CombiMatrix and/or any CombiMatrix Diagnostic Tests, CombiMatrix's sole obligation to Invitae shall be for Invitae, at its option, to either (a) repeat the applicable CombiMatrix Diagnostic Test at CombiMatrix's own cost, or (b) refund Invitae the total amount paid by Invitae for the CombiMatrix Diagnostic Test.

8.4 Indemnity.

(a) CombiMatrix agrees to defend, indemnify and hold Invitae, including its subsidiaries and Affiliates and their employees, agents, servants and representatives, harmless from all claims, losses, expenses, fees including reasonable attorney fees, costs, and judgments that may be asserted against Invitae that result from any breach by CombiMatrix of this Agreement.

(b) Subject to the limitations set forth in Section 8.3, Invitae agrees to defend, indemnify and hold CombiMatrix, including its subsidiaries and Affiliates and their employees, agents, servants and representatives, harmless from all claims, third party billing claims, losses, expenses, fees including reasonable attorney fees, costs, and judgments that may be asserted against CombiMatrix that result from the negligence, breach of this Agreement or willful misconduct of Invitae, its employees, subcontractors, directors and officers related to this Agreement.

9. GENERAL PROVISIONS

9.1 Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California, excluding its conflicts of laws principles.

9.2 Dispute Resolution .

(a) **Claims.** Except as set forth in Section 7.2 of this Agreement, in the event of a dispute relating to this Agreement between the Parties hereto, the Parties shall attempt to resolve the dispute in a commercially reasonable manner within thirty (30) days of one Party's receipt of written notice from the other Party, which describes the dispute. Any claim, dispute, or controversy of whatever nature arising out of or relating to this Agreement that is not resolved under Section 9.2(a) within the required thirty (30) day period, including, without limitation, any action or claim based on tort, contract, or statute, or concerning the interpretation, effect, termination, validity, performance and/or breach of this Agreement ("**Claim**"), shall be resolved by final and binding arbitration administered by JAMS (the "**Administrator**") in accordance with its then-effective Comprehensive Arbitration Rules and Procedures (the "**Rules**"), except to the extent any such Rule conflicts with the express provisions of this Section 9.2 (a). The arbitration shall be conducted by one neutral arbitrator selected in accordance with the Rules. The arbitration and all associated discovery proceedings and communications shall be conducted in English, and the arbitration shall be held in San Diego, California, USA.

(b) Arbitrators' Award. The arbitrator's award shall include a written statement describing the essential findings and conclusions on which the award is based, including the calculation of any damages awarded. The arbitrator shall, in rendering his or her decision, apply the substantive laws of the State of California, USA, without giving effect to its conflicts of laws principles, and without giving effect to any rules or laws relating to arbitration. The arbitrator's authority to award special, incidental, consequential or punitive damages shall be subject to the limitation set forth in Section 8.3. The award rendered by the arbitrator shall be final, binding and non-appealable, and judgment may be entered upon it in any court of competent jurisdiction. However, the Parties agree that the JAMS Optional Arbitration Appeal Procedures shall apply to the arbitration, at the request by either Party in accordance with such Appeal Procedures. If a Party appeals the award rendered by the arbitrator, the award issued by the Appeal Panel (as defined in such Appeal Procedures) shall be final, binding and non-appealable, and judgment may be entered upon it in any court of competent jurisdiction.

(c) Costs. Each Party shall bear its own attorney's fees, costs, and disbursements arising out of the arbitration, and shall pay an equal share of the fees and costs of the arbitrator; *provided, however*, the arbitrator shall be authorized to determine whether a Party is the prevailing Party, and if so, to award to that prevailing Party reimbursement by the non-prevailing Party for any or all of the prevailing Party's reasonable attorneys' fees, costs and disbursements (including, for example, expert witness fees and expenses, photocopy charges, travel expenses, etc.), and/or the fees and costs of the Administrator and the arbitrator.

(d) Court Actions. Nothing contained in this Agreement shall deny either Party the right to seek injunctive or other equitable relief from a court of competent jurisdiction in the context of a bona fide emergency or prospective irreparable harm, and such an action may be filed and maintained without having to file a bond or other security notwithstanding any ongoing discussions between the Parties or any ongoing arbitration proceeding. In addition, either Party may bring an action in any court of competent jurisdiction to resolve disputes pertaining to the validity, construction, scope, enforceability, infringement or other violations of intellectual property rights, and no such claim shall be subject to arbitration pursuant to Section 9.2(b).

9.3 Entire Agreement; Modification. This Agreement is both a final expression of the Parties' agreement and a complete and exclusive statement with respect to all of its terms. This Agreement supersedes all prior and contemporaneous agreements and communications, whether oral, written or otherwise, concerning any and all matters contained herein. This Agreement may only be modified or supplemented in a writing expressly stated for such purpose and signed by the Parties to this Agreement.

9.4 Relationship between the Parties. The Parties' relationship, as established by this Agreement, is solely that of independent contractors. This Agreement does not create any partnership, joint venture or similar business relationship between the Parties. Except as otherwise specifically set forth in this Agreement, neither Party is a legal representative of the other Party and neither Party can assume or create any obligation, representation, warranty or guarantee, express or implied, on behalf of the other Party for any purpose whatsoever.

9.5 Assignment. Except as expressly provided hereunder, neither this Agreement nor any rights or obligations hereunder may be assigned or otherwise transferred by either Party without the prior written consent of the other party (which consent shall not be unreasonably withheld, conditioned or delayed); *provided, however*, that either Party may assign this Agreement and its rights and obligations hereunder without the other Party's consent: (a) in connection with the transfer or sale of all or substantially all of the business of such Party to which this Agreement relates to a Third Party, whether by merger, sale of stock, sale of assets or otherwise; or (b) to an Affiliate, *provided* that the assigning Party shall remain liable and responsible to the non-assigning Party hereto for the performance and observance of all such duties and obligations by such Affiliate. The rights and obligations of the Parties under this Agreement shall be binding upon and inure to the benefit of the successors and permitted assigns of the Parties, and the name of a Party appearing herein will be deemed to include the name of such Party's successors and permitted assigns to the extent necessary to carry out the intent of this section. Any assignment not in accordance with this Agreement shall be void.

9.6 Waiver. No waiver by either party of any breach of any provision of this Agreement shall constitute a waiver of any other or subsequent breach.

9.7 No Third Party Beneficiaries. This Agreement is neither expressly nor impliedly made for the benefit of any party other than those executing it.

9.8 Severability. If, for any reason, any part of this Agreement is adjudicated invalid, unenforceable or illegal by a court of competent jurisdiction, then such adjudication shall not, to the extent feasible, affect or impair, in whole or in part, the validity, enforceability or legality of any remaining portions of this Agreement. All remaining portions shall remain in full force and effect as if the original Agreement had been executed without the invalidated, unenforceable or illegal part.

9.9 Notices. Any notice to be given under this Agreement must be in writing and delivered either in person, by any method of mail (postage prepaid) requiring return receipt, or by overnight courier or facsimile confirmed thereafter by any of the foregoing, to the Party to be notified at its address(es) given below, or at any address such Party has previously designated by prior written notice to the other Party. Such excuse from liability shall be effective only to the extent and duration of the event(s) causing the failure or delay in performance and *provided* that the Party has not caused such event(s) to occur. Notice of a Party's failure or delay in performance due to force majeure must be given to the other Party within ten (10) days after its occurrence. All delivery dates under this Agreement that have been affected by force majeure shall be tolled for the duration of such force majeure. In no event shall any Party be required to prevent or settle any labor disturbance or dispute. Notwithstanding the foregoing in this Section 9.9, in the event a force majeure event lasts for thirty (30) days, either Party may terminate this Agreement by giving the other Party written notice of such termination at least ten (10) days prior to the effective date of the termination specified in the written notice.
