PROXY STATEMENT

The Board of Directors (the “Board”) of Floor & Decor Holdings, Inc., a Delaware corporation (the “Company,” “we,” “us” or “our”), has prepared this document to solicit your proxy to vote upon certain matters at the Company’s 2019 Annual Meeting of Stockholders (the “Annual Meeting”).

These proxy materials contain information regarding the Annual Meeting, to be held on May 16, 2019, beginning at 1:00 P.M. Eastern Time at the Omni Hotel at The Battery Atlanta, Glavine Conference Room, Level 2, 2625 Circle 75 Parkway SE, Atlanta, GA 30339, and at any adjournment or postponement thereof. As permitted by the rules adopted by the Securities and Exchange Commission (the “SEC”), rather than mailing a full paper set of these proxy materials, we are mailing to many of our stockholders only a notice of internet availability of proxy materials (the “Notice”) containing instructions on how to access and review these proxy materials and authorize their respective proxy votes online. If you receive the Notice and would like to receive a paper copy of these proxy materials, you should follow the instructions for requesting such materials located at www.voteproxy.com.

QUESTIONS ABOUT THE ANNUAL MEETING AND THESE PROXY MATERIALS

The approximate date that this proxy statement, the proxy card, and our 2018 Annual Report on Form 10-K (the “Annual Report”) are first being sent or given to our stockholders is March 26, 2019. The information regarding stock ownership and other matters in this proxy statement is as of March 20, 2019 (the “Record Date”), unless otherwise indicated.

QUESTIONS ABOUT THE ANNUAL MEETING AND THESE PROXY MATERIALS

What may I vote on?

You may vote on the following proposals:

- the election of four Class II directors for three-year terms expiring at the 2022 annual meeting of stockholders once their respective successors have been duly elected and qualified, or their earlier resignation or removal (“Proposal 1”);
- the ratification of the appointment of Ernst & Young LLP (“Ernst & Young”) as independent auditors for our 2019 fiscal year (“Proposal 2”); and
- the approval, by non-binding vote, of the compensation paid to our named executive officers (“NEOs”) for the fiscal year ended December 27, 2018 as disclosed in these proxy materials (commonly known as a “say-on-pay” proposal) (“Proposal 3”).

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE FOUR CLASS II DIRECTORS, FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG AS THE INDEPENDENT AUDITORS AND FOR THE APPROVAL, ON AN ADVISORY BASIS, OF COMPENSATION PAID TO THE NAMED EXECUTIVE OFFICERS FOR THE FISCAL YEAR ENDED DECEMBER 27, 2018 (“SAY-ON-PAY”).

Who may vote?

Stockholders of record of our common stock, par value \$0.001 per share (“common stock”), at the close of business on the Record Date are entitled to receive the Notice and these proxy materials and to vote their respective shares at the Annual Meeting.

Each share of common stock is entitled to one vote on each matter that is properly brought before the Annual Meeting. As of the Record Date, 97,977,678 shares of common stock were outstanding.

How do I vote?

We have elected to provide access to proxy materials over the Internet under the SEC’s “notice and access” rules to reduce the environmental impact and cost of the Annual Meeting. However, if you prefer to receive paper copies of our proxy materials, please follow the instructions included in the Notice.

Stockholders of Record

If your common stock is registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered a stockholder of record with respect to those shares. As a stockholder of record, you have the right to vote by proxy.

You may authorize your proxy in any of the following three ways:

Internet. Go to www.voteproxy.com to use the Internet to transmit your voting instructions and for electronic delivery of information. Have your proxy card in hand when you access the website.

Phone. Call 800-776-9437 (800-PROXIES) using any touch-tone telephone to transmit your voting instructions. Have your proxy card in hand when you call.

Mail. Mark, sign and date your proxy card and return it in the postage-paid envelope we have provided, or return it to American Stock Transfer & Trust Company, LLC, 6201 15th Avenue, Brooklyn, NY 11219.

Authorizing your proxy by any of these methods will not affect your right to attend the Annual Meeting and vote in person. However, for those who will not be voting in person at the Annual Meeting, your final voting instructions must be received by no later than 11:59 P.M. on May 15, 2019.

Beneficial Owners

Most of our stockholders hold their shares through a stockbroker, bank or other nominee, rather than directly in their own names. If you hold your shares in one of these ways, you are considered the beneficial owner of shares held in “street name”, and the Notice is being forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote. Your broker, bank or nominee has enclosed a voting instruction form for you to use in directing the broker, bank or nominee on how to vote your shares. Unless you provide specific voting instructions, your brokerage firm will only have the discretion to vote shares it holds on your behalf with respect to Proposal 2 (the ratification of Ernst & Young as independent auditors for our 2019 fiscal year), but not with respect to Proposal 1 (the election of four Class II directors) or Proposal 3 (the say-on-pay proposal), as more fully described under “What is a broker ‘non-vote’?” below.

Can I change my vote?

Yes. If you are the stockholder of record, you may revoke your proxy before it is exercised by doing any of the following:

- sending a letter to us stating that your proxy is revoked;
- signing a new proxy and sending it to us; or
- attending the Annual Meeting and voting by ballot.

Beneficial owners should contact their broker, bank or nominee for instructions on changing their votes.

How many votes must be present to hold the Annual Meeting?

A “quorum” is necessary to hold the Annual Meeting. A quorum is a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting. They may be present at the Annual Meeting or represented by proxy. Abstentions and broker “non-votes” are not counted as votes cast either “FOR” or “AGAINST” a given proposal, but are counted as present and entitled to vote for purposes of determining a quorum.

How many votes are needed to approve the proposals?

At the Annual Meeting, a “FOR” vote by a majority of votes cast is required for each of the nominees for Proposal 1 (the election of four Class II directors), Proposal 2 (the ratification of Ernst & Young as independent auditors for our 2019 fiscal year) and Proposal 3 (the say-on-pay proposal).

A “FOR” vote by a “majority of votes cast” means that the number of shares voted “FOR” exceeds the number of shares voted “AGAINST.”

Where can I find the voting results of the Annual Meeting?

The Company will announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K filed with the SEC within four business days of the completion of the meeting.

What is an abstention?

An abstention is a properly signed proxy card that is marked “abstain.” Abstentions do not constitute votes “FOR” or votes “AGAINST.”

What is a broker “non-vote?”

If you are a beneficial owner of shares held in “street name” and do not provide the broker, bank or other nominee that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the broker, bank or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, such organization will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is commonly referred to as a broker “non-vote.”

The election of directors (Proposal 1) and the say-on-pay proposal (Proposal 3) are matters considered non-routine under applicable rules. A broker, bank or other nominee cannot vote without your instructions on non-routine matters. **For your vote to be counted in the above proposals, you will need to communicate your voting decisions to your broker, bank or other nominee before the date of the meeting using the voting instruction form provided by your broker, bank or other nominee.**

The ratification of the appointment of Ernst & Young as our independent auditors for the fiscal year ending December 26, 2019 (Proposal 2) is a matter considered routine under applicable rules. A broker, bank or other nominee may generally vote on routine matters.

Will any other matters be acted on at the Annual Meeting?

If any other matters are properly presented at the Annual Meeting or any adjournment or postponement thereof, the persons named in the proxy will have discretion to vote on those matters. As of February 15, 2019, the date by which any proposal for consideration at the Annual Meeting submitted by a stockholder must have been received by us to be presented at the Annual Meeting, and as of the date of these proxy materials, we did not know of any other matters to be presented at the Annual Meeting.

Who pays for this proxy solicitation?

We will pay the expenses of soliciting proxies. In addition to solicitation by mail, proxies may be solicited in person or by telephone or other means by our directors or associates. We will reimburse brokerage firms and other nominees, custodians and fiduciaries for costs incurred by them in mailing these proxy materials to the beneficial owners of common stock held of record by such persons.

Whom should I contact with other questions?

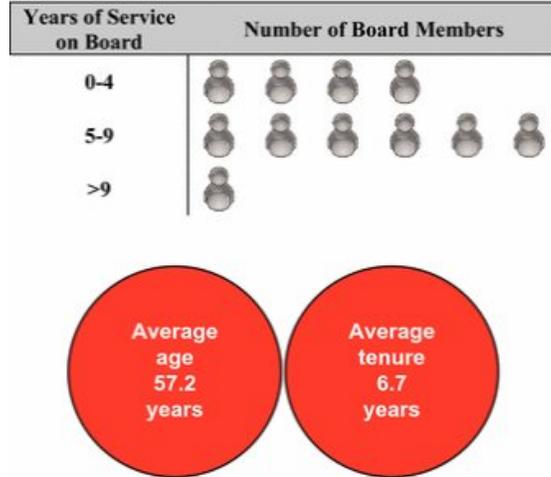

If you have additional questions about these proxy materials or the Annual Meeting, please contact: Floor & Decor Holdings, Inc., 2233 Lake Park Drive, Smyrna GA 30080, Attention: David V. Christopherson, Telephone: (404) 471-1634.

ELECTION OF FOUR CLASS II DIRECTORS (PROPOSAL 1)

Board Structure and the Nominees

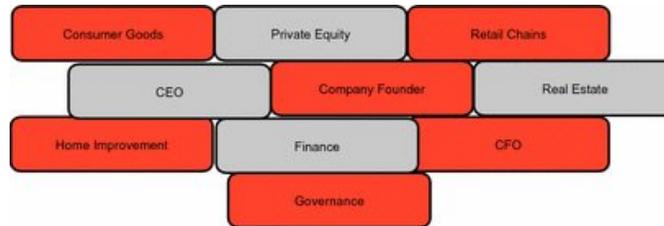

The Board is comprised of 11 directors. Pursuant to our Restated Certificate of Incorporation (our “certificate of incorporation”), the Board is divided into three classes. The members of each class serve for staggered, three-year terms. Ms. Thornton served as Chief Financial Officer and led overall strategy for Albertsons, a grocery and drugstore company, from 2001 to 2006. Ms. Thornton served in a variety of executive strategic and financial roles from 1992 to 2000 for Ralphs Grocery Company, Inc., a grocery store chain, and for Fred Meyer, a retail supermarket company, both of which eventually became part of The Kroger Company, a global retailer of grocery, multi-department, discount, convenience and jewelry stores, where Ms. Thornton served as Group Vice President responsible for retail operations. Ms. Thornton has served as a member of the boards of directors of public and private companies, including Nordstrom, Inc., a luxury retailer, from November 2010 to May 2012 and for Knowledge Universe Education, Inc. from November 2006 to May 2012. Ms. Thornton also served as an Advisor to the Special Committee of the board of directors of DeMoulas from April 2014 to June 2014. Ms. Thornton received a B.S. in Economics from Santa Clara University and an M.B.A. from the University of Southern California. Ms. Thornton's extensive executive experience in retail, and particularly in large high growth multi-unit retailers, led to the conclusion that she should serve as a member of our Board.

OTHER BOARD INFORMATION

Board Meetings in 2018

The Board held four meetings during our fiscal year ended December 27, 2018 (“Fiscal 2018”).

Director Attendance

During Fiscal 2018, each of our directors attended at least 75% of the total number of meetings of the Board and committees on which he or she served that were held during the period he served as a director or committee member, as applicable.

We encourage, but do not require, our directors to attend our annual meetings of stockholders. All of our directors attended our 2018 annual meeting of stockholders.

Director Independence

Our Board has reviewed the independence of our directors and has considered whether any director has a material relationship with us that could compromise that director’s ability to exercise independent judgment in carrying out that director’s responsibilities. Our Board has affirmatively determined that each of Messrs. Axelrod, Brutocao, Fung, Kaplan, Roth, Starrett and Sullivan and Ms. Lee and Thornton qualifies as an “independent director,” as defined in the corporate governance rules of the New York Stock Exchange (the “NYSE”).

Our common stock has been listed for trading on the NYSE under the symbol “FND” since April 27, 2017.

Board Leadership Structure

Our Board has no policy with respect to the separation of the offices of Chief Executive Officer and Chairman of the Board. It is the Board’s view that rather than having a rigid policy, the Board, with the advice and assistance of the Nominating Committee, and upon consideration of all relevant factors and circumstances, will determine, as and when appropriate, whether the two offices should be separate.

Currently, our leadership structure separates the offices of Chief Executive Officer and Chairman of the Board with Mr. Taylor serving as our Chief Executive Officer and Mr. Axelrod as Chairman of the Board. We believe this is appropriate as it provides Mr. Taylor with the ability to focus on our day-to-day operations while Mr. Axelrod focuses on oversight of our Board.

The procedures by which a particular director is selected to preside at each executive session meeting of the independent or non-management directors of our Board are disclosed in our Corporate Governance Guidelines, which are available on the Governance Documents page of the Investors section of our website located at www.FloorandDecor.com.

Risk Oversight

Our Board plays an active role in overseeing management of our risks. Our Board regularly reviews information regarding our credit, compliance, liquidity and operations, as well as the risks associated with each. The compensation committee of our Board (the “Compensation Committee”) is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements and the audit committee of the Board (the “Audit Committee”) is responsible for overseeing the management of financial, legal and regulatory risks and our enterprise risk management process generally. The Nominating Committee is responsible for managing risks associated with the independence of the Board. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, our full Board keeps itself regularly informed regarding such risks through committee reports and otherwise.

Board Committees

Our Board has the authority to appoint committees to perform certain management and administration functions. Our Board has the following standing committees: an Audit Committee, a Compensation Committee and a Nominating Committee. The composition and responsibilities of each standing committee are described below. Members serve on these committees until their resignation or until otherwise determined by the Board.

The Board has adopted a written charter for each of our Audit Committee, Compensation Committee and Nominating Committee, which are available, along with the Code of Business Conduct and Ethics and Corporate Governance Guidelines, on the Governance Documents page of the Investors section of our website located at www.FloorandDecor.com. We intend to disclose any amendments to the above documents, or any waivers of their requirements, on our website to the extent required by applicable SEC rules or the rules of the NYSE.

Audit Committee

The Audit Committee held four meetings during Fiscal 2018 and consists of Messrs. Starrett and Sullivan and Mr. Fung who acts as its chair. Our Board determined that each of Messrs. Fung and Sullivan qualifies as an “audit committee financial expert” as defined in Item 407(d)(5)(ii) of Regulation S-K, has the attributes set forth in such section and is financially literate, as required by the rules of the NYSE. In addition, our Board has determined that each of Messrs. Fung, Starrett and Sullivan is independent as independence is defined under the rules of the NYSE and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The principal duties and responsibilities of our Audit Committee are as follows:

- to monitor our financial reporting process and internal control system;
- to appoint and replace our independent registered public accounting firm from time to time, determine their compensation and other terms of engagement and oversee their work;
- to oversee the performance of our internal audit function; and
- to oversee our compliance with legal, ethical and regulatory requirements.

The Audit Committee has the power to investigate any matter brought to its attention within the scope of its duties. It also has the authority to retain counsel and advisors to fulfill its responsibilities and duties.

Compensation Committee

The Compensation Committee held three meetings during Fiscal 2018 and consists of Mr. Brutocao, Ms. Lee and Mr. Axelrod, who acts as its chair.

The principal duties and responsibilities of our Compensation Committee are as follows:

- to provide oversight on the development and implementation of the compensation policies, strategies, plans and programs for our key employees and outside directors and disclosure relating to these matters;
- to review and approve the compensation of our chief executive officer and the other executive officers of us and our subsidiaries; and
- to provide oversight concerning the compensation of our chief executive officer, performance of the chief executive officer, to prepare a report on executive compensation for inclusion in this proxy statement and the Annual Report and related matters.

Role of Outside Advisors. Pursuant to the charter of the Compensation Committee, the Compensation Committee has the authority to engage independent counsel, accountants, consultants and other advisers as it deems necessary or appropriate to carry out its duties and responsibilities. In Fiscal 2018 our Compensation Committee engaged Korn Ferry (“Korn Ferry”) to provide analysis related to the competitiveness of our executive and director compensation programs, periodic reviews of our compensation peer group, the presentation of compensation and governance trends to the Compensation Committee, and other mandates as directed by the Compensation Committee.

In Fiscal 2018, we paid Korn Ferry approximately \$193,389, which consisted of approximately \$170,775 for services related to executive and director compensation and approximately \$22,614 for services related to store employee compensation.

The Compensation Committee annually reviews the independence of Korn Ferry as its consultant under applicable SEC and NYSE rules on conflict of interest. Following this review, the Compensation Committee determined that Korn Ferry’s work for us does not raise any conflicts of interest.

The Compensation Committee's evaluation included consideration of all services provided to us, the amount of fees received as a percentage of Korn Ferry's annual revenue, its policies and procedures designed to prevent conflicts of interest, any business or personal relationships between Korn Ferry and the members of our Compensation Committee or executive officers and any ownership of our stock by the advisors providing executive and director compensation services to us.

Compensation Risk Assessment. In Fiscal 2018, Korn Ferry supported management and the Compensation Committee in conducting their risk assessment of our incentive compensation plans and practices. As a result of this analysis as well as their regular review of compensation policies and practices, management has concluded that our compensation programs do not create risks that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee has reviewed and agrees with management's conclusion.

Nominating Committee

The Nominating Committee held two meetings during Fiscal 2018 and consists of Ms. Lee, Mr. Roth and Ms. Thornton, who acts as its chair.

The principal duties and responsibilities of the Nominating Committee are as follows:

- to establish criteria for board and committee membership and recommend to our Board proposed nominees for election to the Board and for membership on committees of the Board;
- oversee the evaluations of the Board, the committees of the Board and management; and
- to make recommendations to our Board regarding board governance matters and practices.

Director Qualifications; Nominating Committee Process. The Nominating Committee's policy is to identify potential nominees from any properly submitted nominations, including any properly submitted nominations from our stockholders, and subsequently evaluate each potential nominee. To properly submit a nomination, our stockholders must provide timely notice of such nomination in accordance with Section 1.10 of our Second Amended and Restated Bylaws (the "Bylaws").

The Nominating Committee conducts the appropriate and necessary inquiries (as determined by the Nominating Committee) with respect to the backgrounds and qualifications of any potential nominees, without regard to whether a potential nominee has been recommended by our stockholders, and, upon consideration of all relevant factors and circumstances, recommends to the Board for its approval the slate of director nominees to be nominated for election at our annual meeting of stockholders. The Nominating Committee considers potential nominees without regard to race, color, creed, religion, national origin, age, gender, sexual orientation or disability. The Nominating Committee has not adopted a formal policy with respect to diversity. In general, the Company seeks a Board that includes a diversity of perspectives and includes individuals that possess backgrounds, skills, expertise and attributes that allow them to function collaboratively and effectively together in their oversight of the Company.

Code of Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics that applies to all of our employees, including those officers responsible for financial reporting. The Code of Business Conduct and Ethics is available on our website at www.FloorandDecor.com. We intend to disclose any amendments to the code, or any waivers of its requirements, on our website to the extent required by applicable SEC rules or the rules of the NYSE. The inclusion of our website address in this proxy statement does not include or incorporate by reference the information on or accessible through our website into this proxy statement.

Compensation Committee Interlocks and Insider Participation

None of the directors who served on the Compensation Committee in Fiscal 2018 has ever served as one of our officers or employees. In addition, none of the directors who served on the Compensation Committee had any relationship with us or any of our subsidiaries during Fiscal 2018 pursuant to which disclosure would be required under applicable rules and regulations of the SEC pertaining to the disclosure of transactions with related persons. During Fiscal 2018, (A) none of our executive officers served as a member of the compensation committee (or other committee performing similar functions or, in the absence of any such committee, the entire board of directors) of any other entity of which an executive officer of such other entity served on our Compensation Committee; (B) none of our executive officers served as a director of any other entity of which an executive officer of such other entity served on our Compensation Committee; and (C) none of our executive officers served as a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of any other entity of which an executive officer of such other entity served on the Board.

Stockholders and other interested parties may send communications to the Board, or to any particular director, to the following address: Floor & Decor Holdings, Inc., 2233 Lake Park Drive, Smyrna, GA 30080, Attention: Secretary. The Investor Rights Agreement also provides that the size of our Board may not exceed 12 members unless otherwise agreed by our Sponsors. In addition, subject to certain conditions, the Investor Rights Agreement provides each Sponsor with certain rights with respect to board committee membership, except to the extent that such membership would violate applicable securities laws or stock exchange or stock market rules.

We do not believe that any such transaction is significant enough to be material to us or the applicable related person.

Statement of Policy Regarding Transactions with Related Persons

Policies regarding transactions with related persons are included in the charter of our Audit Committee and in our Corporate Governance Guidelines, each of which require that any transaction with a "related person" (as defined in paragraph (a) of Item 404 Regulation S-K) that is brought to the Audit Committee's attention be reviewed and approved by the Audit Committee.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (PROPOSAL 2)

In accordance with the Audit Committee’s charter, the Audit Committee is responsible for the appointment and retention of our independent auditors. In our fiscal years ended December 28, 2017 (“Fiscal 2017”) and Fiscal 2018, all audit and non-audit services were pre-approved by the Audit Committee.

The Audit Committee has appointed Ernst & Young to serve as our independent auditors for our fiscal year ending December 26, 2019, subject to ratification by our stockholders. Representatives of Ernst & Young will be present at the Annual Meeting to answer questions and will also have the opportunity to make a statement if they desire to do so. If the proposal to ratify Ernst & Young’s appointment is not approved, other certified public accountants will be considered by the Audit Committee. Even if the proposal is approved, the Audit Committee, in its discretion, may direct the appointment of new independent auditors at any time during the year if it believes that such a change would be in the best interest of the Company and its stockholders.

Fees Paid to Ernst & Young LLP

The fees incurred by us for professional services rendered by Ernst & Young for Fiscal 2017 and Fiscal 2018 were as follows:

	Fiscal 2018		Fiscal 2017

(1) Audit fees include fees and expenses for professional services rendered for the audit of the Company’s annual consolidated financial statements, reviews of quarterly financial statements, and related services. Audit fees also include fees and expenses associated with securities offerings and filing registration statements with the Securities and Exchange Commission, including those associated with our initial public offering (our “IPO”), two secondary offerings in 2017 and two secondary offerings in 2018.

(2) Tax fees include fees for tax services, including tax compliance, tax advice and tax planning.

The Audit Committee has concluded that the provision of the foregoing services is compatible with maintaining Ernst & Young’s independence.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures for the pre-approval of audit services and permitted non-audit and tax services rendered by our independent registered public accounting firm. Pre-approval may also be given as part of our Audit Committee’s approval of the scope of the engagement of the independent auditor or on an individual, case-by-case basis before the independent auditor is engaged to provide each service. The chairperson of the Audit Committee has been delegated the authority to pre-approve any engagement for such audit services and permitted non-audit and tax services, in each case, up to a maximum amount of \$50,000, provided that the chairperson of the Audit Committee must disclose all such pre-approved services to the full Audit Committee at the meeting of the Audit Committee immediately following any such pre-approval.

All of the services provided by Ernst & Young described above were approved by our Audit Committee pursuant to our Audit Committee’s pre-approval policies.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE *FOR* THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG AS INDEPENDENT AUDITORS FOR OUR FISCAL YEAR ENDING DECEMBER 26, 2019.

AUDIT COMMITTEE REPORT

The Audit Committee is comprised of three independent directors and operates under a written charter adopted by the Board, a copy of which is available on the Corporate Governance page of the Investors section of our website located at www.FloorandDecor.com. The Board has determined that each of Messrs. Starrett, Sullivan and Fung is independent as independence is defined under the applicable section of the NYSE rules, and that each of Messrs. Starrett, Sullivan and Fung is independent as independence is defined under Rule 10A-3(b)(1) under the Exchange Act. The Board has also determined that each of Messrs. Sullivan and Fung qualifies as an “audit committee financial expert.”

The primary purposes of the Audit Committee are to: monitor our financial reporting process and internal control system; appoint our independent registered public accounting firm, determine its compensation and other terms of engagement and oversee its work; oversee the performance of our internal audit function; and oversee our compliance with legal, ethical and regulatory matters.

As noted above, the Audit Committee assists the Board in appointing our independent registered public accounting firm, Ernst & Young, which includes, among other things, reviewing and evaluating the performance of the lead audit partner responsible for our audit, overseeing the required rotation of the lead audit partner and reviewing and considering the selection of the lead audit partner. In appointing Ernst & Young and the lead audit partner, the Audit Committee considered, among other things, the quality and efficiency of the services provided, including the results of a global internal survey of Ernst & Young’s performance, the technical capabilities of the engagement teams, external data concerning Ernst & Young’s audit quality and performance obtained from reports of the Public Company Accounting Oversight Board (“PCAOB”) and the engagement teams’ understanding of our company’s business. The Audit Committee and the Board believe that the continued retention of Ernst & Young to serve as the Company’s independent auditor is in the best interests of the Company and its stockholders and have recommended that stockholders ratify the appointment of Ernst & Young as the Company’s independent auditor for the fiscal year 2019.

The Audit Committee discussed the auditors’ review of our quarterly financial information with the auditors prior to the release of such information and the filing of our quarterly reports with the SEC. The Audit Committee also met and held discussions with management and Ernst & Young with respect to our audited year-end financial statements.

Further, the Audit Committee discussed with Ernst & Young the matters required to be discussed by Statement on Auditing Standards No. 1301, as amended (Communications With Audit Committees), received the written disclosures and the letter from Ernst & Young required by applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communications with the Audit Committee concerning independence, has discussed with the auditors the auditors’ independence and has considered, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, the independent registered public accounting firm. In determining Ernst & Young’s independence, the Audit Committee considered whether Ernst & Young’s provision of non-audit services were compatible with the independence of the independent registered public accounting firm. The Audit Committee also discussed with the auditors and our financial management matters related to our internal control over financial reporting. Based on these discussions and the written disclosures received from Ernst & Young, the Audit Committee recommended that the Board include the audited financial statements in the Annual Report for the fiscal year ended December 27, 2018, for filing with the SEC. The Board has approved this recommendation.

This audit committee report is not deemed filed under the Securities Act or the Exchange Act, and is not incorporated by reference into any filings that we may make with the SEC.

Fiscal 2018 Compensation

Compensation Philosophy and Objectives

The material components of our executive compensation program and their purposes and key characteristics are summarized in the following chart:

What We Do		What We Don't Do	
✓	Pay-for-Performance : Majority of fiscal year pay is performance-based and not guaranteed	X	No Excise Tax Gross-Ups : The Company does not provide any excise tax gross-up payments in connection with a change in control
✓	Annual Compensation Risk Review : Annually assess risk in compensation programs	X	No Tax Gross-ups for Perquisites : The Company does not provide tax gross-ups to NEOs for the limited perquisites we provide
✓	Share Ownership Guidelines : NEOs must comply with share ownership requirements	X	No Hedging or Pledging : NEOs are prohibited from engaging in hedging transactions, pledging Company stock as collateral and similar arrangements with respect to the Company's securities

Our compensation philosophy reflects the following general principles:

- *Simplicity and transparency*: Base salary, incentive compensation and stock option awards should be easy to understand, and total compensation should be market and performance-based.
- *Attractive compensation for talent*: The more senior the executive, the more pay should be “at risk.”
- *Pay for performance*: Compensation should only be paid (with the possibility of no incentive payments) when financial performance is achieved that aligns with the strategic and financial priorities set by the Board.
- *Operating income is an appropriate measure of performance*: Incentive compensation should be tied to operating income because it is a measure of profitability scrutinized by public companies and excludes uncontrollable factors like taxes and interest rates.

Determination of Compensation

Role of the Compensation Committee in Executive Compensation

During Fiscal 2018, the Compensation Committee made all decisions regarding the compensation levels of our executive officers.

It is the Compensation Committee's responsibility to:

- oversee the design of our executive compensation programs, policies and practices;
- determine the types and amounts of most compensation for executive officers; and
- review and approve the adoption, termination and amendment of, and to administer and, as appropriate, make recommendations to the Board regarding, our incentive compensation and stock option plans.

In addition, as described in these proxy materials, the Compensation Committee has directly engaged Korn Ferry to assist in its review of compensation for our executive officers.

Role of Executive Officers in Determining Executive Compensation

The Compensation Committee and the Board made all decisions regarding the compensation of our executive officers, after considering recommendations by Mr. Taylor (other than with respect to his own compensation).

Our human resources department supports the Compensation Committee's work, and in some cases acts under delegated authority to administer compensation programs.

Role of the Compensation Consultant

The Compensation Committee has retained Korn Ferry as its consultant to provide advice on executive and director compensation practices. Korn Ferry's support generally includes analysis related to the competitiveness of our executive and director compensation programs, periodic reviews of our compensation peer group, the presentation of compensation and governance trends to the Compensation Committee, and other mandates as directed by the Compensation Committee.

In Fiscal 2018, we paid Korn Ferry approximately \$193,389, which consisted of approximately \$170,775 for services related to executive and director compensation and approximately \$22,614 for services related to store employee compensation.

The Compensation Committee annually reviews the independence of Korn Ferry as its consultant under applicable SEC and NYSE rules on conflict of interest. Following this review, the Compensation Committee determined that Korn Ferry's work for us does not raise any conflicts of interest. The Compensation Committee's evaluation included consideration of all services provided to us, the amount of fees received as a percentage of Korn Ferry's annual revenue, its policies and procedures designed to prevent conflicts of interest, any business or personal relationships between Korn Ferry and the members of the Compensation Committee or executive officers and any ownership of our stock by the advisors providing executive and director compensation services to us.

In making executive compensation determinations for Fiscal 2018, we relied on the significant experience of our directors in establishing compensation across many companies, as well as the input of our Chief Executive Officer, who has many years of experience in our industry. Prior to our IPO, our Compensation Committee analyzed market data for executive compensation focusing on retail companies with \$350 million to \$2.5 billion in annual revenue. The Compensation Committee also reviewed compensation data from the public filings for the following companies:

Big 5 Sporting Goods	Lumber Liquidators
Conn's	Restoration Hardware
The Container Store	Select Comfort
Ethan Allen Interiors	Tile Shop
Haverty Furniture	Party City
Hibbett Sports	Pier 1
La-Z-Boy	

While the Compensation Committee considered this data from time to time to generally inform decisions relating to NEO compensation, it did not seek to benchmark our NEO compensation to any particular level. The Compensation Committee expects to periodically evaluate competitive market data to include the most suitable peer group as well as other market data deemed relevant. The Compensation Committee will review our NEO compensation against an appropriate peer group on a more formal basis and will also consider other relevant market data to ensure that our NEO compensation is competitive and sufficient to recruit and retain our NEOs.

The Compensation Committee expects to periodically review and update this peer group and to utilize Korn Ferry for benchmarking and peer group analysis in determining and developing compensation packages for our NEOs.

Say-on-Pay Consideration

At our 2018 annual meeting of stockholders, we held a stockholder advisory vote on the compensation of our NEOs in Fiscal 2017 ("2018 say-on-pay"). Our stockholders overwhelmingly approved the compensation of our NEOs, with approximately 99% of the votes cast in favor of our 2018 say-on-pay resolution. We believe that the outcome of our 2018 say-on-pay vote signals our stockholders' support of our compensation programs and philosophy, specifically our efforts to retain and motivate our NEOs and to align pay with performance and the long-term interests of our stockholders.

The Compensation Committee reviewed and considered these voting results, among other factors described in this Compensation Discussion and Analysis, in evaluating our executive compensation programs and philosophy.

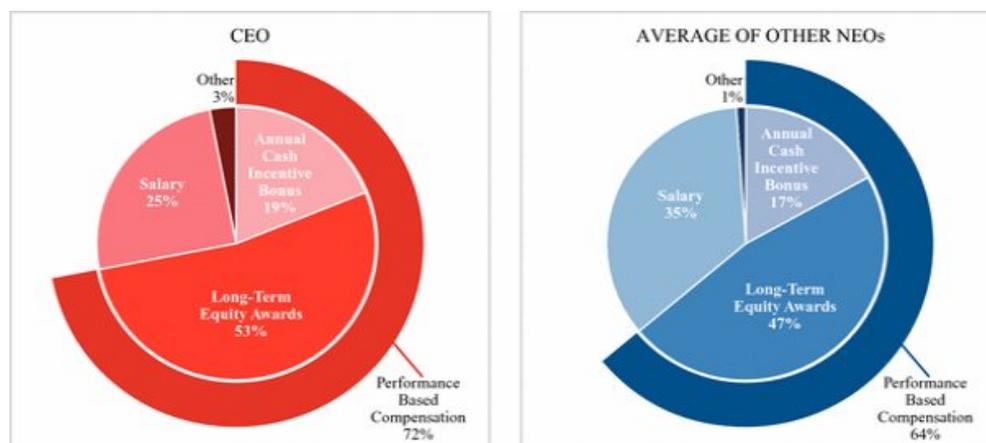

Elements of Our Executive Compensation Program

For Fiscal 2018, our executive compensation program consisted of the following elements:

	REWARD ELEMENT	FORM	PURPOSE
FIXED	Base Salary	Cash	*Provides a fixed level of competitive base pay to help us attract and retain successful executive talent*
	Severance Payments	Cash	Eases NEOs worries in the event of certain terminations of employment
AT RISK	Annual Cash Incentive Bonus	Cash	Rewards NEOs for overall increases in operating income
	Stock Incentive Plan	Stock Options	Rewards and incentivizes performance, retention and creation of long-term stockholder value and achievement of key operating metrics over a longer term period

We do not have formal policies relating to the allocation of total compensation among the various elements of our compensation program. We generally allocate compensation between short-term and long-term components and between cash and equity in a manner that we believe will maximize executive performance and retention. The variable pay elements (annual cash incentive and long-term incentive equity awards) comprise an increasingly larger proportion of total compensation of our senior executives as position level increases. This is consistent with our belief that these at-risk elements of compensation more closely align management’s interests with our financial performance and with our employees’ interests.

The charts below show the percentage of our NEOs’ Fiscal 2018 direct compensation that was performance-based (based on fiscal year 2018 Summary Compensation Table).

Base Salary. Base salary is a visible and stable foundation of our compensation program. The base salaries of our NEOs are intended to reflect the position, duties and responsibilities of each executive and the market for base salaries of similarly situated executives at other companies of similar size and in similar industries. On a prospective basis, we will continue to evaluate the mix of base salary, short-term incentive compensation and long-term incentive compensation to appropriately align the interests of our NEOs with those of our stockholders. When reviewing each executive’s base salary, the Compensation Committee considers the level of responsibility and complexity of the executive’s role, whether individual performance in the prior year was particularly strong or weak, and the salaries paid for the same or similar positions in the competitive market. After considering these factors, the Compensation Committee determined to maintain base salaries constant for Fiscal 2019.

Base salaries for our NEOs as of the end of Fiscal 2018 are listed below.

Name	Fiscal 2018	
	Base Salary	
Thomas V. Taylor	\$	950,000
Trevor S. Lang	\$	435,000
Lisa G. Laube	\$	505,000
Brian K. Robbins	\$	400,000
David V. Christopherson	\$	345,000

Annual Cash Incentive Bonuses. Our NEOs are eligible to receive annual cash incentives. We consider annual cash incentive bonuses to be “at-risk” compensation. As “at-risk” compensation, we increase the size of the target incentive, as a percentage of base compensation, proportionate to each NEO’s position and responsibilities. The annual incentives are intended to reward our NEOs for achieving a target operating income objective established by the Compensation Committee at the beginning of the year. For Fiscal 2018, (i) Mr. Taylor was eligible to receive an annual incentive with a target amount equal to 100% of his base salary, (ii) Ms. Laube and Mr. Lang were eligible to receive an annual incentive with a target amount equal to 65% of their respective base salary, (iii) Mr. Robbins was eligible to receive an annual incentive with a target amount equal to 60% of his base salary and (iv) Mr. Christopherson was eligible to receive an annual incentive with a target amount equal to 55% of his salary.

In Fiscal 2018, our target operating income as calculated with respect to the annual incentive bonuses was \$144.8 million. Our operating income as calculated with respect to such annual cash incentive bonuses was \$138.6 million, which was 96% of the target and resulted in a payout percentage of approximately 77%. Operating income was adjusted to reflect one-time costs related to exiting our Miami distribution center and our two secondary offerings of our common stock by certain selling stockholders, partially offset by net insurance recoveries received from Hurricane Harvey. Accordingly, based on our achievement of 96% of our operating income target for Fiscal 2018, the NEOs received the following annual incentive bonuses:

Name	Target Annual Incentive	Target Annual Incentive %	Target Annual Incentive	Actual Payout Percentage
Thomas V. Taylor	\$ 927,885	100%	\$ 716,485	77%
Trevor S. Lang	\$ 281,163	65%	\$ 217,105	77%
Lisa G. Laube	\$ 326,375	65%	\$ 252,017	77%
Brian K. Robbins	\$ 235,421	60%	\$ 181,785	77%
David V. Christopherson	\$ 184,160	54%	\$ 142,203	77%

In February 2019, the Compensation Committee adopted the 2019 Annual Performance Bonus Program (the “2019 Bonus Program”), pursuant to which executive officers, including the NEOs, will be eligible to earn an annual cash incentive based upon our achievement of operating income for the 2019 fiscal year. For payouts at target, our operating income must be \$ 161.8 million, with greater payouts possible in the event we exceed our target operating income objective. Under the 2019 Bonus Program, our operating income must be at least \$140.4 million in order for any payouts to be made. Mr. Taylor is eligible to receive a bonus with a target amount equal to 100% of his base salary. Ms. Laube and Messrs. Lang, Robbins and Christopherson are each eligible to receive a bonus with a target amount equal to 65%, 65%, 60% and 55% of their respective base salaries.

Stock Option Awards

2011 Stock Incentive Plan

We maintain the FDO Holdings, Inc. Amended and Restated 2011 Stock Incentive Plan (the “2011 Plan”), pursuant to which we were permitted to grant incentive stock options, non-qualified stock options and restricted stock to our employees, including the NEOs. We froze the 2011 Plan in connection with the IPO. No further awards will be granted under the 2011 Plan but awards granted prior to the freeze date will continue in accordance with their terms and the terms of the 2011 Plan. Stock options granted under the 2011 Plan generally become exercisable in equal annual installments of 20% each, on each of the first five anniversaries of their grant date as long as the NEO is continuously employed by us on each vesting date. For Mr. Taylor, certain stock options become exercisable in annual installments of 25% each on each of the first four anniversaries of their grant date.

On September 30, 2016, in connection with a non-recurring extraordinary dividend, we adjusted the exercise price of certain outstanding stock options and made cash payments to certain stock option holders in accordance with the terms of the 2011 Plan to account for such dividend, including stock options held by the NEOs, in order to prevent substantial dilution or enlargement of the rights of such option holders. Certain option holders, including the NEOs, will, in the event of a termination of employment prior to March 31, 2018, be required to repay dividend payments received in respect of stock options that were unvested as of September 30, 2016 and that remain unvested as of the date of termination. There was no incremental change to the fair value of the options in connection with the adjustment of the exercise price.

2017 Stock Incentive Plan

In connection with our IPO, our Board adopted and our stockholders approved the Floor & Decor Holdings, Inc. 2017 Stock Incentive Plan (the “2017 Plan”), pursuant to which we may grant incentive stock options, non-qualified stock options, restricted stock, other stock-based awards and performance-based cash awards to our employees, including the NEOs. We believe that a new omnibus incentive plan was appropriate in connection with a public offering of our common stock not only to continue to enable us to grant awards to management to reward and incentivize their performance and retention, but also to have a long-term equity plan that is appropriate for us as a publicly held company.

Fiscal 2018 Awards

We generally grant stock options to our NEOs every 12-18 months, with interim grants for new hires and promotions after the regular grant date. We believe that regular equity-based long-term incentive awards align the interests of our NEOs with our stockholders and focus our NEOs on our long-term growth. In addition, we believe that these equity-based awards are essential to attract and retain the talented professionals needed for our continued success. We view stock options as a form of long-term incentive that focuses and rewards our NEOs for increasing our stock price. If the stock price does not increase from the level at the date of grant, the stock options will have no value to the NEOs. In determining the size of equity-based grants, the Compensation Committee considers, among other things, the number of shares available under the 2017 Plan, the potential dilutive impact of such grants on our stockholders, and the individual’s position with us.

As part of our regular normal-cycle long-term incentive grants, we granted options to certain eligible employees, including our NEOs, on November 2, 2018, with an exercise price equal to the closing price of our common stock on the NYSE of \$31.98 per share on the date of grant. These options will vest in four ratable annual installments on each of the first four anniversaries of the date of grant, generally subject to the grantee’s continued employment as of each applicable vesting date .

In addition, on March 2, 2018, in connection with his promotion to Executive Vice President, Mr. Christopherson was granted 16,154 options with an exercise price equal to the closing price of our common stock on the NYSE of \$44.21 per share on the date of grant. Those options will vest in five ratable annual installments on each of the first five anniversaries of the date of grant, generally subject to Mr. Christopherson’s continued employment as of the applicable vesting date.

The number of stock options granted to our NEOs in Fiscal 2018 is shown below. Grants were made as described above, and additional detail on each grant can be found in the Summary Compensation Table and accompanying tables that follow:

Name	Stock Options Granted	Grant Date Fair Value
Thomas V. Taylor	135,301	\$1,980,000
Trevor S. Lang	38,951	\$570,000
Lisa G. Laube	43,051	\$630,000
Brian K. Robbins	24,765	\$362,400
David V. Christopherson	40,919	\$692,600

401(k) Plan and other Benefits. All full-time employees are eligible to participate in our 401(k) plan after six months of service and are eligible to receive matching contributions from us after one year of service. We match employee contributions in cash at a rate of 40% of the first 5% of base compensation that an employee contributes, with graded vesting over a six-year period. Our NEOs are also eligible for our matches, subject to regulatory limits on contributions to 401(k) plans. Messrs. Lang, Robbins and Christopherson and Ms. Laube each participate in the 401(k) plan. In addition to participation in our 401(k) plan, we provide our NEOs with employer paid group term life insurance, and in order to maximize productivity and ensure that Mr. Taylor can be immediately available to respond to business priorities, we pay for certain of Mr. Taylor’s business-related commuting costs in connection with his regular travel to our corporate office.

Employment Agreements

We are party to employment agreements with Messrs. Taylor, Lang, Robbins and Christopherson and Ms. Laube. The employment agreements were entered into with each of the NEOs on July 29, 2015 and provide for one-year terms (or, in the case of Mr. Taylor, three years) and are renewed for successive one-year terms at the end of the initial term. Each employment agreement provides for the payment of base salary and certain other benefits. Each of the NEOs is also eligible to earn an annual bonus equal to a percentage of base salary, based on the achievement of performance criteria.

The NEOs are also eligible to receive severance benefits in the event of certain terminations of employment. For a more detailed description of such benefits, see “Potential Payments upon Termination or Change in Control.”

Restrictive Covenants

Each of the NEOs are subject to certain non-compete and non-solicitation restrictions while employed and for one year after termination of employment (or, in the case of Mr. Taylor, for three years after termination of employment). In addition, each NEO is subject to confidentiality and non-disparagement restrictions.

Tax and Accounting Considerations

As a general matter, our Board and the Compensation Committee review and consider the various tax and accounting implications of our existing and proposed compensation programs.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 718 requires us to recognize an expense for the fair value of share-based compensation awards. Grants of stock options under the 2011 Plan and the 2017 Plan are accounted for under FASB ASC Topic 718. The Compensation Committee considers the accounting implications of significant compensation decisions, especially in connection with decisions that relate to our long-term incentive program. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our share-based compensation awards with our overall executive compensation philosophy and objectives.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”) generally disallows publicly-listed companies a tax deduction for compensation in excess of \$1,000,000 paid to certain current and former executive officers, but historically contained an exception for performance-based compensation. However, 2017 year-end tax reform legislation (“Tax Legislation”) eliminated this exemption, generally effective for taxable years beginning after December 31, 2017. The Tax Legislation provides for transition relief for certain contractual arrangements in place as of November 2, 2017; however, the scope of the transition rule remains uncertain. Accordingly, the full impact of the changes made by the Tax Legislation to Section 162(m) is not yet known. We will continue to monitor developments affecting the changes to Section 162(m) and will consider the potential impact of the Tax Legislation and related transition relief in designing future compensation programs. We will continue to develop compensation programs that use a full range of performance criteria important to our success, recognizing that compensation paid under such programs may not be deductible under Section 162(m) of the Code was repealed pursuant to the Tax Legislation. In the exercise of our business judgment, we continue to have the flexibility to award compensation that may not be tax deductible if we determine that is appropriate.

Hedging and Pledging Policy

Our insider trading policy expressly prohibits transactions involving hedging or pledging of shares of our common stock by Covered Persons (defined as our and our subsidiaries’ officers, directors and employees, as well as their immediate families and members of their households).

Stock Ownership Guidelines

To further align the long-term interests of our executives and our stockholders, in connection with our IPO, we adopted stock ownership guidelines applicable to our Chief Executive Officer, other executive officers and non-employee directors. The guidelines require our executives and non-executive directors to maintain the following beneficial ownership of shares of our common stock (measured in market value):

Group	Required ownership
Chief Executive Officer	5 times annual base salary
Executive Vice Presidents	3 times annual base salary
Senior Vice Presidents	2 times annual base salary
Non-employee directors	5 times annual cash retainer

Our executives and non-employee directors have until May 2022 or, if later, five years from the effective date of their respective election, appointment or promotion, as the case may be, to satisfy these stock ownership guidelines. For the purposes of these stock ownership guidelines, the annual consulting fee received by Mr. West under his consulting agreement with us will be deemed to be his annual cash retainer. For purposes of determining ownership levels, shares of common stock owned outright, unvested shares of restricted stock and shares underlying vested and certain unvested, in-the-money options to purchase common stock are included. Shares of common stock underlying an award subject to performance-vesting for which the performance criteria have not been satisfied are not included. As of the end of Fiscal 2018, all of our executive officers were in compliance with these guidelines.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed with management the above Compensation Discussion and Analysis. Based on our review and discussions with management, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Report.

CEO Pay Ratio Disclosure

As required by Item 402(u) of Regulation S-K, which was mandated by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), we are providing the following information about the relationship of the median annual total compensation of our employees and the annual total compensation of Tom Taylor, our Chief Executive Officer (our “CEO”), based on data as of December 31, 2018 (the “Determination Date”).

Our employee population consists of a significant number of part-time employees, many of whom are also compensated on an hourly basis. Approximately 92% of our employees are compensated on an hourly basis, and part-time employees represent approximately 28% of our total workforce. Our median employee in Fiscal 2018 was determined to be a full-time hourly employee.

For Fiscal 2018:

- The median of the annual total compensation of all employees of our company (other than our CEO) was determined to be \$21,206; and
- The annual total compensation of our CEO, as reported in the Summary Compensation Table included herein, was \$3,723,308.

Based on this information, for Fiscal 2018, the ratio of the annual total compensation of our CEO to the median of the annual total compensation of all employees was 176 to 1.

This pay ratio is a reasonable estimate calculated in good faith, in a manner consistent with Item 402(u) of Regulation S-K. To identify the median of the annual total compensation of all our employees, as well as to determine the annual total compensation of our median employee and our CEO, we took the following steps:

- We determined that, as of the Determination Date, our employee population consisted of approximately 6,571 individuals with 99.8% of these employees located in the United States and 0.2% located outside of the United States. This population consisted of our full-time, part-time, and temporary employees.
- We used a consistently applied compensation measure to identify our median employee by comparing the amount of salary, wages, overtime pay, bonuses and tips of our employees as reflected in our payroll records as reported to the Internal Revenue Service on Form W-2 for 2018. We did not annualize the compensation for any employee in identifying our median employee.
- We identified our median employee by consistently applying this compensation measure to all of our employees included in the analysis.
- After we identified our median employee, we calculated such employee’s annual total compensation for 2018 in accordance with the requirements of Item 402(c)(2) (x) of Regulation S-K, resulting in annual total compensation of \$21,206.
- With respect to the annual total compensation of our CEO, we used the amount reported in the “Total” column of our 2018 Summary Compensation Table included herein.

Such restricted stock awards will vest ratably on each of the first four anniversaries of the date of approval by the Board.

Directors who are not Non-Employee Directors will not receive any compensation for their services as directors.

We also reimburse our directors for reasonable out-of-pocket expenses incurred in connection with the performance of their duties as directors, including travel expenses in connection with their attendance in-person at board and committee meetings. For Fiscal 2019, our Board has approved a cash retainer of \$25,000 for the chair of our Audit Committee and \$15,000 for the chair of our Nominating Committee.

ADVISORY VOTE ON EXECUTIVE COMPENSATION (PROPOSAL 3)

In accordance with Section 14A of the Exchange Act, which was added by The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (“Dodd-Frank”) and the related SEC rules promulgated thereunder, we are providing our stockholders the opportunity to cast a non-binding advisory vote to approve the compensation of the named executive officers for the fiscal year ended December 27, 2018. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on the compensation of our named executive officers. The Board recommended, and the stockholders approved at our 2018 annual meeting of stockholders, that such advisory vote would be conducted once every year.

As described in the “Compensation Discussion and Analysis” section of these proxy materials, the primary objectives of our executive compensation program are to (i) provide simplicity and transparency regarding executive compensation, (ii) provide attractive compensation for talent, (iii) provide pay tied to specific performance goals and (iv) tie incentive compensation to operating income. The foregoing objectives are applicable to the compensation of our named executive officers. We urge our stockholders to review the Compensation Discussion and Analysis above and the compensation tables and narrative discussion included therein for more information.

We believe that our executive compensation program achieves these objectives by balancing multiple compensation elements, while keeping an appropriate portion of compensation “at risk,” which has enabled us to successfully motivate and reward the named executive officers. We believe such program is appropriate in light of our overall compensation philosophy and objectives and has played an essential role in our continued growth and financial success by aligning the long-term interests of the named executive officers with the long-term interests of our stockholders.

For these reasons, the Board recommends a vote in favor of the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers for the fiscal year ended December 27, 2018, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

As an advisory vote, this proposal is not binding upon us. Notwithstanding the advisory nature of this vote, the Compensation Committee values the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for our named executive officers. Furthermore, stockholders are welcome to bring any specific concerns regarding executive compensation to the attention of the Board at any time throughout the year. Please refer to “Other Board Information—Stockholder and Interested Party Communications” above for information about communicating with the Board.

The affirmative vote of the holders of a majority of the votes cast by our stockholders in person or represented by proxy and entitled to vote is required to approve this Proposal 3.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE *FOR* THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS FOR THE FISCAL YEAR ENDED DECEMBER 27, 2018, AS DISCLOSED IN THESE PROXY MATERIALS.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of our common stock as of March 20, 2019, by:

- each of our directors and NEOs;
- all of our directors, executive officers and certain other officers as a group; and
- each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our Class A common stock.

Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power of that security, including options that are currently exercisable or exercisable within 60 days of March 20, 2019. Shares issuable pursuant to options are deemed outstanding for computing the percentage of the person holding such options, but are not outstanding for computing the percentage of any other person. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all shares of Class A common stock shown that they beneficially own, subject to community property laws where applicable. The information does not necessarily indicate beneficial ownership for any other purpose.

Unless otherwise indicated, the address of each beneficial owner listed below is c/o Floor and Decor Holdings, Inc., 2233 Lake Park Drive, Smyrna, GA 30080.
