## INFORMATION CONTAINED IN THIS FORM 6-K REPORT

### **Effective Date of the Plan**

As previously disclosed, on November 12, 2017, Pacific Drilling S.A. (the “Company”) and certain of its subsidiaries (collectively with the Company, the “Initial Debtors”) filed voluntary petitions for relief (the “Bankruptcy Cases”) under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”), jointly administered under the caption *In re Pacific Drilling S.A., et al.*, Case No. 17-13193 (MEW).

Also as previously disclosed, on October 29, 2018, the Initial Debtors other than Pacific Drilling VIII Limited and Pacific Drilling Services, Inc. (collectively, the “Debtors”) filed the Fourth Amended Joint Plan of Reorganization. On November 2, 2018, the Bankruptcy Court issued a written order (the “Confirmation Order”) approving the Debtors’ Modified Fourth Amended Joint Plan of Reorganization (the “Plan”).

On November 19, 2018 (the “Plan Effective Date”), the Plan became effective pursuant to its terms and the Debtors emerged from the Bankruptcy Cases. As further described herein, pursuant to the Plan, the following principle transactions and events occurred on the Plan Effective Date (unless otherwise indicated, all capitalized terms used but not otherwise defined herein have the meanings set forth in the Plan):

- *Completion of \$500.0 million Offerings of Common Shares*. The Company issued common shares in connection with the completion of its \$460.0 million equity rights offering and \$40.0 million private placement.
- *Issuance of Common Shares to Equitize Undersecured Claims and in Payment of Equity Commitment Fee*. The Company issued common shares to holders of its Allowed Term Loan B Claims, Allowed 2017 Notes Claims and Allowed 2020 Notes Claims, and such claims were extinguished. The Company also issued common shares in payment of the Equity Commitment Fee.
- *Assumption of the \$750.0 million First Lien Notes and \$273.6 million Second Lien PIK Notes; Release of Escrowed Proceeds to the Company*. Pacific Drilling First Lien Escrow Issuer Limited and Pacific Drilling Second Lien Escrow Issuer Limited merged into the Company; the Company assumed all of the obligations of such issuers under the 8.375% First Lien Notes due 2023 (the “First Lien Notes”) and 11.000% / 12.000% Second Lien PIK Notes due 2024 (the “Second Lien PIK Notes” and together with the First Lien Notes, the “Notes”) and executed supplemental indentures in connection therewith; certain subsidiaries of the Company guaranteed the Notes as required pursuant to the indentures for the Notes and executed supplemental indentures in connection therewith; the Company and guarantors executed documents providing collateral as required pursuant to the indentures for the Notes; and the net proceeds of the issuance of the Notes were released to the Company.
- *Repayment of RCF, SSCF and DIP Financing*. The Company paid all obligations owed under its pre-petition revolving credit facility and senior secured credit facility, and under its post-petition debtor-in-possession financing.
- *Completion of Reverse Stock Split*. Prior to the issuance of the shares described above, the Company effected a 1-for-10,000 reverse stock split.
- *Amendment of Articles of Association*. The Company’s Articles of Association were amended to, among other things, reflect the new capital structure and to establish a classified board of Class A Directors and Class B Directors.

- *Governance Agreement* . The Company entered into a Governance Agreement with certain holders of its shares, which provides for, among other things, director nomination and board observer rights of the parties, as well as an agreement to increase the Company’s share capital at the request of certain parties.
- *Resignation of Directors and Election of New Directors*. All of the Company’s directors prior to our emergence from the Bankruptcy Cases resigned from the board of directors (the “Board”) and upon our emergence from the Bankruptcy Cases, W. Matt Ralls (Chairman), Bernie G. Wolford Jr. and David Weinstein joined the Board as Class A Directors and Daniel Han, Donald Platner, and Kiran Ramineni joined the Board as Class B Directors.
- *Appointment of Chief Executive Officer* . Bernie G. Wolford Jr. was appointed Chief Executive Officer of the Company.
- *Registration Rights Agreement* . The Company entered into a Registration Rights Agreement with certain holders of its shares, which grants such holders certain registration rights with respect to the Registrable Securities, as defined therein.

As a result of the issuance of common shares described above, the Company has issued and outstanding on the Plan Effective Date approximately 75.0 million common shares, and approximately 7.5 million shares are reserved for issuance pursuant to management incentive plans. Due to the reverse stock split and issuance of the new common shares under the Plan as described above, the Company’s common shares prior to the Company’s emergence from the Bankruptcy Cases were diluted such that they represent in the aggregate less than 0.003% of the Company’s outstanding common shares.

The Company believes that the principal holders of its common shares immediately following the issuance of shares on the Plan Effective Date are as follows (each as defined in the Governance Agreement):

<b>Principal Stockholder</b>	<b>Post-Emergence Ownership (%)</b>
Avenue Parties	24.94%
SVP Parties	24.91%
Abrams Parties	9.89%
Fidelity Parties	7.96%
Whitebox Parties	6.70%
Quantum Pacific (Gibraltar) Ltd.	5.12%
Highbridge Parties	2.73%
<b>Total</b>	<b>82.24%</b>

The Company’s two subsidiaries involved in the arbitration with Samsung Heavy Industries Co. Ltd. related to the Pacific Zonda, namely Pacific Drilling VIII Limited and Pacific Drilling Services, Inc. (collectively, the “Zonda Debtors”) are not Debtors under the Plan and intend to file a separate plan of reorganization.

**Entry into a Material Definitive Agreement; Creation of a Direct Financial Obligation**

***Supplemental Indentures***

As previously disclosed, pursuant to the Plan, Pacific Drilling First Lien Escrow Issuer Limited (the “First Lien Escrow Issuer”), a wholly owned subsidiary of the Company, entered into an indenture (the “First Lien Notes Indenture”), dated September 26, 2018, between the First Lien Escrow Issuer and Wilmington Trust, National Association, as trustee (the “Trustee”) and collateral agent, relating to the issuance by the First Lien Escrow Issuer of \$750 million aggregate principal amount of 8.375% First Lien Notes due 2023. In addition,

---

Pacific Drilling Second Lien Escrow Issuer Limited (the “Second Lien Escrow Issuer”), a wholly owned subsidiary of the Company, entered into an indenture (the “Second Lien PIK Notes Indenture” and together with the First Lien Notes Indenture, the “Indentures”) between the Second Lien Escrow Issuer and the Trustee, as trustee and junior lien collateral agent, relating to the issuance by the Second Lien Escrow Issuer of approximately \$273.6 million aggregate principal amount of 11.000% / 12.000% Second Lien PIK Notes due 2024.

On the Plan Effective Date, each of the First Lien Escrow Issuer and the Second Lien Escrow Issuer merged into the Company and the Company assumed all obligations of the First Lien Escrow Issuer and the Second Lien Escrow Issuer under the Indentures by executing first supplemental indentures thereto (the “First Supplemental Indentures”). Also on the Plan Effective Date, the Company’s subsidiaries (other than the Zonda Debtors, Pacific International Drilling West Africa Ltd. and certain immaterial subsidiaries) (the “Guarantors”) guaranteed the obligations under the Indentures by executing second supplemental indentures thereto (the “Second Supplemental Indentures” and together with the First Supplemental Indentures, the “Supplemental Indentures”), and the Company and the Guarantors executed documents providing collateral as required pursuant to the Indentures.

As a result of the foregoing, the First Lien Notes are jointly and severally and fully and unconditionally guaranteed on a senior secured basis by the Guarantors. The First Lien Notes are secured by first-priority liens on substantially all assets of the Company and the Guarantors (other than certain excluded property), including (i) vessels, (ii) books and records, (iii) certain deposit accounts and the amounts contained therein, (iv) assignments of proceeds of hull and machinery and loss of hire insurance, (v) assignments of earnings from drilling contracts, and (vi) equity interests owned by the Company and the Guarantors, in each case, subject to certain exceptions, including that such first-priority liens will be subject to payment priority in favor of future holders, if any, of certain superpriority first lien debt of up to \$50.0 million. In addition, the Second Lien PIK Notes are jointly and severally and fully and unconditionally guaranteed on a senior secured basis by all of the Company’s subsidiaries that guarantee the Company’s First Lien Notes and are secured by second-priority liens on all of the assets of the Company and the guarantors that also serve as collateral for the Company’s First Lien Notes.

For a detailed description of the First Lien Notes and Second Lien PIK Notes, see our Form 6-K filed September 28, 2018 with the Securities and Exchange Commission (“SEC”).

#### ***Intercreditor Agreement***

On the Plan Effective Date, the parties thereto entered into the Intercreditor Agreement, dated as of November 19, 2018, between Wilmington Trust, National Association, in its capacity as First Lien Collateral Agent, and Wilmington Trust, National Association, in its capacity as Junior Lien Collateral Agent, and acknowledged and agreed to by the Company and the Grantors named therein (the “Intercreditor Agreement”). The relationship between holders of First Lien Notes (and any future first lien debt), on the one hand, and Second Lien PIK Notes (and any future junior lien debt), on the other hand, are governed by the Intercreditor Agreement. Pursuant to the Intercreditor Agreement, the liens securing first lien debt are effectively senior in priority to the liens securing junior lien debt. If the Company incurs any future first lien debt, the relationship between holders of such debt and First Lien Notes will be governed by a collateral agency agreement. Such agreement will allow for payment priority in favor of holders of up to \$50.0 million of future superpriority first lien debt.

#### ***Governance Agreement***

On the Plan Effective Date, the Company entered into a Governance Agreement (the “Governance Agreement”) with certain holders of its shares, defined therein as the Avenue Parties, the SVP Parties, and the Other Lenders

---

(which consists of the Abrams Parties, the Fidelity Parties, the Highbridge Parties and the Whitebox Parties, each as defined in the Governance Agreement).

*Nomination Provisions.* Pursuant to the Governance Agreement, until the Nomination Termination Time, defined below, the Avenue Parties have the right to nominate one Class B Director, the SVP Parties have the right to nominate one Class B Director and the Other Lenders have the right to nominate one Class B Director. Each of such parties also has the right to fill a vacancy with respect to its Class B Director nominee.

The “Nomination Termination Time” means the first such time that it becomes known to the Company that any of (i) the Avenue Parties (collectively and in the aggregate with each other), (ii) the SVP Parties (collectively and in the aggregate with each other) or (iii) the Other Lenders (collectively and in the aggregate with each other), hold, beneficially or of record, and have the power to vote or direct the voting of, 10% or less (the “Ownership Threshold”) of the then issued and outstanding shares of the Company.

*Board Observer Rights.* The following parties (each, an “Observer Shareholder”) each have the right to designate a Board observer until the first such time that it becomes known to the Company that an Observer Shareholder (together with its Permitted Transferees as defined in the agreement) ceases to hold beneficially or of record, and have the power to vote or direct the voting of, at least such Observer Shareholder’s Original Percentage Threshold: the Abrams Parties, the Avenue Parties, the Fidelity Parties, the Highbridge Parties, the SVP Parties and the Whitebox Parties. “Original Percentage Threshold” means, with respect to any Observer Shareholder, the lesser of (a) five percent (5%) of the issued and outstanding shares of the Company or (b) fifty percent (50%) of the shares of the Company such Observer Shareholder together with its Permitted Transferees collectively held, beneficially or of record, and had the power to vote or direct the voting of, at the close of business on the date of the Governance Agreement.

*Additional Share Capital Authorization.* Each of the Company, the Avenue Parties and the SVP Parties has agreed with one another that it will take all necessary actions to cause the Articles of Association to be amended as promptly as practicable, following a request therefor by any of the Company, the Avenue Parties or the SVP Parties, to provide for the authority of the Board to increase the Company’s then current share capital once or more up to \$1.0 million (represented by up to an aggregate of 100.0 million authorized shares) (such amount including the current share capital of the Company of \$825,000) by the issue of new shares having the same rights as the existing shares, or without any such issue.

*Waiver of Corporate Opportunity.* The Governance Agreement contains a broad corporate opportunity waiver by the Company in favor of the shareholders party to the agreement and certain related persons as described in the agreement.

*Confidential Information.* The Class B Directors and Observers may, upon request of the party that designated them, share Company confidential information with the designating party, subject to the designating party entering into a confidentiality agreement with the Company.

#### ***Registration Rights Agreement***

On the Plan Effective Date, the Company entered into a Registration Rights Agreement (the “Registration Rights Agreement”) with Quantum Pacific (Gibraltar) Limited (“QPGL”) and the shareholders party to the Governance Agreement, with respect to the Registrable Securities as defined in the Registration Rights Agreement. Pursuant to the Registration Rights Agreement, the Company will prepare a shelf registration statement, and include in it the Registrable Securities of each holder who requests inclusion therein of some or all of such holder’s Registrable Securities no later than five business days after the date that the Company furnishes or files with the SEC interim financial statements for the third quarter of fiscal 2018. The Company agreed to file the shelf registration statement with the SEC on or prior to the tenth business day

following the date that the Company furnishes or files with the SEC interim financial statements for the third quarter of fiscal 2018. The shelf registration statement may be amended, among other things, under the circumstances specified in the Registration Rights Agreement, to register Registrable Securities that were not previously included in the shelf registration statement, and must be amended or replaced by an automatic shelf registration statement if and after the Company becomes eligible to use one. The Company will use its reasonable best efforts to cause the shelf registration statement to be declared effective as promptly as practicable and to keep it continuously effective. The Registration Rights Agreement also contains provisions permitting underwritten shelf resale transactions with an anticipated aggregate offering price to the public of at least \$150.0 million.

In addition, the Registration Rights Agreement grants certain demand registration rights to parties beneficially owning at least 10% of the Company's shares, provided that the anticipated aggregate offering price to the public is at least \$150.0 million or at least 20% of the then-outstanding Registrable Securities (for the party exercising the demand registration right along with other holders entitled to have their shares registered along with the initiating holder). The Registration Rights Agreement also contains customary "piggyback" registration rights if the Company proposes to file a registration statement with respect to an offering of its shares.

The Registration Rights Agreement contains customary conditions, restrictions, suspension periods, blackout periods and ancillary requirements, and customary indemnification and contribution provisions. The Company will generally pay all registration expenses other than underwriting fees, discounts, commissions, transfer taxes or similar taxes or charges. Upon the Company becoming aware that it fails to qualify as a foreign private issuer on the last business day of a second fiscal quarter, the Company must so notify the holders no later than 10 business days thereafter. The Registration Rights Agreement terminates with respect to any holder when the holder ceases to hold Registrable Securities (except with respect to certain indemnification and information rights).

#### ***Director Indemnity Agreements***

On the Plan Effective Date, the Company entered into indemnity agreements with each of the new directors. The indemnity agreements supplement the indemnification rights for the directors under the Company's Articles of Association, and provide, among other things, for mandatory indemnification against liabilities and losses as well as mandatory advancement and reimbursement of expenses that may be incurred by the indemnitees in proceedings arising out of their service as directors to the fullest extent permitted by law.

#### **Termination of a Material Definitive Agreement**

##### ***Pre-Petition Debt and DIP Financing***

On the Plan Effective Date, pursuant to the Plan, the Company's pre-petition senior secured credit facility and revolving credit facility were paid in full. Accordingly, the following agreements were terminated:

- the Amended and Restated Senior Secured Credit Facility Agreement, dated as of September 13, 2013, as amended, among Pacific Sharav S.à r.l. and Pacific Drilling VII Limited, as Borrowers, Pacific Drilling S.A., as Guarantor, and the arrangers, lenders, agents and banks named therein; and

On the Plan Effective Date, pursuant to the Plan, all outstanding obligations of the Company under the following debt instruments were cancelled:

- the Indenture, dated as of June 3, 2013, as amended, among the Company, as issuer, the guarantors party thereto, and Deutsche Bank Trust Company Americas, as trustee, relating to the Company's 5.375% senior secured notes due 2020 ("2020 Notes"); and
- the Term Loan Agreement, dated as of June 3, 2013, among the Company, as borrower, and various lenders and financial agents, relating to the Company's \$750.0 million senior secured institutional term loan maturing 2018 ("Term Loan B").

Holders of the Company's 2017 Notes, 2020 Notes and Term Loan B were fully equitized in exchange for their claims and received most of the common shares issued under the Plan.

On the Plan Effective Date, the Debtors used the net proceeds of the issuance of the First Lien Notes and Second Lien PIK Notes to repay the outstanding indebtedness under the previously disclosed Debtor-in-Possession Term Loan Agreement contemporaneously with the Company's emergence from the Bankruptcy Cases.

As a result of the issuance of common shares described above, the Company has issued and outstanding on the Plan Effective Date approximately 75.0 million common shares. In addition, approximately 7.5 million shares are reserved for issuance pursuant to management incentive plans. Due to the reverse stock split and the issuance of the new common shares under the Plan as described above, the Company's common shares prior to the Company's emergence from the Bankruptcy Cases were diluted such that they represent in the aggregate less than 0.003% of the Company's outstanding common shares.

The issuance of common shares described in item (1) above was exempt from registration under the Securities Act of 1933, as amended (the "Securities Act") pursuant to Section 1145 of the Bankruptcy Code,

which generally exempts from such registration requirements the issuance of securities under a plan of reorganization. In connection with the Reverse Stock Split, the Company’s common shares began trading on a split-adjusted basis as of the commencement of trading on November 19, 2018. No fractional shares were issued in connection with the Reverse Stock Split; instead, holders of fractional shares will be paid in cash for any fractional interests, which amount is not material in the aggregate.

#### ***Change in Share Capital***

Also on November 19, 2018, at an Extraordinary General Meeting of Shareholders, the Company’s shareholders approved an increase in the Company’s share capital to \$825,000, or 82.5 million shares, of which approximately 75.0 million shares were issued and are outstanding in connection with the Company’s emergence from the Bankruptcy Cases and the remaining authorized shares, or approximately 7.5 million shares, were issued to Pacific Drilling Administrators Limited, a wholly owned subsidiary of the Company, to hold in connection with potential future issuances under the Company’s management incentive program.

From and after the Nomination Termination Time, the board of directors will cease to be classified and each director then in office previously designated as a Class A director or Class B director will remain in office as a director until his or her term expires or until his or her earlier death, resignation or removal by the shareholders.

---

Pursuant to the Articles, prior to the Nomination Termination Time, any two Class B directors acting in their capacities as such (a “Class B Majority”) have broad authority to act on the Company’s behalf in connection with any Acquisition Proposal or Acquisition, as such terms are defined in the Articles, including but not limited to the authority to solicit prospective Acquisition Proposals, to retain, at the Company’s expense, such consultants, legal counsel and other advisors as a Class B Majority may from time to time deem appropriate to assist the Class B directors in the performance of their duties with respect to Acquisition Proposals, and subject to the Shareholder Approval Condition and Termination Fee Limitation Condition described below, to execute and deliver on behalf of the Company definitive documentation providing for the consummation of an Acquisition (an “Acquisition Contract”).

In order for the Class B Majority to have the power to cause the Company to enter into any Acquisition Contract or otherwise consummate an Acquisition, the Acquisition Contract must provide by its terms that consummation of the Acquisition that is the subject thereof is conditioned upon either (i) the shareholder vote, under the conditions of quorum and vote, required by law or other provision of the Articles for such Acquisition or (ii) shareholder approval by the vote of a majority of the outstanding share capital, whichever voting standard in the foregoing clauses (i) or (ii) is higher (such condition, as applicable, a “Shareholder Approval Condition”). In addition the Acquisition Contract must not impose any obligations or penalties on the Company if the Shareholder Approval Condition is not obtained by the conclusion of the general meeting or extraordinary general meeting, as applicable, convened to vote on such Acquisition Contract or Acquisition other than reimbursement of the reasonable expenses incurred by the counterparty thereto (such condition, the “Termination Fee Limitation Condition”).

(ii) determine the conditions of any such capital increase including through contributions in cash or in kind, by the incorporation of reserves, issue/share premiums or retained earnings, with or without issue of new shares to current shareholders or third parties (non-shareholders) or following the issue of any instrument convertible into shares or any other instrument carrying an entitlement to, or the right to subscribe for, shares;

6.3. The shares may be entered without serial numbers into fungible securities accounts with financial institutions or other professional depositaries operating a settlement system in relation to transactions on securities, dividends, interest, matured capital or other matured monies of securities or of other financial instruments being handled through the system of such depositary (such systems, professionals or other depositaries being referred to hereinafter as Depositaries and each a Depositary). The shares held in deposit or in an account with such financial institution or professional depositary shall be recorded in an account opened in the name of the depositor and may be transferred from one account to another, whether such account is held by the same or a different financial institution or depositary. The Company shall be completely free from any responsibility in dealing with such registered shares towards third parties and shall be justified in considering any right, interest or claims of such third parties in or upon such registered shares to be non-existent, subject, however, to any right which such third party might have to demand the registration or change in registration of registered shares.

6.5. Where the shares are held with Depositaries through fungible securities accounts within clearing and settlement systems, the exercise of the voting rights in respect of such shares may be subject to the internal rules and procedures of those clearing and settlement systems.

6.6. All communications and notices to be given to a registered shareholder shall be deemed validly made to the latest address communicated by the shareholder to the Company. In the event that a holder of registered shares does not provide an address to which all notices or announcements from the Company may be sent, the Company may permit a notice to this effect to be entered into the register(s) of Shareholders and such holder's address will be deemed to be at the registered office of the Company or such other address as may be so entered by the Company from time to time, until a different address shall be provided to the Company by such holder. The holder may, at any time, change his address as entered in the register(s) of Shareholders by means of written notification to the Company or the relevant registrar.

6.7. A share transfer of registered shares which are not held through fungible securities accounts is carried out by the entry in the register of shares of a declaration of transfer, duly signed and dated by both the transferor and the transferee or their authorized representatives, following a notification to or acceptance by the Company, in accordance with Article 1690 of the Civil Code. 6.8. The rights and obligations attached to any share shall pass to any transferee thereof.

6.9. The shares are indivisible and the Company recognizes only one (1) owner per share.

6.11. The Company will not issue non-voting equity securities (which shall not be deemed to include any warrants or options to purchase shares of the Company).

### **III. MANAGEMENT–REPRESENTATION**

#### **Art. 7. Board of directors**

##### **7.1. Composition of the board of directors**

(i) The Company is managed by the Board. Except as provided in Article 8, the total number of directors constituting the entire Board shall be seven (7) directors. Directors need not be shareholders. Except as provided in Article 8, from and after 19 November 2018 (the “**Effective Time**”) until the occurrence of the Nomination Termination Time (as defined in that certain Governance Agreement, dated on or about the Effective Time, by and among the Company and the other shareholders thereto (the “**Governance Agreement**”)), the Board shall be divided into two classes, hereby designated Class A (composed of four (4) directors) and Class B (composed of three (3) directors), with all Class A directors and Class B directors elected to terms of one (1) year in length; provided, that the initial term of office of the Class A directors following the Effective Time shall expire at the General Meeting of the shareholders of the Company at which the annual accounts for the 2018 financial year will be approved and the initial term of office of the Class B directors following the Effective Time shall expire at the General Meeting of the shareholders of the Company at which the annual accounts for the 2019 financial year will be approved. All directors, whether assigned to Class A or Class B, shall be elected by the shareholders at the General Meeting in accordance with the Law and shall have one (1) vote each at all meetings of the Board. From and after the Nomination Termination Time (as defined in the Governance Agreement), the Board shall cease to be classified and each director then in office previously designated as a Class A director or Class B director shall remain in office as a director until his or her term expires or until his or her earlier death, resignation or removal by the shareholders.

(ii) Directors may be removed at any time, with or without cause, by a resolution of the General Meeting.

(iii) If a legal entity is appointed as director, it must appoint a permanent representative to perform its duties. The permanent representative is subject to the same rules and incurs the same liabilities as if he had exercised its functions in its own name and on its own behalf, without prejudice to the joint and several liability of the legal entity which it represents.

(iv) Should the permanent representative be unable to perform its duties, the legal entity must immediately appoint another permanent representative.

(v) If the office of a director becomes vacant, the other directors, acting by a simple majority, may fill the vacancy on a provisional basis until a new director is appointed by the next General Meeting.

## 7.2. Powers of the board of directors

(i) All powers not expressly reserved to the shareholder(s) by the Law or the Articles fall within the competence of the Board, which has full power to carry out and approve all acts and operations consistent with the Company's corporate object.

(ii) The Board may delegate special and limited powers to one or more agents for specific matters and may also establish committees for certain specific purposes. Such committees may include, but are not limited to, an audit committee and a compensation committee.

(iii) The Board is authorised to delegate the day-to-day management and the power to represent the Company in this respect, to one or more directors, officers, managers or other agents, whether shareholders or not, acting either individually or jointly, provided that, prior to the Nomination Termination Time (as defined in the Governance Agreement) any appointment, delegation or power-of-attorney granted in respect of any Acquisition Proposal Matters (as defined in article 7.2(iv) (1) below), or any revocation of the foregoing, shall only be effective if a Class B Majority (as defined below) votes in favor of such appointment, delegation or power-of-attorney, or revocation of the foregoing, as the case may be. If the day-to-day management is delegated to one or more directors, the Board must report to the annual General Meeting any salary, fee and/or any other advantage granted to those director(s) during the relevant financial year.

For the avoidance of doubt, it is noted that the following non-exhaustive list of matters shall not under any circumstances be regarded as coming within the scope of day-to-day management:

- Approval of the accounts of the Company
- Approval of the annual budget of the Company
- Approval of Company policies
- Approval of recommendations made by any Board committee
- Approval of Acquisition Proposals

(iv) Acquisition Proposals Prior to Nomination Termination Time. The following provisions of this article 7.2(iv) shall apply until the Nomination Termination Time (as defined in the Governance Agreement), after which the provisions of this article 7.2(iv) (other than the meanings of any terms defined herein that are used elsewhere in these Articles) shall have no further force or effect.

*(1) Representative Authority of the Class B Directors Regarding Acquisition Proposals. Notwithstanding anything in these Articles to the contrary, any two (2) Class B directors acting in their capacities as such (a " **Class B Majority** ") shall have the authority to act on the Company's behalf (including to bind the Company with respect to clauses (e) through (g)) with respect to the following matters: (a) to review and evaluate the terms and conditions of any Acquisition Proposal, (b) to negotiate with any party the Class B Majority deems appropriate with respect to any Acquisition Proposal; (c) to solicit prospective Acquisition Proposals and/or explore the ability to obtain on behalf of the Company prospective Acquisition Proposals, (d) to determine whether any Acquisition Proposal is beneficial to the Company and its shareholders, (e) to make recommendations to the Board and*

shareholders as to what actions, if any, should be taken with respect to any Acquisition, Acquisition Contract or Acquisition Proposal, including to recommend that the Board or the shareholders, as applicable, approve any Acquisition, Acquisition Contract or Acquisition Proposal, (f) to retain, at the Company's expense, such consultants, legal counsel and other advisors as a Class B Majority may from time to time deem appropriate to assist the Class B directors in the performance of their duties with respect to Acquisition Proposals, (g) subject to article 7.2(iv)(2) below, to execute and deliver on behalf of the Company definitive documentation providing for the consummation of an Acquisition (an " **Acquisition Contract** ") and (h) to take, or to cause the Company to take, any and all actions ancillary or related to any actual or prospective Acquisition Proposal or the other matters referred to in the preceding clauses (a)-(g), including without limitation to authorize and enter into contracts of any nature (other than an Acquisition Contract except in accordance with article 7.2(iv)(2) below) (the foregoing clauses (a)-(h), " **Acquisition Proposal Matters** "). As used herein: (x) " **Acquisition Proposal** " means a proposal received by the Company, any of its subsidiaries, or any of its or their respective directors, officers or outside consultants, counsel or other advisors providing for an Acquisition; and (y) " **Acquisition** " means a transaction or series of related transactions resulting in the acquisition (whether by merger, consolidation, sale or transfer of the Company's shares, other equity interests or assets or otherwise) by any natural or legal person or group of such persons, directly or indirectly, (1) of a majority of (A) the outstanding shares of the Company or (B) the assets of the Company and its subsidiaries determined on a consolidated basis and (2) upon the consummation of which, the shareholders of the Company immediately prior to such acquisition collectively do not own (beneficially or of record) a majority of the voting power of such person or the ultimate parent entity of such person (or, in the case of a group of such persons, a majority of the voting power of the largest member of such group, determined by reference to the respective equity financing contributions of such members, or ultimate parent entity of such largest member).

(2) Approval of Acquisition Contracts. No Class B director, acting singularly or with any one or more other Class B directors, shall have the power to cause the Company to enter into any Acquisition Contract or otherwise consummate an Acquisition unless such Acquisition Contract (a) provides by its terms that consummation of the Acquisition that is the subject thereof is conditioned upon either (I) the shareholder vote, under the conditions of quorum and vote, required by the Law or other provision of these Articles for such Acquisition or (II) shareholder approval by the vote of a majority of the outstanding share capital, whichever voting standard in the foregoing clauses (I) or (II) is higher (such condition, as applicable, a " **Shareholder Approval Condition** ") and (b) does not impose any obligations or penalties on the Company if the Shareholder Approval Condition is not obtained by the conclusion of the General Meeting or Extraordinary General Meeting, as applicable, convened to vote on such Acquisition Contract or Acquisition other than reimbursement of the reasonable expenses incurred by the counterparty thereto ( provided, that, for avoidance of doubt, this clause (b) shall not preclude the imposition of any obligation or penalty on the Company due to any cause or event other than the failure in and of itself to satisfy the Shareholder Approval Condition at such General Meeting or Extraordinary General Meeting). If a proposed Acquisition Contract satisfies clauses (a) and (b) of the immediately preceding sentence, then a Class B Majority shall be authorized to represent the Company by executing and delivering, or causing any person authorized by the Class B Majority to execute and deliver, on the Company's behalf, such Acquisition Contract, to convene a General Meeting or an Extraordinary General Meeting, as

applicable, to seek shareholder approval of the Acquisition in accordance with the Shareholder Approval Condition, and, if such shareholder approval is obtained, to carry out all other powers vested under article 7.2(iv)(1) above with respect to such Acquisition Contract (including to cause the Company to consummate the Acquisition and the other transactions contemplated thereby or, subject to the terms of the Acquisition Contract, terminate such Acquisition Contract and abandon such Acquisition).

(3) Limitation on Representative Authority of the Class A Directors Regarding Acquisition Proposals. Notwithstanding anything in these Articles to the contrary (but subject to the last sentence of this article 7.2(iv)(3)), no Class A director, acting singularly or with any one or more other directors, in his or her capacity as such, shall have any representative authority to bind the Company or otherwise act on the Company's behalf, nor shall the Board take any action, in either case with respect to any Acquisition, Acquisition Contract or Acquisition Proposal Matters, except with the prior approval of a Class B Majority. Notwithstanding the immediately prior sentence, this article 7.2(iv)(3) shall not be interpreted to limit the rights of the Class A directors to attend meetings of the Class B directors, receive information received by the Class B directors or to provide ongoing input to the Class B directors, in each case, regarding Acquisitions, Acquisition Contracts, Acquisition Proposals or other Acquisition Proposal Matters, and the Class B directors shall so extend such rights to the Class A directors.

(4) Amendments to Article 7.2(iv). Notwithstanding anything to the contrary in these Articles, the Board shall not propose to the shareholders or recommend that the shareholders approve any amendment to this article 7.2(iv) and/or any other provisions of these Articles directly or indirectly amending or limiting the application of this article 7.2(iv) without the favorable vote of a Class B Majority.

### 7.3. Procedure

(i) The Board must appoint a chairperson from among its members, and may choose a secretary who need not be a director and who will be responsible for keeping the minutes of the meetings of the Board and of General Meetings.

(ii) The Board meets at the request of the chairperson or the majority of the Board of directors, at the place indicated in the notice, which in principle is in Luxembourg.

(iii) Written notice of any Board meeting is given to all directors at least twenty-four (24) hours in advance, except in the case of an emergency whose nature and circumstances are set forth in the notice.

(iv) No notice is required if all members of the Board are present or represented and state that they know the agenda for the meeting. A director may also waive notice of a meeting, either before or after the meeting. Separate written notices are not required for meetings which are held at times and places indicated in a schedule previously adopted by the Board.

(v) A director may grant another director a power of attorney in order to be represented at any Board meeting.

(vi) Save as otherwise provided herein, the Board may only validly deliberate and act if a majority of its members are present or represented. Save as otherwise provided herein, Board Resolutions are validly adopted if the majority of the

---

members of the Board vote in their favour. The chairman has a casting vote in the event of a tie vote. Board resolutions are recorded in minutes signed by the chairperson, by all directors present or represented at the meeting, or by the secretary (if any).

(vii) Any director may participate in any meeting of the Board by telephone or video conference, or by any other means of communication which allows all those taking part in the meeting to identify, hear and speak to each other. Participation by such means is deemed equivalent to participation in person at a duly convened and held meeting.

(viii) Circular resolutions signed by all the directors (the “**Directors’ Circular Resolutions**”) are valid and binding as if passed at a duly convened and held Board meeting, and bear the date of the last signature.

(ix) A director who has an interest in a transaction carried out other than in the ordinary course of business which conflicts with the interests of the Company must advise the Board accordingly and have the statement recorded in the minutes of the meeting. The director concerned may not take part in the deliberations concerning that transaction. A special report on the relevant transaction is submitted to the shareholders at the next General Meeting, before any vote on the matter.

#### **7.4. Representation**

(ii) The Company is also bound towards third parties by the joint or single signature of any person to whom special signatory powers have been delegated by the Board or, prior to the Nomination Termination Time (as defined in the Governance Agreement) with respect to Acquisition Proposal Matters or an Acquisition Contract, by a Class B Majority.

#### **Art. 8. Sole director**

8.1. Where the number of shareholders is reduced to one (1), the Company may be managed by a single director until the ordinary General Meeting following the introduction of an additional shareholder. In this case, any reference in the Articles to the Board or the directors should be read as a reference to that sole director, as appropriate.

8.2. Transactions entered into by the Company which conflict with the interest of its sole director must be recorded in minutes. This does not apply to transactions carried out under normal circumstances in the ordinary course of business.

8.3. The Company is bound towards third parties by the signature of the sole director or by the joint or single signature of any person to whom the sole director has delegated special signatory powers.

#### **Art. 9. Liability of the directors**

9.1. The directors may not be held personally liable by reason of their mandate for any commitment they have validly made in the name of the Company's name, provided those commitments comply with the Articles and the Law.

#### **Art. 10. Directors' Remuneration**

10.1. The remuneration of the board of directors will be decided by the General Meeting.

10.2. The Company shall, to the fullest extent permitted by Luxembourg law, indemnify any director or officer, as well as any former director or officer, against any damages and/or compensation to be paid and any costs, charges and expenses, reasonably incurred by him in connection with the defense or settlement of any civil, criminal or administrative action, suit or proceeding to which he may be made a party by reason of his being or having been a director or officer of the Company, if (i) he acted honestly and in good faith, and (ii) in the case of criminal or administrative proceedings, he had reasonable grounds for believing that conduct was lawful. Notwithstanding the foregoing, the current or former director or officer will not be entitled to indemnification in case of an action, suit or proceeding brought against him by the Company or in case he shall be finally adjudged in an action, suit or proceeding to be liable for gross negligence, willful misconduct, fraud, dishonesty or any other criminal offence.

Furthermore, in case of settlement, the current or former director or officer will only be entitled to indemnification hereunder, provided that (i) the Board shall have determined in good faith that the defendant's actions did not constitute willful and deliberate violations of the law and shall have obtained the relevant legal advice to that effect; and (ii) notice of the intention of settlement of such action, suit or proceeding is given to the Company at least 10 business days prior to such settlement,

#### **IV. SHAREHOLDER(S)**

##### **Art. 11. General meetings of shareholders**

###### **11.1. Powers and voting rights**

(i) Resolutions of the shareholders are adopted at a general meeting of shareholders (the "**General Meeting**"). The General Meeting has full powers to adopt and ratify all acts and operations which are consistent with the company's corporate object.

(ii) Each share gives entitlement to one (1) vote.

###### **11.2. Notices, quorum, majority and voting proceedings**

(i) General Meetings are held at the time and place specified in the notices.

(ii) The notices for any ordinary General Meeting or extraordinary General Meeting shall contain the agenda, the hour and the place of the meeting and shall be sent to the registered shareholders at least eight (8) days before the General Meeting, without prejudice to other means of communication which need to be accepted on an individual basis by their addresses and to warrant notification.

(iii) If all the shareholders are present or represented and consider themselves duly convened and informed of the agenda, the General Meeting may be held without prior notice.

(iv) A shareholder may grant written power of attorney to another person, shareholder or otherwise, in order to be represented at any General Meeting.

(v) In connection with any General Meeting, the Board is authorized, but is not required, to make provision for shareholders to participate by means of remote communication. If the Board shall have made such provision, a shareholder's participation by means of remote communication shall be deemed equivalent to participation in person at the meeting.

(vi) Any shareholder may vote by using the forms provided to that effect by the Company. Voting forms contain the date, place and agenda of the meeting and the text of the proposed resolutions. For each resolution, the form must contain three boxes allowing for a vote for or against that resolution or an abstention. Shareholders must return the voting forms to the registered office. Only voting forms received prior to the General Meeting are taken into account for calculation of the quorum. Forms which indicate neither a voting intention nor an abstention are void.

(vii) Resolutions of the General Meeting are passed by a simple majority vote, regardless of the proportion of share capital represented.

(viii) An extraordinary General Meeting (“ **Extraordinary General Meeting** ”) may only amend the Articles if at least one-half of the share capital is represented and the agenda indicates the proposed amendments to the Articles, including the text of any proposed amendment to the Company's object or form. If this quorum is not reached, a second Extraordinary General Meeting may be convened by means of notices published twice in the Memorial and two Luxembourg newspapers, at an interval of at fifteen (15) days and fifteen (15) days before the meeting. These notices state the date and agenda of the Extraordinary General Meeting and the results of the previous Extraordinary General Meeting. The second Extraordinary General Meeting deliberates validly regardless of the proportion of capital represented. At both Extraordinary General Meetings, resolutions must be adopted by at least two-thirds of the votes cast.

(ix) Any change in the nationality of the Company and any increase in a shareholder's commitment in the Company require the unanimous consent of the shareholders and bondholders (if any).

## **Art. 12. Procedure**

12.1. Every General Meeting will be presided over by the chairperson of the Board appointed pursuant to article 7.3(i) or, in the absence of the chairperson, any other director or officer of the Company designated by the Board. The secretary appointed pursuant to article 7.3(i) or, in the absence of such secretary, any other director or officer of the Company designated by the Board, shall act as secretary at each General Meeting. 12.4. Minutes of the General Meetings shall be signed by the members of the board of the meeting. Copies or excerpts of the minutes to be produced in court or elsewhere shall be signed by two (2) directors or by the secretary of the Board or by any assistant secretary.

12.5. Notwithstanding anything to the contrary in these Articles and in addition to any greater or lesser vote required by the Law, other provision of these Articles, the applicable Acquisition Contract or otherwise, the Company shall not have the power or authority to consummate a transaction satisfying clause (1)(B) of the definition of Acquisition without the prior approval of shareholders (such approval obtained by the vote of a majority of the outstanding share capital).

#### **Art. 13. Sole shareholder**

13.1. When the number of shareholders is reduced to one (1), the sole shareholder exercises all powers granted by the Law to the General Meeting.

13.2. Any reference to the General Meeting in the Articles is to be read as a reference to the sole shareholder, as appropriate.

14.3. One month before the Annual General Meeting, the Board provides the statutory auditors with a report on and documentary evidence of the Company's

---

operations. The statutory auditors then prepare a report stating their findings and proposals.

14.4. The Annual General Meeting is held at the registered office or in any other place within the municipality of the registered office, as specified in the notice, on the fourth Tuesday in May at 10.00 a.m. If that day is a public holiday or the day following a public holiday in the United States of America, the Annual General Meeting shall be held on the Tuesday of the following week.

14.5. The annual General Meeting may be held abroad if, in the Board's, absolute and final judgement, exceptional circumstances so require.

#### **Art. 15. Auditors**

15.1. The Company's operations are supervised by one or more statutory auditors ( *commissaires* ).

15.2. When so required by law, or when the Company so chooses, the Company's operations are supervised by one or more approved external auditors ( *réviseurs d'entreprises agréés* ).

15.3. The General Meeting appoints the statutory auditors ( *commissaires* )/ external auditors ( *réviseurs d'entreprises agréés* ), and determines their number and remuneration and the term of their mandate, which may not exceed six (6) years but may be renewed.

#### **Art. 16. Allocation of profits**

16.1. Five per cent (5%) of the Company's annual net profits are allocated to the reserve required by law. This requirement ceases when the legal reserve reaches an amount equal to ten per cent (10%) of the share capital.

16.2. The General Meeting determines the allocation of the balance of the annual net profits. They may decide on the payment of a dividend, to transfer the balance to a reserve account, or to carry it forward in accordance with the applicable legal provisions.

16.3. Interim dividends may be distributed at any time, under the following conditions:

(i) the Board draws up interim accounts;

(ii) the interim accounts show that sufficient profits and other reserves (including share premiums) are available for distribution; it being understood that the amount to be distributed may not exceed the profits made since the end of the last financial year for which the annual accounts have been approved, if any, increased by profits carried forward and distributable reserves, and reduced by losses carried forward and sums to be allocated to the legal or a statutory reserve;

(iii) the decision to distribute interim dividends is made by the Board within two (2) months from the date of the interim accounts.

In their report to the Board, the statutory auditors ( *commissaires* ) or the approved external auditors ( *réviseurs d'entreprises agréés* ), as applicable, must verify whether the above conditions have been satisfied.

The Company may make payment of dividends and any other payments in cash, shares or other securities to a Depositary. Said Depositary shall distribute these funds to his depositors according to the amount of securities or other financial instruments recorded in their name. Such payment by the Company to the Depositary will effect full discharge of the Company's obligations in this regard.

## **VI. DISSOLUTION – LIQUIDATION**

17.1. The Company may be dissolved at any time by a resolution of the General Meeting, acting in accordance with the conditions prescribed for the amendment of the Articles. The General Meeting appoints one or more liquidators, who need not be shareholders, to carry out the liquidation, and determines their number, powers and remuneration. Unless otherwise decided by the General Meeting, the liquidators have full powers to realise the Company's assets and pay its liabilities.

17.2. The surplus after realisation of the assets and payment of the liabilities is distributed to the shareholders in proportion to the shares held by each of them.

## **VII. GENERAL PROVISION**

18.1. Notices and communications may be made or waived and circular resolutions may be evidenced in writing, fax, email or any other means of electronic communication.

18.3. Signatures may be in handwritten or electronic form, provided they fulfil all legal requirements for being deemed equivalent to handwritten signatures. Signatures of circular resolutions or resolutions adopted by telephone or video conference are affixed to one original or several counterparts of the same document, all of which taken together constitute one and the same document.

18.4. All matters not expressly governed by these Articles shall be determined in accordance with the applicable law and, subject to any non-waivable provisions of the law, with any agreement entered into by the shareholders from time to time.

6.3 Les actions peuvent être inscrites sans numéro de série dans les comptes de titres fongibles avec des institutions financières ou d'autres dépositaires professionnels exploitant un système de règlement en relation avec des transactions sur titres, dividendes, intérêts, capitaux échus ou d'autres sommes d'argent de titres arrivées à maturité ou d'autres instruments financiers traités par le système d'un tel dépositaire (ces systèmes, professionnels ou autre dépositaires étant ci-après dénommés **Dépositaires** et chacune un **Dépositaire**). Les actions détenues en dépôt ou sur le compte d'une telle institution financière ou dépositaire professionnel doivent être enregistrées dans un compte ouvert au nom du déposant et peuvent être transférées d'un compte à un autre, que ce compte soit détenu ou non par la même institution financière ou dépositaire. 6.4 La Société peut considérer la personne au nom de laquelle les actions nominatives sont enregistrées dans le ou les registre(s) des Actionnaires comme le propriétaire à part entière de ces actions nominatives. La Société doit être entièrement exonérée de toute responsabilité à l'égard des tiers concernant ces actions nominatives et pourra considérer tout droit, intérêt ou réclamation de ces tiers dans ou sur ces actions nominatives comme étant inexistant, sous réserve, cependant, de tout droit que ce tiers pourrait avoir à demander l'enregistrement ou le changement d'enregistrement des actions nominatives.

6.5 Lorsque les actions sont détenues par des Dépositaires par le biais de comptes de titres fongibles au sein des systèmes de compensation et de règlement, l'exercice des droits de vote à l'égard de ces actions peut être soumis à des règles internes et procédure de ces systèmes de compensation et de règlement.

##### 7.1. Composition du conseil d'administration

(i) La Société est gérée par le Conseil. Excepté dans le cas prévu à l'article 8, le nombre total d'administrateurs constituant la totalité du Conseil est de sept (7) administrateurs. Les administrateurs ne doivent pas être des actionnaires. Excepté dans le cas prévu à l'article 8, du et après le 19 novembre 2018 (la « **Date d'Effet** ») jusqu'à l'occurrence du Moment de la Résiliation de la Nomination (tel que défini à la Convention de Gouvernance datée à la Date d'Effet, entre la Société et les autres actionnaires (la « **Convention de Gouvernance** »)), le Conseil doit être divisé en deux classes, à savoir une Catégorie A (composée de quatre (4) administrateurs) et une Catégorie B (composée de trois (3) administrateurs), les administrateurs de la Catégorie A et de la Catégorie B étant tous élus pour un mandat d'une (1) année ; à condition que la durée initiale du mandat des administrateurs de Catégorie A suivant la Date d'Effet doit s'étendre de la Date d'Effet jusqu'à une année après l'Assemblée Générale des actionnaires de la Société approuvant les comptes annuels pour l'année fiscale se terminant en 2018 (l'« **AGA 2019** ») et que la durée initiale du mandat des administrateurs de Catégorie B suivant la Date d'Effet doit s'étendre de la Date d'Effet jusqu'à deux années suivant l'AGA 2019. Tous les administrateurs, qu'ils soient de Catégorie A ou de Catégorie B, doivent être élus par les actionnaires lors d'une Assemblée Générale conformément à la Loi et doivent avoir une (1) voix chacun à toutes les réunions du Conseil. A partir de et après le Moment de la Résiliation de la Nomination (tel que défini à la Convention de Gouvernance), le Conseil cessera d'être divisé en catégories et chaque administrateur qui avait été désigné comme administrateur de Catégorie A ou administrateur de Catégorie B restera en fonction comme administrateur jusqu'à l'expiration de son mandat ou jusqu'à son décès, démission ou révocation par les actionnaires.

(ii) Les administrateurs sont révocables à tout moment, avec ou sans raison, par une décision de l'Assemblée Générale.

(iii) Lorsqu'une personne morale est nommée administrateur, celle-ci est tenue de désigner un représentant permanent qui représentera ladite personne morale dans ses fonctions d'administrateur. Ce représentant permanent est soumis aux mêmes règles et encourt les mêmes responsabilités que s'il avait exercé ses fonctions en son nom et pour son propre compte, sans préjudice de la responsabilité solidaire de la personne morale qu'il représente.

(iv) Si le représentant permanent se trouve dans l'incapacité d'exercer ses fonctions, la personne morale doit nommer immédiatement un autre représentant permanent.

(v) En cas de poste vacant du poste d'administrateur, la majorité simple des administrateurs restants peut y pourvoir provisoirement jusqu'à la nomination définitive, par la prochaine Assemblée Générale.

##### 7.2. Pouvoirs du conseil d'administration

(i) Tous les pouvoirs non expressément réservés par la Loi ou les Statuts à ou aux actionnaire(s) sont de la compétence du Conseil, qui a tous les pouvoirs pour effectuer et approuver tous les actes et opérations conformes à l'objet social.

(ii) Des pouvoirs spéciaux et limités peuvent être délégués par le Conseil à un ou plusieurs agents pour des tâches spécifiques et peut également former des

comités pour certaines missions spécifiques. Ces comités peuvent inclure, mais ne sont pas limités à, un comité d'audit et un comité de dédommagement.

(iii) Le Conseil est autorisé à déléguer la gestion journalière et le pouvoir de représenter la Société à cette fin à un ou plusieurs administrateurs, agents ou représentants, qu'ils soient actionnaires ou non, agissant soit individuellement ou conjointement, à condition qu'avant le Moment de la Résiliation de la Nomination (tel que défini à la Convention de Gouvernance), toute nomination, délégation ou procuration accordée en relation avec toute Acquisition des Points Proposés (telle que définie à l'article 7.2 (iv) (1) ci-dessous) ou toute révocation de ce qui précède, pourra seulement être effective si une Majorité de Catégorie B (telle que définie ci-dessous) vote en faveur d'une telle nomination, délégation ou procuration ou révocation de ce qui précède, le cas échéant. Si la gestion journalière est déléguée à un ou plusieurs administrateurs, le Conseil devra rapporter à l'Assemblée Générale annuelle tout salaire, frais et/ou tout autre avantage octroyé à cet/ces administrateur(s) durant la période financière de référence.

Pour écarter tout doute, il est noté que la liste non-exhaustive suivante ne doit être considérée, sous aucune circonstance, comme relevant du champ d'application de la délégation journalière :

- Approbation des comptes de la Société
- Approbation du budget annuel de la Société
- Approbation des règles de la Société
- Approbation des recommandations faites par tout comité du Conseil
- Approbation des Propositions d'Acquisition

(iv) Propositions d'Acquisition avant le Moment de la Résiliation de la Nomination. Les provisions suivantes de cet article 7.2 (iv) doivent s'appliquer jusqu'au Moment de la Résiliation de la Nomination (tel que défini à la Convention de Gouvernance), après lequel les provisions de cet article 7.2 (iv) (autre que la signification des termes définis aux présentes qui sont utilisés ailleurs dans ces Statuts) ne pourront plus revêtir force obligatoire ou prendre effet.

(1) Autorité Représentative des Administrateurs de Catégorie B concernant les Propositions d'Acquisition. Nonobstant toute clause contraire de ces Statuts, deux (2) administrateurs de Catégorie B agissant en cette telle capacité (la « **Majorité de Catégorie B** ») auront l'autorité d'agir au nom de la Société (incluant d'engager la Société eu égard aux clauses (e) à (g)) quant aux sujets suivants : (a) revoir et évaluer les termes et conditions de toute Proposition d'Acquisition, (b) négocier avec toute partie la Majorité de Catégorie B appropriée en relation avec la Proposition d'Acquisition, (c) solliciter les Propositions d'Acquisition potentielles et/ou explorer la capacité à obtenir au nom de la Société les Propositions d'Acquisitions potentielles, (d) déterminer si les Propositions d'Acquisition bénéficient à la Société et ses actionnaires, (e) faire des recommandations au Conseil et aux actionnaires sur les actions, le cas échéant, qui devront être prises eu égard à toute Acquisition, Contrat d'Acquisition ou Proposition d'Acquisition, ce qui inclut recommander que le Conseil ou les actionnaires, si applicable, approuve(nt) toute Acquisition, Contrat d'Acquisition ou Proposition d'Acquisition, (f) conserver, aux frais de la Société, les consultants, conseillers juridiques et autres conseillers que la Majorité de Catégorie B pourrait faire appel pour assister les administrateurs de Catégorie B dans l'exécution de leurs obligations en relation avec les Propositions d'Acquisition, (g) sous réserve de l'article 7.2 (iv) (2) ci-dessous, exécuter et délivrer pour le compte de la Société une documentation définitive relative à l'achèvement d'une Acquisition (un « **Contrat d'Acquisition** ») et (h) prendre ou demander à la Société de prendre, toute autre action connexe ou liée à toute Proposition d'Acquisition actuelle ou potentielle ou les autres sujets qui sont visés aux clauses (a)-(g), incluant sans limitation d'autoriser et de conclure des contrats de toute nature (autre que le Contrat

d'Acquisition sauf dans le cas de l'article 7.2 (iv) (2) ci-dessous) (les clauses (a)-(h) ci-dessus sont appelées « **Cas des Acquisitions Proposées** »). Tel qu'utilisé aux présentes : (x) « **Proposition d'Acquisition** » signifie une proposition reçue par la Société, par n'importe laquelle de ses filiales ou chacun de ses administrateurs, agents ou consultants, avocats ou autres conseillers extérieurs respectifs offrant une Acquisition ; et (y) « **Acquisition** » signifie une transaction ou une série de transactions liées résultant d'une acquisition (soit par fusion, consolidation, vente ou transfert des actions de la Société, d'autres participations ou autre) par toute personne physique ou morale ou d'un groupe de personnes, directement ou indirectement (I) d'une majorité de (A) actions existantes de la Société ou (B) des actifs de la Société et de ses filiales déterminées sur une base consolidée et (2) après la réalisation de laquelle les actionnaires de la Société ne détiennent pas collectivement (véritable ou inscrit) une majorité des droits de votes d'une telle personne ou de l'entité mère ultime d'une telle personne, immédiatement avant une telle acquisition (ou, dans le cas d'un groupe de personnes, une majorité des droits de votes du membre le plus important du groupe, déterminé par référence aux contributions respectives de tels membres ou l'entité mère ultime d'un tel membre le plus important du groupe).

(2) *Approbation des Contrats d'Acquisition.* Aucun administrateur de Catégorie B, agissant seul ou avec un ou plusieurs autres administrateurs de Catégorie B, ne peut avoir le pouvoir d'entraîner la Société à conclure tout Contrat d'Acquisition ou achever une Acquisition sauf si un tel Contrat d'Acquisition (a) prévoit par ses termes que l'achèvement de l'Acquisition est conditionné soit (I) au vote de l'actionnaire dans les conditions de quorum et de majorité conformément à la Loi ou à d'autres provisions de ces Statuts pour une telle Acquisition ou (II) à l'approbation de l'actionnaire par le vote d'une majorité des actions pour laquelle le scrutin est plus élevé concernant les clauses (I) ou (II) susmentionnées (une telle condition, si applicable, une « **Condition de l'Approbation de l'Actionnariat** ») et (b) n'impose pas d'obligations ou de sanctions à la Société si la Condition de l'Approbation de l'Actionnariat n'est pas obtenue par voie d'une Assemblée Générale ou d'une Assemblée Générale Extraordinaire, le cas échéant, convoquée pour voter en faveur d'un tel Contrat d'Acquisition ou une telle Acquisition autre que le remboursement des dépenses raisonnables engagées par la contrepartie. Si un Contrat d'Acquisition proposé satisfait les clauses (a) et (b) de la phrase précédente, une Majorité de Catégorie B doit à être autorisée à représenter la Société en exécutant et délivrant ou en entraînant toute personne autorisée par la Majorité de Catégorie B à exécuter et délivrer, pour le compte de la Société, un tel Contrat d'Acquisition pour convoquer une Assemblée Générale ou une Assemblée Générale Extraordinaire, si applicable, pour rechercher l'approbation de l'actionnariat sur l'Acquisition en conformité avec la Condition de l'Approbation de l'Actionnariat et, si une telle approbation de l'actionnariat est obtenue, exercer tous les autres pouvoirs investis par l'article 7.2 (iv) (1) ci-dessus relatifs au Contrat d'Acquisition (ce qui inclut entraîner la Société à réaliser l'Acquisition et les autres transactions envisagées par les présentes ou, sous réserve des termes du Contrat d'Acquisition, mettre fin à un tel Contrat d'Acquisition et abandonner une telle Acquisition).

(3) *Limitation de l'Autorité de Représentation des Administrateurs de Catégorie A relative aux Propositions d'Acquisition.* Nonobstant toute clause contraire de ces Statuts (mais restant soumis à la dernière phrase de l'article 7.2 (iv) (3)), aucun administrateur de Catégorie A, agissant seul ou avec plusieurs autres administrateurs, en sa capacité d'administrateur, ne peut ni avoir l'autorité d'engager la Société ou d'agir pour le compte de la Société, ni prendre toute action dans tous les cas liés à toute Acquisition, Contrat d'Acquisition ou Cas des Acquisitions Proposées, sauf en cas d'approbation préalable d'une Majorité de Catégorie B.

*Nonobstant la phrase précédente, cet article 7.2 (iv) (3) ne peut être interprété comme limitant le droit des administrateurs de Catégorie A à assister aux réunions des administrateurs de Catégorie B, de recevoir les informations reçues par les administrateurs de Catégorie B ou de fournir une collaboration aux administrateurs de Catégorie B, dans chaque cas, en ce qui concerne les Acquisitions, Contrats d'Acquisition, Propositions d'Acquisitions et autres Cas des Acquisitions Proposées, et les administrateurs de Catégorie B doivent étendre de tels droits aux administrateurs de Catégorie A.*

*(4) Modification de l'article 7.2 (iv). Nonobstant toute clause contraire de ces Statuts, le Conseil ne doit pas proposer aux actionnaires ou recommander que les actionnaires n'approuvent toute modification à cet article 7.2 (iv) et/ou toutes autres dispositions de ces Statuts en modifiant ou limitant directement ou indirectement cet article 7.2 (iv) sans le vote favorable d'une Majorité de Catégorie B.*

### 7.3. Procédure

(i) Le Conseil doit nommer un président parmi ses membres et peut choisir un secrétaire, administrateur ou non, et qui sera responsable de la tenue des procès-verbaux des réunions du Conseil et des Assemblées Générales.

Un administrateur peut également renoncer à la convocation à une réunion, que ce soit avant ou après ladite réunion. Des convocations écrites séparées ne sont pas exigées pour des réunions se tenant à des heures et dans des lieux fixés dans un calendrier préalablement adopté par le Conseil.

(v) Un administrateur peut donner une procuration à tout autre administrateur afin de le représenter à toute réunion du Conseil.

(vi) Sauf disposition contraire, le Conseil peut seulement valablement délibérer et agir si une majorité de ses membres sont présents ou représentés. Les résolutions du Conseil sont consignées dans des procès-verbaux signés par le président, tous les administrateurs présents ou représentés à l'assemblée ou par le secrétaire (le cas échéant).

(vii) Tout administrateur peut participer à toute réunion du Conseil par téléphone ou visioconférence ou par tout autre moyen de communication permettant à l'ensemble des personnes participant à la réunion de s'identifier, de s'entendre et de se parler. La participation par un de ces moyens équivaut à une participation en personne à une réunion dûment convoquée et tenue.

(viii) Des résolutions circulaires signées par tous les administrateurs (les « **Résolutions circulaires des Administrateurs** ») sont valables et engagent la Société comme si elles avaient été adoptées lors d'une réunion du Conseil dûment convoquée et tenue et portent la date de la dernière signature.

(ix) Tout administrateur qui a un intérêt opposé à celui de la Société dans une transaction qui ne concerne pas des opérations courantes conclues dans des conditions normales, est tenu d'en prévenir le Conseil et de faire mentionner cette déclaration au procès-verbal de la réunion. L'administrateur en question ne peut pas prendre part à ces délibérations. Un rapport spécial relatif à ou aux transactions

concernées est soumis aux actionnaires avant tout vote, lors de la prochaine Assemblée Générale.

#### **7.4. Représentation**

*(i) La Société est engagée envers les tiers (a) avant le Moment de la Résiliation de la Nomination (tel que défini à la Convention de Gouvernance), par la signature conjointe de deux administrateurs de Catégorie B s'agissant des Cas des Acquisitions Proposées ou d'un Contrat d'Acquisition ; et (b) dans tous les autres cas, par la signature conjointe d'une majorité du Conseil.*

*(ii) La Société est également engagée envers les tiers par la signature conjointe ou individuelle de toute personne à qui un pouvoir de signature spécial a été délégué par le Conseil ou, avant le Moment de la Résiliation de la Nomination (tel que défini à la Convention de Gouvernance) eu égard aux Cas des Acquisitions Proposées ou au Contrat d'Acquisition, par une Majorité de Catégorie B.*

#### **Art. 8. Administrateur unique**

8.1. Au cas où le nombre des actionnaires est réduit à un (1), la Société peut être gérée par un administrateur unique jusqu'à l'Assemblée Générale ordinaire suivant l'introduction d'un actionnaire supplémentaire. Dans ce cas, toute référence dans les Statuts au Conseil ou aux administrateurs doit être considérée, le cas échéant, comme une référence à cet administrateur unique.

8.2. Les transactions conclues par la Société qui sont en opposition avec les intérêts de l'administrateur unique doivent être consignées dans des procès-verbaux. Cela ne s'applique pas aux transactions qui concernent des opérations courantes conclues dans des conditions normales.

#### IV. ACTIONNAIRE(S)

##### Art. 11. Assemblées générales des actionnaires

###### 11.1. Pouvoirs et droits de vote

(i) Les résolutions des actionnaires sont adoptées lors d'assemblées générales des actionnaires (l'« **Assemblée Générale** »). L'Assemblée Générale a les pouvoirs les plus étendus pour adopter, autoriser et ratifier tous les actes et opérations conformes à l'objet social.

(ii) Chaque action donne droit à un (1) vote.

###### 11.2. Convocations, quorum, majorité et procédures de vote

(i) Les Assemblées Générales sont tenues au lieu et heure précisés dans les convocations.

(ii) La convocation à toute Assemblée Générale Ordinaire ou Assemblée Générale extraordinaire doit contenir l'ordre du jour, l'heure et le lieu de la réunion et doit être faite par deux (2) publications de huit (8) jours d'intervalle au Mémorial C, Recueil des Sociétés et Associations (Gazette Officielle de Luxembourg) et dans un journal à large diffusion au Luxembourg, la seconde convocation étant publiée huit (8) jours avant la réunion. Dans le cas où les actions de la Société sont cotées sur un marché réglementé à l'étranger, les avis doivent, en outre (sous réserve de la réglementation applicable), soit (i) être publié une fois un journal à large diffusion du pays de cette cotation au même moment que la première publication au Luxembourg ou (ii) suivre les pratiques de marché de ce pays en matière de publicité de la convocation à une assemblée générale des actionnaires.

(iii) Si tous les actionnaires sont présents ou représentés et se considèrent comme ayant été dûment convoqués et informés de l'ordre du jour de l'assemblée, l'Assemblée Générale peut se tenir sans convocation préalable.

(iv) Un actionnaire peut donner une procuration écrite à toute autre personne, actionnaire ou non, afin de le représenter à toute Assemblée Générale.

(v) En relation avec toute Assemblée Générale, le Conseil est autorisé mais n'est pas requis de prendre des dispositions pour que les actionnaires participent par des dispositifs de communication à distance. Si le Conseil a pris cette disposition, une participation de l'actionnaire par des dispositifs de communication à distance sera considérée comme équivalente à une participation en personne à cette assemblée.

(vi) Tout actionnaire peut voter au moyen de formulaires de vote fournis par la Société. Les formulaires de vote indiquent la date, le lieu et l'ordre du jour de la réunion, le texte des résolutions proposées ainsi que, pour chaque résolution, trois cases permettant de voter en faveur, de voter contre ou de s'abstenir. Les formulaires de vote doivent être renvoyés par les actionnaires au siège social. Sont pris en compte pour le calcul du quorum, seuls les formulaires de vote reçus avant la réunion de l'Assemblée Générale. Les formulaires de vote qui n'indiquent ni intention de vote ni abstention, sont nuls.

(vii) Les décisions de l'Assemblée Générale sont adoptées à la majorité simple des voix exprimées, sans tenir compte de la proportion du capital social représenté.

(viii) Une assemblée générale extraordinaire (« **Assemblée Générale Extraordinaire** ») ne peut modifier les Statuts que si au moins la moitié du capital social est représenté et que l'ordre du jour indique les modifications au Statuts proposées, y compris le texte de tout modification proposée à l'objet social ou à la forme de la Société. Si ce quorum n'est pas atteint, une seconde Assemblée Générale Extraordinaire peut être convoquée au moyen d'avis publiés deux fois dans le Mémorial et deux journaux luxembourgeois, à un intervalle d'au moins quinze (15) jours et ce, quinze jours (15) avant la réunion. Ces avis précisent la date

et l'ordre du jour de l'Assemblée Générale Extraordinaire. La seconde Assemblée Générale Extraordinaire délibère valablement quel que soit le pourcentage de capital représenté. Lors des deux Assemblées Générales Extraordinaires, les résolutions doivent être adoptées par au moins deux tiers des suffrages exprimés.

Toute Assemblée Générale sera présidée par le président du Conseil nommé conformément à l'article 7.3 (i) ou, en l'absence de président, par tout autre administrateur ou agent de la Société désigné par le Conseil. 12.2. En relation avec toute Assemblée Générale, le Conseil est autorisé à fournir ces règles de délibération et ces conditions autorisant les actionnaires à prendre part à l'assemblée comme le Conseil le juge approprié. Sauf si cela rentre en conflit avec les règles et conditions adoptées par le Conseil, la personne présidant l'assemblée aura le pouvoir et l'autorité de prescrire de telles règles et conditions additionnelles et de faire tous ces actes qui, dans le jugement d'une telle personne, seront appropriés pour la bonne tenue de la réunion. De telles règles et conditions, qu'elles soient adoptées par le Conseil ou prescrites par une personne présidant l'assemblée, peuvent inclure, dans chaque cas dans la limite de ce qui est prescrit par la loi applicable, (a) de déterminer l'ordre du jour de l'assemblée, (b) les règles et procédures pour maintenir l'ordre de l'assemblée et la sûreté de ceux présents, (c) des limites sur la présence ou la participation à l'assemblée des actionnaires, leurs mandataires dûment autorisés et constitués, ou toute autre personne que le président de l'assemblée déterminera, (d) des restrictions imposées à l'entrée de l'assemblée après le temps fixé pour le démarrage de l'assemblée, et (e) des limitations sur le temps alloué pour les questions ou commentaires des participants.

12.3. Sans limiter la généralité de l'article 12.2 et indépendamment de l'ordre du jour, le Conseil ou la personne présidant l'assemblée peuvent ajourner toute Assemblée Générale ordinaire ou Assemblée Générale Extraordinaire conformément aux formalités et limites de temps stipulées par la loi.

12.4. Les minutes des Assemblées Générales doivent être signées par les membres du bureau de l'assemblée. Les copies ou extrait des procès-verbaux qui devront être produites devant le tribunal ou autre part devront être signées par deux (2) administrateurs ou par le secrétaire du Conseil ou par tout secrétaire adjoint.

12.5. Nonobstant toute disposition contraire des Statuts et en plus de tout vote plus ou moins important requis par la Loi, par d'autres provisions de ces Statuts, par le Contrat d'Acquisition applicable ou autre, la Société n'aura ni le pouvoir ni l'autorité de finaliser une transaction satisfaisant la clause (1) (B) de la définition de l'Acquisition sans l'approbation préalable des actionnaires (une telle approbation obtenue par un vote à la majorité des actions).

#### **Art. 13. Actionnaire unique**

13.1 Lorsque le nombre des actionnaires est réduit à un (1), l'actionnaire unique exerce tous les pouvoirs conférés par la Loi à l'Assemblée Générale.

13.2 Toute référence dans les Statuts à l'Assemblée Générale est interprétée le cas échéant, comme une référence à cet actionnaire unique.

13.3 Les résolutions de l'actionnaire unique sont consignées dans des procès-verbaux.

## **V. COMPTES ANNUELS – AFFECTATION DES BÉNÉFICES – CONTRÔLE**

### **Art. 14. Exercice social et approbation des comptes annuels**

14.1. L'exercice social commence le premier (1) janvier et se termine le trente-et-un (31) décembre de chaque année.

14.2. Chaque année, le Conseil dresse le bilan et le compte de résultats ainsi qu'un inventaire indiquant la valeur des actifs et passifs de la Société, avec une annexe résumant les engagements de la Société ainsi que les dettes des agents, administrateurs et commissaires aux comptes envers la Société.

14.3. Un mois avant l'Assemblée Générale Annuelle, le Conseil fournit les pièces justificatives, et un rapport sur les opérations de la Société aux commissaires, qui doivent ensuite faire un rapport exposant leurs conclusions et leurs propositions.

14.4. L'Assemblée Générale Annuelle est tenue au siège social ou à tout autre endroit au sein de la ville où est situé le siège social, tel que spécifié dans la convocation, le quatrième mardi du mois de mai à 10 heures du matin. Si ce jour est un jour férié ou le jour suivant un jour férié aux Etats-Unis, l'Assemblée Générale sera tenue le mardi de la semaine suivante.

14.5. L'Assemblée Générale annuelle peut être tenue à l'étranger si, selon le jugement décisif et absolu du Conseil, des circonstances exceptionnelles l'exigent.

### **Art. 15. Commissaires aux comptes/Réviseurs d'entreprises**

16.1. Cinq pour cent (5 %) des bénéfices nets annuels de la Société sont affectés à la réserve légale. Cette affectation cesse d'être exigée lorsque la réserve légale atteint dix pour cent (10 %) du capital social.

16.2. L'Assemblée Générale décide de l'affectation du solde des bénéfices nets annuels. Elle peut affecter ce bénéfice au paiement d'un dividende, l'affecter à un compte de réserve ou le reporter conformément aux dispositions légales applicables.

16.3. Des dividendes intérimaires peuvent être distribués à tout moment, aux conditions suivantes :

(i) des comptes intérimaires sont établis par le Conseil;

(ii) ces comptes intérimaires montrent que des bénéfices et autres réserves (en ce compris la prime d'émission) suffisants sont disponibles pour une distribution; étant entendu que le montant à distribuer ne peut excéder le montant des bénéfices réalisés depuis la fin du dernier exercice social dont les comptes annuels ont été approuvés, le cas échéant, augmenté des bénéfices reportés et des réserves distribuables, et réduit par les pertes reportées et les sommes à affecter à la réserve légale ou statutaire ;

(iii) la décision de distribuer des dividendes intérimaires est adoptée par le Conseil dans les deux (2) mois suivant la date des comptes intérimaires; et

Dans leur rapport au Conseil, selon le cas, les commissaires ou les réviseurs d'entreprises doivent vérifier si les conditions indiquées ci-dessus ont été remplies.

## **VI. DISSOLUTION – LIQUIDATION**

17.1. La Société peut être dissoute à tout moment, par une résolution de l'Assemblée Générale, adoptée selon les modalités requises pour la modification des Statuts. L'Assemblée Générale nomme un ou plusieurs liquidateurs, actionnaires ou non, pour réaliser la liquidation et détermine leur nombre, pouvoirs et rémunération. Sauf décision contraire de l'Assemblée Générale, les liquidateurs sont investis des pouvoirs les plus étendus pour réaliser les actifs et payer les dettes de la Société.

17.2. Le boni de liquidation résultant de la réalisation des actifs et du paiement des dettes est distribué aux actionnaires proportionnellement aux actions détenues par chacun d'entre eux.

## **VII. DISPOSITIONS GENERALES**

18.1. Les convocations et communications, respectivement les renoncations à celles-ci, sont faites, et les résolutions circulaires sont établies par écrit, télégramme, téléfax, e-mail ou tout autre moyen de communication électronique.

18.2. Les procurations sont données par tout moyen mentionné ci-dessus. Les procurations relatives aux réunions du Conseil peuvent également être données par un administrateur conformément aux conditions acceptées par le Conseil.

18.3. Les signatures peuvent être sous forme manuscrite ou électronique, à condition que les signatures électroniques remplissent l'ensemble des conditions légales requises pour pouvoir être assimilées à des signatures manuscrites. Les signatures des résolutions circulaires peuvent être apposées sur un original ou sur plusieurs copies du même document, qui ensemble, constituent un seul et unique document.

18.4. Pour tous les points non expressément prévus par les Statuts, il est fait référence à la loi et, sous réserve des dispositions légale d'ordre public, à tout accord conclu de temps à autre entre les actionnaires.

(c) Nomination Rights of the Other Lenders. The Other Lenders shall have the right to nominate one (1) Class B Director, which nominee shall be determined by the plurality of the voting power of the respective shares of the Company held, beneficially or of record, by the Other Lenders. The Company shall administer the identification of the Other Lenders’ Class B Director nominee by requesting in writing from the Designee of each of the Abrams Parties, Fidelity Parties, Highbridge Parties and Whitebox Parties a written representation as to (i) the number of shares of the Company then held, beneficially or of record, by each of such Designee’s Designating Parties and (ii) the person such Designating Party desires to identify as the Class B Director to be nominated pursuant to this Section 2.1(c). If any Designee does not respond to the Company by the deadline set forth in such request, which deadline shall not be less than ten (10) Business Days after the date such request is deemed given pursuant to Section 4.3, the Company shall be entitled to deem the applicable Designating Party as having abstained from the identification of the Class B Director pursuant to this Section 2.1(c).

### ARTICLE III

#### ADDITIONAL GOVERNANCE AGREEMENTS

##### Section 3.1 Effect of Nomination Termination Time.

(a) Notwithstanding anything in this Agreement to the contrary, upon the first such time (the “Nomination Termination Time”) that it becomes known to the Company that any of (i) the Avenue Parties (collectively and in the aggregate with each other), (ii) the SVP Parties (collectively and in the aggregate with each other) or (iii) the Other Lenders (collectively and in the aggregate with each other) hold, beneficially or of record, and have the power to vote or direct the voting of, 10% or less (the “Ownership Threshold”) of the then issued and outstanding shares of the Company, the provisions of Article II (other than any terms defined therein) shall automatically terminate and none of the Avenue Parties, the SVP Parties, the Other Lenders or the Company shall have or owe any of the rights or obligations set forth therein. Whichever of the Avenue Parties, SVP Parties or Other Lenders, as applicable, whose collective holdings of shares of the Company first becomes known to the Company to cease to exceed the Ownership Threshold is referred to herein as the “Triggering Party.”

(b) During the period beginning at the Nomination Termination Time and ending at the convening of the first General Meeting after the Nomination Termination Time, if the Board requests in writing the resignation of the former Class B Director who was nominated pursuant to Section 2.1 by the Triggering Party, then each of the Avenue Parties, SVP Parties and Other Lenders hereby agrees that it shall take all necessary actions (including in the case of the Avenue Parties and the SVP Parties (but not in the case of the Other Lenders) causing to be voted all shares of the Company that it or its Affiliates (disregarding the Affiliate Exclusion) beneficially own and have the power to vote or cause the voting of or over which it holds proxies or powers of attorney, as the case may be) to cause such Director to resign or otherwise be removed from office as a Director; provided, that any such resignation or removal shall be without prejudice to, and shall not constitute any waiver of, any right to limitation of liability, indemnification or advancement of expenses under the Articles or any insurance policy of or other agreement with the Company that such Director may have as a result of his or her service as a Director prior to the effective time of such resignation or removal. For avoidance of doubt, no provision in this Agreement shall in any way limit or restrict the right of any Director to resign voluntarily at any time and for any reason.

Section 3.2 Board Observer Rights. From the date hereof until the first such time that it becomes known to the Company that an Observer Shareholder together with its Permitted Transferees collectively cease to hold, beneficially or of record, and have the power to vote or direct the voting of, at least such Observer Shareholder’s Original Percentage Threshold, the

Company agrees that such Observer Shareholder shall have the right to designate one (1) Board observer (an “Observer”). Whenever an Observer Shareholder shall have the right to designate an Observer pursuant to the preceding sentence, the Company shall (a) provide such Observer, as, if and when distributed to the non-management Directors, (i) copies of all documents distributed to the Board, including notice of all meetings of the Board, all written consents executed by the Board and all materials prepared for consideration at any meeting of the Board and (ii) copies of the minutes related to each meeting of the Board; and (b) invite such Observer to attend and reasonably participate, but not vote, at all meetings of the Board (whether such meetings are held in person, telephonically or otherwise); provided, however, that the Company reserves the right to exclude any Observer from any meeting or portion thereof, and to withhold any such materials, if such exclusion or withholding is necessary or advisable to preserve attorney-client, work product or similar privilege or to comply with the terms and conditions of confidentiality agreements with third parties or applicable Law; provided, further, that, as a condition to the Company’s obligations under this sentence, such Observer shall agree to hold in confidence and trust and to act in a fiduciary manner with respect to all Company Confidential Information. Subject to the following sentence, the Company agrees and acknowledges that any Observer may share Company Confidential Information with the Observer Shareholder that designated such Observer, but only upon such Observer Shareholder’s request. Notwithstanding the preceding sentence, prior to receiving any Company Confidential Information, an Observer Shareholder shall enter into a customary non-disclosure agreement with the Company, pursuant to which such Observer Shareholder agrees not to disclose or use for any purpose (other than in relation to its or one or more of its Affiliates’ investment in the Company) any such Company Confidential Information without the prior written consent of the Board, except that Company Confidential Information may be disclosed (i) if required by applicable law, regulation, legal process or pursuant to any request by any legal, regulatory, self-regulatory or government body ( provided, that, other than in connection with a routine examination, audit or inspection by any regulatory, supervisory or similar body or authority having or claiming jurisdiction over the Observer Shareholder or one or more of its Affiliates, prior to making such disclosure or, if not practicable in advance, as promptly as practicable thereafter, and to the extent legally permissible, such Observer Shareholder shall notify the Company in writing so that the Company may seek a protective order or other appropriate remedy) and (ii) to such Observer Shareholder’s Advisors on a “need to know basis” ( provided, that such Advisors agree to keep such Company Confidential Information confidential and to limit their use thereof to such Observer Shareholder’s or one or more of its Affiliates’ investment in the Company).

Section 3.3 Additional Share Capital Authorization. If the Articles in effect as of the date of this Agreement do not authorize the Board to increase the then current share capital once or more up to one million United States dollars (USD \$1,000,000) (such amount including the current share capital of the Company of eighty hundred twenty-five thousand United States dollars (USD \$825,000)) by the issue of new shares having the same rights as the existing shares, or without any such issue (the “Additional Share Capital Authorization”), then each of the Company, the Avenue Parties and the SVP Parties hereby agrees with one another (and for avoidance of doubt, not with any of the Other Lenders) that it shall take all necessary actions (including, other than in the case of the Company, causing to be voted all shares of the Company that it or its Affiliates (disregarding the Affiliate Exclusion) beneficially own and have the power to vote or cause the voting of or over which it holds proxies or powers of attorney, as the case may be) to cause the Articles to be amended as promptly as practicable following a request

---

therefor by any of the Company, the Avenue Parties or the SVP Parties to provide for such Additional Share Capital Authorization.

In recognition and anticipation that (i) certain Representatives of the Avenue Parties or of their respective Affiliates may serve as directors, officers or agents of the Company and/or its Subsidiaries, (ii) certain Representatives of the SVP Parties or of their respective Affiliates may serve as directors, officers or agents of the Company and/or its Subsidiaries, (iii) certain Representatives of the Other Lenders or of their respective Affiliates may serve as directors, officers or agents of the Company and/or its Subsidiaries, and (iv) each of the Avenue Parties, SVP Parties, Other Lenders and their respective Affiliates (collectively, the “Identified Persons”) may now engage and may continue to engage (a) in the same or similar activities or related lines of business as those in which the Company and its Subsidiaries may engage and/or (b) in other business activities that overlap with or compete with those in which the Company and/or its Subsidiaries may engage, the provisions of this Section 3.4 are set forth to regulate and define the conduct of certain affairs of the Company and its Subsidiaries, and the Company (on its behalf and on behalf of each of its Subsidiaries) hereby agrees to each such provision, with respect to certain classes or categories of business opportunities, as such opportunities may involve any Identified Person, on the one hand, and the powers, rights, duties and liabilities of the Company and its Subsidiaries and its and their respective shareholders, directors, officers, and agents in connection therewith, on the other hand.

To the fullest extent permitted by applicable Law, each Identified Person (i) shall have the right to, and shall have no duty not to, directly or indirectly engage in and possess interests in other business ventures of every type and description, including business ventures engaged in the same or similar business activities or lines of business as the Company or any of its Subsidiaries or that are deemed to be competing with the Company or any of its Subsidiaries, on its own account, or in partnership with, or as a direct or indirect equity holder, controlling person, shareholder, director, officer, employee, agent, affiliate, member, financing source, investor, direct or indirect manager, general or limited partner or assignee of any other Person, with no obligation to offer to the Company or its Subsidiaries the right to participate therein, and (ii) shall have the right to invest in, or provide services to, any Person that is engaged in the same or similar business activities as the Company or its Subsidiaries or that directly or indirectly competes with the Company or any of its Subsidiaries.

In the event that any Identified Person (i) acquires knowledge of a potential transaction or matter which may be an investment, corporate or business opportunity or prospective economic or competitive advantage in which the Company or its Subsidiaries, or their respective direct or indirect equity holders, could have an interest or expectancy (a “Competitive Opportunity”) or (ii) otherwise is then exploiting any Competitive Opportunity, then to the fullest extent permitted under applicable Law, the Company or its Subsidiaries, and their respective direct and indirect equity holders, will have no interest in such Competitive Opportunity and no expectation that such Competitive Opportunity will be offered to them, and, to the fullest extent permitted by applicable Law, the Company (on behalf of itself and such Subsidiaries and equity holders) hereby disclaims, renounces and waives any such interest or expectation. Any Identified Person shall (i) have no duty to communicate or present such Competitive Opportunity to the Company or its Subsidiaries or its direct or indirect equity

(or such other entities designated in accordance with the foregoing clauses (x) or (y), as applicable)), (ii) the SVP Parties shall be exercised solely by Yellow Sapphire S.a.r.l. (or another entity designated by Yellow Sapphire S.a.r.l.) on behalf of each of the SVP Parties, (iii) the Abrams Parties shall be exercised solely by Abrams Capital Management, L.P. (or another entity designated by Abrams Capital Management, L.P.) on behalf of each of the Abrams Parties, (iv) the Fidelity Parties shall be exercised solely by Fidelity Management & Research Company (or another entity designated by Fidelity Management & Research Company) on behalf of each of the Fidelity Parties, (v) the Highbridge Parties shall be exercised solely by Highbridge Capital Management, LLC (or another entity designated by Highbridge Capital Management, LLC) on behalf of each of the Highbridge Parties, and (vi) the Whitebox Parties shall be exercised solely by Whitebox Advisors LLC (or another entity designated by Whitebox Advisors LLC) on behalf of each of the Whitebox Parties. Each Person that holds the rights referred to in the foregoing clauses (i)-(vi) is referred to in this Agreement as a "Designating Party" and the Person designated by each Designating Party to exercise such rights is referred to in this Agreement as the "Designee."

(b) The Company may from time to time (but no more frequently than once per calendar quarter) request from any Designee a written representation of the number of shares of the Company then collectively held, beneficially or of record, by such Designee's Designating Parties. Whenever the Company makes such a request, each Designating Party shall use commercially reasonable efforts to cause its Designee to give such written representation within fifteen (15) Business Days after the date such request is deemed given pursuant to Section 4.3.

(c) In connection with the taking of a vote of the Class B Directors to approve the execution of an Acquisition Contract (as defined in the Articles) prior to the Nomination Termination Time, the Company may request that each Class B Director confirm in writing (based solely on information provided to such Class B Director by the relevant Designating Parties or their respective Designees) that the Avenue Parties, SVP Parties or Other Lenders, as applicable, that nominated such Director has not become a Triggering Party. Whenever the Company makes such a request, each of the Avenue Parties, SVP Parties and Other Lenders shall use commercially reasonable efforts to cause its Class B Director nominee to give such written confirmation within five (5) Business Days after the date such request is deemed given pursuant to Section 4.3.

(d) In the event that the Company is unable to confirm (other than *de minimis* inaccuracies) the aggregate holdings of shares of the Company set forth in any Designee's written representation or Class B Director's written confirmation given pursuant to Section 3.5(b) or (c) by reference to the share register of the Company, Exchange Act filings and NOBO lists, then the Company may make a supplemental request that the relevant Designee of any Designating Parties whose holdings the Company has been unable to confirm provide evidence of such holdings in such form as would satisfy Rule 14a-8(b) under the Exchange Act.

(e) For purposes of determining whether the respective holdings of shares of the Company of the Avenue Parties, SVP Parties and Other Lenders exceeds the Ownership Threshold, or of any Observer Shareholder (together with its Permitted Transferees) exceeds such Observer Shareholder's Original Percentage Threshold, the Company shall be entitled to rely conclusively on (w) a written representation from such Person or its Designee or a written confirmation from a Class B Director, (x) the existence (and content of) and absence of filings of Schedules 13D or 13G under the Exchange Act (or any similar schedule) as of any date, (y) its actual knowledge of the ownership of the outstanding shares of the Company and (z) with respect to beneficial ownership of shares of the Company, any reports or determinations by third parties reasonably believed to be within such third parties' professional competence, including any NOBO lists or reports of professional beneficial owner verification and identification service providers.

## ARTICLE II

### REGISTRATION RIGHTS

#### SECTION 2.01. Demand Registration.

(a) Request for Demand Registration. Subject to Section 2.11, at any time, and from time to time, a Requesting Holder that is a Ten Percent Holder (along with any other Requesting Holder that is also a Ten Percent Holder) may make up to three (3) written requests (each, a “Demand Registration Notice”) to the Company to register, and the Company shall register, under the Securities Act (other than pursuant to a Registration Statement on Form S-4 or S-8), in accordance with the terms of this Agreement, the number of Registrable Securities stated in each such request (a “Demand Registration”), provided, however, and subject to the provisions of Section 2.11, that the Company shall not be obligated to effect (i) more than two (2) such Demand Registrations in any 12-month period in the aggregate for all Requesting Holders and (ii) any Demand Registration with respect to which such Requesting Holder (or Requesting Holders, as the case may be) proposes to sell Registrable Securities (including any Registrable Securities proposed to be sold by other Holders pursuant to Section 2.01(c)) in such Demand Registration at an anticipated aggregate offering price (calculated based upon the Market Price of the Registrable Securities on the date on which the Company receives the written request for such Demand Registration) to the public of less than \$150 million unless such Demand Registration includes at least 20% of the then-outstanding Registrable Securities; provided, however, that such Demand Registration shall not be considered a Demand Registration for the purposes of subclause (a)(i) above if, after a Demand Registration becomes effective, (1) such Demand Registration is interfered with by any stop order or other order of the Commission or other Governmental Authority, or (2) if the Maximum Offering Size determined in accordance with Section 2.01(f) is less than seventy-five percent (75 %) of the Registrable Securities sought to be included in such Demand Registration by the Requesting Holder(s) and by other Holders pursuant to Section 2.01(c). Each request for a Demand Registration by a Requesting Holder (or Requesting Holders, as the case may be) shall state the amount of the Registrable Securities proposed to be sold and the intended method of disposition thereof; provided, that a Demand Registration shall not provide for an offering on a delayed or continuous or “shelf” basis and such Registrations shall be required only in accordance with Section 2.02. Subject to this Section 2.01 and Section 1.02(a)(vii), the Company shall effect such Demand Registration on Form S-1 unless it is otherwise then eligible to effect such Registration on Form S-3. For the avoidance of doubt, a Holder that, together with its Affiliates, does not beneficially own (without giving effect to the existence of any group (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision)) at least 10% of the outstanding Common Stock, may not join with another such Holder to reach the 10% threshold required to exercise demand registration rights pursuant to this Section 2.01; provided, that, after such demand registration rights are exercised, any such Holders and their Affiliates may join with another Holder to reach either the 20% threshold or \$150 million threshold for purposes of this Section 2.01.

(b) Limitations on Demand Registrations. If the Board of Directors, in its good faith judgment, determines that the registration of Registrable Securities pursuant to a Demand Registration, or the amendment or supplement of a Registration Statement filed pursuant to a Demand Registration, would materially interfere with any material financing, acquisition, corporate reorganization or merger or other material transaction involving the Company or would require the Company to make an Adverse Disclosure (a “Valid Business Reason”), and the Company furnishes to the Requesting Holder (or Requesting Holders, as the case may be) a certificate signed by the Chief Executive Officer or any other senior executive officer of the Company stating such (the “Postponing Officer’s Certificate”), (i) the Company may postpone the filing or effectiveness of the Registration

Statement (but not the preparation of the Registration Statement) relating to such Demand Registration and (ii) in the case of a Registration Statement that has been filed with respect to a Demand Registration, the Company may postpone amending or supplementing such Registration Statement, in the case of (i) and (ii) until such Valid Business Reason ceases to exist (a “Demand Suspension”), but in no event shall any such postponement be for more than sixty (60) days after the date of the Demand Registration Notice or, if later, the occurrence of the Valid Business Reason. In the event of any such postponement, the Requesting Holder (or requesting Holders, as the case may be) initiating such Demand Registration shall be entitled to withdraw the Demand Registration request by written notice to the Company and, if such request is withdrawn, it shall not count as a Demand Registration hereunder. In addition to the Postponing Officer’s Certificate discussed above, the Company shall promptly give written notice to the Requesting Holder (or Requesting Holders, as the case may be) once the Valid Business Reason for such postponement no longer exists. Notwithstanding anything to the contrary contained herein, the Company may not postpone a filing, amendment or supplement under this Section 2.01(b) due to a Valid Business Reason for more than an aggregate of one hundred twenty (120) days during any 12-month period. Each Holder shall keep confidential the fact that a Demand Suspension is in effect, the Postponing Officer’s Certificate and its contents unless and until otherwise notified by the Company, except (A) for disclosure to such Holder’s employees, agents and professional advisers who reasonably need to know such information for purposes of assisting the Holder with respect to its investment in the Company Shares and agree to keep it confidential, (B) for disclosures to the extent required in order to comply with reporting obligations to its limited partners or other direct or indirect investors who have agreed to keep such information confidential, (C) if and to the extent such matters are publicly disclosed by the Company or any of its Subsidiaries or any other Person that, to the actual knowledge of such Holder, was not subject to an obligation or duty of confidentiality to the Company and its Subsidiaries, (D) as required by law, rule or regulation, provided that the Holder gives prior written notice to the Company of such requirement and the contents of the proposed disclosure to the extent it is permitted to do so under applicable law, and (E) for disclosure to any other Holder.

(c) Incidental or “Piggy-Back” Rights with Respect to a Demand Registration. Each of the Holders (other than the Requesting Holder(s) that requested the relevant Demand Registration under Section 2.01(a)) may offer such Holder’s Registrable Securities under any such Demand Registration pursuant to this Section 2.01(c). The Company shall (i) as promptly as practicable, but in no event later than five (5) days after the receipt of a request for a Demand Registration from any Requesting Holder(s), give written notice thereof to all of the Holders (other than such Requesting Holder(s)), which notice shall specify the number of Registrable Securities subject to the request for Demand Registration, the name of the Requesting Holder(s) and the intended method of disposition of such Registrable Securities and (ii) subject to Section 2.01(f), include in the Registration Statement filed pursuant to such Demand Registration all of the Registrable Securities requested by such Holders for inclusion in such Registration Statement from whom the Company has received a written request for inclusion therein within fifteen (15) days after the delivery in accordance with Section 3.03 to such Holders of such written notice referred to in clause (i) above. Each such request by such Holders shall specify the number of Registrable Securities proposed to be registered. Any Holder may waive its rights under this Section 2.01(c) prior to the expiration of such fifteen (15) day period by giving written notice to the Company.

(d) Effective Demand Registration. Subject to Sections 2.01(a) and (b), the Company shall use its commercially reasonable efforts to file a Registration Statement relating to the Demand Registration as promptly as practicable (but in no event later than (1) sixty (60) days after it receives a Demand Registration Notice under Section 2.01(a) hereof, if such Demand Registration Notice is received on or before the date that is 180 days following the date of this Agreement, or (2) forty-five (45) days after it receives a Demand Registration Notice under Section 2.01(a) hereof, if such Demand Registration Notice is received on or after the date that is 181 days following the date of this Agreement) and shall use its commercially reasonable efforts to cause such Registration Statement to become effective as promptly as practicable thereafter. Except as provided herein, the Company shall use its reasonable best efforts to keep any Demand Registration filed pursuant to Section 2.01(a) continuously effective under the Securities Act until the earliest of (i) the date as of which all Registrable Securities have been sold pursuant to such Demand Registration or another Registration Statement filed under the Securities Act, (ii) the date on which this Agreement terminates under Section 3.01 with respect to all Participating Holders and (iii) such shorter period as all of the Participating Holders with respect to such Demand Registration shall agree in writing; provided, however, that the Company shall be provided adequate time as reasonably necessary to provide the Commission with any required updates to the Registration Statement to maintain the continued effectiveness of such Registration Statement.

(e) Expenses and Withdrawal. The Company shall pay all Registration Expenses in connection with a Demand Registration, whether or not such Demand Registration becomes effective or such Demand Registration is completed and whether or not all or any portion of the Registrable Securities originally requested to be included in such Demand Registration are ultimately included. Each Participating Holder (including the Requesting Holder(s)) shall be permitted to withdraw all or part of its Registrable Securities from a Demand Registration at any time prior to the execution of the underwriting agreement in connection with such Demand Registration.

(f) Underwriting Procedures. If the Requesting Holder(s) making a Demand Registration request under Section 2.01(a) so elect in the Demand Registration Notice, the Company shall use its commercially reasonable best efforts to cause the offering made pursuant to such Demand Registration pursuant to this Section 2.01 to be in the form of a firm commitment underwritten offering. In connection with any Demand Registration under this Section 2.01 involving an underwritten offering, none of the Registrable Securities held by any Holder making a request for inclusion of such Registrable Securities pursuant to Sections 2.01(a) and (c) shall be included in such underwritten offering unless, at the request of the underwriters for such Demand Registration, such Holder enters into an underwriting agreement pursuant to the terms of Section 2.06(a) hereof and then only in such quantity as set forth below. If the managing underwriter or underwriters of any proposed Demand Registration informs the Holders that have requested to participate in such Demand Registration that, in its or their good-faith opinion, the number of securities which such Holders intend to include in such offering exceeds the Maximum Offering Size, then the aggregate number of securities to be included in such Demand Registration shall be the number of Registrable Securities that, in the opinion of such managing underwriter or underwriters, can be sold without having such adverse effect on such Demand Registration, which number shall be allocated (i) first, to 100% of the Registrable Securities requested to be included in such Demand Registration by any Holder that is an affiliate (as defined in Rule 12b-2 under the Exchange Act) of the Company, on a pro rata basis among such Holder(s) and (ii) second, to the Registrable Securities requested to be included in such Demand Registration by any Holder that is not an affiliate (as defined in Rule 12b-2 under the Exchange Act) of the Company, on a pro rata basis among any Holder(s) that is not an affiliate (as defined in Rule 12b-2 under the Exchange Act) of the Company, in each case, based on the relative number of Registrable Securities so requested to be included by each such Holder. The Holders of a majority of the Registrable Securities to be included in any Demand Registration shall have the right to select, subject to the prior written consent of the Company (not to be unreasonably withheld or delayed), the managing underwriter or underwriters to administer such offering.

(g) Certain Undertakings. Notwithstanding any other provisions of this Agreement to the contrary, the Company shall cause (i) each Demand Registration Statement (as of the effective date thereof), any amendment thereof (as of the effective date thereof) or supplement thereto (as of its date), (A) to comply in all material respects with applicable SEC Guidance and (B) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading, and (ii) any related Prospectus (including any preliminary Prospectus) or Issuer Free Writing Prospectus and any amendment thereof or supplement thereto, as of its date, (A) to comply in all material respects with applicable SEC Guidance and (B) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances in which they were made, not misleading; provided, however, the Company shall have no such obligations or liabilities with respect to any written information pertaining to any Holder and furnished in writing to the Company by or on behalf of such Holder specifically for inclusion therein.

(ii) Upon the request of any Holder all of whose Registrable Securities are not included in the Initial Shelf Registration Statement at the time of such request to include any such Registrable Securities so requested, the Company shall amend the Initial Shelf Registration Statement to include such Registrable Securities; provided that the Company shall not be required to amend the Initial Shelf Registration Statement more than once every fiscal quarter of the Company.

(iii) Within ten (10) days after receiving a request pursuant to Section 2(a)(ii), the Company shall give written notice of such request to all other Holders of Registrable Securities and shall include in such amendment all such Registrable Securities with respect to which the Company has received written requests for inclusion therein within fifteen (15) days after the Company's giving of such notice, provided that such Registrable Securities are not already covered by an existing and effective Registration Statement that may be utilized for the offer and sale of the Registrable Securities requested to be registered in the manner so requested.

(iv) The Initial Shelf Registration Statement shall be on Form S-1; provided, however, that, if the Company becomes eligible to register the Registrable Securities for resale by the Holders on Form S-3 (including without limitation a Form S-3 filed as an Automatic Shelf Registration Statement), the Company shall be entitled to amend the Initial Shelf Registration Statement to a Shelf Registration Statement on Form S-3 or file a Shelf Registration Statement on Form S-3 in substitution of the Initial Shelf Registration Statement as initially filed.

In the event of any stop order, injunction or other similar order or requirement of the Commission relating to the Initial Shelf Registration Statement, if any Registrable Securities covered by the Initial Shelf Registration Statement remain unsold, the period during which the Initial Shelf Registration Statement shall be required to remain effective will be extended by the number of days during which such stop order, injunction or similar order or requirement is in effect.

(vi) If the Initial Shelf Registration Statement is on Form S-1 (or F-1), then for so long as any Registrable Securities covered by the Initial Shelf Registration Statement remain unsold, the Company will file any supplements to the Prospectus or post-effective amendments required to be filed by applicable law in order to incorporate into such Prospectus any Current Reports on Form 8-K (or 6-K) necessary or required to be filed by applicable law, any Quarterly Reports on Form 10-Q or any Annual Reports on Form 10-K (or 20-F) filed by the Company with the Commission, or any other information necessary so that (i) the Initial Shelf Registration Statement shall not include any untrue statement of material fact or omit to state any material fact necessary in order to make the statements therein not misleading, and (ii) the Company complies with its obligations under Item 512(a)(1) of Regulation S-K; provided, however, that these obligations remain subject to the Company's rights under Section 2.02(e) of this Agreement.

(vii) After the Initial Shelf Expiration Date and for so long as any Registrable Securities remain outstanding, if there is not an effective Registration Statement which includes the Registrable Securities that are currently outstanding (each such date, a "Shelf Trigger Date"), the Company shall (i) if the Company is eligible to register the Registrable Securities on Form S-3 (or Form F-3), within ten (10) Business Days file a Shelf Registration Statement on Form S-3 (or Form F-3) and use its reasonable best efforts to cause such Registration Statement to be declared effective or (ii) within ten (10) Business Days file a Shelf Registration Statement on Form S-1 (or Form F-1) and use its reasonable best efforts to cause such Registration Statement to be declared effective and for so long as any Registrable Securities covered by such Shelf Registration on Form S-1 (or Form F-1) remain unsold, the Company will file any supplements to the Prospectus or post-effective amendments required to be filed

by applicable law in order to incorporate into such Prospectus any Current Reports on Form 8-K (or Form 6-K) necessary or required to be filed by applicable law, any Quarterly Reports on Form 10-Q (or Form 20-F) or any Annual Reports on Form 10-K filed by the Company with the Commission, or any other information necessary so that (x) such Shelf Registration shall not include any untrue statement of material fact or omit to state any material fact necessary in order to make the statements therein not misleading, and (y) the Company complies with its obligations under Item 512(a)(1) of Regulation S-K; provided, however, that these obligations remain subject to the Company's rights under Section 2.02(e) of this Agreement. The Company shall promptly deliver a written notice (a "Shelf Registration Notice") of such Shelf Registration to all Holders, as promptly as practicable following the Shelf Trigger Date, and in any event within five (5) days thereafter, and the Company shall include in such Shelf Registration Statement all such Registrable Securities of such Holders for which the Company has received written requests, which requests must specify the aggregate amount of such Registrable Securities of such Holder to be included in the Shelf Registration Statement and such requests must be received within ten (10) days after the date that such Shelf Registration Notice has been delivered to such Holder. The Shelf Registration Statements described in this Section 2.02(a) shall relate to the offer and sale of the Registrable Securities by the Holders thereof from time to time in accordance with the methods of distribution set forth in the applicable Shelf Registration Statement (hereinafter a "Shelf Registration"). The Company shall use its reasonable best efforts to address any comments from the Commission regarding such Shelf Registration Statement and to advocate with the Commission for the Registration of all Registrable Securities in accordance with SEC Guidance. Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the Registrable Securities on any Shelf Registration Statement, such Shelf Registration Statement shall include the resale of a number of Registrable Securities which is equal to the maximum number of shares as is permitted by the Commission. In such event, the number of Registrable Securities to be included for each Holder in the applicable Shelf Registration Statement shall be reduced pro rata among all Holders requesting to be included in the applicable Shelf Registration Statement.

(b) Subsequent Requests for Shelf Registration. If at any time subsequent to the Shelf Registration Statement filed pursuant to Section 2.02(a) hereof, the Company receives a Demand Registration Notice from a Requesting Holder (or Requesting Holders, as the case may be) requesting a Demand Registration in the form of a Shelf Registration Statement (a "Requesting Shelf Registration Notice") to include Registrable Securities not already included for registration on the Shelf Registration Statement filed pursuant to Section 2.02(a) hereof, the Company shall use its reasonable best efforts to prepare and file with the Commission, within thirty (30) days after it receives a Requesting Shelf Registration Notice, a Shelf Registration Statement (or an amendment to an existing Shelf Registration Statement) covering the resale of all Registrable Securities that such Requesting Holder (or Requesting Holders, as the case may be) requests, pursuant to the Requesting Shelf Registration Notice, to include in such Shelf Registration Statement, and shall cause such Shelf Registration Statement to become effective as promptly as practicable. Promptly upon delivery of such Requesting Shelf Registration Notice by such Requesting Holder(s) (but in no event more than five (5) days thereafter), the Company shall promptly deliver a Shelf Registration Notice to all Holders (other than the Requesting Holder(s)), and the Company shall include in such Shelf Registration Statement all such Registrable Securities of such Holders for which the Company has received written requests, which requests must specify the aggregate amount of such Registrable Securities of such Holder to be included in the Shelf Registration Statement and such requests must be received within ten (10) days after the date that such Shelf Registration Notice has been delivered. If at the time of filing of such Shelf Registration Statement the Company is eligible for use of an Automatic Shelf Registration Statement, then such Shelf Registration Statement shall be filed as an Automatic Shelf Registration Statement in accordance with Section 2.02(g). The Shelf Registration Statements described in this Section 2.02(b) shall relate to the offer and sale of the Registrable Securities by the Holders thereof from time to time in accordance with the methods of distribution set forth in the applicable Shelf Registration. The Company shall use its reasonable best efforts to address any comments from the Commission regarding such Shelf Registration Statement and to advocate with the Commission for the Registration of all Registrable Securities in accordance with SEC Guidance. Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the Registrable Securities on any Shelf Registration Statement, such Shelf Registration Statement shall Register the resale of a number of Company Shares which is equal to the maximum number of shares as is permitted by the Commission. In such event, the number of Company Shares to be Registered for each Holder in the applicable Shelf Registration Statement shall be reduced pro rata among all such Holders. Notwithstanding anything to the contrary in this Section 2.02(b), the Company

may satisfy its obligation to effectuate the registration of the resale of such Registrable Securities requested to be registered under this Section 2.02(b) by amending an existing Shelf Registration Statement to include such Registrable Securities.

(c) Continued Effectiveness. Except as provided herein, the Company shall use its reasonable best efforts to keep any Shelf Registration Statement filed pursuant to Section 2.02(a) or Section 2.02(b) continuously effective under the Securities Act until the earliest of (i) the date as of which all Registrable Securities have been sold pursuant to such Shelf Registration Statement or another Registration Statement filed under the Securities Act (but in no event prior to the applicable period referred to in Section 4(3) of the Securities Act and Rule 174 thereunder), (ii) the date on which this Agreement terminates under Section 3.01 with respect to all Participating Holders and (iii) such shorter period as all of the Participating Holders with respect to such Shelf Registration shall agree in writing (such period of effectiveness, the “Shelf Period”).

(d) Certain Undertakings. Notwithstanding any other provisions of this Agreement to the contrary, the Company shall cause (i) each Shelf Registration Statement (as of the effective date of such Shelf Registration Statement), any amendment thereof (as of the effective date thereof) or supplement thereto (as of its date), (A) to comply in all material respects with applicable SEC Guidance and (B) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading, and (ii) any related Prospectus (including any preliminary Prospectus) or Issuer Free Writing Prospectus and any amendment thereof or supplement thereto, as of its date, (A) to comply in all material respects with applicable SEC Guidance and (B) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances in which they were made, not misleading; provided, however, the Company shall have no such obligations or liabilities with respect to any written information pertaining to any Holder and furnished in writing to the Company by or on behalf of such Holder specifically for inclusion therein. The Company agrees, to the extent necessary, to supplement or make amendments to each Shelf Registration Statement if required by the registration form used by the Company for the applicable Registration or by SEC Guidance, or as may reasonably be requested by any Participating Holder.

(e) Suspension of Registration. If the Board of Directors, in its good faith judgment, determines that a Valid Business Reason shall exist to postpone the filing, amendment, or supplement, or suspend the use, of a Shelf Registration Statement filed pursuant to Section 2.02(a) or Section 2.02(b) and the Company furnishes to the Requesting Holder (or Holders, as the case may be) a certificate signed by the Chief Executive Officer or any other senior executive officer of the Company (the “Suspending Officer’s Certificate”), then the Company may postpone the filing, amendment or supplement (but not the preparation thereof), and/or suspend use, of such Shelf Registration Statement (a “Shelf Suspension”); provided, however, that in no event shall such postponement or suspension be for more than sixty (60) days after the date of the applicable Shelf Registration Notice delivered by the Requesting Holder(s) and the Company shall not be permitted to exercise a Shelf Suspension for more than an aggregate of one hundred twenty (120) days, in each case, during any 12-month period; provided, further, that in the event of a Shelf Suspension, such Shelf Suspension shall terminate at such earlier time as such Valid Business Reason ceases to exist. Each Holder agrees that, upon delivery of a Suspending Officer’s Certificate, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the applicable Shelf Registration Statement until the Company informs such Holder in accordance with this Section 2.02(e), that the Shelf Suspension has been terminated. Each Holder shall keep confidential the fact that a Shelf Suspension is in effect, the Suspending Officer’s Certificate and its contents unless and until otherwise notified by the Company, except (A) for disclosure to such Holder’s employees, agents and professional advisers who reasonably need to know such information for purposes of assisting the Holder with respect to its investment in the Company Shares and agree to keep it confidential, (B) for disclosures to the extent required in order to comply with reporting obligations to its limited partners or other direct or indirect investors who have agreed to keep such information confidential, (C) if and to the extent such matters are publicly disclosed by the Company or any of its Subsidiaries or any other Person that, to the actual knowledge of such Holder, was not subject to an obligation or duty of confidentiality to the Company and its Subsidiaries, (D) as required by law, rule or regulation; provided that the Holder gives prior written notice to the Company of such requirement and the contents of the proposed disclosure to the extent it is permitted to do so under applicable law, and (E) for disclosure to any other Holder. In the case of a Shelf Suspension, the Holders agree to suspend use of the applicable Prospectus and any Issuer Free Writing Prospectus in connection with any sale or purchase of, or offer to sell or purchase, Registrable Securities, upon

delivery of the Suspending Officer's Certificate. The Company shall immediately notify the Holders upon the termination of any Shelf Suspension and, within 48 hours, amend or supplement the Prospectus and any Issuer Free Writing Prospectus, if necessary, so it does not contain a material misstatement of fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading and furnish to the Holders such numbers of copies of the Prospectus and any Issuer Free Writing Prospectus as so amended or supplemented as the Holders may reasonably request. The Company agrees, if necessary, to supplement or make amendments to each Shelf Registration Statement if required by the registration form used by the Company for the applicable Registration or by SEC Guidance, or as may reasonably be requested by any Holder. If the filing of any Registration Statement is suspended pursuant to this Section 2.02(e) and the related Registration Notice is withdrawn by the Requesting Holder(s), upon the termination of the Shelf Suspension, the Requesting Holder(s) may request a new Shelf Registration or Shelf Take-Down under Section 2.02(b) or Section 2.02(f) (which shall not be counted as an additional Marketed Underwritten Shelf Takedown for purposes of Section 2.11).

(f) Shelf Take-Downs.

(i) Subject to Section 2.11 and this Section 2.02(f), an offering or sale of Registrable Securities pursuant to a Shelf Registration Statement (each, a "Shelf Take-Down") may be initiated by any Holder (or Holders, as the case may be) that has Registrable Securities registered for sale on such Shelf Registration Statement (an "Initiating Shelf Take-Down Holder"). The Company shall effect such Shelf Take-Down as promptly as practicable in accordance with this Agreement and except as set forth in Section 2.02(f)(iii) with respect to Marketed Underwritten Shelf Take-Downs, each such Initiating Shelf Take-Down Holder shall not be required to permit the offer and sale of Registrable Securities by other Holders in connection with any such Shelf Take-Down initiated by such Initiating Shelf Take-Down Holder(s).

(ii) Subject to Section 2.11, if the Initiating Shelf Take-Down Holder(s) so elects by written request to the Company, a Shelf Take-Down, with respect to which the anticipated aggregate offering price to the public (calculated based upon the Market Price of the Registrable Securities on the date on which the Company receives such written request) of the Registrable Securities that the Initiating Shelf Take-Down Holder(s) request to include in such Shelf Take-Down is at least \$150 million, shall be in the form of an Underwritten Offering (an "Underwritten Shelf Take-Down Notice"), and the Company shall amend or supplement the applicable Shelf Registration Statement for such purpose as soon as practicable. Subject to clause (iii) below, such Initiating Shelf Take-Down Holder(s) shall have the right to select, subject to the prior written consent of the Company (not to be unreasonably withheld or delayed), the managing underwriter or underwriters to administer such offering.

(iii) If the plan of distribution set forth in any Underwritten Shelf Take-Down Notice includes a customary "road show" (including an "electronic road show") or other substantial marketing effort by the Company and the underwriters over a period expected to exceed 48 hours (a "Marketed Underwritten Shelf Take-Down"), promptly upon delivery of such Underwritten Shelf Take-Down Notice (but in no event less than ten (10) Business Days before the commencement of such substantial marketing efforts), the Company shall promptly deliver a written notice (a "Marketed Underwritten Shelf Take-Down Notice") of such Marketed Underwritten Shelf Take-Down to all Holders (other than the Initiating Shelf Take-Down Holder(s)), and the Company shall include in such Marketed Underwritten Shelf Take-Down all such Registrable Securities of such Holders that are Registered on such Shelf Registration Statement for which the Company has received written requests, which requests must specify the aggregate amount of such Registrable Securities of such Holder to be offered and sold pursuant to such Marketed Underwritten Shelf Take-Down, for inclusion therein within five (5) Business Days after the date that such Marketed Underwritten Shelf Take-Down Notice has been delivered; provided, that if the managing underwriter or underwriters of any proposed Marketed Underwritten Shelf Take-Down informs the Holders that have requested to participate in such Marketed Underwritten Shelf Take-Down that, in its or their good-faith opinion, the number of securities which such Holders intend to include in such offering exceeds the Maximum Offering Size, then the aggregate number of securities to be included in such Marketed Underwritten Shelf Take-Down shall be the number of Registrable Securities that, in the opinion of such managing underwriter or underwriters, can be sold without having such adverse effect on such Marketed Underwritten Shelf Take-Down, which number shall be allocated (i) first to the Registrable Securities requested to be included in such Marketed Underwritten Shelf Take-Down by the Initiating Shelf Take-Down Holder(s), on a pro rata basis among any Initiating Shelf Take-Down Holders, and (ii) second to the Registrable Securities timely requested to be included in such Marketed Underwritten Shelf Take-

Down by any Holder who is not an Initiating Shelf Take-Down Holder, on a pro rata basis among any other Holder(s) that is not an Initiating Shelf Take-Down Holder who has requested to be included in such Marketed Underwritten Shelf Take-Down, in each case, based on the relative number of Registrable Securities so requested to be included by each such Holder. The Holders of a majority of the Registrable Securities to be included in any Marketed Underwritten Shelf Take-Down shall have the right to select, subject to the prior written consent of the Company (not to be unreasonably withheld or delayed), the managing underwriter or underwriters to administer such offering.

(iv) The Company shall bear all Registration Expenses in connection with any Shelf Registration or any Shelf Take-Down, whether or not such Shelf Registration becomes effective or such Shelf Take-Down is completed and whether or not all or any portion of the Registrable Securities originally requested to be included in such Shelf Registration or Shelf Take-Down are ultimately included. Each Holder shall be permitted to withdraw all or part of its Registrable Securities from a Marketed Underwritten Shelf Take-Down at any time prior to the execution of the underwriting agreement in connection with such Marketed Underwritten Shelf Take-Down. Subject to Section 2.11, the number of Shelf Take-Downs that a Holder (or Holders, as the case may be) can initiate is unlimited.

(g) Automatic Shelf Registration Statements. Upon the Company becoming aware that it has become a Well-Known Seasoned Issuer (it being understood that the Company shall determine whether it has become a Well-Known Seasoned Issuer at the end of each calendar month beginning eleven months after the date of this Agreement), (i) the Company shall give written notice to all of the Holders as promptly as practicable but in no event later than ten (10) Business Days thereafter, and such notice shall describe, in reasonable detail, the basis on which the Company has become a Well-Known Seasoned Issuer, and (ii) the Company shall, as promptly as practicable and subject to any Shelf Suspension, Register, under an Automatic Shelf Registration Statement, the sale of all of the Registrable Securities in accordance with the terms of this Agreement. The Company shall use its reasonable best efforts to file such Automatic Shelf Registration Statement as promptly as practicable but in no event later than thirty (30) days after it becomes aware that it has become a Well-Known Seasoned Issuer as provided above, and to cause such Automatic Shelf Registration Statement to remain effective thereafter until the earlier of the date (x) on which all of the securities covered by such Automatic Shelf Registration Statement are no longer Registrable Securities and (y) on which the Company cannot extend the effectiveness of such Automatic Shelf Registration Statement (including by filing a new and substantially similar Automatic Shelf Registration Statement) because it is no longer eligible for use of Form S-3 or is otherwise prohibited from doing so pursuant to SEC Guidance. The Company shall give written notice of filing such Automatic Shelf Registration Statement to all of the Holders as promptly as practicable thereafter. At any time after the filing of an Automatic Shelf Registration Statement by the Company, if it is reasonably likely that it will no longer be a Well-Known Seasoned Issuer as of a future determination date (the “Determination Date”), as promptly as practicable and at least thirty (30) days prior to such Determination Date, the Company shall (A) give written notice thereof to all of the Holders and (B) use its reasonable best efforts to file a Registration Statement with respect to a Shelf Registration in accordance with this Section 2.02, treating all selling stockholders identified as such in the Automatic Shelf Registration Statement (and amendments or supplements thereto) as Requesting Holders and use all reasonable best efforts to have such Registration Statement declared effective. Any Registration pursuant to this Section 2.02(g) shall be deemed a Shelf Registration for purposes of this Agreement; provided, however that any Registration pursuant to this Section 2.02(g) shall not be counted as an additional Demand Registration for purposes of subclause (i) in Section 2.01(a).

#### SECTION 2.03. Piggyback Registration.

(a) Participation. If the Company at any time proposes to file a Registration Statement with respect to any offering of its Common Shares for its own account or for the account of any other Persons (other than pursuant to (i) a Registration Statement filed under Section 2.01 or Section 2.02, it being understood that this clause (i) does not limit the rights of Holders to make written requests pursuant to Section 2.01 or Section 2.02 or otherwise limit the applicability thereof, (ii) a Registration Statement on Form S-4 or Form S-8, (iii) a Registration of securities solely relating to an offering and sale to employees, directors or consultants of the Company or its Subsidiaries pursuant to any employee stock plan or other employee benefit plan arrangement, (iv) a Registration not otherwise covered by clause (ii) above pursuant to which the Company is offering to exchange its own securities for other securities, (v) a Registration Statement relating solely to dividend reinvestment or similar plans or (vi) a

Shelf Registration Statement pursuant to which only the initial purchasers and subsequent transferees of debt securities of the Company or any of its Subsidiaries that are convertible or exchangeable for Company Shares and that are initially issued pursuant to Rule 144A and/or Regulation S (or any successor provisions) of the Securities Act may resell such debt securities and sell the Company Shares into which such debt securities may be converted or exchanged) (any such offering, other than pursuant to a Registration described in the foregoing clauses (i)-(vi), a “Company Public Sale”), then, (A) as soon as practicable (but in no event less than ten (10) Business Days prior to the proposed date of filing of such Registration Statement), the Company shall give written notice of such proposed filing to all Holders, and such notice shall offer each Holder the opportunity to Register under such Registration Statement such number of Registrable Securities as such Holder may request in writing delivered to the Company within five (5) Business Days of delivery of such written notice by the Company. Subject to Section 2.03(b), the Company shall include in such Registration Statement all such Registrable Securities that are requested by Holders to be included therein in compliance with the immediately foregoing sentence (a “Piggyback Registration”); provided, that if at any time after giving written notice of its intention to Register any equity securities and prior to the effective date of the Registration Statement filed in connection with such Piggyback Registration, the Company shall determine for any reason not to Register or to delay Registration of the equity securities covered by such Piggyback Registration, the Company shall give written notice of such determination to each Holder that had requested to Register its, his or her Registrable Securities in such Registration Statement and, thereupon, (1) in the case of a determination not to Register, shall be relieved of its obligation to Register any Registrable Securities in connection with such Registration (but not from its obligation to pay the Registration Expenses in connection therewith, to the extent payable) and (2) in the case of a determination to delay Registering, shall be permitted to delay Registering any Registrable Securities, for the same period as the delay in Registering the other equity securities covered by such Piggyback Registration. If the offering pursuant to such Registration Statement is to be underwritten, the Company shall so advise the Holders as a part of the written notice given pursuant to this Section 2.03(a), and each Holder making a request for a Piggyback Registration pursuant to this Section 2.03(a) must, and the Company shall make such arrangements with the managing underwriter or underwriters so that each such Holder may, participate in such Underwritten Offering, subject to the conditions of Section 2.03(b). If the offering pursuant to such Registration Statement is to be on any other basis, the Company shall so advise the Holders as part of the written notice given pursuant to this Section 2.03(a), and each Holder making a request for a Piggyback Registration pursuant to this Section 2.03(a) must, and the Company shall make such arrangements so that each such Holder may, participate in such offering on such basis, subject to the conditions of Section 2.03(b). Each Holder shall be permitted to withdraw all or part of its Registrable Securities from a Piggyback Registration at any time prior to the effectiveness of such Registration Statement.

(b) Priority of Piggyback Registration. If the managing underwriter or underwriters of any proposed Underwritten Offering of Registrable Securities included in a Piggyback Registration informs the Company and the Holders that have requested to participate in such Piggyback Registration in writing that, in its or their good-faith opinion, the number of securities which such Holders and any other Persons intend to include in such offering exceeds the Maximum Offering Size, then the aggregate number of securities to be included in such Registration shall be (i) first, 100% of the securities that the Company proposes to sell, (ii) second, the number of Registrable Securities that, in the good-faith opinion of such managing underwriter or underwriters, can be sold without exceeding the Maximum Offering Size, which number shall be allocated pro rata among the Holders that have requested to participate in such Registration based on the relative number of Registrable Securities so requested to be included by each such Holder and (iii) third, any other securities eligible for inclusion in such Registration that, in the good-faith opinion of the managing underwriter or underwriters, can be sold without exceeding the Maximum Offering Size.

(c) No Effect on Demand and Shelf Registrations. No Registration of Registrable Securities effected pursuant to a request under this Section 2.03 shall be deemed to have been effected pursuant to Section 2.01 or Section 2.02 or shall relieve the Company of its obligations under Section 2.01 or Section 2.02.

#### SECTION 2.04. Black-out Periods.

(a) Black-out Periods for Holders. In the case of any Company Public Sale or an offering of Registrable Securities pursuant to Section 2.01 or Section 2.02 that is an Underwritten Offering, each Participating Holder (and its Affiliates) beneficially owning (without giving effect to the existence of any group (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision)) Registrable

Securities representing beneficial ownership of 5% or more of the outstanding shares of Common Stock agrees with the Company, if requested by the managing underwriter or underwriters in such Underwritten Offering, to execute a lock-up agreement in customary form, in which the Participating Holders may be required to agree not to (1) offer for sale, sell, pledge, or otherwise dispose of (or enter into any transaction or device that is designed to, or could be expected to, result in the disposition by any person at any time in the future of) any Company Shares (including Company Shares that may be deemed to be beneficially owned by the undersigned in accordance with the rules and regulations of the Commission and Company Shares that may be issued upon exercise of any Company Share Equivalents without giving effect to the existence of any group (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision)) or securities convertible into or exercisable or exchangeable for Company Shares or (2) enter into any swap or other derivatives transaction that transfers to another, in whole or in part, any of the economic benefits or risks of ownership of Company Shares, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of Company Shares or other securities, in cash or otherwise, in each case, during the period that is sixty (60) days (or such greater or lesser period as may be reasonably requested by the managing underwriter or underwriters to accommodate regulatory restrictions on (i) the publication or other distribution of research reports and (ii) analyst recommendations and opinions, including, but not limited to, the restrictions contained in the FINRA rules or any successor provisions or amendments thereto) after the date of the commencement of such Underwritten Offering, to the extent timely notified in writing by the Company or the managing underwriter or underwriters (or such other period as may be reasonably requested by the managing underwriter or underwriters); provided, that the duration of the foregoing restrictions shall be no longer than the duration of the shortest restriction generally imposed by the underwriters on (i) the Company, (ii) the Chief Executive Officer and/or the Chief Financial Officer of the Company (or persons in substantially equivalent positions), in their capacities as such, or (iii) on any other holder of more than 5% of the Company Shares, in each case, in connection with such Underwritten Offering; provided, further, that nothing herein will prevent any Participating Holder that is a partnership, limited liability company, corporation or other entity from making a distribution of Registrable Securities to the partners, members, stockholders or other equityholders thereof or a transfer to an Affiliate that is otherwise in compliance with the applicable securities laws, so long as such distributees or transferees agree to be bound by the restrictions set forth in this Section 2.04(a), or participating in any merger, acquisition or similar change of control transaction. Notwithstanding the foregoing, any lock-up agreement to be executed shall contain additional exceptions as may be agreed by the Participating Holders and the managing underwriter. This Section 2.04 shall not prohibit any transaction by any Participating Holder that is permitted by its lock-up agreement entered into in connection with an Underwritten Offering with the managing underwriter or underwriters in such Underwritten Offering (as such lock-up agreement is modified or waived by such managing underwriter or underwriters from time to time). The Company may impose stop-transfer instructions with respect to the Company Shares (or other securities) subject to the foregoing restriction until the end of the period referenced above.

(b) Black-out Period for the Company. In the case of an offering of Registrable Securities pursuant to Section 2.01 that is an Underwritten Offering, or pursuant to Section 2.02 that is an Underwritten Offering, the Company agrees, if requested by a Requesting Holder (or Requesting Holders, as the case may be) or the managing underwriter or underwriters in such Underwritten Offering, not to (1) offer for sale, sell, pledge, or otherwise dispose of (or enter into any transaction or device that is designed to, or could be expected to, result in the disposition by any person at any time in the future of) any Company Shares and any Company Shares that may be issued upon exercise of any Company Share Equivalents) or securities convertible into or exercisable or exchangeable for Company Shares or (2) enter into any swap or other derivatives transaction that transfers to another, in whole or in part, any of the economic benefits or risks of ownership of Company Shares, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of Company Shares or other securities, in cash or otherwise, in each case, during the period beginning seven (7) days before, and ending sixty (60) days (or such greater or lesser period as may be reasonably requested by the managing underwriter or underwriters and agreed to by the Requesting Holder(s)) (or such other period as may be reasonably requested by the managing underwriter or underwriters to accommodate regulatory restrictions on (i) the publication or other distribution of research reports and (ii) analyst recommendations and opinions, including, but not limited to, the restrictions contained in the FINRA rules or any successor provisions or amendments thereto) after, the date of the commencement of such Underwritten Offering, to the extent timely notified in writing by a Requesting Holder or the managing underwriter or underwriters, as the case may be; provided, that the duration of the foregoing restrictions shall be no longer than the duration of the shortest restriction generally imposed by the underwriters on (i) the Chief Executive Officer and/or the Chief Financial Officer of the Company (or persons in substantially

equivalent positions), in their capacities as such, or (ii) on any other holder of more than 5% of the Company Shares, in each case, in connection with such Underwritten Offering. If requested by the Requesting Holder(s) or the managing underwriter or underwriters of any such Underwritten Offering, the Company shall execute a separate lock-up agreement to the foregoing effect. This Section 2.04 shall not prohibit any transaction by the Company that is permitted by its lock-up agreement or provision entered into in connection with an Underwritten Offering with the managing underwriter or underwriters in such Underwritten Offering (as such lock-up agreement or provision is modified or waived by such managing underwriter or underwriters from time to time). Notwithstanding the foregoing, the Company may effect a public sale or distribution of securities of the type described above and during the periods described above if such sale or distribution is made pursuant to registrations on Form S-4 or Form S-8 or as part of any registration of securities for offering and sale to employees, directors or consultants of the Company and its Subsidiaries pursuant to any employee stock plan or other employee benefit plan arrangement. Notwithstanding anything to the contrary in this Agreement, and subject to Section 2.11, the time periods during which the Company shall be required to file a registration statement or otherwise effect an offering of securities pursuant to Section 2.01 or Section 2.02 shall be extended for a period equal to the lock-up period required under this Section 2.04(b) to the extent any Holder shall make a request for an offering or sale of securities under any such provision while any lock-up provision shall be in effect.

(c) Other Shareholders. The Company agrees to use its reasonable best efforts to obtain from each of its directors and executive officers an agreement not to effect any public sale or distribution of such securities during any period referred to in this Section 2.04, except as part of any sales or distributions made pursuant to Registrations permitted under Section 2.04(b). Without limiting the foregoing (but subject to Section 2.07), if after the date hereof the Company or any of its Subsidiaries grants any Person any rights to demand or participate in a Registration, the Company shall, and shall cause its Subsidiaries to, provide that the agreement with respect thereto shall include such Person's agreement to comply with any black-out period required by this Section 2.04 as if it were a Holder hereunder. If requested by the Participating Holder(s) or the managing underwriter or underwriters of any such Underwritten Offering, the Company shall use reasonable best efforts to cause such persons referred to in the first sentence of this Section 2.04(c) to execute a separate agreement to the foregoing effect. This Section 2.04 shall not prohibit any transaction by such person that is permitted by its lock-up agreement entered into in connection with an Underwritten Offering with the managing underwriter or underwriters in such Underwritten Offering (as such lock-up agreement is modified or waived by such managing underwriter or underwriters from time to time). The Company may impose stop-transfer instructions with respect to the Company Shares (or other securities) subject to the foregoing restriction until the end of the period referenced above.

#### SECTION 2.05. Registration Procedures.

(a) In connection with the Company's Registration obligations under Sections 2.01, 2.02 and 2.03 and subject to the applicable terms and conditions set forth therein, the Company shall use its reasonable best efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the plan of distribution requested by the Participating Holder(s) and set forth in the applicable Registration Statement as expeditiously as reasonably practicable, and in connection therewith the Company shall:

(i) prepare the required Registration Statement, including all exhibits and financial statements required under the Securities Act to be filed therewith, and before filing a Registration Statement, Prospectus or any Issuer Free Writing Prospectus, or any amendments or supplements thereto, (x) furnish to the underwriters, if any, and the Participating Holders, if any, copies of all documents prepared to be filed, and provide such underwriters and the Participating Holders and their respective counsel with a reasonable opportunity to review and comment on such documents prior to their filing and (y) except in the case of a Registration under Section 2.03, not file any Registration Statement or Prospectus or amendments or supplements thereto to which any Participating Holder or the underwriters, if any, shall reasonably object; provided, that, if the Registration is pursuant to a Registration Statement on Form S-1 or Form S-3 or any similar short-form Registration Statement, the Company shall include in such Registration Statement such additional information for marketing purposes as any Participating Holder or managing underwriter reasonably requests in writing; provided, that the Company may exclude such additional information from the Registration Statement if in its opinion, in consultation with outside legal counsel, such information contains a material misstatement of fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading;

(ii) prepare and file with the Commission such pre- and post-effective amendments to such Registration Statement, supplements to the Prospectus and such amendments or supplements to any Issuer Free Writing Prospectus as may be (x) reasonably requested by any Participating Holder (to the extent such request relates to information relating to such Participating Holder), or (y) necessary to keep such Registration effective for the period of time required by this Agreement, and comply with provisions of the applicable securities laws and SEC Guidance with respect to the sale or other disposition of all securities covered by such Registration Statement during such period in accordance with the intended method or methods of disposition by the sellers thereof set forth in such Registration Statement, and prior to the filing of such amendments and supplements, furnish such amendments and supplements to the underwriters, if any, and the Participating Holders, if any, and provide such underwriters and the Participating Holders and their respective counsel with an adequate and appropriate opportunity to review and comment on such amendments and supplements prior to their filing;

(c) Piggyback Registrations. If the Company proposes to Register any of its securities under the Securities Act as contemplated by Section 2.03 and such securities are to be distributed in an Underwritten Offering through one or more underwriters, the Company shall, if requested by any Holder pursuant to Section 2.03 and subject to the provisions of Section 2.03(b), use its reasonable best efforts to arrange for such underwriters to include on the same terms and conditions that apply to the other sellers in such Registration all the Registrable Securities to be offered and sold by such Holder among the securities of the Company to be distributed by such underwriters in such Registration. The Participating Holders shall be parties to the underwriting agreement between the Company and such underwriters, which underwriting agreement shall (i) contain such representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of such Participating Holders as are customarily made by issuers to selling stockholders in secondary underwritten public offerings and (ii) provide that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement also shall be conditions precedent to the obligations of such Participating Holders. Any such Participating Holder shall not be required to make any representations or warranties to, or agreements with the Company or the underwriters in connection with such underwriting agreement other than customary representations, warranties or agreements regarding such Participating Holder (but not such Participating Holder's knowledge about the Company), such Participating Holder's title to the Registrable Securities, such Participating Holder's authority to sell the Registrable Securities, such Participating Holder's intended method of distribution, absence of liens with respect to the Registrable Securities, receipt of all required consents and approvals with respect to the entry into such underwriting agreement and the sale of such Registrable Securities or any other representations required to be made by such Participating Holder under applicable law, rule or regulation, and the aggregate amount of the liability of such Participating Holder in connection with such underwriting agreement shall not exceed such Participating Holder's net proceeds after underwriting commissions and discounts (but before any taxes and expenses which may be payable by such Participating Holder) from such Underwritten Offering.

(d) Participation in Underwritten Registrations. Subject to the provisions of Sections 2.06(a), (b) and (c) above, no Person may participate in any Underwritten Offering hereunder unless such Person (i) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Persons entitled to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

(e) Price and Underwriting Discounts. In the case of an Underwritten Offering under Section 2.01 or Section 2.02, the price, underwriting discount and other financial terms for the Registrable Securities shall be determined by the Requesting Holder(s) participating in such Underwritten Offering.

SECTION 2.07. No Inconsistent Agreements; Additional Rights. The Company is not currently a party to, and shall not hereafter enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders by this Agreement, including allowing any other holder or prospective holder of any securities of the Company (a) registration rights in the nature or substantially in the nature of those set forth in Section 2.01, Section 2.02 or Section 2.03 that would have priority over the Registrable Securities with respect to the inclusion of such securities in any Registration (except to the extent such registration rights are solely related to Registrations of the type contemplated by Section 2.03(a)(ii) through (iv)) or (b) demand registration rights in the nature or substantially in the nature of those set forth in Section 2.01 or Section 2.01 that are exercisable prior to such time as the Requesting Holders can first exercise their rights under Section 2.01 or Section 2.02.

SECTION 2.08. Registration Expenses. All expenses incident to the Company's performance of or compliance with this Agreement shall be paid by the Company (including, for the avoidance of

doubt, in connection with any Demand Registration, Shelf Registration or any Shelf Take-Down), including (i) all registration and filing fees, and any other fees and expenses associated with filings required to be made with the Commission or FINRA, including, if applicable, the reasonable and documented fees and expenses of any “qualified independent underwriter,” as such term is defined in FINRA Rule 5121 (or any successor provision) and of its counsel (ii) all fees and expenses in connection with compliance with any securities or “Blue Sky” laws (including fees and disbursements of one firm of counsel for the underwriters in connection with “Blue Sky” qualifications of the Registrable Securities up to an aggregate maximum of \$25,000), (iii) all printing, duplicating, word processing, messenger, telephone, facsimile and delivery expenses (including expenses of printing certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company and of printing Prospectuses and Issuer Free Writing Prospectuses), (iv) all fees and disbursements of counsel for the Company and of all independent certified public accountants of the Company (including the expenses of any special audits incidental to or required by any Registration or qualification and cold comfort letters required by or incident to such performance), (v) Securities Act liability insurance or similar insurance if the Company so desires, (vi) all fees and expenses incurred in connection with the listing of Registrable Securities on any securities exchange or quotation of the Registrable Securities on any inter-dealer quotation system, (vii) all fees and expenses of any special experts or other Persons retained by the Company in connection with any Registration, (viii) all of the Company’s internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties), (ix) all expenses incurred by the Company and its directors and officers related to any analyst or investor presentations or any “road-shows” for any Underwritten Offering, including all travel, meals and lodging, (x) reasonable and documented fees, out-of-pocket costs and expenses of one firm of counsel selected by the Holder(s) of a majority of the Registrable Securities covered by each Registration Statement, (xi) fees and disbursements of underwriters customarily paid by issuers and sellers of securities, but excluding any underwriting fees, discounts and commissions attributable to the sale of Registrable Securities, (xii) transfer agents’ and registrars’ fees and expenses and the fees and expenses of any other agent or trustee appointed in connection with such offering, (xiii) fees and expense payable in connection with any ratings of the Registrable Securities, including expenses relating to any presentations to rating agencies and (xiv) any other fees and disbursements customarily paid by the issuers of securities. All such fees and expenses are referred to herein as “Registration Expenses.” The Company shall not be required to pay any underwriting fees, discounts and commissions, or any transfer taxes or similar taxes or charges, if any, attributable to the sale of Registrable Securities, and all such fees, discounts, commissions, taxes and charges related to any Registrable Securities shall be the sole responsibility of the Holder of such Registrable Securities.

SECTION 2.09. Indemnification.

(a) Indemnification by the Company. The Company agrees to indemnify and hold harmless, to the fullest extent permitted by law, each of the Holders, each of their respective direct or indirect partners, members or shareholders and each of such partner’s, member’s or shareholder’s partners members or shareholders and, with respect to all of the foregoing Persons, each of their respective Affiliates, employees, directors, officers, trustees or agents and each Person who controls (within the meaning of the Securities Act or the Exchange Act) such Persons and each of their respective Representatives (collectively, the “Stockholder Parties”) from and against any and all losses, penalties, judgments, suits, costs, claims, damages, liabilities and expenses, joint or several (including reasonable and documented costs and expenses of investigation and reasonable and documented attorneys’, accountants’ and experts’ fees and expenses) (each, a “Loss” and collectively “Losses”) insofar as such Losses arise out of or are relating to (i) any failure by the Company to comply with the covenants and agreements contained in this Agreement, (ii) any untrue or alleged untrue statement of a material fact contained in any Registration Statement under which such Registrable Securities were registered under the Securities Act (including any final, preliminary or summary Prospectus contained therein or any amendment or supplement thereto or any documents incorporated by reference therein, which shall include any information that has been deemed to be a part of any Prospectus under Rule 159 under the Securities Act), any Issuer Free Writing Prospectus or amendment or supplement thereto, (iii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, preliminary Prospectus or Issuer Free Writing Prospectus, in light of the circumstances under which they were made) not misleading, and the Company will reimburse, as incurred, each such Stockholder Party for any legal and any other expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action; provided, that the Company shall not be liable to any Stockholder Party to the extent that any such Loss arises out of or is relating to an untrue statement or alleged untrue statement or omission or alleged omission made in any such Registration Statement or other

document in reliance upon and in conformity with written information furnished to the Company by such indemnified party expressly for use in the preparation thereof (including without limitation any written information provided for inclusion in the Registration Statement pursuant to Section 2.05(a)(i)). This indemnity shall be in addition to any liability the Company may otherwise have. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Holder or any Stockholder Party and shall survive the transfer of such securities by such Holder. The Company shall also indemnify underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, their officers and directors and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) as may be reasonably requested by any such parties and on customary terms.

(b) Indemnification by the Participating Holders. Each Participating Holder agrees (severally and not jointly) to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors and officers and each Person who controls the Company (within the meaning of the Securities Act or the Exchange Act), and each other Holder, each of such other Holder's respective direct or indirect partners, members or shareholders and each of such partner's, member's or shareholder's partners members or shareholders and, with respect to all of the foregoing Persons, each of their respective Affiliates, employees, directors, officers, trustees or agents and each Person who controls (within the meaning of the Securities Act or the Exchange Act) such Persons and each of their respective Representatives from and against (i) any Losses resulting from any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement under which such Participating Holder's Registrable Securities were registered under the Securities Act (including any final, preliminary or summary Prospectus contained therein or any amendment or supplement thereto or any documents incorporated by reference therein, which shall include any information that has been deemed to be a part of any Prospectus under Rule 159 under the Securities Act) or any Issuer Free Writing Prospectus or amendment or supplement thereto, or (ii) any Losses resulting from any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, preliminary Prospectus or Issuer Free Writing Prospectus, in light of the circumstances under which they were made) not misleading, in each case to the extent, but only to the extent, that such untrue statement or omission is contained in information furnished in writing by such Participating Holder to the Company specifically for inclusion in such Registration Statement (including, without limitation, any written information provided for inclusion in the Registration Statement pursuant to Section 2.05(a)(i)) and has not been corrected in a subsequent writing prior to or concurrently with the sale of the Registrable Securities to the Person asserting the claim, in each case to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) was made in such Registration Statement, Prospectus, offering circular, Issuer Free Writing Prospectus or other document, in reliance upon and in conformity with written information furnished to the Company by such Participating Holder expressly for use therein, and (iii) in the event that the Company notifies such Participating Holder in writing of the occurrence of an event of the type specified in Section 2.05(a)(iv), to the extent, and only to the extent, of any Losses resulting from such Participating Holder's use of an outdated or defective Prospectus or Issuer Free Writing Prospectus after the date of such notice and prior to the date that its disposition of Registrable Securities pursuant to such Registration Statement may be resumed pursuant to Section 2.05(c) or, if applicable, such Participating Holder's failure to use the supplemented or amended Prospectus or Issuer Free Writing Prospectus delivered to it pursuant to Section 2.05(a)(iv), but only to the extent that the use of such supplemented or amended Prospectus or Issuer Free Writing Prospectus would have corrected the misstatement or omission giving rise to such Loss, and (iv) in the event that the Company delivers to such Participating Holder a Postponing Officer's Certificate or a Suspending Officer's Certificate, to the extent, and only to the extent, of any Losses resulting from such Participating Holder's disposition of Registrable Securities pursuant to such Registration Statement after the date of such certificate in contravention of the applicable restrictions under Sections 2.01(b) or 2.02(e). In no event shall the liability of such Participating Holder hereunder be greater in amount than the dollar amount of the net proceeds after underwriting commissions and discounts (but before any taxes and expenses which may be payable by such Participating Holder) received by such Participating Holder under the sale of Registrable Securities giving rise to such indemnification obligation.

(c) Conduct of Indemnification Proceedings. Any Person entitled to indemnification under this Section 2.09 shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification ( provided that any failure to so notify the indemnifying party shall relieve the indemnifying party of its obligations hereunder only to the extent, if at all, that it is actually and materially prejudiced by reason of such failure) and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided that any Person entitled to indemnification hereunder shall have the

right to select and employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (A) the indemnifying party has agreed in writing to pay such fees or expenses, (B) the indemnifying party shall have failed to assume the defense of such claim within a reasonable time after delivery of notice of such claim from the Person entitled to indemnification hereunder and employ counsel reasonably satisfactory to such Person, (C) the indemnified party has reasonably concluded (based upon advice of independent outside counsel) that there may be legal defenses available to it that are different from or in addition to those available to the indemnifying party, or (D) in the reasonable judgment of any such indemnified party (based upon advice of independent outside counsel), an actual or potential conflict of interest exists between such Person and the indemnifying party with respect to such claims (in which case, if the Person notifies the indemnifying party in writing that such Person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such Person). If the indemnifying party assumes the defense, the indemnifying party shall not have the right to settle such action, consent to entry of any judgment or enter into any settlement, in each case without the prior written consent (not to be unreasonably withheld) of the indemnified party, unless the entry of such judgment or settlement (i) includes as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of an unconditional release from all liability in respect to such claim or litigation and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of such indemnified party, and provided that any sums payable in connection with such settlement are paid in full by the indemnifying party. If such defense is not assumed by the indemnifying party, the indemnifying party will not be subject to any liability for any settlement made without its prior written consent, but such consent may not be unreasonably withheld. It is understood that the indemnifying party or parties shall not, except as specifically set forth in this Section 2.09(c), in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements or other charges of more than one separate firm admitted to practice in such jurisdiction at any one time unless (x) the employment of more than one counsel has been authorized in writing by the indemnifying party or parties, (y) an indemnified party has reasonably concluded (based on the advice of counsel) that there may be legal defenses available to it that are different from or in addition to those available to the other indemnified parties, or (z) a conflict or potential conflict exists or may exist (based upon advice of counsel to an indemnified party) between such indemnified party and the other indemnified parties, in each of which cases the indemnifying party shall be obligated to pay the reasonable fees and expenses of such additional counsel or counsels not to exceed, at any one time, a total of two (2) separate firms, in the aggregate for all indemnified parties, admitted to practice in such jurisdiction.

(d) Contribution. If for any reason the indemnification provided for in paragraphs (a) and (b) of this Section 2.09 is unavailable to an indemnified party or insufficient in respect of any Losses referred to therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Loss in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and the indemnified party or parties on the other hand in connection with the acts, statements or omissions that resulted in such losses, as well as any other relevant equitable considerations. In connection with any Registration Statement filed with the Commission by the Company, the relative fault of the indemnifying party on the one hand and the indemnified party on the other hand shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just or equitable if contribution pursuant to this Section 2.09(d) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in this Section 2.09(d). No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The amount paid or payable by an indemnified party as a result of the Losses referred to in Sections 2.09(a) and 2.09(b) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 2.09(d), in connection with any Registration Statement filed by the Company, a Participating Holder shall not be required to contribute any amount in excess of the dollar amount of the net proceeds after underwriting commissions and discounts (but before any taxes and expenses which may be payable by such Participating Holder) received by such Participating Holder under the sale of Registrable Securities giving rise to such contribution obligation less any amount paid by such Participating Holders pursuant to Section 2.09(b). Each Participating Holder's obligation to

contribute pursuant to this Section 2.09 is several in the proportion that the proceeds of the offering received by such Participating Holder bears to the total proceeds of the offering received by all such Participating Holders and not joint. If indemnification is available under this Section 2.09, the indemnifying parties shall indemnify each indemnified party to the full extent provided in Sections 2.09(a) and 2.09(b) hereof without regard to the provisions of this Section 2.09(d).

(e) No Exclusivity. The remedies provided for in this Section 2.09 are not exclusive and shall not limit any rights or remedies which may be available to any indemnified party at law or in equity or pursuant to any other agreement.

(f) Survival. The indemnities provided in this Section 2.09 shall survive the transfer of any Registrable Securities by such Holder.

(g) Other Indemnification. Indemnification similar to that specified herein (with appropriate modifications) shall be given by the Company and each Participating Holder with respect to any required registration or other qualification of securities under any law other than the Securities Act or the Exchange Act.

SECTION 2.10. Rules 144 and 144A and Regulation S. The Company covenants that it will file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the Commission thereunder (or, if the Company is not required to file such reports, it will, upon the reasonable request of any Holder, make publicly available such necessary information for so long as necessary to permit sales pursuant to Rules 144, 144A or Regulation S under the Securities Act), all to the extent required from time to time to enable the Holders to sell Registrable Securities without Registration under the Securities Act within the limitation of the exemptions provided by (i) Rules 144, 144A or Regulation S under the Securities Act, as such Rules may be amended from time to time, or (ii) any similar rule or regulation hereafter adopted by the Commission. Upon the reasonable request of a Holder, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

SECTION 2.11. Limitation on Registrations and Underwritten Offerings. Notwithstanding the rights and obligations set forth in Section 2.01 and Section 2.02, in no event shall the Company be obligated to take any action to effect any Demand Registration or any Marketed Underwritten Shelf Take-Down within 90 days after the consummation of either a previous Demand Registration or Marketed Underwritten Shelf Take-Down.

SECTION 2.12. In-Kind Distributions. If any Holder seeks to effectuate an in-kind distribution of all or part of its Company Shares to such Holder's direct or indirect equityholders, the Company will reasonably cooperate with and assist such Holder, such equityholders and the Company's transfer agent to facilitate such in-kind distribution in the manner reasonably requested by such Holder (including the delivery of instruction letters by the Company or its counsel to the Company's transfer agent, the delivery of customary legal opinions by counsel to the Company and the delivery of Company Shares without restrictive legends, to the extent the restrictions set forth therein are no longer applicable).

SECTION 2.13. Foreign Private Issuer Status. Upon the Company becoming aware that it fails to qualify as a Foreign Private Issuer (it being understood that the Company shall determine whether it qualifies as a Foreign Private Issuer on the last business day of each second fiscal quarter), the Company shall give written notice to all of the Holders as promptly as practicable but in no event later than ten (10) Business Days after the last business day of such fiscal quarter, and such notice shall describe, in reasonable detail, the basis on which the Company has failed to qualify as a Foreign Private Issuer.

### ARTICLE III

#### MISCELLANEOUS

SECTION 3.01. Term. This Agreement shall terminate with respect to any Holder upon the date on which such Holder ceases to hold Registrable Securities, except for the provisions of Sections 2.09 and 2.10, which shall survive any such termination. No termination under this Agreement shall relieve any Person of liability for breach prior to termination. In the event this Agreement is terminated, each Person entitled to indemnification

rights pursuant to Section 2.09 hereof shall retain such indemnification rights with respect to any matter that (i) may be an indemnified liability thereunder and (ii) occurred prior to such termination.

SECTION 3.02. Injunctive Relief. It is hereby agreed and acknowledged that it will be impossible to measure in money the damage that would be suffered if the parties fail to comply with any of the obligations herein imposed on them and that in the event of any such failure, an aggrieved Person will be irreparably damaged and will not have an adequate remedy at law. Any such Person shall, therefore, be entitled (in addition to any other remedy to which it may be entitled in law or in equity) to injunctive relief, including specific performance, to enforce such obligations, and if any action should be brought in equity to enforce any of the provisions of this Agreement, none of the parties hereto shall raise the defense that there is an adequate remedy at law.

SECTION 3.03. Notices. Unless otherwise specified herein, all notices, consents, approvals, reports, designations, requests, waivers, elections and other communications authorized or required to be given pursuant to this Agreement shall be in writing and shall be deemed to have been given (a) when personally delivered, (b) when transmitted via facsimile, with confirmation of transmission, to the number set out below or on Schedule I, as applicable, (c) the day following the day (except if not a Business Day then the next Business Day) on which the same has been delivered prepaid to a reputable national overnight air courier service, (d) when transmitted via email (including via attached pdf document), with confirmation of receipt, to the email address set out below or on Schedule I, as applicable or (e) the third Business Day following the day on which the same is sent by certified or registered mail, postage prepaid, in each case to the respective parties as applicable, at the address set out below or on Schedule I (or such other address as such Holder may specify by notice to the Company in accordance with this Section 3.03) and the Company at the following addresses:

SECTION 3.06. Successors, Assigns and Transferees. SECTION 3.07. Binding Effect. Except as otherwise provided in this Agreement, the terms and provisions of this Agreement shall be binding on and inure to the benefit of each of the parties hereto and their respective successors and permitted assigns.

SECTION 3.08. Third Party Beneficiaries. Notwithstanding the foregoing, subject to Section 3.05, the Junior Lien Collateral Agent may, but will have no obligation to, on behalf of the Junior Lien Secured Parties, take all such actions (not adverse to the First Liens or the rights of the First Lien Collateral Agent and the First Lien Secured Parties) it deems necessary to perfect or continue the perfection of the Junior Liens in the Collateral or to create, preserve or protect (but not enforce) the Junior Liens in the Collateral. Nothing herein shall limit the right or ability of the Junior Lien Secured Parties to (i) purchase (by credit bid or otherwise) all or any portion of the Collateral in connection with any enforcement of remedies by the First Lien Collateral Agent so long as the First Lien Secured Parties receive payment in full in cash of all First Lien Obligations (other than Excess First Lien Obligations) after giving effect thereto or (ii) file a proof of claim with respect to the Junior Lien Obligations.

(a) Notwithstanding the foregoing Section 3.01 and prior to the Discharge of First Lien Obligations (other than Excess First Lien Obligations), both before and during an Insolvency or Liquidation Proceeding, after a period of 180 days has elapsed (which period will be tolled during any period in which the First Lien Collateral Agent is not entitled, on behalf of the First Lien Secured Parties, to enforce or exercise any right or remedy with respect to any Collateral as a result of (i) any injunction issued by a court of competent jurisdiction or (ii) the automatic stay or any other stay or prohibition in any Insolvency or Liquidation Proceeding) since the date on which the Junior Lien Collateral Agent has delivered to the First Lien Collateral Agent written notice of the acceleration of any Junior Lien Debt (the “Standstill Period”), the Junior Lien Collateral Agent and the other Junior Lien Secured Parties may enforce or exercise any right or remedy with respect to any Collateral; provided, however, that notwithstanding the expiration of the Standstill Period or anything herein or in the Junior Lien Documents to the contrary, in no event may the Junior Lien Representative or any other Junior Lien Secured Party enforce or exercise any right or remedy with respect to any Collateral, or commence, join with any Person at any time in commencing, or petition for or vote in favor of any resolution for, any such action or proceeding, if the First Lien Collateral Agent, on behalf of the First Lien Secured Parties, or any other First Lien Secured Party, shall have commenced, and shall be diligently pursuing (or shall have sought or requested relief from, or modification of, the automatic stay or any other stay or prohibition in any Insolvency or Liquidation Proceeding to enable the commencement and pursuit thereof), the enforcement or exercise of any right or remedy with respect the Collateral or any such action or proceeding (prompt written notice thereof to be given to the Junior Lien Representatives by the First Lien Collateral Agent); provided, further, that, at any time after the expiration of the Standstill Period, if neither the First Lien Collateral Agent nor any other First Lien Secured Party shall have commenced and be diligently pursuing (or shall have sought or requested relief from, or modification of, the automatic stay or any other stay or prohibition in any Insolvency or Liquidation Proceeding to enable the commencement and pursuit thereof) the enforcement or exercise of any right or remedy with respect to any material portion of the Collateral or any such action or proceeding, and the Junior Lien Collateral Agent shall have commenced the enforcement or exercise of any right or remedy with respect to any material portion of the Collateral or any such action or proceeding, then for so long as the Junior Lien Collateral Agent is diligently pursuing such rights or remedies, neither any First Lien Secured Party nor the First Lien Collateral Agent shall take any action of a similar nature (other than a joinder in connection with such action or proceeding as may reasonably be considered necessary to preserve the rights of the First Lien Secured Parties therein) with respect to such Collateral, or commence, join with any Person at any time in commencing, or petition for or vote in favor of any resolution for, any such action or proceeding.

(b) Notwithstanding anything to the contrary in this ARTICLE III or in any other provision of this Agreement, the Junior Lien Collateral Agent may:

(i) if an Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, file a claim or statement of interest with respect to the Junior Lien Debt;

(ii) take any action (not adverse to the priority status of the Liens on the Collateral securing the First Lien Debt, or the rights of the First Lien Collateral Agent or any other First Lien Secured Party to undertake enforcement actions with respect to the Collateral or otherwise) in order to create or perfect its Lien in the Collateral;

(iii) file any necessary responsive or defensive pleading in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims of the Junior Lien Secured Parties, including any claims secured by the Collateral, if any;

(iv) file any pleading, objection, motion or agreement which asserts rights or interests available to, or exercises rights as (to the extent not prohibited by Section 4.07), unsecured creditors of the Grantors arising under any Insolvency or Liquidation Proceeding or applicable non-bankruptcy law, in each case not inconsistent with the terms of this Agreement;

(v) vote on any plan of reorganization and make any filing (including proofs of claim) and argument and motion that is, in each case, not in contravention of the provisions of this Agreement, with respect to the Junior Lien Debt and the Collateral;

(vi) seek to enforce any of the terms of the Junior Lien Documents to the extent not expressly prohibited by the other provisions of this Agreement;

(vii) join (but not exercise any control with respect to) any judicial foreclosure proceeding or other judicial Lien enforcement proceeding with respect to the Collateral initiated by the First Lien Collateral Agent (or any First Lien Secured Party) to the extent that any such action could not reasonably be expected, in any material respect, to restrain, hinder, limit, delay for any material period or otherwise interfere with an enforcement action by the First Lien Collateral Agent (it being understood that neither the Junior Lien Collateral Agent nor any Junior Lien Secured Party shall be entitled to receive any proceeds of any Collateral unless otherwise expressly permitted herein);

(viii) bid for or purchase any Collateral at any public, private or judicial foreclosure upon such Collateral initiated by the First Lien Collateral Agent or any First Lien Secured Party, or any sale of such Collateral during an Insolvency or Liquidation Proceeding; provided, however, that such bid may only include a "credit bid" in respect of any Junior Lien Debt to the extent that, and so long as, the First Lien Secured Parties receive payment in full in cash of all First Lien Obligations (other than Excess First Lien Obligations) after giving effect thereto; and

(ix) take or otherwise exercise any enforcement action after the expiration of the Standstill Period to the extent specifically permitted in the second proviso to Section 3.02(a) or with the written consent of the First Lien Collateral Agent or as required by a court of competent jurisdiction.

### Section 3.03 Insurance.

(a) Unless and until the Discharge of First Lien Obligations (other than Excess First Lien Obligations) has occurred (but subject to the terms of Section 3.02, including the rights of the Junior Lien Secured Parties following expiration of any applicable Standstill Period), the First Lien Collateral Agent shall have the sole and exclusive right, subject to the rights of the Grantors under the First Lien Documents, to adjust and settle claims in respect of Collateral under any insurance policy in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Collateral. Unless and until the Discharge of First Lien Obligations (other than Excess First Lien Obligations) has occurred, and subject to the rights of the Grantors under the First Lien Documents, all proceeds of any such policy and any such award (or any payment with respect to a deed in lieu of condemnation) in respect of the Collateral shall be paid to the First Lien Collateral Agent pursuant to the terms of the First Lien Documents (including for purposes of cash collateralization of letters of credit). If the Junior Lien Collateral Agent or any Junior Lien Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award or payment in contravention of the foregoing, it shall pay such proceeds over to the First Lien Collateral Agent in accordance with the terms of this Agreement. In addition, if by virtue of being named as an additional insured or loss payee of any insurance policy of any Grantor covering any of the Collateral, the Junior Lien Collateral Agent or any other Junior Lien Secured Party has the right to adjust or settle any claim under any such insurance policy, then unless and until the Discharge of First Lien Obligations (other than Excess First

Lien Obligations) has occurred, the Junior Lien Collateral Agent or any such Junior Lien Secured Party shall follow the instructions of the First Lien Collateral Agent or of the Grantors under the First Lien Documents to the extent the First Lien Documents grant such Grantors the right to adjust or settle such claims, with respect to such adjustment or settlement (subject to the terms of Section 3.02, including the rights of the Junior Lien Secured Parties following expiration of any applicable Standstill Period).

(b) Following the Discharge of First Lien Obligations (other than Excess First Lien Obligations) but prior to the Discharge of Junior Lien Obligations, the Junior Lien Collateral Agent shall have the sole and exclusive right, subject to the rights of the Grantors under the Junior Lien Documents, to adjust and settle claims in respect of Collateral under any insurance policy in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Collateral. Unless and until the Discharge of Junior Lien Obligations has occurred, and subject to the rights of the Grantors under the Junior Lien Documents, all proceeds of any such policy and any such award (or any payment with respect to a deed in lieu of condemnation) in respect of the Collateral shall be paid to the Junior Lien Collateral Agent pursuant to the terms of the Junior Lien Documents and, after the Discharge of Junior Lien Obligations has occurred, to the owner of the subject property, to such other person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct.

Section 3.04 Notification of Release of Collateral. The Company shall give prompt written notice to each of the First Lien Collateral Agent, the Junior Lien Collateral Agent and the other Secured Debt Representatives of the Disposition of, and release of the Lien on, any Collateral. Such notice shall describe in reasonable detail the subject Collateral, the parties involved in such Disposition or release, the place, time, manner and method thereof and the consideration, if any, received therefor; provided, however, that the failure to give any such notice shall not in and of itself in any way impair the effectiveness of any such Disposition or release.

Section 3.05 No Interference; Payment Over.

(a) No Interference. The Junior Lien Collateral Agent, for itself and on behalf of each Junior Lien Secured Party, agrees that, whether or not an Insolvency or Liquidation Proceeding has been commenced, each Junior Lien Secured Party:

(i) will not take or cause to be taken any action the purpose or effect of which is, or could be, to make any Junior Lien that such Junior Lien Secured Party has on the Collateral *pari passu* with, or to give such Junior Lien Secured Party any preference or priority relative to, any Lien that the First Lien Collateral Agent holds on behalf of the First Lien Secured Parties secured by any Collateral or any part thereof;

(ii) will not challenge or question in any proceeding the validity or enforceability of any First Lien Obligation or First Lien Document, or the validity, attachment, perfection or priority of any Lien held by the First Lien Collateral Agent on behalf of the First Lien Secured Parties, or the validity or enforceability of the priorities, rights or duties established by the provisions of this Agreement;

(iii) will not take or cause to be taken any action the purpose or effect of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any foreclosure or enforcement action or exercise of rights and remedies related to the sale, transfer or other Disposition of the Collateral by any First Lien Secured Party or the First Lien Collateral Agent acting on their behalf in an enforcement action;

(iv) will have no right to (A) direct the First Lien Collateral Agent or any other First Lien Secured Party to exercise any right, remedy or power with respect to any Collateral or (B) consent to the exercise by the First Lien Collateral Agent or any other First Lien Secured Party of any right, remedy or power with respect to any Collateral;

(v) will not institute any suit or assert in any suit or in any Insolvency or Liquidation Proceeding, any claim against the First Lien Collateral Agent or other First Lien Secured Party seeking damages from, or seeking other relief by way of specific performance, instructions or otherwise with respect to, and neither the First Lien Collateral Agent nor any other First Lien Secured Party will be liable for, any action taken or omitted to be taken by the First Lien Collateral Agent or other First Lien Secured Party with respect to any First Lien Collateral;

(vi) will not seek, and hereby waives, any right to have any Collateral or any part thereof marshalled upon any foreclosure or other Disposition of such Collateral;

(vii) will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement;

(viii) will not object to, and hereby waives any right to object to, forbearance by the First Lien Collateral Agent or any First Lien Secured Party; and

(ix) will not assert, and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or claim the benefit of any marshalling, appraisal, valuation or other similar right that may be available under applicable law with respect to the Collateral or any similar right a junior secured creditor may have under applicable law.

(b) Payment Over. The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, hereby agrees that if any Junior Lien Secured Party obtains possession of any Collateral or realizes any proceeds or payment in respect of any Collateral, pursuant to the exercise of remedies with respect to any of the Collateral under any Collateral Document or by the exercise of any right available to it under applicable law or in any Insolvency or Liquidation Proceeding, to the extent permitted hereunder, at any time prior to the Discharge of First Lien Obligations (other than Excess First Lien Obligations) that are secured, or intended to be secured, by such Collateral, then it will hold such Collateral, proceeds or payment in trust for the First Lien Collateral Agent and the other First Lien Secured Parties and transfer such Collateral, proceeds or payment, as the case may be, to the First Lien Collateral Agent as promptly as practicable. Furthermore, the Junior Lien Collateral Agent shall, at the Grantors' expense, promptly send written notice to the First Lien Collateral Agent upon receipt of such Collateral, proceeds or payment by any Junior Lien Secured Party and within five days after receipt by the First Lien Collateral Agent of such written notice, shall deliver such Collateral, proceeds or payment to the First Lien Collateral Agent in the same form as received, with any necessary endorsement, or as a court of competent jurisdiction may otherwise direct. The First Lien Collateral Agent is hereby authorized to make any such endorsement as agent for the Junior Lien Collateral Agent or any other Junior Lien Secured Party. The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, agrees that if, at any time, it or any other Junior Lien Secured Party obtains written notice that all or part of any payment with respect to any First Lien Obligation not constituting Excess First Lien Obligations previously made shall be rescinded for any reason whatsoever, it will promptly pay over to the First Lien Collateral Agent any payment received by it or such other Junior Lien Secured Party and then in or its or such other Junior Lien Secured Party's possession or under its or such other Junior Lien Secured Party's direct control in respect of any such First Lien Collateral and shall promptly turn any such Collateral then held by it or such other Junior Lien Secured Party over to the First Lien Collateral Agent, and the provisions set forth in this Agreement will be reinstated as if such payment had not been made, until the Discharge of First Lien

Obligations (other than Excess First Lien Obligations). All Junior Liens will remain attached to, and enforceable against, all proceeds so held or remitted, subject to the priorities set forth in this Agreement. Anything contained herein to the contrary notwithstanding, this Section 3.05(b) shall not apply to any proceeds of Collateral realized in a transaction not prohibited by the First Lien Documents and as to which the possession or receipt thereof by the Junior Lien Collateral Agent or any other Junior Lien Secured Party is otherwise permitted by the First Lien Documents. The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, hereby appoints the First Lien Collateral Agent, and any officer or agent of the First Lien Collateral Agent, with full power of substitution, the attorney-in-fact of each Junior Lien Secured Party for the limited purpose of carrying out the provisions of this Section 3.05(b) and taking any action and executing any instrument that the First Lien Collateral Agent may deem necessary or advisable to accomplish the purposes of this Section 3.05(b), which appointment is irrevocable and coupled with an interest.

Section 3.06 Purchase Option.

(a) Notwithstanding anything in this Agreement to the contrary, on or at any time after (i) the commencement of an Insolvency or Liquidation Proceeding, (ii) the acceleration of the First Lien Obligations, (iii) the exercise or undertaking of any right of set-off in respect of any Collateral by any First Lien Secured Party under any First Lien Document, (iv) the 60th day after any event of default based on non-payment of principal under any First Lien Document that has not been waived by the applicable First Lien Secured Parties or (v) the delivery of any Section 363 Notice or the occurrence of any Section 363 Event, each of the holders of the Junior Lien Debt and each of their respective designated Affiliates (the “Junior Lien Purchasers”) will have the several right, at their respective sole option, election and expense (but will not be obligated), within 60 days following any such event set forth in clauses (i) through (v) above and upon prior written notice (the “Purchase Notice”) to applicable First Lien Representative, to purchase from the First Lien Secured Parties (A) all (but not less than all) First Lien Obligations (including unfunded commitments) and (B) if applicable, all loans and letters of credit (and related obligations, including interest, fees and expenses) provided by any of the First Lien Secured Parties in connection with a DIP Financing that are outstanding on the date of such purchase. Promptly following the receipt of such notice, the holder of First Lien Obligations will deliver to the Junior Lien Purchasers a statement of the amount of First Lien Debt, other First Lien Obligations (including unfunded commitments) and DIP Financing (including letters of credit, interest, fees, expenses and other obligations in respect of such DIP Financing) provided by such holders of the First Lien Obligations, if any, then outstanding and the amount of the cash collateral requested to be delivered pursuant to Section 3.06(b)(ii) below. The right to purchase provided for in this Section 3.06 will expire unless, within 10 Business Days after the receipt by the Junior Lien Purchasers of such statement from the applicable holders of First Lien Obligations, the Junior Lien Purchasers deliver to such holders of First Lien Obligations an irrevocable commitment to purchase (A) all (but not less than all) of the First Lien Obligations (including unfunded commitments) and (B) if applicable, all loans and letters of credit (and related obligations, including interest, fees and expenses) provided by any of the holders of First Lien Obligations in connection with a DIP Financing and to otherwise complete such purchase on the terms set forth under this Section 3.06. Any such Purchase Notice shall (i) designate a purchase date, (ii) set forth the identities (including legal names) of each of the Junior Lien Purchasers together with their respective percentages of the First Lien Obligations, unfunded commitments and, if applicable, DIP Financing Obligations, to be purchased by such Persons, (iii) identify a replacement or successor First Lien Collateral Agent that the First Lien Secured Parties (after giving effect to the purchase) appoint pursuant to the Collateral Agency Agreement, and (iv) state that such notice is deemed to be an irrevocable offer to the First Lien Secured Parties to purchase such First Lien Obligations on the terms set forth in this Agreement. The First Lien Secured Parties shall be entitled to rely in all respects upon the information set forth in the Purchase Notice, including the identities (and legal names) of the Junior Lien Purchasers.

(b) On the date specified by the Junior Lien Purchasers in such irrevocable commitment (which shall not be less than five Business Days, nor more than 20 Business Days after the receipt by the applicable holders of First Lien Obligations of such irrevocable commitment), the holders of First Lien Obligations shall sell to the Junior Lien Purchasers (i) all (but not less than all) First Lien Obligations (including unfunded commitments but other than any First Lien Obligations constituting Excess First Lien Obligations) and (ii) if applicable, all loans and letters of credit (and related obligations, including interest, fees and expenses) provided by any of the holders of First Lien Obligations in connection with a DIP Financing that are outstanding on the date of such sale, subject to any required approval of any Governmental Authority then in effect, if any, and only if on the date of such sale, the applicable holders of First Lien Obligations receive the following:

(i) Payment in full in cash, as the purchase price for all First Lien Obligations sold in such sale, of an amount equal to the full amount of (i) all First Lien Obligations (other than outstanding letters of credit as referred to in clause (ii) below) and (ii) if applicable, all loans and letters of credit (and related obligations, including interest, fees and expenses) provided by any of the holders of First Lien Obligations in connection with a DIP Financing then outstanding (including principal, interest, fees, reasonable attorneys' fees and legal expenses, but excluding contingent indemnification obligations for which no claim or demand for payment has been made at or prior to such time); provided, however, that in the case of obligations in respect of Hedging Obligations that constitute First Lien Obligations, the Junior Lien Purchasers shall cause the applicable agreements governing such Hedging Obligations to be assigned and novated or, if such agreements have been terminated, such purchase price shall include an amount equal to the sum of any unpaid amounts then due in respect of such Hedging Obligations, calculated using the market quotation method and after giving effect to any netting arrangements;

(ii) a cash collateral deposit in such amount as the applicable First Lien Secured Parties that hold letters of credit determine is reasonably necessary to secure the payment of any outstanding letter of credit constituting First Lien Obligations that may become due and payable after such sale (but not in any event in an amount greater than 105% of the amount then reasonably estimated to be the aggregate outstanding amount of such letter of credit at such time), which cash collateral shall be (A) held by such applicable First Lien Secured Party as security solely to reimburse the issuers of such letter of credit that becomes due and payable after such sale and any fees and expenses incurred in connection with such letters of credit and (B) returned to the Junior Lien Purchasers (except as may otherwise be required by applicable law or any order of any court or other Governmental Authority) promptly after the expiration or termination from time to time of all payment contingencies affecting such letters of credit; and

(iii) any agreement, document or instrument which the applicable First Lien Secured Parties may reasonably request pursuant to which the Junior Lien Purchasers in such sale expressly assume and adopt all of the Obligations of the holders of the First Lien Obligations under the First Lien Documents and in connection with loans (and related obligations, including interest, fees and expenses) provided by any holder of First Lien Obligations in connection with a DIP Financing on and after the date of the purchase and sale and the Junior Lien Representative (or any other representative appointed by the holders of a majority in aggregate principal amount of the Junior Lien Obligations owned by the Junior Lien Purchasers) becomes a successor agent thereunder.

(c) Such purchase of the First Lien Obligations (including unfunded commitments) and any loan provided by any holder of First Lien Obligations in connection with a DIP Financing shall be made on a *pro rata* basis among the Junior Lien Purchasers giving notice to the applicable First Lien Representative of their interest to exercise the purchase option hereunder according to each such Junior Lien Purchaser's portion of the Junior Lien Obligations outstanding on the date of purchase or such portion as such Junior Lien Purchasers may otherwise agree. Such purchase price and cash collateral shall be

remitted by wire transfer in federal funds to such bank account of the applicable First Lien Secured Parties as the applicable First Lien Secured Parties may designate in writing to the Junior Lien Purchasers for such purpose. Interest shall be calculated to but excluding the Business Day on which such sale occurs if the amounts so paid by the Junior Lien Purchasers to the bank account designated by the First Lien Secured Parties are received in such bank account prior to 12:00 noon, New York City time, and interest shall be calculated to and including such Business Day if the amounts so paid by the Junior Lien Purchasers to the bank account designated by the applicable First Lien Secured Parties are received in such bank account later than 12:00 noon, New York City time.

(d) Such sale shall be expressly made without representation or warranty of any kind by the applicable First Lien Representative or any First Lien Secured Party as to the First Lien Obligations, the Collateral or otherwise and without recourse to the applicable First Lien Representative or any First Lien Secured Party, except that the applicable holders of First Lien Obligations shall represent and warrant severally as to the First Lien Obligations (including unfunded commitments) and any loan and letter of credit provided by any holder of First Lien Obligations in connection with a DIP Financing then owing to it that (i) such holders of the First Lien Obligations own such First Lien Obligations (including unfunded commitments) and any loan and letter of credit provided by any of the First Lien Secured Parties in connection with a DIP Financing and (ii) such holders of the First Lien Obligations have the necessary corporate or other governing authority to assign such interests.

(e) After such sale becomes effective, any outstanding letter of credit will remain enforceable against the issuers thereof and will remain secured by the First Liens upon the Collateral in accordance with the applicable provisions of the First Lien Collateral Documents as in effect at the time of such sale, and the issuers of letters of credit will remain entitled to the benefit of the First Liens upon the Collateral and sharing rights in the proceeds thereof in accordance with the provisions of the First Lien Collateral Documents as in effect at the time of such sale, as fully as if the sale of the First Lien Obligations had not been made, but only the Person or successor agent to whom the First Liens are transferred in such sale will have the right to foreclose upon or otherwise enforce the First Liens and only the Junior Lien Purchasers in the sale will have the right to direct such Person or successor as to matters relating to the foreclosure or other enforcement of the First Liens.

(f) Each Grantor irrevocably consents to any assignment effected to one or more Junior Lien Purchasers pursuant to this Section 3.06 (so long as they meet all eligibility standards contained in all relevant First Lien Documents, other than obtaining the consent of any Grantor to an assignment to the extent required by such First Lien Documents) for purposes of all First Lien Documents and hereby agrees that no further consent from such Grantor shall be required.

(g) Notwithstanding the foregoing, the First Lien Collateral Agent and the First Lien Secured Parties shall retain any and all rights with respect to indemnification, reimbursement and other similar contingent obligations under the Collateral Agency Agreement, the First Lien Documents or any agreement governing Hedging Obligations or Cash Management Obligations that are expressly stated to survive the termination of such applicable document, contract or agreement.

#### **ARTICLE IV OTHER AGREEMENTS**

##### Section 4.01 Release of Liens; Automatic Release of Junior Liens.

(a) Prior to the Discharge of First Lien Obligations (other than Excess First Lien Obligations), the Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, agrees that, if the First Lien Collateral Agent or the requisite First Lien Secured Parties under the

First Lien Documents release the First Lien on any Collateral, the Junior Lien on such Collateral shall terminate and be released automatically and without further action if (i) such release is permitted under the Junior Lien Documents, (ii) such release is effected in connection with the First Lien Collateral Agent's foreclosure upon, or other exercise of rights or remedies with respect to, such Collateral, or (iii) such release is effected in connection with a sale or other Disposition of any Collateral (or any portion thereof) under Section 363 of the Bankruptcy Code or any other provision of the Bankruptcy Code if the requisite First Lien Secured Parties under the First Lien Documents shall have consented to such sale or Disposition of such Collateral; provided, however, that, in the case of each of clauses (i), (ii) and (iii) above, the Junior Liens on such Collateral securing the Junior Lien Obligations shall remain in place (and shall remain subject and subordinate to all First Liens securing First Lien Obligations, subject to the First Lien Cap, and all Junior Liens securing Junior Lien Obligations) with respect to any proceeds of a sale, transfer or other Disposition of Collateral not paid to the First Lien Secured Parties or that remain after the Discharge of First Lien Obligations (other than Excess First Lien Obligations).

(b) The Junior Lien Collateral Agent agrees to execute and deliver (at the sole cost and expense of the Grantors) all such releases and other instruments as shall reasonably be requested by the First Lien Collateral Agent to evidence and confirm any release of Collateral provided for in this Section 4.01 and hereby appoints the First Lien Collateral Agent, and any officer or agent of the First Lien Collateral Agent, with full power of substitution, the attorney-in-fact of each Junior Lien Secured Party for the limited purpose of carrying out the provisions of this Section 4.01 and taking any action and executing any instrument that may be necessary or advisable to accomplish the purposes of this Section 4.01, which appointment is irrevocable and coupled with an interest.

#### Section 4.02 Certain Agreements With Respect to Insolvency or Liquidation Proceedings.

(a) The parties hereto acknowledge that this Agreement is a "subordination agreement" under Section 510(a) of the Bankruptcy Code and shall continue in full force and effect, notwithstanding the commencement of any Insolvency or Liquidation Proceeding by or against the Company or any other Grantor or any of their respective subsidiaries or any action taken in such Insolvency or Liquidation Proceeding, including any attempted rejection under Section 365 of the Bankruptcy Code. All references in this Agreement to the Company or any of its subsidiaries or any other Grantor will include such Person or Persons as a debtor-in-possession and any receiver or trustee for such Person or Persons in an Insolvency or Liquidation Proceeding. For the purposes of this Section 4.02, unless otherwise provided herein, clauses Section 4.02(b) through and including Section 4.02(o) shall be in full force and effect prior to the Discharge of First Lien Obligations (other than Excess First Lien Obligations).

(b) If the Company or any other Grantor (or any of their respective subsidiaries shall become subject to any Insolvency or Liquidation Proceeding and, as debtor(s)-in-possession, or if any receiver or trustee for such Person or Persons moves for approval of financing (" DIP Financing ") to be provided by one or more lenders under Section 364 of the Bankruptcy Code and/or the use of cash collateral under Section 363 of the Bankruptcy Code, the Junior Lien Collateral Agent, for itself and on behalf of each Junior Lien Secured Party, agrees that neither it nor any other Junior Lien Secured Party will raise any objection to, contest or oppose, and each Junior Lien Secured Party will waive any claim such Person may now or hereafter have related to or in connection with, any such financing or to the Liens on the Collateral securing the same (" DIP Financing Liens "), or any use, sale or lease of cash collateral that constitutes Collateral or to any grant of administrative expense priority under Section 364 of the Bankruptcy Code, unless (i) the First Lien Collateral Agent or the First Lien Secured Parties oppose or object to such DIP Financing, such DIP Financing Liens or such use of cash collateral, (ii) the maximum principal amount of Indebtedness permitted under such DIP Financing exceeds the sum of (A) the amount of First Lien Obligations refinanced with the proceeds thereof (not including the amount of any Excess First Lien Obligations) and (B) \$50 million or (iii) the terms of such DIP Financing provide for the sale of a substantial

part of the Collateral (other than a sale or Disposition pursuant to Section 363 of the Bankruptcy Code and with respect to which the Junior Lien Secured Parties are deemed to have consented pursuant to Section 4.02(d)) or require the confirmation of a plan of reorganization containing specific terms or provisions (other than repayment in cash of such DIP Financing on the effective date thereof). To the extent such DIP Financing Liens are senior to, or rank *pari passu* with, the First Liens, the Junior Lien Collateral Agent will, for itself and on behalf of the other Junior Lien Secured Parties, subordinate the Liens on the Collateral that secure the Junior Lien Obligations to the Liens on the Collateral that secure First Lien Obligations and to such DIP Financing Liens, so long as the Junior Lien Collateral Agent, on behalf of the Junior Lien Secured Parties, retains Liens on all the Collateral, including proceeds thereof arising after the commencement of any Insolvency or Liquidation Proceeding, with the same priority relative to the First Liens as existed prior to the commencement of the case under the Bankruptcy Code.

(c) Prior to the Discharge of First Lien Obligations (other than Excess First Lien Obligations), without the written consent of the First Lien Collateral Agent (which consent is at the written direction of the Controlling First Lien Representative), the Junior Lien Collateral Agent, for itself and on behalf of each Junior Lien Secured Party, agrees not to propose, support or enter into any DIP Financing.

(d) The Junior Lien Collateral Agent, for itself and on behalf of each Junior Lien Secured Party, agrees that it shall not object to, oppose or contest (or join with or support any other party objecting to, opposing or contesting) a sale or other Disposition, a motion to sell or Dispose or the bidding procedure for the sale or Disposition of any Collateral (or any portion thereof) under Section 363 of the Bankruptcy Code or any other provision of the Bankruptcy Code (any such sale or motion, a "Section 363 Event," any such objection, opposition or contestation to a Section 363 Event, a "Section 363 Objection" and any notice or ruling issued by a court of competent jurisdiction in respect of such Section 363 Event, a "Section 363 Notice" ) if the requisite First Lien Secured Parties under the First Lien Documents shall have consented to such sale or Disposition, such motion to sell or Dispose or such bidding procedure for such sale or Disposition of such Collateral and all First Liens and Junior Liens will attach to the proceeds of the sale in the same respective priorities as set forth in this Agreement. Notwithstanding the foregoing in this Section 4.02(d), if the Junior Lien Purchasers have exercised their purchase option (or have committed to exercise their purchase option) pursuant to Section 3.06(a), Section 363 Objections shall be permitted to be made by the Junior Lien Collateral Agent or any Junior Lien Secured Party, but only so long as the Junior Lien Purchasers shall not have defaulted on their obligations to consummate the purchase of the First Lien Debt and other Obligations contemplated by Section 3.06.

(e) The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, waives any claim that it may now or hereafter have against the First Lien Collateral Agent or any other First Lien Secured Party arising out of any DIP Financing Liens that is granted in a manner that is consistent with this Agreement or administrative expense priority under Section 364 of the Bankruptcy Code.

(f) The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, agrees that neither the Junior Lien Collateral Agent nor any other Junior Lien Secured Party will file or prosecute in any Insolvency or Liquidation Proceeding any motion for adequate protection (or any comparable request for relief) based upon their interest in the Collateral, and will not object to, oppose or contest (or join with or support any third party objecting to, opposing or contesting) (i) any request by the First Lien Collateral Agent or any other First Lien Secured Party for adequate protection or (ii) any objection by the First Lien Collateral Agent or any other First Lien Secured Party to any motion, relief, action or proceeding based on the First Lien Collateral Agent or First Lien Secured Parties claiming a lack of adequate protection, except that the Junior Lien Secured Parties may:

(i) freely seek and obtain relief granting adequate protection in the form of a replacement Lien co-extensive in all respects with, but subordinated (as set forth in Section 2.01) to, and with the same relative priority to the First Liens as existed prior to the commencement of the Insolvency or Liquidation Proceeding, all Liens granted in the Insolvency or Liquidation Proceeding to, or for the benefit of, the First Lien Secured Parties; and

(ii) freely seek and obtain any relief upon a motion for adequate protection (or any comparable relief), without any condition or restriction whatsoever, at any time after the Discharge of First Lien Obligations (other than Excess First Lien Obligations);

(g) The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, waives any claim it or any such other Junior Lien Secured Party may now or hereafter have against the First Lien Collateral Agent or any other First Lien Secured Party (or their representatives) arising out of any election by the First Lien Collateral Agent or any First Lien Secured Parties, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code.

(h) The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, agrees that in any Insolvency or Liquidation Proceeding, neither the Junior Lien Collateral Agent nor any other Junior Lien Secured Party shall support or vote for any plan of reorganization or disclosure statement of the Company or any other Grantor unless (i) such plan is accepted by the Class of First Lien Secured Parties in accordance with Section 1126(c) of the Bankruptcy Code or otherwise provides for the payment in full in cash of all First Lien Obligations (including all post-petition interest approved by the bankruptcy court, fees and expenses and cash collateralization of all letters of credit) on the effective date of such plan of reorganization, or (ii) such plan provides on account of the First Lien Secured Parties for the retention by the First Lien Collateral Agent, for the benefit of the First Lien Secured Parties, of the Liens on the Collateral securing the First Lien Obligations, and on all proceeds thereof whenever received, and such plan also provides that any Lien retained by, or granted to, the Junior Lien Collateral Agent is only on property securing the First Lien Obligations and shall have the same relative priority with respect to the Collateral or other property, respectively, as provided in this Agreement with respect to the Collateral. Except as otherwise provided herein, the Junior Lien Secured Parties shall remain entitled to vote their claims in any such Insolvency or Liquidation Proceeding.

(i) The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, agrees that, until the Discharge of First Lien Obligations (other than Excess First Lien Obligations) and subject to the provisions of Section 3.02, neither the Junior Lien Collateral Agent nor any other Junior Lien Secured Party, shall seek relief, pursuant to Section 362(d) of the Bankruptcy Code or otherwise, from the automatic stay of Section 362(a) of the Bankruptcy Code or from any other stay in any Insolvency or Liquidation Proceeding in respect of the Collateral if the First Lien Collateral Agent has not received relief from the automatic stay (or it has not been lifted for the First Lien Collateral Agent's benefit), without the prior written consent of the First Lien Collateral Agent, which consent is in its sole discretion.

(j) Without the express written consent of the First Lien Collateral Agent (which consent is at the written direction of the Controlling First Lien Representative) neither the Junior Lien Collateral Agent nor any other Junior Lien Secured Party shall (or shall join with or support any third party in objecting to, opposing or contesting, as the case may be), in any Insolvency or Liquidation Proceeding involving any Grantor, (i) object to, oppose or contest the determination of the extent of or validity of any Liens held by any First Lien Secured Party or the value of any claims of any such holder under Section 506(a) of the Bankruptcy Code or otherwise or (ii) object to, oppose or contest the payment to the First Lien Secured Parties of interest, fees or expenses or to the cash collateralization of letters of credit under Section 506(b) of the Bankruptcy Code.

(k) Notwithstanding anything to the contrary contained herein, if in any Insolvency or Liquidation Proceeding a determination is made that any Lien encumbering any Collateral is not enforceable for any reason, then the Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, agrees that any distribution or recovery they may receive in respect of any Collateral shall be segregated and held in trust and forthwith paid over, subject to the requirements of Section 6.01(a), to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties in the same form as received without recourse, representation or warranty (other than a representation of the Junior Lien Collateral Agent that it has not otherwise sold, assigned, transferred or pledged any right, title or interest in and to such distribution or recovery) but with any necessary endorsement or as a court of competent jurisdiction may otherwise direct. The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, hereby appoints the First Lien Collateral Agent, and any officer or agent of the First Lien Collateral Agent, with full power of substitution, the attorney-in-fact of the Junior Lien Collateral Agent and each other Junior Lien Secured Party for the limited purpose of carrying out the provisions of this Section 4.02(k) and taking any action and executing any instrument that may be necessary or advisable to accomplish the purposes of this Section 4.02(k), which appointment is irrevocable and coupled with an interest.

(l) Without the express written consent of the First Lien Collateral Agent (which consent shall be granted or withheld at the written direction of the Controlling First Lien Representative), unless the applicable Standstill Period has expired, the Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, agrees that it will not file or join an involuntary bankruptcy claim or seek the appointment of an examiner or a trustee for the Company or other Grantor or any of their respective subsidiaries.

(m) Neither the Junior Lien Collateral Agent nor any other Junior Lien Secured Party shall oppose or challenge any claim by the First Lien Collateral Agent or any other First Lien Secured Parties for the allowance or payment in any Insolvency or Liquidation Proceeding of First Lien Obligations consisting of post-petition interest, fees or expenses pursuant to Section 506(b) of the Bankruptcy Code, to the extent of the value of the First Liens (it being understood that such value will be determined without regard to the existence of the Junior Liens on the Collateral), subject to the First Lien Cap. Neither the First Lien Collateral Agent nor any other First Lien Secured Party shall oppose or challenge any claim by the Junior Lien Collateral Agent or any other Junior Lien Secured Party for the allowance or payment in any Insolvency or Liquidation Proceeding of Junior Lien Obligations consisting of post-petition interest, fees or expenses pursuant to Section 506(b) of the Bankruptcy Code, to the extent of the value of the Junior Liens on the Collateral; provided, however, that if the First Lien Collateral Agent or any other First Lien Secured Party shall have made any such claim, such claim (i) shall have been approved or (ii) will be approved contemporaneously with the approval of any such claim by the Junior Lien Collateral Agent or any Junior Lien Secured Party, as applicable.

(n) The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, waives any right to assert or enforce any claim under Sections 506(c) or 552 of the Bankruptcy Code as against any First Lien Secured Party or any of the Collateral.

(o) Each of the First Lien Collateral Agent, on behalf of the First Lien Secured Parties, and the Junior Lien Collateral Agent, on behalf of the Junior Lien Secured Parties, acknowledges and agrees that (i) the grants of Liens pursuant to the First Lien Documents and the Junior Lien Documents constitute two separate and distinct grants of Liens and (ii) because of, among other things, their differing rights in the Collateral, the First Lien Obligations and the Junior Lien Obligations are fundamentally different from each other, are not “substantially similar” to the First Lien Obligations within the meaning of Bankruptcy Code Section 1122(a), and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in

the immediately preceding sentence, if it is held that the claims against the Secured Parties in respect of the Collateral constitute only one secured claim or are properly classified in one class (rather than separate claims or classes of first lien and second lien secured claims), then the Junior Lien Collateral Agent, for itself and on behalf of the other Junior Lien Secured Parties, hereby acknowledges and agrees that all distributions shall be made in accordance with Section 6.01 of this Agreement as if there were separate classes of first lien and second lien secured claims against the Company and/or other Grantors in respect of the Collateral with the effect being that (A) to the extent that the aggregate value of the Collateral is sufficient (for this purpose ignoring all claims held by the Junior Lien Secured Parties), the First Lien Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest (whether at the default rate as set forth in the applicable First Lien Documents or otherwise in accordance with the First Lien Documents and excluding, for the avoidance of doubt, any Excess First Lien Obligations) before any distribution is made in respect of the claims held by the Junior Lien Secured Parties, and (B) in accordance with Section 3.05(b), each Junior Lien Secured Party shall hold in trust for the benefit of the First Lien Secured Parties, and forthwith turn over to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties, amounts otherwise received or receivable by such Junior Lien Secured Party to the extent necessary to effectuate the intent of this Section 4.02 and this Agreement, even if such turnover has the effect of reducing the claim or recovery of the Junior Lien Secured Parties. Nothing contained herein shall constitute an agreement or an acknowledgment by any party hereto or any Person bound hereby that all of the First Lien Obligations are to be classified as a single class or that all of the First Lien Obligations are substantially similar to each other.

Section 4.03 Reinstatement. If any First Lien Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or pay to the estate of any Grantor any amount (a “Recovery”) for any reason whatsoever, then the First Lien Obligations shall be reinstated to the extent of such Recovery and the First Lien Secured Parties shall be entitled to a reinstatement of First Lien Obligations with respect to all such recovered amounts. The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, agrees that if, at any time, a Junior Lien Secured Party receives notice of any Recovery, the Junior Lien Collateral Agent or any other Junior Lien Secured Party shall promptly pay over to the First Lien Collateral Agent any payment received by it and then in its possession or under its control in respect of any Collateral subject to any First Lien securing such First Lien Obligations and shall promptly turn any Collateral subject to any such First Lien then held by it over to the First Lien Collateral Agent, and the provisions set forth in this Agreement shall be reinstated as if such payment had not been made. If this Agreement shall have been terminated prior to any such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. Any amounts received by the Junior Lien Collateral Agent or any other Junior Lien Secured Party and in their possession or under their control on account of the Junior Lien Obligations, after the termination of this Agreement shall, in the event of a reinstatement of this Agreement pursuant to this Section 4.03 and to the extent consistent with Section 6.01(a), be held in trust for and paid over to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties for application to the reinstated First Lien Obligations until the discharge thereof. This Section 4.03 shall survive termination of this Agreement.

Section 4.04 Refinancings; Additional First Lien Debt and Additional Junior Lien Debt.

(a) The First Lien Obligations and the Junior Lien Obligations may be refinanced or replaced, in whole or in part, by, and the Company may otherwise incur, any Additional First Lien Debt or Additional Junior Lien Debt, as the case may be, and Additional First Lien Obligations or Additional Junior Lien Obligations may be incurred, in each case, subject to the requirements specified in this Agreement, but without notice to, or the consent of, any Secured Party, all without affecting the Lien priorities provided for herein or the other provisions hereof; provided, however, that:

(i) in the case of any Additional First Lien Debt, (A) the First Lien Collateral Agent shall receive on or prior to incurrence of such indebtedness, a joinder agreement to the Collateral Agency Agreement and (B) (x) the aggregate outstanding principal amount of the First Lien Obligations, after giving effect to the incurrence of such Additional First Lien Debt, shall not exceed the First Lien Cap and (y) such Additional First Lien Debt satisfies any applicable requirements of the Collateral Agency Agreement; and

(ii) the First Lien Collateral Agent and the Junior Lien Collateral Agent shall have received (A) an Officers' Certificate from the Company stating that (x) the incurrence thereof is permitted by this Agreement and each applicable Secured Debt Document to be incurred, (y) such Additional First Lien Debt or Additional Junior Lien Debt is designated by the Company as "First Lien Debt" or "Junior Lien Debt", as applicable, for the purposes of the Secured Debt Documents and this Agreement; provided, however, that no series of Secured Debt may be designated as more than one of First Lien Debt or Junior Lien Debt and (z) the requirements of Section 4.06 have been satisfied, and (B) (x) in the case of any Additional First Lien Debt, an Additional Secured Debt Designation from the holders or lenders of any indebtedness that refinanced or replaced the First Lien Obligations (or an authorized agent, trustee or other representative on their behalf) and (y) in the case of any Additional Junior Lien Debt, an Additional Secured Debt Designation from the holders or lenders of any indebtedness that refinanced or replaced the Junior Lien Obligations (or an authorized agent, trustee or other representative on their behalf); and

(b) the Company will be permitted to designate as an additional holder of First Lien Obligations or an additional holder of Junior Lien Obligations hereunder each Person who is, or who becomes, the registered holder of First Lien Debt or Junior Lien Debt, respectively, incurred by the Company after the date of this Agreement in accordance with the terms of all applicable Secured Debt Documents. The Company may effect such designation by delivering to the First Lien Collateral Agent and the Junior Lien Collateral Agent, each of the following:

(i) an Officers' Certificate stating that the Company intends to incur, (x) with respect to Additional First Lien Debt, Additional First Lien Obligations which will be First Lien Debt and will be permitted by each applicable Secured Debt Document, to be incurred and secured by a First Lien equally and ratably with all previously existing and future First Lien Debt or (y) with respect to Additional Junior Lien Debt, Additional Junior Lien Obligations which will be Junior Lien Debt and will be permitted by each applicable Secured Debt Document, to be incurred and secured by a Junior Lien equally and ratably with all previously existing and future Junior Lien Debt;

(ii) an authorized agent, trustee or other representative on behalf of the holders or lenders of any Additional First Lien Obligations or Additional Junior Lien Obligations must be designated as an additional holder of Secured Obligations hereunder and must, prior to such designation, sign and deliver on behalf of the holders or lenders of such Additional First Lien Obligations or Additional Junior Lien Obligations, as the case may be, an Additional Secured Debt Designation, and, to the extent necessary or appropriate to facilitate such transaction, a new intercreditor agreement substantially similar to this Agreement, as in effect on the date hereof; and

(iii) evidence that the Company has duly authorized, executed (if applicable) and recorded (or caused to be recorded) in each appropriate governmental office all relevant filings and recordings deemed necessary by the Company and the holder of such Additional First Lien Representative or Additional Junior Lien Obligations, as the case may be, to ensure that the Additional First Lien Obligations or Additional Junior Lien Obligations are secured by the Collateral in accordance with the First Lien Collateral Documents or Junior Lien Collateral Documents, as the case may be ( provided, however, that such filings and recordings may be authorized, executed and recorded following any incurrence on a

post-closing basis if permitted by the First Lien Collateral Agent or Junior Lien Collateral Agent for such Additional First Lien Obligations or Additional Junior Lien Obligations, as the case may be).

For the avoidance of doubt, (A) in the case of any Junior Lien Obligation that is refinanced or replaced, the Liens securing such refinancing or replacing Indebtedness shall have a Lien priority equal to or junior to the Liens securing the Indebtedness being refinanced or replaced and (B) the deliveries set forth in clauses (i) through (iii) of this Section 4.04(b) shall not be required (and shall be deemed satisfied) in connection with an issuance of additional First Lien Notes or Junior Lien Notes.

Notwithstanding the foregoing, nothing in this Agreement will be construed to allow the Company or any other Grantor to incur additional indebtedness unless otherwise permitted by the terms of each applicable Secured Debt Document.

Each of the then-existing First Lien Collateral Agent and Junior Lien Collateral Agent shall be authorized to execute and deliver such documents and agreements (including amendments or supplements to this Agreement) as such holders, lenders, agent, trustee or other representative may reasonably request to give effect to any such Replacement or any incurrence of Additional First Lien Obligations or Additional Junior Lien Obligations, it being understood that the First Lien Collateral Agent and the Junior Lien Collateral Agent or, if permitted by the terms of the applicable Secured Debt Documents, the Grantors, without the consent of any other Secured Party or, in the case of the Grantors, one or more Secured Debt Representatives, may amend, supplement, modify or restate this Agreement to the extent necessary or appropriate to facilitate such amendments or supplements to effect such Replacement or incurrence, all at the expense of the Grantors. Upon the consummation of such Replacement or incurrence and the execution and delivery of the documents and agreements contemplated in the preceding sentence, the holders or lenders of such indebtedness and any authorized agent, trustee or other representative thereof shall be entitled to the benefits of this Agreement.

**Section 4.05 Amendments to Junior Lien Documents.** Prior to the Discharge of First Lien Obligations (other than Excess First Lien Obligations), without the prior written consent of the First Lien Collateral Agent, no Junior Lien Document may be amended, supplemented, restated or otherwise modified and/or refinanced or entered into to the extent that such amendment, supplement, restatement or modification and/or refinancing, or the terms of any new Junior Lien Document, would (i) adversely affect the lien priority rights of the First Lien Secured Parties or the rights of the First Lien Secured Parties to receive payments owing pursuant to the First Lien Documents, (ii) except as otherwise provided for in this Agreement, add any Liens securing the Collateral granted under the Junior Lien Documents, (iii) contravene the provisions of this Agreement or the First Lien Documents, (iv) change to earlier dates any scheduled dates for payment of principal or of interest on Junior Lien Debt, (v) change the mandatory redemption or prepayment provisions set forth in the Junior Lien Documents in a manner that would require the applicable Junior Lien Debt to be mandatorily redeemed or prepaid prior to the repayment in full of the First Lien Obligations, (vi) add any guarantees of the Junior Lien Obligations from guarantors that do not guarantee the First Lien Obligations, (vii) provide for “cross-default” (as opposed to “cross-acceleration”) provisions to the First Lien Obligations or (viii) change any term, covenant, default provision or event of default provision set forth in the Junior Lien Documents to be more restrictive than the terms, covenants, defaults and events of default with respect to the First Lien Obligations (other than any more restrictive provisions with respect to additional Junior Lien Debt) or add any financial maintenance covenant.

**Section 4.06 Legends.** Each of the First Lien Collateral Agent (with respect to the First Lien Collateral Documents to which it is a party and executed after the date of this Agreement) and the Junior Lien Collateral Agent acknowledges that each Junior Lien Facility and the Junior Lien Documents (other than control agreements to which both the First Lien Collateral Agent and the Junior Lien Collateral Agent are parties) and each associated Security Document (other than control agreements to which both the First

Lien Collateral Agent and the Junior Lien Collateral Agent are parties) granting any security interest in the Collateral will contain the appropriate legend set forth on Annex I.

Section 4.07 Junior Lien Secured Parties Rights as Unsecured Creditors; Judgment Lien Creditor. Both before or after the Discharge of First Lien Obligations (other than Excess First Lien Obligations), any of the Junior Lien Secured Parties may take any action and exercise any and all rights that would be available to a holder of unsecured claims; provided, however, that the Junior Lien Secured Parties may not take any of the actions prohibited by Section 3.05(a) or Section 4.02 or any other provisions in this Agreement; provided, further, that in the event that any of the Junior Lien Secured Parties becomes a judgment lien creditor in respect of any Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Junior Lien Obligations, such judgment lien shall be subject to the terms of this Agreement for all purposes (including in relation to the First Lien Obligations) as the Junior Liens are subject to this Agreement.

Section 4.08 Postponement of Subrogation. The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, hereby agrees that no payment or distribution to any First Lien Secured Party pursuant to the provisions of this Agreement shall entitle any Junior Lien Secured Party to exercise any rights of subrogation in respect thereof until the Discharge of First Lien Obligations shall have occurred. Following the Discharge of First Lien Obligations but subject to the reinstatement as provided in Section 4.03, each First Lien Secured Party will execute such documents, agreements and instruments as any Junior Lien Secured Party may reasonably request to evidence the transfer by subrogation to any such Person of an interest in the First Lien Obligations resulting from payments or distributions to such First Lien Secured Party by such Person, so long as all costs and expenses (including all reasonable legal fees and disbursements) incurred in connection therewith by such First Lien Secured Party are paid by such Person upon request for payment thereof.

Section 4.09 Acknowledgment by the Secured Debt Representatives. Each of the First Lien Collateral Agent, for itself and on behalf of the other First Lien Secured Parties, and the Junior Lien Collateral Agent, for itself and on behalf of the other Junior Lien Secured Parties, hereby acknowledges that this Agreement is a material inducement to enter into, and that the First Lien Collateral Agent and the Junior Lien Collateral Agent have relied on this Agreement to enter into, the First Lien Indenture and Junior Lien Indenture, respectively, and all documentation related thereto, and that each will continue to rely on this Agreement in their related future dealings.

## **ARTICLE V GRATUITOUS BAILMENT FOR PERFECTION OF CERTAIN SECURITY INTERESTS**

Section 5.01 General. Prior to the Discharge of First Lien Obligations (other than Excess First Lien Obligations), the First Lien Collateral Agent agrees that if it at any time holds a First Lien on any Collateral that can be perfected by the possession or control of such Collateral or of any Account in which such Collateral is held and if such Collateral or any such Account is in fact in the possession or under the control of the First Lien Collateral Agent, the First Lien Collateral Agent will serve as gratuitous bailee for the Junior Lien Collateral Agent for the sole purpose of perfecting the Junior Lien of the Junior Lien Collateral Agent on such Collateral. It is agreed that the obligations of the First Lien Collateral Agent and the rights of the Junior Lien Collateral Agent and the other Junior Lien Secured Parties in connection with any such bailment arrangement will be in all respects subject to the provisions of ARTICLE II. Notwithstanding anything to the contrary herein, the First Lien Collateral Agent will be deemed to make no representation as to the adequacy of the steps taken by it to perfect the Junior Lien on any such Collateral and shall have no responsibility, duty, obligation or liability to the Junior Lien Collateral Agent, any other Junior Lien Secured Party or any other Person for such perfection or failure to perfect, it being understood that the sole purpose of this ARTICLE V is to enable the Junior Lien Secured Parties to obtain a perfected

Junior Lien in such Collateral to the extent, if any, that such perfection results from the possession or control of such Collateral or any such Account by the First Lien Collateral Agent. The First Lien Collateral Agent acting pursuant to this Section 5.01 shall not have, by reason of the First Lien Collateral Documents, the Junior Lien Collateral Documents, this Agreement or any other document or theory, a fiduciary relationship in respect of any First Lien Secured Party, the Junior Lien Collateral Agent or any Junior Lien Secured Party. Except as specifically provided herein, until the Discharge of First Lien Obligations (other than Excess First Lien Obligations), the First Lien Collateral Agent shall be entitled to deal with such Collateral and Accounts in accordance with the terms of this Agreement and the other First Lien Documents as if the Junior Liens did not exist. The First Lien Collateral Agent shall not be required to take any such action requested by the Junior Lien Collateral Agent pursuant to this Section 5.01 that the First Lien Collateral Agent in good faith believes will expose it to any liability for expenses or other amounts, unless the First Lien Collateral Agent receives an indemnity with respect to such action that is reasonably satisfactory to it from the Junior Lien Collateral Agent and Junior Lien Secured Parties. Subject to Section 4.03, from and after the Discharge of First Lien Obligations (other than Excess First Lien Obligations), the First Lien Collateral Agent shall take all such actions in its power as reasonably requested by the Junior Lien Collateral Agent (at the sole cost and expense of the Grantors) to transfer possession or control of such Collateral or any such Account (in each case to the extent the Junior Lien Collateral Agent has a Lien on such Collateral or Account after giving effect to any prior or concurrent releases of Liens) to the Junior Lien Collateral Agent for the benefit of all Junior Lien Secured Parties. From and after the Discharge of Junior Lien Obligations, and to the extent any Excess First Lien Obligations are outstanding, the Junior Lien Collateral Agent shall take all such actions in its power as shall reasonably be requested by the First Lien Collateral Agent (at the sole cost and expense of the Grantors) to transfer possession or control of such Collateral or any such Account (in each case to the extent the First Lien Collateral Agent has a Lien on such Collateral or Account after giving effect to any prior or concurrent releases of Liens) to the First Lien Collateral Agent for the benefit of all First Lien Secured Parties.

Section 5.02 Deposit Accounts. Prior to the Discharge of First Lien Obligations (other than Excess First Lien Obligations), to the extent that any Account is under the control of the First Lien Collateral Agent at any time (within the meaning of the term “control” as it relates to Accounts under Articles 8 and 9 of the New York UCC), the First Lien Collateral Agent will act as gratuitous bailee for the Junior Lien Collateral Agent for the purpose of perfecting the Liens of the Junior Lien Secured Parties in such Accounts and the cash and other assets therein as provided in Section 3.01 but will have no duty, responsibility or obligation to the Junior Lien Secured Parties (including, without limitation, any duty, responsibility or obligation as to the maintenance of such control, the effect of such arrangement or the establishment of such perfection except as set forth in the last sentence of this Section 5.02). Unless the Junior Liens on such Collateral have been, or concurrently are, released, after the occurrence of Discharge of First Lien Obligations (other than Excess First Lien Obligations), the First Lien Collateral Agent shall, at the request of the Junior Lien Collateral Agent, cooperate with the Grantors and the Junior Lien Collateral Agent (at the expense of the Grantors) in permitting control of any other Accounts to be transferred to the Junior Lien Collateral Agent (or for other arrangements with respect to each such Accounts satisfactory to the Junior Lien Collateral Agent to be made).

## **ARTICLE VI APPLICATION OF PROCEEDS; DETERMINATION OF AMOUNTS**

Section 6.01 Application of Proceeds. Prior to the Discharge of First Lien Obligations and regardless of whether an Insolvency or Liquidation Proceeding has been commenced, Collateral or proceeds received in connection with the enforcement or exercise of any right or remedy with respect to any portion of the Collateral will be applied:

(a) first, to the payment in full in cash of all First Lien Obligations that are not Excess First Lien Obligations, in accordance with the application of proceeds set forth in the Collateral Agency Agreement, if applicable, and if no Collateral Agency Agreement is then applicable, as set forth in the First Lien Indenture;

(b) second, to the payment in full in cash of all Junior Lien Obligations;

(c) third, to the payment in full in cash of all Excess First Lien Obligations, in accordance with the application of proceeds set forth in the Collateral Agency Agreement, if applicable; and

(d) fourth, to the Company or as otherwise required by applicable law.

Section 6.02 Determination of Amounts. Whenever a Secured Debt Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First Lien Obligation or any Junior Lien Obligation, the existence of any Lien securing any such obligation or the Collateral subject to any such Lien, it may request that such information be furnished to it in writing by the other Secured Debt Representatives and shall be entitled to make such determination on the basis of the information so furnished; provided, however, that if a Secured Debt Representative fails or refuses to reasonably and promptly provide the requested information, the requesting Secured Debt Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Company. Each Secured Debt Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to the Company or any of its subsidiaries, any Secured Party or any other Person as a result of such determination.

**ARTICLE VII**  
**NO RELIANCE; NO LIABILITY; OBLIGATIONS ABSOLUTE;**  
**CONSENT OF GRANTORS; ETC.**

Section 7.01 No Reliance; Information. The First Lien Secured Parties and the Junior Lien Secured Parties acknowledge that (a) such Secured Parties have, independently and without reliance upon, (i) in the case of the First Lien Secured Parties, any Junior Lien Secured Party, and (ii) in the case of the Junior Lien Secured Parties, any First Lien Secured Party, and based on such documents and information as they have deemed appropriate, made their own decisions to enter into the Secured Debt Documents to which they are party, and (b) such Secured Parties will, independently and without reliance upon, (i) in the case of the First Lien Secured Parties, any Junior Lien Secured Party and (ii) in the case of the Junior Lien Secured Parties, any First Lien Secured Party, and based on such documents and information as they shall from time to time deem appropriate, continue to make their own decisions in taking or not taking any action under this Agreement or any other Secured Debt Document to which they are party. The First Lien Secured Parties and the Junior Lien Secured Parties shall have no duty to disclose to any Junior Lien Secured Party or to any First Lien Secured Party, as the case may be, any information relating to the Company or any of the other Grantors, or any other circumstance bearing upon the risk of non-payment of any of the First Lien Obligations or the Junior Lien Obligations, as the case may be, that is known or becomes known to any of them or any of their Affiliates. In the event any First Lien Secured Party or any Junior Lien Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any Junior Lien Secured Party or any First Lien Secured Party, as the case may be, it shall be under no obligation to make, and shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of the information so

provided; provide any additional information or to provide any such information on any subsequent occasion; or undertake any investigation.

Section 7.02 No Warranties or Liability.

(a) The First Lien Collateral Agent, for itself and on behalf of the other First Lien Secured Parties, acknowledges and agrees that, except for the representations and warranties set forth in ARTICLE VIII, neither the Junior Lien Collateral Agent nor any other Junior Lien Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Junior Lien Documents, the ownership of any Collateral or the perfection or priority of any Lien thereon.

(b) The Junior Lien Collateral Agent, for itself and on behalf of the other Junior Lien Secured Parties, acknowledges and agrees that, except for the representations and warranties set forth in ARTICLE VIII, neither the First Lien Collateral Agent nor any other First Lien Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the First Lien Documents, the ownership of any Collateral or the perfection or priority of any Lien thereon.

(c) The First Lien Collateral Agent and the other First Lien Secured Parties shall have no express or implied duty to the Junior Lien Collateral Agent or any other Junior Lien Secured Party, and the Junior Lien Collateral Agent and the other Junior Lien Secured Parties shall have no express or implied duty to the First Lien Collateral Agent or any other First Lien Secured Party, to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of a default or an event of default under any First Lien Document and any Junior Lien Document (other than, in each case, this Agreement), regardless of any knowledge thereof which they may have or be charged with.

(d) The Junior Lien Collateral Agent, for itself and on behalf of each other Junior Lien Secured Party, hereby waives any claim that may be had against the First Lien Collateral Agent or any other First Lien Secured Party arising out of any action which the First Lien Collateral Agent or such First Lien Secured Party takes or omits to take (including actions with respect to (i) the creation, perfection or continuation of Liens on any Collateral, (ii) the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any Collateral, (iii) the maintenance and preservation of any Collateral and (iv) the collection of any claim for all or only part of the First Lien Obligations from any account debtor, guarantor or any other party) in accordance with this Agreement and the First Lien Documents or the valuation, use, protection or release of any security for such First Lien Obligations.

Section 7.03 Obligations Absolute. The Lien priorities provided for herein and the respective rights, interests, agreements and obligations hereunder of the First Lien Collateral Agent, the other First Lien Secured Parties, the Junior Lien Collateral Agent and the other Junior Lien Secured Parties shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Secured Debt Document;

(b) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the Junior Lien Obligations or the First Lien Obligations, it being specifically acknowledged that a portion of the First Lien Obligations may consist of indebtedness that is revolving in nature, and the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed;

- Document;
- (c) any amendment, waiver or other modification, whether by course of conduct or otherwise, of any Secured Debt Document;
  - (d) the securing of any First Lien Obligation or Junior Lien Obligation with any additional collateral or guarantees, or any exchange, release, voiding, avoidance or non-perfection of any security interest in any Collateral or any other collateral or any release of any guarantee securing any First Lien Obligation or Junior Lien Obligation;
  - (e) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company or any other Grantor;
- or
- (f) any other circumstances that otherwise might constitute a defense available to, or a discharge of, the Company or any other Grantor in respect of the First Lien Obligations, the Junior Lien Obligations or this Agreement.

Section 7.04 Grantors Consent. Each Grantor hereby consents to the provisions of this Agreement and the intercreditor arrangements provided for herein and agrees that the obligations of the Grantors under the Secured Debt Documents will in no way be diminished or otherwise affected by such provisions or arrangements (except as expressly provided herein).

## **ARTICLE VIII REPRESENTATIONS AND WARRANTIES**

Section 8.01 Representations and Warranties of Each Party. Each party hereto represents and warrants to the other parties hereto as follows:

- (a) Such party is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has all requisite power and authority to enter into and perform its obligations under this Agreement.
- (b) This Agreement has been duly executed and delivered by such party.

Section 8.02 Representations and Warranties of Each Representative. Section 9.02 Waivers; Amendment.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any right or remedy that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any

event be effective unless the same shall be permitted by paragraph Section 9.02(b) of this Section 9.02, and such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified except pursuant to an agreement or agreements in writing entered into by each Secured Debt Representative; provided, however, that this Agreement may be amended from time to time as provided in Section 4.04. Any amendment of this Agreement that is proposed to be effected without the consent of a Secured Debt Representative as permitted by the proviso to the preceding sentence shall be submitted to such Secured Debt Representative for its review at least five Business Days prior to the proposed effectiveness of such amendment.

Section 9.03 Actions Upon Breach; Specific Performance.

(a) Prior to the Discharge of First Lien Obligations (other than Excess First Lien Obligations), if any Junior Lien Secured Party, contrary to this Agreement, commences or participates in any action or proceeding against any Grantor or its Collateral, such Grantor, with the prior written consent of the First Lien Collateral Agent, may interpose as a defense or dilatory plea the making of this Agreement, and any First Lien Secured Party may intervene and interpose such defense or plea in its or their name or in the name of such Grantor.

(b) Prior to the Discharge of First Lien Obligations (other than Excess First Lien Obligations), should any Junior Lien Secured Party, contrary to this Agreement, in any way take, or attempt to take or threaten to take, any action with respect to the Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or take any other action in violation of this Agreement or fail to take any action required by this Agreement, the First Lien Collateral Agent or any other First Lien Secured Party (in its own name or in the name of the relevant Grantor) or the relevant Grantor, with the prior written consent of the First Lien Collateral Agent, (i) may obtain relief against such Junior Lien Secured Party by injunction, specific performance and/or other appropriate equitable relief, it being understood and agreed by the Junior Lien Collateral Agent on behalf of each Junior Lien Secured Party that (A) the First Lien Secured Parties' damages from such action or actions may at that time be difficult to ascertain and may be irreparable, and (B) each Junior Lien Secured Party waives any defense that the Grantors and/or the First Lien Secured Parties cannot demonstrate damage and/or be made whole by the awarding of damages and (ii) shall be entitled to damages, as well as reimbursement for all reasonable and documented costs and expenses incurred in connection with any action to enforce the provisions of this Agreement.

Section 9.04 Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement. No other Person will be entitled to rely on, have the benefit of or enforce this Agreement.

Section 9.05 Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

Section 9.06 Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.08 Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES (BUT GIVING EFFECT TO SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATION LAW).

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph Section 9.08(b) of this Section 9.08. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.09 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT. EACH PARTY HERETO (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.10 Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.11 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the distinct and separate relative rights of the First Lien Secured Parties and the Junior Lien Secured Parties. None of the Company, any other Grantor or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement ( provided, however, that nothing in this Agreement (other than Section 4.01, Section 4.02, Section 4.04 or Section 4.05 ) is intended to or will amend, waive or otherwise modify the provisions of the First Lien Indenture, the Junior Lien Indenture or the Collateral Agency Agreement, as applicable), and except as expressly provided in this Agreement, neither the Company nor any other Grantor may rely on the terms hereof (other than Section 4.01, Section 4.02, Section 4.04, or Section 4.05, ARTICLE VII and ARTICLE IX ). Nothing in this Agreement is intended to or shall impair the obligations of the Company or any other Grantor, which are absolute and unconditional, to pay the Obligations under the Secured Debt Documents as and when the same shall become due and payable in accordance with their terms. Notwithstanding anything to the contrary herein or in any Secured Debt Document, the Grantors shall not be required to act or refrain from acting pursuant to this Agreement, any First Lien Document or any Junior Lien Document with respect to any Collateral in any manner that would cause a default under any First Lien Document.

Section 9.12 Certain Terms Concerning the First Lien Collateral Agent and the Junior Lien Collateral Agent . None of the First Lien Collateral Agent or the Junior Lien Collateral Agent shall have any liability or responsibility for the actions or omissions of any other Secured Party or for any other Secured Party's compliance with (or failure to comply with) the terms of this Agreement. The First Lien Collateral Agent shall not have individual liability to any Person if it shall mistakenly pay over or distribute to any Secured Party (or the Company or any other Grantor) any amount in violation of the terms of this Agreement, so long as the First Lien Collateral Agent is acting in accordance with the standards applicable to it pursuant to the Collateral Agency Agreement. Each party hereto hereby acknowledges and agrees that each of the First Lien Collateral Agent and the Junior Lien Collateral Agent is entering into this Agreement solely in its respective capacities as collateral agent under the First Lien Documents and the Junior Lien Documents, respectively, and not in its individual capacity. The First Lien Collateral Agent shall not be deemed to owe any fiduciary duty to the Junior Lien Collateral Agent or any other Junior Lien Secured Party. The Junior Lien Collateral Agent shall not be deemed to owe any fiduciary duty to the First Lien Collateral Agent or any other First Lien Secured Party.

Section 9.13 Authorization of Secured Agents. By accepting the benefits of this Agreement and the other First Lien Collateral Documents, each First Lien Secured Party authorizes the First Lien Collateral Agent to enter into this Agreement and to act on its behalf as collateral agent hereunder and in connection herewith. By accepting the benefits of this Agreement and the other Junior Lien Collateral Documents, each Junior Lien Secured Party authorizes the Junior Lien Collateral Agent to enter into this Agreement and to act on its behalf as collateral agent hereunder and in connection herewith. In the event that Wilmington Trust, National Association, in its capacities as First Lien Trustee or Junior Lien Trustee, is entitled to exercise any rights of or perform any obligations of a First Lien Representative or Junior Lien Representative under this Agreement, each of the First Lien Trustee and Junior Lien Trustee shall be entitled to all of the rights, protections, immunities and powers (including, without limitation, the right to indemnification) granted to it under the First Lien Indenture and Junior Lien Indenture, respectively.

Section 9.14 Further Assurances. Each of the First Lien Collateral Agent, for itself and on behalf of the other First Lien Secured Party, the Junior Lien Collateral Agent, for itself and on behalf of the other Junior Lien Secured Parties, and each Grantor party hereto, for itself and on behalf of its subsidiaries, agrees that it will execute, or will cause to be executed, any and all further documents, agreements and instruments, and take all such further actions, as may be required under any applicable law, or which the First Lien Collateral Agent or the Junior Lien Collateral Agent may reasonably request, to effectuate the terms of this Agreement, including the relative Lien priorities provided for herein.

Section 9.15 Relationship of Secured Parties. Nothing set forth herein shall create or evidence a joint venture, partnership or an agency or fiduciary relationship among the Secured Parties. None of the Secured Parties nor any of their respective directors, officers, agents or employees shall be responsible to any other Secured Party or to any other Person for any Grantor's solvency, financial condition or ability to repay the First Lien Obligations or the Junior Lien Obligations, or for statements of any Grantor, oral or written, or for the validity, sufficiency or enforceability of the First Lien Documents or the Junior Lien Documents, or any security interest granted by any Grantor to any Secured Party in connection therewith. Each Secured Party has entered into its respective financing agreements with the Grantors based upon its own independent investigation, and none of the First Lien Collateral Agent or the Junior Lien Collateral Agent makes any warranty or representation to the other Secured Debt Representatives or the Secured Parties.

Section 9.16 First Lien Collateral Agent.

(a) The parties acknowledge that all of the rights, protections, immunities and powers (including, without limitation, the right to indemnification) applicable to Wilmington Trust, National Association as the "Collateral Agent" under the First Lien Indenture and, if applicable, as "First Lien Collateral Agent" under the Collateral Agency Agreement, are hereby incorporated by reference and shall be applicable to Wilmington Trust, National Association as First Lien Collateral Agent under this Agreement as if fully set forth herein.

(b) It is understood that any reference to the First Lien Collateral Agent taking any action, making any determination, request, direction, consent or election, deeming any action or document reasonable, appropriate or satisfactory, exercising discretion, or exercising any right or duty under this Agreement shall be pursuant to written direction from the First Lien Representative for the Superpriority Debt (as defined in the Collateral Agency Agreement).

Section 9.17 Junior Lien Collateral Agent.

(a) The parties acknowledge that all of the rights, protections, immunities and powers (including, without limitation, the right to indemnification) applicable to Wilmington Trust, National Association as the "Junior Lien Collateral Agent" under the Junior Lien Indenture are hereby incorporated by reference and shall be applicable to Wilmington Trust, National Association as Junior Lien Collateral Agent under this Agreement as if fully set forth herein.

(b) It is understood that any reference to the Junior Lien Collateral Agent taking any action, making any determination, request, direction, consent or election, deeming any action or document reasonable, appropriate or satisfactory, exercising discretion, or exercising any right or duty under this Agreement shall be pursuant to written direction from the requisite holders of Junior Lien Obligations.

## News Release

### **Pacific Drilling Successfully Emerges from Chapter 11 Proceedings**

LUXEMBOURG (November 19, 2018) — Pacific Drilling S.A. (OTC: PACDQ) (the “Company”) announced that effective today the Company and certain of its affiliated chapter 11 debtors have emerged from bankruptcy after successfully completing restructuring transactions pursuant to their chapter 11 plan of reorganization (the “Plan”).

In connection with emergence from bankruptcy, the Company raised \$1.5 billion in gross proceeds in new capital, consisting of \$1.0 billion of new secured notes and \$500 million of equity.

Pursuant to the Plan, the Company equitized approximately \$1.85 billion in pre-petition debt associated with the Company’s Term Loan B, 2017 Notes and 2020 Notes, and paid in full approximately \$1.2 billion of debt related to its pre-petition senior secured credit facility, revolving credit facility and the post-petition debtor-in-possession financing. Customer, employee and ordinary trade claims were unimpaired.

The Plan has strengthened the Company’s balance sheet by significantly reducing its leverage and enhancing its liquidity, with approximately \$400 million in cash upon emergence and no debt maturities until late 2023, positioning the Company to take advantage of its dedicated, high-specification deepwater drillship fleet in anticipation of an improving market for offshore drilling services.

Following a reverse stock split and the issuances of common shares in connection with the Plan, the Company has approximately 75.0 million shares outstanding. The Company’s shares prior to the Company’s emergence from the Chapter 11 proceedings have been diluted such that they represent in the aggregate less than 0.003% of the Company’s outstanding shares.

Any questions regarding distributions pursuant to the Plan should be directed to the Company’s claims agent, Prime Clerk, at the numbers provided below.

The Company was principally advised by Togut, Segal & Segal LLP and Jones Walker LLP.

In accordance with the Plan, a newly constituted Board of Directors of the Company was appointed, consisting of W. Matt Ralls (Chairman), Bernie G. Wolford Jr. and David Weinstein as Class A Directors and Daniel Han, Donald Platner, and Kiran Ramineni as Class B Directors.

In addition, the Company announced today that Bernie G. Wolford Jr. has been appointed Chief Executive Officer of the Company, effective immediately. Mr. Wolford succeeds Paul T. Reese, who served as Chief Executive Officer of the Company since August 2017.

Prior to joining the Company, Mr. Wolford served as Senior Vice President – Operations of Noble Corporation (“Noble”) since February 2012 and Vice President – Operational Excellence from March 2010

---

to February 2012. Mr. Wolford began his career in the offshore drilling industry with Transworld Drilling Company in 1981, which was subsequently acquired by Noble.

“On behalf of the Board and the entire Company, I want to thank Paul for his service and contributions to the Company, especially during the reorganization. We wish him the very best in his future endeavors,” said W. Matt Ralls, Chairman of the Company’s Board of Directors.
