Article 3. - Administration

Except to the extent the Board reserves administrative powers to itself or appoints a different committee to administer the Plan, the Committee shall be (i) the Board, with respect to all Non-Management Directors, (ii) the Compensation Committee of the Board, with respect to all executive officers of the Company (which term shall have the same meaning as the term “officer” as defined in Rule 16a-1(f) promulgated under the Exchange Act and shall in any event include all of the members of the Company’s Executive Leadership Team (“XLT”)) and any other Eligible Person with respect to whom it elects to act as the Committee, and (iii) except as the Committee may provide, if the CEO is a member of the Board, a committee consisting of the CEO, with respect to any Eligible Person other than an executive officer of the Company. In addition, to the extent the Board considers it desirable to comply with Rule 16b-3 or meet the Performance-Based Exception, the Committee shall consist of two or more directors of the Company, all of whom qualify both as “outside directors” within the meaning of Section 162(m) of the Code and as Section 16 Non-Management Directors (the “Independent Committee”). The number of members of the Committee shall from time to time be increased or decreased, and shall be subject to such conditions, in each case as the Board deems appropriate to permit transactions in Shares pursuant to the Plan to satisfy such conditions of Rule 16b-3 and the Performance-Based Exception as then in effect.

(b) The Board or the Compensation Committee may, by resolution, appoint and delegate to another committee of one or more officers of the Company (including the CEO) (a “Management Committee”) any or all of the authority of the Board or the Committee, as applicable, with respect to Awards to Grantees other than Grantees who are executive officers of the Company, Non-Management Directors, or are persons in the Designated 162(m) Group for whom the Board or the Compensation Committee desires to have the Performance-Based Exception apply and/or are Section 16 Persons at the time any such delegated authority is exercised; provided, however, that the resolution so authorizing such Management Committee shall specify the total number of Shares that may be subject to Awards (if any) such Management Committee may award pursuant to such delegated authority, and any such Award shall be subject to the form(s) of Award Agreement theretofore approved by the Compensation Committee. Any delegation of authority pursuant to this Section 3.1(b) shall comply with the requirements of applicable law, including Section 157(c) of the General Corporation Law of the State of Delaware to the extent applicable.

(c) Unless the context requires otherwise, any references herein to “Committee” include references to the Board, the Compensation Committee of the Board, the Management Committee, the Independent Committee (if distinct from any of the foregoing) or the CEO, as applicable. For avoidance of doubt, notwithstanding any provision of the Plan to the contrary, any action taken by the Compensation Committee of the Board shall be treated as a valid action of the Committee, except as limited by the terms of the Board’s delegation of authority to the

Compensation Committee of the Board or in the event that such action would violate applicable law.

3.2 Powers of Committee. Subject to and consistent with the provisions of the Plan (including Article 14 and any limitations in scope of authority established in accordance with Section 3.1 above), the Committee has full and final authority and sole discretion as follows:

- (a) to determine when, to whom and in what types and amounts Awards should be granted;
- (b) to grant Awards in any number and amount to Eligible Persons, and to determine the terms and conditions applicable to each Award (including the number of Shares or the amount of cash or other property to which an Award will relate, any exercise price, grant price, Base Amount or purchase price, any limitation or restriction, any schedule for or performance conditions relating to the earning of the Award or the lapse of limitations, forfeiture restrictions, restrictions on exercisability or transferability, any performance goals including those relating to the Company and/or an Affiliate and/or any division thereof and/or an individual, and/or vesting based on the passage of time, based in each case on such considerations as the Committee shall determine);
- (c) to determine the benefit payable under any Performance Unit, Performance Share, Other Stock-Based Award or Non-Equity Incentive Award and to determine whether any performance or vesting conditions have been satisfied;
- (d) to determine whether or not specific Awards shall be granted in connection with other specific Awards, and if so, whether they shall be exercisable cumulatively with, or alternatively to, such other specific Awards and all other matters to be determined in connection with an Award;
- (e) to determine the Option Term;
- (f) to determine the amount, if any, that a Grantee shall pay for Shares of Restricted Stock, when Shares of Restricted Stock shall be forfeited and whether such Shares shall be held in escrow;
- (g) to determine whether, to what extent and under what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Shares, other Awards or other property, or an Award may be accelerated, vested, canceled, forfeited or surrendered or any terms of the Award may be waived, and to accelerate the exercisability of, and to accelerate or waive any or all of the terms and conditions applicable to, any Award or any group of Awards for any reason and at any time;
- (h) to determine with respect to Awards whether, to what extent and under what circumstances cash, Shares, other Awards, other property and other amounts payable with respect to an Award will be deferred either automatically (whether to limit loss of deductions

pursuant to Section 162(m) of the Code or otherwise), at the election of the Committee or at the election of the Grantee;

(i) to offer to exchange or buy out any previously granted Award for a payment in cash, Shares or one or more other Awards, subject to Section 6.3 and Section 10.5;

(j) to construe and interpret the Plan and to make all determinations, including factual determinations, necessary or advisable for the administration of the Plan;

(k) to make, amend, suspend, waive and rescind rules and regulations relating to the Plan;

(l) to appoint such agents as the Committee may deem necessary or advisable to administer the Plan;

(m) to determine the terms and conditions of all Award Agreements applicable to Eligible Persons (which need not be identical) and, with the consent of the Grantee, to amend any such Award Agreement at any time, among other things, to permit transfers of such Awards to the extent permitted by the Plan; *provided* that the consent of the Grantee shall not be required for any amendment (i) which does not materially adversely affect the rights of the Grantee, or (ii) which is necessary or advisable (as determined by the Committee) to carry out the purpose of the Award as a result of any new applicable law or change in an existing applicable law, or (iii) to the extent the Award Agreement specifically permits amendment without consent, or (iv) provided for or specifically contemplated in the Plan (such as Section 6.4 or Article 13);

(n) to cancel, with the consent of the Grantee, outstanding Awards and to grant new Awards in substitution therefor, subject to Section 6.3 and Section 10.5;

(o) to make such adjustments or modifications to Awards or to adopt such sub-plans for Grantees working outside the United States as are advisable to fulfill the purposes of the Plan (including to comply with local law);

(p) to impose such additional terms and conditions upon the grant, exercise or retention of Awards as the Committee may, before or concurrently with the grant thereof, deem appropriate, including, as applicable, limiting the percentage of Awards which may from time to time be exercised by a Grantee;

(q) to make adjustments in the terms and conditions of, and the criteria in, Awards in recognition of unusual or nonrecurring events (including events described in Section 4.2) affecting the Company or an Affiliate or the financial statements of the Company or an Affiliate, or in response to changes in applicable laws, regulations or accounting principles; *provided* that in no event shall such adjustment increase the value of an Award for a person included in the Designated 162(m) Group for whom the Committee desires to have the Performance-Based Exception apply so as to cause the Performance-Based Exception to be unavailable;

(r) to correct any defect or supply any omission or reconcile any inconsistency, and to construe and interpret the Plan, the rules and regulations, and Award Agreement or any other instrument entered into or relating to an Award under the Plan; and

(s) to take any other action with respect to any matters relating to the Plan for which it is responsible and to make all other decisions and determinations as may be required under the terms of the Plan or as the Committee may deem necessary or advisable for the administration of the Plan.

Any action of the Committee with respect to the Plan shall be final, conclusive and binding on all persons, including the Company, its Affiliates, any Grantee, any person claiming any rights under the Plan from or through any Grantee, and stockholders, except to the extent the Committee may subsequently modify, or take further action not consistent with, its prior action. If not specified in the Plan, the time at which the Committee must or may make any determination shall be determined by the Committee, and any such determination may thereafter be modified by the Committee. The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. The Committee may delegate to officers or managers of the Company or any Affiliate the authority, subject to such terms as the Committee shall determine, to perform specified functions under the Plan (subject to Sections 3.1(b), 4.3, 4.4 and 5.7(b)).

Article 4. - Shares Subject to the Plan, Maximum Awards, and 162(m) Compliance

4.1 Number of Shares Available for Grants. Subject to adjustment as provided in Section 4.2, the number of Shares hereby reserved for delivery under the Plan shall be 19,772,757 Shares (such Shares being the same as the 11,000,000 originally authorized under the 2011 Incentive Plan plus the 8,772,757 Shares previously issued under the 2011 Incentive Plan in accordance with that certain Employee Matters Agreement between the Company and The Williams Companies, Inc. to employees and non-employee directors of The Williams Companies, Inc. and its subsidiaries in substitution for awards under The Williams Companies, Inc. equity incentive plans immediately prior to the pro rata distribution of the Common Stock to complete the spin-off of the Company from The Williams Companies, Inc.) The number of Shares available for delivery pursuant to Incentive Stock Options shall be the number set forth in the first sentence of this Section 4.1.

If any Shares subject to an Award granted hereunder are forfeited or such Award is settled in cash or otherwise terminates without the delivery of such Shares, the Shares subject to such Award, to the extent of any such forfeiture, settlement or termination, shall again be available for grant under the Plan. Notwithstanding the foregoing, Shares subject to an Award under the Plan may not again be made available for issuance under the Plan if such Shares are: (a) Shares used to pay the exercise price of an Option, (b) Shares delivered to or withheld by the Company to pay the withholding taxes related to an Award, or (c) Shares repurchased by the Company on the open market with the proceeds of an Award paid to the Company by or on behalf of the Grantee. Shares delivered pursuant to the Plan may be, in whole or in part, authorized and unissued Shares, or treasury Shares, including Shares repurchased by the Company for purposes of the Plan.

Notwithstanding the foregoing, an unlimited number of Shares may be issued under the Plan pursuant to Acquired Entity Awards granted in assumption of, or in substitution for, an outstanding award previously granted by an Acquired Entity, so long as the terms of the acquisition of such awards previously granted by an Acquired Entity do not expressly provide for the issuance of Shares authorized under this Section 4.1.

4.2 Adjustments in Authorized Shares and Awards. In the event of any dividend or other distribution (whether in the form of cash, Shares, or other property, but excluding regular, quarterly cash dividends), recapitalization, forward or reverse stock split, subdivision, consolidation or reduction of capital, reorganization, merger, consolidation, scheme of arrangement, split-up, spin-off or combination involving the Company or repurchase or exchange of Shares or other securities of the Company or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event that affects the Shares, provided that any such transaction or event referred to heretofore does not involve the receipt of consideration by the Company, then the Committee shall, in such manner as it deems equitable in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, adjust (a) the number and type of Shares (or other securities or property) with respect to which Awards may be granted, (b) the number and type of Shares (or

other securities or property) subject to outstanding Awards, (c) the grant or exercise price or Base Amount with respect to any applicable Award or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award, (d) the number and kind of outstanding Shares of Restricted Stock or relating to any other outstanding Award in connection with which Shares are issued or otherwise subject, (e) the number of Shares with respect to which Awards may be granted to a Grantee, as set forth in Section 4.3, (f) the number and type of Shares (or other securities or property) as to which Awards may be settled, and (g) the number of Shares subject to outstanding Restricted Stock or Restricted Stock Units granted under Article 14; *provided*, in each case, that with respect to Awards of Incentive Stock Options intended as of their Grant Date to qualify as Incentive Stock Options, no such adjustment shall be authorized to the extent that such adjustment would cause the Plan to violate Section 422(b)(1) of the Code; and *provided further* that the number of Shares subject to any Award denominated in Shares shall always be a whole number. By way of example and not limitation, neither the conversion of any convertible securities of the Company nor any open market purchase of Shares by the Company shall be treated as a transaction that “does not involve the receipt of consideration” by the Company.

4.3 Compliance with Section 162(m) of the Code. To the extent the Committee determines that compliance with the Performance-Based Exception is desirable, the following shall apply:

(a) Section 162(m) Compliance. All Awards granted to persons included in the Designated 162(m) Group shall comply with the requirements of the Performance-Based Exception; *provided* that to the extent Section 162(m) of the Code requires periodic shareholder approval of performance measures, such approval shall not be required for the continuation of the Plan or as a condition to grant any Award hereunder after such approval is required. In addition, in the event that changes are made to Section 162(m) of the Code to permit flexibility with respect to the Award or Awards available under the Plan, the Committee may, subject to this Section 4.3, make any adjustments to such Awards as it deems appropriate.

(b) Annual Individual Limitations. During any calendar year, no Grantee may be granted Awards (other than Awards that cannot be satisfied in Shares) with respect to more than three million five hundred thousand (3,500,000) Shares, subject to adjustment as provided in Section 4.2. The maximum potential value of Awards to be settled in cash or property (other than Shares) that may be granted with respect to any calendar year (or the Company’s fiscal year, if the Company’s fiscal year is not the calendar year) to any Grantee included in the Designated 162(m) Group (regardless of when such Award is settled) shall not exceed Fifteen Million Dollars (\$15,000,000.00). (Thus, Awards to be settled in cash or property (other than Shares) with a Performance Period (or other period of time explicitly or implicitly utilized to determine the value to be provided to the Grantee) over more than one calendar year (or fiscal year) may exceed the one-year grant limit in the prior sentence at the time of payment or settlement so long as the total maximum potential value does not exceed the one-year limit multiplied by the number of calendar years (or fiscal years) or portions thereof over which the value of such Award is determined.)

4.4 Performance-Based Exception Under Section 162(m). Unless and until the Committee proposes for stockholder vote and stockholders approve a change in the general performance measures set forth in this Section 4.4, for Awards (other than Options or SARs) designed to qualify for the Performance-Based Exception, the objective Performance Measure(s) shall be chosen from among the following:

- (a) Earnings (either in the aggregate or on a per-share basis);
- (b) Net income;
- (c) Operating income;
- (d) Operating profit;
- (e) Cash flow;
- (f) Stockholder returns (including return on assets, investments, equity, or gross sales) (including income applicable to common stockholders or other class of stockholders);
- (g) Return measures (including return on assets, equity, sales, or capital expenditures);
- (h) Earnings before or after either, or any combination of, interest, taxes, depreciation, amortization or exploration cost (EBITDAX);
- (i) Gross revenues;
- (j) Share price (including growth measures and total stockholder return or attainment by the Shares of a specified value for a specified period of time);
- (k) Reductions in expense levels in each case, where applicable, determined either on a Company-wide basis or in respect of any one or more business units;
- (l) Net economic value;
- (m) Market share;
- (n) Annual net income to common stock;
- (o) Earnings per share;
- (p) Annual cash flow provided by operations;
- (q) Changes in annual revenues;
- (r) Strategic business criteria, consisting of one or more objectives based on meeting specified revenue, market penetration, geographic business expansion goals, objectively

identified project milestones, production volume levels, cost targets, and goals relating to acquisitions or divestitures;

- (s) Reserve growth (reserve replacement) or reserves per share;
- (t) Reserve replacement efficiency ratio;
- (u) Productions growth or production per share;
- (v) Drilling results;
- (w) Development costs;
- (x) Sales;
- (y) Costs;
- (z) Results of customer satisfaction surveys;
- (aa) Aggregate product price and other product price measures;
- (bb) Safety record;
- (cc) Operating and maintenance cost management;
- (dd) Energy production availability performance measures;
- (ee) Debt rating;

and/or

- (ff) Achievement of objective business or operational goals such as market share and/or business development;

provided that subsections (a) through (g) may be measured on a pre- or post-tax basis; and *provided further* that the Committee may, on the Grant Date of an Award intended to comply with the Performance-Based Exception, and in the case of other grants, at any time, provide that the formula for such Award may include or exclude items to measure specific objectives, such as losses from discontinued operations, extraordinary gains or losses, the cumulative effect of accounting changes, acquisitions or divestitures, foreign exchange impacts and any unusual, nonrecurring gain or loss. For Awards intended to comply with the Performance-Based Exception, the Committee shall set the Performance Measures within the time period prescribed by Section 162(m) of the Code. The levels of performance required with respect to Performance Measures may be expressed in absolute or relative levels and may be based upon a set increase, set positive result, maintenance of the status quo, set decrease or set negative result, and may be measured annually, cumulatively over a period of years or over such other period determined by the Committee. Performance Measures may differ for Awards to different Grantees. The

Committee shall specify the weighting (which may be the same or different for multiple objectives) to be given to each Performance Measure for purposes of determining the final amount payable with respect to any such Award. Any one or more of the Performance Measures may apply to the Grantee, to a department, unit, division or function within the Company or any one or more Affiliates; or to the Company and/or any one or more Affiliates; and may apply either alone or relative to the performance of other businesses or individuals (including industry or general market indices).

The Committee shall have the discretion to adjust the determinations of the degree of attainment of the pre-established performance goals; *provided* that Awards which are designed to qualify for the Performance-Based Exception may not be adjusted upward (the Committee shall retain the discretion to adjust such Awards downward) so as to cause the Performance-Based Exception to be unavailable. The Committee may not delegate any responsibility with respect to Awards intended to qualify for the Performance-Based Exception. All determinations by the Committee as to the achievement of the Performance Measure(s) shall be in writing prior to payment of the Award.

In the event that applicable laws change to permit Committee discretion to alter the governing performance measures without obtaining stockholder approval of such changes, and still qualify for the Performance-Based Exception, the Committee shall have sole discretion to make such changes without obtaining stockholder approval.

For purposes of Section 4.3 and this Section 4.4 (and any other provisions of the Plan for which compliance with Section 162(m) of the Code is intended), references to "Committee" means the Compensation Committee of the Board or, if a separate body, the Independent Committee.

Article 5. - Eligibility and General Conditions of Awards

5.1 Eligibility. Awards may be granted to any Eligible Person or Non-Management Director, whether or not he or she has previously received an Award; *provided* that only persons included in the Designated 162(m) Group shall be Eligible Persons with respect to Non-Equity Incentive Awards made under the Plan and Non-Management Directors may only receive Awards granted under Article 14 of the Plan. A prospective employee of the Company or an Affiliate may be granted an Award so long as the Grant Date does not occur prior to the date that such Person commences employment or the performance of services for the Company or an Affiliate.

5.2 Award Agreement. To the extent not set forth in the Plan, the terms and conditions of each Award shall be set forth in an Award Agreement.

5.3 General Terms and Termination of Affiliation. The Committee may impose on any Award or the exercise or settlement thereof, at the Grant Date or, subject to the provisions of Section 15.2, thereafter, such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine, including terms requiring forfeiture, acceleration or pro-rata acceleration of Awards in the event of a Termination of Affiliation by the Grantee. Except as may be required under the Delaware General Corporation Law, Awards may be granted for no consideration other than prior and future services. Except as otherwise determined by the Committee pursuant to this Section 5.3, all Awards that have not been exercised and that are subject to (a) a risk of forfeiture, (b) deferral by the Committee (and not voluntary deferral by the Grantee), (c) vesting or (d) unexpired Performance Periods at the time of a Termination of Affiliation, shall be forfeited to the Company.

5.4 Nontransferability of Awards.

(a) Each Award and each right under any Award shall be exercisable only by the Grantee during the Grantee's lifetime, or, if permissible under applicable law, by the Grantee's guardian or legal representative.

(b) No Award (prior to the time, if applicable, Shares are delivered in respect of such Award), and no right under any Award, may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Grantee other than by will or by the laws of descent and distribution (or in the case of Shares of Restricted Stock, to the Company), and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company and any Affiliate; *provided* that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(c) Notwithstanding subsections (a) and (b) above, to the extent provided in the Award Agreement, Director Annual Grants, Restricted Stock Units, Stock Appreciation Rights and Awards other than Incentive Stock Options and Non-Equity Incentive Awards, may be transferred to one or more trusts or persons during the lifetime of the Grantee in connection with the Grantee's estate planning or wealth transfer planning, and may be exercised by such transferee

in accordance with the terms of such Award. If so determined by the Committee, a Grantee may, in the manner established by the Committee, designate a beneficiary or beneficiaries to exercise the rights of the Grantee, and to receive any distribution with respect to any Award upon the death of the Grantee. A transferee, beneficiary, guardian, legal representative or other person claiming any rights under the Plan from or through any Grantee shall be subject to and consistent with the provisions of the Plan and any applicable Award Agreement, except to the extent the Plan and Award Agreement otherwise provide with respect to such persons, and to any additional restrictions or limitations deemed necessary or appropriate by the Committee.

(d) Nothing herein shall be construed as requiring the Committee to honor a DRO except as required under the respective Award Agreement or to the extent required under applicable law.

5.5 Cancellation and Rescission of Awards. Unless the Award Agreement specifies otherwise, the Committee may cancel, rescind, suspend, withhold, or otherwise limit or restrict any unexercised Award at any time if the Grantee is not in compliance with all applicable provisions of the Award Agreement and the Plan or if the Grantee has a Termination of Affiliation.

5.6 Stand-Alone, Tandem and Substitute Awards.

(a) Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution for, any other Award granted under the Plan or any other plan of the Company or any Affiliate; *provided* that if the stand-alone, tandem or substitute Award is intended to qualify for the Performance-Based Exception, it must separately satisfy the requirements of the Performance-Based Exception. In connection with the Company's acquisition, however effected, of another corporation or entity (the "Acquired Entity") or the assets thereof, the Committee may, at its discretion, grant Awards ("Substitute Awards") associated with the stock or other equity interest in such Acquired Entity ("Acquired Entity Award") held by a Grantee immediately prior to such Acquisition in order to preserve for Grantee the economic value of all or a portion of such Acquired Entity Award on such terms as the Committee determines necessary to achieve preservation of economic value. For the avoidance of doubt, to the extent that the Spin-Off Awards are granted under the Plan, they shall be considered Acquired Entity Awards for purposes of the Plan. If an Award is granted in substitution for another Award or any non-Plan award or benefit, the Committee shall require the surrender of such other Award or non-Plan award or benefit in consideration for the grant of the new Award. Awards granted in addition to or in tandem with other Awards or non-Plan awards or benefits may be granted either at the same time as or at a different time from the grant of such other Awards or non-Plan awards or benefits. The Option Price of any Option or the purchase price of any other Award conferring a right to purchase Shares:

(i) If granted in substitution for an outstanding Award or non-Plan award or benefit, shall be either not less than the Fair Market Value of Shares at the date such substitute Award is granted or not less than such Fair Market Value at that date reduced to reflect the Fair Market Value of the Award or award required to be surrendered by the Grantee as a condition to receipt of a substitute Award; or

(ii) If granted in tandem with an already outstanding Award or an award granted under another plan, shall be either not less than the Fair Market Value of Shares at the date of grant of the later Award or the Fair Market Value of Shares at the date of grant of the earlier Award or award granted under such other plan.

(b) The Committee may, in its discretion and on such terms and conditions as the Committee considers appropriate in the circumstances, grant Awards under the Plan in substitution for stock and stock-based Awards held by employees of another corporation who become employees of the Company or an Affiliate as the result of a merger or consolidation or other combination of the employing corporation with the Company or an Affiliate or the acquisition by the Company or an Affiliate of property or stock of the employing corporation.

5.7 Compliance with Rule 16b-3.

(a) Reformation to Comply with Exchange Act Rules. To the extent the Committee determines that a grant or other transaction by a Section 16 Person should comply with applicable provisions of Rule 16b-3 (except for transactions exempted under alternative Exchange Act rules), the Committee shall take such actions as necessary to make such grant or other transaction so comply, and if any provision of this Plan or any Award Agreement relating to a given Award does not comply with the requirements of Rule 16b-3 as then applicable to any such grant or transaction, such provision will be construed or deemed amended, if the Committee so determines, to the extent necessary to conform to the then applicable requirements of Rule 16b-3 without the consent of or notice to the affected Section 16 Person.

(b) Rule 16b-3 Administration. Any function relating to a Section 16 Person shall be performed solely by the Committee or the Board if necessary to ensure compliance with applicable requirements of Rule 16b-3, to the extent the Committee determines that such compliance is desired. Each member of the Committee or person acting on behalf of the Committee shall be entitled to, in good faith, rely or act upon any report or other information furnished to him by any officer, manager or other employee of the Company or any Affiliate, the Company's independent certified public accountants or any executive compensation consultant or attorney or other professional retained by the Company to assist in the administration of the Plan. For purposes of Section 5.7(a) and this Section 5.7(b), references to "Committee" means the Compensation Committee of the Board or, if a separate body, the Independent Committee.

5.8 Deferral of Award Payouts. The Committee may permit or require a Grantee to defer receipt of the payment of cash or the delivery of Shares that would otherwise be due by virtue of the lapse or waiver of restrictions with respect to Shares of Restricted Stock, the satisfaction of any requirements or goals with respect to Performance Units or Performance Shares, the lapse or waiver of the Period of Restriction for Restricted Stock Units, or the lapse or waiver of restrictions with respect to Other Stock-Based Awards. The Committee may also require such a deferral of receipt in order to avoid non-deductibility of any amounts associated with such Award or to comply with the requirements of applicable law. If any such deferral is required or permitted, the Committee shall, in its sole discretion, establish rules and procedures for such payment deferrals. Except as otherwise provided in an Award Agreement or this Section 5.8, any

payment of any Shares that are subject to such deferral shall be made or delivered to the Grantee upon the Grantee's Termination of Affiliation. Notwithstanding anything herein to the contrary, in no event will any deferral or payment of a deferred number of Shares or any other payment with respect to any Award be allowed if the Committee determines, in its sole discretion, that the deferral would result in the imposition of the additional tax under Section 409A(a)(1)(B) of the Code.

Article 6. - Stock Options

6.1 Grant of Options. Subject to and consistent with the provisions of the Plan, Options may be granted to any Eligible Person in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee.

6.2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the Option Term (which shall be for a period of not more than ten (10) years from its Grant Date), the number of Shares to which the Option pertains, the time or times at which such Option shall be exercisable, and such other provisions as the Committee shall determine.

6.3 Option Price: No Repricing. The Option Price of an Option under this Plan shall be determined in the sole discretion of the Committee, and, except with respect to an Option granted as an Acquired Entity Award, shall be at least equal to 100% of the Fair Market Value of a Share on the Grant Date. Subject to the adjustment under Section 4.2, neither the Committee nor the Board shall have the authority or discretion to reduce, directly or indirectly, the Option Price of any outstanding Option without stockholder approval, including, without limitation, by (a) canceling previously awarded Options and regranting them with a lower Option Price or (b) exchanging or buying out any previously granted Option for a payment in cash, Shares or other Award, notwithstanding any authority otherwise granted the Committee or the Board under the Plan.

6.4 Grant of Incentive Stock Options. At the time of the grant of any Option, the Committee may in its discretion designate that such Option (or portion thereof) shall be made subject to additional restrictions to permit it to qualify as an Incentive Stock Option. Any Option (or portion thereof) designated as an Incentive Stock Option:

(a) shall be granted only to an employee of the Company or a parent or Subsidiary Corporation (as defined below);

(b) shall have an Option Price of not less than 100% of the Fair Market Value of a Share on the Grant Date, and, if granted to a person who owns capital stock (including stock treated as owned under Section 424(d) of the Code) possessing more than 10% of the total combined voting power of all classes of capital stock of the Company or any Subsidiary Corporation (a "10% Owner"), have an Option Price not less than 110% of the Fair Market Value of a Share on its Grant Date;

(c) shall be for a period of not more than 10 years (five years if the Grantee is a 10% Owner) from its Grant Date, and shall be subject to earlier termination as provided herein or in the applicable Award Agreement;

(d) shall not have an aggregate Fair Market Value (as of the Grant Date) of the Shares with respect to which Incentive Stock Options (whether granted under the Plan or any other stock option plan of the Grantee's employer or any parent or Subsidiary Corporation ("Other Plans"))

are exercisable for the first time by such Grantee during any calendar year (“Current Grant”), determined in accordance with the provisions of Section 422 of the Code, which exceeds \$100,000 (the “\$100,000 Limit”);

(e) shall require the Grantee to notify the Committee of any disposition of any Shares delivered pursuant to the exercise of the Incentive Stock Option under the circumstances described in Section 421(b) of the Code (relating to holding periods and certain disqualifying dispositions) (a “Disqualifying Disposition”), within 10 days of such a Disqualifying Disposition; and

(f) shall by its terms not be assignable or transferable other than by will or the laws of descent and distribution and may be exercised, during the Grantee’s lifetime, only by the Grantee; *provided* that the Grantee may, to the extent provided in the Plan in any manner specified by the Committee, designate in writing a beneficiary to exercise his or her Incentive Stock Option after the Grantee’s death.

For purposes of this Section 6.4, “Subsidiary Corporation” means a corporation other than the Company in an unbroken chain of corporations beginning with the Company if, at the time of granting the Option, each of the corporations other than the last corporation in the unbroken chain owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in such chain. For purposes of this Section 6.4, references to “parent” shall mean a parent corporation within the meaning of Section 424(e) of the Code. Notwithstanding the foregoing and Section 3.2, the Committee may, without the consent of the Grantee, at any time before the exercise of an Option (whether or not an Incentive Stock Option), take any action necessary to prevent such Option from being treated as an Incentive Stock Option.

Notwithstanding anything in this Section 6.4 to the contrary, Options designated as Incentive Stock Options shall not be eligible for treatment under the Code as Incentive Stock Options (and will be deemed to be Non-Qualified Stock Options) to the extent that either (a) the aggregate Fair Market Value of the Shares (determined on the Grant Date) with respect to the Current Grant and all Incentive Stock Options previously granted under the Plan and any Other Plans which are exercisable for the first time during a calendar year would exceed the \$100,000 Limit, or (b) such Options otherwise remain exercisable but are not exercised within three (3) months of Termination of Affiliation (or such other period of time provided in Section 422 of the Code).

6.5 Payment. Except as otherwise provided by the Committee in an Award Agreement or otherwise, Options shall be exercised by the delivery of a written notice of exercise to the Company or its designee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares made by any one or more of the following means, subject to the approval of the Committee:

(a) cash, personal check or wire transfer;

- (b) Shares, valued at their Fair Market Value on the date of exercise;
- (c) withholding of Shares otherwise deliverable upon exercise valued at their Fair Market Value on the date of exercise; or
- (d) subject to applicable law, pursuant to procedures previously approved by the Company, in cash through the sale of the Shares acquired on exercise of the Option through a broker-dealer to whom the Grantee has submitted an irrevocable notice of exercise and irrevocable instructions to deliver promptly to the Company the amount of sale or loan proceeds sufficient to pay for such Shares, together with, if requested by the Company, the mandatory amount of federal, state, local and foreign withholding taxes payable by Grantee by reason of such exercise.

Article 7. - Shares of Restricted Stock

7.1 Grant of Shares of Restricted Stock. Subject to and consistent with the provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to any Eligible Person in such amounts as the Committee shall determine.

7.2 Award Agreement. Each grant of Shares of Restricted Stock shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock granted, and such other provisions as the Committee shall determine. The Committee may impose such conditions and/or restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable, including restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, and/or restrictions under applicable securities laws; *provided* that such conditions and/or restrictions may lapse, if so determined by the Committee, in the event of the Grantee's Termination of Affiliation due to death, Disability, normal or approved early retirement, or involuntary termination by the Company or an Affiliate without "cause." Except as otherwise determined by the Committee, upon Termination of Affiliation during the applicable Period of Restriction, Shares of Restricted Stock that are at that time subject to forfeiture shall be forfeited and automatically reacquired by the Company.

7.3 Consideration for Shares of Restricted Stock. The Committee shall determine the amount, if any, that a Grantee shall pay for Shares of Restricted Stock, subject to the following sentence. Except with respect to Shares of Restricted Stock that are treasury shares, for which no payment need be required, the Committee shall require the Grantee to pay at least the par value of a Share for each Share of Restricted Stock. Such payment shall be made in full in cash and/or other consideration permissible by applicable law (including prior and/or future services, which shall be considered a "benefit to the corporation" within the meaning of Section 152 of the Delaware General Corporation Law) by the Grantee before the delivery of the Shares under terms determined by the Committee.

7.4 Effect of Forfeiture. If Shares of Restricted Stock are forfeited, and if the Grantee was required to pay for such Shares with cash or property, the Grantee shall be deemed to have resold such Shares to the Company at a price equal to the lesser of (a) the amount paid in cash or property by the Grantee for such Shares, or (b) the Fair Market Value of such Shares at the close of business on the date of such forfeiture. The Company shall pay to the Grantee the deemed sale price as soon as is administratively practical. Such Shares shall cease to be outstanding, and shall no longer confer on the Grantee thereof any rights as a stockholder of the Company, from and after the date of the event causing the forfeiture, whether or not the Grantee accepts the Company's tender of payment for such Shares.

7.5 Escrow; Legends. The Committee may provide that any certificates for any Shares of Restricted Stock (a) shall be held (together with one or more stock powers executed in blank by the Grantee) in escrow by the Secretary of the Company until such Shares become nonforfeitable or are forfeited and/or (b) shall bear an appropriate legend restricting the transfer of such Shares. If any Shares of Restricted Stock become nonforfeitable, the Company shall cause certificates for

such Shares to be delivered without such legend, except as may be required under applicable law.

7.6 Voting Rights; Dividends and Distributions. Unless otherwise determined by the Committee in accordance with applicable law, individuals holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those shares during the Period of Restriction. Pursuant to Section 17.5, the Committee may require the payment of cash dividends on shares of Restricted Stock to be deferred and, if the Committee so determines, reinvested in additional shares of Restricted Stock. In such a case, individuals in whose name Shares of Restricted Stock are granted shall be entitled to receive all dividends and other distributions paid with respect to those Shares once the Period of Restriction has ended.

Article 8. - Restricted Stock Units

8.1 Grant of Restricted Stock Units. Subject to and consistent with the provisions of the Plan, the Committee, at any time and from time to time, may grant Restricted Stock Units to any Eligible Person, in such amount and upon such terms as the Committee shall determine.

8.2 Delivery and Limitations. Delivery of Shares will occur upon expiration of the Period of Restriction specified for the Award of Restricted Stock Units by the Committee. In addition, an Award of Restricted Stock Units shall be subject to such limitations as the Committee may impose, which limitations may lapse at the end of the Period of Restriction of such Restricted Stock Units or at other specified times, separately or in combination, in installments or otherwise, as the Committee shall determine at the time of grant or thereafter. A Grantee awarded Restricted Stock Units will have no voting rights and will have no rights to receive dividends or Dividend Equivalents in respect of Restricted Stock Units.

8.3 Forfeiture. Except as otherwise determined by the Committee, upon Termination of Affiliation during the applicable Period of Restriction, Restricted Stock Units that are at that time subject to forfeiture shall be forfeited.

Article 9. - Performance Units and Performance Shares

9.1 Grant of Performance Units and Performance Shares. Subject to and consistent with the provisions of the Plan, Performance Units or Performance Shares may be granted to any Eligible Person in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee.

9.2 Value/Performance Goals. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units or Performance Shares that will be paid to the Grantee. With respect to Covered Employees and to the extent the Committee deems it appropriate to comply with Section 162(m) of the Code, all performance goals shall be objective Performance Measures as set forth in Section 4.4 satisfying the requirements for the Performance-Based Exception, and shall be set by the Committee within the time period prescribed by Section 162(m) of the Code and related regulations.

(a) Performance Unit. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant.

(b) Performance Share. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share at the close of business on the Grant Date.

9.3 Earning of Performance Units and Performance Shares. After the applicable Performance Period has ended, the holder of Performance Units or Performance Shares shall be entitled to payment based on the level of achievement of performance goals set by the Committee. If a Performance Unit or Performance Share Award is intended to comply with the Performance-Based Exception, the Committee shall certify the level of achievement of the performance goals in writing before the Award is settled.

At the discretion of the Committee, the settlement of Performance Units or Performance Shares may be in cash, Shares of equivalent value, or in some combination thereof, as set forth in the Award Agreement or otherwise determined by the Committee.

Except with respect to Awards with respect to which the Committee intends that the Performance-Based Exception shall apply, if a Grantee is promoted, demoted or transferred to a different business unit of the Company during a Performance Period, then, to the extent the Committee determines the performance goals or Performance Period are no longer appropriate, the Committee may adjust, change, eliminate or cancel the performance goals or the applicable Performance Period as it deems appropriate in order to make them appropriate and comparable to the initial performance goals or Performance Period.

A Grantee shall not be entitled to payment or accrual of Dividend Equivalents with respect to Shares deliverable in connection with grants of Performance Units or Performance Shares, whether unearned, earned but not yet delivered to the Grantee or otherwise. In addition, a

Grantee shall be entitled to exercise his or her voting rights with respect to such Shares to the extent such Shares have been issued to the Grantee.

9.4 Forfeiture. Except as otherwise determined by the Committee, upon Termination of Affiliation any unvested and/or unearned Performance Units and Performance Shares shall be forfeited.

Article 10. — Stock Appreciation Rights

10.1 Grant of SARs. Subject to and consistent with the provisions of the Plan, stock appreciation rights (“Stock Appreciation Rights” or “SARs”) may be granted to any Eligible Persons in such numbers and upon such terms, and at any time and from time to time, as shall be determined by the Committee. Each SAR shall represent the right of the Grantee to receive upon exercise of the SAR an amount equal to the amount described in Section 10.3, subject to such terms and conditions as the Committee shall determine.

10.2 Award Agreement. Each grant of SARs shall be evidenced by an Award Agreement that shall specify, as the Committee shall determine, the number of Shares as to which the SAR relates, the Base Amount, the term and such other terms and conditions as the Committee shall determine, including without limitation vesting and forfeiture, *provided* that as to each SAR:

(a) except with respect to a SAR granted as an Acquired Entity Award, the Base Amount shall never be less than the Fair Market Value of a Share on the Grant Date; and

(b) the term shall not exceed ten years from the Grant Date.

10.3 Payment of SAR Amount. Upon exercise of a SAR, the Grantee shall be entitled to receive payment of an amount determined by multiplying (a) the difference between the Base Amount of the SAR and the Fair Market Value of a Share at the close of business on the date the SAR is exercised by (b) the number of Shares with respect to which the SAR is exercised. In the discretion of the Committee, payment of the SAR amount by the Company may be in cash, Shares or a combination of cash and Shares.

10.4 Forfeiture. Except as otherwise determined by the Committee, upon Termination of Affiliation any unvested SARs shall be forfeited.

10.5 No Repricing. Subject to the adjustment under Section 4.2, neither the Committee nor the Board shall have the authority or discretion to reduce, directly or indirectly, the Base Amount of any outstanding SAR without stockholder approval, including, without limitation, by (a) canceling previously awarded SARs and regranting them with a lower Base Amount or (b) exchanging or buying out any previously granted SARs for a payment in cash, Shares or other Award, notwithstanding any authority otherwise granted the Committee under the Plan.

Article 11. - Other Stock-Based Awards

The Committee is authorized, subject to limitations under applicable law, to grant to any Eligible Persons such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Shares or other securities, as deemed by the Committee to be consistent with the purposes of the Plan, including Shares awarded which are not subject to any restrictions or conditions, convertible or exchangeable debt securities or other rights convertible or exchangeable into Shares, Awards valued by reference to the value of securities of or the performance of specified Affiliates, and Awards payable in securities of Affiliates. Subject to and consistent with the provisions of the Plan, the Committee shall determine the terms and conditions of such Awards. Except as provided by the Committee, Shares or other securities delivered pursuant to a purchase right granted under this Article 11 shall be purchased for such consideration, paid for by such methods and in such forms, including cash, Shares, outstanding Awards or other property or other consideration permitted by applicable law, as the Committee shall determine.

Article 12. - Non-Equity Incentive Awards

The Committee is authorized to grant Non-Equity Incentive Awards alone or in conjunction with other Awards to individuals who are at the time of the grant of such Non-Equity Incentive Award, included in the Designated 162(m) Group. All terms, conditions and limitations applicable to any Non-Equity Incentive Award shall be determined by the Committee, subject to and consistent with the provisions of the Plan (including the applicable annual individual limitation under Section 4.3(b) and the use of one or more of the Performance Measures set forth in Section 4.4) and Section 162(m) of the Code.

Article 13. - Change in Control

13.1 Acceleration of Exercisability and Lapse of Restrictions. If, upon or within two (2) years following a Change in Control, a Grantee has a Termination of Affiliation with the Company and the Company's Affiliates (excluding any transfer to the Company or its Affiliates) voluntarily for Good Reason, or involuntarily (other than due to Cause, death, Disability, or Retirement) the following acceleration provisions shall apply to Awards other than Awards granted under Article 14:

(a) All outstanding Awards pursuant to which the Grantee may have rights, the exercise of which is restricted or limited, shall become fully exercisable; unless the right to lapse restrictions or limitations is waived or deferred by a Grantee prior to such lapse, all restrictions or limitations (including risks of forfeiture) on outstanding Awards subject to restrictions or limitations under the Plan shall lapse; and all performance criteria and other conditions to payment of Awards under which payments of cash, Shares or other property are subject to conditions shall be deemed to be achieved or fulfilled (at the target level, to the extent applicable) and shall be waived by the Company; and

(b) Notwithstanding any other provision of the Plan or any outstanding Award Agreement, Awards in the form of Non-Qualified Stock Options which are accelerated under this Section 13.1 shall be exercisable after a Grantee's Termination of Affiliation for a period equal to the lesser of (i) the remaining term of each nonqualified option; or (ii) eighteen (18) months.

13.2 Definitions. For purposes of this Article 13, the following terms shall have the meanings set forth below:

(a) "Cause" means, from and after the occurrence of a Change in Control, unless otherwise defined in an Award Agreement or individual employment, change in control, or other severance agreement, the occurrence of any one or more of the following, as determined in the good faith and reasonable judgment of the Committee or person to whom the Committee may delegate its authority under the Plan:

(i) willful failure by a Grantee to substantially perform his or her duties (as they existed immediately prior to a Change in Control), other than any such failure resulting from a Disability; or

(ii) Grantee's conviction of or plea of *nolo contendere* to a crime involving fraud, dishonesty or any other act constituting a felony involving moral turpitude or causing material harm, financial or otherwise, to the Company or an Affiliate; or

(iii) Grantee's willful or reckless material misconduct in the performance of his duties which results in an adverse effect on the Company, the Subsidiary or an Affiliate; or

- (iv) Grantee's willful or reckless violation or disregard of the code of business conduct or other published policy of the Company or an Affiliate; or
 - (v) Grantee's habitual or gross neglect of duties.
- (b) "Change Date" means, with respect to an Award, the date on which a Change in Control first occurs while the Award is outstanding.
- (c) "Change in Control" means, unless otherwise defined in an Award Agreement or individual Change in Control severance agreement, the occurrence of any one or more of the following:
- (i) any person (as such term is used in Rule 13d-5 of the SEC under the Exchange Act) or group (as such term is defined in Sections 3(a)(9) and 13(d)(3) of the Exchange Act), other than a Controlled Affiliate or any employee benefit plan (or any related trust) sponsored or maintained by the Company or any of its Controlled Affiliates (a "Related Party"), becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act) of 25% or more of the common stock of the Company or of Voting Securities representing 25% or more of the combined voting power of all Voting Securities of the Company; or
 - (ii) the Company's Incumbent Directors (determined using the date of the Award as the baseline date) cease for any reason to constitute at least a majority of the directors of the Company then serving; or
 - (iii) consummation of a merger, reorganization, recapitalization, consolidation, or similar transaction (any of the foregoing, a "Reorganization Transaction"), other than a Reorganization Transaction that results in the Persons who were the direct or indirect owners of the outstanding common stock and Voting Securities of the Company immediately before such Reorganization Transaction becoming, immediately after the consummation of such Reorganization Transaction, the direct or indirect owners, of both at least 65% of the then-outstanding equity securities of the Surviving Enterprise and Voting Securities representing at least 65% of the combined voting power of the then-outstanding Voting Securities of the Surviving Enterprise, in substantially the same respective proportions as such Persons' ownership of the common stock and Voting Securities of the Company immediately before such Reorganization Transaction; or
 - (iv) consummation of a plan or agreement for the sale or other disposition of all or substantially all of the consolidated assets of the Company or a plan of complete liquidation of the Company, other than any such transaction that would result in (A) a Related Party owning or acquiring more than 50% of the assets owned by the Company immediately prior to the transaction or (B) the Persons who were the direct or indirect owners of the outstanding common stock and Voting Securities of the Company immediately before such transaction becoming, immediately after the consummation of

such transaction, the direct or indirect owners, of more than 50% of the assets owned by the Company immediately prior to the transaction.

Notwithstanding the occurrence of any of the foregoing events and subject to Section 17.18, a Change in Control shall not occur with respect to a Grantee if, in advance of such event, the Grantee agrees in writing that such event shall not constitute a Change in Control.

(d) “Good Reason” means, unless otherwise defined in an Award Agreement or individual employment, change in control or other severance agreement, the occurrence, upon or within two years following a Change in Control and without a Grantee’s prior written consent, of any one or more of the following:

- (i) a material adverse reduction in the nature or scope of the Grantee’s duties from the most significant of those assigned at any time in the 90-day period prior to a Change in Control; or
- (ii) a significant reduction in the authority and responsibility assigned to the Grantee; or
- (iii) any failure to pay Grantee’s base salary; or
- (iv) a material reduction of Grantee’s aggregate compensation and/or aggregate benefits from the amounts and/or levels in effect on the Change Date, unless such reduction is part of a policy applicable to peer employees of the Employer and of any successor entity; or
- (v) a requirement by the Company or an Affiliate that the Grantee’s principal duties be performed at a location more than fifty (50) miles from the location where the Grantee was employed immediately preceding the Change in Control, without the Grantee’s consent (except for travel reasonably required in the performance of the Grantee’s duties); provided such new location is farther from Grantee’s residence than the prior location; or
- (vi) the failure of the Surviving Enterprise following a Reorganization Transaction to assume all Awards previously made under the Plan or to provide equivalent awards of substantially the same value.

Notwithstanding anything in this Article 13 to the contrary, no act or omission shall constitute grounds for “Good Reason”:

- (i) Unless, at least 30 days prior to his termination, Grantee gives a written notice to the Company or the Affiliate that employs Grantee of his intent to terminate his employment for Good Reason which describes the alleged act or omission giving rise to Good Reason;
- (ii) Unless such notice is given within 90 days of Grantee’s first actual knowledge of such act or omission; and

(iii) Unless the Company or the Affiliate that employs Grantee fails to cure such act or omission within the 30 day period after receiving such notice.

Further, no act or omission shall be “Good Reason” if Grantee has consented in writing to such act or omission.

(e) “Incumbent Directors” means, determined as of any date by reference to any baseline date:

(i) the members of the Board on the date of such determination who have been members of the Board since such baseline date; and

(ii) the members of the Board on the date of such determination who were appointed or elected after such baseline date and whose election, or nomination for election by stockholders of the Company or the owners of the Surviving Enterprise, as applicable, was approved by a vote or written consent of two-thirds of the directors comprising the Company’s Incumbent Directors on the date of such vote or written consent, but excluding each such member whose initial assumption of office was in connection with (A) an actual or threatened election contest, including a consent solicitation, relating to the election or removal of one or more members of the Board or (B) a “tender offer” (as such term is used in Section 14(d) of the Exchange Act).

(f) “Retirement” shall have the meaning ascribed to such term in the Company’s governing tax-qualified retirement plan applicable to the Grantee, or if no such plan is applicable to the Grantee, in the good faith determination of the Committee.

(g) “Surviving Enterprise” means the entity resulting from a Reorganization Transaction or, if securities representing at least 50% of the aggregate voting power of all Voting Securities of such resulting entity are directly or indirectly owned by another entity, such other entity.

(h) “Voting Securities” of an entity means equity securities of such entity that are entitled to vote generally in the election of the members of the board of directors or other governing body of such entity.

13.3 Flexibility to Amend. The provisions of this Article 13 and any similar or related provisions of any Award Agreement may be modified at any time prior to a Change in Control, without the consent of the Grantee or the Company’s stockholders.

Article 14. - Non-Management Director Awards

14.1 Director Annual Grant.

(a) Automatic Grant of Director Annual Grant. Subject to adjustment as provided in Section 4.2, annually or at such other time or times as the Board may, in its sole discretion, determine, each Non-Management Director shall be granted an Award payable, as determined by the Board, in the form of one or a combination of Restricted Stock or Restricted Stock Units (determined by rounding up to the next higher whole number of Shares any fractional portion of a Share equal to or in excess of one-half Share, and otherwise rounding down to the next lower whole number of Shares) having a Fair Market Value at the close of business on the Grant Date of up to Five Hundred Thousand Dollars (\$500,000) ("Director Annual Grant"). If no Annual Meeting of Company Stockholders is held prior to June 1 of any calendar year, the Grant Date for the Director Annual Grant shall be May 31. Notwithstanding the foregoing, the Board may, in its discretion exercised at any time prior to the date a Director Annual Grant is granted for a year, provide that the Director Annual Grant for such year shall be granted in installments, so that only a portion (which portion shall be the same for each Non-Management Director) of the Director Annual Grant shall be granted on the date of the Annual Meeting of Company Stockholders (or May 31, as applicable) of such year, and the remaining portion or portions shall be granted at such time or times in such year as the Board may specify at the time it determines to grant the Director Annual Grant in installments. A person who first becomes a Non-Management Director after the conclusion of the Annual Meeting of Company Stockholders and prior to August 1 of any year shall be granted the full Director Annual Grant for such year as of December 15.

(b) Prorated Director Annual Grant.

(i) Subject to adjustment as provided in Section 4.2, a person who first becomes a Non-Management Director on or after August 1 of any year from and after 2012 and prior to the first Annual Meeting of Company Stockholders following the date the person becomes a Non-Management Director shall be granted a prorated Director Annual Grant for such first year with a Grant Date following the date such person becomes a Non-Management Director determined as follows:

(A) The Grant Date shall be December 15 if the person first becomes a Non-Management Director on or before December 15 of the year.

(B) The Grant Date shall be the date of the next Annual Meeting of Company Stockholders if the person first becomes a Non-Management Director on or after December 16 of the year. If no Annual Meeting of Company Stockholders is held prior to the next following June 1, the Grant Date shall be May 31 of the year following the date the person becomes a Non-Management Director.

(ii) The prorated portion of the Director Annual Grant shall be determined by multiplying the value of such Director Annual Grant by a fraction, the numerator of which

is the number of full and fractional calendar months elapsing between the date such person first becomes a Non-Management Director and the date of the first Annual Meeting of Company Stockholders following the date the person becomes a Non-Management Director and the denominator of which is twelve; *provided* that with respect to any component of a Director Annual Grant denominated in Shares, including but not limited to Shares of Restricted Stock or Restricted Stock Units, only whole numbers of Shares shall be granted, determined by rounding up to the next higher whole number of Shares any fractional portion of a Share equal to or in excess of one-half Share, and otherwise rounding down to the next lower whole number of Shares. If no Annual Meeting of Company Stockholders is scheduled as of a December 15 Grant Date or held as of a May 31 Grant Date, such prorated Director Annual Grant shall be determined by multiplying each component of such Director Annual Grant by a fraction, the numerator of which is the number of full and fractional calendar months elapsing between the date such person first becomes a Non-Management Director and May 31 of the year following the date such person becomes a Non-Management Director and the denominator of which is twelve. As to any component denominated in Shares, including without limitation Shares of Restricted Stock or Restricted Stock Units, only whole numbers of Shares shall be granted, determined by rounding up to the next higher whole number of Shares any fractional portion of a Share equal to or in excess of one-half Share, and otherwise rounding down to the next lower whole number of Shares.

(iii) In the event the Board has determined that the Director Annual Grant for a year shall be granted in installments, the Board shall make appropriate provisions for prorating installments with respect to Non-Management Directors entitled to a prorated Director Annual Grant, consistent with the preceding provisions of this Section 14.1(b).

(c) Non-Management Director Status. A person must be a Non-Management Director on the Grant Date of a Director Annual Grant (or any installment thereof) in order to be granted such Director Annual Grant (or installment thereof). For a Director Annual Grant granted on the date of the Annual Meeting of Company Stockholders, other than a prorated Director Annual Grant, the person must be a Non-Management Director at the conclusion of the Annual Meeting of Company Stockholders.

(d) Vesting and Payment. Each Director Annual Grant shall vest and be paid out in Shares as determined by the Committee.

14.2 Election to Receive Director Fees in Shares or Restricted Stock Units in Lieu of Cash.

(a) Payment of Director Fees in Shares. To the extent permitted by the Committee from time to time, a Non-Management Director may elect (“Equity Election”) to be paid all or a portion of cash fees, if any, earned in his or her capacity as a Non-Management Director (including any retainer fees, fees for service as chairman of a Board committee and any other cash fees paid to directors (“Director Fees”)), in the form of Shares in lieu of cash. An Equity Election may be made at any time prior to the date Director Fees would otherwise have been paid in cash, subject to such restrictions and advance filing requirements as the Company may

impose, including, but not limited to, restrictions designed to comply with the requirements of Section 409A of the Code. Each Equity Election shall be irrevocable, shall specify the portion of the Director Fees to be paid in the form of Shares and shall remain in effect with respect to future Director Fees until the Non-Management Director revokes or changes such Equity Election. Any such revocation or change shall have prospective application only. Shares delivered pursuant to an Equity Election shall be that whole number of Shares (determined by rounding up to the next higher whole number of Shares any fractional portion of a Share equal to or in excess of one-half Share, and otherwise rounding down to the next lower whole number of Shares), determined by dividing the amount of Director Fees to be paid in Shares by the Fair Market Value of a Share at the close of business on the date such Director Fees would otherwise be paid.

(b) Payment of Director Fees in Restricted Stock Units. A Non-Management Director who makes a Deferral Election in accordance with Section 14.3 shall receive all or part (as he or she elects) of his or her Director Fees in the form of a number of Restricted Stock Units equal to the quotient of the amount of Director Fees to be paid in the form of Restricted Stock Units divided by the Fair Market Value of a Share at the close of business on the date such Director Fees would otherwise be paid in cash.

14.3 Deferral Elections. To the extent permitted by the Committee from time to time, each member of the Board who is a Non-Management Director may make an election (“Deferral Election”) to be paid any or all of the following (“Deferrable Amounts”) in the form of Restricted Stock Units in lieu of cash or Shares, as applicable: (a) Director Annual Grants as provided in Section 14.1; or (b) Director Fees as provided in 14.2(a).

(a) Timing of Deferral Elections. An initial Deferral Election must be filed with the Human Resources Department of the Company, or its designated administrator, during the designated time frames that comply with 26 USC §409A and Treas. Reg. §1.409A-2(a)(5), subject to such restrictions and advance filing requirements as the Company may impose. A Deferral Election shall be irrevocable as of the filing deadline and shall only apply with respect to Deferrable Amounts otherwise payable after the filing of such election. Any such revocation or change shall have prospective application only and shall in no event apply with respect to compensation earned in the calendar year in which the revocation or change is made.

(b) Content of Deferral Elections. A Deferral Election must specify the following:

(i) The affirmative deferral election of Restricted Stock Units granted under Section 14.1(a) or Section 14.1(b)) subject to the Director Annual Grant to be deferred and paid in Restricted Stock Units under this Section 14.3 and/or

(ii) the dollar amount of Director Fees to be deferred and paid in Restricted Stock Units under this Section 14.3, as applicable; and

(c) Deferral Account. The Company shall establish an account (“Deferral Account”) on its books for each Non-Management Director who makes a Deferral Election. A number of Restricted Stock Units (determined in the case of a Deferrable Amount otherwise payable in cash by dividing the amount of cash to be deferred by the Fair Market Value of a Share at the close of business on the date such cash would otherwise be paid) shall be credited to the Non-Management Director’s Deferral Account as of each date a Deferrable Amount subject to a Deferral Election would otherwise be paid. Deferral Accounts shall be maintained for recordkeeping purposes only and the Company shall not be obligated to segregate or set aside assets representing securities or other amounts credited to Deferral Accounts. The obligation to make distributions of securities or other amounts credited to Deferral Accounts shall be an unfunded unsecured obligation of the Company.

(d) Settlement of Deferral Accounts. The Company shall settle a Non-Management Director’s Deferral Account by delivering to the holder thereof (which may be the Non-Management Director or his or her beneficiary) a number of Shares equal to the number of Restricted Stock Units then credited to such Deferral Account (or a specified portion in the event of any partial settlement); provided that if less than the value of a whole Share remains in the Deferral Account at the time of any such distribution, the number of Shares distributed shall be rounded up to the next higher whole number of Shares if the fractional portion of a Share remaining is equal to or in excess of one-half Share, and otherwise shall be rounded down to the next lower whole number of Shares. Such settlement shall be made at the time or times specified in the WPX Energy Board of Directors Nonqualified Deferred Compensation Plan.

14.4 Insufficient Number of Shares. If at any date insufficient Shares are available under the Plan for the automatic grant of Director Annual Grants, or the delivery of Shares in lieu of cash payment of Director Fees, or crediting Restricted Stock Units pursuant to a Deferral Election, (a) Director Annual Grants under Section 14.1 automatically shall be granted proportionately to each Non-Management Director eligible for such a grant to the extent Shares are then available (*provided* that no Director Annual Grant shall be granted with respect to a fractional number of Shares), and (b) then, if any Shares remain available, Director Fees elected to be received in Shares shall be paid in the form of Shares or Restricted Stock Units proportionately among Non-Management Directors then eligible to participate to the extent Shares are then available and otherwise in the form of cash.

14.5 Non-Forfeatability. The interest of each Non-Management Director in Director Annual Grants granted or delivered under the Plan at all times shall be non-forfeitable, except to the extent the Board provides otherwise.

Article 15. - Amendment, Modification, and Termination

15.1 Amendment, Modification, and Termination. Subject to Section 15.2, the Board may, at any time and from time to time, alter, amend, suspend, discontinue or terminate the Plan in whole or in part without the approval of the Company's stockholders, except that (a) any amendment or alteration shall be subject to the approval of the Company's stockholders if such stockholder approval is required by any federal or state law or regulation or the rules of any securities exchange or other form of securities market on which the Shares may then be listed or quoted, (b) the Board may otherwise, in its discretion, determine to submit other such amendments or alterations to stockholders for approval and (c) no amendment or alteration of Section 6.3 or Section 10.5 (except to correct a scrivener's error) shall be made without the approval of the Company's stockholders.

15.2 Awards Previously Granted. Except as otherwise specifically permitted in the Plan or an Award Agreement, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Grantee of such Award; *provided* that Article 13 may be removed, amended or modified at any time prior to a Change in Control without the consent of any Grantee.

Article 16. - Withholding

16.1 Mandatory Tax Withholding

(a) Whenever, under the Plan, (i) Shares are to be delivered upon payment of an Award, (ii) Shares of Restricted Stock become nonforfeitable, (iii) a cash payment is made for any Award, or (iv) any other payment event occurs with respect to rights and benefits hereunder, the Company or any Affiliate shall be entitled to require (A) that the Grantee remit an amount in cash, or in the Company's discretion, in Shares, valued at their Fair Market Value on the date the withholding obligation arises, sufficient to satisfy all of the employer's federal, state, and local tax withholding requirements related thereto but no more than the minimum amount necessary to satisfy such amounts ("Required Withholding"), (B) the withholding of such Required Withholding from compensation otherwise due to the Grantee or from any Shares valued at their Fair Market Value at the date the withholding obligation arises, or from any other payment due to the Grantee under the Plan or otherwise or (C) any combination of the foregoing.

(b) If any Grantee makes an election under Section 83(b) of the Code, the Company or any Affiliate shall be entitled to require (i) that the Grantee remit an amount in cash, or in the Company's discretion, in Shares, valued at their Fair Market Value on the date the withholding obligation arises, sufficient to satisfy the resulting Required Withholding, (ii) the withholding of such Required Withholding from compensation otherwise due to the Grantee or from any Shares or other payment due to the Grantee under the Plan or otherwise or (iii) any combination of the foregoing.

16.2 Notification under Code Section 83(b). If any Grantee makes the election permitted under Section 83(b) of the Code to include in such Grantee's gross income in the year of transfer the amounts specified in Section 83(b) of the Code, then such Grantee shall notify the Company of such election within ten (10) days of filing the notice of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code. The Committee may, in connection with the grant of an Award or at any time thereafter, prohibit a Grantee from making the election described above.

Article 17. - Additional Provisions

17.1 Successors. All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise of all or substantially all of the business and/or assets of the Company.

17.2 Severability. If any part of the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any other part of the Plan. Any Section or part of a Section so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid.

17.3 Requirements of Law. The granting of Awards and the delivery of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or securities exchanges as may be required. Notwithstanding any provision of the Plan or any Award, Grantees shall not be entitled to exercise, or receive benefits under, any Award, and the Company (and any Affiliate) shall not be obligated to deliver any Shares or deliver benefits to a Grantee, if such exercise or delivery would constitute a violation by the Grantee or the Company of any applicable law or regulation.

17.4 Securities Law Compliance.

(a) If the Committee deems it necessary to comply with any applicable securities law, or the requirements of any securities exchange or other form of securities market upon which Shares may be listed, the Committee may impose any restriction on Shares acquired pursuant to Awards under the Plan as it may deem advisable. All certificates for Shares delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the SEC, any securities exchange or other form of securities market upon which Shares are then listed, any applicable securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions. If so requested by the Company, the Grantee shall make a written representation to the Company that he or she will not sell or offer to sell any Shares unless a registration statement shall be in effect with respect to such Shares under the Securities Act of 1933, as amended, and any applicable state or foreign securities law or unless he or she shall have furnished an opinion to the Company, in form and substance satisfactory to the Company, that such registration is not required.

(b) If the Committee determines that the exercise, nonforfeitability of, or delivery of benefits pursuant to, any Award would violate any applicable provision of securities laws or the listing requirements of any securities exchange or other form of securities market on which are listed any of the Company's equity securities, then the Committee may postpone any such exercise, nonforfeitability or delivery, as applicable, but the Company shall use all reasonable

efforts to cause such exercise, nonforfeiture or delivery to comply with all such provisions at the earliest practicable date.

17.5 No Rights as a Stockholder. No Grantee shall have any rights as a stockholder of the Company with respect to the Shares (other than Shares of Restricted Stock) which may be deliverable upon exercise or payment of such Award until such Shares have been delivered to him or her. Shares of Restricted Stock, whether held by a Grantee or in escrow by the Secretary of the Company, shall confer on the Grantee all rights of a stockholder of the Company, except as otherwise provided in the Plan or Award Agreement in compliance with applicable law. At the time of a grant of Shares of Restricted Stock, the Committee may require the payment of cash dividends thereon to be deferred and, if the Committee so determines, reinvested in additional Shares of Restricted Stock. Stock dividends and deferred cash dividends issued with respect to Shares of Restricted Stock shall be subject to the same restrictions and other terms as apply to the Shares of Restricted Stock with respect to which such dividends are issued. The Committee may in its discretion provide for payment or crediting of interest on deferred cash dividends.

17.6 Nature of Payments. Unless specified in the Award Agreement or otherwise determined by the Company, Awards shall be special incentive payments to the Grantee and shall not be taken into account in computing the amount of salary or compensation of the Grantee for purposes of determining any pension, retirement, death or other benefit under (a) any pension, retirement, profit-sharing, bonus, insurance or other employee benefit plan of the Company or any Affiliate, except as such plan shall otherwise expressly provide, or (b) any agreement between (i) the Company or any Affiliate and (ii) the Grantee, except as such agreement shall otherwise expressly provide.

17.7 Non-Exclusivity of Plan. Neither the adoption of the Plan by the Board nor its submission to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other compensatory arrangements for employees or Non-Management Directors as it may deem desirable.

17.8 Governing Law. The Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Delaware, other than its laws respecting choice of law.

17.9 Share Certificates. Any certificates for Shares delivered under the terms of the Plan shall be subject to such stop-transfer orders and other restrictions as the Committee may deem advisable under federal or state securities laws, rules and regulations thereunder, and the rules of any foreign securities laws, rules and regulations thereunder, and the rules of any national securities exchange or other form of securities market on which Shares are listed or quoted. The Committee may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions or any other restrictions or limitations that may be applicable to Shares. In addition, during any period in which Awards or Shares are subject to restrictions or limitations under the terms of the Plan or any Award Agreement, or during any period during which delivery or receipt of an Award or Shares has been deferred by the Committee or a Grantee, the Committee may require any Grantee to enter into an agreement

providing that certificates representing Shares deliverable or delivered pursuant to an Award shall remain in the physical custody of the Company or such other person as the Committee may designate.

17.10 Unfunded Status of Awards; Creation of Trusts. The Plan is intended to constitute an “unfunded” plan for incentive and deferred compensation. With respect to any payments not yet made to a Grantee pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give any such Grantee any rights that are greater than those of a general creditor of the Company; *provided* that the Committee may authorize the creation of trusts or make other arrangements to meet the Company’s obligations under the Plan to deliver cash, Shares or other property pursuant to any Award which trusts or other arrangements shall be consistent with the “unfunded” status of the Plan unless the Committee otherwise determines.

17.11 Employment. Nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Grantee’s employment at any time, for any reason or no reason, or shall confer upon any Grantee the right to continue in the employ or as an officer of the Company or any Affiliate.

17.12 Participation. No employee or officer shall have the right to be selected to receive an Award under this Plan or, having been so selected, to be selected to receive a future Award.

17.13 Military Service. Awards shall be administered in accordance with Section 414(u) of the Code and the Uniformed Services Employment and Reemployment Rights Act of 1994 to the extent required by law or as determined by the Committee.

17.14 Construction; Gender and Number. The following rules of construction will apply to the Plan: (a) the word “or” is disjunctive but not necessarily exclusive, and (b) words in the singular include the plural, words in the plural include the singular, and words in the neuter gender include the masculine and feminine genders and words in the masculine or feminine gender include the other neuter genders.

17.15 Headings. The headings of articles and sections are included solely for convenience of reference, and if there is any conflict between such headings and the text of this Plan, the text shall control.

17.16 Obligations. Unless otherwise specified in an Award Agreement, the obligation to deliver, pay or transfer any amount of money or other property pursuant to Awards under this Plan shall be the sole obligation of a Grantee’s employer; *provided* that the obligation to deliver or transfer any Shares pursuant to Awards under this Plan shall be the sole obligation of the Company.

17.17 No Right to Continue as Director. Nothing in the Plan or any Award Agreement shall confer upon any Non-Management Director the right to continue to serve as a director of the Company.

17.18 Code Section 409A Compliance. The Board intends that any Awards under the Plan shall be administered, interpreted, and construed in a manner intended to comply with Section 409A of the Internal Revenue Code of 1986, as amended (“Code”), the regulations issued thereunder or any exceptions thereto (or disregarded to the extent such provisions cannot be so administered, interpreted, or construed). If the Committee determines that an Award, Award Agreement, payment, distribution, deferral election, transaction or any other action or arrangement contemplated by the provisions of the Plan would, if undertaken, cause a Grantee to become subject to additional taxes pursuant to Section 409A, unless the Committee expressly determines otherwise, such grant of Award, payment, distribution, deferral election, transaction or other action or arrangement shall not be undertaken and the related provisions of the Plan and/or Award Agreement will be amended or deemed modified in as close a manner as possible to give effect to the original terms of the Award, or, only if necessary because a modification or deemed modification would not be reasonably effective in avoiding the additional income tax under Section 409A(a)(1)(B) of the Code, rescinded in order to comply with the requirements of Section 409A to the extent determined by the Committee without the consent of or notice to the Grantee. Notwithstanding the foregoing, with respect to any Award intended by the Committee to be exempt from the requirements of Section 409A which is to be paid out when vested, such payment shall be made as soon as administratively feasible after the Award becomes vested, but in no event shall such payment be made later than 2-1/2 months after the end of the calendar year in which the Award became vested unless (a) deferred pursuant to Section 5.8 or 14.3 or (b) otherwise permitted under the exemption provisions of Section 409A.

17.19 Recoupment. In the event that financial results of the Company are significantly restated due to fraud or intentional misconduct, the Board will review any performance-based incentive payments paid to executive officers after December 31, 2011, who are found by the Board to be personally responsible for the fraud or intentional misconduct that caused the need for the restatement and will, to the extent permitted by applicable law, seek recoupment from all executive officers of any amounts paid in excess of the amounts that would have been paid based on the restated financial results.

AMENDMENT NO. 1 TO THE WPX ENERGY INC, 2013 INCENTIVE PLAN

MAY 21, 2015

WHEREAS, WPX Energy, Inc., a Delaware corporation (the “*Company*”), with shareholder approval, established an incentive plan effective May 22, 2013, known as the WPX Energy, Inc. 2013 Incentive Plan (the “*Plan*”).

WHEREAS, the Company, as authorized by the Board of directors and subject to shareholder approval, wishes to amend the plan as set forth below:

1. Effective Date. This amendment (“*Amendment*”) will be effective May 21, 2015 upon approval by a majority of the Company’s stockholders.
2. Section 4.1 of the Original Agreement is replaced in its entirety by the following:

4.1 Number of Shares Available for Grants. Subject to adjustment as provided in Section 4.2, the number of Shares hereby reserved for delivery under the Plan shall be 11,939,626 Shares (such Shares being the same as the 1,939,626 Shares remaining as of March 3, 2015, plus 10,000,000 new Shares). The number of Shares available for delivery pursuant to Incentive Stock Options shall be the number set forth in the first sentence of this Section 4.1.

If any Shares subject to an Award granted hereunder are forfeited or such Award is settled in cash or otherwise terminates without the delivery of such Shares, the Shares subject to such Award, to the extent of any such forfeiture, settlement or termination, shall again be available for grant under the Plan. Notwithstanding the foregoing, Shares subject to an Award under the Plan may not again be made available for issuance under the Plan if such Shares are: (a) Shares used to pay the exercise price of an Option, (b) Shares delivered to or withheld by the Company to pay the withholding taxes related to an Award, or (c) Shares repurchased by the Company on the open market with the proceeds of an Award paid to the Company by or on behalf of the Grantee. Shares delivered pursuant to the Plan may be, in whole or in part, authorized and unissued Shares, or treasury Shares, including Shares repurchased by the Company for purposes of the Plan.

Notwithstanding the foregoing, an unlimited number of Shares may be issued under the Plan pursuant to Acquired Entity Awards granted in assumption of, or in substitution for, an outstanding award previously granted by an Acquired Entity, so long as the terms of the acquisition of such awards previously granted by an Acquired Entity do not expressly provide for the issuance of Shares authorized under this Section 4.1.

3. Except as amended by Sections 1-2 above, all terms and conditions of the Plan shall remain in force and effect as originally written.

3. Except as amended above, all terms and conditions of the Plan shall remain in force and effect as originally written.

TIME-BASED RESTRICTED STOCK AWARD

WPX ENERGY, INC.
20[XX] TIME-BASED RESTRICTED STOCK AGREEMENT

THIS RESTRICTED STOCK AGREEMENT (this “Agreement”), which contains the terms and conditions for the Restricted Stock Award referred to in the 20[XX] Restricted Stock Award Letter delivered in hard copy or electronically to Participant, is by and between **WPX ENERGY, INC.**, a Delaware corporation (the “Company”) and the individual identified on the last page hereof (the “Participant”).

1. **Grant of Restricted Stock** . Subject to the terms and conditions of the WPX Energy, Inc. 2013 Incentive Plan or any successor plan, as amended and restated from time to time (the “Plan”), this Agreement, the Company hereby grants an award (the “Award”) to the Participant of **[Number of Awards Granted]** Shares of Restricted Stock, effective **[Grant Date]** (the “Effective Date”). The number of Shares of Restricted Stock is subject to adjustment under the terms of this Agreement and the Plan. The Shares of Restricted Stock shall be issued in the form of book entry shares in the name of the Participant as soon as reasonably practicable after the Effective Date, subject to the restrictions described in this Agreement and the Plan.
2. **Incorporation of Plan and Acceptance of Documents** . The Plan is incorporated by reference and all capitalized terms used herein which are not defined in this Agreement or in the attached Appendix shall have the respective meanings set forth in the Plan. The Participant acknowledges that he or she has received a copy of, or has online access to, the Plan and hereby accepts the Shares of Restricted Stock subject to all the terms and provisions of the Plan and this Agreement. The Participant hereby further agrees that he or she has received a copy of, or has online access to, the prospectus for the Plan and hereby acknowledges his or her automatic acceptance and receipt of such prospectus electronically.
3. **Committee Decisions and Interpretations** . The Participant hereby agrees to accept as binding, conclusive and final all actions, decisions and/or interpretations of the Committee, its delegates, or agents, upon any questions or other matters arising under the Plan or this Agreement.
4. **Voting Rights; Dividends** . Unless otherwise determined by the Committee in accordance with applicable law, from and after the Effective Date and prior to any forfeiture of the Shares of Restricted Stock, the Participant may: (i) exercise full voting rights with respect to the Shares of Restricted Stock; and (ii) receive, free of all restrictions, all cash dividends declared with respect to the Shares of Restricted Stock. Any shares of Common Stock of the Company issued with respect to the Shares of Restricted Stock in a stock dividend, stock split or similar event, shall only become vested and nonforfeitable in the same manner as the Shares of Restricted Stock in accordance with Paragraph 5, and shall be subject to all terms, restrictions and conditions described in this Agreement and the Plan that are applicable to the Shares of Restricted Stock.
5. **Vesting; Legally Binding Rights** .
 - (a) The Award shall not be vested as of the Effective Date and shall be forfeitable unless

and until otherwise vested pursuant to the terms of this Agreement.

- (b) Except as otherwise provided in Subparagraphs 5(c) — 5(g) below, the Participant shall vest in one-third of the Shares of Restricted Stock on [XX], in one-third of the Shares of Restricted Stock on [XX], and in the final one-third of the Shares of Restricted Stock on [XX] (each such date, a “Maturity Date”), but only if the Participant remains an active employee of the Company or any of its Affiliates from the Effective Date through such Maturity Date.
- (c) If the Participant dies prior to the final Maturity Date while an active employee of the Company or any of its Affiliates, the Participant shall vest in all unvested Shares of Restricted Stock at the time of such death.
- (d) If the Participant becomes Disabled prior to the final Maturity Date while an active employee of the Company or any of its Affiliates, the Participant shall vest in all unvested Shares of Restricted Stock at the time the Participant becomes Disabled.
- (e) If the Participant experiences a Separation from Service prior to the final Maturity Date and within two years following a Change in Control, either voluntarily for Good Reason or involuntarily (other than due to Cause), the Participant shall vest in all unvested Shares of Restricted Stock upon such Separation from Service.
- (f) If the Participant experiences an involuntary Separation from Service prior to the final Maturity Date and the Participant either receives benefits under a severance pay plan or program maintained by the Company or any of its Affiliates or receives benefits under a separation agreement with the Company or any of its Affiliates, the Participant shall vest in all unvested Shares of Restricted Stock upon such Separation from Service.
- (g) If the Participant experiences an involuntary Separation from Service prior to the final Maturity Date due to a sale of a business or the outsourcing of any portion of a business, the Participant shall vest in all unvested Shares of Restricted Stock upon such Separation from Service, but only if the Company or any of its Affiliates failed to make an offer of comparable employment, as defined by a severance pay plan or program maintained by the Company or any of its Affiliates, to the Participant. For purposes of this Subparagraph 5(g), a Termination of Affiliation shall constitute an involuntary Separation from Service, excluding any Termination of Affiliation that results from a voluntary Separation from Service.

6. Delivery of Restricted Stock.

- (a) Except as otherwise provided in Subparagraph 6(b), evidence of book entry shares with respect to Shares of Restricted Stock that have become vested under Paragraph 5 (other than Subparagraph 5(c)) or, if requested by the Participant prior to such vesting, a stock certificate with respect to such Shares of Restricted Stock, shall be delivered to the Participant as soon as practicable following the date on which the Participant becomes vested in such Shares of Restricted Stock and satisfies all other applicable conditions, including but not limited to the withholding obligations described in Paragraph 7.

(b) Evidence of book entry shares with respect to Shares of Restricted Stock that have become vested upon the Participant's death pursuant to Subparagraph 5(c) or, if requested by the executors or administrators of the Participant's estate upon vesting, a stock certificate with respect to such Shares of Restricted Stock, shall be delivered to the executors or administrators of the Participant's estate as soon as practicable following the Company's receipt of notification of the Participant's death and the Participant's estate's satisfaction of all other applicable conditions, including but not limited to the withholding obligations described in Paragraph 7.

7. Withholding.

(a) Prior to the delivery to the Participant (or the Participant's estate, if applicable) of evidence of book entry shares or a stock certificate with respect to Shares of Restricted Stock that have become vested, the Company shall withhold a number of Shares of Restricted Stock for purposes of satisfying all of the Company's or any Affiliate's federal, state and local tax withholding requirements related thereto (the "Required Withholding"). The number of Shares of Restricted Stock included in the Required Withholding shall be determined in a manner consistent with the Plan and all such Shares of Restricted Stock shall be valued at their Fair Market Value on the date the withholding obligation arises.

(b) If the Participant makes an election under Section 83(b) of the Code (as described in Paragraph 10), the Participant shall remit to the Company an amount in cash, or in Shares of Restricted Stock, valued at their Fair Market Value on the date the withholding obligation arises, sufficient to satisfy the resulting Required Withholding.

8. Other Provisions.

(a) The Participant understands and agrees that Shares of Restricted Stock and any other payments under this Agreement shall not be used for, or in the determination of, any other payment or benefit under any continuing agreement, plan, policy, practice, or arrangement providing for the making of any payment or the provision of any benefits to or for the Participant or the Participant's beneficiaries or representatives, including, without limitation, any employment agreement, any change of control severance protection plan, or any employee benefit plan as defined in Section 3(3) of ERISA, including, but not limited to qualified and non-qualified retirement plans.

(b) The Participant agrees and understands that, upon receipt of Shares of Restricted Stock under this Agreement, stock certificates (or other indicia of ownership) issued may be held as collateral for monies he/she owes to Company or any of its Affiliates.

(c) Except as provided in Subparagraphs 5(c) — 5(g), in the event that the Participant experiences a Separation from Service prior to the Participant's becoming vested in the Shares of Restricted Stock under this Agreement, the Shares of Restricted Stock subject to this Agreement shall be immediately forfeited and returned to the Company without payment of additional consideration.

(d) The Shares of Restricted Stock and the Participant's interest in the Shares of Restricted Stock may not be sold, assigned, transferred, pledged or otherwise disposed of or encumbered at any time prior to the Shares of Restricted Stock becoming vested under this Agreement.

(e) The Participant hereby becomes a party to this Agreement by accepting the Award electronically or in writing, in accordance with procedures of the Committee, its delegates, or agents, within 90 days of grant date. Failure to accept the award within 90 days of the grant date will result cancellation of the award.

(f) The Participant hereby acknowledges that nothing in this Agreement shall be construed as requiring the Committee to allow or comply with a domestic relations order with respect to this Award.

(g) If the Participant at any time forfeits any or all of the Shares of Restricted Stock pursuant to this Agreement, the Participant agrees that all of the Participant's rights to and interest in such Shares of Restricted Stock hereunder shall terminate upon forfeiture without payment of consideration.

(h) In consideration of the grant of the Award described in Section 1 above, during the term of employment, and for a period of one (1) year immediately thereafter, the Participant agrees not to, directly or indirectly, solicit, recruit, induce, or attempt to recruit, solicit, or induce any employee or independent contractor of the Company on the Participant's behalf or on behalf of or in conjunction with any person or legal entity to work for or contract with such an entity. Furthermore, other than in performance of assigned duties for the Company, the Participant agrees not to induce, directly or indirectly, any employee or independent contractor associated with the Company to terminate or breach an employment, contractual, or other relationship with the Company.

(i) The Committee shall determine whether an event has occurred resulting in the forfeiture of the Shares of Restricted Stock, in accordance with this Agreement, and all determinations of the Committee shall be final and conclusive.

(j) Nothing in this Agreement or the Plan shall interfere with or limit in any way the right of the Company or an Affiliate to terminate the Participant's employment or service at any time, nor confer upon the Participant the right to continue in the employ of the Company and/or an Affiliate.

9. Notices. All notices to the Company required hereunder shall be in writing and delivered by hand or by mail, addressed to WPX Energy, Inc., 3500 One Williams Center, Tulsa, Oklahoma 74172, Attention: Stock Administration Department. Notices shall become effective upon their receipt by the Company if delivered in the foregoing manner. To direct the sale of any Shares issued under this Agreement, the Participant shall contact the Company's stock plan administrator, which, as of the Grant Date, is Fidelity Stock Plan Services.

10. Section 83(b) Election for Restricted Stock Award; Tax Consultation. Under Section 83(a)

of the Code, the Participant will generally be taxed on the Shares of Restricted Stock subject to this Award on the date such Shares of Restricted Stock vest and the forfeiture restrictions lapse, based on their fair market value on such date, at ordinary income rates. For this purpose, the term “forfeiture restrictions” means the right of the Company to receive back any Shares of Restricted Stock subject to this Award that have not vested upon a separation from service. Under Section 83(b) of the Code, the Participant may elect to be taxed on the Shares of Restricted Stock on the Effective Date, based upon their fair market value on such date, at ordinary income rates, rather than when and as the Shares of Restricted Stock that have not vested cease to be subject to the forfeiture restrictions. If the Participant elects to accelerate the date on which he or she is taxed on the Shares of Restricted Stock under Section 83(b), an election (an “83(b) Election”) to such effect must be filed with the Internal Revenue Service within 30 days from the Effective Date.

The Participant understands he or she will incur tax consequences as a result of acquisition or disposition of the Shares of Restricted Stock. The foregoing is only a summary of the federal income tax laws that apply to the Shares of Restricted Stock under this Agreement and does not purport to be complete. The actual tax consequences of receiving or disposing of the Shares of Restricted Stock are complicated and depend, in part, on the Participant’s specific situation and may also depend on the resolution of currently uncertain tax law and other variables not within the control of the Company. Therefore, the Participant agrees to consult with any tax consultants he or she thinks advisable in connection with the acquisition of the Shares of Restricted Stock and acknowledges that he or she is not relying, and will not rely, on the Company for any tax advice.

If the Participant decides to make an 83(b) Election, it is the Participant’s responsibility to file such an election with the Internal Revenue Service within the 30-day period after the Effective Date, to deliver to the Company a signed copy of the 83(b) Election, and to file an additional copy of such election form with his or her federal income tax return for the calendar year in which the Effective Date occurs.

APPENDIX

DEFINITIONS

“*Affiliate*” means all persons with whom the Company would be considered a single employer under Section 414(b) of the Code and all persons with whom the Company would be considered a single employer under Section 414(c) of the Code.

“*Disabled*” means a Participant qualifies for long-term disability benefits under the Company’s long-term disability plan, or if the Company does not sponsor such a disability plan, the Participant qualifies for Social Security Disability Insurance under Title II of the Social Security Act.

“*Separation from Service*” means a Participant’s termination or deemed termination from employment with the Company and its Affiliates. For purposes of determining whether a Separation from Service has occurred, the employment relationship is treated as continuing intact while the Participant is on military leave, sick leave, or other bona fide leave of absence if the period of such leave does not exceed six months, or if longer, so long as the Participant retains a right to reemployment with his or her employer under an applicable statute or by contract. For this purpose, a leave of absence constitutes a bona fide leave of absence only if there is a reasonable expectation that the Participant will return to perform services for his or her employer. If the period of leave exceeds six months and the Participant does not retain a right to reemployment under an applicable statute or by contract, the employment relationship will be deemed to terminate on the first date immediately following such six month period.

Notwithstanding the foregoing, if a leave of absence is due to any medically determinable physical or mental impairment that can be expected to last for a continuous period of more than six months but less than 12 months, and such impairment causes the Participant to be unable to perform the duties of the Participant’s position of employment or any substantially similar position of employment, a period equal to such Participant’s leave of absence will be substituted for such six-month period, so long as that period is less than 12 months. If such an absence exceeds 12 months, then the Participant will be considered Disabled and Subparagraph 5(d) will govern.

A Separation from Service occurs at the date as of which the facts and circumstances indicate either that, after such date: (A) the Participant and the Company reasonably anticipate the Participant will perform no further services for the Company and its Affiliates (whether as an employee or an independent contractor) or (B) that the level of bona fide services the Participant will perform for the Company and its Affiliates (whether as an employee or independent contractor) will permanently decrease to no more than 20% of the average level of bona fide services performed over the immediately preceding 36-month period or, if the Participant has been providing services to the Company and its Affiliates for less than 36 months, the full period over which the Participant has rendered services, whether as an employee or independent contractor.

WPX ENERGY, INC.
20[XX] PERFORMANCE-BASED RESTRICTED STOCK UNIT AGREEMENT

THIS 20[XX] PERFORMANCE-BASED RESTRICTED STOCK UNIT AGREEMENT (this “Agreement”), which contains the terms and conditions for the Restricted Stock Units (“Restricted Stock Units” or “RSUs”) referred to in the 20[XX] Performance-Based Restricted Stock Unit Award Letter delivered in hard copy or electronically to the Participant, is by and between **WPX ENERGY, INC.**, a Delaware corporation (the “Company”), and the individual identified on the last page hereof (the “Participant”).

1. **Grant of RSUs.** Subject to the terms and conditions of the WPX Energy, Inc. 2013 Incentive Plan or any successor plan, as amended and restated from time to time (the “Plan”), and this Agreement, the Company hereby grants to the Participant a target award (the “Award”) of **[Number of Awards Granted]** RSUs effective **[Grant Date]** (the “Effective Date”). The Award, which is subject to adjustment under the terms of this Agreement and the Plan, gives the Participant the opportunity to earn the right to receive the number of shares of Common Stock of the Company equal to the number of RSUs shown in the prior sentence if the Target Peer Group Ranking, as established by the Committee and described in Subparagraph 4(b) below, is achieved by the Company over the Performance Period (as defined in Subparagraph 5(b)(ii) below). These shares, together with any other shares that are payable under this Agreement, are referred to in this Agreement as the “Shares.” Until the Participant both becomes vested in the Shares under the terms of Paragraph 5 and is paid such Shares under the terms of Paragraph 6, the Participant shall have no rights as a stockholder of the Company with respect to the Shares.
2. **Incorporation of Plan and Acceptance of Documents.** The Plan is incorporated by reference and all capitalized terms used herein which are not defined in this Agreement or in the attached Appendix A shall have the respective meanings set forth in the Plan. The Participant acknowledges that he or she has received a copy of, or has online access to, the Plan and hereby accepts the RSUs subject to all the terms and provisions of the Plan and this Agreement. The Participant hereby further agrees that he or she has received a copy of, or has online access to, the prospectus for the Plan and hereby acknowledges his or her automatic acceptance and receipt of such prospectus electronically.
3. **Committee Decisions and Interpretations; Committee Discretion.** The Participant hereby agrees to accept as binding, conclusive, and final all actions, decisions, and/or interpretations of the Committee, its delegates, or agents upon any questions or other matters arising under the Plan or this Agreement.
4. **Performance Measures: Number of Shares Payable to the Participant.**
 - (a) Performance measures established by the Committee shall be based on targeted levels of relative Total Shareholder Return (“TSR”), as defined by the Committee. The Committee has established a designated percentage of the Target Number of Shares (as defined in Subparagraph 4(b) below) that may be received by the Participant based on the Company’s relative TSR for the Performance Period within the peer group established by

the Committee, all as more fully described in Subparagraphs 4(b) and 4(c) below and in Appendix B, and in all respects subject to the Committee's discretion as described in Subparagraph 4(d) below.

(b) The RSUs awarded to the Participant and subject to this Agreement as reflected in Paragraph 1 above represent the Participant's opportunity to earn the right to payment of an equal number of Shares ("Target Number of Shares") upon (i) certification by the Committee that the Company has achieved the "Target Peer Group Ranking," as specified in Appendix B, for TSR for the Performance Period, and (ii) satisfaction of all the other conditions set forth in Paragraph 5 below.

(c) Subject to the Committee's discretion as set forth in Subparagraph 4(d) below and to the satisfaction of all other conditions set forth in Paragraph 5 below, the actual number of Shares earned by and payable to the Participant upon certification of TSR results and satisfaction of all other conditions set forth in Paragraph 5 below will be based upon the range set by the Committee from 30% (for relative TSR above the 25th percentile of the peer group established by the Committee) to 200% (for relative TSR at the first or second ranking within the peer group established by the Committee) of the Target Number of Shares depending on the level of relative TSR certified by the Committee at the end of the Performance Period, as set forth in Appendix B. Nothing in Appendix B or otherwise shall be construed to limit the Committee's discretion to determine the number of Shares, if any, that are earned and payable under this Agreement.

(d) Notwithstanding (i) any other provision of this Agreement or the Plan or (ii) certification by the Committee that targets for TSR have been achieved during the Performance Period, the Committee may in its sole and absolute discretion reduce, but not below zero (0), the number of Shares payable to the Participant based on such factors as it deems appropriate, including but not limited to, the Company's performance. Accordingly, any reference in this Agreement to Shares that (i) become payable, (ii) may be received by the Participant, or (iii) are earned by the Participant, and any similar reference, shall be understood to mean the number of Shares that are received, payable, or earned after any such reduction is made.

5. Vesting; Legally Binding Rights.

(a) Notwithstanding any other provision of this Agreement, the Participant shall not be entitled to any payment of Shares under this Agreement unless and until such Participant obtains a legally binding right to such Shares and satisfies applicable vesting conditions for such payment.

(b) Except as otherwise provided in Subparagraphs 5(c) — 5(f) below and subject to the provisions of Subparagraph 4(d) above, the Participant shall vest in Shares under this Agreement only if and at the time that both of the following conditions are fully satisfied:

(i) The Participant remains an active employee of the Company or any of its Affiliates from the Effective Date through [XX], (the “Maturity Date”); and

(ii) The Committee certifies that the Company has met TSR targets as defined by the Committee for the thirty-six-month performance period beginning [XX], and ending [XX] (the “Performance Period”). Certification, if any, by the Committee for the Performance Period shall be made by the Maturity Date or as soon thereafter as is administratively practicable.

(c) (i) If the Participant dies, becomes Disabled, or qualifies for Retirement (as defined in Subparagraph 5(c)(iii) below) prior to the Maturity Date while an active employee of the Company or any of its Affiliates, at but not prior to the Maturity Date, and only to the extent and at the time that the Committee certifies that the performance measures for the Performance Period are satisfied under Subparagraph 5(b)(ii) above, upon such certification, the Participant shall vest in that number of Shares the Participant might otherwise have received for the Performance Period in accordance with Paragraph 4 above prorated in accordance with Subparagraph 5(c)(ii) to reflect that portion of the Performance Period prior to such Participant’s ceasing being an active employee of the Company and its Affiliates.

(ii) The pro rata number of Shares in which the Participant may become vested pursuant to Subparagraph 5(c)(i) shall equal that number determined by multiplying the number of Shares the Participant might otherwise have received for the Performance Period in accordance with Paragraph 4 above times a fraction, the numerator of which is the number of full and partial months in the period that begins the month following the month that contains the Effective Date and ends on (and includes) the date that the Participant ceases being an active employee of the Company and its Affiliates, and the denominator of which is thirty-six(36).

(iii) The Participant “qualifies for Retirement” only if the Participant experiences a Separation from Service and has attained age 55 and completed at least five years of continuous service with the Company or any of its Affiliates.

(d) If the Participant experiences a Separation from Service prior to the Maturity Date within two years following a Change in Control, either voluntarily for Good Reason or involuntarily (other than due to Cause), the Participant shall vest in that number of Shares equal to the Target Number of Shares.

(e) If the Participant experiences an involuntary Separation from Service prior to the Maturity Date and the Participant either receives benefits under a severance pay plan or program maintained by the Company or any of its Affiliates or receives benefits under a separation agreement with the Company or any of its Affiliates, then at the time and to the extent the Committee certifies that the performance measures for the Performance Period are satisfied under Subparagraph 5(b)(ii) above, the Participant shall, on the date of such certification, become vested in that number of Shares the Participant might otherwise have received for the Performance Period in accordance with Paragraph 4

above prorated to reflect that portion of the Performance Period prior to the Participant's ceasing being an active employee of the Company and its Affiliates. The pro rata number of Shares in which the Participant may become vested on, but not prior to, the Maturity Date in such case shall equal that number determined by multiplying (i) the number of Shares the Participant might otherwise have received for the Performance Period in accordance with Paragraph 4 above times (ii) a fraction, the numerator of which is the number of full and partial months in the period that begins the month following the month that includes the Effective Date and ends on (and includes) the date the Participant ceases being an active employee of the Company and its Affiliates, and the denominator of which is the total number of full and partial months in the period that begins the month following the month that contains the Effective Date and ends on (and includes) the Maturity Date.

(f) If (i) the Participant experiences an involuntary Separation from Service prior to the Maturity Date due to a sale of a business or the outsourcing of any portion of a business, and (ii) the Company or any of its Affiliates fails to make an offer of comparable employment, as defined in a severance plan or program maintained by the Company or any of its Affiliates, to the Participant, then at the time and to the extent the Committee certifies that the performance measures for the Performance Period are satisfied under Subparagraph 5(b)(ii) above, upon such certification, the Participant shall, on the date of such certification, become vested in that number of Shares the Participant might otherwise have received for the Performance Period in accordance with Paragraph 4 above prorated to reflect that portion of the Performance Period prior to the Participant's ceasing being an active employee of the Company and its Affiliates. The pro rata number of Shares in which the Participant may become vested on, but not prior to, the Maturity Date in such case shall equal that number of Shares determined by multiplying (i) the number of Shares the Participant might otherwise have received for the Performance Period in accordance with Paragraph 4 above times (ii) a fraction, the numerator of which is the number of full and partial months in the period that begins the month following the month that contains the Effective Date and ends on (and includes) the date the Participant ceases being an active employee of the Company and its Affiliates, and the denominator of which is the total number of full and partial months in the period that begins the month following the month that contains the Effective Date and ends on (and includes) the Maturity Date.

For purposes of this Subparagraph 5(f), a Termination of Affiliation shall constitute an involuntary Separation from Service, excluding any Termination of Affiliation that results from a voluntary Separation from Service.

6. Payment of Shares.

(a) Payment of all Shares in which the Participant becomes vested pursuant to Subparagraph 5(d) above shall occur within 30 days after the Participant's Separation from Service.

(b) Payment of all Shares in which the Participant becomes vested pursuant to

Paragraph 5 above, other than Subparagraph 5(d) (as to which the payment date is determined in accordance with Subparagraph 6(a) above), shall occur during the calendar year containing the Maturity Date.

(c) Upon conversion of RSUs into Shares under this Agreement, such RSUs shall be cancelled. Shares that become payable under this Agreement will be paid by the Company by the delivery to the Participant, or the Participant's beneficiary or legal representative, one or more certificates (or other indicia of ownership) representing shares of Common Stock equal in number to the number of Shares otherwise payable under this Agreement less the number of Shares necessary for purposes of satisfying all of the Company's or any Affiliate's federal, state and local tax withholding requirements related thereto (the "Required Withholding"). The number of Shares included in the Required Withholding shall be determined in a manner consistent with the Plan and all such Shares shall be valued at their Fair Market Value on the date the withholding tax obligation arises.

7. Other Provisions .

(a) The Participant understands and agrees that payments under this Agreement shall not be used for, or in the determination of, any other payment or benefit under any continuing agreement, plan, policy, practice, or arrangement providing for the making of any payment or the provision of any benefits to or for the Participant or the Participant's beneficiaries or representatives, including, without limitation, any employment agreement, any change of control severance protection plan, or any employee benefit plan as defined in Section 3(3) of ERISA, including, but not limited to qualified and non-qualified retirement plans.

(b) The Participant agrees and understands that, upon payment of Shares under this Agreement, stock certificates (or other indicia of ownership) issued may be held as collateral for monies he/she owes to the Company or any of its Affiliates.

(c) Except as provided in Subparagraphs 5(c) through 5(f) above, in the event that the Participant experiences a Separation from Service prior to the Maturity Date, RSUs subject to this Agreement and any right to Shares issuable hereunder shall be forfeited.

(d) RSUs, Shares, and the Participant's interest in RSUs and Shares may not be sold, assigned, transferred, pledged, or otherwise disposed of or encumbered at any time prior to both (i) the Participant's becoming vested in such Shares and (ii) payment of such Shares under this Agreement.

(e) If the Participant at any time forfeits any or all of the RSUs pursuant to this Agreement, the Participant agrees that all of the Participant's rights to and interest in such RSUs and in Shares issuable thereunder shall terminate upon forfeiture without payment of consideration.

(f) In consideration of the grant of RSUs described in Section 1 above, during the

term of employment, and for a period of one (1) year immediately thereafter, the Participant agrees not to, directly or indirectly, solicit, recruit, induce, or attempt to recruit, solicit, or induce any employee or independent contractor of the Company on the Participant's behalf or on behalf of or in conjunction with any person or legal entity to work for or contract with such an entity. Furthermore, other than in performance of assigned duties for the Company, the Participant agrees not to induce, directly or indirectly, any employee or independent contractor associated with the Company to terminate or breach an employment, contractual, or other relationship with the Company.

(g) The Committee shall determine whether an event has occurred resulting in the forfeiture of the RSUs and any Shares issuable thereunder in accordance with this Agreement, and all determinations of the Committee shall be final and conclusive.

(h) With respect to the right to receive payment of Shares under this Agreement, nothing contained herein shall give the Participant any rights that are greater than those of a general creditor of the Company.

(i) The obligations of the Company under this Agreement are unfunded and unsecured. Each Participant shall have the status of a general creditor of the Company with respect to amounts due, if any, under this Agreement.

(j) The parties to this Agreement intend that this Agreement satisfies the requirements of the short-term deferral exception from Section 409A of the Code and, if not excepted, complies with the applicable requirements of Section 409A of the Code. This Agreement reflects certain provisions of Section 409A of the Code or regulations issued thereunder for purposes of defining certain terms and requirements. Such references shall not be construed to cause the Agreement to be subject to Section 409A of the Code or to conflict with the parties' intent that this agreement satisfies the requirements of the short-term deferral exception. The parties recognize that it may be necessary to modify this Agreement and/or the Plan to maintain the Plan's exception from Section 409A of the Code or to otherwise reflect guidance under Section 409A of the Code issued by the Internal Revenue Service. The Participant agrees that the Committee shall have sole discretion in determining (i) whether any such modification is desirable or appropriate and (ii) the terms of any such modification.

(k) The Participant hereby becomes a party to this Agreement by accepting the Award electronically or in writing, in accordance with procedures of the Committee, its delegates, or agents, within 90 days of grant date. Failure to accept the award within 90 days of the grant date will result cancellation of the award.

(l) Nothing in this Agreement or the Plan shall interfere with or limit in any way the right of the Company or an Affiliate to terminate the Participant's employment or service at any time, nor confer upon the Participant the right to continue in the employ of the Company and/or an Affiliate.

(m) The Participant hereby acknowledges that nothing in this Agreement shall be construed as requiring the Committee to allow or comply with a domestic relations order

with respect to this Award.

(n) Notwithstanding any other provision of this Agreement to the contrary, any Shares issued hereunder and/or any amount received with respect to any sale of any such Shares, shall be subject to potential cancellation, recoupment, rescission, payback, or other action in accordance with regulations promulgated by the Securities Exchange Commission, with stock exchange rules, and with the terms of the Company's Recoupment Policy, as it may be amended from time to time (collectively, the "Recoupment Requirements"). The Participant agrees and consents to the Company's application, implementation and enforcement of (a) the Recoupment Requirements or any similar policy established by the Company that may apply to the Participant and (b) any provision of applicable law relating to cancellation, rescission, payback, or recoupment of compensation, and expressly agrees that the Company may take such actions as are necessary to effectuate the Recoupment Requirements, any similar policy (as applicable to the Participant), or applicable law without further consent or action being required by the Participant. To the extent that the terms of this Agreement and the Recoupment Requirements or any similar policy conflict, then the terms of such Recoupment Requirements shall prevail.

8. Notices. All notices to the Company required hereunder shall be in writing and delivered by hand or by mail, addressed to WPX Energy, Inc., 3500 One Williams Center, Tulsa, Oklahoma 74172, Attention: Stock Administration Department. Notices shall become effective upon their receipt by the Company if delivered in the foregoing manner. To direct the sale of any Shares issued under this Agreement, the Participant shall contact the Company's stock plan administrator, which, as of the Grant Date, is Fidelity Stock Plan Services.

9. Tax Consultation. The Participant understands he or she will incur tax consequences as a result of acquisition or disposition of the Shares. The Participant agrees to consult with any tax consultants deemed advisable in connection with the acquisition of the Shares and acknowledges that he or she is not relying, and will not rely, on the Company or any of its Affiliates for any tax advice.

APPENDIX A
DEFINITIONS

“*Affiliate*” means all persons with whom the Company would be considered a single employer under Section 414(b) of the Code and all persons with whom the Company would be considered a single employer under Section 414(c) of the Code.

“*Disabled*” means a Participant qualifies for long-term disability benefits under the Company’s long-term disability plan, or if the Company does not sponsor such a disability plan, the Participant qualifies for Social Security Disability Insurance under Title II of the Social Security Act. Notwithstanding the foregoing, the definition of “Disabled” shall comply with the requirements of the definition of “disabled” described in Treasury Regulation § 1.409A-3(i)(4), as amended.

“*Separation from Service*” means a Participant’s termination or deemed termination from employment with the Company and its Affiliates. For purposes of determining whether a Separation from Service has occurred, the employment relationship is treated as continuing intact while the Participant is on military leave, sick leave, or other bona fide leave of absence if the period of such leave does not exceed six months, or if longer, so long as the Participant retains a right to reemployment with his or her employer under an applicable statute or by contract. For this purpose, a leave of absence constitutes a bona fide leave of absence only if there is a reasonable expectation that the Participant will return to perform services for his or her employer. If the period of leave exceeds six months and the Participant does not retain a right to reemployment under an applicable statute or by contract, the employment relationship will be deemed to terminate on the first date immediately following such six-month period.

Notwithstanding the foregoing, if a leave of absence is due to any medically determinable physical or mental impairment that can be expected to last for a continuous period of more than six months but less than 12 months, and such impairment causes the Participant to be unable to perform the duties of the Participant’s position of employment or any substantially similar position of employment, a period equal to such Participant’s leave of absence will be substituted for such six-month period, so long as that period is less than 12 months. If such an absence exceeds 12 months, then the Participant will be considered Disabled and Subparagraph 5(c)(i) will govern.

A Separation from Service occurs at the date as of which the facts and circumstances indicate either that, after such date: (A) the Participant and the Company reasonably anticipate the Participant will perform no further services for the Company and its Affiliates (whether as an employee or an independent contractor) or (B) that the level of bona fide services the Participant will perform for the Company and its Affiliates (whether as an employee or independent contractor) will permanently decrease to no more than 20% of the average level of bona fide services performed over the immediately preceding 36-month period or, if the Participant has been providing services to the Company and its Affiliates for less than 36 months, the full period over which the Participant has rendered services, whether as an employee or independent contractor. The determination of whether a Separation from Service has occurred shall be governed by the provisions of Treasury Regulation § 1.409A-1, as amended, taking into account the objective facts and circumstances with respect to the level of bona fide services performed by the Participant after a certain date.

APPENDIX B
DETERMINATION OF TSR RANKING

As of the Effective Date, the Committee has established a peer group of companies for the purpose of determining the Company's relative TSR ranking for the Performance Period. The table below reflects the Shares, expressed as a percentage of the Target Number of Shares, that may be payable to the Participant based upon the Company's TSR ranking within the peer group for the Performance Period. Notwithstanding any provision in this Appendix B or in the Agreement to the contrary, the Committee has the sole and absolute discretion to reduce the number of Shares payable to the Participant to zero (0) pursuant to Subparagraph 4(d) of the Agreement.
