The principal executive offices of the Issuer are located at 309 Waverly Oaks Road, Suite 105, Waltham, MA 02452.

#### **ITEM 2. Identity and Background.**

(a) – (c); (f) This Schedule 13D is being filed by Koninklijke Philips N.V., a corporation duly organized and existing under the laws of The Netherlands (“Philips” or the “Reporting Person”).

The Reporting Person is a leading health technology company. The address of the Reporting Person’s principal business and principal office is Philips Center, Amstelplein 2, 1096 BC, Amsterdam, The Netherlands.

The name, business address, present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted and citizenship of each of the directors and executive officers of Philips is set forth in Schedule I hereto incorporated herein by reference.

(d) – (e) The Reporting Person has not or, to the knowledge of the Reporting Persons, any of the other persons identified in this Item 2 has not, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

#### **ITEM 3. Source and Amount of Funds or Other Consideration.**

At the time of the acquisition of Corindus, Inc. (“Old Corindus”) by the Issuer in August 2014 (the “Acquisition”), the Reporting Person was a stockholder of Old Corindus. In connection with the closing of the Acquisition on August 12, 2014, the Reporting Person exchanged its shares of common stock of Old Corindus for 17,407,817 shares of Common Stock and exchanged a warrant exercisable for common stock of Old Corindus for a warrant exercisable for 4,728,191 shares of Common Stock (the “Warrant”).

On February 28, 2017, the Issuer entered into a securities purchase agreement for a private placement (the “Purchase Agreement”) with a select group of existing and new investors, including the

Reporting Person (collectively, the “Investors”). Pursuant to the Purchase Agreement, on March 15, 2017, the Reporting Person will purchase 7,557,436 shares of Common Stock, at a price of \$0.6616 per share, which was the closing price of Common Stock on the NYSE MKT immediately before entering into the Purchase Agreement. #### **ITEM 4. Purpose of Transaction.**

The Reporting Person periodically invests in emerging medical device companies and acquired the shares of Common Stock reported herein for investment purposes. In light of current economic and industry conditions, the Reporting Person has had and currently intends to continue to have in the future, discussions with management of the Issuer concerning the Issuer’s operations, prospects, business and financial strategies, assets and liabilities, business, financing and strategic alternatives and such other matters as the Reporting Person may deem relevant to its investments in the shares of Common Stock and other securities of the Issuer. In addition, Gerard Winkels is an employee of the Reporting Person and serves as a member of the Board of Directors of the Issuer.

The Reporting Person expects that it will, from time to time, review its investment position in the Issuer and may, depending on market and other conditions and applicable legal constraints, increase or decrease its investment position in the shares of Common Stock or other securities of the Issuer. Whether the Reporting Person acquires any additional shares of Common Stock or other securities of the Issuer or disposes of any shares of Common Stock or other securities of the Issuer, and the amount and timing of any such transactions, will depend upon the Reporting Person’s continuing assessments of pertinent factors, including the availability of shares of Common Stock or other securities of the Issuer for purchase at particular price levels and the ability to acquire additional shares of Common Stock in light of applicable legal constraints, the Issuer’s and the Reporting Person’s business and prospects, other business investment opportunities available to the Reporting Person, economic conditions, stock market conditions, money market conditions, the attitudes and actions of the Board of Directors and management of the Issuer, the availability and nature of opportunities to dispose of the Reporting Person’s interest in the Issuer, and other plans and requirements of the Reporting Person. Depending upon its assessments of these factors from time to time, the Reporting Person may change its present intentions as stated above, including determining to acquire additional shares of Common Stock or other securities of the Issuer (by means of open market or privately negotiated purchases) or to dispose of some or all of the shares of Common Stock or other securities of the Issuer held by or under the control of the Reporting Person.

#### **ITEM 5. Interest in Securities of the Issuer.**
