Explanation of Responses:

- This transaction was executed in multiple trades at prices ranging from \$50.711 to \$50.715. The price reported represents the weighted average sale price of these trades. The reporting person hereby undertakes to provide upon request to the SEC staff, the company, or a security holder of the company, full information regarding the shares sold at each separate price.
- The stock units will vest based on their respective award agreements.
- The number of shares of common stock that will be delivered for each performance stock unit depends on the achievement of certain performance factors. Depending on actual performance, the number of shares of common stock delivered upon vesting can range from 0% to 150% of the number presented above.
- The options vest based on the conditions set forth in their respective agreements.
- Each of these units represents a right to receive the cash value of one share of the company's common stock upon the reporting person's separation from the company. The reporting person may reallocate investments in these units to alternative investments in the future.
