**Forward Looking Statements**

This Current Report on Form 8-K includes forward-looking statements (as such term is defined in the Private Securities Litigation Reform Act of 1995). Forward-looking statements can be identified by such words and phrases as "believes," "anticipates," "expects," "intends," "estimates," "may," "will," "should," "continue" and similar expressions, comparable terminology or the negative thereof, and includes the statement in this report regarding the Company's planned dates to resume operations at its facilities. Forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied in the forward-looking statements, including, but not limited to: the potential effects of the coronavirus (COVID-19) pandemic on the Company; general industry, economic and business conditions; and other factors affecting the Company detailed from time to time in its filings with the Securities and Exchange Commission. Many of these risks and uncertainties are outside the Company's control, and there may be other risks and uncertainties which the Company does not currently anticipate because they relate to events and depend on circumstances that may or may not occur in the future. Although the Company believes that the expectations reflected in any forward-looking statements are based on reasonable assumptions at the time made, the Company can give no assurance that our expectations will be achieved. Undue reliance should not be placed on these forward-looking statements, which speak only as of the date hereof. The Company undertakes no obligation (and we expressly disclaim any obligation) to update or supplement any forward-looking statements that may become untrue because of subsequent events, whether because of new information, future events, changes in assumptions or otherwise.
