**Item 1.01. Entry into a Material Definitive Agreement.*****Agreement and Plan of Merger***

On July 6, 2020, Vivint Solar, Inc., a Delaware corporation (“Vivint Solar”), Sunrun Inc., a Delaware corporation (“Sunrun”), and Viking Merger Sub, Inc., a Delaware corporation and direct wholly owned subsidiary of Sunrun (“Merger Sub”) entered into an Agreement and Plan of Merger (the “Merger Agreement”), pursuant to which, subject to the terms and conditions set forth in the Merger Agreement, Merger Sub will merge with and into Vivint Solar (the “Merger”), with Vivint Solar continuing as the surviving corporation of the Merger as a direct wholly owned subsidiary of Sunrun (the “Surviving Corporation”).

Subject to the terms and conditions set forth in the Merger Agreement, each share of Vivint Solar common stock, par value \$0.01 per share (“Vivint Solar Common Stock”), issued and outstanding immediately prior to the effective time of the Merger (the “Effective Time”) (other than the shares of Vivint Solar Common Stock owned by Sunrun, Merger Sub, any other wholly owned subsidiary of Sunrun or Vivint Solar immediately prior the Effective Time, including Vivint Solar Common Stock held in treasury by Vivint Solar, and in each case not held on behalf of third parties) will be converted automatically into the right to receive 0.55 shares (the “Exchange Ratio”) of Sunrun common stock, par value \$0.0001 per share (“Sunrun Common Stock”), and, if applicable, an amount in cash, without interest, rounded down to the nearest cent, in lieu of any fractional share interest in Sunrun Common Stock to which such holder otherwise would have been entitled. The shares of Sunrun Common Stock to be issued in connection with the Merger will be listed on The NASDAQ Stock Market LLC (“NASDAQ”). The Merger is intended to qualify as a reorganization for U.S. federal income tax purposes.

At the Effective Time, Vivint Solar’s equity awards granted under Vivint Solar’s equity compensation plans outstanding as of the Effective Time will, except as set forth below, be converted into a corresponding award with respect to Sunrun Common Stock, with the number of shares underlying such award (and, in the case of stock options, the applicable exercise price) adjusted based on the Exchange Ratio. Certain options to purchase shares of Vivint Solar Common Stock and restricted stock units outstanding as of the Effective Time and held by non-employee directors or current and former employees of Vivint Solar who will not be employed by Sunrun following the closing of the Merger (the “Closing”) will be cancelled and such holders will have the right to receive an amount in cash calculated based on the Exchange Ratio. Each award of “LTIP Credits” pursuant to a Vivint Solar long term incentive pool plan (an “LTIP Award”) that is outstanding as of immediately prior to the Effective Time will be canceled and terminated and, as soon as practicable following the Effective Time and Sunrun’s filing of a Form S-8 registration statement registering the remaining share reserves of the Vivint Solar, Inc. 2014 Equity Incentive Plan, each holder of a cancelled LTIP Award will be granted a restricted stock unit award that can be settled in shares of Sunrun Common Stock (a “Replacement RSU Award”), with the number of shares underlying such award (and the applicable exercise price) calculated as if certain performance hurdles were achieved. The Replacement RSU Award will vest in three equal installments, subject to the grantee’s continued provision of services to Sunrun or the Surviving Corporation, through each of 30 days, nine months and 18 months following the Closing Date.

The Merger Agreement provides that Sunrun will increase the number of directors that comprise the Sunrun board of directors at the Effective Time by two directors and fill such vacancies with (1) one director serving on the board of directors of Vivint Solar designated by Vivint Solar (which director shall be designated as a Class III director of Sunrun) and (2) David Bywater, Vivint Solar’s Chief Executive Officer (who shall be designated as a Class I director of Sunrun).

The completion of the Merger is subject to customary conditions, including: (1) the adoption of the Merger Agreement by Vivint Solar stockholders and the approval of the issuance of shares of Sunrun Common Stock in connection with the Merger by Sunrun stockholders; (2) the expiration or termination of the applicable waiting period (or any extension thereof) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (3) the absence of any order or law that has the effect of enjoining or otherwise making illegal the consummation of the Merger; (4) the approval for listing of the shares of Sunrun Common Stock that will be issuable pursuant to the Merger Agreement on NASDAQ and the effectiveness of a registration statement with respect to such Sunrun Common Stock; (5) subject to certain exceptions, the accuracy of the representations and warranties of the other party and performance by each party in all material respects of its obligations under the Merger Agreement; (6) the absence of a material adverse effect; and (7) receipt by each of Vivint Solar and Sunrun of an opinion of its respective outside counsel or another nationally recognized law firm (including outside counsel to the other party) to the effect that the Merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended.

The Merger Agreement includes customary representations, warranties and covenants of Vivint Solar and Sunrun and each party has agreed to customary covenants, including, among others, covenants relating to (1) the conduct of its business during the interim period between execution of the Merger Agreement and the Effective Time, (2) its obligation to call a meeting of its

stockholders to adopt the Merger Agreement (in the case of Vivint Solar) or approve the issuance of shares of Sunrun Common Stock in connection with the Merger (in the case of Sunrun) and (3) its non-solicitation obligations in connection with alternative acquisition proposals (however, under certain circumstances, a party may change its recommendation to its stockholders in response to a superior proposal or an intervening event if such party's board of directors determines in good faith that the failure to take such action would be inconsistent with the directors' fiduciary duties under Delaware law).

The Merger Agreement provides for certain termination rights for both parties and provides that, in connection with a termination of the Merger Agreement under certain specified circumstances, Vivint Solar will be required to pay Sunrun a termination fee of \$54 million or Sunrun will be required to pay Vivint Solar a termination fee of \$45 million or \$107 million.

A copy of the Merger Agreement is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement. The representations, warranties and covenants set forth in the Merger Agreement have been made only for the purposes of the Merger Agreement and solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, as well as by information contained in each party's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. In addition, such representations and warranties (1) will not survive completion of the Merger and cannot be the basis for any claims under the Merger Agreement by the other party after termination of the Merger Agreement, except as a result of actual fraud or a willful breach and (2) were made only as of the dates specified in the Merger Agreement. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement and not to provide investors with any other factual information regarding the parties or their respective businesses.

Tiger Global also agreed not to transfer any shares of Sunrun Common Stock currently held by it until the conclusion of Sunrun's duly convened stockholder meeting, or at any adjournment or postponement thereof, in each case, at which a vote on the issuance of Sunrun Common Stock in connection with the Merger is taken. The foregoing description of the Sunrun Support Agreement does not purport to be complete and is qualified in its entirety by reference to the Sunrun Support Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The foregoing description of the Vivint Solar Support Agreement does not purport to be complete and is qualified in its entirety by reference to the Vivint Solar Support Agreement, which is attached as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.

The Holders have also agreed to lock up 50% of the shares of Sunrun Common Stock obtained as a result of the Merger for 60 days following Closing and the remaining 50% for 120 days following Closing, subject to certain exceptions. ## Forward-Looking Statements

This communication contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 including, but not limited to, statements based upon or relating to Sunrun's and Vivint Solar's expectations or predictions of future financial or business performance or conditions. Forward-looking statements generally relate to future events or future financial or operating performance. In some cases, you can identify forward-looking statements by terms such as "may," "will," "should," "would," "expects," "plans," "anticipates," "could," "intends," "target," "projects," "contemplates," "believes," "estimates," "predicts," "potential," "will be," "will likely result" or "continue" or the negative of these words or other similar terms or expressions that concern our expectations, strategy, plans or intentions. Forward-looking statements may include, but are not limited to, statements concerning the expected benefits of the transaction; cost synergies and opportunities resulting from the transaction; Sunrun's leadership position in the industry; the availability of rebates, tax credits and other financial incentives including solar renewable energy certificates, or SRECs, and federal and state incentives; regulations and policies related to net metering and interconnection limits or caps and decreases to federal solar tax credits; determinations by the Internal Revenue Service of the fair market value of Sunrun's and Vivint Solar's solar energy systems; changes in regulations, tariffs and other trade barriers and tax policy; the retail price of utility-generated electricity or electricity from other energy sources; federal, state and local regulations and policies governing the electric utility industry and developments or changes with respect to such regulations and policies; the ability of Sunrun and Vivint Solar to manage their supply chains (including the availability and price of solar panels and other system components and raw materials) and distribution channels and the impact of natural disasters and other events beyond their control; the ability of Sunrun and Vivint Solar and their industry to manage recent and future growth, product offering mix, and costs (including, but not limited to, equipment costs) effectively, including attracting, training and retaining sales personnel and solar energy system installers; Sunrun's and Vivint Solar's strategic partnerships and expected benefits of such partnerships; the sufficiency of Sunrun's and Vivint Solar's cash, investment fund commitments and available borrowings to meet anticipated cash needs; the need and ability of Sunrun and Vivint Solar to raise capital, refinance existing debt and finance their respective obligations and solar energy systems from new and existing investors; the potential impact of interest rates on Sunrun's and Vivint Solar's interest expense; the course and outcome of litigation and investigations and the ability of Sunrun and Vivint Solar to consummate the transactions contemplated by the definitive transaction agreement in a timely manner or at all. These statements are not guarantees of future performance; they reflect Sunrun's and Vivint Solar's current views with respect to future events and are based on assumptions and estimates and subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from expectations or results projected or implied by forward-looking statements. These risks include, but are not limited to: the occurrence of any event, change or other circumstances that could give rise to the termination of the definitive transaction agreement or the failure to satisfy the closing conditions; the possibility that the consummation of the proposed transactions is delayed or does not occur, including the failure of the parties' stockholders to approve the proposed transactions; uncertainty regarding the timing of the receipt of required regulatory approvals for the merger and the possibility that the parties may be required to accept conditions that could reduce or eliminate the anticipated benefits of the merger as a condition to obtaining regulatory approvals or that the required regulatory approvals might not be obtained at all; the outcome of any legal proceedings that have been or may be instituted against the parties or others following announcement of the transactions contemplated by the definitive transaction agreement; challenges, disruptions and costs of closing, integrating and achieving anticipated synergies, or that such synergies will take longer to realize than expected; risks that the merger and other transactions contemplated by the definitive transaction agreement disrupt current plans and operations that may harm the parties' businesses; the amount of any costs, fees, expenses, impairments and charges related to the merger; uncertainty as to the effects of the announcement or pendency of the merger on the market price of the parties' respective common stock and/or on their respective financial performance; uncertainty as to the long-term value of Sunrun's and Vivint Solar's common stock; the ability of Sunrun and Vivint Solar to raise capital from third parties to grow their business; any rise in interest rates which would increase the cost of capital; the ability to meet covenants in investment funds and debt facilities; the potential inaccuracy of the assumptions employed in calculating operating metrics; the failure of the energy industry to develop to the size or at the rate Sunrun and Vivint Solar expect; and the inability of Sunrun and Vivint Solar to finance their solar service offerings to customers on an economically viable basis. These risks and uncertainties may be amplified by the ongoing COVID-19 pandemic, which has caused significant economic uncertainty and negative impacts on capital and credit markets. The extent to which the COVID-19 pandemic impacts Sunrun's and Vivint Solar's businesses, operations, and financial results, including the duration and magnitude of such effects, will depend on numerous factors, many of which are unpredictable, including, but not limited to, the duration and spread of the pandemic, its severity, the actions to contain the pandemic or treat its impact, and how quickly and to what extent normal economic and operating conditions can resume.

Any financial projections in this filing are forward-looking statements that are based on assumptions that are inherently subject to significant uncertainties and contingencies, many of which are beyond Sunrun's and Vivint Solar's control. While all projections are necessarily speculative, Sunrun and Vivint Solar believe that the preparation of prospective financial information involves increasingly higher levels of uncertainty the further out the projection extends from the date of preparation. The assumptions and estimates underlying the projected results are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections. The inclusion of projections in this filing should not be regarded as an indication that Sunrun and Vivint Solar, or their representatives, considered or consider the projections to be a reliable prediction of future events.

Annualized, pro forma, projected and estimated numbers are used for illustrative purpose only, are not forecasts and may not reflect actual results.

The foregoing review of important factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included herein and elsewhere, including the risk factors included in Sunrun's and Vivint Solar's most recent reports on Form 10-K, Form 10-Q, Form 8-K and other documents on file with the United States Securities and Exchange Commission ("SEC"). These forward-looking statements represent estimates and assumptions only as of the date made. Unless required by federal securities laws, Sunrun and Vivint Solar assume no obligation to update any of these forward-looking statements, or to update the reasons actual results could differ materially from those anticipated, to reflect circumstances or events that occur after the statements are made. Given these uncertainties, investors should not place undue reliance on these forward-looking statements. Investors should read this document with the understanding that Sunrun's and Vivint Solar's actual future results may be materially different from what Sunrun and Vivint Solar expect. Sunrun and Vivint Solar qualify all of their forward-looking statements by these cautionary statements.

### **Additional Information and Where to Find It**

In connection with the proposed merger, Sunrun intends to file with the SEC a registration statement on Form S-4, which will include a document that serves as a prospectus of Sunrun and a joint proxy statement of Sunrun and Vivint Solar (the "joint proxy statement/prospectus"). After the registration statement has been declared effective by the SEC, the joint proxy statement/prospectus will be delivered to stockholders of Sunrun and Vivint Solar. **BEFORE MAKING ANY VOTING OR INVESTMENT DECISION, SECURITY HOLDERS OF SUNRUN AND VIVINT SOLAR ARE URGED TO READ THE JOINT PROXY STATEMENT/PROSPECTUS (INCLUDING ALL AMENDMENTS AND SUPPLEMENTS THERETO) AND OTHER DOCUMENTS RELATING TO THE MERGER THAT WILL BE FILED WITH THE SEC WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED MERGER.** Investors and security holders will be able to obtain copies of the joint proxy statement/prospectus (when available) and other documents filed by Sunrun and Vivint Solar with the SEC, without charge, through the website maintained by the SEC at <http://www.sec.gov>. ## ARTICLE I THE MERGER

SECTION 1.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the DGCL, at the Effective Time, Merger Sub shall be merged with and into the Company and the separate corporate existence of Merger Sub shall thereupon cease. The Company shall be the surviving corporation in the Merger (sometimes hereinafter referred to as the “Surviving Corporation”) and a wholly owned subsidiary of Parent, and the separate corporate existence of the Company, with all of its rights, privileges, immunities, powers and franchises, shall continue unaffected by the Merger, except as set forth in Article II. Without limiting the generality of the foregoing and subject thereto, at the Effective Time, all the property, rights, privileges, immunities, powers and franchises of the Company and Merger Sub shall vest in the Company as the Surviving Corporation and all claims, obligations, debts, liabilities and duties of the Company and Merger Sub shall become the claims, obligations, debts, liabilities and duties of the Company as the Surviving Corporation. The Merger shall have the effects set forth in this Agreement and specified in the DGCL.

SECTION 1.2 Closing. The closing of the Merger (the “Closing”) shall take place at the offices of Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York, at 9:00 a.m., New York City time, on the fifth Business Day following the day on which the conditions set forth in Article VII (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) have been satisfied or waived in accordance with this Agreement or at such other time and place as the Company and Parent may agree in writing. The date on which the Closing occurs is referred to herein as the “Closing Date”.

SECTION 1.3 Effective Time. Subject to the provisions of this Agreement, at the Closing, the Company and Parent will cause the Merger to be consummated by filing a certificate of merger (the “Certificate of Merger”), to be executed, acknowledged and filed with the Secretary of State of the State of Delaware in accordance with Section 251 of the DGCL. The Merger shall become effective at the time when the Certificate of Merger has been duly filed with the Secretary of State of the State of Delaware or at such later time as may be agreed by the Company and Parent in writing and specified in the Certificate of Merger in accordance with the DGCL (the effective time of the Merger being hereinafter referred to as the “Effective Time”).

### SECTION 1.4 Certificate of Incorporation; Bylaws.

(a) At the Effective Time and by virtue of the Merger, the certificate of incorporation of the Company, as in effect immediately prior to the Effective Time, shall be amended and restated in its entirety to read as set forth in Exhibit A and, as so amended and restated, shall be the certificate of incorporation of the Surviving Corporation, until thereafter amended or restated as provided therein and by applicable Law, in each case consistent with the obligations set forth in Section 6.11.

(b) At the Effective Time, and without any further action on the part of the Company and Merger Sub, the bylaws of the Company shall be amended and restated in their entirety to read as set forth in Exhibit B and, as so amended and restated, shall be the bylaws of the Surviving Corporation until thereafter amended or restated as provided therein, by the certificate of incorporation of the Surviving Corporation and by applicable Law, in each case consistent with the obligations set forth in Section 6.11.

SECTION 1.5 Directors and Officers.

(a) The Parties shall take all actions reasonably necessary to cause the directors of Merger Sub at the Effective Time to be the directors of the Surviving Corporation immediately following the Effective Time, until their successors have been duly elected or appointed and qualified or until their earlier death, resignation or removal in accordance with the certificate of incorporation and the bylaws of the Surviving Corporation and applicable Law.

(b) The officers of the Company at the Effective Time shall be the officers of the Surviving Corporation immediately following the Effective Time until their successors shall have been duly elected or appointed and qualified or until their earlier death, resignation or removal in accordance with the certificate of incorporation and bylaws of the Surviving Corporation and applicable Law.

**ARTICLE II**

**EFFECT OF THE MERGER ON THE CAPITAL STOCK  
OF THE CONSTITUENT CORPORATIONS**

SECTION 2.1 Effect on Capital Stock. At the Effective Time, by virtue of the Merger and without any action on the part of the Company, Parent, Merger Sub or the holders of any of the following securities:

(a) Merger Consideration. Each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (each such share, a "Company Share") (other than Company Shares owned by Parent, Merger Sub, any other wholly owned subsidiary of Parent or the Company immediately prior the Effective Time, including Company Shares held in treasury by the Company, and in each case not held on behalf of third parties (collectively, the "Cancelled Company Shares") shall be converted automatically into and shall thereafter represent the right to receive a number of shares of Parent Common Stock equal to the Exchange Ratio (the "Per Share Merger Consideration"). At the Effective Time, all of the Company Shares that have been converted into a right to receive the Per Share Merger Consideration as provided in this Section 2.1(a) shall no longer be outstanding, shall be cancelled and extinguished automatically and shall cease to exist, and each former holder of Company Shares that were outstanding immediately prior to the Effective Time will cease to have any rights with respect to such Company Shares, except for the right to receive the Per Share Merger Consideration in accordance with this Article II.

(b) Cancellation of Cancelled Company Shares. Each Cancelled Company Share shall cease to be outstanding, be cancelled without any conversion thereof or payment of any consideration therefor and shall cease to exist.

(c) Merger Sub. Each share of Common Stock, par value \$0.01 per share, of Merger Sub, issued and outstanding immediately prior to the Effective Time, shall be converted into and become one validly issued, fully paid and non-assessable share of common stock, par value \$0.01 per share, of the Surviving Corporation and shall constitute the only outstanding shares of capital stock of the Surviving Corporation.

SECTION 2.2 Treatment of Company Equity Awards.

(a) Treatment of Company Options. Immediately prior to the Effective Time, each outstanding option to purchase shares of Company Common Stock (a "Company Option") under the Company Stock Plans shall, automatically and without any required action on the part of the holder thereof, be converted into an option to purchase shares of Parent Common Stock (each, a "Converted Option"), unless otherwise provided in (i) an agreement with the Company to which the holder of such Company Option is a party or (ii) Schedule 2.2(a) of the Company Disclosure Letter. For each Converted Option, (i) the number of shares of Parent Common Stock subject to each such Converted Option shall be equal to the product (with the result rounded down to the nearest whole share) of (A) the total number of shares of Company Common Stock subject to such Company Option

immediately prior to the Effective Time *multiplied by* (B) the Exchange Ratio and (ii) the exercise price per share of Parent Common Stock shall be equal to the quotient (with the result rounded up to the nearest whole cent) of (A) the exercise price per share of Company Common Stock of such Company Option immediately prior to the Effective Time *divided by* (B) the Exchange Ratio; provided, however, that the exercise price and the number of shares of Parent Common Stock purchasable pursuant to the Converted Options shall be determined in a manner consistent with the requirements of Section 409A of the Code; provided, further, that in the case of any Company Option to which Section 422 of the Code applies, the exercise price and the number of shares of Parent Common Stock purchasable pursuant to such option shall be determined in accordance with the foregoing, subject to such adjustments as are necessary in order to satisfy the requirements of Section 424(a) of the Code. Except as expressly provided in the foregoing sentence, each such Converted Option shall be subject to the same terms and conditions as applied to the corresponding Company Option immediately prior to the Effective Time. Notwithstanding the foregoing, each Company Option that is outstanding immediately prior to the Effective Time and held by a non-employee director of the Company or current or former employee who will not be employed by Parent or one of its Affiliates following the Closing (such directors and employees, collectively the “Non-Employees”) shall be canceled as of the Effective Time, and converted into the right to receive (without interest), at or promptly after the Effective Time, an amount in cash equal to (x) the total number of shares of Company Common Stock subject to such Company Option immediately prior to the Effective Time *multiplied by* (y) the excess, if any, of the Per Share Cash Equivalent over the exercise price per share of Company Common Stock under such Company Option, less applicable Taxes required to be withheld with respect to such payment (after giving effect to Section 2.3(e) hereof). For the avoidance of doubt, any Company Option held by a Non-Employee which has an exercise price per share of Company Common Stock that is greater than or equal to the Per Share Cash Equivalent shall be cancelled at the Effective Time for no consideration or payment.

(b) Treatment of Company RSUs. Immediately prior to the Effective Time, each outstanding restricted stock unit (a “Company RSU”) under the Company Stock Plans shall, automatically and without any required action on the part of the holder thereof, cease to represent a restricted stock unit denominated in shares of Company Common Stock and shall be converted into a restricted stock unit denominated in shares of Parent Common Stock (each, a “Converted RSU”), unless otherwise provided in (i) an agreement with the Company to which the holder of such Company RSU is a party or (ii) Schedule 2.2(b) of the Company Disclosure Letter. The number of shares of Parent Common Stock subject to each such Converted RSU shall be equal to the product (with the result rounded down to the nearest whole share) of (i) the number of shares of Company Common Stock subject to each such Company RSU as of immediately prior to the Effective Time *multiplied by* (ii) the Exchange Ratio. Except as expressly provided in the foregoing sentence, each Converted RSU shall remain subject to the same terms and conditions as applied to the corresponding Company RSU as of immediately prior to the Effective Time. Notwithstanding the foregoing, each Company RSU that is outstanding immediately prior to the Effective Time and held by a non-employee director of the Company shall be canceled as of the Effective Time, and converted into the right to receive (without interest), at or promptly after the Effective Time, an amount in cash equal to (x) the total number of shares of Company Common Stock subject to such Company RSU immediately prior to the Effective Time *multiplied by* (y) the Per Share Cash Equivalent, less applicable Taxes required to be withheld with respect to such payment (after giving effect to Section 2.3(e) hereof).

(c) Treatment of Company PSUs. Immediately prior to the Effective Time, each outstanding performance-based restricted stock unit (a “Company PSU”) under the Company Stock Plans shall, automatically and without any required action on the part of the holder thereof, cease to represent a performance-based restricted stock unit denominated in shares of Company Common Stock and shall be converted into a performance-based restricted stock unit denominated in shares of Parent Common Stock (each, a “Converted PSU”), unless otherwise provided in (i) an agreement with the Company to which the holder of such Company PSU is a party or (ii) Schedule 2.2(c) of the Company Disclosure Letter. The number of shares of Parent Common Stock subject to each such Converted PSU shall be equal to the product (with the result rounded down to the nearest whole share) of (i) the number of shares of Company Common Stock subject to each such Company PSU as of immediately prior to the Effective Time based on target performance levels *multiplied by* (ii) the Exchange Ratio. Except as expressly provided in the foregoing sentence, each Converted PSU shall

remain subject to the same terms and conditions as applied to the corresponding Company PSU as of immediately prior to the Effective Time.

(d) Treatment of Company LTIP Awards. Immediately prior to the Effective Time, each Company LTIP Award that is outstanding as of immediately prior to the Effective Time shall, without any further action on the part of Parent or the Company, be cancelled and terminated. As soon as practicable following the Effective Time and Parent's filing of a Form S-8 registration statement registering the remaining share reserves of the Vivint Solar, Inc. 2014 Equity Incentive Plan, each holder of a cancelled Company LTIP Award shall be granted a Replacement RSU Award with the following terms: (i) the number of shares of Parent Common Stock subject to the Replacement RSU Award shall have a grant date fair market value equal to the value of each holder's LTIP Share, calculated as if the Closing Date were a Determination Date upon which the First Performance Hurdle and the Second Performance Hurdle were attained, with such number of shares of Parent Common Stock rounded down to the nearest whole share; (ii) the Replacement RSU Award shall vest, and the shares of Parent Common Stock will be issued, in three equal installments, subject to the grantee's continued provision of services to Parent or the Surviving Corporation through each of 30 days, nine months and 18 months following the Closing Date; and (iii) the Replacement RSU Awards shall be subject to the same restrictive covenants as the Company LTIP Awards (other than adjustments necessary to reflect that Replacement RSU Awards will be granted under the Vivint Solar, Inc. 2014 Equity Incentive Plan, rather than the Company LTIP Plans). Capitalized terms in this Section 2.2(d) not otherwise defined in this Agreement shall have the meaning set forth in the applicable Company LTIP Plan.

(e) Company Corporate Actions. At or prior to the Effective Time, the Company, the Board of Directors of the Company and the Compensation Committee of the Board of Directors of the Company, as applicable, shall adopt any resolutions and take all other actions necessary to effectuate the provisions of this Section 2.2.

(f) Payment for Company Equity Awards. At or prior to the Effective Time, Parent will transfer, by wire transfer of immediately available funds, the amounts owed to the holders of Company Options and Company RSUs that will be settled in cash in accordance with Sections 2.2(a) and 2.2(b) above.

(g) Parent Corporate Actions. Parent shall take all corporate actions that are necessary for the treatment of the Company Options, Company RSUs, Company PSUs and Company LTIP Awards pursuant to this Section 2.2, including the reservation, issuance and listing of Parent Common Stock as necessary to effect the transactions contemplated by this Section 2.2. At the Effective Time, Parent shall assume the Vivint Solar, Inc. 2014 Equity Incentive Plan and entitled to grant stock awards, to the extent permissible under applicable Law, using the remaining share reserves of the Vivint Solar, Inc. 2014 Equity Incentive Plan as of the Effective Time (including any shares subsequently returned to such share reserves as a result of the termination and forfeiture of Company Options, Company RSUs, Company PSUs, Company LTIP Awards and Replacement RSU Awards), except that: (i) shares covered by such awards shall be shares of Parent Common Stock; (ii) all references in the Vivint Solar, Inc. 2014 Equity Incentive Plan to a number of shares of Company Common Stock shall be deemed amended to refer instead to a number of shares of Parent Common Stock determined by multiplying the number of referenced shares of Company Common Stock by the Exchange Ratio, and rounding the resulting number down to the nearest whole number of shares of Parent Common Stock; (iii) the compensation committee of Parent's board of directors shall succeed to the authority and responsibility of the Company's board of directors or any committee thereof with respect to the administration of the Vivint Solar, Inc. 2014 Equity Incentive Plan; and (iv) the Vivint Solar, Inc. 2014 Equity Incentive Plan shall be subject to administrative procedures consistent with those in effect under Parent's equity compensation plan. As soon as practicable following the Effective Time, Parent shall file with the SEC a registration statement on Form S-8 (or any successor or other appropriate form) with respect to the shares of Parent Common Stock underlying such Converted Options, Converted RSUs, Converted PSUs and remaining share reserves of the Vivint Solar, Inc. 2014 Equity Incentive Plan as of the Effective Time, and shall use reasonable best efforts to maintain the effectiveness of such registration statement for so long as such registration of shares of Parent Common Stock issuable thereunder continues to be required.

## SECTION 2.3 Surrender of Company Shares.

(a) Exchange Agent. Prior to the Effective Time, Parent or Merger Sub shall enter into an agreement in form and substance reasonably acceptable to the Company with an exchange agent selected by Parent and reasonably acceptable to the Company, to act as agent for the stockholders of the Company in connection with the Merger (the "Exchange Agent") to receive the aggregate Per Share Merger Consideration to which the stockholders of the Company shall become entitled pursuant to Section 2.1(a). Immediately prior to the Effective Time, Parent shall deposit, or cause to be deposited, with the Exchange Agent, (1) certificates or evidence of shares in book-entry form representing the aggregate Per Share Merger Consideration and (2) cash in an amount equal to at least the aggregate amount of cash payable in lieu of fractional shares of Parent Common Stock pursuant to Section 2.5 to provide all shares of Parent Common Stock and funds necessary for the Exchange Agent to pay the aggregate Per Share Merger Consideration in exchange for all of the Company Shares outstanding immediately prior to the Effective Time (other than the Cancelled Company Shares) (such shares and cash being hereinafter referred to as the "Exchange Fund") in trust for the benefit of the holders of the Company Shares that will be converted into the right to receive the Per Share Merger Consideration pursuant to Section 2.1(a). The Exchange Agent shall invest the cash deposited in the Exchange Fund as reasonably directed by Parent; provided that such investments shall be in obligations of or guaranteed by the United States of America, in commercial paper obligations rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Corporation, respectively, in certificates of deposit, bank repurchase agreements or banker's acceptances of commercial banks with capital exceeding \$1 billion, or in money market funds having a rating in the highest investment category granted by a recognized credit rating agency at the time of acquisition or a combination of the foregoing and, in any such case, no such instrument shall have a maturity exceeding three months. To the extent that there are losses with respect to such investments, or the Exchange Fund diminishes for other reasons below the level required to make prompt payment of the amount of cash to be paid pursuant to Section 2.5, Parent shall promptly replace or restore, or cause to be replaced or restored, the cash in the Exchange Fund lost through such investments or other events so as to ensure that the Exchange Fund is at all times maintained at a level sufficient to make such cash payments. Any interest and other income resulting from such investment shall become a part of the Exchange Fund, and any amounts in excess of the amounts payable under Section 2.1(a) shall be promptly returned to Parent or the Surviving Corporation, as requested by Parent. The funds deposited with the Exchange Agent pursuant to this Section 2.3(a) shall not be used for any purpose other than as contemplated by this Section 2.3(a).

### (b) Exchange Procedures.

(i) Transmittal Materials. Promptly after the Effective Time (and in any event within three Business Days thereafter), the Surviving Corporation shall cause the Exchange Agent to mail or otherwise provide to each former holder of record of Company Shares represented by a certificate or certificates immediately prior to the Effective Time, if any ("Certificates"), and each former holder of record of Company Shares held in book-entry form ("Book-Entry Company Shares") (other than holders of Cancelled Company Shares) (A) transmittal materials, including a letter of transmittal in customary form as agreed by the Parties, specifying that delivery shall be effected, and risk of loss and title to the Certificates will pass, only upon delivery of the Certificates to the Exchange Agent or, with respect to Book-Entry Company Shares, only upon delivery of an "agent's message" regarding the book-entry transfer of Book-Entry Company Shares (or such other evidence, if any, of the transfer as the Exchange Agent may reasonably request), such transmittal materials to be in such form and have such other provisions as Parent and the Company may reasonably agree, and (B) instructions for use in effecting the surrender of the Certificates or Book-Entry Company Shares, as applicable, in exchange for the Per Share Merger Consideration.

(ii) Certificates. Upon surrender of Certificates for cancellation to the Exchange Agent, each holder of record of one or more Company Shares represented by Certificates, if any, shall be entitled to receive, and Parent shall cause the Exchange Agent to deliver as promptly as reasonably practicable after the Effective Time, a number of shares of Parent Common Stock equal to the product obtained by multiplying (A) the number of

Company Shares represented by such Certificates by (B) the Per Share Merger Consideration, and the Certificates so surrendered shall immediately be cancelled. No interest will be paid or accrued on any amount payable upon due surrender of the Certificates.

(iii) Book-Entry Company Shares. Notwithstanding anything to the contrary contained in this Agreement, any holder of Book-Entry Company Shares will not be required to deliver a Certificate to receive the Per Share Merger Consideration. In lieu thereof, each holder of record of one or more Book-Entry Company Shares (other than Cancelled Company Shares) shall upon receipt by the Exchange Agent of an “agent’s message” in customary form (it being understood that the holders of Book-Entry Company Shares shall be deemed to have surrendered such Company Shares upon receipt by the Exchange Agent of such “agent’s message” or such other evidence, if any, as the Exchange Agent may reasonably request) be entitled to receive, and Parent shall cause the Exchange Agent to deliver as promptly as reasonably practicable after the Effective Time, a number of shares of Parent Common Stock equal to the product obtained by multiplying (A) the number of Book-Entry Company Shares by (B) the Per Share Merger Consideration, and the Book-Entry Company Shares so surrendered shall immediately be cancelled. No interest will be paid or accrued on any amount payable upon due surrender of the Book-Entry Company Shares.

(iv) Unrecorded Transfers; Other Payments. In the event of a transfer of ownership of Company Shares that is not registered in the transfer records of the Company or if payment of the Per Share Merger Consideration is to be made to a Person other than the Person in whose name the surrendered Certificates or Book-Entry Company Shares, as applicable, is registered, a number of shares of Parent Common Stock to be exchanged upon due surrender of the Certificates or Book-Entry Company Shares, as applicable, may be issued to such transferee or other Person if the Certificates or Book-Entry Company Shares, as applicable, formerly representing such Company Shares is properly presented to the Exchange Agent accompanied by all documents required to evidence and effect such transfer and to evidence that any applicable transfer or other similar Taxes have been paid or are not applicable.

(v) Until surrendered as contemplated by this Section 2.3(b), each Certificate and Book-Entry Company Share (other than in respect of any Cancelled Company Shares) shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender (together, if applicable, with a letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may reasonably be required pursuant to such instructions (as applicable)) the applicable Per Share Merger Consideration as contemplated by this Article II. The Surviving Corporation shall pay all charges and expenses, including those of the Exchange Agent, in connection with the exchange of Company Shares for the Per Share Merger Consideration.

(c) Termination of Exchange Fund. Any portion of the Exchange Fund (including the proceeds of any investments thereof) that remains unclaimed by the former holders of Company Shares for 12 months after the Effective Time shall be delivered to the Surviving Corporation upon demand. Any holder of Company Shares represented by Certificates or Book-Entry Company Shares (other than Cancelled Company Shares) who has not theretofore complied with this Article II shall thereafter be entitled to look to the Surviving Corporation for delivery of the Per Share Merger Consideration (after giving effect to any required Tax withholdings as provided in Section 2.3(e)) upon delivery of evidence of Certificates or Book-Entry Company Shares acceptable to the Surviving Corporation, without any interest thereon in accordance with the provisions set forth in Section 2.3(b), and the Surviving Corporation shall remain liable for (subject to applicable abandoned property, escheat or other similar Laws) payment of such holder’s claim for the Per Share Merger Consideration payable upon due surrender of its Certificates or Book-Entry Company Shares. Notwithstanding anything to the contrary herein, none of the Surviving Corporation, Parent, the Company, the Exchange Agent or any other Person shall be liable to any former holder of Company Shares for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar Laws. Any amounts remaining unclaimed by such holders immediately prior to such time at which such amounts would otherwise escheat to or become property of any Governmental Entity shall become, to the extent permitted by applicable Law, the property of the Surviving Corporation, free and clear of all claims of interest of any Person previously entitled thereto.

(d) Transfers. From and after the Effective Time, the stock transfer books of the Company shall be closed, and there shall be no transfers on the stock transfer books of the Surviving Corporation of the Company Shares that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any evidence of a Certificate or Book-Entry Company Share is presented, and acceptable, to the Surviving Corporation, Parent or the Exchange Agent for transfer, subject to compliance with the procedures set forth in this Article II, it shall be cancelled and exchanged for the Per Share Merger Consideration (without interest). The Per Share Merger Consideration delivered upon surrender of Certificates or receipt by the Exchange Agent of an “agent’s message”, if applicable, in the case of Book-Entry Company Shares in accordance with the terms of this Article II, shall be deemed to have been paid in full satisfaction of all rights pertaining to the Company Shares formerly represented by such Certificates or Book-Entry Company Shares, as applicable.

(e) Withholding Rights. Each of the Exchange Agent, Parent, the Surviving Corporation and their Affiliates shall be entitled to (i) deduct and withhold from the consideration otherwise payable pursuant to this Agreement such amounts as are required to be deducted and withheld with respect to the making of such payment under the Code or any other applicable state, local or foreign Tax Law, and (ii) be provided any necessary Tax forms, including IRS Form W-9 or appropriate series of IRS Form W-8, as applicable, or any similar information necessary to determine whether any amounts are required to be deducted or withheld, from any person to whom such payment is required to be made. To the extent that amounts are so deducted or withheld, such deducted or withheld amounts (i) shall be remitted by the applicable withholding agent to the applicable Governmental Entity, and (ii) shall be treated for all purposes of this Agreement as having been paid to the person in respect of which such deduction and withholding was made.

SECTION 2.4 Adjustments. provided, however, with respect to the obligations of Parent to cause a Parent Joint Venture to take, or refrain from taking, any action, Parent's obligations set forth in this Section 5.2 shall apply only to the extent that any such matter is within the control of Parent or its subsidiaries; provided, further, and without limiting the foregoing, Parent shall not authorize or direct a Parent Joint Venture or any of its Representatives to take any action or omission that Parent would otherwise be prohibited from taking under this Section 5.2 or that Parent would be required under this Agreement to cause them (or any of them) not to take and, to the extent it has the right or ability to do so, will not permit any of them to take or omit from taking any such action and, in all events, will use reasonable best efforts to cause the Parent Joint Venture to take or omit from taking any such action.

SECTION 5.3 No Control of Other Party's Business. Without in any way limiting any Party's rights or obligations under this Agreement (including Sections 5.1 and 5.2), nothing contained in this Agreement shall give Parent or Merger Sub, directly or indirectly, the right to control or direct the Company's or its subsidiaries' operations prior to the Effective Time, and nothing contained in this Agreement shall give the Company, directly or indirectly, the right to control or direct Parent's or its subsidiaries' operations prior to the Effective Time. Prior to the Effective Time, each of the Company and Parent shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its subsidiaries' respective operations.

## ARTICLE VI ADDITIONAL AGREEMENTS

### SECTION 6.1 No Solicitation by Company: Company Acquisition Proposals.

(a) Except as expressly permitted by this Section 6.1, from the date of this Agreement until the Effective Time or, if earlier, the valid termination of this Agreement in accordance with Section 8.1, the Company shall not, shall cause its subsidiaries and its and its subsidiaries' respective executive officers and directors, and will use reasonable best efforts to cause the Company Joint Ventures and the Company's and its subsidiaries' and the Company Joint Ventures' respective directors, officers, employees, investment bankers, attorneys, accountants and other advisors or representatives (collectively, "Representatives") not to, directly or indirectly, (i) initiate, solicit or knowingly encourage or facilitate any inquiries with respect to, or the making of, or that could reasonably be expected to lead to, any Company Acquisition Proposal, (ii) engage in any negotiations or discussions with any Third Party concerning any Company Acquisition Proposal, or provide access to its properties, books and records or any confidential or nonpublic information or data to any Third Party relating to the Company, any of its subsidiaries, any of the Company Joint Ventures or any Company Project, or have or participate in any discussions with any Third Party, in connection with any of the foregoing, or (iii) unless this Agreement has been validly terminated in accordance with its terms, approve, authorize or enter into any term sheet, letter of intent, commitment, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement or other agreement (whether written or oral, binding or nonbinding) in connection with or relating to any Company Acquisition Proposal (other than an Acceptable Confidentiality Agreement). The Company also agrees that, immediately following the execution of this Agreement, it shall (and shall use reasonable best efforts to cause each of its subsidiaries and its and their Representatives to) immediately (1) cease any solicitations, discussions or negotiations with any Third Party in connection with a Company

Acquisition Proposal or any potential Company Acquisition Proposal or that would otherwise be prohibited by the first sentence of this Section 6.1(a), and (2) terminate each Third Party's access to any physical or electronic data rooms relating to any potential Company Acquisition Proposal. The Company also agrees that following the execution of this Agreement it will promptly request each Third Party that has prior to the date hereof executed a confidentiality agreement that is currently in effect in connection with a Company Acquisition Proposal or potential Company Acquisition Proposal to return or destroy all confidential information furnished to such Third Party by or on behalf of it or any of its subsidiaries prior to the date hereof. The Company shall promptly (and in any event within one Business Day after the Company's Knowledge of any such event) notify Parent of the receipt of (1) any Company Acquisition Proposal after the execution of this Agreement, (2) any inquiry, proposal, offer or request for information with respect to, or that could reasonably be expected to result in or lead to, a Company Acquisition Proposal, or (3) any discussions or negotiations sought to be initiated or continued with the Company, any of its subsidiaries or its or their Representatives concerning a Company Acquisition Proposal, which notice shall include a summary of the material terms of, and the identity of the Third Party making, such Company Acquisition Proposal, inquiry, offer, proposal or request for information and an unredacted copy of any Company Acquisition Proposal, inquiry, offer, proposal or request for information (including any proposed transaction agreements (including any drafts thereof and all schedules and exhibits thereto) relating to any Company Acquisition Proposal) made in writing (including electronically) and a summary of terms and conditions of any Company Acquisition Proposal, inquiry, offer, proposal or request for information not made in writing. Commencing upon the provision of any notice referred to above, the Company shall (A) keep Parent (and its outside counsel) reasonably informed on a reasonably current basis regarding the status and terms of discussions and negotiations relating to any such Company Acquisition Proposal, request or inquiry and (B) provide to Parent as promptly as practicable and in any event within twenty-four hours following receipt or delivery thereof unredacted copies of all correspondence and other writings or media (whether or not electronic) exchanged between the Company and any Third Party containing any of the terms or conditions of any Company Acquisition Proposal, including any proposed transaction agreements (and any drafts thereof and all schedules and exhibits thereto). Notwithstanding anything to the contrary herein, the Company may grant a waiver, amendment or release under any confidentiality or standstill agreement (but solely to the extent necessary to allow for a confidential and nonpublic Company Acquisition Proposal to be made to the Company or its Board of Directors) so long as the Company promptly (and in any event within twenty-four hours thereafter) notifies Parent thereof (including the identity of such counterparty) after granting any such waiver, amendment or release.

(b) Notwithstanding anything to the contrary in Section 6.1(a) or Section 6.4, nothing contained in this Agreement shall prevent the Company or its Board of Directors from:

(i) taking and disclosing to its stockholders a position contemplated by Rule 14d-9 or Rule 14e-2(a) promulgated under the Exchange Act (or any similar communication to stockholders in connection with the making or amendment of a tender offer or exchange offer), making a customary "stop-look-and-listen" communication to the stockholders of the Company pursuant to Rule 14d-9(f) under the Exchange Act or making any disclosure to the Company's stockholders to the extent that the Board of Directors of the Company has determined in good faith (after consultation with its outside legal counsel) that failing to do so would violate applicable Law or be inconsistent with its fiduciary duties under Delaware law (provided that nothing in this Section 6.1(b)(i) shall be deemed to permit the Company or the Board of Directors of the Company to make a Company Change of Recommendation except to the extent permitted by Section 6.4(b) or otherwise be deemed to modify or supplement the definition of Company Change of Recommendation);

(ii) prior to obtaining the Company Requisite Vote, corresponding in writing with any Third Party and its Representatives who has made a written Company Acquisition Proposal that was not solicited in material breach of Section 6.1(a), solely to inform them of the existence of the provisions of this Section 6.1;

(iii) prior to obtaining the Company Requisite Vote, (A) contacting and engaging in any negotiations or discussions with any Third Party who has made a Company Acquisition Proposal and

(B) providing access to the Company's or any of its subsidiaries' or the Company Joint Ventures' properties, books and records and providing information or data in response to a request therefor by a Third Party who has made a bona fide written Company Acquisition Proposal, in each case if, and only if, (1) such bona fide written Company Acquisition Proposal was made after the execution of this Agreement and did not result from a material breach of Section 6.1(a) (it being agreed that any breach of Section 6.1(a) that results in a Third Party or its Representatives making a Company Acquisition Proposal shall be deemed to be a material breach of Section 6.1(a) for purposes of this clause (1)) and (2) the Company's Board of Directors (I) shall have determined in good faith, after consultation with its outside legal counsel and financial advisor(s), that such Company Acquisition Proposal constitutes or could reasonably be expected to result in or lead to a Company Superior Proposal, (II) shall have determined in good faith, after consultation with its outside legal counsel, that the failure to do so would be inconsistent with its fiduciary duties under Delaware law, and (III) has received from the Third Party so requesting such information an executed Acceptable Confidentiality Agreement; provided that the Company shall provide to Parent and Merger Sub any information or data that is provided to any Third Party given such access that was not previously made available to Parent or Merger Sub prior to or substantially concurrently with the time it is provided to such Third Party (and in any event within twenty-four hours);

(iv) prior to obtaining the Company Requisite Vote, making a Company Change of Recommendation (but solely to the extent permitted by Section 6.4(b)); or

(v) resolving, authorizing, committing or agreeing to take any of the foregoing actions, to the extent such actions would be permitted by the foregoing clauses (i) through (iv).

(c) For purposes of this Agreement, the following terms shall have the meanings assigned below:

(i) "Company Acquisition Proposal" means any inquiry, proposal or offer from any Person (other than Parent or Merger Sub) or "group" (as defined pursuant to Section 13(d) of the Exchange Act) relating to any direct or indirect sale, acquisition or purchase, in each case whether by merger, consolidation, contribution, license, joint venture, sale-leaseback, exchange or otherwise, involving 20% or more of the consolidated revenues, consolidated net income (or loss) or consolidated assets of the Company and its subsidiaries, taken as a whole, 20% or more of the total voting power or equity securities of the Company, any tender offer or exchange offer that if consummated would result in any Person beneficially owning 20% or more of the total voting power or equity securities of the Company, or any merger, reorganization, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving the Company or any subsidiary of the Company which would result in any Person or "group" (as defined pursuant to Section 13(d) of the Exchange Act), or the equityholders of any such Person or "group" (as defined pursuant to Section 13(d) of the Exchange Act), beneficially owning, directly or indirectly, more than 20% of the voting power or equity securities of the Company or the surviving entity in a merger involving the Company or the resulting direct or indirect parent of the Company or such surviving entity.

(ii) "Company Superior Proposal" means a bona fide and written Company Acquisition Proposal (provided for this purpose, all references to "20%" in the definition of "Company Acquisition Proposal" will be deemed to be references to "50%") that did not result from a material breach of Section 6.1(a) (it being agreed that any breach of Section 6.1(a) that results in a Third Party or its Representatives making a Company Acquisition Proposal shall be deemed to be a material breach of Section 6.1(a) for purposes of this definition) or Section 6.1(b)(ii) that the Board of Directors of the Company in good faith determines, after consultation with its outside legal counsel and financial advisor(s), is more favorable, from a financial point of view, to the stockholders of the Company (in their capacity as such) than the Merger after taking into account the legal, financial (including the financing terms of any such proposal), regulatory, timing or other aspects of such proposal deemed relevant in good faith by the Board of Directors of the Company, the identity of the Person or "group" (as defined pursuant to Section 13(d) of the Exchange Act) making the proposal and any changes to the

terms of this Agreement offered in writing by Parent in response to such Company Superior Proposal pursuant to, and in accordance with, Section 6.4(b).

SECTION 6.2 No Solicitation by Parent: Parent Acquisition Proposals.

(a) Except as expressly permitted by this Section 6.2, from the date of this Agreement until the Effective Time or, if earlier, the valid termination of this Agreement in accordance with Section 8.1, Parent shall not, shall cause its subsidiaries and its and its subsidiaries' respective executive officers and directors, and will use reasonable best efforts to cause the Parent Joint Ventures and Parent's and its subsidiaries' and Parent Joint Ventures' Representatives not to, directly or indirectly, (i) initiate, solicit or knowingly encourage or facilitate any inquiries with respect to, or the making of, or that could reasonably be expected to lead to, any Parent Acquisition Proposal, (ii) engage in any negotiations or discussions with any Third Party concerning any Parent Acquisition Proposal, or provide access to its properties, books and records or any confidential or nonpublic information or data to any Third Party relating to Parent, any of its subsidiaries, any of the Parent Joint Ventures or any Parent Project, or have or participate in any discussions with any Third Party, in connection with any of the foregoing, or (iii) unless this Agreement has been validly terminated in accordance with its terms, approve, authorize or enter into any term sheet, letter of intent, commitment, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement or other agreement (whether written or oral, binding or nonbinding) in connection with or relating to any Parent Acquisition Proposal (other than an Acceptable Confidentiality Agreement). Parent also agrees that, immediately following the execution of this Agreement, it shall (and shall use reasonable best efforts to cause each of its subsidiaries and its and their Representatives to) immediately (1) cease any solicitations, discussions or negotiations with any Third Party in connection with a Parent Acquisition Proposal or any potential Parent Acquisition Proposal or that would otherwise be prohibited by the first sentence of this Section 6.2(a), and (2) terminate each Third Party's access to any physical or electronic data rooms relating to any potential Parent Acquisition Proposal. Parent also agrees that following the execution of this Agreement it will promptly request each Third Party that has prior to the date hereof executed a confidentiality agreement that is currently in effect in connection with a Parent Acquisition Proposal or potential Parent Acquisition Proposal to return or destroy all confidential information furnished to such Third Party by or on behalf of it or any of its subsidiaries prior to the date hereof. Parent shall promptly (and in any event within one Business Day after Parent's Knowledge of any such event) notify the Company of the receipt of (1) any Parent Acquisition Proposal after the execution of this Agreement, (2) any inquiry, proposal, offer or request for information with respect to, or that could reasonably be expected to result in or lead to, a Parent Acquisition Proposal, or (3) any discussions or negotiations sought to be initiated or continued with Parent, any of its subsidiaries or its or their Representatives concerning a Parent Acquisition Proposal, which notice shall include a summary of the material terms of, and the identity of the Third Party making, such Parent Acquisition Proposal, inquiry, offer, proposal or request for information and an unredacted copy of any Parent Acquisition Proposal, inquiry, offer, proposal or request for information (including any proposed transaction agreements (including any drafts thereof and all schedules and exhibits thereto) relating to any Parent Acquisition Proposal) made in writing (including electronically) and a summary of terms and conditions of any Parent Acquisition Proposal, inquiry, offer, proposal or request for information not made in writing. Commencing upon the provision of any notice referred to above, Parent shall (A) keep the Company (and its outside counsel) reasonably informed on a reasonably current basis regarding the status and terms of discussions and negotiations relating to any such Parent Acquisition Proposal, request or inquiry and (B) provide to the Company as promptly as practicable and in any event within twenty-four hours following receipt or delivery thereof unredacted copies of all correspondence and other writings or media (whether or not electronic) exchanged between Parent and any Third Party containing any of the terms or conditions of any Parent Acquisition Proposal, including any proposed transaction agreements (and any drafts thereof and all schedules and exhibits thereto). Notwithstanding anything to the contrary herein, Parent may grant a waiver, amendment or release under any confidentiality or standstill agreement (but solely to the extent necessary to allow for a confidential and nonpublic Parent Acquisition Proposal to be made to Parent or its Board of Directors) so long as Parent promptly (and in any event within twenty-four hours thereafter) notifies the Company thereof (including the identity of such counterparty) after granting any such waiver, amendment or release.

(b) Notwithstanding anything to the contrary in Section 6.2(a) or Section 6.4, nothing contained in this Agreement shall prevent Parent or its Board of Directors from:

(i) taking and disclosing to its stockholders a position contemplated by Rule 14d-9 or Rule 14e-2(a) promulgated under the Exchange Act (or any similar communication to stockholders in connection with the making or amendment of a tender offer or exchange offer), making a customary “stop-look-and-listen” communication to the stockholders of Parent pursuant to Rule 14d-9(f) under the Exchange Act or making any disclosure to Parent’s stockholders to the extent that the Board of Directors of Parent has determined in good faith (after consultation with its outside legal counsel) that failing to do so would violate applicable Law or be inconsistent with its fiduciary duties under Delaware law (provided that nothing in this Section 6.2(b)(i) shall be deemed to permit Parent or the Board of Directors of Parent to make a Parent Change of Recommendation except to the extent permitted by Section 6.4(d) or otherwise be deemed to modify or supplement the definition of Parent Change of Recommendation);

(ii) prior to obtaining the Parent Requisite Vote, corresponding in writing with any Third Party and its Representatives who has made a written Parent Acquisition Proposal that was not solicited in material breach of Section 6.2(a), solely to inform them of the existence of the provisions of this Section 6.2;

(iii) prior to obtaining the Parent Requisite Vote, (A) contacting and engaging in any negotiations or discussions with any Third Party who has made a Parent Acquisition Proposal and (B) providing access to Parent’s or any of its subsidiaries’ or the Parent Joint Ventures’ properties, books and records and providing information or data in response to a request therefor by a Third Party who has made a bona fide written Parent Acquisition Proposal, in each case if, and only if, (1) such bona fide written Parent Acquisition Proposal was made after the execution of this Agreement and did not result from a material breach of Section 6.2(a) (it being agreed that any breach of Section 6.2(a) that results in a Third Party or its Representatives making a Parent Acquisition Proposal shall be deemed to be a material breach of Section 6.2(a) for purposes of this clause (1)) and (2) Parent’s Board of Directors (I) shall have determined in good faith, after consultation with its outside legal counsel and financial advisor(s), that such Parent Acquisition Proposal constitutes or could reasonably be expected to result in or lead to a Parent Superior Proposal, (II) shall have determined in good faith, after consultation with its outside legal counsel, that the failure to do so would be inconsistent with its fiduciary duties under Delaware law, and (III) has received from the Third Party so requesting such information an executed Acceptable Confidentiality Agreement; provided that Parent shall provide to the Company any information or data that is provided to any Third Party given such access that was not previously made available to the Company prior to or substantially concurrently with the time it is provided to such Third Party (and in any event within twenty-four hours);

(iv) prior to obtaining the Parent Requisite Vote, making a Parent Change of Recommendation (but solely to the extent permitted by Section 6.4(d)); or

(v) resolving, authorizing, committing or agreeing to take any of the foregoing actions, to the extent such actions would be permitted by the foregoing clauses (i) through (iv).

(c) For purposes of this Agreement, the following terms shall have the meanings assigned below:

(i) “Parent Acquisition Proposal” means any inquiry, proposal or offer from any Person (other than the Company) or “group” (as defined pursuant to Section 13(d) of the Exchange Act) relating to any direct or indirect sale, acquisition or purchase, in each case whether by merger, consolidation, contribution, license, joint venture, sale-leaseback, exchange or otherwise, involving 20% or more of the consolidated revenues, consolidated net income (or loss) or consolidated assets of Parent and its subsidiaries, taken as a whole, 20% or more of the total voting power or equity securities of Parent, any tender offer or exchange offer that if consummated would result in any Person beneficially owning 20% or more of the total voting power or equity securities of Parent, or any merger, reorganization,

consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving Parent or any subsidiary of Parent which would result in any Person or “group” (as defined pursuant to Section 13(d) of the Exchange Act), or the equityholders of any such Person or “group” (as defined pursuant to Section 13(d) of the Exchange Act), beneficially owning, directly or indirectly, more than 20% of the voting power or equity securities of Parent or the surviving entity in a merger involving Parent or the resulting direct or indirect parent of Parent or such surviving entity.

(ii) “Parent Superior Proposal” means a bona fide and written Parent Acquisition Proposal (provided for this purpose, all references to “20%” in the definition of “Parent Acquisition Proposal” will be deemed to be references to “50%”) that did not result from a material breach of Section 6.2(a) (it being agreed that any breach of Section 6.2(a) that results in a Third Party or its Representatives making a Parent Acquisition Proposal shall be deemed to be a material breach of Section 6.2(a) for purposes of this definition) or Section 6.2(b)(ii) that the Board of Directors of Parent in good faith determines, after consultation with its outside legal counsel and financial advisor(s), is more favorable, from a financial point of view, to the stockholders of Parent (in their capacity as such) than the Merger after taking into account the legal, financial (including the financing terms of any such proposal), regulatory, timing or other aspects of such proposal deemed relevant in good faith by the Board of Directors of Parent, the identity of the Person or “group” (as defined pursuant to Section 13(d) of the Exchange Act) making the proposal and any changes to the terms of this Agreement offered in writing by the Company in response to such Parent Superior Proposal pursuant to, and in accordance with, Section 6.4(d).

### SECTION 6.3 Joint Proxy Statement/Prospectus.

(a) Parent and the Company shall prepare and file with the SEC, as promptly as practicable after the date of this Agreement, a joint proxy statement relating to the meeting of Parent’s stockholders to be held for the purpose of obtaining the Parent Requisite Vote and the meeting of the Company’s stockholders to be held for the purpose of obtaining the Company Requisite Vote, in each case, in connection with this Agreement and the Merger (including any amendments or supplements thereto, the “Joint Proxy Statement”) and Parent shall promptly prepare and file with the SEC a registration statement on Form S-4 (the “Registration Statement”), in which the Joint Proxy Statement will be included as a prospectus, in connection with the registration under the Securities Act of the Parent Common Stock to be issued under this Agreement. Each of Parent and the Company shall use its reasonable best efforts to cause the Registration Statement and the Joint Proxy Statement to comply with the rules and regulations promulgated by the SEC, to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing and to keep the Registration Statement effective as long as is necessary to consummate the Merger. Each of Parent and the Company shall furnish all information concerning it as may reasonably be requested by the other Party in connection with such actions and the preparation of the Registration Statement and the Joint Proxy Statement. Promptly (but in any event no more than five Business Days) after the Registration Statement is declared effective under the Securities Act, Parent and the Company will cause the Joint Proxy Statement to be mailed to their respective stockholders.

(b) Each of Parent and the Company shall provide the other parties with copies of any written comments, and shall inform such other parties of any oral comments, that Parent receives from the SEC or its staff with respect to the Registration Statement promptly after the receipt of such comments and shall give the other parties a reasonable opportunity to review and comment on any proposed written or oral responses to such comments prior to responding to the SEC or its staff or and any amendment to the Registration Statement in response thereto prior to filing such amendment. If Parent or the Company becomes aware that any information contained in the Registration Statement shall have become false or misleading in any material respect or that the Registration Statement is required to be amended in order to comply with applicable Law, then (i) such Party shall promptly inform the other Parties and (ii) Parent, on the one hand, and the Company, on the other hand, shall cooperate and mutually agree upon (such agreement not to be unreasonably withheld or delayed) an

amendment or supplement to the Registration Statement. Parent and the Company shall use reasonable best efforts to cause the Registration Statement as so amended or supplemented, to be filed with, and declared effective by, the SEC.

#### SECTION 6.4 Stockholders Meetings.

(a) The Company, acting through its Board of Directors (or a committee thereof), shall as promptly as practicable following the date that the Registration Statement becomes effective take all action required under the DGCL, the Company Certificate of Incorporation, the Company Bylaws and the applicable requirements of the New York Stock Exchange necessary to promptly and duly call, give notice of, convene and hold as promptly as practicable a meeting of its stockholders for the purpose of obtaining the Company Requisite Vote in connection with this Agreement (including any adjournment or postponement thereof, the “Company Stockholders Meeting”); provided that the Company may not postpone or adjourn such meeting except (i) the Company may postpone or adjourn such meeting if, after consultation with Parent, the Board of Directors of the Company in good faith determines, after consultation with its outside legal counsel, that the failure to adjourn or postpone the meeting would be inconsistent with its fiduciary duties under applicable Law (and, in such case, only postpone or adjourn the Company Stockholders Meeting to the extent reasonably necessary to mitigate such potential inconsistency) and (ii) the Company may (or, if Parent so requests, the Company shall) postpone or adjourn such meeting for up to 30 calendar days if, as of the time for which the Company Stockholders Meeting is originally scheduled (as set forth in the Joint Proxy Statement) there are (A) insufficient Company Shares represented (either in person or by proxy) and voting to constitute a quorum necessary to conduct the business of the Company Stockholders Meeting or (B) insufficient Company Shares represented (either in person or by proxy) and voting to obtain the Company Requisite Vote, whether or not a quorum is present. Subject to any postponement or adjournment in accordance with the foregoing sentence, the Company shall use its reasonable best efforts to cause the Company Stockholders Meeting to occur as soon as reasonably practicable (after taking into account any requirements of applicable Law) and on the same date as the Parent Stockholders Meeting. In the event that the Company postpones or adjourns the Company Stockholders Meeting, Parent may postpone or adjourn the Parent Stockholders Meeting such that the Company Stockholders Meeting and the Parent Stockholders Meeting are scheduled on the same date. Notwithstanding anything to the contrary herein, unless this Agreement has been terminated in accordance with its terms, the Company Stockholders Meeting shall be convened and this Agreement shall be submitted to the Company’s stockholders at the Company Stockholders Meeting, and nothing contained herein shall be deemed to affect such obligation. The Company agrees (i) to provide Parent and its Representatives with reasonably detailed periodic updates concerning proxy solicitation results and (ii) upon Parent’s request, to give written notice (which may be given via e-mail) to Parent one day prior to, and on the date of, the Company Stockholders Meeting, indicating whether, as of such date, sufficient proxies representing the Company Requisite Vote have been obtained.

(b) The Company and its Board of Directors shall each use its reasonable best efforts to obtain from the Company’s stockholders the Company Requisite Vote, including by communicating to its stockholders the Company Recommendation (and including such recommendation in the Joint Proxy Statement), and neither the Company nor the Board of Directors of Company may (A) withhold, withdraw, modify or qualify in a manner adverse to Parent the Company Recommendation, (B) fail to make the Company Recommendation in the Joint Proxy Statement, (C) adopt, approve, recommend or endorse a Company Acquisition Proposal or publicly announce an intention to adopt, approve, recommend or endorse a Company Acquisition Proposal, (D) fail to publicly and without qualification (I) recommend against any Company Acquisition Proposal or (II) reaffirm the Company Recommendation, in each case within ten Business Days (or such fewer number of days as remains prior to the Company Stockholders Meeting) after a Company Acquisition Proposal is made public if requested by Parent to do so, or (E) publicly propose to do any of the foregoing (any of the foregoing, a “Company Change of Recommendation”); provided that the Company or the Board of Directors of the Company may make a Company Change of Recommendation and, following such Company Change of Recommendation, may fail to use such reasonable best efforts, in each case, only if: in response to a Company Superior Proposal or Company Intervening Event (x) the Board of Directors of the Company shall have determined in good faith, after

consultation with outside legal counsel to the Company, that the failure of the Board of Directors of the Company to effect a Company Change of Recommendation would be inconsistent with its fiduciary duties under Delaware law, (y) (1) upon such determination the Company shall have delivered to Parent a written notice (a "Company Notice") advising Parent that the Company's Board of Directors proposes to take such action and, with respect to a Company Superior Proposal, describing the material terms and conditions of, and attaching a complete copy of, the Company Superior Proposal that is the basis of such action (including unredacted copies of the current drafts of all agreements, commitment letters and other documentation (and schedules and exhibits thereto) that relate to such Company Superior Proposal), or a detailed description of the facts and circumstances with respect to the Company Intervening Event and the reasons for the Company's determination in subclause (x) above, as applicable, (2) if requested by Parent, the Company shall have, and shall have caused its subsidiaries to, and shall have used its reasonable best efforts to cause its and their Representatives to, during the period from the time the Company Notice is provided until 11:59 p.m. New York City time on the third Business Day immediately following the day on which the Company delivered the Company Notice (the "Company Notice Period"), engage in good faith negotiations with Parent and its Representatives to make such adjustments in the terms and conditions of this Agreement so that such Company Acquisition Proposal or Company Intervening Event would cease to constitute a Company Superior Proposal or Company Intervening Event and (3) following the expiration of the Company Notice Period, the Board of Directors of the Company shall have determined in good faith (after consultation with its outside counsel and financial advisor(s)) that such Company Acquisition Proposal continues to constitute a Company Superior Proposal or that there continues to be a Company Intervening Event and in such case, as applicable, the failure of the Board of Directors of the Company to effect a Company Change of Recommendation would be inconsistent with its fiduciary duties under Delaware law and (z) the Company shall have complied with its obligations under this Section 6.4(b). The Parties agree that any material revision, amendment, update or supplement to the terms and conditions of such Company Superior Proposal shall be deemed to constitute a new Company Superior Proposal and shall require a new Company Notice and a new Company Notice Period. Notwithstanding anything to the contrary contained in this Agreement, the Company shall not be required to hold the Company Stockholders Meeting if this Agreement is validly terminated.

(c) Parent, acting through its Board of Directors (or a committee thereof), shall as promptly as practicable following the date that the Registration Statement becomes effective take all action required under the DGCL, the Parent Certificate of Incorporation, the Parent Bylaws and the applicable requirements of NASDAQ necessary to promptly and duly call, give notice of, convene and hold as promptly as practicable a meeting of its stockholders for the purpose of obtaining the Parent Requisite Vote in connection with this Agreement (including any adjournment or postponement thereof, the "Parent Stockholders Meeting"); provided that Parent may not postpone or adjourn such meeting except (i) Parent may postpone or adjourn such meeting if, after consultation with the Company, the Board of Directors of Parent in good faith determines, after consultation with its outside legal counsel, that the failure to adjourn or postpone the meeting would be inconsistent with its fiduciary duties under applicable Law (and, in such case, only postpone or adjourn the Parent Stockholders Meeting to the extent reasonably necessary to mitigate such potential inconsistency) and (ii) Parent may (or, if the Company so requests, Parent shall) postpone or adjourn such meeting for up to 30 calendar days if, as of the time for which the Parent Stockholders Meeting is originally scheduled (as set forth in the Joint Proxy Statement) there are (A) insufficient Parent Shares represented (either in person or by proxy) and voting to constitute a quorum necessary to conduct the business of the Parent Stockholders Meeting or (B) insufficient Parent Shares represented (either in person or by proxy) and voting to obtain the Parent Requisite Vote, whether or not a quorum is present. Subject to any postponement or adjournment in accordance with the foregoing sentence, Parent shall use its reasonable best efforts to cause the Parent Stockholders Meeting to occur as soon as reasonably practicable (after taking into account any requirements of applicable Law) and on the same date as the Company Stockholders Meeting. In the event that Parent postpones or adjourns the Parent Stockholders Meeting, the Company may postpone or adjourn the Company Stockholders Meeting such that the Company Stockholders Meeting and the Parent Stockholders Meeting are scheduled on the same date. Notwithstanding anything to the contrary herein, unless this Agreement has been terminated in accordance with its terms, the Parent Stockholders Meeting shall be convened and this Agreement shall be submitted to Parent's stockholders at the Parent Stockholders Meeting, and nothing contained herein shall be deemed to affect such obligation. Parent agrees

(i) to provide the Company and its Representatives with reasonably detailed periodic updates concerning proxy solicitation results on a timely basis and (ii) upon the Company's request, to give written notice (which may be given via e-mail) to the Company one day prior to, and on the date of, the Parent Stockholders Meeting, indicating whether, as of such date, sufficient proxies representing the Parent Requisite Vote have been obtained.

(d) Parent and its Board of Directors shall each use its reasonable best efforts to obtain from Parent's stockholders the Parent Requisite Vote, including by communicating to its stockholders the Parent Recommendation (and including such recommendation in the Joint Proxy Statement), and neither Parent nor the Board of Directors of Parent may (A) withhold, withdraw, modify or qualify in a manner adverse to the Company the Parent Recommendation, (B) fail to make the Parent Recommendation in the Joint Proxy Statement, (C) adopt, approve, recommend or endorse a Parent Acquisition Proposal or publicly announce an intention to adopt, approve, recommend or endorse a Parent Acquisition Proposal, (D) fail to publicly and without qualification (I) recommend against any Parent Acquisition Proposal or (II) reaffirm the Parent Recommendation, in each case within ten Business Days (or such fewer number of days as remains prior to the Parent Stockholders Meeting) after a Parent Acquisition Proposal is made public if requested by the Company to do so, or (E) publicly propose to do any of the foregoing (any of the foregoing, a "Parent Change of Recommendation"); provided that Parent or the Board of Directors of Parent may make a Parent Change of Recommendation and, following such Parent Change of Recommendation, may fail to use such reasonable best efforts, in each case, only if: in response to a Parent Superior Proposal or Parent Intervening Event (x) the Board of Directors of Parent shall have determined in good faith, after consultation with outside legal counsel to Parent, that the failure of the Board of Directors of Parent to effect a Parent Change of Recommendation would be inconsistent with its fiduciary duties under Delaware law, (y) (1) upon such determination Parent shall have delivered to the Company a written notice (a "Parent Notice") advising the Company that Parent's Board of Directors proposes to take such action and, with respect to a Parent Superior Proposal, describing the material terms and conditions of, and attaching a complete copy of, the Parent Superior Proposal that is the basis of such action (including unredacted copies of the current drafts of all agreements, commitment letters and other documentation (and schedules and exhibits thereto) that relate to such Parent Superior Proposal), or a detailed description of the facts and circumstances with respect to the Parent Intervening Event and the reasons for Parent's determination in subclause (x) above, as applicable, (2) if requested by the Company, Parent shall have, and shall have caused its subsidiaries to, and shall have used its reasonable best efforts to cause its and their Representatives to, during the period from the time the Parent Notice is provided until 11:59 p.m. New York City time on the third Business Day immediately following the day on which Parent delivered the Parent Notice (the "Parent Notice Period"), engage in good faith negotiations with the Company and its Representatives to make such adjustments in the terms and conditions of this Agreement so that such Parent Acquisition Proposal or Parent Intervening Event would cease to constitute a Parent Superior Proposal or Parent Intervening Event and (3) following the expiration of the Parent Notice Period, the Board of Directors of Parent shall have determined in good faith (after consultation with its outside counsel and financial advisor(s)) that such Parent Acquisition Proposal continues to constitute a Parent Superior Proposal or that there continues to be a Parent Intervening Event and in such case, as applicable, the failure of the Board of Directors of Parent to effect a Parent Change of Recommendation would be inconsistent with its fiduciary duties under Delaware law and (z) Parent shall have complied with its obligations under this Section 6.4(d). The Parties agree that any material revision, amendment, update or supplement to the terms and conditions of such Parent Superior Proposal shall be deemed to constitute a new Parent Superior Proposal and shall require a new Parent Notice and a new Parent Notice Period. Notwithstanding anything to the contrary contained in this Agreement, Parent shall not be required to hold the Parent Stockholders Meeting if this Agreement is validly terminated.

#### SECTION 6.5 Further Action; Efforts.

(a) Subject to the terms and conditions of this Agreement, each Party will use reasonable best efforts to (and, in the case of Parent, cause each of its subsidiaries and Affiliates (collectively, the "Parent Group") to) take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws and regulations to consummate the Merger and the other transactions contemplated by this

Agreement. In furtherance and not in limitation of the foregoing, each Party hereto agrees to (i) make an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the transactions contemplated hereby as promptly as practicable and in any event within 10 Business Days of the date hereof, unless the Parties agree otherwise and (ii) supply as promptly as reasonably practicable any additional information and documentary material that may be requested pursuant to the HSR Act and to take any and all other actions necessary, proper or advisable to cause the expiration or termination of the applicable waiting periods under the HSR Act as soon as practicable. Each Party shall cause the filings made by it under the HSR Act to be considered for grant of “early termination” of the waiting period.

(b) Each of Parent Group and Merger Sub, on the one hand, and the Company, on the other hand, shall, in connection with the efforts referenced in Section 6.5(a) to obtain all requisite approvals and authorizations or expiration of waiting periods for the transactions contemplated by this Agreement under the HSR Act or any other Antitrust Law, use its reasonable best efforts to (i) cooperate in all respects with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party; (ii) subject to applicable Law, furnish to the other Party as promptly as reasonably practicable all information required for any application or other filing to be made by the other Party pursuant to any applicable Law in connection with the transactions contemplated by this Agreement; (iii) promptly notify the other Party of any substantive communication received by such Party from, or given by such Party to, the Federal Trade Commission (the “FTC”), the Antitrust Division of the Department of Justice (the “DOJ”) or any other U.S. or foreign Governmental Entity and of any substantive communication received or given in connection with any proceeding by a private Party, in each case regarding any of the transactions contemplated hereby and, subject to applicable Law, furnish the other Party promptly with copies of all correspondence, filings and communications between them and the FTC, the DOJ or any other Governmental Entity with respect to the transactions contemplated by this Agreement; (iv) respond as promptly as reasonably practicable to any inquiries received from, and supply as promptly as reasonably practicable any additional information or documentation that may be requested by the FTC, the DOJ, or by any other Governmental Entity in respect of such registrations, declarations and filings or such transactions; and (v) permit the other Party to review any substantive communication given by it to, and consult with each other in advance, and consider in good faith the other Party’s reasonable comments in connection with, any filing, notice, application, submission, communication, meeting or conference with, the FTC, the DOJ or any other Governmental Entity or, in connection with any proceeding by a private party, with any other Person; provided, however, that to the extent any of the documents or information provided pursuant to this Section 6.5 are commercially or competitively sensitive, the Company or Parent, as the case may be, may satisfy its obligations by providing such documents or information to the other Party’s outside counsel, with the understanding and agreement that such counsel shall not share such documents and information with its client; provided, further, that materials may also be redacted (x) to remove references concerning the valuation of the Company, (y) as necessary to comply with contractual arrangements, and (z) as necessary to address reasonable attorney-client or other privilege or confidentiality concerns, to the extent that that such attorney-client or other privilege or confidentiality concerns are not governed by a common interest privilege or doctrine. Such materials and the information contained therein shall be given only to outside legal counsel of the recipient and will not be disclosed by such outside legal counsel to any other Representatives of the recipient without the advance written consent of the Party providing materials designated as such. No Party shall independently participate in any substantive meeting or communication with any Governmental Entity in respect of any such filings, investigation or other inquiry in connection with this Agreement or the transactions contemplated by this Agreement without giving the other Parties sufficient prior notice of the meeting or communication and, to the extent permitted by such Governmental Entity, the opportunity to attend and/or participate in such substantive meeting or communication.

(c) Parent shall (i) at the written direction of the Company, after consultation with Parent and to the extent determined by the Company in good faith to be appropriate in the context of Parent seeking to obtain the expiration or termination of the waiting period under the HSR Act as expeditiously as possible, “pull and refile,” pursuant to 16 C.F.R. 803.12, the filing made under the HSR Act on one (but not more than one) occasion and (ii) be permitted, after consultation with the Company, to the extent determined by Parent in good faith to be

appropriate in the context of seeking to obtain the expiration or termination of the waiting period under the HSR Act as expeditiously as possible, to “pull and refile” the filing made under the HSR Act on one (but not more than one) occasion. Parent shall not “pull and refile” such filing on more than one occasion without the Company’s prior written consent. In the event Parent “pulls and refiles”, pursuant to 16 C.F.R. 803.12, the filing made under the HSR Act, the “refiling” pursuant to any such “pull and refile” must be submitted no later than 48 hours after the filing is withdrawn, unless otherwise agreed by the Company in writing.

(d) Except as otherwise provided in this Section 6.5, no Party shall commit to or agree with any Governmental Entity to stay, toll or extend any applicable waiting period under the HSR Act or enter into a timing agreement, including any agreement to delay the consummation or not to consummate the transactions contemplated hereby, with any Governmental Entity without the prior written consent of the other Party, the provision of which consent shall be determined by such other Party in good faith and provided in a timely manner if determined by such Party to be appropriate in the context of seeking to obtain the expiration or termination of the waiting period under the HSR Act. For purposes of this Agreement, “Antitrust Law” means the Sherman Antitrust Act of 1890, the Clayton Antitrust Act of 1914, the HSR Act, the Federal Trade Commission Act of 1914 and all other federal, state and foreign, if any, statutes, rules, regulations, orders, decrees, administrative and judicial doctrines and other laws that are designed or intended to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade or lessening of competition through merger or acquisition.

(e) In furtherance and not in limitation of the foregoing, Parent shall, and shall cause its subsidiaries to, take any and all steps necessary to (x) resolve, avoid, or eliminate impediments or objections, if any, that may be asserted with respect to the transactions contemplated by this Agreement under any Antitrust Law or (y) avoid the entry of, effect the dissolution of, and have vacated, lifted, reversed or overturned, any decree, order or judgment that would prevent, prohibit, restrict or delay the consummation of the contemplated transactions, so as to enable the Parties to close the contemplated transactions expeditiously (but in no event later than the End Date). In furtherance, but without limiting the foregoing, Parent shall, and shall cause its Affiliates and Subsidiaries to, (i) propose, negotiate, commit to and effect, by consent decree, hold separate orders or otherwise, the sale, divestiture, disposition, or license of any assets, properties, products, rights, services or businesses of Parent, Parent’s subsidiaries, Parent’s Affiliates, or the Company, its subsidiaries or the Company Joint Ventures or any interest therein, or agree to any other structural or conduct remedy, and (ii) otherwise take or commit to take any actions that would limit Parent’s, Parent’s subsidiaries, the Parent Joint Ventures’ or the Company’s, its subsidiaries’ or the Company Joint Ventures’ freedom of action with respect to, or its or their ability to retain any assets, properties, products, rights, services or businesses of Parent, Parent’s subsidiaries or the Parent Joint Ventures, or the Company, its subsidiaries or the Company Joint Ventures or any interest or interests therein (any such action, a “Remedy”); provided, that Parent, its subsidiaries and the Parent Joint Ventures shall not be permitted to take or commit to take any Remedy with respect to the Company or any of its subsidiaries or Company Joint Ventures the effectiveness of which is not conditioned on the Closing occurring; provided, further, that, notwithstanding anything in this Agreement to the contrary, Parent, its subsidiaries and the Parent Joint Ventures shall not be required to take or commit to take any Remedy that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the financial condition of Parent, the Company, their respective subsidiaries, the Company Joint Ventures and the Parent Joint Ventures, taken as a whole, after the Effective Time. For the purposes of this Section 6.5(e), a material adverse effect shall be measured relative to the size of the Company, its subsidiaries and the Company Joint Ventures, taken as a whole, regardless of whether such actions are imposed on, or affect Parent, the Company, any of their respective Subsidiaries, the Company Joint Ventures or the Parent Joint Ventures.

(f) Notwithstanding the foregoing, the Company shall not be required to agree to any term or take any action in connection with its obligations under Section 6.5(e) that is not conditioned upon consummation of the Merger. Notwithstanding anything in this Agreement to the contrary, nothing in Section 6.5 or elsewhere in this Agreement (x) shall require or obligate the Company to agree or otherwise be required to, take any action, including any action contemplated by Section 6.5(e), with respect to the Company or its Affiliates (including The

Blackstone Group Inc. and any investment funds or investment vehicles affiliated with, or managed or advised by, The Blackstone Group Inc., or any portfolio company (as such term is commonly understood in the private equity industry) or investment of The Blackstone Group Inc. or of any such investment fund or investment vehicle) other than the Company, its subsidiaries and the Company Joint Ventures or (y) shall require or obligate Parent to agree or otherwise be required to, take any action, including any action contemplated by Section 6.5(e), with respect to Parent or its Affiliates (including Tiger Global Management, LLC and any investment funds or investment vehicles affiliated with, or managed or advised by, Tiger Global Management, LLC, or any portfolio company (as such term is commonly understood in the private equity industry) or investment of Tiger Global Management, LLC or of any such investment fund or investment vehicle) other than with respect to Parent, its subsidiaries and the Parent Joint Ventures.

(g) In the event that any administrative or judicial action or proceeding is instituted (or threatened to be instituted) by a Governmental Entity or private party challenging the Merger or any other transaction contemplated by this Agreement, or any other agreement contemplated hereby, each of Parent, Merger Sub and the Company shall, and Parent shall cause each member of the Parent Group to, cooperate in all respects with each other and use its respective reasonable best efforts to contest and resist any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the transactions contemplated by this Agreement.

(h) Neither Party nor any of its controlled Affiliates shall merge with or into or consolidate with, or purchase or sell a portion of the assets of or equity in, or acquire or sell by any other manner, any business or any corporation, partnership, association or other business organization or division thereof, or agree to do any of the foregoing, if the entering into of a definitive agreement relating to, or the consummation of, such transaction, would reasonably be expected to: (i) impose any material delay in the obtaining of, or materially increase the risk of not obtaining, any consents of any Governmental Entity necessary to consummate the transactions contemplated by this Agreement or the expiration or termination of any applicable waiting period under the HSR Act; (ii) materially increase the risk of any Governmental Entity entering an order prohibiting the consummation of the Merger; or (iii) materially increase the risk of not being able to remove any such order on appeal or otherwise.

SECTION 6.6 Notification of Certain Matters. The Company shall give prompt notice to Parent, and Parent shall give prompt notice to the Company, of (a) any notice or other communication received by such Party from any Governmental Entity in connection with the Merger or the other transactions contemplated hereby or from any Person alleging that the consent of such Person is or may be required in connection with the Merger or the other transactions contemplated herein, if the subject matter of such communication or the failure of such Party to obtain such consent would reasonably be expected to be material to the Company, the Surviving Corporation or Parent, (b) any Actions commenced or, to such Party's Knowledge, threatened against, relating to or involving or otherwise affecting such Party or any of its subsidiaries which relate to the Merger or the other transactions contemplated hereby, (c) to such Party's Knowledge, any representation or warranty made by such Party contained in this Agreement becomes untrue or inaccurate such that it would be reasonable to expect that the applicable closing conditions would be incapable of being satisfied by the End Date or (d) to such Party's Knowledge, any failure to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement such that it would be reasonable to expect that the applicable closing conditions would be incapable of being satisfied by the End Date; provided that the delivery of any notice pursuant to this Section 6.6 shall not (i) cure any breach of, or non-compliance with, any other provision of this Agreement or (ii) limit the remedies available to the Party receiving such notice. The Parties agree and acknowledge that the Company's, on the one hand, and Parent's, on the other hand, compliance or failure of compliance with this Section 6.6 shall not be taken into account for purposes of determining whether the condition referred to in Section 7.2(b) or Section 7.3(b), respectively, shall have been satisfied with respect to performance in all material respects with this Section 6.6.

SECTION 6.7 Access to Information; Confidentiality.

(a) From the date hereof to the Effective Time or the earlier valid termination of this Agreement, upon reasonable prior written notice from a Party or its Representatives, the other Party and its subsidiaries shall, and shall use their respective reasonable best efforts to cause their respective officers, directors and employees to, afford such Party and its Representatives reasonable access, consistent with applicable Law, during normal business hours to such other Party's and its subsidiaries' officers, employees, assets, reports, correspondence and books and records and to furnish any other documents and information reasonably requested by such Party or its Representatives. Notwithstanding the foregoing, any such investigation or consultation shall be conducted in such a manner as not to interfere unreasonably with the business or operations of the Company or its subsidiaries or Parent or its subsidiaries (as applicable) or otherwise result in any significant interference with the prompt and timely discharge by such officers, employees and other authorized Representatives of their normal duties and shall not include any environmental sampling or testing. No Party nor any of its subsidiaries shall be required to provide access or to disclose information where such access or disclosure would jeopardize any attorney-client privilege of such Person, or contravene any applicable Law, rule, regulation, order, judgment, decree or binding agreement entered into prior to the date of this Agreement; provided that such Party shall use its reasonable best efforts (i) to allow for such access or disclosure in a manner that does not result in a loss of attorney-client privilege or (ii) to develop an alternative to providing such information so as to address such matters that is reasonably acceptable to Parent and the Company.

(b) Each of Parent and Merger Sub will hold and use all information furnished by or on behalf of the Company pursuant to this Section 6.7 in accordance with the terms and conditions of the Confidentiality and Non-Disclosure Agreement, dated January 8, 2020, between the Company and Parent (the "Confidentiality Agreement"), which Confidentiality Agreement shall remain in full force and effect in accordance with its terms, notwithstanding Section 5(b) thereof.

SECTION 6.8 Stock Exchange Delisting. Prior to the Closing Date, the Company shall cooperate with Parent and use its reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable Laws and rules and policies of the New York Stock Exchange to enable the delisting by the Surviving Corporation of the Company Shares from the New York Stock Exchange as promptly as practicable after the Effective Time and the deregistration of the Company Shares under the Exchange Act at the Effective Time.

SECTION 6.9 Publicity. The initial press release regarding the Merger shall be a joint press release and, except in connection with a Company Acquisition Proposal, a Company Change of Recommendation, a Parent Acquisition Proposal or a Parent Change of Recommendation (in each case, if and to the extent permitted by this Agreement), thereafter the Company and Parent shall consult with each other prior to issuing any press releases or otherwise making public communications with respect to the Merger and the other transactions contemplated by this Agreement and prior to making any filings with any third party and/or any Governmental Entity (including any national securities exchange or interdealer quotation service) with respect thereto, except as may be required by Law or by obligations pursuant to any listing agreement with or rules of any national securities exchange or interdealer quotation service or by the request of any Governmental Entity (or by the fiduciary duties of its Board of Directors as reasonably determined by its Board of Directors), in each case, as determined in the good faith judgment of the Party proposing to make such release (in which case, such Party shall not issue or cause the publication of such press release or other public communication without prior consultation with the other Party); provided, however, that the foregoing shall not apply to (a) antitrust matters which are exclusively addressed by Section 6.5 and (b) any statements included in a press release or public communication with respect to the Merger and the other transactions contemplated by this Agreement that are substantially similar (and identical in any material respect) to those in the Registration Statement or in previous press releases or public communications made by the Company or Parent in accordance with this Section 6.9.

SECTION 6.10 Employee Benefits.

(a) For a period ending on the first anniversary of the Effective Time (the “Benefit Continuation Period”), Parent shall provide, or shall cause the Surviving Corporation to provide, to each employee of the Company or its subsidiaries who continues to be employed by the Surviving Corporation or any subsidiary or Affiliate thereof (the “Continuing Employees”), (i) a salary, wage, and target cash bonus opportunity that, in the aggregate, is no less favorable than the salary, wage, and target cash bonus opportunity that was provided to such Continuing Employee immediately prior to the Effective Time, (ii) equity or equity-based compensation opportunities that are no less favorable in the aggregate than the equity or equity-based compensation opportunities that are provided to similarly situated employees of Parent and (iii) employee benefits (other than any corporate sale or similar transaction-related payment or benefit, defined benefit pension benefits, retiree health or retiree life insurance benefits, nonqualified deferred compensation benefits, and equity or equity-based compensation) that are no less favorable in the aggregate to the employee benefits (other than any corporate sale or transaction-related payment or benefit, defined benefit pension benefits, retiree health or retiree life insurance benefits, nonqualified deferred compensation benefits, and equity or equity-based compensation) provided to such Continuing Employee immediately prior to the Effective Time; provided, that, the foregoing shall not apply (x) with respect to Continuing Employees for whom a significant portion of compensation is based on commissions or (y) to the extent Parent adopts salary reduction program for all of Parent and Parent’s affiliates of no more than 30% of base salary and wages and no more than 30% of target annual bonus that is applied similarly to all similarly situated employees (including similarly situated Continuing Employees). For the duration of the Benefit Continuation Period, Parent or one of its Affiliates shall maintain for the benefit of each Continuing Employee a severance or termination arrangement no less favorable than the severance or termination arrangement provided to such Continuing Employee immediately prior to the Effective Time (or, if greater, the severance benefits set forth in Schedule 6.10(a) of the Company Disclosure Letter).

(b) Parent shall honor and assume, or shall cause to be honored and assumed, the terms of all Company Plans set forth on Schedule 3.11(a) of the Company Disclosure Letter, subject to the amendment and termination provisions thereof. Except as set forth on Schedule 6.10(b) of the Company Disclosure Letter, Parent shall maintain and continue the Company’s cash bonus plans with the same terms as in effect immediately prior to the Effective Time for the remainder of the 2020 calendar year, except to the extent amendments or modifications thereto are required by Law.

(c) To the extent that Parent modifies any coverage or benefit plan in which Continuing Employees participate immediately prior to the Effective Time, Parent or any of its subsidiaries (including the Company and any subsidiaries thereof) shall use reasonable best efforts to (i) waive or cause to be waived any pre-existing conditions, exclusions, limitations, actively-at-work requirements, and eligibility waiting periods under any group health plans of Parent or its Affiliates to be waived with respect to Continuing Employees and their eligible dependents, (ii) give each Continuing Employee credit for the plan year in which the Effective Time occurs towards applicable deductibles and annual out-of-pocket limits for medical expenses incurred prior to the Effective Time for which payment has been made and (iii) to the extent that it would not result in a duplication of benefits and to the extent that such service was recognized under an analogous Company Plan, give each Continuing Employee service credit for such Continuing Employee’s employment with the Company for purposes of eligibility to participate and vesting credit (but excluding for benefit accrual purposes under any defined benefit pension plan) under each applicable Parent benefit plan as if such service had been performed with Parent.

(d) The parties hereto hereby acknowledge and agree that the transactions contemplated by this agreement constitute a “change of control” for the purposes of each Company Plan that contains a “change of control” or other similar provision, including but not limited to the Company Stock Plans, the Company LTIP Plans, and all employment and severance agreements.

(e) If requested by Parent no later than five (5) Business Days before the Closing Date, the Company shall terminate, effective as of the day immediately preceding the Effective Time, any and all 401(k) plans

maintained or contributed to by the Company or any of its subsidiaries. The Company shall provide Parent evidence that the 401(k) plan(s) of the Company and its subsidiaries have been terminated pursuant to resolutions of the Board of Directors of the Company or the board of directors of its subsidiaries, as applicable. The form and substance of such resolutions shall be subject to review and approval of Parent, which shall not be unreasonably withheld, conditioned or delayed. The Company shall also take such other actions in furtherance of terminating any such 401(k) plans as Parent may reasonably request.

(f) Nothing in this Agreement shall confer upon any Continuing Employee any right to continue in the employ or service of Parent, the Surviving Corporation or any Affiliate of Parent, or shall interfere with or restrict in any way the rights of Parent, the Surviving Corporation or any Affiliate of Parent, which rights are hereby expressly reserved, to discharge or terminate the services of any Continuing Employee at any time for any reason whatsoever, with or without cause, except to the extent expressly provided otherwise in a written agreement between Parent, the Surviving Corporation, the Company or any Affiliate of Parent and the Continuing Employee or any severance, benefit or other applicable plan, policy or program covering such Continuing Employee. Notwithstanding any provision in this Agreement to the contrary, nothing in this Section 6.10 shall (i) be deemed or construed to be an amendment or other modification of any Company Plan, (ii) prevent Parent, the Surviving Corporation or any Affiliate of Parent from amending or terminating any Company Plans in accordance with their terms or (iii) create any third-party rights in any current or former service provider of the Company or its Affiliates (or any beneficiaries or dependents thereof).

#### SECTION 6.11 Directors' and Officers' Indemnification and Insurance.

(a) From and after the Effective Time, the Surviving Corporation agrees that it will indemnify and hold harmless, in each case to the extent (subject to applicable Law) such Persons are indemnified as of the date of this Agreement by the Company pursuant to the Company Certificate of Incorporation, the Company Bylaws, the governing or organizational documents of any subsidiary of the Company and any indemnification agreements in existence as of the date hereof and set forth on Section 6.11(a), each present and former director and officer of the Company or any of its subsidiaries (in each case, when acting in such capacity) (the "Indemnified Parties"), against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages, liabilities or awards paid in settlement incurred in connection with any actual or threatened claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative and whether formal or informal, arising out of, relating to or in connection with matters existing or occurring at or prior to the Effective Time by reason of fact that such Person is or was a director or officer of the Company or any of its subsidiaries or was serving at the request of the Company or such subsidiary as a director, officer, employee or agent of another Person (including serving at the request of the Company or any such subsidiary with respect to any employee benefit plan), whether asserted or claimed prior to, at or after the Effective Time.

(b) The provisions in the Surviving Corporation's certificate of incorporation and bylaws with respect to indemnification, advancement of expenses and exculpation of the Indemnified Parties shall be no less favorable to such Indemnified Parties than such provisions contained in the Company Certificate of Incorporation and Company Bylaws in effect as of the date hereof, which provisions shall not be amended, repealed or otherwise modified for a period of six years after the Effective Time in any manner that would adversely affect the rights thereunder of any such individuals.

(c) For a period of six (6) years after the Effective Time, the Surviving Corporation shall cause to be maintained in effect the current policies of directors' and officers' liability insurance and fiduciary liability insurance (including any excess policies thereof) maintained by the Company (provided, that the Surviving Corporation may substitute therefor policies with a substantially comparable insurer of at least the same coverage and amounts containing terms and conditions that are no less advantageous to the insured than the current policies of directors' and officers' liability insurance and fiduciary liability insurance maintained by the Company and its subsidiaries) with respect to claims arising from facts or events which occurred at or before the Effective Time; provided, however, that the Surviving Corporation shall not be obligated to expend, on an annual

basis, an amount in excess of 300% of the current aggregate annual premium paid as of the date hereof by the Company for such insurance (the “Premium Cap”), and if such premiums for such insurance would at any time exceed the Premium Cap, then the Surviving Corporation shall cause to be maintained policies of insurance which, in the Surviving Corporation’s good faith determination, provide the maximum coverage available at an annual premium equal to the Premium Cap. In lieu of the foregoing, the Company, in consultation with Parent, may obtain at or prior to the Effective Time a six-year “tail” policy under the Company’s existing directors’ and officers’ liability and fiduciary liability insurance policies (including any excess policies thereof) providing equivalent coverage to that described in the preceding sentence if and to the extent that the same may be obtained for an amount that, in the aggregate, does not exceed the Premium Cap; provided, in the event that such equivalent coverage exceeds the Premium Cap, then the Company may purchase such equivalent coverage with the prior written consent of Parent (not to be unreasonably withheld, conditioned or delayed).

(d) If Parent or the Surviving Corporation or any of their respective successors or assigns (i) shall consolidate with or merge into any other corporation or entity and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) shall transfer all or substantially all of its properties and assets to any individual, corporation or other entity or Person or effect any division or similar transaction, then, and in each such case, proper provisions shall be made so that the successors and assigns of Parent or the Surviving Corporation shall assume all of the obligations set forth in this Section 6.11.

(e) The provisions of this Section 6.11 shall survive the Merger and, following the Effective Time, are intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties and their heirs and representatives.

(f) Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors’ and officers’ insurance claims under any policy that is or has been in existence with respect to the Company or its officers, directors and employees, it being understood that the indemnification provided for in this Section 6.11 is not prior to, or in substitution for, any such claims under any such policies.

SECTION 6.12 Takeover Statutes. None of the Company, Parent or their respective Boards of Directors shall take any action that would cause any Takeover Statute to become applicable to this Agreement, the Merger, or any of the other transactions contemplated hereby (including the Stockholder Support Agreements), and each shall take all necessary steps to exempt (or ensure the continued exemption of) the Merger and the other transactions contemplated hereby (including the Stockholder Support Agreements) from any applicable Takeover Statute. If any Takeover Statute is, purports to be or may become applicable to the Merger or the other transactions contemplated by this Agreement (including the Stockholder Support Agreements), each of the Company and Parent and the members of their respective Boards of Directors shall grant such approvals and take such actions as are necessary so that such transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise act to eliminate or minimize the effects of such statute or regulation on such transactions. Nothing in this Section 6.12 shall be construed to permit the Company, Parent or Merger Sub to do any act that would constitute a violation or breach of, or as a waiver of any of a Party’s rights under, any other provision of this Agreement.

SECTION 6.13 Transaction Litigation. In the event that any stockholder litigation related to this Agreement, the Merger or the other transactions contemplated by this Agreement is brought after the date of this Agreement and prior to the Effective Time against the Company or any members of its Board of Directors or Parent or any members of its Board of Directors (the “Transaction Litigation”), the Company or Parent (as applicable) shall promptly notify the other Parties of any such Transaction Litigation and shall keep the other Parties reasonably informed with respect to the status thereof. Each Party shall give the other Parties the opportunity to participate in the defense of any Transaction Litigation, and no Party shall settle or agree to settle any Transaction Litigation without the other Party’s prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned).

SECTION 6.14 Obligations of Merger Sub. Parent shall take all action necessary to cause Merger Sub and the Surviving Corporation to perform their respective obligations under this Agreement.

SECTION 6.15 Rule 16b-3. Prior to the Effective Time, (a) the Company shall take such steps as may be reasonably necessary or advisable hereto to cause any dispositions of Company Securities (including derivative securities) pursuant to the transactions contemplated by this Agreement by each individual (including any Person who is deemed to be a “director by deputization” under applicable securities Laws) who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act and (b) Parent shall take such steps as may be reasonably necessary or advisable hereto to cause any acquisition of Parent Securities (including derivative securities) pursuant to the transactions contemplated by this Agreement by each individual (including any Person who is deemed to be a “director by deputization” under applicable securities Laws) who is expected to be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Parent following the Closing to be exempt under Rule 16b-3 promulgated under the Exchange Act.

SECTION 6.16 Stock Exchange Listing. Parent shall use reasonable best efforts to cause the shares of Parent Common Stock to be issued in the Merger to be approved for listing on NASDAQ, in each case subject to official notice of issuance, prior to the Effective Time.

SECTION 6.17 Tax Matters.

(a) During the period from the date of this Agreement to the Closing, the Parties shall each use reasonable best efforts (i) to cause the Merger to qualify for the Intended Tax Treatment and (ii) to cause the delivery of the opinions of counsel referred to in Section 7.2(e) (in the case of Parent and Merger Sub) and Section 7.3(e) (in the case of the Company). None of Parent, Merger Sub or the Company shall take any action, or knowingly fail to take any reasonable action, if such action or failure to act would reasonably be expected to prevent the Merger from qualifying for the Intended Tax Treatment. The Parties shall cause all applicable Tax Returns to be filed on a basis of treating the Merger as qualifying for the Intended Tax Treatment, unless otherwise required by a final “determination” within the meaning of Section 1313 of the Code. Each of the Parties agrees to use reasonable best efforts to promptly notify all other Parties of any challenge to the Intended Tax Treatment by any Governmental Entity. The Parties hereby adopt this Agreement as a “plan of reorganization” within the meaning of Treasury Regulation Section 1.368-2(g) and 1.368-3.

(b) The Parties shall use reasonable best efforts to execute and deliver (i) officer’s certificates substantially in the form attached as Schedule 6.17(b) of the Company Disclosure Letter and the Parent Disclosure Letter and (ii) any other representations reasonably requested by counsel to the Company or counsel to Parent, as applicable, for purposes of rendering opinions with respect to the tax treatment of the Merger (clauses (i) and (ii), collectively, the “Tax Officer’s Certificates”), at such time or times as may be reasonably requested by counsel to the Company or counsel to Parent, including in connection with any filing of the Registration Statement.

At or prior to the Effective Time, Parent shall take all actions necessary to (a) cause the number of directors that will comprise the full Board of Directors of Parent at the Effective Time to be to be increased by two and (b) fill such vacancies with (i) one director serving on the Board of Directors of the Company designated by the Company (whom shall be designated as a Class III director) and (ii) the Company’s Chief Executive Officer as of the date of this Agreement (whom shall be designated as a Class I director); provided, however, in the event that such individual is not employed by the Company or a director of the Board of Directors of the Company, in each case immediately prior to the Effective Time, then such vacancy shall be filled by an individual serving on the Board of Directors of the Company as of immediately prior to the Effective Time to be designated by the Company (whom shall be designated as a Class I director).

SECTION 6.19 Third Party Consents. At Parent's written request, the Company shall, and shall cause each subsidiary to, use its commercially reasonable efforts to obtain certain third party consents, amendments, releases or waivers (in a form reasonably satisfactory to Parent) under certain Contracts identified in writing to the Company by Parent; provided, however, each of the Parties acknowledges and agrees that obtaining any such consent, amendment, release or waiver shall not be a condition to the Merger; provided, further, that the Company shall not, and shall cause each subsidiary not to, contribute capital, pay any consideration in any form (including any letter of credit, guaranty or other financial or commercial accommodation) to any Person, amend any Contract, grant any concession (in any form) or propose or agree to any of the foregoing in order to obtain such consent, release or waiver, in each case, without the prior written consent of Parent (provided that the Company shall not be required to make any such concession unless either (a) the Company is reimbursed or indemnified by Parent for such concession or (b) such concession is subject to the occurrence of the consummation of the Merger). The Company shall keep Parent reasonably informed of the status of, and consult with Parent in good faith with respect to, any developments regarding such matters.

SECTION 6.20 Director Resignations. The Company shall use reasonable best efforts to obtain the resignation of all of the members of the Board of the Directors of the Company who are in office immediately prior to the Effective Time (and to the extent requested by Parent, from any member of the board of directors (or any equivalent) of each subsidiary of the Company), which resignations shall be effective at, and conditioned upon the occurrence of, the Effective Time.

SECTION 6.21 Transition. As promptly as reasonably practicable after the date hereof, and in all cases subject to applicable Law, upon the reasonable request of Parent, the Company will, and will cause its subsidiaries to, during normal business hours, reasonably cooperate with Parent and its subsidiaries to facilitate planning for the integration of the Parties and their respective businesses effective as of the Closing Date or such later date as may be determined by the parties. Without limiting the generality of the foregoing, from the date hereof through the Closing Date, and consistent with the performance of their day-to-day operations and the continuous operation of the parties and their subsidiaries in the ordinary course of business consistent with past practices, and subject to any requirements under applicable Law, each party shall use reasonable best efforts to cause its and its subsidiaries' employees and officers to take reasonable actions and assist the other party in performing all tasks, including providing assistance with respect to conversion planning and customer communications and notices (including joint communications and notices relating to anticipated account changes or systems conversion), reasonably required to result in a successful transition and integration at the Closing or such later date as may be determined by the parties.

SECTION 6.22 Financing Cooperation.

(a) The Company agrees to (and to cause its subsidiaries, and use commercially reasonable efforts to cause the Company Joint Ventures, to) use commercially reasonable efforts to cooperate with Parent in connection with (x) those activities set forth on Schedule 6.22 of the Company Disclosure Letter; and (y) financing activities with respect to the Company, its subsidiaries or the Company Joint Ventures that will occur at or after the Closing and are reasonably requested by Parent; provided, (1) no such cooperation shall be required to the extent it would (A) contravene the organizational documents of the Company, its subsidiaries or any Company Joint Venture or any applicable Laws, (B) breach a Company Material Contract, (C) cause any director, officer, employee or stockholder of the Company, any of its subsidiaries or any of the Company Joint Ventures to incur any personal liability, (D) require the Company, its subsidiaries or any Company Joint Venture to prepare any financial statements or information that are not reasonably available to the Company, its subsidiaries and the Company Joint Ventures and prepared in the ordinary course of their financial reporting practices, or prepare any pro forma financial information or post-Closing financial information; provided, the Company will (and will cause its subsidiaries and the Company Joint Ventures to) use commercially reasonable efforts to provide information reasonably available to the Company, its subsidiaries and the Company Joint Ventures and requested by an investor or potential investor, or (E) unreasonably interfere with the business or operations of the Company, its subsidiaries and the Company Joint Ventures, (2) Parent shall have no authority to

bind the Company, any of its subsidiaries or any Company Joint Venture, (3) none of the Company, any of its subsidiaries or any Company Joint Venture shall be required to pay any fee or incur any other liability or obligation in connection with such cooperation or be required to take any action that would subject it to actual or potential liability, to bear any cost or expense or to pay any fee or make any other payment or agree to provide any indemnity in connection with such cooperation prior to the Effective Time (other than those costs and expenses incurred in connection with the Company's cooperation pursuant to this Section 6.22 that Parent must reimburse upon request of the Company), (4) none of the Company, its subsidiaries or the Company Joint Ventures or their respective officers, directors (with respect to the Company's subsidiaries or Company Joint Ventures) or employees shall be required to execute or enter into or perform any agreement with respect to such cooperation that is not contingent upon the Closing or that would be effective any earlier than the Closing (other than, to the extent reasonably requested by Parent, executing or entering into or performing any agreement with respect to one or more of the transactions set forth on Schedule 6.22 of the Company Disclosure Letter prior to the Effective Time (provided, that, the terms and timeline of any such transaction must be commercially reasonable (which determination shall be made by the Company in its sole discretion until immediately prior to the Effective Time) and (5) no directors of the Company shall be required to approve, execute, enter into or perform any agreement or instrument (or otherwise take any other action) with respect to such cooperation. None of the representations, warranties or covenants of the Company set forth in this Agreement shall be deemed to apply to, or deemed breached or violated by, any of the actions taken by the Company, any of its subsidiaries or any of the Company Joint Ventures or any of their respective Representatives pursuant to this Section 6.22. Parent (i) shall promptly, upon request by the Company, reimburse the Company for all reasonable and documented out-of-pocket costs (including (x) reasonable outside attorneys' fees and (y) fees and expenses of the accounting firms of the Company, its subsidiaries and the Company Joint Ventures, in each case, incurred in connection with such cooperation) to the extent incurred by the Company, any of its subsidiaries or any of the Company Joint Ventures or their respective Representatives in connection with such cooperation or other action taken under this Section 6.22 or in connection with any information utilized in connection therewith and (ii) shall indemnify and hold harmless the Company, its subsidiaries and the Company Joint Ventures and their respective Representatives from and against any and all costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages, liabilities or awards paid in settlement incurred by them in connection with any such cooperation or other action taken under this Section 6.22 or in connection with any information utilized in connection therewith.

(b) Without the prior written consent of the Company (which consent shall not be unreasonably withheld), none of Parent, its subsidiaries or any of its and their respective Representatives shall contact any lender or investor of the Company, any of its subsidiaries or any Company Joint Venture (including, to Parent's Knowledge, those Persons to be formed in which the Company, any of its subsidiaries or any Company Joint Venture will have an interest) except for contacts unrelated to the Merger or contacts related solely to Parent. Parent shall cooperate in good faith with the Company with respect to the matters set forth in Section 6.22(a), including by providing the Company with an opportunity to be present for any discussions with potential lenders or investors in respect of the matters set forth in Section 6.22(a) and shall otherwise keep the Company reasonably informed on the status of the discussions with, and furnish any documentation or other information that is furnished to, such potential lenders or investors.

(c) For the avoidance of doubt, the parties hereto acknowledge and agree that the provisions contained in this Section 6.22 represent the sole obligation of the Company (and the sole obligation of the Company to cause its subsidiaries, the Company Joint Ventures or its, its subsidiaries or the Company Joint Ventures' respective Representatives to take actions) with respect to cooperation in connection with any indebtedness or the arrangement of any modifications thereto, or the arrangement of any financing to be obtained with respect to the Merger or the other transactions contemplated by this Agreement and no other provision of this Agreement (including the Exhibits and Schedules hereto) shall be deemed to expand or modify such obligations. In no event shall the receipt or availability of any funds or financing by Parent, Merger Sub or any of their respective affiliates or any other financing or other transactions (including any consents, waivers, amendments or other

modifications with respect to indebtedness of the Company, its subsidiaries, the Company Joint Ventures or any other Person) be a condition to any of Parent's or Merger Sub's obligations under this Agreement.

(a) Representations and Warranties. Each of the representations and warranties of the Company set forth in (i) Section 3.1 (except for the first sentence of Section 3.1(a)), the last two sentences of Section 3.3(c), Section 3.4, clause (i) of Section 3.5(a) and Section 3.22 shall be true and correct in all material respects as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent that any such representation or warranty expressly is made as of an earlier date, in which case such representation and warranty shall be true and correct as of such specified date), (ii) Section 3.3(a) and the first three sentences of Section 3.3(c) shall be true and correct in all respects (other than for inaccuracies that, individually and in the aggregate, are immaterial) as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent that any such representation or warranty expressly is made as of an earlier date, in which case such representation and warranty shall be true and correct as of such specified date), (iii) Section 3.9(b)(ii) shall be true and correct in all respects and (iv) the other representations and warranties of Article III shall be true and correct in all respects (without giving effect to any "materiality," "Company Material Adverse Effect" or similar qualifiers contained in any such representations and warranties) as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent that any such representation or warranty expressly speaks as of an earlier date, in which case such representation and warranty shall be true and correct as of such earlier date), except where the failures of any such representations and warranties to be so true and correct, individually or in the aggregate, has not had and would not reasonably be expected to have a Company Material Adverse Effect;

(b) Performance of Obligations of the Company. The Company shall have performed in all material respects the obligations, and complied in all material respects with the agreements and covenants, required to be performed by, or complied with by, it under this Agreement at or prior to the Effective Time; provided, except for any Willful Breach by the Company of Section 6.22, the Company's failure to comply with Section 6.22 shall not be taken into account in determining whether the Company has so performed its obligations or complied with its agreements and covenants;

(c) No Company Material Adverse Effect. Since the date of this Agreement, there shall not have been any Company Material Adverse Effect;

(d) Certificate. Parent shall have received a certificate of an executive officer of the Company, certifying that the conditions set forth in Section 7.2(a), Section 7.2(b) and Section 7.2(c) have been satisfied; and

In rendering such opinion, counsel shall be entitled to rely upon customary assumptions and the Tax Officer's Certificates.

SECTION 7.3 Conditions to Obligations of the Company. The obligation of the Company to effect the Merger shall be further subject to the satisfaction (or waiver by the Company) at or prior to the Effective Time of the following conditions:

In rendering such opinion, counsel shall be entitled to rely upon customary assumptions and the Tax Officer’s Certificates.

## ARTICLE VIII TERMINATION

SECTION 8.1 Termination. This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time, whether before or after each of the Company Requisite Vote and Parent Requisite Vote has been obtained (except as otherwise provided below):

(a) by mutual written consent of Parent, Merger Sub and the Company;

(b) by Parent or the Company if any court or other Governmental Entity of competent jurisdiction shall have issued a final order, decree or ruling or taken any other final action permanently restraining, enjoining or otherwise prohibiting the Merger and such order, decree, ruling or other action is or shall have become final and nonappealable; provided that the right to terminate this Agreement under this Section 8.1(b) shall not be available to a Party if such order, decree, ruling or other final action was primarily due to the failure of such Party to perform any of its obligations under this Agreement;

(c) by either Parent or the Company if the Effective Time shall not have occurred on or before January 6, 2021 (as it may be extended in accordance with this Agreement, the “End Date”); provided, that at any time in the five Business Days prior to the End Date, if at such time any condition to closing in Section 7.1 is not satisfied, either Parent or the Company may (in each case, its sole and absolute discretion) elect to extend the End Date to July 6, 2021, which shall be deemed to be the End Date; provided, further, that in the event that any applicable Law is enacted after the date hereof extending the applicable waiting period under the HSR Act in connection with any Contagion Event, the End Date shall be extended by one calendar day for each calendar day (without duplication) that such applicable Law extends the waiting period under the HSR Act; provided, further, that in no event shall the End Date be so extended beyond October 6, 2021; provided, however, that the right to terminate this Agreement pursuant to this Section 8.1(c) shall not be available to the Party seeking to terminate if any action of such Party (or, in the case of Parent, Merger Sub) or the failure of such Party (or, in the case of Parent, Merger Sub) to perform any of its obligations under this Agreement required to be performed at or prior to the Effective Time has been the primary cause of the failure of the Effective Time to occur on or before the End Date;

(d) by written notice from the Company:

(i) if there shall have been a breach of any representation, warranty, covenant or agreement on the part of Parent or Merger Sub contained in this Agreement, such that the conditions set forth in Section 7.3(a) or Section 7.3(b) would not be satisfied and such breach is not curable or, if curable, is not cured prior to the earlier of (A) 30 days after written notice thereof is given by the Company to Parent or (B) the End Date; provided that (x) in the case of a termination by the Company pursuant to this Section 8.1(d)(i) for a Willful Breach of Section 6.5(a)(i), Section 6.5(c) or Section 6.5(e), the Company shall not have the right to terminate this Agreement pursuant to this Section 8.1(d)(i) if the

Company is then in material breach of any of its covenants or agreements contained in Section 6.5 and (y) in the case of a termination by the Company pursuant to this Section 8.1(d)(i) for any other breach, the Company shall not have the right to terminate this Agreement pursuant to this Section 8.1(d)(i) if the Company is then in material breach of any of its covenants or agreements contained in this Agreement; or

(ii) prior to obtaining the Parent Requisite Vote, in the event (A) of a Parent Change of Recommendation or (B) Parent or Merger Sub or the Board of Directors of Parent shall have materially breached its obligations under Section 6.2 or Section 6.4(c) or (d);

(e) by written notice from Parent:

(i) if there shall have been a breach of any representation, warranty, covenant or agreement on the part of the Company contained in this Agreement, such that the conditions set forth in Section 7.2(a) or Section 7.2(b) would not be satisfied and such breach is not curable or, if curable, is not cured prior to the earlier of (A) 30 days after written notice thereof is given by Parent to the Company or (B) the End Date; provided that Parent shall not have the right to terminate this Agreement pursuant to this Section 8.1(e)(i) if Parent or Merger Sub is then in material breach of any of its covenants or agreements contained in this Agreement; or

(ii) prior to obtaining the Company Requisite Vote, in the event (A) of a Company Change of Recommendation or (B) the Company or the Board of Directors of the Company shall have materially breached its obligations under Section 6.1 or Section 6.4(a) or (b);

(f) by either Parent or the Company if the Company Requisite Vote shall not have been obtained at the Company Stockholders Meeting duly convened therefor or at any adjournment or postponement thereof, in each case, at which a vote on the adoption of this Agreement was taken; or

(g) by either Parent or the Company if the Parent Requisite Vote shall not have been obtained at the Parent Stockholders Meeting duly convened therefor or at any adjournment or postponement thereof, in each case, at which a vote on the issuance of Parent Common Stock in connection with the Merger was taken.

#### SECTION 8.2 Effect of Termination.

(a) In the event of the valid termination of this Agreement pursuant to Section 8.1, this Agreement shall forthwith become void and there shall be no liability or obligation on the part of any Party hereto, except for (i) Section 6.7(b), Section 6.22(c), this Section 8.2, Section 8.3 and Article IX, all of which shall survive such termination and (ii) the Confidentiality Agreement shall continue in full force and effect in accordance with its terms (notwithstanding Section 5(b) of the Confidentiality Agreement); provided that, as provided in Section 8.2(e), Section 8.2(f) and Section 8.2(g), nothing herein shall relieve any Party hereto of any liability for damages resulting from Actual Fraud or Willful Breach prior to such termination by any Party hereto. The Parties acknowledge and agree that nothing in this Section 8.2 shall be deemed to affect their right to specific performance under Section 9.12.

(b) In the event that:

(i) this Agreement is validly terminated by Parent pursuant to Section 8.1(e)(ii), then the Company shall pay the Company Termination Payment to Parent (or one or more of its designees) as promptly as reasonably practicable (and, in any event, within two Business Days following such termination), payable by wire transfer of immediately available funds;

(ii) this Agreement is validly terminated by either Parent or the Company pursuant to Section 8.1(c) or Section 8.1(f) or Parent pursuant to Section 8.1(e)(i) (but only in the event of a material breach by the Company

of Section 6.1, Section 6.3, Section 6.4(a) or (b) or Section 6.12) and (A) at any time after the date of this Agreement and prior to the taking of a vote to approve this Agreement at the Company Stockholders Meeting or any postponement or adjournment thereof (or, if earlier, prior to the termination of this Agreement), a Company Acquisition Proposal shall have been made directly to the Company's stockholders (or, solely in the case of a termination pursuant to Section 8.1(e)(i), to the Board of Directors of the Company or the Company's senior management), or a Company Acquisition Proposal shall have otherwise become publicly known and (B) within twelve months after such termination, the Company (including, if the Company becomes a wholly owned subsidiary of another Person, such Person) or any of its subsidiaries enters into a definitive agreement with respect to a Company Acquisition Proposal or consummates a Company Acquisition Proposal (in each case whether or not the same Company Acquisition Proposal as that referred to in subclause (A) above) then, in any such event, the Company shall pay to Parent the Company Termination Payment, such payment to be made on the earlier of (1) the date it enters into such definitive agreement and (2) the date of consummation of such transaction by wire transfer of immediately available funds. For the purpose of this Section 8.2(b)(ii), all references in the definition of the term Company Acquisition Proposal to "20% or more" will be deemed to be references to "50% or more";

(iii) this Agreement is validly terminated by the Company pursuant to Section 8.1(d)(ii), then Parent shall pay the Parent Termination Payment to the Company (or one or more of its designees) as promptly as reasonably practicable (and, in any event, within two Business Days following such termination), payable by wire transfer of immediately available funds;

(iv) this Agreement is validly terminated by either Parent or the Company pursuant to Section 8.1(c) or Section 8.1(g) or the Company pursuant to Section 8.1(d)(i) (but only in the event of a material breach by Parent or Merger Sub of Section 6.2, Section 6.3, Section 6.4(c) or (d) or Section 6.12) and (A) at any time after the date of this Agreement and prior to the taking of a vote to approve the issuance of Parent Common Stock in connection with the Merger at the Parent Stockholders Meeting or any postponement or adjournment thereof (or, if earlier, prior to the termination of this Agreement), a Parent Acquisition Proposal shall have been made directly to Parent's stockholders (or, solely in the case of a termination pursuant to Section 8.1(d)(i), to the Board of Directors of Parent or Parent's senior management), or a Parent Acquisition Proposal shall have otherwise become publicly known and (B) within twelve months after such termination, Parent (including, if Parent becomes a wholly owned subsidiary of another Person, such Person) or any of its subsidiaries enters into a definitive agreement with respect to a Parent Acquisition Proposal or consummates a Parent Acquisition Proposal (in each case whether or not the same Parent Acquisition Proposal as that referred to in subclause (A) above) then, in any such event, Parent shall pay to the Company the Parent Termination Payment, such payment to be made on the earlier of (1) the date it enters into such definitive agreement and (2) the date of consummation of such transaction by wire transfer of immediately available funds. For the purpose of this Section 8.2(b)(iv), all references in the definition of the term Parent Acquisition Proposal to "20% or more" will be deemed to be references to "50% or more"; or

(v) this Agreement is validly terminated (A) (1) by either the Company or Parent pursuant to Section 8.1(c) (provided, that, in the case of a termination by Parent pursuant to Section 8.1(c), the Company also had the right to terminate this Agreement pursuant to Section 8.1(c) at the time of such termination) or (2) by either the Company or Parent pursuant to Section 8.1(b) (but solely in the case that the applicable final order, decree, ruling or other final action is pursuant to or arising out of or from an Action involving an Antitrust Law) and, at the time of such termination referred to in subclauses (1) or (2), all of the conditions set forth in Section 7.1 and Section 7.2 are satisfied, except for (x) Section 7.1(b)(i) (but solely in the case that the applicable final order, decree, ruling or other final action is pursuant to or arising out of or from an Action involving an Antitrust Law) or Section 7.1(b)(ii), (y) Section 7.2(b) (other than with respect to performance by the Company of its agreements and covenants under Section 6.5) and Section 7.2(d) (as it relates to certifying that the condition in Section 7.2(b) (other than with respect to performance by the Company of its agreements and covenants under Section 6.5) has been satisfied) and (z) those other conditions that, by their nature, are to be satisfied at the Closing (but were capable of being satisfied as of the date of such termination if the Closing were to occur on the

date of such termination), or (B) by the Company pursuant to Section 8.1(d)(i) based on a Willful Breach of Section 6.5(a)(i), Section 6.5(c) or Section 6.5(e), then Parent shall pay to the Company the Regulatory Termination Payment, such payment to be made within five Business Days of the applicable termination.

(c) The Parties acknowledge and hereby agree that each of the Regulatory Termination Payment, Parent Termination Payment and the Company Termination Payment, as applicable, if, as and when required pursuant to this Section 8.2, shall not constitute a penalty but will be liquidated damages, in a reasonable amount that will compensate the party receiving such amount in the circumstances in which it is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Merger, which amount would otherwise be impossible to calculate with precision. The Parties acknowledge and hereby agree that in no event shall either the Company be required to pay the Company Termination Payment or Parent be required to pay the Parent Termination Payment or the Regulatory Termination Payment, as the case may be, on more than one occasion. Despite anything to the contrary set forth in this Agreement, Parent shall not be required to pay both the Parent Termination Payment and the Regulatory Termination Payment under any circumstance. Accordingly, payment of the Parent Termination Payment shall relieve Parent of any obligation to Regulatory Termination Payment and payment of the Regulatory Termination Payment shall relieve Parent of any obligation to pay the Parent Termination Payment.

(d) Each of the Company, Parent and Merger Sub acknowledges that the agreements contained in this Section 8.2 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the Parties would not enter into this Agreement. If the Company fails to timely pay an amount due pursuant to Section 8.2(b)(i) or Section 8.2(b)(ii), or Parent fails to timely pay an amount due pursuant to Section 8.2(b)(iii), Section 8.2(b)(iv) or Section 8.2(b)(v), and, in order to obtain such payment, Parent, on the one hand, or the Company, on the other hand, commences a suit that results in a judgment against the Company for the amount set forth in Section 8.2(b)(i) or Section 8.2(b)(ii), or any portion thereof, or a judgment against Parent for the amount set forth in Section 8.2(b)(iii), Section 8.2(b)(iv) or Section 8.2(b)(v), or any portion thereof, the Company shall pay to Parent, or Parent shall pay to the Company, its costs and expenses (including reasonable attorneys' fees and the fees and expenses of any expert or consultant engaged by the Company) in connection with such suit, together with interest on the amount of such payment from the date such payment was required to be made until the date of payment at the prime rate, plus 2%, as published in *The Wall Street Journal, Eastern Edition* in effect on the date of such payment. Any amount payable pursuant to Section 8.2(b) shall be paid by the applicable Party by wire transfer of same day funds prior to or on the date such payment is required to be made under Section 8.2(b).

If any term or other provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

SECTION 9.7 Entire Agreement; Assignment. This Agreement (including the Exhibits hereto and the Company Disclosure Letter and the Parent Disclosure Letter) and the Confidentiality Agreement constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede all prior agreements and undertakings, both written and oral, among the Parties, or any of them, with respect to the subject matter hereof and thereof. This Agreement shall not be assigned by operation of law or otherwise without the prior written consent of each of the other Parties, and any assignment without such consent shall be null and void.

SECTION 9.8 Parties in Interest; Measure of Damages. This Agreement shall be binding upon and inure solely to the benefit of each Party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement, other than (a) at and after the Effective Time, with respect to the provisions of Section 6.11 and Section 6.21 which shall inure to the benefit of the Persons or entities benefitting therefrom who are intended to be third-party beneficiaries thereof and (b) at any time with respect to the provisions of Section 8.2(e), (f), (g) and (h), which shall inure to the benefit of the Persons benefitting therefrom who are intended to be third-party beneficiaries thereof. SECTION 9.9 Governing Law. This Agreement, the Merger and any other matters relating hereto and any disputes relating hereto (in law, contract, tort or otherwise) shall be governed by, and construed in accordance

with, the laws of the State of Delaware (without giving effect to choice of law or conflict of law principles thereof or of any other jurisdiction that would cause the application of any laws of any jurisdiction other than the State of Delaware).

SECTION 9.10 Headings. The descriptive headings contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

SECTION 9.11 Counterparts. This Agreement may be executed and delivered (including by email transmission, “.pdf,” or other electronic transmission) in one or more counterparts, and by the different Parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

SECTION 9.12 Specific Performance. The Parties agree that irreparable damage for which monetary damages, even if available, may not be an adequate remedy, would occur in the event that the Parties do not perform the provisions of this Agreement (including failing to take such actions as are required of it hereunder in order to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that the Parties shall be entitled to an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, without any requirement for the posting of any bond or other security, this being in addition to any other remedy to which they are entitled at law or in equity. The Parties hereby further acknowledge and agree that prior to the Closing, each of the Company, Parent and Merger Sub shall be entitled to seek specific performance to enforce specifically the terms and provisions of, and to prevent or cure breaches of this Agreement, including Section 6.5, by the Company, Parent or Merger Sub, and to cause the Company, Parent or Merger Sub to consummate the transactions contemplated hereby, including to effect the Closing in accordance with Section 1.2, on the terms and subject to the conditions in this Agreement. SECTION 9.13 Jurisdiction. Each of the Parties irrevocably (a) consents to submit itself to the personal jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (unless the Delaware Court of Chancery shall decline to accept jurisdiction over a particular matter, in which case, in any Delaware state or federal court within the State of Delaware), in connection with any matter based upon or arising out of this Agreement or any of the transactions contemplated by this Agreement or the actions of Parent, Merger Sub or the Company in the negotiation, administration, performance and enforcement hereof and thereof, (b) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court, (c) agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the courts of the State of Delaware, as described above, and (d) consents to service being made through the notice procedures set forth in Section 9.4. Each of the Company, Parent and Merger Sub hereby agrees that service of any process, summons, notice or document by U.S. registered mail to the respective addresses set forth in Section 9.4 shall be effective service of process for any suit or proceeding in connection with this Agreement or the transactions contemplated hereby. Each Party hereto hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement, any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason other than the failure to serve process in accordance with this Section 9.13, that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and to the fullest extent permitted by applicable Law, that the suit, action or proceeding in any such court is brought in an inconvenient forum, that the venue of such suit, action or proceeding is improper, or that this Agreement, or the subject matter hereof or thereof, may not be enforced in or by such courts and further irrevocably waives, to the fullest extent permitted by applicable Law, the benefit of any defense that would hinder, fetter or delay the levy,

execution or collection of any amount to which the Party is entitled pursuant to the final judgment of any court having jurisdiction. Each Party expressly acknowledges that the foregoing waiver is intended to be irrevocable under the Laws of the State of Delaware and of the United States of America; provided that each such Party's consent to jurisdiction and service contained in this Section 9.13 is solely for the purpose referred to in this Section 9.13 and shall not be deemed to be a general submission to said courts or in the State of Delaware other than for such purpose.

SECTION 9.14 WAIVER OF JURY TRIAL. EACH OF PARENT, MERGER SUB AND THE COMPANY HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THE ACTIONS OF PARENT OR THE COMPANY IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF OR THEREOF.

SECTION 9.15 Interpretation. When reference is made in this Agreement to an Article, Exhibit or Section, such reference shall be to an Article, Exhibit or Section of this Agreement unless otherwise indicated. Whenever the words "include", "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation." The words "hereof," "herein," "hereby" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. All terms defined in this Agreement shall have the defined meanings when used in any certificate or other document made or delivered pursuant thereto unless otherwise defined therein. Words of any gender include each other gender and neuter genders and words using the singular or plural number also include the plural or singular number, respectively. Any Contract or Law defined or referred to herein means such Contract or Law as from time to time amended, modified or supplemented, including (in the case of Contracts) by waiver or consent and (in the case of Laws) by succession or comparable successor statutes and references to all attachments thereto and instruments incorporated therein. The word "or" shall not be exclusive. The word "will" shall be construed to have the same meaning as the word "shall". Whenever this Agreement refers to a number of days, such number shall refer to calendar days unless Business Days are specified. The word "to the extent" shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply "if". References to "dollars" or "\$" are to United States of America dollars. Any deadline or time period set forth in this Agreement that by its terms ends on a day that is not a Business Day shall be automatically extended to the next succeeding Business Day. Each of the Parties has participated in the drafting and negotiating of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if it is drafted by all the Parties and without regard to any presumption or rule requiring construction or interpretation against the Party drafting or causing any instrument to be drafted.

Notwithstanding anything in this Agreement to the contrary, (x) the Stockholder (in its capacity as such) shall not be responsible for the actions of Parent or its Board of Directors (or any Committee thereof), any Affiliate of Parent (other than the Stockholder), or any officers, directors (in their capacity as such), employees and Representatives of any of the foregoing (the “Parent Related Parties”), including with respect to any of the matters contemplated by this Section 5(a), (y) the Stockholder (in its capacity as such) makes no representations or warranties with respect to the actions of any of the Parent Related Parties, and (z) any breach by Parent of its obligations under Section 6.2(a) of the Merger Agreement shall not be considered a breach of this Section 5(a) (it being understood for the avoidance of doubt that the Stockholder shall remain responsible for any breach by it or its Representatives (other than any such Representative that is a Parent Related Party) of this Section 5(a)).

(b) Transfer of the Covered Shares.

(i) Before the receipt of the Parent Requisite Vote, the Stockholder hereby agrees not to, directly or indirectly, (i) sell, transfer, pledge, encumber, assign, hedge, swap, convert, gift-over or otherwise dispose of (including by sale, merger (including by conversion into securities or other consideration), by tendering into any tender or exchange offer, by testamentary disposition, by liquidation or dissolution, by dividend or distribution, by operation of Law or otherwise), either voluntarily or involuntarily (collectively, "Transfer"), or enter into any Contract, option or other agreement, arrangement or understanding with respect to the Transfer of any of the Stockholder's Covered Shares or (ii) take any action that would make any representation or warranty of the Stockholder contained herein untrue or incorrect or have the effect of preventing or disabling the Stockholder from performing its obligations under this Agreement, provided, however, that nothing herein shall prohibit a Transfer to an Affiliate of the Stockholder (any such Transfer occurring before the receipt of the Parent Requisite Vote, a "Permitted Transfer"); provided, further, that any Permitted Transfer shall be permitted only if, as a precondition to such Transfer, the transferee agrees in a writing, reasonably satisfactory in form and substance to the Company, to assume all of the obligations of the Stockholder under, and be bound by all of the terms of, this Agreement. For the avoidance of doubt, nothing in this Agreement will restrict the Stockholder from Transferring any shares of Parent Common Stock following the conclusion of the Parent Stockholders Meeting duly convened therefor or at any adjournment or postponement thereof, in each case, at which a vote on the issuance of Parent Common Stock in connection with the Merger was taken, regardless of the outcome of such vote. Any Transfer in violation of this Section 5(b) with respect to the Stockholder's Covered Shares shall be null and void and the Stockholder agrees that any such prohibited Transfer may and shall be enjoined.

(ii) In furtherance of this Agreement, the Stockholder hereby authorizes Parent (and the Company to direct Parent), promptly after the date hereof, to enter, or cause its transfer agent to enter, a stop transfer order with respect to all of the Stockholder's Covered Shares with respect to any Transfer not permitted hereunder; provided Parent or its counsel further notifies Parent's transfer agent to lift and vacate the stop transfer order with respect to the Covered Shares following the conclusion of the Parent Stockholders Meeting duly convened therefor or at any adjournment or postponement thereof, in each case, at which a vote on the issuance of Parent Common Stock in connection with the Merger was taken, regardless of the outcome of such vote.

(iii) In the event that the Stockholder intends to undertake a Permitted Transfer of any of the Stockholder's Covered Shares, the Stockholder shall provide notice thereof to the Company and, if the written agreement to be entered into by the transferee agreeing to be bound by this Agreement pursuant to Section 5(b) hereof is reasonably satisfactory to the Company, shall authorize Parent to, or authorize Parent to instruct its transfer agent to, (i) lift any stop

transfer order in respect of the Stockholder's Covered Shares to be so Transferred in order to effect such Permitted Transfer and (ii) re-enter any stop transfer order in respect of the Stockholder's Covered Shares to be so Transferred upon completion of the Permitted Transfer; provided Parent or its counsel further notifies Parent's transfer agent to lift and vacate the stop transfer order with respect to the Covered Shares following the conclusion of the Parent Stockholders Meeting duly convened therefor or at any adjournment or postponement thereof, in each case, at which a vote on the issuance of Parent Common Stock in connection with the Merger was taken, regardless of the outcome of such vote.

(c) Other Actions. The Stockholder hereby authorizes Parent to maintain a copy of this Agreement at either the executive office or the registered office of Parent.

6. Further Assurances. From time to time, at the Company's request and without further consideration, the Stockholder shall execute and deliver such additional documents and take all such further action as may be reasonably necessary or reasonably requested to effect the actions and consummate the transactions contemplated by this Agreement. The Stockholder further irrevocably and unconditionally agrees not to commence or participate in, and to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, against the Company, Parent or any of their respective successors and assigns relating to the negotiation, execution or delivery of this Agreement, the Merger Agreement or the consummation of the transactions contemplated hereby and thereby, including any action (i) challenging the validity of, or seeking to enjoin the operation of, any provision of the Merger Agreement or this Agreement or (ii) alleging breach of any fiduciary duty of any Person in connection with the negotiation and entry into the Merger Agreement, this Agreement or the transactions contemplated hereby or thereby.

7. Public Announcements; Disclosure. The Stockholder shall not, and shall cause its Representatives not to, directly or indirectly, make any press release, public announcement or other public communication in respect of this Agreement or the Merger Agreement or any of the transactions contemplated hereby and thereby without the prior written consent of the Company, except as required by applicable federal securities Laws; provided, that the foregoing limitations shall not apply following any Parent Change of Recommendation. The Stockholder hereby (i) authorizes Parent and the Company to publish and disclose in any announcement or disclosure required by the SEC (including in the Joint Proxy Statement and the Registration Statement) the Stockholder's identity and ownership of the Covered Shares, the nature of the Stockholder's obligations under this Agreement and any other information that Parent or the Company determines to be necessary in any SEC disclosure document and (ii) agrees as promptly as practicable to notify Parent and the Company of any required corrections with respect to any written information supplied by the Stockholder specifically for use in any such disclosure document.

8. Changes in Capital Stock. In the event of a stock split, stock dividend or distribution, or any change in Parent's capital stock by reason of any split-up, reverse stock split, recapitalization, combination, reclassification, exchange of shares or the like between the date of this Agreement and the Effective Time, the terms "Owned Shares" and "Covered Shares" shall be deemed to refer to and include such shares as well as all such stock dividends and distributions and any securities into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction.

9. Amendment and Modification. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing signed by the Company and the Stockholder.

10. Waiver. No failure or delay by any party hereto exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies of the parties hereto hereunder are cumulative and are not exclusive of any rights or remedies which they would otherwise have hereunder. Any agreement on the part of a party hereto to any such waiver shall be valid only if set forth in a written instrument executed and delivered by such party.

11. Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, by e-mail, by overnight courier or by registered or certified mail (postage prepaid, return receipt requested) to the respective parties at the following addresses (or at such other address for a party as shall be specified by like notice made pursuant to this Section 11):

12. No Ownership Interest. Nothing contained in this Agreement shall be deemed to vest in the Company any direct or indirect ownership or incidence of ownership of or with respect to the Covered Shares. All rights, ownership and economic benefits of and relating to the Covered Shares of the Stockholder shall remain vested in and belong to the Stockholder, and the Company shall have no authority to direct the Stockholder in the voting or disposition of any of the Covered Shares, except as otherwise provided herein.

13. Entire Agreement. This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the parties hereto with respect to the subject matter hereof and thereof. Each of the parties hereto hereby acknowledges and agrees, on behalf of itself, its Affiliates and each of their respective Representatives, that, in connection with such party's entry into this Agreement, neither such party nor any of its Affiliates or any of their respective Representatives has relied on any representations or warranties except for the representations and warranties of the Stockholder expressly set forth in Section 4 of this Agreement.

14. No Third-Party Beneficiaries. The Stockholder hereby agrees that its representations, warranties and covenants set forth herein are solely for the benefit of the Company in accordance with and subject to the terms of this Agreement, and this Agreement is not intended to, and does not, confer upon any Person other than the parties hereto any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth

herein, and the parties hereto hereby further agree that this Agreement may only be enforced against, and any Action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement may only be made against, the Persons expressly named as parties hereto; provided, however, that Parent shall be a third-party beneficiary of Section 7 of this Agreement.

15. Governing Law and Venue; Service of Process; Waiver of Jury Trial.

(a) This Agreement and any disputes relating hereto shall be governed by, and construed in accordance with, the laws of the State of Delaware (without giving effect to choice of law or conflict of law principles thereof or of any other jurisdiction that would cause the application of any laws of any jurisdiction other than the State of Delaware).

(b) Each of the parties hereto irrevocably (i) consents to submit itself to the personal jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (unless the Delaware Court of Chancery shall decline to accept jurisdiction over a particular matter, in which case, in any Delaware state or federal court within the State of Delaware), in connection with any matter based upon or arising out of this Agreement or any of the transactions contemplated by this Agreement or the actions of the Company or the Stockholder in the negotiation, administration, performance and enforcement hereof and thereof, (ii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court, (iii) agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the courts of the State of Delaware, as described above, and (iv) consents to service being made through the notice procedures set forth in Section 11. Each party hereto agrees that service of any process, summons, notice or document by U.S. registered mail to the respective addresses set forth in Section 11 shall be effective service of process for any suit or proceeding in connection with this Agreement or the transactions contemplated hereby. Each party hereto hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement, any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason other than the failure to serve process in accordance with this Section 15(b), that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and to the fullest extent permitted by applicable Law, that the suit, action or proceeding in any such court is brought in an inconvenient forum, that the venue of such suit, action or proceeding is improper, or that this Agreement, or the subject matter hereof or thereof, may not be enforced in or by such courts and further irrevocably waives, to the fullest extent permitted by applicable Law, the benefit of any defense that would hinder, fetter or delay the levy, execution or collection of any amount to which the party is entitled pursuant to the final judgment of any court having jurisdiction. Each party expressly acknowledges that the foregoing waiver is intended to be irrevocable under the Laws of the State of Delaware and of the United States of America; provided that each such party's consent to jurisdiction and service contained in this Section 15(b) is solely for the purpose referred to in this Section 15(b) and shall not be deemed to be a general submission to said courts or in the State of Delaware other than for such purpose.

---

(c) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THE ACTIONS OF THE COMPANY OR THE STOCKHOLDER IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF OR THEREOF.

16. Assignment; Successors. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto in whole or in part (whether by operation of Law or otherwise) without the prior written consent of the other party, and any such assignment without such consent shall be null and void. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and permitted assigns.

17. Enforcement. The parties hereto agree that irreparable damage for which monetary damages, even if available, may not be an adequate remedy, would occur in the event that the parties hereto do not perform the provisions of this Agreement (including the Stockholder's obligations to vote its Covered Shares as provided in this Agreement) in accordance with its specified terms or otherwise breach such provisions. The parties hereto acknowledge and agree that the parties hereto shall be entitled to an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, without any requirement for the posting of security, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the parties hereto agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that (x) either party has an adequate remedy at law or (y) an award of specific performance is not an appropriate remedy for any reason at law or equity.

18. Severability. If any term or other provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

19. Counterparts. This Agreement may be executed and delivered (including by email transmission, “.pdf,” or other electronic transmission) in one or more counterparts, and by the different parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

20. Interpretation and Construction. When reference is made in this Agreement to a Section, such reference shall be to a Section of this Agreement unless otherwise indicated. Whenever the words “include”, “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” The words “hereof,” “herein,” “hereby” and “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. All terms defined in this Agreement shall have the defined meanings when used in any certificate or other document made or delivered pursuant thereto unless otherwise defined therein. Words of any gender include each other gender and neuter genders and words using the singular or plural number also include the plural or singular number, respectively. Any Contract or Law defined or referred to herein means such Contract or Law as from time to time amended, modified or supplemented, including (in the case of Contracts) by waiver or consent and (in the case of Laws) by succession or comparable successor statutes and references to all attachments thereto and instruments incorporated therein. The word “or” shall not be exclusive. The word “will” shall be construed to have the same meaning as the word “shall”. Whenever this Agreement refers to a number of days, such number shall refer to calendar days unless Business Days are specified. The word “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if”. Any deadline or time period set forth in this Agreement that by its terms ends on a day that is not a Business Day shall be automatically extended to the next succeeding Business Day. Each of the parties hereto has participated in the drafting and negotiating of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if it is drafted by all the parties hereto and without regard to any presumption or rule requiring construction or interpretation against the party drafting or causing any instrument to be drafted.

21. Capacity as a Stockholder. Notwithstanding anything herein to the contrary, the Stockholder signs this Agreement solely in the Stockholder’s capacity as a stockholder of Parent, and not in any other capacity and this Agreement shall not limit or otherwise affect the actions (including the exercise of fiduciary duties) in accordance with applicable Law of any Affiliate, employee or designee of the Stockholder or any of its Affiliates in his or her capacity, if applicable, as an officer or director of Parent or any other Person.

22. Expenses. All fees and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such fees or expenses, whether or not the Merger is consummated.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed (where applicable, by their respective officers or other authorized Persons thereunto duly authorized) as of the date first written above.

## AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

### 1. Agreement to Vote.

(a) Prior to the Termination Date (as defined herein), the Stockholder, in its capacity as a stockholder of the Company, irrevocably and unconditionally agrees that, at any meeting of the stockholders of the Company (whether annual or special and whether or not an adjourned or postponed meeting, however called and including any adjournment or postponement thereof, including the Company Stockholders Meeting) and in connection with any written consent of stockholders of the Company or circumstances where the vote of the Company's stockholders is sought, the Stockholder shall, and shall cause any other holder of record of any of the Stockholder's Covered Shares to:

(i) when such meeting is held, appear at such meeting or otherwise cause the Stockholder's Covered Shares to be counted as present thereat for the purpose of establishing a quorum;

(ii) vote (or execute and return an action by written consent), or cause to be voted at such meeting (or validly execute and return and cause such consent to be granted with respect to), all of the Stockholder's Covered Shares owned as of the record date for such meeting (or the date that any written consent is executed by the Stockholder) in favor of the Merger and the adoption of the Merger Agreement and any other matters necessary or reasonably requested by the Company for consummation of the Merger and the other transactions contemplated by the Merger Agreement; and

(iii) vote (or execute and return an action by written consent), or cause to be voted at such meeting, or validly execute and return and cause such consent to be granted with respect to, all of the Stockholder's Covered Shares (1) against any Company Acquisition Proposal or any action which is a component of any Company Acquisition Proposal; and (2) against any other action that would reasonably be expected to (A) materially impede, interfere with, delay, postpone or adversely affect the Merger or any of the other transactions contemplated by the Merger Agreement, (B) change the voting rights of any class of capital stock of the Company, (C) result in a breach of any covenant, representation or warranty or other obligation or agreement of the Company under the Merger Agreement or otherwise prevent, impede, frustrate or nullify any provision of the Merger Agreement or (D) result in a breach of any covenant, representation or warranty or other obligation or agreement of the Stockholder contained in this Agreement.

Subject to Section 1(b), the obligations of the Stockholder specified in Section 1 shall apply whether or not the Merger or any action described above is recommended by the Board of Directors of the Company or the Board of Directors of the Company has effected a Company Change of Recommendation.

(b) Notwithstanding anything herein to the contrary, in the event of a Company Change of Recommendation made in compliance with the terms of the Merger Agreement:

(i) the aggregate number of shares of Company Common Stock of the Stockholder that shall be considered "Covered Shares" for all purposes of this Agreement shall be automatically modified without any further notice or any action by Parent or the Stockholder to be only 30,516,552 shares of Company Common Stock (the "Committed Covered Shares"), such that the Stockholder shall only be obligated to vote (or execute and return an action by written consent with respect to) the Committed Covered Shares in the manner set forth in Section 1(a) with respect to the Covered Shares after giving effect to such modification; and

(ii) the Stockholder, in its sole discretion, shall be free to Transfer (as defined below), and to vote or cause to be voted, in person or by proxy, all of the remaining Covered Shares in excess of the Committed Covered Shares (the "Excess Covered Shares") in any manner it may choose.

For the avoidance of doubt, in all events the Committed Covered Shares shall be deemed to be "Covered Shares" for purposes of this Agreement.

2. No Inconsistent Agreements. The Stockholder hereby covenants and agrees that the Stockholder shall not, at any time prior to the Termination Date, (i) enter into any voting agreement or arrangement or voting trust with respect to any of the Stockholder's Covered Shares that is inconsistent with the Stockholder's obligations pursuant to this Agreement, (ii) grant or permit the grant of a proxy, power of attorney or other authorization or consent with respect to any of the Stockholder's Covered Shares that is inconsistent with the Stockholder's obligations pursuant to this Agreement, (iii) enter into any Contract or other undertaking that is otherwise inconsistent with, or would interfere with, or prohibit or prevent it from satisfying, its obligations pursuant to this Agreement, (iv) take or permit to take any other action that would in any way interfere with, or prohibit or prevent it from satisfying, its obligations pursuant to this Agreement or (v) approve or consent to any of the foregoing. Any action taken in violation of the foregoing sentence shall be null and void and the Stockholder agrees that any such prohibited action may and shall be enjoined.

3. Termination. This Agreement shall terminate upon the earliest of (i) the Effective Time, (ii) the termination of the Merger Agreement in accordance with its terms and (iii) the time this Agreement is terminated upon the mutual written agreement of Parent and the Stockholder (the earliest such date under clause (i), (ii) and (iii) being referred to herein as the "Termination Date"); provided, that the provisions set forth in this Section 3, Section 7 and Sections 10 to 22 shall survive the termination of this Agreement; provided further, nothing herein shall relieve any party hereto of any liability for damages resulting from Willful Breach or actual fraud (as defined under Delaware law) prior to such termination.

---

4. Representations and Warranties of the Stockholder. The Stockholder hereby represents and warrants to Parent as to itself as follows, provided, however, that Parent acknowledges and agrees that the Stockholder makes no representations or warranties with respect to any shares of Company Common Stock required to be Transferred in connection with a Permitted Redemption from and after the date of such Transfer:

(a) The Stockholder is a beneficial owner (within the meaning of Rule 13d-3 under the Exchange Act) and the only record owner of, and has good, valid and marketable title to, the Covered Shares, free and clear of Liens other than as created by this Agreement or arising in connection with a Permitted Redemption. As of the date hereof, other than the Owned Shares, the Stockholder does not own beneficially or of record any Company Securities (or any securities convertible into Company Securities) or any interest therein.

(b) The Stockholder (i) except as provided in this Agreement, has full voting power, full power of disposition and full power to issue instructions with respect to the matters set forth herein, in each case, with respect to the Stockholder's Covered Shares, (ii) has not entered into any voting agreement or arrangement or voting trust with respect to any of the Stockholder's Covered Shares that is inconsistent with the Stockholder's obligations pursuant to this Agreement, (iii) has not granted a proxy, power of attorney or other authorization or consent with respect to any of the Stockholder's Covered Shares that is inconsistent with the Stockholder's obligations pursuant to this Agreement and (iv) has not entered into any Contract or other undertaking that is otherwise inconsistent with, or would interfere with, or prohibit or prevent it from satisfying, its obligations pursuant to this Agreement.

(c) The Stockholder (i) is a legal entity duly organized, validly existing and, to the extent such concept is applicable, in good standing under the Laws of the jurisdiction of its organization, and (ii) has all requisite corporate or other power and authority and has taken all corporate or other action necessary in order to, execute, deliver and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. This Agreement and the Stockholder Consent have been duly executed and delivered by the Stockholder and, assuming this Agreement constitutes a legal, valid and binding obligation of the other parties hereto and thereto, constitute a valid and binding agreement of the Stockholder enforceable against the Stockholder in accordance with its terms, subject to the Bankruptcy and Equity Exceptions. The Stockholder has provided to Parent a true and correct excerpt of each provision of the Second Amended and Restated Limited Liability Company Agreement of the Stockholder dated as of September 15, 2019, as amended (the "Stockholder Limited Liability Company Agreement") that creates a Lien on any Covered Share.

(d) Other than the filings, notices and reports pursuant to, in compliance with or required to be made under the Exchange Act, no filings, notices, reports, consents, registrations, approvals, permits, waivers, expirations of waiting periods or authorizations are required to be obtained by the Stockholder from, or to be given by the Stockholder to, or be made by the Stockholder with, any Governmental Entity in connection with the execution, delivery and performance by the Stockholder of this Agreement, the consummation of the transactions contemplated hereby or the Merger and the other transactions contemplated by the Merger Agreement.

---

(e) The execution, delivery and performance of this Agreement and the Stockholder Consent by the Stockholder do not, and the consummation of the transactions contemplated hereby and by the Stockholder Consent, and the Merger and the other transactions contemplated by the Merger Agreement will not, constitute or result in (i) a breach or violation of, or a default under, the certificate of incorporation, bylaws or comparable organizational documents of the Stockholder, (ii) with or without notice, lapse of time or both, a breach or violation of a termination (or right of termination) of or a default under, the loss of any benefit under, the creation, modification, cancellation or acceleration (or the right of modification, cancellation or acceleration) of any obligations under or the creation of a Lien on any of the properties, rights or assets (including the Covered Shares) of the Stockholder pursuant to any Contract binding upon the Stockholder or, assuming (solely with respect to performance of this Agreement and the transactions contemplated hereby), compliance with the matters referred to in Section 4(d), under any applicable Law, rule, regulation, order, judgment or decree to which the Stockholder is subject or (iii) any change in the rights or obligations of any party under any Contract legally binding upon the Stockholder, except, in the case of clause (ii) or (iii) directly above, for any such breach, violation, termination, default, creation, acceleration or change that would not, individually or in the aggregate, reasonably be expected to prevent or materially delay or impair the Stockholder's ability to perform its obligations hereunder or to consummate the transactions contemplated hereby, the consummation of the Merger or the other transactions contemplated by the Merger Agreement.

(f) As of the date of this Agreement, there is no Action pending against the Stockholder or, to the knowledge of the Stockholder, threatened against the Stockholder that questions the beneficial or record ownership of the Stockholder's Owned Shares or the validity of this Agreement, or that could reasonably be expected to prevent or materially delay the Stockholder's ability to perform its obligations hereunder.

(g) No broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission from the Company in connection with the transactions contemplated hereby based upon arrangements made by or on behalf of the Stockholder.

(h) The Stockholder understands and acknowledges that Parent is entering into the Merger Agreement in reliance upon the Stockholder's execution and delivery of this Agreement and the Stockholder Consent and the representations, warranties, covenants and other agreements of the Stockholder contained herein.

---

5. Certain Covenants of the Stockholder. Except in accordance with the terms of this Agreement, the Stockholder hereby covenants and agrees as follows:

(a) No Solicitation. Prior to the Termination Date, the Stockholder shall not, shall cause its subsidiaries and its and its subsidiaries' respective Representatives not to, directly or indirectly, (i) initiate, solicit or knowingly encourage or facilitate any inquiries with respect to, or the making of, or that could reasonably be expected to lead to, any Company Acquisition Proposal, (ii) engage in any negotiations or discussions with any Third Party concerning any Company Acquisition Proposal, or provide access to its properties, books and records or any confidential or nonpublic information or data to any Third Party relating to the Company, any of its subsidiaries, any of the Company Joint Ventures, any Company Project or the Stockholder, or have or participate in any discussions with any Third Party, in connection with any of the foregoing, (iii) approve, authorize or enter into any term sheet, letter of intent, commitment, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement or other agreement (whether written or oral, binding or nonbinding) in connection with or relating to any Company Acquisition Proposal (other than an Acceptable Confidentiality Agreement). The Stockholder also agrees that, immediately following the execution of this Agreement, it shall use reasonable best efforts to cause each of its subsidiaries and its and their Representatives to immediately (1) cease any solicitations, discussions or negotiations with any Third Party in connection with a Company Acquisition Proposal or any potential Company Acquisition Proposal and (2) terminate each Third Party's access to any physical or electronic data rooms relating to any potential Company Acquisition Proposal. The Stockholder also agrees that following the execution of this Agreement it will promptly request each Third Party that has prior to the date hereof executed a confidentiality agreement that is currently in effect in connection with a Company Acquisition Proposal or potential Company Acquisition Proposal to return or destroy all confidential information furnished to such Third Party by or on behalf of it or any of its subsidiaries prior to the date hereof. The Stockholder shall promptly (and in any event within one Business Day after the Stockholder's knowledge of any such event) notify Parent of the receipt of (A) any Company Acquisition Proposal after the execution of this Agreement, (B) any inquiry, proposal, offer or request for information with respect to, or that could reasonably be expected to result in or lead to, a Company Acquisition Proposal, or (C) any discussions or negotiations sought to be initiated or continued with the Stockholder, the Company, any of its subsidiaries or its or their Representatives concerning a Company Acquisition Proposal, which notice shall include a summary of the material terms of, and the identity of the Third Party making, such Company Acquisition Proposal, inquiry, offer, proposal or request for information and an unredacted copy of any Company Acquisition Proposal, inquiry, offer, proposal or request for information (including any proposed transaction agreements (including any drafts thereof and all schedules and exhibits thereto) relating to any Company Acquisition Proposal) made in writing (including electronically) and a summary of terms and conditions of any Company Acquisition Proposal, inquiry, offer, proposal or request for information not made in writing. Notwithstanding anything in this Agreement to the contrary, (x) the Stockholder (in its capacity as such) shall not be responsible for the actions of the Company or its Board of Directors (or any Committee thereof), any Affiliate of the Company (other than the Stockholder), or any officers, directors (in their capacity as such), employees and Representatives of any of the foregoing (the "Company Related Parties"), including with respect to any of the matters contemplated by this Section 5(a), (y) the Stockholder (in its capacity as such) makes no representations or warranties with respect to the actions of any of the Company Related Parties, and (z) any

breach by the Company of its obligations under Section 6.1(a) of the Merger Agreement shall not be considered a breach of this Section 5(a) (it being understood for the avoidance of doubt that the Stockholder shall remain responsible for any breach by it or its Representatives (other than any such Representative that is a Company Related Party) of this Section 5(a)).

(b) Transfer of the Covered Shares.

(i) The Stockholder hereby agrees not to, directly or indirectly, (1) sell, transfer, pledge, encumber, assign, hedge, swap, convert, gift-over or otherwise dispose of (including by sale, merger (including by conversion into securities or other consideration), by tendering into any tender or exchange offer, by testamentary disposition, by liquidation or dissolution, by dividend or distribution, by operation of Law or otherwise), either voluntarily or involuntarily (collectively, "Transfer"), or enter into any Contract, option or other agreement, arrangement or understanding with respect to the Transfer of any of the Stockholder's Covered Shares or (2) take any action that would make any representation or warranty of the Stockholder contained herein untrue or incorrect or have the effect of preventing or disabling the Stockholder from performing its obligations under this Agreement, provided, however, that (A) from and after the date of the Company Stockholders Meeting at which the Company Requisite Vote is obtained, the Stockholder and its Affiliates shall be permitted to Transfer (and enter into any Contract or option with respect to any such Transfer) all or a portion of the Covered Shares on any two (2) days during any calendar month, provided, that any such Transfers are executed at a price equal to or in excess of the lesser of (A) fifteen dollars (\$15.00) per share of Company Common Stock and (B) ninety-six percent (96%) of the most recent closing price of the Company Common Stock on the securities exchange or market on which the Company Common Stock is then listed or quoted; provided, further, that Parent shall not be required to take any actions in order to facilitate any such Transfer (such shares of Company Common Stock Transferred from time to time, the "Transferable Amount") and (B) nothing herein shall prohibit a Transfer (x) up to 1,849,347 shares of Company Common Stock in the aggregate pursuant to Section 5.5 of the Stockholder Limited Liability Company Agreement (each, a "Permitted Redemption") or (y) to an Affiliate of the Stockholder on the Closing Date (but prior to the Effective Time), in connection with a distribution-in-kind of shares of Company Common Stock pursuant to Section 5.5(e) of the Stockholder Limited Liability Company Agreement (a "Permitted Transfer"); provided, further, that any Permitted Transfer shall be permitted only if, as a precondition to such Transfer, the transferee agrees in a writing, reasonably satisfactory in form and substance to Parent, to assume all of the obligations of the Stockholder under, and be bound by all of the terms of, this Agreement. Any Transfer in violation of this Section 5(b) with respect to the Stockholder's Covered Shares shall be null and void and the Stockholder agrees that any such prohibited Transfer may and shall be enjoined.

(ii) In furtherance of this Agreement, Parent may, on the Stockholder's behalf, promptly after the date hereof, cause the Company to enter, or cause the Company's transfer agent to enter, a stop transfer order with respect to all of the Stockholder's Covered Shares with respect to any Transfer not permitted hereunder and to include the following legend on any share certificates for the Stockholder's Covered Shares: "THE SHARES OF STOCK REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO CERTAIN VOTING AND TRANSFER RESTRICTIONS PURSUANT TO THAT CERTAIN SUPPORT AGREEMENT, DATED AS OF JULY 6, 2020, BY AND BETWEEN SUNRUN INC., A DELAWARE CORPORATION, AND 313 ACQUISITION LLC, A DELAWARE LIMITED LIABILITY COMPANY. ANY TRANSFER OF SUCH SHARES OF STOCK IN VIOLATION OF THE TERMS AND PROVISIONS OF SUCH SUPPORT AGREEMENT SHALL BE NULL AND VOID AND HAVE NO FORCE OR EFFECT WHATSOEVER." The delivery of such securities by the delivering party shall not in any way affect such party's rights with respect to such securities. Notwithstanding the foregoing, in connection with any Transfer of Transferable Amounts from time to time in accordance with Section 5(b)(i)(A), the Company shall be permitted to instruct its transfer agent to lift the stop transfer order with respect to a number of the Stockholder's shares of Company Common Stock equal to the Transferable Amount (and remove any restrictive legend on such shares).

(iii) In the event that the Stockholder intends to undertake a Permitted Transfer of any of the Stockholder's Covered Shares, the Stockholder shall provide notice thereof to Parent and, if the written agreement to be entered into by the transferee agreeing to be bound by this Agreement pursuant to Section 5(b) hereof is reasonably satisfactory to Parent, the Company shall be permitted to instruct its transfer agent to, (i) lift any stop transfer order in respect of the Stockholder's Covered Shares to be so Transferred in order to effect such Permitted Transfer and (ii) re-enter any stop transfer order in respect of the Stockholder's Covered Shares to be so Transferred upon completion of the Permitted Transfer.

(c) Other Actions.

(i) The Stockholder agrees that it shall not, and shall cause each of its Affiliates not to, become a member of a "group" (as that term is used in Section 13(d) of the Exchange Act) that it is not currently a part of and that has been disclosed in a filing on Schedule 13D prior to the date hereof (other than as a result of entering into this Agreement) with respect to any Covered Shares or other Company Securities for the purpose of opposing or competing with the transactions contemplated by the Merger Agreement.

(ii) The Stockholder hereby authorizes Parent to maintain a copy of this Agreement at either the executive office or the registered office of Parent.

(iii) The Stockholder will not, and agrees to cause the Blackstone Parties not to, amend, alter, waive, terminate, modify or rescind the Stockholder Consent, provided, that the foregoing shall in no way limit the Stockholder's or the Blackstone Parties' rights with respect to the Excess Covered Shares, including, but not limited to, the adoption any resolutions, consents or other approvals in favor of a transaction other than the transactions contemplated by the Merger Agreement.

6. Further Assurances. From time to time, at Parent's request and without further consideration, the Stockholder shall execute and deliver such additional documents and take all such further action as may be reasonably necessary or reasonably requested to effect the actions and consummate the transactions contemplated by this Agreement. The Stockholder further irrevocably and unconditionally agrees not to commence or participate in, and to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, against the Company, Parent or any of their respective successors and assigns relating to the negotiation, execution or delivery of this Agreement, the Merger Agreement or the consummation of the transactions contemplated hereby and thereby, including any action (i) challenging the validity of, or seeking to enjoin the operation of, any provision of the Merger Agreement or this Agreement or (ii) alleging breach of any fiduciary duty of any Person in connection with the negotiation and entry into the Merger Agreement, this Agreement or the transactions contemplated hereby or thereby.

7. Public Announcements; Disclosure. The Stockholder shall not, and shall cause its Representatives not to, directly or indirectly, make any press release, public announcement or other public communication in respect of this Agreement or the Merger Agreement or any of the transactions contemplated hereby and thereby without the prior written consent of Parent, except as required by applicable federal securities Laws; provided, that the foregoing limitations shall not apply following any Company Change of Recommendation. The Stockholder hereby (i) authorizes Parent and the Company to publish and disclose in any announcement or disclosure required by the SEC (including in the Joint Proxy Statement and the Registration Statement) the Stockholder's identity and ownership of the Covered Shares, the nature of the Stockholder's obligations under this Agreement and any other information that Parent or the Company determines to be necessary in any SEC disclosure document and (ii) agrees as promptly as practicable to notify Parent and the Company of any required corrections with respect to any written information supplied by the Stockholder specifically for use in any such disclosure document.

8. Changes in Capital Stock. In the event of a stock split, stock dividend or distribution, or any change in Parent's capital stock by reason of any split-up, reverse stock split, recapitalization, combination, reclassification, exchange of shares or the like between the date of this Agreement and the Effective Time, the terms "Owned Shares", "Covered Shares", "Committed Covered Shares", "Permitted Redemption" and "Transferable Amount" shall be deemed to refer to and include such shares as well as all such stock dividends and distributions and any securities into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction, in each case subject to Section 1(b) hereof.

9. Amendment and Modification. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing signed by Parent and the Stockholder.

10. Waiver. No failure or delay by any party hereto exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies of the parties hereto hereunder are cumulative and are not exclusive of any rights or remedies which they would otherwise have hereunder. Any agreement on the part of a party hereto to any such waiver shall be valid only if set forth in a written instrument executed and delivered by such party.

11. Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, by e-mail, by overnight courier or by registered or certified mail (postage prepaid, return receipt requested) to the respective parties at the following addresses (or at such other address for a party as shall be specified by like notice made pursuant to this Section 11):

12. No Ownership Interest. Nothing contained in this Agreement shall be deemed to vest in Parent any direct or indirect ownership or incidence of ownership of or with respect to the Covered Shares. All rights, ownership and economic benefits of and relating to the Covered Shares of the Stockholder shall remain vested in and belong to the Stockholder, and Parent shall have no authority to direct the Stockholder in the voting or disposition of any of the Covered Shares, except as otherwise provided herein.

13. Entire Agreement. This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the parties hereto with respect to the subject matter hereof. Each of the parties hereto hereby acknowledges and agrees, on behalf of itself, its Affiliates and each of their respective Representatives, that, in connection with such party's entry into this Agreement and agreement to consummate the transactions contemplated hereby, neither such party nor any of its Affiliates or any of their respective Representatives has relied on any representations or warranties except for the representations and warranties of the Stockholder expressly set forth in Section 4 of this Agreement.

14. No Third-Party Beneficiaries. The Stockholder hereby agrees that its representations, warranties and covenants set forth herein are solely for the benefit of Parent in accordance with and subject to the terms of this Agreement, and this Agreement is not intended to, and does not, confer upon any Person other than the parties hereto any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth herein, and the parties hereto hereby further agree that this Agreement may only be enforced against, and any Action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement may only be made against, the Persons expressly named as parties hereto; provided, however, that the Company shall be a third-party beneficiary of Section 7 of this Agreement.

15. Governing Law and Venue; Service of Process; Waiver of Jury Trial.

(a) This Agreement and any disputes relating hereto shall be governed by, and construed in accordance with, the laws of the State of Delaware (without giving effect to choice of law or conflict of law principles thereof or of any other jurisdiction that would cause the application of any laws of any jurisdiction other than the State of Delaware).

(b) Each of the parties hereto irrevocably (i) consents to submit itself to the personal jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (unless the Delaware Court of Chancery shall decline to accept jurisdiction over a particular matter, in which case, in any Delaware state or federal court within the State of Delaware), in connection with any matter based upon or arising out of this Agreement or any of the transactions contemplated by this Agreement or the actions of Parent or the Stockholder in the negotiation, administration, performance and enforcement hereof and thereof, (ii) agrees that it will not attempt to

deny or defeat such personal jurisdiction by motion or other request for leave from any such court, (iii) agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the courts of the State of Delaware, as described above, and (iv) consents to service being made through the notice procedures set forth in Section 11. Each party hereto agrees that service of any process, summons, notice or document by U.S. registered mail to the respective addresses set forth in Section 11 shall be effective service of process for any suit or proceeding in connection with this Agreement or the transactions contemplated hereby. Each party hereto hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement, any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason other than the failure to serve process in accordance with this Section 15(b), that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and to the fullest extent permitted by applicable Law, that the suit, action or proceeding in any such court is brought in an inconvenient forum, that the venue of such suit, action or proceeding is improper, or that this Agreement, or the subject matter hereof or thereof, may not be enforced in or by such courts and further irrevocably waives, to the fullest extent permitted by applicable Law, the benefit of any defense that would hinder, fetter or delay the levy, execution or collection of any amount to which the party is entitled pursuant to the final judgment of any court having jurisdiction. Each party expressly acknowledges that the foregoing waiver is intended to be irrevocable under the Laws of the State of Delaware and of the United States of America; provided that each such party's consent to jurisdiction and service contained in this Section 15(b) is solely for the purpose referred to in this Section 15(b) and shall not be deemed to be a general submission to said courts or in the State of Delaware other than for such purpose.

(c) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THE ACTIONS OF PARENT OR THE STOCKHOLDER IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF OR THEREOF.

16. Assignment; Successors. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto in whole or in part (whether by operation of Law or otherwise) without the prior written consent of the other party, and any such assignment without such consent shall be null and void. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and permitted assigns.

17. Enforcement. The parties hereto agree that irreparable damage for which monetary damages, even if available, may not be an adequate remedy, would occur in the event that the parties hereto do not perform the provisions of this Agreement (including the Stockholder's obligations to vote its Covered Shares as provided in this Agreement) in accordance with its specified terms or otherwise breach such provisions. The parties hereto acknowledge and agree that the parties hereto shall be entitled to an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, without any requirement for the posting of security, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the parties hereto agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that (x) either party has an adequate remedy at law or (y) an award of specific performance is not an appropriate remedy for any reason at law or equity.

18. Severability. If any term or other provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

19. Counterparts. This Agreement may be executed and delivered (including by email transmission, “.pdf,” or other electronic transmission) in one or more counterparts, and by the different parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

20. Interpretation and Construction. When reference is made in this Agreement to a Section, such reference shall be to a Section of this Agreement unless otherwise indicated. Whenever the words “include”, “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” The words “hereof,” “herein,” “hereby” and “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. All terms defined in this Agreement shall have the defined meanings when used in any certificate or other document made or delivered pursuant thereto unless otherwise defined therein. Words of any gender include each other gender and neuter genders and words using the singular or plural number also include the plural or singular number, respectively. Any Contract or Law defined or referred to herein means such Contract or Law as from time to time amended, modified or supplemented, including (in the case of Contracts) by waiver or consent and (in the case of Laws) by succession or comparable successor statutes and references to all attachments thereto and instruments incorporated therein. The word “or” shall not be exclusive. The word “will” shall be construed to have the same meaning as the word “shall”. Whenever this Agreement refers to a number of days, such number shall refer to calendar days unless Business Days are specified. The word “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if”. Any deadline or time period set forth in this Agreement that by its terms ends on a day that is not a Business Day shall be automatically extended to the next succeeding Business Day. Each of the parties hereto has participated in the drafting and negotiating of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if it is drafted by all the parties hereto and without regard to any presumption or rule requiring construction or interpretation against the party drafting or causing any instrument to be drafted.

---

21. Capacity as a Stockholder. Notwithstanding anything herein to the contrary, the Stockholder signs this Agreement solely in the Stockholder's capacity as a stockholder of the Company, and not in any other capacity and this Agreement shall not limit or otherwise affect the actions (including the exercise of fiduciary duties) in accordance with applicable Law of any Affiliate, employee or designee of the Stockholder or any of its Affiliates in his or her capacity, if applicable, as an officer or director of the Company or any other Person.

22. Expenses. All fees and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such fees or expenses, whether or not the Merger is consummated.

ARTICLE II  
REGISTRATION RIGHTS

Section 2.1 (a) Piggyback Rights. If at any time the Company proposes to register Securities for public sale (whether proposed to be offered for sale by the Company or by any other Person) under the Securities Act (other than a registration on Form S-4 or S-8, or any successor or other forms promulgated for similar purposes or a registration relating to a convertible debt offering) in a manner which would permit registration of Registrable Securities for sale to the public under the Securities Act or any shelf takedown (whether pursuant to Section 2.2(g) or at the initiative of the Company) or sale pursuant to the exercise of any demand rights by any other holders of shares of Common Stock, it will give prompt written notice (which notice shall specify the intended method or methods of disposition) to the Holders of its intention to do so and of such Holder’s rights under this Section 2.1 (a “Piggyback Registration”). Upon the written request of any Holder made within fifteen (15) days after the receipt of any such notice (which request shall specify the number of Registrable Securities intended to be disposed of by such Holder), the Company will use its reasonable efforts to effect the registration under the Securities Act of all Registrable Securities which the Holders have so requested to be registered; provided that: (i) if, at any time after giving written notice of its intention to register any Securities and prior to the effective date of the registration statement filed in connection with such registration, the Company shall determine for any reason not to proceed with the proposed registration of the Securities to be sold by it, the Company may, at its election, give written notice of such determination to the Holders and, thereupon, the Company shall be relieved of its obligation to register any Registrable Securities in connection with such registration (but not from its obligation to pay the Registration Expenses incurred in connection therewith) without prejudice to the rights of a Demand Party to

request that such registration be effected as a registration under Section 2.2(g)(ii); and (ii) if such registration involves an Underwritten Offering, the Holders of Registrable Securities requesting to be included in the registration must, upon the written request of the Company, sell their Registrable Securities to the underwriters on the same terms and conditions as apply to the other Securities being sold through underwriters under such registration, with, in the case of a combined primary and secondary offering, only such differences, including any with respect to representations and warranties, indemnification and liability insurance, as may be customary or appropriate in combined primary and secondary offerings.

(b) Expenses. The Company will pay all Registration Expenses in connection with each registration of Registrable Securities requested pursuant to this Section 2.1.

(c) Priority in Piggyback Registrations. If a registration pursuant to this Section 2.1 involves an Underwritten Offering and the managing underwriter advises the Company in writing (a copy of which shall be provided to the Holders) that, in its opinion, the number of Registrable Securities and other Securities requested to be included in such registration exceeds the number which can be sold in such offering, so as to be likely to have a material and adverse effect on the price, timing or distribution of the Securities offered in such offering, then the Company will include in such registration: (i) first, the Securities the Company proposes to sell for its own account; and (ii) second, such number of Registrable Securities requested to be included in such registration which, in the opinion of such managing underwriter, can be sold without having the material and adverse effect referred to above, which number of Registrable Securities shall be allocated *pro rata* among the Registrable Securities held by all such requesting Holders on the basis of the relative number of Registrable Securities requested to be included in such registration by each such Holder (provided that any Securities thereby allocated to any such Holder that exceed such Holder's request will be reallocated among the remaining requesting Holders in like manner).

(d) Excluded Transactions. The Company shall not be obligated to effect any registration of Registrable Securities under this Section 2.1 incidental to the registration of any of its Securities in connection with:

(i) a registration statement filed to cover issuances under employee benefits plans, dividend reinvestment plans, or a convertible debt offering; or

(ii) any registration statement relating solely to the acquisition or merger after the date hereof by the Company or any of its Subsidiaries of or with any other businesses.

(e) Plan of Distribution, Underwriters and Counsel. If a registration pursuant to this Section 2.1 involves an Underwritten Offering (other than any Marketed Underwritten Shelf Offering pursuant to Section 2.2(g)(ii)), the Company shall have the right to (i) determine the plan of distribution and (ii) select the investment banker or bankers and managers to administer the offering, including the lead managing underwriter.

(f) Shelf Takedowns. In connection with any shelf takedown (whether pursuant to Section 2.2(g) or at the initiative of the Company), the Holders may exercise "piggyback" rights in the manner described in this Agreement to have included in such takedown Registrable Securities held by them that are registered on such shelf registration statement.

Section 2.2 Registration Statements.

(a) The Company shall file with the SEC as soon as reasonably practicable following the Closing Date, and will use reasonable best efforts to cause to be declared effective by the SEC within sixty (60) days of the Closing Date, a shelf registration statement on Form S-1, Form S-3 or such other form under the Securities Act then available to the Company (the "Shelf Registration Statement") providing for the resale by the Holders from time to time on a delayed or continuous basis pursuant to Rule 415 under the Securities Act of any or all of the Registrable Securities then held by the Holders (as determined by the Holders of a majority of the Registrable Securities).

(b) Subject to Section 2.2(c), the Company will use reasonable efforts to keep the Shelf Registration Statement continuously effective until the earlier of (i) three (3) years after the Shelf Registration Statement has been declared effective; (ii) the date on which all Registrable Securities covered by the Shelf Registration Statement have been sold thereunder, or otherwise cease to be Registrable Securities; and (iii) the date on which this agreement terminates pursuant to Section 4.1.

(c) Notwithstanding anything to the contrary contained in this Agreement, the Company shall be entitled, from time to time, by providing written notice to the Holders, to require the Holders to suspend sales of Registrable Securities under the Shelf Registration Statement during any Blackout Period. The Holders may recommence effecting sales of the Registrable Securities pursuant to the Shelf Registration Statement (or such filings) following further notice to such effect from the Company, which shall be given by the Company promptly following the expiration of any Blackout Period. After the expiration of any Blackout Period and without any further request from the Holders, the Company, to the extent necessary, shall as promptly as reasonably practicable prepare a post-effective amendment or supplement to the Shelf Registration Statement or the Prospectus, or any document incorporated therein by reference, or file any other required document so that, as thereafter delivered to purchasers of the Registrable Securities included therein, the Prospectus will not include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(d) Expenses. The Company will pay all Registration Expenses in connection with each registration of Registrable Securities requested pursuant to this Section 2.2.

(e) Plan of Distribution, Underwriters and Counsel. If a requested registration pursuant to this Section 2.2 involves an Underwritten Offering, the Demand Party seeking registration of the Registrable Securities included in such Underwritten Offering shall have the right to (i) determine the plan of distribution and (ii) select the investment banker or bankers and managers to administer the offering, including the lead managing underwriter (provided that such investment banker or bankers and managers shall be reasonably satisfactory to the Company).

(f) Priority in Demand Registrations. If a requested registration pursuant to this Section 2.2 involves an Underwritten Offering and the managing underwriter advises the Company in writing (a copy of which shall be provided to the Holders) that, in its reasonable opinion, the number of Registrable Securities requested to be included in such registration (including Securities of the Company which are not Registrable Securities) exceeds the number which can be sold in such offering, so as to be likely to have a material and adverse effect on the price, timing or distribution of the Securities offered in such offering, then the number of such Registrable Securities to be included in such registration shall be allocated in the following order of priority: (i) first, up to the number of Registrable Securities requested to be included by a Demand Party in its Take-Down Notice and the other Holders, *pro rata* among all such holders on the basis of the number of Registrable Securities requested to be included therein by all such Holders, (ii) second, securities the Company proposes to sell and (iii) third, all other securities of the Company duly requested to be included in such offering, *pro rata* on the basis of the amount of such other securities requested to be included or such other allocation method determined by the Company.

(g) Shelf Takedowns.

(i) Upon the written request of any Holder, at any time and from time to time, the Company will facilitate in the manner described in this Agreement a “takedown” of such Holder’s Registrable Securities off of an effective shelf registration statement (a “Shelf Take-Down”). Upon the written request of such Holder, the Company will file and seek the effectiveness of a post-effective amendment to an existing shelf registration statement in order to register up to the number of such Holder’s Registrable Securities previously taken down off of such shelf by such Holder and not yet “reloaded” onto such shelf registration statement.

(ii) At any time that a Shelf Registration Statement is effective, Blackstone (subject to a limit of two (2) times in any calendar year) and Summit (subject to a limit of one (1) time in any calendar year) (each of Blackstone and Summit, a “Demand Party”) may deliver a notice (a “Take-Down Notice”) to the Company that it intends to sell all or part of its Registrable Securities in an Underwritten Offering (including any Underwritten Offering where the plan of distribution set forth in the applicable Take-Down Notice includes a customary “road show” (including an “electronic road show”) or other substantial marketing effort by the Company and the underwriters (a “Marketed Underwritten Shelf Offering”)); provided, that a Demand Party may not deliver a Take-Down Notice prior to expiry of the Initial Lock-Up Period; provided, further, that Blackstone shall have the right to deliver the first Take-Down Notice provided that such Take-Down Notice is delivered by Blackstone within two-hundred and seventy (270) days of the Closing Date; provided, further, that a Demand Party may not deliver a Take-Down Notice for an Underwritten Offering or a Marketed Underwritten Shelf Offering unless the Registrable Securities requested to be sold in such offering have an aggregate offering price (based on the last reported sale price per share on the most recent trading day prior to such date on the principal securities exchange or market on which they are traded or, if the shares of Common Stock are no longer so traded, the fair value thereof (as determined in good faith by the Demand Party seeking registration of such Registrable Securities)) of at least (x) in the case of the first Take-Down Notice delivered by Summit, \$25,000,000 and (y) for each other Take-Down Notice delivered by a Demand Party, \$50,000,000.

---

(h) The Company shall not be obligated to effect any Marketed Underwritten Shelf Offering within ninety (90) days of a prior Marketed Underwritten Shelf Offering.

Section 2.3 Registration Procedures. If and whenever the Company is required to file a registration statement with respect to, or to use its reasonable efforts to effect or cause the registration of, any Registrable Securities under the Securities Act as provided in this Agreement, the Company will as expeditiously as possible:

(a) promptly prepare and file with the SEC a registration statement on an appropriate form in accordance with the terms of this Article II with respect to such Registrable Securities and use its reasonable efforts to cause such registration statement to become effective pursuant to the terms of this Article II; provided, however, that the Company may discontinue any registration of Securities which it has initiated for its own account at any time prior to the effective date of the registration statement relating thereto (and, in such event, the Company shall pay the Registration Expenses incurred in connection therewith); and provided, further, that before filing a registration statement or prospectus, or any amendments or supplements thereto, the Company will (i) furnish to counsel for the sellers of Registrable Securities covered by such registration statement copies of all documents proposed to be filed, which documents will be subject to the review of such counsel, (ii) fairly consider such reasonable changes in any such documents prior to or after the filing thereof as the counsel to the sellers of Registrable Securities being sold may request, and (iii) make such of the representatives of the Company as shall be reasonably requested by the sellers of the Registrable Securities being sold available for discussion of such documents;

(b) prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective pursuant to the terms of this Article II and to comply with the provisions of the Securities Act and the Exchange Act with respect to the disposition of all Securities covered by such registration statement during such period in accordance with the intended methods of disposition by the seller or sellers thereof set forth in such registration statement; provided that before filing a registration statement or prospectus, or any amendments or supplements thereto, the Company will (i) furnish to counsel for the sellers of Registrable Securities covered by such registration statement copies of all documents proposed to be filed, which documents will be subject to the review of such counsel, (ii) fairly consider such reasonable changes in any such documents prior to or after the filing thereof as the counsel to the sellers of Registrable Securities being sold may request, and (iii) make such of the representatives of the Company as shall be reasonably requested by the sellers of the Registrable Securities being sold available for discussion of such documents;

(c) furnish to each seller of such Registrable Securities such number of copies of such registration statement and of each amendment and supplement thereto (in each case including all exhibits filed therewith, including any documents incorporated by reference), such number of copies of the prospectus included in such registration statement (including each preliminary prospectus and summary prospectus), in conformity with the requirements of the Securities Act, and such other documents as such seller may reasonably request in order to facilitate the disposition of the Registrable Securities by such seller;

---

(d) use its reasonable efforts to register or qualify such Registrable Securities covered by such registration in such jurisdictions as each seller shall reasonably request, and do any and all other acts and things which may be reasonably necessary or advisable to enable such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller, provided that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not then so qualified or to take any action that would subject it to taxation or service of process in suits, other than those arising out of any offering pursuant to the registration statement, in any jurisdiction where it is not then so subject;

(e) use its reasonable efforts to cause such Registrable Securities covered by such registration statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof to consummate the disposition of such Registrable Securities;

(f) notify each seller of any such Registrable Securities covered by such registration statement, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the Company's becoming aware that the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and at the request of any such seller, prepare and furnish to such seller a reasonable number of copies of an amended or supplemental prospectus as may be necessary so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(g) otherwise use its reasonable efforts to comply with all applicable rules and regulations of the SEC, and make available to its Security holders, as soon as reasonably practicable (but not more than eighteen (18) months) after the effective date of the registration statement, an earnings statement which shall satisfy the provisions of Section 11(a) of the Securities Act;

(h) (i) use its reasonable efforts to list such Registrable Securities on any securities exchange on which other Securities of the Company are then listed if such Registrable Securities are not already so listed and if such listing is then permitted under the rules of such exchange; and (ii) use its reasonable efforts to provide a transfer agent and registrar for such Registrable Securities covered by such registration statement not later than the effective date of such registration statement;

(i) enter into such customary agreements (including an underwriting agreement in customary form), which may include indemnification provisions in favor of underwriters and other Persons in addition to, or in substitution for the indemnification provisions hereof, and take such other actions as sellers of a majority of such Registrable Securities or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities;

---

(j) obtain a “cold comfort” letter or letters from the Company’s independent public accountants in customary form and covering matters of the type customarily covered by “cold comfort” letters as the seller or sellers of a majority of such Registrable Securities shall reasonably request;

(k) make available for inspection by any seller of such Registrable Securities covered by such registration statement, by any underwriter participating in any disposition to be effected pursuant to such registration statement and by any attorney, accountant or other agent retained by any such seller or any such underwriter, all pertinent financial and other records, pertinent corporate documents and properties of the Company, and cause all of the Company’s officers, directors and employees to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with such registration statement;

(l) notify counsel for the Holders of Registrable Securities included in such registration statement and the managing underwriter or agent, immediately, and confirm the notice in writing: (i) when the registration statement, or any post-effective amendment to the registration statement, shall have become effective, or any supplement to the prospectus or any amendment to any prospectus shall have been filed; (ii) of the receipt of any comments from the SEC; (iii) of any request of the SEC to amend the registration statement or amend or supplement the prospectus or for additional information; and (iv) of the issuance by the SEC of any stop order suspending the effectiveness of the registration statement or of any order preventing or suspending the use of any preliminary prospectus, or of the suspension of the qualification of the registration statement for offering or sale in any jurisdiction, or of the institution or threatening of any proceedings for any of such purposes;

(m) provide each Holder of Registrable Securities included in such registration statement reasonable opportunity to comment on the registration statement, any post-effective amendments to the registration statement, any supplement to the prospectus or any amendment to any prospectus;

(n) make every reasonable effort to prevent the issuance of any stop order suspending the effectiveness of the registration statement or of any order preventing or suspending the use of any preliminary prospectus and, if any such order is issued, to obtain the withdrawal of any such order at the earliest possible moment;

(o) if requested by the managing underwriter or agent or any Holder of Registrable Securities covered by the registration statement, promptly incorporate in a prospectus supplement or post-effective amendment such information as the managing underwriter or agent or such Holder reasonably requests to be included therein, including, with respect to the number of Registrable Securities being sold by such Holder to such underwriter or agent, the purchase price being paid therefor by such underwriter or agent and with respect to any other terms of the Underwritten Offering of the Registrable Securities to be sold in such offering; and make all required filings of such prospectus supplement or post-effective amendment as soon as practicable after being notified of the matters incorporated in such prospectus supplement or post-effective amendment;

(p) cooperate with the Holders of Registrable Securities covered by the registration statement and the managing underwriter or agent, if any, to facilitate the timely preparation and delivery of certificates (not bearing any restrictive legends) representing Securities to be sold under the registration statement, and enable such Securities to be in such denominations and registered in such names as the managing underwriter or agent, if any, or the Holders may request;

(q) use its reasonable efforts to make available the executive officers of the Company to participate with the Holders of Registrable Securities and any underwriters in any “road shows” that may be reasonably requested by the Holders in connection with distribution of Registrable Securities;

(r) obtain for delivery to the Holders of Registrable Securities being registered and to the underwriter or agent an opinion or opinions from counsel for the Company in customary form and in form, substance and scope reasonably satisfactory to such Holders, underwriters or agents and their counsel; and

(s) cooperate with each seller of Registrable Securities and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA.

#### Section 2.4 Other Registration-Related Matters.

(a) Other than in the case of Permitted Transfers, no Holder shall Transfer any shares of Common Stock prior to the date that is one-hundred and twenty (120) days after the Closing Date (the “Secondary Lock-Up Period” and, together with the Initial Lock-Up Period, the “Lock-Up Period”); provided, that (i) on or after the date that is sixty (60) days after the Closing Date (the “Initial Lock-Up Period”) (x) Blackstone shall be permitted to Transfer up to 14,615,540 shares of Common Stock, (y) Summit shall be permitted to Transfer up to 1,261,969 shares of Common Stock and (z) Pedersen shall be permitted to Transfer up to 2,684,819 shares of Common Stock and (ii) at any time prior to the expiry of the Lock-Up Period, and from time to time, Holders may Transfer any number of shares of Common Stock (x) on any two (2) days during any calendar month, provided, that any such Transfers are executed at a price equal to or in excess of the lesser of (A) thirty dollars (\$30.00) per share of Common Stock and (B) ninety-six percent (96%) of the most recent closing price of the Common Stock on the securities exchange or market on which the Common Stock is then listed or quoted; provided, further, that the Company shall not be required to take any actions in order to facilitate any such Transfer, or (y) with the prior written consent of the Company (which may be withheld at the Company’s sole discretion).

(b) The Company may require any Person that is Transferring Securities in a Public Offering pursuant to Section 2.1 or 2.2 to furnish to the Company in writing such information regarding such Person and pertinent to the disclosure requirements relating to the registration and the distribution of the Registrable Securities which are included in such Public Offering as the Company may from time to time reasonably request in writing.

---

(c) Each Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 2.3(f), it will forthwith discontinue disposition of Registrable Securities pursuant to the registration statement covering such Registrable Securities until its receipt of the copies of the amended or supplemented prospectus contemplated by Section 2.3(f) and, if so directed by the Company, each Holder will deliver to the Company or destroy (at the Company's expense) all copies, other than permanent file copies then in their possession, of the prospectus covering such Registrable Securities current at the time of receipt of such notice. If the Company gives any such notice, the period for which the Company will be required to keep the registration statement effective will be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 2.3(f) to and including the date when each seller of Registrable Securities covered by such registration statement has received the copies of the supplemented or amended prospectus contemplated by Section 2.3(f).

(d) Each Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 2.3(l)(iv), it will forthwith discontinue disposition of Registrable Securities pursuant to the registration statement covering such Registrable Securities until the lifting of such stop order, other order or suspension or the termination of such proceedings and, if so directed by the Company, each Holder will deliver to the Company or destroy (at the Company's expense) all copies, other than permanent file copies then in its possession, of the prospectus covering such Registrable Securities current at the time of receipt of such notice. If the Company gives any such notice, the period for which the Company will be required to keep the registration statement effective will be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 2.3(l)(iv) to and including the date when such stop order, other order or suspension is lifted or such proceedings are terminated.

(e) In connection with any Underwritten Offering, the Holders of Registrable Securities agree to enter into customary "lock-up" agreements restricting the public sale or distribution of equity securities of the Company (including sales pursuant to Rule 144 under the Securities Act) to the extent required in writing by the lead managing underwriter(s) with respect to an applicable Underwritten Offering for a period of not more than ninety (90) days after the date of the "final" prospectus (or "final" prospectus supplement if the Underwritten Offering is made pursuant to a Shelf Registration Statement), pursuant to which such Underwritten Offering shall be made, plus, if applicable, an extension period, as may be proposed by the lead managing underwriter(s) to address FINRA regulations regarding the publishing of research, or such other period as is required by the lead managing underwriter(s); provided, however, such Holders shall not be subject to a lock-up period longer than the lock-up period to which the officers and directors of the Company are subject.

(f) In the event of any Marketed Underwritten Shelf Offering, the Company will not affect any public sale or distribution of any common equity (or securities convertible into or exchangeable or exercisable for common equity) for its own account, within sixty (60) days after the date of such Marketed Underwritten Shelf Offering except as may otherwise be agreed between the Company and the lead managing underwriter(s) of such Marketed Underwritten Shelf Offering.

(g) A Holder having notified or directed the Company to include any or all of its Registrable Securities in a registration statement under the Securities Act shall have the right to withdraw any such notice or direction with respect to any or all of the Registrable Securities designated by it for registration by giving written notice to such effect to the Company prior to the effective date of such registration statement. In the event of any such withdrawal, the Company shall not include such Registrable Securities in the applicable registration and such Registrable Securities shall continue to be Registrable Securities for all purposes of this Agreement (subject to the other terms and conditions of this Agreement). No such withdrawal shall affect the obligations of the Company with respect to the Registrable Securities not so withdrawn.

(h) With a view to making available the benefits of certain rules and regulations of the SEC which may at any time permit the sale of Securities of the Company to the public without registration after such time as a public market exists for Registrable Securities, the Company agrees:

(i) to make and keep public information available, as those terms are understood and defined in Rule 144 under the Securities Act, at all times after the effective date of the first registration under the Securities Act filed by the Company for an offering of its Securities to the public;

(ii) to use its commercially reasonable efforts to then file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act (at any time it is subject to such reporting requirements); and

(iii) so long as a Holder owns any Registrable Securities, to furnish to such Holder promptly upon request: (A) a written statement by the Company as to its compliance with the reporting requirements of Rule 144, and of the Securities Act and the Exchange Act (at any time it is subject to such reporting requirements); (B) a copy of the most recent annual or quarterly report of the Company; and (C) such other reports and documents of the Company as such Holder may reasonably request in availing itself or himself of any rule or regulation of the SEC allowing such Holder to sell any such Securities without registration.

(i) Counsel to represent Holders of Registrable Securities shall be selected by the Holders of at least a majority of the Registrable Securities included in the relevant registration.

### ARTICLE III INDEMNIFICATION

Section 3.1 Indemnification by the Company. If any registration of any Securities of the Company under the Securities Act pursuant to Section 2.1 or 2.2, the Company hereby indemnifies and agrees to hold harmless, to the fullest extent permitted by Law, each Holder who sells Registrable Securities covered by such registration statement, each Affiliate of such Holder and their respective directors and officers or general and limited partners (and the directors, officers, employees, Affiliates and controlling Persons of any of the foregoing), each other Person who participates as an underwriter in the offering or sale of such Securities and each other Person, if any, who controls such Holder or any such underwriter within the meaning of the Securities Act (each, and "Indemnified Party" and collectively, the "Indemnified Parties"), against any and all

losses, claims, damages or liabilities, joint or several, and reasonable and documented expenses to which such Indemnified Party may become subject under the Securities Act, common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof, whether or not such Indemnified Party is a party thereto) arise out of or are based upon: (a) any untrue statement or alleged untrue statement of any material fact contained in any registration statement under which such Securities were registered under the Securities Act, any preliminary, final or summary prospectus contained therein, or any amendment or supplement thereto, or any document incorporated by reference therein, or any other such disclosure document (including reports and other documents filed under the Exchange Act and any document incorporated by reference therein) or related document or report; (b) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in the case of a prospectus, in the light of the circumstances when they were made; or (c) any violation or alleged violation by the Company or any of its Subsidiaries of any federal, state, foreign or common law rule or regulation applicable to the Company or any of its Subsidiaries and relating to action or inaction in connection with any such registration, disclosure document or related document or report, and the Company will reimburse such Indemnified Party for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, liability, action or proceeding; provided that the Company will not be liable to any Indemnified Party in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, in any such preliminary, final or summary prospectus, or any amendment or supplement thereto in reliance upon and in conformity with written information with respect to such Indemnified Party furnished to the Company by such Indemnified Party expressly for use in the preparation thereof. Such indemnity will remain in full force and effect regardless of any investigation made by or on behalf of such Holder or any Indemnified Party and will survive the Transfer of such Securities by such Holder or any termination of this Agreement.

Section 3.2 Indemnification by the Holders and Underwriters. The Company may require, as a condition to including any Registrable Securities in any registration statement filed in accordance with Section 2.1 or 2.2, that the Company shall have received an undertaking reasonably satisfactory to it from the Holder of such Registrable Securities or any prospective underwriter to indemnify and hold harmless (in the same manner and to the same extent as set forth in Section 3.1) the Company, all other Holders or any prospective underwriter, as the case may be, and any of their respective Affiliates, directors, officers and controlling Persons, with respect to any untrue statement in or omission from such registration statement, any preliminary, final or summary prospectus contained therein, or any amendment or supplement, if such untrue statement or omission was made in reliance upon and in conformity with written information with respect to such Holder or underwriter furnished to the Company by such Holder or underwriter expressly for use in the preparation of such registration statement, preliminary, final or summary prospectus or amendment or supplement, or a document incorporated by reference into any of the foregoing. Such indemnity will remain in full force and effect regardless of any investigation made by or on behalf of the Company or any of the Holders, or any of their respective Affiliates, directors, officers or controlling Persons and will survive the Transfer of such Securities by such Holder. In no event shall the liability of any selling Holder of Registrable Securities hereunder be greater in amount than the dollar amount of the proceeds actually received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation.

Section 3.3 Notices of Claims, Etc. Promptly after receipt by an Indemnified Party hereunder of written notice of the commencement of any action or proceeding with respect to which a claim for indemnification may be made pursuant to this Article III, such Indemnified Party will, if a claim in respect thereof is to be made against an indemnifying party, give written notice to the latter of the commencement of such action; provided that the failure of the Indemnified Party to give notice as provided herein will not relieve the indemnifying party of its obligations under Section 3.1 or 3.2, except to the extent that the indemnifying party is actually prejudiced by such failure to give notice. In case any such action is brought against an Indemnified Party, unless in such Indemnified Party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist in respect of such claim, the indemnifying party will be entitled to participate in and to assume the defense thereof, jointly with any other indemnifying party similarly notified to the extent that it may wish, with counsel selected by the Holders of at least a majority of the Registrable Securities included in the relevant registration, and after notice from the indemnifying party to such Indemnified Party of its election so to assume the defense thereof, the indemnifying party will not be liable to such Indemnified Party for any legal or other expenses subsequently incurred by the latter in connection with the defense thereof other than reasonable costs of investigation. If, in such Indemnified Party's reasonable judgment, having common counsel would result in a conflict of interest between the interests of such indemnified and indemnifying parties, then such Indemnified Party may employ separate counsel reasonably acceptable to the indemnifying party to represent or defend such Indemnified Party in such action, it being understood, however, that the indemnifying party will not be liable for the reasonable fees and expenses of more than one separate firm of attorneys at any time for all such Indemnified Parties (and not more than one separate firm of local counsel at any time for all such Indemnified Parties) in such action. No indemnifying party will consent to entry of any judgment or enter into any settlement without the prior written consent of the Indemnified Party (which consent will not be unreasonably withheld, conditioned, or delayed) unless (x) the sole relief provided is monetary damages and (y) such judgment or settlement includes as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect of such claim or litigation.

Section 3.4 Contribution. If the indemnification provided for hereunder from the indemnifying party is unavailable to an Indemnified Party hereunder in respect of any losses, claims, damages, liabilities or expenses referred to herein for reasons other than those described in the proviso in the first sentence of Section 3.1, then the indemnifying party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and Indemnified Parties in connection with the actions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of such indemnifying party and Indemnified Parties shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or relates to information supplied by, such indemnifying party or Indemnified Parties, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action.

The amount paid or payable by a party under this Section 3.4 as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with any investigation or proceeding. In no event shall the liability of any selling Holder of Registrable Securities hereunder be greater in amount than the dollar amount of the proceeds actually received by such Holder upon the sale of the Registrable Securities giving rise to such contribution obligation.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 3.4 were determined by *pro rata* allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

Section 3.5 Other Indemnification. Indemnification similar to that specified in this Article III (with appropriate modifications) shall be given by the Company and each seller of Registrable Securities with respect to any required registration or other qualification of Securities under any Law or with any Governmental Entity other than as required by the Securities Act.

Section 3.6 Non-Exclusivity. The obligations of the parties under this Article III will be in addition to any liability which any party may otherwise have to any other party.

## ARTICLE IV OTHER

Section 4.3 Assignment. Neither the Company nor any Holder shall assign all or any part of this Agreement without the prior written consent of the Company and Blackstone; provided, however, that, without the prior written consent of the Company, any Blackstone Entity may assign its rights and obligations under this Agreement in whole or in part to (x) any of its Affiliates and (y) any Person who becomes a holder of Registrable Securities upon a distribution by such Blackstone Entity of shares of Common Stock to its members, limited partners or stockholders that becomes a party hereto by executing and delivering an assignment and joinder agreement to the Company, substantially in the form of Exhibit A to this Agreement. Except as otherwise provided herein, this Agreement will inure to the benefit of and be binding on the parties hereto and their respective successors and permitted assigns.

Section 4.4 Amendments; Waiver. This Agreement may be amended, supplemented or otherwise modified only by a written instrument executed by the Company and the Holders holding a majority of the Registrable Securities subject to this Agreement; provided that no such amendment, supplement or other modification shall adversely affect the economic interests of any Holder hereunder disproportionately to other Holders without the written consent of such Holder. No waiver by any party of any of the provisions hereof will be effective unless explicitly set forth in writing and executed by the party so waiving. Except as provided in the preceding sentence, no action taken pursuant to this Agreement, including without limitation, any investigation by or on behalf of any party, will be deemed to constitute a waiver by the party taking such action of compliance with any covenants or agreements contained herein. The waiver by any party hereto of a breach of any provision of this Agreement will not operate or be construed as a waiver of any subsequent breach.

Section 4.5 Third Parties. This Agreement does not create any rights, claims or benefits inuring to any person that is not a party hereto nor create or establish any third party beneficiary hereto; provided, that the Indemnified Parties are intended third party beneficiaries of Article III and Non-Liable Persons are intended third party beneficiaries of Section 4.15.

Section 4.6 Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware.

Section 4.7 Jurisdiction. The Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware) shall have exclusive jurisdiction over the parties with respect to any dispute or controversy between them arising under or in connection with this agreement and, by execution and delivery of this agreement, each of the parties to this Agreement submits to the exclusive jurisdiction of those courts, including but not limited to the *in personam* and subject matter jurisdiction of those courts, waives any objections to such jurisdiction on the grounds of venue or *forum non conveniens*, the absence of *in personam* or subject matter jurisdiction and any similar grounds, consents to service of process by mail (in accordance with the notice provisions of this Agreement) or any other manner permitted by Law, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement.

Section 4.8 MUTUAL WAIVER OF JURY TRIAL. THE PARTIES HERETO WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT OR PROCEEDING BROUGHT TO ENFORCE OR DEFEND ANY RIGHTS OR REMEDIES UNDER THIS AGREEMENT.

Section 4.9 Specific Performance. Each of the parties hereto acknowledges and agrees that if there is any breach of this Agreement by any of them, the non-breaching party would be irreparably harmed and could not be made whole by monetary damages. Each party accordingly agrees to waive the defense in any action for specific performance that a remedy at law would be adequate and that the parties, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to compel specific performance of this Agreement.

Section 4.10 Entire Agreement. This Agreement sets forth the entire understanding of the parties hereto with respect to the subject matter hereof. There are no agreements, representations, warranties, covenants or undertakings with respect to the subject matter hereof other than those expressly set forth herein. This Agreement supersedes all other prior agreements and understandings between the parties with respect to such subject matter.

Section 4.11 Severability. If one or more of the provisions, paragraphs, words, clauses, phrases or sentences contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision, paragraph, word, clause, phrase or sentence in every other respect and of the remaining provisions, paragraphs, words, clauses, phrases or sentences hereof shall not be in any way impaired, it being intended that all rights, powers and privileges of the parties hereto shall be enforceable to the fullest extent permitted by Law.

Section 4.12 Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original and all of which together will be deemed to be one and the same instrument.

Section 4.13 Effectiveness. This Agreement shall become effective, as to any Holder, as of the date signed by the Company and countersigned by such Holder.

Section 4.14 Confidentiality. Blackstone, Summit and Pedersen each agrees that all material non-public information provided pursuant to or in accordance with the terms of this Agreement shall be kept confidential by the Person to whom such information is provided, until such time as such information becomes public other than through violation of this provision. Notwithstanding the foregoing, any party may disclose the information if (1) required to do so by any law, rule, regulation, order, decree or subpoena of any governmental agency or authority or court or (2) such information becomes generally available to the public other than as a result of a disclosure or failure to safeguard such information by such Person.

Section 4.15 No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement, and notwithstanding the fact that any party hereto may be a partnership or limited liability company, each party hereto, by its acceptance of the benefits of this Agreement, covenants, agrees and acknowledges that no Persons other than the named parties hereto shall have any obligation hereunder and that it has no rights of recovery hereunder against, and no recourse hereunder or in respect of any oral representations made or alleged to be made in connection herewith or therewith shall be had against, any former, current or future director, officer, agent, Affiliate, manager, assignee, incorporator, controlling Person, fiduciary, representative or employee of any Holder (or any of their heirs, successors or permitted assigns), or against any former, current or future director, officer, agent, employee, Affiliate, manager, assignee, incorporator, controlling Person, fiduciary, representative, general or limited partner, shareholder, manager or member of any of the foregoing Persons, but in each case not including the named parties hereto (each, a “Non-Liable Person”), whether by or through attempted piercing of the corporate veil, by or through a claim (whether in tort, contract or otherwise) by or on behalf of such party against any Non-Liable Person, by the enforcement of any assignment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable Law or otherwise; it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any Non-Liable Person, as such, for any obligations of the applicable party under this Agreement or the transactions contemplated hereby, in respect of any oral representations made or alleged to have been made in connection herewith or therewith or for any claim (whether in tort, contract or otherwise) based on, in respect of or by reason of, such obligations or their creation.

Section 4.16 Termination of Prior Agreement. Upon this Agreement coming into effect at the Effective Time, that certain registration rights agreement dated as of October 6, 2014 (as may be amended, supplemented or modified from time to time, the “Prior Registration Rights Agreement”), by and among Vivint Solar, Blackstone, Summit, Pedersen and the other parties listed on the signature pages thereto, shall be amended in full with its terms replaced by the terms hereof pursuant to Section 4.3 of the Prior Registration Rights Agreement, and Blackstone, Summit and Pedersen shall take all necessary actions and cooperate with the Company to ensure that the Prior Registration Rights Agreement is terminated without any further liability.

Section 4.17 Distributions. If prior to the Effective Time, 313 Acquisition LLC has not effected a distribution-in-kind of the shares of common stock of Vivint Solar to the members, limited partners and stockholders of 313 Acquisition LLC, 313 Acquisition LLC shall take all necessary action to effect a distribution-in-kind of all shares of Common Stock held by 313 Acquisition LLC to the members, limited partners and stockholders of 313 Acquisition LLC as soon as reasonably practicable following the Closing Date and such Transfer shall be deemed to be a Permitted Transfer for all purposes hereunder.
