Explanation of Responses:

- On June 9, 2019, in connection with the vesting of shares underlying 278 previously disclosed restricted stock units, the issuer withheld 97 shares of common stock to satisfy withholding taxes due in connection with such vesting. Such shares had a market value of \$30.35 per share, the closing price of the common stock on the first trading day following the vesting date. Amount of securities beneficially owned consists of the number of shares of common stock held by the reporting person as of June 9, 2019, including the shares awarded in connection with such vesting, but excluding any shares of common stock subject to further vesting conditions. See Note 2 below.
- Consists of the total number of shares of common stock underlying restricted stock units held by the reporting person as of June 9, 2019 that remain subject to time-based vesting.
