Dear Shareholders:

It is my pleasure to invite you to the TopBuild Corp. 2019 Annual Meeting of Shareholders. The Annual Meeting will be held on Monday, April 29, 2019, at 10:00 AM Eastern Time, at the Hyatt Regency Orlando International Airport, 9300 Jeff Fuqua Boulevard, Orlando, Florida 32827.

We are furnishing proxy materials to our shareholders via the Internet, which we believe expedites shareholders' receipt of proxy materials while also lowering our costs and reducing the environmental impact of our Annual Meeting. The Notice of Internet Availability of Proxy Materials that you received in the mail, referred to as the Notice, provides instructions on how to access and review this Proxy Statement and our 2018 Annual Report, as well as how to vote via the Internet. If you would still like to receive a printed copy of our proxy materials, please follow the instructions for requesting these materials included in the Notice.

Details regarding admission to the Annual Meeting and the business to be conducted are more fully described in the accompanying Notice of 2019 Annual Meeting of Shareholders and Proxy Statement. The proxy materials also provide information about TopBuild that you should consider when voting your shares.

If your shares are held in "Street Name," meaning that they are held of record by your brokerage firm, bank, broker-dealer or other intermediary, then you will receive voting instructions from the holder of record. You must follow those instructions in order for your shares to be voted. Your broker is required to vote your shares in accordance with your instructions.

We hope you will be able to attend our Annual Meeting. If you cannot attend, it is important that your shares be represented. Your vote is very important to us. We urge you to read the accompanying Proxy Statement carefully and vote for the Board's nominees and in accordance with the Board's recommendations on the other proposals. Whether or not you are planning to attend the Annual Meeting, please vote your shares as soon as possible by telephone or Internet, or, if you requested to receive printed proxy materials, by signing, dating and returning the enclosed proxy card in the postage-paid envelope provided. Further instructions are provided in the Notice, the proxy card or the voting instruction form provided by your broker. Please vote promptly.

Thank you for your continued support. If you have any questions, please contact our Investor Relations department at (386) 763-8801.

Executive Compensation (page 25)

Our compensation programs are designed to attract, retain and incentivize executive officers to focus on critical business objectives, to appropriately balance risks and rewards and to effectively lead our business. The fundamental principles of our compensation programs are to reward executive officers based on company performance, both in achieving performance goals and by making effective strategic decisions, and to align executive officers' interests with the long-term interests of our shareholders.

We believe that having a significant ownership interest in our stock is critical to aligning the interests of executive officers with the long-term interests of our shareholders. Accordingly, equity awards in the form of restricted stock and stock options with extended vesting periods, as well as awards that vest only upon the achievement of performance goals, are an important component of compensation for our executive officers. The value ultimately realized from equity awards depends on the long-term performance of our common stock.

Proposal to Amend Article 5 of our Amended and Restated Certificate of Incorporation to Reduce from 66 ⅔% to a Majority the Affirmative Vote Required to Amend our Bylaws (page 41)

Article 5 of our Amended and Restated Certificate of Incorporation currently provides that our shareholders may adopt, amend or repeal our Bylaws only with the affirmative vote of the holders of not less than 66 ⅔% of the voting power of all of our outstanding securities generally entitled to vote in the election of directors, voting together as a single class.

After careful consideration, our Board of Directors has unanimously approved, and recommends that our shareholders approve an amendment to our Amended and Restated Certificate of Incorporation to reduce the above-described voting threshold from 66 ⅔% to a majority of the voting power of all outstanding securities of the Company generally entitled to vote in the election of directors, voting together as a single class.

Proposal to Amend Article 11 of our Amended and Restated Certificate of Incorporation to Reduce from 66 ⅔% to a Majority the Affirmative Vote Required to Amend Certain Provisions of our Certificate of Incorporation (page 42)

Article 11 of our Amended and Restated Certificate of Incorporation currently requires the affirmative vote of the holders of not less than 66 ⅔% of the voting power of all of our outstanding securities generally entitled to vote in the election of directors, voting together as a single class, to amend or repeal, or otherwise modify or circumvent, the provisions of our Amended and Restated Certificate of Incorporation related to the issuance of “blank check” preferred stock, our Bylaws, our Board of Directors, meetings of our shareholders, and the related provisions in the Bylaws governing the foregoing matters.

After careful consideration, our Board of Directors has unanimously approved, and recommends that our shareholders approve, an amendment to our Amended and Restated Certificate of Incorporation to reduce the above-described voting threshold from 66 ⅔% to a majority of the voting power of all outstanding securities of the Company generally entitled to vote in the election of directors, voting together as a single class.

Proposal to Amend Article 9 of our Amended and Restated Certificate of Incorporation so that we are No Longer Obligated to Indemnify Persons Other Than Directors and Officers (page 43)

Article 9 of our Amended and Restated Certificate of Incorporation currently requires that the Company will indemnify and hold harmless directors, officers and employees to the fullest extent permitted by Delaware law.

After careful consideration, the Board has unanimously approved, and recommends that our shareholders approve, an amendment to our Amended and Restated Certificate of Incorporation to require that the Company indemnify and hold harmless only directors and officers.

Ratification of Auditor Appointment (page 44)

We are asking our shareholders to ratify the appointment of PricewaterhouseCoopers LLP by the Audit Committee of the Board as our independent registered public accounting firm for the fiscal year ending December 31, 2019. Below is summary information about fees billed to us by PricewaterhouseCoopers LLP for services provided in the years ended December 31, 2017 and 2018:

	Year Ended December 31, 2017 (\$)	Year Ended December 31, 2018 (\$)
Audit Fees	2,050,975	2,737,125
Audit-Related Fees	—	—
Tax Fees	—	30,000
All Other Fees	3,398	2,759
TOTAL	2,054,373	2,769,884

Advisory Vote to Approve Executive Compensation (page 45)

We are asking our shareholders to approve, on an advisory basis, the compensation of our named executive officers. We believe our compensation programs and practices are appropriate and effective in implementing our compensation philosophy, as they support achieving our goals with appropriate levels of risk and are aligned with shareholder interests, including:

- long-term equity incentive awards with performance-based vesting;
- a balanced mix of long-term incentives including stock options and restricted stock awards to motivate long-term performance and reward executives for gains in the stock price;
- very limited perquisites;
- stock ownership requirements for officers; and
- annual incentive compensation bonuses tied directly to performance and capped at varying percentages of base salary, limiting excessive awards for short-term performance.

GENERAL INFORMATION ABOUT THE MEETING AND VOTING

Q: Why is TopBuild distributing this Proxy Statement?

A: The Board is soliciting your proxy to vote at the Annual Meeting (to be held on April 29, 2019) and at any postponements or adjournments of the Annual Meeting. This Proxy Statement summarizes information that is intended to assist you in making an informed vote on the proposals described in this Proxy Statement.

Q: Why did I receive a Notice of Internet Availability of Proxy Materials rather than a full set of printed materials?

A: We have elected to take advantage of the U.S. Securities and Exchange Commission (the "SEC") rules that allow companies to furnish proxy materials to shareholders via the Internet. If you received a Notice by mail, you will not receive a printed copy of the proxy materials unless you specifically request one. The Notice instructs you on how to access and review this Proxy Statement and our 2018 Annual Report as well as how to vote via the Internet. If you received the Notice and would still like to receive a printed copy of our proxy materials, you should follow the instructions for requesting these materials included in the Notice. As stated in the Notice, the request should be made on or before April 16, 2019, to facilitate timely delivery.

We commenced mailing the Notice to shareholders of record as of the Record Date on or about March 20, 2019. We also commenced mailing a printed copy of this Proxy Statement and form of proxy on or about March 20, 2019 to those shareholders who previously elected to receive a printed copy of our proxy materials.

Q: Who is entitled to vote at the Annual Meeting?

A: Only shareholders of record as of the close of business on the Record Date, March 1, 2019, are entitled to vote at the Annual Meeting. On that date, there were 34,656,542 shares of our common stock outstanding and entitled to vote.

Q: How many shares must be present to conduct the Annual Meeting?

A: We must have a “quorum” present in person or by proxy to hold the Annual Meeting. A quorum is achieved through the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total voting power of all outstanding common stock of the Company entitled to vote at the Annual Meeting. Abstentions and broker non-votes (defined below) will be counted for the purpose of determining the existence of a quorum.

Q: What am I voting on?

A: Six (6) proposals are scheduled for a vote at the Annual Meeting:

- Election of each of Alec C. Covington, Gerald Volas, Carl T. Camden, Joseph S. Cantie, Tina M. Donikowski, Mark. A Petrarca and Nancy M. Taylor as Directors to the Company’s Board of Directors;
- Proposal to Amend Article 5 of our Amended and Restated Certificate of Incorporation to Reduce from 66 ⅔% to a Majority the Affirmative Vote Required to Amend our Bylaws;
- Proposal to Amend Article 11 of our Amended and Restated Certificate of Incorporation to Reduce from 66 ⅔% to a Majority the Affirmative Vote Required to Amend Certain Provisions of our Certificate of Incorporation;
- Proposal to Amend Article 9 of our Amended and Restated Certificate of Incorporation so that we are No Longer Obligated to Indemnify Persons Other than Directors and Officers;
- Ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019; and
- Approval, on an advisory basis, of the compensation of the Company’s named executive officers.

As of the date of this Proxy Statement, our Board does not know of any other business to be presented at the Annual Meeting.

Q: How does the Board recommend that I vote?

A: The Board’s recommendation for each proposal is set forth in this Proxy Statement together with the description of each proposal. In summary, the Board recommends a vote:

- FOR** the election of each of Alec C. Covington, Gerald Volas, Carl T. Camden, Joseph S. Cantie, Tina M. Donikowski, Mark. A Petrarca and Nancy M. Taylor as Directors;

Q: How do I vote before the Annual Meeting?

A: You may vote your shares before the Annual Meeting (1) by telephone, (2) via the Internet, or (3) by completing and mailing a proxy card if you received your proxy materials by mail. If you vote by telephone or via the Internet, you do not need to return your proxy card or voting instruction form. With respect to the election of directors, you may vote “FOR” all of the nominees to the Board, you may vote against any nominee you specify, you may vote against all of the nominees as a group or abstain from voting. For all other proposals described in this Proxy Statement, you may vote “FOR” or “AGAINST” or abstain from voting.

Q: May I vote in person at the Annual Meeting?

[Table of Contents](#)

- A: Yes, you may vote your shares at the Annual Meeting if you attend in person. Even if you plan to attend the Annual Meeting in person, we recommend that you also submit your proxy or voting instructions as described above, or as directed by your broker if you hold your shares through a broker, so that your vote will be counted if you later decide not to attend the Annual Meeting.
- Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?
- A: If your shares are registered in your name on the Company's books and records or with our transfer agent, Computershare, you are the "shareholder of record" of those shares, and this Notice of Annual Meeting and Proxy Statement and any accompanying documents have been provided directly to you. In contrast, if you purchased your shares through a brokerage or other financial intermediary, the brokerage or other financial intermediary will be the "shareholder of record" of those shares. Generally, when this occurs, the brokerage or other financial intermediary will automatically put your shares into "Street Name," which means that the brokerage or other financial intermediary will hold your shares in its name or another nominee's name and not in your name, but will keep records showing you as the real or "beneficial owner." If you hold shares beneficially in Street Name, this Notice of Annual Meeting and Proxy Statement and any accompanying documents will have been forwarded to you by your broker, bank or other holder of record.
- Q: How do I vote if my bank or broker holds my shares in "Street Name"?
- A: If you hold shares beneficially, you may vote by submitting the voting instruction form you received from your broker. Telephone and Internet voting may also be available – please refer to the voting instruction card provided by your broker.
- Q: How many votes do I have?
- A: Each share of common stock that you own as of the close of business on the Record Date (March 1, 2019) entitles you to one (1) vote on each matter to be voted upon at the Annual Meeting. As of the close of business on the Record Date, there were 34,656,542 shares of our common stock outstanding.
- Q: May I change my vote?
- A: Yes, you may change your vote or revoke your proxy at any time before the vote at the Annual Meeting. You may change your vote prior to the Annual Meeting by executing a valid proxy card bearing a later date and delivering it to us prior to the Annual Meeting at TopBuild Corp., Attention: W. Joe Jacumin, Jr., Assistant Secretary, 475 North Williamson Boulevard, Daytona Beach, Florida 32114-7101. Submitting a proxy card will revoke votes you may have made with a previous proxy card. You may withdraw your vote at the Annual Meeting and vote in person by giving written notice to our Assistant Secretary (the "Assistant Secretary"). You may also revoke your vote without voting by sending written notice of revocation by April 28, 2019, to the Assistant Secretary at the above address. Attendance at the meeting will not by itself revoke a previously granted proxy.
- Q: How are my shares voted if I submit a proxy card but do not specify how I want to vote?
- A: If you submit a properly executed proxy card but do not specify how you want to vote, your shares will be voted "FOR" the election of each of the Company's nominees for director; "FOR" the proposal to amend Article 5 of our Amended and Restated Certificate of Incorporation to reduce from 66 ⅔% to a majority the affirmative vote required to amend our bylaws; "FOR" the proposal to amend Article 11 of our Amended and Restated Certificate of Incorporation to reduce from 66 ⅔% to a majority the affirmative vote required to amend certain provisions of our Certificate of Incorporation; "FOR" the proposal to amend Article 9 of our Amended and Restated Certificate of Incorporation so that we are no longer obligated to indemnify persons other than directors and officers; "FOR" the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019; and "FOR" advisory approval of the compensation of the Company's named executive officers.
- If other business is properly brought before the Annual Meeting, the persons named on the proxy card will vote on such other matters in their discretion.

If you hold your shares beneficially, such as through a broker, and not of record, see the question above titled “How do I vote if my bank or broker holds my shares in 'Street Name'?”

Q: How many votes are needed to approve each of the proposals?

A:

Election of Directors. Article 2 of our Amended and Restated Bylaws provides for director majority voting in uncontested elections, which are those elections in which the number of nominees for election is less than or equal to the number of directors to be elected. For election or reelection to the Board in an uncontested election, a director must receive more votes cast in favor of such director’s election than cast against such director’s election. Under Article 3.11 of our Amended and Restated Bylaws, promptly following the annual meeting at which a person is elected as a director, such person must deliver an irrevocable resignation effective upon such persons’ failure to receive the required vote for reelection at the next meeting at which such person would face reelection, and upon acceptance of such resignation by the Board. Any such resignation will be reviewed by the Governance Committee, and, within 90 days after the election, the independent members of the Board will determine whether to accept, reject or take other appropriate action with respect to the resignation. Absent a compelling reason for the director to remain on the Board, the Board shall accept such resignation. Abstentions and broker non-votes will not be counted as votes cast for or against a director and will not affect the outcome of the vote.

Proposal to Amend Article 5 of our Amended and Restated Certificate of Incorporation to Reduce from 66 ⅔% to a Majority the Affirmative Vote Required to Amend our Bylaws. The affirmative vote of the holders of not less than 66 ⅔% of the voting power of all of our outstanding common stock is required for approval of this proposal. Q: What is the effect of an abstention?

A: The shares of a shareholder who abstains from voting on a matter will be counted for purposes of determining whether a quorum is present at the meeting so long as the shareholder is present in person or represented by proxy. An abstention from voting on a matter by a shareholder present in person or represented by proxy at the meeting has no effect on the election of directors. In addition, abstentions will not be counted as votes cast for or against the proposals to ratify the appointment of PricewaterhouseCoopers LLP or to approve, on an advisory basis, the compensation of our named executive officers. For proposals 2, 3 and 4 with respect to the proposed amendments to our Amended and Restated Certificate of Incorporation, abstentions will have the effect of votes against such proposals.

Q: Will my shares be voted if I don't provide instructions to my broker?

A: If you are the beneficial owner of shares held in "Street Name" by a broker, you must instruct your broker how to vote your shares. If you do not provide voting instructions at least ten (10) days prior to the Annual Meeting date, your broker will be entitled to vote the shares with respect to "routine" items but will not be permitted to vote the shares with respect to "non-routine" items (we refer to the latter case as a broker non-vote). In the case of a broker non-vote, your broker can register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum, but will not be able to vote on those matters for which specific authorization is required under the rules of the NYSE.

Under NYSE rules, only the proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019 is a "routine" matter, on which your broker will be allowed to vote without specific voting instructions.

All other proposals described in this Proxy Statement, including, without limitation, the election of directors, are "non-routine" matters on which your broker will not be allowed to vote unless you provide your broker with specific voting instructions on these proposals.

Your vote is important, and we strongly encourage you to vote your shares by following the instructions provided on the Notice, the proxy card or the voting instruction form provided by your broker. Please vote promptly.

Q: Who will count the votes?

A: Votes will be counted by representatives of Broadridge Financial Solutions, Inc.

Q: Do shareholders have any appraisal or dissenters' rights on the matters to be voted on at the Annual Meeting?

A: No, shareholders of the Company will not have rights of appraisal or similar dissenters' rights with respect to any of the matters identified in this Proxy Statement to be acted upon at the Annual Meeting.

Q: What do I need for admission to the Annual Meeting?

A: Attendance at the Annual Meeting or any adjournment or postponement thereof will be limited to record and beneficial holders of our common stock as of the Record Date, individuals holding a valid proxy from a record holder, and other persons authorized by the Company. If you are a shareholder of record, your name will be verified against the list of shareholders of record prior to your admittance to the Annual Meeting or any adjournment or postponement thereof. You should be prepared to present photo identification for admission. If you hold your shares in Street Name, you will need to provide proof of beneficial ownership on the Record Date, such as a brokerage account statement showing that you owned shares of our common stock as of the Record Date, a copy of a voting instruction form provided by your broker, bank or other nominee, or other similar evidence of ownership as of the Record Date, as well as your photo identification, for admission. If you do not provide photo identification or comply with the other procedures described above upon request, you may not be admitted to the Annual Meeting or any adjournment or postponement thereof.

Q: Who pays for the Company's solicitation of proxies?

A: The Company bears the cost of the solicitation of proxies. In addition to mail and email, proxies may be solicited personally, via the Internet, by telephone, by facsimile, or by our employees without additional compensation. We will reimburse brokers and other persons holding shares of our common stock in their names, or in the names of nominees, for their expenses (in accordance with the fee schedule approved by the NYSE) for forwarding proxy materials to principals and beneficial owners and obtaining their proxies.

Q: How can I find out the results of the voting at the Annual Meeting?

A: We will announce the results of the voting at the Annual Meeting promptly once they are available and will report final results in a Current Report on Form 8 - K filed with the SEC on or prior to the fourth business day immediately following the Annual Meeting.

Q: What is "householding" and how does it work?

A: SEC rules permit us to deliver only one (1) copy of our annual report and this Proxy Statement or the Notice to multiple shareholders who share the same address and have the same last name, unless we received contrary instructions from a shareholder. This delivery method, called "householding," reduces our printing and mailing costs. Shareholders who participate in householding and who request to receive printed proxy materials will continue to receive separate proxy cards.

We will deliver promptly upon written or oral request a separate copy of our annual report and Proxy Statement or Notice to any shareholder who received these materials at a shared address. To receive a separate copy of the 2018 Annual Report or this Proxy Statement, or if you wish to receive separate copies of future annual reports and/or Proxy Statements, please contact our Investor Relations department by telephone at (386) 763 - 8801 or in writing at 475 North Williamson Boulevard, Daytona Beach, Florida 32114-7101.

If you and other shareholders of record with whom you share an address currently receive multiple copies of annual reports and/or Proxy Statements, or if you hold stock in more than one (1) account and, in either case, you wish to receive only a single copy of the annual report or Proxy Statement for your household, please contact our transfer agent, Computershare, at (866) 230 - 0666.

If you are a beneficial owner, you can request additional copies of the annual report and Proxy Statement or you may request householding information from your bank, broker or nominee.

CORPORATE GOVERNANCE

Strong governance is a critical part of our corporate culture. The following provides an overview of certain of our governance practices:

Board of Directors

- Directors in uncontested elections must be elected by a majority vote in accordance with Article 2 of our Amended and Restated Bylaws
- Non-CEO Chair
- All directors are expected to attend the Annual Meeting

Board Composition

- All independent directors, other than Chief Executive Officer
- Diverse Board
- 4 current or former Chief Executive Officers
- 4 financial experts on Audit Committee

Board Processes

- Independent directors meet without management present
- Annual Board and Committee self-assessments
- Board orientation/evaluation program
- Board plays active role in risk oversight
- Corporate Governance Guidelines approved by Board

Board Alignment with Shareholders

- Annual equity grants align directors and executives with shareholders
- Annual advisory approval of executive compensation
- Stock ownership requirements for officers and directors
- Prohibition on insider hedging of our equity securities

Compensation

- No employment agreements
- Executive compensation is tied to performance
- Incentive plan claw-backs
- Independent advisor hired by the Compensation Committee

Integrity and Compliance

- Code of Business Ethics
- Environmental, health and safety guidelines
- Annual training on ethical behavior

The Board has adopted Corporate Governance Guidelines (the "Guidelines") that contain general principles regarding the responsibilities and function of our Board and Board Committees. The Guidelines set forth the Board's governance practices with respect to leadership structure, Board meetings and access to senior management, director compensation, director qualifications, Board performance, management evaluation and succession planning and enterprise risk management. The Guidelines are available at: <http://www.topbuild.com/Investors/Corporate-Governance/Governance-Documents/>.

The Board has also adopted a Code of Business Ethics that applies to all of our employees, officers and directors, including our Chief Executive Officer, Chief Financial Officer and other senior officers, in accordance with applicable rules and regulations of the SEC and the NYSE. Our Code of Business Ethics is available at: <http://www.topbuild.com/Investors/Corporate-Governance/Governance-Documents/>.

Board Leadership Structure

Our Corporate Governance Guidelines provide that the roles of Chairman of the Board and Chief Executive Officer may be separate or combined. However, if our Chairman of the Board does not qualify as independent, then the Board must select a lead independent director to coordinate with the Chairman of the Board and chair executive sessions of the independent directors. The Board currently separates the roles of Chairman of the Board and Chief Executive Officer. Alec C. Covington, an independent director, currently serves as the Chairman of the Board. We believe that separation of the positions of Chairman of the Board and Chief Executive Officer reinforces the independence of the Board in its oversight of our business and affairs, is more conducive to objective evaluation and oversight of management's performance, increases management accountability and improves the Board's ability to monitor whether management's actions are in the best interests of the Company and its shareholders.

The Board's independent oversight function is further enhanced by the fact that all three (3) Committees are composed entirely of independent directors, the directors have complete access to management, the Board and these Committees may retain their own advisors and the independent Compensation Committee regularly evaluates the performance of our senior executive officers against pre-determined goals.

Executive Sessions

The Board regularly meets in executive session, without management present, with Alec C. Covington, Chairman of the Board, presiding.

Majority Vote Standard for Election of Directors; Director Resignation Policy

Article 2 of our Amended and Restated Bylaws provides for director majority voting in uncontested elections, which are those elections in which the number of nominees for election is less than or equal to the number of directors to be elected. For election or reelection to the Board in an uncontested election, a director must receive more votes cast in favor of such director's election than cast against such director's election. Under Article 3.11 of our Amended and Restated Bylaws, promptly following the annual meeting at which a person is elected as a director, such person must deliver an irrevocable resignation effective upon such persons' failure to receive the required vote for reelection at the next meeting at which such person would face reelection, and upon acceptance of such resignation by the Board. Any such resignation will be reviewed by the Governance Committee, and, within 90 days after the election, the independent members of the Board will determine whether to accept, reject or take other appropriate action with respect to the resignation. Absent a compelling reason for the director to remain on the Board, the Board shall accept such resignation.

Certain Relationships and Related Party Transactions

The Board has adopted a related person transactions policy that requires the Board, or a designated committee thereof consisting solely of independent directors, to approve or ratify any transaction involving us in which any director, director nominee, executive officer, 5% beneficial owner of our common stock or any of their immediate family members has a direct or indirect material interest. This policy covers financial transactions, arrangements or relationships or any series of similar transactions, arrangements or relationships, including indebtedness and guarantees of indebtedness, as well as transactions involving employment and similar relationships. This policy excludes transactions determined by the Board or a committee of independent directors not to create or involve a material interest on the part of the related person, such as transactions involving the purchase or sale of products or services in the ordinary course of business in transactions of \$120,000 or less, transactions in which the related person's interest is derived solely from service as a director of another entity that is a party to the transaction and transactions in which the related person's interest derives solely from his or her ownership (together with that of any other related persons) of less than 10% of the equity interests in another entity (other than a general partnership interest) which is a party to the transaction. The policy requires directors, director nominees and executive officers to provide prompt written notice to the Corporate Secretary of any related person transaction so it can be reviewed by the Board or a designated committee thereof consisting solely of independent directors to determine whether the related person has a direct or indirect material interest. If the Board or a designated committee thereof consisting solely of independent directors determines that this is the case, the Board or such committee will consider all relevant information to assess whether the transaction is in, or not inconsistent with, our best interests and the best interests of our shareholders. The Board reviews this policy annually and makes changes as appropriate.

Compensation Committee Interlocks and Insider Participation

In 2018, none of our executive officers or directors was a member of the board of directors of any other company where the relationship would be considered a compensation committee interlock under SEC rules.

Potential Director Candidates

The Governance Committee is responsible for screening potential director candidates and recommending qualified candidates to the full Board. We expect our Board to consist of individuals with appropriate skills and experiences to meet Board governance responsibilities and to contribute effectively to our Company. The Governance Committee seeks to ensure that the Board reflects a range of talents, skills, diversity and expertise, particularly in the areas of accounting and finance, management, domestic markets, governmental/regulatory and leadership, sufficient to provide sound and prudent guidance with respect to our operations and interests. Our Board seeks to maintain a diverse membership, but does not currently have a separate policy on diversity.

The Governance Committee does not have a specific policy regarding consideration of any director candidates recommended by shareholders. The Governance Committee will consider director candidates recommended by shareholders, using the same criteria as for other candidates. Shareholders may submit recommendations in accordance with the procedures for nominations and proposals for other business to be brought at the Annual Meeting, as set forth in this Proxy Statement.

Risk Management

While our management is responsible for the day-to-day management of risks to the Company, our Board has broad oversight responsibility for our risk management programs.

Our Board exercises risk management oversight and control both directly and indirectly, the latter through various Board committees. Our Board regularly reviews information regarding the Company's credit, liquidity and operations, including the risks associated with each. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's compensation policies and practices. The Audit Committee is responsible for oversight of financial risks, including the steps the Company has taken to monitor and mitigate these risks. Additionally, the Audit Committee is also responsible for oversight risks related to the Code of Business Ethics with respect to executive officers and senior financial officers. The Governance Committee is responsible for oversight of risks related to corporate governance and, in its role of reviewing and maintaining the Company's Corporate Governance Guidelines and Code of Business Ethics, manages risks associated with the independence of the Board and potential conflicts of interest. Each of the Board's committees apprises the full Board with respect to the foregoing, and the Company's Chief Executive Officer reports to the Board with respect to the known risks regarding the Company's business and strategy.

Prohibition on Hedging

We maintain a securities trading policy that applies to our directors, officers and employees, family members of the foregoing persons, and trusts, corporations and other entities controlled by any of the foregoing persons. Our securities trading policy prohibits the foregoing persons and their respective trusts, corporations and other entities controlled by them from engaging in any hedging transactions that are designed to hedge or offset any decrease in the market value of our equity securities. Prohibited hedging transactions include, without limitation, the use of variable forward contracts, equity swaps, collars and exchange funds. We believe this policy is important to help ensure that our officers, directors and other personnel have the same objectives as our public shareholders.

Current copies of the following corporate governance documents are on our website at:
<http://www.topbuild.com/Investors/Corporate-Governance/Governance-Documents/> :

In addition, we filed our current Amended and Restated Bylaws on a Current Report on Form 8-K filed with the SEC on February 22, 2019. As described in the Form 8-K, effective February 18, 2019, our Amended and Restated Bylaws were amended to, among other things, provide for a majority voting standard in uncontested elections of directors. In addition, there were technical changes made to our forum selection provision, which has been in our Bylaws since our separation from Masco on June 30, 2015, and generally provides that the courts of the State of Delaware shall be the exclusive forum for certain disputes involving the Company, in order to specify that the Court of Chancery of the State of Delaware shall, subject to certain exceptions, be the sole and exclusive forum for such disputes.

Communications to the Board

Shareholders and other parties interested in communicating directly with the Board, an individual director, the non-management directors as a group, or a Board Committee should send such communications to the following address:

TopBuild Corp.

c/o Assistant Secretary
475 North Williamson Boulevard
Daytona Beach, Florida 32114-7101

The Assistant Secretary will receive and process all communications. The Assistant Secretary will forward all communications unless the Assistant Secretary determines that a communication is a business solicitation or advertisement, or is a request for general information about the Company.

PROPOSAL 1: ELECTION OF DIRECTORS

Other than our Chief Executive Officer, who serves as a director, our board of directors currently consists entirely of independent directors, all of whom the Board has affirmatively determined satisfy the Company's Director Independence Standards ("Categorical Standards"), which track the NYSE director independence standards. Effective immediately following the Annual Meeting, the size of the Board will decrease to seven persons.

The Company's Amended and Restated Certificate of Incorporation provides that all directors serve for a term of one year that expires at the following year's annual meeting of shareholders. Unless otherwise instructed, the shares represented by validly submitted proxy cards will be voted "FOR" the election of the below listed nominees to serve as directors of the Company.

Management has no reason to believe that the below listed Board nominees will not be candidates or will be unable to serve as Directors. However, in the event that any of the below listed Board nominees should become unable or unwilling to serve as Director(s), the proxy card will be voted for the election of such alternate person(s) as shall be designated by the Board. If any alternate person(s) is/are designated by the Board to serve as Director nominee(s), the Company will publicly notify shareholders by press release and will promptly distribute to shareholders revised proxy materials (including a revised proxy card if you requested to receive printed proxy materials) that (i) identify each such substitute nominee, (ii) disclose whether such substitute nominee has consented to being named in the revised Proxy Statement and is willing to serve if elected and (iii) include certain other disclosures required by applicable federal proxy rules and regulations with respect to each such substitute nominee. Under our Amended and Restated Certificate of Incorporation, vacancies on the Board shall, except as otherwise required by law, be filled solely by a majority of the directors then in office or by the sole remaining director, and each director so elected shall hold office for a term expiring at the next succeeding annual meeting of shareholders.

Director Independence

Our Corporate Governance Guidelines and the rules of the NYSE require that a majority of the members of the Board be independent directors. Our Board has adopted its own director independence standards, the Categorical Standards, to assist it in assessing director independence. These Categorical Standards are available on our website at: <http://www.topbuild.com/Investors/Corporate-Governance/Governance-Documents/>. The Categorical Standards have been designed to comply with the NYSE standards for director independence. For a director to be independent, the Board must affirmatively determine that the director has no direct or indirect material relationship with the Company. When assessing materiality, the Board considers all relevant facts and circumstances including, without limitation, transactions between the Company and the director directly, immediate family members of the director, or organizations with which the director is affiliated, and the frequency and dollar amounts associated with these transactions. The Board further considers whether the transactions were at arm's length in the ordinary course of business and whether the transactions were consummated on terms and conditions similar to those of unrelated parties.

After considering our Categorical Standards, as well as the NYSE independence standards and the transactions described above, the Board determined that none of the current directors or director nominees, other than Mr. Volas (who is a current employee of the Company), has a material relationship with the Company, and that each of these directors (other than Mr. Volas) is independent.

The Board has also determined that all members of the Audit Committee meet the independence and financial literacy standards and requirements of the NYSE and the SEC. The Board has also determined that all members of the Compensation Committee meet the independence standards of the NYSE, and that all members of the Compensation Committee are “non-employee directors” (within the meaning of Rule 16b - 3 of the Exchange Act) and “outside directors” (within the meaning of Section 162(m) of the Code).

Summary

We have provided certain information about the capabilities, experience and other qualifications of our directors in their biographies and as set forth above. The Board considered these qualifications in particular in concluding that each current director and director nominee is qualified to serve as a director of the Company. In addition, the Board has determined that each director and director nominee possess the skills, judgment, experience, reputation and commitment to make a constructive contribution to the Board.

Non-Employee Director Stock Ownership Guidelines

Our Governance Committee has adopted a policy requiring that our non-employee directors own five (5) times their annual cash retainer in our common stock. These guidelines become effective upon a non-employee director’s election to the Board and give such directors five (5) years from the effective date to achieve the targeted ownership. All of our non-employee directors have satisfied the guidelines or are on track to be in compliance with the guidelines within the five (5) year window.

TopBuild Compensation Programs

We recognize the importance of attracting and retaining executive officers who can effectively lead our business and make effective strategic decisions and motivating them to maximize our company's performance and create long-term value for our shareholders. We believe in rewarding our executive officers based on our performance. Our Compensation Committee continues to thoughtfully and thoroughly analyze our compensation practices and programs.

Consideration of Shareholder Vote on Executive Compensation

At our 2018 Annual Meeting, our shareholders had the opportunity to cast an advisory vote on our executive compensation, referred to as the say-on-pay proposal. At that meeting, approximately 97% of the votes cast were voted in favor of the say-on-pay proposal, suggesting that an overwhelming majority of our shareholders approve of our executive compensation programs and philosophy. The Compensation Committee considered this vote when considering and approving the 2018 compensation structure for our executives and, accordingly, made few changes to the 2018 program.

Compensation Philosophy

We believe that effective executive compensation programs are critical to our long-term success. We have developed compensation programs with the following objectives:

- Attracting and retaining world-class executives through a total compensation opportunity that is competitive within the various markets in which we compete for talent.
- Encouraging a pay-for-performance mentality by directly relating variable compensation elements to the achievement of financial and strategic objectives without encouraging undue risk-taking. Incentive plans are designed to recognize and reward accomplishing individual goals, as well as our long-term company objectives.
- Promoting a direct relationship between executive compensation and our shareholder interests.

Our long-term incentive opportunities link a significant portion of executive compensation to our performance through performance-based restricted stock and stock option awards. We believe that an executive's total compensation opportunity should increase commensurate with his or her responsibility and capacity to influence our results. Additionally, as an executive's responsibility and accountability increase, so should the portion of that person's compensation that is at risk. Therefore, not only do base salaries increase with position and responsibility, but short-term and long-term incentive opportunities as a percentage of total compensation increase as well.

Equity grants in the form of stock awards that vest only upon the achievement of performance goals as well as stock options with extended vesting periods are an important component of compensation for executive officers. The value ultimately realized from equity awards depends on the long-term performance of TopBuild's common stock.

TopBuild Compensation Practices

TopBuild has adopted the following compensation practices:

- a compensation mix weighted towards performance-based incentives;
- significant portion of executive compensation tied to stock price performance;
- no excise tax gross-ups;
- an annual market analysis of executive compensation levels and trends;
- no individual employment agreements;
- limited perquisites to our executive officers; and
- prohibiting the re-pricing of options under our equity plan.

As a guideline, we target executive compensation levels within 90%-110% of market median. However, target pay for any individual executive may be outside this range due to experience levels, unique job qualifications, internal equity considerations or other factors considered by management and the Compensation Committee.

Section 162(m) of the Code may limit the amount that we may deduct from our federal income taxes for compensation paid to certain of our executive officers to \$1,000,000 per executive officer per year, unless certain requirements are met. For calendar years beginning prior to December 31, 2017, Section 162(m) of the Code provided an exception from this deduction limit for certain forms of "performance-based" compensation; however, this "performance-based" compensation exception from Code Section 162(m)'s \$1,000,000 deduction limit was repealed, effective for all taxable years beginning after December 31, 2017 (except for certain limited exceptions for a transitional period). This means that any compensation payable to certain executive officers in excess of \$1,000,000 per year generally will not be deductible unless such compensation qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017 that have not been subsequently materially modified. Our Compensation Committee believes it is in TopBuild's interest to retain flexibility in its compensation programs. Consequently, in some circumstances, TopBuild may pay compensation that is not tax deductible by TopBuild.

Stock Ownership Guidelines

Our Compensation Committee has adopted a policy requiring our executives to own a multiple of their base salary in our common stock. In the case of our Chief Executive Officer, the multiple is five (5) times base salary. In the case of our President and Chief Operating Officer and our Vice President and Chief Financial Officer, the multiple is three (3) times base salary. In the case of our Vice President, General Counsel and Secretary, and our Vice President, Chief Human Resource Officer, the multiple is two (2) times base salary. In the case of all other Vice Presidents, the multiple is one (1) times base salary. Individuals have five years from the point of being subject to the ownership guidelines to achieve the prescribed multiple.

Executive Compensation Approach

TopBuild's 2018 compensation structure was composed of the following primary components:

- Base salary;
- Annual cash bonuses;
- Long-term performance-based restricted stock awards; and
- Long-term stock option awards.

We have no employment agreements with our executive officers. Our executive officers enter into award agreements in connection with grants of equity awards. The award agreements as well as the Severance Plan contain certain restrictive covenants, including a non-competition covenant during employment and for one (1) year thereafter.

Equity Incentive Compensation

We believe that a combination of performance-based restricted stock and stock options are appropriate vehicles for a public company to focus executives on long-term performance and alignment with shareholder interests. Extended vesting and exercise periods further align our named executive officers with our shareholders. See "Equity Compensation Program," below.

Market Comparison for Compensation

Just as we compete for market share in highly competitive markets, we compete for talent in equally competitive labor environments. In order to attract and retain critical leadership, we strive to provide a comprehensive and competitive total compensation package. We utilize the resources of an independent compensation consultant to aid in establishing our programs and to monitor how they compare with the marketplace. Specifically, the Compensation Committee has retained Willis Towers Watson, a leading global executive compensation consultant, to advise the Compensation Committee on market trends relative to executive compensation, to provide market data as requested and to share input and views on issues being discussed by the Compensation Committee.

The Compensation Committee has sole authority to approve the independent compensation consultant's fees and terms of engagement on executive compensation matters. The Compensation Committee annually reviews its relationship with Willis Towers Watson to ensure its independence on executive compensation matters, taking into account the independence analysis and recommendation of the Governance Committee. In making its recommendation, the Governance Committee reviewed the independence of Willis Towers Watson and the individual representatives of Willis Towers Watson who served as the Compensation Committee's advisors, considering the following specific factors: (i) other services provided to us by Willis Towers Watson; (ii) fees paid by us to Willis Towers Watson as a percentage of Willis Towers Watson's total revenue; (iii) policies and procedures maintained by Willis Towers Watson that are designed to prevent a conflict of interest; (iv) any business or personal relationships between the individual representatives of Willis Towers Watson who advised the Compensation Committee and any member of the Compensation Committee; (v) any shares of our company's common stock owned by the individual representatives; and (vi) any business or personal relationships between our executive officers and Willis Towers Watson or the individual representatives.

The Compensation Committee concluded, based on the evaluation described above and recommendation from the Governance Committee, that these nonexecutive compensation services performed by Willis Towers Watson did not raise a conflict of interest or impair Willis Towers Watson's ability to provide independent advice to the Compensation Committee regarding executive compensation matters.

We endeavor to benchmark our executive compensation levels against similarly situated executives in comparably sized organizations within the building products sector. We believe we compete for executive resources with other non-financial institutions across multiple industrial segments. With that in mind, our consultants use general industry salary surveys and size-adjust the data to organizations with a similar revenue size.

The following companies were identified to benchmark our executive compensation levels against comparably sized organizations within the building products sector.

American Woodmark Corporation	Huttig Building Products, Inc.
Apogee Enterprises, Inc.	Installed Building Products, Inc.
Beacon Roofing Supply, Inc.	Louisiana-Pacific Corporation
BlueLinx Holdings Inc.	Masonite International Corporation
BMC Stock Holdings, Inc.	Patrick Industries, Inc.
Boise Cascade Company	Ply Gem Holdings, Inc.
Builders FirstSource, Inc.	Pool Corporation
Comfort Systems USA, Inc.	Simpson Manufacturing Co., Inc.
Dycom Industries, Inc.	Universal Forest Products, Inc.
Gibraltar Industries, Inc.	Watsco, Inc.

For 2018, the Compensation Committee targeted our overall compensation and benefits programs and each element of compensation at the median level of the surveyed companies. Since a number of variables can influence the relationship of an individual executive's pay components to the survey median data, the Compensation Committee considers a range of 90%-110% of median to be appropriate when reviewing total compensation. Although the Compensation Committee attempts to have each component of compensation in this target range, the Compensation Committee puts greater emphasis on achieving the target at the total compensation level. Variables considered include, but are not limited to, education, position tenure, previous experience, level of performance, additional responsibilities, and, as appropriate, recruitment considerations.

The Compensation Committee authorized Willis Towers Watson to perform a detailed analysis of our executive compensation levels in 2018. For 2019, we will continue to compare ourselves to the labor market median of other companies similar in revenue size to TopBuild, as well as a comparison to a building products peer group. We believe an equal weighting to these two sources creates a market median appropriate target for our total compensation program.

Compensation of Named Executive Officers

The disclosure in the "Summary Compensation Table" relates to the 2016, 2017 and 2018 compensation of our named executive officers. Effective February 18, 2019, our Compensation Committee approved increases to the base salary and long-term incentive opportunity for our named executive officers. The table below summarizes our 2018 compensation levels and the changes approved effective February 18, 2019, for each of our current named executive officers.

Name	Position	Base Salary as of December 31, 2018 (\$)	Target Bonus as Percentage of Salary (%) ⁽²⁾	Base Salary as of March 1, 2019 (\$)	Target Bonus for 2019 (%)	LTI Level as of February 18, 2019 (\$) ⁽³⁾

(1) TopBuild has entered into agreements with Mr. Volas that would provide him severance benefits under specified termination events. This agreement does not include any "golden parachute" excise tax gross-up payments.

(2) Maximum bonus opportunity of 200% of target.

(3) Allocated 40% to stock options (Black-Scholes value) and 60% to performance-based restricted stock awards (maximum is 200% of target). Mr. Volas, Mr. Buck and Mr. Peterson were the only named executive officers who received an increase in long-term incentive opportunity.

2018 Annual Incentive Performance-Based Cash Bonus Opportunity

TopBuild provided an annual cash bonus opportunity for fiscal 2018 to our named executive officers to emphasize annual performance, provide incentive to achieve critical business objectives and align officers' interests with those of its shareholders.

The performance metrics were sales, operating income and operating income as a percentage of sales (weighted 80%) and achievement of certain strategic objectives (weighted 20%). The threshold, target and maximum goals set for the 2018 annual performance program are set forth below. These metrics were those believed to most effectively reflect drivers of enhanced shareholder value creation. Operating income was more heavily weighted because it reflects the primary driver of our stock price performance.

The following table shows target and actual performance along with percentage attained for the 2018 annual performance program.

Annual Performance Goals and Achievements

Performance Metric	Threshold (25% Payout)	Target (100% Payout)	Maximum (200% Payout)	Actual as Adjusted	Actual Percentage Attained Relative to Target	Weighting	Actual Weighted Performance Percentage
Operating Income as a Percentage of Sales ⁽¹⁾	8.2 %	9.6 %	10.6 %	9.4 %	89.1 %	30.0 %	26.7 %
Operating Income, as Adjusted (\$ in millions) ⁽¹⁾	\$ 165.0	\$ 194.0	\$ 213.0	\$ 197.3	117.4 %	30.0 %	35.2 %
Net Sales (\$ in millions) ⁽¹⁾	\$1,819.0	\$2,021.0	\$2,223.0	\$2,088.3	133.3 %	20.0 %	26.7 %
Strategic Objectives ⁽²⁾						20.0 %	15.1 %
TOTAL							103.7 %

(1) For purposes of determining achievement of the performance target, numbers adjusted to exclude impact of acquisitions and other unusual charges not included when targets were set.

(2) Strategic Objectives include attainment of discrete goals relating to working capital as a percentage of sales and safety initiatives.

To determine the cash bonus to be granted to our named executive officers based on the 2018 performance achievements set forth above, the target opportunities for each executive officer were multiplied by their applicable payout percentage (that is, 100% for Mr. Volas, 75% for Mr. Buck, 65% for Mr. Peterson, 60% for Mr. Raia and 50% for Mr. Cushen), which was in turn multiplied by each executive officer's base salary.

Threshold, target and maximum payouts under the 2018 cash bonus program are shown in the 2018 Grants of Plan-Based Awards Table, while actual awards for 2018 are disclosed in the Summary Compensation Table.

Equity Compensation Program

On February 18, 2019, our Compensation Committee approved equity awards designed to align executive compensation with market practices, reflect our strategic priorities, create a strong link between compensation and performance, drive compensation consistency by having the same performance metrics for executives and non-executives and assist with the ability to attract and retain key employees. The February 2019 equity awards consisted of stock options (40% of targeted total equity grant value) and performance-based restricted stock (60% of total equity grant value) under the Amended and Restated TopBuild Corp. 2015 Long Term Stock Incentive Plan (as amended to the date hereof, the "Amended LTIP").

The stock options will vest in three equal increments on approximately each of the first three anniversaries of the date of the grant (February 18, 2019) and have an exercise price of \$58.08 (the closing price of our common stock on the NYSE on February 15, 2019, the last trading day prior to the date of the grant).

The performance-based restricted stock awards will vest on February 15, 2022, subject to the Company achieving certain pre-determined performance goals relating to our cumulative three (3) year earnings per share (50% of award) and our relative total shareholder return ("TSR") (50% of award), over the three-year period ending on December 31, 2021. Partial payouts are permitted for performance that falls below target levels (in either of the two measures) and our executive officers may earn up to 200% of their target award level for performance that exceeds target performance. Partial payouts are permitted in cases where one of the performance measures is met and the other is not.

As of December 31, 2018, the achievement level with respect to these metrics was estimated at or above target. Accordingly, the number and value of the shares of performance-vesting restricted stock that are expected to vest reported in the table reflect amounts based on target performance. The actual number of shares that will vest with respect to the performance-vesting shares of restricted stock granted in 2017 and 2018 is not yet determinable.

TopBuild Long Term Incentive Plan

On February 18, 2019, the Amended LTIP, which was previously approved by the Board, became effective.

The Amended LTIP authorizes us to issue up to a specified number of shares of our common stock pursuant to equity awards to eligible participants. The Amended LTIP is administered by our Compensation Committee, each member of which is a “non-employee director” under Rule 16b - 3 under the Exchange Act, an “outside director” under Section 162(m) of the Code and an “independent director” under our Categorical Standards, which are designed to track the rules of the NYSE. Our Compensation Committee will approve the aggregate awards and the individual awards for executive officers and non-employee directors. The Compensation Committee may delegate some of its authority under the Amended LTIP to one (1) or more of our officers to approve awards for other employees. The Compensation Committee has the authority to interpret the Amended LTIP, to prescribe, amend and rescind rules and regulations relating to it and to make all other determinations deemed necessary or advisable for the administration of the Amended LTIP. The determinations of the Compensation Committee pursuant to its authority under the Amended LTIP shall be conclusive and binding.

Eligible Participants

Eligible participants include all employees of or consultants to the Company, any entity in which the Company's direct or indirect equity interest is at least twenty percent and any other entity in which the Company has a significant direct or indirect equity interest, whether more or less than twenty percent, as determined by the Committee, and directors of the Company. The Compensation Committee has the authority to select participants and to determine the type and amount of their awards under the Amended LTIP.

Authorized Shares under the Amended LTIP

The aggregate number of shares of our common stock that may be issued under the Amended LTIP will not exceed 4,000,000 (subject to the adjustment provisions set forth in the Amended LTIP). In addition, if a company acquired by the Company has shares available under a pre-existing plan approved by shareholders and not adopted in contemplation of such acquisition, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition to determine the consideration payable to the shareholders in such transaction) may be used for awards under the Amended LTIP, and will not reduce the shares authorized under the Amended LTIP. Any such awards may not, however, be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition, and may be made only to individuals who were not employees or directors of the Company prior to such acquisition.

Any shares that are subject to awards under the Amended LTIP that are forfeited, canceled, expired or settled in cash will again become available for issuance under the Amended LTIP, and such shares will not be charged against the maximum share limitation under the Amended LTIP. Any awards settled in cash will not be counted against the maximum share reserve under the Amended LTIP. However, shares delivered in payment of an option, shares that are repurchased by us with the proceeds from any option exercise, shares withheld to satisfy withholding taxes and any unissued shares resulting from the settlement of SARs in stock or net settlement of a stock option will not be returned to the number of shares available for issuance under the Amended LTIP. A participant may receive multiple awards under the Amended LTIP. Shares delivered under the Amended LTIP will be authorized but unissued shares of our common stock, treasury shares or shares purchased in the open market or otherwise.

Types of Awards

Under the Amended LTIP, we may grant stock options, stock appreciation rights or SARs, restricted stock, restricted stock units, performance awards and dividend equivalents. Awards may be granted either alone, in addition to or in tandem with any award granted under the Amended LTIP or another plan of the Company or an affiliate. The Compensation Committee will determine the amounts, terms and conditions of all awards in accordance with the Amended LTIP. Awards will become exercisable or otherwise vest at the times and upon the conditions that the Compensation Committee may determine, as reflected in the applicable award agreement, except that the Amended LTIP provides for a minimum vesting period of one (1) year for time-based awards in excess of five (5) percent of the number of shares available for awards.

Restricted Stock . A restricted stock award generally provides the recipient with shares of our common stock, subject to certain forfeiture conditions as specified by our Compensation Committee in the award agreement. Restricted stock may not be transferred by the recipient until those restrictions lapse. Forfeiture conditions could include, but are not limited to, the attainment of performance goals (as described below), continuous service with us, the passage of time or other conditions. However, with some exceptions (for example, in the event of death, disability or change in control or as noted in the first paragraph above under “Types of Awards”), restrictions on time-based restricted stock may not expire in less than one (1) year following the date of grant. Our Compensation Committee may impose restrictions on a recipient's right to vote shares of restricted stock and may provide that dividend equivalents will be credited with respect to restricted stock, provided that no dividend equivalents shall be awarded on unearned performance awards. Non-employee directors may receive a portion of their annual retainers in the form of restricted stock issued under the Directors' Program.

Restricted Stock Units . Restricted stock units are rights to receive cash, other securities, other awards or other property, subject to the termination of a restricted period or conditions specified by our Compensation Committee in the award agreement. Restricted stock units are generally subject to forfeiture conditions and may not be transferred by the recipient until those restrictions lapse. Forfeiture conditions could include, but are not limited to, the attainment of performance goals (as described below), continuous service with us, the passage of time or other conditions. However, with some exceptions (for example, in the event of death, disability or change in control or as noted in the first paragraph above under “Types of Awards”), restrictions on time-based restricted stock units may not expire in less than one (1) year following the date of grant. Restricted stock units are not outstanding shares of stock and do not entitle a participant to voting or other rights; however, an award of restricted stock units may provide for the crediting of additional restricted stock units based on the value of dividends paid on our common stock while the award is outstanding; however, no dividend equivalents shall be awarded on unearned performance awards.

Stock Options . Stock options are rights to purchase a specified number of shares of our common stock at an exercise price of at least 100% of the fair market value on the date of grant, except in the case of options granted in substitution of options previously granted by a company we may acquire. Stock options may be either incentive stock options or nonqualified stock options. At the time of grant, our Compensation Committee in its sole discretion will determine when stock options are exercisable and when they expire, except that: (i) the term of a stock option cannot exceed ten (10) years and (ii) with some exceptions (for example, in the event of death, disability or change in control or as noted in the first paragraph above under “Types of Awards”), stock options may not become 100% exercisable in less than one (1) year following the date of grant. Payment for shares purchased upon exercise of a stock option must be made in full at the time of exercise, and may be made by cash payment, certification of ownership of previously acquired stock, a stock swap, cashless exercise through a broker, net exercise (with the Company retaining a number of shares otherwise issuable upon exercise having a value equal to the exercise price), or such other method as the Compensation Committee deems appropriate. Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the repricing of options without shareholder approval is prohibited under the Amended LTIP.

Stock Appreciation Rights (“SARs”) . A SAR entitles a recipient to receive, upon surrender of the SAR, cash equal to the excess of the fair market value of a specified number of shares of our common stock on the date the SAR is surrendered over the fair market value of such shares on the date of grant. Our Compensation Committee will have the authority to grant SARs and to determine the number of shares subject to each SAR, the time or times at which the SAR may be exercised and all other terms and conditions of the SAR, except that: (i) the exercise price must be no less than the fair market value of the shares on the date of grant; (ii) the term of an SAR cannot exceed ten (10) years and (iii) with some exceptions (for example, in the event of death, disability or change in control or as noted above in the first paragraph under “Types of Awards”), SARs may not become 100% exercisable in less than one (1) year following the date of grant. Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the repricing of SARs without shareholder approval is prohibited under the Amended LTIP.

Performance Awards . Performance awards may be denominated in, or payable in, cash, our common stock, or other securities or awards under the Amended LTIP. Performance awards shall be payable to (or exercisable by) the recipient when the recipient achieves performance goals during a specified performance period. Performance awards to executive officers under the Amended LTIP that are intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Code (to the extent still applicable as described above under "TopBuild Compensation Practices") will be subject to meeting performance goals based on one (1) or more performance metrics with respect to the Company or any of its affiliates. Available performance measures will be based on the following performance measures (or an equivalent metric), each determined in accordance with generally accepted accounting principles, where applicable, as consistently applied by the Company and with such adjustments as set forth in the Amended LTIP:

Cash flow (before/after dividends)	Quality measures	Safety measures
Earnings per share	Return on assets	SG&A as a percent of sales
EBIT	Return on equity	Total cost productivity
EBITDA	Return on invested capital	Total shareholder return
Gross margin	Return on net assets	Working capital
Gross profit	Return on net tangible assets	Working capital as a percent of sales
Net income	Return on sales	Working capital efficiency
Operating margin	Revenue growth	
Operating profit	Revenues	

Our Compensation Committee may select one (1) or more performance metrics and may apply those performance metrics on a corporate-wide or division/business segment basis. Performance metrics also may be applied to the performance of the Company and/or one (1) or more affiliates relative to a market index, a group of other companies or a combination thereof, all as determined by our Compensation Committee. Measurement of the attainment of performance metrics may exclude, if our Compensation Committee so provides in an award agreement, the impact of charges for restructurings, the effects of acquisitions and divestitures and related expenses, losses resulting from discontinued operations, extraordinary losses, the cumulative effects of tax or accounting changes and other unusual, non-recurring items of loss that are separately identified in our financial statements.

Unless our Compensation Committee determines otherwise, the performance period relating to any performance award shall be at least one (1) calendar year commencing January 1 and ending December 31 (except in the case of a change in control). Our Compensation Committee may provide that dividend equivalents will be credited with respect to any performance award, but no dividend equivalents will be awarded on options, SARs or on unearned performance awards.

Certain Limitations

The Amended LTIP provides the following limitations on awards under the Amended LTIP:

- No participant may receive stock options or SARs in any calendar year related to more than 1,000,000 shares of common stock (subject to adjustment as provided in the Amended LTIP); however, such number may be increased with respect to any participant by any shares of common stock available for grant to such participant in accordance with this limitation in any prior year that were not granted in such prior year.
- The maximum number of shares of common stock that may be awarded as incentive stock options is 4,000,000.
- To the extent still applicable as described above under "TopBuild Compensation Practices", for awards intended to be performance-based compensation under Section 162(m) of the Code, the maximum amount that may be delivered or earned in settlement of all such awards granted in any year shall be (i) for awards denominated in shares, 1,000,000 shares of common stock (subject to adjustment as provided in the Amended LTIP), and (ii) for awards denominated in cash, \$5,000,000.
- Awards to non-employee directors with respect to any fiscal year of the Company may not exceed a value of \$450,000 at the time of grant.

A participant's rights, payments and benefits with respect to an award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions. Such events may include failure to accept the terms of the award agreement, termination of service under certain or all circumstances, a restatement of the Company's financials, breach of noncompetition, confidentiality, nonsolicitation, noninterference, or other agreements that may apply to the participant or other conduct by the participant that our Compensation Committee determines is detrimental to the business or reputation of the Company and its affiliates, including facts and circumstances discovered after termination of service.

Amendment and Termination

Our Board has the authority to terminate, suspend or discontinue the Amended LTIP, and our Board or our Compensation Committee may amend any award agreement; however, no amendment of the Amended LTIP or an award agreement may impair the rights of a participant under any outstanding award without the participant's consent. Moreover, our shareholders must approve any amendment when our Compensation Committee determines that approval is required for the Amended LTIP to continue to satisfy applicable rules and regulations and the amendment would materially:

- increase the number of shares available under the Amended LTIP or issuable to a participant;
- change the types of awards that may be granted under the Amended LTIP;
- expand the class of persons eligible to receive awards under the Amended LTIP; or
- directly or indirectly reduce the price at which an option or stock appreciation right is exercisable.

In addition, outstanding awards may be equitably adjusted, without shareholder approval, in the event of any dividend or other distribution, change in the capital or shares of capital stock, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of shares or other securities of the Company, issuance of warrants or other rights to purchase shares or other securities of the Company or extraordinary transaction or event which affects the Company's shares. Our Compensation Committee may also adjust outstanding awards in recognition of certain other unusual or nonrecurring events if the Compensation Committee determines that such adjustments are appropriate to prevent dilution or enlargement of the benefits or potential benefits to be made available under the Amended LTIP; provided, however, no such adjustment shall be made to an award intended to constitute "qualified performance-based compensation" unless such adjustment is permitted under Section 162(m) of the Code (to the extent still applicable as described above under "TopBuild Compensation Practices").

Payments upon a Change of Control

The treatment of outstanding awards upon the occurrence of a change in control, if any, shall be determined by the Compensation Committee at the time such awards are granted and set forth in the applicable award agreement. For purposes of the Amended LTIP, the term "change in control" means the occurrence of any of the following events:

- (i) any Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing more than 40% of either the then-outstanding shares of common stock of the Company or the combined voting power of the Company's then-outstanding securities, excluding any Person who becomes such a Beneficial Owner in connection with a transaction described in paragraph (iii)(1) below;
- (ii) the following individuals cease for any reason to constitute a majority of the number of directors then serving: individuals who, on January 1, 2019, constitute the Board and any new director (other than a director whose initial assumption of office is in connection with an actual or threatened election contest, including but not limited to a consent solicitation, relating to the election of directors of the Company) whose appointment or election by the Board or nomination for election by the Company's stockholders was approved or recommended by a vote of at least two-thirds (2/3) of the directors then in office who either were directors on January 1, 2019 or whose appointment, election or nomination for election was previously so approved or recommended;
- (iii) there is consummated a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other corporation, other than (1) a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof) at least 50% of the combined voting power of the securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation or (2) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company (not including in the securities Beneficially Owned by such Person any securities acquired directly from the Company or its affiliates) representing more than 40% of the combined voting power of the Company's then-outstanding securities; or

- (iv) the stockholders of the Company approve a plan of complete liquidation or dissolution of the Company or there is consummated an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets, other than a sale or disposition by the Company of all or substantially all of the Company's assets to an entity, at least 50% of the combined voting power of the voting securities of which are owned by stockholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale.

For purposes of the definition of Change in Control, the terms "Beneficial Owner" or "Beneficially Owned" have meanings set forth in Rule 13d-3 under the Exchange Act and "Person" has the meaning given in Section 3(a)(9) of the Exchange Act, as modified and used in Sections 13(d) and 14(d) thereof, except that such term does not include (i) the Company or any of its subsidiaries, (ii) a trustee or other fiduciary holding securities under an employee benefit plan of the Company or any of its affiliates, (iii) an underwriter temporarily holding securities pursuant to an offering of such securities or (iv) a corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

Executive Severance Plan and Change in Control and Severance Agreement

In order to provide a vehicle to ensure retention of our executive officers, the Board of Directors adopted an Executive Severance and Change-in-Control Plan in February 2016, which was amended and restated on February 18, 2019 (the "Severance Plan"). In addition, on March 1, 2016, we entered into a Change in Control and Severance Agreement, which was amended on February 22, 2019 (the "Severance Agreement") with Gerald Volas, our Chief Executive Officer and a member of our Board of Directors. The Severance Plan and the Severance Agreement provide severance benefits to certain executive officers in the event their employment is terminated under certain conditions, as outlined below.

In order to be covered, eligible executive officers must sign a non-compete, non-solicitation and confidentiality agreement and a release of all claims against the Company and its affiliates. Under the terms of the Severance Plan and the Severance Agreement, each participant would be entitled to severance payments and benefits in the event that he or she experiences a "qualifying termination" (i.e., termination without cause by the Company or for a good reason by the executive officer). Each event is defined in the Severance Plan and the Severance Agreement.

If an eligible executive officer experiences a qualifying termination under the Severance Plan or the Severance Agreement, the executive officer would be entitled to an incentive payment that is based on the target amount established under the Company's annual incentive plan for the year in which the termination occurs. The payment would be adjusted on a pro-rata basis according to the number of calendar days the eligible executive officer was actually employed during such plan year and is determined based on actual performance after the performance period ends. The eligible executive officer would also receive salary continuation payments in an amount equal to such multiple as may be identified in the Severance Plan or the Severance Agreement multiplied by the executive officer's base salary and bonus at target. The salary continuation and incentive continuation, if applicable, would be paid in a lump sum or installments over the severance period and in accordance with the Company's standard payroll practice, subject to the requirements of Section 409A. The Company would provide health and wellness benefits to the eligible named executive officer and his or her dependents for the period identified in the Severance Plan or the Severance Agreement.

CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of Mr. Gerald Volas, our Chief Executive Officer:

For 2018, our last completed fiscal year:

- the median of the annual total compensation of all of our employees, other than Mr. Volas, was \$51,511; and
- the annual total compensation of Mr. Volas, as reported in the Summary Compensation Table included elsewhere in this Proxy Statement, was \$4,156,751.

Based on this information, for 2018 the ratio of the annual total compensation of Mr. Volas, our CEO, to the median of the annual total compensation of all of our employees was 81 to 1.

Pursuant to Item 402(u) of Regulation S-K, we are required to identify our median employee only once every three years, as long as, during our last completed fiscal year, there has been no change in our employee population or employee compensation arrangements that we reasonably believe would result in a significant change to our pay ratio disclosure. In May 2018, we acquired USI Subcontractors, Inc., which increased our employee population by more than 1,000 persons. Consequently, we determined that we should re-identify our median employee. For the pay ratio disclosure set forth above, we identified our median employee as of December 31, 2018 from our employee population of 9,869 persons as of such date, consisting of our full-time, part-time, temporary employees and seasonal workers. When we identified our median employee from our employee population, we calculated the annual total compensation of all of our employees using the same components that are included for our CEO in the "Total" column of our 2018 Summary Compensation Table included in this Proxy Statement. Additionally, because all our employees are located in the U.S., as is our CEO, we did not make any cost-of living adjustments in identifying the "median employee."

Once we identified our median employee as of December 31, 2018, we combined all of the elements of such employee's compensation for 2018 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$51,511. With respect to the annual total compensation of our CEO, we used the amount reported in the "Total" column of our 2018 Summary Compensation Table included in this Proxy Statement.

PROPOSAL 2: AMENDMENT OF ARTICLE 5 OF OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO REDUCE FROM 66 ⅔% TO A MAJORITY THE AFFIRMATIVE VOTE REQUIRED TO AMEND OUR BYLAWS

Article 5 of our Amended and Restated Certificate of Incorporation currently provides that our shareholders may adopt, amend or repeal our Bylaws only with the affirmative vote of the holders of not less than 66 ⅔% of the voting power of all of our outstanding securities generally entitled to vote in the election of directors, voting together as a single class.

A 66 ⅔% supermajority vote requirement like the one contained in Article 5 of our Amended and Restated Certificate of Incorporation, is intended to facilitate corporate governance stability and provide protection against self-interested action by large shareholders by requiring broad shareholder consensus to make certain fundamental changes. While such protection may be beneficial to shareholders, as corporate governance standards have evolved, many shareholders and commentators now view this provision as limiting the Board's accountability to shareholders and the ability of shareholders to effectively participate in corporate governance.

After careful consideration, the Board has unanimously approved an amendment to our Amended and Restated Certificate of Incorporation to reduce the above-described voting threshold from 66 ⅔% to a majority of the voting power of all of our outstanding securities generally entitled to vote in the election of directors, voting together as a single class. Appendix A to this Proxy Statement contains the text of Article 5 of our Amended and Restated Certificate of Incorporation, which has been marked to show the changes that would be implemented upon shareholder approval of this proposal.

Vote Required

The affirmative vote of not less than 66 ⅔% of the voting power of all of our outstanding shares of common stock is required to adopt this amendment. Abstentions and broker non-votes will have the same effect as votes against the proposal.

The Board recommends that you vote "**FOR**" the proposal to reduce the voting threshold for amendments to the bylaws.

PROPOSAL 3: PROPOSAL TO AMEND ARTICLE 11 OF OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO REDUCE FROM 66 2/3% TO A MAJORITY THE AFFIRMATIVE VOTE REQUIRED TO AMEND CERTAIN PROVISIONS OF OUR CERTIFICATE OF INCORPORATION

Article 11 of our Amended and Restated Certificate of Incorporation currently requires the affirmative vote of the holders of not less than 66 2/3% of the voting power of all of our outstanding securities generally entitled to vote in the election of directors, voting together as a single class, to amend or repeal, or otherwise modify or circumvent, the provisions of our Amended and Restated Certificate of Incorporation related to the issuance of “blank check” preferred stock, our Bylaws, our Board of Directors, meetings of our shareholders, and the provision governing the foregoing matters.

Similar to the rationale noted in Proposal 2, a 66 2/3% supermajority vote requirement like the one contained in Article 11 of our Amended and Restated Certificate of Incorporation is intended to facilitate corporate governance stability and provide protection against self-interested action by large shareholders by requiring broad shareholder consensus to make certain fundamental changes. While such protection may be beneficial to shareholders, as corporate governance standards have evolved, many shareholders and commentators now view such provisions as limiting the Board’s accountability to shareholders and the ability of shareholders to effectively participate in corporate governance.

After careful consideration, the Board has unanimously approved, and recommends that our shareholders approve, an amendment to our Amended and Restated Certificate of Incorporation to reduce the above-described voting threshold from 66 2/3% to a majority of the voting power of all of our outstanding securities generally entitled to vote in the election of directors, voting together as a single class. Appendix B to this Proxy Statement contains the text of Article 11 of our Amended and Restated Certificate of Incorporation, which has been marked to show the changes that would be implemented upon shareholder approval of this proposal.

Vote Required

The affirmative vote of not less than 66 2/3% of the voting power of all of our outstanding shares of common stock is required to adopt this amendment. Abstentions and broker non-votes will have the same effect as votes against the proposal.

The Board recommends that you vote “ **FOR** ” the proposal to amend Article 11 of our Amended and Restated Certificate of Incorporation to reduce from 66 2/3% to a majority the affirmative vote required to amend certain provisions of our Certificate of Incorporation.

PROPOSAL 4: PROPOSAL TO AMEND ARTICLE 9 OF OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION SO THAT WE ARE NO LONGER OBLIGATED TO INDEMNIFY PERSONS OTHER THAN DIRECTORS AND OFFICERS

Article 9 of our Amended and Restated Certificate of Incorporation currently requires that the Company indemnify and hold harmless directors, officers and employees to the fullest extent permitted by Delaware Law.

The Board proposes to amend Article 9 to provide for mandatory indemnification only for directors and officers, but not for other employees, with indemnification of non-officer employees subject to determination by the Board on a case-by-case basis. While the Board believes that mandatory indemnification of officers and directors is necessary to attract and retain highly-qualified persons to serve as officers and directors, the Board does not believe that it is in the best interests of the Company or its shareholders that the Company be required to indemnify persons other than officers and directors, except as determined by the Board on a case-by-case basis. If shareholders approve this proposal, the Company will still have the ability to indemnify other employees of the Company.

The Board believes that making indemnification of employees permissive, rather than mandatory, would give the Board the flexibility to indemnify non-officer employees only in appropriate cases. In addition, the Board does not believe that the proposed amendment will deprive deserving employees of rights to indemnification because employees whom the Board determines are entitled to indemnification will still be indemnified by the Company.

After careful consideration, the Board has unanimously approved, and recommends that our shareholders approve, an amendment to our Amended and Restated Certificate of Incorporation to provide for mandatory indemnification of only directors and officers. Appendix C to this Proxy Statement contains the text of Article 9 of our Amended and Restated Certificate of Incorporation, which has been marked to show the changes that would be implemented upon shareholder approval of this proposal, and which includes technical and conforming changes.

Vote Required

The affirmative vote of not less than a majority the voting power of all of our outstanding shares of common stock is required to adopt this amendment. Abstentions and broker non-votes will have the same effect as votes against the proposal.

The Board recommends that you vote “**FOR**” the proposal to amend Article 9 of our Amended and Restated Certificate of Incorporation so that we are no longer obligated to indemnify persons other than directors and officers.

PROPOSAL 5: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has appointed PricewaterhouseCoopers LLP, an independent registered public accounting firm (“PwC”), to audit the Company’s financial statements for the fiscal year ending December 31, 2019. The Company is submitting its appointment of PwC for ratification by the shareholders at the Annual Meeting. A representative of PwC, who is expected to be present at the Annual Meeting, will have the opportunity to make a statement and be available to respond to appropriate questions.

Although the selection and appointment of our independent registered public accounting firm is not required to be submitted to a vote of shareholders, the Board deems it desirable to obtain shareholders’ ratification and approval of this appointment. If the appointment is not ratified by our shareholders, the adverse vote will be considered as an indication to the Audit Committee that it should consider selecting another independent registered public accounting firm for the following fiscal year, but it is not required to do so. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a new independent registered public accounting firm at any time during the year if it believes that such a change would be in the Company’s best interest.

In making its recommendation to ratify the appointment of PwC as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2019, the Audit Committee considered whether the services provided by PwC are compatible with maintaining the independence of PwC.

Before the Audit Committee selected PwC, it carefully considered the independence and qualifications of that firm, including their past performance as the Company’s independent registered public accounting firm and their reputation for integrity and for competence in the fields of accounting and auditing.

Audit Fees

The following table sets forth the aggregate fees billed to us by PwC for the years ended December 31, 2017 and 2018, all of which were approved by the Audit Committee:

	Year Ended December 31, 2017 (\$)	Year Ended December 31, 2018 (\$)
Audit Fees ⁽¹⁾	2,050,975	2,737,125
Audit-Related Fees ⁽²⁾	—	—
Tax Fees ⁽³⁾	—	30,000
All Other Fees ⁽⁴⁾	3,398	2,759
TOTAL	2,054,373	2,769,884

(1) Audit Fees consisted of fees billed or estimated to be billed by PwC for the audit of our annual financial statements included in our Annual Report on Form 10 - K, review of our interim financial statements included in our Quarterly Reports on Form 10 - Q, and services that are normally provided by our independent registered public accounting firm in connection with statutory and regulatory filings or engagements for the years ended December 31, 2017 and 2018.

(2) Audit-Related Fees consist of fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees.”

(3) Tax Fees consisted of fees for tax consulting services.

(4) All other Fees consisted of fees other than the services reported above. The services provided in the years ended December 31, 2017 and 2018 consisted of a subscription to an accounting website.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee is responsible for appointing, compensating and overseeing the work performed by PwC as well as audit services performed by other independent public accounting firms. The Audit Committee has established a policy governing our use of the services of our independent registered public accounting firm. Under the policy, our Audit Committee is required to pre-approve all audit and non-audit services performed by our independent registered public accounting firm in order to ensure that the provision of such services does not impair the independent registered public accounting firm’s independence.

The Board recommends that you vote **“FOR”** the ratification of the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm.

PROPOSAL 6: ADVISORY VOTE ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Exchange Act, and more specifically, Section 14A of the Exchange Act which was added under the DoddFrank Wall Street Reform and Consumer Protection Act, enacted in July 2010, requires that we provide shareholders with the opportunity to vote to approve, on a nonbinding advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules (commonly referred to as "SayonPay").

Our compensation program for named executive officers is intended to link compensation to performance; to provide competitive compensation levels to attract, retain and reward executives; and to align management's interests with those of our shareholders. The compensation provided to the named executive officers is dependent on the Company's financial, operational and strategic performance and the named executive officer's individual performance and is intended to drive creation of long-term shareholder value. In addition, the Amended LTIP provides that, in the event the Company has a restatement of its financial statements, other than as a result of changes to accounting rules and regulations, the Compensation Committee may require the return of cash or equity which a participant may have acquired during the three (3) year period preceding the date of restatement of such restated financial results.

We encourage shareholders to read the "Compensation Discussion and Analysis" section of this Proxy Statement, the Summary Compensation Table and the other related tables and disclosure for a detailed description of the fiscal year 2018 compensation of our named executive officers. The Compensation Committee and the Board believe that the policies and procedures articulated in the "Compensation Discussion and Analysis" are effective in achieving our goals and that the compensation of our named executive officers reported in this Proxy Statement appropriately reflects our results during the fiscal year.

The vote on this resolution is not intended to address any specific element of compensation; rather, the advisory vote relates to the overall compensation of our named executive officers. This vote is advisory, which means that it is not binding on the Company, the Board or the Compensation Committee. However, we value the opinion of our shareholders and the Board and the Compensation Committee will review the voting results and will take into account the outcome of the vote when considering future compensation decisions for the named executive officers.

Accordingly, we ask our shareholders to vote on the following resolution:

"RESOLVED , that the Company's shareholders approve, on a nonbinding advisory basis, the compensation paid to the Company's named executive officers, as disclosed in the Company's Proxy Statement for the 2019 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the Summary Compensation Table and the related compensation tables and narrative discussion."

The Board recommends that you vote **"FOR"** the proposal to approve, on an advisory basis, the compensation of our named executive officers.

EQUITY COMPENSATION PLAN INFORMATION

The following table provides information as of December 31, 2018, about our common stock that may be issued upon the exercise of options, warrants and rights granted to employees or directors under the Amended LTIP.

Equity compensation plans not approved by shareholders	—	—	—
TOTAL	611,430	34.45	2,590,087

(1) Amount includes 611,430 shares issuable upon exercise of outstanding options.

(2) Amount represents the total number of securities remaining available for future issuance under the Amended LTIP.

OTHER MATTERS

Except as discussed in this Proxy Statement, the Board does not know of any matters that are to be properly presented at the Annual Meeting other than those stated in the Notice of 2019 Annual Meeting of Shareholders and referred to in this Proxy Statement.

If other matters properly come before the Annual Meeting, it is the intention of the persons named in the proxy card to vote thereon in accordance with their best judgment. Moreover, the Board reserves the right to adjourn or postpone the Annual Meeting for failure to obtain a quorum, for legitimate scheduling purposes or based on other circumstances that, in the Board's belief, would cause such adjournments or postponements to be in the best interests of all of our shareholders.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, certain executive officers, and persons who own more than ten (10) percent of our outstanding common stock to file reports of ownership and changes in ownership with the SEC and the NYSE. SEC regulations require the Company to identify anyone who failed to file a required report or filed a late report during the most recent fiscal year. To the Company's knowledge, with respect to the year ended December 31, 2018, all applicable filings were timely filed other than one late report filed by each of Messrs. Volas, Buck, Peterson and Joachimczyk in each case with respect to a single option grant.
