NOVOCURE LIMITED AND SUBSIDIARIES
NOTES TO UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS

U.S. dollars in thousands (except share data)

NOTE 1: ORGANIZATION AND BASIS OF PRESENTATION

Organization . NovoCure Limited (including its consolidated subsidiaries, the “Company”) was incorporated in the Bailiwick of Jersey and is principally engaged in the development, manufacture and commercialization of Tumor Treating Fields for the treatment of solid tumors. The Company has regulatory approvals and clearances in certain countries for Optune, its first Tumor Treating Fields delivery system, to treat adult patients with glioblastoma (“GBM”).

Financial statement preparation . The accompanying consolidated financial statements include the accounts of the Company and its consolidated subsidiaries, and intercompany accounts and transactions have been eliminated. In the opinion of the Company’s management, the consolidated financial statements reflect all adjustments, which are normal and recurring in nature, necessary for fair financial statement presentation. The preparation of these consolidated financial statements in conformity with U.S. generally accepted accounting principles (“GAAP”) requires management to make estimates and assumptions that affect the amounts reported in these consolidated financial statements and accompanying notes. Actual results could differ materially from those estimates. These consolidated financial statements and accompanying notes should be read in conjunction with the Company’s annual consolidated financial statements and the notes thereto included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (the “2017 10-K”) filed with the Securities and Exchange Commission (the “SEC”) on February 22, 2018.

The significant accounting policies applied in the audited annual consolidated financial statements of the Company as disclosed in the 2017 10-K are applied consistently in these unaudited interim consolidated financial statements, except as noted below:

Recently Adopted Accounting Pronouncements . In May 2014, FASB issued ASU 2014-09, Revenue from Contracts with Customers (Topic 606) (ASU 2014-09), an updated standard on revenue recognition and issued subsequent amendments to the initial guidance in March 2016, April 2016, May 2016 and December 2016 within ASU 2016-08, 2016-10, 2016-12 and 2016-20, respectively (collectively, “ASC 606”). The core principle of the new standard is for companies to recognize revenue to depict the transfer of goods and services to patients in amounts that reflect the consideration to which the company expects to be entitled in exchange for those goods and services. In addition, the new standard requires expanded disclosures . The Company has adopted the standard effective January 1, 2018 using the modified retrospective method for all contracts. The reported results for 2018 reflect the application of ASC 606 guidance while the reported results for 2017 were prepared under the guidance of ASC 605, *Revenue Recognition* (ASC 605). The amount of revenue recognized in 2018 reflects the consideration to which the Company expects to be entitled to receive in exchange for Optune.

In preparation for adoption of the standard, the Company has implemented internal controls and key system functionality to enable the preparation of financial information, including the assessment of the impact of the standard. The Company uses the portfolio approach to apply the standard to portfolios of contracts with similar characteristics. Adoption of the standard resulted in an increase to trade receivables of \$2,807, deferred revenues of \$645 and a cumulative impact to the Company's accumulated deficit as of January 1, 2018 of \$2,162.

Optune is comprised of two main components: (1) an electric field generator and (2) transducer arrays and related accessories. We retain title to the electric field generator, and the patient is provided replacement transducer arrays and technical support for the device during the term of treatment. The electric field generator and transducer arrays are always supplied and function together and are not sold on a standalone basis.

To recognize revenue under ASC 606, the Company applies the following five steps:

1. *Identify the contract with a patient.* A contract with a patient exists when (i) the Company enters into an enforceable contract with a patient that defines each party’s rights regarding delivery of and payment for Optune, (ii) the contract has commercial substance and (iii) the Company determines that collection of substantially all consideration for Optune is probable based on the payer’s intent and ability to pay the promised consideration. The evidence of a contract generally consists of a prescription, a patient service agreement and the verification of the assigned payer (“Payer”) for the contract and intention to collect.

2. *Identify the performance obligations in the contract.* Optune contracts include the lease of the device, the supply obligation of disposable transducer arrays and technical support for the term of treatment. To the extent a contract includes multiple promised products and/or services, the Company must apply judgment to determine whether those products and/or services are capable of being distinct in the context of the contract. If these criteria are not met the promised products and/or services are accounted for as

a combined performance obligation. In the Company's case, Optune's device, support, and disposables are provided as one inseparable package of monthly treatment for a single monthly fee.

3. Determine the transaction price. The transaction price is determined based on the consideration to which the Company will be entitled in exchange for providing Optune to the patient. To the extent the transaction price includes variable consideration, the Company estimates the amount of variable consideration that should be included in the transaction price utilizing either the expected value method or the most likely amount method depending on the nature of the variable consideration. Variable consideration is included in the transaction price if, in the Company's judgment, it is probable that a significant future reversal of cumulative revenue under the contract will not occur. The Company has agreements with many payers that define explicit discounts off the gross transaction price. In addition to the explicit discounts negotiated with each payer, the Company expects to receive, in aggregate for a given portfolio, less than the gross revenue net of explicit discounts. ASC 606 requires that the Company recognize this variable consideration as an implicit discount in the billing period. The implicit discount includes both an estimate of claims that will pay at an amount less than billed and an estimate of claims that will not pay within a given time horizon. The implicit discount adjustments to the transaction price are due to concessions, not collectability concerns driven by payer credit risk.

4. Allocate the transaction price to performance obligations in the contract. If a contract contains a single performance obligation, the entire transaction price is allocated to the single performance obligation. As discussed above, there is one performance obligation under the Company's contracts and, therefore, the monthly transaction price determined for the performance obligation will be recognized over time ratably over the monthly term of the treatment.

5. Recognize revenue when or as the Company satisfies a performance obligation. The Company satisfies performance obligations over time as discussed above. Revenue is recognized at the time the related performance obligation is satisfied by transferring a promised service to a patient. The patient consumes the benefits of Optune treatment on a daily basis over the monthly term. As this criterion is met, the revenues will be recognized over the monthly term.

In accordance with ASC 606, the impact of our adoption of ASC 606 on our condensed consolidated statements of income for the three months ended March 31, 2018 was a decrease in net revenues of \$3,538, a decrease in tax expenses of \$202, an increase in net loss of \$3,336 and a decrease in our basic and diluted net loss per ordinary share of \$0.04. The impact of our adoption of Topic 606 on our balance sheet as of March 31, 2018 was a decrease in trade receivables of \$1,172, an increase to other payables and accrued expenses (deferred revenues net of tax provision) of \$884 and an accumulated deficit as of March 31, 2018 of \$1,174.

In August 2016, FASB issued ASU 2016-15, Statement of Cash Flows (Topic 230) Classification of Certain Cash Receipts and Cash Payments. ASU 2016-15 eliminates the diversity in practice related to the classification of certain cash receipts and payments for debt prepayment or extinguishment costs, the maturing of a zero coupon bond, the settlement of contingent liabilities arising from a business combination, proceeds from insurance settlements, distributions from certain equity method investees and beneficial interests obtained in a financial asset securitization. ASU 2016-15 designates the appropriate cash flow classification, including requirements to allocate certain components of these cash receipts and payments among operating, investing and financing activities. The retrospective transition method, requiring adjustment to all comparative periods presented, is required unless it is impracticable for some of the amendments, in which case those amendments would be prospectively as of the earliest date practicable. The Company adopted the standard effective as of January 1, 2018, and the adoption of this standard did not have an impact on the Company's consolidated financial statements.

In November 2016, FASB issued ASU 2016-18, Statement of Cash Flows (Topic 230): Restricted Cash. This standard requires the presentation of the statement of cash flows to show the changes in the total of cash, cash equivalents, restricted cash and restricted cash equivalents. The standard is effective for fiscal years and the interim periods within those fiscal years beginning after December 15, 2017. The Company adopted the standard retrospectively to all periods presented effective as of January 1, 2018.

Recent Accounting Pronouncements. In February 2016, FASB issued ASU 2016-02-Leases (ASC 842), which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e. lessees and lessors). The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principle of whether or not the lease is effectively a financed purchase by the lessee. This classification will determine whether lease expense is recognized based on an effective interest method or on a straight line basis over the term of the lease, respectively. A lessee is also required to record a right-of-use asset and a lease liability for all leases with a term of greater than twelve months regardless of their classification. Leases with a term of twelve months or less will be accounted for similar to existing guidance for operating leases. The new standard requires lessors to account for leases using an approach that is substantially equivalent to existing guidance for sales-type leases, direct financing leases and operating leases. ASC 842 supersedes the previous leases standard, ASC 840. The standard is effective on January 1, 2019, with early adoption permitted. The Company currently anticipates adopting the new standard effective January 1, 2019 and is evaluating the impact of the adoption of this standard on its consolidated financial statements.

In June 2016, FASB issued ASU 2016-13, Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments. ASU 2016-13 amends the impairment model to utilize an expected loss methodology in place of the currently used incurred loss methodology, which will result in the more timely recognition of losses. ASU 2016-13 also applies to employee benefit plan accounting, with an effective date of the first quarter of fiscal 2020. The amendments in this update are effective for fiscal years beginning after December 31, 2019, including interim periods with in those fiscal years. The Company is currently assessing the impact of the adoption of this standard on its consolidated financial statements, footnote disclosures and employee benefit plans' accounting.

NOTE 2: SHORT-TERM INVESTMENTS

The Company invests in marketable U.S. Treasury Bills ("T-bills") that are classified as held-to-maturity securities. The amortized cost and recorded basis of the T-bills are presented as short-term investments in the amount of \$104,712 and \$104,719 as of March 31, 2018 and December 31, 2017, respectively, and their estimated fair value as of March 31, 2018 and December 31, 2017 was \$104,658 and \$104,655, respectively.

NOTE 3: INVENTORIES

Inventories are stated at the lower of cost or market. The weighted average methodology is applied to determine cost. As of March 31, 2018 and December 31, 2017, the Company's inventories were composed of:

	<u>March 31,</u> <u>2018</u>	<u>December 31,</u> <u>2017</u>
	<u>Unaudited</u>	<u>Audited</u>
Raw materials	\$ 3,705	\$ 4,276

Finished products	10,520	9,314
Total	<u>\$ 20,386</u>	<u>\$ 22,025</u>

NOTE 4: COMMITMENTS AND CONTINGENT LIABILITIES

The facilities of the Company are leased under various operating lease agreements for periods ending no later than 2024. The Company also leases motor vehicles under various operating leases, which expire on various dates, the latest of which is in 2021.

As of March 31, 2018 and December 31, 2017, the Company pledged bank deposits of \$1,043 and \$1,038, respectively, to cover bank guarantees in respect of its leases of operating facilities and obtained bank guarantees for the fulfillment of the Company's lease and other contractual commitments of \$1,208 and \$1,202, respectively.

In the first quarter of 2018, the Company made a milestone payment of \$5.5 million (the "Milestone Payment") to the Technion Research and Development Foundation ("Technion") pursuant to the settlement agreement dated February 10, 2015 (the "Settlement Agreement"). Pursuant to the Settlement Agreement, and in exchange for a release of potential disputes regarding intellectual property developed by our founder and previously assigned to us, the Company was obligated to pay the Milestone Payment to Technion in the quarter following the quarter in which the Company achieved \$250.0 million of cumulative net sales (as defined in the Settlement Agreement) (the "Net Sales Milestone"). The Company achieved the Net Sales Milestone in the fourth quarter of 2017.

NOTE 5: LONG TERM LOAN

On February 7, 2018, the Company and certain of its subsidiaries entered into a Loan and Security Agreement ("2018 Loan Agreement") with BioPharma Credit PLC pursuant to which such lender made a term loan to the Company in the principal amount of \$150 million (the "2018 Credit Facility"). The term loan, which was drawn in full upon execution of the 2018 Loan Agreement, bears interest at 9.0% per annum, payable quarterly in arrears. The Company used a portion of the proceeds of the 2018 Credit Facility to repay in full the Company's obligations under its existing term loan credit facility and will use the remaining proceeds to fund general corporate purposes.

The 2018 Credit Facility will mature on February 7, 2023, at which time any unpaid principal and accrued unpaid interest in respect of the term loan will be due and payable. The Company may prepay the term loan, in full, at any time. The Company must prepay the term loan (i) in full or in part upon the entry into certain licensing arrangements and (ii) in full in the event of a change of control. In each case, any prepayment (whether permitted or mandatory) is subject to a prepayment premium and/or make-whole payment. The

pre-payment fee if the Company prepays outstanding loan amounts prior to February 7, 2021 is 2.0% and is 1.0% if made after the February 7, 2021 but prior to February 7, 2022.

All obligations under the 2018 Credit Facility are guaranteed by the Company's current and future direct and indirect subsidiaries. In addition, the obligations under the 2018 Credit Facility are secured by a first-priority security interest in substantially all of the property and assets of, as well as the equity interests owned by, the Company and certain of the other guarantors. The 2018 Credit Facility contains other customary covenants.

Total issuance costs of the 2018 Credit Facility, which were \$840 as of March 31, 2018, are presented net of the 2018 Credit Facility proceeds and are amortized to interest expense over the five year term of the loan using the effective interest method.

On February 7, 2018, the Company's 2015 term loan credit facility was terminated upon the Company's repayment in full of the term loan issued thereunder. The un-amortized discount in the amount of \$1,160 and issuance costs in the amount of \$1,399 were fully amortized and the amortization is included in finance expenses.

NOTE 6: SHARE CAPITAL

For the three months ended March 31, 2018, warrants to purchase 201,692 ordinary shares with an exercise price of \$3.59 per share were cashlessly exercised, resulting in the issuance of 167,212 ordinary shares. Also, warrants to purchase 1,549 ordinary shares with an exercise price of \$3.59 per share were exercised for cash. For the three months ended March 31, 2018, options to purchase 500,166 ordinary shares were exercised, resulting in the issuance of 495,530 ordinary shares.

NOTE 7: EQUITY INCENTIVE PLANS

In September 2015, the Company adopted the 2015 Omnibus Incentive Plan (the "2015 Plan"). Under the 2015 Plan, the Company can issue various types of equity compensation awards such as share options, restricted shares, performance shares, restricted stock units ("RSUs"), performance units, long-term cash awards and other share-based awards.

Options granted under the 2015 Plan generally have a four-year vesting period and expire ten years after the date of grant. Options granted under the 2015 Plan that are cancelled or forfeited before expiration become available for future grants. RSUs granted under the 2015 Plan vest in equal installments over a three-year period. As of March 31, 2018, 10,706,475 ordinary shares were available for grant under the 2015 Plan.

A summary of the status of the Company's option plans as of March 31, 2018 and changes during the period then ended is presented below:

In September 2015, the Company adopted an employee share purchase plan ("ESPP") to encourage and enable eligible employees to acquire ownership of the Company's ordinary shares purchased through accumulated payroll deductions on an after-tax basis. In the United States, the ESPP is intended to be an "employee stock purchase plan" within the meaning of Section 423 of the Internal Revenue Code and the provisions of the ESPP will be construed in a manner consistent with the requirements of such section. The Company began its offerings under the ESPP on August 1, 2016. As of March 31, 2018, 2,277,705 ordinary shares were available to be purchased by eligible employees under the ESPP and 259,281 shares had been issued under the ESPP.

The fair value of share-based awards was estimated using the Black-Scholes model for all equity grants. For market condition awards, the Company also applied the Monte-Carlo simulation model, with the following underlying assumptions:

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations

Management’s Discussion and Analysis of Financial Condition and Results of Operations (“MD&A”) is intended to provide information to assist you in better understanding and evaluating our financial condition and results of operations. We encourage you to read this MD&A in conjunction with our consolidated financial statements and the notes thereto for the period ended March 31, 2018 included in Part I, Item 1 of this Quarterly Report on Form 10-Q. This discussion contains forward-looking statements that involve risks and uncertainties. As a result of many factors, such as those set forth under Part I, Item 1A, “Risk Factors”, of our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (the “2017 10-K”), our actual results may differ materially from those anticipated in these forward-looking statements. References to the words “we,” “our,” “us,” and the “Company” in this report refer to NovoCure Limited, including its consolidated subsidiaries.

Overview

We are a global oncology company developing a proprietary platform technology called Tumor Treating Fields, the use of electric fields tuned to specific frequencies to disrupt solid tumor cancer cell division. Our key priorities are to drive commercial adoption of Optune, our first commercial Tumor Treating Fields delivery system, for the treatment of glioblastoma (“GBM”) and to advance programs testing the efficacy and safety of Tumor Treating Fields in multiple solid tumor indications through our clinical pipeline.

We were founded in 2000 and operated as a development stage company through December 31, 2011. We initially received U.S. Food and Drug Administration (“FDA”) approval for Optune in 2011 for use as a monotherapy treatment for adult patients with GBM following confirmed recurrence after chemotherapy. In October 2015, we received FDA approval to market Optune for the treatment of adult patients with newly diagnosed GBM in combination with temozolomide, a chemotherapy drug. We have also received approval to market Optune in the European Union (“EU”), Switzerland, Japan and certain other countries. We have built a commercial organization and launched Optune in the United States, Germany, Austria, Switzerland, Israel and Japan, which we refer to as our currently active markets.

In March 2018, the National Comprehensive Cancer Network Clinical Practice Guidelines in Oncology® (NCCN Guidelines®) for Central Nervous Systems Cancers were updated to include alternating electric field therapy as a Category 1 treatment for patients with newly diagnosed GBM in conjunction with temozolomide after maximal safe resection and completion of radiation therapy. The updated recommendation follows the publication of Novocure’s EF-14 phase 3 pivotal trial five-year survival results in the *Journal of the American Medical Association (JAMA)* in December 2017. The EF-14 five-year survival results demonstrated Optune plus temozolomide significantly improved survival outcomes in patients with newly diagnosed GBM compared to temozolomide alone. A category 1 recommendation indicates, based upon high-level evidence, that there is uniform NCCN consensus that the intervention is appropriate.

We continue to work with payers to expand access to Optune for patients with newly diagnosed and recurrent GBM. As of March 31, 2018, we estimate that more than 217 million Americans had coverage of Optune for newly diagnosed and/or recurrent GBM. Additionally, we had signed contracts to establish Optune as an in-network benefit for more than 187 million American lives. The percentage of our U.S. active patient population who are beneficiaries of the Medicare fee-for-service program, which has denied coverage for our claims to date, continues to range from 20 to 25 percent. In Germany, we are able to bill healthcare payers for individual cases and have started the formal process to secure national reimbursement through a clinical trial. We have received national reimbursement for Optune in Japan and Austria, and we are pursuing reimbursement for Optune in Switzerland and Israel.

We have researched the biological effects of Tumor Treating Fields extensively. Tumor Treating Fields uses electric fields tuned to specific frequencies to disrupt cancer cell division, inhibiting tumor growth and causing affected cancer cells to die. Because Tumor Treating Fields is delivered regionally, acts only on dividing cells (a biological process known as mitosis) and is frequency-tuned to target cancer cells of a specific size, we believe there is minimal damage to healthy cells. We believe our pre-clinical and clinical research demonstrates that Tumor Treating Fields’ mechanism of action affects fundamental aspects of cell division and may have broad applicability across a variety of solid tumors. We have demonstrated in preclinical studies that Tumor Treating Fields can offer additive or synergistic benefits in combination with other anti-cancer agents, which may lead to greater efficacy without significantly increasing the side effects.

We believe we have a robust global patent and intellectual property portfolio, with numerous patent applications pending worldwide. We believe we will maintain exclusive rights to market Tumor Treating Fields for all solid tumor indications in our key markets through the life of our patents.

We are currently planning or conducting clinical trials evaluating the use of Tumor Treating Fields in brain metastases, non-small-cell lung cancer (“NSCLC”), pancreatic cancer, ovarian cancer and mesothelioma. We are also planning a single-arm, phase 2 pilot clinical trial in liver cancer which will study Tumor Treating Fields in combination with sorafenib, a chemotherapy drug, as a

treatment in 25 patients with advanced liver cancer. We anticipate expanding our clinical pipeline over time to study the safety and efficacy of Tumor Treating Fields for additional solid tumor indications.

In April 2018, we reported positive top-line results from our STELLAR phase 2 pilot trial in mesothelioma. These results exceeded the results of the interim analysis for all efficacy endpoints and demonstrated clinically meaningful improvements in overall survival and progression free survival among patients who received Tumor Treating Fields plus standard of care chemotherapy, pemetrexed and cisplatin or carboplatin, compared to historical control data of patients who received standard of care chemotherapy alone. Based upon the final STELLAR data, we plan to submit a Humanitarian Device Exemption application to the FDA for approval in upcoming months.

The table below presents the current status of the ongoing or completed clinical trials in our pipeline and our expected next milestone for each.

INDICATIONS	PRE-CLINICAL	PHASE 2 PILOT	PHASE 3 PIVOTAL	MILESTONES

NSCLC				LUNAR trial last patient in 2019 with final data collection in 2021

Financial Overview. We view our operations and manage our business in one operating segment. For the three months ended March 31, 2018, our net revenues were \$52.1 million and our net loss was \$20.7 million. Our net loss for the three months ended March 31, 2018 includes \$8.5 million in non-cash share-based compensation expense. As of March 31, 2018, we had an accumulated deficit of \$600.8 million.

Critical Accounting Policies and Estimates

In accordance with U.S. GAAP, in preparing our financial statements, we must make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of net revenues and expenses during the reporting period. We develop and periodically change these estimates and assumptions based on historical experience and on various other factors that we believe are reasonable under the circumstances. Actual results may differ from these estimates.

The critical accounting policies requiring estimates, assumptions and judgments that we believe have the most significant impact on our consolidated financial statements can be found in our 2017 10-K. We adopted ASU 2016-10, Revenue from Contracts with Customers (Topic 606): Identifying Performance Obligations and Licensing, and ASU No. 2015-14, Revenue from Contracts with Customers (Topic 606): Deferral of the Effective Date as of January 1, 2018. For additional information, see Note 1 to our Unaudited Consolidated Financial Statements. There were no other material changes to our critical accounting policies and estimates as compared to the critical accounting policies and estimates described in our 2017 10-K.

Commentary on Results of Operations

Net revenues. Substantially all of our revenues are derived from patients using Optune in our currently active markets. We charge patients or their third-party healthcare payers on a monthly basis. Our potential net revenues per patient are determined by our ability to secure payment from payers, the monthly fee we collect and the number of months that the patient remains on therapy.

Cost of revenues. We contract with third-party manufacturers that manufacture Optune. Our cost of revenues is primarily comprised of the following:

- disposable transducer arrays;
- depreciation expense for the field equipment, including the electric field generator used by patients; and
- personnel, warranty and overhead costs such as facilities, freight and depreciation of property, plant and equipment associated with managing our inventory, warehousing and order fulfillment functions.

Operating expenses. Our operating expenses consist of research, development and clinical trials, sales and marketing and general and administrative expenses. Personnel costs are a significant component for each category of operating expenses and consist of wages, benefits and bonuses. Personnel costs also include share-based compensation.

Financial expenses, net. Financial expenses, net primarily consists of credit facility interest expense and related debt issuance costs, interest income from cash balances and short-term investments and gains (losses) from foreign currency transactions. Our reporting currency is the U.S. dollar. We have historically held substantially all of our cash balances in U.S. dollar denominated accounts to minimize the risk of translational currency exposure.

- (1) An “active patient” is a patient who is on Optune under a commercial prescription order as of the measurement date, including patients who may be on a temporary break from treatment and who plan to resume treatment in less than 60 days.
- (2) A “prescription received” is a commercial order for Optune that is received from a physician certified to treat patients with Optune for a patient not previously on Optune. Orders to renew or extend treatment are not included in this total.

For the first quarter 2018, we estimate a global penetration rate of 26% in our currently active markets, 29% in the United States and 23% in Germany. Newly diagnosed GBM continues to represent approximately two-thirds of our total prescription volume.

This measure allows investors to better understand and evaluate our operating results in the same manner as management, to compare financial results across accounting periods and to better understand the long-term performance of our core business in future periods. In addition, management finds it useful to exclude certain non-cash expenses to assist in budgeting, planning and forecasting future periods. Management discusses this measure with the Audit Committee of our Board of Directors, when appropriate, for the purposes of reviewing our performance and the use of our cash resources.

Cost of revenues. Our cost of revenues increased by \$6.6 million, or 56%, to \$18.2 million for the three months ended March 31, 2018 from \$11.7 million for the three months ended March 31, 2017. The increase resulted primarily from the cost of shipping transducer arrays to a higher volume of commercial patients, as well as an increase in field equipment depreciation. Cost of revenues includes \$0.2 million of non-cash share-based compensation.

Research, development and clinical trials expenses. Research, development and clinical trials expenses increased \$1.7 million, or 18%, to \$11.1 million for the three months ended March 31, 2018 from \$9.4 million for the three months ended March 31, 2017. The change is primarily due to an increase in clinical trial and personnel expenses for our LUNAR, METIS, and PANOVA trials and an increase in investigator sponsored trial costs. These expenses include \$0.9 million of non-cash share-based compensation.

Sales and marketing expenses. Sales and marketing expenses increased \$3.4 million, or 23%, to \$18.1 million for the three months ended March 31, 2018 from \$14.8 million for the three months ended March 31, 2017. The change was primarily due to increased marketing expenses, increased personnel and facility expenses to support our geographical expansion in Japan and Austria and an increase in share-based compensation. These expenses include \$1.4 million of non-cash share-based compensation.

General and administrative expenses. General and administrative expenses increased \$4.9 million, or 39%, to \$17.3 million for the three months ended March 31, 2018 from \$12.4 million for the three months ended March 31, 2017. The change was primarily due to an increase in share based compensation and an increase in professional services. These expenses included \$6.0 million of non-cash share-based compensation expense.

The increase was primarily a result of a higher number of active patients, partially offset by a change in the mix of applicable statutory tax rates in certain active jurisdictions.

Liquidity and Capital Resources

We have incurred significant losses and cumulative negative cash flows from operations since our founding in 2000. We were operated as a development stage company through December 31, 2011. Since that time, we have been actively engaged in the commercializing and global marketing of Optune, as well as the research and development of other applications of Tumor Treating Fields. We anticipate continuing to incur significant costs associated with commercializing our delivery systems for approved indications. We expect our research, development and clinical trials expenses to increase in connection with our ongoing activities and as additional indications enter late-stage clinical development. Please refer to the risk factor “*To date, we have incurred substantial operating losses,*” in our 2017 10-K for additional information. We expect to continue to incur significant expenses and operating losses for at least the next several years. Until we can generate substantial revenues (which may not occur), we expect to finance our cash needs through our existing cash, cash equivalents, short-term investments, equity issuances or additional debt, and possibly also from collaborations, strategic alliances, licensing arrangements and other marketing and distribution arrangements. We will need to generate significant revenues to achieve profitability, and we may never do so.

Sources of Liquidity

Since inception, we have financed our operations primarily through the issuance and sale of equity and the proceeds from long-term loans. As of March 31, 2018, we had received a total of \$768.9 million from these activities. As of March 31, 2018, we had an accumulated deficit of \$600.8 million.

Our net losses were \$20.7 million for the three months ended March 31, 2018 and \$61.7 million for the year ended December 31, 2017. Our net losses primarily resulted from costs incurred in connection with our pre-clinical and clinical trial programs, costs incurred in our commercial efforts, and general and administrative costs necessary to operate as a multi-national oncology business.

In the first quarter of 2018, we made a milestone payment of \$5.5 million (the “Milestone Payment”) to the Technion Research and Development Foundation (“Technion”) pursuant to the settlement agreement dated February 10, 2015 (the “Settlement Agreement”). Pursuant to the Settlement Agreement, and in exchange for a release of potential disputes regarding intellectual property developed by our founder and previously assigned to us, we were obligated to pay the Milestone Payment to Technion in the quarter following the quarter in which we achieve \$250.0 million of cumulative net sales (as defined in the Settlement Agreement) (the “Net Sales Milestone”). We achieved the Net Sales Milestone in the fourth quarter of 2017. We previously accrued for the anticipated Milestone Payment in the fourth quarter of 2016. We have no further financial obligations to Technion under the Settlement Agreement.

As of March 31, 2018, we had \$111.6 million of cash and cash equivalents and \$104.7 million of short-term investments. We believe our cash and cash equivalents and short-term investments as of March 31, 2018, are sufficient for our operations for at least the next twelve months, based upon our existing business plan and our ability to control the timing of significant expense commitments.

We expect that our research, development and clinical trials expenses, sales and marketing expenses and general and administrative expenses will continue to increase over the next several years and may outpace our gross profits. As a result, we may need to raise additional capital to fund our operations.

Operating activities

Net cash used in operating activities primarily represents our net loss for the periods presented. Adjustments to net loss for non-cash items include share-based compensation, depreciation and amortization, accrued interest and impairments. Operating cash flows are also impacted by changes in operating assets and liabilities, principally trade receivables, prepaid expenses, inventories, trade payables and accrued expenses.

Net cash used in operating activities was \$16.8 million for the three months ended March 31, 2018, as compared to \$26.9 million for the three months ended March 31, 2017, reflecting a net loss of \$20.7 million and a change of \$9.3 million in our net operating assets and liabilities, partially offset by non-cash charges of \$13.2 million.

The change in our net operating assets and liabilities was primarily the result of an increase in trade payables of \$2.2 million and a decrease in inventories of \$1.6 million offset by a decrease in other payables of \$8.3 million, an increase in other receivables of \$1.8 million, an increase in trade receivables of \$1.7 million, a decrease in other long term liabilities of \$0.8 million, and an increase in other long-term assets of \$0.6 million. Non-cash charges included \$8.5 million of share-based compensation, \$2.4 million of amortization of discount, and \$2.2 million of depreciation and amortization.

Investing activities

Our investing activities consist primarily of capital expenditures to purchase property and equipment and field equipment, as well as investments in and redemptions of our short-term investments.

Net cash used in investing activities was \$1.9 million for the three months ended March 31, 2018, compared to \$12.9 million provided by investing activities for the three months ended March 31, 2017, reflecting an increase attributable to our receipt of \$45.0 million from the maturity of short-term investments, offset by the purchase of \$44.8 million of new short-term investments, purchases of \$1.4 million of field equipment, and purchases of \$0.7 million of property and equipment.

Financing activities

To date, our primary financing activities have been the sale of equity and the proceeds from long-term loans.

Net cash provided by financing activities was \$51.7 million for the three months ended March 31, 2018, as compared to \$0.1 million for the three months ended March 31, 2017, reflecting net proceeds from long-term loan of \$149.2 million and proceeds received from the exercise of warrants and options, partially offset by the repayment of long-term loan of \$100.0 million.

Our material outstanding indebtedness consists of our term loan credit facility. As of March 31, 2018, the aggregate principal balance of amounts outstanding under the term loan credit facility was \$150.0 million. We may prepay the term loan, in full, at any time. We must prepay the term loan (i) in full or in part upon the entry into certain licensing arrangements and (ii) in full in the event of a change of control. In each case, any prepayment (whether permitted or mandatory) is subject to a prepayment premium and/or make-whole payment. The pre-payment fee if we prepay outstanding loan amounts prior to February 7, 2021 is 2.0% and is 1.0% if made after the February 7, 2021 but prior to February 7, 2022.

All obligations under the term loan credit facility are guaranteed by certain of our current and future domestic direct and indirect subsidiaries. In addition, the obligations under the term loan credit facility are secured by a first-priority security interest in substantially all of the property and assets of, as well as the equity interests owned by, us and the other guarantors. The term loan credit facility contains other customary covenants.

Contractual Obligations and Commitments

There were no material changes in our commitments under contractual obligations during the three months ended March 31, 2018.

The total amount of unrecognized tax benefits for uncertain tax positions was \$0.1 million and \$2.8 million at March 31, 2018 and December 31, 2017, respectively. Payment of these obligations would result from settlements with taxing authorities. Discussions with the taxing authorities were completed in the first quarter of 2018 and the amounts shown above reflect the results of these discussions. We paid these settled positions in the second quarter.

Off-Balance Sheet Arrangements

We did not have during the periods presented, and we do not currently have, any off-balance sheet arrangements as defined under SEC rules.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

There have been no material changes from the information disclosed in our Annual Report on Form 10-K for the year ended December 31, 2017.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

As required by Rule 13a-15(b) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), our management, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of the design and operation of our disclosure controls and procedures as of March 31, 2018. The term "disclosure controls and procedures," as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act, means controls and other procedures of a company that are designed to ensure that information required to be disclosed by a company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by a company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the company's management, including its principal executive and principal financial officers, as appropriate, to allow timely decisions regarding required disclosure. Management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving their objectives and management necessarily applies its judgment in evaluating the cost-benefit relationship of possible controls and procedures. Based on the evaluation of our disclosure controls and procedures as of March 31, 2018, our Chief Executive Officer and Chief Financial Officer have concluded that, as of March 31, 2018, our disclosure controls and procedures were effective at the reasonable assurance level.

Changes in Internal Control over Financial Reporting

There has been no change in our internal control over financial reporting during the quarter ended March 31, 2018, that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

LOAN AND SECURITY AGREEMENT

Dated as of February 7, 2018

between

NOVOCURE LIMITED

(as *Borrower*),

and

BIOPHARMA CREDIT PLC

(as *Lender*)

LOAN AND SECURITY AGREEMENT

THIS LOAN AND SECURITY AGREEMENT (this “ **Agreement** ”), dated as of February 7, 2018 (the “ **Effective Date** ”) by and between NOVOCURE LIMITED, a public company incorporated in Jersey, The Channel Islands (registered number 76264) (“ **Borrower** ”), and BIOPHARMA CREDIT PLC, a public limited company incorporated under the laws of England and Wales (“ **Lender** ”), provides the terms on which the Lender shall make, and Borrower shall repay, the Credit Extensions (as hereinafter defined). The parties hereto agree as follows:

1. ACCOUNTING AND OTHER TERMS

Except as otherwise expressly provided herein, all accounting terms not otherwise defined in this Agreement shall have the meanings assigned to them in conformity with Applicable Accounting Standards. Calculations and determinations must be made following Applicable Accounting Standards (other than any pro forma statements and projections provided to Lender which include adjustments from the Applicable Accounting Standards, such adjusted pro forma statements and projections being calculated by a Responsible Officer of Borrower in good faith, acting prudently based upon reasonable assumptions and in all respect in accordance with Applicable Accounting Standards (except with respect to such adjustments), being reviewed and approved by the audit committee of the Board of Directors of Borrower and being provided to Lender in the same format as provided to the audit committee of the Board of Directors of Borrower). No change in the accounting principles used in the preparation of any financial statement hereafter adopted by Borrower shall be given effect for purposes of measuring compliance with any provision of Section 6.12 or Section 7 unless Borrower and Lender agree to modify such provisions to reflect such changes in Applicable Accounting Standards and, unless such provisions are so modified, all financial statements, Compliance Certificates and similar documents provided hereunder shall be provided together with a reconciliation between the calculations and amounts set forth therein before and after giving effect to such change in Applicable Accounting Standards. Capitalized terms not otherwise defined in this Agreement shall have the meanings set forth in Section 13. All other terms contained in this Agreement, unless otherwise indicated, shall have the meaning provided by the Code to the extent such terms are defined therein.

2. LOANS AND TERMS OF PAYMENT

2.1 Promise to Pay. Borrower hereby unconditionally promises to pay Lender, the outstanding principal amount of the Term Loan advanced to Borrower by Lender and accrued and unpaid interest thereon and any other amounts due hereunder as and when due in accordance with this Agreement.

2.2 Term Loan.

(a) Availability. Subject to the terms and conditions of this Agreement (including Sections 3.1 and 3.3), Lender agrees to make a term loan to Borrower on the Funding Date in a principal amount (the “ **Term Loan Amount** ”) of One Hundred Fifty Million Dollars (\$150,000,000.00), in exchange for a note with an initial principal amount equal to such Term

Loan Amount (the “ **Term Loan** ”). After repayment, no part of the Term Loan may be re-borrowed.

(b) Repayment. Borrower shall make quarterly payments of interest commencing on the Payment Date occurring immediately after the Funding Date and continuing on the Payment Date of each successive quarter thereafter. All unpaid principal and any accrued and unpaid interest with respect to the Term Loan are due and payable, in full on the Term Loan Maturity Date. The Term Loan may be prepaid only in accordance with Section 2.2(c), 2.2(d), or 2.2(e), except as provided in Section 9.1.

(c) Mandatory Prepayment (Out-License Event). Upon an Out-License Event, Borrower shall prepay the Term Loan, in full or in part, without any notice from or other action by Lender, no later than ten (10) Business Days after the consummation of such Out-License Event, in an amount equal to all cash proceeds received by Borrower or any of its Subsidiaries in connection with such Out-License Event together with an amount equal to the applicable Prepayment Premium and Makewhole Amount. Borrower shall promptly, and in any event no later than two (2) Business Days thereafter, notify Lender in writing of the occurrence of an Out-License Event, which notice shall include reasonable detail as to the nature and other circumstances of such Out-License Event (each such notice, an “ **Out-License Notice** ”).

(d) Mandatory Prepayment (Change in Control). Upon a Change in Control, Borrower shall prepay the Term Loan in full, without any notice from or other action by Lender, no later than ten (10) Business Days after the consummation of such Change in Control, in an amount equal to all unpaid principal and any accrued and unpaid interest with respect to the Term Loan together with an amount equal to the applicable Prepayment Premium and Makewhole Amount. Borrower shall promptly, and in any event no later than two (2) Business Days thereafter, notify Lender in writing of the occurrence of a Change in Control, which notice shall include reasonable detail as to the nature and other circumstances of such Change in Control (each such notice, a “ **Change in Control Notice** ”).

(e) Permitted Prepayment of Term Loan. From and after the Funding Date, Borrower shall have the option to prepay all, but not less than all, of the Term Loan advanced by Lender under this Agreement, provided, that (i) Borrower provides written notice to Lender of its election (which shall be irrevocable unless Lender otherwise consents in writing) to prepay the Term Loan at least ten (10) Business Days prior to such prepayment and (ii) such prepayment shall be accompanied by any amounts payable pursuant to Section 2.2(g) and all other amounts payable or accrued and not yet paid hereunder and the other Loan Documents.

(f) Prepayment Application. All prepayments by Borrower pursuant to Section 2.2(c), Section 2.2(d) and Section 2.2(e) shall be accompanied by accrued and unpaid interest on the principal amount of the Term Loan to be prepaid to the date of payment in full. Any such prepayment (together with any accompanying Prepayment Premium or Makewhole Amount, as the case may be, that is payable pursuant to Section 2.2(g)), whether pursuant to Section 2.2(c), Section 2.2(d) or Section 2.2(e) or as a result of acceleration of the Term Loan pursuant to Section 9, shall be paid to Lender for application to the Obligations in the following order: (i) first, to due and unpaid Lender Expenses, (ii) second, to accrued and unpaid interest at the Default Rate, (iii) third, to accrued and unpaid interest at the non-Default Rate, (iv) fourth, to

the Prepayment Premium or Makewhole Amount, as applicable, (v) fifth, to the outstanding principal amount of the Term Loan being prepaid, and (vi) sixth, to any remaining amounts then due and payable hereunder.

(g) Prepayment Premium; Makewhole Amount.

(i) [Intentionally Omitted].

(ii) Any prepayments of the Term Loan by Borrower (x) pursuant to Section 2.2(c), Section 2.2(d) or Section 2.2(e), (y) as a result of the acceleration of the Term Loan Maturity Date pursuant to Section 9.1(a) or (z) as a result of any other circumstance where any of the Credit Parties violate their obligations under this Agreement to avoid payment of such Prepayment Premium, shall, in any such case, be accompanied by payment of the applicable Prepayment Premium, if any.

(iii) Any prepayments of the Term Loan by Borrower (x) pursuant to Section 2.2(c), Section 2.2(d), or Section 2.2(e) or (y) as a result of any other circumstance where any of the Credit Parties violate their obligations under this Agreement to avoid payment of such Makewhole Amount, shall, in any such case, be accompanied by payment of the applicable Makewhole Amount, if any.

2.3 Payment of Interest on the Credit Extensions.

(a) Interest Rate. Subject to Section 2.3(b), the principal amount outstanding under the Term Loan shall accrue interest at a fixed per annum rate (which rate shall be fixed for the duration of such Term Loan) equal to nine percent (9.00%) per annum, which interest shall be payable quarterly in arrears in accordance with Section 2.3(c). Interest shall be computed on the basis of a year of 360 days and the actual number of days elapsed.

(b) Default Rate. Immediately upon the occurrence and during the continuance of an Event of Default (and without notice to Borrower or demand by Lender for payment thereof), the Obligations shall bear interest at a rate per annum which is three percentage points (3.00%) above the rate that is otherwise applicable thereto (the “**Default Rate**”), and such interest shall be payable entirely in cash on demand of Lender; provided, that, absent payment of such interest at the Default Rate when due, such Default Rate interest shall be capitalized on the last day of each fiscal month and such capitalized amount shall be added to the then-outstanding principal amount of the Term Loan and constitute outstanding principal for all purposes hereof. Payment, capitalization or acceptance of the increased interest rate provided in this Section 2.3(b) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Lender.

(c) Payments. Except as otherwise expressly provided herein, all loan payments by Borrower hereunder shall be made to such bank account of Lender as Lender may designate by notice from time to time to Borrower on the date specified herein. Unless otherwise provided, interest is payable quarterly on the Payment Date of each calendar quarter. Payments of principal or interest received after 2:00 p.m. on such date are considered received at the opening of business on the next Business Day. When a payment is due on a day that is not a Business Day, the payment is due the next Business Day and additional fees or interest, as

applicable, shall continue to accrue until paid. All payments to be made by Borrower hereunder or under any other Loan Document, including payments of principal and interest made hereunder and pursuant to any other Loan Document, and all fees, expenses, indemnities and reimbursements, shall be made without set-off, recoupment or counterclaim, in lawful money of the United States and in immediately available funds.

2.4 Expenses. Borrower shall pay to Lender, all Lender Expenses incurred through and after the Effective Date, upon demand.

2.5 Requirements of Law; Increased Costs. In the event that any applicable Change in Law:

(a) Does or shall subject Lender to any Tax of any kind whatsoever with respect to this Agreement or the Term Loan made hereunder, or change the basis of taxation of payments to Lender of principal, fee, interest or any other amount payable hereunder (except, in each case, (A) Indemnified Taxes, (B) Taxes described in clauses (b) and (c) of the definition of Excluded Taxes and (C) Connection Income Taxes);

(b) Does or shall impose, modify or hold applicable any reserve, capital requirement, special deposit, compulsory loan or similar requirements against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, Lender; or

(c) Does or shall impose on Lender any other condition; and the result, directly or indirectly, of any of the foregoing is (i) to increase the cost to Lender (as determined by Lender in good faith using calculation methods customary in the industry) of making, funding or maintaining the Term Loan, (ii) to reduce any amount received or receivable in respect thereof by Lender or the return to be earned by Lender thereon, or (iii) to reduce the rate of return on any capital of Lender or any Affiliate of Lender that Lender or such Affiliate is required to maintain on account of the Term Loan;

then, in any such case, Borrower shall promptly pay to Lender, upon its receipt of the certificate described below, any additional amounts necessary to compensate Lender for such additional cost or reduced amounts receivable or rate of return as reasonably determined by Lender with respect to this Agreement or the Term Loan made hereunder. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.5, it shall promptly notify Borrower of the event by reason of which it has become so entitled, and a certificate as to any additional amounts payable pursuant to the foregoing sentence containing the calculation thereof in reasonable detail submitted by Lender to Borrower shall be conclusive in the absence of manifest error. The provisions hereof shall survive the termination of this Agreement and payment of the outstanding Term Loan and all other Obligations. Failure or delay on the part of Lender to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital under this Section 2.5 shall not constitute a waiver of Lender's right to demand such compensation; provided, that Borrower shall not be under any obligation to compensate Lender under this Section 2.5 with respect to increased costs or reductions with respect to any period prior to the date that is 120 days prior to the date of the delivery of the notice required pursuant to the foregoing provisions of this paragraph; provided

further, that the foregoing limitation shall not apply to any increased costs or reductions arising out of the retroactive application of any Change in Law within such 120-day period.

(d) If any Lender shall request compensation under this Section 2.5 or Section 2.6, then such Lender shall use commercially reasonable efforts (i) to file any certificate or document reasonably requested in writing by Borrower or (ii) to assign its rights and delegate and transfer its obligations hereunder to an Affiliate, in the case of clause (i) or (ii) above, if such filing or assignment would subsequently reduce its claims for compensation under this Section 2.5 or amounts payable pursuant to Section 2.6, as the case may be. Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such filing, assignment, delegation or transfer.

2.6 Taxes; Withholding, etc.

(a) All sums payable by any Credit Party hereunder and under the other Loan Documents shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding on account of, any Tax imposed, levied, collected, withheld or assessed by or within the United States of America or any political subdivision in or of the United States of America or any other jurisdiction from or to which a payment is made by or on behalf of any Credit Party or by any federation or organization of which the United States of America or any such jurisdiction is a member at the time of payment. In addition, Borrower agrees to pay, and shall indemnify and hold Lender harmless from, Other Taxes, and within thirty (30) days after the date of paying such sum, Borrower shall furnish to Lender the original or a certified copy of a receipt evidencing payment thereof.

(b) If any Credit Party or any other Person is required by law to make any deduction or withholding on account of any Tax from any sum paid or payable by any Credit Party to Lender under any of the Loan Documents: (i) Borrower shall notify Lender of any such requirement or any change in any such requirement as soon as any Borrower becomes aware of it; (ii) Borrower shall pay any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Credit Party) for its own account or (if that liability is imposed on Lender, as the case may be) on behalf of and in the name of Lender; (iii) if the Tax is an Indemnified Tax, the sum payable by such Credit Party in respect of which the relevant deduction, withholding or payment is required shall be increased to the extent necessary to ensure that, after the making of that deduction, withholding or payment (including any deductions applicable to additional sums payable under this Section 2.6(b)), Lender receives on the due date a net sum equal to what it would have received had no such deduction, withholding or payment been required or made; and (iv) within thirty (30) days after paying any sum from which it is required by law to make any deduction or withholding, and within thirty (30) days after the due date of payment of any Tax which it is required by clause (ii) above to pay, Borrower shall deliver to Lender evidence satisfactory to Lender of such deduction, withholding or payment and of the remittance thereof to the relevant taxing or other Governmental Authority. Borrower shall indemnify Lender for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.6(b)) paid by Lender and any liability (including penalties, interest, and reasonable expenses) arising therefrom or with respect thereto whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental

Authority. Any indemnification payment pursuant to this Section 2.6 shall be made within thirty (30) days from written demand therefor.

(c) If any party hereto determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.6 (including by the payment of additional amounts pursuant to this Section 2.6), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.6 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this clause (c) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay, credit or offset such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (c), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (c) if the payment of such amount would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This clause (c) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(d) If Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document, Lender shall deliver to Borrower, at the time or times reasonably requested by Borrower, such properly completed and executed documentation reasonably requested by Borrower as will permit such payments to be made without withholding or at a reduced rate of withholding. Notwithstanding anything to the contrary in the preceding sentence, the completion, execution and submission of such documentation shall not be required if in Lender's reasonable judgment such completion, execution or submission would subject Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of Lender.

2.7 [Intentionally Omitted].

2.8 Evidence of Debt; Register; Lender's Books and Records; Term Loan Note.

(a) Lender's Evidence of Debt. Lender shall maintain on its internal records an account or accounts evidencing the Obligations of each Borrower to Lender, including the amounts of the Term Loan made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on Borrower, absent manifest error; provided, that the failure to make any such recordation, or any error in such recordation, shall not affect any Borrower's Obligations in respect of the Term Loan; provided further, that in the event of any inconsistency between the Register and Lender's records, the recordations in the Register shall govern, absent manifest error.

(b) Register. Lender shall maintain at its principal office (as specified in, or as otherwise identified upon notice to the other parties hereto in accordance with, Section 10), a register for the recordation of the name and address of Lender, the principal of, and stated interest on, the Term Loan and the Term Loan Note held by Lender (the “**Register**”). The Register shall be available for inspection by Borrower at any reasonable time and from time to time upon reasonable prior notice. Lender shall record, or shall cause to be recorded, in the Register the principal of, and interest on, the Term Loan in accordance with the provisions of Section 12.1, and each repayment or prepayment in respect of the principal amount of the Term Loan and any such recordation shall be conclusive and binding on Borrower and Lender, absent manifest error; provided, that failure to make any such recordation, or any error in such recordation, shall not affect any of Borrower’s Obligations in respect of the Term Loan. Borrower hereby designates Lender to serve as Borrower’s agent solely for purposes of maintaining the Register as provided in this Section 2.8.

(c) Term Loan Note. Borrower shall execute and deliver to Lender or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 12.1, on the Funding Date, a Term Loan Note to evidence Lender’s Term Loan.

3. CONDITIONS OF LOANS

3.1 Conditions Precedent to Term Loan. Lender’s obligation to advance the Term Loan is subject to the condition precedent that Lender shall have received such documents, in form and substance satisfactory to Lender or such other matters shall have been completed (or otherwise expressly waived in writing in Lender’s sole discretion), as follows:

(a) copies of the Loan Documents originally executed and delivered by each applicable Credit Party, and each schedule to such Loan Documents (such schedules to be in form and substance reasonably satisfactory to Lender), including this Agreement, the Security Agreement, each IP Agreement and each Control Agreement required by the Lender;

(b) true, correct and complete copies of the Operating Documents of the Borrower and each other Credit Party;

(c) the Perfection Certificates for Borrower and the Material Subsidiaries;

(d) the organizational structure and capital structure of Borrower and each of its Subsidiaries shall be as set forth on Schedule 3.1(d);

4.2 Priority of Security Interest .

(a) Each Credit Party represents, warrants, and covenants that the security interest granted herein is and shall at all times continue to be a first priority perfected security interest in the Collateral other than Collateral which would require to be secured pursuant to the Security Interests (Jersey) Law 2012 (as amended) in order to create a first priority perfected security interest in such Collateral (subject only to Permitted Liens that are permitted by the terms of this Agreement to have superior priority to the Lien in favor of Lender, if any). Each Credit Party represents, warrants, and covenants that, at the Funding Date, the security interests granted pursuant to the Jersey Security Interest Agreement will be and shall at all times continue to be first priority perfected security interests in the Collateral as defined therein and that, at the Funding Date, such Collateral (as defined in the Jersey Security Interest Agreement) will be the only Collateral which would require to be secured pursuant to the Security Interests (Jersey) Law 2012 (as amended) in order to create a first priority perfected security interest in such Collateral. If a Credit Party shall acquire a commercial tort claim with a value (as calculated by a Responsible Officer of Borrower in good faith, acting prudently based on reasonable assumptions) greater than Five Hundred Thousand Dollars (\$500,000.00), such Credit Party shall promptly notify Lender in a writing signed by such Credit Party of the general details thereof and grant to Lender in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to Lender.

(b) If this Agreement is terminated, Lender's Lien in the Collateral shall continue until the Obligations (other than inchoate indemnity obligations) are repaid in full in cash. At the request of any Credit Party following any such termination of Lender's obligations to make Credit Extensions, Lender shall deliver to such Credit Party any Collateral of such Credit Party held by Lender hereunder and execute and deliver to such Credit Party such documents as such Credit Party shall reasonably request to evidence such termination. Borrower hereby agrees to pay all reasonable costs and expenses incurred by Lender in connection with any such delivery of Collateral or the preparation, execution and delivery of any such documentation.

4.3 Authorization to File Financing Statements. The Credit Parties hereby authorize Lender to file financing statements, with notice to the Credit Parties, with all jurisdictions which Lender determines appropriate to perfect or protect its interest or rights hereunder, including a notice that any disposition of the Collateral, by either the Credit Parties or any other Person, shall be deemed to violate the rights of Lender under the Code, except dispositions permitted hereunder. Such financing statements may indicate the Collateral as "all assets of the Debtor" or words of similar effect, or as being of an equal or lesser scope, or with greater detail.

herein as “**Margin Stock**”). None of the proceeds of the Credit Extensions or other extensions of credit under this Agreement will be used, directly or indirectly, for the purpose of purchasing or carrying any Margin Stock, for the purpose of reducing or retiring any Indebtedness that was originally incurred to purchase or carry any Margin Stock or for any other purpose that might cause any of the Term Loan or other extensions of credit under this Agreement to be considered a “purpose credit” within the meaning of Regulations T, U or X of the Federal Reserve Board. 8.8 Misrepresentations. Any Credit Party or any Person acting for any Credit Party makes or is deemed to make any representation, warranty, or other statement now or later in this Agreement (including Section 5 hereof), any Loan Document or in any writing delivered to Lender or to induce Lender to enter this Agreement or any Loan Document, and such representation, warranty, or other statement is incorrect in any material respect when made or deemed to be made unless such representation, warranty, or other statement is qualified by materiality or Material Adverse Change, in which case it shall be true and correct in all respects when made or deemed to be made;

8.9 Loan Documents; Collateral. Any material provision of any Loan Document shall for any reason cease to be valid and binding on or enforceable against any Credit Party or any Subsidiary of any Credit Party party thereto, or any Credit Party or any Subsidiary of any

Credit Party shall so state in writing or bring an action to limit its obligations or liabilities thereunder; or any Collateral Document shall for any reason (other than pursuant to the terms thereof) cease to create a valid security interest in the Collateral purported to be covered thereby or such security interest shall for any reason cease to be a perfected and first priority security interest in the Collateral subject thereto subject only to Permitted Liens;

8.10 Priority of Obligations. Any of the Obligations shall for any reason be subordinated or shall not have the priority contemplated by this Agreement, other than with respect to Permitted Liens or as agreed by the Lender in its sole discretion;

8.11 Regulatory Approvals. (a) The FDA, EMA or any other Governmental Authority initiates enforcement action against Borrower or any of its Subsidiaries that causes Borrower or such Subsidiary, as applicable, to discontinue marketing or withdraw any Included Product in any jurisdiction, in each case which enforcement action remains undischarged or unstayed for more than ninety (90) days, which could reasonably be expected to result in a Material Adverse Change (b) the FDA, EMA or any other Governmental Authority issues a warning letter with respect to any manufacturing issue with respect to any Included Product to Borrower, any of its Subsidiaries or any non-Affiliate third Person which provides manufacturing services to Borrower or any of its Subsidiaries, which could reasonably be expected to result in a Material Adverse Change; or (c) Borrower or any of its Subsidiaries, as applicable, conducts a withdrawal or recall of any Included Product which could reasonably be expected to result in expenses payable by Borrower and its Subsidiaries in connection therewith in excess of the greater of (i) Five Million Dollars (\$5,000,000.00) or (ii) ten percent (10%) of consolidated net revenue of Borrower and its Subsidiaries on a trailing twelve (12) month basis as of the most recently ended fiscal quarter; or

8.12 Individual Storage Units. With respect to any Individual Storage Unit, Borrower or any of its Subsidiaries fails to (a) pay any rent, late fees or other fees or charges under any storage space rental agreement, lease agreement or similar agreement with respect to such Individual Storage Unit when and as the same shall become due and payable thereunder and fails to either cure such failure in accordance with the terms and conditions of such storage space rental agreement, lease agreement or similar agreement or recover as promptly as possible any and all assets or properties therefrom, or (b) maintain in effect insurance that covers the loss or damage of the assets or properties stored or to be stored at any time and from time to time in such Individual Storage Unit in an amount equal to at least one hundred percent (100%) of the value of such assets or properties (without regard to any value limitation included in any such storage space rental agreement, lease agreement or similar agreement with respect to such Individual Storage Unit); provided, that, in either case, the aggregate value of any and all assets and properties stored in such Individual Storage Unit, individually or together with the aggregate value of any and all assets and properties stored in any other Individual Storage Unit in respect of which either the payment failure described in clause (a) above or the failure to maintain insurance described in clause (b) above has occurred, is greater than or equal to Five Hundred Thousand Dollars (\$500,000).

8.13 [Post-Closing Deliverables.] The Borrower and the Credit Parties fail to deliver any of the items specified in the Post-Closing Letter by the date specified (as such date may be extended by the Lender in its sole discretion) for such items therein.]

9. RIGHTS AND REMEDIES UPON AN EVENT OF DEFAULT

9.1 Rights and Remedies. While an Event of Default occurs and continues, Lender may, without notice or demand:

(a) declare all Obligations (including, for the avoidance of doubt, any applicable Prepayment Premium) immediately due and payable (but if an Event of Default described in Section 8.5 occurs all Obligations, including any applicable Prepayment Premium, are automatically and immediately due and payable without any action by Lender), whereupon all Obligations for principal, interest, premium or otherwise (including, for the avoidance of doubt, any applicable Prepayment Premium) shall become due and payable by Borrower without presentment, demand, protest or other notice of any kind, which are all expressly waived by the Credit Parties hereby;

(b) stop advancing money or extending credit for Borrower's benefit under this Agreement;

(c) settle or adjust disputes and claims directly with Account Debtors for amounts on terms and in any order that Lender considers advisable, notify any Person owing Borrower money of Lender's security interest in such funds, and verify the amount of such account;

(d) make any payments and do any acts it considers necessary or reasonable to protect the Collateral or its security interest in the Collateral. Borrower shall assemble the Collateral if Lender requests and make it available as Lender designates. Lender may enter premises where the Collateral is located, take and maintain possession of any part of the Collateral, and pay, purchase, contest, or compromise any Lien which appears to be prior or superior to its security interest and pay all expenses incurred. Borrower grants Lender a license to enter and occupy any of their premises, without charge, to exercise any of Lender's rights or remedies;

(e) apply to the Obligations (i) any balances and deposits of Borrower it holds, or (ii) any amount held by Lender owing to or for the credit or the account of Borrower;

(f) ship, reclaim, recover, store, finish, maintain, repair, prepare for sale, advertise for sale, and sell the Collateral. Lender is hereby granted a non-exclusive, royalty-free license or other right to use, without charge, Borrower's labels, Patents, Copyrights, mask works, rights of use of any name, trade names, Trademarks, Know-How and advertising matter, or any similar property as it pertains to the Collateral, in completing production of, advertising for sale, and selling any Collateral and, in connection with Lender's exercise of its rights under this Section 9.1, Borrower's rights under all licenses and all franchise agreements inure to Lender's benefit;

(g) place a "hold" on any account maintained with Lender or deliver a notice of exclusive control, any entitlement order, or other directions or instructions pursuant to any Control Agreement or similar agreements providing control of any Collateral;

(h) demand and receive possession of Borrower's Books; and

(i) exercise all rights and remedies available to Lender under the Collateral Documents or any other Loan Documents or at law or equity, including all remedies provided under the Code (including disposal of the Collateral pursuant to the terms thereof).

Lender agrees that in connection with any foreclosure or other exercise of rights under this Agreement or any other Loan Document with respect to the Intellectual Property, the rights of the licensees under the Permitted Licenses will not be terminated, limited or otherwise adversely affected so long as no default exists under the Permitted License in a way that would permit the licensor to terminate such Permitted License (commonly termed a non-disturbance).

9.2 Power of Attorney. Borrower hereby irrevocably appoints Lender as its lawful attorney-in-fact, exercisable upon the occurrence and during the continuance of an Event of Default, to: (a) endorse Borrower's name on any checks or other forms of payment or security; (b) sign Borrower's name on any invoice or bill of lading for any Account or drafts against Account Debtors; (c) settle and adjust disputes and claims about the Accounts directly with Account Debtors, for amounts and on terms Lender determines reasonable; (d) make, settle, and adjust all claims under Borrower's insurance policies; (e) pay, contest or settle any Lien, charge, encumbrance, security interest, and adverse claim in or to the Collateral, or any judgment based thereon, or otherwise take any action to terminate or discharge the same; and (f) transfer the Collateral into the name of Lender or a third Person as the Code permits. Borrower hereby appoints Lender as its lawful attorney-in-fact to file or record any documents necessary to perfect or continue the perfection of Lender's security interest in the Collateral regardless of whether an Event of Default has occurred until all Obligations (other than inchoate indemnity obligations) have been satisfied in full and Lender is not under any further obligation to make Credit Extensions hereunder. Lender's foregoing appointment as Borrower's attorney in fact, and all of Lender's rights and powers, coupled with an interest, are irrevocable until all Obligations (other than inchoate indemnity obligations) have been fully repaid and performed and Lender's obligation to provide Credit Extensions terminates.

9.3 Protective Payments. If Borrower fails to obtain the insurance called for by Section 6.5 or fails to pay any premium thereon or fails to pay any other amount which Borrower is obligated to pay under this Agreement or any other Loan Document, Lender may obtain such insurance or make such payment, and all amounts so paid by Lender are Lender Expenses and immediately due and payable, bearing interest at the rate applicable to the Obligations, and secured by the Collateral. Lender will make reasonable efforts to provide Borrower with notice of Lender obtaining such insurance at the time it is obtained or within a reasonable time thereafter. No payments by Lender are deemed an agreement to make similar payments in the future or Lender's waiver of any Event of Default.

9.4 Application of Payments and Proceeds Upon Default. If an Event of Default has occurred and is continuing, Lender shall apply any funds in its possession, whether from Borrower account balances, payments, proceeds realized as the result of any collection of Accounts or other disposition of the Collateral, or otherwise, to the Obligations in such order as Lender shall determine in its sole discretion. Any surplus shall be paid to Borrower or other Persons legally entitled thereto; Borrower shall remain liable to Lender for any deficiency. If Lender directly or indirectly enters into a deferred payment or other credit transaction with any purchaser at any sale of Collateral, Lender shall have the option, exercisable at any time, of

either reducing the Obligations by the principal amount of the purchase price or deferring the reduction of the Obligations until the actual receipt by Lender of cash therefor.

9.5 Lender's Liability for Collateral. So long as Lender complies with Requirements of Law regarding the safekeeping of the Collateral in the possession or under the control of Lender, Lender shall not be liable or responsible for: (a) the safekeeping of the Collateral; (b) any loss or damage to the Collateral; or (c) any act or default of any carrier, warehouseman, bailee, or other Person. In no event shall Lender have any liability for any diminution in the value of the Collateral for any reason. Borrower bears all risk of loss, damage or destruction of the Collateral.

9.6 No Waiver; Remedies Cumulative. Lender's failure, at any time or times, to require strict performance by Borrower of any provision of this Agreement or any other Loan Document shall not waive, affect, or diminish any right of Lender thereafter to demand strict performance and compliance herewith or therewith. No waiver hereunder shall be effective unless signed by the party granting the waiver and then is only effective for the specific instance and purpose for which it is given. Lender's rights and remedies under this Agreement and the other Loan Documents are cumulative. Lender has all rights and remedies provided under the Code, by law, or in equity. Lender's exercise of one right or remedy is not an election and shall not preclude Lender from exercising any other remedy under this Agreement or other remedy available at law or in equity, and Lender's waiver of any Event of Default is not a continuing waiver. Lender's delay in exercising any remedy is not a waiver, election, or acquiescence.

9.7 Demand Waiver; Prepayment Premium. Borrower waives demand, notice of default or dishonor, notice of payment and nonpayment, notice of any default, nonpayment at maturity, release, compromise, settlement, extension, or renewal of accounts, documents, instruments, chattel paper, and guarantees held by Lender on which Borrower is liable. Borrower acknowledges and agrees that any applicable Prepayment Premium shall be due and payable by Borrower upon the acceleration of the Obligations pursuant to Section 9.1(a), whether such acceleration is automatic or is effected by Lender's declaration thereof, as provided in Section 9.1(a), and each Borrower waives any right to object thereto in any voluntary or involuntary bankruptcy, insolvency or similar proceeding or otherwise.

11. CHOICE OF LAW, VENUE, AND JURY TRIAL WAIVER

New York law governs the Loan Documents without regard to principles of conflicts of law. Credit Parties and Lender each submit to the exclusive jurisdiction of the courts of the State

of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by Requirements of Law, in such Federal court; provided, however, that nothing in this Agreement shall be deemed to operate to preclude Lender from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Obligations, or to enforce a judgment or other court order in favor of Lender. Each Credit Party expressly submits and consents in advance to such jurisdiction in any action or suit commenced in any such court, and each Credit Party hereby waives any objection that it may have based upon lack of personal jurisdiction, improper venue, or forum non conveniens and hereby consents to the granting of such legal or equitable relief as is deemed appropriate by such court. Each Credit Party hereby waives personal service of the summons, complaints, and other process issued in such action or suit and agrees that service of such summons, complaints, and other process may be made by registered or certified mail addressed to such Credit Party at the address set forth in Section 10 of this Agreement and that service so made shall be deemed completed upon the earlier to occur of such Credit Party's actual receipt thereof or three (3) days after deposit in the U.S. mails, proper postage prepaid.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, CREDIT PARTIES AND LENDER EACH WAIVE THEIR RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION ARISING OUT OF OR BASED UPON THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY CONTEMPLATED TRANSACTION, INCLUDING CONTRACT, TORT, BREACH OF DUTY AND ALL OTHER CLAIMS. THIS WAIVER IS A MATERIAL INDUCEMENT FOR ALL PARTIES TO ENTER INTO THIS AGREEMENT. EACH PARTY HAS REVIEWED THIS WAIVER WITH ITS COUNSEL.

12. GENERAL PROVISIONS

12.1 Successors and Assigns. This Agreement binds and is for the benefit of the successors and permitted assigns of each party. No Credit Party may transfer, pledge or assign this Agreement or any other Loan Document or any rights or obligations under hereunder or thereunder without Lender's prior written consent. Lender may, with the prior written consent of Borrower not to be unreasonably withheld, delayed or conditioned, sell, transfer, assign, pledge, negotiate, or grant participation in (any such sale, transfer, assignment, negotiation, or grant of a participation, a "**Lender Transfer**") all or any part of, or any interest in, Lender's obligations, rights, and benefits under this Agreement and the other Loan Documents to any Person; provided, however, that such consent of Borrower shall not be required while any Event of Default described in Section 8.1 or Section 8.5 occurs and continues; provided, further, that Lender shall at all times hold no less than a majority of the aggregate principal amount of the Term Loan. Lender shall provide Borrower notice of a Lender Transfer no later than the date on which such Lender Transfer occurs.

In the event of a transfer, assignment, novation or amendment of the rights and/or the obligations under this Agreement and any other Loan Documents, all security interests, guarantees and privileges created under or in connection with the Loan Documents shall automatically and without any formality be preserved for the benefit of any pledgee/security

taker under the Loan Documents, the new Lender and the other finance party for the purpose of the provisions of articles 1278 to 1281 of the Luxembourg Civil Code or any other purposes.

12.2 Indemnification; Costs and Expenses.

(a) Borrower agrees to indemnify and hold harmless Lender and each manager, partner, director, officer, employee, agent, attorney and affiliate thereof (each such person, an “ **Indemnified Person** ”) from and against any and all Indemnified Liabilities; provided, that (i) no Credit Party shall have any obligation to any Indemnified Person hereunder with respect to any Indemnified Liabilities (x) to the extent such Indemnified Liabilities arise from the gross negligence, bad faith or willful misconduct of that Indemnified Person, in each case, as determined by a final, non-appealable judgment of a court of competent jurisdiction or (y) to the extent such Indemnified Liabilities resulted solely from disputes between or among Indemnified Persons, and (ii) no Credit Party shall be liable for any settlement of any claim or proceeding effected by any Indemnified Person without the prior written consent of such Credit Party (which consent shall not be unreasonably withheld or delayed), but if settled with such consent or if there shall be a final judgment against an Indemnified Person, each of the Credit Parties shall indemnify and hold harmless such Indemnified Person from and against any loss or liability by reason of such settlement or judgment in the manner set forth in this Agreement.

(b) To the extent permitted by Requirements of Law, no Credit Party shall assert, and each Credit Party hereby waives, any claim against Lender and its Affiliates, directors, employees, attorneys, agents or sub-agents, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, arising out of, as a result of, or in any way related to, this Agreement or any Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, the Term Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Credit Party hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(c) Any action taken by any Credit Party under or with respect to any Loan Document, even if required under any Loan Document or at the request of Lender, shall be at the expense of such Credit Party, and no Secured Party shall be required under any Loan Document to reimburse any Credit Party or any Subsidiary of any Credit Party therefor except as expressly provided therein. In addition, Borrower agrees to pay or reimburse upon demand (i) Lender for all reasonable and documented out-of-pocket costs and expenses incurred by it or any of its directors, employees, attorneys, agents or sub-agents, in connection with the investigation, development, preparation, negotiation, syndication, execution, interpretation or administration of, any modification of any term of or termination of, any Loan Document, any commitment or proposal letter therefor, any other document prepared in connection therewith or the consummation and administration of any transaction contemplated therein, (ii) Lender for all reasonable and documented out-of-pocket costs and expenses incurred by it or any of its directors, employees, attorneys, agents or sub-agents in connection with internal audit reviews and Collateral, and (iii) Lender and its directors, employees, attorneys, agents and sub-agents, for

all costs and expenses incurred in connection with (A) any refinancing or restructuring of the credit arrangements provided hereunder in the nature of a “work-out”, (B) the enforcement or preservation of any right or remedy under any Loan Document, any Obligation, with respect to the Collateral or any other related right or remedy, or (C) the commencement, defense, conduct of, intervention in, or the taking of any other action with respect to, any proceeding (including any bankruptcy or insolvency proceeding) related to any Credit Party, any Subsidiary of any Credit Party, Loan Document or Obligation (or the response to and preparation for any subpoena or request for document production relating thereto), including Lender Expenses.

12.3 Severability of Provisions. In case any provision in or obligation hereunder or under any other Loan Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

12.4 Correction of Loan Documents. Lender may correct patent errors and fill in any blanks in the Loan Documents consistent with the agreement of the parties hereto so long as Lender provides Credit Parties with written notice of such correction and allows Credit Parties at least ten (10) days to object to such correction. In the event of such objection, such correction shall not be made except by an amendment signed by Lender and Credit Parties.

12.5 Amendments in Writing; Integration.

(a) No amendment, restatement, supplement, modification, termination or waiver of any provision of this Agreement or any other Loan Document, no approval or consent thereunder, or any consent to any departure by the Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Borrower and Lender.

(b) This Agreement and the Loan Documents represent the entire agreement about this subject matter and supersede prior negotiations or agreements. All prior agreements, understandings, representations, warranties, and negotiations between the parties about the subject matter of this Agreement and the Loan Documents merge into this Agreement and the Loan Documents.

12.6 Counterparts. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, is an original, and all taken together, constitute one Agreement.

12.7 Survival. All covenants, representations and warranties made in this Agreement continue in full force until this Agreement has terminated pursuant to its terms and all Obligations (other than inchoate indemnity obligations and any other obligations which, by their terms, are to survive the termination of this Agreement) have been paid in full and satisfied. The obligation of Credit Parties in Section 12.2 to indemnify Lender shall survive until the statute of limitations with respect to such claim or cause of action shall have run.

12.8 Confidentiality. Any information regarding Credit Parties and their Subsidiaries and their businesses provided to Lender by or on behalf of any Credit Party pursuant to this Agreement shall be deemed “**Confidential Information**”; provided, however, that Confidential

Information does not include information that is either: (a) in the public domain or in Lender's or any of its Affiliates' possession when disclosed to Lender or any of its Affiliates, or becomes part of the public domain after disclosure to Lender or any of its Affiliates other than as a result of a breach by Lender or any of its Affiliates of the obligations under this Section 12.8; or (b) disclosed to Lender or any of its Affiliates by a third Person if Lender or any of its Affiliates do not know that the third Person is prohibited from disclosing the information. Lender shall not disclose any Confidential Information to a third Person or use Confidential Information for any purpose other than the exercise of Lender's rights and the performance of Lender's obligations under the Loan Documents. The foregoing in this Section 12.8 notwithstanding, Lender may disclose Confidential Information: (i) to any of Lender's Subsidiaries or Affiliates; (ii) to prospective transferees or purchasers of any interest in the Credit Extensions; (iii) as required by law, regulation, subpoena, or other order; (iv) to the extent requested by regulators having jurisdiction over Lender or as otherwise required in connection with Lender's examination or audit; (v) as Lender considers appropriate in exercising remedies under the Loan Documents; and (vi) to third-Person service providers of Lender; provided, however, that the third Persons to which Confidential Information is disclosed pursuant to clauses (i), (ii) and (vi) are bound by obligations of confidentiality and non-use that are no less restrictive than those contained herein. Lender may use such confidential information for the development of databases, reporting purposes, and market analysis so long as such confidential information is aggregated and anonymized prior to distribution unless otherwise expressly permitted by Credit Parties.

The provisions of the immediately preceding paragraph shall survive the termination of this Agreement.

12.9 Attorneys' Fees, Costs and Expenses. In any action or proceeding between any Credit Party and Lender arising out of or relating to the Loan Documents, the prevailing party shall be entitled to recover its reasonable attorneys' fees and other costs and expenses incurred, in addition to any other relief to which it may be entitled.

12.10 Right of Set-Off. In addition to any rights now or hereafter granted under Requirements of Law and not by way of limitation of any such rights, upon the occurrence of an Event of Default and at any time thereafter during the continuance of any Event of Default, Lender is hereby authorized by each Credit Party at any time or from time to time, without notice to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Indebtedness at any time held or owing by Lender to or for the credit or the account of any Credit Party against and on account of the obligations and liabilities of any Credit Party to Lender hereunder and under the other Loan Documents, including all claims of any nature or description arising out of or connected hereto or with any other Loan Document, irrespective of whether or not (a) Lender shall have made any demand hereunder or (b) the principal of or the interest on the Term Loan or any other amounts due hereunder shall have become due and payable pursuant to Section 2 and although such obligations and liabilities, or any of them, may be contingent or unmatured.

12.11 Marshalling; Payments Set Aside. Lender shall not be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of

any or all of the Obligations. To the extent that any Credit Party makes a payment or payments to Lender, or Lender enforces any Liens or exercises its rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

12.12 Electronic Execution of Documents. The words “execution”, “signed”, “signature”, and words of like import in any Loan Document shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity and enforceability as a manually executed signature or the use of a paper-based recordkeeping systems, as the case may be, to the extent and as provided for in any Requirements of Law, including any state law based on the Uniform Electronic Transactions Act.

12.13 Captions. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

12.14 Construction of Agreement. The parties hereto mutually acknowledge that they and their attorneys have participated in the preparation and negotiation of this Agreement. In cases of uncertainty this Agreement shall be construed without regard to which of the parties hereto caused the uncertainty to exist.

12.15 Third Parties. Nothing in this Agreement, whether express or implied, is intended to: (a) confer any benefits, rights or remedies under or by reason of this Agreement on any Persons other than the express parties to it and their respective permitted successors and assigns; (b) relieve or discharge the obligation or liability of any Person not an express party to this Agreement; or (c) give any Person not an express party to this Agreement any right of subrogation or action against any party to this Agreement.

12.16 No Fiduciary Duty. Lender may have economic interests that conflict with those of the Credit Parties. Each Credit Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between Lender, on the one hand, and such Credit Party, its Subsidiaries, and any of their respective stockholders or affiliates, on the other hand. Each Credit Party acknowledges and agrees that (a) the transactions contemplated by the Loan Documents are arm’s-length commercial transactions between Lender, on the one hand, and such Credit Party, its Subsidiaries and their respective affiliates, on the other, (b) in connection therewith and with the process leading to such transaction, Lender is acting solely as a principal and not the agent or fiduciary of such Credit Party, its Subsidiaries or their respective affiliates, management, stockholders, creditors or any other person, (c) Lender has not assumed an advisory or fiduciary responsibility in favor of any Credit Party, its Subsidiaries or their respective affiliates with respect to the transactions contemplated hereby or the process leading thereto (irrespective of whether Lender or any of its affiliates has advised or is currently advising such Credit Party, its Subsidiaries or

their respective affiliates on other matters) or any other obligation to such Credit Party, its Subsidiaries or their respective affiliates except the obligations expressly set forth in the Loan Documents, and (d) each Credit Party, its Subsidiaries and their respective affiliates have consulted their own legal and financial advisors to the extent each deemed appropriate. Each Credit Party further acknowledges and agrees that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, its Subsidiaries or their respective affiliates in connection with such transaction or the process leading thereto.

12.17 Payoff of Existing Credit Facility. The parties hereto hereby agree that a portion of the proceeds of the Term Loan shall be used to refinance the Existing Credit Facility on the Funding Date. The parties hereto further agree that if the Funding Date shall occur after the Effective Date of this Agreement, then (i) the existence of the Existing Credit Facility, any documents executed or delivered in connection therewith and any security interests or liens granted thereunder shall be deemed to not cause any breach of any representation, warranty, covenant or other term of this agreement or any other Loan Document as of the Effective Date or at any time on or prior to the Funding Date and (ii) any Lien outstanding in connection with the Existing Credit Facility shall be deemed to be a Permitted Lien at all times on and prior to the Funding Date.
