**EXPLANATORY NOTE**  
**DEREGISTRATION OF SECURITIES**

This Post-Effective Amendment (this “Post-Effective Amendment”) relates to the Registration Statement (Registration No. 333-226277) of Vistra Energy Corp. (the “Company”) on Form S-4 (as amended, the “Registration Statement”) originally filed with the Securities and Exchange Commission on July 23, 2018, whereby the Company registered \$850,000,000 aggregate principal amount of 8.125% Senior Notes due 2026 in connection with an offer to exchange such securities for outstanding unregistered 8.125% Senior Notes due 2026. The Registration Statement was declared effective on August 16, 2018.

On August 21, 2018, the Company announced the results to date for the Company’s previously announced solicitation of consents (the “Consent Solicitations”) from holders of certain outstanding series of public notes, including the Old Notes (as defined in the Registration Statement). In connection with the Consent Solicitations, the Company received the requisite consent from the holders of the Old Notes to amend the Registration Rights Agreement (as defined in the Registration Statement) to remove the obligation that the Company consummate the Registered Exchange Offer (as defined in the Registration Statement), and the Company so amended the Registration Rights Agreement on August 22, 2018.

Accordingly, the Company has terminated all offerings of its securities pursuant to the Registration Statement. In accordance with undertakings made by the Company in the Registration Statement, the Company hereby removes and withdraws from registration all securities registered pursuant to the Registration Statement and terminates the Registration Statement.

Pursuant to Rule 457(p) promulgated under the Securities Act of 1933, as amended, the Company intends to offset the total filing fee due for a subsequent registration statement or statements by the Company or its wholly owned subsidiaries, as applicable, against the aggregate total dollar amount of the filing fee associated with those unsold securities previously registered under the Registration Statement.
