PRELIMINARY STATEMENTS

1. The Seller desires to sell, transfer and assign to the Purchasers the Pool Receivables, the associated Related Security and Collections.
2. Certain terms that are capitalized and used in this Agreement are defined in *Exhibit I*. References to this “Agreement” in the Exhibits, Schedules and Annexes hereto refer to this Agreement, as amended, restated, supplemented or otherwise modified from time to time.
3. In consideration of the mutual agreements, provisions and covenants contained herein, the parties hereto agree as follows:

ARTICLE I AMOUNTS AND TERMS OF THE PURCHASES

Section 1.1. Purchase Facility.

(a) On the terms and subject to the conditions hereof (including *Section 1.2(c)* below), the Seller may, in addition to each Reinvestment (as described below) hereunder, from time to time before the Facility Termination Date, request that (x) the Conduit Purchasers ratably (based on the aggregate Commitments of the Committed Purchasers in their respective Purchaser Groups) make Purchases (as described below), or (y) only if there is not a Conduit Purchaser in the applicable Purchaser Group or if a Conduit Purchaser (i) denies a request to purchase, or (ii) is otherwise unable or unwilling to fund such Purchase (and provides written notice of such to the Seller, the Servicer, the Administrator and its Purchaser Agent), the Committed Purchasers ratably make purchases in the Purchased Interest from the Seller (each such purchase is referred to herein as a “*Purchase*”). Each Committed Purchaser severally hereby agrees, on the terms and subject to the conditions hereof, to make Purchases of and Reinvestments from the Seller from time to time from the Closing Date to (but excluding) the Facility Termination Date, based on the applicable Purchaser Group’s Group Commitment Percentage of each Purchase requested pursuant to *Section 1.2(b)* (and, in the case of each Committed Purchaser in a Purchaser Group, its Commitment Percentage of such Purchaser Group’s Group Commitment Percentage of such Purchase). If at any

time any Collections are received by the Servicer prior to the Facility Termination Date, the Seller hereby requests and each Purchaser, as applicable, hereby agrees, subject to the terms and conditions set forth in this Agreement, to make, simultaneously with such receipt, a reinvestment purchase (each, a "Reinvestment") in additional Pool Receivables, the associated Related Security and Collections acquired by the Seller with each and every Collection received by the Servicer as and to the extent contemplated in *Section 1.4(b)* such that after giving effect to such Reinvestment, the Aggregate Capital immediately after such receipt and corresponding Reinvestment shall be equal to the Aggregate Capital immediately prior to such receipt.

(b) Under no circumstances shall any Purchaser make, any Purchase or Reinvestment if, after giving effect to such Purchase or Reinvestment (i) any event has occurred and is continuing, or would result from such Purchase or Reinvestment, that constitutes a Termination Event or an Unmatured Termination Event; (ii) the outstanding Capital of such Purchaser, when added to all other Capital of all other Purchasers in such Purchaser's Purchaser Group outstanding at such time, would exceed its Purchaser Group's Group Commitment; (iii) the Purchased Interest would exceed 100% or (iv) the Aggregate Capital would exceed the Purchase Limit.

(c) The Seller may, upon at least 10 Business Days' written notice to the Administrator and each Purchaser Agent, terminate the purchase facility provided for in this Section in whole or, upon at least 10 Business Days' written notice to the Administrator and each Purchaser Agent, from time to time, reduce in part the unused portion of the Purchase Limit (but not below the amount that would cause the Aggregate Capital to exceed the Purchase Limit or would cause the aggregate outstanding Capital of any Purchaser Group to exceed its Group Commitment, in either case, after giving effect to such reduction); *provided*, that (i) each partial reduction shall be in the amount of at least \$5,000,000, or an integral multiple of \$1,000,000 in excess thereof, (ii) unless terminated in whole, the Purchase Limit shall in no event be reduced below \$100,000,000 and (iii) such reduction shall be irrevocable and apply to such Period and each subsequent Period unless (A) such reduction occurs during Period 24, (B) such reduction reduces the Facility Limit to an amount not less than \$350,000,000 and (C) the related notice specifies that such reduction is only applicable to Period 24; provided, that only one such reduction may be requested in any Period 24 and such reduction shall be irrevocable for such existing Period 24. In connection with each such reduction of the Purchase Limit, the Commitment of each Committed Purchaser and the Group Commitment of each Purchaser Group shall automatically be ratably reduced by a proportionate amount. The Administrator shall advise the Purchaser Agents of any notice received by it pursuant to this *Section 1.1(c)*; it being understood and agreed that no such termination of the purchase facility provided hereunder shall be effective unless and until (i) the Aggregate Capital is reduced to zero and (ii) all other amounts then owed to the Administrator, the Purchaser Agents and the Purchasers under the Transaction Documents have been paid in full.

Section 1.2. Making Purchases.

(a) *Rebalancing of Commitment Percentages.* On each Settlement Date on which the Commitment Percentages of any Purchasers change in connection with the start of a new Period as set forth on *Schedule VI* (or, in the case of the commencement of the Period 1 occurring in 2020, on July 13, 2020), the Seller shall be deemed to have requested a non-ratable reduction of Capital from each Assigning Purchaser and a non-ratable Purchase from each Assignee Purchaser, in amounts with respect to each Assigning Purchaser and Assignee Purchaser, as applicable, such

that, after giving effect to such reductions and Purchases, the outstanding aggregate Capital of each Purchaser Group shall be equal to such Purchaser Group's Group Commitment Percentage (after giving effect to the adjustments set forth on *Schedule VI* of this Agreement, as applicable) *times* the Aggregate Capital. For administrative convenience, the Seller may instruct Assignee Purchasers to fund the foregoing Purchases by paying the proceeds thereof directly to the Assigning Purchasers as the foregoing reduction in Capital of the Assigning Purchasers on the Seller's behalf and such Assignee Purchasers shall fund such rebalancing Purchases to the Assigning Purchasers regardless of whether the conditions precedent to a Purchase set forth in Exhibit II or otherwise in this Agreement are satisfied. For purposes of this paragraph the following terms shall have the following meanings:

"*Assignee Purchaser*" means a Purchaser whose Group Commitment Percentage (after giving effect to such adjustments occurring on such Settlement Date, as applicable) *times* the Aggregate Capital exceeds the outstanding aggregate Capital of such Purchaser Group at such time.

"*Assigning Purchaser*" means a Purchaser whose Group Commitment Percentage (after giving effect to such adjustments occurring on such Settlement Date, as applicable) *times* the Aggregate Capital is less than the outstanding aggregate Capital of such Purchaser Group at such time.

(b) Each Purchase (but not Reinvestment) of Receivables hereunder shall be made on the requested Purchase date upon the Seller's irrevocable written notice in the form of *Annex B* (the "*Purchase Notice*") delivered to the Administrator and each Purchaser Agent in accordance with *Section 7.2* by 2:00 p.m., New York, New York time, at least one Business Day before the requested Purchase date, which notice shall specify: (i) the amount requested to be paid to the Seller (such amount, which shall not be less than \$1,000,000 and shall be in integral multiples of \$100,000 in excess thereof) with respect to each Purchaser Group in connection with such Purchase; (ii) the date of such Purchase; and (iii) the pro forma calculation of the Purchased Interest after giving effect to the increase in Aggregate Capital resulting from such Purchase.

(c) On the date of each Purchase (but not Reinvestment) hereunder, each applicable Conduit Purchaser or Committed Purchaser, as the case may be in accordance with *Section 1.1(a)*, shall, upon satisfaction of the applicable conditions set forth in *Exhibit II*, make available to the Seller in same day funds, at the account designated in writing by the Seller to the Administrator and each Purchaser Agent, an amount equal to the portion of Capital to be funded by such Purchaser (as determined in accordance with *Sections 1.1(a)* and *1.2(b)*).

(d) Effective on the date of each Purchase pursuant to this *Section 1.2* and each Reinvestment pursuant to *Section 1.4*, the Seller hereby sells and assigns to the Administrator for the benefit of the Purchasers (ratably, based on the Purchasers' respective outstanding Capital at such time after giving effect to such Purchase) an undivided percentage ownership interest in: (i) each Pool Receivable then existing, (ii) all Related Security with respect to such Pool Receivables, and (iii) all Collections with respect to, and other proceeds of, such Pool Receivables and Related Security.

(e) It is the intention of the parties to this Agreement that the conveyance of Seller's right, title and interest in the Pool Receivables, all Related Security with respect to such Pool Receivables and all Collections with respect to such Pool Receivables to the Administrator on behalf of the Purchasers pursuant to this Agreement shall constitute a purchase and sale and not a pledge, and such purchase and sale of such Pool Receivables, Related Security and Collections to the Administrator on behalf of the Purchasers, hereunder shall be treated as a sale for all purposes (other than for income tax purposes). If, notwithstanding the foregoing, the conveyance of Pool Receivables, Related Security and Collections to the Administrator on behalf of the Purchasers, is characterized by any Governmental Authority, bankruptcy trustee or any other Person as a pledge or other security for indebtedness, the parties intend that Seller shall be deemed hereunder to have granted, and Seller does hereby grant, to the Administrator, on behalf of the Purchaser Groups, to secure all of the Seller's obligations (monetary or otherwise) under this Agreement and the other Transaction Documents to which it is a party, whether now or hereafter existing or arising, due or to become due, direct or indirect, absolute or contingent, a security interest in all of the Seller's right, title and interest in, to and under all of the following, whether now or hereafter owned, existing or arising: (i) each Pool Receivable; (ii) all Related Security; (iii) all Collections; (iv) the Collection Accounts, the Concentration Account and, in each case, all amounts on deposit therein; (v) all rights (but none of the obligations) of the Seller under the Purchase and Sale Agreement; and (vi) all products and proceeds of, and all amounts received or receivable under, any or all of the foregoing (collectively, the "*Pool Assets*"). In connection with each Purchase and Reinvestment and the grant of the security interest in the Pool Assets set forth in this *Section 1.2(e)*, the Seller hereby authorizes the filing by the Administrator of all applicable UCC financing statements and amendments thereto in all jurisdictions necessary to perfect (and to continue the perfection of) the security interest created hereby, including, without limitation, any financing statement containing a collateral description of "all assets" or language similar thereto. Each of the parties hereto intends that no Purchase hereunder shall constitute, or be deemed to constitute, a "security" under U.S. securities laws or within the meaning of the UCC.

(f) Each Committed Purchaser's obligations hereunder shall be several, such that the failure of any Committed Purchaser to make a payment in connection with any Purchase hereunder, shall not relieve any other Committed Purchaser of its obligation hereunder to make payment for any Purchase.

(g) The Seller may, at any time prior to a Termination Event, with the written consent of the Administrator (which consent may be at the Administrator's reasonable discretion), (i) add additional financial institutions as Purchasers (including by creating new Purchaser Groups) or (ii) cause an existing Purchaser to increase its Commitment in connection with a corresponding increase in the Purchase Limit; provided, however, that the Commitment of any Purchaser may only be increased with the prior written consent of such Purchaser. Each new Purchaser (or Purchaser Group) shall become a party hereto, by executing and delivering to the Administrator and the Seller, an Assumption Agreement in the form of *Annex E* hereto (which Assumption Agreement shall, in the case of any new Purchaser or Purchasers, be executed by each Person in such new Purchaser's Purchaser Group).

Section 1.3. Purchase Interest Computation. The Purchased Interest shall be initially computed on the date of the initial Purchase hereunder. Thereafter, until the Facility Termination Date, the Purchased Interest shall be automatically recomputed (or deemed to be recomputed) on

each Business Day other than the Facility Termination Date it being understood that the Servicer shall not ordinarily be required to provide evidence of such automatic recomputation except as provided in *Section 2(a) of Exhibit II*. With respect to each calculation of the Purchased Interest, the Total Reserves used in such calculation shall be measured using the information reported in the most recent Information Package. On each Termination Day, the Purchased Interest shall be deemed to be 100%. The Purchased Interest shall become zero on the Final Termination Date.

Section 1.4. Settlement Procedures.

(a) The collection of the Pool Receivables shall be administered by the Servicer in accordance with this Agreement. The Seller shall provide to the Servicer on a timely basis all information needed for such administration, including notice of the occurrence of the Facility Termination Date and current computations of the Purchased Interest (and the components thereof).

(b) The Servicer shall, on each day on which Collections of Pool Receivables are received (or deemed received) by the Seller or the Servicer:

(i) set aside and hold in trust (and shall, at the request of the Administrator after the occurrence of an Unmatured Termination Event or Termination Event, segregate in a separate account approved by the Administrator) for the benefit of each Purchaser Group, out of such Collections, an amount equal to the sum of (w) the Aggregate Discount accrued through such day for each portion of Capital not previously set aside, (x) an amount equal to the fees owing to the Purchasers and the Administrator accrued and unpaid through such day, and (y) all other amounts then due and payable by the Seller under this Agreement to the Purchasers, the Purchaser Agents, the Administrator, and any other Indemnified Party or Affected Person;

(ii) subject to *Section 1.4(f)*, if such day is not a Termination Day, the remainder of the Collections not set aside pursuant to *clause (b)(i)* of this *Section 1.4* shall, to the extent representing a return of Capital, be automatically Reinvested according to each Purchaser's Capital in Pool Receivables, and in the associated Related Security, Collections and other proceeds with respect thereto; provided, however, that, if after giving effect to any such Reinvestment, (x) the Purchased Interest would exceed 100% or (y) the Aggregate Capital would exceed the Purchase Limit then in effect, then the Servicer shall not so Reinvest, but shall set aside and hold in trust for the benefit of the Purchasers (and shall, at the request of the Administrator, segregate in a separate account approved by the Administrator) a portion of such Collections that, together with the other Collections set aside pursuant to this paragraph, shall equal the amount necessary to (x) reduce the Purchased Interest to 100% and (y) cause the Aggregate Capital to not exceed the Purchase Limit, as applicable, which amount shall be deposited ratably to each Purchaser Agent's account (for the benefit of its related Purchasers and to be applied in reduction of their respective Capital) on the next Settlement Date in accordance with Section 1.4(c);

(iii) if such day is a Termination Day, set aside, segregate and hold in trust (and shall, at the request of the Administrator, segregate in a separate account approved by the Administrator), for the benefit of each Purchaser Group, the entire remainder of the

Collections not set aside pursuant to *clause (b)(i)* of this *Section 1.4*; provided, that if amounts are so set aside and held in trust on any Termination Day, then such previously set-aside amounts shall, to the extent representing a return on Capital, be Reinvested in accordance with *clause (ii)* above on the next day to occur that is not a Termination Day (if any); and

(iv) release to the Seller (subject to *Section 1.4(f)*) for its own account any Collections in excess of: (w) amounts required to be Reinvested in accordance with *clause (ii)* above plus (x) the amounts that are required to be set aside pursuant to *clause (i)* above, pursuant to the proviso to *clause (ii)* above and pursuant to *clause (iii)* above, plus (y) the Seller's Servicing Fees accrued and unpaid through such day.

(c) On the fifth (5th) Business Day of each calendar month, each Purchaser Agent will notify the Servicer by electronic mail of the amount of Discount accrued with respect to each portion of Capital during the previous Settlement Period. On each Settlement Date, the Servicer shall, in accordance with the priorities set forth in *Section 1.4(d)*, deposit into the account specified by each Purchaser Agent Collections held for such Purchaser Agent (for the benefit of its related Purchasers) pursuant to *Section 1.4(b)(i)* or *1.4(f)* plus the amount of Collections then held for such Purchaser Agent (for the benefit of its related Purchasers) pursuant to *Sections 1.4(b)(ii)* and *1.4(b)(iii)*; *provided, however*, that if the Information Package delivered by the Servicer indicates a Purchased Interest in excess of 100%, then the amount of Collections not Reinvested pursuant to *clause (b)(ii)* shall be deposited into the account for each Purchaser maintained by the applicable Purchaser Agent as may be designated from time to time by such Purchaser Agent to the Seller and the Servicer on the date such Information Package is received and on each day thereafter to the extent the Purchased Interest exceeds 100%.

(d) The Servicer shall distribute the amounts described (and at the times set forth) in Section 1.4(c) on each Settlement Date as follows:

(i) if such distribution occurs on a day that is not a Termination Day and the Purchased Interest does not exceed 100%:

first, to the Servicer, the Servicing Fee, to the extent accrued and unpaid through the last day of the immediately preceding Settlement Period until such accrued fees are paid in full, to the extent not otherwise netted out from Collections by the Servicer;

second, to the extent such amounts are then payable hereunder, to each Purchaser Agent (for the benefit of the Purchasers within such Purchaser Agent's Purchaser Group), in payment in full of, all accrued Discount with respect to each portion of Capital maintained by such Purchasers (it being understood that each Purchaser Agent shall distribute such amounts to the Purchasers within its Purchaser Group ratably in accordance with each Purchaser's Capital);

third, ratably to the Purchaser Agents and the Administrator, all accrued fees (including program fees) owing to the Purchasers (it being understood that each Purchaser Agent shall distribute such amounts to the Purchasers within its Purchaser Group ratably in accordance with each such Purchaser's Capital) and to the Administrator;

fourth, if the Servicer has set aside amounts in respect of a reduction of the Aggregate Capital pursuant to *clause (f)* below, to each Purchaser Agent (for the benefit of the Purchasers within such Purchaser Agent's Purchaser Group), in payment in full of the related reduction in Aggregate Capital; it being understood that each Purchaser Agent shall distribute such amounts to the Purchasers within its Purchaser Group ratably in accordance with each such Purchaser's Capital; and

fifth, to the Seller for its own account.

(ii) if such distribution occurs on a Termination Day or on any day on which the Purchased Interest exceeds 100%:

first, to the Servicer, the Servicing Fee, to the extent accrued and unpaid through the last day of the immediately preceding Settlement Period until such accrued fees are paid in full, to the extent not otherwise netted out from Collections by the Servicer;

second, to each Purchaser Agent (for the benefit of the Purchasers within such Purchaser Agent's Purchaser Group), in payment in full of, all accrued Discount with respect to each portion of Capital maintained by such Purchasers (it being understood that each Purchaser Agent shall distribute such amounts to the Purchasers within its Purchaser Group ratably in accordance with each Purchaser's Capital);

third, ratably to the Purchaser Agents and the Administrator, such accrued fees owing to the Purchasers (it being understood that each Purchaser Agent shall distribute such amounts to the Purchasers within its Purchaser Group ratably in accordance with each Purchaser's Capital) and to the Administrator;

fourth, to each Purchaser Agent (for the benefit of the Purchasers within such Purchaser Agent's Purchaser Group), in payment in full of each Purchaser's Capital (or if such day is not a Termination Day but is a day on which the Purchased Interest exceeds 100%, the amount necessary to reduce the Purchased Interest to 100%) it being understood that each Purchaser Agent shall distribute such amounts to the Purchasers within its Purchaser Group ratably in accordance with each Purchaser's Capital;

fifth, if the Aggregate Capital and accrued Aggregate Discount and fees with respect thereto have been reduced to zero (or the Aggregate Capital has been reduced to the extent necessary to cause the Purchased Interest not to exceed 100%), and all accrued Servicing Fees payable to the Servicer have been paid in full, to the Purchasers, the Administrator and any other Indemnified Party or Affected Person in payment in full of any other Aggregate Unpays owed thereto by the Seller hereunder (other than contingent indemnification obligations); and

sixth, to the Seller for its own account.

(e) For the purposes of this *Section 1.4*:

(i) if on any day the Outstanding Balance of any Pool Receivable is reduced or canceled as a result of (x) without duplication, any revision, cancellation, allowance, rebate, dilution, discount, or other adjustment (including, without limitation, an extension or adjustment made pursuant to the applicable Credit and Collection Guidelines) made by the Seller, the Servicer or any Originator, including in connection with the cancellation and reissuance of any Pool Receivable, or (y) any set-off or dispute between the Seller or any Originator and an Obligor (any such reduction or cancellation, a "Dilution"), in any such case, the Seller shall be deemed to have received on such day a Collection of such Pool Receivable in the amount of such reduction, adjustment, cancellation or dispute (which, in the case of a cancellation and reissuance of any Pool Receivable, shall be an amount equal to the full Outstanding Balance of the cancelled Pool Receivable) and shall, subject to *Section 1.4(e)(v)*, (x) if such day is not a Termination Day, hold any and all such amounts in trust for the benefit of each Purchaser Group and, on the following Settlement Date, apply such amounts in accordance with this *Section 1.4* or (y) if such day is a Termination Day, within two (2) Business Days of such reduction or adjustment, pay from its own funds any and all such amounts in respect thereof to a Collection Account or the Concentration Account for the benefit of each Purchaser Group and for application pursuant to this *Section 1.4*;

(ii) if on any day any of the representations or warranties in *Section 1(g)* or *(n)* of *Exhibit III* is not true with respect to any Pool Receivable a Collection of the full Outstanding Balance of such Pool Receivable, the Seller shall, subject to *Section 1.4(e)(v)*, (1) if such day is not a Termination Day, hold any and all such amounts in trust for the benefit of each Purchaser Group and, on the following Settlement Date, apply such amounts in accordance with this *Section 1.4* or (2) if such day is a Termination Day, within two (2) Business Days, pay any and all such amounts from its own funds in respect thereof to a Collection Account or the Concentration Account for the benefit of each Purchaser Group and for application pursuant to this *Section 1.4* (Collections deemed to have been received pursuant to *Sections 1.4(e)(i)* or *(ii)* are hereinafter sometimes referred to as "Deemed Collections");

(iii) except as provided in *clause (i)* or *(ii)*, or as otherwise required by applicable Law, all Collections received from an Obligor of any Pool Receivable shall be applied to the Pool Receivables of such Obligor in the order of the age of such Receivables, starting with the oldest such Receivable, unless such Obligor designates its payment for application to specific Receivables;

(iv) if and to the extent the Administrator or any Purchaser shall be required for any reason to pay over to an Obligor (or any trustee, receiver, custodian or similar official in any Insolvency Proceeding) any amount received by it hereunder, such amount shall be deemed not to have been so received by the Administrator or such Purchaser but rather to have been retained by the Seller and, accordingly, the Administrator or such Purchaser, as the case may be, shall have a claim against the Seller for such amount, payable when and to the extent that any distribution from or on behalf of such Obligor is made in respect thereof;

(v) if at any time before the Facility Termination Date the Seller is deemed to have received any Deemed Collection under *Sections 1.4(e)(i)* or *(ii)*, so long as no Termination Day then exists, the Seller may satisfy its obligation to deliver the amount of such Deemed Collections to a Collection Account or the Concentration Account by instead recalculating (or being deemed to have recalculated) the Purchased Interest by decreasing the Net Receivables Pool Balance by the amount of such Deemed Collections, so long as such adjustment does not cause the Purchased Interest to exceed 100%; and

(vi) if at any time the Seller satisfies in full its obligations hereunder with respect to Deemed Collections (whether by payment to a Collection Account or the Concentration Account and/or by reducing the Net Receivables Pool Balance), the Administrator, on behalf of the Purchasers, shall re-convey to the Seller the Pool Receivable(s) to which such Deemed Collection relates, without recourse and without any representation or warranty except that such Pool Receivable is free and clear of liens, security interests, charges and encumbrances created by the Administrator or any such Purchaser, and thereafter the Seller shall not sell any interest in such Receivable to the Administrator on behalf of the Purchasers.

(f) At any time, the Seller may elect to cause a reduction of Capital in accordance with this *clause (f)*. The Seller may do so as follows:

(i) the Seller shall deliver to the Administrator, each Purchaser Agent and the Servicer written notice in substantially the form of *Annex C* (the "*Paydown Notice*") at least two Business Days' prior to the date of such reduction for any reduction of Aggregate Capital, which notice shall include the amount of such proposed reduction and the proposed date on which such reduction will commence;

(ii) on the proposed date of the commencement of such reduction and on each day thereafter, the Servicer shall cause Collections not to be Reinvested until the amount thereof not so Reinvested shall equal the desired amount of the reduction of Aggregate Capital; and

(iii) the Servicer shall hold (or cause the Seller to set aside and hold) such Collections in trust for each Purchaser, for payment to each Purchaser Agent for the benefit of such Purchaser on the next Settlement Date, and the Aggregate Capital shall be deemed reduced in the amount to be paid to a Purchaser Agent only when in fact finally so paid;

provided, that (x) the amount of any such reduction (if not a reduction to zero) shall be not less than \$1,000,000 and shall be an integral multiple of \$100,000, and the entire Aggregate Capital after giving effect to such reduction shall be not less than \$10,000,000 (unless the entire Aggregate Capital shall have been reduced to zero); and (y) the Seller shall choose a reduction amount, and the date of commencement thereof, so that to the extent practicable such reduction shall commence and conclude in the same Settlement Period.

Section 1.5. Fees. (a) The Seller shall pay to each Purchaser Agent for the benefit of the Purchasers in the related Purchaser Group in accordance with the provisions set forth in *Section 1.4(d)* certain fees in the amounts and on the dates set forth in that certain fee letter agreement, dated the Closing Date (as may be amended, restated, supplemented or otherwise modified, including in order to add any Purchaser and its related Purchaser Group that become party hereto pursuant to an Assumption Agreement, a Transfer Supplement or otherwise), among the Servicer, the Seller, and each Purchaser Agent (the "Purchaser Group Fee Letter").

(b) The Seller shall pay to the Administrator in accordance with the provisions set forth in *Section 1.4(d)* certain fees in the amounts and on the dates set forth in the Administrator Fee Letter, if any.

Section 1.6. Payments and Computations, Etc.

(a) All amounts to be paid or deposited by the Seller or the Servicer hereunder or under any other Transaction Document shall be made without reduction for offset or counterclaim and shall be paid or deposited no later than noon (New York, New York time) on the day when due in same day funds to the account for each Purchaser maintained by the applicable Purchaser Agent as may be designated from time to time by such Purchaser Agent to the Seller and the Servicer. All amounts received after 1:00 p.m. (New York, New York time) will be deemed to have been received on the next Business Day. Except as expressly set forth herein, each Purchaser Agent shall distribute the amounts paid to it hereunder for the benefit of the Purchasers in its Purchaser Group to the Purchasers within its Purchaser Group ratably (x) in the case of such amounts paid in respect of Discount and fees, according to the Discount and fees payable to such Purchasers and (y) in the case of such amounts paid in respect of Capital (or in respect of any other obligations other than Discount and fees), according to the outstanding Capital funded by such Purchasers.

(b) The Seller (with respect to amounts payable by the Seller) or the Servicer (with respect to amounts payable by the Servicer), as the case may be, shall, to the extent permitted by law, pay interest on any amount not paid or deposited by the Seller or the Servicer, as the case may be, when due and payable hereunder, at an interest rate equal to 2.00% per annum above the Base Rate, payable on demand; provided, that such rate shall not at any time exceed the maximum rate permitted by applicable Law.

(c) All computations of interest under *clause (b)* and all computations of Discount, fees and other amounts hereunder shall be made on the basis of a year of 360 days (or 365 or 366 days, as applicable, with respect to Discount or other amounts calculated by reference to the Base Rate) for the actual number of days elapsed. Whenever any payment or deposit to be made hereunder shall be due on a day other than a Business Day, such payment or deposit shall be made on the next Business Day and such extension of time shall be included in the computation of such payment or deposit.

Section 1.7. Increased Costs.

(a) Generally. If (A) the adoption after the date hereof of any Regulatory Change or any change therein after the date hereof, (B) any change after the date hereof in the interpretation or administration of any Regulatory Change by any Governmental Authority charged with the

interpretation or administration thereof, or compliance with any request or directive (whether or not having the force of law) of any such Governmental Authority, or (c) without regard to the date of adoption, effectiveness or implementation, any of the following or any Regulatory Change promulgated by any Governmental Authority in connection with any of the following: (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act, or (y) any accord or other pronouncement of the Bank for International Settlements, the Basel Committee on Banking Supervision or any successor or similar authority, shall:

(i) subject any Affected Person to any Tax or other charge with respect to any Specified Matter, or shall change the basis of taxation of payments to any Affected Person of amounts payable under or otherwise in respect of any Specified Matter (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Other Connection Taxes that are imposed on or measured by net income (however denominated) or that are franchise Taxes or branch profits Taxes);

(ii) impose, modify or deem applicable any reserve, assessment, fee, insurance charge, special deposit, requirement for the maintenance of assets or capital, liquidity or similar requirement against assets of, deposits with or for the account of, liabilities of or credit extended by, any Affected Person or shall impose on any Affected Person or on the United States market for commercial paper or the London interbank market any other condition affecting or otherwise in respect of any Specified Matter; or

(iii) impose any other condition the result of which is to increase the cost to an Affected Person of performing its obligations under or in connection with this Agreement, or to reduce the rate of return on Affected Person's capital or assets as a consequence of its obligations under or in connection with this Agreement, or to reduce the amount of any sum received or receivable by an Affected Person, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it,

then, promptly following demand by such Affected Person through the Administrator, the Seller shall pay to the Administrator for the benefit of such Affected Person, such additional amount or amounts as will compensate such Affected Person for such Tax, increased cost or reduction. Notwithstanding the foregoing, no Affected Person shall be entitled to request or receive any such additional amounts for any Tax, increased cost or reduction unless such Affected Person is otherwise generally requesting similar additional amounts from other similarly situated Persons under facilities similar to the facility provided by this Agreement.

(b) Adoption of Regulatory Changes. The Seller acknowledges that any Affected Person may institute measures in anticipation of a Regulatory Change (including, without limitation, the imposition of internal charges on such Affected Person's interests or obligations under any Transaction Document or Program Support Agreement), and may commence allocating charges to or seeking compensation from the Seller under this *Section 1.7* in connection with such measures, in advance of the effective date of such Regulatory Change, and the Seller agrees to pay such charges or compensation to such Affected Person, following demand therefor in accordance with the terms of this *Section 1.7*, without regard to whether such effective date has occurred. Notwithstanding the foregoing, no Affected Person may allocate charges or seek compensation under this *Section 1.7(b)* unless such Affected Person is generally allocating similar charges or seeking similar compensation from other similarly situated Persons under facilities similar to the facility provided by this Agreement.

(c) Delay in Requests. Failure or delay on the part of any Affected Person to demand compensation pursuant to this Section shall not constitute a waiver of such Affected Person's right to demand such compensation; provided that the Seller shall not be required to compensate an Affected Person pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Affected Person notifies the Seller of the Regulatory Change giving rise to such increased costs or reductions and of such Affected Person's intention to claim compensation therefor (except that, if the Regulatory Change giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof).

Section 1.8. Selection and Allocation of Discount Rates. Subject to the requirements set forth in this Agreement, the Administrator and the Purchaser Agents shall from time to time, only for purposes of computing Discount with respect to each Purchaser, account for such Purchaser's portion of Capital in terms of one or more portions (or tranches), and the applicable Discount Rate may be different for each portion of Capital. Each Purchaser's Capital shall be allocated to each portion of Capital by the Administrator or the applicable Purchaser Agent to reflect the funding sources for each such portion of such Capital, so that:

(a) there will be a Discount Rate for the portion of Capital funded or maintained through the issuance of Commercial Paper Notes; and

(b) there will be a Discount Rate for the portion of Capital, if any, not funded or maintained through the issuance of Commercial Paper Notes (including by outstanding Liquidity Advances or by funding under any Program Support Agreement).

Section 1.9. Inability to Determine Rates; Changes in Legality.

(a) If any Purchaser Agent shall have determined (which determination shall be conclusive and binding upon the parties hereto) before the first day of any Settlement Period, by reason of circumstances affecting the interbank Eurodollar market, either that: (i) dollar deposits in the relevant amounts and for the relevant Settlement Period or day, as applicable, are not available, (ii) adequate and reasonable means do not exist for ascertaining the LIBO Rate for such Settlement Period or day, as applicable, or (iii) the LIBO Rate determined pursuant hereto does not accurately reflect the cost to the applicable Affected Person (as conclusively determined by such Purchaser Agent) of maintaining any portion of Capital during such Settlement Period or day, as applicable, such Purchaser Agent shall promptly give telephonic notice of such determination, confirmed in writing, to the Seller before the first day of any Settlement Period. Upon delivery of such notice: (i) no portion of Capital shall be funded thereafter at the Base Rate determined by reference to the LIBO Rate unless and until such Purchaser Agent shall have given notice to the Seller that the circumstances giving rise to such determination no longer exist, and (ii) with respect to any outstanding portion of Capital then funded at the Base Rate determined by reference to the LIBO Rate, such Base Rate shall automatically be converted to the Base Rate determined without reference to the LIBO Rate on the last day of the then-current Settlement Period.

(b) If, on or before the first day of any Settlement Period, any Purchaser Agent shall have been notified by any Affected Person that such Affected Person has determined (which determination shall be final and conclusive) that any Regulatory Change, or compliance by such Affected Person with any Regulatory Change, shall make it unlawful or impossible for such Affected Person to fund or maintain any portion of Capital at or by reference to the LIBO Rate, such Purchaser Agent shall notify the Seller, the Administrator and each other Purchaser Agent thereof. Upon receipt of such notice, until the applicable Purchaser Agent notifies the Seller, the Administrator and each other Purchaser Agent that the circumstances giving rise to such determination no longer apply, (i) no portion of Capital shall be funded at or by reference to the LIBO Rate and (ii) the Discount for any outstanding portions of Capital then funded at the Base Rate determined by reference to the LIBO Rate shall be converted to the Base Rate determined without reference to the LIBO Rate either (x) on the last day of the then-current Settlement Period, only if such Affected Person may lawfully continue to maintain such portion of Capital at or by reference to the LIBO Rate prior to such conversion, or (y) immediately, if such Affected Person may not lawfully continue to maintain such portion of Capital at or by reference to the LIBO Rate during such period.

Section 1.10. Successor LIBO Rate.

(a) If the Administrator determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in *Section 1.9(a)* have arisen and are unlikely to be temporary or (ii) the circumstances set forth in *Section 1.9(a)* have not arisen but either (A) the administrator of the LIBO Rate has made a public statement identifying a specific date after which the LIBO Rate will permanently or indefinitely cease to be published by it, (B) a rate other than the LIBO Rate has become a widely recognized benchmark rate for newly originated loans in Dollars in the U.S. market, or (C) the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrator has made a public statement identifying a specific a date after which the LIBO Rate may no longer be used for determining interest rates for loans (any such date, a “*LIBOR Termination Date*”), then the Administrator and the Seller shall endeavor in good faith to establish a replacement index for the LIBO Rate and make adjustments to applicable margins and related amendments to this Agreement as referred to below such that, to the extent practicable, the all-in Discount based on the replacement index will be substantially equivalent to the all-in LIBO Rate-based Discount in effect prior to its replacement.

(b) The Administrator and the Seller shall enter into an amendment to this Agreement to reflect the replacement index, the adjusted margins and such other related amendments as may be appropriate, in the discretion of the Administrator, for the implementation and administration of the replacement index-based rate. Notwithstanding anything to the contrary in this Agreement or the Transaction Documents (including, without limitation, *Section 7.1*, such amendment shall become effective without any further action or consent of any other party to this Agreement at 5:00 p.m. on the fifth (5th) Business Day after the date a draft of the amendment is provided to the Purchaser Agents, unless the Administrator receives, on or before such fifth (5th) Business Day, a written notice from the Majority Purchaser Agents stating that such Majority Purchaser Agents object to such amendment.

(c) Selection of the replacement index, adjustments to the applicable margins, and amendments to this Agreement (i) will be determined with due consideration to the then prevailing

market practices for determining and implementing a rate of interest for newly originated loans in the United States and loans converted from a LIBO Rate-based rate to a replacement index-based rate, and (ii) may also reflect adjustments to account for (x) the effects of the transition from the LIBO Rate to the replacement index and (y) yield- or risk-based differences between the LIBO Rate and the replacement index.

(d) Until an amendment reflecting a new replacement index in accordance with this *Section* is effective, each advance, conversion and renewal of portion of Capital accruing Discount by reference to the LIBO Rate will continue to accrue Discount by reference to the LIBO Rate; *provided however*, that if the Administrator determines (which determination shall be conclusive absent manifest error) that a LIBOR Termination Date has occurred, then following the LIBOR Termination Date, all portions of Capital accruing Discount by reference to the LIBO Rate shall automatically begin accruing Discount by reference to the Base Rate until such time as an amendment reflecting a replacement index and related matters as described above is implemented.

(e) Notwithstanding anything to the contrary contained herein, if at any time the replacement index is less than zero, at such times, such index shall be deemed to be zero for purposes of this Agreement.

ARTICLE II REPRESENTATIONS AND WARRANTIES; COVENANTS; TERMINATION EVENTS

Section 2.1. Representations and Warranties; Covenants. Each of the Seller, the Servicer and the Performance Guarantor hereby makes the representations and warranties applicable to it as set forth in *Exhibit III* as of the date of each Purchase and each Reinvestment and hereby agrees to perform and observe the covenants applicable to it set forth in *Exhibit IV*.

Section 2.2. Termination Events. If any of the Termination Events set forth in *Exhibit V* shall occur, the Administrator may or, at the direction of the Majority Purchaser Agents, shall, by notice to the Seller, declare the Facility Termination Date to have occurred (in which case the Facility Termination Date shall be deemed to have occurred); provided, that upon the occurrence of any event described in *paragraph (g) or paragraph (i) of Exhibit V*, the Facility Termination Date shall occur automatically. Upon any such declaration, occurrence or deemed occurrence of the Facility Termination Date, the Administrator, on behalf of the Purchaser Agents and the Purchasers, shall have, in addition to the rights and remedies that they may have under this Agreement, all other rights and remedies of a secured party provided after default under the applicable UCC and under other applicable Law, which rights and remedies shall be cumulative.

ARTICLE III INDEMNIFICATION

Section 3.1. Indemnities by the Seller. Without limiting any other rights that the Administrator, any Purchaser Agent, any Purchaser, any Liquidity Provider, any other Program Support Provider, the Program Administrator or any of their respective Affiliates, agents, employees, officers, and directors (each, an "*Indemnified Party*") may have hereunder or under applicable Law, the Seller hereby agrees to indemnify each Indemnified Party and hold each

Indemnified Party harmless from and against any and all claims, damages, expenses, costs, losses and liabilities, including Attorney Costs (all of the foregoing being collectively referred to as "*Indemnified Amounts*") arising out of or resulting from this Agreement, the use of proceeds of Purchases or Reinvestments, or any interest therein, or the purchase of the Purchased Interest or in respect of any Pool Receivable, Related Security or Contract, or in respect of any other Transaction Document except (a) to the extent resulting from fraud, gross negligence or willful misconduct on the part of such Indemnified Party; (b) for which indemnification would constitute recourse (except as otherwise specifically provided in this Agreement to be paid by the Seller hereunder) for uncollectible Receivables; and (c) in respect of Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim. Without limiting the foregoing, but subject to the exclusions set forth in the preceding sentence, the Seller shall pay within five (5) Business Days after written demand (which demand shall be accompanied by documentation of the Indemnified Amounts, in reasonable detail) to each Indemnified Party any and all amounts necessary to indemnify such Indemnified Party from and against any and all Indemnified Amounts relating to or resulting from any of the following:

(i) the failure of any Receivable included in the calculation of the Net Receivables Pool Balance as an Eligible Receivables to be an Eligible Receivable as of the date of such calculation, the failure of any information contained in any Information Package to be true and correct, or the failure of any other information required to be provided to any Purchaser, Purchaser Agent or the Administrator with respect to the Receivables or this Agreement to be true and correct;

(ii) the failure of any representation or warranty made or deemed made by the Seller (or any of its officers, employees or agents) under or in connection with this Agreement, any other Transaction Document to have been true and correct as of the date made or deemed made;

(iii) the failure by the Seller to comply with any applicable law, rule or regulation with respect to any Pool Receivable or the related Contract, or the failure of any Pool Receivable or the related Contract to conform to any such applicable law, rule or regulation;

(iv) the failure to vest in the Administrator, for the benefit of each Purchaser Group, First Priority Interest in the Pool Assets to the extent required under this Agreement;

(v) any commingling of funds to which the Administrator, any Purchaser Agent or any Purchaser is entitled hereunder with any other funds;

(vi) any dispute, claim, offset or defense (other than discharge in bankruptcy of the Obligor) of the Obligor to the payment of any Receivable in, or purporting to be in, the Receivables Pool (including a defense based on such Receivable or the related Contract not being a legal, valid and binding obligation of such Obligor enforceable against it in accordance with its terms), or any other claim resulting from the sale of the goods or services related to such Receivable or the furnishing or failure to furnish such goods or services or relating to collection activities with respect to such Receivable or any Contract related thereto (if such collection activities were performed by the Seller or any of its Affiliates or by any agent or independent contractor retained by the Seller or any of its Affiliates);

(vii) any failure of the Seller to perform its duties or obligations in accordance with the provisions hereof, any other Transaction Document or under the Contracts;

(viii) any products liability, environmental or other claim by an Obligor or other third party arising out of the goods or services which are the subject of any Pool Receivable or the related Contract;

(ix) the use of proceeds of Purchases or Reinvestments;

(x) the failure of the Seller to pay when due any Taxes, energy surcharges or other governmental charges payable by the Seller in connection with any of the Pool Receivables or this Agreement;

(xi) any investigation, litigation or proceeding related to this Agreement, any of the other Transaction Documents or the ownership of the Pool Receivables or any Pool Assets;

(xii) any failure of a Lock-Box Bank to comply with the terms of the applicable Lock-Box Agreement;

(xiii) any action taken by the Seller, the Servicer or any Originator (or any of their respective Affiliates) in the enforcement or collection of any Pool Receivable;

(xiv) in the case of a Retail Receivable, the failure or delay in providing any Obligor with an invoice or other evidence of indebtedness; or

(xv) the failure of the sale and pledge of any Pool Receivable under the Transaction Documents to comply with the notice requirements of FACA or any analogous State or local Laws.

Section 3.2. Indemnities by the Servicer. Without limiting any other rights that the Administrator, any Purchaser Agent, any Purchaser or any other Indemnified Party may have hereunder or under applicable Law, the Servicer hereby agrees to indemnify each Indemnified Party and hold each Indemnified Party harmless from and against any and all Indemnified Amounts arising out of or resulting from a breach by the Servicer of any of its obligations or representations and warranties under this Agreement or any other Transaction Document except (a) to the extent resulting from fraud, gross negligence or willful misconduct on the part of such Indemnified Party; (b) for which indemnification would constitute recourse (except as otherwise specifically provided in this Agreement to be paid by the Servicer hereunder) for uncollectible Receivables; and (c) in respect of Taxes. Without limiting the foregoing, but subject to the exclusions set forth in the preceding sentence, the Seller shall pay within five (5) Business Days after written demand (which demand shall be accompanied by documentation of the Indemnified Amounts, in reasonable detail) to each Indemnified Party any and all amounts necessary to indemnify such Indemnified Party from and against any and all Indemnified Amounts relating to or resulting from any of the following:

-
- (i) the failure of any information provided by or on behalf of the Servicer for inclusion in any Information Package to be true and correct, or the failure of any other information required to be provided to such Indemnified Party by, or on behalf of, the Servicer to be true and correct;
 - (ii) the failure of any representation, warranty or statement made or deemed made by the Servicer (or any of its officers) under or in connection with this Agreement to have been true and correct as of the date made or deemed made;
 - (iii) the failure by the Servicer to comply with any applicable law, rule or regulation with respect to any Pool Receivable or the related Contract;
 - (iv) any dispute, claim, offset or defense of the Obligor to the payment of any Receivable in, or purporting to be in, the Receivables Pool resulting from or related to the collection activities of the Servicer with respect to such Receivable;
 - (v) the commingling by the Servicer of Collections at any time with other funds; or
 - (vi) any failure to perform the Servicer's duties or obligations in accordance with the provisions hereof or any other Transaction Document to which it is a party.

Section 3.3. Indemnity for Taxes. (a) Any and all payments by or on account of any obligation of the Seller hereunder shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law requires the deduction or withholding of any Tax from any such payment by the Seller, then the Seller shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Seller shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Affected Person receives an amount equal to the sum it would have received had no such deduction or withholding been made. In addition, if the Seller is required to pay any Tax pursuant to *paragraph 1(r) of Exhibit IV* that is (i) related to any payment by or on account of any obligation of the Seller hereunder and (ii) an Excluded Tax, the Seller shall be entitled to deduct the amount of such Tax paid from payments hereunder by the Seller. The Seller will indemnify each Affected Person against any Indemnified Taxes (i) imposed on an Affected Person pursuant to a payment made from the Seller with respect of such Affected Person's Purchases or Reinvestments or (ii) which arise otherwise by reason of the execution, delivery, performance or enforcement of the Transaction Documents.

(b) Each Affected Person will promptly notify the Seller in writing of any event of which it has knowledge, which will entitle such Affected Person to compensation pursuant to this *Section 3.3*; provided, however, that failure of any Affected Person to demand indemnification for any Indemnified Taxes shall not constitute a waiver of such right to indemnification, except that the Seller shall not be required to indemnify an Affected Person for Taxes under this *Section 3.3* unless such Affected Person notifies the Seller of such claim no later than 180 days after such Affected Person has knowledge of such Taxes being imposed or arising. Any notice claiming

compensation under this *Section 3.3* shall set forth in reasonable detail the additional amount or amounts to be paid to it hereunder and shall be conclusive in the absence of manifest error. The Seller shall be obligated to pay any claim for Indemnified Taxes within 10 days upon receipt of such written notice (other than Indemnified Taxes and expenses payable by reason of the action or inaction of the applicable Affected Person); provided that if the Seller reasonably believes that such Taxes were not correctly or legally asserted, the Affected Person will use reasonable efforts to cooperate with the Seller to obtain a refund of such Taxes (which shall be paid in accordance with *Section 3.3(c)*) so long as such efforts would not, in the sole determination of the Affected Person, result in any additional costs or expenses or be otherwise disadvantageous to the Affected Person.

(c) If an Affected Person determines, in its sole discretion, exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Seller, it shall pay over such refund to the Seller (but only to the extent of indemnity payments made, or additional amounts paid, by the Seller under this *Section 3.3* with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of such Affected Person and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund net of any applicable Taxes payable in respect of such interest); provided, that the Seller agrees to repay each such Affected Person, promptly after the request of such Affected Person, the amount paid over to the Seller (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such Affected Person is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary, in no event will any Affected Person be required to pay any amount to the Seller the payment of which would place such Affected Person in a less favorable net after-Tax position than such Affected Person would have been in if the Taxes subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Taxes had never been paid. This *Section 3.3(c)* shall not be construed to require any Affected Person to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Seller or any other Person.

(d) Each Affected Person agrees that it will use reasonable efforts to reduce or eliminate any claim for indemnity pursuant to this *Section 3.3* or compensation pursuant to *Section 1.7* including, subject to applicable Law, a change in the funding office of such Affected Person; provided, however, that nothing contained herein shall obligate any Affected Person to take any action that imposes on such Affected Person any unreimbursed additional costs or legal or regulatory burdens which such Affected Person reasonably considers material, nor which, in such Affected Person's reasonable opinion, would have an adverse effect on its business, operations or financial condition.

(e) If any Affected Person requests compensation under *Section 1.7*, or if the Seller is required to pay any Indemnified Taxes or additional amounts to any Affected Person or any Governmental Authority for the account of any Affected Person pursuant to this *Section 3.3* and, in each case, such Affected Person has declined or is unable to designate a different lending office in accordance with *Section 3.3(d)* above, then the Seller may, at its sole expense and effort, upon notice to such Affected Person and the Administrator, require such Affected Person to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, *Section 7.3*), all of its interests, rights (other than its existing rights to

payments pursuant to *Section 1.7* or this *Section 3.3*) and obligations under this Agreement and the related Transaction Documents to a Person eligible to be a Purchasing Committed Purchaser under *Section 7.3(b)* that shall assume such obligations (which such Purchasing Committed Purchaser may be another Affected Person, if an Affected Person accepts such assignment); provided that:

(i) such Affected Person shall have received payment of an amount equal to the outstanding principal of its Commitment, accrued Discount thereon, accrued fees and all other amounts payable to it hereunder and under the other Transaction Documents from the assignee (to the extent of such outstanding principal and accrued Discount and fees) or the Seller (in the case of all other amounts);

(ii) in the case of any such assignment resulting from a claim for compensation under *Section 1.7* or payments required to be made pursuant to this *Section 3.3*, such assignment will result in a reduction in such compensation or payments thereafter; and;

(iii) such assignment does not conflict with applicable Law.

An Affected Person shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Affected Person or otherwise, the circumstances entitling the Seller to require such assignment and delegation cease to apply.

ARTICLE IV ADMINISTRATION AND COLLECTIONS

Section 4.1. Appointment of the Servicer.

(a) The servicing, administering and collection of the Pool Receivables shall be conducted by the Person so designated from time to time as the Servicer in accordance with this Section. Until the Administrator gives notice to TXU (in accordance with this Section) of the designation of a new Servicer, TXU is hereby designated as, and hereby agrees to perform the duties and obligations of, the Servicer pursuant to the terms hereof. During the continuance of a Termination Event, the Administrator may (and at the direction of the Majority Purchaser Agents, shall) designate as Servicer any Person (including itself) to succeed TXU or any successor Servicer except for any Person that is a direct competitor of TXU, on the condition in each case that any such Person so designated shall agree to perform the duties and obligations of the Servicer pursuant to the terms hereof.

(b) Upon the designation of a successor Servicer as set forth in *clause (a)*, TXU agrees that it will terminate its activities as Servicer hereunder in a manner that the Administrator determines will facilitate the transition of the performance of such activities to the new Servicer, and TXU shall cooperate with and assist such new Servicer. Such cooperation shall include providing access to and transferring related records and permitting use by the new Servicer of all licenses, hardware or software necessary or desirable to collect the Pool Receivables and the Related Security, in each case unless prohibited by law or any contract relating to any such license, hardware or software.

(c) TXU acknowledges that, in making their decision to execute and deliver this Agreement, the Administrator, each Purchaser Agent and each Purchaser have relied on TXU's agreement to act as Servicer hereunder. Accordingly, TXU agrees that it will not voluntarily resign as Servicer.

(d) The Servicer may delegate its duties and obligations hereunder to any sub-servicer (each a "Sub-Servicer"); provided, that, in each such delegation (i) the Servicer shall remain primarily liable for the performance of the duties and obligations so delegated; (ii) the Seller, the Administrator and each Purchaser Group shall have the right to look solely to the Servicer for performance; (iii) unless such Sub-Servicer is a Utility that is providing invoicing services to an Originator, the terms of any agreement with any Sub-Servicer shall provide that such agreement shall terminate upon the termination of the Servicer hereunder by giving notice of its desire to terminate such agreement to the Servicer (and the Servicer shall provide appropriate notice to each such Sub-Servicer) and (iv) unless such Sub-Servicer is an Originator or a Utility that is providing invoicing services to an Originator, the Administrator shall have consented in writing in advance to such delegation. For the avoidance of doubt, this *Section 4.1(d)* shall not apply to any Payment Processor, any third party collection agency collecting Defaulted Receivables or any other third party service provider assisting in the servicing of the Defaulted Receivables.

Section 4.2. Duties of the Servicer.

(a) The Servicer shall take or cause to be taken all such action as may be necessary to administer and collect each Pool Receivable from time to time, all in accordance with this Agreement and all applicable laws, rules and regulations, with reasonable care and diligence, and in accordance with the Credit and Collection Guidelines. The Servicer shall set aside (or cause the Seller to set aside and hold), for the accounts of the Seller and each Purchaser Group, the amount of the Collections to which each is entitled in accordance with *Article I*. The Servicer may, in accordance with the applicable Credit and Collection Guidelines, extend the maturity of any Pool Receivable and extend the maturity or adjust the Outstanding Balance of any Defaulted Receivable as the Servicer may determine to be appropriate to maximize Collections thereof or as required under applicable laws, rules or regulations or the applicable Contract; provided, that for the purposes of this Agreement, (i) such extension shall not change the number of days such Pool Receivable has remained unpaid from the date of the original invoice (if a Retail Receivable) or the original due date (if a POR Receivable) related to such Pool Receivable unless such Pool Receivable has been cancelled and reissued with an appropriate Deemed Collection in an amount equal to the Outstanding Balance of the cancelled Pool Receivable being recorded pursuant to *Section 1.4(e)(i)*; and (ii) such extension or adjustment shall not alter the status of such Pool Receivable as a Delinquent Receivable or a Defaulted Receivable or limit the rights of any Purchaser, Purchaser Agent or the Administrator under this Agreement. The Seller shall deliver to the Servicer and the Servicer shall hold for the benefit of the Seller and the Administrator (for the benefit of each Purchaser Group), in accordance with their respective interests, all records and documents (including computer tapes or disks) with respect to each Pool Receivable. Notwithstanding anything to the contrary contained herein, after the Facility Termination Date has been declared pursuant to *Section 2.2*, the Administrator may direct the Servicer (whether TXU or any other Person) to commence or settle any legal action to enforce the collection of any Pool Receivable or to foreclose upon or repossess Related Security. The Servicer shall have no liability hereunder for following any such directions in good faith. In no event, however, shall the Servicer

be entitled to make or authorize any Person to make the Administrator, any Purchaser Agent, any Purchaser or any other Affected Person a party to any legal action without such Person's, as the case may be, express prior written consent.

(b) The Servicer shall, as soon as practicable following actual receipt of collected funds, turn over to the Seller the collections of any indebtedness that is not a Pool Receivable, less, if TXU or an Affiliate thereof is not the Servicer, all reasonable and appropriate out-of-pocket costs and expenses of such Servicer of servicing, collecting and administering such collections. The Servicer, if other than TXU or an Affiliate thereof, shall, as soon as practicable upon demand, deliver to the Seller all records in its possession that evidence or relate to any indebtedness that is not a Pool Receivable, and copies of records in its possession that evidence or relate to any indebtedness that is a Pool Receivable.

(c) Unless terminated earlier in accordance with the terms of this Agreement, the Servicer's obligations hereunder shall terminate on the Final Termination Date.

After such termination, if TXU or Subsidiary thereof was not the Servicer on the date of such termination, the Servicer shall promptly deliver to the Seller all books, records and related materials that any Originator or the Seller previously provided to the Servicer, or that have been obtained by the Servicer, in connection with this Agreement.

Section 4.3. Lock-Box Arrangements.

(a) On or prior to the Closing Date, the Seller shall have delivered to the Administrator a Lock-Box Agreement in respect of each Collection Account and the Concentration Account identified on *Schedule II* as of the Closing Date and delivered an original counterpart thereof to the Administrator. The Lock-Box Agreements for the Collection Accounts and the Concentration Account shall provide the Administrator with "control" within the meaning of Section 9-104 of the UCC over such Collection Accounts and Concentration Account. The Lock-Box Banks for the Collection Accounts (other than any Collection Account receiving Collections (either directly or by transfer directly from a related Lock-Box) on a Receivable originated by Dynegy Energy Services, LLC or Dynegy Energy Services (East), LLC) shall be directed by the Servicer to sweep all available funds therein on a daily basis to the Concentration Account. The Seller shall not, and shall not permit any other Person to, attempt to terminate such automatic sweep feature or attempt to close the Concentration Account or any Collection Account unless the Collections directed to such Collection Account are redirected to another Collection Account subject to a Lock-Box Agreement.

(b) At any time that a Termination Event is continuing, the Administrator may (and at the direction of the Majority Purchaser Agents, shall) give notice to each Lock-Box Bank that the Administrator is exercising its rights to exclusive control under the Lock-Box Agreements with respect to the Collection Accounts and the Concentration Account (a "*Lock-Box Agreement Activation Notice*"). Each of the Seller and the Servicer hereby agrees that if the Administrator (either directly or at the direction of the Majority Purchaser Agents) exercises its rights under a Lock-Box Agreement, the Administrator shall have exclusive control of the proceeds (including Collections) of all Pool Receivables and the Seller hereby further agrees to take any other action that the Administrator may reasonably request in connection therewith. Any proceeds of Pool

Receivables received by the Seller or the Servicer thereafter shall be sent immediately to, or as instructed by, the Administrator to a deposit account for the benefit of the Purchasers. Any Collections received by the Administrator that pursuant to the terms of this Agreement are to be delivered to the Seller shall be held in trust for the Seller.

(c) If at any time, a Lock-Box Bank has a short term unsecured debt rating lower than A-1 by Standard & Poor's or P-1 by Moody's (each a "Low Ratings Lock-Box Bank"), the Administrator may (and at the direction of the Majority Purchaser Agents, shall) require that the Seller open new Collection Accounts and/or a new Concentration Account with a new Lock-Box Bank having such ratings. Such establishment of new deposit accounts and the execution and delivery of appropriate Lock-Box Agreements shall be completed promptly but in any event no later than thirty (30) days following the Administrator's notice. If any Collection Account or the Concentration Account remains at the applicable Low Ratings Lock-Box Bank ninety (90) days after the Administrator's delivery of such notice it shall cease to be eligible Lock-Box Bank for all purposes hereunder (but the Administrator shall not be under any obligation to terminate any existing Lock-Box Agreements until such time as no Collections are received by such non-eligible bank).

Section 4.4. Enforcement Rights.

(a) At any time while a Termination Event exists or after the Facility Termination Date has been declared pursuant to *Section 2.2*:

(i) the Administrator may instruct the Seller or the Servicer to give notice of the Purchaser Groups' interest in the Pool Receivables to each Obligor, which notice shall direct that payments be made directly to the Administrator or its designee (for the benefit of each Purchaser Group), and the Seller or the Servicer, as the case may be, shall give such notice at the expense of the Seller or the Servicer, as the case may be; provided, that if the Seller or the Servicer, as the case may be, fails to so notify each Obligor within 30 days after receipt of such instruction, the Administrator (at the Seller's or the Servicer's, as the case may be, expense) may so notify the Obligors;

(ii) the Administrator may request the Servicer to, and upon such request the Servicer shall (A) assemble all of the records necessary or desirable to collect the Pool Receivables and the Related Security, and transfer or license (to the extent permitted under applicable contracts) to a successor Servicer the use of all software necessary or desirable to collect the Pool Receivables and the Related Security, and make the same available to the Administrator or its designee (for the benefit of each Purchaser Group) at a place selected by the Administrator; and (B) segregate all cash, checks and other instruments received by it from time to time constituting Collections in a manner acceptable to the Administrator and, promptly upon receipt, remit all such cash, checks and instruments, duly endorsed or with duly executed instruments of transfer, to the Administrator or its designee; and

(iii) the Seller and the Servicer shall enforce any and all covenants and obligations of each Originator contained in the Purchase and Sale Agreement or any other Transaction Document as shall be instructed by the Administrator.

(b) Each of the Seller and the Servicer hereby authorizes the Administrator (for the benefit of each Purchaser Group), and irrevocably appoints the Administrator (for the benefit of each Purchaser Group) as its attorney-in-fact with full power of substitution and with full authority in the place and stead of the Seller or the Servicer, as applicable, which appointment is coupled with an interest, to take any and all steps in the name of the Seller or the Servicer, as applicable, and on behalf of the Seller or the Servicer, as applicable, as may be necessary or desirable, in the reasonable determination of the Administrator to collect any and all amounts or portions thereof due under any and all Pool Assets, including endorsing the name of the Seller or the Servicer, as applicable, on all checks and other instruments representing Collections and enforcing such Pool Assets. Notwithstanding anything to the contrary contained in this subsection, none of the powers conferred upon such attorney-in-fact pursuant to the preceding sentence shall subject such attorney-in-fact to any liability if any action taken by it shall prove to be inadequate or invalid, nor shall they confer any obligations upon such attorney-in-fact in any manner whatsoever. The Administrator shall only be entitled to act as contemplated in this *clause (b)* while a Termination Event exists or after the Facility Termination Date has been declared pursuant to *Section 2.2*.

Section 4.5. Responsibilities of the Servicer.

(a) Anything herein to the contrary notwithstanding, the Servicer shall (or shall cause the applicable Originator to): (i) perform all of its obligations, if any, under the Contracts related to the Pool Receivables to the same extent as if interests in such Pool Receivables had not been transferred to the Seller or the Purchasers hereunder, and the exercise by the Administrator, the Purchaser Agents or the Purchasers of their respective rights hereunder shall not relieve the Servicer from such obligations; and (ii) pay out of Collections or other cash owned by the Seller, on behalf of the Seller (or cause the Seller to pay) when due any taxes, energy surcharges and other governmental charges payable by the Seller, if any, in connection with any of the Pool Receivables or this Agreement. None of the Administrator, the Purchaser Agents and the Purchasers shall have any obligation or liability with respect to any Pool Asset, nor shall any of them be obligated to perform any of the obligations of the Seller, the Servicer or any Originator thereunder.

(b) TXU hereby irrevocably agrees that if at any time it shall cease to be the Servicer hereunder, it shall act (if the then-current Servicer so requests) as the data-processing agent of the then-current Servicer and, in such capacity, TXU shall conduct the data-processing functions of the administration of the Pool Receivables and the Collections thereon in substantially the same way that TXU conducted such data-processing functions while it acted as the Servicer. So long as it is acting as the Servicer, as consideration for performing such services, the Servicer shall be entitled to a portion of the Servicing Fee equal to the portion of the servicing duties that TXU continues to perform.

Section 4.6. Servicing Fee.

The Servicer shall, on each day, be paid a fee daily in arrears, as contemplated in *Section 1.4*, equal to the product of (i) 1.00% per annum (the "*Servicing Fee Rate*"), (ii) the aggregate Outstanding Balance of the Pool Receivables as of the start of the day immediately preceding such day, and (iii) a fraction, the numerator of which is 1 and the denominator of which is 360.

ARTICLE V
PERFORMANCE GUARANTY

Section 5.1. Guaranty. The Performance Guarantor hereby unconditionally guarantees the punctual payment and performance when due, whether at stated maturity, by acceleration or otherwise, of all obligations of the Servicer and each Originator in all capacities in which any such party acts under the Transaction Documents, now or hereafter existing under the Transaction Documents (such obligations being the “*Obligations*”), and agrees to pay any and all reasonable and properly documented out-of-pocket expenses (including Attorney Costs) in enforcing any rights under this Performance Guaranty, together with interest on such expenses (from the time when such amounts were incurred, based on a 365-day year) at a rate per annum for each day equal to the Base Rate on such day plus 2.00%. Without limiting the generality of the foregoing, the Performance Guarantor’s liability shall extend to all amounts which constitute part of the Obligations and would be owed by any Person to the Seller or any Beneficiary under any Transaction Document but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such Person as debtor. Notwithstanding anything to the contrary herein, the liability of the Performance Guarantor under this Performance Guaranty with respect to the Obligations is (a) limited to, and shall in no event or under any circumstances, exceed the lesser of (i) \$385,000,000 (which is the Purchase Limit on the Closing Date plus ten percent) in the aggregate and (ii) if the Purchase Limit has been reduced by the Seller in accordance with *Section 1.1(c)*, an amount equal to the reduced Purchase Limit plus ten percent, in each case, inclusive of all interest, charges, fees, expenses or otherwise but exclusive of any and all out-of-pocket expenses arising from enforcement of such Performance Guaranty (the reimbursement of which not being subject to such limitation) and (b) subject to termination on the Final Termination Date. Expiry of this Performance Guaranty shall not reduce or diminish the liability of the Performance Guarantor to the Beneficiaries in respect of any Obligation incurred on before the Facility Termination Date. For the avoidance of doubt, the obligations of the Performance Guarantor under this Performance Guaranty do not include losses in respect of Receivables that are uncollectible on account of the insolvency, bankruptcy or lack of creditworthiness of the Obligor.

Section 5.2. Guaranty Absolute. The Performance Guarantor guarantees that the Obligations will be performed or paid strictly in accordance with the terms of the applicable Transaction Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Beneficiary with respect thereto. The obligations of the Performance Guarantor under this Performance Guaranty are independent of the Obligations, and a separate action or actions may be brought and prosecuted against the Performance Guarantor to enforce this Performance Guaranty, irrespective of whether any action is brought against the Servicer or any Originator or whether the Servicer or such Originator is joined in any such action or actions. The liability of the Performance Guarantor under this Performance Guaranty shall be absolute and unconditional irrespective of:

(a) any lack of validity or enforceability of any Transaction Document, or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to

departure from any Transaction Document, including, without limitation, any increase in the Obligations resulting from additional Purchases or Reinvestments or otherwise;

(c) any failure or omission to enforce any right, power or remedy with respect to the Obligations or any part thereof or any agreement relating thereto, or any collateral securing the Obligations or any part thereof;

(d) any waiver of any right, power or remedy or of any default with respect to the Obligations or any part thereof or any agreement relating thereto;

(e) any taking, exchange, release or non-perfection of any collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Obligations;

(f) any manner of application of collateral, or proceeds thereof, to all or any of the Obligations, or any manner of sale or other disposition of any collateral for all or any of the Obligations or any other assets of the Servicer, any Originator or any of their Subsidiaries;

(g) the existence of any claim, setoff or other rights which any Beneficiary may have at any time against the Servicer, any Originator or any of their Subsidiaries in connection herewith or any unrelated transaction;

(h) any assignment or transfer of the Obligations or any part thereof permitted under the Purchase and Sale Agreement, this Agreement or any other Transaction Document;

(i) any change, restructuring or termination of the corporate structure or existence of TXU or any of its Subsidiaries; or

(j) any other circumstance which might otherwise constitute a defense available to, or a discharge of the Servicer, any Originator or any of their Subsidiaries or a guarantor.

Section 5.3. Waiver. (a) The Performance Guarantor hereby waives promptness, diligence, notice of acceptance and any other notice with respect to any of the Obligations and this Performance Guaranty and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto or exhaust any right or take any action against the Servicer, any Originator or any other Person or entity or any collateral.

(b) The Performance Guarantor hereby waives any right to revoke this Performance Guaranty, and acknowledges that this Performance Guaranty is continuing in nature and applies to all Obligations incurred from the date of this Agreement up to and including the Final Termination Date.

(c) The Performance Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Transaction Documents and that the waivers set forth in this *Section 5.3* are knowingly made in contemplation of such benefits.

Section 5.4. Subrogation. The Performance Guarantor will not exercise any rights which it may acquire by way of subrogation under this Performance Guaranty, by any payment made hereunder or otherwise, until the Final Termination Date shall have occurred. If any amount shall be paid to the Performance Guarantor on account of such subrogation rights at any time prior to the Final Termination Date, such amount shall be held in trust for the benefit of the Beneficiaries and shall forthwith be paid to the Administrator to be credited and applied to the Obligations, whether matured or unmatured, in accordance with the terms of the applicable Transaction Document or to be held by the Administrator as collateral security for any Obligations thereafter existing. If the Final Termination Date shall have occurred, the Administrator, on behalf of the itself and the other Beneficiaries will, at the Performance Guarantor's request, execute and deliver to the Performance Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to the Performance Guarantor of an interest in the Obligations resulting from such payment by the Performance Guarantor.

ARTICLE VI THE AGENTS

Section 6.1. Appointment and Authorization. (a) Each Purchaser and Purchaser Agent hereby irrevocably designates and appoints CACIB, as the "Administrator" hereunder and authorizes the Administrator to take such actions and to exercise such powers as are delegated to the Administrator hereby and to exercise such other powers as are reasonably incidental thereto. The Administrator shall have no duties or responsibilities except those expressly set forth in this Agreement or in the other Transaction Documents. The duties of the Administrator shall be mechanical and administrative in nature. At no time shall the Administrator have any duty or responsibility to any Person to investigate or confirm the correctness or accuracy of any information or documents delivered to it in its role as Administrator hereunder or any obligation in respect of the failure of any Person (other than the Administrator) to perform any obligation hereunder or under any other Transaction Document. The Administrator shall not have, by reason of this Agreement, a fiduciary relationship in respect of any Purchaser Agent, Purchaser, the Seller, the Servicer or any Originator. Nothing in this Agreement or any of the Transaction Documents, express or implied, is intended to or shall be construed to impose upon the Administrator any obligations in respect of this Agreement or any of the Transaction Documents except as expressly set forth herein or therein. The Administrator shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Purchaser or any Purchaser Agent with any credit or other information with respect to the Seller, any Originator, the Servicer, the Performance Guarantor or their Affiliates, whether coming into its possession before the Closing Date or at any time or times thereafter.

(b) Each Purchaser hereby irrevocably designates and appoints the respective institution identified as the Purchaser Agent for such Purchaser's Purchaser Group on the signature pages hereto or in the Assumption Agreement or Transfer Supplement pursuant to which such Purchaser becomes a party hereto, and each authorizes such Purchaser Agent to take such action on its behalf under the provisions of this Agreement and to exercise such powers and perform such duties as are expressly delegated to such Purchaser Agent by the terms of this Agreement, if any, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, no Purchaser Agent shall have any duties

or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Purchaser or other Purchaser Agent or the Administrator, and no implied covenants, functions, responsibilities, duties, obligations or liabilities on the part of such Purchaser Agent shall be read into this Agreement or otherwise exist against such Purchaser Agent.

(c) Except as otherwise specifically provided in this Agreement, the provisions of this *Article VI* are solely for the benefit of the Purchaser Agents, the Administrator and the Purchasers, and none of the Seller or Servicer shall have any rights as a third party beneficiary or otherwise under any of the provisions of this *Article VI*, except that this *Article VI* shall not affect any obligations which any Purchaser Agent, the Administrator or any Purchaser may have to the Seller or the Servicer under the other provisions of this Agreement. Furthermore, no Purchaser shall have any rights as a third-party beneficiary or otherwise under any of the provisions hereof in respect of a Purchaser Agent which is not the Purchaser Agent for such Purchaser.

(d) In performing its functions and duties hereunder, the Administrator shall act solely as the agent of the Purchasers and the Purchaser Agents and does not assume nor shall be deemed to have assumed any obligation or relationship of trust or agency with or for the Seller or Servicer or any of their successors and assigns. In performing its functions and duties hereunder, each Purchaser Agent shall act solely as the agent of its respective Purchaser and does not assume nor shall be deemed to have assumed any obligation or relationship of trust or agency with or for the Seller, the Servicer, any other Purchaser, any other Purchaser Agent or the Administrator, or any of their respective successors and assigns.

Section 6.2. Delegation of Duties. The Administrator may execute any of its duties through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrator shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

Section 6.3. Exculpatory Provisions. None of the Purchaser Agents, the Administrator or any of their respective directors, officers, agents or employees shall be liable for any action taken or omitted (i) with the consent or at the direction of the Majority Purchaser Agents (or in the case of any Purchaser Agent, the Purchasers within its Purchaser Group that have a majority of the aggregate Commitments of such Purchaser Group) or (ii) in the absence of such Person's gross negligence or willful misconduct. The Administrator shall not be responsible to any Purchaser, Purchaser Agent or other Person for (i) any recitals, representations, warranties or other statements made by the Seller, the Servicer, any Originator or any of their Affiliates, (ii) the value, validity, effectiveness, genuineness, enforceability or sufficiency of any Transaction Document, (iii) any failure of the Seller, the Servicer, any Originator or any of their Affiliates to perform any obligation hereunder or under the other Transaction Documents to which it is a party (or under any Contract), or (iv) the satisfaction of any condition specified in *Exhibit II*. The Administrator shall not have any obligation to any Purchaser or Purchaser Agent to ascertain or inquire about the observance or performance of any agreement contained in any Transaction Document or to inspect the properties, books or records of the Seller, the Servicer, any Originator or any of their respective Affiliates. *Section 1.10* provides a mechanism for determining an alternative rate of interest in the

event that the London interbank offered rate is no longer available or in certain other circumstances.

Section 6.4. Reliance by Agents. (a) Each Purchaser Agent and the Administrator shall in all cases be entitled to rely, and shall be fully protected in relying, upon any document or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person and upon advice and statements of legal counsel (including counsel to the Seller), independent accountants and other experts selected by the Administrator. Each Purchaser Agent and the Administrator shall in all cases be fully justified in failing or refusing to take any action under any Transaction Document unless it shall first receive such advice or concurrence of the Majority Purchaser Agents (or in the case of any Purchaser Agent, the Purchasers within its Purchaser Group that have a majority of the aggregate Commitment of such Purchaser Group), and assurance of its indemnification, as it deems appropriate.

(b) The Administrator shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with a request of the Majority Purchaser Agents or the Purchaser Agents, and such request and any action taken or failure to act pursuant thereto shall be binding upon all Purchasers, the Administrator and Purchaser Agents.

(c) The Purchasers within each Purchaser Group with a majority of the Commitments of such Purchaser Group shall be entitled to request or direct the related Purchaser Agent to take action, or refrain from taking action, under this Agreement on behalf of such Purchasers. Such Purchaser Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with a request of such Majority Purchaser Agents, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of such Purchaser Agent's Purchasers.

(d) Unless otherwise advised in writing by a Purchaser Agent or by any Purchaser on whose behalf such Purchaser Agent is purportedly acting, each party to this Agreement may assume that (i) such Purchaser Agent is acting for the benefit of each of the Purchasers in respect of which such Purchaser Agent is identified as being the "Purchaser Agent" in the definition of "Purchaser Agent" hereto, as well as for the benefit of each assignee or other transferee from any such Person, and (ii) each action taken by such Purchaser Agent has been duly authorized and approved by all necessary action on the part of the Purchasers on whose behalf it is purportedly acting. Each Purchaser Agent and its Purchaser(s) shall agree amongst themselves as to the circumstances and procedures for removal, resignation and replacement of such Purchaser Agent.

Section 6.5. Notice of Termination Events. Neither any Purchaser Agent nor the Administrator shall be deemed to have knowledge or notice of the occurrence of any Termination Event or Unmatured Termination Event unless the Administrator and the Purchaser Agents have received notice from any Purchaser, the Servicer or the Seller stating that a Termination Event or an Unmatured Termination Event has occurred hereunder and describing such Termination Event or Unmatured Termination Event. In the event that the Administrator receives such a notice, it shall promptly give notice thereof to each Purchaser Agent whereupon each such Purchaser Agent shall promptly give notice thereof to its related Purchasers. In the event that a Purchaser Agent receives such a notice (other than from the Administrator), it shall promptly give notice thereof to the Administrator. The Administrator shall take such action concerning a Termination Event or

an Unmatured Termination Event as may be directed by the Majority Purchaser Agents (unless such action otherwise requires the consent of all Purchasers), but until the Administrator receives such directions, the Administrator may (but shall not be obligated to) take such action, or refrain from taking such action, as the Administrator deems advisable and in the best interests of the Purchasers and the Purchaser Agents.

Section 6.6. Non-Reliance on Administrator and Purchaser Agents. Each Purchaser expressly acknowledges that none of the Administrator, the Purchaser Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrator, or any Purchaser Agent hereafter taken, including any review of the affairs of the Seller, the Performance Guarantor, the Servicer or any Originator, shall be deemed to constitute any representation or warranty by the Administrator or such Purchaser Agent, as applicable. Each Purchaser represents and warrants to the Administrator and the Purchaser Agents that, independently and without reliance upon the Administrator, Purchaser Agents or any other Purchaser and based on such documents and information as it has deemed appropriate, it has made and will continue to make its own appraisal of and investigation into the business, operations, property, prospects, financial and other conditions and creditworthiness of the Seller, the Performance Guarantor, the Servicer or any Originator, and the Receivables and its own decision to enter into this Agreement and to take, or omit, action under any Transaction Document. Except for items specifically required to be delivered hereunder, the Administrator shall not have any duty or responsibility to provide any Purchaser Agent with any information concerning the Seller, the Performance Guarantor, the Servicer or any Originator or any of their Affiliates that comes into the possession of the Administrator or any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates.

Section 6.7. Administrator, Purchasers, Purchaser Agents and Affiliates. Each of the Administrator, the Purchasers and the Purchaser Agents and any of their respective Affiliates may extend credit to, accept deposits from and generally engage in any kind of banking, trust, debt, equity or other business with the Seller, the Performance Guarantor, the Servicer or any Originator or any of their Affiliates. With respect to the acquisition of the Eligible Receivables pursuant to this Agreement, each of the Purchaser Agents and the Administrator shall have the same rights and powers under this Agreement as any Purchaser and may exercise the same as though it were not such an agent, and the terms "Purchaser" and "Purchasers" shall include, to the extent applicable, each of the Purchaser Agents and the Administrator in their individual capacities.

Section 6.8. Indemnification. Each Committed Purchaser shall indemnify and hold harmless the Administrator (but solely in its capacity as Administrator) and its respective officers, directors, employees, representatives and agents (to the extent not reimbursed by the Seller, the Servicer, the Performance Guarantor or any Originator and without limiting the obligation of the Seller, the Servicer, the Performance Guarantor or any Originator to do so), ratably (based on its Commitment) from and against any and all liabilities, obligations, losses, damages, penalties, judgments, settlements, costs, expenses and disbursements of any kind whatsoever (including in connection with any investigative or threatened proceeding, whether or not the Administrator or such Person shall be designated a party thereto) that may at any time be imposed on, incurred by or asserted against the Administrator or such Person as a result of, or related to, any of the transactions contemplated by the Transaction Documents or the execution, delivery or

performance of the Transaction Documents or any other document furnished in connection therewith (but excluding any such liabilities, obligations, losses, damages, penalties, judgments, settlements, costs, expenses or disbursements resulting solely from the gross negligence or willful misconduct of the Administrator or such Person as determined by final non-appealable judgment of a court of competent jurisdiction).

Section 6.9. Successor Administrator. The Administrator may, upon at least thirty (30) days' prior written notice to the Seller, each Purchaser and Purchaser Agent, resign as Administrator. Such resignation shall not become effective until (x) a successor Administrator is appointed by the Majority Purchaser Agents and has accepted such appointment and (y) so long as no Termination Event has occurred and is continuing, the Seller shall have consented to such successor Administrator (such consent not to be unreasonably withheld or delayed). Upon such acceptance of its appointment as Administrator hereunder by a successor Administrator, such successor Administrator shall succeed to and become vested with all the rights and duties of the retiring Administrator, and the retiring Administrator shall be discharged from its duties and obligations under the Transaction Documents. After any retiring Administrator's resignation hereunder, the provisions of *Sections 1.5 and 1.7* and *Articles III, V and VI* shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrator.

ARTICLE VII MISCELLANEOUS

Section 7.1. Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Transaction Document, or consent to any departure by the Seller, any Originator, the Performance Guarantor or the Servicer therefrom, shall be effective unless in a writing signed by the Administrator, the Majority Purchaser Agents, and, in the case of an amendment, by the Seller and the Servicer; provided, however, that no such amendment or waiver shall, (a) without the consent of each affected Purchaser, (i) extend the date of any payment or deposit of Collections by the Seller or the Servicer or decrease the outstanding amount of or rate of Discount or extend the repayment of or any scheduled payment date for the payment of any Discount in respect of any portion of Capital or any fees owed to a Purchaser; (ii) reduce any fees payable to any Purchaser Agent or any Purchaser pursuant to the Purchaser Group Fee Letter, (iii) forgive or waive or otherwise excuse any repayment of Capital or change the amount of Capital of any Purchaser; (iv) increase the Commitment of any Purchaser; (v) amend or modify the provisions of this *Section 7.1* or the definition of "Aggregate Capital", "Capital", "Change in Control," "Eligible Receivable", "Facility Termination Date", "Majority Purchaser Agents", "Net Receivables Pool Balance", "Purchased Interest", "Termination Day" or "Total Reserves"; (vi) release all or substantially all of the Pool Assets from the security interest granted by the Seller to the Administrator hereunder; (vii) terminate the Performance Guaranty and/or release the Performance Guarantor from its obligations thereunder; or (viii) amend or modify any defined term (or any term used directly or indirectly in such defined term) used in clauses (i) through (vii) above in a manner that would circumvent the intention of the restrictions set forth in such clauses, (b) without the consent of the Majority Purchaser Agents, amend, waive or modify any provision expressly requiring the consent of the Majority Purchaser Agents and (c) without the consent of the Administrator and each Purchaser Agent and Purchaser amend, waive or modify *paragraph (i) of Exhibit V* or waive any Termination Event arising from such *paragraph (i)*. Each such amendment, waiver or consent shall be effective only in the specific instance and for the specific

purpose for which it was given. No failure on the part of any Purchaser Agent, any Purchaser or the Administrator to exercise, and no delay in exercising any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. Notwithstanding the foregoing, it is agreed that any Administrator Fee Letter may be amended, supplemented or otherwise modified solely with the consent of the parties thereto.

Section 7.2. Notices, Etc. All notices, demands and other communications provided for hereunder shall, unless otherwise stated herein, be in writing (including facsimile and email communications) and shall be personally delivered or sent by facsimile or email, or by overnight mail, to the intended party at the mailing or email address or facsimile number of such party set forth on *Schedule V* hereto (or in any other document or agreement pursuant to which it is or became a party hereto), or at such other address or facsimile number as shall be designated by such party in a written notice to the other parties hereto. All such notices and communications shall be effective when received.

Section 7.3. Successors and Assigns; Participations; Assignments.

(a) Participations. Except as otherwise specifically provided herein, any Purchaser may sell to one or more Persons (each a “Participant”) participating interests in the interests of such Purchaser hereunder; provided, that no Purchaser shall grant any participation under which the Participant shall have rights to approve any amendment to or waiver of this Agreement or any other Transaction Document. Such Purchaser shall remain solely responsible for performing its obligations hereunder, and the Seller, the Servicer, the Performance Guarantor, each Purchaser Agent and the Administrator shall continue to deal solely and directly with such Purchaser in connection with such Purchaser’s rights and obligations hereunder. A Purchaser shall not agree with a Participant to restrict such Purchaser’s right to agree to any amendment hereto, except amendments that require the consent of all Purchasers. Any such Participant shall not have any rights hereunder or under the Transaction Documents. The Seller agrees that each Participant shall be entitled to the benefits of *Sections 1.7* and *3.3* (subject to the requirements and limitations therein and subject to such Participant’s compliance with the requirements of *Section 7.6*) to the same extent as if it were a Purchaser and acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant shall not be entitled to receive any greater payment under *Sections 1.7* or *3.3*, with respect to any participation, than its participating Purchaser would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in Law that occurs after the Participant acquired the applicable participation.

Each Purchaser (or its Purchaser Agent on its behalf) that sells a participation shall, acting solely for this purpose as an agent of the Seller, maintain a register on which it enters the name and address of its Participants and the amounts of each such Participant’s interest in any Capital, Commitments or other rights or obligations hereunder (the “Participant Register”); provided that no Purchaser or Purchaser Agent shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in such Capital, Commitments or other rights or obligations hereunder) to any Person except to the extent that such disclosure is necessary to establish that such Capital, Commitments or other rights or obligations hereunder is in registered form under Section 5f.103-1(c)

of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Purchaser shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrator (in its capacity as Administrator) shall have no responsibility for maintaining a Participant Register.

(b) Assignments by Committed Purchasers. Any Committed Purchaser may assign to one or more Persons (each a “*Purchasing Committed Purchaser*”), reasonably acceptable to the Administrator and the related Purchaser Agent in its sole discretion, any portion of its Commitment pursuant to a supplement hereto, substantially in the form of *Annex F* with any changes as have been approved by the parties thereto (each, a “*Transfer Supplement*”), executed by each such Purchasing Committed Purchaser, such selling Committed Purchaser, such related Purchaser Agent and the Administrator and with the consent of the Seller (*provided*, that the consent of the Seller shall not be unreasonably withheld or delayed and that no such consent shall be required if a Termination Event has occurred and is continuing; *provided, further*, that no consent of the Seller shall be required if the assignment is made by any Committed Purchaser to the Administrator, to any other Committed Purchaser, to any Affiliate of the Administrator or any Committed Purchaser, which Affiliate is a bank or similar financial institution or to any Program Support Provider, which Program Support Provider is a bank or similar financial institution). Any such assignment by Committed Purchaser cannot be for an amount less than \$10,000,000. Upon (i) the execution of the Transfer Supplement, (ii) delivery of an executed copy thereof to the Seller, the Servicer, such related Purchaser Agent and the Administrator and (iii) payment by the Purchasing Committed Purchaser to the selling Committed Purchaser of the agreed purchase price, if any, such selling Committed Purchaser shall be released from its obligations hereunder to the extent of such assignment and such Purchasing Committed Purchaser shall for all purposes be a Committed Purchaser party hereto and shall have all the rights and obligations of a Committed Purchaser hereunder to the same extent as if it were an original party hereto. The amount of the Commitment of the selling Committed Purchaser allocable to such Purchasing Committed Purchaser shall be equal to the amount of the Commitment of the selling Committed Purchaser transferred regardless of the purchase price, if any, paid therefor. The Transfer Supplement shall be an amendment hereof only to the extent necessary to reflect the addition of such Purchasing Committed Purchaser as a “Committed Purchaser” and any resulting adjustment of the selling Committed Purchaser’s Commitment.

(c) Assignments to Liquidity Providers and other Program Support Providers. Any Conduit Purchaser may at any time grant to one or more of its Liquidity Providers or other Program Support Providers, participating interests in its rights to the Purchased Interest, and interests in its Capital. In the event of any such grant by such Conduit Purchaser of a participating interest to a Liquidity Provider or other Program Support Provider, such Conduit Purchaser shall remain responsible for the performance of its obligations hereunder. The Seller agrees that each Liquidity Provider and Program Support Provider of any Conduit Purchaser hereunder shall be entitled to the benefits of *Sections 1.5 and 1.7* and *Articles III and IV*.

(d) Other Assignments by Conduit Purchasers. Each party hereto agrees and consents (i) to any Conduit Purchaser’s assignment, participation, grant of security interests in or other transfers of any portion of, or any of its beneficial interest in, the Purchased Interest, and interests

in its Capital (or, in each case, any portion thereof), including without limitation to any collateral agent in connection with its commercial paper program and (ii) to the complete assignment by any Conduit Purchaser of all of its rights and obligations hereunder to any other Person, including any Affiliate of the Administrator, and upon such assignment such Conduit Purchaser shall be released from all obligations and duties, if any, hereunder; *provided*, that such Conduit Purchaser may not, without the prior consent of its Committed Purchasers and the Administrator, make any such transfer of its rights hereunder unless the assignee (x) is a commercial paper conduit that (i) is principally engaged in the purchase of assets similar to the assets being purchased hereunder, (ii) has as its Purchaser Agent the Purchaser Agent or an Affiliate thereof of the assigning Conduit Purchaser, (iii) issues commercial paper or other notes with credit ratings substantially comparable to the ratings of the assigning Conduit Purchaser and (iv) has been consented to by the Seller (*provided*, that (1) the consent of the Seller shall not be unreasonably withheld or delayed, (2) no such consent shall be required if a Termination Event has occurred and is continuing and (3) no such consent shall be required if such assignee is another commercial paper conduit administered by the same Program Administrator or an Affiliate thereof) or (y) is a Committed Purchaser, Liquidity Provider or Program Support Provider for such Conduit Purchaser. Any assigning Conduit Purchaser shall deliver to any assignee a Transfer Supplement with any changes as have been approved by the parties thereto, duly executed by such Conduit Purchaser, assigning any portion of its interest in the Purchased Interest, and interests in its Capital, to its assignee. Such Conduit Purchaser shall promptly (i) notify each of the other parties hereto of such assignment and (ii) take all further action that the assignee reasonably requests in order to evidence the assignee's right, title and interest in such interest in the Purchased Interest, and interests in its Capital, and to enable the assignee to exercise or enforce any rights of such Conduit Purchaser hereunder. Upon the assignment of any portion of its interest in the Purchased Interest, and interests in its Capital, the assignee shall have all of the rights hereunder with respect to such interest (except that the Discount therefor shall thereafter accrue at the rate, determined with respect to the assigning Conduit Purchaser unless the Seller, the related Purchaser Agent and the assignee shall have agreed upon a different Discount).

(e) Register. The Administrator, acting as non-fiduciary agent for the Seller (such agency being solely for Tax purposes) and each Affected Person and its successors and assigns, to the extent such Person has Purchases, Reinvestments, Capital, or Discount owing thereto), shall maintain at an office of the Administrator, a copy of each Assumption Agreement and Transfer Supplement delivered to and accepted by it hereunder and a register for the names and addresses of the Purchasers, the Commitment of each Purchaser Group and the aggregate outstanding Capital, and Discount owing to each Purchaser or other Affected Person from time to time (and such other Affected Person) (the "*Register*"). The entries in the Register shall be conclusive absent manifest error, and the Seller, the Servicer, the Purchasers, and such other Affected Persons shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Purchaser hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Seller, any Purchaser Agent and any Purchaser (and any such other Affected Person) at any reasonable time and from time to time upon reasonable prior notice. Each Purchaser (and each such other Affected Person) that assigns or transfers all or part of its Purchases or Reinvestments, and interests in its Capital, shall be required to provide the Administrator with notice of such assignment in order for such assignee's interests in the Purchases and Reinvestments to be reflected in the Register. Each assignor may, in connection with any permitted assignment, disclose to the applicable assignee (that shall have agreed to be bound by *Section 7.5*) any

information relating to any Originator, the Servicer, the Seller, the Performance Guarantor or the Pool Receivables furnished to such assignor by or on behalf of such Originator, the Servicer, the Seller, the Performance Guarantor, any Purchaser or the Administrator.

(f) Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to mean the successors and assigns of such party; all covenants, promises and agreements by or on behalf of any parties hereto that are contained in this Agreement shall bind and inure to the benefit of the parties hereto and their respective successors and assigns. Notwithstanding the foregoing, except as contemplated in *Section 4.1(d)*, none of the Seller, the Servicer or the Performance Guarantor may assign its rights or delegate its obligations hereunder or under any other Transaction Document or any interest herein or under any other Transaction Document, in each case, without the prior written consent of the Administrator and each Purchaser Agent.

(g) Enforcement By Agents. Without limiting any other rights that may be available under applicable Law, the rights of the Administrator, each Purchaser Agent and each Purchaser may be enforced through it or by its agents.

(h) Certain Pledges. Without limiting the right of any Purchaser to sell or grant interests, security interests or participations to any Person as otherwise described in this *Section 7.3*, any Purchaser may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement, any portion of its interest in the Purchases or Reinvestments, and interests in its Capital to secure its obligations as a Purchaser hereunder, including any pledge or assignment to secure obligations to a Federal Reserve Bank, the United States Treasury, the Federal Deposit Insurance Corporation or a security trustee in connection with the funding by such Purchaser of Purchases without notice to or consent of the Seller, the Performance Guarantor or any other Person; provided that no such pledge or grant of a security interest shall release such Purchaser from any of its obligations hereunder or substitute any such pledgee or grantee for such Purchaser as a party hereto.

Section 7.4. Costs; Expenses. In addition to the rights of indemnification granted under *Section 3.1*, the Seller agrees to pay to the Administrator, the Purchaser Agents and the Purchasers, within 10 Business Days of demand (which demand shall be accompanied by documentation thereof in reasonable detail), all reasonable and documented costs and expenses in connection with (i) the preparation, execution, delivery and administration of this Agreement (including periodic audits and agreed upon procedures with respect to the Pool Receivables by (or on behalf of) the Administrator), the other Transaction Documents and the other documents and agreements to be delivered hereunder (and all reasonable and documented costs and expenses in connection with any amendment, waiver or modification of any thereof), including Attorney Costs for the Administrator, Purchaser Agents, the Purchasers and their respective Affiliates with respect thereto and with respect to advising the Administrator, the Purchaser Agents, the Purchasers and their respective agents, Affiliates as to their rights and remedies under this Agreement and the other Transaction Documents; and (ii) all reasonable and documented costs and expenses (including Attorney Costs), if any, of the Administrator, the Purchaser Agents, the Purchasers and their respective agents, Affiliates in connection with the enforcement of this Agreement and the other Transaction Documents.

Section 7.5. Confidentiality. Each of the Seller, the Servicer and the Performance Guarantor agrees (i) not to post to a website or publish or otherwise distribute to any other Person this Agreement and the other Transaction Documents and (ii) to maintain the confidentiality of the information in this Agreement and the other Transaction Documents relating to upfront fees and pricing in communications with third parties and otherwise; provided, that the Transaction Documents and such information may be disclosed (a) to third parties to the extent such disclosure is made pursuant to a written agreement of confidentiality in form and substance reasonably satisfactory to the Administrator and each Purchaser Agent; (b) as required by the rules of any stock exchange; (c) to legal counsel, accountants and auditors for the Seller, the Servicer and the Performance Guarantor if such counsel, accountants and auditors agree to hold it confidential or are otherwise under a professional duty to maintain the confidentiality of such information, (d) as required or requested by Law, rule, regulation, court order, subpoena, or other legal process and (e) if required in connection with any litigation or dispute between the parties hereto (provided that the Seller, the Servicer and the Performance Guarantor will use reasonable efforts to obtain confidential treatment for such information in connection with such litigation or dispute).

The Administrator, the Purchaser Agents and the Purchasers agree to maintain the confidentiality of the Transaction Documents (including pricing hereunder and thereunder) and any other non-public information regarding the Performance Guarantor, the Seller, the Originators, the Servicer and their Affiliates; provided, that such information may be disclosed (i) to third parties to the extent such disclosure is made pursuant to a written agreement of confidentiality in form and substance reasonably satisfactory to the Seller and the Performance Guarantor; (ii) to legal counsel, accountants and auditors of the Purchaser Agents, the Purchasers or the Administrator if such counsel, accountants and auditors agree to hold it confidential or are otherwise under a professional duty to maintain the confidentiality of such information; (iii) to any assignee or participant or potential assignee or participant (if it agrees to abide by the terms of this *Section 7.5*); (iv) to any regulatory or governmental authorities having jurisdiction, or claiming to have jurisdiction, over the Administrator, any Purchaser Agent, any Purchaser or any Participant, (v) as required or requested by law, rule, regulation, court order, subpoena, or other legal process, (vi) as required in connection with any litigation or dispute or in connection with the exercise of any rights or remedies under the Transaction Documents (provided that the Administrator, the Purchaser Agents and the Purchasers will use reasonable efforts to obtain confidential treatment for such information in connection with such litigation or dispute), (vii) to any nationally recognized statistical rating organization as contemplated by Section 17g-5 of the Securities Exchange Act of 1934, (viii) to investors in Commercial Paper Notes as required by regulatory authorities and (ix) to any Liquidity Providers, Program Support Providers or equity investors in any Conduit Purchaser who agree to keep it confidential.

Section 7.6. Tax Forms; FATCA. (a) Each Purchaser shall deliver to the Seller and to the Administrator, on the Closing Date (or, if later, on the date on which it becomes a Purchaser), or at the time or times prescribed by applicable Laws, or when reasonably requested by the Seller, the Performance Guarantor or the Administrator, and each Affected Person (other than the Purchasers) shall deliver to the Seller and to the Administrator, on or prior to receipt of its first payment under any Transaction Document, such properly completed and executed documentation prescribed by applicable Laws or by the relevant Governmental Authority of any jurisdiction and such other reasonably requested information as will permit the Seller, Performance Guarantor, the

Administrator or the applicable Purchaser Agent, as the case may be, to determine (i) whether or not payments made hereunder are subject to Taxes, (ii) if applicable, the required rate of withholding or deduction, and (iii) such Purchaser's (or such other Affected Person's) entitlement to any available exemption from, or reduction of, applicable Taxes in respect of all payments to be made to such Purchaser (or such other Affected Person) by the Seller pursuant to this Agreement or otherwise to establish such Purchaser's (or such other Affected Person's) status for withholding Tax purposes in the applicable jurisdiction.

(b) Without limiting the generality of the foregoing:

(i) Each Purchaser (and each Affected Person, other than the Purchasers, that receives a payment under any Transaction Document) that is a "United States person" within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Seller and the Administrator executed originals of IRS Form W-9 certifying that such Purchaser or Affected Person is exempt from United States federal backup withholding tax or such other documentation or information prescribed by applicable Laws or reasonably requested by the Seller, the applicable Purchaser Agent, or the Administrator as will enable the Seller, such Purchaser Agent or the Administrator, as the case may be, to determine whether or not such Purchaser (or such other Affected Person) is subject to backup withholding or information reporting requirements; and

(ii) each Purchaser (and each Affected Person, other than the Purchasers, that receives a payment under any Transaction Document) that is organized under the Laws of a jurisdiction other than the United States (including each State thereof and the District of Columbia) (a "Foreign Purchaser" and a "Foreign Affected Party", respectively) that is entitled under the Internal Revenue Code or any applicable treaty to an exemption from or reduction of withholding Tax with respect to payments hereunder shall deliver to the Seller and the Administrator (in such number of copies as shall be reasonably requested by the Seller or the Administrator) on or prior to the date on which such Foreign Purchaser becomes a Purchaser with respect to this Agreement (and from time to time thereafter upon the request of the Seller or the Administrator, but only if such Foreign Purchaser is legally entitled to do so), or in the case of a Foreign Affected Party, on or prior to receipt of its first payment under any Transaction Document, whichever of the following is applicable:

(A) in the case of a Foreign Purchaser (or Foreign Affected Party), claiming eligibility for benefits of an income Tax treaty to which the United States is a party, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable,

(B) executed originals of IRS Form W-8ECI,

(C) in the case of a Foreign Purchaser (or Foreign Affected Party) claiming the benefits of the exemption for portfolio interest under section 881(c) of the Internal Revenue Code, (x) a certificate (a "U.S. Tax Compliance Certificate" in the form contained in *Annex D-1*) to the effect that such Foreign Purchaser (or Foreign Affected Party) is not (A) a "bank" within the meaning of section

881(c)(3)(A) of the Internal Revenue Code, (B) a “10 percent shareholder” of the Seller within the meaning of section 871(h)(3)(A) of the Internal Revenue Code, or (C) a “controlled foreign corporation” described in section 881(c)(3)(C) of the Internal Revenue Code, and (y) executed originals of IRS Form W 8BEN or IRS Form W-8BEN-E, as applicable, or

(D) to the extent a Foreign Purchaser (or Foreign Affected Party) is not the beneficial owner, executed originals of IRS Form W-8IMY and all required supporting documentation, including, without limitation, IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of *Annex D-2* or *Annex D-3*, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that if the Foreign Purchaser (or Foreign Affected Party) is a partnership and one or more direct or indirect partners of such Foreign Purchaser (or Foreign Affected Party) are claiming the portfolio interest exemption, such Foreign Purchaser (or Foreign Affected Party) may provide a U.S. Tax Compliance Certificate substantially in the form of *Annex D-4* on behalf of any direct or indirect partner, or

(E) duly completed executed originals of any other form prescribed by applicable Laws as a basis for claiming exemption from or a reduction in United States federal withholding Tax together with such supplementary documentation as may be prescribed by applicable Laws to permit the Seller, the Performance Guarantor or the Administrator to determine the withholding or deduction required to be made.

(j) Reporting Requirements. The Servicer shall provide to the Administrator and each Purchaser Agent the following:

(i) *[Reserved]*;

(iii) as soon as possible and in any event within five Business Days after becoming aware of the occurrence of any Termination Event or Unmatured Termination Event, a statement of a financial officer of the Servicer setting forth details of such Termination Event or Unmatured Termination Event and the actions taken and proposed to be taken with respect thereto;

(iv) promptly and in any event within five Business Days after obtaining knowledge of the occurrence or existence of any ERISA Event which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect or a Vistra Group Material Adverse Effect, notice of such ERISA Event setting forth the details of such ERISA Event and the action that it proposes to take with respect thereto;

(v) promptly after the Servicer obtains knowledge thereof, notice of any (A) litigation, or proceeding that may exist at any time between the Servicer or any of its Subsidiaries and any Governmental Authority that, if not cured or if adversely determined, as the case may be, would have a Material Adverse Effect or a Vistra

Group Material Adverse Effect; (B) litigation or proceeding adversely affecting such Person or any of its Subsidiaries in which the amount involved would have a Material Adverse Effect or in which injunctive or similar relief is sought that would have a Material Adverse Effect or a Vistra Group Material Adverse Effect; or (C) litigation or proceeding relating to any Transaction Document;

(vi) promptly after the Servicer obtains knowledge thereof, notice of (A) a material adverse change in the business, operations, property or financial or other condition of the Servicer or (B) the occurrence of an event that has had a Material Adverse Effect or a Vistra Group Material Adverse Effect; and

(vii) such other information respecting the Pool Receivables or the condition or operations, financial or otherwise, of the Servicer as the Administrator or any Purchaser Agent may from time to time reasonably request.

The parties hereto understand that due to internal reporting limitations, the Servicer is unable to track and report the exact amount of Unbilled Receivables per Obligor and POR Receivables that are Unbilled Receivables. The Servicer and Seller represent and warrant that the methodology described in the Information Package reflects the Servicer's and Seller's best efforts at estimating such amount of Unbilled Receivables and Excess Concentration Amount. The Servicer shall not vary the methodology of how such information is reported in the Information Package without the prior written consent of each of the Purchaser Agents acting in their sole discretion.

(k) Taxes. The Servicer will file all material Tax returns and reports required by law to be filed by it and will promptly pay all Taxes and governmental charges at any time owing, except when failure to do so would not reasonably be expected to have a Vistra Group Material Adverse Effect or such Taxes are being contested in good faith by appropriate proceedings and for which appropriate reserves in accordance with relevant GAAP shall have been set aside on its books.

(l) Merger. The Servicer will not (i) consolidate or merge with or into any other Person or (ii) sell, lease or otherwise transfer (in one transaction or in a series of transactions) all or substantially all of its assets to any other Person; provided, that (x) any Person may consolidate or merge with or into the Servicer in a transaction in which the Servicer is the surviving Person, and (y) if at the time thereof and immediately after giving effect thereto no Termination Event or Unmatured Termination Event shall have occurred and be continuing, any Person may consolidate or merge with or into the Servicer, and the Servicer may consolidate or merge with or into any Person, as long as (A) the surviving entity, if other than the Servicer, assumes each of the obligations of the Servicer under this Agreement and the other Transaction Documents pursuant to an agreement executed and delivered to the Administrator in a form reasonably satisfactory to the Administrator and (B) if the surviving entity is not the Servicer, the Performance Guarantor expressly ratifies in writing all of its obligations under this Agreement (including the Performance Guaranty), after giving effect to such consolidation or merger.

(m) Sanctions, Anti-Corruption and Anti-Money Laundering Laws.

(i) The Servicer shall, and shall cause its Subsidiaries to, continue to maintain and enforce policies and procedures designed to promote and achieve compliance by the Servicer and its Subsidiaries with applicable Anti-Corruption Laws, Anti-Money Laundering Laws and Sanctions;

(ii) The Servicer shall not nor shall it permit its Subsidiaries to, directly or indirectly, (A) use any part of the proceeds of any Purchase or Reinvestment hereunder, or otherwise make available such proceeds to any Person in any manner that would constitute or give rise to a violation of Sanctions by any party hereto or (B) fund all or part of any repayment or reimbursement of the obligations hereunder out of proceeds derived from any transaction or activity involving a Sanctioned Person or Sanctioned Jurisdiction; and

(iii) The Servicer shall not, directly or indirectly, use any part of the proceeds of any Purchase or Reinvestment hereunder for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in each case in violation of Anti-Corruption Laws.

(n) Notice of Change in Beneficial Ownership. The Servicer will promptly notify the Administrator and each Purchaser Agent of any change in the information provided in the Beneficial Ownership Certification for any of the Seller, the Servicer, the Performance Guarantor or any Originator that would result in a change to the list of beneficial owners identified therein.

3. Covenants of the Performance Guarantor. Until the Final Termination Date:

(a) *[Reserved]*.

(b) Compliance with Laws. The Performance Guarantor shall comply with all applicable laws, rules, regulations and orders applicable to it (other than those specifically relating to any Anti-Corruption Laws, Anti-Money Laundering Laws or Sanctions) (including, without limitation, laws, rules and regulations relating to public utilities, energy delivery and sales, truth in lending, fair credit billing, fair credit reporting, equal credit opportunity, fair debt collection practices and privacy), except to the extent that the failure so to comply with such laws, rules and regulations would not have a Vistra Group Material Adverse Effect.

(c) Claims Pari Passu. The Performance Guarantor shall ensure that at all times the claims of the Beneficiaries against the Performance Guarantor under the Performance Guaranty rank at least *pari passu* with the claims of all its other unsecured and unsubordinated creditors (whether present or future) save those whose claims are preferred by any bankruptcy, insolvency, liquidation or other similar laws of general application.

(d) Merger.

(i) The Performance Guarantor shall not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Performance Guarantor is the surviving entity); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Performance Guarantor and its material Subsidiaries, taken as a whole, in one or more related transactions, to another Person, unless:

(1) either:

(A) the Performance Guarantor is the surviving entity; or

(e) Change of Business. The Performance Guarantor shall procure that no substantial change is made to the general nature and scope of the business of the Performance Guarantor from that carried on at the date hereof which would result in a Vistra Group Material Adverse Effect.

4. Separate Existence. Each of the Seller and the Servicer hereby acknowledges that the Purchasers, the Purchaser Agents and the Administrator are entering into the transactions contemplated by this Agreement and the other Transaction Documents in reliance upon the Seller's identity as a legal entity separate from the Servicer, each Originator, Vistra and their respective other Affiliates. Therefore, from and after the date hereof, each of the Seller and the Servicer shall take all steps specifically required by this Agreement to continue the Seller's identity as a separate legal entity and to make it apparent to third Persons that the Seller is an entity with assets and liabilities distinct from those of Vistra, the Servicer, each Originator, and any other Person, and is not a division of Vistra, the Servicer, the Originators, its or their respective other Affiliates or any other Person. Without limiting the generality of the foregoing and in addition to and consistent with the other covenants set forth herein, each of the Seller and the Servicer shall take such actions as shall be required in order to ensure each of the following until the Final Termination Date:

(a) The Seller will be a limited liability company whose primary activities are restricted in its limited liability company agreement to (i) purchasing or otherwise acquiring from any Originator, owning, holding, granting security interests or selling interests in Pool Assets; (ii) entering into agreements for the selling and servicing of the Receivables Pool; and (iii) conducting such other activities as it deems necessary or appropriate to carry out its primary activities.

(b) The Seller shall not engage in any business or activity, or incur any indebtedness or liability, other than as expressly permitted by the Transaction Documents.

(c) Not less than one independent manager (the "*Independent Manager*") shall be an individual who (i) is not, and has not at any time during the five-year period prior to his or her appointment as Independent Manager been, a direct, indirect or beneficial owner, officer, director, employee, affiliate, associate or supplier of Vistra, the Servicer or any of its or their Affiliates (other than his or her service as an independent manager or in a similar capacity of any such Person); and (ii) has at least three years of employment experience with one or more entities that provide, in the ordinary course of its businesses, advisory, management or placement services to issuers of securitization or structured finance instruments, agreements or securities. The limited liability company agreement of the Seller shall at all times provide that (i) the Seller's Manager (as defined in its limited liability company agreement) shall not approve, or take any other action to cause the filing of, a voluntary bankruptcy petition with respect to the Seller unless the Manager and the Independent Manager shall approve the taking of such action in writing before the taking of such action; and (ii) such provision cannot be amended without the prior written consent of the Independent Manager.

(d) The Independent Manager shall not at any time serve as a trustee in bankruptcy for the Seller, Vistra, the Servicer or any Originator or any of their respective other Affiliates.

(e) Any employee, consultant or agent of the Seller will be compensated from the Seller's funds for services provided to the Seller. The Seller will not engage any agents other than its attorneys, auditors, other professionals, a servicer and any other agent contemplated by the Transaction Documents for the Receivables Pool.

(f) The Seller will contract with the Servicer, to perform for the Seller all operations required on a daily basis to service the Receivables Pool. The Seller will pay the Servicer the Servicing Fee pursuant to the Transaction Documents. Except as otherwise permitted by this Agreement, the Seller will not incur any material indirect or overhead expenses for items shared with Vistra or the Servicer (or any other Affiliate thereof) that are not reflected in the Servicing Fee. To the extent, if any, that the Seller (or any Affiliate thereof) shares items of expenses not reflected in the Servicing Fee or the manager's fee, such as legal, auditing and other professional services, such expenses will be allocated to the extent practical on the basis of actual use or the value of services rendered, and otherwise on a basis reasonably related to the actual use or the value of services rendered; provided, that the Servicer may pay all (or any portion of) the expenses relating to the preparation, negotiation, execution and delivery of the Transaction Documents, including legal, agency and other fees.

(g) The Seller's operating expenses will not be paid by Vistra, the Servicer, any Originator or any other Affiliate thereof.

(h) The Seller's books and records will be maintained separately from those of Vistra, the Servicer or any Originator or any of their respective other Affiliates.

(i) The Seller's assets shall not be included in the consolidated financial statements of Vistra, the Servicer or any Originator or any of their respective other Affiliates unless required in accordance with GAAP and any such consolidated financial statements shall contain detailed notes clearly stating that (i) such Affiliates are separate legal entities and the Seller's assets and credit are not available to satisfy the debts and obligations of such Affiliates or any other Person and (ii) the Seller's assets shall be listed on the Seller's own separate balance sheet.

(j) The Seller's assets will be maintained in a manner that facilitates their identification and segregation from those of Vistra, the Servicer or any Originator or any of their respective other Affiliates.

(k) The Seller will strictly observe corporate formalities in its dealings with Vistra, the Servicer or any Originator or any of their respective other Affiliates, and ensure that funds or other assets of the Seller are not commingled with those of Vistra, the Servicer or any Originator or any of their respective other Affiliates except as permitted by this Agreement. The Seller shall not maintain joint bank accounts or other depository accounts to which Vistra, the Servicer or any Originator or any of their respective other Affiliates has independent access.

(l) The Seller will maintain arm's-length relationships with each of Vistra, the Servicer or any Originator (and any of their other Affiliates). Any Person that renders or otherwise furnishes services to the Seller will be compensated by the Seller at market rates for such services it renders or otherwise furnishes to the Seller. Neither the Seller, on the one hand, nor the Servicer or any Originator, on the other, will be or will hold itself out to be responsible for the debts of the other or the decisions or actions respecting the daily business and affairs of the other. The Seller and the Servicer will immediately correct any known misunderstanding with respect to the foregoing, and they will not operate or purport to operate as an integrated economic unit with respect to each other or in their dealing with any other entity.

(m) None of Vistra, the Servicer or other Originator shall pay the salaries of Seller's employees, if any.

(n) No Affiliate of the Seller shall advance funds to, or guaranty debts of, the Seller, except as otherwise provided herein or in the other Transaction Documents; provided, that an Affiliate of the Seller may provide funds to the Seller in connection with its capitalization.

(o) The Seller shall not guarantee, and shall not otherwise be liable, with respect to any obligation of any of its Affiliates.

(p) The Seller shall be, at all times, adequately capitalized to engage in the transactions contemplated in its limited liability company agreement.

(q) Each of the Seller and the Servicer will take such other actions as are necessary on its part to ensure that the facts and assumptions set forth in the opinion issued by Sidley Austin LLP, as counsel for the Seller, in connection with this Agreement relating to substantive consolidation issues, and in the certificates accompanying such opinion, remain true and correct in all material respects at all times.

(s) Notice of Change in Beneficial Ownership. The Performance Guarantor will promptly notify the Administrator and each Purchaser Agent of any change in the information provided in the Beneficial Ownership Certification for any of the Seller, the Servicer, the Performance Guarantor or any Originator that would result in a change to the list of beneficial owners identified therein.
