Morgan Securities LLC as representative of the several initial purchasers named in Schedule I thereto (the “Initial Purchasers”). The Purchase Agreement provides for the offer and sale (the “Offering”) by Vistra Operations, and the purchase by the Initial Purchasers, of \$1,300,000,000 aggregate principal amount of Vistra Operation’s 5.625% senior notes due 2027 (the “Notes”).

The Offering is expected to close on or about February 6, 2019, subject to customary closing conditions. The sale of the Notes will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), and the Notes will be sold on a private placement basis to persons reasonably believed to be qualified institutional buyers under Rule 144A under the Securities Act and outside the United States to non-U.S. persons in compliance with Regulation S under the Securities Act.

The Purchase Agreement contains customary representations, warranties, covenants and agreements by Vistra Operations, the Subsidiary Guarantors and the Initial Purchasers, including indemnification for certain liabilities under the Securities Act, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties.

The foregoing is only a brief description of the material terms of the Purchase Agreement and does not purport to be a complete description of the rights and obligations of the parties thereunder. Such description is qualified in its entirety by reference to the Purchase Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.1 and is incorporated by reference into this Item 1.01.

The Company intends to use the net proceeds from the Offering to fund a cash tender offer (the “Tender Offer”) to purchase for cash its outstanding 7.375% Senior Notes due 2022 (the “Notes”) for a maximum aggregate purchase price (excluding accrued and unpaid interest) of up to \$1,275,000,000, and pay any related fees and expenses thereof, and for general corporate purposes. The Company has retained one of the Initial Purchasers to act as lead dealer manager in connection with the Tender Offer and has agreed to reimburse it for its reasonable out-of-pocket expenses.

Additionally, affiliates of the Initial Purchasers are lenders under that certain credit agreement, dated October 3, 2016, by and among Vistra Operations, as borrower, the guarantors party thereto, the various lenders party, and Credit Suisse AG, Cayman Islands Branch, as administrative agent and collateral agent (as amended, the “Credit Agreement”), and will receive a portion of the net proceeds from the Offering to the extent such proceeds are used to repay borrowings under the Credit Agreement. Further, the Initial Purchasers and their affiliates have performed commercial banking, investment banking and advisory services for the Company and Vistra Operations from time to time for which they have received customary fees and reimbursement of expenses. The Initial Purchasers or their affiliates may, from time to time, engage in transactions with and perform services for the Company and Vistra Operations in the ordinary course of their business for which they may receive customary fees and reimbursement of expenses.

**Item 8.01. Other Events.**

On January 22, 2019, the Company issued a press release announcing its intention to commence the Offering. A copy of this press release is furnished herewith as Exhibit 99.1.

The terms and conditions of the Tender Offer and the Consent Solicitation are described in the Offer to Purchase and Consent Solicitation Statement, dated as of January 22, 2019, and the Letter of Transmittal and Consent relating thereto.

The Securities are to be issued under an indenture (the “Indenture”), to be dated as of the Closing Date (as defined below), between the Company and Wilmington Trust, National Association, as trustee (the “Trustee”). The Securities will be fully and unconditionally guaranteed (the “Guarantees”) by certain of the Company’s current and future subsidiaries, including (i) its current and future wholly owned domestic subsidiaries and (ii) Vistra Preferred Inc. and its wholly owned domestic subsidiaries (collectively, the “Guarantors”) that, in each case, from time to time are guarantors under the Credit Agreement, dated October 3, 2016, various lenders party thereto and Credit Suisse AG, Cayman Islands Branch, as successor administrative agent and successor collateral agent (as amended, the “Credit Agreement”). In connection with the sale of the Securities, the Company has prepared a preliminary offering memorandum, dated January 22, 2019 (as amended or supplemented at the date thereof, including any and all exhibits thereto and any information incorporated by reference therein, the “Preliminary Memorandum”), and a final offering memorandum, dated January 22, 2019 (as amended or supplemented at the Execution Time, including any and all exhibits thereto and any information incorporated by reference therein, the “Final Memorandum”). Each of the Preliminary Memorandum and the Final Memorandum sets forth certain information concerning

the Company and the Securities. The Company hereby confirms that it has authorized the use of the Disclosure Package, the Preliminary Memorandum and the Final Memorandum, and any amendment or supplement thereto, in connection with the offer and sale of the Securities by the Initial Purchasers. Unless stated to the contrary, any references herein to the terms “amend”, “amendment” or “supplement” with respect to the Disclosure Package, the Preliminary Memorandum and the Final Memorandum shall be deemed to refer to and include any information filed under the Exchange Act (as defined below) subsequent to the Execution Time that is incorporated by reference therein.

(jj) The Company will not take, directly or indirectly, any action or omit to take any action (such as issuing any press release relating to the Notes without an appropriate legend) that would result in the loss by the Initial Purchasers of the ability to rely on the stabilization safe harbor provided by (i) article 5 of the Market Abuse Regulation (EU) No 596/2014 and Commission Delegated Regulation (EU) 2016/1052 or (ii) the UK Financial Conduct Authority under section 137Q of the Financial Services and Markets Act 2000.

(mm) Neither the Company nor any of its subsidiaries has engaged in any dealings or transactions with or for the benefit of a Sanctioned Person, or with or in a Sanctioned Country, in the three years preceding the date hereof, nor does the Company or any of its subsidiaries have any plans to engage in dealings or transactions with or for the benefit of a Sanctioned Person, or with or in a Sanctioned Country.

(oo) Neither the Company nor any of its subsidiaries nor, to the knowledge of the Company, any director, officer, agent, employee, Affiliate or other person acting on behalf of the Company or any of its subsidiaries is aware of or has taken any action, directly or indirectly, that could result in a violation or a sanction for violation by any such person or entity of the Foreign Corrupt Practices Act of 1977 or the U.K. Bribery Act 2010, each as may be amended, or similar applicable law of any other relevant jurisdiction, or the applicable rules or regulations thereunder; and the Company and its subsidiaries have instituted and maintain policies and procedures to ensure compliance therewith. No part of the proceeds of the offering will be used, directly or indirectly, in violation of the Foreign Corrupt Practices Act of 1977 or the U.K. Bribery Act 2010, each as may be amended, or similar applicable law of any other relevant jurisdiction, or the applicable rules or regulations thereunder.

(pp) Except as disclosed in the Preliminary Memorandum and the Final Memorandum, the Company (i) does not have any material lending or other relationship with any Initial Purchaser or Affiliate of any Initial Purchaser and (ii) does not intend to use any of the proceeds from the sale of the Securities hereunder to repay any outstanding debt owed to any Affiliate of any Initial Purchaser.

Any certificate signed by any officer of the Company and delivered to the Representative or counsel for the Initial Purchasers as required by this Agreement or the Indenture in connection with the offering of the Securities contemplated hereby shall be deemed a representation and warranty by the Company, as to matters covered thereby, to each Initial Purchaser.

2. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company agrees to sell to each Initial Purchaser, and each Initial Purchaser agrees, severally and not jointly, to purchase from the Company, at a purchase price of 99.000% of the principal amount thereof, plus accrued interest, if any, from February 6, 2019 to the Closing Date, the principal amount of Securities set forth opposite such Initial Purchaser's name in Schedule I hereto.

3. Delivery and Payment. Delivery of and payment for the Securities shall be made at 10:00 A.M., New York City time, on February 6, 2019, or at such time on such later date not more than ten Business Days after the foregoing date as the Representative shall designate, which date and time may be postponed by agreement between the Representative and the Company or as provided in Section 9 hereof (such date and time of delivery and payment for the Securities being herein called the "Closing Date"). As used herein, "Business Day" shall mean any day other than a Saturday, a Sunday or a legal holiday or a day on which banking institutions or trust companies are authorized or obligated by law to close in The City of New York. Delivery of the Securities shall be made to the Representative for the respective accounts of the several Initial Purchasers against payment by the several Initial Purchasers through the Representative of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to the account specified by the Company. Delivery of the Securities shall be made through the facilities of The Depository Trust Company unless the Representative shall otherwise instruct.

4. Offering by Initial Purchasers. (a) Each Initial Purchaser acknowledges that the Securities have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

(b) Solely in connection with the offering of the Securities, each Initial Purchaser, severally and not jointly, represents and warrants to and agrees with the Company that:

(i) it has not offered or sold, and will not offer or sell, any Securities within the United States or to, or for the account or benefit of, U.S. persons (x) as part of their distribution at any time or (y) otherwise until 40 days after the later of the commencement of the offering and the date of the closing of the offering except:

- (A) in the case of sales to those it reasonably believes to be "qualified institutional buyers" as permitted by Rule 144A under the Securities Act; or
- (B) in accordance with Rule 903 of Regulation S;

- 
- (ii) neither it nor any person acting on its behalf has made or will make offers or sales of the Securities in the United States by means of General Solicitation, other than any General Solicitation included in Schedule III hereto;
- (iii) in connection with each sale pursuant to Section 4(b)(i)(A), it has taken or will take reasonable steps to ensure that the purchaser of such Securities is aware that such sale may be made in reliance on Rule 144A;
- (iv) neither it, nor any of its Affiliates nor any person acting on its or their behalf has engaged or will engage in any directed selling efforts (within the meaning of Regulation S) with respect to the Securities;
- (v) it is an “accredited investor” (as defined in Rule 501(a) of Regulation D);
- (vi) it has complied and will comply with the offering restrictions requirement of Regulation S;
- (vii) at or prior to the confirmation of sale of Securities (other than a sale of Securities pursuant to Section 4(b)(i)(A) of this Agreement), it shall have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases Securities from it during the distribution compliance period (within the meaning of Regulation S) a confirmation or notice to substantially the following effect:
- “The Securities covered hereby have not been registered under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (the “Securities Act”) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering and the date of closing of the offering, except in either case in accordance with Regulation S or Rule 144A under the Securities Act. Additional restrictions on the offer and sale of the Securities are described in the offering memorandum for the Securities. Terms used in this paragraph have the meanings given to them by Regulation S.”;
- (viii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the “FSMA”)) received by it in connection with the issue or sale of any Securities, in circumstances in which Section 21(1) of the FSMA does not apply to the Company;
- (ix) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Securities in, from or otherwise involving the United Kingdom;

---

(x) it acknowledges that additional restrictions on the offer and sale of the Securities are described in the Disclosure Package and the Final Memorandum; and

(xi) in relation to each Member State of the European Economic Area, it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available, any Securities to any retail investor in the European Economic Area. For the purposes of this provision the expression “retail investor” means a person who is one (or more) of the following:

- (A) a retail client as defined in point (11) of Article 4(1) of Directive 2014/5/EU (as amended, “MiFID II”); or
- (B) a customer within the meaning of Directive 2002/92/EC (as amended, the “Insurance Mediation Directive”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
- (C) not a qualified investor as defined in Directive 2003/71/EC (as amended, the “Prospectus Directive”); and

the expression “offer” includes the communication in any form and by any means of sufficient information on the terms of the offer and the notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes.

5. Agreements. The Company and each of the Guarantors, jointly and severally, agree with each Initial Purchaser that:

(a) The Company will furnish to each Initial Purchaser and to counsel for the Initial Purchasers, without charge, during the period referred to in Section 5(c) below, as many copies of the materials contained in the Disclosure Package and the Final Memorandum and any amendments and supplements thereto as the Initial Purchasers may reasonably request.

(b) The Company will prepare a final term sheet, containing solely a description of final terms of the Securities and the offering thereof, in the form approved by you and attached as Schedule II hereto.

(c) The Company will not amend or supplement the Disclosure Package or the Final Memorandum other than by the Parent filing documents under the Exchange Act that are incorporated by reference therein without the prior written consent of the Representative (such consent not to be unreasonably withheld, conditioned or delayed); provided, however, that prior to the completion of the distribution of the Securities by the Initial Purchasers (as defined by the opinion of counsel (including internal counsel) to the Initial Purchasers), the Company shall ensure that no document be filed under the Exchange Act that is incorporated by reference in the Disclosure Package or the Final Memorandum unless, prior to such proposed filing, the Company has provided the Representative with a copy of such document for their review and the Representative has not reasonably objected to the filing of such document. The Company will

---

promptly advise the Representative when any document filed under the Exchange Act that is incorporated by reference in the Disclosure Package of the Final Memorandum shall have been filed with the Securities and Exchange Commission (the "Commission").

(d) If at any time prior to the completion of the sale of the Securities by the Initial Purchasers, any event occurs as a result of which the Disclosure Package or the Final Memorandum, as then amended or supplemented, would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made or the circumstances then prevailing, not misleading, or if it should be necessary to amend or supplement the Disclosure Package or the Final Memorandum to comply with applicable law, the Company will promptly (i) notify the Representative of any such event; (ii) subject to the requirements of Section 5(c), prepare an amendment or supplement that will correct such statement or omission or effect such compliance; and (iii) supply any supplemented or amended Disclosure Package or Final Memorandum to the several Initial Purchasers and counsel for the Initial Purchasers without charge in such quantities as they may reasonably request.

(e) Without the prior written consent of the Representative, the Company has not given and will not give to any prospective purchaser of the Securities any written information concerning the offering of the Securities other than materials contained in the Disclosure Package, the Final Memorandum or any other offering materials prepared by or with the prior written consent of the Representative.

(f) The Company will arrange, if necessary, for the qualification of the Securities for sale by the Initial Purchasers under the laws of such jurisdictions as the Representative may designate (including certain provinces of Canada) and will maintain such qualifications in effect so long as required for the sale of the Securities; provided that in no event shall the Company be obligated to (i) qualify to do business in any jurisdiction where it is not now so qualified, (ii) subject itself to taxation in any jurisdiction where it is not presently so subject or (iii) take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject. The Company will promptly advise the Representative of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose.

(g) The Company will not, and will not permit any of its Affiliates to, resell any Securities that have been acquired by any of them and that constitute "restricted securities" under Rule 144 under the Securities Act.

(h) None of the Company, its Affiliates, or any person acting on its or their behalf will, directly or indirectly, make offers or sales of any security, or solicit offers to buy any security, under circumstances that, as a result of the doctrine of "integration" referred to in Rule 502 under the Securities Act, would require the registration of the Securities under the Securities Act.

(i) None of the Company, its Affiliates, or any person acting on its or their behalf will engage in any directed selling efforts (within the meaning of Regulation S) with respect to the Securities; and each of them will comply with the offering restrictions requirement of Regulation S.

---

(j) None of the Company, its Affiliates, or any person acting on its or their behalf will engage in any General Solicitation with respect to the offer or sale of the Securities, other than any General Solicitation in respect of which the Representative has given its prior written consent; provided that the prior written consent of the Representative shall be deemed to have been given in respect of the General Solicitation included in Schedule III hereto.

(k) For so long as any of the Securities are outstanding and are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Company, during any period in which it is not subject to and in compliance with Section 13 or 15(d) of the Exchange Act, will provide to each holder of such restricted securities and to each prospective purchaser (as designated by such holder) of such restricted securities, upon the request of such holder or prospective purchaser, any information required to be provided by Rule 144A(d)(4) under the Securities Act. This covenant is intended to be for the benefit of the holders, and the prospective purchasers designated by such holders, from time to time of such restricted securities.

(l) The Company will cooperate with the Representative and use its best efforts to permit the Securities to be eligible for clearance and settlement through The Depository Trust Company.

(m) The Company will use the net proceeds received from the sale of the Securities pursuant to this Agreement in the manner specified in the Disclosure Package and the Final Memorandum.

(n) Each of the Securities will bear, to the extent applicable, the legend contained in “Notice to Investors” in the Preliminary Memorandum and the Final Offering Memorandum for the time period and upon the other terms stated therein.

(o) The Company will not for a period of 30 days following the Execution Time, without the prior written consent of J.P. Morgan Securities LLC (“JPM”) offer, sell, contract to sell, pledge, otherwise dispose of, or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company or any Affiliate of the Company or any person in privity with the Company or any Affiliate of the Company), directly or indirectly, or announce the offering, of any debt securities issued or guaranteed by the Company (other than the Securities).

(p) The Company will not take, directly or indirectly, any action designed to, or that has constituted or that might reasonably be expected to, cause or result, under the Exchange Act or otherwise, in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(q) The Company will furnish to the Representative at any time when any Securities remain outstanding, copies of all materials required to be delivered under the Indenture to holders of Securities, except to the extent such materials are filed by the Company with the Commission and are publicly available.

---

(r) The Company shall ensure that the Parent complies with all applicable securities and other laws, rules and regulations, including, without limitation, the Sarbanes-Oxley Act, and use its best efforts to cause the Parent's directors and officers, in their respective capacities as such, to comply with such laws, rules and regulations, including, without limitation, the provisions of the Sarbanes-Oxley Act.

(s) The Company and each of the Guarantors, jointly and severally, agree to pay the costs and expenses relating to the following matters: (i) the preparation of the Indenture and the issuance of the Securities and the Guarantees and the fees of the Trustee; (ii) the preparation, printing or reproduction of the materials contained in the Disclosure Package and the Final Memorandum and each amendment or supplement to either of them; (iii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the materials contained in the Disclosure Package and the Final Memorandum, and all amendments or supplements to either of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Securities and the Guarantees; (iv) the preparation, printing, authentication, issuance and delivery of the Securities; (v) any stamp or transfer taxes in connection with the original issuance and sale of the Securities; (vi) the printing (or reproduction) and delivery of this Agreement, any blue sky memorandum and all other agreements or documents printed (or reproduced) and delivered in connection with the offering of the Securities and the Guarantees; (vii) any registration or qualification of the Securities and the Guarantees for offer and sale under the securities or blue sky laws of the several states, the provinces of Canada and any other jurisdictions specified pursuant to Section 5(e) (including filing fees and the reasonable fees and expenses of counsel for the Initial Purchasers relating to such registration and qualification); (viii) the transportation and other expenses incurred by or on behalf of Company representatives in connection with presentations to prospective purchasers of the Securities; (ix) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including local and special counsel) for the Company; and (x) all other costs and expenses incident to the performance by the Company of its obligations hereunder.

6. Conditions to the Obligations of the Initial Purchasers. The obligations of the Initial Purchasers to purchase the Securities shall be subject to the accuracy of the representations and warranties of the Company and the Guarantors contained herein at the Execution Time and the Closing Date, to the accuracy of the statements of the Company and the Guarantors made in any certificates delivered pursuant to the provisions hereof, to the performance by the Company and the Guarantors of their respective obligations hereunder and to the following additional conditions:

(a) The Company shall have requested and caused (i) Sidley Austin LLP, counsel for the Company, to furnish to the Representative its opinion and negative assurance letter, each dated the Closing Date and addressed to the Representative, substantially in the form of Exhibit A-1 hereto and (ii) Vinson & Elkins LLP, tax counsel for the Company, to furnish to the Representative its opinion, dated as of the Closing Date and addressed to the Representative, substantially in the form of Exhibit A-2 hereto.

(c) The Company shall have requested and caused local counsel for each applicable Guarantor to furnish the Representative their respective opinions, dated the Closing Date and addressed to the Representative, substantially in the form of Exhibit C-1 (for subsidiaries incorporated or formed in Massachusetts and Pennsylvania), Exhibit C-2 (for subsidiaries incorporated or formed in Ohio) and Exhibit C-3 (for subsidiaries incorporated or formed in Virginia) hereto.

(d) The Representative shall have received from Sullivan & Cromwell LLP, counsel for the Initial Purchasers, such opinion or opinions, dated the Closing Date and addressed to the Representative, with respect to the issuance and sale of the Securities, the Indenture, the Disclosure Package, the Final Memorandum (as amended or supplemented at the Closing Date) and other related matters as the Representative may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

(e) The Company shall have furnished to the Representative a certificate of the Company, signed by (x) the chief executive officer of the Company and (y) the principal financial or accounting officer of the Company, dated the Closing Date, to the effect that the signers of such certificate have carefully examined the Disclosure Package and the Final Memorandum and any supplements or amendments thereto and this Agreement and that:

(i) the representations and warranties of the Company in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date, and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date; and

(ii) since the date of the most recent financial statements included in the Disclosure Package and the Final Memorandum (exclusive of any amendment or supplement thereto), there has been no material adverse change in the condition (financial or otherwise), prospects, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Memorandum (exclusive of any amendment or supplement thereto).

(f) At the Execution Time and at the Closing Date, (i) the Company shall have requested and caused Deloitte & Touche LLP and Ernst & Young LLP to furnish to the Representative customary comfort letters, dated respectively as of the Execution Time and as of the Closing Date, in form and substance reasonably satisfactory to the Representative and confirming that they are independent accountants within the meaning of the Exchange Act and the applicable published rules and regulations thereunder and (ii) the Company shall have furnished to the Representative a certificate of its chief financial officer, dated respectively as of

the Execution Time and as of the Closing Date, in form and substance satisfactory to the Representative and providing “management comfort” with respect to certain financial information contained in the Disclosure Package and the Final Memorandum.

(g) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Disclosure Package (exclusive of any amendment or supplement thereto) and the Final Memorandum (exclusive of any amendment or supplement thereto), there shall not have been (i) any change or decrease specified in the letter or letters referred to in paragraph (f) of this Section 6; or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), prospects, business or properties of the Company and its subsidiaries taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Memorandum (exclusive of any amendment or supplement thereto), the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representative, so material and adverse as to make it impractical or inadvisable to proceed with the offering or delivery of the Securities as contemplated in the Disclosure Package and the Final Memorandum (exclusive of any amendment or supplement thereto).

(h) The Securities shall be eligible for clearance and settlement through The Depository Trust Company.

(i) Subsequent to the Execution Time, there shall not have been any decrease in the rating of any of the Company’s or the Parent’s debt securities by any “nationally recognized statistical rating organization” (as defined for purposes of Rule 3(a)(62) under the Exchange Act) or any notice given of any intended or potential decrease in any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(j) Prior to the Closing Date, the Company shall have furnished to the Representative such further information, certificates and documents as the Representative may reasonably request.

If any of the conditions specified in this Section 6 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representative and counsel for the Initial Purchasers, this Agreement and all obligations of the Initial Purchasers hereunder may be cancelled at, or at any time prior to, the Closing Date by the Representative. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 6 will be delivered at the office of counsel for the Initial Purchasers, at 1888 Century Park East, Suite 2100, Los Angeles, California 90067, on the Closing Date.

7. Reimbursement of Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Initial Purchasers set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Company to perform any agreement

---

herein or comply with any provision hereof other than by reason of a default by any of the Initial Purchasers, the Company will reimburse the Initial Purchasers severally through JPM on demand for all reasonable and documented expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

8. Indemnification and Contribution. (a) The Company and the Guarantors, jointly and severally, agree to indemnify and hold harmless each Initial Purchaser, the directors, officers, employees, Affiliates and agents of each Initial Purchaser and each person who controls any Initial Purchaser within the meaning of either the Securities Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act, the Exchange Act or other U.S. federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities or actions in respect thereof arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Memorandum, the Final Memorandum, any Issuer Written Information, any General Solicitation, or any other written information used by or on behalf of the Company or the Guarantors in connection with the offer or sale of the Securities, or in any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company and the Guarantors will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made in the Preliminary Memorandum, the Final Memorandum, or in any amendment thereof or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Initial Purchaser through the Representative specifically for inclusion therein. This indemnity agreement will be in addition to any liability that the Company or the Guarantors may otherwise have.

(b) Each Initial Purchaser severally, and not jointly, agrees to indemnify and hold harmless the Company, each Guarantor, their respective directors and officers, and each person who controls the Company or the Guarantors within the meaning of either the Securities Act or the Exchange Act, to the same extent as the foregoing indemnity to each Initial Purchaser, but only with reference to written information relating to such Initial Purchaser furnished to the Company by or on behalf of such Initial Purchaser through the Representative specifically for inclusion in the Preliminary Memorandum or the Final Memorandum (or in any amendment or supplement thereto). This indemnity agreement will be in addition to any liability that any Initial Purchaser may otherwise have. The Company and the Guarantors acknowledge that (i) the statements set forth in the last paragraph of the cover page regarding delivery of the Securities and (ii) under the heading "Plan of Distribution", the eighth and ninth paragraphs related to covering and stabilizing transactions in the Preliminary Memorandum and the Final Memorandum constitute the only information furnished in writing by or on behalf of the Initial Purchasers for inclusion in the Preliminary Memorandum or the Final Memorandum or in any amendment or supplement thereto.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel (including local counsel) of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel, other than local counsel if not appointed by the indemnifying party, retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel (including local counsel) to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded upon the advice of counsel that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent: (i) includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 8 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company and the Guarantors, jointly and severally, and the Initial Purchasers severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending any loss, claim, damage, liability or action) (collectively "Losses") to which the Company and the Guarantors and one or more of the Initial Purchasers may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors on the one hand and by the Initial Purchasers on the other from the offering of the Securities. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company and the

Guarantors, jointly and severally, and the Initial Purchasers severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company and the Guarantors on the one hand and the Initial Purchasers on the other in connection with the statements or omissions that resulted in such Losses, as well as any other relevant equitable considerations. Benefits received by the Company and the Guarantors shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by the Company, and benefits received by the Initial Purchasers shall be deemed to be equal to the total purchase discounts and commissions. Relative fault shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company and the Guarantors on the one hand or the Initial Purchasers on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company, the Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation that does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), in no event shall any Initial Purchaser be required to contribute any amount in excess of the amount by which the total purchase discounts and commissions received by such Initial Purchaser with respect to the offering of the Securities exceeds the amount of any damages that such Initial Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls an Initial Purchaser within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee, Affiliate and agent of an Initial Purchaser shall have the same rights to contribution as such Initial Purchaser, and each person who controls the Company and the Guarantors within the meaning of either the Securities Act or the Exchange Act and each officer and director of the Company and the Guarantors shall have the same rights to contribution as the Company and the Guarantors, subject in each case to the applicable terms and conditions of this paragraph (d).

9. Default by an Initial Purchaser. If any one or more Initial Purchasers shall fail to purchase and pay for any of the Securities agreed to be purchased by such Initial Purchaser hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Initial Purchasers shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Securities set forth opposite their names on Schedule I hereto bears to the aggregate principal amount of Securities set forth opposite the names of all the remaining Initial Purchasers on Schedule I hereto) the Securities which the defaulting Initial Purchaser or Initial Purchasers agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of Securities which the defaulting Initial Purchaser or Initial Purchasers agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule I hereto, the remaining Initial Purchasers shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Initial Purchasers do not purchase all the Securities, this Agreement will terminate without liability to any nondefaulting Initial Purchaser or the Company. In the event of a default by any Initial Purchaser as set forth in this Section 9, the Closing Date shall be postponed for such period, not

exceeding five Business Days, as the Representative shall determine in order that the required changes in the Final Memorandum or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Initial Purchaser of its liability, if any, to the Company or any nondefaulting Initial Purchaser for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representative, by notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such time (i) trading of the common stock of the Parent shall have been suspended on the New York Stock Exchange or any other United States national securities exchange; (ii) trading in securities generally on the New York Stock Exchange shall have been suspended or limited or minimum prices shall have been established on such exchange; (iii) a banking moratorium shall have been declared either by U.S. federal or New York State authorities; (iv) there shall have occurred a material disruption in commercial banking or securities settlement or clearance services; or (v) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war or other calamity or crisis, in each case, the effect of which on financial markets is such as to make it, in the sole judgment of the Representative impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated in the Disclosure Package and the Final Memorandum (exclusive of any amendment or supplement thereto).

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company, the Guarantors or their officers and of the Initial Purchasers set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of the Initial Purchasers or the Company or any of the indemnified persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 7 and 8 hereof shall survive the termination or cancellation of this Agreement.

12. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to the Representative, will be mailed, delivered or telefaxed to 917-456-3534 and confirmed to J.P. Morgan at 383 Madison Avenue, New York, New York 10179, Attention: Catherine O'Donnell; or, if sent to the Company, will be mailed, delivered or telefaxed to 972-556-6119 and confirmed to it at 6555 Sierra Drive, Irving, Texas 75039, attention of the Legal Department.

13. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the indemnified persons referred to in Section 8 hereof and their respective successors, and, except as expressly set forth in Section 5(k) hereof, no other person will have any right or obligation hereunder.

14. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Initial Purchasers, or any of them, with respect to the subject matter hereof.

15. Applicable Law. This Agreement, and any claim, controversy or dispute arising under or related to this Agreement, will be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York.

---

16. Waiver of Jury Trial. The Company hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

17. No Fiduciary Duty. The Company and the Guarantors hereby acknowledge that (a) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company and the Guarantors, on the one hand, and the Initial Purchasers and any Affiliate through which it may be acting, on the other, (b) the Initial Purchasers are acting as principal and not as an agent or fiduciary of the Company or the Guarantors and (c) the Company's and the Guarantors' engagement of the Initial Purchasers in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, the Company and the Guarantors agree that they are solely responsible for making their own judgments in connection with the offering (irrespective of whether any of the Initial Purchasers has advised or is currently advising the Company or the Guarantors on related or other matters). The Company and the Guarantors agree that they will not claim that the Initial Purchasers have rendered advisory services of any nature or respect, or owe an agency, fiduciary or similar duty to the Company or the Guarantors, in connection with such transaction or the process leading thereto.

18. Waiver of Tax Confidentiality. Notwithstanding anything herein to the contrary, purchasers of the Securities (and each employee, representative or other agent of a purchaser) may disclose to any and all persons, without limitation of any kind, the U.S. tax treatment and U.S. tax structure of any transaction contemplated herein and all materials of any kind (including opinions or other tax analyses) that are provided to the purchasers of the Securities relating to such U.S. tax treatment and U.S. tax structure, other than any information for which nondisclosure is reasonably necessary in order to comply with applicable securities laws.

19. Counterparts. This Agreement may be signed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same agreement.

20. Headings. The section headings used herein are for convenience only and shall not affect the construction hereof.

21. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Initial Purchaser that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Initial Purchaser of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Initial Purchaser that is a Covered Entity or a BHC Act Affiliate of such Initial Purchaser becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Initial Purchaser are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

(c) For the purpose of this Section 21,

- (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“U.S. Special Resolution Regime” means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

If the foregoing is in accordance with your understanding of our agreement, please sign and return to us the enclosed duplicate hereof, whereupon this letter and your acceptance shall represent a binding agreement between the Company and the several Initial Purchasers.

(vi) The Guarantee by each Covered Guarantor has been duly authorized by each Covered Guarantor. ---

Based on such facts and subject to the qualifications, assumptions and limitations set forth herein and in the Preliminary Memorandum and Final Memorandum, we hereby confirm that the statements in the Preliminary Memorandum and Final Memorandum under the caption "Certain U.S. Federal Income Tax Considerations," insofar as such statements purport to constitute summaries of United States federal income tax law and regulations or legal conclusions with respect thereto, have been reviewed by us and are accurate in all material respects.

**EXHIBIT B**  
**OPINION OF VISTRA OPERATIONS COMPANY LLC**  
**GENERAL COUNSEL**

---

Based on and subject to the foregoing and the other limitations, qualifications, exceptions and assumptions set forth herein, I am of the opinion that the Company has an authorized capitalization as set forth in the Preliminary Offering Memorandum and the Offering Memorandum under the heading "Capitalization" and all of the outstanding shares of capital stock or other equity interests of each Guarantor have been duly and validly authorized and issued, and, in the case of capital stock, are fully paid and non-assessable. I am also of the opinion that there is no pending or, to my knowledge, threatened action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any of its subsidiaries or its or their property that is not adequately disclosed in the Preliminary Offering Memorandum and Offering Memorandum, except in each case for such proceedings that, if the subject of an unfavorable decision, ruling or finding would not singly or in the aggregate, have a Material Adverse Effect as such term is defined in the Purchase Agreement.

---

## NEWS RELEASE

### Vistra Energy Prices Upsized Private Offering of \$1.3 Billion of Senior Notes; Announces Cash Tender Offer and Consent Solicitation

IRVING, Texas, January 22, 2019 — Vistra Energy Corp. (NYSE: VST) (the “Company” or “Vistra Energy”) announced today the pricing of an upsized private offering (the “Offering”) of \$1.3 billion aggregate principal amount of senior notes due 2027 (the “2027 Notes”) to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to certain non-U.S. persons in accordance with Regulation S under the Securities Act. The 2027 Notes will be senior, unsecured obligations of Vistra Operations Company LLC, a Delaware limited liability company and an indirect, wholly owned subsidiary of the Company (the “Issuer”). The 2027 Notes will bear interest at the rate of 5.625% per annum and will be fully and unconditionally guaranteed by certain of the Issuer’s current and future subsidiaries. The Offering is expected to close on February 6, 2019, subject to customary closing conditions. The purpose of the Offering is (i) to purchase and/or redeem for cash outstanding 2022 Notes (as defined below), (ii) to pay fees and expenses related to the Offering and incurred in connection with the Tender Offer (as defined below) and/or redemption and (iii) for general corporate purposes. The 2027 Notes will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements.

The Company also announced today that it is commencing a cash tender offer (the “Tender Offer”) to purchase its outstanding 7.375% Senior Notes due 2022 (the “2022 Notes”) for a maximum aggregate purchase price (excluding accrued and unpaid interest) of up to \$1.275 billion (subject to increase or decrease by the Company, the “Aggregate Maximum Tender Amount”).

The price offered in the Tender Offer for the 2022 Notes and other information relating to the Tender Offer and the Consent Solicitation (as defined below) are set forth in the table below.

Issuer <sup>(1)</sup>	Title of Notes	CUSIP Number	Aggregate Principal Amount Outstanding	Dollars per \$1,000 Principal Amount of 2022 Notes		
				Tender Offer Consideration <sup>(2)</sup>	Early Tender Premium <sup>(3)</sup>	Total Consideration <sup>(2),(3)</sup>
Vistra Energy Corp.	2022 Notes	26817RAN8	\$1,707,341,000	\$1,008.38	\$30.00	\$1,038.38

(1) Vistra Energy Corp. is successor in interest to Dynege Inc. as a result of their merger, which closed on April 9, 2018.

(2) Excludes accrued and unpaid interest, which will be paid in addition to the Tender Offer Consideration or the Total Consideration, as applicable.

(3) No separate consent payment or fee is being paid to holders in the Consent Solicitation.

In conjunction with the Tender Offer, the Company is soliciting (the “Consent Solicitation”) consents (the “Consents”) from each holder (individually, a “Holder,” and collectively, the “Holders”) of the 2022 Notes, subject to the terms and conditions set forth in the Offer to Purchase (as defined below), to certain proposed amendments (the “Proposed Amendments”) to the indenture dated as of October 27, 2014 (as supplemented, the “Indenture”), among Vistra Energy (as successor in interest to Dynegy), the subsidiary guarantors party thereto and Wilmington Trust, as trustee. The Proposed Amendments would amend the Indenture as described herein to, among other things, decrease the minimum notice period for redemptions of the 2022 Notes to three business days (the “Redemption Amendment”) and eliminate substantially all of the restrictive covenants and certain events of default under the Indenture (the “Covenant Amendments”). Delivery of Consents to the Proposed Amendments by Holders of at least a majority of the aggregate principal amount of the 2022 Notes is required for the adoption of the Proposed Amendments with respect to the 2022 Notes. In the event of any proration of the 2022 Notes, the Consents delivered with respect to the 2022 Notes shall be null and void for purposes of the Covenant Amendments, but they shall be effective for purposes of the Redemption Amendment regardless of proration.

The Tender Offer and Consent Solicitation are being made upon the terms and subject to the conditions set forth in the Offer to Purchase and Consent Solicitation Statement, dated January 22, 2019 (as the same may be amended or supplemented from time to time, the “Offer to Purchase”), including the Financing Condition (as defined below) and in the related Letter of Transmittal and Consent (as the same may be amended or supplemented from time to time, the “Letter of Transmittal” and, together with the Offer to Purchase, the “Tender Offer Materials”). The Tender Offer and the Consent Solicitation are open to all registered Holders of the 2022 Notes. The Company reserves the right, but is under no obligation, to increase the Aggregate Maximum Tender Amount, without extending withdrawal rights except as required by law. The amount of 2022 Notes to be purchased may be prorated as set forth in the Offer to Purchase.

Subject to the terms and conditions of the Tender Offer, each Holder who validly tenders and does not subsequently validly withdraw its 2022 Notes at or prior to 5:00 p.m., New York City time, on February 4, 2019 (the “Early Tender Date”) will be entitled to receive the Total Consideration (as set forth in the table above), plus accrued and unpaid interest up to, but not including, the Early Settlement Date (as defined below) if and when such 2022 Notes are accepted for payment. Holders who validly tender their 2022 Notes after the Early Tender Date but at or prior to midnight, New York City time, on February 19, 2019, or such other date as the Company extends the Tender Offer or Consent Solicitation (such date and time, as it may be extended, the “Expiration Date”) will be entitled to receive only tender offer consideration (the “Tender Offer Consideration”) equal to the Total Consideration less the Early Tender Premium (as set forth in the table above), plus accrued and unpaid interest up to, but not including, the applicable settlement date, if and when such 2022 Notes are accepted for payment.

Payments for the 2022 Notes purchased will include accrued and unpaid interest from and including the last interest payment date applicable to the 2022 Notes up to, but not including, the applicable settlement date for the 2022 Notes accepted for purchase. The settlement date for the 2022 Notes that are validly tendered on or prior to the Early Tender Date is expected to be February 6, 2019, two business days following the scheduled Early Tender Date (the “Early Settlement Date”). The settlement date for the 2022 Notes that are validly tendered following the Early Tender Date but on or prior to the Expiration Date is expected to be February 20, 2019, one business day following the scheduled Expiration Date (the “Final Settlement Date”).

Vistra Energy’s obligation to accept for purchase, and to pay for, the 2022 Notes validly tendered pursuant to the Tender Offer is subject to, and conditioned upon, among other things, the receipt by the Company of the net proceeds expected from the Offering (on terms and conditions reasonably satisfactory to the Company, the “Financing Condition”). We expect to use the net proceeds from the Financing Condition to finance our payments

of the Tender Offer Consideration and the Total Consideration, as applicable, and any fees payable in connection with the Tender Offer and Consent Solicitation, subsequent to the date hereof and on or prior to the Final Settlement Date.

The Company's obligation to consummate the Tender Offer is subject to the Financing Condition and the General Conditions (as defined in the Offer to Purchase). The Tender Offer is not contingent upon the tender of any minimum principal amount of 2022 Notes or obtaining the Requisite Consent (as defined in the Offer to Purchase).

The Company also intends to issue a conditional notice of redemption for 2022 Notes that are not accepted for purchase in the Tender Offer and Consent. The notice of redemption will be conditioned upon, among other things, the satisfaction of the Financing Condition, and will provide that if the conditions to the Tender Offer are satisfied but less than the Aggregate Maximum Tender Amount is purchased in the Tender Offer, the Company will redeem 2022 Notes for an aggregate purchase price (excluding accrued interest) equal to the Aggregate Maximum Tender Amount minus the aggregate purchase price (excluding accrued interest) for 2022 Notes accepted for payment in the Tender Offer (the "Redemption"). If the conditions to the Redemption are satisfied, we expect that the Redemption would occur on or about February 21, 2019 at the then-applicable redemption price of 103.688%. In the event that the conditions specified in the notice of redemption are not satisfied, the redemption will not occur.

Vistra Energy has retained J.P. Morgan Securities LLC to serve as the Lead Dealer Manager and Solicitation Agent for the Tender Offer and Consent Solicitation. Global Bondholder Services Corporation has been retained to serve as the Depositary and Information Agent for the Tender Offer. Questions regarding the Tender Offer may be directed to J.P. Vistra Energy is making the Tender Offer only by, and pursuant to, the terms of the Tender Offer Materials. None of Vistra Energy, the Lead Dealer Manager and Solicitation Agent, or the Depositary and Information Agent make any recommendation as to whether Holders should tender or refrain from tendering their 2022 Notes and delivering Consents. Holders must consult their own investment and tax advisors and make their own decisions as to whether to tender 2022 Notes and deliver Consents and, if so, the principal amount of the 2022 Notes to tender. The Tender Offer and Consent Solicitation are not being made to holders of the 2022 Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction. In any jurisdiction in which the securities laws or blue sky laws require the Tender Offer to be made by a licensed broker or dealer, the Tender Offer will be deemed to be made on behalf of Vistra Energy by the Lead Dealer Manager and Solicitation Agent, or one or more registered brokers or dealers that are licensed under the laws of such jurisdiction.

This press release does not constitute an offer to purchase securities or a solicitation of an offer to sell any securities or an offer to sell or the solicitation of an offer to purchase any new securities, including in connection with the Financing Condition, nor does it constitute an offer or solicitation in any jurisdiction in which such offer or solicitation is unlawful. Capitalized terms used in this press release but not otherwise defined herein have the meanings assigned to them in the Tender Offer Materials.
