Item 1.01**Entry into a Material Definitive Agreement .**

On June 8, 2018, Altice Europe N.V., a Dutch public company with limited liability (*naamloze vennootschap*) (“Altice Europe”) ultimately controlled by Patrick Drahi through Next Alt S.à r.l. (“Next Alt”), implemented the previously announced separation of Altice USA, Inc., a Delaware corporation (“Altice USA”), and Altice Europe (the “Separation”) by means of a pro-rata distribution in kind of substantially all of the shares of common stock of Altice USA owned directly or indirectly by Altice Europe to the Altice Europe shareholders (the “Distribution”).

In connection with the Separation, on June 7, 2018, Altice USA entered into (a) a stockholders’ agreement (the “Post-Separation Stockholders’ Agreement”) with Next Alt and A4 S.A., an entity controlled by family members of Patrick Drahi (“A4”), and (b) an amended and restated stockholders and registration rights agreement (the “Post-Separation Stockholders and Registration Rights Agreement”) with Altice Europe, Next Alt, CVC 3 B.V., A4, Uppernext S.C.S.p., Neptune Holding US LP, funds advised by BC Partners LLP (“BCP”) and Canada Pension Plan Investment Board (“CPPIB”, and together with BCP, the “Sponsors”). Each of the Post-Separation Stockholders’ Agreement and the Post-Separation Stockholders and Registration Rights Agreement became effective simultaneously with the consummation of the Distribution.

Stockholders’ Agreement

Pursuant to the Post-Separation Stockholders’ Agreement, so long as any of Next Alt, A4, Mr. Drahi (or his heirs or entities or trusts directly or indirectly under his or their control or formed for his or their benefit) or any of their affiliates (collectively, the “PDR Group”) beneficially owns in the aggregate, at least 50% of the voting power of Altice USA’s outstanding capital stock, Next Alt shall have the right to designate six directors to the board of directors of Altice USA (the “Board”), and Altice USA shall cause the Board to consist of a majority of directors nominated by Next Alt. In the event that the PDR Group beneficially owns, in the aggregate, less than 50% of the voting power of Altice USA’s outstanding capital stock, Next Alt shall have the right to designate a number of directors to the Board equal to the total number of directors comprising the entire Board multiplied by the percentage of the voting power of Altice USA’s outstanding common stock beneficially owned, in the aggregate, by the PDR Group, rounding up in the case of any resulting fractional number, and in the event that the PDR Group beneficially owns, in the aggregate, less than 50% of the voting power of Altice USA’s outstanding capital stock, Next Alt shall not have the right to designate a number of directors to the Board equal to or exceeding 50% of directors comprising the entire Board. One of Next Alt’s designated nominations must be an individual designated by A4, and Next Alt has agreed to vote its shares in favor of electing the individual designated by A4. If a director designated by Next Alt or by A4 resigns or is removed from the Board, as the case may be, only another director designated by Next Alt or by A4, as the case may be, may fill the vacancy. After the PDR Group ceases to beneficially own at least 20% of the voting power of Altice USA’s outstanding common stock, Next Alt shall cease to have the right to designate any director nominees for election to the Board. In the event that Mr. Drahi is not a member of the Board, one representative of the PDR Group shall have board observer rights so long as the PDR Group beneficially owns at least 20% of the voting power of Altice USA’s outstanding common stock.

Until the first date on which the PDR Group ceases to beneficially own at least 20% of the voting power of Altice USA’s outstanding common stock, notwithstanding anything to the contrary in Altice USA’s third amended and restated certificate of incorporation or Altice USA’s second amended and restated bylaws, or in the governing documents of any of Altice USA’s subsidiaries, without the prior written approval of Next Alt, Altice USA shall not (either directly or indirectly through an affiliate or otherwise or through one or a series of related transactions) take, or permit one of Altice USA’s subsidiaries to take, certain actions specified in the Post-Separation Stockholders’ Agreement, including, among other things, (a) effecting or consummating a change of control of Altice USA, (b) amending Altice USA’s third amended and restated certificate of incorporation or Altice USA’s second amended and restated bylaws, (c) electing, hiring, replacing or dismissing Altice USA’s Chief Executive Officer, Chief Financial Officer, or Chief Operating Officer, (d) decreasing or increasing the number of directors serving on the Board, (e) paying, declaring or setting aside any sums or other property for the payment of dividends on any Altice USA common stock or make any other distributions in respect of any Altice USA common stock or any warrants, options, rights or securities convertible into, exchangeable for or exercisable for, Altice USA common stock, and (f) amend, modify or supplement Altice USA’s Related-Party Transactions Policy.

Altice USA’s third amended and restated certificate of incorporation requires the written approval of Next Alt before Altice USA may take the actions specified in paragraphs (a) and (b) above.

Amended and Restated Stockholders and Registration Rights Agreement

Pursuant to the Post-Separation Stockholders and Registration Rights Agreement, Altice Europe and Next Alt have an unlimited number of “demand” registrations for the registration of the sale of Altice USA common stock in a minimum aggregate amount, which is the lowest of (i) \$100,000,000, (ii) one percent (1%) of the value of Shares (as such term is defined in the Post-

Separation Stockholders and Registration Rights Agreement) that are publicly traded as of the close of business on the most recent business day or (iii) such lesser amount as agreed by the Sponsors, Next Alt and Altice Europe. Additionally, the Post-Separation Stockholders and Registration Rights Agreement provides each of BCP and CPPIB with one “demand” registration during each twelve month period beginning on the date of the Post-Separation Stockholders and Registration Rights Agreement, subject to an exception, and customary “piggyback” registration rights to the Stockholders (as such term is defined in the Post-Separation Stockholders and Registration Rights Agreement). The Post-Separation Stockholders and Registration Rights Agreement also provides that Altice USA shall pay certain expenses relating to such registrations and indemnify, among others, Altice Europe, Next Alt, BCP and CPPIB against certain liabilities which may arise under the Securities Act. Each Sponsor also has the right to, among other things, designate one non-voting observer to the Board for so long as such Sponsor and certain of its affiliates own at least 4% of the issued and outstanding shares of Class A and Class B common stock (without regard to the voting power of such Class B common stock) and there is no director who is a designee of such Sponsor on the Board. Subject to certain exceptions, each non-voting observer shall be permitted to attend all meetings of the Board and the committees thereof.

The foregoing information is a summary of the Post-Separation Stockholders’ Agreement and the Post-Separation Stockholders and Registration Rights Agreement, and does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Post-Separation Stockholders’ Agreement and the Post-Separation Stockholders and Registration Rights Agreement, copies of which are attached hereto as Exhibit 10.1 and Exhibit 4.1, respectively, and are incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

In connection with the Separation and the entry into the Post-Separation Stockholders’ Agreement , Altice USA, Altice Europe and A4 terminated the stockholders’ agreement, dated as of June 27, 2017 (the “Pre-Separation Stockholders’ Agreement”), which was entered into by Altice USA, Altice Europe and A4 in connection with Altice USA’s initial public offering.

The Pre-Separation Stockholders’ Agreement is more fully described in Altice USA’s Registration Statement on Form S-1 (File No. 333-217240) and Registration Statement on Form S-1 (File No. 333- 222475) (as amended, the “2018 Registration Statement”), which descriptions are incorporated herein by reference. The descriptions of the Pre-Separation Stockholders’ Agreement incorporated by reference are not complete and are subject to and entirely qualified by reference to the full text of the Pre-Separation Stockholders’ Agreement.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers .

Election of Directors

As a result of the Distribution, Next Alt, A4, Mr. Drahi (or his heirs or entities or trusts directly or indirectly under his or their control or formed for his or their benefit) and their affiliates beneficially own in the aggregate, in excess of 50% of the voting power of Altice USA’s outstanding capital stock. Therefore, pursuant to the Post-Separation Stockholders’ Agreement, Next Alt has the right to designate six directors to the Board, and Altice USA is obligated to cause the Board to consist of a majority of directors nominated by Next Alt.

In connection with the Separation, the Board voted to increase the size of the Board from seven directors to nine directors and appointed Messrs. Patrick Drahi, Charles Stewart and Gerrit Jan Bakker, as designees of Next Alt pursuant to the Post-Separation Stockholders’ Agreement, to the Board to fill the resulting vacancies, in each case, effective upon the effectiveness of the Third Amended and Restated Certificate of Incorporation of Altice USA, which became effective at 12:01 a.m. EST on June 8, 2018. In addition, Mr. Drahi was appointed Chairman of the Board. Messrs. Drahi, Stewart and Bakker were not appointed to any committees of the Board.

Mr. Drahi, age 54, founded Altice Europe in 2002. Mr. Drahi is a graduate from the Ecole Polytechnique and Ecole Nationale Supérieure de Télécommunications and began his professional career with the Philips Group in 1988 where he was in charge of international marketing (UK, Ireland, Scandinavia, Asia) in satellite and cable TV (DTH, CATV, MMDS). In 1991, Mr. Drahi joined the US/Scandinavian group Kinnevik Millisat, where he was in charge of the development of private cable networks in Spain and France and was involved in the launch of commercial TV stations in Eastern Europe. In 1993, Mr. Drahi founded CMA, a consulting firm specialized in telecommunications and media, which was awarded a mandate from BCTV for the implementation of Beijing’s full service cable network. In addition, Mr. Drahi founded two Cable companies, Sud Câble Services (1994) and Médiaréseaux (1995), where he was involved in several network deployments and buyouts. When Médiaréseaux was taken over by UPC at the end of 1999, Mr. Drahi advised UPC on its M&A activities until mid-2001.

Mr. Stewart, age 48, has served as Co-President and Chief Financial Officer of Altice USA since 2015. Mr. Stewart joined Altice USA after 21 years of corporate, finance and investment banking experience in the United States, Latin America and Europe. Most recently, Mr. Stewart served as Chief Executive Officer of Itau BBA International plc from 2013 to 2015, where he oversaw Itau Unibanco's wholesale banking activities in Europe, the United States and Asia. Prior to that, he spent 19 years at Morgan Stanley as an investment banker in various roles, including 9 years focusing on the U.S. cable, broadcast and publishing industries. Mr. Stewart also acted as Deputy Head of Investment Banking for EMEA and was a member of the global investment banking management committee. Mr. Stewart is a graduate of Yale University.

Mr. Bakker, age 47, has over 12 years of experience in the telecommunications and media sector. Mr. Bakker currently serves as Group Treasurer at Altice Europe where Mr. Bakker is responsible for group wide treasury management activities including financial risk management, liquidity management, intercompany financing, internal banking services, equity related activities and management reporting. His previous experience also includes service in senior roles at Liberty Global plc where Mr. Bakker served as Deputy Treasurer. Mr. Bakker studied Public Administration and Business Administration at Erasmus University in Rotterdam, The Netherlands.

Mr. Drahi and Mr. Bakker will be entitled to the same compensation, indemnification and other benefits as Altice USA's other non-employee directors, which are described in Altice USA's Form 10-K/A filed on April 30, 2018 with the U.S. Securities and Exchange Commission ("SEC") which amends and supplements the Annual Report on Form 10-K of Altice USA. As an officer of Altice USA, Mr. Stewart will not receive any additional compensation in connection with his service on the Board.

Transactions with Related Persons

The following are descriptions of transactions involving entities that are controlled by Patrick Drahi and services performed by Mr. Drahi.

Master Separation Agreement

In connection with the Separation, on May 18, 2018, Altice USA entered into a Master Separation Agreement with Altice Europe (the "Master Separation Agreement"), which sets forth the agreements between Altice USA and Altice Europe regarding the principal actions to be taken in connection with the Separation and other agreements that govern certain aspects of the relationship between Altice USA and Altice Europe following the Separation. Altice Europe is ultimately controlled by Mr. Drahi through Next Alt. The description of the Master Separation Agreement included in Item 1.01 of Altice USA's Current Report on Form 8-K filed on May 24, 2018 is incorporated herein by reference. The Master Separation Agreement is filed as Exhibit 10.25 to Altice USA's 2018 Registration Statement. Altice Technical Services

Altice Technical Services US Corp. ("ATS") provides technical operating services to Altice USA, including field services, such as dispatch, customer installations, disconnects, service changes and other customer service visits, outside plant maintenance services and design and construction services for hybrid fiber-coaxial and fiber-to-the-home infrastructure. Altice USA acquired 100% of the equity interests in ATS for a de minimis amount in the first quarter of 2018. ATS was previously owned by Altice Europe and a member of ATS's management through a holding company. In light of Altice Europe's determination to focus on businesses other than Altice USA, Altice USA and Altice Europe concluded it is in Altice USA's and Altice Europe's interests for Altice USA to own and operate ATS. The ATS acquisition was approved by Altice USA's Audit Committee pursuant to the Altice USA Related-Party Transaction Approval Policy.

i24 News business

i24 News is a multi-language international news channel that distributes programming in Europe, Africa, the Middle East and the U.S. The i24 News business is composed of i24 news S.à r.l., i24 News France S.A.S. and i24 US Corp. (collectively, the "i24 Entities"), each of which were indirectly owned by Altice Europe. Altice USA acquired 100% of the equity interests in each i24 Entity from Altice Europe for approximately \$10,125,001. The terms of the purchase of i24 Entities were approved by Altice USA's Audit Committee pursuant to the Altice USA Related-Party Transaction Approval Policy.

Management Advisory and Consulting Services

Altice Europe provided consulting, advisory and other services to Altice USA in connection with Altice USA's acquisitions, divestitures, investments, capital raising, financial and business affairs for a quarterly fee. The Management Advisory and Consulting Services Agreement was terminated in connection with the Separation.

Neptune Holding US LP Transfer and Voting Agreement

On June 8, 2018, CVC 3 B.V. ("CVC 3"), a wholly owned subsidiary of Altice Europe transferred its control of the general partner of Neptune Holding US LP ("Holding LP") to Altice USA. CVC 3 maintains substantially the same rights as a limited partner in Holding LP after the Separation as it had prior to the Separation. In addition, Altice USA and Next Alt entered into an agreement pursuant to which Next Alt was granted a proxy to vote the shares of Altice USA common stock held by Holding LP. The description of the Post-Separation Stockholders and Registration Rights Agreement included in Item 1.01 to this Current Report on Form 8-K is incorporated by reference herein.

Compensation for Services

In light of Mr. Drahi's significant and ongoing direct contributions to the development and implementation of the Altice USA strategic vision, on December 30, 2017, nonqualified options to purchase 600,604 shares of our Class A common stock were granted under the Altice USA 2017 Long Term Incentive Plan ("2017 LTIP") to a personal holding company that is wholly owned and controlled by Mr. Drahi. The options have a grant date fair value of \$5,291,321. The options have a strike price of \$19.48 per share, cliff vest on December 21, 2020 and are generally subject to the provisions of Altice USA's form for nonqualified stock options, which was filed with the SEC on January 3, 2018 as Exhibit 99.1 to a Current Report on Form 8 K. In 2017, Mr. Drahi received transportation services valued at \$1,827 which reflected the incremental cost to Altice USA.

The stock options were granted to Mr. Drahi, who previously received units of ownership (the "Units") under Neptune Management Limited Partnership Carry Unit Plan and whose initial 50% vesting of such Units occurred on December 21, 2017. These were the first grants made to Mr. Drahi under the 2017 LTIP. Except for the stock options and transportation, Mr. Drahi did not receive any other annual compensation for his service to Altice USA.

Pursuant to the voting agreement, Mr. Stewart undertakes to vote in favor of any and all items proposed by Next Alt at any annual or special meeting of Altice USA. In addition, Mr. Stewart has given a proxy to Next Alt to represent him and to vote on his behalf at any meeting of Altice USA stockholders.

ARTICLE III.

GOVERNANCE

Section 3.01 Observer Rights

(a) For so long as each of the BCP Entities and the CPPIB Entities individually own four percent (4%) or more of the issued and outstanding Class A Shares and Class B Shares (without regard to the voting power of such Class B Shares) and there is no Director who is a designee of such Sponsor Entity on the Board, such Sponsor Entity shall have the right to designate one (1) non-voting observer to the Board (each, an "Observer"). The appointment and removal of any Observer shall be by written notice to the Board. Each Observer shall be a natural person. Each Observer shall be entitled to be present at all meetings of the Board and any committee thereof and shall be notified of any such meeting by reasonable prior notice, including such meeting's time and place, in the same manner as the directors of the Board (the "Directors") and shall receive copies of all written materials distributed to the Directors for purposes of such meetings at the same time as the Directors (except to the extent an Observer has been excluded therefrom pursuant to Section 3.01(b)); provided, however, that the Observer shall have executed a non-disclosure and confidentiality agreement and such other acknowledgments and agreements reasonably satisfactory to the Board and the Sponsor Entity that designated such Observer, which for the avoidance of doubt, shall permit the Observer to share information as

provided in Section 5.04; provided, further, that such Observer (x) shall not have voting rights with respect to actions taken or elected not to be taken by the Board or be counted for purposes of determining whether there is a sufficient quorum for the Board to conduct its business and (y) shall be subject to all rules governing the Board and nothing herein shall prevent the Board from acting by written instrument to the extent permitted by applicable law; provided, further, that if at any time (upon written notice to the Company), a Sponsor Entity elects to suspend the receipt of the information provided by the Company under Section 5.04(b), such Sponsor Entity may also elect to suspend the right to appoint an Observer in accordance with this Section 3.01.

(b) Notwithstanding the foregoing, the Company may exclude an Observer from access to any material or meeting or portion thereof if:

(i) the Board concludes in good faith, upon advice of the Company's outside legal counsel, (A) that such exclusion is reasonably necessary to preserve the attorney-client privilege between the Company and its counselor or (B) that an Observer has a potential conflict of interest; provided, however, that any such exclusion shall apply only to such portion of the material or such portion of the meeting which would be required to preserve such privilege and not to any other portion thereof; or

(ii) such portion of a meeting is an executive session limited solely to independent director members of the Board, independent auditors and/or legal counsel, as the Board may designate, and an Observer (assuming such Observer were a member of the Board) would not meet the then-applicable standards for independence adopted by the New York Stock Exchange (the "NYSE"), or such other exchange on which the Company's securities are then traded.

Section 3.02 Compliance with this Agreement

(a) The Company and each Stockholder shall take all actions that are permitted by law and necessary to implement the provisions of this Article III. Notwithstanding anything that may be permitted pursuant to the organizational documents of the Company, no Person shall take any action with respect to the Company that would be inconsistent with the provisions of this Agreement.

(b) The Company shall use commercially reasonable efforts to have any Observer covered by the Company's existing director and officer indemnity insurance on the same terms and conditions as such director and officer indemnity insurance provides for the coverage of any other persons covered thereby.

(c) The Company shall indemnify an Observer to the same extent as a director under Article VII of the Amended and Restated Certificate of Incorporation of the Company, and the provisions thereof shall to the fullest extent possible apply *mutatis mutandis* to any Observer.

Section 3.03 Reimbursement of Expenses The Company shall reimburse each Observer for all reasonable and documented out-of-pocket expenses incurred in connection with such Observer's attendance at meetings of the Board and any committees thereof, including travel, lodging and meal expenses. All reimbursements payable by the Company pursuant to this Section 3.03 shall be paid to an Observer in accordance with the Company's policies and

practices with respect to director expense reimbursement then in effect.

ARTICLE IV.

REGISTRATION RIGHTS

Section 4.01 Demand Registration.

(a) Demand Rights. Each Sponsor, Altice and Next Alt may, individually or jointly, make a written request to the Company for Registration (such notice, a “Demand Notice”) of all or part of the Registrable Securities held, directly or indirectly, by such Sponsor, Altice or Next Alt (a “Demanding Party”) or their Permitted Transferees (i) on Form S-1 or any similar long-form Registration Statement (a “Long-Form Registration”), or (ii) on Form S-3 or any similar short-form Registration Statement (a “Short-Form Registration Statement”) if the Company is qualified to use such short form (any such requested Long-Form Registration or Short-Form Registration shall hereinafter be referred to as a “Demand Registration”); provided, however, that (based on the then-current market prices) the number of Registrable Securities included in the Demand Registration would, if fully sold, yield gross proceeds (prior to deducting underwriting discounts and commission and offering expenses) to such Stockholder of at least the Minimum Amount; provided, further, that if the Company has a Shelf Registration Statement filed with the SEC and the Registrable Securities to be sold are included in such Shelf Registration Statement, then such Demand Registration shall be exercised in accordance with Section 4.02(e). Each Demand Notice shall specify the kind and aggregate amount of Registrable Securities to be Registered and the intended methods of disposition thereof. Upon receipt of a request for a Demand Registration from a Demanding Party, within (x) ninety (90) days from the date of delivery of the Demand Notice in the case of a request for a Long-Form Registration, or (y) thirty (30) days from the date of delivery of the Demand Notice in the case of a request for a Short-Form Registration, the Company shall use its reasonable best efforts to file a Registration Statement relating to such Demand Registration (a “Demand Registration Statement”).

(b) Demand Registration.

(i) Altice and Next Alt shall have the right to request pursuant to Section 4.01(a) unlimited Demand Registrations during each twelve (12) month period beginning on the date hereof.

(ii) Each Sponsor shall have the right (which may be exercised individually or jointly between the Sponsors) to request pursuant to Section 4.01(a) one (1) Demand Registration during each twelve (12) month period beginning on the date hereof; provided, however, that if the managing underwriters of a proposed Underwritten Offering of the Registrable Securities advise the Board not to include all of the securities to be included in a Demand Registration pursuant to Section 4.01(h), each Sponsor that was a Demanding Party shall have one (1) additional Demand Registration during such twelve (12) month period.

(c) Demand Withdrawal. Each Demanding Party may withdraw its Registrable Securities from a Demand Registration at any time prior to the effectiveness of the applicable Demand Registration Statement. Upon receipt of notices from the applicable Demanding Party to such effect, the Company shall cease all efforts to secure effectiveness of the applicable Demand Registration Statement and if the Demanding Party had previously withdrawn its Registrable Securities from a Demand Registration pursuant to this Section 6.01(c) within the last twelve (12) months, such Registration shall be deemed a Demand Registration with respect to such Demanding Party for purposes of Section 6.01(b), unless the withdrawal is made following the occurrence of a Material Adverse Change or because the Registration would require the Company to make an Adverse Disclosure.

(d) Effective Registration. The Company shall be deemed to have effected a Demand Registration if the Demand Registration Statement is declared effective by the SEC and remains effective for not less than one hundred eighty (180) days (or such shorter period as shall terminate when all Registrable Securities covered by such Demand Registration Statement have been sold or withdrawn), or if such Registration Statement relates to an Underwritten Offering, such longer period as, in the opinion of counsel for the underwriter or underwriters, a Prospectus is required by law to be delivered in connection with sales of Registrable Securities by an underwriter or dealer (the applicable period, the “Demand Period”). No Demand Registration shall be deemed to have been effected if (i) during the Demand Period such Registration is interfered with by any stop order, injunction or other order or requirement of the SEC or other governmental agency or court or (ii) the conditions to closing specified in the underwriting agreement, if any, entered into in connection with such Registration are not satisfied or waived other than by reason of a wrongful act, misrepresentation or breach of such applicable underwriting agreement by the Demanding Party. Notwithstanding anything to the foregoing, the Company shall use its reasonable best efforts to keep any Demand Registration Statement filed in response to a Registration Request effective for as long as is necessary for all Registrable Securities covered by such Demand Registration Statement to be sold thereunder.

(e) Demand Registration Notice. Promptly upon receipt of any request for a Demand Registration pursuant to Section 4.01(a) (but in no event more than five (5) Business Days thereafter), the Company shall deliver a written notice (a “Demand Registration Notice”) of any such Registration request to all other Stockholders (including any Sponsor Entity, Altice Entity or Next Alt Entity that is not a Demanding Party), and the Company shall include in such Demand Registration all such Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten (10) Business Days after the date that the Demand Registration Notice has been delivered. All requests made to the Company by a Stockholder pursuant to this Section 4.01(e) shall specify the aggregate number of Registrable Securities to be registered and the intended method of distribution of such securities. At any time prior to the effectiveness of the Registration Statement for the Demand Registration, such other Stockholder may revoke such request, without liability to the Demanding Party or the Company, by providing a written notice, no later than one Business Day prior to the scheduled effectiveness of the Registration Statement, to the Company revoking such request.

(f) Delay in Filing; Suspension of Registration. If the filing, effectiveness or continued use of a Demand Registration Statement at any time would require the Company to make an Adverse Disclosure, the Company may, upon giving prompt written notice of such

action to the Stockholders, delay the filing or effectiveness of, or suspend use of, the Demand Registration Statement (a “Demand Suspension”). In the case of a Demand Suspension, the Stockholders agree to suspend use of the applicable Prospectus in connection with any sale or purchase, or offer to sell or purchase, Registrable Securities, upon receipt of the notice referred to above. The Company shall immediately notify the Stockholders upon the termination of any Demand Suspension, amend or supplement the Prospectus, if necessary, so it does not contain any misstatement of or omission of a material fact and furnish to the Stockholders such numbers of copies of the Prospectus as so amended or supplemented as the Stockholders may reasonably request. The Company agrees, if necessary, to supplement or make amendments to the Demand Registration Statement, if required by the registration form used by the Company for the Demand Registration or by the instructions applicable to such registration form or by the Securities Act or the rules or regulations promulgated thereunder or as may reasonably be requested by the Demanding Party.

(g) Underwritten Offering. If a Demanding Party so requests, an offering of Registrable Securities pursuant to a Demand Registration shall be in the form of an Underwritten Offering. There shall be two (2) managing underwriters, and the Demanding Party shall have the right to select one of the managing underwriters to administer such offering, with the Company selecting the other managing underwriter. Any additional non-managing underwriters shall be agreed upon by the Demanding Party and the Company after consultation with the managing underwriters.

(h) Priority of Demand Registrations. If the managing underwriters of a proposed Underwritten Offering of the Registrable Securities included in a Demand Registration (or, in the case of a Demand Registration not being underwritten, the Demanding Party), advise the Board, in writing that, in its or their opinion, the number of securities requested to be included in such Demand Registration exceeds the number which can be sold in such offering without being likely to have a significant adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, the securities to be included in such Demand Registration shall be allocated, (A) first, 100% of the securities proposed to be sold in such Demand Registration by the Company, (B) second, and only if all the securities referred to in clause (A) have been included, *pro rata* among Altice, Next Alt and the Sponsors that have requested the Demand Registration based on the relative number of Registrable Securities then held by Altice, Next Alt or such Sponsor, and (C) third, and only if all of the Registrable Securities referred to in clause (B) have been included in such Registration, any other securities eligible for inclusion in such Registration.

(i) In the event any Stockholder requests to participate in a Registration pursuant to this Section 4.01 in connection with a distribution of Registrable Securities to its partners or members, the registration shall provide for resale by such partners or members, if requested by the Stockholder.

Section 4.02 Shelf Registration.

(a) Filing. After the date on which the Company is eligible to file a Shelf Registration Statement on Form S-3, as promptly as practicable following a request as may be made from time to time by one or more Stockholders, the Company shall file with the SEC a

Shelf Registration Statement relating to the offer and sale by Stockholders from time to time of the number of Registrable Securities specified in the requests of the Participating Stockholder(s) pursuant to this Section 4.02 and the other Stockholders pursuant to Section 4.02(c) in accordance with the methods of distribution elected by the Participating Stockholder(s) and set forth in the Shelf Registration Statement and, as promptly as practicable thereafter, shall use its reasonable best efforts to cause such Shelf Registration Statement to be declared effective under the Securities Act. If a Stockholder makes a request pursuant to this Section 4.02(a) to file a Shelf Registration Statement, the Company shall promptly (and, in any event, within five (5) Business Days) notify the other Stockholders in writing. No later than ten (10) Business Days after the receipt of the initial request to file a Shelf Registration Statement pursuant to this Section 4.02(a), each Stockholder shall notify the Company in writing of the number of its Registrable Securities (if any) that such Stockholder is requesting to be registered on such Shelf Registration Statement. At any time prior to or after the filing of a Shelf Registration Statement, any of the Stockholders may request that the number of its Registrable Securities (if any) previously requested to be registered on such Shelf Registration Statement be increased to a larger number of its Registrable Securities and the Company shall thereafter use its reasonable best efforts to effect such increase for such Shelf Registration Statement as promptly as practicable thereafter. The aggregate number of Registrable Securities that the Stockholders request to be so registered on such Shelf Registration Statement (as increased from time to time at the election of either of the Stockholders pursuant to the immediately foregoing sentence) shall be referred to in this Section 4.02 as the “Stockholder Shelf Registration Amount,” provided, that, the Company shall not be obligated to effect any registration pursuant to this Section 4.02(a), unless the Stockholder Shelf Registration Amount to be registered is reasonably expected to result in aggregate gross proceeds (prior to deducting underwriting discounts and commissions and offering expenses) of at least the Minimum Amount.

(b) Continued Effectiveness. The Company shall use its reasonable best efforts to keep such Shelf Registration Statement continuously effective under the Securities Act in order to permit the Prospectus forming a part thereof to be usable by Stockholders until the earlier of (i) the date as of which all Registrable Securities have been sold pursuant to the Shelf Registration Statement or another Registration Statement filed under the Securities Act (but in no event prior to the applicable period referred to in Section 4(3) of the Securities Act and Rule 174 thereunder) and (ii) the date as of which each of the Stockholders with Registrable Securities registered under such Shelf Registration is permitted to sell its Registrable Securities without Registration pursuant to Rule 144 under the Securities Act without volume limitation or other restrictions on transfer thereunder (such period of effectiveness, the “Shelf Period”). Subject to Section 4.02(d), the Company shall not be deemed to have used its reasonable best efforts to keep the Shelf Registration Statement effective during the Shelf Period if the Company voluntarily takes any action or omits to take any action that would result in Stockholders of Registrable Securities covered thereby not being able to offer and sell any Registrable Securities pursuant to such Shelf Registration Statement during the Shelf Period, unless such action or omission is required by applicable law.

(c) Shelf Notice. Promptly upon receipt of any request by a Stockholder to file a Shelf Registration Statement or any request by a Stockholder to increase the number of its Registrable Securities registered on such Shelf Registration Statement pursuant to Section 4.02(a) (but in no event more than five (5) Business Days thereafter), the Company shall deliver

a written notice (a “Shelf Notice”) of any such request to all other Stockholders specifying the Stockholder Shelf Registration Amount. Each Stockholder shall have the right to include in such registration its Registrable Securities by delivering an irrevocable written notice to the Company specifying the number of Registrable Securities such Stockholder desires to so include no later than ten (10) Business Days of the delivery of the Shelf Notice, and the Company shall include in such registration the number of Registrable Securities for which the Company receives written notice in accordance with this provision.

(d) Suspension of Registration. If the continued use of such Shelf Registration Statement at any time would require the Company to make an Adverse Disclosure, the Company may, upon giving prompt written notice of such action to the Stockholders, suspend use of the Shelf Registration Statement (a “Shelf Suspension”) for up to sixty (60) days for each suspension, with not more than two (2) suspensions in any one hundred and eighty (180) day period. In the case of a Shelf Suspension, the Stockholders agree to suspend use of the applicable Prospectus in connection with any sale or purchase of, or offer to sell or purchase, Registrable Securities, upon receipt of the notice referred to above. The Company shall immediately notify the Stockholders upon the termination of any Shelf Suspension and amend or supplement the Prospectus, if necessary, so it does not contain any untrue statement or omission and furnish to the Stockholders such numbers of copies of the Prospectus as so amended or supplemented as the Stockholders may reasonably request. The Company agrees, if necessary, to supplement or make amendments to the Shelf Registration Statement, if required by the registration form used by the Company for the Shelf Registration or by the instructions applicable to such registration form or by the Securities Act or the rules or regulations promulgated thereunder or as may reasonably be requested by the Sponsors.

(e) Underwritten Offering. If a Demanding Party elects that an offering of Registrable Securities pursuant to the Shelf Registration Statement shall be in the form of an Underwritten Offering, the Company shall amend or supplement the Shelf Registration Statement for such purpose. There shall be two (2) managing underwriters, and the Demanding Party shall have the right to select one of the managing underwriters to administer such offering, with the Company selecting the other managing underwriter. Any additional non-managing underwriters shall be agreed upon by the Demanding Party and the Company after consultation with the managing underwriters. Each Stockholder shall have the right to include in such offering its Registrable Securities in the manner described in Section 4.02(c). The provisions of Section 4.01(h) shall apply to any Underwritten Offering pursuant to this Section 4.02(e).

Section 4.03 Piggyback Registration.

(a) Participation. If, at any time following the Initial Public Offering, the Company proposes to file a Registration Statement under the Securities Act with respect to any offering of its equity securities for its own account or for the account of any other Persons (other than (i) a registration incidental to an issuance of debt securities under Rule 144A, (ii) a Registration on Form S-4 or S-8 or any successor form to such Forms, or (iii) a Registration of securities solely relating to an offering and sale to employees or directors of the Company pursuant to any employee stock plan or other employee benefit plan arrangement or a dividend reinvestment plan), then, as soon as reasonably practicable (but in no event less than thirty (30) days prior to the proposed date of filing of such Registration Statement), the Company shall give written

notice of such proposed filing to the Stockholders, and such notice shall offer the Stockholders the opportunity to Register under such Registration Statement such number of Registrable Securities as each such Stockholder may request in writing (a “Piggyback Registration”). Subject to Section 4.03(b), the Company shall include in such Registration Statement all such Registrable Securities that are requested to be included therein within fifteen (15) days after the receipt by such Stockholders of any such notice (or ten (10) Business Days in the case of a Shelf Notice); provided that if at any time after giving written notice of its intention to Register any securities and prior to the effective date of the Registration Statement filed in connection with such Registration, the Company shall, in its reasonable judgment, determine for any reason not to Register or to delay Registration of such securities, the Company shall give written notice of such determination to each Stockholder and, thereupon, (i) in the case of a determination not to Register, shall be relieved of its obligation to Register any Registrable Securities in connection with such Registration (but not from its obligation to pay the Registration Expenses in connection therewith), without prejudice, however, to the rights of the Sponsors to request that such Registration be effected as a Demand Registration under Section 4.01, and (ii) in the case of a determination to delay Registering, in the absence of a request for a Demand Registration, shall be permitted to delay Registering any Registrable Securities for the same period as the delay in Registering such other securities. Subject to Section 4.03(b), if the offering pursuant to such Registration Statement is to be underwritten, then each Stockholder making a request for a Piggyback Registration pursuant to this Section 4.03(a) must, and the Company shall make such arrangements with the managing underwriter or underwriters so that each such Stockholder may, participate in such Underwritten Offering. If the offering pursuant to such Registration Statement is to be on any other basis, then each Stockholder making a request for a Piggyback Registration pursuant to this Section 4.03(a) must, and the Company shall make such arrangements so that each such Stockholder may, participate in such offering on such basis. Each Stockholder shall be permitted to withdraw all or part of its Registrable Securities from a Piggyback Registration at any time prior to the effectiveness of such Registration Statement by providing a written notice prior to the filing of a preliminary Prospectus that will be used to begin any “road show” to market the Registrable Securities.

(b) Priority of Piggyback Registration. If the managing underwriters of any proposed Underwritten Offering of Registrable Securities included in a Piggyback Registration informs the Company and the Stockholders of Registrable Securities in writing that, in its or their opinion, the number of securities which such Stockholders and any other Persons intend to include in such Piggyback Registration exceeds the number which can be sold in such offering without being likely to have a significant adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, then the securities to be included in such Piggyback Registration shall be (i) first, 100% of the securities proposed to be sold by the Company, and (ii) second, and only if all the securities referred to in clause (i) have been included, the number of Registrable Securities that, in the opinion of such managing underwriter or underwriters, can be sold without having such adverse effect, with such number to be allocated pro rata among the Stockholders that have requested to participate in such Registration based on the relative number of Registrable Securities then held by each such Stockholder (provided that any securities thereby allocated to a Stockholder that exceed such Stockholder’s request shall be reallocated among the remaining requesting Stockholders in like manner) and (iii) third, and only if all of the Registrable Securities referred to in clauses (i) and (ii) have been included in such Registration, any other number of Registrable Securities that any other Person

exercising a contractual right to demand Registration proposes to sell, that, in the opinion of such managing underwriter(s), can be sold.

(c) No Effect on Demand Registrations. No Registration of Registrable Securities effected pursuant to a request under this Section 4.03 shall be deemed to have been effected pursuant to Section 4.01 and Section 4.02 or shall relieve the Company of its obligations under Section 4.01 or Section 4.02.

Section 4.04 Black-out Period.

(a) Black-out Periods for Stockholders. In the event of a Registration of Registrable Securities by the Company after the Initial Public Offering in an Underwritten Offering, the Stockholders agree, if requested by the managing underwriter or underwriters in such Underwritten Offering and agreed to by both Sponsors, not to effect any public sale or distribution of any securities (except, in each case, as part of the applicable Registration, if permitted) that are the same as or similar to those being Registered, or any securities convertible into or exchangeable or exercisable for such securities, during the period beginning seven (7) days before and ending ninety (90) days (or such lesser period as may be permitted by the Company or such managing underwriter or underwriters) after the effective date of the Registration Statement filed in connection with such Registration, to the extent timely notified in writing by the Company or the managing underwriter or underwriters, subject to any exceptions agreed to by such managing underwriter or underwriters.

(b) Black-out Periods for the Company and Others. In the case of a Registration of Registrable Securities pursuant to Section 4.01 or Section 4.02 for an Underwritten Offering, the Company agrees, if requested by the participating Sponsors or the managing underwriter or underwriters with respect to such Registration, not to effect any public sale or distribution of any securities that are the same as or similar to those being Registered, or any securities convertible into or exchangeable or exercisable for such securities, during the period beginning seven (7) days before, and ending ninety (90) days (or such lesser period as may be permitted by the participating Sponsors or such managing underwriter or underwriters) after, the effective date of the Registration Statement filed in connection with such Registration (or, in the case of an offering under a Shelf Registration Statement, the date of the underwriting agreement in connection therewith), to the extent timely notified in writing by the Sponsors or the managing underwriter or underwriters, subject to any exceptions agreed to by such managing underwriter or underwriters. The Company agrees to use its reasonable best efforts to obtain from each Stockholder of restricted securities of the Company which securities are the same as or similar to the Registrable Securities being Registered, or any restricted securities convertible into or exchangeable or exercisable for any of such securities, an agreement not to effect any public sale or distribution of such securities during any such period referred to in this paragraph, except as part of any such Registration, if permitted. Without limiting the foregoing (but subject to Section 4.07), if after the date hereof the Company grants any Person (other than a Stockholder) any rights to demand or participate in a Registration, the Company agrees that the agreement with respect thereto shall include such Person's agreement to comply with any black-out period required by this Section 4.04 as if it were a Stockholder hereunder.

such other documents as such Stockholder or underwriter may reasonably request in order to facilitate the disposition of the Registrable Securities by such Stockholder or underwriter;

(xvii) in the case of an Underwritten Offering, obtain for delivery to the Company and the managing underwriter or underwriters, with copies to the Participating Stockholders, a cold comfort letter from the Company's independent certified public accountants in customary form and covering such matters of the type customarily covered by cold comfort letters as the managing underwriter or underwriters reasonably request, dated the date of execution of the underwriting agreement and bring-down cold comfort letters dated the closing under the underwriting agreement and the date of the closing of any over-allotment or similar underwriter option exercise;

(b) The Company may require each Participating Stockholder to furnish to the Company such information regarding the distribution of such securities and such other information relating to such Stockholder and its ownership of Registrable Securities as the Company may from time to time reasonably request in writing. Each Participating Stockholder agrees to furnish such information to the Company and to cooperate with the Company as reasonably necessary to enable the Company to comply with the provisions of this Agreement.

(c) Each Participating Stockholder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 4.05(a)(v), such Stockholder will forthwith discontinue disposition of Registrable Securities pursuant to such Registration Statement until such Stockholder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 4.05(a)(v), or until such Stockholder is advised in writing by the Company that the use of the Prospectus may be resumed, and if so directed by the Company, such Stockholder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Stockholder's possession, of the Prospectus covering such Registrable Securities current at the time of receipt of such notice. Section 4.06 Underwritten Offerings.

(a) Demand and Shelf Registrations. If requested by the underwriters for any Underwritten Offering requested by the Stockholders or the Sponsors, as applicable, pursuant to a Registration under Section 4.01 or Section 4.02, the Company shall enter into an underwriting agreement with such underwriters for such offering, such agreement to be reasonably satisfactory in substance and form to the Company, the Sponsors and the underwriters, and to contain such representations and warranties by the Company and such other terms as are generally prevailing in agreements of that type. The Participating Stockholders shall cooperate with the Company in the negotiation of such underwriting agreement and shall give consideration to the reasonable suggestions of the Company regarding the form thereof. Such Stockholders shall be parties to such underwriting agreement, which underwriting agreement shall (i) contain such representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of such Stockholders as are customarily made by issuers to selling holders in secondary underwritten public offerings and (ii) provide that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement also shall be conditions precedent to the obligations of such Stockholders. Such Stockholders shall not be required to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such Stockholders, such Stockholder's title to the Registrable Securities, such Stockholder's intended method of distribution and any other representations required to be made by such Stockholder (provided

that any such representation shall be made on a several basis) under applicable law, and the aggregate amount of the liability of such Stockholder shall not exceed such Stockholder's net proceeds from such Underwritten Offering.

(b) Piggyback Registrations. If the Company proposes to register any of its securities under the Securities Act as contemplated by Section 4.03 and such securities are to be distributed in an Underwritten Offering through one or more underwriters, the Company shall, if requested by any Stockholder pursuant to Section 4.03 and subject to the provisions of Section 4.03(b), use its reasonable best efforts to arrange for such underwriters to include on the same terms and conditions that apply to the other sellers in such Registration all the Registrable Securities to be offered and sold by such Stockholder among the securities of the Company to be distributed by such underwriters in such Registration. The Participating Stockholders shall be parties to the underwriting agreement between the Company and such underwriters, which underwriting agreement shall (i) contain such representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of such Stockholders as are customarily made by issuers to selling holders in secondary underwritten public offerings and (ii) provide that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement also shall be conditions precedent to the obligations of such Stockholders. Any such Stockholder shall not be required to make any representations or warranties to, or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such Stockholder, such Stockholder's title to the Registrable Securities and such Stockholder's intended method of distribution or any other representations required to be made by such Stockholder under applicable law, and the aggregate amount of the liability of such Stockholder shall not exceed such Stockholder's net proceeds from such Underwritten Offering.

(c) Participation in Underwritten Registrations. Subject to provisions of Section 4.06(a) and (b) above, no Person may participate in any Underwritten Offering hereunder unless such Person (i) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Persons entitled to approve such arrangement and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

(d) Price and Underwriting Discounts. In the case of an Underwritten Offering under Section 4.01 or Section 4.02, subject to the provisions of Section 4.03, the price, underwriting discount and other financial terms for the Registrable Securities shall be determined by the holders of a majority of the Registrable Securities participating in such Registration or Shelf Registration, as the case may be, with the approval of the Board, which approval may not be unreasonably withheld. In addition, subject to the provisions of Section 4.01(c), in the case of any Underwritten Offering, each of the Stockholders that have not delivered a Demand Registration Notice may withdraw their request to participate in the registration pursuant to Section 4.01, Section 4.02 or Section 4.03 after being advised of such price, discount and other terms and shall not be required to enter into any agreements, or documentation that would require otherwise.

Section 4.07 No Inconsistent Agreements; Additional Rights. The Company shall not hereafter enter into, and is not currently a party to, any agreement with respect to its securities that is inconsistent with the rights granted to the Stockholders by this Agreement.

Without the consent of the Sponsors (such consent not to be unreasonably withheld, conditioned or delayed), the Company shall not enter into any agreement granting registration or similar rights to any Person.

Section 4.08 Registration Expenses .

(a) All expenses incident to the Company's performance of or compliance with this Agreement shall be paid by the Company, including (i) all registration and filing fees, and any other fees and expenses associated with filings required to be made with the SEC or FINRA, (ii) all fees and expenses in connection with compliance with any securities or "Blue Sky" laws, (iii) all printing, duplicating, word processing, messenger, telephone, facsimile and delivery expenses (including expenses of printing certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company and of printing prospectuses), (iv) all fees and disbursements of counsel for the Company and of all independent certified public accountants of the Company (including the expenses of any special audit and cold comfort letters required by or incident to such performance), (v) Securities Act liability insurance or similar insurance if the Company so desires or the underwriters so require in accordance with then-customary underwriting practice, (vi) all fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange or quotation of the Registrable Securities on any inter-dealer quotation system, (vii) all applicable rating agency fees with respect to the Registrable Securities, (viii) all reasonable fees and disbursements of one (1) legal counsel chosen by the holders of a majority of the Registrable Securities participating in such Registration or Shelf Registration, as the case may be, (ix) all reasonable fees and disbursements of such local legal counsel as may reasonably be required by any selling stockholder participating in such Registration, (x) any reasonable fees and disbursements of underwriters (excluding discounts and commissions which shall be paid pro rata by holders of Registrable Securities) customarily paid by issuers or sellers of securities, (xi) all fees and expenses of any special experts or other Persons retained by the Company in connection with any Registration, (xii) all of the Company's internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties) and (xiii) all expenses related to the "road-show" for any Underwritten Offering, including all travel, meals and lodging. All such expenses are referred to herein as "Registration Expenses."

(b) To the extent Registration Expenses are not required to be paid by the Company under Section 4.08(a), each holder of Registrable Securities included in any Registration hereunder shall pay those Registration Expenses allocable to the Registration of such holder's Registrable Securities so included, and any Registration Expenses not so allocable shall be borne by sellers of Registrable Securities included in such Registration in proportion to the aggregate selling price of the Registrable Securities to be so Registered.

Section 4.09 Indemnification .

(a) Indemnification by the Company. The Company agrees to indemnify and hold harmless, to the full extent permitted by law, each Stockholder, each member, limited partner or general partner thereof, each member, limited partner or general partner of each such member, limited or general partner, each of their respective Affiliates, officers, directors, stockholders, employees, advisors, and agents and each Person who controls (within the meaning of the

Securities Act or the Exchange Act) such Persons and each of their respective Representatives from and against any and all losses, penalties, judgments, suits, costs, claims, damages, liabilities and expenses, joint or several (including reasonable costs of investigation and legal expenses) (each, a “Loss”, and collectively, “Losses”) arising out of or based upon (i) any misstatement or omission or alleged misstatement or omission of a material fact required to be included in any Registration Statement under which such Registrable Securities were Registered under the Securities Act (including any final, preliminary or summary Prospectus contained therein or any amendment thereof, supplement thereto or any documents incorporated by reference therein) or any other disclosure document produced by or on behalf of the Company or any of its subsidiaries including reports and other documents filed under the Exchange Act, (ii) any misstatement or omission or alleged misstatement or omission of a material fact stated in the Prospectus or preliminary prospectus or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading or (iii) any actions or inactions or proceedings in respect of the foregoing whether or not such indemnified party is a party thereto; provided that the Company shall not be liable to any particular indemnified party to the extent that any such Loss arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any such Registration Statement or other document in reliance upon and in conformity with written information furnished to the Company by such indemnified party expressly for use in the preparation thereof. This indemnity shall be in addition to any liability the Company may otherwise have. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Stockholder or any indemnified party and shall survive the transfer of such securities by such Stockholder. The Company shall also indemnify underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, their officers and directors and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the indemnified parties.

(b) Indemnification by the Participating Stockholders. Each Participating Stockholder agrees (severally and not jointly) to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors and officers and each Person who controls the Company (within the meaning of the Securities Act or the Exchange Act) from and against any Losses resulting from (i) any misstatement or omission or alleged misstatement or omission of a material fact required to be included in any Registration Statement under which such Registrable Securities were Registered under the Securities Act (including any final, preliminary or summary Prospectus contained therein or any amendment thereof, supplement thereto or any documents incorporated by reference therein) or any other disclosure document produced by or on behalf of the Company or any of its subsidiaries including reports and other documents filed under the Exchange Act, (ii) any misstatement or omission or alleged misstatement or omission of a material fact stated in the Prospectus or preliminary prospectus or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case, to the extent, but only to the extent, that such misstatement or omission is contained in any information furnished in writing by such Stockholder to the Company specifically for inclusion in such Registration Statement and has not been corrected in a subsequent writing prior to or concurrently with the sale of the Registrable Securities to the Person asserting the claim. In no event shall the liability of such Stockholder hereunder be greater in amount than the dollar amount of the net proceeds received by such Stockholder under the sale of Registrable Securities.

giving rise to such indemnification obligation. The Company shall be entitled to receive indemnities from underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, to the same extent as provided above (with appropriate modification) with respect to information furnished in writing by such Persons specifically for inclusion in any Prospectus or Registration Statement.

(c) Conduct of Indemnification Proceedings. Any Person entitled to indemnification hereunder shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that any delay or failure to so notify the indemnifying party shall relieve the indemnifying party of its obligations hereunder only to the extent, if at all, that it is actually prejudiced by reason of such delay or failure) and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided that any Person entitled to indemnification hereunder shall have the right to select and employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (A) the indemnifying party has agreed in writing to pay such fees or expenses, (B) the indemnifying party shall have failed to assume the defense of such claim within a reasonable time after receipt of notice of such claim from the Person entitled to indemnification hereunder and employ counsel reasonably satisfactory to such Person, (C) the indemnified party has reasonably concluded (based upon advice of its counsel) that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party, or (D) in the reasonable judgment of any such Person (based upon advice of its counsel), a conflict of interest may exist between such Person and the indemnifying party with respect to such claims (in which case, if the Person notifies the indemnifying party in writing that such Person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such Person) in which case of such clauses (A) through (D), the indemnifying party will pay the reasonable fees, disbursements or other charges of such additional counsel or counsels. If the indemnifying party assumes the defense, the indemnifying party shall not have the right to settle such action without the consent of the indemnified party. No indemnifying party shall consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of an unconditional release from all liability in respect to such claim or litigation without the prior written consent of such indemnified party. If such defense is not assumed by the indemnifying party, the indemnifying party will not be subject to any liability for any settlement made without its prior written consent, but such consent may not be unreasonably withheld.

(d) Contribution. If for any reason the indemnification provided for in paragraphs (a) and (b) of this Section 4.09 is unavailable to an indemnified party or insufficient in respect of any Losses referred to therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Loss (i) in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and the indemnified party or parties on the other hand in connection with the acts, statements or omissions that resulted in such Losses or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, then such proportion as is appropriate to reflect not only the relevant fault referred to in clause (i) above but also the relative benefit of the indemnifying party on the one hand and of the indemnified party or parties on the other in connection with the statement or omissions which

resulted in such Losses, as well as any other relevant equitable considerations. The relative benefits of such parties shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses). The relative fault of the indemnifying party on the one hand and the indemnified party on the other hand shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just or equitable if contribution pursuant to this Section 4.09(d) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in this Section 4.09(d). No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The amount paid or payable by an indemnified party as a result of the Losses referred to in Section 4.09(a) and Section 4.09(b) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 4.09(d), in connection with any Registration Statement filed by the Company, a Participating Stockholder shall not be required to contribute any amount in excess of the dollar amount of the net proceeds received by such Stockholder under the sale of Registrable Securities giving rise to such contribution obligation less any amounts paid by such Stockholder pursuant to Section 4.09(b). If indemnification is available under this Section 4.09, the indemnifying parties shall indemnify each indemnified party to the full extent provided in Section 4.09(a) and (d) hereof without regard to the provisions of this Section 4.09(d). The remedies provided for in this Section 4.09 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

Section 4.10 Rules 144 and 144A and Regulation S. The Company covenants that it will file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the reasonable request of the Sponsors, make publicly available such necessary information for so long as necessary to permit sales pursuant to Rules 144, 144A or Regulation S under the Securities Act), and it will take such further action as the Sponsors may reasonably request, all to the extent required from time to time to enable the Sponsors to sell Registrable Securities without Registration in accordance with the provisions of this Agreement, under the Securities Act within the limitation of the exemptions provided by (i) Rules 144, 144A or Regulation S under the Securities Act, or (ii) any similar rule or regulation hereafter adopted by the SEC. Upon the reasonable request of a Stockholder, the Company will deliver to such Stockholder a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

Section 4.11 Company Cooperation. The Company agrees to cooperate with any of the CPPIB Entities and use reasonable efforts to provide such information or certifications as may reasonably be required by any of the CPPIB Entities in the event a CPPIB Entity makes an application to the Ontario Securities Commission for a discretionary order providing a prospectus exemption from applicable Canadian securities laws to facilitate the resale of the Shares; provided, however, the Company shall only be required to comply with the foregoing if

(a) such application to the Ontario Securities Commission would not give rise to the Company having any listing obligations or ongoing reporting obligations in Canada and (b) the application to the Ontario Securities Commission arises in connection with a CPPIB Entity's proposed resale of Shares on the NYSE or such other exchange on which the Shares are then traded.

ARTICLE V.

GENERAL PROVISIONS

Section 5.01 Termination. Except for the provisions of this Article V, this Agreement shall terminate automatically (without any action by any party hereto) as to each Stockholder when such Stockholder ceases to hold any Shares.

Section 5.02 Entire Agreement; Amendment. This Agreement sets forth the entire understanding and agreement between the parties hereto with respect to the transactions contemplated herein and supersedes and replaces any prior or contemporaneous understanding, agreement or statement of intent, in each case written or oral, of any kind and every nature with respect hereto. No provision of this Agreement may be amended, modified or waived in whole or in part at any time without an agreement in writing executed by the Altice Entities, the Next Alt Entities, the BCP Entities and the CPPIB Entities. There are no other agreements with respect to the transactions contemplated herein between any Stockholders or any of their Affiliates relating to the Company. Each party hereto to this Agreement shall receive notice of any amendments and copies of any material amendment to this Agreement.

Section 5.03 Waivers. No waiver of any breach of any of the terms of this Agreement shall be effective unless such waiver is made expressly in writing and executed and delivered by the party against whom such waiver is claimed. No waiver of any breach shall be deemed to be a further or continuing waiver of such breach or a waiver of any other or subsequent breach. Except as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power, or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof, or the exercise of any other right, power or remedy.

Section 5.04 Information Rights. (a) Subject to the terms of Section 5.12, each of the Company and the Stockholders agrees and acknowledges that each Observer may share confidential, non-public information about the Company and its subsidiaries with the Stockholder who designated such Observer and its Affiliates on a confidential basis and solely for the purposes of evaluating such Stockholder's investment in the Company.

(b) For as long as each of the Sponsor Entities individually own one percent (1%) or more of the issued and outstanding Class A Shares and Class B Shares (without regard to the voting power of such Class B Shares), each of those Stockholders shall be entitled to receive as soon as available and, in any event, no later than thirty (30) days after the end of each calendar month, the un-audited monthly management accounts of the Company and its subsidiaries on a consolidated basis; provided, however, that at any time and from time to time (upon written

notice to the Company), each Sponsor Entity may elect to suspend the receipt of the information provided by the Company under this Section 5.04(b).

Section 5.05 Tax Matters. Each of Next Alt, the Company and its subsidiaries shall cooperate with the Stockholders in, and use their reasonable best efforts to provide the Stockholders all requested information, records, and documents related to the Company and its subsidiaries or any Pre-IPO Entity that are reasonably necessary for (i) the completion of tax and information returns of the Stockholders or the Stockholders' compliance with any applicable tax laws, including with respect to withholding tax obligations, (ii) the preparation for and defense of any audits or other disputes with any Governmental Entity regarding any taxes or tax returns to the extent related to the Stockholders' direct or indirect investment in the Company and its subsidiaries or any Pre-IPO Entity, (iii) obtaining any rulings or similar determinations regarding taxes from any Governmental Entity to the extent related to the Stockholders' direct or indirect investment in the Company and its subsidiaries or any Pre-IPO Entity and, in so far as Next Alt and its group companies will not be materially prejudiced by such cooperation, maintaining the validity of such ruling or determination, (iv) providing such additional information or other documentation as any Stockholder may reasonably request in order to provide information to any of its direct or indirect owners regarding taxes to the extent related to the Stockholders' direct or indirect investment in the Company and its subsidiaries or any Pre-IPO Entity and (v) responding to any inquiry from any Governmental Entity regarding taxes, or obtaining refunds of, or exemptions from any, withholding taxes imposed on any Stockholder or any of its direct or indirect owners as a result of its direct or indirect investment in the Company and its subsidiaries or any Pre-IPO Entity. Without limiting the generality of the foregoing, (x) in the event that the Company makes or has made any actual or deemed distribution to its shareholders, the Company shall make commercially reasonable efforts to provide to the Stockholders such information regarding the current and accumulated "earnings and profits" of the Company (including any projections with respect to current earnings and profits) as any Stockholder may reasonably request or order to determine what portion (if any) of any such distribution is a dividend for U.S. federal income tax purposes and (y) the Company shall, and Next Alt shall cause the Company to, (1) provide to any Stockholder, upon such Stockholder's request and within thirty (30) days following such request, a certification as to the Company's status as a United States real property holding company, in accordance with Treasury Regulations Sections 1.897-2(g)(1)(ii) and 1.897-2(h)(1), and (2) in connection with the provision of any certification pursuant to the preceding clause (1), comply with the notice provisions set forth in Treasury Regulations Section 1.897-2(h)(2).

Section 5.06 Assignment; Benefit; Additional Parties

(a) Subject to Section 5.06(c), the rights and obligations hereunder shall not be assignable without the prior written consent of the Company, Altice, the Altice Entities, Next Alt, the Next Alt Entities and the Sponsor Entities; provided, however, that an Altice Entity or a Next Alt Entity may assign its rights and obligations to (i) in the case of any Altice Entity, (A) any other Altice Entity or (B) any Affiliate of an Altice Entity, (ii) in the case of any Next Alt Entity, (A) any other Next Alt Entity or (B) any Affiliate of a Next Alt Entity, (iii) Patrick Drahi, his heirs or entities or trusts directly or indirectly under his or their control or formed for his or their benefit, and (iv) any Affiliate of Patrick Drahi, his heirs or entities or trusts directly or

indirectly under his or their control or formed for his or their benefit. Any assignment of rights or obligations in violation of this Section 5.06 shall be null and void.

(b) This Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective successors and permitted assigns, and there shall be no third-party beneficiaries to this Agreement except as set forth in Section 4.09.

(c) Upon the request of any Sponsor Entity, any Altice Entity or any Next Alt Entity, the Company shall make any Permitted Transferee of such Sponsor Entity, Altice Entity or Next Alt Entity who acquires Shares or rights to acquire Shares from the Company after the date hereof a party to this Agreement as a Stockholder and a Sponsor Entity, Altice Entity or Next Alt Entity, as the case may be, and to succeed to all of the rights and obligations of a Stockholder and a Sponsor Entity, Altice Entity or Next Alt Entity, as the case may be, under this Agreement by obtaining an executed Joinder Agreement. Upon the execution and delivery of a Joinder Agreement by such Permitted Transferee, the Shares acquired by such Permitted Transferee shall be Registrable Securities to the extent provided herein, such Permitted Transferee shall be a Stockholder and a Sponsor Entity, an Altice Entity or a Next Alt Entity, as the case may be, under this Agreement with respect to the acquired Shares.

Section 5.07 Severability. If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 5.08 Counterparts. This Agreement may be executed in any number of counterparts, any one of which need not contain the signatures of more than one party, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. Any counterpart may be executed by electronic signature and such electronic signature shall be deemed an original.

Section 5.09 Notices. Unless otherwise specified herein, all notices, consents, approvals, reports, designations, requests, waivers, elections and other communications authorized or required to be given pursuant to this Agreement shall be in writing and shall be given or made (and shall be deemed to have been duly given or made upon receipt) by personal hand-delivery, by electronic mail, by mailing the same in a sealed envelope, registered first-class mail, postage prepaid, return receipt requested, or by air courier guaranteeing overnight delivery, sent to the Stockholders at the following addresses (or such other address as such Stockholders may specify by notice to the Company):

Section 5.10 Governing Law; Jurisdiction. THIS AGREEMENT SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY OTHER JURISDICTION. ANY ACTION OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS AGREEMENT MAY BE BROUGHT AND ENFORCED EXCLUSIVELY IN THE COURTS OF THE STATE OF DELAWARE OR (TO THE EXTENT SUBJECT MATTER JURISDICTION EXISTS THEREFOR) THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF DELAWARE, AND THE PARTIES IRREVOCABLY SUBMIT TO THE JURISDICTION OF BOTH SUCH COURTS IN

RESPECT OF ANY SUCH ACTION OR PROCEEDING. EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY OBJECTION TO THE LAYING OF VENUE OF ANY ACTION, SUIT OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS AGREEMENT IN SUCH COURTS OR ANY OTHER COURT THAT ANY SUCH ACTION, SUIT OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

Section 5.11 Waiver of Jury Trial. BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX FINANCIAL TRANSACTIONS ARE MOST QUICKLY AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE, APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM, THE PARTIES HERETO WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT OR PROCEEDING BROUGHT TO ENFORCE OR DEFEND ANY RIGHT OR REMEDIES UNDER THIS AGREEMENT OR ANY DOCUMENTS ENTERED INTO IN CONNECTION WITH THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREIN. The Company or any Stockholder may file an original counterpart or a copy of this Section 5.11 with any court as written evidence of the consent of the Stockholders to the waiver of their rights to trial by jury.

Section 5.12 Confidentiality.

(a) Without the prior written consent of the Board, except (i) to the extent required by law (including requirements of regulatory authorities), rule, regulation or court order, (ii) for disclosure made in accordance with Section 5.05(a), and (iii) for disclosure to financing sources or Affiliates of a Stockholder that have agreed to treat such information in confidence on customary terms pursuant to a legally binding confidentiality obligation to such Stockholders, no Stockholder shall disclose any trade secrets, customer lists, drawings, designs, information regarding product development, marketing plans, sales plans, management organization information, operating policies or manuals, business plans, financial records or other financial, commercial, business or technical information relating to the Company or any of its subsidiaries or information designated as confidential or proprietary that the Company or any of its subsidiaries may receive belonging to suppliers, customers or others who do business with the Company or any of its subsidiaries (collectively, “Confidential Information”) to any third Person unless such Stockholder can demonstrate that such Confidential Information has been previously disclosed to the public by the Company or is in the public domain (other than by reason of such Stockholder’s breach of this Section 5.12).

(b) In the event that a Stockholder or any person to whom such Stockholder has disclosed Confidential Information is required by a Governmental Authority to disclose any Confidential Information for legal or regulatory reasons, prior to making such disclosure, such Stockholder will promptly notify in writing the Company, unless prohibited by law, to permit the Company, at its sole expense, to seek a protective order or to take other appropriate action. Such Stockholder will also, and will direct any person to whom such Stockholder has disclosed Confidential Information to, cooperate as reasonably requested by the Company in connection

with the Company's efforts to obtain a protective order or other reasonable assurance that confidential treatment will be accorded such information (at the Company's expense). If, in the absence of a protective order or other remedy or the receipt or waiver by the Company, such Stockholder or any person to whom such Stockholder has disclosed Confidential Information become, based on advice of counsel, legally compelled to disclose Confidential Information to such Governmental Authority or else stand liable for contempt or suffer other censure or penalty, such Stockholder or any person to whom such Stockholder has disclosed Confidential Information, as the case may be, may disclose only the part of the Confidential Information which counsel advises is legally required to be disclosed. It is hereby understood that certain banking regulatory authorities with jurisdiction over such Stockholder or any person to whom such Stockholder has disclosed Confidential Information may conduct ordinary course examinations of books and records of such person, and that disclosure of Confidential Information in such circumstances solely for the purposes of examination may occur without prior written notice or consent of the Company or compliance with the provisions of this Section 5.12(b); provided, that in the event such examination is not in the ordinary course, or is targeted at the Company, its subsidiaries or any of their respective Affiliates, such Stockholder or any person to whom such Stockholder has disclosed Confidential Information shall be required to give the Company notice and otherwise comply with the provisions of this Section 5.12(b).

(c) Any Stockholder shall be responsible for any breach of this Section 5.12 by or any person to whom such Stockholder has disclosed Confidential Information and to undertake commercially reasonably precautions to safeguard and protect the confidentiality of the Confidential Information.

(d) Notwithstanding the foregoing, nothing in Section 5.12(a), Section 5.12(b) or Section 5.12(c) shall apply to any Next Alt Entity or any Altice Entity.

Section 5.13 Specific Performance. Each party to this Agreement acknowledges that a remedy at law for any breach or attempted breach of this Agreement will be inadequate, agrees that each other party to this Agreement shall be entitled to specific performance and injunctive and other equitable relief in case of any such breach or attempted breach and further agrees to waive (to the extent legally permissible) any legal conditions required to be met for the obtaining of any such injunctive or other equitable relief (including posting any bond in order to obtain equitable relief).

Section 5.14 No Third Party Liability. This Agreement may only be enforced against the named parties hereto. All claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement (including any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement), may be made only against the entities that are expressly identified as parties hereto; and no past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney or Representative of any party hereto (including any Person negotiating or executing this Agreement on behalf of a party hereto), unless party to this Agreement, shall have any liability or obligation with respect to this Agreement or with respect to any claim or cause of action (whether in contract or tort) that may arise out of or relate to this Agreement, or the

negotiation, execution or performance of this Agreement (including a representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement).

Section 5.15 Further Assurances. In connection with this Agreement and the transactions contemplated hereby, the Company and each Stockholder shall execute and deliver any additional documents and instruments and perform any additional acts that the Company or the parties hereto determine to be necessary or appropriate to effectuate and perform the provisions of this Agreement and the transactions contemplated hereby.

Section 5.16 Splits. If, and as often as, there are any changes in the Shares by way of stock split, stock dividend, combination or reclassification, or through merger (including a domestic or cross-border legal merger), consolidation, reorganization or recapitalization, or by any other means, appropriate adjustment shall be made in the provisions of this Agreement, as may be required, so that the rights, privileges, duties and obligations hereunder shall continue with respect to the Shares as so changed.

ARTICLE II
CORPORATE GOVERNANCE MATTERS

Section 2.1 Board Composition.

(a) As of the date hereof, the Company Board consists of nine (9) members comprised of (i) four (4) director designees of Next Alt (collectively, with their successors and those two (2) director designees selected by Next Alt to fill the vacancies identified in subsection (iii) of this Section 2.1(a) and their successors, the “Next Alt Directors”), (ii) three (3) directors that are Independent Directors designated by the Company and reasonably acceptable to Next Alt and (iii) two (2) vacancies that will be filled by director designees of Next Alt. From and after the date hereof, subject to Section 2.2, the Company shall cause the Company Board to consist of a majority of Next Alt Directors.

(b) Next Alt and A4 agree that one Next Alt Director shall, at all times, be designated by A4 (such Next Alt Director, the “A4-Next Alt Director”).

Section 2.2 Director Nomination Rights.

(a) Until a Stepdown Date and, in the event of a Stepdown Date, from and after any Step-up Date until any subsequent Stepdown Date or the Expiration Date, in connection with any annual or special meeting of the stockholders of the Company at which directors shall be elected, Next Alt shall have the right to designate the number of directors specified in Section 2.1(a)(i) and Section 2.1(a)(iii) for nomination by the Company Board for election to the Company Board (the “Next Alt Designees”). From a Stepdown Date until the earlier of a Step-up Date or the Expiration Date, Next Alt shall have the right to designate a number of Next Alt Designees equal to the total number of directors comprising the entire Company Board *multiplied by* the percentage of the voting power of the outstanding Company Common Stock beneficially owned, in the aggregate, by the PDR Group, rounding up in the case of any resulting fractional number of Next Alt Designees; provided that, at all times that Next Alt is entitled to designate at least one Next Alt Designee, at least one Next Alt Designee shall be designated by A4 (such Next Alt Designee the “A4-Next Alt Designee”); provided, however, notwithstanding anything to the contrary in this sentence, from a Stepdown Date until any Step-up Date, Next Alt shall not have the right to designate a number of Next Alt Designees equal to or exceeding 50% of directors comprising the entire Company Board. Until the Expiration Date, Next Alt and A4, as applicable, shall have full authority and ability to nominate, elect and remove the Next Alt Designees; provided, however, that in no event shall Next Alt cause the A4-Next Alt Designee to be removed without the prior written consent of A4. Neither Next Alt nor A4, as applicable, shall designate any person to be a Next Alt Designee who it believes does not meet the requirements for director nominees as set forth in the applicable policies of the Company relating to director qualification from time to time. For the avoidance of doubt, current or former employment of any Next Alt Designee by Next Alt or any of its Subsidiaries or Affiliates or service by any such Next Alt Designee on the board of directors (or equivalent body) of Next Alt or any of its Subsidiaries or Affiliates shall not automatically disqualify such individual from serving on the Company Board as a Next Alt Designee.

(b) The Company shall cause each Next Alt Designee to be included in the slate of nominees recommended by the Company Board to holders of Company Common Stock for election (including at any special meeting of stockholders held for the election of directors) and shall use its best efforts to cause the election of each such Next Alt Designee.

(c) Until the Expiration Date, in the event that any Next Alt Director (including the A4-Next Alt Director) shall cease to serve as a director for any reason (whether as a result of resignation (other than a resignation in accordance with Section 2.2(d)), removal or incapacity), then (i) in the case of a Next Alt Director (other than the A4-Next Alt Director), Next Alt will designate a substitute Next Alt Designee to fill such vacancy and (ii) in the case of the A4-Next Alt Director, A4 will designate a substitute A4-Next Alt Designee to fill such vacancy.

(d) From a Stepdown Date until the earlier of a Step-up Date or the Expiration Date, Next Alt shall cause such number of Next Alt Directors then serving on the Company Board to resign from the Company Board (such resigning Next Alt Director to be replaced by nominees chosen by the Independent Directors) as is necessary so that the remaining number of Next Alt Directors then serving on the Board is equal to the number of Next Alt Designees that Next Alt is then entitled to designate for nomination pursuant to Section 2.2(a); provided, however, that in no event shall Next Alt cause the A4-Next Alt Director to resign without the prior written consent of A4. Any resignation of a Next Alt Designee required to give effect to this Section 2.2(d) will comply with the applicable rules of the New York Stock Exchange; provided that, for the avoidance of doubt, any such resignation need not be effective until the next annual meeting of the stockholders of the Company.

Section 2.3 Board Observer Rights.

(a) In the event Patrick Drahi is not a member of the Company Board, until the Expiration Date, the Company shall permit one (1) representative of the PDR Group (the “Observer”) (i) to attend all (whether in person, telephonic or otherwise) of the meetings of the Company Board in a non-voting, observer capacity and (ii) to attend all meetings (whether in person, telephonic or otherwise) of any committee of the Company Board in a non-voting, observer capacity. In addition, the Company shall provide to the Observer, concurrently with the members of the Company Board or the committees thereof, as applicable, and in the same manner, notice of such meeting and a copy of all materials provided to such members, including all materials provided to such members in connection with any action to be taken by the Company Board or the committees thereof, as applicable, without a meeting.

(b) The Company shall use commercially reasonable efforts to have the Observer covered by the Company’s existing director and officer indemnity insurance on the same terms and conditions as such director and officer indemnity insurance provides for the coverage of any other persons covered thereby.

(c) The Company shall indemnify the Observer to the same extent as a director under Article VII of the Charter, and the provisions thereof shall to the fullest extent possible apply *mutatis mutandis* to the Observer.

(d) The Company shall reimburse the Observer for all reasonable and documented out-of-pocket expenses incurred in connection with the Observer's attendance at meetings of the Company Board and any committees thereof, including travel, lodging and meal expenses. All reimbursements payable by the Company pursuant to this Section 2.3 shall be paid to the Observer in accordance with the Company's policies and practices with respect to director expense reimbursement then in effect.

Section 2.4 Next Alt Agreement to Vote.

(a) Until the Expiration Date, Next Alt shall, and shall cause each of its Affiliates to, cause the shares of Company Common Stock beneficially owned by members of the Next Alt Group to (i) be present for quorum purposes at any meeting of the stockholders of the Company, (ii) vote in favor of the A4-Next Alt Designee and (iii) not vote in favor of the removal of the A4-Next Alt Director unless A4 shall have consented to such removal in writing; provided that if A4 shall request in writing the removal, with or without cause, of the A4-Next Alt Director, Next Alt shall, and shall cause each of its Affiliates to, vote all of the shares of Company Common Stock beneficially owned by members of the Next Alt Group that are entitled to vote in favor of such removal as promptly as practicable and take promptly all other actions to effect the foregoing.

(b) If requested in writing by A4 to remove the A4-Next Alt Director, Next Alt shall either (i) promptly cause the Company to call a special meeting of the stockholders of the Company and Next Alt shall, and shall cause each of its Affiliates to, vote the shares of Company Common Stock beneficially owned by members of the Next Alt Group in favor of (A) the removal of the A4-Next Alt Director and (B) the election of A4-Next Alt Designee identified in such notice or (ii) promptly deliver a written consent to the Company removing the A4-Next Alt Director and electing the A4-Next Alt Designee identified in such notice.

(c) Next Alt hereby appoints during the term of this Agreement A4 (and, upon an assignment of this Agreement by A4, such permitted assignee of A4) and any designee of A4, and each of them individually, its proxies and attorneys-in-fact, with full power of substitution and resubstitution, to vote the shares of Company Common Stock beneficially owned by Next Alt at any meeting of stockholders of the Company (or acting by written consent in lieu of a meeting), in accordance with the agreements contained in this Section 2.4. This proxy and power of attorney is given to secure the performance by Next Alt of the agreements contained in this Section 2.4. Next Alt shall take such further action or execute such other instruments as may be necessary to effectuate the intent of this proxy. This proxy and power of attorney granted by Next Alt shall be irrevocable during the term of this Agreement, shall be deemed to be coupled with an interest sufficient in law to support an irrevocable proxy and shall revoke any and all prior proxies granted by Next Alt with respect to the shares of Company Common Stock beneficially owned by Next Alt. The power of attorney granted by Next Alt herein is a durable power of attorney and shall survive the dissolution or bankruptcy of Next Alt. The proxy and power of attorney granted hereunder shall terminate upon the termination of this Agreement.

ARTICLE III

APPROVAL AND CONSENT RIGHTS

Section 3.1 Approval and Consent Rights. Until the Expiration Date,

notwithstanding anything to the contrary herein or in the Organizational Documents or in the governing documents of any of the Subsidiaries of the Company, without the prior written approval of Next Alt, the Company shall not (either directly or indirectly through an Affiliate or otherwise or through one or a series of related transactions) take, or permit a Subsidiary of the Company to take, any of the following actions (each, a “Significant Action”):

- (g) redeem, repurchase or otherwise acquire Company Common Stock or any warrants, options, rights or securities convertible into, exchangeable for or exercisable for, Company Common Stock, or redeem, repurchase or otherwise acquire or make any payment with respect to any share appreciation rights or phantom share plans (other than repurchases of Company Common Stock from employees upon termination of employment pursuant to terms of duly approved equity grants or pursuant to a cashless exercise of equity grants) or any re-pricing of duly approved equity awards;

Company wishes for such Significant Action to be effected. A Significant Action Notice shall set forth in reasonable detail the material terms of the Significant Action to be undertaken and include any other information reasonably necessary in order to enable Next Alt to make an informed decision with respect to such Significant Action.

ARTICLE IV

MISCELLANEOUS

Section 4.1 Corporate Power; Fiduciary Duty.

(a) The Company represents on behalf of itself, Next Alt represents on behalf of itself and A4 represents on behalf of itself, as follows:

(i) each such Person has the requisite corporate or other power and authority and has taken all corporate or other action necessary in order to execute, deliver and perform this Agreement and to consummate the transactions contemplated hereby; and

(ii) this Agreement has been duly executed and delivered by it and constitutes a valid and binding agreement of it enforceable in accordance with the terms thereof.

(b) Notwithstanding any provision of this Agreement, none of the Company, Next Alt or A4 shall be required to take or omit to take any act that would violate its fiduciary duties to any minority stockholders of the Company or any non-wholly-owned Subsidiary of Next Alt, A4 or the Company, as the case may be (it being understood that directors' qualifying shares or similar interests will be disregarded for purposes of determining whether a Subsidiary is wholly owned).

Section 4.2 Related Party Transactions. All Related Party Transactions (as defined in the Related Party Transactions Policy) shall be governed by the Related Party Transactions Policy. Any amendments to or modifications or terminations of or material waivers, consents or elections under any Related Party Transactions, shall require the consent of the Audit Committee of the Company Board, subject to and consistent with the Related Party Transactions Policy.

Section 4.3 Expenses. Except as otherwise specified in this Agreement, all costs and expenses, including fees and disbursements of counsel, financial advisors and accountants, incurred in connection with this Agreement and the transactions contemplated by this Agreement shall be borne by the Party incurring such costs and expenses.

Section 4.4 Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any applicable principles of conflict of laws that would cause the Laws of another State to otherwise govern this Agreement. The Parties agree that any Action seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby (whether brought by any party or any of its Affiliates or against any party

or any of its Affiliates) shall be heard and determined exclusively in the Delaware Court of Chancery; provided, however, that if the Delaware Court of Chancery does not have jurisdiction over such Action, such Action shall be heard and determined exclusively in the Superior Court of the State of Delaware (Complex Commercial Division); provided, further, that if subject matter jurisdiction over the matter that is the subject of the Action is vested exclusively in the courts of the United States of America, such Action shall be heard in the United States District Court for the District of Delaware. Consistent with the preceding sentence, each of the Parties hereby (i) submits to the exclusive jurisdiction of such courts for the purpose of any Action arising out of or relating to this Agreement brought by any Party; (ii) agrees that service of process will be validly effected by sending notice in accordance with Section 4.6; (iii) irrevocably waives, and agrees not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Agreement or the transactions contemplated by this Agreement may not be enforced in or by any of the above named courts; and (iv) agrees not to move to transfer any such Action to a court other than any of the above-named courts.

Section 4.5 Waiver of Jury Trial. EACH OF THE PARTIES HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION AMONG THE PARTIES DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT. EACH OF THE PARTIES (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THAT FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 4.6 Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and, in the case of delivery in person or by overnight mail, shall be deemed to have been duly given upon receipt) by delivery in person or overnight mail to the respective parties or delivery by electronic mail transmission (providing confirmation of transmission) to the respective Parties. Section 4.7 Severability. If any provision of this Agreement shall be held to be illegal, invalid or unenforceable under any applicable Law, then such contravention or invalidity shall not invalidate the entire Agreement. Such provision shall be deemed to be modified to the extent necessary to render it legal, valid and enforceable, and if no such modification shall render it legal, valid and enforceable, then this Agreement shall be construed as if not containing the provision held to be invalid, and the rights and obligations of the Parties shall be construed and enforced accordingly.

Section 4.8 Entire Agreement. This Agreement constitutes the entire agreement, and supersedes all other prior agreements and understandings (both written and oral), among the Parties with respect to the subject matter hereof and thereof.

Section 4.9 Term and Termination. The covenants, obligations and other agreements contained in this Agreement shall continue until such time as they are fully performed or satisfied in accordance with their terms, or are no longer required to be performed or satisfied, as agreed in writing by the Parties; provided that no covenant, obligation or other agreement shall be considered to be performed or satisfied to the extent of any breach of such covenant, obligation or other agreement.

Section 4.10 Assignment; No Third-Party Beneficiaries. This Agreement may not be assigned by operation of law or otherwise without the express written consent of the Parties, except that Next Alt or A4 may assign their respective rights and obligations to any member of the PDR Group. This Agreement is for the sole benefit of the Parties to this Agreement and their permitted successors and assigns and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable

right, benefit or remedy of any nature whatsoever under or by reason of this Agreement. Any purported assignment in breach of this Section 4.10 shall be null and void.

Section 4.11 Amendment; Waiver. No provision of this Agreement may be amended or modified except by a written instrument signed by all the Parties to such agreement. Each of Next Alt, A4 and the Company may, in its sole discretion, waive any and all rights granted to it in this Agreement; provided, that no waiver by any Party of any provision hereof shall be effective unless explicitly set forth in writing and executed by the Party so waiving. The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any other subsequent breach.

Section 4.12 Specific Performance. The Parties acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Each Party agrees that, in the event of any breach or threatened breach by any other Party of any obligation contained in this Agreement, a non-breaching Party shall be entitled to (a) an order of specific performance to enforce the observance and performance of such obligation and (b) an injunction restraining such breach or threatened breach. Each Party further agrees that the non-breaching Party shall not be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 4.12, and each Party irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

Section 4.13 Interpretations. When a reference is made in this Agreement to an Article, Section or Schedule, such reference shall be to an Article, Section or Schedule to this Agreement unless otherwise indicated. The words “include” and “including” when used herein shall be deemed in each case to be followed by the words “without limitation.” Any references in this Agreement to “the date hereof” refers to the date of execution of this Agreement. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. References to “this Agreement,” “hereof,” “herein,” and “hereunder” refer to this Agreement as a whole and not to any particular provision of this Agreement and include any schedules, annexes, exhibits or other attachments to this Agreement. The word “or” shall be deemed to mean “and/or.” The words “writing,” “written” and comparable terms refer to printing, typing and other means of reproducing words (including electronic media) in a visible form. All terms defined in this Agreement shall have the defined meanings when used in any certificate or other document made or delivered pursuant hereto unless otherwise defined therein. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms and to the masculine as well as to the feminine and neuter genders of such term. When a reference is made to Law, such reference means any such Law as amended, modified, codified or reenacted, in whole or in part, including rules and regulations promulgated thereunder. When reference is made to a contract (including this Agreement), document, or instrument, such reference is to such contract, document or instrument as amended or modified in accordance with the terms thereof and, if applicable, the terms hereof. References to a Person are also to its permitted successors and assigns.

Section 4.14 Mutual Drafting. The Parties have participated jointly in the negotiation and drafting of this Agreement with the assistance of counsel and other advisors and, in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement or interim drafts of this Agreement.

Section 4.15 Counterparts; Electronic Transmission of Signatures. This Agreement may be executed in any number of counterparts and by different Parties in separate counterparts, and delivered by means of electronic mail transmission or otherwise, each of which when so executed and delivered shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement.
