Item 7.01      Regulation FD Disclosure.

On March 31, 2020, BorgWarner Inc. (the “Company” or “BorgWarner”) issued a press release disclosing the following:

On March 30, 2020, BorgWarner was informed that Delphi Technologies PLC, a public limited company incorporated under the Laws of the Bailiwick of Jersey (“Delphi Technologies”), provided notice to the lenders pursuant to its Credit Agreement, dated September 7, 2017, as amended, to draw the full available amount under the revolving facility thereunder (the “Revolver Draw”), resulting in a total of \$500 million outstanding under the revolving facility.

Following the Revolver Draw, on March 30, 2020, BorgWarner sent a written notice to Delphi Technologies asserting that Delphi Technologies materially breached Section 5.1(b)(xii) of the Transaction Agreement, dated as of January 28, 2020, between BorgWarner and Delphi Technologies (the “Agreement”) as a result of Delphi Technologies effecting the Revolver Draw without BorgWarner’s prior written consent and asserting that, if such breach is not cured within 30 days, BorgWarner has the right to terminate the Agreement. BorgWarner received a response letter from Delphi Technologies on that date disputing BorgWarner’s breach assertion on the basis that BorgWarner unreasonably withheld its consent to the Revolver Draw. Both BorgWarner and Delphi Technologies continue to believe in the long-term strategic value of the proposed acquisition (the “proposed transaction”) of Delphi Technologies by BorgWarner and, at this time, are still working together towards closing the proposed transaction in the second half of 2020. There can be no assurance, however, that BorgWarner and Delphi Technologies will reach a mutually acceptable resolution or that the proposed transaction will close.

A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

**No Offer or Solicitation**

This communication is being made in respect of the proposed transaction. This communication is not intended to and does not constitute an offer to sell or the solicitation of an offer to subscribe for or buy or an invitation to purchase or subscribe for any securities or the solicitation of any vote or approval in any jurisdiction pursuant to the proposed transaction or otherwise, nor shall there be any sale, issuance or transfer of securities in any jurisdiction in contravention of applicable law. In particular, this communication is not an offer of securities for sale into the United States. No offer of securities shall be made in the United States absent registration under the U.S. Securities Act of 1933, as amended (the “Securities Act”), or pursuant to an exemption from, or in a transaction not subject to, such registration requirements. Any securities issued in the proposed transaction are anticipated to be issued in reliance

upon available exemptions from such registration requirements pursuant to Section 3(a)(10) of the Securities Act.

**Participants in the Solicitation**

Information regarding the foregoing persons, including a description of their direct or indirect interests, by security holdings or otherwise, is set forth in the preliminary proxy statement filed on Schedule 14A with the Securities and Exchange Commission (the “SEC”) on March 11, 2020 (the “preliminary proxy statement”) and will be set forth in a definitive proxy statement and any other relevant documents to be filed with the SEC. You can find information about Delphi Technologies’ directors and executive officers in its Annual Report on Form 10-K for the fiscal year ended December 31, 2019 and its definitive proxy statement filed with the SEC on Schedule 14A on March 15, 2019.
