OF NORMAL COURSE ISSUER BID**

Toronto (May 2, 2022) – Agnico Eagle Mines Limited (NYSE: AEM, TSX: AEM) ("Agnico Eagle") announced today that it has received approval from the Toronto Stock Exchange (the "TSX") of Agnico Eagle's notice of intention to make a normal course issuer bid (the "NCIB").

Under the NCIB, Agnico Eagle may purchase for cancellation, on the open market at its discretion, during the period commencing on May 4, 2022 and ending on the earlier of May 3, 2023 and the completion of purchases under the NCIB, up to the lesser of 5% of the issued and outstanding common shares of Agnico Eagle ("Common Shares") and that number of Common Shares that can be purchased by Agnico Eagle under the NCIB for an aggregate purchase price, excluding commissions, of not more than \$500,000,000 subject to the normal terms and limitations of such bids. Based on the closing share price of \$55.85 on April 28, 2022, 8,952,551 Common Shares would be purchasable under the NCIB, representing approximately 1.96% of the issued and outstanding Common Shares as of April 28, 2022. As of April 28, 2022, Agnico Eagle had 455,706,160 issued and outstanding Common Shares.

Daily purchases on the TSX under the NCIB will be limited to 341,828 Common Shares, other than purchases made pursuant to the block purchase exception, which represents 25% of the average daily trading volume of 1,367,311 on the TSX for six months ending March 31, 2022. The actual number of Common Shares which may be purchased under the NCIB and the timing of any such purchases will be determined by the management of Agnico Eagle, subject to applicable law and the rules of the TSX. Purchases under the NCIB are expected to be made through the facilities of the TSX, the New York Stock Exchange and alternative trading systems in Canada or the United States, at prevailing market prices. The NCIB will be funded using Agnico Eagle's existing cash resources, and any Common Shares repurchased by Agnico Eagle under the NCIB will be cancelled.

Agnico Eagle believes that the NCIB will provide a flexible tool as part of Agnico Eagle's overall capital allocation program and objectives, while generating value for shareholders. Decisions regarding any future repurchases will depend on certain factors, such as market conditions, share price and other opportunities to invest capital for growth. Agnico Eagle may elect to suspend or discontinue share repurchases at any time, in accordance with applicable laws.

Agnico Eagle has established an automatic share purchase plan in connection with its NCIB to facilitate the purchase of Common Shares during times when Agnico Eagle would ordinarily not be permitted to purchase Common Shares due to regulatory restrictions or self-imposed black-out periods. Before entering a black-out period, Agnico Eagle may, but is not required to, instruct the broker to make purchases under the NCIB based on parameters set by Agnico Eagle in accordance with the share purchase plan, TSX rules and applicable securities laws. The plan has been pre-cleared by the TSX and will be implemented effective May 9, 2022.
