The Career Shares become payable upon the reporting person's termination of employment with AEP.
- (2) Value is based on a share price of \$42.448 which is the average closing price of the last 20 trading days of the performance period.
- (3) Includes dividends acquired, pursuant to the Plans, since last reported. These indirect holdings have been reported as units in the past; they will be reported as share equivalents from this point forward.
