## \$1,375,500,000 SERIES 2026-A SENIOR SECURED SAC BONDS

## UNDERWRITING AGREEMENT

May 19, 2026

To the Representatives named in Schedule I hereto  
of the Underwriters named in Schedule II hereto

Ladies and Gentlemen:

1. Introduction. Appalachian Power Recovery Funding LLC, a Delaware limited liability company (the “Issuer”), proposes to issue and sell \$1,375,500,000 aggregate principal amount of its Series 2026-A Senior Secured SAC Bonds (the “Bonds”), identified in Schedule I hereto. The Issuer and Appalachian Power Company, a Virginia corporation and the Issuer’s direct parent (“APCO”), hereby confirm their agreement with the several Underwriters (as defined below) as set forth herein.

The term “Underwriters” as used herein shall be deemed to mean the entity or several entities named in Schedule II hereto and any underwriter substituted as provided in Section 7 hereof and the term “Underwriter” shall be deemed to mean any one of such Underwriters. If the entity or entities listed in Schedule I hereto as representatives (the “Representatives”) are the same as the entity or entities listed in Schedule II hereto, then the terms “Underwriters” and “Representatives”, as used herein, shall each be deemed to refer to such entity or entities. All obligations of the Underwriters hereunder are several and not joint. If more than one entity is named in Schedule I hereto, any action under or in respect of this underwriting agreement (“Underwriting Agreement”) may be taken by such entities jointly as the Representatives or by one of the entities acting on behalf of the Representatives and such action will be binding upon all the Underwriters.

2. Description of the Bonds. The Bonds will be issued pursuant to an indenture to be dated as of May 27, 2026, as supplemented by a series supplement thereto (as so supplemented, the “Indenture”), between the Issuer and U.S. Bank Trust Company, National Association, a national banking association as indenture trustee (the “Indenture Trustee”) and U.S. Bank National Association as securities intermediary (the “Securities Intermediary”). The Bonds will be senior secured obligations of the Issuer and will be supported by securitized asset cost property (as more fully described in the Financing Order issued on November 24, 2025 (the “Financing Order”) by the State Corporation Commission of the Commonwealth of Virginia (the “Virginia Commission”) relating to the Bonds, (the “SAC Property”), to be sold to the Issuer by APCO pursuant to the SAC Property Sale Agreement, to be dated on or about May 27, 2026, between APCO and the Issuer (the “Sale Agreement”). The SAC Property securing the Bonds will be serviced pursuant to the SAC Property Servicing Agreement, to be dated on or about May 27, 2026, between APCO, as servicer, and the Issuer, as owner of the SAC Property sold to it pursuant to the Sale Agreement (the “Servicing Agreement”).

3. Representations and Warranties of the Issuer. The Issuer represents and warrants to the several Underwriters that:

(a) The offer and sale of the Bonds have been registered on Form SF-1 pursuant to guidance from the Securities and Exchange Commission (the “Commission”) and in accordance with such guidance the Issuer and the Bonds meet the requirements for the use of Form SF-1 under the Securities Act of 1933, as amended (the “Securities Act”). The Issuer, in its capacity as co-registrant and issuing entity with respect to the Bonds, and APCO, in its capacity as co-registrant and as sponsor for the Issuer, have prepared and filed with the Commission a registration statement on such form on February 27, 2026 (Registration Statement Nos. 333-293890 and 333-293890-01), as amended by Amendment No. 1 thereto dated May 1, 2026, including a prospectus (the “Registration Statement”), for the registration under the Securities Act of up to \$1,375,500,000, aggregate principal amount of the Bonds. The Registration Statement has been declared effective by the Commission and no stop order suspending such effectiveness has been issued under the Securities Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Issuer, threatened by the Commission. References herein to the term “Registration Statement” shall be deemed to refer to the Registration Statement, including any amendment thereto, and any information in a prospectus as amended or supplemented as of the Effective Date (as defined below), deemed or retroactively deemed to be a part thereof pursuant to Rule 430A under the Securities Act (“Rule 430A”) that has not been superseded or modified. “Registration Statement” without reference to a time means the Registration Statement as of the Applicable Time (as defined below), which the parties agree is the time of the first contract of sale (as used in Rule 159 under the Securities Act) for the Bonds, and shall be considered the “Effective Date” of the Registration Statement relating to the Bonds. Information contained in a form of prospectus (as amended or supplemented as of the Effective Date) that is deemed retroactively to be a part of the Registration Statement pursuant to Rule 430A shall be considered to be included in the Registration Statement as of the time specified in Rule 430A. The final prospectus relating to the Bonds, as filed with the Commission pursuant to Rule 424(b) under the Securities Act, is referred to herein as the “Final Prospectus”; and the most recent preliminary prospectus that omitted information to be included upon pricing in a form of prospectus filed with the Commission pursuant to Rule 424(b) under the Securities Act and that was used after the initial effectiveness of the Registration Statement and prior to the Applicable Time (as defined below) is referred to herein as the “Pricing Prospectus”. The Pricing Prospectus and the Issuer Free Writing Prospectuses (as defined below) identified in Section B of Schedule III, together with the Intex File (as defined below) hereby considered together, are referred to herein as the “Pricing Package”.

(b) (i) At the earliest time after the filing of the Registration Statement that the Issuer or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the Securities Act) of the Bonds and (ii) at the date hereof, the Issuer was not an “ineligible issuer”, as defined under Rule 405 under the Securities Act.

(c) At the time the Registration Statement initially became effective, at the time of each amendment (whether by post-effective amendment, incorporated report or form of prospectus) and on the Effective Date relating to the Bonds, the Registration Statement fully complied, and the Final Prospectus, both as of its date and at the Closing Date, and the Indenture, at the Closing Date, will fully comply, in all material respects with the applicable provisions of the Securities Act and the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), respectively, and, in each case, the applicable instructions, rules and regulations of the Commission thereunder; the Registration Statement, at each of the aforementioned dates, did not and will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; the Final Prospectus, both as of its date and at the Closing Date, will not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the foregoing representations and warranties in this paragraph (c) shall not apply to statements or omissions made in reliance upon and in conformity with any Underwriter Information as defined in Section 11(b) below or to any statements in or omissions from any Statements of Eligibility on Form T-1 (or amendments thereto) of the Indenture Trustee under the Indenture filed as exhibits to the Registration Statement or to any statements or omissions made in the Registration Statement or the Final Prospectus relating to The Depository Trust Company's ("DTC") Book-Entry System that are based solely on information contained in published reports of DTC.

(d) As of the Applicable Time, as of its date, and on the date of its filing, the Pricing Prospectus, each Issuer Free Writing Prospectus (as defined below) (other than the Pricing Term Sheet, as defined in Section 5(b) below) and the Intex file, did and do not include any untrue statement of a material fact or omit (with respect to each Issuer Free Writing Prospectus or the Intex file, when taken together with the Pricing Prospectus) to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (except that the principal amount of the Bonds, the initial principal balance, the scheduled final payment date, the final maturity date, the expected average life and related sensitivity data, proceeds to the Issuer, underwriters' allocation, selling concession, reallowance, discounts, issuance date, the expected amortization schedule and the expected sinking fund schedule described in the Pricing Prospectus were subject to completion or change based on market conditions and the interest rate, price to the public and underwriting discounts and commissions as well as certain other information dependent on the foregoing and other pricing related information was not included in the Pricing Prospectus). The Pricing Package, at the Applicable Time, did not, and at all subsequent times through the completion of the offer and the sale of the Bonds on the Closing Date will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The two preceding sentences do not apply to statements in or omissions from the Pricing Prospectus, the Pricing Term Sheet or any other Issuer Free Writing Prospectus in reliance upon and in conformity with any Underwriter Information. "Issuer Free Writing Prospectus" means any "issuer free writing prospectus," as defined in Rule 433(h) under the Securities Act, relating to the Bonds, in the form filed or required to be filed with the

Commission or, if not required to be filed, in the form retained in the Issuer's records pursuant to Rule 433(g) under the Securities Act. References to the term "Free Writing Prospectus" shall mean a free writing prospectus, as defined in Rule 405 under the Securities Act. "Intex File" means the files available at the Intex deal titled "xapwr26a" concerning the characteristics of the Bonds or the SAC Property. References to the term "Applicable Time" mean 2:03 PM, Eastern Time, on the date hereof, except that if, subsequent to such Applicable Time, the Issuer, APCO and the Underwriters have determined that the information contained in the Pricing Prospectus or any Issuer Free Writing Prospectus issued prior to such Applicable Time included an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading and the Issuer, APCO and the Underwriters have agreed to terminate the old purchase contracts and have entered into new purchase contracts with purchasers of the Bonds, then "Applicable Time" will refer to the first of such times when such new purchase contracts are entered into. The Issuer represents, warrants and agrees that it has treated and agrees that it will treat each of the free writing prospectuses listed on Schedule III hereto as an Issuer Free Writing Prospectus, and that each such Issuer Free Writing Prospectus has fully complied and will fully comply with the applicable requirements of Rules 164 and 433 under the Securities Act, including timely Commission filing where required, legending and record keeping.

(e) Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the offer and sale of the Bonds on the Closing Date or until any earlier date that the Issuer or APCO notified or notifies the Representatives as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information then contained in the Registration Statement. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development the result of which is that such Issuer Free Writing Prospectus conflicts or would conflict with the information then contained in the Registration Statement or includes or would include an untrue statement of a material fact or, when considered together with the Pricing Prospectus, omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, (i) APCO or the Issuer has promptly notified or will promptly notify the Representatives and (ii) APCO or the Issuer has promptly amended or will promptly amend or supplement such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus in reliance upon and in conformity with any Underwriter Information.

(f) The Issuer has been duly formed and is validly existing as a limited liability company in good standing under the Delaware Limited Liability Company Act, as amended, with full limited liability company power and authority to execute, deliver and perform its obligations under this Underwriting Agreement, the Bonds, the Sale Agreement, the Servicing Agreement, the Indenture, the amended and restated limited liability company operating agreement of the Issuer dated as of April 30, 2026 (the "LLC Agreement"), the Joinder Agreement (as defined below) to the intercreditor agreement

made as of September 7, 2022 and amended and restated as of December 9, 2024 (the “Intercreditor Agreement”) by and among (a) each Person designated in an Effective Joinder (as defined in the Intercreditor Agreement) (i) as a “Company” (as defined in the Intercreditor Agreement), (ii) as a “Receivables Sub-Servicer” (as defined in the Intercreditor Agreement), and (iii) as a “Securitization Property Servicer” (as defined in the Intercreditor Agreement); (b) each Person designated in an Effective Joinder as a “Bond Issuer” (as defined in the Intercreditor Agreement); (c) each Person designated in an Effective Joinder as an “indenture trustee” (as defined in the Intercreditor Agreement); (d) AEP Credit, Inc., a Delaware corporation (the “Receivables Buyer”); and (e) JPMorgan Chase Bank, N.A., as Receivables Administrative Agent (as defined in the Intercreditor Agreement) for the Receivables Purchasers referred to in the Intercreditor Agreement and as Control Agent (as defined in the Intercreditor Agreement), the joinder to the Intercreditor Agreement (the “Joinder Agreement”) dated as of the Closing Date, by and among (i) APCO, in its individual capacity, as the initial Securitization Property Servicer of the SAC Property, and as the Receivables Sub-Servicer, (ii) the Indenture Trustee, and (iii) the Issuer, the administration agreement to be dated the Closing Date between the Issuer and APCO (the “Administration Agreement”) and the other agreements and instruments contemplated by the Pricing Prospectus (collectively, the “Issuer Documents”) and to own its properties and conduct its business as described in the Pricing Prospectus; the Issuer has been duly qualified as a foreign limited liability company for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification, except where failure to so qualify or to be in good standing would not have a material adverse effect on the business, properties or financial condition of the Issuer; the Issuer has conducted and will conduct no business in the future that would be inconsistent with the description of the Issuer’s business set forth in the Pricing Prospectus; the Issuer is not a party to or bound by any agreement or instrument other than the Issuer Documents and other agreements or instruments incidental to its formation and the Rating Agency Letters (as defined below); the Issuer has no material liabilities or obligations other than those arising out of the transactions contemplated by the Issuer Documents and as described in the Pricing Prospectus; APCO is the beneficial owner of all of the limited liability company interests of the Issuer; and based on current law, the Issuer is not classified as an association taxable as a corporation for United States federal income tax purposes.

(g) The issuance and sale of the Bonds by the Issuer, the purchase of the SAC Property by the Issuer from APCO and the consummation of the transactions herein contemplated by the Issuer, and the fulfillment of the terms hereof on the part of the Issuer to be fulfilled, will not result in a breach of any of the terms or provisions of, or constitute a default under the Issuer’s articles of organization or limited liability company operating agreement (collectively, the “Issuer Charter Documents”), or any indenture, mortgage, deed of trust or other agreement or instrument to which the Issuer is now a party.

(h) This Underwriting Agreement has been duly authorized, executed and delivered by the Issuer, which has the necessary limited liability company power and authority to execute, deliver and perform its obligations under this Underwriting Agreement.

(i) The Issuer (i) is not in violation of the Issuer Charter Documents, (ii) is not in default and no event has occurred which, with notice or lapse of time or both, would constitute such a default, in the due performance or observance of any term, covenant or condition contained in any indenture, mortgage, deed of trust or other agreement or instrument to which it is a party or by which it is bound or to which any of its properties is subject, except for any such defaults that would not, individually or in the aggregate, have a material adverse effect on its business, property or financial condition, and (iii) is not in violation of any law, ordinance, governmental rule, regulation or court decree to which it or its property may be subject, except for any such violations that would not, individually or in the aggregate, have a material adverse effect on its business, property or financial condition.

(j) The Indenture has been duly authorized by the Issuer, and, on the Closing Date, will have been duly executed and delivered by the Issuer and will be a valid and binding instrument, enforceable against the Issuer in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium or other similar laws relating to or affecting creditors' or secured parties' rights generally and by general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing), regardless of whether considered in a proceeding in equity or at law; and limitations on enforceability of rights to indemnification by federal or state securities laws or regulations or by public policy. On the Closing Date, the Indenture will (i) comply as to form in all material respects with the requirements of the Trust Indenture Act and (ii) conform in all material respects to the description thereof in the Pricing Prospectus and Final Prospectus.

(k) The Bonds have been duly authorized by the Issuer for issuance and sale to the Underwriters pursuant to this Underwriting Agreement and, when executed by the Issuer and authenticated by the Indenture Trustee in accordance with the Indenture and delivered to the Underwriters against payment therefor in accordance with the terms of this Underwriting Agreement, will constitute valid and binding obligations of the Issuer entitled to the benefits of the Indenture and enforceable against the Issuer in accordance with their terms, except as the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium or other similar laws relating to or affecting creditors' or secured parties' rights generally and by general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing), regardless of whether considered in a proceeding in equity or at law; and limitations on enforceability of rights to indemnification by federal or state securities laws or regulations or by public policy, and the Bonds conform in all material respects to the description thereof in the Pricing Prospectus and Final Prospectus. The Issuer has all requisite limited liability company power and authority to issue, sell and deliver the Bonds in accordance with and upon the terms and conditions set forth in this Underwriting Agreement and in the Pricing Prospectus and Final Prospectus.

(l) There is no litigation or governmental proceeding to which the Issuer is a party or to which any property of the Issuer is subject or which is pending or, to the knowledge of the Issuer, threatened against the Issuer that (i) could reasonably be expected to, individually or in the aggregate, have a material adverse effect on the performance by the Issuer of any of the Issuer Documents or the consummation of any of the transactions contemplated thereby or (ii) could reasonably be expected to have a material adverse effect on the Issuer's business, property or financial condition.

(m) Other than the filing of the issuance advice letter and non-action on the part of the Virginia Commission contemplated by Ordering Paragraph 10 of the Financing Order, no approval, authorization, consent or order of any public board or body (except such as have been already obtained and other than in connection or in compliance with the provisions of applicable blue-sky laws or securities laws of any state, as to which the Issuer makes no representations or warranties), is legally required for the issuance and sale by the Issuer of the Bonds.

(n) The Issuer is not, and, after giving effect to the sale and issuance of the Bonds and the application of the proceeds thereof as described in the Pricing Prospectus and the Final Prospectus, will not be an “investment company” within the meaning of the Investment Company Act of 1940, as amended (the “1940 Act”).

(o) The Issuer will rely on an exclusion or exemption from the definition of “investment company” under the 1940 Act under Rule 3a-7 under the Investment Company Act, although there may be additional exclusions or exemptions available to the Issuer. The Issuer is not a “covered fund” for purposes of regulations adopted to implement Section 619 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

(p) The nationally recognized accounting firm which has performed certain procedures with respect to certain statistical and structural information contained in the Pricing Prospectus and the Final Prospectus, is an independent public accounting firm.

(q) Each of the Sale Agreement, the Servicing Agreement, the Intercreditor Agreement, the Joinder Agreement, the Administration Agreement and LLC Agreement has been duly authorized by the Issuer, and when executed and delivered by the Issuer on or prior to the Closing Date and the other parties thereto, will constitute a valid and legally binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium or other similar laws relating to or affecting creditors’ or secured parties’ rights generally and by general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing), regardless of whether considered in a proceeding in equity or at law, and limitations on enforceability of rights to indemnification by federal or state securities laws or regulations or by public policy.

(r) The Issuer has complied with the written representations, acknowledgements and covenants (the “17g-5 Representations”) relating to compliance with Rule 17g-5 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) set forth in the (i) undertaking letter related to the Bonds by APCO to Moody’s (as defined below) and (ii) undertaking letter related to the Bonds from APCO to S&P (as defined below, and together with Moody’s, the “Rating Agencies”) and the Issuer (collectively, the “Rating Agency Letters”), other than (x) any noncompliance of the 17g-5 Representations that would not have a material adverse effect on the rating of the Bonds or the Bonds or (y) any noncompliance arising from the breach by an Underwriter of the representations and warranties and covenants set forth in Section 13 hereof.

(s) The Issuer will comply, and has complied, in all material respects, with its diligence and disclosure obligations in respect to the Bonds under Rule 193 of the Securities Act and Items 1111(a)(7) and 1111(a)(8) of Regulation AB under the Securities Act.

(t) The Bonds are not subject to the risk retention requirements imposed by Section 15G of the Exchange Act.

4. Representations and Warranties of APCO. APCO represents and warrants to the several Underwriters that:

(a) APCO, in its capacity as co-registrant and sponsor for the Issuer and with respect to the Bonds, meets the requirements to use Form SF-1 under the Securities Act and has filed with the Commission the Registration Statement for the registration under the Securities Act of up to \$1,375,500,000 aggregate principal amount of the Bonds. The Registration Statement has been declared effective by the Commission and no stop order suspending such effectiveness has been issued under the Securities Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of APCO, threatened by the Commission.

(b) (i) At the earliest time after the filing of the Registration Statement that APCO or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the Securities Act) of the Bonds and (ii) the date hereof, APCO was not and is not an “ineligible issuer” as defined in Rule 405 under the Securities Act.

(c) At the time the Registration Statement initially became effective, at the time of each amendment (whether by post-effective amendment, incorporated report or form of prospectus) and on the Effective Date relating to the Bonds, the Registration Statement fully complied, and the Final Prospectus, both as of its date and at the Closing Date, and the Indenture, at the Closing Date, will fully comply in all material respects with the applicable requirements of the Securities Act and the Trust Indenture Act, respectively, and, in each case, the applicable instructions, rules and regulations of the Commission thereunder; the Registration Statement, at each of the aforementioned dates, did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; the Final Prospectus, both as of its date and at the Closing Date, will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, that the foregoing representations and warranties in this paragraph (c) shall not apply to statements or omissions made in reliance upon and in conformity with any Underwriter Information or to any statements in or omissions from any Statement of Eligibility on Form T-1, or amendments thereto, of the Indenture Trustee under the Indenture filed as exhibits to the Registration Statement or to any statements or omissions made in the Registration Statement or the Final Prospectus relating to DTC’s Book-Entry System that are based solely on information contained in published reports of DTC.

(d) As of the Applicable Time, as of its date, and on the date of its filing the Pricing Prospectus and each Issuer Free Writing Prospectus (other than the Pricing Term Sheet) and the Intex File, did and do not include any untrue statement of a material fact or omit (with respect to each Issuer Free Writing Prospectus or the Intex file, when taken together with the Pricing Prospectus) to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (except that the principal amount of the Bonds, the initial principal balance, the scheduled final payment date, the final maturity date, the expected average life and related security data proceeds to the Issuer, underwriters' allocation, selling concession, reallowance discounts, issuance date, the expected amortization schedule and the expected sinking fund schedule described in the Pricing Prospectus were subject to completion or change based on market conditions, and the interest rate, price to the public and underwriting discounts and commissions as well as certain other information dependent on the foregoing and other pricing related information was not included in the Pricing Prospectus). The two preceding sentences do not apply to statements in or omissions from the Pricing Prospectus, the Pricing Term Sheet or any other Issuer Free Writing Prospectus in reliance upon and in conformity with any Underwriter Information. APCO represents, warrants and agrees that it has treated and agrees that it will treat each of the free writing prospectuses listed on Schedule III hereto as an Issuer Free Writing Prospectus, and that each such Issuer Free Writing Prospectus has fully complied and will fully comply with the applicable requirements of Rules 164 and 433 under the Securities Act, including timely Commission filing where required, legending and record keeping.

(e) Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the offer and sale of the Bonds on the Closing Date or until any earlier date that the Issuer or APCO notified or notifies the Representatives as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information then contained in the Registration Statement. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development the result of which is that such Issuer Free Writing Prospectus conflicts or would conflict with the information then contained in the Registration Statement or includes or would include an untrue statement of a material fact or, when considered together with the Pricing Prospectus, omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, (i) APCO or the Issuer has promptly notified or will promptly notify the Representatives and (ii) APCO or the Issuer has promptly amended or will promptly amend or supplement such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus in reliance upon and in conformity with any Underwriter Information.

#### 5. Investor Communications.

(a) Issuer and APCO represent and agree that, unless they obtain the prior consent of the Representatives, and each Underwriter represents and agrees that, unless it obtains the prior consent of the Issuer and APCO and the Representatives, it has not made and will not make any offer relating to the Bonds that would constitute an Issuer Free Writing Prospectus, or that would otherwise constitute a “free writing prospectus,” required to be filed by the Issuer or APCO, as applicable, with the Commission or retained by the Issuer or APCO, as applicable, under Rule 433 under the Securities Act; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the preliminary term sheet relating to the Bonds dated May 14, 2026 (the “Preliminary Term Sheet”) and the Pricing Term Sheet and each other Free Writing Prospectus identified in Schedule III hereto.

(b) APCO and the Issuer (or the Representatives at the direction of the Issuer) will prepare a final pricing term sheet relating to the Bonds (the “Pricing Term Sheet”), containing only information that describes the final pricing terms of the Bonds and otherwise in a form consented to by the Representatives, and will file the Pricing Term Sheet within the period required by Rule 433(d)(5)(ii) under the Securities Act following the date such final pricing terms have been established for all classes of the offering of the Bonds. The Pricing Term Sheet is an Issuer Free Writing Prospectus for purposes of this Underwriting Agreement.

(c) Each Underwriter may provide to investors one or more of the Free Writing Prospectuses, including the Pricing Term Sheet, subject to the following conditions:

(i) An Underwriter shall not convey or deliver any Written Communication (as defined herein) to any person or entity in connection with the initial offering of the Bonds, unless such Written Communication (A) constitutes a prospectus satisfying the requirements of Rule 430A under the Securities Act, or (B)(i) is made in reliance on Rule 134 under the Securities Act, is an Issuer Free Writing Prospectus listed on Schedule III hereto or is an Underwriter Free Writing Prospectus (as defined below) and (ii) such Written Communication is preceded or accompanied by a prospectus satisfying the requirements of Section 10(a) of the Securities Act. “Written Communication” has the same meaning as that term is defined in Rule 405 under the Securities Act.

(ii) An “Underwriter Free Writing Prospectus” means any free writing prospectus that contains only preliminary or final terms of the Bonds and is not required to be filed by APCO or the Issuer pursuant to Rule 433 under the Securities Act and that contains information substantially the same as the information contained in the Pricing Prospectus, the Preliminary Term Sheet or Pricing Term Sheet (including, without limitation, (A) the class, size, rating, price, CUSIPs, coupon, yield, spread, benchmark, status and/or legal maturity date of the Bonds, the weighted average life, expected first and final scheduled payment dates, trade date, settlement date, transaction parties, credit enhancement, logistical details related to the location and timing of access to the roadshow, ERISA eligibility, legal investment status and payment window of one or more classes of Bonds and (B) a column or other entry showing the status of the subscriptions for the Bonds, both for the Bonds as a whole and for each Underwriter’s retention, and/or expected pricing parameters of the Bonds).

(iii) Each Underwriter shall comply with all applicable laws and regulations in connection with the use of Free Writing Prospectuses and the Pricing Term Sheet, including but not limited to Rules 164 and 433 under the Securities Act.

(iv) All Free Writing Prospectuses provided to investors, whether or not filed with the Commission, shall bear a legend including substantially the following statement:

The Issuer and APCO have filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement and other documents the Issuer and APCO have filed with the SEC for more complete information about the Issuer and APCO and the offering. You may get these documents for free by visiting EDGAR on the SEC web site at [www.sec.gov](http://www.sec.gov). Alternatively, the Issuer, any Underwriter or any dealer participating in the offering will arrange to send you the prospectus if you request it by calling Goldman Sachs & Co. LLC toll-free at 1-866-471-2526, by calling J.P. Morgan Securities LLC toll-free at 1-800-408-1016, or by calling RBC Capital Markets, LLC toll-free at 1-866-375-6829.

The Issuer and the Representatives shall have the right to require additional specific legends or notations to appear on any Free Writing Prospectus, the right to require changes regarding the use of terminology and the right to determine the types of information appearing therein with the approval of, in the case of the Issuer, Representatives and, in the case of the Representatives, the Issuer (which in either case shall not be unreasonably withheld).

(v) Each Underwriter covenants with the Issuer and APCO that after the Final Prospectus is available such Underwriter shall not distribute any written information concerning the Bonds to an investor unless such information is preceded or accompanied by the Final Prospectus or by notice to the investor that the Final Prospectus is available for free by visiting EDGAR on the SEC website at [www.sec.gov](http://www.sec.gov).

(vi) Each Underwriter covenants that if an Underwriter shall use an Underwriter Free Writing Prospectus that contains information in addition to (x) "issuer information", including information with respect to APCO, as defined in Rule 433(h)(2) under the Securities Act or (y) the information in the Pricing Package, the liability arising from its use of such additional information shall be the sole responsibility of the Underwriter using such Underwriter Free Writing Prospectus unless the Underwriter Free Writing Prospectus (or any information contained therein) was consented to in advance by APCO; provided, however, that, for the avoidance of doubt, this clause (vi) shall not be interpreted as tantamount to the indemnification obligations contained in Section 11(b) hereof.

6. Purchase and Sale. On the basis of the representations and warranties herein contained, and subject to the terms and conditions herein set forth, the Issuer shall sell to each of the Underwriters, and each Underwriter shall purchase from the Issuer, at the time and place herein specified, severally and not jointly, at the purchase price set forth in Schedule I hereto, the principal amount of the Bonds set forth opposite such Underwriter's name in Schedule II hereto. The Underwriters agree to make a public offering of the Bonds. The Issuer shall pay (in the form of a discount to the principal amount of the offered Bonds) to the Underwriters a commission equal to \$5,502,000.

7. Time and Place of Closing. Delivery of the Bonds against payment of the aggregate purchase price therefor by wire transfer in federal funds shall be made at the place, on the date and at the time specified in Schedule I hereto, or at such other place, time and date as shall be agreed upon in writing by the Issuer and the Representatives. The hour and date of such delivery and payment are herein called the "Closing Date". The Bonds shall be delivered to DTC or to U.S. Bank National Association, as custodian for DTC, in fully registered global form registered in the name of Cede & Co., for the respective accounts specified by the Representatives not later than the close of business on the business day preceding the Closing Date or such other time as may be agreed upon by the Representatives. The Issuer agrees to make the Bonds available to the Representatives for checking purposes not later than 1:00 P.M. New York Time on the last business day preceding the Closing Date at the place specified for delivery of the Bonds in Schedule I hereto, or at such other place as the Issuer may specify.

If any Underwriter shall fail or refuse to purchase and pay for the aggregate principal amount of Bonds that such Underwriter has agreed to purchase and pay for hereunder, the Issuer shall immediately give notice to the other Underwriters of the default of such Underwriter, and the other Underwriters shall have the right within 24 hours after the receipt of such notice to determine to purchase, or to procure one or more others, who are members of the Financial Industry Regulatory Authority ("FINRA") (or, if not members of the FINRA, who are not eligible for membership in the FINRA and who agree (i) to make no sales within the United States, its territories or its possessions or to persons who are citizens thereof or residents therein and (ii) in making sales to comply with the FINRA's Conduct Rules) and satisfactory to the Issuer, to purchase, upon the terms herein set forth, the aggregate principal amount of Bonds that the defaulting Underwriter had agreed to purchase. If any non-defaulting Underwriter or Underwriters shall determine to exercise such right, such Underwriter or Underwriters shall give written notice to the Issuer of the determination in that regard within 24 hours after receipt of notice of any such default, and thereupon the Closing Date shall be postponed for such period, not exceeding three business days, as the Issuer shall determine. If in the event of such a default no non-defaulting Underwriter shall give such notice, then this Underwriting Agreement may be terminated by the Issuer, upon like notice given to the non-defaulting Underwriters, within a further period of 24 hours. If in such case the Issuer shall not elect to terminate this Underwriting Agreement it shall have the right, irrespective of such default:

(a) to require each non-defaulting Underwriter to purchase and pay for the respective aggregate principal amount of Bonds that it had agreed to purchase hereunder as hereinabove provided and, in addition, the aggregate principal amount of Bonds that the defaulting Underwriter shall have so failed to purchase up to an aggregate principal amount of Bonds equal to one-ninth (1/9) of the aggregate principal amount of Bonds that such non-defaulting Underwriter has otherwise agreed to purchase hereunder, and/or

(b) to procure one or more persons, reasonably acceptable to the Representatives, who are members of the FINRA (or, if not members of the FINRA, who are not eligible for membership in the FINRA and who agree (i) to make no sales within the United States, its territories or its possessions or to persons who are citizens thereof or residents therein and (ii) in making sales to comply with the FINRA's Conduct Rules), to purchase, upon the terms herein set forth, either all or a part of the aggregate principal amount of Bonds that such defaulting Underwriter had agreed to purchase or that portion thereof that the remaining Underwriters shall not be obligated to purchase pursuant to the foregoing clause (a).

In the event the Issuer shall exercise its rights under (a) and/or (b) above, the Issuer shall give written notice thereof to the non-defaulting Underwriters within such further period of 24 hours, and thereupon the Closing Date shall be postponed for such period, not exceeding three business days, as the Issuer shall determine.

In the computation of any period of 24 hours referred to in this Section 7, there shall be excluded a period of 24 hours in respect of each Saturday, Sunday or legal holiday that would otherwise be included in such period of time.

Any action taken by the Issuer or APCO under this Section 7 shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Underwriting Agreement. Termination of this Underwriting Agreement pursuant to Section 7 shall be without any liability on the part of the Issuer, APCO or any non-defaulting Underwriter, except as otherwise provided in Sections 8(a)(vi) and 11 hereof.

8. Covenants.

(a) Covenants of the Issuer. The Issuer covenants and agrees with the several Underwriters that:

(i) The Issuer will upon request promptly deliver to the Representatives and Counsel to the Underwriters a conformed copy of the Registration Statement, certified by an officer of the Issuer to be in the form as originally filed and all amendments thereto.

(ii) The Issuer will deliver to the Underwriters, as soon as practicable after the date hereof, as many copies of the Pricing Prospectus and Final Prospectus as they may reasonably request.

(iii) The Issuer will cause or has caused the Final Prospectus to be filed with the Commission pursuant to Rule 424 under the Securities Act as soon as practicable and will advise the Underwriters of any stop order suspending the effectiveness of the Registration Statement or preventing the use of the Registration Statement or the institution of any proceeding therefor of which Issuer shall have received notice. The Issuer will use its reasonable best efforts to prevent the issuance of any such stop order and, if issued, to obtain as soon as possible the withdrawal thereof. The Issuer has complied and will comply with Rule 433 and Rule 163B under the Securities Act in connection with the offering of the Bonds.

(iv) If, during such period of time (not exceeding nine months) after the Final Prospectus has been filed with the Commission pursuant to Rule 424 under the Securities Act as in the opinion of Counsel for the Underwriters (as defined below) a prospectus covering the Bonds is required by law to be delivered in connection with sales by an Underwriter or dealer (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), any event relating to or affecting the Issuer, the Bonds or the SAC Property or of which the Issuer shall be advised in writing by the Representatives shall occur that in the Issuer's reasonable judgment after consultation with Counsel for the Underwriters (as defined below) should be set forth in a supplement to, or an amendment of the Pricing Package or the Final Prospectus in order to make the Pricing Package or the Final Prospectus not misleading in the light of the circumstances when it is delivered to a purchaser (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), the Issuer will, at its expense, amend or supplement the Pricing Package or the Final Prospectus by either (A) preparing and furnishing to the Underwriters at the Issuer's expense a reasonable number of copies of a supplement or supplements or an

amendment or amendments to the Pricing Package or the Final Prospectus or (B) making an appropriate filing pursuant to Section 13 or Section 15 of the Exchange Act, which will supplement or amend the Pricing Package or the Final Prospectus so that, as supplemented or amended, it will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances when the Pricing Package or the Final Prospectus is delivered to a purchaser (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), not misleading; provided that should such event relate solely to the activities of any of the Underwriters, then such Underwriters shall assume the expense of preparing and furnishing any such amendment or supplement. The Issuer will also fulfill its obligations set out in Section 3(e) above. The Issuer will advise the Underwriters promptly in writing when any supplement to the Pricing Package, the Final Prospectus or any amendment to the Final Prospectus has been filed or distributed.

(v) The Issuer will furnish such proper information as may be lawfully required and otherwise cooperate in qualifying the Bonds for offer and sale under the blue-sky laws of the states of the United States as the Representatives may designate; provided that the Issuer shall not be required to qualify as a foreign limited liability company or dealer in securities, to file any consents to service of process under the laws of any jurisdiction, or meet any other requirements deemed by the Issuer to be unduly burdensome.

(vi) The Issuer or APCO will, except as herein provided, pay or cause to be paid all expenses and taxes (except transfer taxes) in connection with (i) the preparation and filing by it of the Registration Statement, Pricing Prospectus and Final Prospectus (including any amendments and supplements thereto) and any Issuer Free Writing Prospectuses, (ii) the issuance and delivery of the Bonds as provided in Section 7 hereof (including, without limitation, reasonable fees and disbursements of Counsel for the Underwriters and all trustee and rating agency fees), (iii) the qualification of the Bonds under blue-sky laws (including counsel fees not to exceed \$15,000), (iv) the printing and delivery to the Underwriters of reasonable quantities of the Registration Statement and, except as provided in Section 8(a)(iv) hereof, of the Pricing Package and Final Prospectus. If the obligation of the Underwriters to purchase the Bonds terminates in accordance with the provisions of Sections 7 (but excluding terminations arising thereunder out of an Underwriter default), 9, 10 or 12 hereof, the Issuer or APCO (i) will reimburse the Underwriters for the reasonable fees and disbursements of Counsel for the Underwriters, and (ii) will reimburse the Underwriters for their reasonable out-of-pocket expenses, such out-of-pocket expenses in an aggregate amount not exceeding \$200,000, incurred in contemplation of the performance of this Underwriting Agreement. The Issuer shall not in any event be liable to any of the several Underwriters for damages on account of loss of anticipated profits.

(vii) During the period from the date of this Underwriting Agreement to the date that is five days after the Closing Date, the Issuer will not, without the prior written consent of the Representatives, offer, sell or contract to sell, or otherwise dispose of, directly or indirectly, or announce the offering of, any asset-backed securities (other than the Bonds).

(viii) To the extent, if any, that any rating necessary to satisfy the condition set forth in Section 9(w) of this Underwriting Agreement is conditioned upon the furnishing of documents or the taking of other actions by the Issuer on or after the Closing Date, the Issuer shall furnish such documents and take such other actions.

(ix) For a period from the date of this Underwriting Agreement until the retirement of the Bonds or until such time as the Underwriters shall cease to maintain a secondary market in the Bonds, whichever occurs first, the Issuer shall file with the Commission, and to the extent permitted by and consistent with the Issuer's obligations under applicable law, make available on the website associated with the Issuer's parent, such periodic reports, if any, as are required (without regard to the number of holders of Bonds to the extent permitted by and consistent with the Issuer's obligations under applicable law) from time to time under Section 13 or Section 15(d) of the Exchange Act; provided that the Issuer shall not voluntarily suspend or terminate its filing obligations with the Commission unless permitted under applicable law and the terms of the Basic Documents. The Issuer shall also, to the extent permitted by and consistent with the Issuer's obligations under applicable law, include in the periodic and other reports to be filed with the Commission as provided above or posted on the website associated with the Issuer's parent, such information as required by Section 3.07(g) of the Indenture with respect to the Bonds. To the extent that the Issuer's obligations are terminated or limited by an amendment to Section 3.07(g) of the Indenture, or otherwise, such obligations shall be correspondingly terminated or limited hereunder.

(x) The Issuer and APCO will not file any amendment to the Registration Statement or amendment or supplement to the Final Prospectus or amendment or supplement to the Pricing Package during the period when a prospectus relating to the Bonds is required to be delivered under the Securities Act, without prior notice to the Underwriters, or to which Hunton Andrews Kurth LLP, who are acting as counsel for the Underwriters ("Counsel for the Underwriters"), shall reasonably object by written notice to APCO and the Issuer.

(xi) So long as any of the Bonds are outstanding, the Issuer will furnish to the Representatives, if and to the extent not posted on EDGAR or the Issuer or its affiliate's website, (A) as soon as available, a copy of each report of the Issuer filed with the Commission under the Exchange Act or mailed to the Bondholders (to the extent such reports are not publicly available on the Commission's website), (B) upon request, a copy of any filings with the Virginia Commission pursuant to the Financing Order including, but not limited to, any issuance advice letter or any routine or non-routine True-Up Adjustment filings, and (C) from time to time, any information concerning the Issuer as the Representatives may reasonably request.

(xii) So long as the Bonds are rated by any Rating Agency, the Issuer will comply with the 17g-5 Representations, other than (x) any noncompliance of the 17g-5 Representations that would not have a material adverse effect on the rating of the Bonds or the Bonds or (y) any noncompliance arising from the breach by an Underwriter of the representations and warranties and covenants set forth in Section 13 hereof.

(b) Covenants of APCO. APCO covenants and agrees with the several Underwriters that, to the extent that the Issuer has not already performed such act pursuant to Section 8(a):

(i) To the extent permitted by applicable law and the agreements and instruments that bind APCO, APCO will use its reasonable best efforts to cause the Issuer to comply with the covenants set forth in Section 8(a) hereof.

(ii) APCO will use its reasonable best efforts to prevent the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement and, if issued, to obtain as soon as possible the withdrawal thereof.

(iii) If, during such period of time (not exceeding nine months) after the Final Prospectus has been filed with the Commission pursuant to Rule 424 under the Securities Act as in the opinion of Counsel for the Underwriters a prospectus covering the Bonds is required by law to be delivered in connection with sales by an Underwriter or dealer (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), any event relating to or affecting APCO, the Bonds or the SAC Property or of which APCO shall be advised in writing by the Representatives shall occur that in APCO's reasonable judgment after consultation with Counsel for the Underwriters should be set forth in a supplement to, or an amendment of, the Pricing Package or the Final Prospectus in order to make the Pricing Package or the Final Prospectus not misleading in the light of the circumstances when it is delivered to a purchaser (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), APCO will cause the Issuer, at APCO's or the Issuer's expense, to amend or supplement the Pricing Package or the Final Prospectus by either (A) preparing and furnishing to the Underwriters at APCO's or the Issuer's expense a reasonable number of copies of a supplement or supplements or an amendment or amendments to the Pricing Package or the Final Prospectus or (B) causing the Issuer to make an appropriate filing pursuant to Section 13 or Section 15 of the Exchange Act, which will supplement or amend the Pricing Package or the Final Prospectus so that, as supplemented or amended, it will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances when the Pricing Package or the Final Prospectus is delivered to a purchaser (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), not misleading; provided that should such event relate solely to the activities of any of the Underwriters, then such Underwriters shall assume the expense of preparing and furnishing any such amendment or supplement. APCO will also fulfill its obligations set out in Section 4(d). APCO will cause the Issuer to advise the Representatives promptly in writing when any supplement to the Pricing Package, the Final Prospectus or any amendment to the Final Prospectus has been filed or distributed.

(iv) During the period from the date of this Underwriting Agreement to the date that is five days after the Closing Date, APCO will not, without the prior written consent of the Representatives, offer, sell or contract to sell, or otherwise dispose of, directly or indirectly, or announce the offering of, any asset-backed securities (other than the Bonds).

(vi) As soon as practicable, but not later than 16 months, after the date hereof, APCO will make generally available (by posting on its website or otherwise) to its security holders, an earnings statement (which need not be audited) that will satisfy the provisions of Section 11(a) of the Securities Act.

(vii) To the extent, if any, that any rating necessary to satisfy the condition set forth in Section 9(w) of this Underwriting Agreement is conditioned upon the furnishing of documents or the taking of other actions by APCO on or after the Closing Date, APCO shall furnish such documents and take such other actions.

(viii) The initial SAC Charge will be calculated in accordance with the Financing Order.

(ix) APCO will not file any amendment to the Registration Statement or amendment or supplement to the Final Prospectus or amendment or supplement to the Pricing Package during the period when a prospectus relating to the Bonds is required to be delivered under the Securities Act, without prior notice to the Underwriters or to which Counsel for the Underwriters shall reasonably object by written notice to APCO.

(x) So long as any of the Bonds are outstanding, APCO, in its capacity as sponsor with respect to the Bonds, will cause the Issuer to furnish to the Representatives, if and to the extent not posted on EDGAR or APCO or its affiliate's website, (A) upon request, a copy of any filings with the Virginia Commission pursuant to the Financing Order including, but not limited to any issuance advice letter, any routine or non-routine true-up adjustment filings, and (B) from time to time, any public financial information in respect of APCO, or any material information regarding the SAC Property to the extent it is reasonably available (other than confidential or proprietary information) concerning the Issuer as the Representatives may reasonably request.

(xi) So long as the Bonds are rated by a Rating Agency, APCO, in its capacity as sponsor with respect to the Bonds, will cause the Issuer to comply with the 17g-5 Representations, other than (x) any noncompliance of the 17g-5 Representations that would not have a material adverse effect on the rating of the Bonds or the Bonds or (y) any noncompliance arising from the breach by an Underwriter of the representations and warranties and covenants set forth in Section 13 hereof.

11. Indemnification and Contribution.

(a) APCO and the Issuer, jointly and severally, shall indemnify, defend and hold harmless each Underwriter, each Underwriter's officers and directors and each person who controls any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act or Exchange Act or any other statute or common law and shall reimburse each such Underwriter and controlling person for any reasonable legal or other expenses (including, to the extent hereinafter provided, reasonable counsel fees) as and when incurred by them in connection with investigating any such losses, claims, damages or liabilities or in connection with defending any actions, insofar as such losses, claims, damages, liabilities, expenses or actions arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in the Pricing Prospectus, each Issuer Free Writing Prospectus, the Pricing Package, the Final Prospectus or, in each case, any amendment or supplement thereto, collectively, or any omission or alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading or (iii) any information

prepared by or on behalf of APCO or the Issuer and provided to the Underwriters; provided, however, that the indemnity agreement contained in this Section 11 shall not apply to any such losses, claims, damages, liabilities, expenses or actions arising out of, or based upon, any such untrue statement or alleged untrue statement, or any such omission or alleged omission, in each case if such statement or omission was made in reliance upon and in conformity with any Underwriter Information (as defined in Section 11(b) hereof), or arising out of, or based upon, statements in or omissions from that part of the Registration Statement that shall constitute the Statement of Eligibility under the Trust Indenture Act of the Indenture Trustee with respect to any indenture qualified pursuant to the Registration Statement; provided, further that the indemnity agreement contained in this Section 11 shall not inure to the benefit of any Underwriter (or of any officer or director of such Underwriter or of any person controlling such Underwriter within the meaning of Section 15 of the Securities Act) on account of any such losses, claims, damages, liabilities, expenses or actions, joint or several, arising from the sale of the Bonds to any person to whom such Underwriter has sold Bonds if a copy of the Pricing Prospectus (including any amendment or supplement thereto if any amendments or supplements thereto shall have been furnished to the Underwriters reasonably prior to the time of the sale involved) shall not have been given or sent to such person by or on behalf of such Underwriter at the time of or prior to the sale of the Bonds to such person unless the alleged omission or alleged untrue statement was not corrected in the Pricing Prospectus (including any amendment or supplement thereto if any amendments or supplements thereto have been furnished to the Underwriters reasonably prior to the time of the sale involved) at the time of such sale. The indemnity agreement of APCO and the Issuer contained in this Section 11 and the representations and warranties of the Issuer and APCO contained in Sections 3 and 4 hereof shall remain operative and in full force and effect regardless of any termination of this Underwriting Agreement or of any investigation made by or on behalf of any Underwriter, its officers or its directors or any such controlling person, and shall survive the delivery of the Bonds.

(b) Each Underwriter shall severally and not jointly indemnify, defend and hold harmless APCO and the Issuer, each of APCO's and Issuer's respective officers, directors, and managers, and each person who controls the Issuer or APCO within the meaning of Section 15 of the Securities Act, from and against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act or any other statute or common law and shall reimburse each of them for any reasonable legal or other expenses (including, to the extent hereinafter provided, reasonable counsel fees) as and when incurred by them in connection with investigating any such losses, claims, damages or liabilities or in connection with defending any actions, insofar as such losses, claims, damages, liabilities, expenses or actions arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, if such statement or omission was made in reliance upon and in conformity with the Underwriter Information or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Final Prospectus, each Issuer Free Writing Prospectus, the Pricing Package, collectively, or any omission or alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading; if such statement or omission was made in reliance

upon and in conformity with the Underwriter Information. The only such information furnished to APCO by the Underwriters in writing expressly for use in such foregoing documents is set forth in Schedule IV hereto (the "Underwriter Information"). The indemnity agreement of the respective Underwriters contained in this Section 11 and the representations and warranties of the Underwriters contained in Sections 5 and 13 hereof shall remain operative and in full force and effect regardless of any termination of this Underwriting Agreement or of any investigation made by or on behalf of APCO or the Issuer, their directors, managers or officers, any such Underwriter, or any such controlling person, and shall survive the delivery of the Bonds.

(c) APCO, the Issuer and the several Underwriters each shall, upon the receipt of notice of the commencement of any action against it or any person controlling it as aforesaid, in respect of which indemnity may be sought on account of any indemnity agreement contained herein, promptly give written notice of the commencement thereof to the party or parties against whom indemnity shall be sought under (a) or (b) above, but the failure to notify such indemnifying party or parties of any such action shall not relieve such indemnifying party or parties from any liability hereunder to the extent such indemnifying party or parties is/are not materially prejudiced as a result of such failure to notify and in any event shall not relieve such indemnifying party or parties from any liability which it or they may have to the indemnified party otherwise than on account of such indemnity agreement. In case such notice of any such action shall be so given, such indemnifying party shall be entitled to participate at its own expense in the defense, or, if it so elects, to assume (in conjunction with any other indemnifying parties) the defense of such action, in which event such defense shall be conducted by counsel chosen by such indemnifying party or parties and reasonably satisfactory to the indemnified party or parties who shall be defendant or defendants in such action, and such defendant or defendants shall bear the fees and expenses of any additional counsel retained by them; but if the indemnifying party shall elect not to assume the defense of such action, such indemnifying party will reimburse such indemnified party or parties for the reasonable fees and expenses of any counsel retained by them; provided, however, if the defendants in any such action (including impleaded parties) include both the indemnified party and the indemnifying party and counsel for the indemnifying party shall have reasonably concluded that there may be a conflict of interest involved in the representation by a single counsel of both the indemnifying party and the indemnified party, the indemnified party or parties shall have the right to select separate counsel, satisfactory to the indemnifying party, whose reasonable fees and expenses shall be paid by such indemnifying party, to participate in the defense of such action on behalf of such indemnified party or parties (it being understood, however, that the indemnifying party shall not be liable for the fees and expenses of more than one separate counsel (in addition to local counsel) representing the indemnified parties who are parties to such action). Each of APCO, the Issuer and the several Underwriters agrees that without the other party's prior written consent, which consent shall not be unreasonably withheld, it will not settle, compromise or consent to the entry of any judgment in any claim in respect of which indemnification may be sought under the indemnification provisions of this Underwriting Agreement, unless such settlement, compromise or consent (i) includes an unconditional release of such other party from all liability arising out of such claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of such other party.

(d) If the indemnification provided for in subparagraph (a) or (b) above shall be unavailable to or insufficient to hold harmless an indemnified party, each indemnifying party agrees to contribute to such indemnified party with respect to any and all losses, claims, damages, liabilities and expenses for which each such indemnification provided for in subparagraph (a) or (b) above shall be unavailable or insufficient, in such proportion as shall be appropriate to reflect (i) the relative benefits received by APCO and the Issuer on the one hand and the Underwriters on the other hand from the offering of the Bonds pursuant to this Underwriting Agreement or (ii) if an allocation solely on the basis provided by clause (i) is not permitted by applicable law or is inequitable or against public policy, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of each indemnifying party on the one hand and the indemnified party on the other in connection with the statements or omissions which have resulted in such losses, claims, damages, liabilities and expenses and (iii) any other relevant equitable considerations; provided, however, that no indemnified party guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any indemnifying party not guilty of such fraudulent misrepresentation. Relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or the indemnified party and each such party's relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. APCO, the Issuer and each of the Underwriters agree that it would not be just and equitable if contributions pursuant to this subparagraph (d) were to be determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this Section 11, no Underwriter shall be required to contribute in excess of the amount equal to the excess of (i) the total underwriting discount and commissions received by it, over (ii) the amount of any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission. The obligations of each Underwriter to contribute pursuant to this Section 11 are several and not joint and shall be in the same proportion as such Underwriter's obligation to underwrite Bonds is to the total number of Bonds set forth in Schedule II hereto.

12. Termination. This Underwriting Agreement may be terminated, at any time prior to the Closing Date with respect to the Bonds by the Representatives by written notice to the Issuer if after the date hereof and at or prior to the Closing Date (a) trading in securities on the New York Stock Exchange ("NYSE") shall have been generally suspended by the Commission or by the NYSE, (b) there shall have occurred any material outbreak or escalation of hostilities (including without limitation, an act of terrorism), declaration by the United States of a national emergency or war or other national or international calamity or crisis, including, but not limited to, a material escalation of hostilities that existed prior to the date of this Underwriting Agreement, (c) a material adverse change in the financial markets in the United States or (d) a general banking moratorium shall have been declared by Federal or New York State authorities, and the effect of any such event specified in clause (a), (b), (c) or (d) above on the financial markets of the United States shall be such as to materially and adversely affect, in the reasonable judgment of the Representatives, their ability to proceed with the public offering or the delivery of the Bonds on the terms and in the manner contemplated by the Final Prospectus. Any termination hereof pursuant to this Section 12 shall be without liability of any party to any other party except as otherwise provided in Sections 8(a)(vi) and 11 hereof.

13. Representations, Warranties and Covenants of the Underwriters. The Underwriters, severally and not jointly, represent, warrant and agree with the Issuer and APCO that, unless the Underwriters obtained, or will obtain, the prior written consent of the Issuer or APCO, the Representatives (x) have not delivered, and will not deliver, any Rating Information (as defined below) to any Rating Agency until and unless the Issuer or APCO advises the Underwriters that such Rating Information is posted to password-protected website maintained by the Servicer pursuant to paragraph (a)(3)(iii)(B) of Rule 17g-5 under the Exchange Act in the same form as it will be provided to such Rating Agency, and (y) have not participated, and will not participate, with any Rating Agency in any oral communication of any Rating Information without the participation of a representative of the Issuer or APCO. For purposes of this Section 13, "Rating Information" means any information provided to a Rating Agency for the purpose of determining an initial credit rating on the Bonds.

14. Absence of Fiduciary Relationship. Each of the Issuer and APCO acknowledges and agrees that the Underwriters are acting solely in the capacity of an arm's length contractual counterparty to the Issuer and APCO with respect to the offering of the Bonds contemplated hereby (including in connection with determining the terms of the offering) and not as a financial advisor or a fiduciary to, or an agent of, the Issuer or APCO. Additionally, none of the Underwriters is advising the Issuer or APCO as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Issuer and APCO shall consult with their own advisors concerning such matters and shall be responsible for making their own independent investigation and appraisal of the transactions contemplated hereby, and the Underwriters shall have no responsibility or liability to the Issuer or APCO with respect thereto. Any review by the Underwriters of the Issuer or APCO, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Issuer or APCO.

15. Notices. All communications hereunder will be in writing and may be given by United States mail, courier service, telecopy, telefax or facsimile (confirmed by telephone or in writing in the case of notice by telecopy, telefax or facsimile) or any other customary means of communication, and any such communication shall be effective when delivered, or if mailed, three days after deposit in the United States mail with proper postage for ordinary mail prepaid, and if sent to the Representatives, to them at the addresses specified in Schedule I hereto, and if sent to APCO, to it at 1 Riverside Plaza Columbus, Ohio 43215-2373 Attention: Treasurer, Email: CorporateFinance@aep.com; and if sent to the Issuer, to it at 1051 E. 19. Integration. This Underwriting Agreement supersedes all prior agreements and understandings (whether written or oral) among the Issuer, APCO and the Underwriters, or any of them, with respect to the subject matter hereof.

20. Recognition of the U.S. Special Resolution Regimes

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Underwriting Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Underwriting Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

This INDENTURE dated as of May 27, 2026, by and between APPALACHIAN POWER RECOVERY FUNDING LLC, a Delaware limited liability company (the “Issuer”), and U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION, a national banking association, not in its individual capacity but solely in its capacity as indenture trustee (the “Indenture Trustee”) for the benefit of the Secured Parties (as defined herein), and U.S. BANK NATIONAL ASSOCIATION, a national banking association, not in its individual capacity but solely in its capacity as securities intermediary and account bank (the “Securities Intermediary”).

In consideration of the mutual agreements herein contained, each party agrees as follows for the benefit of the other and each of the Holders:

### RECITALS OF THE ISSUER

The Issuer has duly authorized the execution and delivery of this Indenture and the creation and issuance of the SAC Bonds issuable hereunder, which will be of substantially the tenor set forth herein and in the Series Supplement.

The SAC Bonds shall be non-recourse obligations and shall be secured by and payable solely out of the proceeds of the SAC Property and the other SAC Bond Collateral. If and to the extent that such proceeds of the SAC Property and the other SAC Bond Collateral are insufficient to pay all amounts owing with respect to the SAC Bonds, then, except as otherwise expressly provided hereunder, the Holders shall have no Claim in respect of such insufficiency against the Issuer or the Indenture Trustee, and the Holders, by their acceptance of the SAC Bonds, waive any such Claim.

All things necessary to (a) make the SAC Bonds, when executed by the Issuer and authenticated and delivered by the Indenture Trustee hereunder and duly issued by the Issuer, valid obligations, and (b) make this Indenture a valid agreement of the Issuer, in each case, in accordance with their respective terms, have been done.

NOW, THEREFORE, THIS INDENTURE WITNESSETH:

That the Issuer, in consideration of the premises herein contained and of the purchase of the SAC Bonds by the Holders and of other good and lawful consideration, the receipt and sufficiency of which are hereby acknowledged, and to secure, equally and ratably without prejudice, priority or distinction, except as specifically otherwise set forth in this Indenture, the payment of the SAC Bonds, the payment of all other amounts due under or in connection with this Indenture (including, without limitation, all fees, expenses, counsel fees and other amounts due and owing to the Indenture Trustee) and the performance and observance of all of the covenants and conditions contained herein or in the SAC Bonds, has hereby executed and delivered this Indenture and by these presents does hereby and under the Series Supplement will convey, grant, assign, transfer and pledge, in each case, in and unto the Indenture Trustee, its successors and assigns forever, for the benefit of the Secured Parties, all and singular, all of the Issuer’s right, title, and interest in, to and under any and all of the property described in the Series Supplement (such property hereinafter referred to as the “SAC Bond Collateral”). The Series Supplement will more particularly describe the obligations of the Issuer secured by the SAC Bond Collateral.

AND IT IS HEREBY COVENANTED, DECLARED AND AGREED between the parties hereto that all SAC Bonds are to be issued, countersigned and delivered and that all of the SAC Bond Collateral is to be held and applied, subject to the further covenants, conditions, releases, uses and trusts hereinafter set forth, and the Issuer, for itself and any successor, does hereby covenant and agree to and with the Indenture Trustee and its successors in said trust, for the benefit of the Secured Parties, as follows:

SECTION 2.01. Form. The SAC Bonds and the Indenture Trustee’s certificate of authentication shall be in substantially the forms set forth in Exhibit A, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture or by the Series Supplement and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may, consistently herewith, be determined by the officers executing the SAC Bonds, as evidenced by their execution of the SAC Bonds. Any portion of the text of any SAC Bond may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the SAC Bond.

The SAC Bonds shall be typewritten, printed, lithographed or engraved or produced by any combination of these methods (with or without steel engraved borders), all as determined by the officers executing the SAC Bonds, as evidenced by their execution of the SAC Bonds.

  - (l) whether or not the SAC Bonds are to be Book-Entry SAC Bonds and the extent to which Section 2.11 should apply; and
  - (m) any other provisions expressing or referring to the terms and conditions upon which the SAC Bonds of any Tranche are to be issued under this Indenture that are not in conflict with the provisions of this Indenture and as to which the Rating Agency Condition is satisfied.

SECTION 2.03. Execution, Authentication and Delivery.

(a) The SAC Bonds shall be executed on behalf of the Issuer by any of its Responsible Officers. The signature of any such Responsible Officer on the SAC Bonds may be manual, electronic or facsimile.

(b) SAC Bonds bearing the manual, electronic or facsimile signature of individuals who were at any time Responsible Officers of the Issuer shall bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of the SAC Bonds or did not hold such offices at the date of the SAC Bonds.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver SAC Bonds executed by the Issuer to the Indenture Trustee pursuant to an Issuer Order for authentication; and the Indenture Trustee shall authenticate and deliver the SAC Bonds as provided in this Indenture and not otherwise.

(d) No SAC Bond shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such SAC Bond a certificate of authentication substantially in the form provided for therein executed by the Indenture Trustee by the manual, electronic or facsimile signature of one of its authorized signatories, and such certificate upon any SAC Bond shall be conclusive evidence, and the only evidence, that such SAC Bond has been duly authenticated and delivered hereunder.

#### SECTION 2.04. Temporary SAC Bonds.

(a) Pending the preparation of Definitive SAC Bonds pursuant to Section 2.13, the Issuer may execute, and upon receipt of an Issuer Order the Indenture Trustee shall authenticate and deliver, Temporary SAC Bonds which are printed, lithographed, typewritten, mimeographed or otherwise produced, of the tenor of the Definitive SAC Bonds in lieu of which they are issued and with such variations not inconsistent with the terms of this Indenture as the officers executing the SAC Bonds may determine, as evidenced by their execution of the SAC Bonds.

(b) If Temporary SAC Bonds are issued, the Issuer will cause Definitive SAC Bonds to be prepared without unreasonable delay. After the preparation of Definitive SAC Bonds, the Temporary SAC Bonds shall be exchangeable for Definitive SAC Bonds upon surrender of the Temporary SAC Bonds at the office or agency of the Issuer to be maintained as provided in Section 3.02, without charge to the Holder. Upon surrender for cancellation of any one or more Temporary SAC Bonds, the SAC Bond Issuer shall execute and the Indenture Trustee shall authenticate and deliver in exchange therefor a like principal amount of Definitive SAC Bonds of Minimum Denominations. Until so delivered in exchange, the Temporary SAC Bonds shall in all respects be entitled to the same benefits under this Indenture as Definitive SAC Bonds.

#### SECTION 2.05. Registration; Registration of Transfer and Exchange of SAC Bonds.

(a) The Issuer shall cause to be kept a register (the “SAC Bond Register”) in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of SAC Bonds and the registration of transfers of SAC Bonds. U.S. Bank Trust Company, National Association, shall be “SAC Bond Registrar” for the purpose of registering SAC Bonds and transfers of SAC Bonds as herein provided. Upon any resignation of any SAC Bond Registrar, the Issuer shall promptly appoint a successor or, if it elects not to make such an appointment, assume the duties of SAC Bond Registrar.

(b) If a Person other than the Indenture Trustee is appointed by the Issuer as SAC Bond Registrar, the Issuer will give the Indenture Trustee prompt written notice of the appointment of such SAC Bond Registrar and of the location, and any change in the location, of the SAC Bond Register, the Indenture Trustee shall have the right to inspect the SAC Bond Register at all reasonable times and to obtain copies thereof, and the Indenture Trustee shall have the right to rely conclusively upon a certificate executed on behalf of the SAC Bond Registrar by a Responsible Officer thereof as to the names and addresses of the Holders and the principal amounts and number of the SAC Bonds (separately stated by Tranche).

(c) Upon surrender for registration of transfer of any SAC Bond at the office or agency of the Issuer to be maintained as provided in Section 3.02, provided that the requirements of Section 8-401 of the UCC are met, the Issuer shall execute, and the Indenture Trustee shall authenticate and the Holder shall obtain from the Indenture Trustee, in the name of the designated transferee or transferees, one or more new SAC Bonds in any Minimum Denominations, of the same Tranche and aggregate principal amount.

(d) At the option of the Holder, SAC Bonds may be exchanged for other SAC Bonds in any Minimum Denominations, of the same Tranche and aggregate principal amount, upon surrender of the SAC Bonds to be exchanged at such office or agency as provided in Section 3.02. Whenever any SAC Bonds are so surrendered for exchange, the Issuer shall, provided that the requirements of Section 8-401 of the UCC are met, execute, and, upon any such execution, the Indenture Trustee shall authenticate and the Holder shall obtain from the Indenture Trustee, the SAC Bonds which the Holder making the exchange is entitled to receive.

(e) All SAC Bonds issued upon any registration of transfer or exchange of other SAC Bonds shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the SAC Bonds surrendered upon such registration of transfer or exchange.

(f) Every SAC Bond presented or surrendered for registration of transfer or exchange shall be duly endorsed by, or be accompanied by: (i) a written instrument of transfer in form satisfactory to the Indenture Trustee duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an institution which is a member of one of the following recognized signature guaranty programs: (A) The Securities Transfer Agent Medallion Program (STAMP); (B) The New York Stock Exchange Medallion Program (MSP); (C) The Stock Exchange Medallion Program (SEMP); or (D) such other signature guaranty program acceptable to the Indenture Trustee; and (ii) such other documents as the Indenture Trustee may require.

(g) No service charge shall be made to a Holder for any registration of transfer or exchange of SAC Bonds, but the Issuer or the Indenture Trustee may require payment of a sum sufficient to cover any tax or other governmental charge or any fees or expenses of the Indenture Trustee that may be imposed in connection with any registration of transfer or exchange of SAC Bonds, other than exchanges pursuant to Sections 2.04 or 2.06 not involving any transfer.

(h) The preceding provisions of this Section 2.05 notwithstanding, the Issuer shall not be required to make, and the SAC Bond Registrar need not register, transfers or exchanges of any SAC Bond that has been submitted within fifteen (15) days preceding the due date for any payment with respect to such SAC Bond until after such due date has occurred.

SECTION 2.06. Mutilated, Destroyed, Lost or Stolen SAC Bonds.

(a) If (i) any mutilated SAC Bond is surrendered to the Indenture Trustee, or the Indenture Trustee receives evidence to its satisfaction of the destruction, loss or theft of any SAC Bond and (ii) there is delivered to the Indenture Trustee such security or indemnity as may be required by it to hold the Issuer and the Indenture Trustee harmless, then, in the absence of notice to the Issuer, the SAC Bond Registrar or the Indenture Trustee that such SAC Bond has been acquired by a Protected Purchaser, the Issuer shall, provided that the requirements of Section 8-401 of the UCC are met, execute and, upon the Issuer's written request, the Indenture Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen SAC Bond, a replacement SAC Bond of like Tranche, tenor and principal amount, bearing a number not contemporaneously outstanding; provided, however, that, if any such destroyed, lost or stolen SAC Bond, but not a mutilated SAC Bond, shall have become or within seven (7) days shall be due and payable, instead of issuing a replacement SAC Bond, the Issuer may pay such destroyed, lost or stolen SAC Bond when so due or payable without surrender thereof. If, after the delivery of such replacement SAC Bond or payment of a destroyed, lost or stolen SAC Bond pursuant to the proviso to the preceding sentence, a Protected Purchaser of the original SAC Bond in lieu of which such replacement SAC Bond was issued presents for payment such original SAC Bond, the Issuer and the Indenture Trustee shall be entitled to recover such replacement SAC Bond (or such payment) from the Person to whom it was delivered or any Person taking such replacement SAC Bond from such Person to whom such replacement SAC Bond was delivered or any assignee of such Person, except a Protected Purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Indenture Trustee in connection therewith.

(b) Upon the issuance of any replacement SAC Bond under this Section 2.06, the Issuer and/or the Indenture Trustee may require the payment by the Holder of such SAC Bond of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Indenture Trustee and the SAC Bond Registrar) connected therewith.

(c) Every replacement SAC Bond issued pursuant to this Section 2.06 in replacement of any mutilated, destroyed, lost or stolen SAC Bond shall constitute an original additional contractual obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen SAC Bond shall be found at any time or enforced by any Person, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other SAC Bonds duly issued hereunder.

(d) The provisions of this Section 2.06 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen SAC Bonds.

SECTION 2.07. Persons Deemed Owner. Prior to due presentment for registration of transfer of any SAC Bond, the Issuer, the Indenture Trustee, the SAC Bond Registrar and any agent of the Issuer or the Indenture Trustee may treat the Person in whose name any SAC Bond is registered (as of the day of determination) as the owner of such SAC Bond for the purpose of receiving payments of principal of and premium, if any, and interest on such SAC Bond and for all other purposes whatsoever, whether or not such SAC Bond be overdue, and none of the Issuer, the Indenture Trustee or any agent of the Issuer or the Indenture Trustee shall be affected by notice to the contrary.

SECTION 2.08. Payment of Principal, Premium, if any, and Interest; Interest on Overdue Principal; Principal, Premium, if any, and Interest Rights Preserved.

(a) The SAC Bonds shall accrue interest as provided in the Series Supplement at the applicable Bond Interest Rate, and such interest shall be payable on each applicable Payment Date. Any installment of interest, principal or premium, if any, payable on any SAC Bond which is punctually paid or duly provided for on the applicable Payment Date shall be paid to the Person in whose name such SAC Bond (or one or more Predecessor SAC Bonds) is registered on the Record Date for such Payment Date by wire transfer to an account maintained by such Holder in accordance with payment instructions delivered to the Indenture Trustee by such Holder, except that with respect to Book-Entry SAC Bonds, payments will be made by wire transfer in immediately available funds to the account designated by the Holder of the applicable Global SAC Bond unless and until such Global SAC Bond is exchanged for Definitive SAC Bonds (in which event payments shall be made as provided above), and except for the final installment of principal and premium, if any, payable with respect to such SAC Bond on a Payment Date, which shall be payable as provided below.

(b) The principal of each SAC Bond of each Tranche shall be paid, to the extent funds are available therefor in the Collection Account, in installments on each Payment Date as specified in the Series Supplement; provided that installments of principal not paid when scheduled to be paid in accordance with the Expected Amortization Schedule shall be paid upon receipt of money available for such purpose, in the order set forth in Expected Amortization Schedule. Failure to pay principal in accordance with such Expected Amortization Schedule because moneys are not available pursuant to Section 8.02 to make such payments shall not constitute a Default or Event of Default under this Indenture; provided, however, that failure to pay the entire unpaid principal amount of the SAC Bonds of a Tranche upon the Final Maturity Date for the SAC Bonds shall constitute an Event of Default under this Indenture as set forth in Section 5.01. Notwithstanding the foregoing, the entire unpaid principal amount of the SAC Bonds shall be due and payable, if not previously paid, on the date on which an Event of Default shall have occurred and be continuing, if the Indenture Trustee or the Holders of the SAC Bonds representing not less than a majority of the Outstanding Amount of the SAC Bonds have declared the SAC Bonds to be immediately due and payable in the manner provided in Section 5.02. All payments of principal and premium, if any, on the SAC Bonds shall be made pro rata to the Holders entitled thereto unless otherwise provided in the Series Supplement. Upon written notice from the Issuer, the Indenture Trustee shall notify the Person in whose name a SAC Bond is registered at the close of business on the Record Date preceding the Payment Date on which the Issuer expects that the final installment of principal of and premium, if any, and interest on such SAC Bond will be paid. Such notice shall be sent (or made available electronically) no later than five (5) days prior to such final Payment Date and shall specify that such final installment will be payable only upon presentation and surrender of such SAC Bond and shall specify the place where such SAC Bond may be presented and surrendered for payment of such installment.

(c) If interest on the SAC Bonds is not paid when due, such defaulted interest shall be paid (plus interest on such defaulted interest at the applicable Bond Interest Rate to the extent lawful) to the Persons who are Holders on a subsequent Special Record Date, which date shall be at least fifteen (15) Business Days prior to the Special Payment Date. The Issuer shall fix or cause to be fixed any such Special Record Date and Special Payment Date, and, at least ten (10) days before any such Special Record Date, the Issuer shall send (or make available electronically) to each affected Holder a notice that states the Special Record Date, the Special Payment Date and the amount of defaulted interest (plus interest on such defaulted interest) to be paid.

SECTION 2.09. Cancellation. All SAC Bonds surrendered for payment, registration of transfer or exchange shall, if surrendered to any Person other than the Indenture Trustee, be delivered to the Indenture Trustee and shall be promptly canceled by the Indenture Trustee. The Issuer may at any time deliver to the Indenture Trustee for cancellation any SAC Bonds previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all SAC Bonds so delivered shall be promptly canceled by the Indenture Trustee. No SAC Bonds shall be authenticated in lieu of or in exchange for any SAC Bonds canceled as provided in this Section 2.09, except as expressly permitted by this Indenture. All canceled SAC Bonds may be held or disposed of by the Indenture Trustee in accordance with its standard retention or disposal policy as in effect at the time.

SECTION 2.10. Outstanding Amount; Authentication and Delivery of SAC Bonds. The aggregate Outstanding Amount of SAC Bonds that may be authenticated and delivered under this Indenture shall not exceed the aggregate of the amounts of SAC Bonds that are authorized in the Financing Order but otherwise shall be unlimited.

SAC Bonds created and established by the Series Supplement may at any time be executed by the Issuer and delivered to the Indenture Trustee for authentication and thereupon the same shall be authenticated and delivered by the Indenture Trustee upon Issuer Request and upon delivery by the Issuer to the Indenture Trustee, and receipt by the Indenture Trustee, or the causing to occur by the Issuer, of the following; provided, however, that compliance with such conditions and delivery of such documents shall only be required in connection with the original issuance of the SAC Bonds:

(a) Unless the Series Supplement provides otherwise, all of the SAC Bonds shall be issued in Book-Entry Form, and the Issuer shall execute and the Indenture Trustee shall, in accordance with this Section 2.11 and the Issuer Order, authenticate and deliver one or more Global SAC Bonds, evidencing the SAC Bonds which (i) shall be an aggregate original principal amount equal to the aggregate original principal amount of the SAC Bonds to be issued pursuant to the Issuer Order, (ii) shall be registered in the name of the Clearing Agency therefor or its nominee, which shall initially be Cede & Co., as nominee for The Depository Trust Company, the initial Clearing Agency, (iii) shall be delivered by the Indenture Trustee pursuant to such Clearing Agency's or such nominee's instructions, and (iv) shall bear a legend substantially to the effect set forth in Exhibit A.

(b) Each Clearing Agency designated pursuant to this Section 2.11 must, at the time of its designation and at all times while it serves as Clearing Agency hereunder, be a "clearing agency" registered under the Exchange Act and any other applicable statute or regulation.

(c) No Holder of SAC Bonds issued in Book-Entry Form shall receive a Definitive SAC Bond representing such Holder's interest in any of the SAC Bonds, except as provided in Section 2.13. Unless (and until) certificated, fully registered SAC Bonds (the "Definitive SAC Bonds") have been issued to the Holders pursuant to Section 2.13 or pursuant to the Series Supplement relating thereto:

If (a) (i) the Issuer advises the Indenture Trustee in writing that the Clearing Agency is no longer willing or able to properly discharge its responsibilities under any Letter of Representations and (ii) the Issuer is unable to locate a qualified successor Clearing Agency, (b) the Issuer, at its option, advises the Indenture Trustee in writing that it elects to terminate the book-entry system through the Clearing Agency or (c) after the occurrence of an Event of Default hereunder, the Holders holding SAC Bonds aggregating not less than a majority of the aggregate Outstanding Amount of SAC Bonds maintained as Book-Entry SAC Bonds advise the Indenture Trustee, the Issuer and the Clearing Agency (through the Clearing Agency Participants) in writing that the continuation of a book-entry system through the Clearing Agency is no longer in the best interests of the Holders, the Issuer shall notify the Clearing Agency, the Indenture Trustee and all such Holders in writing of the occurrence of any such event and of the availability of Definitive SAC Bonds to the Holders requesting the same. Upon surrender to the Indenture Trustee of the Global SAC Bonds by the Clearing Agency accompanied by

registration instructions from such Clearing Agency for registration, the Issuer shall execute, and the Indenture Trustee shall authenticate and deliver, Definitive SAC Bonds in accordance with the instructions of the Clearing Agency. None of the Issuer, the SAC Bond Registrar, the Paying Agent or the Indenture Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions. Upon the issuance of Definitive SAC Bonds, the Indenture Trustee shall recognize the Holders of the Definitive SAC Bonds as the Holders hereunder without need for any consent or acknowledgement from the Holders.

Definitive SAC Bonds will be transferable and exchangeable at the offices of the SAC Bonds Registrar. With respect to any transfer of such listed SAC Bonds, the new Definitive SAC Bonds registered in the names specified by the transferee and the original transferor shall be available at the offices of such transfer agent.

SECTION 2.14. CUSIP Number. The Issuer in issuing any SAC Bonds may use a “CUSIP” number and, if so used, the Indenture Trustee shall use the CUSIP number provided to it by the Issuer in any notices to the Holders thereof as a convenience to such Holders; provided, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the SAC Bonds and that reliance may be placed only on the other identification numbers printed on the SAC Bonds. The Issuer shall promptly notify the Indenture Trustee in writing of any change in the CUSIP number with respect to any SAC Bond.

SECTION 2.15. Letter of Representations. The parties hereto shall comply with the terms of each Letter of Representations applicable to such party.

SECTION 2.16. Tax Treatment. The Issuer and the Indenture Trustee, by entering into this Indenture, and the Holders and any Persons holding a beneficial interest in any SAC Bond, by acquiring any SAC Bond or interest therein, (a) express their intention that, solely for the purposes of U.S. federal taxes and, to the extent consistent with applicable state, local and other tax law, solely for the purposes of state, local and other taxes, the SAC Bonds qualify under applicable tax law as indebtedness of the Member secured by the SAC Bond Collateral and (b) solely for the purposes of U.S. federal taxes and, to the extent consistent with applicable state, local and other tax law, solely for purposes of state, local and other taxes, so long as any of the SAC Bonds are outstanding, agree to treat the SAC Bonds as indebtedness of the Member secured by the SAC Bond Collateral unless otherwise required by appropriate taxing authorities.

SECTION 2.17. State Pledge.

(a) Under the laws of the Commonwealth of Virginia in effect on the Closing Date, pursuant to Va. Code § 56-249.8:K.1, the Commonwealth of Virginia and its agencies, including the Commission, have pledged to and agree with the Holders, the owners of the SAC Property, and other financing parties, that the Commonwealth of Virginia and its agencies, including the Commission, will not (i) alter the provisions of the Securitization Law that (A) authorizes the Commission to create an irrevocable contract right or chose in action by the issuance of the Financing Order, to create SAC Property, or (B) create the SAC Charges imposed by the Financing Order, which are irrevocable, binding, or nonbypassable charges; (ii) take or permit any action that impairs or would impair the value of SAC Property or the security for the SAC Bonds or revises the Securitized Asset Costs for which recovery is authorized; or (iii) in any way impair the rights and remedies of the Holders, assignees, or other financing parties.

---

(b) Each SAC Bond shall state: "NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF THE COMMONWEALTH IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, OR INTEREST ON, THIS BOND."

(c) The Issuer hereby acknowledges that the purchase of any SAC Bond by a Holder or the purchase of any beneficial interest in a SAC Bond by any Person and the Indenture Trustee's obligations to perform hereunder are made in reliance on such agreement and pledge by the Commonwealth of Virginia.

SECTION 2.18. Security Interests. The Issuer hereby makes the following representations and warranties:

(a) other than the security interests granted to the Indenture Trustee pursuant to this Indenture, the Issuer has not pledged, granted, sold, conveyed or otherwise assigned any interests or security interests in the SAC Bond Collateral and no security agreement, financing statement or equivalent security or Lien instrument listing the Issuer as debtor covering all or any part of the SAC Bond Collateral is on file or of record in any jurisdiction, except such as may have been filed, recorded or made by the Issuer in favor of the Indenture Trustee on behalf of the Secured Parties in connection with this Indenture;

(b) this Indenture constitutes a valid and continuing lien on, and first priority perfected security interest in, the SAC Bond Collateral in favor of the Indenture Trustee on behalf of the Secured Parties, which lien and security interest is prior to all other Liens and is enforceable as such as against creditors of and purchasers from the Issuer in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting creditors' rights generally or by general equitable principles, whether considered in a proceeding at law or in equity and by an implied covenant of good faith and fair dealing;

(c) with respect to all SAC Bond Collateral, this Indenture, together with the Series Supplement, creates a valid and continuing first priority perfected security interest (as defined in the UCC and as such term is used in the Securitization Law) in such SAC Bond Collateral, which security interest is prior to all other Liens and is enforceable as such as against creditors of and purchasers from the Issuer in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting creditors' rights generally or by general equitable principles, whether considered in a proceeding at law or in equity and by an implied covenant of good faith and fair dealing;

(d) the Issuer has good and marketable title to the SAC Bond Collateral free and clear of any Lien, claim or encumbrance of any Person other than any Lien created by the Issuer under the Basic Documents in favor of the Indenture Trustee for the benefit of the Secured Parties in accordance with the Securitization Law;

---

(e) all of the SAC Bond Collateral constitutes either SAC Property or accounts, deposit accounts, investment property or general intangibles (as each such term is defined in the UCC) except that proceeds of the SAC Bond Collateral may also take the form of instruments or money;

(i) the Issuer is not aware of any judgment or tax Lien filings against the Issuer;

(j) (i) the Collection Account (including all subaccounts thereof, other than the Cash Subaccounts) constitutes a “securities account” within the meaning of the UCC and (ii) each Cash Subaccount constitutes a “deposit account” within the meaning of the UCC;

(k) the Issuer has taken all steps necessary to cause the Securities Intermediary of each such Securities Account to identify in its records the Indenture Trustee as the Person having a Security Entitlement against the Securities Intermediary in such Securities Account, no Collection Account is in the name of any Person other than the Indenture Trustee, and the Issuer has not consented to the Securities Intermediary of the Collection Account and the Indenture Trustee acting as “bank” with respect to each Cash Subaccount to comply with entitlement orders or instructions of any Person other than the Indenture Trustee; and

(l) all of the SAC Bond Collateral constituting investment property has been and will have been credited to the Collection Account or a subaccount thereof, and the Securities Intermediary for the Collection Account has agreed to treat all assets credited to the Collection Account (other than cash) as Financial Assets and all cash will be allocated to the applicable Cash Subaccount. Accordingly, the Indenture Trustee has a first priority perfected security interest in the Collection Account, all funds and Financial Assets on deposit therein, and all securities entitlements relating thereto. The representations and warranties set forth in this [Section 2.18](#) shall survive the execution and delivery of this Indenture and the issuance of the SAC Bonds, shall be deemed re-made on each date on which any funds in the Collection Account are distributed to Issuer as provided in [Section 8.04](#) or otherwise released from the Lien granted pursuant to this Indenture and the Series Supplement and may not be waived by any party hereto except pursuant to a supplemental indenture executed in accordance with [Article IX](#) and as to which the Rating Agency Condition has been satisfied.

The Issuer shall initially maintain in St. Paul, Minnesota, an office or agency where SAC Bonds may be surrendered for registration of transfer or exchange. The Issuer shall give prompt written notice to the Indenture Trustee of the location, and of any change in the location, of any such office or agency. The Issuer hereby initially appoints the Indenture Trustee to serve as its agent for the foregoing purposes and the Corporate Trust Office of the Indenture Trustee shall serve as the offices provided above in this Section 3.02. If at any time the Issuer shall fail to maintain any such office or agency or shall fail to furnish the Indenture Trustee with the address thereof, such surrenders may be made at the Corporate Trust Office of the Indenture Trustee, and the Issuer hereby appoints the Indenture Trustee as its agent to receive all such surrenders.

#### SECTION 3.03. Money for Payments To Be Held in Trust.

(a) As provided in Section 8.02(a), all payments of amounts due and payable with respect to any SAC Bonds that are to be made from amounts withdrawn from the Collection Account pursuant to Section 8.02(d) shall be made on behalf of the Issuer by the Indenture Trustee or by another Paying Agent, and no amounts so withdrawn from such Collection Account for payments with respect to any SAC Bonds shall be paid over to the Issuer except as provided in this Section 3.03 and Section 8.02.

(b) Each Paying Agent shall meet the eligibility criteria set forth for any Indenture Trustee under Section 6.11. The Issuer will cause each Paying Agent other than the Indenture Trustee to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent shall agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 3.03, that such Paying Agent will:

(i) hold all sums held by it for the payment of amounts due with respect to the SAC Bonds in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(ii) give the Indenture Trustee (unless the Indenture Trustee is the Paying Agent) and the Rating Agencies written notice of any Default by the Issuer of which it has actual knowledge (and if the Indenture Trustee is the Paying Agent, a Responsible Officer of the Paying Agent has actual knowledge) in the making of any payment required to be made with respect to the SAC Bonds;

(iii) at any time during the continuance of any such Default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(iv) immediately, with notice to the Rating Agencies, resign as a Paying Agent and forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of SAC Bonds if at any time the Paying Agent determines that it has ceased to meet the standards required to be met by a Paying Agent at the time of such determination; and

(v) comply with all requirements of the Code, the Treasury Regulations promulgated thereunder and other tax laws with respect to the withholding from any payments made by it on any SAC Bonds of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

(c) The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay to the Indenture Trustee all sums held in trust by such Paying Agent, such sums to be held by the Indenture Trustee upon the same trusts as those upon which the sums were held by such Paying Agent; and upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(d) Subject to applicable laws with respect to escheatment of funds, any money held by the Indenture Trustee or any Paying Agent in trust for the payment of any amount due with respect to any SAC Bond and remaining unclaimed for two (2) years after such amount has become due and payable shall be discharged from such trust and be paid to the Issuer upon receipt of an Issuer Request; and, subject to Section 10.16, the Holder of such SAC Bond shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money shall thereupon cease; provided, however, that the Indenture Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer, cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer. The Indenture Trustee may also adopt and employ, at the written direction and expense of the Issuer, any other reasonable means of notification of such repayment (including mailing notice of such repayment to the Holders whose right to or interest in moneys due and payable but not claimed is determinable from the records of the Indenture Trustee or of any Paying Agent, at the last address of record for each such Holder).

SECTION 3.04. Existence. The Issuer shall keep in full effect its existence, rights and franchises as a limited liability company under the laws of the State of Delaware (unless it becomes, or any successor Issuer hereunder is or becomes, organized under the laws of any other State or of the United States of America, in which case the Issuer will keep in full effect its existence, rights and franchises under the laws of such other jurisdiction) and will obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture, the other Basic Documents, the SAC Bonds, the SAC Bond Collateral and each other instrument or agreement referenced herein or therein.

SECTION 3.05. Protection of SAC Bond Collateral. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and all filings with the Commission or the Secretary of State pursuant to the Financing Order or to the Securitization Law and all financing statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action necessary or advisable to:

(a) maintain or preserve the Lien and security interest (and the priority thereof) granted pursuant to this Indenture and the Series Supplement or carry out more effectively the purposes hereof;

(b) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture;

(c) enforce any of the SAC Bond Collateral;

(d) preserve and defend title to the SAC Bond Collateral and the rights of the Indenture Trustee and the Holders in the SAC Bond Collateral against the Claims of all Persons and parties, including, without limitation, the challenge by any party to the validity or enforceability of the Financing Order, the SAC Property or any Proceeding relating thereto and institute any action or proceeding necessary to compel performance by the Commission or the Commonwealth of Virginia of any of its obligations or duties under the Securitization Law, the State Pledge, or the Financing Order, as the case may be; and

(e) pay any and all taxes levied or assessed upon all or any part of the SAC Bond Collateral.

The Issuer hereby designates the Indenture Trustee its agent and attorney-in-fact to execute or authorize, as the case may be, any filings with the Commission or the Secretary of State, financing statements, continuation statements or other instrument required pursuant to this Section 3.05, it being understood that the Indenture Trustee shall have no such obligation or any duty to prepare or file such documents. The Indenture Trustee is specifically authorized to file financing statements covering the SAC Bond Collateral, including, without limitation, financing statements that describe the SAC Bond Collateral as “all assets” or “all personal property” of the Issuer.

SECTION 3.06. Opinions as to SAC Bond Collateral.

(a) On the Closing Date, the Issuer shall furnish to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer either stating that, in the opinion of such counsel, such action has been taken with respect to the recording and filing of this Indenture, any indentures supplemental hereto, and any other requisite documents, and with respect to the execution and filing of any filings with the Commission or the Secretary of State pursuant to the Securitization Law and the Financing Order and any financing statements and continuation statements, as are necessary to perfect and make effective the Lien, and the first priority perfected security interest created by this Indenture and the Series Supplement and, based on a review of a current report of the appropriate governmental filing office, no other financing statement has been filed under the applicable UCC describing any Lien that is equal or prior to the Lien of the Indenture Trustee in the SAC Collateral, and reciting the details of such action, or stating that, in the opinion of such counsel, no such action is necessary to make effective such Lien and security interest.

(b) No later than March 31 of each calendar year (beginning with the calendar year beginning January 1, 2027), the Issuer shall furnish to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer either stating that, in the opinion of such counsel, such action has been taken with respect to the recording, filing, re-recording and re-filing of this Indenture, any indentures supplemental hereto and any other requisite documents and with respect to the execution and filing of any filings with the Commission or the Secretary of State pursuant to the Securitization Law and the Financing Order and any financing statements and continuation statements as are necessary to maintain the Lien and the first priority perfected security interest created by this Indenture and reciting the details of such action or stating that, in the opinion of such counsel, no such action is necessary to maintain such Lien and security interest. Such Opinion of Counsel shall also describe the recording, filing, re-recording and re-filing of this Indenture, any indentures supplemental hereto and any other requisite documents and the execution and filing of any filings with the Commission or the Secretary of State, financing statements and continuation statements that will, in the opinion of such counsel, be required within the twelve-month period following the date of such opinion to maintain the Lien and the first priority perfected security interest created by this Indenture and the Series Supplement.

(c) Prior to the effectiveness of any amendment to the Sale Agreement, the Intercreditor Agreement or the Servicing Agreement, the Issuer shall furnish to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer either (i) stating that, in the opinion of such counsel, all filings, including UCC financing statements and other filings with the Commission or the Secretary of State pursuant to the Securitization Law or the Financing Order, have been executed and filed that are necessary fully to preserve and protect the Lien and security interest of the Issuer and the Indenture Trustee in the SAC Property and the SAC Bond Collateral, respectively, and the proceeds thereof, and reciting the details of such filings or referring to prior Opinions of Counsel in which such details are given, or (ii) stating that, in the opinion of such counsel, no such action shall be necessary to preserve and protect such Lien and security interest.

SECTION 3.07. Performance of Obligations; Servicing; SEC Filings.

(a) The Issuer (i) shall diligently pursue any and all actions to enforce its rights under each instrument or agreement included in the SAC Bond Collateral and (ii) shall not take any action and shall use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person's covenants or obligations under any such instrument or agreement or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except, in each case, as expressly provided in this Indenture, the Series Supplement, the Sale Agreement, the Servicing Agreement, the Intercreditor Agreement or such other instrument or agreement.

(b) The Issuer may contract with other Persons to assist it in performing its duties under this Indenture, and any performance of such duties by a Person identified to the Indenture Trustee herein or in an Officer's Certificate shall be deemed to be action taken by the Issuer. Initially, the Issuer has contracted with the Servicer to assist the Issuer in performing its duties under this Indenture.

(c) The Issuer shall punctually perform and observe all of its obligations and agreements contained in this Indenture, the Series Supplement, the other Basic Documents and in the instruments and agreements included in the SAC Bond Collateral, including filing or causing to be filed all filings with the Commission or the Secretary of State pursuant to the Securitization Law or the Financing Order, all UCC financing statements and continuation statements required to be filed by it by the terms of this Indenture, the Series Supplement, the Sale Agreement and the Servicing Agreement in accordance with and within the time periods provided for herein and therein.

(d) If the Issuer shall have knowledge of the occurrence of a Servicer Default under the Servicing Agreement, the Issuer shall promptly give written notice thereof to the Indenture Trustee and the Rating Agencies, and shall specify in such notice the response or action, if any, the Issuer has taken or is taking with respect to such default. If a Servicer Default shall arise from the failure of the Servicer to perform any of its duties or obligations under the Servicing Agreement with respect to the SAC Property, the SAC Bond Collateral or the SAC Charges, the Issuer shall take all reasonable steps available to it to remedy such failure.

(e) As promptly as possible after the giving of notice of termination to the Servicer and the Rating Agencies of the Servicer's rights and powers pursuant to Section 7.01 of the Servicing Agreement, the Indenture Trustee may and shall, at the written direction of the Holders evidencing not less than a majority of the Outstanding Amount of the SAC Bonds and subject to the terms of the Intercreditor Agreement, appoint a successor Servicer (the "Successor Servicer") with the Issuer's prior written consent thereto (which shall not be unreasonably withheld), and such Successor Servicer shall accept its appointment by a written assumption in a form acceptable to the Issuer and the Indenture Trustee. A Person shall qualify as a Successor Servicer only if such Person satisfies the requirements of the Servicing Agreement and the Intercreditor Agreement relating to a Successor Servicer. If within thirty (30) days after the delivery of the notice referred to above, a new Servicer shall not have been appointed, the Indenture Trustee may petition the Commission or a court of competent jurisdiction to appoint a Successor Servicer. In connection with any such appointment, the outgoing Servicer may make such arrangements for the compensation of such Successor Servicer as it and such successor shall agree, subject to the limitations set forth in Section 8.02 and in the Servicing Agreement.

(f) Upon any termination of the Servicer's rights and powers pursuant to the Servicing Agreement, the Indenture Trustee shall promptly notify the Issuer, the Holders and the Rating Agencies of such termination. As soon as a Successor Servicer is appointed, the Indenture Trustee shall notify the Issuer, the Holders and the Rating Agencies of such appointment, specifying in such notice the name and address of such Successor Servicer.

(g) The Issuer shall (or shall cause the Depositor to) post on its website (which for this purpose may be the website of any direct or indirect parent company of the Issuer) and, to the extent consistent with the Issuer's and the Depositor's obligations under applicable law, file with or furnish to the SEC in periodic reports and other reports as are required from time to time under Section 13 or Section 15(d) of the Exchange Act, and shall direct the Indenture Trustee to post on its website for investors the following information (other than any such information filed with the SEC and publicly available to investors unless the Issuer specifically requests such items to be posted) with respect to the Outstanding SAC Bonds, in each case to the extent such information is reasonably available to the Issuer:

(i) the final Prospectus;

(ii) statements of any remittances of SAC Charges made to the Indenture Trustee (to be included in a Form 10-D or Form 10-K, or successor forms thereto);

(iii) a statement reporting the balances in the Collection Account and in each subaccount of the Collection Account as of each Payment Date (to be included on the next Form 10-D or Form 10-K, or successor forms thereto) and as of the end of each year (to be included on the next Form 10-K filed);

(iv) a statement showing the balance of Outstanding SAC Bonds that reflects the actual periodic payments made on the SAC Bonds during the applicable period (to be included in the next Form 10-D or Form 10-K filed, or successor forms thereto);

(v) the Servicer's Certificate as required to be submitted pursuant to the Servicing Agreement (to be filed with a Form 10-D, Form 10-K or Form 8-K, or successor forms thereto);

(vi) the Monthly Servicer's Certificate as required to be submitted pursuant to the Servicing Agreement;

(vii) the text (or a link to the website where a reader can find the text) of each filing of a True-Up Adjustment and the results of each such filing;

(viii) any change in the long-term or short-term credit ratings of the Servicer assigned by the Rating Agencies;

(ix) material legislative or regulatory developments directly relevant to the Outstanding SAC Bonds (to be filed or furnished in a Form 8-K); and

(x) any reports and other information that the Issuer is required to file with the SEC under the Exchange Act including periodic and current reports related to the SAC Bonds consistent with the disclosure and reporting regime established in Regulation AB.

Notwithstanding the foregoing, nothing herein shall preclude the Issuer from voluntarily suspending or terminating its filing obligations as Issuer with the SEC to the extent permitted by applicable law. Any such reports or information delivered to the Indenture Trustee for purposes of this Section 3.07(g) is for informational purposes only, and the Indenture Trustee's receipt of such reports or information shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Indenture Trustee is entitled to conclusively rely on an Officer's Certificate of the Issuer).

The address of the Indenture Trustee's website for investors is <https://pivot.usbank.com>. The Indenture Trustee shall promptly notify the Issuer, the Holders and the Rating Agencies of any change to the address of the website for investors.

(h) The Issuer shall make all filings required under the Securitization Law relating to the transfer of the ownership or security interest in the SAC Property other than those required to be made by the Seller or the Servicer pursuant to the Basic Documents.

SECTION 3.08. Certain Negative Covenants. So long as any SAC Bonds are Outstanding, the Issuer shall not:

(a) except as expressly permitted by this Indenture and the other Basic Documents, sell, transfer, exchange or otherwise dispose of any of the properties or assets of the Issuer, including those included in the SAC Bond Collateral, unless in accordance with Article V;

(b) claim any credit on, or make any deduction from the principal or premium, if any, or interest payable in respect of, the SAC Bonds (other than amounts properly withheld from such payments under the Code, the Treasury regulations promulgated thereunder or other tax laws) or assert any claim against any present or former Holder by reason of the payment of the taxes levied or assessed upon any part of the SAC Bond Collateral;

(c) terminate its existence or dissolve or liquidate in whole or in part, except in a transaction permitted by Section 3.10;

(d) (i) permit the validity or effectiveness of this Indenture or the other Basic Documents to be impaired, or permit the Lien of this Indenture and the Series Supplement to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to the SAC Bonds under this Indenture except as may be expressly permitted hereby, (ii) permit any Lien (other than the Lien of this Indenture or the Series Supplement) to be created on or extend to or otherwise arise upon or burden the SAC Bond Collateral or any part thereof or any interest therein or the proceeds thereof (other than tax liens arising by operation of law with respect to amounts not yet due) or (iii) permit the Lien granted pursuant to this Indenture and the Series Supplement not to constitute a valid first priority perfected security interest in the SAC Bond Collateral;

(e) elect to be classified as an association taxable as a corporation for U.S. federal income tax purposes or otherwise take any action, file any tax return, or make any election inconsistent with the treatment of the Issuer, for purposes of U.S. federal income tax purposes and, to the extent consistent with applicable State tax law, State income and franchise tax purposes, as a disregarded entity that is not separate from the sole owner of the Issuer;

(f) change its name, identity or structure or the location of its chief executive office or jurisdiction of formation, unless at least ten (10) Business Days' prior to the effective date of any such change the Issuer delivers to the Indenture Trustee (with copies to the Rating Agencies) such documents, instruments or agreements, executed by the Issuer, as are necessary to reflect such change and to continue the perfection of the security interest granted pursuant to this Indenture and the Series Supplement;

(g) take any action which is subject to a Rating Agency Condition without satisfying the Rating Agency Condition;

(h) except to the extent permitted by applicable law, voluntarily suspend or terminate its filing obligations with the SEC as described in Section 3.07(g); or

(i) issue any "securitized asset cost bonds" under, and as defined in, the Securitization Law (other than the SAC Bonds) or issue or incur any other debt obligations.

SECTION 3.09. Annual Statement as to Compliance. The Issuer will deliver to the Indenture Trustee and the Rating Agencies not later than March 31 of each year (commencing with March 31, 2027), an Officer's Certificate stating, as to the Responsible Officer signing such Officer's Certificate, that:

(a) a review of the activities of the Issuer during the preceding twelve (12) months ended December 31 (or, in the case of the first such Officer's Certificate, since the Closing Date) and of performance under this Indenture has been made; and

(b) to the best of such Responsible Officer's knowledge, based on such review, the Issuer has in all material respects complied with all conditions and covenants under this Indenture throughout such twelve-month period (or such shorter period in the case of the first such Officer's Certificate), or, if there has been a default in the compliance of any such condition or covenant, specifying each such default known to such Responsible Officer and the nature and status thereof.

SECTION 3.10. Issuer May Consolidate, etc., Only on Certain Terms.

(a) The Issuer shall not consolidate or merge with or into any other Person, unless:

(i) the Person (if other than the Issuer) formed by or surviving such consolidation or merger shall (A) be a Person organized and existing under the laws of the United States of America or any State, (B) expressly assume, by an indenture supplemental hereto, executed and delivered to the Indenture Trustee, in form and substance satisfactory to the Indenture Trustee, the performance or observance of every agreement and covenant of this Indenture and the Series Supplement on the part of the Issuer to be performed or observed, all as provided herein and in the Series Supplement, and (C) assume all obligations and succeed to all rights of the Issuer under the Sale Agreement, the Servicing Agreement and each other Basic Document to which the Issuer is a party;

(ii) immediately after giving effect to such merger or consolidation, no Default, Event of Default or Servicer Default shall have occurred and be continuing;

(iii) the Rating Agency Condition shall have been satisfied with respect to such merger or consolidation;

(iv) the Issuer shall have delivered to APCo, the Indenture Trustee and the Rating Agencies an opinion or opinions of outside tax counsel (as selected by the Issuer, in form and substance reasonably satisfactory to APCo and the Indenture Trustee, and which may be based on a ruling from the Internal Revenue Service (unless the Internal Revenue Service has announced that it will not rule on the issues described in this paragraph)) to the effect that the consolidation or merger will not result in a material adverse U.S. federal or State income tax consequence to the Issuer, APCo, the Indenture Trustee or the then-existing Holders;

(v) any action as is necessary to maintain the Lien and the perfected security interest in the SAC Bond Collateral created by this Indenture and the Series Supplement shall have been taken as evidenced by an Opinion of Counsel of external counsel of the Issuer delivered to the Indenture Trustee; and

(vi) the Issuer shall have delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel of external counsel of the Issuer each stating that such consolidation or merger and such supplemental indenture comply with this Indenture and the Series Supplement and that all conditions precedent herein provided for in this Section 3.10(a) with respect to such transaction have been complied with (including any filing required by the Exchange Act).

(b) Except as specifically provided herein, the Issuer shall not sell, convey, exchange, transfer or otherwise dispose of any of its properties or assets included in the SAC Bond Collateral, to any Person, unless:

(i) the Person that acquires the properties and assets of the Issuer, the conveyance or transfer of which is hereby restricted (A) shall be a United States citizen or a Person organized and existing under the laws of the United States of America or any State, (B) expressly assumes, by an indenture supplemental hereto, executed and delivered to the Indenture Trustee, in form and substance satisfactory to the Indenture Trustee, the performance or observance of every agreement and covenant of this Indenture on the part of the Issuer to be performed or observed, all as provided herein and in the Series Supplement, (C) expressly agrees by means of such supplemental indenture that all right, title and interest so sold, conveyed, exchanged, transferred or otherwise disposed of shall be subject and subordinate to the rights of the Holders, (D) unless otherwise provided in the supplemental indenture referred to in clause (B) above, expressly agrees to indemnify, defend and hold harmless the Issuer and the Indenture Trustee against and from any loss, liability or expense arising under or related to this Indenture, the Series Supplement and

the SAC Bonds (including the enforcement costs of such indemnity), (E) expressly agrees by means of such supplemental indenture that such Person (or if a group of Persons, then one specified Person) shall make all filings with the SEC (and any other appropriate Person) required by the Exchange Act in connection with the SAC Bonds and (F) if such sale, conveyance, exchange, transfer or disposal relates to the Issuer's rights and obligations under the Sale Agreement or the Servicing Agreement, assumes all obligations and succeeds to all rights of the Issuer under the Sale Agreement and the Servicing Agreement, as applicable;

(ii) immediately after giving effect to such transaction, no Default, Event of Default or Servicer Default shall have occurred and be continuing;

(iii) the Rating Agency Condition shall have been satisfied with respect to such transaction;

(iv) the Issuer shall have delivered to APCo, the Indenture Trustee and the Rating Agencies an opinion or opinions of outside tax counsel (as selected by the Issuer, in form and substance reasonably satisfactory to APCo and the Indenture Trustee, and which may be based on a ruling from the Internal Revenue Service (unless the Internal Revenue Service has announced that it will not rule on the issues described in this paragraph)) to the effect that the disposition will not result in a material adverse federal or State income tax consequence to the Issuer, APCo, the Indenture Trustee or the then-existing Holders;

(v) any action as is necessary to maintain the Lien and the perfected security interest in the SAC Bond Collateral created by this Indenture and the Series Supplement shall have been taken as evidenced by an Opinion of Counsel of external counsel of the Issuer delivered to the Indenture Trustee; and

(vi) the Issuer shall have delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel of external counsel of the Issuer each stating that such sale, conveyance, exchange, transfer or other disposition and such supplemental indenture comply with this Indenture and the Series Supplement and that all conditions precedent herein provided for in this Section 3.10(b) with respect to such transaction have been complied with (including any filing required by the Exchange Act).

#### SECTION 3.11. Successor or Transferee.

(a) Upon any consolidation or merger of the Issuer in accordance with Section 3.10(a), the Person formed by or surviving such consolidation or merger (if other than the Issuer) shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such Person had been named as the Issuer herein.

(b) Except as set forth in Section 6.07, upon a sale, conveyance, exchange, transfer or other disposition of all the assets and properties of the Issuer in accordance with Section 3.10(b), the Issuer will be released from every covenant and agreement of this Indenture and the other Basic Documents to be observed or performed on the part of the Issuer with respect to the SAC Bonds and the SAC Property immediately following the consummation of such acquisition upon the delivery of written notice to the Indenture Trustee from the Person acquiring such assets and properties stating that the Issuer is to be so released.

SECTION 3.12. No Other Business. The Issuer shall not engage in any business other than financing, purchasing, owning, administering, managing and servicing the SAC Property and the other SAC Bond Collateral and the issuance of the SAC Bonds in the manner contemplated by the Financing Order and this Indenture and the Basic Documents and activities incidental thereto.

SECTION 3.13. No Borrowing. The Issuer shall not issue, incur, assume, guarantee or otherwise become liable, directly or indirectly, for any indebtedness except for the SAC Bonds and any other indebtedness expressly permitted by or arising under the Basic Documents.

SECTION 3.14. Servicer's Obligations. The Issuer shall enforce the Servicer's compliance with and performance of all of the Servicer's material obligations under the Servicing Agreement.

SECTION 3.15. Guarantees, Loans, Advances and Other Liabilities. Except as otherwise contemplated by the Sale Agreement, the Servicing Agreement or this Indenture, the Issuer shall not make any loan or advance or credit to, or guarantee (directly or indirectly or by an instrument having the effect of assuring another's payment or performance on any obligation or capability of so doing or otherwise), endorse or otherwise become contingently liable, directly or indirectly, in connection with the obligations, stocks or dividends of, or own, purchase, repurchase or acquire (or agree contingently to do so) any stock, obligations, assets or securities of, or any other interest in, or make any capital contribution to, any other Person.

SECTION 3.16. Capital Expenditures. Other than the purchase of SAC Property from the Seller on the Closing Date, the Issuer shall not make any expenditure (by long-term or operating lease or otherwise) for capital assets (either realty or personalty).

SECTION 3.17. Restricted Payments. Except as provided in Section 8.04(c), the Issuer shall not, directly or indirectly, (a) pay any dividend or make any distribution (by reduction of capital or otherwise), whether in cash, property, securities or a combination thereof, to any owner of an interest in the Issuer or otherwise with respect to any ownership or equity interest or similar security in or of the Issuer, (b) redeem, purchase, retire or otherwise acquire for value any such ownership or equity interest or similar security or (c) set aside or otherwise segregate any amounts for any such purpose; provided, however, that, if no Event of Default shall have occurred and be continuing or would be caused thereby, the Issuer may make, or cause to be made, any such distributions to any owner of an interest in the Issuer or otherwise with respect to any ownership or equity interest or similar security in or of the Issuer using funds distributed to the Issuer pursuant to Section 8.02(e)(xi) to the extent that such distributions would not cause the balance of the Capital Subaccount to decline below the Required Capital Level. The Issuer will not, directly or indirectly, make payments to or distributions from the Collection Account except in accordance with this Indenture and the other Basic Documents.

SECTION 3.18. Notice of Events of Default. The Issuer agrees to give the Indenture Trustee, the Commission and the Rating Agencies prompt written notice of each Default or Event of Default hereunder as provided in Section 5.01, and each default on the part of the Seller or the Servicer of its obligations under the Sale Agreement or the Servicing Agreement, respectively.

SECTION 3.19. Further Instruments and Acts. Upon request of the Indenture Trustee, the Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture and to maintain the first priority perfected security interest of the Indenture Trustee in the SAC Bond Collateral.

SECTION 3.20. Inspection. The Issuer agrees that, on reasonable prior notice, it will permit any representative of the Indenture Trustee, during the Issuer's normal business hours, to examine all the books of account, records, reports and other papers of the Issuer, to make copies and extracts therefrom, to cause such books to be audited annually by Independent registered public accountants, and to discuss the Issuer's affairs, finances and accounts with the Issuer's officers, employees and Independent registered public accountants, all at such reasonable times and as often as may be reasonably requested. The Indenture Trustee shall hold, and shall cause its representatives to hold, in confidence all such information except to the extent disclosure may be required by applicable law (and all reasonable applications for confidential treatment are unavailing) and except to the extent that the Indenture Trustee may reasonably determine that such disclosure is consistent with its obligations hereunder. Notwithstanding anything herein to the contrary, the preceding sentence shall not be construed to prohibit (a) disclosure of any and all information that is or becomes publicly known, or information obtained by the Indenture Trustee from sources other than the Issuer, provided such parties are rightfully in possession of such information, (b) disclosure of any and all information (i) if required to do so by any applicable statute, law, rule or regulation, (ii) pursuant to any subpoena, civil investigative demand or similar demand or request of any court or regulatory authority exercising its proper jurisdiction, (iii) in any preliminary or final prospectus, registration statement or other document a copy of which has been filed with the SEC, (iv) to any Affiliate, independent or internal auditor, agent, employee or attorney of the Indenture Trustee having a need to know the same, provided that such parties agree to be bound by the confidentiality provisions contained in this Section 3.20 or (v) to any Rating Agency or (c) any other disclosure authorized by the Issuer.

SECTION 3.21. Economic Sanctions.

(a) The Issuer covenants and represents that neither it nor any of its subsidiaries, managers, officers or affiliates they control are the target or subject of any sanctions enforced by the U.S. Government, (including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury or the U.S. Department of State), the United Nations Security Council, the European Union, His Majesty's Treasury, or other relevant sanctions authority (collectively "Sanctions").

(b) The Issuer covenants and represents that neither it nor any of its subsidiaries, managers, officers or affiliates they control will directly or indirectly use any payments made pursuant to this Indenture or any of the other Basic Documents, (i) to fund or facilitate any activities of or business with any person who, at the time of such funding or facilitation, is the subject or target of Sanctions, (ii) to fund or facilitate any activities of or business with any country or territory that is the target or subject of Sanctions, or (iii) in any other manner that will result in a violation of Sanctions by any person.

SECTION 3.22. Sale Agreement, Servicing Agreement, Administration Agreement and Intercreditor Agreement Covenants.

(a) The Issuer agrees to take all such lawful actions to enforce its rights under the Sale Agreement, the Servicing Agreement, the Administration Agreement and the Intercreditor Agreement and to compel or secure the performance and observance by the Seller, the Servicer, the Administrator and APCo of each of their respective obligations to the Issuer under or in connection with the Sale Agreement, the Servicing Agreement, the Administration Agreement and the Intercreditor Agreement in accordance with the terms thereof. So long as no Event of Default occurs and is continuing, but subject to Section 3.22(f), the Issuer may exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with the Sale Agreement, the Servicing Agreement, the Administration Agreement and the Intercreditor Agreement; provided, that such action shall not adversely affect the interests of the Holders in any material respect.

(b) If an Event of Default occurs and is continuing, the Indenture Trustee may, and at the direction (which direction shall be in writing) of the Holders of a majority of the Outstanding Amount of the SAC Bonds of all Tranches affected thereby shall, exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller, APCo, the Administrator and the Servicer, as the case may be, under or in connection with the Sale Agreement, the Servicing Agreement, the Administration Agreement and the Intercreditor Agreement, including the right or power to take any action to compel or secure performance or observance by the Seller, APCo, the Administrator or the Servicer of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension or waiver under the Sale Agreement, the Servicing Agreement, the Administration Agreement and the Intercreditor Agreement, and any right of the Issuer to take such action shall be suspended.

(c) Except as set forth in Section 3.22(e), the Administration Agreement, the Sale Agreement, the Intercreditor Agreement and the Servicing Agreement may be amended in accordance with the provisions thereof (including, if applicable, the Rating Agency Condition is satisfied in connection therewith), at any time and from time to time, without the consent of the Holders of the SAC Bonds; provided that all conditions precedent for such amendment have been satisfied and such amendment is authorized and permitted by the terms of such agreement, as evidenced by an Opinion of Counsel of nationally recognized external counsel of the Issuer, and such amendment shall not materially and adversely affect the interest of any Holder, as evidenced by an Officer's Certificate of the Administrator, Seller, Issuer or Servicer, as applicable.

(d) Except as set forth in Section 3.22(e), if the Issuer, the Seller, APCo, the Administrator, the Servicer or any other party to the respective agreement proposes to amend, modify, waive, supplement, terminate or surrender, or agree to any amendment, modification, waiver, supplement, termination or surrender of, the terms of the Sale Agreement, the Intercreditor Agreement, the Administration Agreement, or the Servicing Agreement, or waive timely

performance or observance by the Seller, APCo, the Administrator or the Servicer under the Sale Agreement, the Intercreditor Agreement, the Administration Agreement or the Servicing Agreement, in each case in such a way as would materially and adversely affect the interests of any Holder of SAC Bonds, the Issuer shall first notify the Rating Agencies of the proposed amendment, modification, waiver, supplement, termination or surrender and shall promptly notify the Indenture Trustee in writing and the Indenture Trustee shall notify the Holders of the SAC Bonds of the proposed amendment, modification, waiver, supplement, termination or surrender and whether the Rating Agency Condition has been satisfied with respect thereto. The Indenture Trustee shall consent to such proposed amendment, modification, waiver, supplement, termination or surrender only if the Rating Agency Condition is satisfied and only with the prior written consent of the Holders of a majority of the Outstanding Amount of SAC Bonds of the Tranches materially and adversely affected thereby (provided that, in order to determine which Holders are materially and adversely affected, the Indenture Trustee may rely upon an Officer's Certificate of the Issuer). If any such amendment, modification, waiver, supplement, termination or surrender shall be so consented to by the Indenture Trustee or such Holders, the Issuer agrees to execute and deliver, in its own name and at its own expense, such agreements, instruments, consents and other documents as shall be necessary or appropriate in the circumstances.

(e) If the Issuer or the Servicer proposes to materially amend, modify, waive, supplement, terminate or surrender, or to agree to any material amendment, modification, supplement, termination, waiver or surrender of, the process for True-Up Adjustments, the Issuer shall notify the Indenture Trustee in writing and the Indenture Trustee shall notify the Holders of the SAC Bonds of such proposal and the Indenture Trustee shall consent thereto only with the prior written consent of the Holders of a majority of the Outstanding Amount of SAC Bonds of the Tranches affected thereby and only if the Rating Agency Condition has been satisfied with respect thereto.

(f) Promptly following a default by the Seller under the Sale Agreement, by the Administrator under the Administration Agreement, by APCo or any successor to APCo under the Intercreditor Agreement or the occurrence of a Servicer Default under the Servicing Agreement, and at the Issuer's expense, the Issuer agrees to take all such lawful actions as the Indenture Trustee may request to compel or secure the performance and observance by each of the Seller, the Administrator or the Servicer, of their obligations under and in accordance with the Sale Agreement, the Servicing Agreement, the Administration Agreement and the Intercreditor Agreement, as the case may be, in accordance with the terms thereof, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with such agreements to the extent and in the manner directed by the Indenture Trustee, including the transmission of notices of any default by the Seller, the Administrator or the Servicer, respectively, thereunder and the institution of legal or administrative actions or Proceedings to compel or secure performance of their obligations under the Sale Agreement, the Servicing Agreement, the Administration Agreement or the Intercreditor Agreement, as applicable.

(g) Before consenting to any amendment, modification, supplement, termination, waiver or surrender under Sections 3.22(d) or (e), the Indenture Trustee shall be entitled to receive an Opinion of Counsel stating that such action is authorized or permitted by this Indenture and all conditions precedent to such amendment have been satisfied.

SECTION 3.23. Taxes. So long as any of the SAC Bonds are Outstanding, the Issuer shall pay all taxes, assessments and governmental charges imposed upon it or any of its properties or assets or with respect to any of its franchises, business, income or property before any penalty accrues thereon if the failure to pay any such taxes, assessments and governmental charges would, after any applicable grace periods, notices or other similar requirements, result in a Lien on the SAC Bond Collateral; provided that no such tax need be paid if the Issuer is contesting the same in good faith by appropriate proceedings promptly instituted and diligently conducted and if the Issuer has established appropriate reserves as shall be required in conformity with generally accepted accounting principles.

SECTION 3.24. Notices from Holders. The Issuer shall promptly transmit any notice received by it from the Holders to the Indenture Trustee.

SECTION 3.25. Volcker Rule. The Issuer is structured so as not to be a “covered fund” under the regulations adopted to implement Section 619 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, commonly known as the “Volcker Rule.”

## ARTICLE IV

### SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 4.01. Satisfaction and Discharge of Indenture; Defeasance.

(a) This Indenture shall cease to be of further effect with respect to the SAC Bonds and the Indenture Trustee, on reasonable written demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to the SAC Bonds, when:

(i) either

(A) all SAC Bonds theretofore authenticated and delivered (other than (1) SAC Bonds that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.06 and (2) SAC Bonds for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 3.03(d)) have been delivered to the Indenture Trustee for cancellation; or

(B) either (1) the Scheduled Final Payment Date has occurred with respect to all SAC Bonds not theretofore delivered to the Indenture Trustee for cancellation or (2) the SAC Bonds will be due and payable on their respective Scheduled Final Payment Dates within one year, and in any such case, the Issuer has irrevocably deposited or caused to be irrevocably deposited in trust with the Indenture Trustee (x) cash and/or (y) U.S. Government Obligations which through the scheduled payments of principal and interest in respect thereof in accordance with their terms are in an amount sufficient to pay principal, interest and premium, if any, on the SAC Bonds not theretofore delivered to the Indenture Trustee for cancellation, other Ongoing Financing Costs and all other sums payable hereunder by the Issuer with respect to the SAC Bonds when scheduled to be paid and to discharge the entire indebtedness on the SAC Bonds when due;

(ii) the Issuer has paid or caused to be paid all other sums payable hereunder by the Issuer; and

(iii) the Issuer has delivered to the Indenture Trustee an Officer's Certificate, an Opinion of Counsel of external counsel of the Issuer and (if required by the TIA or the Indenture Trustee) an Independent Certificate from a firm of registered public accountants, each meeting the applicable requirements of Section 10.01(a) and each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the SAC Bonds have been complied with.

(b) Subject to Sections 4.01(c) and 4.02, the Issuer at any time may terminate (i) all its obligations under this Indenture with respect to the SAC Bonds ("Legal Defeasance Option") or (ii) its obligations under Sections 3.04, 3.05, 3.06, 3.07, 3.08, 3.09, 3.10, 3.12, 3.13, 3.14, 3.15, 3.16, 3.17, 3.18 and 3.19 and the operation of Section 5.01(c) ("Covenant Defeasance Option") with respect to SAC Bonds. The Issuer may exercise the Legal Defeasance Option with respect to the SAC Bonds notwithstanding its prior exercise of the Covenant Defeasance Option.

If the Issuer exercises the Legal Defeasance Option, the maturity of the SAC Bonds may not be accelerated because of an Event of Default. If the Issuer exercises the Covenant Defeasance Option, the maturity of the SAC Bonds may not be accelerated because of an Event of Default specified in Section 5.01(c).

Upon satisfaction of the conditions set forth herein to the exercise of the Legal Defeasance Option or the Covenant Defeasance Option with respect to SAC Bonds, the Indenture Trustee, on reasonable written demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of the obligations that are terminated pursuant to such exercise.

(c) Notwithstanding Sections 4.01(a) and 4.01(b) above, (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, destroyed, lost or stolen SAC Bonds, (iii) rights of the Holders to receive payments of principal, premium, if any, and interest, (iv) Sections 4.03 and 4.04, (v) the rights, obligations and immunities of the Indenture Trustee hereunder (including the rights of the Indenture Trustee under Section 6.07 and the obligations of the Indenture Trustee under Section 4.03) and (vi) the rights of the Holders as beneficiaries hereof with respect to the property deposited with the Indenture Trustee payable to all or any of them, shall survive until this Indenture or certain obligations hereunder have been satisfied and discharged pursuant to Section 4.01(a) or 4.01(b). Thereafter the obligations, rights, indemnities and immunities in Sections 6.07 and 4.04 shall survive.

SECTION 4.02. Conditions to Defeasance. The Issuer may exercise the Legal Defeasance Option or the Covenant Defeasance Option with respect to the SAC Bonds only if:

(a) the Issuer has irrevocably deposited or caused to be irrevocably deposited in trust with the Indenture Trustee (i) cash and/or (ii) U.S. Government Obligations which through the scheduled payments of principal and interest in respect thereof in accordance with their terms are in an amount sufficient to pay principal, interest and premium, if any, on the SAC Bonds not therefore delivered to the Indenture Trustee for cancellation and other Ongoing Financing Costs and all other sums payable hereunder by the Issuer with respect to the SAC Bonds when scheduled to be paid and to discharge the entire indebtedness on the SAC Bonds when due;

(b) the Issuer delivers to the Indenture Trustee a certificate from a nationally recognized firm of Independent registered public accountants expressing its opinion that the payments of principal and interest when due and without reinvestment of the deposited U.S. Government Obligations plus any deposited cash without investment will provide cash at such times and in such amounts (but, in the case of the Legal Defeasance Option only, not more than such amounts) as will be sufficient to pay in respect of the SAC Bonds (i) principal in accordance with the Expected Sinking Fund Schedule therefor, (ii) interest when due and (iii) all other sums payable hereunder by the Issuer with respect to the SAC Bonds;

(c) in the case of the Legal Defeasance Option, ninety-five (95) days pass after the deposit is made and during the ninety-five (95)-day period no Default specified in Section 5.01(e) or (f) occurs which is continuing at the end of the period;

(d) no Default has occurred and is continuing on the day of such deposit and after giving effect thereto;

(e) in the case of an exercise of the Legal Defeasance Option, the Issuer shall have delivered to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer stating that (i) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of execution of this Indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the Holders of the SAC Bonds will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such legal defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred;

(f) in the case of an exercise of the Covenant Defeasance Option, the Issuer shall have delivered to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer to the effect that the Holders of the SAC Bonds will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(g) the Issuer delivers to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent to the Legal Defeasance Option or the Covenant Defeasance Option, as applicable, have been complied with as required by this Article IV;

(h) the Issuer delivers to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer to the effect that: (i) in a case under the Bankruptcy Code in which APCo (or any of its Affiliates, other than the Issuer) is the debtor, the court would hold that the deposited moneys or U.S. Government Obligations would not be in the bankruptcy estate of APCo (or any of its Affiliates, other than the Issuer, that deposited the moneys or U.S. Government Obligations); and (ii) in the event APCo (or any of its Affiliates, other than the Issuer, that deposited the moneys or U.S. Government Obligations) were to be a debtor in a case under the Bankruptcy Code, the court would not disregard the separate legal existence of APCo (or any of its Affiliates, other than the Issuer, that deposited the moneys or U.S. Government Obligations) and the Issuer so as to order substantive consolidation under the Bankruptcy Code of the Issuer's assets and liabilities with the assets and liabilities of APCo or such other Affiliate; and

(i) the Rating Agency Condition shall have been satisfied with respect to the exercise of any Legal Defeasance Option or Covenant Defeasance Option.

Notwithstanding any other provision of this Section 4.02, no delivery of moneys or U.S. Government Obligations to the Indenture Trustee shall terminate any obligation of the Issuer to the Indenture Trustee under this Indenture or the Series Supplement or any obligation of the Issuer to apply such moneys or U.S. Government Obligations under Section 4.03 until principal of and premium, if any, and interest on the SAC Bonds shall have been paid in accordance with the provisions of this Indenture and the Series Supplement.

SECTION 4.03. Application of Trust Money. All moneys or U.S. Government Obligations deposited with the Indenture Trustee pursuant to Section 4.01 or 4.02 shall be held in trust and applied by it, in accordance with the provisions of the SAC Bonds and this Indenture, to the payment, either directly or through any Paying Agent, as the Indenture Trustee may determine, to the Holders of the particular SAC Bonds for the payment of which such moneys have been deposited with the Indenture Trustee, of all sums due and to become due thereon for principal, premium, if any, and interest; but such moneys need not be segregated from other funds except to the extent required herein or in the Servicing Agreement or required by law. Notwithstanding anything to the contrary in this Article IV, the Indenture Trustee shall deliver or pay to the Issuer from time to time upon Issuer Request any moneys or U.S. Government Obligations held by it pursuant to Section 4.02 which, in the opinion of a nationally recognized firm of Independent registered public accountants expressed in a written certification thereof delivered to the Indenture Trustee (and not at the cost or expense of the Indenture Trustee), are in excess of the amount thereof which would be required to be deposited for the purpose for which such moneys or U.S. Government Obligations were deposited, provided that any such payment shall be subject to the satisfaction of the Rating Agency Condition.

SECTION 4.04. Repayment of Moneys Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture or the Covenant Defeasance Option or Legal Defeasance Option with respect to the SAC Bonds, all moneys then held by any Paying Agent other than the Indenture Trustee under the provisions of this Indenture or the Intercreditor Agreement with respect to the SAC Bonds shall, upon written demand of the Issuer, be paid to the Indenture Trustee to be held and applied according to Section 3.03 and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

SECTION 5.01. Events of Default. “Event of Default” wherever used herein, means any one or more of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of any interest on any SAC Bond when the same becomes due and payable (whether such failure to pay interest is caused by a shortfall in SAC Charges received or otherwise), and such default shall continue for a period of five (5) Business Days;

(b) default in the payment of the then unpaid principal of any SAC Bond of any Tranche on the Final Maturity Date for such Tranche;

(c) default in the observance or performance of any covenant or agreement of the Issuer made in this Indenture (other than defaults specified in Section 5.01(a) or (b) above), and such default shall continue or not be cured, for a period of thirty (30) days after the earlier of (i) the date that there shall have been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Holders of at least twenty-five (25) percent of the Outstanding Amount of the SAC Bonds, a written notice specifying such default and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder or (ii) the date that the Issuer has actual knowledge of the default;

(d) any representation or warranty of the Issuer made in this Indenture or the Series Supplement, or in any certificate or other writing delivered pursuant hereto or the Series Supplement or in connection herewith proving to have been incorrect in any material respect as of the time when the same shall have been made, and the circumstance or condition in respect of which such representation or warranty was incorrect shall not have been eliminated or otherwise cured, within thirty (30) days after the earlier of (i) the date that there shall have been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Holders of at least twenty-five (25) percent of the Outstanding Amount of the SAC Bonds, a written notice specifying such incorrect representation or warranty and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder or (ii) the date the Issuer has actual knowledge of the default,

(e) the filing of a decree or order for relief by a court having jurisdiction in the premises in respect of the Issuer or any substantial part of the SAC Bond Collateral in an involuntary case or proceeding under any applicable U.S. federal or State bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for any substantial part of the SAC Bond Collateral, or ordering the winding-up or liquidation of the Issuer’s affairs, and such decree or order shall remain unstayed and in effect for a period of ninety (90) consecutive days;

(f) the commencement by the Issuer of a voluntary case under any applicable U.S. federal or State bankruptcy, insolvency or other similar law now or hereafter in effect, or the consent by the Issuer to the entry of an order for relief in an involuntary case or Proceeding under any such law, or the consent by the Issuer to the appointment or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for any substantial part of the SAC Bond Collateral, or the making by the Issuer of any general assignment for the benefit of creditors, or the failure by the Issuer generally to pay its debts as such debts become due, or the taking of action by the Issuer in furtherance of any of the foregoing; or

(g) any act or failure to act by the Commonwealth of Virginia or any of its agencies (including the Commission), officers or employees which violates or is not in material accordance with the State Pledge.

The Issuer shall deliver to a Responsible Officer of the Indenture Trustee and to the Rating Agencies, within five (5) days after a Responsible Officer of the Issuer has knowledge of the occurrence thereof, written notice in the form of an Officer's Certificate of any event (I) which is an Event of Default under Section 5.01(a), (b), (f) or (g) or (II) which with the giving of notice, the lapse of time, or both, would become an Event of Default under Section 5.01(c), (d) or (e), including, in each case, the status of such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.

SECTION 5.02. Acceleration of Maturity; Rescission and Annulment. If an Event of Default (other than an Event of Default under Section 5.01(g)) should occur and be continuing, then and in every such case the Indenture Trustee or the Holders representing not less than a majority of the Outstanding Amount of the SAC Bonds may declare the SAC Bonds to be immediately due and payable, by a notice in writing to the Issuer (and to the Indenture Trustee if given by the Holders), and upon any such declaration the unpaid principal amount of the SAC Bonds, together with accrued and unpaid interest thereon through the date of acceleration, shall become immediately due and payable.

At any time after such declaration of acceleration of maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter in this ARTICLE V provided, the Holders representing not less than a majority of the Outstanding Amount of the SAC Bonds, by written notice to the Issuer and the Indenture Trustee, may rescind and annul such declaration and its consequences if:

(a) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay:

(i) all payments of principal of and premium, if any, and interest on all SAC Bonds due and owing at such time as if such Event of Default had not occurred and was not continuing and all other amounts that would then be due hereunder or upon the SAC Bonds if the Event of Default giving rise to such acceleration had not occurred and was not continuing;

(ii) all sums paid or advanced by the Indenture Trustee hereunder and the reasonable compensation, indemnities, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel; provided that the Indenture Trustee shall not be obligated to pay or advance any sums from its own funds if an Event of Default has occurred and is continuing; and

(b) all Events of Default, other than the nonpayment of the principal of the SAC Bonds that has become due solely by such acceleration, have been cured or waived as provided in Section 5.12.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 5.03. Collection of Indebtedness and Suits for Enforcement by Indenture Trustee.

(a) If an Event of Default under Section 5.01(a) or (b) has occurred and is continuing, subject to Section 10.19, the Indenture Trustee, in its own name and as trustee of an express trust, may institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and, subject to the limitations on recourse set forth herein, may enforce the same against the Issuer or other obligor upon the SAC Bonds and collect in the manner provided by applicable law out of the property of the Issuer or other obligor upon the SAC Bonds, wherever situated the moneys payable, or the SAC Bond Collateral and the proceeds thereof, the whole amount then due and payable on the SAC Bonds for principal, premium, if any, and interest, with interest upon the overdue principal and premium, if any, and, to the extent payment at such rate of interest shall be legally enforceable, upon overdue installments of interest, at the respective rate borne by the SAC Bonds or the applicable Tranche and in addition thereto such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel.

(b) If an Event of Default (other than an Event of Default under Section 5.01(g)) occurs and is continuing, the Indenture Trustee (subject to Section 5.11) shall, as more particularly provided in Section 5.04, proceed to protect and enforce its rights and the rights of the Holders, by such appropriate Proceedings as the Indenture Trustee shall deem most effective to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Indenture Trustee by this Indenture and the Series Supplement or by applicable law, including foreclosing or otherwise enforcing the Lien of the SAC Bond Collateral securing the SAC Bonds or applying to a court of competent jurisdiction for sequestration of revenues arising with respect to the SAC Property.

(c) If an Event of Default under Section 5.01(e) or (f) has occurred and is continuing, the Indenture Trustee, irrespective of whether the principal of any SAC Bonds shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Indenture Trustee shall have made any demand pursuant to the provisions of this Section 5.03, shall be entitled and empowered, by intervention in any Proceedings related to such Event of Default or otherwise:

(i) to file and prove a claim or claims for the whole amount of principal, premium, if any, and interest owing and unpaid in respect of the SAC Bonds and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee (including any claim for reasonable compensation to the

---

Indenture Trustee and each predecessor Indenture Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee, except as a result of negligence or bad faith) and of the Holders allowed in such Proceedings;

(ii) unless prohibited by applicable law and regulations, to vote on behalf of the Holders in any election of a trustee in bankruptcy, a standby trustee or Person performing similar functions in any such Proceedings;

(iii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Holders and of the Indenture Trustee on their behalf;

(iv) to file such proofs of claim and other papers and documents as may be necessary or advisable in order to have the claims of the Indenture Trustee or the Holders allowed in any Proceeding relative to the Issuer, its creditors and its property; and

(v) any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of such Holders to make payments to the Indenture Trustee, and, in the event that the Indenture Trustee shall consent to the making of payments directly to such Holders, to pay to the Indenture Trustee such amounts as shall be sufficient to cover reasonable compensation to the Indenture Trustee, each predecessor Indenture Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee except as a result of negligence or bad faith.

(d) Nothing herein contained shall be deemed to authorize the Indenture Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the SAC Bonds or the rights of any Holder thereof or to authorize the Indenture Trustee to vote in respect of the claim of any Holder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

(e) All rights of action and of asserting claims under this Indenture, or under any of the SAC Bonds, may be enforced by the Indenture Trustee without the possession of any of the SAC Bonds or the production thereof in any trial or other Proceedings relative thereto, and any such action or Proceedings instituted by the Indenture Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Indenture Trustee, each predecessor Indenture Trustee and their respective agents and attorneys, shall be for the ratable benefit of the Holders of the SAC Bonds.

(f) In any Proceedings brought by the Indenture Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture to which the Indenture Trustee shall be a party), the Indenture Trustee shall be held to represent all the Holders of the SAC Bonds, and it shall not be necessary to make any Holder a party to any such Proceedings.

SECTION 5.04. Remedies; Priorities.

(a) If an Event of Default (other than an Event of Default under Section 5.01(g)) shall have occurred and be continuing, the Indenture Trustee may do one or more of the following (subject to Section 5.05):

- (i) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable on the SAC Bonds or under this Indenture with respect thereto, whether by declaration of acceleration or otherwise, and, subject to the limitations on recovery set forth herein, enforce any judgment obtained, and collect from the Issuer or any other obligor moneys adjudged due upon the SAC Bonds;
- (ii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the SAC Bond Collateral;
- (iii) exercise any remedies of a secured party under the UCC, the Securitization Law or any other applicable law and take any other appropriate action to protect and enforce the rights and remedies of the Indenture Trustee and the Holders of the SAC Bonds;
- (iv) at the written direction of the Holders of a majority of the Outstanding Amount of the SAC Bonds, sell the SAC Bond Collateral or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by applicable law, or elect that the Issuer maintain possession of all or a portion of the SAC Bond Collateral pursuant to Section 5.05 and continue to apply the SAC Bond Charge Collection as if there had been no declaration of acceleration; and
- (v) exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller, the Administrator or the Servicer under or in connection with, and pursuant to the terms of, the Sale Agreement, the Administration Agreement, the Intercreditor Agreement or the Servicing Agreement;

provided, however, that the Indenture Trustee may not sell or otherwise liquidate any portion of the SAC Bond Collateral following such an Event of Default, other than an Event of Default described in Section 5.01(a) or (b), unless (A) the Holders of one-hundred (100) percent of the Outstanding Amount of the SAC Bonds consent thereto, (B) the proceeds of such sale or liquidation distributable to the Holders are sufficient to discharge in full all amounts then due and unpaid upon the SAC Bonds for principal, premium, if any, and interest after taking into account payment of all amounts due prior thereto pursuant to the priorities set forth in Section 8.02(e) or (C) the Indenture Trustee determines that the SAC Bond Collateral will not continue to provide sufficient funds for all payments on the SAC Bonds as they would have become due if the SAC Bonds had not been declared due and payable, and the Indenture Trustee obtains the written consent of the Holders of at least two thirds (2/3) of the Outstanding Amount of the SAC Bonds. In determining such sufficiency or insufficiency with respect to clauses (B) and (C), the Indenture Trustee may, but need not, obtain and conclusively rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the SAC Bond Collateral for such purpose.

(b) If an Event of Default under Section 5.01(g) shall have occurred and be continuing, the Indenture Trustee, for the benefit of the Secured Parties, shall be entitled and empowered, to the extent permitted by applicable law, to institute or participate in Proceedings necessary to compel performance of or to enforce the State Pledge and to collect any monetary damages incurred by the Holders or the Indenture Trustee as a result of any such Event of Default, and may prosecute any such Proceeding to final judgment or decree. Such remedy shall be the only remedy that the Indenture Trustee may exercise if the only Event of Default that has occurred and is continuing is an Event of Default under Section 5.01(g).

(c) If the Indenture Trustee collects any money pursuant to this ARTICLE V, it shall pay out such money in accordance with the priorities set forth in Section 8.02(e).

SECTION 5.05. Optional Preservation of the SAC Bond Collateral. If the SAC Bonds have been declared to be due and payable under Section 5.02 following an Event of Default and such declaration and its consequences have not been rescinded and annulled, the Indenture Trustee may, but need not, elect to maintain possession of all or a portion of the SAC Bond Collateral. It is the desire of the parties hereto and the Holders that there be at all times sufficient funds for the payment of principal of and premium, if any, and interest on the SAC Bonds, and the Indenture Trustee shall take such desire into account when determining whether or not to maintain possession of the SAC Bond Collateral. In determining whether to maintain possession of the SAC Bond Collateral or sell or liquidate the same, the Indenture Trustee may, but need not, obtain and conclusively rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the SAC Bond Collateral for such purpose.

SECTION 5.06. Limitation of Suits. No Holder of any SAC Bond shall have any right to institute any Proceeding, judicial or otherwise, to avail itself of any remedies provided in the Securitization Law or to avail itself of the right to foreclose on the SAC Bond Collateral or otherwise enforce the Lien and the security interest on the SAC Bond Collateral with respect to this Indenture and the Series Supplement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder previously has given written notice to the Indenture Trustee of a continuing Event of Default;

(b) the Holders of not less than a majority of the Outstanding Amount of the SAC Bonds have made written request to the Indenture Trustee to institute such Proceeding in respect of such Event of Default in its own name as Indenture Trustee hereunder;

(c) such Holder or the Holders have offered to the Indenture Trustee indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in complying with such request;

(d) the Indenture Trustee for sixty (60) days after its receipt of such notice of a continuing Event of Default, request and offer of indemnity has failed to institute such Proceedings; and

---

(e) no direction inconsistent with such written request has been given to the Indenture Trustee during such sixty-day period by the Holders of a majority of the Outstanding Amount of the SAC Bonds;

it being understood and intended that no one or more of the Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided.

In the event the Indenture Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of the Holders, each representing less than a majority of the Outstanding Amount of the SAC Bonds, the Indenture Trustee in its sole discretion may file a petition with a court of competent jurisdiction to resolve such conflict or determine what action, if any, shall be taken, notwithstanding any other provisions of this Indenture.

SECTION 5.07. Unconditional Rights of the Holders To Receive Principal, Premium, if any, and Interest. Notwithstanding any other provisions in this Indenture, the Holder of any SAC Bond shall have the right, which is absolute and unconditional, (a) to receive payment of (i) the interest, if any, on such SAC Bond on the due dates thereof expressed in such SAC Bond or in this Indenture or (ii) the unpaid principal, if any, of the SAC Bonds on the Final Maturity Date therefor and (b) to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

SECTION 5.08. Restoration of Rights and Remedies. If the Indenture Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Indenture Trustee or to such Holder, then and in every such case the Issuer, the Indenture Trustee and the Holders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Holders shall continue as though no such Proceeding had been instituted.

SECTION 5.09. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by applicable law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.10. Delay or Omission Not a Waiver. No delay or omission of the Indenture Trustee or any Holder to exercise any right or remedy accruing upon any Default or Event of Default shall impair any such right or remedy or constitute a waiver of any such Default or Event of Default or an acquiescence therein. Every right and remedy given by this ARTICLE V or by applicable law to the Indenture Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Holders, as the case may be.

SECTION 5.11. Control by the Holders. The Holders of not less than a majority of the Outstanding Amount of the SAC Bonds of an affected Tranche shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Indenture Trustee with respect to the SAC Bonds of such Tranche or Tranches or exercising any trust or power conferred on the Indenture Trustee with respect to such Tranche or Tranches; provided that:

(i) such direction shall not be in conflict with any rule of applicable law or with this Indenture or the applicable Series Supplement and shall not involve the Indenture Trustee in any personal liability or expense;

(ii) subject to other conditions specified in Section 5.04, any direction to the Indenture Trustee to sell or liquidate any SAC Bond Collateral shall be by the Holders representing not less than one-hundred (100) percent of the Outstanding Amount of the SAC Bonds;

(iii) if the conditions set forth in Section 5.05 have been satisfied and the Indenture Trustee elects to retain the SAC Bond Collateral pursuant to Section 5.05, then any direction to the Indenture Trustee by the Holders representing less than one-hundred (100) percent of the Outstanding Amount of the SAC Bonds to sell or liquidate the SAC Bond Collateral shall be of no force and effect; and

(iv) the Indenture Trustee may take any other action deemed proper by the Indenture Trustee that is not inconsistent with such direction;

provided, however, that, the Indenture Trustee's duties shall be subject to Section 6.01, and the Indenture Trustee need not take any action that it determines might involve it in liability or might materially adversely affect the rights of any Holders not consenting to such action. Furthermore and without limiting the foregoing, the Indenture Trustee shall not be required to take any action for which it reasonably believes that it will not be indemnified to its satisfaction against any cost, expense or liabilities.

SECTION 5.12. Waiver of Past Defaults. Prior to the declaration of the acceleration of the maturity of the SAC Bonds as provided in Section 5.02, the Holders representing not less than a majority of the Outstanding Amount of the SAC Bonds of an affected Tranche, by notice to the Indenture Trustee, may waive any past Default or Event of Default and its consequences except a Default (a) in payment of principal of or premium, if any, or interest on any of the SAC Bonds or (b) in respect of a covenant or provision hereof that cannot be modified or amended without the consent of the Holder of each SAC Bond of all Tranches affected. In the case of any such waiver, the Issuer, the Indenture Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

SECTION 5.13. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any SAC Bond by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Indenture Trustee for any action taken, suffered or omitted by it as Indenture Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.13 shall not apply to (a) any suit instituted by the Indenture Trustee, (b) any suit instituted by any Holder, or group of the Holders, in each case holding in the aggregate more than ten (10) percent of the Outstanding Amount of the SAC Bonds or (c) any suit instituted by any Holder for the enforcement of the payment of (i) interest on any SAC Bond on or after the due dates expressed in such SAC Bond and in this Indenture or (ii) the unpaid principal, if any, of any SAC Bond on or after the Final Maturity Date therefor.

SECTION 5.14. Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 5.15. Action on SAC Bonds. The Indenture Trustee's right to seek and recover judgment on the SAC Bonds or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the Lien of this Indenture nor any rights or remedies of the Indenture Trustee or the Holders shall be impaired by the recovery of any judgment by the Indenture Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the SAC Bond Collateral or any other assets of the Issuer.

## ARTICLE VI

### THE INDENTURE TRUSTEE

#### SECTION 6.01. Duties of Indenture Trustee.

(a) If an Event of Default has occurred and is continuing, the Indenture Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Indenture Trustee; and

(ii) in the absence of bad faith on its part, the Indenture Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming on their face to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Indenture Trustee may not be relieved from liability for its own negligent action, its own bad faith, its own negligent failure to act or its own willful misconduct, except that:

(i) this Section 6.01(c) does not limit the effect of Section 6.01(b);

(ii) the Indenture Trustee shall not be liable for any error of judgment made in good faith by the Indenture Trustee unless it is proved that the Indenture Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Indenture Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it hereunder.

(d) Every provision of this Indenture that in any way relates to the Indenture Trustee is subject to Section 6.01(a), (b) and (c).

(e) The Indenture Trustee shall not be liable for interest on any money received by it except as the Indenture Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Indenture Trustee need not be segregated from other funds held by the Indenture Trustee except to the extent required by applicable law or the terms of this Indenture, the Sale Agreement, the Servicing Agreement, the Administration Agreement or the Intercreditor Agreement.

(g) No provision of this Indenture shall require the Indenture Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayments of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee shall be subject to the provisions of this Section 6.01 and to the provisions of the TIA.

(i) In the event that the Indenture Trustee is also acting as Paying Agent or SAC Bond Registrar hereunder, the protections of this Article VI shall also be afforded to the Indenture Trustee in its capacity as Paying Agent or SAC Bond Registrar.

(j) Except for the express duties of the Indenture Trustee with respect to the administrative functions set forth in the Basic Documents, the Indenture Trustee shall have no obligation to administer, service or collect SAC Property or to maintain, monitor or otherwise supervise the administration, servicing or collection of the SAC Property.

(k) Under no circumstance shall the Indenture Trustee be liable for any indebtedness of the Issuer, the Servicer or the Seller evidenced by or arising under the SAC Bonds or the Basic Documents. None of the provisions of this Indenture shall in any event require the Indenture Trustee to perform or be responsible for the performance of any of the Servicer's obligations under the Basic Documents.

(l) Commencing with March 15, 2027, on or before March 15<sup>th</sup> of each fiscal year ending December 31, so long as the Issuer is required to file Exchange Act reports, the Indenture Trustee shall (i) deliver to the Issuer a report (in form and substance reasonably satisfactory to the Issuer and addressed to the Issuer and signed by an authorized officer of the Indenture Trustee) regarding the Indenture Trustee's assessment of compliance, during the immediately preceding fiscal year ending December 31, with each of the applicable servicing criteria specified on Exhibit C hereto as required under Rules 13a-18 and 15d-18 of the Exchange Act and Item 1122 of Regulation AB and (ii) deliver to the Issuer a report of an Independent registered public accounting firm reasonably acceptable to the Issuer that attests to and reports on, in accordance with Rules 1-02(a)(3) and 2-02(g) of Regulation S-X under the Securities Act and the Exchange Act, the assessment of compliance made by the Indenture Trustee and delivered pursuant to clause (i) of this Section 6.01(l).

(m) The Indenture Trustee shall not be required to take any action it is directed to take under this Indenture if the Indenture Trustee determines in good faith that the action so directed is inconsistent with this Indenture, any other Basic Document or applicable Law, or would involve the Indenture Trustee in personal liability.

(n) The Indenture Trustee shall not be responsible for special, indirect, punitive or consequential damages, except as a result of its own willful misconduct, negligence or bad faith.

(o) In no event shall the Indenture Trustee be liable for failure to perform its duties hereunder if such failure is a direct result of another party's failure to perform its obligations hereunder.

(p) Any discretion, permissive right or privilege of the Indenture Trustee hereunder shall not be deemed to be or otherwise construed as a duty or obligation.

(q) The Indenture Trustee's receipt of publicly available reports hereunder shall constitute notice of any information contained therein or determinable therefrom, including but not limited to a party's compliance with covenants under the Indenture.

#### SECTION 6.02. Rights of Indenture Trustee.

(a) The Indenture Trustee may conclusively rely and shall be fully protected in relying on any document (including electronic documents and communications delivered in accordance with the terms of this Indenture) believed by it to be genuine and to have been signed or presented by the proper Person. The Indenture Trustee need not investigate any fact or matter stated in such document.

(b) Before the Indenture Trustee acts or refrains from acting, it may require and shall be entitled to receive an Officer's Certificate or an Opinion of Counsel of external counsel of the Issuer (at no cost or expense to the Indenture Trustee) that such action is required or permitted hereunder. The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(c) The Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys or a custodian or nominee, and the Indenture Trustee shall not be responsible for any misconduct or negligence on the part of, or for the supervision of, any such agent, attorney, custodian or nominee appointed with due care by it hereunder. The Indenture Trustee shall give prompt written notice to the Rating Agencies of the appointment of any such agent, custodian or nominee to whom it delegates any of its express duties under this Indenture; provided, that the Indenture Trustee shall not be obligated to give such notice (i) if the Issuer or the Holders have directed the Indenture Trustee to appoint such agent, custodian or nominee (in which event the Issuer shall give prompt notice to the Rating Agencies of any such direction) or (ii) of the appointment of any agents, custodians or nominees made at any time that an Event of Default on account of non-payment of principal or interest on the SAC Bonds or insolvency of the Issuer has occurred and is continuing.

(d) The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Indenture Trustee's conduct does not constitute willful misconduct, negligence or bad faith.

(e) The Indenture Trustee may consult with counsel, and the advice or Opinion of Counsel with respect to legal matters relating to this Indenture and the SAC Bonds shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) Except as otherwise expressly provided herein, the Indenture Trustee shall be under no obligation to (i) take any action or exercise any of the rights or powers vested in it by this Indenture or any other Basic Document at the request or direction of any of the Holders pursuant to this Indenture or (ii) institute, conduct or defend any litigation hereunder or thereunder or in relation hereto or thereto or to investigate any matter, at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture and the Series Supplement or otherwise, unless it is requested to do so by Holders of not less than 25% of the Outstanding Amount of the Bonds and it shall have received security or indemnity reasonably satisfactory against the costs, expenses and liabilities which may be incurred therein by the Indenture Trustee.

(g) In no event shall the Indenture Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer systems and services; it being understood that the Indenture Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

---

(h) The Indenture Trustee shall not be deemed to have notice or knowledge of any Servicer Default, Default or Event of Default unless a Responsible Officer of the Indenture Trustee has actual knowledge thereof or the Indenture Trustee has received written notice thereof pursuant to Section 10.04(a)(i).

(i) Any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or an Issuer Order.

(j) Whenever in the administration of this Indenture the Indenture Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officer's Certificate.

(k) The Indenture Trustee shall not be responsible for (i) the validity of the title of the Issuer to the SAC Bond Collateral, (ii) insuring the SAC Bond Collateral or (iii) the payment of taxes, charges, assessments or Liens upon the SAC Bond Collateral or otherwise as to the maintenance of the SAC Bond Collateral.

(l) The Indenture Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture or any of the other Basic Documents.

(m) The Indenture Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the SAC Bond Collateral.

SECTION 6.03. Individual Rights of Indenture Trustee. The Indenture Trustee in its individual or any other capacity may become the owner or pledgee of SAC Bonds and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Indenture Trustee. Any Paying Agent, SAC Bond Registrar, co-registrar or co-paying agent or agent appointed under Section 3.02 may do the same with like rights. However, the Indenture Trustee must comply with Sections 6.11 and 6.12.

SECTION 6.04. Indenture Trustee's Disclaimer. The Indenture Trustee shall not be responsible for and makes no representation (other than as set forth in Section 6.13) as to the validity or adequacy of this Indenture or the SAC Bonds, it shall not be accountable for the Issuer's use of the proceeds from the SAC Bonds, and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the SAC Bonds or in the SAC Bonds other than the Indenture Trustee's certificate of authentication. The Indenture Trustee shall not be responsible for the form, character, genuineness, sufficiency, value or validity of any of the SAC Bond Collateral, or for or in respect of the SAC Bonds (other than the certificate of authentication for the SAC Bonds) or the Basic Documents and the Indenture Trustee shall in no event assume or incur any liability, duty or obligation to any Holder, other than as expressly provided in this Indenture. The Indenture Trustee shall not be liable for the default or misconduct of the Issuer, the Seller, or the Servicer under the Basic Documents or otherwise, and the Indenture Trustee shall have no obligation or liability to perform the obligations of such Persons.

SECTION 6.05. Notice of Defaults. If a Default occurs and is continuing and if it is actually known to a Responsible Officer of the Indenture Trustee, the Indenture Trustee shall deliver to the Commission, each Rating Agency and each Holder notice of the Default within ten (10) Business Days after such notice of such Default was received by a Responsible Officer of the Indenture Trustee (provided that the Indenture Trustee shall give the Rating Agencies prompt notice of any payment default in respect of the SAC Bonds). Except in the case of a Default in payment of principal of and premium, if any, or interest on any SAC Bond, the Indenture Trustee may withhold the notice if a Responsible Officer in good faith determines that prompt notice of the Default is not likely to be material to the Holders and the Default is likely to be cured and therefore that withholding the notice is in the interests of the Holders. Except for an Event of Default under Section 5.01(a) or (b) in no event shall the Indenture Trustee be deemed to have knowledge of a Default unless a Responsible Officer of the Indenture Trustee shall have actual knowledge of a Default or shall have received written notice thereof.

SECTION 6.06. Reports by Indenture Trustee to the Holders.

(a) So long as SAC Bonds are Outstanding and the Indenture Trustee is the SAC Bond Registrar and Paying Agent, upon the written request of any Holder or the Issuer, within the prescribed period of time for tax reporting purposes after the end of each calendar year, the Indenture Trustee shall deliver to each relevant current or former Holder such information in its possession as may be required to enable such Holder to prepare its U.S. federal income and any applicable local or State tax returns. If the SAC Bond Registrar and Paying Agent is other than the Indenture Trustee, such SAC Bond Registrar and Paying Agent, within the prescribed period of time for tax reporting purposes after the end of each calendar year, shall deliver to each relevant current or former Holder such information in its possession as may be required to enable such Holder to prepare its U.S. federal income and any applicable local or State tax returns.

(b) On or prior to each Payment Date or Special Payment Date therefor, the Indenture Trustee will deliver or make available electronically to each Holder of the SAC Bonds on such Payment Date or Special Payment Date a statement as provided and prepared by the Servicer, which will include (to the extent applicable) the following information (and any other information so specified in the Series Supplement) as to the SAC Bonds with respect to such Payment Date or Special Payment Date or the period since the previous Payment Date, as applicable:

- (i) the amount of the payment to the Holders allocable to principal, if any;
- (ii) the amount of the payment to the Holders allocable to interest;
- (iii) the aggregate Outstanding Amount of the SAC Bonds, before and after giving effect to any payments allocated to principal reported under Section 6.06(b)(i) above;

(iv) the difference, if any, between the amount specified in Section(b)(iii) above and the Outstanding Amount specified in the related Expected Amortization Schedule;

(v) any other transfers and payments to be made on such Payment Date or Special Payment Date, including amounts paid to the Indenture Trustee and to the Servicer; and

(vi) the amounts on deposit in the Capital Subaccount and the Excess Funds Subaccount, after giving effect to the foregoing payments.

(c) The Issuer shall send a copy of each of the Certificate of Compliance delivered to it pursuant to Section 3.03 of the Servicing Agreement and the Annual Accountant's Report delivered to it pursuant to Section 3.04 of the Servicing Agreement to the Rating Agencies, the Indenture Trustee and to the Servicer for posting on the 17g-5 Website in accordance with Rule 17g-5 under the Exchange Act. A copy of such certificate and report may be obtained by any Holder by a request in writing to the Indenture Trustee.

SECTION 6.07. Compensation and Indemnity. The Issuer shall pay to the Indenture Trustee from time-to-time reasonable compensation for its services. The Indenture Trustee's compensation shall not, to the extent permitted by applicable law, be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Indenture Trustee for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Indenture Trustee's agents, counsel, accountants and experts. The Issuer shall indemnify and hold harmless the Indenture Trustee and its officers, directors, employees and agents (each an "Indemnified Person") against any and all cost, damage, loss, liability, tax or expense (including reasonable attorneys' fees and expenses, the fees of experts and agents and any reasonable extraordinary out-of-pocket expenses) incurred by the Indenture Trustee in connection with the administration and the enforcement of this Indenture, the Series Supplement and the Basic Documents, including the costs and expenses of defending themselves against any claim of liability in connection with the exercise of the Indenture Trustee's rights, powers and obligations under this Indenture, the Series Supplement and the other Basic Documents and the performance of its duties hereunder and obligations under or pursuant to this Indenture, the Series Supplement and the Basic Documents and the costs of defending any claim or bringing any claim to enforce the Issuer's indemnification obligations hereunder. The Issuer shall not be required to indemnify the Indemnified Person for any amount paid or payable by such Indemnified Person in the settlement of any action, Proceeding or investigation without the prior written consent of the Issuer, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Person of notice of the commencement of any action, Proceeding or investigation, such Indemnified Person shall, if a claim in respect thereof is to be made against the Issuer under this Section 6.07, notify the Issuer in writing of the commencement thereof. Failure by an Indemnified Person to so notify the Issuer shall not relieve the Issuer from the obligation to indemnify and hold harmless such Indemnified Person under this Section 6.07. With respect to any action, Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.07 the Issuer shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Person, the defense of any such action, Proceeding or

investigation (in which case the Issuer shall not thereafter be responsible for the fees and expenses of any separate counsel retained by such Indemnified Person except as set forth below); provided that such Indemnified Person shall have the right to participate in such action, Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Issuer's election to assume the defense of any action, Proceeding or investigation, such Indemnified Person shall have the right to employ separate counsel (including local counsel), and the Issuer shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the defendants in any such action include both the Indemnified Person and the Issuer and the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the Issuer, (ii) the Issuer shall not have employed counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person within a reasonable time after notice of the institution of such action or (iii) the Issuer shall authorize the Indemnified Person to employ separate counsel at the expense of the Issuer. Notwithstanding the foregoing, the Issuer shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Person other than one local counsel, if appropriate. Notwithstanding the foregoing or any other provisions of this Indenture, the Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Indenture Trustee through the Indemnified Person's own willful misconduct, negligence or bad faith. The rights of the Indenture Trustee set forth in this Section 6.07 are subject to and limited by the priority of payments set forth in Section 8.02(e).

The payment obligations to the Indenture Trustee pursuant to this Section 6.07 shall survive the discharge of this Indenture and the Series Supplement or the earlier resignation or removal of the Indenture Trustee. When the Indenture Trustee incurs expenses after the occurrence of a Default specified in Section 5.01(e) or (f) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable U.S. federal or State bankruptcy, insolvency or similar law.

#### SECTION 6.08. Replacement of Indenture Trustee and Securities Intermediary.

(a) The Indenture Trustee may resign at any time upon thirty (30) days' prior written notice to the Issuer subject to Section 6.08(c) below. ---

Any removal or resignation of the Indenture Trustee shall also constitute a removal or resignation of the Securities Intermediary.

(b) If the Indenture Trustee or Securities Intermediary gives notice of resignation or is removed or if a vacancy exists in the office of Indenture Trustee or Securities Intermediary for any reason (the Indenture Trustee in such event being referred to herein as the retiring Indenture Trustee and the Securities Intermediary in such event being referred to herein as the retiring Securities Intermediary), the Issuer shall promptly appoint a successor Indenture Trustee or a successor Securities Intermediary, as the case may be.

(c) Each of the successor Indenture Trustee and the successor Securities Intermediary, as the case may be, shall deliver a written acceptance of its appointment as the Indenture Trustee or as the Securities Intermediary, as applicable, to the retiring Indenture Trustee and the retiring Securities Intermediary, as applicable, and to the Issuer. Thereupon the resignation or removal of the retiring Indenture Trustee or the retiring Securities Intermediary, as the case may be, shall become effective, and the successor Indenture Trustee or the successor Securities Intermediary, as applicable, shall have all the rights, powers and duties of the Indenture Trustee and Securities Intermediary, as applicable, under this Indenture, the Intercreditor Agreement and the other Basic Documents. No resignation or removal of the Indenture Trustee pursuant to this Section 6.08 shall become effective until acceptance of the appointment by a successor Indenture Trustee having the qualifications set forth in Section 6.11. Notice of any such appointment shall be promptly given to each Rating Agency by the successor Indenture Trustee. The successor Indenture Trustee shall mail a notice of its succession to the Holders. The retiring Indenture Trustee shall promptly transfer all property held by it as Indenture Trustee to the successor Indenture Trustee.

(d) If a successor Indenture Trustee or a successor Securities Intermediary does not take office within sixty (60) days after the retiring Indenture Trustee or the retiring Securities Intermediary, as the case may be, resigns or is removed, the retiring Indenture Trustee or the retiring Securities Intermediary, as the case may be, the Issuer or the Holders of a majority in Outstanding Amount of the SAC Bonds may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee or a successor Securities Intermediary, as the case may be.

(e) If the Indenture Trustee fails to comply with Section 6.11, any Holder may petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

(f) Notwithstanding the replacement of the Indenture Trustee or the Securities Intermediary pursuant to this Section 6.08, the Issuer's obligations under Section 6.07 shall continue for the benefit of the retiring Indenture Trustee and the retiring Securities Intermediary.

SECTION 6.09. Successor Indenture Trustee by Merger. If the Indenture Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Indenture Trustee; provided, however, that if such successor Indenture Trustee is not eligible under Section 6.11, then the successor Indenture Trustee shall be replaced in accordance with Section 6.08. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 6.11 and no notice to the Holders of the appointment of any co-trustee or separate trustee shall be required under Section 6.08. Notice of any such appointment shall be promptly given to each Rating Agency and the Commission by the Indenture Trustee.

(b) Every separate trustee and co-trustee shall, to the extent permitted by applicable law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any applicable law of any jurisdiction in which any particular act or acts are to be performed the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the SAC Bond Collateral or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then-separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article VI. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by applicable law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by applicable law, without the appointment of a new or successor trustee.

In the event such firm requires the Indenture Trustee to agree to the procedures performed by such firm, the Issuer shall direct the Indenture Trustee in writing to so agree, it being understood and agreed that the Indenture Trustee will deliver such letter of agreement in conclusive reliance upon the direction of the Issuer, and the Indenture Trustee makes no independent inquiry or investigation to, and shall have no obligation or liability in respect of, the sufficiency, validity or correctness of such procedures.

Except as permitted by this Section 6.15, or elsewhere in this Indenture, the Indenture Trustee shall not hold SAC Bond Collateral through an agent or a nominee.

SECTION 6.16. FATCA. The Issuer agrees (i) to provide the Indenture Trustee with such reasonable information as it has in its possession to enable the Indenture Trustee to determine whether any payments pursuant to the Indenture are subject to the withholding requirements described in Section 1471(b) of the Internal Revenue Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Internal Revenue Code and any regulations, or agreements thereunder or official interpretations thereof (“Applicable FATCA Law”), and (ii) that the Indenture Trustee shall be entitled to make any withholding or deduction from payments under the Indenture to the extent necessary to comply with Applicable FATCA Law, for which the Indenture Trustee shall not have any liability.

The Securities Intermediary shall hold the Collection Account for the benefit of the Secured Parties and other Persons indemnified hereunder. Initially, the Collection Account shall be divided into three subaccounts, which need not be separate accounts: a general subaccount (the "General Subaccount"), an excess funds subaccount (the "Excess Funds Subaccount") and a capital subaccount (the "Capital Subaccount") and, together with the General Subaccount and the Excess Funds Subaccount, the "Subaccounts"). Each Subaccount shall have a separate subledger account (each, a "Cash Subaccount") where cash allocated to the related Subaccount will be held. Only cash shall be allocated to a Cash Subaccount and no other SAC Bond Collateral shall be allocated to a Cash Subaccount. References to any Subaccount shall be deemed to include the related Cash Subaccount. For administrative purposes, the Subaccounts may be established by the Indenture Trustee as separate accounts. Such separate accounts will be recognized individually as a Subaccount and collectively as the "Collection Account." Prior to or concurrently with the

issuance of SAC Bonds, the Member shall deposit into the Capital Subaccount an amount equal to the Required Capital Level. All amounts in the Collection Account not allocated to any other subaccount shall be allocated to the General Subaccount. Any cash transferred to, or arising under, a Subaccount will be held in the related Cash Subaccount. Prior to the Initial Payment Date, all amounts in the Collection Account (other than funds deposited into the Capital Subaccount, up to the Required Capital Level and Return on Invested Capital) shall be allocated to the General Subaccount. All references to the Collection Account shall be deemed to include reference to all Subaccounts contained therein. Withdrawals from and deposits to each of Subaccounts of the Collection Account shall be made as set forth in Section 8.02(d) and (e). The Collection Account shall at all times be maintained in an Eligible Account, under the sole dominion and exclusive control of the Indenture Trustee, through the Securities Intermediary, and only the Indenture Trustee shall have access to the Collection Account for the purpose of making deposits in and withdrawals from the Collection Account in accordance with this Indenture. Funds in the Collection Account shall not be commingled with any other moneys. All moneys deposited from time to time in the Collection Account, all deposits therein pursuant to this Indenture, and all investments made in Eligible Investments as directed in writing by the Issuer with such moneys, including all income or other gain from such investments other than Return on Invested Capital, shall be held by the Indenture Trustee in the Collection Account as part of the SAC Bond Collateral as herein provided. The Securities Intermediary shall have no liability in respect of losses incurred as a result of the liquidation of any Eligible Investment prior to its stated maturity or its date of redemption or the failure of the Issuer or the Servicer to provide timely written investment direction (other than investments on which the Indenture Trustee is an obligor).

(b) The Securities Intermediary hereby confirms and agrees that (i) the Collection Account (other than each Cash Subaccount) is, or at inception will be established as, and will at all times be maintained as, a “securities account” as such term is defined in Section 8-501(a) of the UCC, (ii) it is and will at all times be a “securities intermediary” (as such term is defined in Section 8-102(a) (14) of the UCC) and is and will at all times be acting in such capacity with respect to such accounts, (iii) the Indenture Trustee for the benefit of the Secured Parties is and will at all times be the sole “entitlement holder” (as such term is defined in Section 8-102(a)(7) of the UCC) with respect to such accounts and no other Person shall have the right to give “entitlement orders” (as such term is defined in Section 8-102(a)(8)) with respect to such Collection Account and (iv) the Securities Intermediary shall comply with “entitlement orders” originated by the Indenture Trustee with respect to the Collection Account without further consent of the Issuer or any other Person. The Securities Intermediary hereby further confirms and agrees that (i) each item of property (whether investment property, Financial Asset, security, instrument or cash) received by it will be credited to the Collection Account (and that all cash will be credited to the related Cash Subaccount) and (ii) such property, other than cash, shall be treated by it as a Financial Asset. The Indenture Trustee shall cause the Securities Intermediary to hold any SAC Bond Collateral consisting of money in the applicable Cash Subaccount and the Securities Intermediary hereby confirms and agrees that each Cash Subaccount is and will at all times be maintained as a “deposit account” within the meaning of Section 9-102(a)(29) of the UCC. The Securities Intermediary further confirms and agrees that for purposes of perfecting the security interest in such deposit account, it shall (i) act as the “bank” within the meaning of Section 9-102(a)(8) of the UCC and (ii) comply with instructions originated by the Indenture Trustee directing disposition of the funds in each Cash Subaccount without further consent of the Issuer or any other Person. The Securities Intermediary shall not change the name or account number of

the Collection Account or any subaccount thereof without the prior written consent of the Indenture Trustee and the Issuer. The Securities Intermediary shall not agree with any person or entity other than the Indenture Trustee that it will comply with entitlement orders or instructions originated by any person or entity other than the Indenture Trustee. Notwithstanding anything to the contrary, for purposes of the UCC, the State of New York shall be deemed to be the “securities intermediary’s jurisdiction” within the meaning of Section 8-110(e) of the UCC of the Securities Intermediary and the “bank’s jurisdiction” within the meaning of Section 9-304(a) of the UCC of the Securities Intermediary acting as the “bank” and the Collection Account (as well as the securities entitlements related thereto) shall be governed by the laws of the State of New York. The Securities Intermediary represents and agrees that (i) the “account agreement” (within the meaning of the Hague Securities Convention) establishing the Collection Account is governed by the law of the State of New York and that the law of the State of New York shall govern all issues specified in Article 2(1) of the Hague Securities Convention and (ii) at the time of entry of such account agreement, the Securities Intermediary had one or more offices (within the meaning of the Hague Securities Convention) in the United States of America which satisfies the criteria provided in Article 4(1)(a) or (b) of the Hague Securities Convention.

(c) The Indenture Trustee shall have sole dominion and exclusive control over all moneys in, and all other property credited to, the Collection Account through the Securities Intermediary and shall apply such amounts therein as provided in this Section 8.02. The Indenture Trustee shall also pay from the Collection Account any amounts requested in writing to be paid by or to the Servicer pursuant to Section 6.11(c)(ii) of the Servicing Agreement.

(d) SAC Charge Collections shall be deposited in the General Subaccount as provided in Section 6.11 of the Servicing Agreement. All deposits to and withdrawals from the Collection Account, all allocations to the Subaccounts of the Collection Account and any amounts to be paid to the Servicer under Section 8.02(c) shall be made by the Indenture Trustee in accordance with the written instructions provided by the Servicer in the Monthly Servicer’s Certificate, the Servicer’s Certificate or upon other written notice provided by the Servicer pursuant to Section 6.11(a) of the Servicing Agreement, as applicable.

(e) On each Payment Date, the Indenture Trustee shall apply all amounts on deposit in the Collection Account, including all Investment Earnings thereon, to pay the following amounts, solely in accordance with the Servicer’s Certificate, in the following priority:

(i) payment of all amounts owed by the Issuer to the Indenture Trustee (including legal fees and expenses and outstanding indemnity amounts) shall be paid to the Indenture Trustee (subject to Section 6.07) in an amount not to exceed annually the amount set forth in the Series Supplement; provided, however that such cap shall be disregarded and inapplicable upon acceleration of the SAC Bonds under Section 5.02;

(ii) payment of the Servicing Fee with respect to such Payment Date and all unpaid Servicing Fees for prior Payment Dates shall be paid to the Servicer;

(iii) payment of the Administration Fee due on such Payment Date shall be paid to the Administrator and the Independent Manager Fee due on such Payment Date shall be paid to the Independent Managers, and in each case with any unpaid Administration Fees or Independent Manager Fees from prior Payment Dates;

(iv) payment of all other ordinary and periodic Operating Expenses for such Payment Date not described above shall be paid to the parties, pro rata, to which such Operating Expenses are owed;

(v) payment of Periodic Interest for such Payment Date, including any overdue Periodic Interest (together with, to the extent lawful, interest on such overdue Periodic Interest at the applicable Bond Interest Rate), with respect to the SAC Bonds shall be paid to the Holders of SAC Bonds;

(vi) payment of principal due and payable on the SAC Bonds on any Final Maturity Date or pursuant to Section 5.02 upon an Event of Default shall be paid to the Holders of SAC Bonds;

(vii) payment of Periodic Principal for such Payment Date, including any overdue Periodic Principal, with respect to the SAC Bonds shall be paid to the Holders of SAC Bonds;

(viii) payment of any other unpaid fees, expenses and indemnity amounts owed to the Indenture Trustee;

(ix) payment of any other unpaid remaining Operating Expenses and any remaining amounts owed pursuant to the Basic Documents;

(x) replenishment of the amount, if any, by which the Required Capital Level exceeds the amount in the Capital Subaccount as of such Payment Date shall be allocated to the Capital Subaccount;

(xi) any Return on Invested Capital then due and payable shall be paid to APCo;

(xii) the balance, if any, shall be allocated to the Excess Funds Subaccount for distribution on subsequent Payment Dates; and

(xiii) after principal of and premium, if any, and interest on all SAC Bonds, and all of the other foregoing amounts, have been paid in full, including, without limitation, amounts due and payable to the Indenture Trustee under Section 6.07 or otherwise, the balance (including all amounts then held in the Capital Subaccount and the Excess Funds Subaccount), if any, shall be paid to the Issuer, free from the Lien of this Indenture and the Series Supplement.

All payments to the Holders of the SAC Bonds pursuant to Section 8.02(e)(v), (vi) and (vii) above shall be made to such Holders pro rata based on the respective amounts of interest and/or principal owed, unless, in the case of SAC Bonds comprised of two or more Tranches, the Series Supplement provides otherwise. Payments in respect of principal of and premium, if any, and interest on any Tranche of SAC Bonds will be made on a pro rata basis among all the Holders of such Tranche. In the case of an Event of Default, then, in accordance with Section 5.04(c), in respect of any application of moneys pursuant to Section 8.02(e)(v) or (vi), moneys will be applied pursuant to Section 8.02(e)(v) and (vi), as the case may be, in such order, on a pro rata basis, based upon the interest or the principal owed.

(f) If on any Payment Date funds on deposit in the General Subaccount are insufficient to make the payments contemplated by Section 8.02(e)(i)-(ix) above, the Indenture Trustee shall: (i) first, draw from amounts on deposit in the Excess Funds Subaccount and (ii) second, draw from amounts on deposit in the Capital Subaccount, in each case, up to the amount of such shortfall in order to make the payments contemplated by Section 8.02(e)(i)-(ix). In addition, if on any Payment Date funds on deposit in the General Subaccount are insufficient to make the allocations contemplated by clause (x) above, the Indenture Trustee shall draw from amounts on deposit in the Excess Funds Subaccount to make such allocations.

(g) On any Business Day upon which the Indenture Trustee receives a written request from the Administrator stating that any Operating Expense payable by the Issuer (but only as described in Section 8.02(e)(i)-(iv)) will become due and payable prior to the next Payment Date, and setting forth the amount and nature of such Operating Expense and the date such Operating Expense is due, as well as any supporting documentation that the Indenture Trustee may reasonably request, the Indenture Trustee, upon receipt of such information, will make payment of such Operating Expenses on or before the date such payment is due from amounts on deposit in the General Subaccount, the Excess Funds Subaccount and the Capital Subaccount, in that order and only to the extent required to make such payment.

#### SECTION 8.03. General Provisions Regarding the Collection Account.

(a) So long as no Default or Event of Default shall have occurred and be continuing, all or a portion of the funds in the Collection Account shall be invested in Eligible Investments and reinvested by the Indenture Trustee upon Issuer Order; provided, however, that such Eligible Investments shall not mature or be redeemed later than the Business Day prior to the next Payment Date or Special Payment Date, if applicable, for the SAC Bonds. All income or other gain from investments of moneys deposited in the Collection Account shall be deposited by the Indenture Trustee in such Collection Account, and any loss resulting from such investments shall be charged to the Collection Account. The Issuer will not direct the Indenture Trustee to make any investment of any funds or to sell any investment held in the Collection Account unless the security interest Granted and perfected in such account will continue to be perfected in such investment or the proceeds of such sale, in either case without any further action by any Person, and, in connection with any direction to the Indenture Trustee to make any such investment or sale, if requested by the Indenture Trustee, the Issuer shall deliver to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer (at the Issuer's cost and expense) to such effect. In no event shall the Indenture Trustee be liable for the selection of Eligible Investments or for investment losses incurred thereon. The Indenture Trustee shall have no liability in respect of losses incurred as a result of the liquidation of any Eligible Investment prior to its stated maturity or its date of redemption or the failure of the Issuer or the Servicer to provide timely written investment direction. The Indenture Trustee shall have no obligation to invest or reinvest any amounts held hereunder in the absence of written investment direction pursuant to an Issuer Order, in which case such amounts shall remain uninvested.

(b) Subject to Section 6.01(c), the Indenture Trustee shall not in any way be held liable by reason of any insufficiency in the Collection Account resulting from any loss on any Eligible Investment included therein except for losses attributable to the Indenture Trustee's failure to make payments on such Eligible Investments issued by the Indenture Trustee, in its commercial capacity as principal obligor and not as trustee, in accordance with their terms.

(c) If (i) the Issuer shall have failed to give written investment directions for any funds on deposit in the Collection Account to the Indenture Trustee by 11:00 a.m. New York City Time (or such other time as may be agreed by the Issuer and Indenture Trustee) on any Business Day; or (ii) a Default or Event of Default shall have occurred and be continuing with respect to the SAC Bonds but the SAC Bonds shall not have been declared due and payable pursuant to Section 5.02, then the Indenture Trustee shall, to the fullest extent practicable, invest and reinvest funds in such Collection Account in Eligible Investments specified in the most recent written investment directions delivered by the Issuer to the Indenture Trustee; provided, that if the Issuer has never delivered written investment directions to the Indenture Trustee, the Indenture Trustee shall not invest or reinvest such funds in any investments.

(d) The parties hereto acknowledge that the Servicer may, pursuant to the Servicing Agreement, select Eligible Investments on behalf of the Issuer; provided, however, that any such investment direction on behalf of the Issuer must be given in writing to the Indenture Trustee.

(e) Except as otherwise provided hereunder or agreed in writing among the parties hereto, the Issuer shall retain the authority to institute, participate and join in any plan of reorganization, readjustment, merger or consolidation with respect to the issuer of any Eligible Investments held hereunder, and, in general, to exercise each and every other power or right with respect to each such asset or investment as Persons generally have and enjoy with respect to their own assets and investment, including power to vote upon any Eligible Investments.

#### SECTION 8.04. Release of SAC Bond Collateral.

(a) So long as the Issuer is not in Default hereunder and no Default or Event of Default hereunder would occur as a result of such action, the Issuer, through the Servicer, may collect, sell or otherwise dispose of written-off receivables, at any time and from time to time in the ordinary course of business, without any notice to, or release or consent by, the Indenture Trustee, but only as and to the extent permitted by the Basic Documents; provided, however, that any and all proceeds of such dispositions shall become part of the SAC Bond Collateral and be deposited to the General Subaccount promptly upon receipt thereof by the Issuer or any other Person, including the Servicer. Without limiting the foregoing, the Servicer, may, at any time and from time to time without any notice to, or release or consent by, the Indenture Trustee, sell or otherwise dispose of any part of the SAC Bond Collateral previously written-off as a defaulted or uncollectible account in accordance with the terms of the Servicing Agreement and the requirements of the proviso in the immediately preceding sentence.

(b) The Indenture Trustee may, and when required by the provisions of this Indenture shall, execute instruments to release property from the Lien of this Indenture, or convey the Indenture Trustee's interest in the same, in a manner and under circumstances that are not inconsistent with the provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article VIII shall be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the

application of any moneys. The Indenture Trustee shall release property from the Lien of this Indenture pursuant to this Section 8.04(b) only upon receipt of an Issuer Request accompanied by an Officer's Certificate, an Opinion of Counsel of external counsel of the Issuer (at the Issuer's cost and expense) and (if required by the TIA) Independent Certificates in accordance with TIA §§ 314(c) and 314(d)(1) meeting the applicable requirements of Section 10.01.

(c) The Indenture Trustee shall, at such time as there are no SAC Bonds Outstanding and all other Financing Costs are paid and full and all sums payable to the Indenture Trustee pursuant to Section 6.07 or otherwise have been paid, release any remaining portion of the SAC Bond Collateral that secured the SAC Bonds from the Lien of this Indenture and release to the Issuer or any other Person entitled thereto any funds or investments then on deposit in or credited to the Collection Account in accordance with Section 8.02.

SECTION 8.05. Opinion of Counsel. The Indenture Trustee shall receive at least seven (7) days' notice when requested by the Issuer to take any action pursuant to Section 8.04, accompanied by copies of any instruments involved, and the Indenture Trustee shall also require, as a condition to such action, an Opinion of Counsel of external counsel of the Issuer, in form and substance satisfactory to the Indenture Trustee, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with and such action will not materially and adversely impair the perfection or priority of the remaining security for the SAC Bonds or the rights of the Holders in contravention of the provisions of this Indenture and the Series Supplement; provided, however, that such Opinion of Counsel shall not be required to express an opinion as to the fair value of the SAC Bond Collateral. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

SECTION 8.06. Reports by Independent Registered Public Accountants. As of the Closing Date, the Issuer shall appoint a firm of Independent registered public accountants of recognized national reputation for purposes of preparing and delivering the reports or certificates of such accountants required by this Indenture and the Series Supplement. In the event such firm requires the Indenture Trustee to agree to the procedures performed by such firm, the Issuer shall direct the Indenture Trustee in writing to so agree; it being understood and agreed that the Indenture Trustee will deliver such letter of agreement in conclusive reliance upon the direction of the Issuer, and the Indenture Trustee makes no independent inquiry or investigation to, and shall have no obligation or liability in respect of, the sufficiency, validity or correctness of such procedures. Upon any resignation by, or termination by the Issuer of, such firm, the Issuer shall provide written notice thereof to the Indenture Trustee and shall promptly appoint a successor thereto that shall also be a firm of Independent registered public accountants of recognized national reputation. If the Issuer shall fail to appoint a successor to a firm of Independent registered public accountants that has resigned or been terminated within fifteen (15) days after such resignation or termination, the Indenture Trustee shall promptly notify the Issuer of such failure in writing. If the Issuer shall not have appointed a successor within ten (10) days thereafter the Indenture Trustee (at the written direction of the Holders of a majority of the Outstanding Amount of the SAC Bonds) shall promptly appoint a successor firm of Independent registered public accountants of recognized national reputation; provided that the Indenture Trustee shall have no liability with respect to such appointment. The fees of such Independent registered public accountants and its successor shall be payable by the Issuer as an Operating Expense.

**SUPPLEMENTAL INDENTURES**

SECTION 9.01. Supplemental Indentures Without Consent of Holders.

(a) Without the consent of the Holders of any SAC Bonds but with prior notice to the Rating Agencies, the Issuer and the Indenture Trustee, when authorized by an Issuer Order, at any time and from time to time, may enter into one or more indentures supplemental hereto (which shall conform to the provisions of the TIA as in force at the date of the execution thereof), in form satisfactory to the Indenture Trustee, for any of the following purposes:

(i) to correct or amplify the description of any property, including, without limitation, the SAC Bond Collateral, at any time subject to the Lien of this Indenture, or better to assure, convey and confirm unto the Indenture Trustee any property subject or required to be subjected to the Lien of this Indenture and the Series Supplement, or to subject to the Lien of this Indenture and the Series Supplement additional property;

(ii) to evidence the succession, in compliance with the applicable provisions hereof, of another Person to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the SAC Bonds;

(iii) to add to the covenants of the Issuer, for the benefit of the Secured Parties, or to surrender any right or power herein conferred upon the Issuer;

(iv) to convey, transfer, assign, mortgage or pledge any property to or with the Indenture Trustee;

(v) to cure any ambiguity or mistake, to correct or supplement any provision herein or in any supplemental indenture, including the Series Supplement, which may be inconsistent with any other provision herein or in any supplemental indenture, including the Series Supplement, or to make any other provisions with respect to matters or questions arising under this Indenture or in any supplemental indenture; provided that (A) such action shall not, as evidenced by an Officer's Certificate of the Issuer, adversely affect in any material respect the interests of the Holders of the SAC Bonds and (B) the Rating Agency Condition shall have been satisfied with respect thereto;

(vi) to evidence and provide for the acceptance of the appointment hereunder by a successor trustee with respect to the SAC Bonds and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the trusts hereunder by more than one trustee, pursuant to the requirements of Article VI;

(vii) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the TIA or under any similar or successor federal statute hereafter enacted and to add to this Indenture such other provisions as may be expressly required by the TIA;

---

(viii) to evidence the final terms of the SAC Bonds in the Series Supplement;

(ix) to qualify the SAC Bonds for registration with a Clearing Agency;

(x) to satisfy any Rating Agency requirements;

(xii) to conform the text of this Indenture or the SAC Bonds to any provisions of the registration statement filed by the Issuer with the SEC with respect to the issuance of the SAC Bonds to the extent that such provision was intended to be a verbatim recitation of a provision of this Indenture or the SAC Bonds; or

(xiii) to authorize the appointment of any Person for the SAC Bonds required or advisable with the listing of the SAC Bonds on any stock exchange and otherwise amend this Indenture to incorporate changes requested or required by any Governmental Authority, stock exchange authority or fiduciary for the SAC Bonds in connection with such listing.

The Indenture Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be therein contained.

(b) The Issuer and the Indenture Trustee, when authorized by an Issuer Order, may, also without the consent of any of the Holders of the SAC Bonds, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the SAC Bonds under this Indenture; provided, however, that (i) such action shall not, as evidenced by an Opinion of Counsel of nationally recognized counsel of the Issuer experienced in structured finance transactions, adversely affect in any material respect the interests of the Holders and (ii) the Rating Agency Condition shall have been satisfied with respect thereto.

SECTION 9.02. Supplemental Indentures with Consent of Holders. The Issuer and the Indenture Trustee, when authorized by an Issuer Order, also may, with prior notice to the Rating Agencies and with the written consent of the Holders of not less than a majority of the Outstanding Amount of the SAC Bonds of each Tranche to be adversely affected, by Act of such Holders delivered to the Issuer and the Indenture Trustee, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the SAC Bonds under this Indenture; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding SAC Bond of each Tranche affected thereby:

(i) change the date of payment of any installment of principal of or premium, if any, or interest on any SAC Bond of such Tranche, or reduce the principal amount thereof, the interest rate thereon or premium, if any, with respect thereto, change the provisions of this Indenture and the Series Supplement relating to the application of collections on, or the proceeds of the sale of, the SAC Bond Collateral to payment of principal of or premium, if any, or interest on the SAC Bonds, or change any place of payment where, or the coin or currency in which, any SAC Bond or the interest thereon is payable;

(ii) reduce the percentage of the Outstanding Amount of the SAC Bonds or of a Tranche thereof, the consent of the Holders of which is required for any such supplemental indenture, or the consent of the Holders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture;

(iii) reduce the percentage of the Outstanding Amount of the SAC Bonds required to direct the Indenture Trustee to direct the Issuer to sell or liquidate the SAC Bond Collateral pursuant to Section 5.04;

(iv) modify any provision of this Section 9.02 except to increase any percentage specified herein or to provide that those provisions of this Indenture or the other Basic Documents referenced in this Section 9.02 cannot be modified or waived without the consent of the Holder of each Outstanding SAC Bond affected thereby;

(v) modify any of the provisions of this Indenture in such manner as to affect the calculation of the amount of any payment of interest, principal or premium, if any, due on any SAC Bond on any Payment Date (including the calculation of any of the individual components of such calculation) or change the Expected Amortization Schedule, Expected Sinking Fund Schedule or Final Maturity Date of any Tranche of SAC Bonds;

(vi) decrease the Required Capital Level;

(vii) permit the creation of any Lien ranking prior to or on a parity with the Lien of this Indenture with respect to any part of the SAC Bond Collateral or, except as otherwise permitted or contemplated herein, terminate the Lien of this Indenture on any property at any time subject hereto or deprive the Holder of any SAC Bond of the security provided by the Lien of this Indenture;

(viii) cause any material adverse U.S. federal income tax consequence to the Seller, the Issuer, the Managers, the Indenture Trustee or the then-existing Holders; or

(ix) impair the right to institute suit for the enforcement of the provisions of this Indenture regarding payment or application of funds.

It shall not be necessary for any Act of Holders under this Section 9.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Promptly after the execution by the Issuer and the Indenture Trustee of any supplemental indenture pursuant to this Section 9.02, the Issuer shall mail to the Rating Agencies a copy of such supplemental indenture and to the Holders of the SAC Bonds to which such supplemental indenture relates either a copy of such supplemental indenture or a notice setting forth in general terms the substance of such supplemental indenture. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

SECTION 9.03. Execution of Supplemental Indentures. In executing any supplemental indenture permitted by this Article IX or the modifications thereby of the SAC Bond Collateral, the Indenture Trustee shall be entitled to receive, and subject to Sections 6.01 and 6.02, shall be fully protected in relying upon an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and all conditions precedent, if any, provided for in this Indenture relating to such supplemental indenture or modification have been satisfied. The Indenture Trustee and the Securities Intermediary may, but shall not be obligated to, enter into any such supplemental indenture that affects the Indenture Trustee's or the Securities Intermediary's own rights, duties, liabilities or immunities under this Indenture or otherwise. All fees, costs and expenses (including attorneys' fees and expenses) in connection with any such supplemental indenture shall be paid by the requesting party, provided, however, that any and all such fees, costs and expenses (including attorneys' fees and expenses) incurred by the Indenture Trustee shall be paid and/or reimbursed by the Issuer.

SECTION 9.04. Effect of Supplemental Indenture. Upon the execution of any supplemental indenture pursuant to the provisions hereof, this Indenture shall be and be deemed to be modified and amended in accordance therewith with respect to each Tranche of SAC Bonds affected thereby, and the respective rights, limitations of rights, obligations, duties, liabilities and immunities under this Indenture of the Indenture Trustee, the Issuer and the Holders shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

SECTION 9.05. Conformity with Trust Indenture Act. Every amendment of this Indenture and every supplemental indenture executed pursuant to this Article IX shall conform to the requirements of the TIA as then in effect so long as this Indenture shall then be qualified under the TIA.

SECTION 9.06. Reference in SAC Bonds to Supplemental Indentures. SAC Bonds authenticated and delivered after the execution of any supplemental indenture pursuant to this Article IX may, and if required by the Indenture Trustee shall, bear a notation in a form approved by the Indenture Trustee as to any matter provided for in such supplemental indenture. If the Issuer or the Indenture Trustee shall so determine, new SAC Bonds so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding SAC Bonds.

## ARTICLE X

### MISCELLANEOUS

#### SECTION 10.01. Compliance Certificates and Opinions, etc.

(a) Upon any application or request by the Issuer to the Indenture Trustee to take any action under any provision of this Indenture, the Issuer shall furnish to the Indenture Trustee (i) an Officer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, (ii) an Opinion of Counsel stating that in the opinion of such counsel the amendment is authorized and permitted and all such conditions precedent, if any, have been complied with and (iii) (if required by the TIA) an Independent Certificate from a firm of registered public accountants meeting the applicable requirements of this Section 10.01, except that, in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture, no additional certificate or opinion need be furnished.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

(i) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the definitions herein relating thereto;

(ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(iii) a statement that, in the opinion of each such signatory, such signatory has made such examination or investigation as is necessary to enable such signatory to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(iv) a statement as to whether, in the opinion of each such signatory, such condition or covenant has been complied with.

(b) (i) Prior to the deposit of any SAC Bond Collateral or other property or securities with the Indenture Trustee that is to be made the basis for the release of any property or securities subject to the Lien of this Indenture, the Issuer shall, in addition to any obligation imposed in Section 10.01(a) or elsewhere in this Indenture, furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of each Person signing such certificate as to the fair value (within ninety (90) days of such deposit) to the Issuer of the SAC Bond Collateral or other property or securities to be so deposited.

(ii) Whenever the Issuer is required to furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in Section 10.01(b)(i) above, the Issuer shall also deliver to the Indenture Trustee an Independent Certificate as to the same matters, if the fair value to the Issuer of the securities to be so deposited and of all other such securities made the basis of any such

withdrawal or release since the commencement of the then-current fiscal year of the Issuer, as set forth in the certificates delivered pursuant to Section 10.01(b)(i) and this Section 10.01(b)(ii), is ten percent or more of the Outstanding Amount of the SAC Bonds, but such a certificate need not be furnished with respect to any securities so deposited, if the fair value thereof to the Issuer as set forth in the related Officer's Certificate is less than the lesser of (A) \$25,000 or (B) one percent of the Outstanding Amount of the SAC Bonds.

(iii) Whenever any property or securities are to be released from the Lien of this Indenture other than pursuant to Section 8.02(e), the Issuer shall also furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of each Person signing such certificate as to the fair value (within ninety (90) days of such release) of the property or securities proposed to be released and stating that in the opinion of such Person the proposed release will not impair the security under this Indenture in contravention of the provisions hereof.

(iv) Whenever the Issuer is required to furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of any signatory thereof as to the matters described in Section 10.01(b)(iii) above, the Issuer shall also furnish to the Indenture Trustee an Independent Certificate as to the same matters if the fair value of the property or securities with respect thereto, or securities released from the Lien of this Indenture (other than pursuant to Section 8.02(e)) since the commencement of the then-current calendar year, as set forth in the certificates required by Section 10.01(b)(iii) and this Section 10.01(b)(iv), equals ten (10) percent or more of the Outstanding Amount of the SAC Bonds, but such certificate need not be furnished in the case of any release of property or securities if the fair value thereof as set forth in the related Officer's Certificate is less than the lesser of (A) \$25,000 or (B) one percent of the then Outstanding Amount of the SAC Bonds.

(v) Notwithstanding any other provision of this Section 10.01, the Indenture Trustee may (A) collect, liquidate, sell or otherwise dispose of the SAC Property and the other SAC Bond Collateral as and to the extent permitted or required by the Basic Documents and (B) make cash payments out of the Collection Account as and to the extent permitted or required by the Basic Documents.

SECTION 10.02. Form of Documents Delivered to Indenture Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of a Responsible Officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Responsible Officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his or her certificate or opinion is based are erroneous. Any Opinion of Counsel may be based, insofar as it relates to factual matters (including financial and capital markets), upon a certificate or opinion of, or representations by, an officer or officers of the Servicer or the Issuer and other documents necessary and advisable in the judgment of counsel delivering such Opinion of Counsel.

Whenever in this Indenture, in connection with any application or certificate or report to the Indenture Trustee, it is provided that the Issuer shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's compliance with any term hereof, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in such document shall in such case be conditions precedent to the right of the Issuer to have such application granted or to the sufficiency of such certificate or report. The foregoing shall not, however, be construed to affect the Indenture Trustee's right to rely conclusively upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article VI.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 10.03. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agents duly appointed in writing, and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 10.03.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner that the Indenture Trustee deems sufficient.

(c) The ownership of SAC Bonds shall be proved by the SAC Bond Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any SAC Bonds shall bind the Holder of every SAC Bond issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such SAC Bond.

SECTION 10.04. Notices, etc., to Indenture Trustee, Issuer and Rating Agencies.

(a) Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other documents provided or permitted by this Indenture to be made upon, given or furnished to or filed with:

(i) the Indenture Trustee by any Holder or by the Issuer shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing by email or other electronic transmission, first-class mail or overnight delivery service to or with the Indenture Trustee at the Corporate Trust Office,

(ii) the Issuer by the Indenture Trustee or by any Holder shall be sufficient for every purpose hereunder if in writing by email or other electronic transmission, first-class mail or overnight delivery service, to the Issuer addressed to: Appalachian Power Recovery Funding LLC at 1051 East Cary St., Suite 1100, Richmond, Virginia 23219, Attention: Managers, Telephone: (614) 716-1000, Email: Treasury\_Operations\_AEP@aep.com, or at any other address previously furnished in writing to the Indenture Trustee by the Issuer. The Issuer shall promptly transmit any notice received by it from the Holders to the Indenture Trustee, or

(iii) the Commission by the Seller, the Issuer or the Indenture Trustee shall be sufficient for every purpose hereunder if in writing by email or other electronic transmission, first-class mail or overnight delivery service, to: to State Corporation Commission of the Commonwealth of Virginia, 1300 East Main Street, 10th Floor, Tyler Building, Richmond, Virginia 23219, Telephone: (804) 371-9733, Email: sccefile@scc.virginia.gov;

(b) Notices required to be given to the Rating Agencies by the Issuer or the Indenture Trustee shall be in writing, email or other electronic transmission, personally delivered or mailed by certified mail, return receipt requested to:

(i) in the case of Moody's, to: Moody's Investors Service, Inc., ABS/RMBS Monitoring Department, 24th Floor, 7 World Trade Center, 250 Greenwich Street, New York, New York 10007, Email: ServicerReports@moodys.com (all such notices to be delivered to Moody's in writing by email), and solely for purposes of Rating Agency Condition communications: abscomonitoring@moodys.com;

(ii) in the case of Standard & Poor's, to: Standard & Poor's Ratings Group, Inc., Structured Credit Surveillance, 55 Water Street, New York, New York 10041, Telephone: (212) 438-8991, Email: servicer\_reports@spglobal.com (all such notices to be delivered to Standard & Poor's in writing by email); and

(iii) as to each of the foregoing, at such other address as shall be designated by written notice to the other parties.

Any notice, report or other communication given hereunder may be in writing and addressed as follows or to the extent receipt is confirmed telephonically sent by Electronic Means to the address provided above.

SECTION 10.05. Notices to Holders; Waiver. Where this Indenture provides for notice to the Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class, postage prepaid, or otherwise delivered in accordance with DTC's procedures, to each Holder affected by such event, at such Holder's address as it appears on the SAC Bond Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Holder shall affect the sufficiency of such notice with respect to other Holders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by the Holders shall be filed with the Indenture Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event of the Holders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Indenture Trustee shall be deemed to be a sufficient giving of such notice.

Where this Indenture provides for notice to the Rating Agencies, failure to give such notice shall not affect any other rights or obligations created hereunder, and shall not under any circumstance constitute a Default or Event of Default.

SECTION 10.06. Rule 17g-5 Compliance.

(a) The Indenture Trustee agrees that any notice, report, request for satisfaction of the Rating Agency Condition, document or other information provided by the Indenture Trustee to any Rating Agency under this Indenture or any other Basic Document to which it is a party for the purpose of determining or confirming the credit rating of the SAC Bonds or undertaking credit rating surveillance of the SAC Bonds shall be provided, substantially concurrently, to the Servicer for posting on a password-protected website (the "17g-5 Website"). The Servicer shall be responsible for posting all of the information on the 17g-5 Website.

(b) The Indenture Trustee will not be responsible for creating or maintaining the 17g-5 Website, posting any information to the 17g-5 Website or assuring that the 17g-5 Website complies with the requirements of this Indenture, Rule 17g-5 or any other law or regulation. In no event shall the Indenture Trustee be deemed to make any representation in respect of the content of the 17g-5 Website or compliance by the 17g-5 Website with this Indenture, Rule 17g-5 or any other law or regulation. The Indenture Trustee shall have no obligation to engage in or respond to any oral communications with respect to the transactions contemplated hereby, any transaction documents relating hereto or in any way relating to the SAC Bonds or for the purposes of determining the initial credit rating of the SAC Bonds or undertaking credit rating surveillance of the SAC Bonds with any Rating Agency or any of its respective officers, directors or employees.

---

The Indenture Trustee shall not be responsible or liable for the dissemination of any identification numbers or passwords for the 17g-5 Website, including by the Servicer, the Rating Agencies, a nationally recognized statistical rating organization (“NRSRO”), any of their respective agents or any other party. Additionally, the Indenture Trustee shall not be liable for the use of the information posted on the 17g-5 Website, whether by the Servicer, the Rating Agencies, an NRSRO or any other third party that may gain access to the 17g-5 Website or the information posted thereon.

SECTION 10.07. Conflict with Trust Indenture Act. If any provision hereof limits, qualifies or conflicts with another provision hereof that is required to be included in this Indenture by any of the provisions of the TIA, such required provision shall control.

The provisions of TIA §§ 310 through 317 that impose duties on any Person (including the provisions automatically deemed included herein unless expressly excluded by this Indenture) are a part of and govern this Indenture, whether or not physically contained herein.

SECTION 10.08. Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 10.09. Counterparts. This Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. The Issuer, the Indenture Trustee and the Securities Intermediary agree that this Indenture may be electronically signed, that any digital or electronic signatures (including pdf, facsimile or electronically imaged signatures provided by DocuSign or any other digital signature provider as specified in writing to the Indenture Trustee) appearing on this Indenture are the same as handwritten signatures for the purposes of validity, enforceability and admissibility, and that delivery of any such electronic signature to, or a signed copy of, this Indenture may be made by facsimile, email or other electronic transmission.

SECTION 10.10. Successors and Assigns. All covenants and agreements in this Indenture and the SAC Bonds by the Issuer shall bind its successors and assigns, whether so expressed or not. All agreements of the Indenture Trustee in this Indenture shall bind its successors.

SECTION 10.11. Severability. Any provision in this Indenture or in the SAC Bonds that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 10.12. Benefits of Indenture. Nothing in this Indenture or in the SAC Bonds, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, and the Holders, and any other party secured hereunder, and any other Person with an ownership interest in any part of the SAC Bond Collateral, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 10.13. Legal Holidays. In any case where the date on which any payment is due shall not be a Business Day, then (notwithstanding any other provisions of the SAC Bonds or this Indenture) payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and no interest shall accrue for the period from and after any such nominal date.

SECTION 10.14. GOVERNING LAW. THIS INDENTURE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW AND SECTIONS 9-301 THROUGH 9-306 OF THE NY UCC), AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS; PROVIDED THAT THE CREATION, ATTACHMENT AND PERFECTION OF ANY LIENS CREATED HEREUNDER IN SAC PROPERTY, AND ALL RIGHTS AND REMEDIES OF THE INDENTURE TRUSTEE, THE SECURITIES INTERMEDIARY AND THE HOLDERS WITH RESPECT TO THE SAC PROPERTY, SHALL BE GOVERNED BY THE LAWS OF THE COMMONWEALTH OF VIRGINIA.

SECTION 10.15. Recording of Indenture. If this Indenture is subject to recording in any appropriate public recording offices, such recording is to be effected by the Issuer and at its expense accompanied by an Opinion of Counsel at the Issuer's cost and expense (which may be counsel to the Indenture Trustee or any other counsel reasonably acceptable to the Indenture Trustee or, if requested by the Indenture Trustee external counsel of the Issuer) to the effect that such recording is necessary either for the protection of the Holders or any other Person secured hereunder or for the enforcement of any right or remedy granted to the Indenture Trustee under this Indenture. For the avoidance of doubt, the Indenture Trustee shall not be responsible or liable for recording this Indenture.

SECTION 10.16. Issuer Obligation. No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer or the Indenture Trustee on the SAC Bonds or under this Indenture or any certificate or other writing delivered in connection herewith or therewith, against (a) the Issuer, other than from the SAC Bond Collateral as specified in Section 10.17 below, (b) any owner of a membership interest in the Issuer (including APCo) or (c) any shareholder, partner, owner, beneficiary, agent, officer, director or employee of the Indenture Trustee, the Managers or any owner of a membership interest in the Issuer (including APCo) in its respective individual capacity, or of any successor or assign of any of them in their respective individual or corporate capacities, except as any such Person may have expressly agreed in writing. Each Holder by accepting a SAC Bond specifically confirms the nonrecourse nature of these obligations, and waives and releases all such liability. The waiver and release are part of the consideration for issuance of the SAC Bonds.

SECTION 10.17. No Recourse to Issuer. Notwithstanding any provision of this Indenture or the Series Supplement to the contrary, the Holders shall look only to the SAC Bond Collateral with respect to any amounts due to the Holders hereunder and under the SAC Bonds and, in the event such SAC Bond Collateral is insufficient to pay in full the amounts owed on the SAC Bonds, shall have no recourse against the Issuer in respect of such insufficiency. Each Holder by accepting a SAC Bond specifically confirms the nonrecourse nature of these obligations, and waives and releases all such liability. The waiver and release are part of the consideration for issuance of the SAC Bonds.

SECTION 10.18. Basic Documents. The Indenture Trustee is hereby authorized to execute and deliver the Intercreditor Agreement (or joinder thereto, as applicable) and the Servicing Agreement and to execute and deliver any other Basic Document which it is requested to acknowledge and, upon receipt of an Issuer Request, to modify the Intercreditor Agreement in order to add as parties thereto any other trustees for holders of “securitized asset cost bonds” (as defined in the Securitization Law) issued by Affiliates of APCo so long as such modification, as evidenced by an Officer’s Certificate delivered to the Indenture Trustee, does not materially and adversely affect any Holder’s rights in and to any Tranche of SAC Bonds, or otherwise hereunder. Such request, if requested by the Indenture Trustee, shall be accompanied by an Opinion of Counsel of external counsel of the Issuer, upon which the Indenture Trustee may rely conclusively with no duty of independent investigation or inquiry, to the effect that all conditions precedent for an amendment to the Intercreditor Agreement have been satisfied. The Intercreditor Agreement shall be binding on the Holders.

SECTION 10.19. No Petition. The Indenture Trustee, by entering into this Indenture, and each Holder, by accepting a SAC Bond (or interest therein) issued hereunder, hereby covenant and agree that they shall not, prior to the date which is one year and one day after the termination of this Indenture, acquiesce, petition or otherwise invoke or cause the Issuer or any Manager to invoke the process of any court or government authority for the purpose of commencing or sustaining a case against the Issuer under any bankruptcy or insolvency law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer or any substantial part of its respective property, or ordering the dissolution, winding up or liquidation of the affairs of the Issuer. Nothing in this paragraph shall preclude, or be deemed to estop, such Holder or the Indenture Trustee (a) from taking or omitting to take any action prior to such date in (i) any case or Proceeding voluntarily filed or commenced by or on behalf of the Issuer under or pursuant to any such law or (ii) any involuntary case or Proceeding pertaining to the Issuer which is filed or commenced by or on behalf of a Person other than such Holder and is not joined in by such Holder (or any Person to which such Holder shall have assigned, transferred or otherwise conveyed any part of the obligations of the Issuer hereunder) under or pursuant to any such law, or (b) from commencing or prosecuting any legal action which is not an involuntary case or Proceeding under or pursuant to any such law against the Issuer or any of its properties.

SECTION 10.20. Securities Intermediary. This SAC Bond is a “securitized asset cost bond” as such term is defined in the Securitization Law. Principal and interest due and payable on this SAC Bond are payable from and secured primarily by SAC Property created and established by the Financing Order obtained from the State Corporation Commission of the Commonwealth of Virginia pursuant to the Securitization Law. SAC Property consists of the rights and interests of the Seller in the relevant Financing Order, including the right to impose, collect and recover certain charges (defined in the Securitization Law as “securitized asset cost charge”), to be included as a separate line item in regular electric utility bills of all existing and future Virginia electric service customers within the service territory of APCo, a Virginia electric utility, or its successors or assigns, as more fully described in the Financing Order.

#### EXHIBIT A

The Securitization Law provides that the Commonwealth of Virginia and its agencies, including the Commission, has pledged pursuant to Section 56-249.8:K. of the Securitization Law that it will not take any action to: (i) alter the provisions of the Securitization Law that authorize the Commission to create an irrevocable contract right or chose in action by the issuance of the Financing Order, to create securitized asset cost property in the form of SAC Property, and to make the securitized asset cost charges imposed by the Financing Order in the form of the SAC Charges irrevocable, binding, or non-bypassable charges; (ii) take or permit any action that impairs or would impair the value of the SAC Property or the security for the SAC Bonds or revises the Securitized Asset Costs for which recovery is authorized; (iii) in any way impair the rights and remedies of the Bondholders, assignees, and other financing parties related thereto; or (iv) except as permitted as permitted by Section 56-249.8:K.1.d. of the Securitization Law, reduce, alter, or impair SAC Charges that are to be imposed, billed, charged, collected, and remitted for the benefit of such Bondholders, assignees, and financing parties until any and all principal, interest, premium, financing costs and other fees, expenses, or charges incurred, and any contracts to be performed, in connection with the related SAC Bonds have been paid and performed in full.

The Issuer and APCo hereby acknowledge that the purchase of this SAC Bond by the Holder hereof or the purchase of any beneficial interest herein by any Person are made in reliance on the foregoing pledge.

As provided in the Indenture and subject to certain limitations set forth therein, the transfer of this Tranche 1 - 1 SAC Bond may be registered on the SAC Bond Register upon surrender of this Tranche 1 - 1 SAC Bond for registration of transfer at the office or agency designated by the Issuer pursuant to the Indenture, duly endorsed by, or accompanied by (a) a written instrument of transfer in form satisfactory to the Indenture Trustee duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an institution which is a member of one of the following recognized signature guarantee programs: (i) The Securities Transfer Agent Medallion Program (STAMP); (ii) The New York Stock Exchange Medallion Program (MSP); (iii) The Stock Exchange Medallion Program (SEMP); or (iv) in such other signature guarantee program acceptable to the Indenture Trustee, and (b) such other documents as the Indenture Trustee may require, and thereupon one or more new Tranche 1 - 1 SAC Bonds of Minimum Denominations and in the same aggregate principal amount will be issued to the designated transferee or transferees. No service charge will be charged for any registration of transfer or exchange of this Tranche 1 - 1 SAC Bond, but the transferor may be required to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any such registration of transfer or exchange, other than exchanges pursuant to Sections 2.04 or 2.06 of the Indenture not involving any transfer.

Each Holder, by acceptance of a SAC Bond, covenants and agrees that no recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer or the Indenture Trustee on the SAC Bonds or under the Indenture or any certificate or other writing delivered in connection therewith, against (i) any owner of a membership interest in the Issuer (including APCo) or (ii) any shareholder, partner, owner, beneficiary, agent, officer or employee of the Indenture Trustee, the Managers or any owner of a membership interest in the Issuer (including APCo) in its respective individual or corporate capacities, or of any successor or assign of any of them in their individual or corporate capacities, except as any such Person may have expressly agreed in writing. Each Holder by accepting a SAC Bond specifically confirms the nonrecourse nature of these obligations, and waives and releases all such liability. The waiver and release are part of the consideration for issuance of the SAC Bonds.

EXHIBIT A

Prior to the due presentment for registration of transfer of this Tranche 1 - 1 SAC Bond, the Issuer, the Indenture Trustee and any agent of the Issuer or the Indenture Trustee may treat the Person in whose name this Tranche 1 - 1 SAC Bond is registered (as of the day of determination) as the owner hereof for the purpose of receiving payments of principal of and premium, if any, and interest on this Tranche 1 - 1 SAC Bond and for all other purposes whatsoever, whether or not this Tranche 1 - 1 SAC Bond be overdue, and neither the Issuer, the Indenture Trustee nor any such agent shall be affected by notice to the contrary.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of the SAC Bonds under the Indenture at any time by the Issuer with the written consent of the Holders representing not less than a majority of the Outstanding Amount of all SAC Bonds at the time outstanding and upon the satisfaction of the Rating Agency Condition (if applicable) of each Tranche to be affected. The Indenture also contains provisions permitting the Holders representing specified percentages of the Outstanding Amount of the SAC Bonds, on behalf of the Holders of all the SAC Bonds, to waive compliance by the Issuer with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Tranche 1 - 1 SAC Bond (or any one of more Predecessor SAC Bonds) shall be conclusive and binding upon such Holder and upon all future Holders of this Tranche 1 - 1 SAC Bond and of any SAC Bond issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Tranche 1 - 1 SAC Bond. The Indenture also permits the Indenture Trustee to amend or waive certain terms and conditions set forth in the Indenture without the consent of Holders of the SAC Bonds issued thereunder.

The Indenture contains provisions for defeasance at any time of (a) the entire indebtedness of the Issuer on this Tranche 1 - 1 SAC Bond and (b) certain restrictive covenants and the related Events of Default, upon compliance by the Issuer with certain conditions set forth herein, which provisions apply to this Tranche 1 - 1 SAC Bond.

The term "Issuer" as used in this Tranche 1 - 1 SAC Bond includes any successor to the Issuer under the Indenture.

The Issuer is permitted by the Indenture, under certain circumstances, to merge or consolidate, subject to the rights of the Indenture Trustee and the Holders under the Indenture.

The Tranche 1 - 1 SAC Bonds are issuable only in registered form in denominations as provided in the Indenture and the Series Supplement subject to certain limitations therein set forth.

Class; (E) the quotient of the amount assigned to each Customer Class in clause (D) above by the forecasted energy (kWh) billing units or demand (kW) which may include adjustments for seasonality and Customer collection experience, as applicable, to determine the respective SAC Charge for each Customer Class. The Servicer shall perform the calculation of Annual True-Up Adjustment in accordance with the formula and procedures set forth in the True-Up Adjustment Letter, as may be amended from time to time with Commission approval, and make all required notice and other filings with the Commission to reflect the revised SAC Charges, including any Securitization Financing Rider Adjustment. Such Annual True-Up Adjustment shall be implemented within thirty (30) days of the Servicer's filing with the Commission, subject to the Commission's right to review for mathematical or clerical errors, and no further action of the Commission shall be required prior to implementation, as provided in the Financing Order.

(iii) Interim True-Up Adjustment and Filings. If the Commission objects to the Non-Standard True-Up Adjustment Rider for the reasons described in the Financing Order within such thirty (30) day period, the Servicer may review the reasons provided for the Commission's determination and, if the Non-Standard True-Up Adjustment Rider can be revised to resolve the Commission's reasons for the objection, the Servicer may submit a revised Non-Standard True-Up Adjustment Rider to the Commission for approval.

(d) Reports.

(i) Notification of Filings. Whenever the Servicer files a True-Up Adjustment Letter, Non-Standard True-Up Adjustment Rider or Securitization Financing Rider with the Commission, the Servicer shall send a copy of such filing (together with a copy of all notices and documents which, in the Servicer's reasonable judgment, are material to the adjustments effected by such True-Up Adjustment Letter, Non-Standard True-Up Adjustment Rider or Securitization Financing Rider, as applicable) to the Issuer, the Indenture Trustee and the Rating Agencies concurrently therewith. If, for any reason any revised SAC Charges are not implemented and effective on the applicable date set forth in the True-Up Adjustment Letter, the Non-Standard True-Up Adjustment Rider or the Securitization Financing Rider, as applicable, the Servicer shall notify the Issuer, the Indenture Trustee and each Rating Agency by the end of the second (2<sup>nd</sup>) Servicer Business Day after such applicable date.

(ii) None of the Servicer, the Issuer or the Indenture Trustee is responsible in any manner for, and shall have no liability whatsoever as a result of, any action, decision, ruling or other determination made or not made, or any delay (other than any delay resulting from the Servicer's failure to make any filings required by Section 4.01 in a timely and correct manner or any breach by the Servicer of its duties under this Agreement that adversely affects the SAC Property, the True-Up Adjustments or the Non-Standard True-Up Adjustment), by the Commission in any way related to the SAC Property or in connection with any True-Up Adjustments or Non-Standard True-Up Adjustment, the subject of any filings under Section 4.01, any proposed True-Up Adjustments or Non-Standard True-Up Adjustment, or the approval of any revised SAC Charges and the scheduled adjustments thereto.

(iii) Except to the extent that the Servicer is liable under Section 6.02, the Servicer shall have no liability whatsoever relating to the calculation of any revised SAC Charges and the scheduled adjustments thereto, including as a result of any inaccuracy of any of the assumptions made in such calculation regarding expected energy usage volume and the Weighted Average Days Outstanding, write-offs and estimated expenses and fees of the Issuer, so long as the Servicer has acted in good faith and has not acted in a grossly negligent manner in connection therewith, nor shall the Servicer have any liability whatsoever as a result of any Person, including the Holders, not receiving any payment, amount or return anticipated or expected or in respect of any SAC Bonds generally.

(b) Notwithstanding the foregoing, this Section 4.02 shall not relieve the Servicer of liability for any misrepresentation by the Servicer under Section 6.01 or for any breach by the Servicer of its other obligations under this Agreement.

## **ARTICLE V THE SAC PROPERTY**

SECTION 5.01. Custody of SAC Property Records. To assure uniform quality in servicing the SAC Property and to reduce administrative costs, the Issuer hereby revocably appoints the Servicer, and the Servicer hereby accepts such appointment, to act as the agent of the Issuer as custodian of any and all documents and records that the Servicer shall keep on file, in accordance with its customary procedures, relating to the SAC Property, including copies of the Financing Order, Issuance Advice Letter, True-Up Adjustment Letter, the Non-Standard True-Up Adjustment Rider, and the Securitization Financing Rider and Securitization Financing Rider Adjustments relating thereto and all documents filed with the Commission in connection with any True-Up Adjustments or Non-Standard True-Up Adjustment and computational records relating thereto (collectively, the "SAC Property Records"), which are hereby constructively delivered to the Indenture Trustee, as pledgee of the Issuer with respect to all SAC Property.

SECTION 5.02. Duties of Servicer as Custodian.

(a) Safekeeping. The Servicer shall hold the SAC Property Records on behalf of the Issuer and the Indenture Trustee and maintain such accurate and complete accounts, records and computer systems pertaining to the SAC Property Records as shall enable the Issuer and the Indenture Trustee, as applicable, to comply with this Agreement, the Sale Agreement and the Indenture. In performing its duties as a custodian, the Servicer shall act with reasonable care, using that degree of care and diligence that the Servicer exercises with respect to comparable assets that the Servicer services for itself or, if applicable, for others. The Servicer shall promptly report to the Issuer, the Indenture Trustee and the Rating Agencies any material failure on its part to hold the SAC Property Records and maintain its accounts, records and computer systems as herein provided and promptly take appropriate action to remedy any such failure. Nothing herein shall be deemed to require an initial review or any periodic review by the Issuer or the Indenture Trustee of the SAC Property Records. The Servicer's duties to hold the SAC Property Records set forth in this Section 5.02, to the extent the SAC Property Records have not been previously transferred to a successor Servicer pursuant to Article VII, shall terminate one year and one day after the earlier of (i) the date on which the Servicer is succeeded by a successor Servicer in accordance with Article VII and (ii) the first date on which no SAC Bonds are Outstanding.

(b) Maintenance of and Access to Records. The Servicer shall maintain the SAC Property Records at 1 Riverside Plaza, Columbus, Ohio 43215 or 1051 East Cary St., Suite 1100, Richmond, Virginia 23219, or at such other office as shall be specified to the Issuer and the Indenture Trustee by written notice at least thirty (30) days prior to any change in location. The Servicer shall make available, as is reasonably required for the Indenture Trustee to perform its duties and obligations under the Indenture and the other Basic Documents, for inspection, audit and copying to the Issuer and the Indenture Trustee or their respective duly authorized representatives, attorneys or auditors the SAC Property Records at such times during normal business hours as the Issuer or the Indenture Trustee shall reasonably request and which do not unreasonably interfere with the Servicer's normal operations. Nothing in this Section 5.02(b) shall affect the obligation of the Servicer to observe any applicable law (including any Commission Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.02(b).

(c) Release of Documents. Upon instruction from the Indenture Trustee in accordance with the Indenture, the Servicer shall release any SAC Property Records to the Indenture Trustee, the Indenture Trustee's agent or the Indenture Trustee's designee, as the case may be, at such place or places as the Indenture Trustee may designate, as soon as practicable. Nothing in this Section 5.02(c) shall affect the obligation of the Servicer to observe any applicable law (including any Commission Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.02(c).

(d) Defending SAC Property Against Claims. The Servicer, on behalf of the Issuer and the Holders, shall institute any action or proceeding reasonably necessary to compel performance by the Commission or the Commonwealth of Virginia under the Securitization Law or the Intercreditor Agreement with respect to the SAC Property; provided, however, that in circumstances in which the servicing procedures set out in Annex I apply, the provisions of this undertaking do not require the Servicer to act in a manner different from the manner that the servicing procedures require. The Servicer agrees to take such legal or administrative actions, including without limitation defending against or instituting and pursuing legal actions and appearing or testifying at hearings or similar proceedings, as may be reasonably necessary to block or overturn any attempts to cause a repeal of, modification of, judicial invalidation of, or supplement to, the Securitization Law or the Financing Order which would be detrimental to the interests of the Holders or which would cause an impairment of the rights of the Issuer or the Holders. The costs of any action described in this Section 5.02(d) shall be payable from SAC Charge Collections as an Operating Expense (and shall not be deemed to constitute a portion of the Servicing Fee) in accordance with the Indenture. The Servicer's obligations pursuant to this Section 5.02(d) shall survive and continue notwithstanding that payment of such Operating Expense may be delayed pursuant to the terms of the Indenture; provided that the Servicer shall only be obligated to institute and maintain such action or proceedings if it is being reimbursed on a current basis for its costs and expenses in taking such actions in accordance with Section 8.02 of the Indenture, and is not required to advance its own funds to satisfy such obligations.

(e) Additional Litigation to Defend SAC Property. In addition to its obligations under Section 5.02(d), the Servicer shall, at its own expense, institute any action or proceeding necessary to compel performance by the Commission or the Commonwealth of Virginia of any of their respective obligations or duties under the Securitization Law or the Financing Order with respect to the SAC Property and SAC Charges. In any proceedings related to the exercise of the power of eminent domain by any municipality to acquire a portion of APCo's electric distribution facilities, the Servicer shall assert that the court ordering such condemnation must treat such municipality as a successor to APCo under the Securitization Law and Financing Order.

SECTION 5.03. Custodian's Indemnification. The Servicer as custodian shall indemnify the Issuer, any Independent Manager and the Indenture Trustee (for itself and for the benefit of the Holders) and each of their respective officers, directors, employees and agents for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "Indemnified Losses") that may be imposed on, incurred by or asserted against each such Person as the result of any grossly negligent act or omission in any way relating to the maintenance and custody by the Servicer, as custodian, of the SAC Property Records; provided, however, that the Servicer shall not be liable for any portion of any such amount resulting from the willful misconduct, bad faith or gross negligence of the Issuer, any Independent Manager or the Indenture Trustee, as the case may be.

Indemnification under this Section 5.03 shall survive resignation or removal of the Indenture Trustee or any Independent Manager and shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable attorney's fees and expenses and reasonable fees, out-of-pocket expenses and costs incurred in connection with any action, claim or suit brought to enforce the Indenture Trustee's right to indemnification).

SECTION 5.04. Effective Period and Termination. The Servicer's appointment as custodian shall become effective as of the Closing Date and shall continue in full force and effect until terminated pursuant to this Section 5.04. If the Servicer shall resign as Servicer in accordance with the provisions of this Agreement or if all of the rights and obligations of the Servicer shall have been terminated under Section 7.01, the appointment of the Servicer as custodian shall be terminated effective as of the date on which the termination or resignation of the Servicer is effective. Additionally, if not sooner terminated as provided above, the Servicer's obligations as custodian shall terminate one (1) year and one (1) day after the date on which no SAC Bonds are Outstanding.

## **ARTICLE VI THE SERVICER**

SECTION 6.01. Representations and Warranties of Servicer. The Servicer makes the following representations and warranties, as of the Closing Date, and as of such other dates as expressly provided in this Section 6.01, on which the Issuer and the Indenture Trustee are deemed to have relied in entering into this Agreement relating to the servicing of the SAC Property. The representations and warranties shall survive the execution and delivery of this Agreement, the sale of any SAC Property and the pledge thereof to the Indenture Trustee pursuant to the Indenture.

(a) Organization and Good Standing. The Servicer is duly organized and validly existing and is in good standing under the laws of the Commonwealth of Virginia, with the requisite corporate or other power and authority to own its properties as such properties are owned on the Closing Date and to conduct its business as such business is conducted by it on the Closing Date, and to execute, deliver and carry out the terms of this Agreement and the Intercreditor Agreement, and had at all relevant times, and has, the requisite power, authority and legal right to service the SAC Property and to hold the SAC Property Records as custodian.

(b) Due Qualification. The Servicer is duly qualified to do business and is in good standing, and has obtained all necessary licenses and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business (including the servicing of the SAC Property as required by this Agreement and the Intercreditor Agreement) requires such qualifications, licenses or approvals (except where the failure to so qualify would not be reasonably likely to have a material adverse effect on the Servicer's business, operations, assets, revenues or properties or to its servicing of the SAC Property).

(c) Power and Authority. The execution, delivery and performance of this Agreement have been duly authorized by all necessary action on the part of the Servicer under its organizational or governing documents and laws.

(d) Binding Obligation. Each of this Agreement and the Intercreditor Agreement constitutes a legal, valid and binding obligation of the Servicer enforceable against the Servicer in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other laws relating to or affecting creditors' rights generally from time to time in effect and to general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing), regardless of whether considered in a proceeding in equity or at law.

(e) No Violation. The consummation of the transactions contemplated by this Agreement and the Intercreditor Agreement (to the extent applicable to the Servicer's responsibilities thereunder) and the fulfillment of the terms of each will not conflict with, result in any breach of any of the terms and provisions of, nor constitute (with or without notice or lapse of time) a default under, the organizational documents of the Servicer, or any indenture or other agreement or instrument to which the Servicer is a party or by which it or any of its property is bound; nor result in the creation or imposition of any Lien upon any of its properties pursuant to the terms of any such indenture, agreement or other instrument (other than any Lien or security interest that may be granted under the Basic Documents or any Lien created pursuant to Section 56-249.8.E.2. of the Securitization Law); nor violate any existing law or any existing order, rule or regulation applicable to the Servicer of any Governmental Authority having jurisdiction over the Servicer or its properties.

(f) No Proceedings. There are no proceedings pending and, to the Servicer's knowledge, there are no proceedings threatened and, to the Servicer's knowledge, there are no investigations pending or threatened, before any Governmental Authority having jurisdiction over the Servicer or its properties involving or relating to the Servicer or the Issuer or, to the Servicer's knowledge, any other Person: (i) asserting the invalidity of this Agreement or any of the other Basic Documents, (ii) seeking to prevent the issuance of the SAC Bonds or the consummation of any of the transactions contemplated by this Agreement or any of the other Basic Documents, (iii) seeking any determination or ruling that could reasonably be expected to materially and adversely affect the performance by the Servicer of its obligations under, or the validity or enforceability of, this Agreement, any of the other Basic Documents or the SAC Bonds or (iv) seeking to adversely affect the U.S. federal income tax or state income or franchise tax classification of the SAC Bonds as debt.

(g) Approvals. Except for the filings to be made under the Securitization Law, no governmental approval, authorization, consent, order or other action of, or filing with, any Governmental Authority is required in connection with the execution and delivery by the Servicer of this Agreement or the Intercreditor Agreement, the performance by the Servicer of the transactions contemplated hereby or thereby or the fulfillment by the Servicer of the terms of each, except those that have been obtained or made, those that the Servicer is required to make in the future pursuant to Article IV and those that the Servicer may need to file in the future to continue the effectiveness of any financing statement filed under the Securitization Law and the UCC.

(h) Reports and Certificates. Each report and certificate delivered in connection with the Issuance Advice Letter or delivered in connection with any filing made to the Commission by the Servicer on behalf of the Issuer with respect to the SAC Charges, True-Up Adjustments or Non-Standard True-Up Adjustment will constitute a representation and warranty by the Servicer that each such report or certificate, as the case may be, is true and correct in all material respects; provided, however, that, to the extent any such report or certificate is based in part upon or contains assumptions, forecasts or other predictions of future events, the representation and warranty of the Servicer with respect thereto will be limited to the representation and warranty that such assumptions, forecasts or other predictions of future events are reasonable based upon historical performance (and facts known to the Servicer on the date such report or certificate is delivered).

SECTION 6.02. Indemnities of Servicer; Release of Claims.

(a) The Servicer shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Servicer under this Agreement.

(b) The Servicer shall indemnify the Issuer, the Indenture Trustee (for itself and for the benefit of the Holders) and any Independent Manager, and each of their respective trustees, officers, directors, employees and agents (each, an "Indemnified Person") for, and defend and hold harmless each such Person from and against, any and all Indemnified Losses imposed on, incurred by or asserted against any such Person as a result of (i) the Servicer's willful misconduct, bad faith or gross negligence in the performance of its duties or observance of its covenants under this Agreement or its reckless disregard of its obligations and duties under this Agreement or the Intercreditor Agreement, (ii) the Servicer's breach in any material respects of any of its representations and warranties contained in this Agreement or the Intercreditor Agreement that results in a Servicer Default, or (iii) any litigation or related expenses relating to the Servicer's status or obligations as Servicer (other than any proceeding the Servicer is required to institute under this Agreement), in each case, except to the extent of Indemnified Losses either resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder or resulting from a breach of a representation or warranty made by such Person seeking indemnification hereunder in any of the Basic Documents that gives rise to the Servicer's breach.

(c) For purposes of Section 6.02(b), in the event of the termination of the rights and obligations of APCo (or any successor thereto pursuant to Section 6.03) as Servicer pursuant to Section 7.01, or a resignation by such Servicer pursuant to this Agreement, such Servicer shall be deemed to be the Servicer pending appointment of a successor Servicer pursuant to Section 7.02.

(d) Indemnification under this Section 6.02 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Securitization Law or the Financing Order and shall survive the resignation or removal of the Indenture Trustee or any Independent Manager or the termination of this Agreement and shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable attorney's fees and expenses and the reasonable fees, out-of-pocket expenses and costs incurred in connection with any action, claim or suit brought to enforce the Indenture Trustee's right to indemnification).

(e) Except to the extent expressly provided in this Agreement or the other Basic Documents (including the Servicer's claims with respect to: (i) the Servicing Fee; (ii) reimbursement for Reimbursable Servicer Expenses; (iii) reimbursement for any Excess Remittance; (iv) reimbursement for costs incurred pursuant to Section 5.02(d); and (v) the payment of the purchase price of SAC Property), the Servicer hereby releases and discharges the Issuer, any Independent Manager and the Indenture Trustee, and each of their respective officers, directors and agents (collectively, the "Released Parties") from any and all actions, claims and demands whatsoever, whenever arising, which the Servicer, in its capacity as Servicer or otherwise, shall or may have against any such Person relating to the SAC Property or the Servicer's activities with respect thereto other than any actions, claims and demands arising out of the willful misconduct, bad faith or gross negligence of the Released Parties.

(f) Promptly after receipt by an Indemnified Person of notice (or, in the case of the Indenture Trustee, receipt of notice by a Responsible Officer only) of the commencement of any action, proceeding or investigation, for which indemnification by the Servicer under this Agreement shall apply, such Indemnified Person shall, if a claim in respect thereof is to be made against the Servicer under this Section 6.02, notify the Servicer in writing of the commencement thereof. Failure by an Indemnified Person to so notify the Servicer shall relieve the Servicer from the obligation to indemnify and hold harmless such Indemnified Person under this Section 6.02 only to the extent that the Servicer suffers actual prejudice as a result of such failure. With respect to any action, proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.02, the Servicer shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Person, the defense of any such action, proceeding or investigation (in which case the Servicer shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Person except as set forth below); provided that the Indemnified Person shall have the right to participate in such action, proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Servicer's election to assume the defense of any action, proceeding or investigation, the Indemnified Person shall have the right to employ separate counsel (including local counsel), and the Servicer shall bear the reasonable fees, costs and expenses of such separate counsel if: (i) the defendants in any such action include both the Indemnified Person and the Servicer and the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the Servicer; (ii) the Servicer shall not have employed counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person within a reasonable time after notice of the institution of such action; (iii) the Servicer shall authorize the Indemnified Person to employ one (1) separate counsel (plus one local counsel) at the expense of the Servicer; or (iv) in the case of the Indenture Trustee, such action exposes the Indenture Trustee to a material risk of criminal liability or forfeiture or a Servicer Default has occurred and is continuing. Notwithstanding the foregoing, the Servicer shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Persons other than one local counsel, if appropriate.

(g) The Servicer will credit Customers to the extent there are higher SAC Charges, including any increase in the Servicing Fee that becomes payable to a successor Servicer pursuant to Section 6.06, as a result of a Servicer Default resulting from the Servicer's willful misconduct, bad faith or gross negligence in performance of its duties or observance of its covenants under this Agreement or the Servicer's failure to remit any required payment of SAC Charge Collections; provided, however, that any credit to Customers shall not impact the SAC Charges or the SAC Property. The Servicer's obligation to credit Customers will survive the termination of this Agreement. The requirement to credit customers set forth in this paragraph may be enforced by the Commission but is not enforceable by any Customer.

SECTION 6.03. Binding Effect of Servicing Obligations. The obligations to continue to provide service and to collect and account for SAC Charges will be binding upon the Servicer and any other entity that provides transmission and distribution services or direct wire services to a Person that is a Customer of APCo or any successor Servicer so long as the SAC Charges have not been fully collected and remitted. Any Person:

- (a) into which the Servicer may be merged, converted or consolidated and which is a Jurisdictional Successor;
- (b) that may result from any merger, conversion or consolidation to which the Servicer shall be a party and which is a Jurisdictional Successor;
- (c) that may succeed to the properties and assets of the Servicer in the Commonwealth of Virginia substantially as a whole;
- (d) which results from the division of the Servicer into two or more Persons and which is a Jurisdictional Successor; or
- (e) is otherwise a Jurisdictional Successor to Servicer;

which Person in any of the foregoing cases executes an agreement of assumption to perform all of the obligations of the Servicer hereunder, shall be the successor to the Servicer under this Agreement without further act on the part of any of the parties to this Agreement; provided, however, that:

(i) immediately after giving effect to such transaction, no representation or warranty made pursuant to Section 6.01 shall have been breached and no Servicer Default and no event which, after notice or lapse of time, or both, would become a Servicer Default shall have occurred and be continuing,

(ii) the Servicer shall have delivered to the Issuer and the Indenture Trustee an Officer's Certificate and an Opinion of Counsel from external counsel stating that such consolidation, conversion, merger, division or succession and such agreement of assumption complies with this Section 6.03 and that all conditions precedent, if any, provided for in this Agreement relating to such transaction have been complied with,

(iii) the Servicer shall have delivered to the Issuer, the Indenture Trustee and the Rating Agencies an Opinion of Counsel from external counsel of the Servicer either (A) stating that, in the opinion of such counsel, all filings to be made by the Servicer, including filings with the Commission pursuant to the Securitization Law and the UCC, have been executed (if applicable) and filed and are in full force and effect that are necessary to fully preserve, perfect and maintain the priority of the interests of the Issuer and the Liens of the Indenture Trustee in the SAC Property and reciting the details of such filings or (B) stating that, in the opinion of such counsel, no such action shall be necessary to maintain such interests,

(iv) the Servicer shall have delivered to the Issuer, the Indenture Trustee and the Rating Agencies an Opinion of Counsel from independent tax counsel stating that, for U.S. federal income tax purposes, such consolidation, conversion, merger, division or succession and such agreement of assumption will not result in a material U.S. federal income tax consequence to the Issuer or the Holders of SAC Bonds, and

---

(v) the Servicer shall have given the Rating Agencies prior written notice of such transaction.

When any Person (or more than one Person) acquires the properties and assets of the Servicer in the Commonwealth of Virginia substantially as a whole or otherwise becomes the successor to the Servicer in accordance with the terms of this Section 6.03, then upon satisfaction of all of the other conditions of this Section 6.03, the preceding Servicer shall automatically and without further notice be released from all its obligations hereunder.

SECTION 6.04. Limitation on Liability of Servicer and Others.

(a) Except as otherwise provided under this Agreement, neither the Servicer nor any of the directors, officers, employees or agents of the Servicer shall be liable to the Issuer or any other Person for any action taken or for refraining from the taking of any action pursuant to this Agreement or for good faith errors in judgment; provided, however, that this provision shall not protect the Servicer or any such person against any liability that would otherwise be imposed by reason of willful misconduct, bad faith or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties under this Agreement or the Intercreditor Agreement. The Servicer and any director, officer, employee or agent of the Servicer may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person, respecting any matters arising under this Agreement.

(b) Except as provided in this Agreement, including but not limited to Sections 5.02(d) and (e), the Servicer shall not be under any obligation to appear in, prosecute or defend any legal action relating to the SAC Property that is not directly related to one of the Servicer's enumerated duties in this Agreement or related to its obligation to pay indemnification, and that in its reasonable opinion may cause it to incur any expense or liability; provided, however, that the Servicer may, in respect of any Proceeding, undertake any action that it is not specifically identified in this Agreement as a duty of the Servicer but that the Servicer reasonably determines is necessary or desirable in order to protect the rights and duties of the Issuer or the Indenture Trustee under this Agreement and the interests of the Holders and Customers under this Agreement. The Servicer's costs and expenses incurred in connection with any such proceeding shall be payable from SAC Charge Collections as an Operating Expense (and shall not be deemed to constitute a portion of the Servicing Fee) in accordance with the Indenture. The Servicer's obligations pursuant to this Section 6.04 shall survive and continue notwithstanding that payment of such Operating Expense may be delayed pursuant to the terms of the Indenture (it being understood that the Servicer may be required initially to advance its own funds to satisfy its obligations hereunder).

SECTION 6.05. APCo Not to Resign as Servicer. Subject to the provisions of Section 6.03, APCo shall not resign from the obligations and duties hereby imposed on it as Servicer under this Agreement unless APCo delivers to the Indenture Trustee an opinion of external counsel to the effect that APCo's performance of its duties under this Agreement shall no longer be permissible under applicable law. No such resignation shall become effective until a successor Servicer shall have assumed the responsibilities and obligations of APCo in accordance with Section 7.02.

SECTION 6.06. Servicing Compensation.

(a) In consideration for its services hereunder, until the Retirement of the SAC Bonds, the Servicer shall receive an annual fee (the “Servicing Fee”) in an amount equal to (i) for so long as APCo or an Affiliate of APCo is the Servicer, 0.05% of the aggregate initial principal amount of all Outstanding SAC Bonds or (ii) if neither APCo nor any of its Affiliates is the Servicer, an amount agreed upon by the successor Servicer and the Indenture Trustee (acting at the written direction of the Holders of a majority in the principal amount of the Outstanding SAC Bonds) not to, unless the Commission consents to such higher amount, exceed 0.60% of the aggregate initial principal amount of all Outstanding SAC Bonds. The Servicing Fee owing shall be calculated based on the initial principal amount of the SAC Bonds. In addition, the Servicer shall be entitled to be reimbursed by the Issuer for filing fees and fees and expenses for printing, attorneys, accountants or other professional services retained by, and other incremental out-of-pocket third-party costs of, the Issuer and paid for by the Servicer (or procured by the Servicer on behalf of the Issuer and paid for by the Servicer) to meet the Issuer’s obligations under the Basic Documents (“Reimbursable Servicer Expenses”).

(b) The Servicing Fee set forth in Section 6.06(a) shall be paid to the Servicer by the Indenture Trustee, semi-annually, with half of the Servicing Fee being paid on each Payment Date (which amount will be pro-rated for the first and final Payment Date) in accordance with the priorities set forth in Section 8.02(e) of the Indenture, by wire transfer of immediately available funds from the Collection Account to an account designated by the Servicer. Any portion of the Servicing Fee not paid on any such date shall be added to the Servicing Fee payable on the subsequent Payment Date. In no event shall the Indenture Trustee be liable for the payment of any Servicing Fee or other amounts specified in this Section 6.06; provided that this Section 6.06 does not relieve the Indenture Trustee of any duties it has to allocate funds for payment for such fees under Section 8.02 of the Indenture.

(c) Other than Reimbursable Servicer Expenses and except as otherwise expressly provided elsewhere in this Agreement, the Servicer shall be required to pay from its own account expenses incurred by the Servicer in connection with its activities hereunder (including any fees to and disbursements by accountants, counsel, or any other Person, any taxes imposed on the Servicer and any expenses incurred in connection with reports to Holders, but excluding any costs and expenses incurred by APCo in its capacity as Administrator) out of the compensation retained by or paid to it pursuant to this Section 6.06, and shall not be entitled to any extra payment or reimbursement therefor.

(d) The foregoing Servicing Fee constitutes a fair and reasonable compensation for the obligations to be performed by the Servicer. Such Servicing Fee shall be determined without regard to the income of the Issuer, shall not be deemed to constitute distributions to the recipient of any profit, loss or capital of the Issuer and shall be considered a fixed Operating Expense of the Issuer subject to the limitations on such expenses set forth in the Financing Order.

(e) Any Servicing Fee (and, if applicable, Administration Fee) received by the Servicer under this Agreement or the Administration Agreement that exceed the Servicer's or Administrator's incremental cost of performing the respective functions shall be credited back to Customers in the next base rate case in which such costs and revenues are included in the Servicer's or Administrator's cost of service, but only to the extent such crediting does not impair the targeted highest credit ratings on the SAC Bonds.

SECTION 6.07. Compliance with Applicable Law. The Servicer covenants and agrees, in servicing the SAC Property, to comply in all material respects with all laws applicable to, and binding upon, the Servicer and relating to the SAC Property the noncompliance with which would have a material adverse effect on the value of the SAC Property; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the Servicer for noncompliance with any Requirement of Law that the Servicer is contesting in good faith in accordance with its customary standards and procedures. It is expressly acknowledged that the payment of fees to the Rating Agencies shall be at the expense of the Issuer and that, if the Servicer advances such payments to the Rating Agencies, such advancements shall constitute Reimbursable Servicer Expenses and the Issuer shall reimburse the Servicer for any such advances.

SECTION 6.08. Access to Certain Records and Information Regarding SAC Property. The Servicer shall provide to the Indenture Trustee access to the SAC Property Records as is reasonably required for the Indenture Trustee to perform its duties and obligations under the Indenture and the other Basic Documents, and shall provide access to such records to the Holders as required by applicable law. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the respective offices of the Servicer. Nothing in this Section 6.08 shall affect the obligation of the Servicer to observe any applicable law (including any Commission Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 6.08.

SECTION 6.09. Appointments. The Servicer may at any time appoint any Person to perform all or any portion of its obligations as Servicer hereunder; provided, however, that, unless such Person is an Affiliate of APCo, the Rating Agency Condition shall have been satisfied in connection therewith; provided further that the Servicer shall remain obligated and be liable under this Agreement for the servicing and administering of the SAC Property in accordance with the provisions hereof without diminution of such obligation and liability by virtue of the appointment of such Person and to the same extent and under the same terms and conditions as if the Servicer alone were servicing and administering the SAC Property. The fees and expenses of any such Person shall be as agreed between the Servicer and such Person from time to time and none of the Issuer, the Indenture Trustee, the Holders or any other Person shall have any responsibility therefor or right or claim thereto. Any such appointment shall not constitute a Servicer resignation under Section 6.05.

SECTION 6.10. No Servicer Advances. The Servicer shall not make any advances of interest on or principal of the SAC Bonds.

SECTION 6.11. Remittances.

(a) On each Servicer Business Day, commencing 35 days after the Closing Date, the Servicer shall remit to the General Subaccount of the Collection Account the total SAC Charge Payments estimated to have been received by the Servicer from or on behalf of Customers on such Servicer Business Day in respect of all previously billed SAC Charges (the “Daily Remittance”), which Daily Remittance shall be calculated according to the procedures set forth in Annex I and shall be remitted as soon as reasonably practicable but in no event later than the second Servicer Business Day after such payments are estimated to have been received. Prior to each remittance to the General Subaccount of the Collection Account pursuant to this Section 6.11, the Servicer shall provide written notice to the Indenture Trustee of each such remittance (including the exact dollar amount to be remitted). The Servicer shall also, promptly upon receipt, remit to the Collection Account any other proceeds of the SAC Bond Collateral which it may receive from time to time.

(b) The Servicer agrees and acknowledges that it holds all SAC Charge Payments collected by it and any other proceeds for the SAC Bond Collateral received by it for the benefit of the Indenture Trustee and the Holders and that all such amounts will be remitted by the Servicer in accordance with this Section 6.11 without any surcharge, fee, offset, charge, withholding or other deduction except (i) as set forth in clause (c) below and (ii) as permitted by Section 6.06. The Servicer further agrees not to make any claim to reduce its obligation to remit all SAC Charge Payments collected by it in accordance with this Agreement except (i) as set forth in clause (c) below and (ii) as permitted by Section 6.06.

(c) On or before the twenty-fifth calendar day of each calendar month (or, if such day is not a Servicer Business Day, on the immediately succeeding Servicer Business Day) commencing with July, 2026, the Servicer shall, in the Monthly Servicer’s Certificate, calculate the amount of any Remittance Shortfall or Excess Remittance for the Collection Period corresponding to the immediately preceding calendar month, and (A) if a Remittance Shortfall exists, the Servicer shall make a supplemental remittance, in the amount of the Remittance Shortfall, to the General Subaccount of the Collection Account within five (5) Servicer Business Days after the delivery of the applicable Monthly Servicer’s Certificate, or (B) if an Excess Remittance exists, the Servicer shall be entitled either (i) to reduce the amount of each Daily Remittance which the Servicer subsequently remits to the General Subaccount of the Collection Account for application to the amount of such Excess Remittance until the balance of such Excess Remittance has been reduced to zero, with the amount of such reduction becoming the property of the Servicer or (ii) so long as such withdrawal would not cause the amounts on deposit in the General Subaccount or the Excess Funds Subaccount to be insufficient for the payment of the next installment of interest on the SAC Bonds or principal due at maturity on the next Payment Date or upon acceleration on or before the next Payment Date, to be paid immediately from the General Subaccount or Excess Funds Subaccount the amount of such Excess Remittance, with such payment becoming the property of the Servicer. If there is a Remittance Shortfall, the amount which the Servicer remits to the General Subaccount of the Collection Account on the relevant date set forth above shall be increased by the amount of such Remittance Shortfall, such increase coming from the Servicer’s own funds.

(d) Unless otherwise directed to do so by the Issuer, the Servicer shall be responsible for selecting Eligible Investments in which the funds in each Collection Account shall be invested pursuant to Section 8.03 of the Indenture.

SECTION 6.12. Maintenance of Operations. Subject to Section 6.03, Servicer agrees to use commercially reasonable efforts to continue, unless prevented by circumstances beyond its control, to operate its electric transmission and distribution system to provide service (or, if transmission and distribution are split, to provide wire service directly to Customers) so long as it is acting as the Servicer under this Agreement.

SECTION 6.13. Tracing and Segregation of SAC Charge Collections.

(a) The Servicer shall implement and maintain a specific billing code or identifier for SAC Charges on its billing system. This billing code shall be used for all SAC Charges billed to Customers and shall be sufficient to enable the identification and segregation of SAC Charges from all other charges on Customer bills and in the Servicer's accounting and remittance systems.

(b) The Servicer shall ensure that all amounts collected from Customers in respect of SAC Charges are deposited into one or more designated collection accounts established for the benefit of the Indenture Trustee and the Holders, as required by the Indenture and this Agreement.

(c) The Servicer shall maintain records sufficient to determine, at all times, the identifiable cash proceeds of any SAC Property. Such records shall include: (i) the amount of SAC Charges billed and collected; (ii) the application of the specific billing code to each SAC Charge; (iii) the deposit of such collections into the designated collection accounts as specified in the Indenture; and (iv) the reconciliation of SAC Charge Collections with amounts remitted to the Indenture Trustee. The Servicer shall maintain these records in a manner that allows for the tracing of funds collected as SAC Charges from the point of billing through deposit and remittance.

**ARTICLE VII**  
**DEFAULT**

SECTION 7.01. Servicer Default. If any one or more of the following events (a "Servicer Default") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account on behalf of the Issuer any required remittance that shall continue unremedied for a period of five (5) Business Days after the earlier of the date on which (i) written notice of such failure is received by the Servicer from the Issuer or the Indenture Trustee or (ii) such failure is actually known by a Responsible Officer of the Servicer; or

(b) any failure on the part of the Servicer duly to observe or to perform in any material respect any covenants or agreements of the Servicer as set forth in this Agreement (other than as provided in Sections 7.01(a) and (b)) or any other Basic Document to which it is a party, which failure shall (i) materially and adversely affect the rights of the Holders and (ii) continue unremedied for a period of sixty (60) days after the earlier of the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer by the Issuer (with a copy to the Indenture Trustee) or to the Servicer by the Indenture Trustee or (B) such failure is actually known by a Responsible Officer of the Servicer; or

(c) any failure in any material respect by the Servicer duly to perform its obligations under Section 4.01(b) of this Agreement in the time and manner set forth therein, which failure continues unremedied for a period of five (5) Business Days; or

(d) any representation or warranty made by the Servicer in this Agreement or any other Basic Document shall prove to have been incorrect in any material respect when made, which has a material adverse effect on the Holders and which material adverse effect continues unremedied for a period of sixty (60) days after the earlier of the date on which (A) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer (with a copy to the Indenture Trustee) by the Issuer or the Indenture Trustee or (B) such failure is actually known to a Responsible Officer of the Servicer; or

(e) an Insolvency Event occurs with respect to the Servicer;

then, and in each and every case, so long as the Servicer Default shall not have been remedied, the Indenture Trustee acting under the Indenture may (if it is actually known by a Responsible Officer of the Indenture Trustee) or, upon the written instruction of the Holders evidencing not less than a majority of the Outstanding Amount of the SAC Bonds, shall, in each case by notice then given in writing to the Servicer (and to the Indenture Trustee if given by the Holders) (a "Termination Notice"), terminate all the rights and obligations of the Servicer under this Agreement (other than the obligations set forth in Section 6.02 and the obligation under Section 7.02 to continue performing its functions as Servicer until a successor Servicer is appointed). The appointment of any successor Servicer shall be subject to the terms and provisions of the Intercreditor Agreement. In addition, upon a Servicer Default described in Section 7.01(a), the Holders and the Indenture Trustee as financing parties under the Securitization Law (or any of their representatives) shall be entitled to (i) apply to the Commission or the court of the City of Richmond, Virginia, for sequestration and payment of revenues arising with respect to the SAC Property and (ii) foreclose on or otherwise enforce the lien and security interests in any SAC Property. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the SAC Bonds, the SAC Property, the SAC Charges or otherwise, shall, without further action, pass to and be vested in such successor Servicer as may be appointed under Section 7.02; and, without limitation, the Indenture Trustee is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of the SAC Property Records and related documents, or otherwise. The predecessor Servicer shall cooperate with the successor Servicer, the Issuer and the Indenture Trustee in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the successor Servicer for administration by it of all SAC Property Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the SAC Property or the SAC Charges. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the SAC Property Records to the successor Servicer. In case a successor Servicer is appointed as a

---

result of a Servicer Default, all reasonable costs and expenses (including reasonable attorney's fees and expenses) incurred in connection with transferring the SAC Property Records to the successor Servicer and amending this Agreement to reflect such succession as Servicer pursuant to this Section 7.01 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of APCo as Servicer shall not terminate APCo's rights or obligations under the Sale Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

SECTION 7.02. Appointment of Successor.

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.01 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, and shall be entitled to receive the requisite portion of the Servicing Fee and Reimbursable Servicer Expenses, until a successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Indenture Trustee shall, upon the written direction and with the consent of the Holders of at least a majority of the Outstanding Amount of the SAC Bonds, shall, appoint a successor Servicer with the Issuer's prior written consent thereto (which consent shall not be unreasonably withheld), and the successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer and the Indenture Trustee (acting at the written direction of the Holders of a majority in the principal amount of the Outstanding SAC Bonds) and provide prompt written notice of such assumption to the Issuer and the Rating Agencies. If within thirty (30) days after the delivery of the Termination Notice, a new Servicer shall not have been appointed, the Indenture Trustee may, or, upon the written direction of the Holders of not less than a majority of SAC Bonds, shall, in each case petition the Commission or a court of competent jurisdiction to appoint a successor Servicer under this Agreement. Except as permitted by Section 6.03, a Person shall qualify as a successor Servicer only if (i) such Person is permitted under Commission Regulations to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied and (iii) such Person enters into a servicing agreement with the Issuer having substantially the same provisions as this Agreement (as the Servicer). In no event shall the Indenture Trustee be liable for its appointment of a successor Servicer. The Indenture Trustee's expenses incurred under this Section 7.02(a) shall be at the sole expense of the Issuer and payable from the Collection Account as provided in Section 8.02 of the Indenture.

(b) Upon appointment, the successor Servicer shall be the successor in all respects to the predecessor Servicer under this Agreement and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to the Servicing Fee and reimbursement of the Reimbursable Servicer Expenses and all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

SECTION 7.03. Waiver of Past Defaults. The Indenture Trustee, acting at the written direction of the Holders evidencing not less than a majority of the Outstanding Amount of the SAC Bonds, may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, except a default in making any required deposits to the Collection Account in accordance with this Agreement. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto. Promptly after the execution of any such waiver, the Servicer shall furnish copies of such waiver to each of the Rating Agencies.

SECTION 7.04. Notice of Servicer Default. The Servicer shall deliver to the Issuer, the Indenture Trustee, the Commission and the Rating Agencies, promptly after having obtained knowledge thereof, but in no event later than five (5) Business Days thereafter, written notice of any event which, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.01.

SECTION 7.05. Cooperation with Successor. The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the successor Servicer in performing its obligations hereunder. All reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Servicer in connection with this Section 7.05 shall be paid by the Issuer or the successor Servicer from SAC Charge Collections available under the Indenture, following presentation of reasonable documentation of such costs and expenses.

## ARTICLE VIII MISCELLANEOUS PROVISIONS

### SECTION 8.01. Amendment.

(a) This Agreement may be amended in writing by the Servicer and the Issuer with the prior written consent of the Indenture Trustee and the satisfaction of the Rating Agency Condition; provided that any such amendment may not, as evidenced by an Officer's Certificate of the Servicer delivered to the Issuer and the Indenture Trustee, adversely affect in any material respect the interest of any Holder in any material respect without the consent of the Holders of not less than a majority of the outstanding principal amount of the SAC Bonds. Promptly after the execution of any such amendment or consent, the Issuer shall furnish copies of such amendment or consent to each of the Rating Agencies.

(b) In addition, this Agreement may be amended in writing by the Servicer and the Issuer with ten (10) Business Days' prior written notice given to the Rating Agencies and the Indenture Trustee, without the consent of any of the Holders, (i) to cure any ambiguity, to correct or supplement any provisions in this Agreement or for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions in this Agreement or of modifying in any manner the rights of the Holders; provided, however, that such action shall not, as evidenced by an Officer's Certificate of the Servicer delivered to the Issuer and the Indenture Trustee, adversely affect in any material respect the interests of any Holder or (ii) to conform the provisions hereof to the description of this Agreement in the Prospectus. Promptly after the execution of any such amendment or consent, the Issuer shall furnish copies of such amendment or consent to each of the Rating Agencies.

(c) Prior to the execution of any amendment to this Agreement, the Issuer and the Indenture Trustee shall be entitled to receive and conclusively rely upon an Opinion of Counsel of external counsel stating that such amendment is authorized or permitted by this Agreement and upon the Opinion of Counsel from external counsel referred to in Section 3.01(c)(i). The Issuer and the Indenture Trustee may, but shall not be obligated to, enter into any such amendment which affects their own rights, duties, indemnities or immunities under this Agreement or otherwise.

(d) Notwithstanding Sections 8.01(a) through (c), or anything to the contrary in this Agreement, the Servicer and the Issuer may amend Annex I to this Agreement in writing with prior written notice given to the Indenture Trustee and the Rating Agencies, but without the consent of the Indenture Trustee, any Rating Agency or any Holder, solely to address changes to the Servicer's method of calculating SAC Charge Payments as a result of changes to the Servicer's current computerized customer information system, including changes which would replace the remittances contemplated by the estimation procedures set forth in Annex I with remittances of SAC Charge Collections determined to have been actually received, or to address the manner of presenting SAC Charges on the Bills of Customers; provided that any such amendment shall not, as evidenced by an Officer's Certificate of the Seller delivered to the Issuer and the Indenture Trustee, have a material adverse effect on the Holders of then Outstanding SAC Bonds.

(e) It shall not be necessary for the consent of Holders pursuant to this Article to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof.

(f) Any Opinion of Counsel may be based, insofar as it relates to factual matters (including financial and capital markets), upon a certificate or opinion of, or representations by, an officer or officers of the Servicer or the Issuer and other documents necessary and advisable in the judgment of counsel delivering such opinion.

#### SECTION 8.02. Maintenance of Accounts and Records.

(a) The Servicer shall maintain accounts and records as to the SAC Property accurately and in accordance with its standard accounting procedures and in sufficient detail to permit reconciliation between SAC Charge Payments received by the Servicer and SAC Charge Collections from time to time deposited in the Collection Account.

(b) The Servicer shall permit the Indenture Trustee and its agents at any time during normal business hours, upon reasonable notice to the Servicer and to the extent it does not unreasonably interfere with the Servicer's normal operations, to inspect, audit and make copies of and abstracts from the Servicer's records regarding the SAC Property and the SAC Charges. Nothing in this Section 8.02(b) shall affect the obligation of the Servicer to observe any applicable law (including any Commission Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 8.02(b).

SECTION 8.03. Notices. Unless otherwise specifically provided herein, all demands, notices and communications upon or to the Servicer, the Issuer, the Commission, the Indenture Trustee or the Rating Agencies under this Agreement shall be sufficiently given for all purposes hereunder if in writing and delivered personally, sent by documented delivery service or, to the extent receipt is confirmed telephonically, sent by email or other form of electronic transmission:

SECTION 8.04. Assignment. Notwithstanding anything to the contrary contained herein, except as provided in Section 6.03 and as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the Servicer.

SECTION 8.05. Limitations on Rights of Others. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the SAC Property or SAC Bond Collateral or under or in respect of this Agreement or any covenants, conditions or provisions contained herein. Notwithstanding anything to the contrary contained herein, for the avoidance of doubt, any right, remedy or claim to which any Customer may be entitled pursuant to the Financing Order or pursuant to this Agreement may be asserted or exercised only by the Commission (or by its counsel in the name of the Commission) for the benefit of such Customer.

SECTION 8.06. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such a construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 8.07. Separate Counterparts; Electronic Signatures. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Each party hereto agrees that this Agreement may be electronically signed, that any digital or electronic signatures appearing on this Agreement are the same as handwritten signatures for the purposes of validity, enforceability and admissibility, and that delivery of any such electronic signature to, or a signed copy of, this Agreement may be made by facsimile, email or other electronic transmission.

SECTION 8.08. Headings. The headings of the various Articles and Sections herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

SECTION 8.09. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE COMMONWEALTH OF VIRGINIA, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

SECTION 8.10. Assignment to Indenture Trustee. (a) The Servicer hereby acknowledges and consents to any mortgage, pledge, assignment and grant of a security interest by the Issuer to the Indenture Trustee for the benefit of the Secured Parties pursuant to the Indenture of any or all of the Issuer's rights hereunder and (b) in no event shall the Indenture Trustee have any liability for the representations, warranties, covenants, agreements or other obligations of the Issuer hereunder or in any of the certificates delivered by the Issuer pursuant hereto, as to all of which any recourse shall be had solely to the assets of the Issuer subject to the availability of funds therefor under Section 8.02 of the Indenture.

SECTION 8.11. Nonpetition Covenants. Notwithstanding any prior termination of this Agreement or the Indenture, the Servicer shall not, prior to the date that is one (1) year and one (1) day after the satisfaction and discharge of the Indenture, acquiesce, petition or otherwise invoke or cause the Issuer to invoke or join with any Person in provoking the process of any Governmental Authority for the purpose of commencing or sustaining an involuntary case against the Issuer under any U.S. federal or state bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer for any substantial part of the property of the Issuer or ordering the dissolution, winding up or liquidation of the affairs of the Issuer.

SECTION 8.12. Limitation of Liability. It is expressly understood and agreed by the parties hereto that this Agreement is executed and delivered by the Indenture Trustee, not individually or personally but solely as Indenture Trustee in the exercise of the powers and authority conferred and vested in it, and that the Indenture Trustee, in acting hereunder, is entitled to all rights, benefits, protections, immunities and indemnities accorded to it under the Indenture.

SECTION 8.13. Rule 17g-5 Compliance. APCo shall, as soon as practicable following receipt of such funds, credit other electric rates and charges by a like amount, less the amount of the relevant capital subaccount and any unpaid return on invested capital due to APCo, in accordance with the requirements of the Financing Order.

SECTION 8.15. Indenture Trustee Action. In acting hereunder, the Indenture Trustee shall have the rights, privileges, protections, indemnities and immunities granted to it under the Indenture.

SECTION 8.16. Termination. This Agreement shall terminate when the Retirement of the SAC Bonds occurs and all related Financing Costs have been paid in full, unless terminated earlier pursuant to the terms of this Agreement.

REGULATION AB SERVICER'S CERTIFICATE

The undersigned hereby certifies that he/she is the duly elected and acting †\_\_\_\_\_† of †APPALACHIAN POWER COMPANY†, as servicer (the "Servicer") under the Securitized Asset Cost Property Servicing Agreement dated as of May 27, 2026 (the "Servicing Agreement") between the Servicer and APPALACHIAN POWER RECOVERY FUNDING LLC (the "Issuer") and further that:

1. The undersigned is responsible for assessing the Servicer's compliance with the servicing criteria set forth in Item 1122(d) of Regulation AB (the "Servicing Criteria").

2. With respect to each of the Servicing Criteria, the undersigned has made the following assessment of the Servicing Criteria in accordance with Item 1122(d) of Regulation AB, with such discussion regarding the performance of such Servicing Criteria during the fiscal year covered by the Sponsor's annual report on Form 10-K Report (such fiscal year, the "Assessment Period"):

Reference	Servicing Criteria	Applicable Servicing Criteria
	Criteria	
	<b>General Servicing Considerations</b>	
1122(d)(1)(i)	Policies and procedures are instituted to monitor any performance or other triggers and events of default in accordance with the transaction agreements.	Applicable; assessment below.
1122(d)(1)(ii)	If any material servicing activities are outsourced to third parties, policies and procedures are instituted to monitor the third party's performance and compliance with such servicing activities.	Not applicable; no servicing activities were outsourced.
1122(d)(1)(iii)	Any requirements in the transaction agreements to maintain a back-up servicer for the pool assets are maintained.	Not applicable; documents do not provide for a back-up servicer.

<b>Reference</b>	<b>Servicing Criteria</b>	<b>Applicable Servicing Criteria</b>
	<b>Criteria</b>	
1122(d)(1)(iv)	A fidelity bond and errors and omissions policy is in effect on the party participating in the servicing function throughout the reporting period in the amount of coverage required by and otherwise in accordance with the terms of the transaction agreements.	Not applicable; documents do not require a fidelity bond or errors and omissions policy.
1122(d)(1)(v)	Aggregation of information, as applicable, is mathematically accurate and the information conveyed accurately reflects the information.	Applicable
<b>Cash Collection and Administration</b>		
1122(d)(2)(i)	Payments on pool assets are deposited into the appropriate custodial bank accounts and related bank clearing accounts no more than two (2) business days of receipt, or such other number of days specified in the transaction agreements.	Applicable
1122(d)(2)(ii)	Disbursements made via wire transfer on behalf of an obligor or to an investor are made only by authorized personnel.	Applicable
1122(d)(2)(iii)	Advances of funds or guarantees regarding collections, cash flows or distributions, and any interest or other fees charged for such advances, are made, reviewed and approved as specified in the transaction agreements.	Applicable, but no current assessment required; no advances by the Servicer are permitted under the transaction agreements.
1122(d)(2)(iv)	The related accounts for the transaction, such as cash reserve accounts or accounts established as a form of overcollateralization, are separately maintained (e.g., with respect to commingling of cash) as set forth in the transaction agreements.	Applicable, but no current assessment is required since transaction accounts are maintained by the Securities Intermediary and in the name of the Indenture Trustee.
1122(d)(2)(v)	Each custodial account is maintained at a federally insured depository institution as set forth in the transaction agreements. For purposes of this criterion, “federally insured depository institution” with respect to a foreign financial institution means a foreign financial institution that meets the requirements of Rule 13k-1(b)(1) of the Securities Exchange Act.	Applicable, but no current assessment required; all “custodial accounts” are maintained by the Securities Intermediary.

- (F) The Servicer shall apply Customer deposits to the payment of delinquent accounts in accordance with applicable Commission Regulations and Servicer Policies and Practices and according to the priorities set forth in Section 6(b)(ii), (iii), (iv) and (v) of this Annex I.

(ii) The Servicer shall not waive any late payment charge or any other fee or charge relating to delinquent payments, if any, or waive, vary or modify any terms of payment of any amounts payable by a Customer, in each case unless such waiver or action: (A) would be in accordance with the Servicer's customary practices or those of any successor Servicer with respect to comparable assets that it services for itself and for others; (B) would not materially adversely affect the rights of the Holders; and (C) would comply with applicable law; provided, however, that notwithstanding anything in the Agreement or this Annex I to the contrary, the Servicer is authorized to write off any Billed SAC Charges, in accordance with its Servicer Policies and Practices, that have remained outstanding for one hundred eighty (180) days or more.

ANNEX I

(iii) The Servicer shall accept payment from its Customers in respect of Billed SAC Charges in such forms and methods and at such times and places as it accepts for payment of its own charges.

(b) Payment Processing; Allocation; Priority of Payments.

(i) The Servicer shall post all payments received in respect of the Billed SAC Charges to the applicable Customer accounts as promptly as practicable, and, in any event, substantially all such payments shall be posted no later than three (3) Business Days after such payments are actually received by Servicer.

(ii) Subject to clause (iii) below, the Servicer shall apply payments received to each Customer's account in proportion to the charges contained on the outstanding Bill to such Customer.

(iii) So long as the Intercreditor Agreement is in effect, the Servicer shall allocate, or cause to be allocated, amounts owed to the Issuer and to the other recipients of remittances described therein in accordance with the terms of the Intercreditor Agreement. Any amounts collected by the Servicer that represent partial payments of, (A) if the Intercreditor Agreement remains in effect, the portion of the Bill allocable to SAC Charges pursuant to the terms of the Intercreditor Agreement, or (B) otherwise, the total Bill to a Customer, in each case shall be allocated as follows: (1) first to amounts owed to the Issuer, the Servicer and any other affiliate of the Servicer which is owed "securitized asset cost charges" as defined in Section § 56-249.8.A. of the Securitization Law and other fees and charges (excluding any late fees), regardless of age, pro rata in proportion to their respective percentages of the total amount of their combined outstanding charges on such Bill or applicable portion thereof, as applicable; then (2) all late charges shall be allocated to the Servicer.

(iv) The Servicer shall hold all over-payments received by such Servicer for the benefit of the Issuer and APCo and shall apply such funds to future Bill charges in accordance with clauses (ii) and (iii) (as applicable) as such charges become due.

(v) For Customers on a Budget Billing Plan, the Servicer shall treat SAC Charge Payments received from such Customers as if such Customers had been billed for their respective SAC Charges in the absence of the Budget Billing Plan; partial payment of a Budget Billing Plan payment shall be allocated according to clauses (ii) and (iii) (as applicable) and overpayment of a Budget Billing Plan payment shall be allocated according to clause (iv).

(c) Accounts; Records.

The Servicer shall maintain accounts and records as to the SAC Property accurately and in accordance with its standard accounting procedures and in sufficient detail (i) to permit reconciliation between payments or recoveries with respect to the SAC Property and the amounts from time to time remitted to the Collection Account in respect of the SAC Property and (ii) to permit the SAC Charge Collections held by the Servicer to be accounted for separately from the funds with which they may be commingled, so that the dollar amounts of SAC Charge Collections commingled with the Servicer's funds may be properly identified and traced.

ANNEX I

(d) Investment of SAC Charge Payments Received.

Prior to each Daily Remittance, the Servicer may invest SAC Charge Payments received at its own risk and (except as required by applicable Commission Regulations) for its own benefit. So long as the Servicer complies with its obligations under Section 6(c) of this Annex I, neither such investments nor such funds shall be required to be segregated from the other investment and funds of the Servicer.

(e) Calculation of Daily Remittance.

(i) For purposes of calculating the Daily Remittance, (i) all Billed SAC Charges shall be estimated to be collected the same number of days after billing as is equal to the Weighted Average Days Outstanding then in effect (or, if such resulting day is not a Servicer Business Day, on the next Servicer Business Day) and (ii) the Servicer will, on each Servicer Business Day, remit to the Indenture Trustee for deposit in the Collection Account an amount equal to the product of the applicable Billed SAC Charges multiplied by one hundred percent less the system wide charge-off percentage used by the Servicer to calculate the most recent Periodic Billing Requirement. Such product shall constitute the amount of Estimated SAC Charge Collections for such Servicer Business Day. Pursuant to Section 6.11(c) of the Agreement, the Servicer shall calculate in each Monthly Servicer's Certificate the amount of Actual SAC Charge Collections for the immediately preceding calendar month as compared to the Estimated SAC Charge Collections forwarded to the Collection Account in respect of such calendar month. No Excess Remittance shall be withdrawn from the Collection Account if such withdrawal would cause the amounts on deposit in the General Subaccount or the Excess Funds Subaccount to be insufficient for the payment of the next installment of interest or principal due at maturity on the next Payment Date or upon acceleration on or before the next Payment Date on the SAC Bonds. The Servicer and the Issuer further acknowledge and agree that the amount of the variances between Actual SAC Charge Collections and Estimated SAC Charge Collections are expected to be small and are not expected to be biased in favor of over-remittances or under-remittances. Consequently, so long as the Servicer faithfully makes all daily remittances based on Weighted Average Days Outstanding, as provided for herein, the Servicer and the Issuer agree that no actual or deemed investment earnings shall be payable in respect of such over-remittances or under-remittances.

(ii) In accordance with Section 4.01(b) of the Agreement, the Servicer shall, in a timely manner so as to perform all required calculations under such Section 4.01(b), update the Weighted Average Days Outstanding and the system-wide charge-off percentage in order to be able to calculate the Periodic Billing Requirement for the next True-Up Adjustment and to calculate any change in the Daily Remittances for the next Calculation Period.

ANNEX I

(iii) The Servicer and the Issuer acknowledge that, as contemplated in Section 8.01(d) of the Agreement, the Servicer may make certain changes to its current computerized customer information system, which changes, when functional, would affect the Servicer's method of calculating the SAC Charge Payments estimated to have been received by the Servicer during each Collection Period as set forth in this Annex I. Should these changes to the computerized customer information system become functional during the term of the Agreement, the Servicer and the Issuer agree that they shall review the procedures used to calculate the Estimated SAC Charge Collections so estimated to have been received in light of the capabilities of such new system and shall amend this Annex I in writing to make such modifications and/or substitutions to such procedures as may be appropriate in the interests of efficiency, accuracy, cost and/or system capabilities; provided, however, that the Servicer may not make any modification or substitution that will materially adversely affect the Holders. As soon as practicable, and in no event later than sixty (60) Servicer Business Days after the date on which all Customer accounts are being billed under such new system, the Servicer shall notify in writing the Issuer, the Indenture Trustee and the Rating Agencies of the same.

(iv) All calculations of collections, each update of the Weighted Average Days Outstanding or system-wide charge off percentage and any changes in procedures used to calculate the Estimated SAC Charge Collections pursuant to this Section 6(e) shall be made in good faith, and in the case of any update pursuant to clause (iii) above or any change in procedures pursuant to clause (iii) above, in a manner reasonably intended to provide estimates and calculations that are at least as accurate as those that would be provided on the Closing Date utilizing the initial procedures.

(f) Remittances.

(i) The Issuer shall cause to be established the Collection Account in the name of the Indenture Trustee in accordance with the Indenture.

(ii) The Servicer shall make remittances to the Collection Account in accordance with Section 6.11 of the Agreement.

(iii) In the event of any change of account or change of institution affecting any Collection Account, the Issuer shall provide written notice thereof to the Servicer and the Rating Agencies not later than five (5) Business Days from the effective date of such change.

WHEREAS, the Issuer, to secure its obligations under the SAC Bonds and the Indenture, will pledge, among other things, all right, title and interest of the Issuer in and to the SAC Property and this Agreement to the Indenture Trustee for the benefit of the Secured Parties.

(b) Whenever used in this Agreement, the following words and phrases shall have the following meanings:

“Bill of Sale” means a bill of sale substantially in the form of Exhibit A hereto delivered pursuant to Section 2.02(i).

“Losses” means (i) any and all amounts of principal and interest on the SAC Bonds not paid when due or when scheduled to be paid in accordance with their terms and the amounts of any deposits by or to the Issuer required to have been made in accordance with the terms of the Basic Documents or the Financing Order which are not made when so required and (ii) any and all other liabilities, obligations, losses, claims, damages, payments, costs or expenses of any kind whatsoever.

(a) All terms defined in this Agreement shall have the defined meanings when used in any certificate or other document made or delivered pursuant hereto unless otherwise defined therein.

(b) The words “hereof,” “herein,” “hereunder” and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole and not to any particular provision of this Agreement; Section, Schedule and Exhibit references contained in this Agreement are references to Sections, Schedules and Exhibits in or to this Agreement unless otherwise specified; and the terms “includes” and “including” shall mean “includes without limitation” and “including without limitation,” respectively.

(c) The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms.

**ARTICLE II**  
**CONVEYANCE OF SAC PROPERTY**

SECTION 2.01. Conveyance of SAC Property. (a) In consideration of the Issuer’s delivery to or upon the order of the Seller of \$[•] (the “Purchase Price”), subject to the conditions specified in Section 2.02, the Seller does hereby irrevocably sell, assign, and otherwise transfer to the Issuer, without recourse or warranty, except as set forth herein, all right, title and interest of the Seller in and to the SAC Property (such sale, assignment, and transfer of the SAC Property includes, to the fullest extent permitted by the Securitization Law, the irrevocable right to impose, bill, charge, collect and receive SAC Charges and the assignment of all revenues, collections, claims, rights to payments, payments, moneys or proceeds of or arising from the SAC Charges related to the SAC Property, as the same may be adjusted from time to time). Such sale, assignment, and transfer is hereby expressly stated to be a sale and, pursuant to Section 56-249.8:E.3.a of the Securitization Law and other applicable law, shall be an absolute transfer and true sale of, and not a pledge of, or secured transaction relating to, the Seller’s right, title and interest in, to and under the SAC Property. The Seller and the Issuer agree that after giving effect to the sale, assignment, and transfer contemplated hereby the Seller has no right, title or interest in or to the SAC Property to which a security interest could attach because: (i) it has sold, assigned, and transferred all right, title and interest in and to the SAC Property to the

(b) Subject to Section 2.02, the Issuer does hereby purchase the SAC Property from the Seller for the consideration set forth in Section 2.01(a).

(i) on or prior to the Closing Date, the Seller shall have delivered to the Issuer a duly executed Bill of Sale identifying the SAC Property to be conveyed on the Closing Date;

(ii) on or prior to the Closing Date, the Seller shall have received the Financing Order creating the SAC Property;

(iii) as of the Closing Date, the Seller is not insolvent and will not have been made insolvent by such sale of the SAC Property and the Seller is not aware of any pending insolvency with respect to itself;

(iv) as of the Closing Date, the representations and warranties of the Seller set forth in this Agreement shall be true and correct with the same force and effect as if made on the Closing Date (except to the extent that they relate to an earlier date); on and as of the Closing Date no breach of any covenant or agreement of the Seller contained in this Agreement has occurred and is continuing; and no Servicer Default shall have occurred and be continuing;

(vi) on or prior to the Closing Date, the Seller shall have taken all action required to transfer to the Issuer ownership of the SAC Property to be conveyed on such date, free and clear of all Liens other than Liens created by the Issuer pursuant to the Basic Documents and to perfect such transfer, including, without limitation, filing any statements or making any filings pursuant to the Securitization Law or the UCC; and the Issuer or the Servicer, on behalf of the Issuer, shall have taken any action required for the Issuer to grant the Indenture Trustee a first priority perfected security interest in the SAC Bond Collateral and to maintain such security interest as of such date;

(vii) the Seller shall have delivered to (A) the Rating Agencies and the Issuer any Opinions of Counsel required by the Rating Agencies and (B) the Indenture Trustee any Opinions of Counsel required by the Indenture Trustee;

(viii) on and as of the Closing Date, each of the LLC Agreement, the Servicing Agreement, the Administration Agreement, the Intercreditor Agreement, this Agreement, the Indenture, the Financing Order, the Securitization Financing Rider and the Securitization Law shall be in full force and effect;

(ix) the SAC Bonds shall have received a rating or ratings required by the Financing Order;

(x) on the Closing Date the Seller shall have received the Purchase Price in immediately available funds;

(xi) the Issuance Advice Letter shall have been provided to the Commission in accordance with the Financing Order, and the Commission shall not have issued a disapproval letter directing that the SAC Bonds not be issued; and

(xii) the Seller shall have delivered to the Indenture Trustee and the Issuer an Officers' Certificate confirming the satisfaction of each condition precedent specified in this Section 2.02.

### **ARTICLE III REPRESENTATIONS AND WARRANTIES OF SELLER**

Subject to Section 3.09, the Seller makes the following representations and warranties, as of the Closing Date, and the Seller acknowledges that the Issuer has relied thereon in acquiring the SAC Property. The representations and warranties shall survive the sale and transfer of SAC Property to the Issuer and the pledge thereof to the Indenture Trustee pursuant to the Indenture. The Seller agrees that: (i) the Issuer may assign the right to enforce the following representations and warranties to the Indenture Trustee; and (ii) the representations and warranties inure to the benefit of the Issuer and the Indenture Trustee.

SECTION 3.01. Organization and Good Standing. The Seller is a corporation duly organized and validly existing and is in good standing under the laws of the state of its organization, with the requisite corporate or other power and authority to own its properties as such properties are owned on the Closing Date and to conduct its business as such business is conducted by it on the Closing Date, and has the requisite corporate or other power and authority to obtain the Financing Order and own the rights and interests under the Financing Order and to sell and assign those rights and interests to the Issuer.

SECTION 3.02. Due Qualification. The Seller is duly qualified to do business and is in good standing, and has obtained all necessary licenses and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business require such qualifications, licenses or approvals (except where the failure to so qualify or obtain such licenses and approvals would not be reasonably likely to have a material adverse effect on the Seller's business, operations, assets, revenues or properties).

SECTION 3.03. Power and Authority. The Seller has the requisite corporate or other power and authority to execute and deliver this Agreement and to carry out its terms; and the execution, delivery and performance of this Agreement have been duly authorized by all necessary action on the part of the Seller under its organizational or governing documents and laws.

SECTION 3.04. Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the Seller enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other laws relating to or affecting creditors' or secured parties' rights generally from time to time in effect and to general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing), regardless of whether considered in a proceeding in equity or at law.

SECTION 3.05. No Violation. The consummation by the Seller of the transactions contemplated by this Agreement and the fulfillment by the Seller of the terms hereof do not: (i) conflict with or result in any breach of any of the terms and provisions of, nor constitute (with or without notice or lapse of time) a default under, the Seller's organizational documents, or any indenture, mortgage, credit agreement or other agreement or instrument to which the Seller is a party or by which it or any of its property is bound; (ii) result in the creation or imposition of any Lien upon any of the Seller's properties pursuant to the terms of any such indenture, agreement or other instrument (other than any Lien that may be granted in the Issuer's favor or any Lien created in favor of the Indenture Trustee for the benefit of the Secured Parties pursuant to the Securitization Law or any Lien that may be granted under the Basic Documents); or (iii) violate in any material respect any existing law or any existing order, rule or regulation applicable to the Seller of any Governmental Authority having jurisdiction over the Seller or its properties.

SECTION 3.06. No Proceedings. There are no proceedings pending and, to the Seller's knowledge, there are no proceedings threatened and, to the Seller's knowledge, there are no investigations pending or threatened, before any Governmental Authority having jurisdiction over the Seller or its properties involving or relating to the Seller or the Issuer or, to the Seller's knowledge, any other Person: (i) asserting the invalidity of the Securitization Law, the Financing Order, this Agreement, any of the other Basic Documents or the SAC Bonds; (ii) seeking to prevent the issuance of the SAC Bonds or the consummation of any of the transactions contemplated by this Agreement or any of the other Basic Documents; (iii) seeking any determination or ruling that could reasonably be expected to materially and adversely affect the performance by the Seller of its obligations under, or the validity or enforceability of the Securitization Law, the Financing Order, this Agreement, any of the other Basic Documents or the SAC Bonds; or (iv) seeking to adversely affect the federal income tax or state income or franchise tax classification of the SAC Bonds as debt.

SECTION 3.07. Approvals. Except for UCC financing statement filings under the UCC and the Securitization Law, no approval, authorization, consent, order or other action of, or filing with, any Governmental Authority is required in connection with the execution and delivery by the Seller of this Agreement, the performance by the Seller of the transactions contemplated hereby or the fulfillment by the Seller of the terms hereof, except those that have been obtained or made and those that the Seller, in its capacity as Servicer under the Servicing Agreement, is required to make in the future pursuant to the Servicing Agreement.

SECTION 3.08. The SAC Property.

(a) Information. Subject to subsection (f) below, at the Closing Date, all written information, as amended or supplemented from time to time, provided by the Seller to the Issuer with respect to the SAC Property (including the Expected Amortization Schedule, the Financing Order and the Issuance Advice Letter relating thereto) is true and correct in all material respects.

(b) Title. It is the intention of the parties hereto that (other than for U.S. federal income tax purposes and, to the extent consistent with applicable state tax law, state income and franchise tax purposes) the transfer and assignment herein contemplated constitutes an absolute transfer and true of the SAC Property from the Seller to the Issuer and that no interest in, or right or title to, the SAC Property shall be part of the Seller's estate in the event of the filing of a bankruptcy petition by or against the Seller under any bankruptcy law. No portion of the SAC Property has been sold, transferred, assigned or pledged or otherwise conveyed by the Seller to any Person other than the Issuer, and no security agreement, financing statement or equivalent security or lien instrument listing the Seller as debtor covering all or any part of the SAC Property is on file or of record in any jurisdiction, except such as may have been filed, recorded or made in favor of the Issuer or the Indenture Trustee in connection with the Basic Documents. The Seller has not authorized the filing of and is not aware (after due inquiry) of any UCC financing statement against it that includes a description of collateral including the SAC Property other than: (i) any financing statement filed, recorded or made in favor of the Issuer or the Indenture Trustee in connection with the Basic Documents; and (ii) any financing statement being amended in connection with the Intercreditor Agreement to expressly exclude the SAC Property from the description of collateral. The Seller is not aware (after due inquiry) of any judgment or tax lien filings against either the Seller or the Issuer. At the Closing Date, immediately prior to the sale of the SAC Property hereunder, the Seller is the original and the sole owner of the SAC Property free and clear of all Liens and rights of any other Person, and no offsets, defenses or counterclaims exist or have been asserted with respect thereto.

(c) Transfer Filings. On the Closing Date, immediately upon the sale hereunder, the SAC Property shall be validly transferred, sold, conveyed, and assigned to the Issuer, and the Issuer shall own all the SAC Property free and clear of all Liens (except for any Lien created in favor of the Indenture Trustee, for the benefit of the Secured Parties, granted under the Indenture and perfected pursuant to the Securitization Law or any Lien that may be granted under the Basic Documents) and all filings and actions to be made or taken by the Seller (including, without

limitation, filings with the Secretary of State under the Securitization Law) necessary in any jurisdiction to give the Issuer a perfected ownership interest (subject to any Lien created in favor of the Indenture Trustee, for the benefit of the Holders, pursuant to the Securitization Law and any Lien that may be granted under the Basic Documents) in the SAC Property have been made or taken. All filings and action have also been made or taken to perfect the security interest in the SAC Property granted by the Seller to the Issuer (subject to any Lien created in favor of the Indenture Trustee, for the benefit of the Secured Parties, pursuant to the Indenture and perfected pursuant to the Securitization Law and any Lien that may be granted under the Basic Documents) and, to the extent necessary, the Indenture Trustee pursuant to Section 2.01.

(d) Financing Order and Issuance Advice Letter and Securitization Financing Rider; Other Approvals. On the Closing Date, under the laws of the Commonwealth of Virginia and the United States in effect on the Closing Date: (i) the Financing Order pursuant to which the rights and interests of the Seller, including the right to impose, bill, charge, collect and receive the SAC Charge and, in and to the SAC Property transferred on such date have been created, is Final and non-appealable and is in full force and effect; (ii) as of the issuance of the SAC Bonds, the SAC Bonds are entitled to the protection of the Securitization Law and, accordingly, the Financing Order, the SAC Charges and the Issuance Advice Letter are not revocable by the Commission; (iii) as of the issuance of the SAC Bonds, the SAC Charges are in full force and effect and not subject to modification by the Commission except as provided under Section 56-249.8:K of the Securitization Law; (iv) the process by which the Financing Order creating the SAC Property transferred on such date was adopted and approved, and the Financing Order and the Issuance Advice Letter and Securitization Financing Rider themselves, comply with all applicable laws, rules and regulations; (v) the Issuance Advice Letter and the Securitization Financing Rider relating to the SAC Property transferred on such date have been filed in accordance with the Financing Order creating the SAC Property transferred on such date and an officer of the Seller has provided the certification to the Commission required by the Issuance Advice Letter; and (vi) no other approval, authorization, consent, order or other action of, or filing with any Governmental Authority is required in connection with the creation of the SAC Property transferred on such date, except those that have been obtained or made.

(e) State Action. The Commonwealth of Virginia has pledged pursuant to Section 56-249.8:K. of the Securitization Law that it will not take any action to: (i) alter the provisions of the Securitization Law that authorize the Commission to create an irrevocable contract right or chose in action by the issuance of the Financing Order, to create securitized asset cost property in the form of SAC Property, and to make the securitized asset cost charges imposed by the Financing Order in the form of the SAC Charges irrevocable, binding, or non-bypassable charges; (ii) take or permit any action that impairs or would impair the value of the SAC Property or the security for the SAC Bonds or revises the Securitized Asset Costs for which recovery is authorized; (iii) in any way impair the rights and remedies of the Bondholders, assignees, and other financing parties related thereto; or (iv) except as permitted as permitted by Section 56-249.8:K.1.d. of the Securitization Law, reduce, alter, or impair SAC Charges that are to be imposed, billed, charged, collected, and remitted for the benefit of such Bondholders, assignees, and financing parties until any and all principal, interest, premium, financing costs and other fees, expenses, or charges incurred, and any contracts to be performed, in connection with the related SAC Bonds have been paid and performed in full. Under the laws of the Commonwealth of Virginia and the United States, the Commonwealth of Virginia could not

constitutionally take any action of a legislative character including the repeal or amendment of the Securitization Law, which would substantially limit, alter or impair the SAC Property or other rights vested in the Holders pursuant to the Financing Order or substantially limit, alter, impair or reduce the value or amount of the SAC Property, unless such action is a reasonable exercise of the sovereign powers of the Commonwealth of Virginia and of a character reasonable and appropriate to further a legitimate public purpose, and, under the takings clauses of the United States and Virginia Constitutions, the Commonwealth of Virginia could not repeal or amend the Securitization Law or take any other action in contravention of the State Pledge quoted above without paying just compensation to the Holders, as determined by a court of competent jurisdiction if doing so would constitute a permanent appropriation of a substantial property interest of the Holders in the SAC Property and deprive the Holders of their reasonable expectations arising from their investments in the SAC Bonds. There is no assurance, however, that, even if a court were to award just compensation it would be sufficient to pay the full amount of principal and interest on the SAC Bonds.

(f) Assumptions. On the Closing Date, based upon the information available to the Seller on such date, the assumptions used in calculating the SAC Charges are reasonable and are made in good faith. Notwithstanding the foregoing, the Seller makes no representation or warranty, express or implied, that amounts actually collected arising from those SAC Charges will in fact be sufficient to meet the payment obligations on the related SAC Bonds or that the assumptions used in calculating such SAC Charges will in fact be realized.

(g) Creation of SAC Property. Upon the effectiveness of the Financing Order and the Issuance Advice Letter with respect to the SAC Property, and the transfer of the SAC Property pursuant to this Agreement and the filing of the appropriate notice of transfer with the Secretary of State: (i) the rights and interests of the Seller under the Financing Order, including the right to impose, bill, charge, collect and receive the SAC Charges authorized in the Financing Order, will become “securitized asset cost property” in accordance with Section 56.249.8:E.1.a, of the Securitization Law and as defined in the Financing Order; (ii) the SAC Property will constitute an existing, present intangible property right or interest therein vested in the Issuer; (iii) the SAC Property will include (A) the right, title and interest of the Seller in the Financing Order and the SAC Charges and (B) the right to obtain periodic adjustments (with respect to adjustments, in the manner and with the effect provided in Section 4.01(b) of the Servicing Agreement) of such SAC Charges, and the rates and other charges authorized by the Financing Order and all revenues, collections, claims, rights to payments, payments, money or proceeds of or arising from the SAC Charges related to the SAC Property; (iv) the owner of the SAC Property will be legally entitled to impose, bill, charge, collect and receive SAC Charges in the aggregate sufficient to pay the interest on and principal of the SAC Bonds in accordance with the Indenture, to pay the fees and expenses of servicing the SAC Bonds, to replenish the Capital Subaccount to the Required Capital Level until the SAC Bonds are paid in full or until the last date permitted for the collection of payments in respect of the SAC Charges under the Financing Order, whichever is earlier, and the Customer Class allocation percentage methodology in the Financing Order does not prohibit the owner of the SAC Property from obtaining adjustments and effecting allocations to the SAC Charges in order to collect payments of such amounts; and (v) the SAC Property is not subject to any Lien other than any Lien created in favor of the Indenture Trustee for the benefit of the Holders pursuant to the Securitization Law or any Lien that may be granted under the Basic Documents.

(h) Nature of Representations and Warranties. The representations and warranties set forth in this Section 3.08, insofar as they involve conclusions of law, are made not on the basis that the Seller purports to be a legal expert or to be rendering legal advice, but rather to reflect the parties' good faith understanding of the legal basis on which the parties are entering into this Agreement and the other Basic Documents and the basis on which the Holders are purchasing the SAC Bonds, and to reflect the parties' agreement that, if such understanding turns out to be incorrect or inaccurate, the Seller will be obligated to indemnify the Issuer and its permitted assigns (to the extent required by and in accordance with Section 5.01), and that the Issuer and its permitted assigns will be entitled to enforce any rights and remedies under the Basic Documents, on account of such inaccuracy to the same extent as if the Seller had breached any other representations or warranties hereunder.

(i) Prospectus. As of the date hereof, the information describing the Seller under the caption "The Depositor, Seller, Initial Servicer and Sponsor" in the prospectus dated May 19, 2026 relating to the SAC Bonds is true and correct in all material respects.

(j) Solvency. After giving effect to the sale of the SAC Property hereunder, the Seller:

(i) is solvent and expects to remain solvent;

(ii) is adequately capitalized to conduct its business and affairs considering its size and the nature of its business and intended purpose;

(iii) is not engaged in nor does it expect to engage in a business for which its remaining property represents an unreasonably small portion of its capital;

(iv) reasonably believes that it will be able to pay its debts as they come due; and

(v) is able to pay its debts as they mature and does not intend to incur, or believes that it will not incur, indebtedness that it will not be able to repay at its maturity.

(k) No Court Order. There is no order by any court providing for the revocation, alteration, limitation or other impairment of the Securitization Law, the Financing Order, the Issuance Advice Letter, the SAC Property or the SAC Charges or any rights arising under any of them or that seeks to enjoin the performance of any obligations under the Financing Order.

(l) Survival of Representations and Warranties. The representations and warranties set forth in this Section 3.08 shall survive the execution and delivery of this Agreement and may not be waived by any party hereto except pursuant to a written agreement executed in accordance with Article VI and as to which the Rating Agency Condition has been satisfied.

SECTION 3.09. Limitations on Representations and Warranties. Without prejudice to any of the other rights of the parties, the Seller will not be in breach of any representation or warranty, as a result of a change in law by means of any legislative enactment, constitutional amendment or voter initiative. THE SELLER MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, THAT BILLED SAC CHARGES WILL BE ACTUALLY COLLECTED FROM CUSTOMERS.

**ARTICLE IV  
COVENANTS OF THE SELLER**

SECTION 4.01. Existence. Subject to Section 5.02, so long as any of the SAC Bonds are Outstanding, the Seller: (a) will keep in full force and effect its existence and remain in good standing under the laws of the jurisdiction of its organization; (b) will obtain and preserve its qualification to do business in each jurisdiction in which it operates, in each case to the extent that in each such jurisdiction such existence or qualification is or shall be necessary to protect the validity and enforceability of this Agreement, the other Basic Documents to which the Seller is a party and each other instrument or agreement necessary or appropriate to the proper administration of this Agreement and the transactions contemplated hereby or to the extent necessary for the Seller to perform its obligations hereunder or thereunder; and (c) will continue to operate its electric transmission and distribution system to provide service to its Customers (or, if transmission and distribution are split, to provide distribution service directly to its Customers).

SECTION 4.02. No Liens. Except for the conveyance hereunder or any Lien pursuant to the Indenture, or otherwise under the Securitization Law in favor of the Indenture Trustee for the benefit of the Holders and any Lien that may be granted under the Basic Documents, the Seller will not sell, pledge, assign or transfer, or grant, create, incur, assume or suffer to exist any Lien on, any of the SAC Property, or any interest therein, and the Seller shall defend the right, title and interest of the Issuer and the Indenture Trustee, on behalf of the Secured Parties, in, to and under the SAC Property against all claims of third parties claiming through or under the Seller. APCo, in its capacity as Seller, will not at any time assert any Lien against, or with respect to, any of the SAC Property.

SECTION 4.03. Delivery of Collections. In the event that the Seller receives any SAC Charge Collections or other payments in respect of the SAC Charges or the proceeds thereof other than in its capacity as the Servicer, the Seller agrees to pay to the Servicer, on behalf of the Issuer, all payments received by it in respect thereof as soon as practicable after receipt thereof. Prior to such remittance to the Servicer by the Seller, the Seller agrees that such amounts are held by it in trust for the Issuer and the Indenture Trustee. If the Seller becomes a party to: (a) any future sale agreement selling to any other Affiliate property consisting of charges similar to the SAC Charge sold pursuant to this Sale Agreement, payable by Customers pursuant to the Securitization Law or any similar law; or (b) another future trade receivables purchase and sale arrangement or similar arrangement, or an extension to any such existing arrangement, under which Seller sells all or any portion of its accounts receivables, in each case the Seller and the other parties to such arrangement shall enter into an amendment or joinder to the Intercreditor Agreement to acknowledge the rights of the Seller, the Issuer and any future seller and issuer.

SECTION 4.04. Notice of Liens. The Seller shall notify the Issuer and the Indenture Trustee promptly after becoming aware of any Lien on any of the SAC Property, other than the conveyance hereunder and any Lien pursuant to the Basic Documents, including the Lien in favor of the Indenture Trustee for the benefit of the Secured Parties.

SECTION 4.05. Compliance with Law. The Seller hereby agrees to comply with its organizational or governing documents and all laws, treaties, rules, regulations and determinations of any Governmental Authority applicable to the Seller, except to the extent that failure to so comply would not materially adversely affect the Issuer's or the Indenture Trustee's interests in the SAC Property or under any of the other Basic Documents to which the Seller is a party or the Seller's performance of its obligations hereunder or under any of the other Basic Documents to which the Seller is a party.

SECTION 4.06. Covenants Related to SAC Bonds and SAC Property.

(a) So long as any of the SAC Bonds are outstanding, the Seller shall treat the SAC Property as the Issuer's property for all purposes other than financial reporting, state or federal regulatory or tax purposes, and treat the SAC Bonds as debt for all purposes and specifically as debt of the Issuer, other than for financial reporting, state or federal regulatory or tax purposes.

(b) Solely for the purposes of U.S. federal taxes and, to the extent consistent with applicable state, local and other tax law, for purposes of state, local and other taxes, so long as any of the SAC Bonds are outstanding, the Seller agrees to treat the SAC Bonds as indebtedness of the Seller (as the sole owner of the Issuer) secured by the SAC Bond Collateral unless otherwise required by appropriate taxing authorities.

(c) So long as any of the SAC Bonds are outstanding, the Seller shall disclose in its financial statements that the Issuer and not the Seller is the owner of the SAC Property and that the assets of the Issuer are not available to pay creditors of the Seller or its Affiliates (other than the Issuer).

(d) So long as any of the SAC Bonds are outstanding, the Seller shall not own or purchase any SAC Bonds.

(e) So long as the SAC Bonds are outstanding, the Seller shall disclose the effects of all transactions between the Seller and the Issuer in accordance with generally accepted accounting principles.

(f) The Seller agrees that, upon the sale by the Seller of the SAC Property to the Issuer pursuant to this Agreement, (i) to the fullest extent permitted by law, including, applicable Commission's Regulations and the Securitization Law, the Issuer shall have all of the rights originally held by the Seller with respect to the SAC Property, including the right (subject to the terms of the Servicing Agreement) to exercise any and all rights and remedies to collect any amounts payable by any Customer in respect of the SAC Property, notwithstanding any objection or direction to the contrary by the Seller (and the Seller agrees not to make any such objection or to take any such contrary action) and (ii) any payment by any Customer directly to the Issuer shall discharge such Customer's obligations, if any, in respect of the SAC Property to the extent of such payment, notwithstanding any objection or direction to the contrary by the Seller.

(g) So long as any of the SAC Bonds are outstanding, (i) in all proceedings relating directly or indirectly to the SAC Property, the Seller shall affirmatively certify and confirm that it has sold all of its rights and interests in and to such property (other than for financial reporting or tax purposes), (ii) the Seller shall not make any statement or reference in respect of the SAC Property that is inconsistent with the ownership interest of the Issuer (other than for financial accounting or tax purposes or as required by state or federal regulatory purposes), (iii) the Seller shall not take any action in respect of the SAC Property except solely in its capacity as the Servicer thereof pursuant to the Servicing Agreement or as otherwise contemplated by the Basic Documents, (iv) the Seller shall not sell “securitized asset cost property” or other similar property under a separate “financing order” in connection with the issuance of additional “securitized asset cost bonds” (each term as defined in the Securitization Law) unless the Rating Agency Condition shall have been satisfied, and (v) neither the Seller nor the Issuer shall take any action, file any tax return, or make any election inconsistent with the treatment of the Issuer, for purposes of federal taxes and, to the extent consistent with applicable state, local and other tax law, for purposes of state, local and other taxes, as a disregarded entity that is not separate from the Seller (or, if relevant, from another sole owner of the Issuer).

SECTION 4.07. Protection of Title. The Seller shall execute (if applicable) and file such filings, including, without limitation, filings with the Secretary of State pursuant to the Securitization Law, and cause to be executed (if applicable) and filed such filings, all in such manner and in such places as may be required by law to fully preserve, maintain, protect and perfect the ownership interest of the Issuer and the first priority security interest of the Indenture Trustee in the SAC Property, including, without limitation, all filings required under the Securitization Law and the UCC relating to the transfer of the ownership of the rights and interest in the SAC Property by the Seller to the Issuer or the pledge of the Issuer’s interest in the SAC Property to the Indenture Trustee. The Seller shall deliver or cause to be delivered to the Issuer and the Indenture Trustee file-stamped copies of, or filing receipts for, any document filed as provided above, as soon as available following such filing. The Seller shall institute any action or proceeding necessary to compel performance by the Commission, the Commonwealth of Virginia or any of their respective agents, of any of their obligations or duties under the Securitization Law, the Financing Order or the Issuance Advice Letter. The Seller agrees to take such legal or administrative actions, including defending against or instituting and pursuing legal actions and appearing or testifying at hearings or similar proceedings, in each case as may be reasonably necessary: (i) to protect the Issuer and the Secured Parties from claims, state actions or other actions or proceedings of third parties which, if successfully pursued, would result in a breach of any representation set forth in Article III or any covenant set forth in Article IV; and (ii) to block or overturn any attempts to cause a repeal of, modification of or supplement to the Securitization Law, the Financing Order, the Issuance Advice Letter or the rights of Holders by legislative enactment or constitutional amendment that would be materially adverse to the Issuer or the Secured Parties or which would otherwise cause an impairment of the rights of the Issuer or the Secured Parties. The costs of any such actions or proceedings will be payable by the Seller.

SECTION 4.08. Nonpetition Covenants. Notwithstanding any prior termination of this Agreement or the Indenture, the Seller shall not, prior to the date which is one year and one day after the termination of the Indenture and payment in full of the SAC Bonds or any other amounts owed under the Indenture, petition or otherwise invoke or cause the Issuer to invoke the process of any Governmental Authority for the purpose of commencing or sustaining an involuntary case against the Issuer under any federal or state bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer or any substantial part of the property of the Issuer, or ordering the winding up or liquidation of the affairs of the Issuer.

SECTION 4.09. Taxes. So long as any of the SAC Bonds are outstanding, the Seller shall, and shall cause each of its subsidiaries to, pay all material taxes, assessments and governmental charges imposed upon it or any of its properties or assets or with respect to any of its franchises, business, income or property before any penalty accrues thereon if the failure to pay any such taxes, assessments and governmental charges would, after any applicable grace periods, notices or other similar requirements, result in a Lien on the SAC Property; provided that no such tax need be paid if the Seller or one of its Affiliates is contesting the same in good faith by appropriate proceedings promptly instituted and diligently conducted and if the Seller or such Affiliate has established appropriate reserves as shall be required in conformity with generally accepted accounting principles.

SECTION 4.10. Issuance Advice Letter. The Seller hereby agrees not to withdraw the filing of any Issuance Advice Letter with the Commission.

SECTION 4.11. Securitization Financing Rider. The Seller hereby agrees to make all reasonable efforts to the keep Securitization Financing Rider in full force and effect at all times.

SECTION 4.12. Notice of Breach to Rating Agencies, etc.. Promptly after a Responsible Officer of the Seller obtains actual knowledge thereof, in the event of a breach in any material respect (without regard to any materiality qualifier contained in such representation, warranty or covenant) of any of the Seller's representations, warranties or covenants contained herein, the Seller shall promptly notify the Issuer, the Indenture Trustee, the Commission and the Rating Agencies of such breach (with prior written notice to the Servicer in order to enable compliance with Section 8.13 of the Servicing Agreement). For the avoidance of doubt, any breach which would adversely affect scheduled payments on the SAC Bonds will be deemed to be a material breach for purposes of this Section 4.12.

SECTION 4.13. Use of Proceeds. The Seller shall use the proceeds of the sale of the SAC Property in accordance with the Financing Order and the Securitization Law.

SECTION 4.14. Further Assurances. Upon the request of the Issuer, the Seller shall execute and deliver such further instruments and do such further acts as may be reasonably necessary to carry out more effectually the provisions and purposes of this Agreement.

**ARTICLE V**  
**THE SELLER**

**SECTION 5.01. Liability of Seller; Indemnities.**

(a) The Seller shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Seller under this Agreement.

(b) The Seller shall indemnify the Issuer and the Indenture Trustee (for the benefit of the Secured Parties) and each of their respective officers, directors, employees, trustees, managers and agents for, and defend and hold harmless each such Person from and against, any and all taxes (other than taxes imposed on Holders as a result of their ownership of a SAC Bond) that may at any time be imposed on or asserted against any such Person under existing law as of the Closing Date as a result of the sale of the SAC Property by the Seller to the Issuer, the Issuer's acquisition or holding of the SAC Property, or the issuance and sale by the Issuer of the SAC Bonds, including any franchise, sales, gross receipts, general corporation, tangible personal property, privilege or license taxes but excluding any taxes imposed as a result of a failure of such Person to withhold or remit taxes with respect to payments on any SAC Bond, in the event and to the extent such taxes are not recoverable as Ongoing Financing Costs; it being understood that the Holders shall be entitled to enforce their rights against the Seller under this Section 5.01(b) solely through a cause of action brought for their benefit by the Indenture Trustee in accordance with the Indenture.

(c) The Seller shall indemnify the Issuer and the Indenture Trustee (for the benefit of the Secured Parties) and each of their respective officers, directors, employees, trustees, managers, and agents for, and defend and hold harmless each such Person from and against, any and all taxes (other than taxes imposed on Holders as a result of their ownership of a SAC Bond) that may at any time be imposed on or asserted against any such Person as a result of the Issuer's ownership and assignment of the SAC Property, the issuance and sale by the Issuer of the SAC Bonds or the other transactions contemplated in the Basic Documents, including any franchise, sales, gross receipts, general corporation, tangible personal property, privilege or license taxes but excluding any taxes imposed as a result of a failure of such Person to withhold or remit taxes with respect to payments on any SAC Bond; it being understood that the Holders shall be entitled to enforce their rights against the Seller under this Section 5.01(c) solely through a cause of action brought for their benefit by the Indenture Trustee in accordance with the Indenture.

(d) The Seller shall indemnify the Issuer, the Indenture Trustee (for the benefit of the Secured Parties) and each of their respective officers, directors, employees and agents for, and defend and hold harmless each such Person from and against all Losses that may be imposed on, incurred by or asserted against each such Person, in each such case, as a result of the Seller's breach of any of its representations, warranties or covenants contained in this Agreement.

(e) Indemnification under Section 5.01(b), Section 5.01(c), Section 5.01(d) and Section 5.01(f) shall include reasonable and documented out-of-pocket fees and expenses of investigation and litigation (including reasonable attorney's fees and expenses), except as otherwise expressly provided in this Agreement.

(f) The Seller shall indemnify the Indenture Trustee (for itself) and each Independent Manager, and any of their respective officers, directors, employees and agents (each, an “Indemnified Person”) for, and defend and hold harmless each such Person from and against, any and all Losses incurred by any of such Indemnified Persons as a result of the Seller’s breach in any material respect of any of its representations and warranties or covenants contained in this Agreement, except to the extent of Losses either resulting from the willful misconduct, bad faith or gross negligence of such Indemnified Person or resulting from a breach of a representation or warranty made by such Indemnified Person in any of the Basic Documents that gives rise to the Seller’s breach. The Seller shall not be required to indemnify an Indemnified Person for any amount paid or payable by such Indemnified Person in the settlement of any action, proceeding or investigation without the prior written consent of the Seller which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Person of notice of the commencement of any action, proceeding or investigation, such Indemnified Person shall, if a claim in respect thereof is to be made against the Seller under this Section 5.01(f), notify the Seller in writing of the commencement thereof. Failure by an Indemnified Person to so notify the Seller shall relieve the Seller from the obligation to indemnify and hold harmless such Indemnified Person under this Section 5.01(f) only to the extent that the Seller suffers actual prejudice as a result of such failure. With respect to any action, proceeding or investigation brought by a third party for which indemnification may be sought under this Section 5.01(f), the Seller shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Person, the defense of any such action, proceeding or investigation (in which case the Seller shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Person except as set forth below); provided that the Indemnified Person shall have the right to participate in such action, proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Seller’s election to assume the defense of any action, proceeding or investigation, the Indemnified Person shall have the right to employ separate counsel (including local counsel), and the Seller shall bear the reasonable fees, costs and expenses of such separate counsel if: (i) the defendants in any such action include both the Indemnified Person and the Seller and the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the Seller; (ii) the Seller shall not have employed counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person within a reasonable time after notice of the institution of such action; (iii) the Seller shall authorize the Indemnified Person in writing to employ separate counsel at the expense of the Seller; or (iv) in the case of the Indenture Trustee, such action exposes the Indenture Trustee to a material risk of criminal liability or forfeiture or a Servicer Default has occurred and is continuing. Notwithstanding the foregoing, the Seller shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Persons other than one local counsel, if appropriate.

(g) The Seller shall indemnify the Servicer (if the Servicer is not the Seller) for the costs of any action instituted by the Servicer pursuant to Section 5.02(d) of the Servicing Agreement which are not paid as Operating Expenses in accordance with the priorities set forth in Section 8.02(e) of the Indenture.

(h) The remedies provided in this Agreement are the sole and exclusive remedies against the Seller for breach of its representations and warranties in this Agreement.

(i) Indemnification under this Section 5.01 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Securitization Law or the Financing Order and shall survive the resignation or removal of the Indenture Trustee or the termination of this Agreement and will rank in priority with other general, unsecured obligations of the Seller. The Seller shall not indemnify any party under this Section 5.01 for any changes in law after the Closing Date, whether such changes in law are effected by means of any legislative enactment, constitutional amendment or any final and non-appealable judicial decision.

SECTION 5.02. Merger, Conversion or Consolidation of, or Assumption of the Obligations of, Seller. Any Person: (a) into which the Seller may be merged, converted or consolidated (by operation of law or otherwise); (b) that may result from any merger, conversion or consolidation to which the Seller shall be a party; (c) that may succeed to the properties and assets of the Seller substantially as a whole; (d) which is a successor entity resulting from the division of the Seller into two or more Persons; or (e) which otherwise succeeds to all or substantially all of the electric transmission and distribution business of the Seller (or, if transmission and distribution are not provided by a single entity, which provides wire service directly to Customers), and which Person in any of the foregoing cases executes an agreement of assumption to perform all of the obligations of the Seller hereunder (including the Seller's obligations under Section 5.01 incurred at any time prior to or after the date of such assumption), shall be the successor to the Seller under this Agreement (a "Permitted Successor") without further act on the part of any of the parties to this Agreement; provided, however, that:

(i) immediately after giving effect to such transaction, no representation, warranty or covenant made by the Seller pursuant to Article III or Article IV shall be breached in any material respect and, to the extent the Seller is the Servicer, no Servicer Default, and no event which, after notice or lapse of time, or both, would become a Servicer Default shall have occurred and be continuing,

(ii) the Seller shall have delivered to the Issuer, the Indenture Trustee and each Rating Agency an Officer's Certificate and an Opinion of Counsel from external counsel stating that such consolidation, conversion, merger, division or succession and such agreement of assumption comply with this Section 5.02 and that all conditions precedent, if any, provided for in this Agreement relating to such transaction have been complied with,

(iii) the Seller shall have delivered to the Issuer, the Indenture Trustee and each Rating Agency an Opinion of Counsel from external counsel of the Seller either (A) stating that, in the opinion of such counsel, all filings to be made by the Seller and the Issuer, including filings with the Commission pursuant to the Securitization Law, have been authorized, executed (if applicable) and filed that are necessary to fully preserve and protect the respective ownership or security interest, as applicable, of the Issuer and the Indenture Trustee in all of the SAC Property and reciting the details of such filings, or (B) stating that, in the opinion of such counsel, no such action shall be necessary to preserve and protect such interests,

(iv) the Seller shall have delivered to the Issuer, the Indenture Trustee and the Rating Agencies an Opinion of Counsel from independent tax counsel stating that, for U.S. federal income tax purposes, such consolidation, conversion, merger, division or succession and such agreement of assumption will not result in a material U.S. federal income tax consequence to the Issuer or the Holders of SAC Bonds, and

(v) the Seller shall have given the Rating Agencies prior written notice of such transaction (with prior written notice to the Servicer in order to enable compliance with Section 8.13 of the Servicing Agreement). When any Person (or more than one Person) acquires the properties and assets of the Seller substantially as a whole or otherwise becomes the successor, whether by merger, conversion, consolidation, sale, transfer, lease, management contract or otherwise, to all or substantially all of the electric transmission and distribution business of the Seller (or, if transmission and distribution are not provided by a single entity, provides wire service directly to Customers) in accordance with the terms of this Section 5.02, then upon satisfaction of all of the other conditions of this Section 5.02, the preceding Seller shall automatically and without further notice be released from all of its obligations hereunder.

SECTION 5.03. Limitation on Liability of Seller and Others. The Seller and any director, officer, employee or agent of the Seller may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person, respecting any matters arising hereunder. Subject to Section 4.07, the Seller shall not be under any obligation to appear in, prosecute or defend any legal action that is not incidental to its obligations under this Agreement, and that in its opinion may involve it in any expense or liability.

## ARTICLE VI MISCELLANEOUS PROVISIONS

### SECTION 6.01. Amendment.

(a) This Agreement may be amended in writing by the Seller and the Issuer with ten (10) Business Days' prior written notice given to the Rating Agencies: (i) to cure any ambiguity, to correct or supplement any provisions in this Agreement or for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions in this Agreement or of modifying in any manner the rights of the Holders; provided, however, that such action shall not, as evidenced by an Officer's Certificate of the Seller delivered to the Issuer and the Indenture Trustee, adversely affect in any material respect the interests of any Holder without the consent of the Holders of not less than a majority of the outstanding principal amount of the SAC Bonds; or (ii) to conform the provisions hereof to the description of this Agreement in the Prospectus. Promptly after the execution of any such amendment or consent, the Issuer shall furnish copies of such amendment or consent to each of the Rating Agencies.

(b) In addition, this Agreement may be amended in writing by the Seller and the Issuer with: (i) the prior written consent of the Indenture Trustee; (ii) the satisfaction of the Rating Agency Condition; and (iii) if any amendment would adversely affect in any material respect the interest of any Holder of the SAC Bonds, the consent of the Holders of not less than a majority of the outstanding principal amount of the SAC Bonds. In determining whether a majority of Holders have consented, SAC Bonds owned by the Issuer, Seller or any Affiliate of the Issuer or Seller shall be disregarded, except that, in determining whether the Indenture

---

Trustee shall be protected in relying upon any such consent, the Indenture Trustee shall only be required to disregard any SAC Bonds it actually knows to be so owned. Promptly after the execution of any such amendment or consent, the Issuer shall furnish copies of such amendment or consent to each of the Rating Agencies.

(c) It shall not be necessary for the consent of Holders pursuant to this Section 6.01 to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof.

(d) Prior to executing, or consenting to, any amendment to this Agreement, the Issuer and the Indenture Trustee shall be entitled to request and rely upon an Officer's Certificate or Opinion of Counsel stating that such amendment is authorized or permitted by this Agreement and that all conditions precedent provided for in this Agreement relating to such amendment have been satisfied. Any Opinion of Counsel may be based, insofar as it relates to factual matters (including financial and capital markets), upon a certificate or opinion of, or representations by, an officer or officers of the Seller or the Issuer and other documents necessary and advisable in the judgment of counsel delivering such opinion. The Issuer and the Indenture Trustee may, but shall not be obligated to, enter into or consent to, as applicable, any such amendment which affects such Person's own rights, duties, liabilities or immunities under this Agreement or otherwise.

SECTION 6.02. Notices. All demands, notices and communications upon or to the Seller, the Issuer, the Indenture Trustee, the Commission or the Rating Agencies under this Agreement shall be sufficiently given for all purposes hereunder if in writing, and delivered personally, mail by certified mail, postage prepaid, sent by documented delivery service or, to the extent receipt is confirmed, sent by email or other form of electronic transmission:

(g) as to each of the foregoing, at such other address as shall be designated by written notice to the other parties.

SECTION 6.03. Assignment. Notwithstanding anything to the contrary contained herein, except as provided in Section 5.02, this Agreement may not be assigned by the Seller.

SECTION 6.04. Limitations on Rights of Third Parties. The provisions of this Agreement are solely for the benefit of the Seller, the Issuer, the Indenture Trustee (for the benefit of the Secured Parties) and the other Persons expressly referred to herein, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the SAC Property or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

SECTION 6.05. Severability; Electronic Signatures. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Each party hereto agrees that this Agreement may be electronically signed, that any digital or electronic signatures appearing on this Agreement are the same as handwritten signatures for the purposes of validity, enforceability and admissibility, and that delivery of any such electronic signature to, or a signed copy of, this Agreement may be made by facsimile, email or other electronic transmission.

SECTION 6.06. Separate Counterparts. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

SECTION 6.07. Headings. The headings of the various Articles and Sections herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

SECTION 6.08. Governing Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE COMMONWEALTH OF VIRGINIA, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

SECTION 6.09. Assignment to Indenture Trustee. The Seller hereby acknowledges and consents to any mortgage, pledge, assignment and grant of a security interest by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Secured Parties of all right, title and interest of the Issuer in, to and under this Agreement, the SAC Property and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Secured Parties. For the avoidance of doubt, the Indenture Trustee is a third-party beneficiary of this Agreement and is entitled to the rights and benefits hereunder and may enforce the provisions hereof as if it were a party hereto.

SECTION 6.10. Limitation of Liability. It is expressly understood and agreed by the parties hereto that this Agreement is executed and delivered by the Indenture Trustee, not individually or personally but solely as Indenture Trustee on behalf of the Secured Parties, in the exercise of the powers and authority conferred and vested in it. The Indenture Trustee in acting hereunder is entitled to all rights, benefits, protections, immunities and indemnities accorded to it under the Indenture.

SECTION 6.11. Waivers. Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof; provided, however, that no such waiver or extension delivered by the Issuer shall be effective unless the Indenture Trustee (acting at the written direction of the Holders of a majority of the Outstanding Amount of the Bonds) has given its prior written consent thereto. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

**EXHIBIT A**

**FORM OF  
BILL OF SALE**

1. This Bill of Sale is being delivered pursuant to the Securitized Asset Cost Property Purchase and Sale Agreement, dated as of May 27, 2026 (the “Sale Agreement”), by and between Appalachian Power Company (the “Seller”) and Appalachian Power Recovery Funding LLC (the “Issuer”). All capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Sale Agreement.

2. In consideration of the Issuer’s delivery to or upon the order of the Seller of \$[\*], the Seller does hereby irrevocably sell, assign and transfer to the Issuer, without recourse or warranty, except as set forth in the Sale Agreement, all right, title and interest of the Seller in and to the SAC Property identified on Schedule 1 hereto (such sale, assignment, and transfer of the SAC Property includes, to the fullest extent permitted by the Securitization Law, the right to impose, bill, charge, collect and receive SAC Charges and the assignment of all revenues, collections, claims, rights to payments, payments, moneys or proceeds of or arising from the SAC Charges related to the SAC Property, as the same may be adjusted from time to time). Such sale, assignment, and transfer is hereby expressly stated to be a sale and, pursuant to Section 56-249.8:E.3.a of the Securitization Law and other applicable law, shall be an absolute transfer and true sale of, and not a pledge of or secured transaction relating to, the Seller’s right, title and interest in, to and under the SAC Property. The Seller and the Issuer agree that after giving effect to the sale, assignment, and transfer contemplated hereby the Seller has no right, title or interest in or to the SAC Property to which a security interest could attach because: (i) it has sold, assigned, and transferred all right, title and interest in and to the SAC Property to the Issuer; (ii) as provided in Section 56-249.8:E.1.a. of the Securitization Law, such rights to impose, bill, charge, collect and receive SAC Charges are existing, present intangible property rights which will be created simultaneously when such rights are first transferred to an assignee and pledged in connection with the issuance of the SAC Bonds; (iii) appropriate notice has been filed in accordance with the rules prescribed by the Secretary of State; and (iv) as provided in Section 56-249.8:E.2.c. such transfer of an interest in SAC Property to an assignee is perfected against all third parties, including subsequent judicial or other lien creditors or any claims of the Seller or creditors of the Seller. If such sale, assignment and transfer is held by any court of competent jurisdiction not to be a true sale as provided in Section 56-249.8:E of the Securitization Law, then such sale, assignment and transfer shall be treated as a pledge of the SAC Property and as the creation of a security interest (within the meaning of the Securitization Law and the UCC) in the SAC Property and, without prejudice to its position that it has absolutely transferred all of its rights in the SAC Property to the Issuer, the Seller hereby grants a security interest in the SAC Property to the Issuer (and to the Indenture Trustee for the benefit of the Secured Parties) to secure their respective rights under the Basic Documents to receive the SAC Charges and all other SAC Property.

3. The Issuer does hereby purchase the SAC Property from the Seller for the consideration set forth in the preceding paragraph.

EXHIBIT A

---

4. The Seller and the Issuer each acknowledge and agree that the purchase price for the SAC Property sold pursuant to this Bill of Sale and the Sale Agreement is equal to its fair market value at the time of sale.

5. The Seller confirms that (i) each of the representations and warranties on the part of the Seller contained in the Sale Agreement are true and correct in all respects on the date hereof as if made on the date hereof and (ii) each condition precedent that must be satisfied under Section 2.02 of the Sale Agreement has been satisfied upon or prior to the execution and delivery of this Bill of Sale by the Seller.

6. This Bill of Sale may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

7. THIS BILL OF SALE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE COMMONWEALTH OF VIRGINIA, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

WHEREAS, pursuant to the Initial Related Agreements, the Issuer is required to perform certain duties in connection with the Initial Related Agreements, the SAC Bonds and the SAC Bond Collateral pledged to the Indenture Trustee pursuant to the Indenture;

WHEREAS, the Issuer may from time to time enter into and be required to perform certain duties under additional agreements similar to the Initial Related Agreements (together with the Initial Related Agreements, the “Related Agreements”);

WHEREAS, the Issuer has no employees, other than its officers and Managers (as defined below), and does not intend to hire any employees, and consequently desires to have the Administrator perform certain of the duties of the Issuer referred to in the preceding clauses and to provide such additional services consistent with the terms of this Administration Agreement and the Related Agreements as the Issuer may from time-to-time request; and

---

WHEREAS, the Administrator has the capacity to provide the services and the facilities required thereby and is willing to perform such services and provide such facilities for the Issuer on the terms set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Duties of the Administrator – Management Services. The Administrator hereby agrees to provide the following corporate management services to the Issuer and to cause third parties to provide professional services required for or contemplated by such services in accordance with the provisions of this Administration Agreement:

(a) furnish the Issuer with ordinary clerical, bookkeeping and other corporate administrative services necessary and appropriate for the Issuer, including, without limitation, the following services:

(i) without duplication of the Servicers' obligations under the Servicing Agreement, maintain at the Premises (as defined below) general accounting records of the Issuer (the "Account Records"), subject to year-end audit, in accordance with generally accepted accounting principles, separate and apart from its own accounting records, prepare or cause to be prepared such quarterly and annual financial statements as may be necessary or appropriate and arrange for year-end audits of the Issuer's financial statements by the Issuer's independent accountants;

(ii) prepare and, after execution by the Issuer, file with the Securities and Exchange Commission (the "SEC") and any applicable state agencies documents required to be filed by the Issuer with the SEC and any applicable state agencies, including, without limitation, periodic reports required to be filed under the Exchange Act, as amended;

(iii) prepare for execution by the Issuer and cause to be filed such income, franchise or other tax returns of the Issuer as shall be required to be filed by applicable law (the "Tax Returns") and cause to be paid on behalf of the Issuer from the Issuer's funds any taxes required to be paid by the Issuer under applicable law;

(iv) prepare or cause to be prepared for execution by the Issuer's managers (the "Managers") minutes of the meetings of the Managers and such other documents deemed appropriate by the Issuer to maintain the separate limited liability company existence and good standing of the Issuer (the "Company Minutes") or otherwise required under the Related Agreements (together with the Account Records, the Tax Returns, the Company Minutes, the LLC Agreement, and the Certificate of Formation, the "Issuer Documents"), and any other documents deliverable by the Issuer thereunder or in connection therewith; and

---

(v) hold, maintain and preserve at the Premises (hereinafter defined) (or such other place as shall be required by any of the Related Agreements) executed copies (to the extent applicable) of the Issuer Documents and other documents executed by the Issuer thereunder or in connection therewith;

(b) take such actions on behalf of the Issuer, as are necessary or desirable for the Issuer to keep in full effect its existence, rights and franchises as a limited liability company under the laws of the State of Delaware and obtain and preserve its qualification to do business in each jurisdiction in which it becomes necessary to be so qualified;

(c) take such actions on behalf of the Issuer as are necessary for the issuance and delivery of the SAC Bonds;

(d) provide for the performance by the Issuer of its obligations under each of the Related Agreements, and prepare, or cause to be prepared, all documents, reports, filings, instruments, notices, certificates and opinions that it shall be the duty of the Issuer to prepare, file or deliver pursuant to the Related Agreements;

(e) to the full extent allowable under applicable law, enforce each of the rights of the Issuer under the Related Agreements, at the direction of the Indenture Trustee (acting at the written direction of the Holders representing at least a majority of the Outstanding Amount of the SAC Bonds);

(f) provide for the defense, at the direction of the Managers, of any action, suit or proceeding brought against the Issuer or affecting the Issuer or any of its assets;

(g) provide office space (the "Premises") for the Issuer and such reasonable ancillary services as are necessary to carry out the obligations of the Administrator hereunder, including telecopying, duplicating and word processing services;

(h) undertake such other administrative services as may be appropriate, necessary or requested by the Issuer; and

(i) provide such other services as are incidental to the foregoing or as the Issuer and the Administrator may agree.

In providing the services under this Section 1 and as otherwise provided under this Administration Agreement, the Administrator will not knowingly take any actions on behalf of the Issuer which (i) the Issuer is prohibited from taking under the Related Agreements, or (ii) would cause the Issuer to be in violation of any U.S. federal, state or local law or the LLC Agreement.

In performing its duties hereunder, the Administrator shall use the same degree of care and diligence that the Administrator exercises with respect to performing such duties for its own account and, if applicable, for others.

2. Compensation. As compensation for the performance of the Administrator's obligations under this Administration Agreement (including the compensation of Persons serving as Manager(s), other than the Independent Manager(s), and officers of the Issuer, but, for the avoidance of doubt, excluding the performance by APCo of its obligations in its capacity as Servicer), the Administrator shall be entitled to \$100,000 annually (the "Administration Fee"), payable by the Issuer in semi-annual installments of \$50,000 on each Payment Date, which amount will be pro-rated for the first and final Payment Dates, plus out-of-pocket expenses of administering the Issuer and to preserve the integrity of the bankruptcy-remote structure of the Issuer and the high credit quality of the SAC Bonds. The Administrator shall be entitled to be reimbursed by the Issuer for all costs and expenses of services performed by unaffiliated third parties and actually incurred by the Administrator in connection with the performance of its obligations under this Administration Agreement in accordance with Section 3 (but, for the avoidance of doubt, excluding any such costs and expenses incurred by APCo in its capacity as Servicer), to the extent that such costs and expenses are supported by invoices or other customary documentation and are reasonably allocated to the Issuer ("Reimbursable Administrative Expenses").

3. Third Party Services. Any services required for or contemplated by the performance of the above-referenced services by the Administrator to be provided by unaffiliated third parties (including independent accountant's/auditor's fees and legal counsel fees) may, if provided for or otherwise contemplated by the Financing Order and if the Issuer deems it necessary or desirable, be arranged by the Issuer or by the Administrator at the direction (which may be general or specific) of the Issuer. Costs and expenses associated with the contracting for such third-party professional services may be paid directly by the Issuer or paid by the Administrator and reimbursed by the Issuer in accordance with Section 2, or otherwise as the Administrator and the Issuer may mutually arrange.

4. Additional Information to be Furnished to the Issuer. The Administrator shall furnish to the Issuer from time to time such additional information regarding the SAC Bond Collateral as the Issuer shall reasonably request.

5. Independence of the Administrator. For all purposes of this Administration Agreement, the Administrator shall be an independent contractor and shall not be subject to the supervision of the Issuer with respect to the manner in which it accomplishes the performance of its obligations hereunder. Unless expressly authorized by the Issuer or in this Administration Agreement, the Administrator shall have no authority, and shall not hold itself out as having the authority, to act for or represent the Issuer in any way and shall not otherwise be deemed an agent of the Issuer.

6. No Joint Venture. Nothing contained in this Administration Agreement (a) shall constitute the Administrator and the Issuer as partners or co-members of any partnership, joint venture, association, syndicate, unincorporated business or other separate entity, (b) shall be construed to impose any liability as such on either of them or (c) shall be deemed to confer on either of them any express, implied or apparent authority to incur any obligation or liability on behalf of the other.

7. Other Activities of Administrator. Nothing herein shall prevent the Administrator or any of its directors, members, managers, officers, employees, subsidiaries or affiliates from engaging in other businesses or, in its sole discretion, from acting in a similar capacity as an Administrator for any other person or entity even though such person or entity may engage in business activities similar to those of the Issuer.

---

8. Term of Agreement; Resignation and Removal of Administrator.

(a) This Administration Agreement shall continue in force until the payment in full of the SAC Bonds and any other amount which may become due and payable under the Indenture, upon which event this Administration Agreement shall automatically terminate.

(b) Subject to Sections 8(e) and 8(f), the Administrator may resign its duties hereunder by providing the Issuer, the Indenture Trustee and the Rating Agencies with at least sixty (60) days' prior written notice.
