Item 1.01 Entry into a Material Definitive Agreement

On September 11, 2025, Avery Dennison Corporation, a Delaware corporation (the “Company”), closed its previously announced issuance of €500,000,000 aggregate principal amount of 4.000% senior notes due 2035 (the “Notes”). The net proceeds from the offering, after deducting underwriting discounts and estimated offering expenses, were approximately €493.5 million. The Company intends to use the net proceeds of the offering for general corporate purposes, including to finance acquisitions and repay existing indebtedness under the Company’s commercial paper program.

The offering of the Notes was registered under an effective Registration Statement on Form S-3 filed by the Company on April 11, 2025 (Registration No. 333-286478). The Notes were issued pursuant to an indenture, dated as of November 20, 2007, as supplemented by an eleventh supplemental indenture, dated as of September 11, 2025 (as supplemented, the “Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., as Trustee. The Notes bear interest at a rate of 4.000% per year and will mature on September 11, 2035. Interest on the Notes is payable annually in arrears on September 11 of each year, beginning on September 11, 2026.

Prior to June 11, 2035 (the “Par Call Date”), the Company may redeem the Notes, at its option, in whole or in part, at any time or from time to time at a redemption price equal to the greater of (a) 100% of the principal amount of the Notes to be redeemed and (b) a “make-whole” amount as described in the Indenture, plus in either case accrued and unpaid interest to, but not including, the redemption date; provided, however, that, if the Company redeems any Notes on or after the Par Call Date, the redemption price for the Notes will be equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but not including, the redemption date.

In the event of a change of control triggering event as described in the Indenture, the Company would be required to offer to repurchase the Notes at a price equal to 101% of the principal amount plus accrued and unpaid interest to, but not including, the repurchase date.

The Notes are unsecured and unsubordinated obligations of the Company. The Notes rank equally and ratably with all of the Company’s other existing and future unsecured and unsubordinated indebtedness and other liabilities; senior in right of payment to all of the Company’s future subordinated indebtedness, if any; effectively junior to all of the Company’s future secured indebtedness, if any, to the extent of the value of the assets securing such indebtedness; and structurally subordinated to all existing and future indebtedness and other liabilities of the Company’s subsidiaries. The descriptions of the Indenture and the Notes contained herein are summaries and are qualified in their entirety by the Indenture and Notes attached hereto as Exhibits 4.1 and 4.2, which are incorporated by reference.

Attached hereto as exhibits are the agreements and opinion relating to the offering. The exhibits are expressly incorporated by reference and into the aforementioned Registration Statement on Form S-3, and any amendments thereto.

September 8, 2025

To the Representatives named in Schedule 1 hereto
of the several Underwriters named in Schedule 2 hereto

Ladies and Gentlemen:

Avery Dennison Corporation, a Delaware corporation (the “Company”), proposes to issue and sell to the several underwriters listed in Schedule 2 hereto (the “Underwriters”), for whom the underwriters named in Schedule 1 are acting as representatives (the “Representatives”), €500,000,000 aggregate principal amount of its 4.000% Senior Notes due 2035 (the “Notes”). The Notes will be issued pursuant to an Indenture, dated as of November 20, 2007 (the “Base Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”), as supplemented by the Eleventh Supplemental Indenture to be dated as of September 11, 2025 (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”) among the Company, the Trustee, The Bank of New York Mellon Trust Company, N.A., as transfer agent and registrar (the “Transfer Agent”), and The Bank of New York Mellon, London Branch, as paying agent and calculation agent (the “Paying Agent”). In connection with the issuance of the Notes, the Company will enter into an agency agreement (the “Agency Agreement”) to be dated as of September 11, 2025, between the Company and the Paying Agent.

The Indenture, the Agency Agreement, the Notes and this Agreement are sometimes, collectively, referred to herein as the “Transaction Documents.”

The Company hereby confirms its agreement with the several Underwriters concerning the purchase and sale of the Notes, as follows:

1. Registration Statement. The Company has prepared and filed with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended, and the rules and regulations of the Commission thereunder (collectively, the “Securities Act”), a registration statement on Form S-3 (File No. 333-286478), including a prospectus, relating to the Notes. Such registration statement, as amended at the time it becomes effective, including the information, if any, deemed pursuant to Rule 430A, 430B or 430C under the Securities Act to be part of the registration statement at the time of its effectiveness, is referred to herein as the “Registration Statement”; the base prospectus filed as part of the Registration Statement, in the form in which it was most recently filed with the Commission prior to or on the date of this Agreement, is referred to herein as the “Base Prospectus”; the final prospectus supplement to such prospectus (including the Base Prospectus) relating to the Notes, in the form filed or to be filed with the Commission pursuant to Rule 424(b) under the Securities Act, is referred to herein as the “Prospectus”; and any preliminary prospectus (including any preliminary prospectus supplement) relating to the Notes in the form filed or to be filed with the Commission pursuant to Rule 424(b) is referred to herein as a “Preliminary Prospectus”. Any reference in this Agreement to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the

documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act, as of the effective date of the Registration Statement or the date of such Preliminary Prospectus or the Prospectus, as the case may be and any reference to “amend”, “amendment” or “supplement” with respect to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any documents filed after such date under the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Commission thereunder (collectively, the “Exchange Act”) that are deemed to be incorporated by reference therein. Capitalized terms used but not defined herein shall have the meanings given to such terms in the Registration Statement and the Prospectus.

At or prior to the time when sales of the Notes were first made (the “Time of Sale”), the Company had prepared the following information (collectively, the “Time of Sale Information”): a Preliminary Prospectus dated September 8, 2025, and each Issuer Free Writing Prospectus (as defined below) listed on Annex C hereto as constituting part of the Time of Sale Information.

2. Purchase of the Notes by the Underwriters. (a) The Company agrees to issue and sell the Notes to the several Underwriters as provided in this Agreement, and each Underwriter, on the basis of the representations, warranties and agreements set forth herein and subject to the conditions set forth herein, agrees, severally and not jointly, to purchase from the Company the respective principal amount of Notes set forth opposite such Underwriter’s name in Schedule 2 hereto at a price equal to 98.944% of the principal amount thereof plus accrued interest, if any, from September 11, 2025 to the Closing Date (as defined below). The Company will not be obligated to deliver any of the Notes except upon payment for all the Notes to be purchased as provided herein.

(b) The Company understands that the Underwriters intend to make a public offering of the Notes as soon after the effectiveness of this Agreement as in the judgment of the Representatives is advisable, and initially to offer the Notes on the terms set forth in the Time of Sale Information. The Company acknowledges and agrees that the Underwriters may offer and sell Notes to or through any affiliate of an Underwriter and that any such affiliate may offer and sell Notes purchased by it to or through any Underwriter.

(c) The closing of the purchase of the Notes shall occur at the offices of Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York 10017 at or around 9:00 A.M., London time, on September 11, 2025, or at such other time or place on the same or such other date, not later than the fifth business day thereafter, as the Representatives and the Company may agree upon in writing. The time and date of such payment and delivery is referred to herein as the “Closing Date”.

(d) The Notes will be delivered in book-entry form through the facilities of Clearstream Banking, S.A. (“Clearstream”) and Euroclear Bank SA/NV (“Euroclear”), for the account of the Underwriters, and initially represented by one or more global notes representing the Notes (the “Global Notes”). The Global Notes will be made available for inspection by the Representatives not later than 1:00 P.M. New York City time, on the business day prior to the Closing Date. It is understood that each Underwriter has authorized Citigroup Global Markets Limited, as settlement bank for the Representatives of behalf of the several Underwriters (the “Settlement Bank”), for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Notes which it has agreed to purchase. Each of Citigroup Global Markets Limited, Merrill Lynch International and Mizuho International plc, individually and not as representative of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Notes to be purchased by any Underwriter the funds of which have not been received by the Closing Time, but such payment shall not relieve such Underwriter from its obligations hereunder.

(e) The Company acknowledges and agrees that each Underwriter is acting solely in the capacity of an arm's length contractual counterparty to the Company with respect to the offering of Notes contemplated hereby (including in connection with determining the terms of the offering) and not as a financial advisor or a fiduciary to, or an agent of, the Company or any other person. Additionally, neither the Representatives nor any other Underwriter is advising the Company or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Company shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and neither the Representatives nor any other Underwriter shall have any responsibility or liability to the Company with respect thereto. Any review by the Representatives or any Underwriter of the Company, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Representatives or such Underwriter and shall not be on behalf of the Company or any other person.

(f) The Settlement Bank acknowledges that the Notes represented by the Global Notes will initially be credited free of payment to an account (the "Commissionaire Account") for the benefit of Citigroup Global Markets Limited the terms of which include a third-party beneficiary clause ('*stipulation pour autrui*') with the Company as the third-party beneficiary and provide that such Notes are to be delivered to others only against payment of the net subscription monies for the Notes into the Commissionaire Account on a delivery against payment basis. The Settlement Bank acknowledges that (a) the Notes represented by the Global Notes shall be held to the order of the Company as set out above and (b) the net subscription monies for the Notes received in the Commissionaire Account will be held on behalf of the Company until such time as they are transferred to the Company's order. The Settlement Bank undertakes to transfer the net subscription monies for the Notes to the Company's order promptly following receipt of such monies in the Commissionaire Account. The Company acknowledges and accepts the benefit of the third-party beneficiary clause ('*stipulation pour autrui*') pursuant to the Civil Code of Belgium and Luxembourg, as applicable, in respect of the Commissionaire Account.

3. Representations, Warranties and Agreements of the Company. The Company represents and warrants to, and agrees with, each Underwriter as follows:

(c) *No Downgrade.* Subsequent to the earlier of (A) the Time of Sale and (B) the execution and delivery of this Agreement, (i) no downgrading shall have occurred in the rating accorded the Company’s debt securities by any “nationally recognized statistical rating organization”, as such term is defined under Section 3(a)(62) under the Exchange Act and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company’s debt securities.

(d) *No Material Adverse Change.* No event or condition of a type described in Section 3(g) hereof shall have occurred or shall exist, which event or condition is not described in each of the Time of Sale Information (excluding any amendment or supplement thereto) and the Prospectus (excluding any amendment or supplement thereto) the effect of which in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Notes on the terms and in the manner contemplated by this Agreement, the Time of Sale Information and the Prospectus.

(e) *Officer’s Certificate.* The Representatives shall have received on and as of the Closing Date a certificate of a senior executive officer of the Company who has specific knowledge of the Company’s financial matters and is reasonably satisfactory to the Representatives confirming (i) that such officer has carefully reviewed the Registration Statement, the Time of Sale Information and the Prospectus and (ii) to the effect set forth in Section 6(a), 6(b), 6(c) and 6(d) hereof.

(f) *Comfort Letters*. On the date of this Agreement and on the Closing Date, PricewaterhouseCoopers LLP shall have furnished to the Representatives, at the request of the Company, letters, dated the respective dates of delivery thereof and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in each of the Registration Statement, the Time of Sale Information and the Prospectus; provided that the letter delivered on the Closing Date shall use a "cut-off" date no more than three business days prior to the Closing Date.

(g) *Opinion of Associate General Counsel and Corporate Secretary of the Company*. The Associate General Counsel and Corporate Secretary of the Company shall have furnished to the Representatives, at the request of the Company, his written opinion, dated the Closing Date and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, to the effect set forth in Annex A hereto.

(h) *Opinion and Disclosure Letter of Counsel for the Company*. Latham & Watkins LLP, counsel for the Company, shall have furnished to the Representatives, at the request of the Company, their written opinions and disclosure letter, dated the Closing Date and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, to the effect set forth in Annex B hereto.

(i) *Opinion and Disclosure Letter of Counsel for the Underwriters*. The Representatives shall have received on and as of the Closing Date an opinion and disclosure letter of Simpson Thacher & Bartlett LLP, counsel for the Underwriters, with respect to such matters as the Representatives may reasonably request, and such counsel shall have received such documents and information as they may reasonably request to enable them to pass upon such matters.

(j) *No Legal Impediment to Issuance*. No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date, prevent the issuance or sale of the Notes; and no injunction or order of any federal, state or foreign court having jurisdiction over the Company shall have been issued that would, as of the Closing Date, prevent the issuance or sale of the Notes.

(k) *Good Standing*. The Representatives shall have received on and as of the Closing Date satisfactory evidence of the good standing of the Company and its domestic significant subsidiaries in their respective jurisdictions of organization and their good standing in such other jurisdictions as the Representatives may reasonably request, in each case in writing or any standard form of telecommunication from the appropriate governmental authorities of such jurisdictions.

(l) *Clearstream/Euroclear*. The Notes shall be eligible for clearance and settlement through Clearstream and Euroclear.

(m) *Indenture and Notes*. The Supplemental Indenture shall have been duly executed and delivered by a duly authorized officer of the Company, the Trustee, the Transfer Agent and the Paying Agent, and the Notes shall have been duly executed and delivered by a duly authorized officer of the Company and duly authenticated by the Trustee.

(n) *Agency Agreement*. The Representatives shall have received an executed copy of the Agency Agreement appointing The Bank of New York Mellon, London Branch as its Paying Agent and The Bank of New York Mellon Trust Company, N.A. as its Transfer Agent under the Indenture.

(o) *Exchange Listing*. The Company shall have applied to have the Notes admitted to the official list of Nasdaq and admitted to trading on Nasdaq.

(p) *Additional Documents.* On or prior to the Closing Date, the Company shall have furnished to the Representatives such further certificates and documents as the Representatives may reasonably request.

All opinions, letters, certificates and evidence mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

7. Indemnification and Contribution.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses reasonably incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, the Prospectus (or any amendment or supplement thereto), any Issuer Free Writing Prospectus or any Time of Sale Information, or caused by any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use therein.

(b) *Indemnification of the Company.* Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in Section 7(a), but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in the Registration Statement, any Preliminary Prospectus, the Prospectus (or any amendment or supplement thereto), any Issuer Free Writing Prospectus or any Time of Sale Information, it being understood and agreed that the only such information consists of the following: (i) the names of the Underwriters on the cover pages of the Preliminary Prospectus and the Prospectus; (ii) the names of the Underwriters in the table in the first paragraph under the caption "Underwriting" in the Preliminary Prospectus and the Prospectus; (iii) the third paragraph under the caption "Underwriting"; (iv) the second and third sentences in the eighth paragraph under the caption "Underwriting;" and (v) the ninth paragraph under the caption "Underwriting".

(c) *Notice and Procedures.* If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either Section 7(a) or 7(b), such person (the "Indemnified Person") shall promptly notify the person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under Section 7(a) or 7(b) except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided,

further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under Section 7(a) or 7(b). If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 7 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred against presentation or written invoices or statements therefore. Any such separate firm for any Underwriter, its affiliates, directors and officers and any control persons of such Underwriter shall be designated in writing by Citigroup Global Markets Limited, Merrill Lynch International and Mizuho International plc and any such separate firm for the Company, its directors, its officers who signed the Registration Statement and any control persons of the Company shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final non-appealable judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) *Contribution.* If the indemnification provided for in Section 7(a) or 7(b) is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Notes or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or

omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company from the sale of the Notes and the total underwriting discounts and commissions received by the Underwriters in connection therewith, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate offering price of the Notes. The relative fault of the Company on the one hand and the Underwriters on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) *Limitation on Liability.* The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in Section 7(d). The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in Section 7(d) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 7, in no event shall an Underwriter be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter with respect to the offering of the Notes exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 7 are several in proportion to their respective purchase obligations hereunder and not joint.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity.

8. Effectiveness of Agreement. This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

9. Termination. This Agreement may be terminated in the absolute discretion of the Representatives, by notice to the Company, if after the execution and delivery of this Agreement and on or prior to the Closing Date (i) trading generally shall have been suspended or materially limited on the New York Stock Exchange or the Nasdaq Global Market or the over-the-counter market; (ii) trading of any securities issued or guaranteed by the Company shall have been suspended on any exchange or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been declared by federal, New York State or European Union authorities or a material disruption in commercial banking or securities settlement or clearance; or (iv) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis, either within or outside the United States, that, in the judgment of the Representatives, is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Notes on the terms and in the manner contemplated by this Agreement, the Time of Sale Information and the Prospectus.

10. Defaulting Underwriter. (a) If, on the Closing Date, any Underwriter defaults on its obligation to purchase the Notes that it has agreed to purchase hereunder, the non-defaulting Underwriters may in their discretion arrange for the purchase of such Notes by other persons satisfactory to the Company on the terms contained in this Agreement. If, within 36 hours after any such default by any Underwriter, the non-defaulting Underwriters do not arrange for the purchase of such Notes, then the Company shall be entitled to a further period of 36 hours within which to procure other persons satisfactory to the non-defaulting Underwriters to purchase such Notes on such terms. If other persons become obligated or agree to purchase the Notes of a defaulting Underwriter, either the non-defaulting Underwriters or the Company may postpone the Closing Date for up to five full business days in order to effect any changes that in the opinion of counsel for the Company or counsel for the Underwriters may be necessary in the Registration Statement and the Prospectus or in any other document or arrangement, and the Company agrees to promptly prepare any amendment or supplement to the Registration Statement and the Prospectus that effects any such changes. As used in this Agreement, the term “Underwriter” includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule 2 hereto that, pursuant to this Section 10, purchases Notes that a defaulting Underwriter agreed but failed to purchase.

(b) If, after giving effect to any arrangements for the purchase of the Notes of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Company as provided in Section 10(a), the aggregate principal amount of such Notes that remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Notes, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Notes that such Underwriter agreed to purchase hereunder plus such Underwriter’s pro rata share (based on the principal amount of Notes that such Underwriter agreed to purchase hereunder) of the Notes of such defaulting Underwriter or Underwriters for which such arrangements have not been made.

(c) If, after giving effect to any arrangements for the purchase of the Notes of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Company as provided in Section 10(a), the aggregate principal amount of such Notes that remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Notes, or if the Company shall not exercise the right described in Section 10(b), then this Agreement shall terminate without liability on the part of the non-defaulting Underwriters. Any termination of this Agreement pursuant to this Section 10 shall be without liability on the part of the Company, except that the Company will continue to be liable for the payment of expenses as set forth in Section 11 hereof and except that the provisions of Section 7 hereof shall not terminate and shall remain in effect.

(d) Nothing contained herein shall relieve a defaulting Underwriter of any liability it may have to the Company or any non-defaulting Underwriter for damages caused by its default.

(e) For the avoidance of doubt, to the extent an Underwriter’s obligation to purchase Notes hereunder constitutes a BRRD Liability or UK Bail-In Liability (each as defined below) and such Underwriter does not, on the Closing Date, purchase the full amount of the Notes that it has agreed to purchase hereunder due to the exercise by the Relevant Resolution Authority (as defined below), or the relevant UK resolution authority, as applicable, of its powers under the relevant Bail-in Legislation or UK Bail-In Legislation (each as defined below), as applicable, as set forth in Section 17 with respect to such BRRD Liability or UK Bail-In Liability, as applicable, such Underwriter shall be deemed, for all purposes of this Section 10, to have defaulted on its obligation to purchase such Notes that it has agreed to purchase hereunder but has not purchased, and this Section 10 shall remain in full force and effect with respect to the obligations of the other Underwriters.

11. Payment of Expenses. (a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company will pay or cause to be paid all costs and expenses incident to the performance of its obligations hereunder, including without limitation, (i) the costs incident to the authorization, issuance, preparation, and sale and delivery of the Notes to the Underwriters and any taxes payable in that connection; (ii) the costs incident to the preparation, printing and filing under

the Securities Act of the Registration Statement, the Preliminary Prospectus, any Issuer Free Writing Prospectus, any Time of Sale Information and the Prospectus (including all exhibits, amendments and supplements thereto) and the distribution thereof; (iii) the costs of reproducing and distributing each of the Transaction Documents; (iv) the fees and expenses of the Company's counsel and independent registered public accounting firm; (v) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Notes under the laws of such jurisdictions as the Representatives may designate and the preparation, printing and distribution of a Blue Sky Memorandum (including the related fees and expenses of counsel for the Underwriters); (vi) any fees charged by rating agencies for rating the Notes; (vii) the fees and expenses of the Trustee and the Paying Agent (including related fees and expenses of any counsel to such parties), and of any registrar, transfer agent, calculation agent and authenticating agent; (viii) any expenses and application fees incurred in connection with the approval of the Notes for book entry transfer by and eligibility for clearance and settlement through Clearstream and Euroclear; (ix) all expenses and application fees incurred in connection with any filing with, and clearance of the offering by, the Financial Industry Regulatory Authority, Inc.; (x) all expenses and application fees related to the listing of the Notes on Nasdaq; and (xi) all expenses incurred by the Company in connection with any "road show" presentation to potential investors (a) prior to the launch of the offering in anticipation of the offering or (b) in connection with the sale of the Notes. It is understood, however, that, except as provided in this Section, Section 7 and Section 11(b) hereof, each Underwriter will pay the portion of its own costs and expenses, including the fees and disbursements of the counsel for the Underwriters, represented by such Underwriter's pro rata share (based on the principal amount of Notes that such Underwriter agreed to purchase hereunder) of the Notes.

(b) If (i) this Agreement is terminated pursuant to Section 9, (ii) the Company for any reason fails to tender the Notes for delivery to the Underwriters or (iii) the Underwriters decline to purchase the Notes for any reason permitted under this Agreement, the Company agrees to reimburse the Underwriters for all out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Underwriters in connection with this Agreement and the offering contemplated hereby.

12. Persons Entitled to Benefit of Agreement. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and any controlling persons referred to in Section 7, and the affiliates of each Underwriter referred to in Section 7 hereof. Nothing in this Agreement is intended or shall be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No purchaser of Notes from any Underwriter shall be deemed to be a successor merely by reason of such purchase.

13. Survival. The respective indemnities, rights of contribution, representations, warranties and agreements of the Company and the Underwriters contained in this Agreement or made by or on behalf of the Company or the Underwriters pursuant to this Agreement or any certificate delivered pursuant hereto shall survive the delivery of and payment for the Notes and shall remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company or the Underwriters.

14. Certain Defined Terms. For purposes of this Agreement, (a) except where otherwise expressly provided, the term "affiliate" has the meaning set forth in Rule 405 under the Securities Act; (b) the term "business day" means any day other than a day on which banks are permitted or required to be closed in New York City or London, England; (c) the term "subsidiary" has the meaning set forth in Rule 405 under the Securities Act; and (d) the term "significant subsidiary" has the meaning set forth in Rule 1-02 of Regulation S-X under the Exchange Act.

15. Compliance with USA Patriot Act. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), certain of the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

16. Recognition of the U.S. Special Resolution Regimes.

(i) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or any state of the United States.

(ii) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or any state of the United States.

The Stabilizing Manager for its own account may, to the extent permitted by applicable laws and directives, over-allot and effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail, but in doing so the Stabilizing Manager shall act as principal and not as agent of the Company and any loss resulting from over-allotment and stabilization shall be borne, and any profit arising therefrom shall be beneficially retained, by the Stabilizing Manager. However, there is no assurance that the Stabilizing Manager (or persons acting on behalf of the Stabilizing Manager) will undertake any stabilization action. Nothing contained in this paragraph shall be construed so as to require the Company to issue in excess of the aggregate principal amount of Notes specified in Schedule 2 hereto. Such stabilization, if commenced, may be discontinued at any time and shall be conducted by the Stabilizing Manager in accordance with all applicable laws and directives.

20. ICMA Agreement. (c) *Governing Law.* This Agreement and any claim, controversy or dispute arising under or related to this Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(d) *Judgment Currency.* If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder into any currency other than United States dollars, the parties hereto agree, to the fullest extent permitted by law, that the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Underwriters could purchase United States dollars with such other currency in The City of New York on the business day preceding that on which final judgment is given. The obligation of the Company with respect to any sum due from it to any Underwriter or any person controlling any Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first business day following receipt by such Underwriter or controlling person of such Underwriter of any sum in such other currency, and only to the extent that such Underwriter or controlling person of such Underwriter may in accordance with normal banking procedures purchase United States dollars with such other currency. If the United States dollars so purchased are less than the sum originally due to such Underwriter or controlling person of such Underwriter hereunder, the Company agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Underwriter or controlling person of such Underwriter against such loss. If the United States dollars so purchased are greater than the sum originally due to such Underwriter or controlling person of such Underwriter hereunder, such Underwriter or controlling person of such Underwriter agrees to pay to the Company an amount equal to the excess of the dollars so purchased over the sum originally due to such Underwriter or controlling person of such Underwriter hereunder. Any amounts payable by the Company or any Underwriter under this Subsection 20(d) shall be paid to the applicable Underwriter(s) or the Company (as applicable) as promptly as reasonably practicable.

(e) *Counterparts.* This Agreement may be signed in counterparts (which may include counterparts delivered by any standard form of telecommunication), each of which shall be an original and all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement, by such standard form of telecommunication (including any electronic signature complying with the New York Electronic Signatures and Records Act (N.Y. State Tech. §§ 301-309), as amended from time to time, or other applicable law) shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

(f) *Amendments or Waivers.* No amendment or waiver of any provision of this Agreement, nor any consent or approval to any departure therefrom, shall in any event be effective unless the same shall be in writing and signed by the parties hereto.

(g) *Headings.* The headings herein are included for convenience of reference only and are not intended to be part of, or to affect the meaning or interpretation of, this Agreement.

To

INDENTURE

Dated as of November 20, 2007

4.000% Senior Notes due 2035

ELEVENTH SUPPLEMENTAL INDENTURE (as hereinafter defined, the “**Eleventh Supplemental Indenture**”), dated as of September 11, 2025, between AVERY DENNISON CORPORATION, a Delaware corporation (the “**Company**”), and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., a national banking association, as Trustee (the “**Trustee**”).

WHEREAS, the Company and the Trustee executed and delivered an Indenture, dated as of November 20, 2007 (the “**Base Indenture**” and, together with the Eleventh Supplemental Indenture, the “**Indenture**”), to provide for the issuance by the Company of unsecured debentures, notes, bonds or other evidences of indebtedness in an unlimited amount to be issued from time to time in one or more series as provided in the Base Indenture;

WHEREAS, pursuant to a Resolution of the Pricing Committee of the Board, dated September 8, 2025, the Company authorized the creation and issuance of a series of its debt securities under the Indenture, designated as the “4.000 % Senior Notes due 2035” in the initial aggregate principal amount of €500,000,000 (the “**Notes**”);

WHEREAS, Section 14.01 of the Base Indenture provides that the Company, when authorized by a Board Resolution, and the Trustee, from time to time and at any time, may enter into one or more supplemental indentures to establish the forms and terms of Securities as permitted in Section 3.01 of the Base Indenture;

WHEREAS, the Company desires to establish the form and terms of the Notes in accordance with Sections 2.01 and 3.01 of the Base Indenture;

WHEREAS, the Company has determined that this Eleventh Supplemental Indenture is authorized and permitted by Section 14.01 of the Base Indenture and has delivered to the Trustee an Opinion of Counsel to that effect and an Officer’s Certificate pursuant to Section 3.03 of the Base Indenture to the effect that all conditions precedent provided for in the Base Indenture to the Trustee’s execution and delivery of this Eleventh Supplemental Indenture have been complied with;

WHEREAS, the Indenture is subject to the provisions of the Trust Indenture Act that are required to be part of the Indenture and shall, to the extent applicable, be governed by such provisions; and WHEREAS, all things necessary to make this Eleventh Supplemental Indenture a valid agreement of the Company, in accordance with its terms, and to make the Notes, when executed by the Company and authenticated and delivered by the Trustee, the valid obligations of the Company, have been performed, and the execution and delivery of this Eleventh Supplemental Indenture has been duly authorized in all respects.

NOW, THEREFORE, in consideration of the covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

ARTICLE 1 DEFINITIONS

Section 1.1 *Definition of Terms*. For all purposes of this Eleventh Supplemental Indenture, except as otherwise expressly provided or unless the context requires otherwise:

(a) a term defined in the Base Indenture and not otherwise defined herein has the same meaning when used in this Eleventh Supplemental Indenture; and

(b) the following terms have the meanings given to them in this Section 1.1(b) and shall have the meaning set forth below for purposes of this Eleventh Supplemental Indenture and the Base Indenture as it relates to the Notes created hereby:

“**Additional Notes**” shall have the meaning set forth in Section 6.1 hereof.

“**Applicable Law**” shall have the meaning set forth in Section 8.12 hereof.

“**Attributable Debt**” means, as to any particular lease under which any Person is at the time liable and at any date as of which the amount thereof is to be determined, the total net amount of rent required to be paid by such Person under such lease during the remaining primary term thereof, discounted from the respective due dates to such date at the actual percentage rate inherent in such arrangement as the Company has determined in good faith. The net amount of rent required to be paid under any such lease for any such period shall be the aggregate amount of the rent payable by the lessee with respect to such period after excluding amounts required to be paid on account of maintenance and repairs, insurance, taxes, assessments, water rates and similar charges. In the case of any lease which is terminable by the lessee upon the payment of a penalty, such net amount shall also include the amount of such penalty, but no rent shall be considered as required to be paid under such lease subsequent to the first date upon which it may be so terminated.

“**business day**” means each day which is not a Saturday, Sunday or other day (1) on which the trustee, paying agent, transfer agent and registrar or banking institutions are not required by law or regulation to be open in the State of New York or London and (2) on which the Trans-European Automated Real-time Gross Settlement Express Transfer system (known as TARGET or T2), or any successor or replacement thereto, operates.

“**Change of Control**” means the occurrence of any of the following:

(a) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or more series of related transactions, of all or substantially all of the Company’s assets and the Company’s Subsidiaries’ assets, taken as a whole, to any person, other than the Company or one of the Company’s Subsidiaries;

(b) the consummation of any transaction (including, without limitation, any merger or consolidation), the result of which is that any person becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the Company’s outstanding Voting Stock or other Voting Stock into which the Company’s Voting Stock is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares; or

(c) the adoption of a plan relating to the Company’s liquidation or dissolution.

Notwithstanding the foregoing, a transaction shall not be deemed to involve a Change of Control if (a) the Company becomes a direct or indirect wholly-owned Subsidiary of a holding company and (b)(1) the direct or indirect holders of the Voting Stock of such holding company immediately following that transaction are substantially the same as the holders of the Company’s’ Voting Stock immediately prior to that transaction or (2) immediately following that transaction no person (other than a holding company satisfying the requirements of this sentence) is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of such holding company. The term “person,” as used in this definition, has the meaning given thereto in Section 13(d)(3) of the Exchange Act.

“**Change of Control Offer**” shall have the meaning set forth in Section 3.2 hereof.

“Comparable Government Bond Rate” means, with respect to any Redemption Date, the price, expressed as a percentage (rounded to three decimal places, with 0.0005 being rounded upwards), at which the gross redemption yield on the Notes, if they were to be purchased at such price on the third business day prior to the date fixed for redemption, would be equal to the gross redemption yield on such business day of the Comparable Government Bond on the basis of the middle market price of the Comparable Government Bond prevailing at 11:00 a.m. (London time) on such business day as determined by an independent investment bank selected by the Company.

“Consolidated Net Tangible Assets” means the aggregate amount of assets (less applicable reserves and other properly deductible items) less (i) all liabilities, other than deferred income taxes and Funded Debt, and (ii) goodwill, trade names, trademarks, patents, organizational expenses and other like intangibles owned by the Company as well as the Company’s consolidated Subsidiaries and computed in accordance with generally accepted accounting principles.

“Debt” means debt issued, assumed or guaranteed by the Company or a Subsidiary for money borrowed.

“Discharged” means that the Company will be deemed to have paid and discharged the entire indebtedness represented by, and obligations under, the Notes and to have satisfied all the obligations under the Indenture (and the Trustee, at the expense of the Company, will have executed proper instruments acknowledging the same), except (a) the rights of Holders to receive, from the trust fund described in paragraph (1) above, payment of the principal of, premium, if any, and interest on such Notes when such payments are due, (b) the Company’s obligations with respect to the Notes under the Indenture and (c) the rights, powers, trusts, duties and immunities of the Trustee under the Indenture.

“**Interest Period**” shall have the meaning set forth in Section 2.3(b) hereof.

“**Investment Grade**” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, and the equivalent Investment Grade credit rating from any replacement Rating Agency or Rating Agencies selected by the Company.

“**Lien**” means any lien, mortgage or pledge.

“**Moody’s**” means Moody’s Investors Service, Inc., and its successors.

“**Prospectus Supplement**” means the prospectus supplement relating to the Notes dated September 8, 2025.

“**Rating Agencies**” means (a) each of Moody’s and S&P; and (b) if either Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) of the Exchange Act selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Moody’s or S&P, or each of them, as the case may be.

“**Rating Event**” means the rating on the Notes is lowered by each of the Rating Agencies and the Notes are rated below Investment Grade by each of the Rating Agencies on any day within the 60-day period (which 60-day period will be extended so long as the rating of the Notes is under publicly announced consideration for a possible downgrade by any of the Rating Agencies) after the earlier of (1) the occurrence of a Change of Control and (2) public notice of the occurrence of a Change of Control or the Company’s intention to effect a Change of Control; *provided, however*; that a Rating Event otherwise arising by virtue of a particular reduction in rating will not be deemed to have occurred in respect of a particular Change of Control (and thus will not be deemed a Rating Event for purposes of the definition of Change of Control Triggering Event) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Company in writing that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control has occurred at the time of the Rating Event). “**Remaining Scheduled Payments**” means the remaining scheduled payments of the principal and interest on the Notes to be redeemed that would be due after the related Redemption Date but for such redemption; *provided, however*, that if such Redemption Date is not an Interest Payment Date, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to, but not including, such Redemption Date.

“**Subsidiary**” means, when used with respect to any Person, any corporation or other entity of which a majority of (a) the voting power of the voting equity securities or (b) in the case of a partnership of any other entity other than a corporation, the outstanding equity interests of which are owned, directly or indirectly, by such Person. For the purposes of this definition, “**voting equity securities**” means equity securities having voting power for the election of directors, whether at all times or only so long as no senior class of securities has such voting power by reason of any contingency.

“**S&P**” means S&P Global Ratings, and its successors.

“**Voting Stock**” means, with respect to any specified “person” (as that term is used in Section 13(d)(3) of the Exchange Act) as of any date, the capital stock of such person that is at the time entitled to vote generally in the election of the board of directors of such person.

ARTICLE 2

GENERAL TERMS AND CONDITIONS OF THE NOTES

Section 2.1 **Designation and Principal Amount.** The Notes may be issued from time to time upon written order of the Company for the authentication and delivery of the Notes pursuant to Sections 3.01 and 3.03 of the Base Indenture. There is hereby authorized a series of Securities designated as the “4.000 % Senior Notes due 2035,” initially limited in aggregate principal amount to €500,000,000 (except upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 3.03, 3.04, 3.06, 4.06 and 14.05 of the Base Indenture).

Section 2.2 **Stated Maturity.** The date upon which the Notes shall become due and payable at final maturity, together with any accrued and unpaid interest, shall be September 11, 2035.

Section 2.3 **Interest.**

(a) The Notes shall bear interest at the rate of 4.000% per annum. The date from which interest shall accrue on the Notes shall be September 11, 2025. Interest on the Notes shall be payable annually in arrears on September 11 of each year, beginning on September 11, 2025, to the Persons in whose name the respective Notes are registered at the close of business on the Regular Record Date for such Interest Payment Date, except as provided in Section 2.3(d) hereof.

(b) Interest payable on any Interest Payment Date, the Stated Maturity or, if applicable, any Redemption Date or otherwise at Maturity shall be the amount of interest accrued from, and including, the immediately preceding Interest Payment Date in respect of which interest has been paid or duly provided for (or from and including the original issue date of September 11, 2025, if no interest has been paid or duly provided for with respect to the Notes) to, but excluding, such Interest Payment Date, Stated Maturity or, if applicable, Redemption Date or other Maturity, as the case may be (each, an “**Interest Period**”).

(c) Interest on the Notes will be computed on the basis of the actual number of days in the Interest Period. This payment convention is referred to as ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association. In the event that any scheduled Interest Payment Date for the Notes falls on a day that is not a business day, then payment of interest payable on such Interest Payment Date shall be postponed to the next succeeding day which is a business day (and no interest on such payment shall accrue for the period from and after such scheduled Interest Payment Date).

(d) In the event that the Stated Maturity, any Redemption Date or other Maturity falls on a day that is not a business day, then the related payments of principal, premium, if any, and interest may be made on the next succeeding day that is a business day (and no additional interest shall accumulate on the amount payable for the period from and after the Stated Maturity or any Redemption Date or other Maturity). Interest due on the Stated Maturity or any Redemption Date or other Maturity (in each case, whether or not an Interest Payment Date) on any of the Notes shall be paid to the Person to whom principal of the Notes is payable.

Section 2.4 **Place of Payment and Appointment.** Principal of, premium, if any, interest and additional amounts, if any, on the Notes shall be payable at the office or agency of the Company maintained for such purpose in London, England, which shall initially be a corporate trust office or agency of the Paying Agent in London, England; *provided, however,* that payment of interest may be made at the option of the Company by check mailed to the Person entitled thereto at such address as shall appear in the Security Register or by wire transfer to an account appropriately designated by the Person entitled to payment; and *provided, further,* the Company shall pay principal of, premium, if any, interest and additional amounts, if any, on the Notes in global form registered in the name of or held by The Bank of New York Depository (Nominees) Limited, or such other Depository as any officer of the Company may from time to time designate, or its respective nominee, by wire in immediately available funds to such Depository or its nominee, as the case may be, as the Holder of such Notes in global form. The transfer of the Notes shall be registrable and the Notes shall be exchangeable for Notes of a like aggregate principal amount at the office or agency of the Company maintained for such purpose in New York, New York, which shall initially be a corporate trust office of the Trustee or its affiliate.

The transfer agent and Security Registrar for the Notes shall initially be the Trustee. The Paying Agent for the Notes shall initially be The Bank of New York Mellon, London Branch pursuant to a Paying Agency Agreement, dated as of September 11, 2025, between the Company and The Bank of New York Mellon, London Branch.

Section 2.5 **Defeasance.** The Company may elect, at its option at any time, to have Article XII of the Base Indenture apply to the Notes, except that, with respect to the Notes, Section 12.03(c) of the Base Indenture is replaced with the following: The Company shall have delivered to the Trustee an Opinion of Counsel to the effect that holders and beneficial owners of the Securities of such series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the Company's exercise of its option under this Section and will be subject to U.S. federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such action had not been exercised and, in the case of the Securities of such series being Discharged, such Opinion of Counsel shall be based on either a change in applicable U.S. federal income tax law since the date of the Indenture or a ruling received by the Company from, or that is published by, the U.S. Internal Revenue Service.

Section 2.6 **Denominations.** The Notes shall be issuable only in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof.

Section 2.7 **Global Securities.** The Notes shall be issued initially by one or more registered notes in global form (“**global notes**”), but in certain limited circumstances may be represented by notes in the form of a permanent Global Security in registered form deposited with or for the account of The Bank of New York Mellon, London Branch, or such other Depository as any officer of the Company may from time to time designate. The Notes shall be registered in the name of the nominee of such Depository, for, and in respect of interests held through, Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking, S.A. (“**Clearstream**”). Unless and until each such Global Security is exchanged for Notes in certificated form, the Global Security may be transferred, in whole but not in part, only to a Depository for Euroclear or Clearstream or their nominee.

If the applicable Depository is at any time unwilling or unable to continue as Depository for any of the global notes and a successor Depository is not appointed by the Company within 90 days, or if the Company has been notified that both Clearstream and Euroclear have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available, the Company shall issue the Notes in definitive registered form in exchange for the applicable global notes. The Company shall also issue the Notes in definitive registered form in exchange for the global notes if an Event of Default has occurred with regard to the Notes represented by the global notes and has not been cured or waived.

The Company may at any time and in its sole discretion determine not to have the Notes represented by the global notes and, in that event, will issue the Notes in definitive registered form in exchange for the global notes. In any such instance, an owner of a beneficial interest in the global notes will be entitled to physical delivery in definitive registered form of the Notes represented by the global notes equal in principal amount to such beneficial interest and to have such notes registered in its name. The Notes so issued in definitive form will be issued as registered in minimum denominations of €100,000 and integral multiples of €1,000 thereafter, unless otherwise specified by the Company. The Notes in definitive form can be transferred by presentation for registration to the registrar at the Company’s office or agency for such purpose and must be duly endorsed by the holder or his attorney duly authorized in writing, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Company or the registrar duly executed by the holder or his attorney duly authorized in writing. The Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer of definitive notes.

Section 2.8 **Form of the Notes.** The form of the Notes and the Trustee’s Certificate of Authentication to be endorsed thereon shall be substantially in the form attached as Exhibit A hereto, with such changes therein as the officers of the Company executing the Notes (by manual or electronic signature) may approve, such approval to be conclusively evidenced by their execution thereof.

Section 2.9 **No Sinking Fund.** The Notes shall not be entitled to the benefit of any sinking fund.

Section 2.10 **Unavailability of Euros.** If the Euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company’s control or if the Euro is no longer being used by the then member states of the European Monetary Union that have previously adopted the Euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Notes will be made in U.S. Dollars until the Euro is again available to the Company or so used. The amount payable on any date in Euros will be converted to U.S. Dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second business day prior to the relevant payment date or, in the event the U.S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the most recent U.S. Dollar/Euro exchange rate published in The Wall Street Journal on or prior to the second business day prior to the relevant payment date, or in the event The Wall Street Journal has not published such exchange rate, such rate as determined in the Company’s sole discretion on the basis of the most recently available market exchange rate for the Euro. Neither the Trustee nor the Paying Agent shall have any responsibility for monitoring exchange rates or effecting conversions.

Section 2.11 *Additional Amounts.*

(a) All payments of principal and interest in respect of the Notes will be made free and clear of, and without deduction or withholding for or on account of, any present or future taxes, duties, assessments or other governmental charges of whatsoever nature required to be deducted or withheld by the United States or any political subdivision or taxing authority thereof or therein, unless such withholding or deduction is then required by law or the official interpretation or administration thereof.

(b) In the event any withholding or deduction on payments in respect of the Notes for or on account of any present or future tax, assessment or other governmental charge is required to be deducted or withheld by the United States or any political subdivision or taxing authority thereof or therein, the Company shall pay such additional amounts on the Notes as will result in receipt by each Holder of a Note that is not a U.S. Person (as defined below) of such amounts (after all such withholding or deduction, including on any additional amounts) as would have been received by such Holder had no such withholding or deduction been required. The Company shall not be required, however, to make any payment of additional amounts for or on account of:

(i) any tax, assessment or other governmental charge that would not have been imposed but for (A) the existence of any present or former connection (other than a connection arising solely from the ownership of those Notes or the receipt of payments in respect of those Notes) between a Holder of a Note (or the beneficial owner for whose benefit such Holder holds such Note), or between a fiduciary, settlor, beneficiary of, member or shareholder of, or possessor of a power over, that Holder or beneficial owner (if that Holder or beneficial owner is an estate, trust, partnership or corporation) and the United States, including that Holder or beneficial owner, or that fiduciary, settlor, beneficiary, member, shareholder or possessor, being or having been a citizen or resident or treated as a resident of the United States or being or having been engaged in a trade or business or present in the United States or having had a permanent establishment in the United States or (B) the presentation of a Note for payment on a date more than 30 days after the later of the date on which that payment becomes due and payable and the date on which payment is duly provided for;

(ii) any estate, inheritance, gift, sales, transfer, capital gains, excise, personal property, wealth or similar tax, assessment or other governmental charge;

(iii) any tax, assessment, or other governmental charge imposed by reason of the Holder's or beneficial owner's past or present status as a passive foreign investment company, a controlled foreign corporation, a foreign tax exempt organization or a personal holding company with respect to the United States or as a corporation that accumulates earnings to avoid U.S. federal income tax;

(iv) any tax, assessment or other governmental charge which is payable otherwise than by withholding or deducting from payment of principal of or premium, if any, or interest on such Notes;

(v) any tax, assessment or other governmental charge required to be withheld by any paying agent from any payment of principal of and premium, if any, or interest on any Note if that payment can be made without withholding by at least one other paying agent;

(vi) any tax, assessment or other governmental charge which would not have been imposed but for the failure of a beneficial owner or any Holder of Notes that is not a U.S. Person to establish its status as such when doing so is required in order to qualify for exemption for U.S. withholding tax or to otherwise satisfy certification, information, documentation or other reporting requirements concerning the nationality, residence, identity or connections with the United States of the beneficial owner or any Holder of the Notes (including, but not limited to, the requirement to provide Internal Revenue Service Forms W-8BEN, W-8BEN-E, W-8ECI, or any subsequent versions thereof or successor thereto, and including, without limitation, any documentation requirement under an applicable income tax treaty that is necessary to qualify for exemption or reduction of the applicable rate of U.S. withholding tax);

(vii) any tax, assessment or other governmental charge imposed on interest due to the Holder's or beneficial owner's status as (A) a 10-percent shareholder (as defined in Section 871(h)(3)(B) of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), and the regulations that may be promulgated thereunder) of the Company, (B) a controlled foreign corporation that is related to the Company within the meaning of Section 864(d)(4) of the Code, or (C) a bank receiving interest described in Section 881(c)(3)(A) of the Code;

(viii) any tax, assessment or other governmental charge required to be withheld or deducted under Sections 1471 through 1474 of the Code (or any amended or successor version of such Sections that is substantively comparable) (such Sections commonly referred to as the Foreign Account Tax Compliance Act, or "FATCA"), any regulations or other guidance thereunder, or any agreement (including any intergovernmental agreement) entered into in connection therewith; or any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA or an intergovernmental agreement in respect of FATCA; or

(ix) any combination of items (i) through (viii) of this Section 2.11(b);

nor will the Company pay any additional amounts to any Holder that is not the sole beneficial owner of such Notes, or a portion of such Notes, or that is a fiduciary or partnership or a limited liability company, to the extent that a beneficiary or settlor with respect to that fiduciary or a member of that partnership or limited liability company or a beneficial owner thereof would not have been entitled to the payment of those additional amounts had that beneficiary, settlor, member or beneficial owner been the Holder of those Notes.

(c) The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to the Notes. Except as specifically provided under this Section 2.11, the Company shall not be required to make any payment for any tax, assessment or other governmental charge imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision.

(d) As used in this Section 2.11 and in Section 3.3 hereof, the term "United States" means the United States of America, the states of the United States, and the District of Columbia, and the term "U.S. Person" means any individual who is a citizen or resident of the United States for U.S. federal income tax purposes, a corporation, partnership or other entity created or organized in or under the laws of the United States, any state of the United States or the District of Columbia (other than a partnership that is not treated as a United States person under any applicable U.S. Treasury regulations), or any estate or trust the income of which is subject to United States federal income taxation regardless of its source.

(e) Any reference in the terms of the Notes to any amounts in respect of the Notes shall be deemed also to refer to any additional amounts which may be payable under this Section 2.11.

ARTICLE 3
REDEMPTION OF THE NOTES

Section 3.1 *Optional Redemption by the Company.*

(a) Subject to the terms of the Indenture, prior to June 11, 2035 (the date falling three months prior to the maturity date of the Notes) (the “Par Call Date”), the Notes shall be redeemable in whole or in part, at the Company’s option, at any time and from time to time at a redemption price (the “**Optional Redemption Price**”) equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed; and

(ii) an amount equal to the sum of the present values of the Remaining Scheduled Payments of principal and interest thereon that would have been payable in respect of the notes calculated as if the maturity date of the notes was the Par Call Date, not including any portion of any payments of interest accrued to the redemption date, discounted to such redemption date on an annual basis (ACTUAL/ACTUAL (ICMA)) at the applicable Comparable Government Bond Rate, plus 25 basis points, plus, in the case of each of (i) and (ii), accrued and unpaid interest on the notes, if any, to, but not including, the redemption date.

(b) On or after the Par Call Date, we may redeem the notes, at our option, in whole or in part, at any time from time to time, at a redemption price equal to 100% of the principal amount of the notes to be redeemed, plus accrued and unpaid interest on the notes, if any, to, but not including, the redemption date.

(c) If the Redemption Date is after a Regular Record Date and on or prior to a corresponding Interest Payment Date, the full amount of accrued and unpaid interest due on such Interest Payment Date will be paid to the Holder of record at the close of business on the corresponding Regular Record Date. The Company’s actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error. The Trustee shall not be responsible for the determination or calculation of the redemption price.

(d) Notice of any redemption shall be mailed (or otherwise electronically delivered) not less than 10 days and not more than 60 days prior to the Redemption Date to each Holder of Notes to be redeemed. In connection with any redemption of Notes, any such redemption may, at the Company’s discretion, be subject to one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company’s discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the Redemption Date (whether the original Redemption Date or the Redemption Date so delayed). In addition, the Company may provide in such notice that payment of the Optional Redemption Price and performance of the Company’s obligations with respect to such redemption may be performed by another person.

(e) Unless the Company defaults in payment of the Optional Redemption Price, from and after the Redemption Date, interest shall cease to accrue on the Notes or portions thereof called for redemption. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by lot and may provide for the selection for redemption of a portion of the principal amount of Notes held by a Holder equal to an authorized denomination. If the Company redeems less than all of the Notes and the Notes are then held in book-entry form, the redemption will be made in accordance with the Depository’s customary procedures.

Section 3.2 *Change of Control Triggering Event.*

(a) If a Change of Control Triggering Event occurs, unless the Company has exercised its option to redeem the Notes as described in Section 3.1 hereof, the Company shall be required to make an offer (a “**Change of Control Offer**”) to each Holder of the Notes to repurchase all or any part (equal to €100,000 or an integral multiple of €1,000 in excess thereof) of that Holder’s Notes on the terms set forth in the Notes. In a Change of Control Offer, the Company shall be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to, but not including, the repurchase date (a “**Change of Control Payment**”), subject to the rights of the Holders on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control Triggering Event or, at the Company’s option, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, a notice shall be mailed (or electronically delivered) to Holders describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase such Notes on the repurchase date specified in the applicable notice, which date shall be no earlier than 30 days and no later than 60 days from the date on which such notice is mailed (or electronically delivered) (a “**Change of Control Payment Date**”).

(b) The notice shall, if mailed (or electronically delivered) prior to the date of consummation of the Change of Control, state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring prior to or on the applicable Change of Control Payment Date specified in the notice.

(c) On each Change of Control Payment Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the applicable Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered pursuant to the applicable Change of Control Offer; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer’s Certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

(d) The Company shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company, and the third party repurchases all Notes properly tendered and not withdrawn under its offer. In addition, the Company shall not repurchase any Notes if there has occurred and is continuing on the Change of Control Payment Date an Event of Default under the Indenture, other than a default in the payment of the Change of Control Payment upon a Change of Control Triggering Event.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Company shall comply with those securities laws and regulations and shall not be deemed to have breached the Company’s obligations under the Change of Control Offer provisions of the Notes by virtue of any such conflict.

Section 3.3 **Tax Redemption.** If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws or treaties) of the United States (or any political subdivision of or taxing authority in the United States), or any change in, or amendment to, an official position regarding the application or interpretation of such laws, regulations, rulings or treaties, which change or amendment is announced or becomes effective on or after the date of this Indenture, the Company becomes or, based upon a written opinion of independent counsel selected by the Company, there is a substantial probability that the Company shall become, obligated to pay additional amounts pursuant to Section 2.11 with respect to the Notes, then the Company may at any time at its option redeem, in whole, but not in part, the Notes on not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of their principal amount, together with accrued and unpaid interest on the Notes to, but not including, the Redemption Date.

ARTICLE 4 COVENANTS

Section 4.1 **Restriction on Secured Debt.** The Company will not, nor will it permit any of its Subsidiaries to, incur, issue, assume or guarantee any Debt secured by a Lien on any of its or any Subsidiary's Principal Property, or on any share of capital stock or Debt of any Subsidiary, unless the Company secures or causes such Subsidiary to secure the Notes equally and ratably with (or, at the Company's option, prior to) such secured Debt, for so long as such secured Debt is so secured; *provided, however*, that the foregoing restrictions will not apply to Debt secured by the following:

(a) any Lien existing on the date of this Indenture;

(b) Liens on property of, or on any shares of capital stock of or Debt of, any Person existing at the time such Person is merged with or into or consolidated with the Company or any Subsidiary or otherwise becomes a Subsidiary;

(c) Liens in the Company's favor or in favor of any Subsidiary;

(d) Liens in favor of governmental bodies to secure progress, advance or other payments pursuant to any contract or provision of any statute;

(e) Liens on property existing at the time of acquisition thereof by the Company or any Subsidiary;

(f) any Lien securing indebtedness incurred to finance the purchase price or cost of construction of property (or additions, substantial repairs, alterations or substantial improvements thereto), provided that such Lien and the indebtedness secured thereby are incurred within twelve months of the later of acquisition or completion of construction (or addition, repair, alteration or improvement) and full operation thereof;

(g) Liens securing industrial revenue bonds, pollution control bonds or similar types of bonds;

(h) mechanics and similar Liens arising in the ordinary course of business in respect of obligations not due or being contested in good faith;

(i) Liens arising from deposits with, or the giving of any form of security to, any governmental agency required as a condition to the transaction of business or exercise of any privilege, franchise or license;

(j) Liens for taxes, assessments or governmental charges or levies which are not then delinquent or are being contested in good faith;

(k) Liens put on any property in contemplation of its disposition, provided the Company has a binding agreement to sell at the time the Lien is imposed and the Company disposes of the property within one year after the creation of the Liens and that any indebtedness secured by the Liens is without recourse to the Company or any of its Subsidiaries;

(l) Liens (including judgment liens) arising from legal proceedings being contested in good faith (and, in the case of judgment liens, execution thereof is stayed); and

(m) any amendment, extension, renewal or replacement of any Liens referred to in the foregoing clauses (a) through (l) inclusive or any Debt secured thereby, provided that such extension, renewal or replacement shall be limited to all or part of the same property, shares of capital stock or Debt that secured the Lien extended, renewed or replaced.

Notwithstanding the foregoing, the Company and its Subsidiaries may issue, assume or guarantee Debt secured by a Lien which would otherwise be subject to the restrictions described above, provided that the aggregate amount of all such secured Debt, together with all the Company's and its Subsidiaries' Attributable Debt with respect to sale and leaseback transactions involving Principal Properties (with the exception of such transactions which are excluded as described in clauses (a) through (e) of Section 4.2), may not exceed 15% of Consolidated Net Tangible Assets.

Section 4.2 **Restriction on Sale and Leaseback Transactions**. The Company will not, nor will it permit any of its Subsidiaries to, enter into any arrangement with any Person (other than the Company or a Subsidiary), or to which any such Person is a party, providing for the leasing to the Company or a Subsidiary of any Principal Property that has been or is to be sold or transferred by the Company or such Subsidiary to such Person or to any other Person (other than the Company or a Subsidiary), to which the funds have been or are to be advanced by such Person on the security of the leased property (a "**sale and leaseback transaction**") involving any Principal Property, *provided, however*, the Company or any of its Subsidiaries may enter into a sale and leaseback transaction if any of the following occurs:

(a) the lease is for a period, including renewal rights, of not in excess of three years;

(b) the sale or transfer of the Principal Property is made at the time of, or within 360 days after, the later of its acquisition or completion of construction;

(c) the lease secures or relates to industrial revenue bonds, pollution control bonds or other similar types of bonds;

(d) the transaction is between the Company and a Subsidiary or between Subsidiaries;

(e) the Company or a Subsidiary, within 360 days after the Company or a Subsidiary makes a sale or transfer, applies an amount equal to the greater of the net proceeds of the sale of the Principal Property leased pursuant to such arrangement or the fair market value of the Principal Property so leased at the time of entering into such arrangement (as determined in any manner approved by the board of directors) to:

(i) the retirement of the Notes or the Company's other Funded Debt ranking on a parity with or senior to the Notes, or the retirement of the securities or other Funded Debt of a Subsidiary; *provided, however*, that the amount to be applied to the retirement of the Company's Funded Debt or a Subsidiary's Funded Debt shall be reduced by (x) the principal amount of any Notes (or other notes or debentures constituting such Funded Debt) delivered within such 360 day period to the Trustee for retirement and cancellation and (y) the principal amount of such Funded Debt, other than items referred to in the preceding clause (x), voluntarily retired by the Company or a Subsidiary within 360 days after such sale; and *provided further*, that notwithstanding the foregoing, no retirement referred to in this subclause (i) may be effected by payment at maturity or pursuant to any mandatory sinking fund payment or any mandatory prepayment provision, or

(ii) the purchase of other property which shall constitute a Principal Property having a fair market value, in the Company's determination, at least equal to the fair market value of the Principal Property leased in such sale and leaseback transaction; or

(f) after giving effect to the transaction, the aggregate amount of all Attributable Debt with respect to such transactions plus all Debt secured by Liens on Principal Properties, or on shares of capital stock or Debt of Subsidiaries (with the exception of secured Debt which is excluded as described in Section 4.1), would not exceed 15% of Consolidated Net Tangible Assets.

Section 4.3 **Existence**. Except as otherwise permitted by Section 6.04 of the Base Indenture, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a corporation or other Person.

ARTICLE 5 EVENTS OF DEFAULT

Section 5.1 **Events of Default**. The following "Events of Default" shall apply with respect to the Notes (notwithstanding Section 7.01 of the Base Indenture, which shall be deemed amended and restated, and superseded, by the following):

"**Event of Default**" means, with respect to the Notes, any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law, pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in any payment of interest on the Notes when due and payable and the default continues for a period of 30 days;
- (2) default in the payment of principal of, and premium, if any, on the Notes when due and payable at Maturity, upon required repurchase, upon acceleration, by call for redemption or otherwise;
- (3) the failure of the Company for 90 days (or 120 days in the case of a breach of Section 10.02 of the Base Indenture) to comply with any of its other agreements contained in this Indenture or the Notes after written notice of such Default from the Trustee or Holders of at least 25% in principal amount of the Notes then Outstanding has been received by the Company;

(4) the Company fails to pay at maturity or the acceleration of any of its or its Subsidiaries' indebtedness, other than non-recourse indebtedness, at any one time in an amount in excess of \$100 million, if the indebtedness is not discharged or the acceleration is not annulled within 30 days after written notice to the Company by the Trustee or the Holders of at least 25% in principal amount of the Outstanding Notes;

(5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or (B) a decree or order adjudging the Company bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding-up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 90 consecutive days; or

Section 5.2 ***Acceleration of Maturity Upon Certain Events of Default***. The following provision shall apply with respect to the Notes (notwithstanding Section 7.02(a) of the Base Indenture, which shall be deemed amended and restated, and superseded, by the following):

If any one or more of the above-described Events of Default shall happen (other than an Event of Default specified in Sections 5.1(5) or (6) above) with respect to the Notes at the time Outstanding, then, and in each and every such case, during the continuance of any such Event of Default, the Trustee or the Holders of 25% or more in principal amount of the Notes then Outstanding may (and upon the written request of the Holders of a majority in principal amount of such Notes then Outstanding, the Trustee shall) declare the principal of and all accrued but unpaid interest on all the Notes then Outstanding, if not then due and payable, to be due and payable, and upon any such declaration the same shall become and be immediately due and payable, anything in this Indenture or in Notes contained to the contrary notwithstanding. If an Event of Default specified in Sections 5.1(5) or (6) above occurs, then the principal of and all accrued but unpaid interest on all the Notes then Outstanding will *ipso facto* become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. Upon payment of such amounts in the Currency in which the Notes are denominated (except as otherwise provided pursuant to Section 3.01 of the Base Indenture), all obligations of the Company in respect of the payment of principal of and interest on the Notes shall terminate.

ARTICLE 6

ADDITIONAL NOTES

Section 6.1 *Additional Notes*. Subject to the terms and conditions contained herein, the Company may from time to time, without notice to or the consent of the existing Holders, create and issue additional notes (the “**Additional Notes**”) ranking equally and ratably with the Notes in all respects (or in all respects except for the payment of interest accruing prior to the issue date of such Additional Notes or except, in some cases, for the first payment of interest following the issue date of such Additional Notes). Any such Additional Notes, at the Company’s determination and in accordance with provisions of the Indenture, may be consolidated with and form a single series with the previously outstanding Notes for all purposes of the Indenture; *provided*, that if any such Additional Notes are not fungible with the previously outstanding Notes for U.S. federal income tax purposes, such Additional Notes will be issued under a different CUSIP number.

Section 6.2 *Additional Notes Terms*. With respect to any Additional Notes, the Company shall set forth in a Board Resolution and in an Officer’s Certificate, a copy of each of which shall be delivered to the Trustee, the following information:

(a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture; and

(b) the issue price, the issue date and the CUSIP number of such Additional Notes and the amount of interest payable on the first payment date applicable thereto.

For the avoidance of doubt, in addition to the Officer’s Certificate, the Trustee shall also receive an Opinion of Counsel regarding the enforceability of the Additional Notes, together with the Opinion of Counsel required under Sections 14.01 and 16.01 of the Base Indenture.

ARTICLE 7

SUPPLEMENTAL INDENTURES

Section 7.1 *Supplemental Indentures Without Consent of Holders*. The following provisions relating to supplemental indentures shall apply with respect to the Notes (notwithstanding Section 14.01 of the Base Indenture, which shall be deemed amended and restated, and superseded, by the following):

The Company (when authorized by a Board Resolution) and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any one or more of or all the following purposes:

(1) to add to the covenants and agreements of the Company to be observed thereafter and during the period, if any, in such supplemental indenture or indentures expressed, and to add Events of Defaults, in each case for the protection or benefit of the Holders, or to surrender any right or power herein conferred upon the Company;

(2) to add to or change any of the provisions of this Indenture to change or eliminate any restrictions on the payment of principal of, or premium, if any, on the Notes (*provided* that any such action shall not adversely affect the interests of the Holders in any material respect) or to permit or facilitate the issue of the Notes in uncertificated form (*provided* that the uncertificated notes are issued in registered form for purposes of Section 163(f) of the Internal Revenue Code of 1986, as amended);

(3) to change or eliminate any of the provisions of this Indenture; *provided* that any such change or elimination shall become effective only when there are no Notes then outstanding created prior to the execution of such supplemental indenture that are entitled to the benefit of such provision and as to which such supplemental indenture would apply;

(4) to evidence the succession of another corporation to the Company, or successive successions, and the assumption by such successor of the covenants and obligations of the Company contained in the Notes and in this Indenture or any supplemental indenture;

(5) to evidence and provide for the acceptance of appointment hereunder by a successor trustee with respect to the Notes and to add to or change any of the provisions of this Indenture as shall be necessary for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 11.06(c) of the Base Indenture;

(6) to secure the Notes;

(7) to cure any ambiguity or to correct or supplement any provision contained herein or in any indenture supplemental hereto which may be defective or inconsistent with any other provision contained herein or in any supplemental indenture;

(8) to comply with the requirements of the Trust Indenture Act or the rules and regulations of the SEC thereunder in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act, as contemplated by this Indenture or otherwise;

(9) to add guarantors or co-obligors with respect to the Notes;

(10) to make any change in the Notes that does not adversely affect in any material respect the interests of the Holders; *provided* that no such change shall be deemed to adversely affect the Holders if such change is made to conform the terms of the Notes to the terms described in the Prospectus Supplement;

(11) to prohibit the authentication and delivery of additional series of Notes; or

(12) to establish the form and terms of the Notes as permitted in this Indenture or to authorize the issuance of additional debt securities previously authorized or to add to the conditions, limitations or restrictions on the authorized amount, terms or purposes of issue, authentication or delivery of the Notes, as set forth in this Indenture, or other conditions, limitations or restrictions thereafter to be observed.

Section 7.2 **Supplemental Indentures With Consent of Holders.** The following provisions relating to supplemental indentures shall apply with respect to the Notes (notwithstanding Section 14.02 of the Base Indenture, which shall be deemed amended and restated, and superseded, by the following):

With the consent of the Holders of a majority in aggregate principal amount of the Outstanding Notes, the Company (when authorized by a Board Resolution) and the Trustee may, from time to time and at any time, enter into an indenture or indentures supplemental to this Indenture for the purpose of adding any provisions to or changing in any manner or eliminating any provisions of this Indenture or modifying in any manner the rights of the Holders; *provided, however*; that no such supplemental indenture will, without the consent of each Holder affected thereby:

(1) extend the Stated Maturity of the principal of, or any installment of interest on, the Notes, or reduce the principal amount thereof or the interest thereon or any premium payable upon redemption thereof, or change the Currency in which the principal of, premium, if any, or interest on the Notes is denominated or payable, or impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date);

(2) reduce the percentage in principal amount of the Notes, the consent of whose Holders is required for any supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with certain provisions of this Indenture or certain Default hereunder and their consequences provided for in this Indenture;

(3) modify any of the provisions of this Section or Section 6.06 or 7.06 of the Base Indenture, except to increase any of the respective percentages referred to therein or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder affected thereby; *provided, however*; that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to “the Trustee” and concomitant changes or the deletion of this proviso, in accordance with the requirements of Section 11.06 and 14.01(f) of the Base Indenture; or

(4) modify, without the written consent of the Trustee, the rights, duties or immunities of the Trustee; it being understood that in no event shall the Trustee be obligated to enter into any amendment or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

It will not be necessary for any act of Holders under the preceding paragraph to approve the particular form of any proposed supplemental indenture, but it will be sufficient if such act will approve the substance thereof.

Section 7.3 **Effect of Supplemental Indentures.** A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture with respect to the Notes or which modifies the rights of the Holders with respect to such covenant or other provision, will be deemed not to affect the rights under the Indenture of Holders of other series of Securities. Similarly, a supplemental indenture which changes or eliminates any covenant or other provision of the Indenture with respect to Securities of any other series or which modifies the rights of the Holders of Securities of any other series with respect to such covenant or other provision, will be deemed not to affect the rights under the Indenture of Holders.

ARTICLE 8
MISCELLANEOUS

Section 8.1 **Confirmation of Base Indenture.** The Base Indenture, as supplemented by this Eleventh Supplemental Indenture, is in all respects ratified and confirmed, and this Eleventh Supplemental Indenture shall be deemed part of the Base Indenture in the manner and to the extent herein and therein provided.

Section 8.2 **Responsibility of Recitals, Etc.** The Trustee assumes no responsibility for the correctness of the recitals. The Trustee makes no representations as to the validity or the sufficiency of this Eleventh Supplemental Indenture or of the Notes. The Trustee shall not be accountable for the use or application by the Company of the Notes or the proceeds thereof.

Section 8.3 **Concerning the Trustee.** The Trustee does not assume any duties, responsibility or liabilities by reason of this Eleventh Supplemental Indenture other than as set forth in the Indenture and, in carrying out its responsibilities hereunder, the Trustee shall have all of the rights, powers, privileges, protections and immunities which it possesses under the Indenture. In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“**Instructions**”) given pursuant to this Eleventh Supplemental Indenture and delivered using Electronic Means; provided, however, that the Company shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“**Authorized Officers**”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Company whenever a person is to be added or deleted from the listing. If the Company elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Company understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Company shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Company and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Company. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Company agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Company; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

Section 8.4 **Governing Law.** This Eleventh Supplemental Indenture and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York.

Section 8.5 **Severability**. In case any one or more of the provisions contained in this Eleventh Supplemental Indenture or in the Notes shall for any reason be held to be invalid, illegal or unenforceable in any respect, then, to the extent permitted by law, such invalidity, illegality or unenforceability shall not affect any other provisions of this Eleventh Supplemental Indenture, or of the Notes, but this Eleventh Supplemental Indenture and the Notes shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein or therein.

Section 8.6 **Counterparts**. This Eleventh Supplemental Indenture may be executed in any number of counterparts each of which shall be an original, but such counterparts shall together constitute but one and the same instrument. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Eleventh Supplemental Indenture or any document to be signed in connection with this Eleventh Supplemental Indenture shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by Electronic Means.

Section 8.7 **Conflict with Trust Indenture Act**. If any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act which is required to be a part of and govern this Eleventh Supplemental Indenture, the provision of the Trust Indenture Act shall control. If any provision of this Eleventh Supplemental Indenture modifies or excludes any provision of the Trust Indenture Act which may be so modified or excluded, the latter provision shall be deemed to apply to this Eleventh Supplemental Indenture, as so modified or excluded, as the case may be.

Section 8.8 **Effect of Headings**. The Article and Section headings herein are for convenience only and shall not affect the construction hereof.

Section 8.9 **Waiver of Jury Trial**. EACH OF THE COMPANY AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTION CONTEMPLATED HEREBY.

Section 8.10 **Reports**. Delivery of reports, information and documents to the Trustee pursuant to Article X of the Indenture is for informational purposes only and the Trustee’s receipt of such shall not constitute constructive or actual knowledge or notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers’ Certificates).

Section 8.11 **Submission to Jurisdiction**. The Company hereby irrevocably submits to the jurisdiction of any New York State court sitting in the Borough of Manhattan in the City of New York or any federal court sitting in the Borough of Manhattan in the City of New York in respect of any suit, action or proceeding arising out of or relating to this Indenture and the Notes, and irrevocably accepts for itself and in respect of its property, generally and unconditionally, jurisdiction of the aforesaid courts.

Section 8.12 **Foreign Account Tax Compliance Act (FATCA)**. In order to comply with applicable tax laws, rules and regulations (inclusive of directives, guidelines and interpretations promulgated by competent authorities) in effect from time to time (“**Applicable Law**”), the Company agrees (i) to provide to The Bank of New York Mellon Trust Company, N.A. sufficient information about Holders or other applicable parties and/or transactions (including any modification to the terms of such transactions) so The Bank of New York Mellon Trust Company, N.A. can determine whether it has tax related obligations under Applicable Law and (ii) that The Bank of New York Mellon Trust Company, N.A. shall be entitled to make any withholding or deduction from payments under the Indenture to the extent necessary to comply with Applicable Law for which The Bank of New York Mellon Trust Company, N.A. shall not have any liability. The terms of this section shall survive the termination of the Indenture.

Section 8.13 ***Economic Sanctions***. (a) The Company covenants and represents that neither it nor any of its subsidiaries, nor to its knowledge, any of its affiliates, directors or officers are the target or subject of any sanctions enforced by the US Government (including, without limitation, the Office of Foreign Assets Control of the US Department of the Treasury or the US Department of State), the United Nations Security Council, the European Union, His Majesty's Treasury, or other relevant sanctions authority (collectively "**Sanctions**");

(b) The Company covenants and represents that neither it nor any of its subsidiaries, nor to its knowledge, any of its affiliates, directors or officers will directly or indirectly use any payments made pursuant to this Eleventh Supplemental Indenture, (i) to fund or facilitate any activities of or business with any person who, at the time of such funding or facilitation, is the subject or target of Sanctions, (i) to fund or facilitate any activities of or business with any country or territory that is the target or subject of Sanctions, or (iii) in any other manner that will result in a violation of Sanctions by any person.

THE BANK OF NEW YORK MELLON TRUST
COMPANY, N.A., as Trustee

By: _____
Authorized Signatory

This Note is one of a duly authorized series of Securities of the Company (herein called the “Note” or the “Notes,” as the case may be), issued and to be issued in one or more series under an Indenture, dated as of November 20, 2007 (herein called the “Base Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., as amended and supplemented by the Eleventh Supplemental Indenture, dated as of September 11, 2025 (the “Eleventh Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., a national banking association, as trustee (the “Trustee”). Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders, and of the terms upon which the Notes are, and are to be authenticated and delivered.

The Notes shall be redeemable in whole or in part, at the Company’s option as set forth in Section 3.1 of the Eleventh Supplemental Indenture.

Interest installments whose Stated Maturity is on or prior to such Redemption Date shall be payable to the Holders of such Notes, or one or more Predecessor Securities, of record at the close of business on the relevant Record Dates referred to on the face hereof, all as provided in the Indenture. Notice of any such redemption shall be mailed (or otherwise electronically delivered) not less than 10 days and not more than 60 days prior to the Redemption Date to each Holder of the Notes to be redeemed.

In the event of redemption of the Notes in part only, a new Note or Notes for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof.

If a Change of Control Triggering Event occurs, unless the Company has exercised its option to redeem the Notes as described above, the Company shall be required to make a Change of Control Offer to each Holder of the Notes as set forth in Section 3.2 of the Eleventh Supplemental Indenture.

The Notes shall not be entitled to the benefit of any sinking fund.

The Indenture contains provisions for defeasance and discharge at any time of (i) the entire indebtedness of the Notes or (ii) certain restrictive covenants and Events of Default with respect to the Notes, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal of the Notes may be declared or shall become due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Notes at the time Outstanding to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Notes issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, no Holder shall have any right to institute any action, suit or proceeding at law or in equity for the execution of any trust under the Indenture or for the appointment of a receiver or for any other remedy hereunder, in each case with respect to an Event of Default with respect to the Notes, unless such Holder previously shall have given to the Trustee written notice of the happening of one or more of the Events of Default, and unless also the Holders of 25% in principal amount of the Notes then Outstanding shall have requested the Trustee in writing to take action in respect of the matter complained of, and unless also there shall have been offered to the Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee, for 60 days after receipt of such notification, request and offer of indemnity, shall have neglected or refused to institute any such action, suit or proceeding; and such notification, request and offer of indemnity are hereby declared in every such case to be conditions precedent to any such action, suit or proceeding by any Holder; it being understood and intended that no one or more of the Holders shall have any right in any manner whatsoever by his, her, its or their action to enforce any right under the Indenture, except in the manner therein provided, and that every action, suit or proceeding at law or in equity shall be instituted, had and maintained in the manner provided in the Indenture and for the equal benefit of all Holders of the Outstanding Notes.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on the Notes at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of the Notes is registrable in the Security Register, upon surrender of the Notes for registration of transfer at the office or agency of the Company in any place where the principal of, premium, if any, and interest on the Notes are payable, duly endorsed by or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes and of like tenor, of authorized denominations and for the same aggregate principal amount, shall be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in minimum denominations of €100,000 and integral multiple of €1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, the Notes are exchangeable for a like aggregate principal amount of Notes and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of the Notes for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name the Notes are registered as the owner hereof for all purposes, whether or not the Notes be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

All capitalized terms used, but not defined, in the Notes shall have the meanings assigned to them in the Indenture.

Re: Registration No. 333-286478; €500,000,000 aggregate principal amount of 4.000% Senior Notes due 2035

To the addressees set forth above:

We have acted as special counsel to Avery Dennison Corporation, a Delaware corporation (the “*Company*”), in connection with the issuance of €500,000,000 aggregate principal amount of its 4.000% Senior Notes due 2035 (the “*Notes*”) under an Indenture, dated November 20, 2007 (the “*Base Indenture*”), between the Company and The Bank of New York Trust Company, N.A., as trustee (the “*Trustee*”), as supplemented by the Eleventh Supplemental Indenture, dated the date hereof, between the Company and the Trustee (the “*Supplemental Indenture*” and, together with the Base Indenture, the “*Indenture*”) and pursuant to a registration statement on Form S-3 under the Securities Act of 1933, as amended (the “*Act*”), filed with the Securities and Exchange Commission (the “*Commission*”) on April 11, 2025 (Registration No. 333-286478) (as amended, the “*Registration Statement*”). This opinion is being furnished in connection with the requirements of Item 601(b)(5) of Regulation S-K under the Act, and no opinion is expressed herein as to any matter pertaining to the contents of the Registration Statement or related prospectus, other than as expressly stated herein with respect to the issue of the Notes.

As such counsel, we have examined such matters of fact and questions of law as we have considered appropriate for purposes of this letter. With your consent, we have relied upon certificates and other assurances of officers of the Company and others as to factual matters without having independently verified such factual matters. We are opining herein as to the internal laws of the State of New York and the general corporation law of the state of Delaware, and we express no opinion with respect to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction or, in the case of Delaware, any other laws, or as to any matters of municipal law or the laws of any local agencies within any state.

Subject to the foregoing and the other matters set forth herein, it is our opinion that, as of the date hereof, when the Notes have been duly executed, issued and authenticated in accordance with the terms of the Indenture and delivered against payment therefor in the circumstances contemplated by the underwriting agreement filed as Exhibit 1.1 to the Company's Current Report on Form 8-K on September 11, 2025, the Notes will have been duly authorized by all necessary corporate action of the Company and will be legally valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

Our opinion is subject to: (i) the effect of bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium or other similar laws relating to or affecting the rights and remedies of creditors; (ii) (a) the effect of general principles of equity, whether considered in a proceeding in equity or at law (including the possible unavailability of specific performance or injunctive relief), (b) concepts of materiality, reasonableness, good faith and fair dealing, and (c) the discretion of the court before which a proceeding is brought; and (iii) the invalidity under certain circumstances under law or court decisions of provisions providing for the indemnification of or contribution to a party with respect to a liability where such indemnification or contribution is contrary to public policy. We express no opinion as to (a) any provision for liquidated damages, default interest, late charges, monetary penalties, make-whole premiums or other economic remedies to the extent such provisions are deemed to constitute a penalty, (b) consents to, or restrictions upon, governing law, jurisdiction, venue, arbitration, remedies, or judicial relief, (c) any provision requiring the payment of attorneys' fees, where such payment is contrary to law or public policy, (d) any provision permitting, upon acceleration of the Notes, collection of that portion of the stated principal amount thereof which might be determined to constitute unearned interest thereon, (e) any provision to the extent it requires that a claim with respect to the Notes (or a judgment in respect of such claim) be converted into U.S. dollars at a rate of exchange at a particular date, to the extent applicable law otherwise provides, (f) advance waivers of claims, defenses, rights granted by law, or notice, opportunity for hearing, evidentiary requirements, statutes of limitation, trial by jury or at law, or other procedural rights, (g) waivers of broadly or vaguely stated rights, (h) provisions for exclusivity, election or cumulation of rights or remedies, (i) provisions authorizing or validating conclusive or discretionary determinations, (j) grants of setoff rights, (k) proxies, powers and trusts, (l) provisions prohibiting, restricting, or requiring consent to assignment or transfer of any right or property, and (m) the severability, if invalid, of provisions to the foregoing effect.

With your consent, we have assumed (a) that the Indenture and the Notes (collectively, the "**Documents**") have been duly authorized, executed and delivered by the parties thereto other than the Company, (b) that the Documents constitute legally valid and binding obligations of the parties thereto other than the Company, enforceable against each of them in accordance with their respective terms, (c) that the status of the Documents as legally valid and binding obligations of the parties is not affected by any (i) breaches of, or defaults under, agreements or instruments, (ii) violations of statutes, rules, regulations or court or governmental orders, or (iii) failures to obtain required consents, approvals or authorizations from, or make required registrations, declarations or filings with, governmental authorities, and (d) any make whole amount or any premium in connection with a Change of Control Payment (as defined in the Indenture) payable in respect of the Notes would be deemed to be reasonable in the circumstances applicable to the Notes and the Indenture.
