In addition, all documents filed by the Registrant with the Securities and Exchange Commission pursuant to Sections 13(a), 13(d), 14 or 15(d) of the Securities Exchange Act of 1934 after the effective date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold shall be deemed to be incorporated by reference in this Registration Statement and shall be deemed to be a part hereof from the date of filing of such documents.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein, or in any other subsequently filed document that also is or is deemed to be incorporated by reference herein, modifies or supersedes such statement. #### **Item 4. Description of Securities**

Not applicable.

#### **Item 5. Interests of Named Experts and Counsel**

Not applicable.

#### **Item 6. Indemnification of Directors and Officers**

The Registrant's Restated Certificate of Incorporation limits directors' liability for monetary damages to the extent permitted by the Delaware General Corporation Law, and reads as follows:

A director shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except that he may be liable (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law or (iv) for any transaction from which the director derived an improper personal benefit.

The provision affects only claims against directors for acts they perform as directors; it does not apply to acts they perform as officers of the Registrant or in other capacities.

In addition, the Board of Directors has adopted a resolution which provides that the Registrant shall indemnify any person who was, is, or is threatened to be made a party to an action, suit, or proceeding, whether civil, criminal, administrative, or investigative by reason of the fact that he is a director, officer, employee, or agent of the Registrant, or is or was serving at the Registrant's request as a director, officer, employee, or agent of another entity. Indemnification of a person under this resolution is against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the Registrant's best interests (with respect to a criminal proceeding, the person must have had no reasonable cause to believe his conduct was unlawful). In any proceeding by or in the right of the Registrant, no indemnification may be made if the person is found to be liable for negligence or misconduct in the performance of his duty, and indemnification may be made only to the extent that the Court of Chancery or such other court deems proper.

An insurance policy insures the Registrant's directors and officers against certain liabilities, including certain liabilities arising under the Act, which might be incurred by them in such capacities and against which they cannot be indemnified by the Registrant.

Insofar as indemnification against liabilities under the Act may be permitted for directors, officers, and controlling persons of the Registrant pursuant to the foregoing provisions or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of such Registrant in the successful defense of any action, suit, or proceeding) is asserted against the Registrant by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

#### **Item 7. Exemption from Registration Claimed**

Not applicable.

## Item 9. Undertakings

The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; PROVIDED, HOWEVER, that (i) and (ii) do not apply if the Registration Statement is on Form S-3 or Form S-8 and the information required to be included in a post-effective amendment by (i) or (ii) is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement;

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering; and

(4) that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual reports pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be

deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. If a director, officer or controlling person of the Registrant asserts a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Insofar as this opinion relates to securities to be issued in the future, we have assumed that all applicable laws, rules and regulations in effect at the time of such issuance shall be the same as such laws, rules and regulations are in effect as of the date hereof.

Nothing in this opinion is intended to apply to any disposition of the Shares which any recipient thereof may propose to make.

We consent to the filing of this opinion as an exhibit to the Registration Statement and as an exhibit to any filing made by the Company under the Securities or "Blue Sky" laws of any state or jurisdiction.

This opinion is furnished to you in connection with the filing of the Registration Statement and is not to be used, circulated, quoted or otherwise relied upon for any other purpose, except as expressly provided in the preceding paragraph, without our express written consent, and no party other than you is entitled to rely upon it.
