The Merger shall be effected by filing a certificate of merger/articles of merger, substantially in the form of Exhibit 2.1 attached hereto (the "Certificate of Merger"), with the Secretary of State of Delaware in accordance with section 252(c) of the DGCL and with the Secretary of State of Virginia in accordance with section 13.1-720 of the VSCA. Each certificate filed shall provide that the merger will be effective at 12:01 am (the "Effective Time") on the Closing Date.

2.2 Surviving Corporation.

2.2.1 Corporate Existence. The Surviving Corporation shall continue its corporate existence under the laws of the Commonwealth of Virginia. The separate corporate existence of Merger Sub shall cease at the Effective Time.

Thereafter, the Paying Agent shall pay to each Stockholder who submits a properly completed and executed Letter of Transmittal accompanied by surrender of the certificate or certificates for shares of Company Common Stock for which that Stockholder claims payment, the aggregate amount of the Purchase Price Per Share to which that Stockholder is entitled.

2.5 Additional Actions. If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement or to vest, perfect or confirm in the Surviving Corporation title to or ownership or possession of any property, right, privilege, power, franchise or other asset of either Constituent Corporation acquired or to be acquired by reason of, or as a result of, the Merger, the officers and directors of the Company and Merger Sub are fully authorized in the name of their respective corporations or otherwise to take, and will take, all such lawful and necessary action, so long as such action is consistent with this Agreement.

Except as set forth on Schedule 3.1 hereto, the Company and its Subsidiaries are duly qualified or licensed to do business as foreign corporations and are in good standing in all jurisdictions in which the character of the properties owned or held under lease by each or the nature of the business transacted by each makes qualification necessary, except where failure to be so qualified would not have a Company Material Adverse Effect. All jurisdictions in which the Company and its Subsidiaries are qualified to do business are set forth on Schedule 3.1 hereto.

3.2 Capital Stock.

3.2.1 Authorized Stock of the Company. The authorized capital stock of the Company consists of 3,000,000 shares of Company Common Stock, of which 1,916,004 shares were issued and outstanding (excluding 9,900 shares held in Treasury) as of March 31, 1998. All of the outstanding shares of Company Common Stock have been duly authorized and validly issued, were not issued in violation of any person's preemptive rights, and are fully paid and nonassessable.

3.2.2 Options and Convertible Securities of the Company. Except as set forth on Schedule 3.2, there are no outstanding subscriptions, options, warrants, conversion rights or other rights, securities, agreements or commitments obligating the Company to issue, sell or otherwise dispose of shares of its capital stock, or any securities or obligations convertible into, or exercisable or exchangeable for, any shares of its capital stock. Since March 31, 1998, the Company has not issued, sold or otherwise disposed of any shares of its capital stock, other than pursuant to the Company Option Plans. Except for the Affiliate Agreements and except as set forth on Schedule 3.2, there are no voting trusts or other agreements or understandings to which the Company or any Stockholder is a party with respect to the voting of the shares of Company Common Stock and the Company is not a party to or bound by any outstanding restrictions, options or other obligations, agreements or commitments to sell, repurchase, redeem or acquire any outstanding shares of Company Common Stock or other equity securities of the Company.

3.3 Subsidiaries. A list of the Company's Subsidiaries and their respective jurisdictions of incorporation is set forth on Schedule 3.3 hereto. All of the outstanding shares of capital stock of the Company's Subsidiaries have been duly authorized and validly issued, were not issued in violation of any person's preemptive rights, and are fully paid and nonassessable. Except as contemplated by this Agreement, there are no outstanding subscriptions, options, warrants, conversion rights or other rights, securities, agreements or commitments obligating the Company or any of its Subsidiaries to issue, sell or otherwise dispose of any shares of capital stock, or any securities or obligations convertible into, or exercisable or exchangeable for, any shares of capital stock of any of the Company's Subsidiaries.

The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by the board of directors of the Company and no other corporate proceedings on the part of the Company are necessary to authorize the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby, other than the approval of the Merger by the vote of the holders of at least two-thirds of the Company's Common Stock. This Agreement and the other agreements contemplated hereby to be signed by the Company have been duly executed and delivered by the Company and constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to the qualifications that enforcement of the rights and remedies created hereby and thereby is subject to (a) bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium and other laws of general application affecting the rights and remedies of creditors and (b) general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

3.4.2 No Conflict. Except as set forth on Schedule 3.4 hereto, neither the execution and delivery of this Agreement by the Company, nor the performance by the Company of its obligations hereunder, nor the consummation by the Company of the transactions contemplated hereby will (a) conflict with or result in a violation of any provision of the charter documents or by-laws of the Company or its Subsidiaries, (b) with or without the giving of notice or the lapse of time, or both, conflict with, or result in any violation or breach of, or constitute a default under, or result in any right to accelerate or result in the creation of any lien, charge or encumbrance pursuant to, or right of termination under, any provision of any note, mortgage, indenture, lease, instrument or other agreement, permit, concession, grant, franchise, license, judgment, order, decree, statute, ordinance, rule or regulation to which the Company or any of its Subsidiaries is a party or by which any of them or any of their assets or properties is bound or which is applicable to any of them or any of their assets or properties. No authorization, consent or approval of, or filing with or notice to, any United States or foreign governmental or public body or authority (each a "Governmental Entity") is necessary for the execution and delivery of this Agreement by the Company or the consummation by the Company of the transactions contemplated hereby, except for (i) the filing of the Certificate of Merger with the Secretaries of State of the Commonwealth of Virginia and the State of Delaware, (ii) the filing of the Proxy Statement with the SEC in accordance with the Exchange Act, (iii) filing with the Federal Trade

All of the Company Insurance Contracts are in full force and effect, with no default thereunder by the Company or its Subsidiaries which could permit the insurer to deny payment of claims thereunder. The Company has not received notice from any of its insurance carriers that any insurance premiums will be materially increased in the future or that any insurance coverage provided under the Company Insurance Contracts will not be available in the future on substantially the same terms as now in effect. 4.3 Authority for Agreement; Noncontravention.

4.3.1 Authority of Parent. Each of Parent and Merger Sub has the corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by the boards of directors of Parent and Merger Sub and the stockholder of Merger Sub and no other corporate proceedings on the part of Parent or Merger Sub are necessary to authorize the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby. This Agreement and the other agreements contemplated hereby to be signed by Parent or Merger Sub have been duly executed and delivered by Parent and Merger Sub, as the case may be, and constitute valid and binding obligations of Parent and Merger Sub, as the case may be, enforceable against Parent and Merger Sub in accordance with their terms, subject to the qualifications that enforcement of the rights and remedies created hereby and thereby are subject to (a) bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium and other laws of general application affecting the rights and remedies of creditors and (b) general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

4.3.2 No Conflict. Except as set forth on Schedule 4.3.2 hereto, neither execution and delivery of this Agreement by Parent or Merger Sub, nor the performance by Parent or Merger Sub of its obligations hereunder, nor the consummation by Parent or Merger Sub of the transactions contemplated hereby will (a) conflict with or result in a violation of any provision of the charter documents or by-laws of Parent or its Subsidiaries (including Merger Sub), or (b) with or without the giving of notice or the lapse of time, or both, conflict with, or result in any violation or breach of, or constitute a default under, or result in any right to accelerate or result in the creation of any lien, charge or encumbrance pursuant to, or right of termination under, any provision of any note, mortgage, indenture, lease, instrument or other agreement, Permit, concession, grant, franchise, license, judgment, order, decree, statute, ordinance, rule or regulation to which Parent, Merger Sub or any of Parent's other Subsidiaries is a party or by which any of them or any of their assets or properties is bound or which is applicable to any of them or any of their assets or properties. No authorization, consent or approval of, or filing with or notice to, any Governmental Entity is necessary for the execution and delivery of this Agreement by Parent or Merger Sub or the consummation by Parent or Merger Sub of the transactions contemplated hereby, except for (i) the filing of the Certificate of Merger with the Secretaries of State of the State of Delaware and the Commonwealth of Virginia, (ii) filing with the Federal Trade Commission and the United States Department of Justice pursuant to the provisions of the H-S-R Act, and (iii) such other consents, authorizations, filings, approvals and registrations which if not obtained or made would not have a Parent Material Adverse Effect.

4.4 SEC Statements, Reports and Documents. Parent has timely filed all required forms, reports, statements and documents with the SEC since January 1, 1993. Parent heretofore has delivered or made available to counsel for the Company true and complete copies of (a) its Annual Reports on Form 10-K for the fiscal years ended June 30, 1996 and 1997, respectively, (b) its Quarterly Reports on Form 10-Q for the fiscal quarters ended September 30, 1996, December 31, 1996, September 30, 1997, December 31, 1997 and March 31, 1998, respectively, (c) all proxy statements relating to Parent's meetings of stockholders (whether annual or special) held since June 30, 1996, (d) all other forms, reports, statements and documents filed or required to be filed by it with the SEC since June 30, 1996, and (e) all amendments and supplements to all such reports and registration statements filed by Parent with the SEC (the documents referred to in clauses (a), (b), (c), (d) and (e) being hereinafter referred to as the "Parent Reports"). As of their respective dates, the Parent Reports complied in all material respects with all applicable requirements of the Securities Act and the Exchange Act and the rules and regulations promulgated thereunder, and did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The financial statements (including any related notes) of Parent included in the Parent Reports were prepared in conformity with GAAP applied on a consistent basis (except as otherwise stated in the financial statements), and present fairly the consolidated financial position, results of operations and changes in financial position of Parent and its consolidated Subsidiaries as of the dates and for the periods indicated, subject, in the case of unaudited interim consolidated financial statements, to (i) the absence of certain notes thereto and (ii) normal year-end audit adjustments which are not in the aggregate material. The consolidated balance sheet of Parent and its subsidiaries at June 30, 1997, including the notes thereto, is hereinafter referred to as the "Parent Balance Sheet."

4.5 Absence of Material Adverse Changes. Since the date of the Parent Balance Sheet, Parent has not suffered any Parent Material Adverse Effect, nor has there occurred or arisen any event, condition or state of facts of any character that could reasonably be expected to result in a Parent Material Adverse Effect.

4.6 Litigation and Audits. Except for any claim, action, suit or proceeding disclosed in the Parent Reports or set forth on Schedule 4.6 hereto, (a) there is no investigation by any Governmental Entity with respect to Parent or its Subsidiaries pending or, to the knowledge of Parent, threatened, nor has any Governmental Entity indicated to Parent or any of its Subsidiaries an intention to conduct the same, and (b) there is no claim, action, suit, arbitration or proceeding pending or threatened against or involving Parent or any of its Subsidiaries, or any of its or their assets or properties, at law or in equity, or before any arbitrator or Governmental Entity, in each case that, if adversely determined, either singly or in the aggregate, would prevent or materially delay the consummation of the transactions contemplated hereby.

4.7 Proxy Statement. The information provided by Parent or Merger Sub for inclusion in the Proxy Statement shall not, on the date the Proxy Statement is first mailed to the Company's stockholders, at the time of the Company Meeting and at the Effective Time, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not false or misleading; or omit to state any material fact necessary to correct any statement in any earlier communication with respect to the solicitation of proxies for the Company Meeting which has become false or misleading. If at any time prior to the Effective Time any event relating to Parent, Merger Sub or any of their respective affiliates, officers or directors should be discovered by Parent or Merger Sub which should be set forth in an amendment or a supplement to the Proxy Statement,

Parent or Merger Sub shall promptly inform the Company. Notwithstanding the foregoing, Parent and Merger Sub make no representation or warranty with respect to any information supplied by the Company which is contained in any of the foregoing documents.

ARTICLE 5

5.1 Conduct of Business of the Company. Except as set forth on Schedule 5.1 hereto, between the date of this Agreement and the Effective Time or the date, if any, on which this Agreement is earlier terminated pursuant to its terms, the Company and each of its Subsidiaries shall, except to the extent that Parent shall otherwise consent in writing, (i) carry on its business in the usual, regular and ordinary course in substantially the same manner as heretofore conducted, pay its debts and taxes when due subject to good faith disputes over such debts or taxes, pay or perform other material obligations when due subject to good faith disputes over such obligations, and use all reasonable efforts consistent with past practices and policies to preserve intact the Company's present business organizations, keep available the services of its present officers and employees and preserve its relationships with customers, suppliers and others having business relationships with it, to the end that the Company's and each of its Subsidiaries' goodwill and ongoing business be unimpaired at the Effective Time, and (ii) promptly notify Parent of any event or occurrence not in the ordinary course of business of the Company and each of its Subsidiaries which will have or could reasonably be expected to have a Company Material Adverse Effect. (h) acquire by merging or consolidating with, or by purchasing any equity interest in or a material portion of the assets of, any business or any corporation, partnership interest, association or other business organization or division thereof, or otherwise acquire any assets which are material, individually or in the aggregate, to the business of the Company and its Subsidiaries, except in the ordinary course of business consistent with past practices;

(i) subject to Section 5.1(o), increase the following amounts payable or to become payable: (i) the salary of any of its directors or officers, other than increases in the ordinary course of business consistent with past practices and not exceeding, in any case, ten percent (10%) of the director's or officer's salary on the date hereof, (ii) any other compensation of its directors or officers, including any increase in benefits under any bonus, insurance, pension or other benefit plan made for or with any of those persons, other than increases that are provided in the ordinary course of business consistent with past practices to broad categories of employees and do not discriminate in favor of the aforementioned persons, and (iii) the compensation of any of its other employees, consultants or agents except in the ordinary course of business consistent with past practices;

(j) dispose of, permit to lapse, or otherwise fail to preserve the rights of the Company or any of its Subsidiaries to use the Company Proprietary Rights or enter into any settlement regarding the breach or infringement of, any Company Proprietary Rights, or modify any existing rights with respect thereto, other than in the ordinary course of business consistent with past practices, and other than any such disposal, lapse, failure, settlement or modification that does not have and could not reasonably be expected to have a Company Material Adverse Effect;

(k) sell, or grant any right to exclusive use of, all or any part of the Company Proprietary Rights;

- (l) enter into any contract or commitment or take any other action that is not in the ordinary course of its business or could reasonably be expected to have an adverse impact on the transactions contemplated hereunder or that would have or could reasonably be expected to have a Company Material Adverse Effect;

- (o) take any action that would materially decrease the Company's net worth, provided, however, that payments by the Company of reasonable legal and accounting fees related to the Merger and/or the disposition of QTPI shall not be deemed to be a breach of this Section 5.1(o);
- (p) make any change in any method of accounting or accounting practice other than changes required to be made in order that the Company's financial statements comply with GAAP; or
- (q) agree, whether in writing or otherwise, to take any action described in this Section 5.1.

5.2 Conduct of Business of Parent. Between the date of this Agreement and the Effective Time or the date, if any, on which this Agreement is earlier terminated pursuant to its terms, Parent and each of its Subsidiaries shall not, except to the extent that the Company shall otherwise consent in writing, take any action that would materially impair Parent's ability to pay the aggregate Merger Price or otherwise to perform its obligations under this Agreement.

ARTICLE 6

ADDITIONAL AGREEMENTS

6.1 Proxy Statement. As promptly as practicable after the execution of this Agreement, the Company shall prepare and file with the SEC the Proxy Statement. The Proxy Statement shall include the recommendation of the Board of Directors of the Company in favor of the Merger which shall not be withdrawn, modified or withheld except in compliance with the fiduciary duties of the Company's Board under applicable law.

6.2 Meeting of Stockholders. Promptly after execution of this Agreement, the Company shall take all action necessary in accordance with the VSCA and its certificate of incorporation and by-laws to convene the Company Meeting to be held as promptly as practicable for the purpose of voting upon this Agreement and the Merger.

6.3 Amendment of Stock Options. Promptly after execution of this Agreement, the Company shall take such action as may be practicable under the terms of all outstanding Company Stock Options and the Company SECT to ensure that at the Effective Time, each Company Stock Option then outstanding shall be converted into the right to receive payment from the Company SECT of the amount of the excess, if any, of the Merger Price Per Share for each share of Company Common Stock for which that Company Stock Option was theretofore exercisable over the exercise price per share for each such share of Company Common Stock. It is understood that, since the Company will not receive the exercise price for any Company Stock Option amended as provided in this paragraph, there will be no Principal Reduction (as defined in section 2.3 of the Amended and Restated Trust Agreement effective as of March 25, 1998) with respect to any payment by the Company SECT to the holder of any Company Stock Option so converted.

6.4 Disposition of QTPI. As promptly as practicable after execution of this Agreement, the Company shall take action to dispose entirely of its interest in QTPI.

6.5 Exclusivity. From and after the date of this Agreement until the earlier of the Effective Time and termination of this Agreement in accordance with Article 9 hereof, the Company and its Subsidiaries will not, directly or indirectly, through their respective affiliates, agents, officers and directors, directly or indirectly, solicit, initiate, or participate in discussions or negotiations or otherwise cooperate in any way with, or provide any information to, any corporation, partnership, person, or other entity or group concerning any tender offer, exchange offer, merger, business combination, sale of substantial assets, sale of shares of capital stock, or similar transaction involving the Company or any of its Subsidiaries (all such transactions being referred to herein as "Acquisition Proposals"). Notwithstanding the foregoing, the Company may furnish information concerning its business, properties, or assets to and enter into negotiations with a corporation, partnership, person, or other entity or group, if the party receives an unsolicited Acquisition Proposal and outside counsel to the Company advises the Company's Board of Directors in writing that the Board's fiduciary responsibilities under applicable law require that such information be provided or negotiations be held with the person presenting the Acquisition Proposal in order to avoid a breach of such fiduciary responsibilities.

6.6 Expenses. Each party hereto shall be responsible for its own costs and expenses in connection with the Merger, including fees and disbursements of consultants, investment bankers and other financial advisors, counsel and accountants.

6.7 Affiliate Agreements. Set forth on Schedule 6.7 is a list of those Affiliates of the Company who have executed agreements in the form attached hereto as Exhibit 6.7 (the "Affiliate Agreements"), effective simultaneously with the effectiveness of this Agreement.

The Company shall afford to Parent and to its officers, employees, accountants, counsel and other authorized representatives full and complete access, upon 24 hours advance telephone notice, during regular business hours, throughout the period prior to the earlier of the Effective Time or the termination of this Agreement pursuant to its terms, to its offices, properties, books and records and those of its Subsidiaries, and shall use reasonable efforts to cause its representatives and independent public accountants to furnish to Parent such additional financial and operating data and other information as to its business, customers, vendors and properties and those of its Subsidiaries as Parent may from time to time reasonably request.

6.9 Public Disclosure. Except as otherwise required by law, any press release or other public disclosure of information regarding the proposed transaction (including the negotiations with respect to the Merger and the terms and existence of this Agreement) shall be developed by Parent, subject to the Company's review. The Company and Parent agree that each party's non-disclosure obligations contained in the Letter of Intent shall remain in full force and effect in accordance with the terms of such Agreement.

6.10 No Solicitation of Employees. Parent and the Company agree that between the date of this Agreement and the Effective Time or the date one year after the date, if any, on which this Agreement is earlier terminated pursuant to its terms, neither party shall solicit, induce or recruit any of the other party's employees to leave their employment, otherwise than in response to general advertisements or solicitations not directed specially to employees of the other party.

6.11 Directors and Officers Indemnification. From and after the Effective Time, Parent and the Surviving Corporation shall indemnify, defend and hold harmless each person who is now, or has been at any time prior to the date hereof, an officer or director of the Company (the "Indemnified Parties") to the same extent that such Indemnified Parties are currently indemnified by the Company pursuant to the Company's Certificate of Incorporation and By-Laws and the VSCA for acts or omissions in their capacities as officers or directors of the Company occurring on or prior to the Effective Time.

6.12 Reasonable Efforts. Subject to terms and conditions herein provided, each of the parties agrees to use all reasonable efforts to take, or cause to be taken, all action and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the Merger and the other transactions contemplated by this Agreement. Without limiting the generality of the foregoing, the Company and Parent each will use all reasonable efforts to obtain all approvals, authorizations, consents and waivers from, and give all notices to, any public or private third parties that are necessary on its part in order to effect the transactions contemplated hereby.

(a) by mutual written consent of Parent and the Company;

(b) by Parent if there has been a breach of any representation, warranty, covenant or agreement contained in this Agreement on the part of the Company and such breach has not been cured within ten business days after written notice to the Company (provided, that neither Parent nor Merger Sub is in material breach of the terms of this Agreement, and provided further, that no cure period shall be required for a breach which by its nature cannot be cured) such that the conditions set forth in Section 7.2.1 or Section 7.2.2 hereof, as the case may be, will not be satisfied;
