#### Explanation of Responses:

- (1) The Statements of Changes of Beneficial Ownership were not submitted when originally required due to a misunderstanding of the submission requirements. Previously, Statements of Changes in Beneficial Ownership covering restricted stock units granted under the Registrant's Director Stock Purchase Plan were submitted upon the Registrant's purchase of underlying securities, instead of upon the date the derivative securities were granted. The transaction dates above represent those dates on which director fees earned by the reporting person were deferred in return for the respective grant of derivative securities.
