WHAT YOU SHOULD KNOW ABOUT DELIVERY OF OUR 2011 PROXY MATERIALS

This year, like last year, we are providing each of our record shareholders with access to our proxy materials via the Internet. Accordingly, on or before April 6, 2011, we began mailing the accompanying Notice of Internet Availability of Proxy Materials to all shareholders of record as of March 21, 2011, and posted our proxy materials on our website as described in the Notice. The following information addresses certain questions you may have regarding this process.

Why didn't I receive a copy of the proxy statement, annual report and proxy card in the mail?

The Securities and Exchange Commission allows us to send you a short notice that proxy materials are available electronically instead of a full package containing a proxy card, annual report and proxy statement. You can request that we send paper copies of the proxy materials, as described further below. The rules are not mandatory, and we may still choose to mail paper copies of proxy materials to all or some of our shareholders.

How do these rules work?

The rules permit us to send (or request that brokers send) a short notice instead of the traditional large proxy package. This conserves paper and reduces our printing and mailing costs. As explained further in the accompanying Notice, you have the option of (1) accessing the proxy materials online, including instructions on how to vote, or (2) requesting that paper copies of those materials be sent to you.

Can I get paper proxy packages now and in the future?

Yes. If you are a shareholder of record, you may contact us as directed on the accompanying Notice and request that we mail you paper proxy packages. This selection will apply to all future proxy mailings by us, until you notify us that you no longer wish to receive paper proxy packages.

If you hold shares of our common stock in street name through a broker, you should contact your broker to request paper proxy packages.
